

1
00:00:17,359 --> 00:00:14,450
well after this sterling introduction

2
00:00:19,850 --> 00:00:17,369
that I received and your reception and

3
00:00:21,350 --> 00:00:19,860
they would have take their which we

4
00:00:23,870 --> 00:00:21,360
prepared is to show you what we've been

5
00:00:26,269 --> 00:00:23,880
doing currently I think that we're

6
00:00:30,019 --> 00:00:26,279
probably in for an interesting evening

7
00:00:33,770 --> 00:00:30,029
now I must say that first of all I have

8
00:00:43,549 --> 00:00:33,780
cut down brother considerably and all

9
00:00:46,099 --> 00:00:43,559
the way on doing the tricks I cut down

10
00:00:52,400 --> 00:00:46,109
on doing the tricks because this is not

11
00:00:54,290 --> 00:00:52,410
a public performance this is well more

12
00:00:56,689 --> 00:00:54,300
or less preaching to the choir as they

13
00:00:59,959 --> 00:00:56,699

say I think you folks are pretty well

14

00:01:02,209 --> 00:00:59,969

convinced that these things aren't true

15

00:01:06,050 --> 00:01:02,219

that there's lots of fraud and fakery

16

00:01:09,050 --> 00:01:06,060

going on up there and I don't have to

17

00:01:11,390 --> 00:01:09,060

convince you of that fact but it's more

18

00:01:13,940 --> 00:01:11,400

important to us at this time I think to

19

00:01:16,370 --> 00:01:13,950

get into a discussion of why what the

20

00:01:18,020 --> 00:01:16,380

challenges are to face us and the

21

00:01:20,300 --> 00:01:18,030

challenges that we can offer to those

22

00:01:23,450 --> 00:01:20,310

people who claim that there are all

23

00:01:26,060 --> 00:01:23,460

sorts of mystical powers now there may

24

00:01:29,330 --> 00:01:26,070

be we don't tell one way or the other

25

00:01:30,850 --> 00:01:29,340

way there are mystical powers but I can

26

00:01:34,760 --> 00:01:30,860

tell you that the path of the magician

27

00:01:37,220 --> 00:01:34,770

that I have a pretty good grasp of

28

00:01:40,340 --> 00:01:37,230

psychology and I know how the public's

29

00:01:42,620 --> 00:01:40,350

mind works that mindset could work

30

00:01:45,320 --> 00:01:42,630

against them and for them on occasion

31

00:01:48,020 --> 00:01:45,330

but to a considerable extent as far as

32

00:01:51,380 --> 00:01:48,030

artwork is concerned that mindset works

33

00:01:54,550 --> 00:01:51,390

against them and the magician I tell

34

00:01:57,219 --> 00:01:54,560

people be very careful you can make too

35

00:01:59,830 --> 00:01:57,229

some ships in your life and they they

36

00:02:02,649 --> 00:01:59,840

sort of snortin snarled sick not me

37

00:02:05,350 --> 00:02:02,659

no we have an expression the United

38

00:02:07,810 --> 00:02:05,360

States I'm from Missouri Missouri says

39

00:02:08,770 --> 00:02:07,820

that they they have to be shown they

40

00:02:10,719 --> 00:02:08,780

don't believe anything without being

41

00:02:14,320 --> 00:02:10,729

shown and then you'll hear the bulk of a

42

00:02:15,910 --> 00:02:14,330

guy from Missouri really then I

43

00:02:17,290 --> 00:02:15,920

proceeded to show them that they had

44

00:02:20,680 --> 00:02:17,300

made a great number of assumptions

45

00:02:22,509 --> 00:02:20,690

that's I'm showing you right now you

46

00:02:31,330 --> 00:02:22,519

still go my step to this microphone that

47

00:02:32,920 --> 00:02:31,340

I music and I'm not that Martinez I'm

48

00:02:35,740 --> 00:02:32,930

using the world of my throat which is

49

00:02:37,780 --> 00:02:35,750

under my tongue I dare you shame but

50

00:02:40,839 --> 00:02:37,790

that small assumption won't cost you an

51
00:02:41,670 --> 00:02:40,849
event it will cost you a thing of course

52
00:02:47,949 --> 00:02:41,680
not

53
00:02:50,050 --> 00:02:47,959
your power of reasoning it kind of

54
00:02:52,600 --> 00:02:50,060
costume money certain will cost of your

55
00:02:55,330 --> 00:02:52,610
life but we're going to talk about this

56
00:02:58,089 --> 00:02:55,340
evening things that can cost you any of

57
00:03:02,949 --> 00:02:58,099
those things far beyond recovering from

58
00:03:05,349 --> 00:03:02,959
a cold that I got in that Beijing as you

59
