

1  
00:00:16,190 --> 00:00:14,240  
this is show 53 for the today which is

2  
00:00:17,810 --> 00:00:16,200  
the 23rd was it let's delay the 23rd

3  
00:00:20,540 --> 00:00:17,820  
should we just make that nice and they

4  
00:00:26,150 --> 00:00:20,550  
even so should be the 20th a video looks

5  
00:00:28,400 --> 00:00:26,160  
good and this is for you people watching

6  
00:00:29,960 --> 00:00:28,410  
it on you choose that recording now

7  
00:00:32,179 --> 00:00:29,970  
that's recording this that's recording

8  
00:00:34,190 --> 00:00:32,189  
hey that's recording so for you people

9  
00:00:35,900 --> 00:00:34,200  
watching it on YouTube this is the extra

10  
00:00:37,310 --> 00:00:35,910  
feature that's right and that's

11  
00:00:38,569 --> 00:00:37,320  
recording too but that's on my private

12  
00:00:40,639 --> 00:00:38,579  
channel because it's got a different

13  
00:00:42,709 --> 00:00:40,649

angle that is not approved for the

14

00:00:44,630 --> 00:00:42,719

skeptics out now so everything's

15

00:00:46,599 --> 00:00:44,640

recording this is a YouTube special

16

00:00:50,060 --> 00:00:46,609

extra feature that if you listen to this

17

00:00:51,829 --> 00:00:50,070

on the on the zone proper yeah download

18

00:00:53,389 --> 00:00:51,839

the skeptic zone you won't hear or see

19

00:00:55,399 --> 00:00:53,399

this that's right but you'll be hearing

20

00:00:56,750 --> 00:00:55,409

us talking about it no you won't because

21

00:00:58,880 --> 00:00:56,760

we'll start in a minute because well

22

00:01:00,649 --> 00:00:58,890

they're all special ah this like the

23

00:01:03,139 --> 00:01:00,659

directors car this is director this is

24

00:01:05,180 --> 00:01:03,149

the director right here Richard good to

25

00:01:06,950 --> 00:01:05,190

see you again hello Stefan we're back

26  
00:01:09,710 --> 00:01:06,960  
we're back in the zone this must be an

27  
00:01:12,110 --> 00:01:09,720  
episode of what 4032 or something it is

28  
00:01:14,510 --> 00:01:12,120  
good gifts ah I wish it was now it's in

29  
00:01:17,080 --> 00:01:14,520  
fact it's episode number 53 for the 23rd

30  
00:01:19,940 --> 00:01:17,090  
of October which is today by the way Oh

31  
00:01:21,530 --> 00:01:19,950  
today is the is actually today it's

32  
00:01:24,770 --> 00:01:21,540  
actually today today is today that's

33  
00:01:27,980 --> 00:01:24,780  
that's a dominant it's amazing and it's

34  
00:01:29,930 --> 00:01:27,990  
owned 53 it says actually it's like the

35  
00:01:32,390 --> 00:01:29,940  
first one of the year but not really

36  
00:01:34,910 --> 00:01:32,400  
because we missed a couple actually no

37  
00:01:41,810 --> 00:01:34,920  
we didn't miss any so this is like happy

38  
00:01:43,970 --> 00:01:41,820

new year happy new year what truth well

39

00:01:46,850 --> 00:01:43,980

I mean we've gone over the year we have

40

00:01:49,370 --> 00:01:46,860

we have so this is a few presented the

41

00:01:51,410 --> 00:01:49,380

the second year okay that's 53

42

00:01:55,130 --> 00:01:51,420

cuz i think there's 52 weeks the yield

43

00:01:56,990 --> 00:01:55,140

there oh I see so yes yes early on in

44

00:01:59,540 --> 00:01:57,000

the very first few months we skip none

45

00:02:01,370 --> 00:01:59,550

