

1  
00:00:57,869 --> 00:00:56,430  
I am a not running an off-camera looking

2  
00:00:59,340 --> 00:00:57,879  
very urgent like a channel 7 news

3  
00:01:01,650 --> 00:00:59,350  
reporter to tell you that we're here

4  
00:01:04,439 --> 00:01:01,660  
standing next to the the droid huge here

5  
00:01:07,320 --> 00:01:04,449  
this this car is almost as dangerous as

6  
00:01:08,850 --> 00:01:07,330  
a Ford Fiesta almost but it's got

7  
00:01:10,620 --> 00:01:08,860  
weapons on it and stuff like that yes

8  
00:01:12,030 --> 00:01:10,630  
I'm reporting here for the skeptic zone

9  
00:01:13,350 --> 00:01:12,040  
because this has got everything

10  
00:01:15,749 --> 00:01:13,360  
happening at Armageddon but people

11  
00:01:18,210 --> 00:01:15,759  
running here they're in costumes some of

12  
00:01:19,529 --> 00:01:18,220  
the actors real some of the actors are

13  
00:01:20,820 --> 00:01:19,539

people who think they're real we'll be

14

00:01:22,020 --> 00:01:20,830

talking to them wit Richard Saunders

15

00:01:23,760 --> 00:01:22,030

wandering around and having ourselves

16

00:01:26,100 --> 00:01:23,770

what would be referred to as a real

17

00:01:36,440 --> 00:01:26,110

sci-fi over time which is illegal in

18

00:01:40,980 --> 00:01:38,610

i'm here with what this basically

19

00:01:43,770 --> 00:01:40,990

referred to as the bat family now as you

20

00:01:45,060 --> 00:01:43,780

can tell Batman has easy the ipod on

21

00:01:46,800 --> 00:01:45,070

underneath that can't hear a thing i'm

22

00:01:49,200 --> 00:01:46,810

saying so i'll address most of my

23

00:01:51,120 --> 00:01:49,210

comments here to that is a stunning

24

00:01:52,590 --> 00:01:51,130

costume thank you very much now it's

25

00:01:54,270 --> 00:01:52,600

only my guess that you might be the

26

00:01:55,950 --> 00:01:54,280

principal costume maker in the family is

27

00:01:58,260 --> 00:01:55,960

that correct that's very incorrect it's

28

00:02:00,360 --> 00:01:58,270

actually Batman get out Batman is the

29

00:02:01,800 --> 00:02:00,370

one with the sewing machine but that's

30

00:02:04,080 --> 00:02:01,810

the one that's got soaked that sewing

31

00:02:05,460 --> 00:02:04,090

machine on a sign in the Batcave so he

32

00:02:07,260 --> 00:02:05,470

know and there's the bat overlocking

33

00:02:09,510 --> 00:02:07,270

machine just next to that I'm sure as

34

00:02:11,610 --> 00:02:09,520

well yeah and look how many hours is in

35

00:02:15,210 --> 00:02:11,620

your costume could you how many hours in

36

00:02:19,199 --> 00:02:15,220

your costume Batman there's about easy

37

00:02:21,150 --> 00:02:19,209

50 and what's it made of is it mainly oh

38

00:02:23,310 --> 00:02:21,160

so it's just like like any Hellfire

39

00:02:25,500 --> 00:02:23,320

fetish costume basically yep that's

40

00:02:27,150 --> 00:02:25,510

exactly right Wow and tell us out what

41

00:02:29,550 --> 00:02:27,160

we've got I know we've got Robin here

42

00:02:31,800 --> 00:02:29,560

the classic gap cartoon Robin and what

43

00:02:33,420 --> 00:02:31,810

have we got here that's poison ivy she's

44

00:02:36,330 --> 00:02:33,430

a baddie Robin how you enjoying your

45

00:02:38,200 --> 00:02:36,340

costume good but this morning was kind

46

00:02:41,630 --> 00:02:38,210

of hurting

47

00:02:43,000 --> 00:02:41,640

take pain to base yeah yeah it's not

48

00:02:46,280 --> 00:02:43,010

always the most comfortable thing is it

49

00:02:47,960 --> 00:02:46,290

no and you look you're standing like a

50

00:02:50,870 --> 00:02:47,970

