

1  
00:00:25,370 --> 00:00:24,290  
well it's all happening at supernova

2  
00:00:27,349 --> 00:00:25,380  
it's all going to be happening people

3  
00:00:29,419 --> 00:00:27,359  
running screaming jumping it's an eye-fi

4  
00:00:30,620 --> 00:00:29,429  
anime explosion where everyone stands in

5  
00:00:32,420 --> 00:00:30,630  
front of someone else trying to take a

6  
00:00:33,619 --> 00:00:32,430  
photo like I do but that's okay because

7  
00:00:35,360 --> 00:00:33,629  
he's standing in front of the guys

8  
00:00:36,979 --> 00:00:35,370  
taking camera me behind him give them

9  
00:00:47,640 --> 00:00:36,989  
away and we have a great time in

10  
00:00:51,780 --> 00:00:49,950  
well even these sort of concrete angels

11  
00:00:53,550 --> 00:00:51,790  
I've been looking everywhere I can't see

12  
00:00:56,160 --> 00:00:53,560  
them their way on outside the building

13  
00:00:58,920 --> 00:00:56,170

last time I saw them and then it look

14

00:01:01,470 --> 00:00:58,930

the weeping angels this is a great

15

00:01:02,760 --> 00:01:01,480

costume ok you can unfreeze now I don't

16

00:01:03,840 --> 00:01:02,770

want that concrete to sit you know what

17

00:01:04,980 --> 00:01:03,850

your mom said you pull that face too

18

00:01:06,960 --> 00:01:04,990

long you'll turn oh that actually

19

00:01:09,690 --> 00:01:06,970

happened to you anyway and who we got

20

00:01:11,280 --> 00:01:09,700

here I'm Caitlin Jessica wow great

21

00:01:12,690 --> 00:01:11,290

costumes like these would be among the

22

00:01:14,160 --> 00:01:12,700

best I've seen that I have and it's like

23

00:01:16,140 --> 00:01:14,170

one of these ones it takes a bit of work

24

00:01:18,330 --> 00:01:16,150

and it's not the kind of one that would

25

00:01:19,920 --> 00:01:18,340

first come to mind I mean I often dress

26

00:01:21,330 --> 00:01:19,930

up as Leela from dr who that's my

27

00:01:22,710 --> 00:01:21,340

favorite character but no one wants to

28

00:01:24,540 --> 00:01:22,720

see me wearing that that around the

29

00:01:27,510 --> 00:01:24,550

place that's for sure but thesis is a

30

00:01:29,880 --> 00:01:27,520

great idea why these ones um just

31

00:01:31,260 --> 00:01:29,890

because they're in the best episode of

32

00:01:34,710 --> 00:01:31,270

Doctor Who pretty much and they were

33

00:01:36,600 --> 00:01:34,720

really creepy blink a great episode not

34

00:01:38,520 --> 00:01:36,610

mainly because of what happens but what

35

00:01:40,710 --> 00:01:38,530

you guys on in your head it's all

36

00:01:42,120 --> 00:01:40,720

psychological and know who had the idea

37

00:01:43,469 --> 00:01:42,130

for it and who was the other one that

38

00:01:47,100 --> 00:01:43,479

said I'm not going with a dress like

39

00:01:49,350 --> 00:01:47,110

that and was talked into it well we made

40

00:01:50,790 --> 00:01:49,360

the dresses a while agree and we just

41

00:01:52,230 --> 00:01:50,800

wanted to make the customer bit better

42

00:01:55,770 --> 00:01:52,240

so I can't remember who actually had the

43

00:01:57,150 --> 00:01:55,780

first idea um yeah I think it's just

44

00:01:59,880 --> 00:01:57,160

something we both wanted to really do

45

00:02:01,680 --> 00:01:59,890

cuz yeah but come on people at home as

46

00:02:03,930 --> 00:02:01,690

far as Doctor Who character bad got what

47

00:02:09,699 --> 00:02:03,940

we would you rather see Daleks or this I

48

00:02:13,699 --> 00:02:12,140

I'm very excited we've got Larry Hagman

49

00:02:15,320 --> 00:02:13,709

here he was great on his show Sherlock

50

00:02:16,880 --> 00:02:15,330

Holmes I loved his version of it bah

51  
00:02:18,440 --> 00:02:16,890  
Britain's over there Halper Valley PTA

52  
00:02:20,780 --> 00:02:18,450  
is to show you must not me at all but

53  
00:02:22,729 --> 00:02:20,790  
here's a guy Bill Daley this guy could

54  
00:02:23,930 --> 00:02:22,739  
cruise around driving drinking and