up off we skipped her I remember that I

46

00:02:04,940 --> 00:02:01,380

was a deep and dark depressing time to

47

00:02:06,890 --> 00:02:04,950

mix well it's good to be back and every

48

00:02:09,859 --> 00:02:06,900

three we got a bit of an interesting

49

00:02:11,600 --> 00:02:09,869

episode together the editor from this

50

00:02:13,790 --> 00:02:11,610

scientific america actually that's right

51  
00:02:15,530 --> 00:02:13,800  
uh he's just retired he was the former

52  
00:02:18,440 --> 00:02:15,540  
editor-in-chief of Scientific American

53  
00:02:21,570 --> 00:02:18,450  
magazine John ready and dr. H he caught

54  
00:02:23,550 --> 00:02:21,580  
up with him in New York how was he like

55  
00:02:25,230 --> 00:02:23,560  
in that position for a long time he was

56  
00:02:27,720 --> 00:02:25,240  
um actually I think they mentioned that

57  
00:02:30,120 --> 00:02:27,730  
in the interview right cuz that's a

58  
00:02:31,620 --> 00:02:30,130  
pretty pretty established magazine

59  
00:02:33,840 --> 00:02:31,630  
that's way before the internet that's

60  
00:02:35,550 --> 00:02:33,850  
amazing yeah and she got him that's

61  
00:02:37,830 --> 00:02:35,560  
fantastic now that's followed by our

62  
00:02:40,680 --> 00:02:37,840  
reporter nurse Joanne been amoo who goes

63  
00:02:43,530 --> 00:02:40,690

and gets a swine flu shot a real one or

64

00:02:46,770 --> 00:02:43,540

homeopathic one a real homie bad no Leo

65

00:02:48,180 --> 00:02:46,780

real one a real one excellent is that we

66

00:02:50,910 --> 00:02:48,190

can hear her actually getting the choppa

67

00:02:53,370 --> 00:02:50,920

cool do you remember about all five or

68

00:02:56,100 --> 00:02:53,380

six months ago I went and I had a shot

69

00:02:57,780 --> 00:02:56,110

myself uh-uh pertussis yes I remember

70

00:03:00,000 --> 00:02:57,790

that and you said it hurt a little bit

71

00:03:01,680 --> 00:03:00,010

hardly at all hardly felt an honest

72

00:03:04,080 --> 00:03:01,690

night yeah I'll burn you you're brave

73

00:03:06,660 --> 00:03:04,090

tough man so your net ID be a screaming

74

00:03:08,820 --> 00:03:06,670

like a girl have to figure out a ninja

75

00:03:10,740 --> 00:03:08,830

over the homeopathic one I just have a

76

00:03:13,740 --> 00:03:10,750

drink of homeopathic remedy you'll be

77

00:03:15,120 --> 00:03:13,750

fine easy and a bit of Reiki bitter Iggy

78

00:03:16,710 --> 00:03:15,130

that everything be cooked can't forget

79

00:03:18,090 --> 00:03:16,720

the ready that's followed by the think

80

00:03:19,949 --> 00:03:18,100

tank of course there were told thing

81

00:03:22,110 --> 00:03:19,959

takes where where is the think tank this

82

00:03:23,699 --> 00:03:22,120

week in our favorite club down the

83

00:03:26,670 --> 00:03:23,709

street which is the Canterbury holston

84

00:03:28,860 --> 00:03:26,680

park RSL which is a bit of a legend of

85

00:03:30,990 --> 00:03:28,870

Club landing in sydney if you ever come

86

00:03:33,780 --> 00:03:31,000

to Australia if you lives the overseas

87

00:03:37,229 --> 00:03:33,790

or here in Sydney go to the CHP RSL

88

00:03:39,720 --> 00:03:37,239

because it is a cabaret Mecca it is

89

00:03:43,560 --> 00:03:39,730

they've got a lot of them acts that were

90

00:03:46,410 --> 00:03:43,570