supermodel here you loving your outfit

51  
00:02:53,180 --> 00:02:50,880  
yeah vinum comes to move over it's

52  
00:02:54,680 --> 00:02:53,190  
getting used to yeah you know with you

53  
00:02:56,000 --> 00:02:54,690  
you got to suffer for your cosplaying

54  
00:02:59,570 --> 00:02:56,010  
for your art and for your fashion

55  
00:03:01,970 --> 00:02:59,580  
haven't you yeah but look at how long's

56  
00:03:13,850 --> 00:03:01,980  
our hair gonna be like that for probably

57  
00:03:18,020 --> 00:03:16,340  
well i'm here with paul from the as you

58  
00:03:19,880 --> 00:03:18,030  
can see behind me the Doctor Who club of

59  
00:03:21,530 --> 00:03:19,890  
Australia and you'd be in the perfect

60  
00:03:23,510 --> 00:03:21,540  
place here imma getting these fans

61  
00:03:25,430 --> 00:03:23,520  
everywhere here they're walking past the

62  
00:03:28,040 --> 00:03:25,440  
camera pointing waving wondering where

63  
00:03:30,140 --> 00:03:28,050

your blue phone boxes well we've got one

64

00:03:32,720 --> 00:03:30,150

that's up on the top there it's a nice

65

00:03:34,310 --> 00:03:32,730

blog one that is an inflatable blue one

66

00:03:35,840 --> 00:03:34,320

that's great it isn't available to only

67

00:03:38,000 --> 00:03:35,850

what the inflatable Dalek of course as

68

00:03:40,160 --> 00:03:38,010

well and look and one of the things i

69

00:03:42,350 --> 00:03:40,170

want to ask about who is like I was

70

00:03:44,060 --> 00:03:42,360

watching the the the statues that cry

71

00:03:45,800 --> 00:03:44,070

those ones that you blink and that while

72

00:03:47,300 --> 00:03:45,810

the real recent episodes and someone

73

00:03:49,010 --> 00:03:47,310

actually said to him I aid look you can

74

00:03:50,120 --> 00:03:49,020

fly away in your blue phone box and I'm

75

00:03:51,830 --> 00:03:50,130

the one that's got to total tell those

76  
00:03:53,930 --> 00:03:51,840  
people's families that died what went on

77  
00:03:55,699 --> 00:03:53,940  
that's the thing doctor who turns up

78  
00:03:56,690 --> 00:03:55,709  
does this thing pings off and everyone

79  
00:03:59,150 --> 00:03:56,700  
else is going to continue with their

80  
00:04:00,140 --> 00:03:59,160  
life as usual that's pretty cool really

81  
00:04:02,210 --> 00:04:00,150  
you don't have to suffer many

82  
00:04:03,680 --> 00:04:02,220  
consequences well I think it's great

83  
00:04:05,330 --> 00:04:03,690  
yeah he goes in there and does what else

84  
00:04:07,790 --> 00:04:05,340  
to do and goes away there's no goodbyes

85  
00:04:09,530 --> 00:04:07,800  
there's no clothes it's just yeah I

86  
00:04:10,760 --> 00:04:09,540  
think it's good coming everyone a lot to

87  
00:04:12,110 --> 00:04:10,770  
do it wouldn't they yeah and the money's

88  
00:04:13,460 --> 00:04:12,120

had enough he just changes away it looks

89

00:04:14,780 --> 00:04:13,470

that's right i mean it's almost the

90

00:04:16,370 --> 00:04:14,790

autumn of fantasy is it you have to get

91

00:04:17,720 --> 00:04:16,380

into too much trouble and just totally

92

00:04:19,099 --> 00:04:17,730

new appearance totally new lanka I'm

93

00:04:20,420 --> 00:04:19,109

sorry that but that wasn't me that was

94

00:04:22,280 --> 00:04:20,430

just someone who didn't look like me

95

00:04:24,260 --> 00:04:22,290

yeah exactly well yeah you can get away

96

00:04:25,940 --> 00:04:24,270

with murder Cunha now everybody has

97

00:04:27,530 --> 00:04:25,950

their favorite doctor of course I've got

98

00:04:28,880 --> 00:04:27,540

a bit of a fondness of Tom Baker because