55  
00:02:26,180 --> 00:02:23,940  
smoking with as many blondes as you

56  
00:02:27,440 --> 00:02:26,190  
wanted in Cocoa Beach I below I well

57  
00:02:29,900 --> 00:02:27,450  
I've been driving drinking and smoking

58  
00:02:31,250 --> 00:02:29,910  
so I'm a little tired now because it

59  
00:02:33,050 --> 00:02:31,260  
runs well gotta quit the stock question

60  
00:02:36,020 --> 00:02:33,060  
of the way first what's it like to be in

61  
00:02:38,330 --> 00:02:36,030  
Australia bill the best good-looking

62  
00:02:39,770 --> 00:02:38,340  
women the best doors so nice oh we have

63  
00:02:41,000 --> 00:02:39,780

a lot of great drag queens here too so

64

00:02:44,660 --> 00:02:41,010

don't get confused well that's a real

65

00:02:46,670 --> 00:02:44,670

drag I was equated rag the drag bring

66

00:02:48,770 --> 00:02:46,680

actually you ever drank a cup of ways

67

00:02:50,600 --> 00:02:48,780

around it very of it especially tall fat

68

00:02:53,360 --> 00:02:50,610

man they mad at cost you in drinks is

69

00:02:54,860 --> 00:02:53,370

unbelievable I built tell me once if I'm

70

00:02:56,479 --> 00:02:54,870

asking you here yeah you're finally in

71

00:02:58,160 --> 00:02:56,489

Australia is anyone making a is there

72

00:02:59,960 --> 00:02:58,170

anyone noticing that you had the army

73

00:03:01,400 --> 00:02:59,970

uniform on earth nasa and not the Air

74

00:03:03,530 --> 00:03:01,410

Force you know that they're brighter

75

00:03:05,509 --> 00:03:03,540

here and not because when I travel and

76

00:03:07,880 --> 00:03:05,519

do shows and ella la they don't know why

77

00:03:10,910 --> 00:03:07,890

even ask me even care that my uniform is

78

00:03:12,440 --> 00:03:10,920

olive so that everybody here notices and

79

00:03:14,270 --> 00:03:12,450

that I was that was in the Army that's

80

00:03:16,640 --> 00:03:14,280

why and there was it was black and white

81

00:03:18,680 --> 00:03:16,650

the first year so nobody knew so we

82

00:03:20,090 --> 00:03:18,690

didn't take care couldn't tell if I'm

83

00:03:21,650 --> 00:03:20,100

Oliver what would have been your

84

00:03:23,390 --> 00:03:21,660

favorite episode the one if you had to

85

00:03:24,410 --> 00:03:23,400

say okay this is the episode of I Dream

86

00:03:26,630 --> 00:03:24,420

of Jeannie that explains everything

87

00:03:28,819 --> 00:03:26,640

about Roger Healey and his character I

88

00:03:30,590 --> 00:03:28,829

think the first one we did when I didn't

89

00:03:32,509 --> 00:03:30,600

know there was a genie it was a funny

90

00:03:35,120 --> 00:03:32,519

thing from because she disappears on a

91

00:03:37,340 --> 00:03:35,130

boat they think he killed her and so he

92

00:03:38,539 --> 00:03:37,350

tells me she was back home Larry says I

93

00:03:41,180 --> 00:03:38,549

want you to go home and talk to the

94

00:03:43,370 --> 00:03:41,190

walls well what do you want me to say to

95

00:03:45,410 --> 00:03:43,380

tell the walls I love her so I got this

96

00:03:47,509 --> 00:03:45,420

whole scene and dr. Bellas is behind me

97

00:03:49,400 --> 00:03:47,519

and that was funnier when I didn't know

98

00:03:50,870 --> 00:03:49,410

it was a journey and what is the most

99

00:03:52,069 --> 00:03:50,880

unusual thing you've been off at the

100

00:03:53,599 --> 00:03:52,079

sign here we have a gentleman here if

101  
00:03:55,520 --> 00:03:53,609  
you could just put your bottle into our

102  
00:03:57,170 --> 00:03:55,530  
shot there you go there's a genie bottle

103  
00:03:58,670 --> 00:03:57,180  
I believe the original one was based on

104  
00:04:00,199 --> 00:03:58,680  
some sort of Jack Daniels decanter

105  
00:04:02,170 --> 00:04:00,209  
bottle or something that what's the most

106  
00:04:05,500 --> 00:04:02,180  
unusual thing you've had to sign

107  
00:04:07,300 --> 00:04:05,510  
ah it's sick I can't say this on the air

108  
