

1

00:00:00,000 --> 00:00:07,120

Recently, a sighting team traveled to South America, where we investigated several claims

2

00:00:07,120 --> 00:00:09,500

of paranormal activity.

3

00:00:09,500 --> 00:00:14,840

In Peru, ancient mythology is filled with legends about flying ships and alien visitors

4

00:00:14,840 --> 00:00:16,520

with secret knowledge.

5

00:00:16,520 --> 00:00:26,440

And there is evidence that these legends may have a basis in fact.

6

00:00:26,440 --> 00:00:33,280

I believe that within the recorded history of mankind, particularly in Peru, there has

7

00:00:33,280 --> 00:00:39,800

been a interaction with the intelligence behind the phenomena commonly called unidentified

8

00:00:39,800 --> 00:00:43,280

flying objects.

9

00:00:43,280 --> 00:00:48,600

For thousands of years, this place has been a sacred place, a place recognized by different

10

00:00:48,600 --> 00:00:50,120

ancient cultures.

11

00:00:50,120 --> 00:00:54,240

This is also an area where many sightings of UFOs have been recorded.

12

00:00:54,240 --> 00:00:58,520

It is an area which is frequented by these types of contacts, and these encounters have

13

00:00:58,520 --> 00:01:02,680

undoubtedly been occurring since time immemorial.

14

00:01:02,680 --> 00:01:08,920

Peru's premier UFO researcher challenges the idea that alien visitation is a new phenomenon,

15

00:01:08,920 --> 00:01:13,000

born during the American Saucer craze of the late 1940s.

16

00:01:13,000 --> 00:01:17,760

Sixto Paz believes that extraterrestrials have been making contact for thousands of

17

00:01:17,760 --> 00:01:22,080

years, and Peru is where they came first.

18

00:01:22,720 --> 00:01:31,040

When you reach the desert in the south of Peru, you see big lines and large designs

19

00:01:31,040 --> 00:01:33,920

that can be seen from space.

20

00:01:33,920 --> 00:01:39,880

Maybe contact with extraterrestrials gave our ancestors a reason for creating them.

21

00:01:39,880 --> 00:01:44,040

These designs were like an offering, or a way of demonstrating that there was a connection

22

00:01:44,040 --> 00:01:47,000

to something high above.

23

00:01:47,000 --> 00:01:52,000

Some researchers believe that the ancient Peruvian legend of the god Veracotcha may

24

00:01:52,000 --> 00:01:56,800

have been based on a real person, a person from another planet.

25

00:01:56,800 --> 00:02:01,560

According to legend, Veracotcha emerged from the ocean, not far from the place where we

26

00:02:01,560 --> 00:02:03,800

find the Nazca lights.

27

00:02:03,800 --> 00:02:09,320

From there, he traveled throughout South America, teaching science, engineering, and art.

28

00:02:09,320 --> 00:02:14,640

After his work was done, Veracotcha is said to have departed from Chilco, Peru, on a flying

29

00:02:14,640 --> 00:02:15,640

cloak.

30

00:02:16,640 --> 00:02:23,120

The god Veracotcha came to that very place, to the ocean right opposite Chilca and sank

31

00:02:23,120 --> 00:02:24,440

into the sea.

32

00:02:24,440 --> 00:02:28,960

It was thought that this is the very place the gods make their home.

33

00:02:28,960 --> 00:02:33,480

What we do know is that today many of the people living in this area experience frequent

34

00:02:33,480 --> 00:02:38,680

sightings of objects that come out of the ocean.

35

00:02:38,680 --> 00:02:43,160

We were walking towards the ocean, and at the edge of the horizon of the sea, there

36

00:02:43,200 --> 00:02:50,440

was a light that kept on growing, growing, growing, and passed over us like a flash at

37

00:02:50,440 --> 00:02:52,560

a tremendous speed.

38

00:02:52,560 --> 00:02:58,240

Chilco is a spiritual center and a gathering place for UFO experiencers who believe that

39

00:02:58,240 --> 00:03:02,800

the same phenomenon that brought Veracotcha here is still occurring.

40

00:03:03,120 --> 00:03:09,800

Here in Chilco, I saw a ship descend with my very own eyes.

41

00:03:09,800 --> 00:03:13,800

I saw it land behind some hills.

42

00:03:13,800 --> 00:03:16,800

The ship was shaped like a hat.

43

00:03:16,800 --> 00:03:19,800

I was able to observe its lights.

44

00:03:19,800 --> 00:03:24,800

The strongest colors were yellow, red, and orange.

45

00:03:24,800 --> 00:03:28,800

William Gomez is a leading Peruvian UFO researcher.

46

00:03:29,800 --> 00:03:35,800

Like Sixto Paz, Gomez and his group use meditation techniques to make contact with what they believe

47

00:03:35,800 --> 00:03:38,800

are extraterrestrial visitors.

48

00:03:38,800 --> 00:03:44,800

What I have been able to understand from them in several messages that our group has received

49

00:03:44,800 --> 00:03:50,800

is that the vibrations emanating from us here at Chilca are what makes it possible for them

50

00:03:50,800 --> 00:03:53,800

to come here and interact with us.