00:03:08,470 --> 00:03:05,359
were just told I just came back from two

60
00:03:11,309 --> 00:03:08,480
weeks in Beijing I went to attend one

61
00:03:13,210 --> 00:03:11,319
conference there and it was rather

62
00:03:16,330 --> 00:03:13,220
spaced out from this particular

63
00:03:17,380 --> 00:03:16,340

conference and luckily they announced

64

00:03:18,370 --> 00:03:17,390

that they were having a second

65

00:03:20,470 --> 00:03:18,380

conference on a slightly different

66

00:03:23,110 --> 00:03:20,480

something completely following it and I

67

00:03:26,729 --> 00:03:23,120

got myself invited to that so two weeks

68

00:03:31,390 --> 00:03:26,739

in Beijing and now here in Australia I

69

00:03:32,890 --> 00:03:31,400

have to have to tell you who hurt me I'm

70

00:03:36,980 --> 00:03:32,900

very sorry about this I think I need

71

00:03:43,070 --> 00:03:41,750

perhaps any glass of water stuck in any

72

00:03:46,250 --> 00:03:43,080

party girl Adam he's going to do the

73

00:03:48,410 --> 00:03:46,260

same thing he's gonna perfect hell I

74

00:03:50,810 --> 00:03:48,420

will tell you a bit of an anecdote that

75

00:03:54,800 --> 00:03:50,820

the folks will particularly appreciate I

76

00:03:56,750 --> 00:03:54,810

trust I have one of those darlin fish on

77

00:03:59,810 --> 00:03:56,760

the rear end of my car you might suspect

78

00:04:01,400 --> 00:03:59,820

I know the one I refer to the outline of

79

00:04:04,850 --> 00:04:01,410

the fish with the word garlic written in

80

00:04:11,540 --> 00:04:04,860

Cyprus little tiny legs on it and this

81

00:04:15,650 --> 00:04:11,550

is nice they're making to annoy it works

82

00:04:18,140 --> 00:04:15,660

very well I had it on my car and I

83

00:04:18,800 --> 00:04:18,150

stepped out of the motion picture

84

00:04:21,530 --> 00:04:18,810

theater Oh

85

00:04:24,260 --> 00:04:21,540

several months ago and as I made my way

86

00:04:28,070 --> 00:04:24,270

to the car a gentleman followed along

87

00:04:29,480 --> 00:04:28,080

beside me I guess you don't have this

88

00:04:31,160 --> 00:04:29,490

experience but every day then you find

89

00:04:34,910 --> 00:04:31,170

somebody there just passing the defeat

90

00:04:36,770 --> 00:04:34,920

that all they think they see is some

91

00:04:38,480 --> 00:04:36,780

light but they have no idea where and

92

00:04:40,190 --> 00:04:38,490

they usually don't identify it with

93

00:04:42,380 --> 00:04:40,200

television but this chap started

94

00:04:44,450 --> 00:04:42,390

followed along stayed at a distance and

95

00:04:48,200 --> 00:04:44,460

waited for would say something he said

96

00:04:50,270 --> 00:04:48,210

in that chapter I said if I'm on

97

00:04:52,430 --> 00:04:50,280

television frequently he said oh well

98

00:04:56,150 --> 00:04:52,440

that's it done yes I remember see you

99

00:05:00,800 --> 00:04:56,160

just then we reached my car began excuse

100

00:05:07,330 --> 00:05:00,810

me and he saw the dark efficiently occur

101
00:05:14,560 --> 00:05:12,340
yes that puzzled me too I said no what

102
00:05:16,000 --> 00:05:14,570
makes you think that he said that well I

103
00:05:18,700 --> 00:05:16,010
have an a friend a friend of an

104
00:05:27,280 --> 00:05:18,710
Episcopalian PS one of these under her I

105
00:05:29,320 --> 00:05:27,290
said perhaps not the same one yes hoping

106
00:05:33,310 --> 00:05:29,330
that it would dawn on any moment at all

107
00:05:38,830 --> 00:05:33,320
but it was all about Darla where is

108
00:05:43,210 --> 00:05:38,840
Darwin I said and he said oh then you're

109
00:05:45,130 --> 00:05:43,220
in Australia I said no sir I'm not in

110
00:05:46,810 --> 00:05:45,140
Australia and frankly I don't think this

111
00:05:50,010 --> 00:05:46,820
conversation is going anywhere

112
00:05:54,250 --> 00:05:50,020
thank you my car and I drove off

113
00:05:57,460 --> 00:05:54,260

seriously folks somewhat depressed that

114

00:06:03,060 --> 00:05:57,470

this gentleman didn't identify that word

115

00:06:06,100 --> 00:06:03,070

our main darlin with Charles Darwin I

116

00:06:07,600 --> 00:06:06,110

fear that there are so many people out

