with brilliant friends

9
00:00:28,830 --> 00:00:27,519
amazing claims what's being the

10
00:00:31,189 --> 00:00:28,840
highlight of your

00:00:33,910 --> 00:00:31,199
adventure feeling i was so impressed you

12
00:00:34,870 --> 00:00:33,920
got a friend here joe and you richard

13
00:00:37,030 --> 00:00:34,880

were

14

00:00:38,470 --> 00:00:37,040

both riches are too rich here had a

15

00:00:40,630 --> 00:00:38,480

brilliant conversation with three

16

00:00:43,110 --> 00:00:40,640

connected healers and it got down to the

17

00:00:45,430 --> 00:00:43,120

point of him saying why offer us a

18

00:00:46,950 --> 00:00:45,440

simple test

19

00:00:49,029 --> 00:00:46,960

when you can offer us a complicated one

20

00:00:51,190 --> 00:00:49,039

and i'm thinking why would i want a

21

00:00:53,110 --> 00:00:51,200

complicated test to prove something but

22

00:00:55,350 --> 00:00:53,120

i could just have a simple test and in

23

00:01:09,990 --> 00:00:55,360

one foul swoop i can prove what i'm

24

00:01:15,750 --> 00:01:11,990

did you enjoy the reconnection healing

25

00:01:17,749 --> 00:01:15,760

joe do i look like i enjoyed it richard

26

00:01:19,749 --> 00:01:17,759

i'm still recovering i'm feeling a

27

00:01:21,749 --> 00:01:19,759

little bit unwell again

28

00:01:22,870 --> 00:01:21,759

i've only been here for five minutes

29

00:01:24,390 --> 00:01:22,880

five minutes i've already had an

30

00:01:26,550 --> 00:01:24,400

argument with a dentist who's offering

31

00:01:28,230 --> 00:01:26,560

collation therapy for everyone who's got

32

00:01:29,590 --> 00:01:28,240

mercury fillings

33

00:01:31,510 --> 00:01:29,600

that's just front up i've got a mount

34

00:01:33,190 --> 00:01:31,520

full of them

35

00:01:34,710 --> 00:01:33,200

i'm sure i've got one left somewhere in

36

00:01:36,950 --> 00:01:34,720

my head but you know that's probably why

37

00:01:38,390 --> 00:01:36,960

i'm feeling unwell oh well we're very

38

00:01:40,950 --> 00:01:38,400

brave people so
