

1

00:00:00,000 --> 00:00:09,120

They have appeared in our heavens for as long as man had the mind to look up.

2

00:00:09,120 --> 00:00:14,120

Something frightened me and I remember running back into the house and saying,

3

00:00:14,120 --> 00:00:17,720

my God, this is for real, this is not a dream.

4

00:00:17,720 --> 00:00:22,120

They reflect the light of our knowledge and the dark about deepest fears.

5

00:00:22,120 --> 00:00:25,360

They put this lens over my head.

6

00:00:25,360 --> 00:00:29,360

I felt a pain and it was like there was a needle.

7

00:00:31,360 --> 00:00:34,600

We don't know what they are, nor what they want from us.

8

00:00:34,600 --> 00:00:37,360

We can only say they're here.

9

00:00:42,800 --> 00:00:47,360

Beyond what is known as an unexplored world of shadows and phantoms,

10

00:00:47,360 --> 00:00:55,360

a land that knows no limits of time or space.

11

00:00:59,360 --> 00:01:04,360

From the dawn of discovery to the nightfall of catastrophe,

12

00:01:04,360 --> 00:01:11,360

journey to a universe of the unexplained, the unforeseen, and the unbelievable,

13

00:01:12,360 --> 00:01:17,360

a place beyond reality where no question will go unanswered,

14

00:01:17,360 --> 00:01:23,360

a place where myth and legend are all superstition of science.

15

00:01:23,360 --> 00:01:28,360

Travelling to a world of secrets and mysteries.

16

00:01:28,360 --> 00:01:41,360

Time for our journey to begin.

17

00:01:45,360 --> 00:01:47,360

Some call them UFOs.

18

00:01:47,360 --> 00:01:49,360

Millet disbelieve.

19

00:01:51,360 --> 00:01:52,360

Who are you?

20

00:01:53,360 --> 00:01:55,360

Why are you here?

21

00:01:58,360 --> 00:02:13,360

They shone more in the sky than the brightness of the sun,

22

00:02:13,360 --> 00:02:17,360

and extended to the limits of the four supports of the heavens.

23

00:02:18,360 --> 00:02:22,360

3,400 years ago, that description of strange lights in the sky

24

00:02:22,360 --> 00:02:26,360

was recorded by Tuckmost III, an Egyptian pharaoh.

25

00:02:29,360 --> 00:02:32,360

Another early UFO sighting is described in the Bible.

26

00:02:32,360 --> 00:02:37,360

Here, the prophet Ezekiel saw an object of cleaning metal with brightness around it.

27

00:02:39,360 --> 00:02:45,360

The prophet's sense of wonder and fear has survived into our modern era.

28

00:02:45,360 --> 00:02:50,360

For example, this woman is witnessing a phenomenon,

29

00:02:51,360 --> 00:02:53,360

a close encounter of the first kind,

30

00:02:53,360 --> 00:02:56,360

the sighting of an unidentified flying object or UFO.

31

00:03:01,360 --> 00:03:04,360

According to a recent poll taken in the United States,

32

00:03:04,360 --> 00:03:10,360

half of its population believe that the universe is inhabited by other intelligent life.

33

00:03:10,360 --> 00:03:14,360

The rest of the world cannot be far behind.

34

00:03:15,360 --> 00:03:21,360

Even more surprising, over 20 million Americans believe they've seen a UFO.

35

00:03:21,360 --> 00:03:25,360

20 million people, just in the United States.

36

00:03:26,360 --> 00:03:31,360

When we think about UFOs, we remember the images presented in fiction.

37

00:03:31,360 --> 00:03:36,360

The reality, however, is somewhat different.

38

00:03:37,360 --> 00:03:41,360

One of the first modern UFO sightings occurred in the late 1890s.

39

00:03:41,360 --> 00:03:47,360

Airships were spotted hovering all over the United States, moving through the skies.

40

00:03:47,360 --> 00:03:50,360

Disables had not yet been invented,

41

00:03:50,360 --> 00:03:55,360

and contemporary newspaper accounts of the time referred to mystic flying lights.

42

00:03:55,360 --> 00:03:59,360

What were they? Some say something out of this world.