117

00:06:10,900 --> 00:06:07,610

there that just don't make that

118

00:06:12,310 --> 00:06:10,910

Association and I think they should I

119

00:06:13,270 --> 00:06:12,320

think that should spring to their mind

120

00:06:16,360 --> 00:06:13,280

to me today

121

00:06:19,290 --> 00:06:16,370

what a wonderful discovery about the

122

00:06:24,310 --> 00:06:19,300

history of our world about science about

123

00:06:25,480 --> 00:06:24,320

reality to know that Charles Darwin came

124

00:06:27,340 --> 00:06:25,490

to this part of the world

125

00:06:30,070 --> 00:06:27,350

it's not a lot of time a lot of this

126
00:06:32,650 --> 00:06:30,080
genius here went that emotive book that

127
00:06:34,810 --> 00:06:32,660
has so affected our knowledge of the

128
00:06:36,790 --> 00:06:34,820
universe however not to mention one

129
00:06:39,070 --> 00:06:36,800
other thing we talked a minute ago the

130
00:06:40,900 --> 00:06:39,080
one subject remember you also assume

131
00:06:43,610 --> 00:06:40,910
that I can see you and I can't because I

132
00:06:48,710 --> 00:06:43,620
have no menses

133
00:06:50,620 --> 00:06:48,720
that's right yeah I have no idea what

134
00:06:53,210 --> 00:06:50,630
you look at the black part of me and

135
00:06:54,080 --> 00:06:53,220
because I can't see you at all I'm just

136
00:06:59,930 --> 00:06:54,090
looking at a blur

137
00:07:03,560 --> 00:06:59,940
oh my god well now I know folks you can

138
00:07:06,470 --> 00:07:03,570

be misled and you can be deceived like

139

00:07:09,320 --> 00:07:06,480

anyone else if people say I guess you

140

00:07:12,440 --> 00:07:09,330

can't mr.eddy oh don't ever think that I

141

00:07:15,050 --> 00:07:12,450

can't so feel about there's a perfect

142

00:07:17,360 --> 00:07:15,060

case how does she look back to it at

143

00:07:19,879 --> 00:07:17,370

that age it's incredible

144

00:07:24,680 --> 00:07:19,889

that's not portable lei or some sort of

145

00:07:29,440 --> 00:07:24,690

cosmetic that's witchcraft I would like

146

00:07:32,629 --> 00:07:29,450

to do more research on that so I

147

00:07:36,800 --> 00:07:32,639

apologize for American politics at the

148

00:07:38,990 --> 00:07:36,810

moment sorry what's up if I am an

149

00:07:41,719 --> 00:07:39,000

American citizen now Braun and Canada

150

00:07:46,250 --> 00:07:41,729

but acting an American citizen at this

151
00:07:48,140 --> 00:07:46,260
point in my career and we have just done

152
00:07:50,900 --> 00:07:48,150
something which is very difficult to do

153
00:07:52,240 --> 00:07:50,910
we have elected a president we have any

154
00:07:55,219 --> 00:07:52,250
idea who he is

155
00:07:59,450 --> 00:07:55,229
we'd also elected a dead governor issues

156
00:08:00,829 --> 00:07:59,460
may have proper serve as well as most of

157
00:08:07,920 --> 00:08:00,839
the other

158
00:08:10,739 --> 00:08:07,930
but we don't really know do we I I am on

159
00:08:12,029 --> 00:08:10,749
sort of total attention at this moment

160
00:08:14,369 --> 00:08:12,039
if someone should come running in the

161
00:08:22,040 --> 00:08:14,379
door and announce that the results are

162
00:08:30,659 --> 00:08:28,350
bigger now you did see something on that

163
00:08:33,480 --> 00:08:30,669

tape which I might as well get out of my

164

00:08:36,949 --> 00:08:33,490

trawl right now that I did this silly

165

00:08:40,170 --> 00:08:36,959

thing with a with the pen that falls and

166

00:08:42,329 --> 00:08:40,180

this is sort of a standard piece of a

167

00:08:44,689 --> 00:08:42,339

the repertoire I do this experiment with

168

00:08:47,699 --> 00:08:44,699

my audiences I say we're going to do a

169

00:08:49,470 --> 00:08:47,709

psychokinesis experiment okay that's

170

00:08:50,819 --> 00:08:49,480

sounds like a dreadful rat should get on

171

00:08:52,769 --> 00:08:50,829

your neck but actually as part of

172

00:08:54,449 --> 00:08:52,779

parapsychology I say to them we are

173

00:08:56,970 --> 00:08:54,459

going to concentrate I'm going to place

174

00:08:59,129 --> 00:08:56,980

the pen here on the this glass and then

175

00:09:02,519 --> 00:08:59,139

