

1
00:00:12,629 --> 00:00:10,549
and don't do it do it because you do it

2
00:00:14,390 --> 00:00:12,639
on the show it's not forced right it's

3
00:00:16,790 --> 00:00:14,400
not a performance it's just a good

4
00:00:19,269 --> 00:00:16,800
welcome to the skeptic zone the podcast

5
00:00:21,830 --> 00:00:19,279
from australia for science and reason

6
00:00:24,550 --> 00:00:21,840
here are your hosts richard saunders and

7
00:00:26,070 --> 00:00:24,560
stephen soyker perfect

8
00:00:33,830 --> 00:00:26,080
uh put a

9
00:00:37,030 --> 00:00:34,950
a little

10
00:00:38,229 --> 00:00:37,040
up accent on australia the podcast from

11
00:00:45,430 --> 00:00:38,239
australia

12
00:00:48,470 --> 00:00:46,950
do you want to just come in a little bit

13
00:00:50,470 --> 00:00:48,480

to yeah because it's

14

00:00:56,150 --> 00:00:50,480

closer it's better hey hey richard how

15

00:01:01,110 --> 00:00:58,709

and for all you youtube fans out there

16

00:01:02,950 --> 00:01:01,120

this is the added extra you won't get to

17

00:01:04,630 --> 00:01:02,960

see on the podcast

18

00:01:06,870 --> 00:01:04,640

we are recording aren't we

19

00:01:08,950 --> 00:01:06,880

yes we are

20

00:01:11,429 --> 00:01:08,960

but it's not that added it's not that

21

00:01:17,910 --> 00:01:11,439

extra but here we are anyway

22

00:01:26,149 --> 00:01:20,550

welcome to the skeptic zone the podcast

23

00:01:34,390 --> 00:01:28,710

here here hosts richard saunders and

24

00:01:40,230 --> 00:01:37,429

richard welcome along one more time

25

00:01:41,910 --> 00:01:40,240

one more time hello stefan you know i

26

00:01:43,429 --> 00:01:41,920

thought that uh that introduction by our

27

00:01:45,749 --> 00:01:43,439

voiceover man jim wilshere this week

28

00:01:48,310 --> 00:01:45,759

sounded a bit different it actually

29

00:01:50,469 --> 00:01:48,320

sounded quite intimate quite quite close

30

00:01:53,109 --> 00:01:50,479

the proximity it was surprising the

31

00:01:54,710 --> 00:01:53,119

voiceover was was just it's a modern

32

00:01:56,789 --> 00:01:54,720

modern technology you think he's in the

33

00:01:58,469 --> 00:01:56,799

same room with us it feels almost as if

34

00:02:01,510 --> 00:01:58,479

he's in the same room with us in fact he

35

00:02:04,550 --> 00:02:01,520

is get on the glance get on with it

36

00:02:06,630 --> 00:02:04,560

hello jim hello boys jim's here jim our

37

00:02:08,550 --> 00:02:06,640

voice over man from and now it's time

38

00:02:10,070 --> 00:02:08,560

for dr richie reports and

39

00:02:12,309 --> 00:02:10,080

it's a great assault and all the rest

40

00:02:14,390 --> 00:02:12,319

he's here in the room with us you know i

41

00:02:16,150 --> 00:02:14,400

didn't even know he was a real person i

42

00:02:18,470 --> 00:02:16,160

thought he was really i thought he was a

43

00:02:20,869 --> 00:02:18,480

voiceover from another realm a voice

44

00:02:22,470 --> 00:02:20,879

over generated me or something i used to

45

00:02:27,830 --> 00:02:22,480

be

46

00:02:30,390 --> 00:02:27,840

it's good to see you and it makes the

47

00:02:32,550 --> 00:02:30,400

zone this slightly more um crowded it

48

00:02:34,630 --> 00:02:32,560

does in our little studio it does but

49

00:02:36,630 --> 00:02:34,640

i'm pleased to say that not only will

50

00:02:38,550 --> 00:02:36,640

jim be joining us later in the show for

51
00:02:40,710 --> 00:02:38,560
the think tank oh yes he will you see

52
00:02:42,710 --> 00:02:40,720
well last night at skeptics in the pub

53
00:02:45,030 --> 00:02:42,720
here in city jim gave a live read of one

54
00:02:48,550 --> 00:02:45,040
of his skeptical poems about the these

55
00:02:50,470 --> 00:02:48,560
funny energy power bracelets

56
00:02:52,470 --> 00:02:50,480
anyone who makes fun of those silly

57
00:02:55,070 --> 00:02:52,480
things but it's surprising because jim