99

00:04:30,530 --> 00:04:28,890

of the scarf and this sort of surreal

100

00:04:32,750 --> 00:04:30,540

way he used to play it but what's your

101

00:04:34,430 --> 00:04:32,760

favorite doctor I like you I my

102

00:04:36,020 --> 00:04:34,440

favorites Tom Baker as well I love that

103

00:04:37,219 --> 00:04:36,030

I grew up with him it was it just

104

00:04:38,360 --> 00:04:37,229

because we were the right age now

105

00:04:39,950 --> 00:04:38,370

because I mean like sure he's a great

106

00:04:41,780 --> 00:04:39,960

actor but you know if you put them side

107

00:04:43,250 --> 00:04:41,790

by side it's hard to tell maybe just

108

00:04:44,600 --> 00:04:43,260

just women that age it's possible I

109

00:04:46,940 --> 00:04:44,610

actually find it hard to compare between

110

00:04:48,590 --> 00:04:46,950

the new era and the classic here like

111

00:04:50,960 --> 00:04:48,600

the older era ok so how come the leela

112

00:04:52,940 --> 00:04:50,970

never got her own spin-off really maybe

113

00:04:54,230 --> 00:04:52,950

it's a bit early maybe a bit early on

114

00:04:55,710 --> 00:04:54,240

the show I mean the first been off later

115

00:04:57,750 --> 00:04:55,720

I was about nineteen eighty

116

00:04:59,340 --> 00:04:57,760

with canine the way they figured the

117

00:05:01,410 --> 00:04:59,350

robot dog would be good for kids but

118

00:05:03,090 --> 00:05:01,420

never quite worked out one last question

119

00:05:06,500 --> 00:05:03,100

if you could go anywhere in your own

120

00:05:09,930 --> 00:05:06,510

blue TARDIS box what time and where oh

121

00:05:11,040 --> 00:05:09,940

gee that's a tough one to be honest I'd

122

00:05:13,380 --> 00:05:11,050

like to go to the future somewhere and

123

00:05:16,980 --> 00:05:13,390

just sort of see what it's like you know

124

00:05:32,060 --> 00:05:16,990

like now so yeah all the way to 2015

125

00:05:36,710 --> 00:05:35,330

now tell me who are you and and like how

126  
00:05:38,120 --> 00:05:36,720  
long that tossed him take us you know

127  
00:05:40,400 --> 00:05:38,130  
it's almost a bit Mardi Gras where you

128  
00:05:43,370 --> 00:05:40,410  
get done on there I exam I have a blood

129  
00:05:44,690 --> 00:05:43,380  
elf from World of Warcraft this costume

130  
00:05:48,200 --> 00:05:44,700  
took me a couple of days to make

131  
00:05:49,520 --> 00:05:48,210  
non-stop pretty much it's like so you

132  
00:05:51,500 --> 00:05:49,530  
spend a lot of time at spotlight or

133  
00:05:53,540 --> 00:05:51,510  
something or is it my mainly reverse

134  
00:05:55,010 --> 00:05:53,550  
garbage kind of thing for most of this

135  
00:05:57,410 --> 00:05:55,020  
stuff from spotlight bits and pieces

136  
00:05:59,360 --> 00:05:57,420  
just I find randomly around as well so

137  
00:06:01,040 --> 00:05:59,370  
yeah now have you had any clothing

138  
00:06:02,690 --> 00:06:01,050

malfunction so far because that kind of

139

00:06:04,220 --> 00:06:02,700

stuff you make it hasn't been out in

140

00:06:05,840 --> 00:06:04,230

public before something can go pop and

141

00:06:07,640 --> 00:06:05,850

then hello everyone sees your undies oh

142

00:06:10,160 --> 00:06:07,650

yes it has been our public before but

143

00:06:22,210 --> 00:06:10,170

yeah he keeps popping so that gets a bit

144

00:06:26,020 --> 00:06:24,310

you can tell he's been to few jazz clubs

145

00:06:27,790 --> 00:06:26,030

in his time now this jazz hipster I'm

146

00:06:29,650 --> 00:06:27,800

talking to his somehow found himself at

147

00:06:31,090 --> 00:06:29,660