51

00:03:53,800 --> 00:03:58,800

You start to feel when they want to communicate with you.

52

00:03:58,800 --> 00:04:02,800

It might be in an apparition, in dreams, or other manifestations.

53

00:04:02,800 --> 00:04:08,800

We get together in a group and do exercises, breathing, relaxation, concentration, and meditation.

54

00:04:08,800 --> 00:04:13,800

These groups believe that they have made contact on many occasions, but in recent memory,

55

00:04:13,800 --> 00:04:19,800

none was more significant than the encounter of January 31st, 1987.

56

00:04:20,800 --> 00:04:25,800

Approximately half an hour after we started meditating, we were in a relaxed state.

57

00:04:25,800 --> 00:04:28,800

We saw an orange-colored cloud hovering above the group.

58

00:04:28,800 --> 00:04:32,800

It was a very bright light, very bright.

59

00:04:36,800 --> 00:04:40,800

In front of us, on top of several hills, there was clearly a craft.

60

00:04:40,800 --> 00:04:42,800

It was stationary.

61

00:04:42,800 --> 00:04:46,800

At that moment, Sixto asked us to keep supporting him with meditation

62

00:04:46,800 --> 00:04:50,800

while he ventured further into the desert.

63

00:04:50,800 --> 00:04:55,800

I witnessed his claim that after Sixto Paz approached the UFO, he disappeared.

64

00:04:57,800 --> 00:05:03,800

The spacecraft beamed light into the desert, which formed a sort of pulsating golden half-moon.

65

00:05:03,800 --> 00:05:07,800

From inside appeared a silhouette with arms outstretched.

66

00:05:07,800 --> 00:05:10,800

I understood they were telling me to approach them.

67

00:05:10,800 --> 00:05:14,800

Once I entered the light, I felt like my whole body was burning up.

68

00:05:14,800 --> 00:05:17,800

It was so intense, I had to close my eyes.

69

00:05:17,800 --> 00:05:23,800

But what I could see, what I could observe, was that this craft seemed to have entered the sea

70

00:05:23,800 --> 00:05:27,800

and that some enormous depth, there were huge ships.

71

00:05:27,800 --> 00:05:31,800

According to them, the mother ships had landed at the bottom of the ocean.

72

00:05:33,800 --> 00:05:37,800

Sixto's contact with UFOs might be written off as pure fantasy

73

00:05:37,800 --> 00:05:42,800

if it were not for a series of U.S. government reports confirming numerous UFO sightings

74

00:05:42,800 --> 00:05:44,800

off the coast of Peru.

75

00:05:44,800 --> 00:05:48,800

We find that in the waters off the coast of Central and South America,

76

00:05:48,800 --> 00:05:55,800

both in the Atlantic and the Pacific, that there are numerous reports of UFOs going into the water.

77

00:05:55,800 --> 00:06:01,800

Definitely something is going on in the waters off the coast.

78

00:06:01,800 --> 00:06:06,800

Clifford Stone has been documenting UFO encounters around the world for more than two decades.

79

00:06:06,800 --> 00:06:12,800

We haven't been able to recognize what their agenda or plan is for planet Earth.

80

00:06:12,800 --> 00:06:19,800

But I do believe that there is definitely a desired interaction between them

81

00:06:19,800 --> 00:06:23,800

and mankind as a whole on this planet.

82

00:06:24,800 --> 00:06:27,800

After 21 years of contact that we've experienced,

83

00:06:27,800 --> 00:06:32,800

it's always been positive and all the cases we've researched have had positive intentions.

84

00:06:33,800 --> 00:06:36,800

The beings we've contacted are very friendly.

85

00:06:36,800 --> 00:06:40,800

One can say they have an older brother attitude towards us

86

00:06:40,800 --> 00:06:44,800

and they're trying to, in a way, make sure we don't make the same mistakes

87

00:06:44,800 --> 00:06:48,800

they have probably made in the past with their civilization.

88

00:06:48,800 --> 00:06:51,800

They're trying to make us aware that our planet is beautiful

89

00:06:51,800 --> 00:06:54,800

and that we must care for it for the future.

90

00:06:55,800 --> 00:07:01,800

Ever since I was a small boy, there was a curiosity in me deep inside

91

00:07:01,800 --> 00:07:04,800

that there could be life on other planets.

92

00:07:04,800 --> 00:07:09,800

And also, I was sure there would not be negative beings,

93

00:07:09,800 --> 00:07:14,800

that they had to be coming to Earth for some positive reason.

94

00:07:18,800 --> 00:07:22,800

During our trip to Peru, we were told that there was a planet

95

00:07:22,800 --> 00:07:25,800

that had been destroyed during our trip to Peru.

96

00:07:25,800 --> 00:07:29,800

We received information from several sources about a Peruvian Air Force pilot

97

00:07:29,800 --> 00:07:33,800

who had tailed and then fired on an unidentified flying object.

98

00:07:33,800 --> 00:07:37,800

The military authorities in Peru have not cooperated so far

99

00:07:37,800 --> 00:07:40,800

with the sightings investigation into the incident.
