

1

00:00:00,000 --> 00:00:09,320

The flash of daylight UFO sightings is being meticulously documented in one of the world's

2

00:00:09,320 --> 00:00:16,400

most famous UFO hotspots, Gulf Breeze, Florida.

3

00:00:16,400 --> 00:00:25,800

Since at least 1947, elements of our government have been absolutely aware that we have non-human,

4

00:00:25,800 --> 00:00:29,840

highly advanced intelligence visiting this planet.

5

00:00:29,840 --> 00:00:37,120

If the secret is impossible to keep, then we must find a way to adjust to this extraordinary

6

00:00:37,120 --> 00:00:39,240

oddity.

7

00:00:39,240 --> 00:00:45,320

Bottom line is, at all costs, preserve the social order.

8

00:00:45,320 --> 00:00:49,320

That has always been the stakes, and of course those are very high stakes.

9

00:00:49,320 --> 00:00:51,920

Those are war stakes, okay?

10

00:00:51,920 --> 00:00:54,200

We're looking at a war here.

11

00:00:54,200 --> 00:00:55,960

They won't go away.

12

00:00:55,960 --> 00:01:01,360

The latest Gulf Breeze sightings are adding an ominous new layer to the UFO story.

13

00:01:01,360 --> 00:01:05,640

Sightings has obtained exclusive photographs and videotapes of mysterious craft flying

14

00:01:05,640 --> 00:01:07,360

in broad daylight.

15

00:01:07,360 --> 00:01:11,880

This new evidence is among the most significant UFO footage ever recorded.

16

00:01:11,880 --> 00:01:16,200

The photo and video evidence that we've recently seen from Gulf Breeze is far more important

17

00:01:16,200 --> 00:01:20,760

than all the previous UFO photo and video evidence combined.

18

00:01:20,760 --> 00:01:27,120

It used to be just another resort town in southern Florida, but Gulf Breeze has changed.

19

00:01:27,120 --> 00:01:32,280

Vacationing families drowned to the area's tropical waters and white sand beaches aren't

20

00:01:32,280 --> 00:01:34,560

the only visitors in the area.

21

00:01:34,560 --> 00:01:40,320

For nearly a decade, the name Gulf Breeze has become synonymous with UFOs.

22

00:01:40,320 --> 00:01:43,400

It's been going on almost continuously since 1987.

23

00:01:43,400 --> 00:01:46,120

It is not a flash in the pan situation.

24

00:01:46,120 --> 00:01:50,400

The clusters of sightings over Gulf Breeze are taking on a new look.

25

00:01:50,400 --> 00:01:55,440

Rare daylight events have UFO researchers scrambling for an explanation.

26

00:01:55,440 --> 00:02:01,640

We now are going through a series, it seems, of daylight sightings and the nighttime sightings

27

00:02:01,640 --> 00:02:06,120

have almost completely diminished.

28

00:02:06,120 --> 00:02:11,360

Ninety percent of all reported or recorded UFO sightings occur at night.

29

00:02:11,360 --> 00:02:16,800

Only ten percent are seen during daytime hours and are rarely captured on tape or film.

30

00:02:16,800 --> 00:02:21,640

Along with the increasing daylight sightings has been an increase in the number of eyewitness

31

00:02:21,640 --> 00:02:22,640

reports.

32

00:02:22,640 --> 00:02:27,120

The people in the community who have said that they've seen UFOs are people like doctors

33

00:02:27,120 --> 00:02:29,880

and lawyers and real estate people.

34

00:02:29,880 --> 00:02:33,840

It's just not a bunch of lunatics from running around saying that they saw lights in the

35

00:02:33,840 --> 00:02:34,840

sky.

36

00:02:34,840 --> 00:02:38,080

It's very different.

37

00:02:38,080 --> 00:02:39,920

This is not a movie.

38

00:02:39,920 --> 00:02:45,160

It is actual footage of a UFO seen over Gulf Breeze in broad daylight.