this like Armageddon convention please

148

00:06:33,160 --> 00:06:31,100

explain because of a whole lot of people

149

00:06:34,420 --> 00:06:33,170

where we've seen you before man well

150

00:06:36,160 --> 00:06:34,430

hopefully you've seen button on that

151  
00:06:38,620 --> 00:06:36,170  
poster there which scarce could the kapu

152  
00:06:40,570 --> 00:06:38,630  
piata me but yeah pretty nice I look

153  
00:06:43,780 --> 00:06:40,580  
good with earrings so this is my big

154  
00:06:46,140 --> 00:06:43,790  
thing I've been in sanctuary sanctuaries

155  
00:06:48,670 --> 00:06:46,150  
we're in our third season right now

156  
00:06:51,430 --> 00:06:48,680  
hopefully doing our fourth in the next

157  
00:06:54,310 --> 00:06:51,440  
month or so now nervous doesn't act to

158  
00:06:56,020 --> 00:06:54,320  
get around about renewal time extremely

159  
00:06:57,400 --> 00:06:56,030  
nervous I think it's the producers that

160  
00:06:59,410 --> 00:06:57,410  
are more nervous right now because

161  
00:07:00,700 --> 00:06:59,420  
they're the ones doing the dog and pony

162  
00:07:02,170 --> 00:07:00,710  
show in order to get the money to make

163  
00:07:03,730 --> 00:07:02,180

it happen then they've also been

164

00:07:05,380 --> 00:07:03,740

stargate atlantis now what do you think

165

00:07:07,510 --> 00:07:05,390

about the science behind Stargate

166

00:07:09,520 --> 00:07:07,520

because I mean you've got Egyptology got

167

00:07:10,660 --> 00:07:09,530

the Atlanta stuff in there I mean what's

168

00:07:11,740 --> 00:07:10,670

that all about I mean how do you feel

169

00:07:13,240 --> 00:07:11,750

about that when you've got to go out

170

00:07:14,710 --> 00:07:13,250

there and do the long line delivery

171

00:07:16,690 --> 00:07:14,720

about the science aspect of what you're

172

00:07:17,980 --> 00:07:16,700

doing some fun well the great thing is

173

00:07:19,330 --> 00:07:17,990

is that all that stuff is already

174

00:07:22,420 --> 00:07:19,340

written for you all you have to do is

175

00:07:24,550 --> 00:07:22,430

make it work and you know for the fur

176

00:07:26,860 --> 00:07:24,560

Todd the character that I played most

177

00:07:28,870 --> 00:07:26,870

the time he's got a completely different

178

00:07:32,080 --> 00:07:28,880

science going on you know it's the rate

179

00:07:34,090 --> 00:07:32,090

science and and said but he the great

180

00:07:36,880 --> 00:07:34,100

thing is that he's using earth science

181

00:07:38,409 --> 00:07:36,890

he's using Atlantean science so he's you

182

00:07:40,630 --> 00:07:38,419

know blending all these things together

183

00:07:42,159 --> 00:07:40,640

and it's mixed her some creative stuff

184

00:07:44,140 --> 00:07:42,169

which would mean that when you come to a

185

00:07:46,420 --> 00:07:44,150

convention like this and real spotters

186

00:07:48,370 --> 00:07:46,430

of the show would ask you unusual

187

00:07:49,719 --> 00:07:48,380

questions about the science that maybe

188

00:07:51,300 --> 00:07:49,729

he hasn't been in the script so you're

189

00:07:54,280 --> 00:07:51,310

going to like add live a bit haven't yet

190

00:07:56,050 --> 00:07:54,290

yeah like I just did yeah he's in pretty

191

00:07:57,670 --> 00:07:56,060

well there then and what what's been the

192

00:07:59,350 --> 00:07:57,680

most unusual prop you had to work with

193

00:08:00,940 --> 00:07:59,360

because obviously you got signed stuff

194

00:08:02,290 --> 00:08:00,950

on the set there and go oh he have this

195

00:08:03,460 --> 00:08:02,300