58
00:02:57,710 --> 00:02:55,080
has said welcome to the skeptic zone now

59
00:03:00,949 --> 00:02:57,720
124 times because this is episode number

60
00:03:02,550 --> 00:03:00,959
124 for the 4th of march it's 125

61
00:03:04,470 --> 00:03:02,560
actually because this is the second time

62
00:03:06,229 --> 00:03:04,480
we've done this oh

63
00:03:08,229 --> 00:03:06,239

we got to be professional about this

64

00:03:10,229 --> 00:03:08,239

and counting the pilot that we did uh

65

00:03:11,670 --> 00:03:10,239

it's 126. oh the pilot that was never

66

00:03:13,589 --> 00:03:11,680

seen that was never seen and i've

67

00:03:17,270 --> 00:03:13,599

practiced that you have practice so it's

68

00:03:18,869 --> 00:03:17,280

probably 127 127 any advance 127 all

69

00:03:21,430 --> 00:03:18,879

right

70

00:03:23,190 --> 00:03:21,440

so but the official what episode is it

71

00:03:26,710 --> 00:03:23,200

especially now after all that it is

72

00:03:28,710 --> 00:03:26,720

still officially episode number 124. ah

73

00:03:32,630 --> 00:03:28,720

jimmy must be exhausted as we are well

74

00:03:34,630 --> 00:03:32,640

to be honest i've only said it twice

75

00:03:36,869 --> 00:03:34,640

well richard welcome along again thank

76

00:03:38,309 --> 00:03:36,879

you and jim and uh so what have we got

77

00:03:39,830 --> 00:03:38,319

happening it's a big show it's always a

78

00:03:41,270 --> 00:03:39,840

big show it's a huge show it's a huge

79

00:03:42,309 --> 00:03:41,280

show it's easier if it's bigger than

80

00:03:45,110 --> 00:03:42,319

that

81

00:03:48,789 --> 00:03:45,120

really it's so big this show is so big

82

00:03:50,309 --> 00:03:48,799

it goes as far as norway norway norway

83

00:03:52,309 --> 00:03:50,319

what's happening in norway norway we're

84

00:03:54,710 --> 00:03:52,319

going to be speaking to kristen carlson

85

00:03:56,710 --> 00:03:54,720

from the norwegian skeptics the

86

00:03:57,429 --> 00:03:56,720

norwegian skeptics norwegian skeptics

87

00:03:58,789 --> 00:03:57,439

yeah

88

00:04:00,550 --> 00:03:58,799

they're pretty big on cold reading up

89

00:04:02,229 --> 00:04:00,560

there aren't they oh

90

00:04:03,270 --> 00:04:02,239

god jim do you want to be a host instead

91

00:04:05,750 --> 00:04:03,280

of him

92

00:04:07,670 --> 00:04:05,760

it's no way oh well thank you very much

93

00:04:10,070 --> 00:04:07,680

yes kristen is going to be speaking to

94

00:04:12,470 --> 00:04:10,080

us by the magic of skype all about the

95

00:04:14,789 --> 00:04:12,480

norwegian skeptics and her activities uh

96

00:04:16,629 --> 00:04:14,799

promoting science and reason in that

97

00:04:17,990 --> 00:04:16,639

part of the world actually i actually

98

00:04:20,150 --> 00:04:18,000

thought they were quite reasonable up

99

00:04:22,230 --> 00:04:20,160

there already are there actually people

100

00:04:24,070 --> 00:04:22,240

in norway that are that are into woo-woo

101

00:04:25,189 --> 00:04:24,080

i'm sure there is there are really will

102

00:04:26,710 --> 00:04:25,199

be and there

103

00:04:29,189 --> 00:04:26,720

will be tomorrow and there always will

104

00:04:31,749 --> 00:04:29,199

be um but no she's great fantastic

105

00:04:34,550 --> 00:04:31,759

interview coming up also on today's show

106

00:04:36,310 --> 00:04:34,560

dr rachie maynard and i went to

107

00:04:38,710 --> 00:04:36,320

armageddon

108

00:04:40,629 --> 00:04:38,720

again really was the movie or you

109

00:04:41,909 --> 00:04:40,639

actually experienced re-experience that

110

00:04:43,670 --> 00:04:41,919

we experienced the end of the world and

111

00:04:45,270 --> 00:04:43,680

we have a special report from the end of

112

00:04:47,270 --> 00:04:45,280

the world really now this was like an

113

00:04:48,950 --> 00:04:47,280

anime fest here in sydney and science