I'm going to walk away and I want us all

176
00:09:03,780 --> 00:09:02,529
to concentrate very very hard on the end

177
00:09:06,030 --> 00:09:03,790
of the pendant sticking toward

178
00:09:09,090 --> 00:09:06,040
constitute with your mind put up an

179
00:09:12,329 --> 00:09:09,100
effort of ESP psychokinetic power all

180
00:09:14,180 --> 00:09:12,339
together now concentrate come on I know

181
00:09:16,470 --> 00:09:14,190
you can do it with this massive

182
00:09:18,420 --> 00:09:16,480
skeptical minds are all working together

183
00:09:20,970 --> 00:09:18,430
you can just get over that skepticism

184
00:09:28,990 --> 00:09:20,980
but would be able to make this pen move

185
00:09:35,960 --> 00:09:33,350
thank you very much so that's the

186
00:09:39,530 --> 00:09:35,970
trickery over the way let's move right

187
00:09:40,759 --> 00:09:39,540
ahead I'm going to deal with phd's oh no

188
00:09:44,629 --> 00:09:40,769

not them yes

189

00:09:47,600 --> 00:09:44,639

I have a theory about phd's first of all

190

00:09:50,360 --> 00:09:47,610

I want to make it very clear that I very

191

00:09:54,620 --> 00:09:50,370

this is quite sincerely smokin now I

192

00:09:58,189 --> 00:09:54,630

what minute I am absolutely in people

193

00:10:00,889 --> 00:09:58,199

with substantial academic credentials I

194

00:10:03,259 --> 00:10:00,899

have total respect for the process of

195

00:10:05,329 --> 00:10:03,269

burning and of Education in fact that's

196

00:10:06,650 --> 00:10:05,339

when we support through the generality

197

00:10:12,769 --> 00:10:06,660

Educational Foundation

198

00:10:15,230 --> 00:10:12,779

I am very enthusiastic finicky about

199

00:10:18,019 --> 00:10:15,240

young people being educated and being

200

00:10:19,699 --> 00:10:18,029

educated in a critical thinking to me is

201
00:10:24,139 --> 00:10:19,709
one of the most important aspects of

202
00:10:25,850 --> 00:10:24,149
that but along the way I run into this

203
00:10:28,970 --> 00:10:25,860
constant rejection

204
00:10:30,410 --> 00:10:28,980
what are you as a magician doing in

205
00:10:32,929 --> 00:10:30,420
front of an audience with the traffic

206
00:10:35,420 --> 00:10:32,939
level in front of an audience trying to

207
00:10:36,889 --> 00:10:35,430
tell them what they should be thinking

208
00:10:39,410 --> 00:10:36,899
and how they should be thinking about

209
00:10:43,550 --> 00:10:39,420
these things but you're top of THD

210
00:10:53,259 --> 00:10:43,560
that's quite true and my district

211
00:11:01,370 --> 00:10:57,249
have total respect for these votes but

212
00:11:04,009 --> 00:11:01,380
occasionally I rented a PhD to floss

213
00:11:06,050 --> 00:11:04,019

their letters at me I don't have an

214

00:11:07,639 --> 00:11:06,060

academic degree I have a an honorary one

215

00:11:09,900 --> 00:11:07,649

from the University of Indianapolis it's

216

00:11:13,200 --> 00:11:09,910

a Doctor of Humane Letters

217

00:11:17,460 --> 00:11:13,210

I have no idea what that means maybe

218

00:11:20,460 --> 00:11:17,470

only a through E I'm not sure covers but

219

00:11:22,260 --> 00:11:20,470

it enables me if I wish to put doctor in

220

00:11:27,540 --> 00:11:22,270

front of my damn eye I don't do that

221

00:11:30,180 --> 00:11:27,550

however and I as I say the the PhDs

222

00:11:31,200 --> 00:11:30,190

sometimes aggravate me because they

223

00:11:35,460 --> 00:11:31,210

throw that at me

224

00:11:37,440 --> 00:11:35,470

and I've developed a theory about PhDs

225

00:11:40,020 --> 00:11:37,450

which may or may not be correct i l

226

00:11:42,360 --> 00:11:40,030

believe in the process of scientific

227

00:11:45,120 --> 00:11:42,370

investigation so I will give you the

228

00:11:49,350 --> 00:11:45,130

results of my long experience in the

229

00:11:54,990 --> 00:11:49,360

field I have studied the HBS subject

230

00:11:56,310 --> 00:11:55,000

their study and I note this is something

231

00:11:59,880 --> 00:11:56,320

that has never been brought in much

232

00:12:01,830 --> 00:11:59,890

attention before I find that when PhDs

233

00:12:04,260 --> 00:12:01,840