43

00:04:00,360 --> 00:04:06,360

It's interesting to note that in 1896 and 1897, in this country, in the United States,

44

00:04:06,360 --> 00:04:12,360

when we had an airship flap, when there were no lighter-than-air craft,

45

00:04:12,360 --> 00:04:19,360

that people also misidentified Venus regularly as airships.

46

00:04:19,360 --> 00:04:26,360

In the 1930s, in magazines like these, the strange lights first took on an otherworldly identity.

47

00:04:26,360 --> 00:04:30,360

Until that time, the lights in the sky had never been associated without a space,

48

00:04:30,360 --> 00:04:35,360

and after 1947, they would rarely be associated with anything else.

49

00:04:37,360 --> 00:04:46,360

It was on the afternoon of June 27, 1947, that Kenneth Arnold, a pilot flying in upstate Washington,

50

00:04:46,360 --> 00:04:55,360

reported seeing a group of objects that flew in his words, like sources skipping over the water.

51

00:04:57,360 --> 00:05:03,360

The age of the flying saucer had arrived, and the world would never be the same.

52

00:05:04,360 --> 00:05:09,360

The five-minute flight is restricted to a three-foot altitude, since Moller is not a licensed pilot,

53

00:05:09,360 --> 00:05:12,360

and flying saucers aren't recognized aircraft.

54

00:05:12,360 --> 00:05:16,360

A two-seater ready soon may be the car or chopper of the future.

55

00:05:16,360 --> 00:05:19,360

Help wanted a crew of little green men.

56

00:05:25,360 --> 00:05:30,360

To 1950s, witnessed a sharp increase in the number of sightings all around the world,

57

00:05:31,360 --> 00:05:36,360

and with it, more and more evidence that something unusual was happening in our skies.

58

00:05:37,360 --> 00:05:44,360

Even the United States government took notice, beginning an official Air Force investigation called Project Blue Book.

59

00:05:44,360 --> 00:05:49,360

Their files soon overflowed with more than 12,000 sightings.

60

00:05:50,360 --> 00:05:59,360

Documents have recently been released that purport to show that the US government 40 years ago

61

00:05:59,360 --> 00:06:06,360

captured a crash saucer in the bodies of four aliens and has managed to keep that secret for 40 years.

62

00:06:06,360 --> 00:06:14,360

There's just too much documentation there showing attempts by scientists to try to explain this phenomenon,

63

00:06:15,360 --> 00:06:20,360

to just dismiss it as a figment of people's imagination.

64

00:06:20,360 --> 00:06:27,360

If President Nixon only knew who was able to keep the crash saucer secret for 40 years,

65

00:06:27,360 --> 00:06:31,360

he surely would have brought that person in to keep Watergate under cover.

66

00:06:31,360 --> 00:06:37,360

There is something that flies in our atmosphere that scientists for 40 years have tried to explain and still cannot explain.

67

00:06:37,360 --> 00:06:49,360

I hope that those who are responsible for producing those counterfeits and trying to con the news media and the American public are promptly brought to justice.

68

00:06:49,360 --> 00:06:57,360

But if UFOs are only hoaxes, they are widespread and have stayed on the front pages for decades.

69

00:06:57,360 --> 00:07:06,360

No one, confirmed skeptic or fervent believer, has been able to say for certain just what they are, and they aren't going away.

70

00:07:06,360 --> 00:07:13,360

Arthur C. Clarke once said that any sufficiently advanced technology is indistinguishable from magic.

71

00:07:13,360 --> 00:07:16,360

This may hold true for the UFO phenomena as well.

72

00:07:16,360 --> 00:07:22,360

The objects that one sees may be completely beyond one's understanding.

73

00:07:27,360 --> 00:07:30,360

This is a close encounter of the second kind.

74

00:07:30,360 --> 00:07:34,360

Something is descending through the heavens into this woman's life.

75

00:07:37,360 --> 00:07:42,360

She has made contact. This is a close encounter of the third kind.

76

00:07:43,360 --> 00:07:47,360

Now we're about to see a close encounter of the fourth kind.

77

00:07:47,360 --> 00:07:50,360

Physical contact with what?