114

00:04:51,110 --> 00:04:48,960

fiction and all that sort of stuff we're

115

00:04:52,390 --> 00:04:51,120

chatting to various voice over artists

116

00:04:54,870 --> 00:04:52,400

oh really i haven't seen one of those

117

00:04:56,950 --> 00:04:54,880

for a long time no uh and this week we

118

00:04:59,189 --> 00:04:56,960

uh maynard interviews michael

119

00:05:01,590 --> 00:04:59,199

mcconaughey who does lots of video game

120

00:05:03,350 --> 00:05:01,600

voice-overs and things like that oh

121

00:05:05,590 --> 00:05:03,360

he had a few stories to tell about being

122

00:05:07,189 --> 00:05:05,600

cooped up in a booth i'm sure he does

123

00:05:09,749 --> 00:05:07,199

and talking he's the sort of guy who

124

00:05:11,909 --> 00:05:09,759

would probably say in a world gone mad

125

00:05:13,029 --> 00:05:11,919

oh you know that sort of stuff or kill

126
00:05:14,070 --> 00:05:13,039
them all

127
00:05:20,150 --> 00:05:14,080
die

128
00:05:21,990 --> 00:05:20,160
the think tank of course as we uh do

129
00:05:24,230 --> 00:05:22,000
what's is it a normal think tank or is

130
00:05:25,590 --> 00:05:24,240
it gonna be extra special one this week

131
00:05:27,430 --> 00:05:25,600
no it's really boring just a little

132
00:05:28,950 --> 00:05:27,440
legit you know jim wilshere will be

133
00:05:30,629 --> 00:05:28,960
joining us tonight that's very exciting

134
00:05:32,790 --> 00:05:30,639
it's a special week having jim here it

135
00:05:35,590 --> 00:05:32,800
is it is that's really fantastic we've

136
00:05:37,909 --> 00:05:35,600
got a new segment by joanne benamu

137
00:05:39,350 --> 00:05:37,919
called reality bites is that so yeah it

138
00:05:41,749 --> 00:05:39,360

is i look forward to hearing that and

139

00:05:43,749 --> 00:05:41,759

reality does bite it certainly does

140

00:05:45,110 --> 00:05:43,759

around here it knows at the moment so

141

00:05:48,230 --> 00:05:45,120

it's it's a big show steph and what can

142

00:05:49,990 --> 00:05:48,240

i say ah show number 124 it is it's

143

00:05:51,590 --> 00:05:50,000

getting bigger by the moment this is so

144

00:05:53,110 --> 00:05:51,600

big we better get out of here all right

145

00:05:54,469 --> 00:05:53,120

let's get on with the show

146

00:05:56,150 --> 00:05:54,479

all right

147

00:05:57,350 --> 00:05:56,160

right there's a lot of stops there yeah

148

00:06:00,950 --> 00:05:57,360

that's all right ready see we're all

149

00:06:02,070 --> 00:06:00,960

nervous with jim yeah we don't know

150

00:06:03,990 --> 00:06:02,080

this is what

151
00:06:06,790 --> 00:06:04,000
when i was doing gigs

152
00:06:08,309 --> 00:06:06,800
every time a musician would walk in i

153
00:06:12,550 --> 00:06:08,319
just

154
00:06:14,309 --> 00:06:12,560
like some guy from a big band or

155
00:06:15,909 --> 00:06:14,319
something yeah i'm playing away

156
00:06:18,830 --> 00:06:15,919
and i just start hitting

157
00:06:21,830 --> 00:06:18,840
like just making mistakes it's terrible

158
00:06:24,070 --> 00:06:21,840
anyway let's keep going

159
00:06:26,469 --> 00:06:24,080
come back come back let's keep going all

160
00:06:28,309 --> 00:06:26,479
right so this is the end of the show of

161
00:06:29,909 --> 00:06:28,319
course we've all heard your poem we've

162
00:06:30,550 --> 00:06:29,919
all heard all the segments in the show

163
00:06:32,230 --> 00:06:30,560

and

164

00:06:34,790 --> 00:06:32,240

including the think tank which you'll be

165

00:06:36,150 --> 00:06:34,800

involved with later tonight

166

00:06:38,230 --> 00:06:36,160

wait what's that

167

00:06:39,749 --> 00:06:38,240

that's the bathroom probably

168

00:06:43,110 --> 00:06:39,759

it's plumbing

169

00:06:44,550 --> 00:06:43,120

it's all right it'll die down the sink

170

00:06:45,909 --> 00:06:44,560

so we're going thank you richard thank

171

00:06:47,110 --> 00:06:45,919