are created of the are created they

234

00:12:05,610 --> 00:12:04,270

there's a ceremony and takes place on

235

00:12:07,590 --> 00:12:05,620

the stage but like this and there's a

236

00:12:09,240 --> 00:12:07,600

table with a lot of little diplomas with

237

00:12:11,520 --> 00:12:09,250

little ribbons around them okay

238

00:12:13,470 --> 00:12:11,530

and there's a massive people down here

239

00:12:16,560 --> 00:12:13,480

and funny clothes with a square it

240

00:12:21,900 --> 00:12:16,570

happens very weird they sit down there

241

00:12:24,030 --> 00:12:21,910

and they wanted to time about stairs

242

00:12:26,100 --> 00:12:24,040

come across the stage at this point

243

00:12:28,250 --> 00:12:26,110

they're not PhD this is not a pet this

244

00:12:31,410 --> 00:12:28,260

is an ordinary human being

245

00:12:33,780 --> 00:12:31,420

prostate gets to the table and a

246

00:12:40,380 --> 00:12:33,790

gentleman stands there he's in charge

247

00:12:42,810 --> 00:12:40,390

obviously I'm very straight and he wills

248

00:12:45,030 --> 00:12:42,820

this enormous power to create a decent

249

00:12:47,130 --> 00:12:45,040

does that by taking one of these civil

250

00:12:48,630 --> 00:12:47,140

rolls of paper and placing it in one

251
00:12:51,810 --> 00:12:48,640
hand and shaking the other hand it's a

252
00:12:58,490 --> 00:12:51,820
prostate level and out that moment if

253
00:13:02,600 --> 00:13:00,740
I have heard them further and that

254
00:13:04,160 --> 00:13:02,610
person is now an exalted person who

255
00:13:07,730 --> 00:13:04,170
crosses the stage goes down the stairs

256
00:13:08,480 --> 00:13:07,740
and is never going to the an ordinary

257
00:13:14,120 --> 00:13:08,490
person again

258
00:13:16,040 --> 00:13:14,130
that's a PhD but why does the man who

259
00:13:18,950 --> 00:13:16,050
have some of these pieces of paper why

260
00:13:21,620 --> 00:13:18,960
does he wear gloves I ask you

261
00:13:24,140 --> 00:13:21,630
he wears my gloves there's got to be a

262
00:13:25,730 --> 00:13:24,150
reason for this I'd let my massive brain

263
00:13:27,500 --> 00:13:25,740

to work on this and I've come up with a

264

00:13:31,610 --> 00:13:27,510

possible solution which I will share

265

00:13:34,750 --> 00:13:31,620

with you now I believe that there is on

266

00:13:39,490 --> 00:13:34,760

those bits of paper and genetically

267

00:13:41,540 --> 00:13:39,500

engineered chemical which once observed

268

00:13:43,940 --> 00:13:41,550

through the skin goes directly into the

269

00:13:50,750 --> 00:13:43,950

blood to the brain fertilizes a part of

270

00:13:52,610 --> 00:13:50,760

the brain in the speech center the

271

00:13:55,070 --> 00:13:52,620

distinct part of it so carefully

272

00:13:57,620 --> 00:13:55,080

engineers just wanted the science whoa

273

00:13:59,360 --> 00:13:57,630

overcomes me all the time it paralyzes

274

00:14:00,950 --> 00:13:59,370

the speech center the brain so that two

275

00:14:02,660 --> 00:14:00,960

sentences from then on cannot be

276

00:14:12,060 --> 00:14:02,670

pronounced those two sentences are I

277

00:14:23,320 --> 00:14:21,579

watching them try pretty sight very hard

278

00:14:24,720 --> 00:14:23,330

time getting it up they can even write

279

00:14:27,220 --> 00:14:24,730

with the pen runs over the paper

280

00:14:30,519 --> 00:14:27,230

terrible thing so that's my theory of

281

00:14:33,639 --> 00:14:30,529

PhDs and it's all in just in case I get

282

00:14:36,310 --> 00:14:33,649

to lynch by several PhDs immediately

283

00:14:38,500 --> 00:14:36,320

upon leaving this auditorium now that's

284

00:14:44,949 --> 00:14:38,510

my idea of PhDs but I'm going to show

285

00:14:48,280 --> 00:14:44,959

you what PhD is tenth believe it I got a

286

00:14:49,750 --> 00:14:48,290

call a couple of years back this video

287

00:14:52,710 --> 00:14:49,760

dollar prize that said that we're

288

00:14:56,620 --> 00:14:52,720

offering or so lied to advertisers and

289

00:14:59,620 --> 00:14:56,630

has been around for years now I was told

290

00:15:02,250 --> 00:14:59,630

that didn't want no question of it mr.

