

1

00:00:00,000 --> 00:00:07,840

On a previous edition of Sightings, we brought you the story of three women in Israel, all

2

00:00:07,840 --> 00:00:12,720

of whom claimed to have had contact with an extraterrestrial being.

3

00:00:12,720 --> 00:00:17,240

Sightings investigated evidence at the scene, including crop circles and mysterious silicon

4

00:00:17,240 --> 00:00:18,640

shards.

5

00:00:18,640 --> 00:00:22,920

And the investigative team learned that this was not the only case in which physical evidence

6

00:00:22,920 --> 00:00:33,080

could be found after a UFO sighting in the Holy Land.

7

00:00:33,080 --> 00:00:38,640

In the annals of modern UFO hot spots, Israel has been a blank page.

8

00:00:38,640 --> 00:00:46,000

When I researched my book, the only public mention of UFOs that I found were from 1952,

9

00:00:46,000 --> 00:00:48,560

from Haifa, there were two sightings.

10

00:00:48,560 --> 00:00:53,080

That is all I could find until Shikmona.

11

00:00:53,080 --> 00:00:57,440

Mary Chameish is an author and journalist who has written about a recent rash of UFO

12

00:00:57,440 --> 00:01:03,480

sightings and encounters that began suddenly in 1987.

13

00:01:03,480 --> 00:01:07,120

This is on the evening of Rosh Hashanah in 1987.

14

00:01:07,120 --> 00:01:14,840

Ami Akra'i is returning home from Tel Aviv, this home in Kiryat Bialik near Haifa.

15

00:01:14,840 --> 00:01:18,560

There is a beach called Shikmona just before the safe hyphen.

16

00:01:18,560 --> 00:01:26,600

He sees a red object fly into the air, hover, dip.

17

00:01:26,600 --> 00:01:31,160

Underneath there was a red glowing spot about one and a half meters in diameter.

18

00:01:31,160 --> 00:01:36,640

There were immense flashlights and there was a very loud noise of whirlpool as if a helicopter

19

00:01:36,640 --> 00:01:38,600

was going to crash.

20

00:01:38,600 --> 00:01:45,120

He stops his car, gets out of the car, sees the object return and there is a huge flash.

21

00:01:45,120 --> 00:01:46,120

It suddenly disappeared.

22

00:01:46,120 --> 00:01:53,680

Only a big red spot remained and in a second it leaped into the sky and vanished.

23

00:01:53,680 --> 00:01:56,960

Ami was shaken by the inexplicable UFO encounter.

24

00:01:56,960 --> 00:02:01,280

He tried to put it behind him to dismiss it as an asteroid or a comet, but something

25

00:02:01,280 --> 00:02:08,080

drew him back to the scene and in the daylight he found concrete remnants of his experience.

26

00:02:08,080 --> 00:02:15,400

An intense heat burning sand and vegetation in the shape of a UFO.

27

00:02:15,400 --> 00:02:22,640

Inscribed in the right hand corner, a clear cut picture of an astronaut in front of a

28

00:02:22,640 --> 00:02:23,640

dashboard.

29

00:02:23,640 --> 00:02:27,960

Not only was there an indelible image in the sand, testing that the site revealed the

30

00:02:27,960 --> 00:02:30,920

ground itself had taken on unusual properties.

31

00:02:30,920 --> 00:02:38,960

The land was 671 percent more magnetic than usual land.

32

00:02:38,960 --> 00:02:43,200

At the request of sightings, soil samples were taken from the scorched earth at Shikmona

33

00:02:43,200 --> 00:02:47,760

beach for a detailed analysis by biophysicist W.C. Levensgood.

34

00:02:47,760 --> 00:02:51,600

His findings confirmed that the ground had new characteristics.

35

00:02:51,600 --> 00:03:02,320

Levensgood was astounded by the tremendous change in the ratios of the elements.

36

00:03:02,320 --> 00:03:11,120

For example, ordinary sink was increased 104 times, whereas other elements weren't

37

00:03:11,120 --> 00:03:13,720

stayed absolutely the same.