39

00:02:45,160 --> 00:02:52,760

The daylight sightings that we've had of the last year have all been authenticated.

40

00:02:52,760 --> 00:02:59,480

The photographs, the videos, the witnesses have all proved positive.

41

00:02:59,480 --> 00:03:04,880

Here in Gulf Breeze there are so many sightings and there's so much going on.

42

00:03:04,880 --> 00:03:10,720

Either you have to go on with your life or you let it just drive you crazy.

43

00:03:10,720 --> 00:03:13,240

And so I've just chose to go on with my life.

44

00:03:13,240 --> 00:03:19,640

On November 28, 1993, Ed Walters, a successful local contractor, saw bright flashes of light

45

00:03:19,640 --> 00:03:21,440

in the afternoon sky.

46

00:03:21,440 --> 00:03:25,800

He grabbed his home video camera and drove toward the lights.

47

00:03:25,800 --> 00:03:34,840

I actually drove down to the public beach, got out of my truck and calmly walked out

48

00:03:34,840 --> 00:03:40,840

onto the beach hoping that I might see these bright flashes once again.

49

00:03:40,840 --> 00:03:45,520

Walking along here towards the west.

50

00:03:45,520 --> 00:03:47,960

Continued to scan around, look around.

51

00:03:47,960 --> 00:03:50,200

Panning around here.

52

00:03:50,200 --> 00:03:51,200

360.

53

00:03:51,200 --> 00:03:53,360

There's a sand dune.

54

00:03:53,360 --> 00:03:54,360

That's the north.

55

00:03:54,360 --> 00:03:55,360

Oh, jeez.

56

00:03:55,360 --> 00:03:56,360

Goodness gracious.

57

00:03:56,360 --> 00:04:00,560

Over those dunes, right there.

58

00:04:00,560 --> 00:04:07,040

It appeared and flew in from the north, hovered out over the beach, over the shoreline.

59

00:04:07,040 --> 00:04:13,920

And I dashed over to the towards the sand dunes and dropped my knees and started filming

60

00:04:13,920 --> 00:04:14,920

it.

61

00:04:14,920 --> 00:04:17,520

This is what Ed Walters captured on videotape.

62

00:04:17,520 --> 00:04:22,080

The shaded disc shaped object appears to hover overhead then abruptly disappears.

63

00:04:22,080 --> 00:04:24,160

There she is, right there.

64

00:04:24,160 --> 00:04:26,480

Oh my God.

65

00:04:26,480 --> 00:04:28,480

Just hovering right there.

66

00:04:29,480 --> 00:04:30,480

Oh, jeez.

67

00:04:30,480 --> 00:04:33,000

When you know it.

68

00:04:33,000 --> 00:04:38,240

Jeff Sainio is a video analyst with MUFON, the Mutual UFO Network.

69

00:04:38,240 --> 00:04:44,000

Recognized worldwide as an expert in his field, Sainio believes Walters tape is authentic.

70

00:04:44,000 --> 00:04:48,120

Notice particularly when he sees the objects how the oscilloscope shows that the camera

71

00:04:48,120 --> 00:04:50,000

was indeed bounced around.

72

00:04:50,000 --> 00:04:52,000

That's gracious.

73

00:04:52,000 --> 00:04:57,200

I see a lot of video disturbance there which is typical of a raw video of a camera that's

74

00:04:57,200 --> 00:05:01,920

been bounced around that eliminates editing as a possibility for creating this thing.

75

00:05:01,920 --> 00:05:04,400

There she is, right there.

76

00:05:04,400 --> 00:05:08,200

Ed Walters is no stranger to UFO documentation.

77

00:05:08,200 --> 00:05:12,560

He snapped the first Gulf Breeze UFO photograph in 1987.

78

00:05:12,560 --> 00:05:18,280

He also took this picture which he believes is a near miss between a UFO and a fighter

79

00:05:18,280 --> 00:05:19,280

jet.