291

00:15:04,630 --> 00:15:02,260

Andy this is a PhD from Lawrence

292

00:15:06,970 --> 00:15:04,640

laboratories in California this is a

293

00:15:10,930 --> 00:15:06,980

bunch of physicists that you don't

294

00:15:14,139 --> 00:15:10,940

frankly these are headings and this one

295

00:15:16,180 --> 00:15:14,149

gentleman a PhD in physics called me and

296

00:15:17,860 --> 00:15:16,190

he said there's a fella named Ronnie

297

00:15:20,110 --> 00:15:17,870

Marcus here we brought him all the way

298

00:15:21,730 --> 00:15:20,120

over from Israel to test him that he has

299

00:15:26,940 --> 00:15:21,740

the power of psychokinesis he can blue

300

00:15:29,650 --> 00:15:26,950

batteries for this vine oh really I I

301
00:15:30,880 --> 00:15:29,660
love to worried about losing linden

302
00:15:32,920 --> 00:15:30,890
dollars I had never been terribly

303
00:15:35,079 --> 00:15:32,930
worried about that but it's coming from

304
00:15:37,660 --> 00:15:35,089
a PhD I thought well perhaps that's

305
00:15:40,420 --> 00:15:37,670
where didn't have something good this is

306
00:15:43,870 --> 00:15:40,430
what Ronnie Marcus did for this group of

307
00:15:44,230 --> 00:15:43,880
PhDs at this leading physics lab at MIT

308
00:15:46,900 --> 00:15:44,240
called

309
00:15:49,930 --> 00:15:46,910
works Livermore labs in California you

310
00:15:53,139 --> 00:15:49,940
have a vein first of all he said

311
00:15:53,470 --> 00:15:53,149
definitely a simple box of wouldn't

312
00:15:57,810 --> 00:15:53,480
matter

313
00:16:02,769 --> 00:15:57,820

similar to this one they did they waited

314

00:16:06,160 --> 00:16:02,779

within micrograms they x-rated they shot

315

00:16:08,230 --> 00:16:06,170

lasers at it they examine encounter on

316

00:16:10,980 --> 00:16:08,240

and infrared light all the way but you

317

00:16:13,310 --> 00:16:10,990

could possibly imagine a photographic

318

00:16:15,110 --> 00:16:13,320

they studied the matches

319

00:16:17,570 --> 00:16:15,120

you did chemical analysis of perfectly

320

00:16:20,420 --> 00:16:17,580

ordinary match yep nothing strange

321

00:16:22,070 --> 00:16:20,430

butter till then why they said there

322

00:16:24,350 --> 00:16:22,080

were no magnets or threads or wires

323

00:16:27,560 --> 00:16:24,360

running like that the box had yet he was

324

00:16:29,990 --> 00:16:27,570

able to do this now this is what gets

325

00:16:31,460 --> 00:16:30,000

the PhD watch this carefully now you

326

00:16:33,890 --> 00:16:31,470

place it on the back of his hand

327

00:16:39,080 --> 00:16:33,900

and then just by concentrating with his

328

00:16:47,750 --> 00:16:39,090

mind he made a prize rose up until it

329

00:16:49,880 --> 00:16:47,760

was standing on him and that made it go

330

00:16:52,940 --> 00:16:49,890

back down again very slowly as he

331

00:17:07,880 --> 00:16:52,950

concentrated on it now I didn't know how

332

00:17:15,030 --> 00:17:11,900

what a funny of you folks is that these

333

00:17:18,809 --> 00:17:15,040

very highly educated very intelligent

334

00:17:19,860 --> 00:17:18,819

very well trained people went about it

335

00:17:22,110 --> 00:17:19,870

the wrong way

336

00:17:24,000 --> 00:17:22,120

but simply by calling someone like Bob

337

00:17:31,880 --> 00:17:24,010

Schneider or any of my magician friends

338

00:17:34,200 --> 00:17:31,890

in California most of the overcomers

339

00:17:36,090 --> 00:17:34,210

they would have immediately pointed it

340

00:17:38,880 --> 00:17:36,100

up that this was a simple children's

341

00:17:41,190 --> 00:17:38,890

trick I comforted more books than one

342

00:17:42,810 --> 00:17:41,200

the course Bob Wright and one of the

343

00:17:45,720 --> 00:17:42,820

books is Martin Gardner's book of

344

00:17:48,299 --> 00:17:45,730

impromptu magic tricks this is a book

345

00:17:50,100 --> 00:17:48,309

designed for you to educate yourself in

346

00:17:52,049 --> 00:17:50,110

doing simple tricks at parties so you

347

00:17:53,490 --> 00:17:52,059

don't have to make yourself read and run

348

00:17:55,110 --> 00:17:53,500

around with a light shade on top of your

349

00:17:57,480 --> 00:17:55,120

head in order to be entertaining to see

350

00:18:00,210 --> 00:17:57,490

and this beats that all that of course

351
00:18:03,270 --> 00:18:00,220
it's very simply dumb hope YouTube can

352
00:18:05,850 --> 00:18:03,280
fool the h-blocks percolated what you do

353
00:18:08,640 --> 00:18:05,860
is you beat the Box open just a wee bit

354
00:18:11,340 --> 00:18:08,650
like that you see turn it face down and

355
00:18:13,620 --> 00:18:11,350
then salute the little skin on the back

356
00:18:17,370 --> 00:18:13,630
of your head as you close the box you

357
00:18:19,200 --> 00:18:17,380
close it up come oh yes close up on the

358
00:18:20,789 --> 00:18:19,210
skin like that and then all you do is

359
00:18:26,060 --> 00:18:20,799
you to straighten your hand out and up

360
00:18:28,430 --> 00:18:26,070
she haha take two

361
00:18:30,800 --> 00:18:28,440
close accompli let's get at the back of

362
00:18:32,840 --> 00:18:30,810