really bigger than 60 in fact i think

91

00:03:48,420 --> 00:03:46,420

the search is a circus or the secrets of

92

00:03:50,460 --> 00:03:48,430

that i actually supported the searches

93

00:03:52,110 --> 00:03:50,470

at can be healthy park areas of couple

94

00:03:56,009 --> 00:03:52,120

years ago anything they were still

95

00:03:57,570 --> 00:03:56,019

walking without Zimmer frame amazing

96

00:03:59,759 --> 00:03:57,580

tell you what talking about the

97

00:04:03,690 --> 00:03:59,769

Canterbury Coulson park area so it was

98

00:04:06,870 --> 00:04:03,700

there I met Don lane it was not it was

99

00:04:09,509 --> 00:04:06,880

you did bout five years back I was there

100

00:04:13,170 --> 00:04:09,519

for some other reason I can't remember

101  
00:04:15,990 --> 00:04:13,180  
why and Don Lane was divided out of that

102  
00:04:17,610 --> 00:04:16,000  
I think all do it was a game as America

103  
00:04:20,940 --> 00:04:17,620  
now we mentioned online of course

104  
00:04:24,510 --> 00:04:20,950  
because he died only yesterday yes at 75

105  
00:04:27,000 --> 00:04:24,520  
and he was the man who kicked james

106  
00:04:28,780 --> 00:04:27,010  
randi off his varieties in a fit of rage

107  
00:04:33,010 --> 00:04:28,790  
in fact I'll just play that

108  
00:04:34,870 --> 00:04:33,020  
right now there you go wow it's

109  
00:04:37,360 --> 00:04:34,880  
definitely more like an over the Doris

110  
00:04:39,100 --> 00:04:37,370  
Stokes Doran he believed in her

111  
00:04:40,870 --> 00:04:39,110  
thoroughly well you got to think of the

112  
00:04:42,340 --> 00:04:40,880  
time it was I mean this is Don lane he

113  
00:04:44,440 --> 00:04:42,350

had his show in the late 70s to the

114

00:04:47,110 --> 00:04:44,450

early 80s hmm and that was really

115

00:04:48,910 --> 00:04:47,120

especially the late 70s was the big time

116

00:04:50,800 --> 00:04:48,920

for all the spoon bending and the

117

00:04:52,930 --> 00:04:50,810

psychics so that's sort of funny people

118

00:04:54,220 --> 00:04:52,940

here and so Doris Stokes and these

119

00:04:57,190 --> 00:04:54,230

people would come on the Don Lane show

120

00:04:59,110 --> 00:04:57,200

do their act really well and convince a

121

00:05:01,060 --> 00:04:59,120

lot of bids a lot of people Don Lane was

122

00:05:03,220 --> 00:05:01,070

obviously I even here comes James Randi

123

00:05:04,720 --> 00:05:03,230

saying no it's not really happening well

124

00:05:06,850 --> 00:05:04,730

darling spit the dummy is they're saying

125

00:05:09,190 --> 00:05:06,860

because there's good ratings yeah good

126

00:05:11,200 --> 00:05:09,200

ratings and it would be ironic if he was

127

00:05:14,290 --> 00:05:11,210

actually up there now looking down on us

128

00:05:16,510 --> 00:05:14,300

yo you know trying to break through that

129

00:05:18,910 --> 00:05:16,520

sort of veil of communication that the

130

00:05:21,250 --> 00:05:18,920

spirit people can't get through to our

131

00:05:24,610 --> 00:05:21,260

to lowly humans like I wouldn't miss be

132

00:05:27,520 --> 00:05:24,620

I wound up your phone is so ironic and

133

00:05:30,610 --> 00:05:27,530

talking about irony yes a median right

134

00:05:33,670 --> 00:05:30,620

anyway uh is in really good news dr.