38

00:03:13,720 --> 00:03:18,520

But that finding paled in comparison to what Dr. Levensgood found while he was preparing

39

00:03:18,520 --> 00:03:23,160

to take a photo micrograph of the soil sample.

40

00:03:23,160 --> 00:03:30,800

As I was adjusting the camera to get the photograph, to my astonishment the soil appeared to be

41

00:03:30,800 --> 00:03:32,000

melting.

42

00:03:32,000 --> 00:03:39,640

What I found here was that there was a coating on the soil of a very low-melting material.

43

00:03:39,640 --> 00:03:45,080

I have consulted with a geophysicist and there is no explanation.

44

00:03:45,080 --> 00:03:46,680

This does not occur in nature.

45

00:03:46,680 --> 00:03:52,520

There is no natural way that this amount of hydrocarbon would be on the soil.

46

00:03:52,520 --> 00:03:57,480

Five months after the Shikmona beach sighting, just one mile away in the city of Haifa, Rosetta

47

00:03:57,480 --> 00:04:01,560

Calfon and her family spotted bizarre lights in the sky.

48

00:04:01,560 --> 00:04:05,600

They were able to film the UFO with a home movie camera.

49

00:04:05,600 --> 00:04:09,960

We were chatting and suddenly my sister looked up towards the window and saw a glittering

50

00:04:09,960 --> 00:04:10,960

light in the air.

51

00:04:11,240 --> 00:04:13,960

I got up quickly and we both rushed over to the window.

52

00:04:13,960 --> 00:04:15,960

I told her, do you know what that is?

53

00:04:15,960 --> 00:04:17,960

That is a UFO.

54

00:04:17,960 --> 00:04:22,960

The light was golden, like nothing I've ever seen in my life.

55

00:04:22,960 --> 00:04:25,960

A real light beam radiating out from it.

56

00:04:25,960 --> 00:04:28,960

It was shocking, truly shocking.

57

00:04:28,960 --> 00:04:34,040

There was a UFO that stayed there 17 minutes over the sea and then disappeared very quickly

58

00:04:34,040 --> 00:04:35,960

until it became small as a star.

59

00:04:35,960 --> 00:04:40,960

You see windows and this is possibly the most outstanding feature.

60

00:04:40,960 --> 00:04:45,400

And certainly in the film you'll see that at the beginning Rafi Malka is clever enough

61

00:04:45,400 --> 00:04:46,400

to get background.

62

00:04:46,400 --> 00:04:52,120

There is no mistaking this as part of the features of the hill or the Haifa area.

63

00:04:52,120 --> 00:04:55,720

It's not a natural feature, it's certainly dangling in the air.

64

00:04:55,720 --> 00:04:59,840

It moves, it has lights and it was witnessed by experts.

65

00:04:59,840 --> 00:05:04,240

I believe that it was tremendously documented, UFO.

66

00:05:04,240 --> 00:05:10,360

Two years later, in 1991, Yossi Ben-Mahas was leaving his real estate business in Haifa

67

00:05:10,360 --> 00:05:13,520

for his home in nearby Beit Shon.

68

00:05:13,520 --> 00:05:21,920

Suddenly out of nowhere he was nearly blinded by a brilliant shaft of light.

69

00:05:21,920 --> 00:05:23,920

There was a huge sheet of light.

70

00:05:23,920 --> 00:05:25,520

It was right before my eyes.

71

00:05:25,520 --> 00:05:27,120

It was spectacular.

72

00:05:27,120 --> 00:05:31,840

It was a very calming light but I was afraid it would go to Beit Shon where my friends

73

00:05:31,840 --> 00:05:33,200

and family are.

74

00:05:33,200 --> 00:05:38,960

So all of a sudden it changes course as if it was reading my mind, a kind of telepathy

75

00:05:38,960 --> 00:05:41,440

between us.

76

00:05:41,440 --> 00:05:45,240

Yossi immediately called the Beit Shon police department.