the hand like that and then simply by

363
00:18:34,910 --> 00:18:32,850

closing your hand out up she goes and

364

00:18:37,310 --> 00:18:34,920

then down she goes again

365

00:18:39,380 --> 00:18:37,320

very simple anyone from there to do it

366

00:18:50,780 --> 00:18:39,390

and you can even do it with Dick Smith

367

00:18:53,810 --> 00:18:50,790

lectures and this fool the PhDs well

368

00:18:56,840 --> 00:18:53,820

they they then sit on a marcus packing

369

00:18:59,180 --> 00:18:56,850

he went back to israel and he has not

370

00:19:01,460 --> 00:18:59,190

been heard of since I'm happy to report

371

00:19:10,550 --> 00:19:01,470

to goodness there was another chap came

372

00:19:12,290 --> 00:19:10,560

from Israel some years ago go on hey

373

00:19:15,470 --> 00:19:12,300

ordered a burrito I remember him well

374

00:19:17,780 --> 00:19:15,480

and he was touted as the psychic

375

00:19:21,050 --> 00:19:17,790

superstar of the century yeah well he

376

00:19:23,060 --> 00:19:21,060

was hey Jonathan of magazines all over

377

00:19:26,360 --> 00:19:23,070

the world had posts written about him by

378

00:19:31,760 --> 00:19:26,370

well-meaning but misdirected folks in my

379

00:19:33,410 --> 00:19:31,770

opinion and he soothes me regularly so I

380

00:19:35,840 --> 00:19:33,420

make these statements about mr. Geller

381

00:19:36,320 --> 00:19:35,850

and this work I have to be meticulously

382

00:19:42,350 --> 00:19:36,330

careful

383

00:19:47,950 --> 00:19:42,360

mr. governor does his demonstrations he

384

00:19:50,750 --> 00:19:47,960

does them by divine things he calls upon

385

00:19:52,040 --> 00:19:50,760

heavenly powers to another unable to do

386

00:19:54,260 --> 00:19:52,050

these things and all I could tell them

387

00:19:57,940 --> 00:19:54,270

is if he's doing them with heavenly

388

00:19:59,990 --> 00:19:57,950

powers he is doing it the hard way

389

00:20:03,230 --> 00:20:00,000

because I used

390

00:20:06,650 --> 00:20:03,240

jet shameless trickery to do this

391

00:20:10,270 --> 00:20:06,660

I think though goes but it's at all and

392

00:20:13,070 --> 00:20:10,280

the faith Collider sharp from the chief

393

00:20:23,690 --> 00:20:13,080

class that main command your respective

394

00:20:27,950 --> 00:20:23,700

nominal right admiration trade I do this

395

00:20:29,800 --> 00:20:27,960

to entertain you yes i deceive you but I

396

00:20:32,750 --> 00:20:29,810

do it for purposes of entertainment

397

00:20:35,570 --> 00:20:32,760

those are the magic words I don't tell

398

00:20:37,250 --> 00:20:35,580

you I've actually got the powers now I'm

399

00:20:40,790 --> 00:20:37,260

called upon and all days actually do

400

00:20:45,080 --> 00:20:40,800

this stupid spoon that big thing I feel

401
00:20:47,090 --> 00:20:45,090
like such and I mean I would grow I'm

402
00:20:49,940 --> 00:20:47,100
all grown up now and I shouldn't have to

403
00:20:52,490 --> 00:20:49,950
do this but that the public format is so

404
00:20:55,100 --> 00:20:52,500
great I can't help myself I often

405
00:20:58,520 --> 00:20:55,110
wondered you know about Geller I wonder

406
00:21:00,620 --> 00:20:58,530
if at one point in his life perhaps as a

407
00:21:02,540 --> 00:21:00,630
young man he was interested to certain

408
00:21:04,010 --> 00:21:02,550
young lady and he went through that

409
00:21:06,860 --> 00:21:04,020
traumatic experience of having to meet

410
00:21:08,750 --> 00:21:06,870
the father whoa that's a terrible moment

411
00:21:11,420 --> 00:21:08,760
when you have to meet the father shows

412
00:21:12,770 --> 00:21:11,430
up at her house and she introduced

413
00:21:15,470 --> 00:21:12,780

suited the father and she needs the room

414

00:21:17,360 --> 00:21:15,480

and the father says no matter what you

415

00:21:19,000 --> 00:21:17,370

do for a living he's interested with

416

00:21:21,590 --> 00:21:19,010

daughter's future person just in case

417

00:21:28,629 --> 00:21:21,600

something triggered all event that he'd

418

00:21:36,320 --> 00:21:33,680

and it should be a euro I was I see

419

00:21:40,609 --> 00:21:36,330

you've done school together people pay

420

00:21:43,999 --> 00:21:40,619

you for this smoothly very well you ever

421

00:21:45,289 --> 00:21:44,009

straighten spoons no I have a friend who

422

00:21:50,869 --> 00:21:45,299

does that it's a different line of work

423

00:21:53,779 --> 00:21:50,879

all the other phone Benny moved humanity

424

00:21:56,119 --> 00:21:53,789

ahead one job I need one bit

425

00:21:58,970 --> 00:21:56,129

are we better off for being able to bend

426

00:22:01,849 --> 00:21:58,980

spoons I don't think so but apparently

427

00:22:04,279 --> 00:22:01,859

some folks think so so I will make mine

428

00:22:05,779 --> 00:22:04,289

we're we way into the audience here and

429

00:22:07,310 --> 00:22:05,789

I will choose it there's a likely sub

430

00:22:10,970 --> 00:22:07,320

you sitting right there sit this

431

00:22:13,070 --> 00:22:10,980

requires no more service nobody cares

432

00:22:15,289 --> 00:22:13,080

about your part whatsoever no lies to

433

