00:00:00,000 --> 00:00:06,000

Next, what the U.S. military is doing to keep Area 51 a secret.

2

00:00:06,000 --> 00:00:08,000

If you cross here, they can kill you.

3

00:00:11,000 --> 00:00:15,000

Here are some of the stories sightings is following in the news.

4

00:00:15,000 --> 00:00:22,000

According to the U.S. government, Area 51, a super-secret military testing ground, does not exist.

5

00:00:22,000 --> 00:00:25,000

But they're buying up all the land around it anyway.

6

00:00:26,000 --> 00:00:32,000

Since the 1950s, the United States Air Force has allegedly operated a top-secret military testing facility

7

00:00:32,000 --> 00:00:35,000

in this dry lakebed in the southern Nevada desert.

8

00:00:35,000 --> 00:00:43,000

Codenamed Area 51 and Dreamland, the base has long been rumored to be a center for black project research.

9

00:00:43,000 --> 00:00:50,000

Now, the U.S. government has begun seizing all the land around a base that does not officially exist.

10

00:00:50,000 --> 00:00:54,000

It is a paradox that has not escaped the attention of dedicated ufologists.

11

00:00:54,000 --> 00:00:59,000

This withdrawal was intended to obscure the secret base. In fact, it had the opposite effect.

12

00:00:59,000 --> 00:01:04,000

Everyone's heard of Area 51 now because they took this public action.

13

00:01:04,000 --> 00:01:09,000

Glenn Campbell is his self-described Area 51 activist and government watchdog.

14

00:01:09,000 --> 00:01:15,000

He believes the military has initiated the purchase of land where civilians have taken unauthorized photographs.

15

00:01:15,000 --> 00:01:22,000

Freedom Ridge and Whitesides were places where the average citizen could go up and see this non-existent facility.

16

00:01:22,000 --> 00:01:29,000

It's 13 miles away. You can't make out a lot of detail, but you can see hangar as you can see the longest runway in the world.

17

00:01:29,000 --> 00:01:33,000

The reason they gave for this withdrawal is they needed it for the public safety.

18

00:01:33,000 --> 00:01:38,000

They said they needed it to keep people from being hit by airplanes up there, which was plainly ridiculous.

19

00:01:38,000 --> 00:01:44,000

And as the outside perimeter of Area 51 widens, so does the facility's mysterious security net.

20

00:01:44,000 --> 00:01:48,000

When Glenn Campbell led a sightings investigative team to the new boundary,

21

00:01:48,000 --> 00:01:54,000

one of the infamous white Jeep Cherokees driven by men in camouflage fatigues appeared on the ridge.

22

00:01:54,000 --> 00:01:59,000

OK, we're at the new border, Whitesides Mountain.

23

00:01:59,000 --> 00:02:04,000

Used to be able to drive all the way up this road another mile and then another mile hiked to the top of that peak

24

00:02:04,000 --> 00:02:07,000

where you had a very clear and simple view of the base.

25

00:02:07,000 --> 00:02:12,000

We've got the same new signs here. If you cross here, they can kill you.