77

00:05:45,240 --> 00:05:46,240

Chief of police.

78

00:05:46,240 --> 00:05:54,080

Yizkak Mordechai is awoken at three in the morning, goes outside, sees an enormous object

79

00:05:54,080 --> 00:05:55,080

in the air.

80

00:05:55,080 --> 00:06:00,120

It looked a little bit like a boomerang but it was a shape that I never saw before.

81

00:06:00,120 --> 00:06:05,440

It had a unique power in color, a special glow which was very different from anything

82

00:06:05,440 --> 00:06:06,440

I saw before.

83

00:06:06,440 --> 00:06:08,480

I didn't know how to react.

84

00:06:08,480 --> 00:06:14,160

He radios in the headquarters, calls the air force, says, this is what I got.

85

00:06:14,160 --> 00:06:16,520

They asked for the exact location of the object.

86

00:06:16,520 --> 00:06:21,160

I gave them the location and they couldn't find the object on the radar.

87

00:06:21,160 --> 00:06:25,560

Because of Beit Shon's close proximity to the Jordanian border, the Israeli defense forces

88

00:06:25,560 --> 00:06:29,920

sent 300 troops into the area to track the undedified craft.

89

00:06:29,920 --> 00:06:36,080

It was dragging a convoy of armed men for three hours on a trail up to the Jordanian

90

00:06:36,080 --> 00:06:39,600

border which is a very sensitive place but it seems to know where the Jordanian border

91

00:06:39,600 --> 00:06:41,400

is and heads back.

92

00:06:41,400 --> 00:06:46,440

At a quarter to six in the morning, in broad daylight, it disappeared in a flash.

93

00:06:46,440 --> 00:06:51,840

Chameish has developed a controversial theory that these three UFO sightings are part of

94

00:06:51,840 --> 00:06:55,240

a pattern dating back to biblical times.

95

00:06:55,240 --> 00:07:02,320

People who have been studying UFOs seriously around the world have reached the consensus

96

00:07:02,320 --> 00:07:06,120

that the Bible is a convincing UFO story.

97

00:07:06,120 --> 00:07:11,840

I came to the same conclusion that the Old Testament from the pillar, the cloud that led

98

00:07:11,840 --> 00:07:18,520

the Hebrews out of Egypt that glowed at night and stopped the Egyptians all the way through

99

00:07:18,520 --> 00:07:24,640

the prophets were in fact UFO related.

100

00:07:24,840 --> 00:07:30,000

Chameish also believes that stories of alien abductions in Khadimah as reported previously

101

00:07:30,000 --> 00:07:35,240

on sightings are also part of the centuries old pattern.

102

00:07:35,240 --> 00:07:41,760

Shikmona, they were announcing in black and white we are here.

103

00:07:41,760 --> 00:07:47,480

At Beit Shon they're saying all right now we've got five, six hundred of you seeing us and

104

00:07:47,480 --> 00:07:49,440

you can shoot us if you want.

105

00:07:49,440 --> 00:07:52,520

Khadimah was stage three, we want to meet you.

106

00:07:52,520 --> 00:07:59,480

In stage four, according to Chameish, is foretold in a prophetic passage from the Bible.

107

00:07:59,480 --> 00:08:02,320

From Khadim they shall go up to Jerusalem.

108

00:08:02,320 --> 00:08:11,120

In other words Khadimah is the next hop towards the revelation of the UFOs in Jerusalem.

109

00:08:11,120 --> 00:08:13,880

The investigation in Israel is ongoing.

110

00:08:13,880 --> 00:08:18,760

A sightings team is now following up on late reports of activity in the town of Yatziths

111

00:08:18,760 --> 00:08:20,720

on the Mediterranean Sea.

112

00:08:20,720 --> 00:08:27,560

The eyewitness there claims that he has evidence of UFO contact in the form of mysterious footprints.

113

00:08:27,560 --> 00:08:30,480

Sightings will bring you more on this story after the investigation is complete.