00:04:10,179 --> 00:04:07,310  
but there's been a couple of really

109  
00:04:12,670 --> 00:04:10,189  
unusual you know I had assigned a breast

110  
00:04:15,339 --> 00:04:12,680  
and it was a guy which really was very

111  
00:04:16,509 --> 00:04:15,349  
uncomfortable well dolly before I make

112  
00:04:17,740 --> 00:04:16,519  
the people uncomfortable waiting for

113  
00:04:18,969 --> 00:04:17,750

your autograph here thank you for coming

114

00:04:21,189 --> 00:04:18,979

out to Australia and then come back and

115

00:04:23,080 --> 00:04:21,199

do some surfing sometime oh yeah serving

116

00:04:25,900 --> 00:04:23,090

would you have water here oh great I

117

00:04:27,820 --> 00:04:25,910

like some water right now wow you know

118

00:04:30,300 --> 00:04:27,830

the people you're meeting at supernova

119

00:04:32,409 --> 00:04:30,310

I'm here with mr. Larry Hagman star of

120

00:04:35,080 --> 00:04:32,419

Sherlock Holmes I really like that

121

00:04:36,670 --> 00:04:35,090

series of Sherlock Holmes you did look

122

00:04:37,990 --> 00:04:36,680

that was a while ago please explain to

123

00:04:39,189 --> 00:04:38,000

the pit boss I tell people you're Larry

124

00:04:41,620 --> 00:04:39,199

Hagman he was sherlock holmes and they

125

00:04:45,249 --> 00:04:41,630

go huh i was reading sherlock holmes and

126

00:04:46,719 --> 00:04:45,259

the motorcycle fell on me i had been

127

00:04:48,999 --> 00:04:46,729

riding it like we just sitting out the

128

00:04:51,570 --> 00:04:49,009

him riding it i was reading behind it

129

00:04:55,089 --> 00:04:51,580

just fell over him and then I had a

130

00:04:57,490 --> 00:04:55,099

epiphany iceberg and look what obviously

131

00:04:59,560 --> 00:04:57,500

I Dream of Jeannie Dallas enormous shows

132

00:05:01,779 --> 00:04:59,570

but I Dream of Jeannie seems to live on

133

00:05:03,070 --> 00:05:01,789

because kids just love that show and

134

00:05:05,050 --> 00:05:03,080

there's so much going on that show and

135

00:05:07,360 --> 00:05:05,060

you were a powerhouse in that show but

136

00:05:08,680 --> 00:05:07,370

you and Bill great combination and I was

137

00:05:09,820 --> 00:05:08,690

always a fan of bill because he could go

138

00:05:12,010 --> 00:05:09,830

do what he wants he could go out and

139

00:05:14,170 --> 00:05:12,020

date the girls have fun you had the

140

00:05:16,360 --> 00:05:14,180

major ball and chain of almost a wife

141

00:05:19,960 --> 00:05:16,370

with supernatural powers yeah as hell

142

00:05:21,250 --> 00:05:19,970

but somebody had to do it and what you

143

00:05:23,560 --> 00:05:21,260

think was the best episode of it i

144

00:05:24,909 --> 00:05:23,570

always ask you and I'm people it's very

145

00:05:26,710 --> 00:05:24,919

difficult to pick just one but is that

146

00:05:29,320 --> 00:05:26,720

one that you think really goes yeah that

147

00:05:32,290 --> 00:05:29,330

was the best ever it was the invisible

148

00:05:33,640 --> 00:05:32,300

dog Jinjin do you remember that one that

149

00:05:35,890 --> 00:05:33,650

had the vision he used to rip me apart

150

00:05:38,080 --> 00:05:35,900

and tear my clothes off and stuff like

151  
00:05:41,409 --> 00:05:38,090  
that and he can fly too good me it was

152  
00:05:43,210 --> 00:05:41,419  
invisible yeah yeah with Dallas man you

153  
00:05:44,980 --> 00:05:43,220  
are like almost demonized or you were

154  
00:05:46,570 --> 00:05:44,990  
demonized there was such a bad guy for

155  
00:05:48,159 --> 00:05:46,580  
such a long time you I guess you

156  
00:05:49,240 --> 00:05:48,169  
couldn't go buy milk anywhere all people

157  
00:05:50,800 --> 00:05:49,250  
that want to have a conversation with

158  
00:05:52,480 --> 00:05:50,810  
you wouldn't there oh they always say

159  
00:05:55,500 --> 00:05:52,490  
who shot you you know stuff like that

160  
00:06:00,630 --> 00:05:56,970  
how many shows have you been in ever

