

1
00:00:27,800 --> 00:00:36,040
now it's time to put you to the test

2
00:00:44,590 --> 00:00:42,380
gothic diet these are the sleeping the

3
00:00:48,049 --> 00:00:44,600
packet I just took the little pills out

4
00:00:52,729 --> 00:00:48,059
recommended dosage adults two tablets

5
00:00:54,049 --> 00:00:52,739
children to 212 m on talent now if you

6
00:00:56,750 --> 00:00:54,059
think about that for saying they're

7
00:00:58,670 --> 00:00:56,760
recommending because in the homeopathic

8
00:01:04,820 --> 00:00:58,680
world if something's weaker is actually

9
00:01:06,770 --> 00:01:04,830
has more effect on I think you see my

10
00:01:12,090 --> 00:01:06,780
point in telling people to give their

11
00:01:12,100 --> 00:01:16,320
I'm here Peppa cute two bastards

12
00:01:26,980 --> 00:01:21,969
overdoses now it's like this I'm Barry

13
00:01:29,260 --> 00:01:26,990

Williams beat about it to join me on

14

00:01:32,499 --> 00:01:29,270

stage Colin would you care to put your

15

00:01:39,940 --> 00:01:32,509

life in the line dr. Phil our special

16

00:01:44,350 --> 00:01:39,950

guest all-star registration number 104 7

17

00:01:46,240 --> 00:01:44,360

95 and throw balls just that's not even

18

00:01:48,999 --> 00:01:46,250

got a power because later actually prove

19

00:01:51,460 --> 00:01:49,009

those things were because they've gotten

20

00:01:56,469 --> 00:01:51,470

so dangerous you don't have talents

21

00:02:00,639 --> 00:01:56,479

would pop out every single pill they go

22

00:02:07,090 --> 00:02:00,649

to take another dose of 10 * time in

23

00:02:13,930 --> 00:02:07,100

building the nose works i'll be staying

24

00:02:21,110 --> 00:02:18,700

we examine graveside a nice example I

25

00:02:26,510 --> 00:02:21,120

noticed a lot of boxes that also store

26
00:02:54,920 --> 00:02:26,520
under 30 c safety stories in the core of

27
00:02:58,880 --> 00:02:54,930
the Sun I hope you remember us well I've

28
00:03:00,920 --> 00:02:58,890
got it right this time so here we go

29
00:03:05,300 --> 00:03:00,930
literally do direct with the ginseng

30
00:03:08,570 --> 00:03:05,310
like the longest thing about dating this

31
00:03:14,500 --> 00:03:08,580
is popping all the stars arthritis on

32
00:03:18,259 --> 00:03:14,510
five package by angelas in the audience

33
00:03:22,100 --> 00:03:18,269
dash we're given by aerial transmission

34
00:03:25,580 --> 00:03:22,110
so credit of tiny little presumably far

35
00:03:27,800 --> 00:03:25,590
more powerful when I all the mind if I

36
00:03:31,610 --> 00:03:27,810
up at the straight plane or

37
00:03:33,820 --> 00:03:31,620
package like this extensive the bill

38
00:03:36,350 --> 00:03:33,830

sold me the full package dips try this

39

00:03:44,980 --> 00:03:36,360

you'll have a glass of man the escape

40

00:03:44,990 --> 00:03:53,250

gentlemen

41

00:04:13,060 --> 00:04:03,250

water trying to come over I prefer

42

00:04:18,520 --> 00:04:13,070

tragic i'm hoping the Sun hands in it

43

00:04:24,910 --> 00:04:18,530

when they say it doesn't have where have

44

00:04:28,780 --> 00:04:24,920

48

00:05:09,439 --> 00:05:07,639

I thought I was in trouble with all

49

00:05:13,549 --> 00:05:09,449

sorts of authority like that the boys

50

00:05:14,929 --> 00:05:13,559

were rocking drive do but try a private

51

00:05:20,869 --> 00:05:14,939

across before selling stuff with nothing

52

00:05:24,320 --> 00:05:20,879

unit I think we made our point for the

53

00:05:28,670 --> 00:05:24,330

moment Steve Roberts on spirit of a bit