80

00:05:19,280 --> 00:05:26,400

And the jet head was continuing on and passed right, looked to me like it was headed right

81

00:05:26,400 --> 00:05:29,400

at UFO.

82

00:05:29,400 --> 00:05:35,440

Ed Walters has come under fire from skeptics who do not believe that one man could have

83

00:05:35,440 --> 00:05:39,640

seen and documented so many significant UFO events.

84

00:05:39,640 --> 00:05:45,320

But Walters is not bothered by charges that he has a sophisticated hoaxer.

85

00:05:45,320 --> 00:05:48,920

There are some people who just absolutely will not consider the evidence.

86

00:05:48,920 --> 00:05:54,000

They will kill the messenger.

87

00:05:54,000 --> 00:05:59,400

Judge me if you will, but the fact is I've videotaped and saw a UFO.

88

00:05:59,400 --> 00:06:02,840

With enough time, money, luck and skill anything can be faked.

89

00:06:02,840 --> 00:06:07,800

But unless Ed Walters has Steven Spielberg as a brother-in-law to fake this video, two

90

00:06:07,800 --> 00:06:12,320

different types of photographs would be extremely difficult for an ordinary man to fake.

91

00:06:12,320 --> 00:06:16,160

This isn't the only one to documented daytime sighting.

92

00:06:16,160 --> 00:06:20,640

This footage was shot by a Gulf Breeze resident who chooses to remain anonymous.

93

00:06:20,640 --> 00:06:24,320

He gave the tape and his story to local reporter Bland Pugh.

94

00:06:24,320 --> 00:06:27,960

The UFO as he observed it came out of the southeast.

95

00:06:27,960 --> 00:06:34,880

It moved over his head in incredibly fast speed and disappeared out to the northwest.

96

00:06:34,880 --> 00:06:44,080

This particular sighting in itself was a landmark sighting in that it actually showed the UFO

97

00:06:44,080 --> 00:06:47,040

disappearing or leaving as it worked.

98

00:06:47,040 --> 00:06:49,080

See it coming in here, it's very indistinct.

99

00:06:49,080 --> 00:06:51,960

It appears to be moving relatively slowly.

100

00:06:51,960 --> 00:06:56,120

So here's a slowdown of the same video, object hovering there motionless and then zips off

101

00:06:56,120 --> 00:07:00,400

instantaneously and barely make it out as it zips off to the right.

102

00:07:00,400 --> 00:07:05,360

The object was about three miles away on the left side, got up to about two miles away

103

00:07:05,360 --> 00:07:09,720

on the right side, was doing about 4,000 miles an hour.

104

00:07:09,720 --> 00:07:14,080

Still another documented sighting comes from an eyewitness known only as Philip.

105

00:07:14,080 --> 00:07:18,080

The flight pattern is similar to that on the other videotapes and so is the shape of the

106

00:07:18,080 --> 00:07:19,080

craft.

107

00:07:19,080 --> 00:07:23,920

The various videos corroborate each other, they corroborate previous witness testimony

108

00:07:23,920 --> 00:07:28,960

and so the pieces of the puzzle all fit together.

109

00:07:28,960 --> 00:07:33,840

Military bases in the area may have information about what is flying above southern Florida

110

00:07:33,840 --> 00:07:39,760

but every attempt to obtain comment from the military is not only denied, it is ignored.

111

00:07:39,760 --> 00:07:43,120

It could be that the military is tied into this.

112

00:07:43,120 --> 00:07:49,080

I'm not accusing nor am I saying they are covering up, I'm just saying that they have,

113

00:07:49,080 --> 00:07:50,960

they've just kept their mouth shut.

114

00:07:50,960 --> 00:07:58,080

I do believe there is a growing pattern of contact which suggests that we are getting

115

00:07:58,080 --> 00:08:00,880

closer to actually meeting the neighbors.

116

00:08:00,880 --> 00:08:07,120

Golf breeze is part of that pattern.

117

00:08:07,120 --> 00:08:09,080

We will be back with more sightings.