161  
00:06:07,470 --> 00:06:00,640  
even able to count them all without 156

162  
00:06:09,720 --> 00:06:07,480  
genies and 358 I think Dallas's and then

163  
00:06:11,610 --> 00:06:09,730

a myriad of other television shows or

164

00:06:12,990 --> 00:06:11,620

something like that and one of the

165

00:06:14,490 --> 00:06:13,000

Australian fans been like here what kind

166

00:06:15,990 --> 00:06:14,500

of fans are we got here in Australia are

167

00:06:17,730 --> 00:06:16,000

they any different sort or we just as

168

00:06:19,920 --> 00:06:17,740

wacky as anyone else famous all over the

169

00:06:22,200 --> 00:06:19,930

world you know people love genie and

170

00:06:34,140 --> 00:06:22,210

they love Dallas and so for the fans are

171

00:06:35,790 --> 00:06:34,150

fans well I'm pretty excited because I'm

172

00:06:37,650 --> 00:06:35,800

here where the sci-fi channel hang out

173

00:06:39,660 --> 00:06:37,660

now the sofa challenge Australia you

174

00:06:41,700 --> 00:06:39,670

know it's got a mix of stuff on it but

175

00:06:43,620 --> 00:06:41,710

it's at the moment there's a lot of Tom

176

00:06:45,750 --> 00:06:43,630

Baker where I am now and a lot of old

177

00:06:47,490 --> 00:06:45,760

TVs in fact I think this is a TV that

178

00:06:49,290 --> 00:06:47,500

was stolen from my house 15 years ago

179

00:06:51,750 --> 00:06:49,300

and this could well be the guys starlet

180

00:06:53,130 --> 00:06:51,760

who we got here I'm Richard know your do

181

00:06:54,360 --> 00:06:53,140

a bit of work here for the sci-fi

182

00:06:56,160 --> 00:06:54,370

channel and you've got a lot of Tom

183

00:06:58,110 --> 00:06:56,170

Baker going on while you're pushing the

184

00:06:59,370 --> 00:06:58,120

Tom Baker Doctor Who today well it's a

185

00:07:01,110 --> 00:06:59,380

bit of a bigger been for so far we've

186

00:07:03,600 --> 00:07:01,120

got Tom Baker series of Doctor Who

187

00:07:06,210 --> 00:07:03,610

starting in August the every Tom Baker

188

00:07:08,280 --> 00:07:06,220

episode which think is 186 episodes of

189

00:07:13,529 --> 00:07:08,290

Tom Baker would you care for a jelly

190

00:07:17,619 --> 00:07:16,029

here's to Tom Baker I'm going to that

191

00:07:19,779 --> 00:07:17,629

visible paper heavier because I parked

192

00:07:21,129 --> 00:07:19,789

my car in an illegal place let me just

193

00:07:30,999 --> 00:07:21,139

check my bag I might be able to fix it

194

00:07:32,170 --> 00:07:31,009

get some invisible paper ok now what's

195

00:07:33,670 --> 00:07:32,180

the reaction you're getting here with

196

00:07:34,809 --> 00:07:33,680

these outfits I imagine it's been a

197

00:07:37,360 --> 00:07:34,819

fairly negative 1 and people have been

198

00:07:42,010 --> 00:07:37,370

asking you to leave um people mainly

199

00:07:44,890 --> 00:07:42,020

been asking us to bend over bend over me

200

00:07:46,330 --> 00:07:44,900

no one's arse off that yeah and what

201  
00:07:47,200 --> 00:07:46,340  
about any other costumes you think you

202  
00:07:49,089 --> 00:07:47,210  
might have seen that are better than

203  
00:07:50,499 --> 00:07:49,099  
yours yours are pretty good here it were

204  
00:07:51,999 --> 00:07:50,509  
very hard to beat this but if someone

205  
00:07:53,890 --> 00:07:52,009  
put even more work into their stuff of

206  
00:07:55,779 --> 00:07:53,900  
new guys well the Ghostbusters there's

207  
00:07:59,950 --> 00:07:55,789  
four Ghostbusters out there and be your

208  
00:08:01,540 --> 00:07:59,960  
competition well yes well yes but I did

209  
00:08:04,089 --> 00:08:01,550  
put a heat map into their questions they

210  
00:08:05,800 --> 00:08:04,099  
got the lasers going in there Oh Sam

211  
00:08:07,300 --> 00:08:05,810  
them and you look forward to these kind

212  
00:08:09,929 --> 00:08:07,310  
of things every six months or so to come

213  
00:08:11,950 --> 00:08:09,939

longer big con like this yeah absolutely