135

00:05:35,950 --> 00:05:33,680

rachy and I have just scored a regular

136

00:05:39,310 --> 00:05:35,960

gig on radio 2 GB here in Sydney you

137

00:05:41,500 --> 00:05:39,320

haven't yeah yeah what as a skeptic yet

138

00:05:44,080 --> 00:05:41,510

it yeah starting this Saturday night

139

00:05:46,330 --> 00:05:44,090

after 8pm it'll be between eight pm and

140

00:05:48,310 --> 00:05:46,340

nine play on chatty bit yeah we're going

141

00:05:49,870 --> 00:05:48,320

into downtown to the studio here in

142

00:05:51,250 --> 00:05:49,880

Sydney and we're going to be on Sydney

143

00:05:53,440 --> 00:05:51,260

radio I hope they're not going to call

144

00:05:54,520 --> 00:05:53,450

it the skeptic zone I have not I don't

145

00:05:56,410 --> 00:05:54,530

know I don't know what they're going to

146

00:05:58,750 --> 00:05:56,420

call it but if you listen as you want to

147

00:06:04,210 --> 00:05:58,760

tune in you can hear us all around the

148

00:06:06,610 --> 00:06:04,220

world www.2g be calm right that's

149

00:06:09,070 --> 00:06:06,620

fantastic you'll have to check your time

150

00:06:14,380 --> 00:06:09,080

tables and scales and dates now yeah

151

00:06:16,690 --> 00:06:14,390

this life-saving Sydney time on saturday

152

00:06:18,970 --> 00:06:16,700

night between eight and nine daylight

153

00:06:24,610 --> 00:06:18,980

saving so add an hour to your normal and

154

00:06:26,550 --> 00:06:24,620

in dumb are you getting paid not yet get

155

00:06:28,900 --> 00:06:26,560

a contra deal no the rewards will be

156

00:06:30,430 --> 00:06:28,910

normally that just to the warm and fuzzy

157

00:06:32,080 --> 00:06:30,440

feeling the warm and fuzzy feeling and

158

00:06:35,410 --> 00:06:32,090

who knows they may even hear us in

159

00:06:37,390 --> 00:06:35,420

Mexico I say that up because I've had an

160

00:06:39,959 --> 00:06:37,400

email from a bloke in Mexico who would

161

00:06:43,049 --> 00:06:39,969

like me to quickly mention his

162

00:06:48,109 --> 00:06:43,059

weblog yoyi which means skeptical dad

163

00:06:54,929 --> 00:06:48,119

such as HTTP colon slash slash pa pa e

164

00:06:57,719 --> 00:06:54,939

SC EPT I see Oh Papa is skeptical dot

165

00:06:59,069 --> 00:06:57,729

wordpress com okay and when I saw that

166

00:07:00,779 --> 00:06:59,079

email actually he sounds like a pretty

167

00:07:02,339 --> 00:07:00,789

cool dude he was he is a great email

168

00:07:04,049 --> 00:07:02,349

yeah yeah he said to you too of course

169

00:07:05,549 --> 00:07:04,059

that's right and he wants to he wants to

170

00:07:07,739 --> 00:07:05,559

get a bit of a skeptical thing happening

171

00:07:10,319 --> 00:07:07,749

in Mexico which is a home of a lot of

172

00:07:12,269 --> 00:07:10,329

world a bit so I think we should

173

00:07:14,309 --> 00:07:12,279

encourage him if anyone else is anywhere

174

00:07:16,229 --> 00:07:14,319

near Mexico or thinking of heading down

175

00:07:18,629 --> 00:07:16,239

there to maybe you know break bail or

176

00:07:21,419 --> 00:07:18,639

something um gone gonna catch up with

177

00:07:22,679 --> 00:07:21,429

him and get something so check out check

178

00:07:24,689 --> 00:07:22,689

out his website check out his website

179

00:07:27,029 --> 00:07:24,699

well there's so much on today's show

180

00:07:29,069 --> 00:07:27,039

Stefan I think we've we've we've

181

00:07:31,229 --> 00:07:29,079

outstayed our introductory we have we'd

182

00:07:33,029 --> 00:07:31,239

better move on let's go enjoy the show

183

00:07:34,619 --> 00:07:33,039

thanks for listening and Richard will

184

00:07:39,959 --> 00:07:34,629

see you at the tail end okay all right

185

00:07:44,669 --> 00:07:39,969

let's go let's go yeah all right let's

186

00:07:46,169 --> 00:07:44,679

do it you see this is this is what you

187

00:07:49,079 --> 00:07:46,179

don't get there to see you're here

188

00:07:51,749 --> 00:07:49,089

normally look when you're just listening

189

00:07:53,429 --> 00:07:51,759

to the show Oh youtube skeptical zone

190

00:07:54,779 --> 00:07:53,439