you thank you

172

00:06:49,589 --> 00:06:47,120

about what's happening next week part

173

00:06:50,950 --> 00:06:49,599

two of our anime interviews but apart

174

00:06:51,830 --> 00:06:50,960

from that i

175

00:06:53,270 --> 00:06:51,840

uh

176

00:06:55,029 --> 00:06:53,280

yeah okay

177

00:06:56,309 --> 00:06:55,039

just see the trouble of saying what's

178

00:06:58,230 --> 00:06:56,319

coming up next week unless i've got them

179

00:06:59,589 --> 00:06:58,240

in the camera i'm always a bit different

180

00:07:09,510 --> 00:06:59,599

we're just gonna thanks for being great

181

00:07:14,469 --> 00:07:11,830

you're shedding

182

00:07:14,479 --> 00:07:17,990

okay here we go

183

00:07:21,830 --> 00:07:19,670

richard you've done it again another

184

00:07:23,510 --> 00:07:21,840

skeptic zone in the can in the cat

185

00:07:25,510 --> 00:07:23,520

wasn't that fun it was great it was

186

00:07:27,909 --> 00:07:25,520

great to have jim involved with the

187

00:07:29,909 --> 00:07:27,919

think tank actually in person as a

188

00:07:32,070 --> 00:07:29,919

actual human being rather than just some

189

00:07:33,830 --> 00:07:32,080

sort of audio signal coming through from

190

00:07:37,350 --> 00:07:33,840

i don't know where what was it like jim

191

00:07:40,070 --> 00:07:37,360

for you well the thing to me was that i

192

00:07:42,710 --> 00:07:40,080

was right when reality bites

193

00:07:44,550 --> 00:07:42,720

there's no cure

194

00:07:46,550 --> 00:07:44,560

that's deep oh

195

00:07:48,950 --> 00:07:46,560

i don't know what to say about that

196

00:07:50,710 --> 00:07:48,960

that's pretty profound now jim of course

197

00:07:53,749 --> 00:07:50,720

steven jim will be taking part in

198

00:07:55,990 --> 00:07:53,759

helping us with our secret project oh

199

00:07:57,909 --> 00:07:56,000

yes yeah are you trying to hype up our

200

00:07:59,350 --> 00:07:57,919

audience a little bit i am that's on the

201
00:08:00,469 --> 00:07:59,360
way you're trying to whet their appetite

202
00:08:01,990 --> 00:08:00,479
for something they don't know anything

203
00:08:05,270 --> 00:08:02,000
about they know nothing about it they

204
00:08:09,270 --> 00:08:07,510
it is pretty exciting we are we are

205
00:08:11,029 --> 00:08:09,280
planning a little thing but we'll see

206
00:08:13,029 --> 00:08:11,039
how it all pans out you know that we're

207
00:08:16,710 --> 00:08:13,039
sort of coming up

208
00:08:20,150 --> 00:08:16,720
in the next months to episode 150

209
00:08:22,629 --> 00:08:21,749
at least we'll get them thinking

210
00:08:24,710 --> 00:08:22,639
yeah

211
00:08:26,869 --> 00:08:24,720
i'm wondering secret project

212
00:08:28,710 --> 00:08:26,879
alright so richard i think that's it 124

213
00:08:30,629 --> 00:08:28,720

we're done thank you for listening it's

214

00:08:32,870 --> 00:08:30,639

been another another great week it has

215

00:08:34,709 --> 00:08:32,880

thank you very much lots of great things

216

00:08:36,310 --> 00:08:34,719

coming up on the skeptic zone

217

00:08:37,430 --> 00:08:36,320

well richard let's just let's just get

218

00:08:39,269 --> 00:08:37,440

out of here and we'll see you next week

219

00:08:41,589 --> 00:08:39,279

okay thanks stefan and thank you jim for

220

00:08:48,230 --> 00:08:41,599

taking part this week in the flesh thank

221

00:08:52,310 --> 00:08:49,750

you've been listening to this can you

222

00:08:54,070 --> 00:08:52,320

indulge us one more time i'd like jim to

223

00:08:56,310 --> 00:08:54,080

read a poem oh absolutely that would be

224

00:08:57,590 --> 00:08:56,320

fantastic thanks jim that was fun don't

225

00:08:59,350 --> 00:08:57,600

worry when i after i get through the

226

00:09:01,590 --> 00:08:59,360

editing the hell out of it it'll be

227

00:09:03,110 --> 00:09:01,600

tight don't worry i don't know