78

00:07:50,360 --> 00:07:57,360

This contact will change this woman's life forever, as it has changed the lives of hundreds of other people around the world.

79

00:08:07,360 --> 00:08:12,360

This woman is coming face to face with something beyond her imagination.

80

00:08:15,360 --> 00:08:18,360

Her mind is no longer her own.

81

00:08:18,360 --> 00:08:24,360

She's about to undergo a terrifying odyssey, unprecedented in human experience.

82

00:08:37,360 --> 00:08:44,360

There's something happening around the world. Something strange.

83

00:08:44,360 --> 00:08:49,360

Something frightened me, and I remember running back into the house and saying,

84

00:08:49,360 --> 00:08:52,360

my God, this is for real, this is not a dream.

85

00:08:52,360 --> 00:08:57,360

And it came towards the car that I was in very fast through the sky.

86

00:08:57,360 --> 00:09:03,360

Two people came in, two aliens came inside the bedroom, and I was taken in aboard a ship.

87

00:09:03,360 --> 00:09:08,360

When I was brought into the craft, I was brought into a room that was pitch black.

88

00:09:08,360 --> 00:09:16,360

They put this lens over my head, and it was as though they were shooting light, colored lights into my head.

89

00:09:19,360 --> 00:09:22,360

These experiences are close encounters of the fourth kind.

90

00:09:22,360 --> 00:09:25,360

Physical contact with the unknown.

91

00:09:25,360 --> 00:09:29,360

Contact that has been documented by a man named Bud Hopkins.

92

00:09:30,360 --> 00:09:34,360

Like many people who study UFOs, Hopkins leads two lives.

93

00:09:34,360 --> 00:09:39,360

The first as an internationally recognized sculptor and artist.

94

00:09:39,360 --> 00:09:47,360

And secondly, as a researcher and guide, taking people on an occasionally terrifying journey through their suppressed memories.

95

00:09:47,360 --> 00:09:50,360

Memories of their bizarre experiences.

96

00:09:53,360 --> 00:09:56,360

If this is true, it's the biggest story of all time.

97

00:09:57,360 --> 00:10:00,360

It seems to be involved with an ongoing genetic experiment,

98

00:10:00,360 --> 00:10:05,360

which involves taking sperm and ovisamples, following people across generations in the same family,

99

00:10:05,360 --> 00:10:12,360

and the apparent artificial insemination of women and then a removal of a fetus later.

100

00:10:12,360 --> 00:10:14,360

It is so intrinsically unbelievable.

101

00:10:14,360 --> 00:10:18,360

It sounds so wild, and I'm the first to admit that, yet it is going on.

102

00:10:18,360 --> 00:10:21,360

Determined a bit about what these people look like?

103

00:10:21,360 --> 00:10:24,360

Just this big, big, intense eyes.

104

00:10:25,360 --> 00:10:27,360

Big, big, intense eyes?

105

00:10:27,360 --> 00:10:30,360

What color are the eyes?

106

00:10:30,360 --> 00:10:32,360

Very dark.

107

00:10:32,360 --> 00:10:34,360

Shiny, very shiny.

108

00:10:34,360 --> 00:10:40,360

The patterns that I'm getting from these totally credible people are incredibly similar, these patterns,

109

00:10:40,360 --> 00:10:43,360

and the physical details are so similar.

110

00:10:43,360 --> 00:10:47,360

The weight of evidence depends upon the repetition of all these details in case after case after case,

111

00:10:47,360 --> 00:10:50,360

and the weight of evidence here is enormous.

112

00:10:50,360 --> 00:10:55,360

The one I saw most clearly was about four to four and a half feet tall, I think.

113

00:10:55,360 --> 00:11:02,360

Sitting down, it had big almond-shaped eyes and a long, thin face, a little thin mouth and nose.

114

00:11:02,360 --> 00:11:06,360

A larger head and almond-shaped eyes.

115

00:11:06,360 --> 00:11:10,360

Large heads, large eyes, dark eyes.

116

00:11:10,360 --> 00:11:17,360

I felt a pain in the navel area, and it was like there was a needle put into my stomach.

117

00:11:17,360 --> 00:11:25,360

Things were inserted in my nose and things down to my stomach.

