

1
00:00:17,300 --> 00:00:14,690
welcome to beautiful Antarctica as part

2
00:00:20,480 --> 00:00:17,310
of the 10 23 international homeopathic i

3
00:00:22,939 --> 00:00:20,490
overdosed challenge I've chosen a sleep

4
00:00:25,610 --> 00:00:22,949
and insomnia preparation because i

5
00:00:27,620 --> 00:00:25,620
couldn't find homeopathic viagra or a

6
00:00:30,830 --> 00:00:27,630
homeopathic laxative they would have

7
00:00:33,770 --> 00:00:30,840
given shirley's a solid results anyway I

8
00:00:36,530 --> 00:00:33,780
have on hand here the ship's doctor this

9
00:00:39,290 --> 00:00:36,540
is Giles and he has the defibrillator

10
00:00:41,180 --> 00:00:39,300
just in case something goes wrong but in

11
00:00:43,250 --> 00:00:41,190
the spirit of the occasion we won't plug

12
00:00:45,319 --> 00:00:43,260
it in so it will be a homeopathic

13
00:00:47,240 --> 00:00:45,329

defibrillator working on the principles

14

00:00:53,900 --> 00:00:47,250

of the memory of once having had an

15

00:00:56,150 --> 00:00:53,910

electrical discharge anyway here goes it

16

00:00:57,830 --> 00:00:56,160

does say one spray under the tongue

17

00:01:01,340 --> 00:00:57,840

before half an hour before going to bed

18

00:01:04,009 --> 00:01:01,350

and another spray under the tongue on

19

00:01:05,149 --> 00:01:04,019

going to bed so we'll just see how much

20

00:01:11,590 --> 00:01:05,159

of this but light and get through before

21

00:01:11,600 --> 00:01:22,580

would you like to try some

22

00:01:26,340 --> 00:01:24,870

the only active ingredient which is

23

00:01:28,109 --> 00:01:26,350

listed as a non active ingredient as

24

00:01:40,770 --> 00:01:28,119

alcohol you can taste the alcohol in

25

00:01:48,149 --> 00:01:40,780

this almost there not feeling very

26
00:01:49,649 --> 00:01:48,159
sleepy that's it so we should come back

27
00:01:53,279 --> 00:01:49,659
in a couple of hours jowls and see if

28
00:01:55,020 --> 00:01:53,289
i'm still awake if that's once prayed

29
00:01:56,850 --> 00:01:55,030
before going to bed and one spray on

30
00:01:59,760 --> 00:01:56,860
going to bed gives you a good night's

31
00:02:03,029 --> 00:01:59,770
sleep I should have enough in me now to

32
00:02:15,130 --> 00:02:03,039
knock me out for what a week or at least

33
00:02:23,410 --> 00:02:18,870
well it's been three hours since I've

34
00:02:25,840 --> 00:02:23,420
overdosed on the homeopathic remedy so

35
00:02:28,960 --> 00:02:25,850
far no effects whatsoever not feeling

36
00:02:32,199 --> 00:02:28,970
sleepy but we thought would film this

37
00:02:34,949 --> 00:02:32,209
particular result section in the ship's

38
00:02:36,940 --> 00:02:34,959

hospital because it's warmer in here and

39

00:02:39,580 --> 00:02:36,950

we just thought would take my blood

40

00:02:43,600 --> 00:02:39,590

pressure as a pure dramatic device to

41

00:02:46,630 --> 00:02:43,610

add a little bit of spice am i okay doc

42

00:02:49,750 --> 00:02:46,640

boringly flooding all boringly bloody

43

00:02:51,850 --> 00:02:49,760

normal and by the way that bottle of

44

00:02:54,910 --> 00:02:51,860

water with a little bit of a phenomena