214

00:08:23,260 --> 00:08:11,960

absolutely it's the highlight of our

215

00:08:27,140 --> 00:08:25,790

now forgive those conventions as people

216

00:08:29,450 --> 00:08:27,150

usually leave stuff under the table

217

00:08:31,730 --> 00:08:29,460

juicy a wallet or something oh hi Oh may

218

00:08:33,020 --> 00:08:31,740

not here at supernova just seeing you

219

00:08:34,460 --> 00:08:33,030

know if I can steal some stuff but I've

220

00:08:37,130 --> 00:08:34,470

obviously a didn't booth where someone

221

00:08:38,900 --> 00:08:37,140

is hello how are you I mean are you I

222

00:08:40,430 --> 00:08:38,910

brought whilst i was still nothing from

223

00:08:42,680 --> 00:08:40,440

here there's gonna be no five finger

224

00:08:44,390 --> 00:08:42,690

discount going on in this video now now

225

00:08:45,560 --> 00:08:44,400

tell us who you are and what you

226  
00:08:47,000 --> 00:08:45,570  
representing here today because I'm a

227  
00:08:49,460 --> 00:08:47,010  
big fan of this organization and

228  
00:08:51,500 --> 00:08:49,470  
remember this is culture shock events

229  
00:08:53,540 --> 00:08:51,510  
and Friends of science fiction we're

230  
00:08:55,400 --> 00:08:53,550  
selling tickets for our conventions that

231  
00:08:58,430 --> 00:08:55,410  
are coming up in august november and

232  
00:09:00,620 --> 00:08:58,440  
december and for handing out fly so

233  
00:09:01,640 --> 00:09:00,630  
anybody who's even interesting so you

234  
00:09:03,200 --> 00:09:01,650  
should be a part of the Friends of

235  
00:09:04,490 --> 00:09:03,210  
science fiction fan club they love all

236  
00:09:05,840 --> 00:09:04,500  
genres and they get together and have

237  
00:09:07,220 --> 00:09:05,850  
great chats about stuff and have

238  
00:09:09,290 --> 00:09:07,230

screenings and it's like a mini version

239

00:09:11,090 --> 00:09:09,300

of this going over once in a while but

240

00:09:12,260 --> 00:09:11,100

who you bringing out because you know

241

00:09:14,300 --> 00:09:12,270

when you bring someone out you're taking

242

00:09:16,580 --> 00:09:14,310

a financial risk so who do you think is

243

00:09:19,340 --> 00:09:16,590

bankable well at the moment we've got

244

00:09:22,280 --> 00:09:19,350

Captain Janeway coming up kate mulgrew

245

00:09:25,400 --> 00:09:22,290

tim russ is joining her and later in the

246

00:09:28,100 --> 00:09:25,410

year we have Freddy Krueger himself yeah

247

00:09:31,460 --> 00:09:28,110

Robert Englund and the Candy Man Tony

248

00:09:32,870 --> 00:09:31,470

Todd and here the Logan camp what you

249

00:09:35,630 --> 00:09:32,880

got a whole stack of people coming out

250

00:09:37,550 --> 00:09:35,640

Oh sack of people okay live long and

251

00:09:43,340 --> 00:09:37,560

have some jelly babies I think I got

252

00:09:49,979 --> 00:09:46,949

wow you know this is exactly like my

253

00:09:52,049 --> 00:09:49,989

Volkswagen except for the color guns the

254

00:09:53,099 --> 00:09:52,059

room inside it's faster but anyway look

255

00:09:55,079 --> 00:09:53,109

you can get a park with this anytime

256

00:09:56,429 --> 00:09:55,089

just fire some missiles and there's your

257

00:09:58,769 --> 00:09:56,439

car park about a good time here at

258

00:10:00,719 --> 00:09:58,779

supanova I've had my tiny brain blown

259

00:10:03,689 --> 00:10:00,729

I'm going to go get into some anime

260

00:10:04,949 --> 00:10:03,699

costume mainly underwear based and spend

261

00:10:07,139 --> 00:10:04,959

a fair bit of time at home watching some

262

00:10:10,319 --> 00:10:07,149

cartoons see you later hey it's my life

263

00:10:11,819 --> 00:10:10,329

don't judge me oh by the way these

264

00:10:12,989 --> 00:10:11,829

security guards they're not for the car

265

00:10:14,819 --> 00:10:12,999

there for me you wouldn't believe the

266

00:10:33,580 --> 00:10:14,829

amount trouble I get in after the