118

00:11:25,360 --> 00:11:29,360

I said, you have no right. They said, we do have a right.

119

00:11:29,360 --> 00:11:36,360

I have no reason to make up such a story if I want to be known for something.

120

00:11:36,360 --> 00:11:39,360

This is the last thing that I would pick.

121

00:11:39,360 --> 00:11:44,360

I'm not sure what their reason is for being here, but they're here.

122

00:11:44,360 --> 00:11:47,360

They're around us all the time.

123

00:11:47,360 --> 00:11:57,360

If they're here, reports indicate that they are conducting some sort of experiment of mysterious dimension.

124

00:11:57,360 --> 00:12:02,360

Many witnesses describe undergoing strange tests on board these crafts.

125

00:12:02,360 --> 00:12:11,360

Tests involving examination tables, bright lights, strange sounds, probes and needles.

126

00:12:14,360 --> 00:12:24,360

Most abductees describe a sophisticated kind of surgery that leaves indelible scars, physically and mentally.

127

00:12:24,360 --> 00:12:28,360

They also recall moments of excruciating pain.

128

00:12:28,360 --> 00:12:48,360

When these strange tests have ended, the abductees will return to their homes with no conscious memory of their ordeal.

129

00:12:48,360 --> 00:12:54,360

But dreams persist, shadow images of stolen time.

130

00:12:55,360 --> 00:12:59,360

What these people are describing is fantastic.

131

00:12:59,360 --> 00:13:05,360

How can it be that diverse people scattered around the world describe seeing the same thing?

132

00:13:05,360 --> 00:13:09,360

There may be one explanation.

133

00:13:09,360 --> 00:13:14,360

There are a couple of reasons that people perhaps report similar things.

134

00:13:14,360 --> 00:13:23,360

One obvious one is that they have either heard or read or had some exposure to prior information somewhere along the line

135

00:13:23,360 --> 00:13:27,360

that they may not recall consciously getting early on.

136

00:13:27,360 --> 00:13:37,360

And the second thing is that many of these experiences in perception or misperception are based on common symbolic needs that people have

137

00:13:37,360 --> 00:13:40,360

and express themselves in similar ways.

138

00:13:40,360 --> 00:13:46,360

I think that people may have a need to believe in UFOs because we tend to look for solutions out there

139

00:13:46,360 --> 00:13:52,360

for a guru to lead us to the promised land that is not from our own immediate area,

140

00:13:52,360 --> 00:13:59,360

that in some mysterious way the answer to our problems is going to come from out there someplace, not from our own backyard.

141

00:14:04,360 --> 00:14:09,360

To this woman and many others, there's no question that UFOs exist.

142

00:14:09,360 --> 00:14:12,360

Still, many are not convinced.

143

00:14:12,360 --> 00:14:20,360

If UFOs have been cited with such frequency, it's surprising the physical evidence is so inconclusive.

144

00:14:20,360 --> 00:14:27,360

It could be said that UFO witnesses are the worst group of photographers ever to hold a camera.

145

00:14:27,360 --> 00:14:35,360

But some say there is evidence that not only proved their existence, but explains precisely what they are.

146

00:14:37,360 --> 00:14:40,360

This film has been analyzed by experts.

147

00:14:40,360 --> 00:14:44,360

They cannot imagine how it could be faked. They may be right.

148

00:14:44,360 --> 00:14:48,360

This might be evidence that UFOs are a physical phenomenon.

149

00:14:49,360 --> 00:14:51,360

We must take a closer look.

150

00:15:01,360 --> 00:15:05,360

Is this proof that these beings and their ships exist?

151

00:15:05,360 --> 00:15:09,360

Or is it just a sophisticated hoax?

152

00:15:10,360 --> 00:15:13,360

This is the proof that UFOs exist.

153

00:15:21,360 --> 00:15:27,360

Edward Meyer is a Swiss caretaker with a sixth grade education and a fantastic story.

154

00:15:27,360 --> 00:15:32,360

He claims to have had numerous close encounters with creatures from another star system.

155

00:15:32,360 --> 00:15:37,360

And what is more, he claims to have the evidence to back these stories up.