things right and I forgot the camera was

191

00:07:57,149 --> 00:07:54,789

on so I probably did all sorts of silly

192

00:07:59,669 --> 00:07:57,159

things probably that's crazy alright so

193

00:08:01,350 --> 00:07:59,679

now we do the rapper Richard another

194

00:08:02,999 --> 00:08:01,360

fabulous shows and that interesting

195

00:08:05,159 --> 00:08:03,009

wasn't that interview of John wasn't

196

00:08:07,290 --> 00:08:05,169

anything like a way by arms around them

197

00:08:10,679 --> 00:08:07,300

and on a podcast it's an it's amazing

198

00:08:12,359 --> 00:08:10,689

yes but that's for our um our viewers a

199

00:08:14,969 --> 00:08:12,369

video viewers yeah we're doing a little

200

00:08:16,829 --> 00:08:14,979

video experiment yeah it's very exciting

201  
00:08:19,350 --> 00:08:16,839  
isn't it yes very sorry hello camera

202  
00:08:21,299 --> 00:08:19,360  
hello camera great show yeah well i know

203  
00:08:22,799 --> 00:08:21,309  
i really i really enjoyed that show I'm

204  
00:08:25,739 --> 00:08:22,809  
it was always good to be part of the

205  
00:08:27,659 --> 00:08:25,749  
think tank oh it is I know but not yeah

206  
00:08:29,879 --> 00:08:27,669  
I keep missing as well you can always

207  
00:08:31,649 --> 00:08:29,889  
come I know invitation was always there

208  
00:08:33,209 --> 00:08:31,659  
well next week we're going to have an

209  
00:08:35,429 --> 00:08:33,219  
interesting show we've got a another

210  
00:08:37,499 --> 00:08:35,439  
panel from our adventures and Dragon Con

211  
00:08:39,299 --> 00:08:37,509  
oh yeah and this is one that Kylie out

212  
00:08:41,459 --> 00:08:39,309  
reporter Carly Sturgis was taking part

213  
00:08:44,490 --> 00:08:41,469

of yeah and it's all about Darwin's

214

00:08:46,049 --> 00:08:44,500

Bulldogs creationism intelligent design

215

00:08:48,569 --> 00:08:46,059

and some people like Jeanne Scott

216

00:08:50,249 --> 00:08:48,579

Eugenie Scott always interesting is that

217

00:08:51,660 --> 00:08:50,259

worth looking forward to its hotting up

218

00:08:53,020 --> 00:08:51,670

in that area too is that at the moment

219

00:08:54,460 --> 00:08:53,030

because there's a lot of

220

00:08:55,930 --> 00:08:54,470

there's been a lot of new sort of

221

00:08:58,390 --> 00:08:55,940

scientific things going on there trying

222

00:09:01,330 --> 00:08:58,400

to discover more missing links and it's

223

00:09:02,920 --> 00:09:01,340

more about how life's actually evolved

224

00:09:04,720 --> 00:09:02,930

me isn't it strange that every major

225

00:09:06,630 --> 00:09:04,730

discovery they're making now in the past

226

00:09:09,490 --> 00:09:06,640

year I think there's been several all

227

00:09:11,920 --> 00:09:09,500

support the theory of evolution isn't

228

00:09:14,860 --> 00:09:11,930

that just I can't create I'm dumbfounded

229

00:09:17,320 --> 00:09:14,870

I'm done for how could that ever happen

230

00:09:18,790 --> 00:09:17,330

I just don't understand seven no I just

231

00:09:20,500 --> 00:09:18,800

don't understand I'll have to keep

232

00:09:22,330 --> 00:09:20,510

listening to the skeptic zone to learn

233

00:09:24,520 --> 00:09:22,340

more especially next week yes absolutely

234

00:09:25,990 --> 00:09:24,530

and i believe that i may be doing

235

00:09:29,350 --> 00:09:26,000

something coming up in the next episode

236

00:09:31,600 --> 00:09:29,360

or two about about strange audio stuff

237

00:09:34,180 --> 00:09:31,610

like you're hearing things backwards and

238

00:09:36,010 --> 00:09:34,190

hearing sounds yeah they might are just

239

00:09:37,990 --> 00:09:36,020

a little bit of teaser so it could be

240

00:09:39,580 --> 00:09:38,000

something coming up about that Bob Ford

241

00:09:40,900 --> 00:09:39,590

yeah and they may even be something on

242

00:09:45,160 --> 00:09:40,910

this particular podcasters played

243

00:09:47,830 --> 00:09:45,170

backwards ah you never know ah but no

244

00:09:51,280 --> 00:09:47,840

honestly don't waste your time we'll see

245

00:09:53,980 --> 00:09:51,290

you next week Richard why but I that