all but does this kind of thing in you

196

00:08:05,020 --> 00:08:03,470

go and you're going to make it work

197

00:08:07,750 --> 00:08:05,030

you're gonna make it believable I think

198

00:08:09,310 --> 00:08:07,760

it's the it's probably the zpm explain

199

00:08:11,620 --> 00:08:09,320

that sorry well that's the main power

200

00:08:14,020 --> 00:08:11,630

source it's basically whatever one's

201  
00:08:16,060 --> 00:08:14,030  
looking for in Atlantis in order to

202  
00:08:18,250 --> 00:08:16,070  
power up every single into heaven there

203  
00:08:20,770 --> 00:08:18,260  
they're using the zpm to power up their

204  
00:08:21,519 --> 00:08:20,780  
ships they're using try looking for CP

205  
00:08:25,329 --> 00:08:21,529  
ends or two

206  
00:08:26,409 --> 00:08:25,339  
power up the reproductive what do you

207  
00:08:27,669 --> 00:08:26,419  
think of the sci-fi fans here in

208  
00:08:29,709 --> 00:08:27,679  
Australia are they a different breed a

209  
00:08:31,569 --> 00:08:29,719  
different fantastic the people here are

210  
00:08:32,589 --> 00:08:31,579  
amazing because we got maybe you can't

211  
00:08:35,350 --> 00:08:32,599  
really look over here but there's so

212  
00:08:37,239 --> 00:08:35,360  
many people dressed up in anime costumes

213  
00:08:39,219 --> 00:08:37,249

and all sorts of fantasy costumes anyone

214

00:08:40,360 --> 00:08:39,229

been as you here today hbu been to many

215

00:08:42,040 --> 00:08:40,370

conventions where they've been new

216

00:08:44,590 --> 00:08:42,050

hasn't been there haven't been any

217

00:08:46,449 --> 00:08:44,600

Wraith here but there there was someone

218

00:08:50,079 --> 00:08:46,459

here who was dressed as a wraith Queen

219

00:08:52,389 --> 00:08:50,089

last year that's cool so yeah it's been

220

00:08:54,220 --> 00:08:52,399

great and had any odd moments cuz

221

00:08:56,829 --> 00:08:54,230

sometimes the fans like to get touchy

222

00:09:01,299 --> 00:08:56,839

feely as we know I today I got married

223

00:09:03,730 --> 00:09:01,309

and that's always a bit awkward get the

224

00:09:04,840 --> 00:09:03,740

best of times even if people if they're

225

00:09:07,059 --> 00:09:04,850

prepared for that can still go wrong

226

00:09:09,730 --> 00:09:07,069

it's a big commitment so I was married

227

00:09:11,110 --> 00:09:09,740

today will you'll be leaving the country

228

00:09:12,819 --> 00:09:11,120

fairly quickly in the morning I believe

229

00:09:15,429 --> 00:09:12,829

actually I'm heading off to Utah because

230

00:09:17,350 --> 00:09:15,439

that that makes two now it's okay yeah

231

00:09:19,509 --> 00:09:17,360

look of it thanks for trying to us

232

00:09:33,840 --> 00:09:19,519

for a while there and more power to you

233

00:09:38,550 --> 00:09:35,939

well what a day / pedi with Armageddon I

234

00:09:40,829 --> 00:09:38,560

think you know I'll go to hear we're

235

00:09:43,470 --> 00:09:40,839

going to go cross Kingsley cruising

236

00:09:45,059 --> 00:09:43,480

happily hit the club scene there have a

237

00:09:46,620 --> 00:09:45,069

few copies you know with the

238

00:09:48,389 --> 00:09:46,630

stormtroopers that kind of stuff cuz

239

00:09:50,370 --> 00:09:48,399

they hang after hours it's a little

240

00:09:51,990 --> 00:09:50,380

known fact we'll catch you later what a

241

00:09:54,420 --> 00:09:52,000

day's been are getting obscene people

242

00:09:56,550 --> 00:09:54,430

we've been people we have experienced

243

00:10:00,480 --> 00:09:56,560

people here and now beer we need a good