156

00:15:38,360 --> 00:15:45,360

These pictures have been analyzed by experts. They have been unable to prove any fraud.

157

00:15:45,360 --> 00:15:57,360

Meyer claims that in January of 1975, he was contacted telepathically and guided to come into an area of the forest that was outside his village.

158

00:15:57,360 --> 00:16:05,360

And there he met with entities from a star cluster called the Pleiades, which is about 500 light years from Earth.

159

00:16:05,360 --> 00:16:13,360

And since that time, Meyer claims that he's met over 100 times under similar circumstances with the Pleiadians as he calls them.

160

00:16:13,360 --> 00:16:24,360

During the course of several years, Meyer took hundreds of clear-colored daylight photographs and about eight, I believe, eight millimeter film segments.

161

00:16:25,360 --> 00:16:29,360

If Meyer has experienced what he claims, it's a revelation.

162

00:16:29,360 --> 00:16:35,360

And if he has not, then his case serves as a warning to those who readily believe what the naked eye tells them.

163

00:16:35,360 --> 00:16:42,360

For those lights in the sky may have many explanations, all one needs is an open mind.

164

00:16:45,360 --> 00:16:54,360

We must consider every point of view. For example, Philip Klaas, a self-proclaimed skeptic who has made a career out of exploding illusions and exposing fraud.

165

00:16:54,360 --> 00:17:08,360

In the 21 years that I have been investigating UFO cases, including some of the most famous, seemingly most mysterious UFO cases, I have found a few hoaxes.

166

00:17:08,360 --> 00:17:27,360

In my opinion, Gully Meyer is a not very clever hoaxer, and in fact, one of his movies that I have seen certainly involves using a small model suspended from a string, probably from a bamboo fishing pole.

167

00:17:28,360 --> 00:17:38,360

First of all, the UFO community does not, as a rule, subscribe to claims of contact, especially repeated contact. And Meyer claims to have had over a hundred contacts.

168

00:17:38,360 --> 00:17:48,360

I would say that anyone who believes Gully Meyer's story probably also believes in Santa Claus and the Tooth Fairy.

169

00:17:48,360 --> 00:18:04,360

To my knowledge, in 40 years there is not a single credible photograph of a craft-like UFO anywhere.

170

00:18:04,360 --> 00:18:20,360

UFOs may not be from outer space. There are other, even stranger, points of departure. We must journey to those places now.

171

00:18:35,360 --> 00:18:52,360

Our first feeling, upon looking into the unknown, is usually fear. But fear could be replaced with wonder, for those bright lights might be a signpost, pointing us to something wonderful.

172

00:18:53,360 --> 00:19:05,360

If one really thinks hard about this most curious phenomenon, many possible explanations can be found. But perhaps the answer can never be understood until our minds are ready.

173

00:19:05,360 --> 00:19:10,360

Between fantasy and reality, there may be a middle ground.

174

00:19:11,360 --> 00:19:21,360

If these things are actually taking place, I think that the FBI, the Defense Department, the whole U.S. government should be mobilized.

175

00:19:21,360 --> 00:19:33,360

But it never occurred, apparently, to some of these authors to report it to the federal authorities. They just like to go out collecting these tales, writing books, and publishing.

176

00:19:33,360 --> 00:19:41,360

There's nothing I can say that will convince anybody in so many words. It's like trying to convince

someone who's never heard of it that we actually walked on the moon.

177

00:19:41,360 --> 00:19:52,360

To me, this is about the life of the soul. It has become the most spiritually enriching and psychologically enlightening experience I can imagine having.

178

00:19:52,360 --> 00:20:01,360

Whatever its origin, it is frightening, overwhelming, and in the end extraordinary and beautiful.

179

00:20:06,360 --> 00:20:13,360

A noted astronomer once said that the universe is not only stranger than we imagine, it is stranger than we can imagine.

180

00:20:14,360 --> 00:20:20,360

We need to open our minds to ideas like just outside our full comprehension.

181

00:20:20,360 --> 00:20:28,360

Well, in doing so, we may understand this strange universe a bit more fully.

182

00:20:32,360 --> 00:20:34,360

They're here.

183

00:20:43,360 --> 00:20:45,360

Thank you.