00:22:16,820 --> 00:22:15,299

learn nothing like that but you look

434

00:22:19,190 --> 00:22:16,830

like the puzzle young lady if I'm I'm

435

00:22:23,869 --> 00:22:19,200

sure you will see a great help I would

436

00:22:27,139 --> 00:22:23,879

like you to this spoon I got from China

437

00:22:29,149 --> 00:22:27,149

on it a misdeal yes I didn't get them to

438

00:22:30,680 --> 00:22:29,159

try to but never these things we've made

439

00:22:32,239 --> 00:22:30,690

they're not would you hold on the each

440

00:22:34,519 --> 00:22:32,249

has in this booth like that between your

441

00:22:35,899 --> 00:22:34,529

fingers please very good

442

00:22:38,389 --> 00:22:35,909

oh you're a natural for joke of the

443

00:22:55,340 --> 00:22:38,399

second time I'm just gonna strokes us

444

00:22:56,930 --> 00:22:55,350

both very gently cooperate now I'm just

445

00:22:57,910 --> 00:22:56,940

going to give it a little wiggle here

446

00:23:01,210 --> 00:22:57,920

how you

447

00:23:03,070 --> 00:23:01,220

all right oh look you just step seems to

448

00:23:04,300 --> 00:23:03,080

get flexible like like rubber ducky oh

449

00:23:06,580 --> 00:23:04,310

look at that

450

00:23:08,350 --> 00:23:06,590

well wonders never cease look at it just

451
00:23:09,790 --> 00:23:08,360
seemed to be getting flexible alright

452
00:23:11,080 --> 00:23:09,800
let's go look for a second here I'll

453
00:23:12,780 --> 00:23:11,090
just hold it up for everyone to see in

454
00:23:15,360 --> 00:23:12,790
fact I'll go back up to the stage here

455
00:23:18,910 --> 00:23:15,370
where everyone can see it a bit better

456
00:23:20,530 --> 00:23:18,920
it is after all a tiny food but that's

457
00:23:23,620 --> 00:23:20,540
what they give you were talking there's

458
00:23:30,580 --> 00:23:23,630
nothing you're just struggling

459
00:23:33,430 --> 00:23:30,590
it gets all fluffy the more you hold it

460
00:23:35,950 --> 00:23:33,440
here the flop your camps look the

461
00:23:43,230 --> 00:23:35,960
illusion is so strong many people say

462
00:23:51,430 --> 00:23:49,870
even that's a surprise to me my way down

463
00:23:52,600 --> 00:23:51,440

position of me would you hold your two

464

00:24:04,690 --> 00:23:52,610

hands up the property like that

465

00:24:11,020 --> 00:24:08,360

mr. cover thank you I think mr. governor

466

00:24:13,790 --> 00:24:11,030

that by divine powers that was a trick

467

00:24:16,070 --> 00:24:13,800

now I'm going to show you another

468

00:24:18,410 --> 00:24:16,080

especially of mr. Geller he does this

469

00:24:20,960 --> 00:24:18,420

one also by divine powers he did in

470

00:24:23,120 --> 00:24:20,970

laboratories in California California

471

00:24:26,390 --> 00:24:23,130

gets put in for a lot of those something

472

00:24:27,920 --> 00:24:26,400

look some reason earlier that they seem

473

00:24:30,770 --> 00:24:27,930

to fall for this stuff rather easily

474

00:24:32,900 --> 00:24:30,780

this is the Stanford research labs

475

00:24:39,460 --> 00:24:32,910

they're not Central University don't

476

00:24:41,780 --> 00:24:39,470

blame them for that again I'm sorry he

477

00:24:44,780 --> 00:24:41,790

did a demonstration for them what they

478

00:24:47,840 --> 00:24:44,790

found to be supernatural in nature

479

00:24:50,630 --> 00:24:47,850

I'm going to do it for you with any luck

480

00:24:52,580 --> 00:24:50,640

and then I'm going to repeat it in slow

481

00:24:55,100 --> 00:24:52,590

motion so you'll be able to catch me at

482

00:24:58,040 --> 00:24:55,110

it and it will thereby the educational

483

00:24:59,210 --> 00:24:58,050

educational as well as entertain you now

484

00:25:01,160 --> 00:24:59,220

I'm at the bar of a gentleman's

485

00:25:03,410 --> 00:25:01,170

wristwatch one with hands on it

486

00:25:05,720 --> 00:25:03,420

preferably a real watch that is how many

487

00:25:07,670 --> 00:25:05,730

digital terrible things that one there

488

00:25:08,090 --> 00:25:07,680

all right I'll borrow your locked if I

489

00:25:11,090 --> 00:25:08,100

may

490

00:25:14,780 --> 00:25:11,100

oh thank you so much very good they

491

00:25:18,710 --> 00:25:14,790

dumped little this is a signal it's a

492

00:25:20,600 --> 00:25:18,720

very good making washed already I I will

493

00:25:23,240 --> 00:25:20,610

stand right about there we're going

494

00:25:26,750 --> 00:25:23,250

pretty well TV this is a Seiko watch

495

00:25:27,170 --> 00:25:26,760

which is says Friday the 10th that's

496

00:25:30,980 --> 00:25:27,180

right

497

00:25:33,050 --> 00:25:30,990

and we'll see if we agree here well I am

498

00:25:34,280 --> 00:25:33,060

about two minutes slower than you are

499

00:25:36,200 --> 00:25:34,290

but that's close enough for government

500

00:25:37,940 --> 00:25:36,210

work like they say now I would like if

501
00:25:40,940 --> 00:25:37,950
you would sir just check the time on

502
00:25:44,120 --> 00:25:40,950
that is that 20 minutes to just maybe 20

503
00:25:46,430 --> 00:25:44,130
and a half minutes to and I say 2015

504
00:25:48,380 --> 00:25:46,440
this - but we won't argue over this like

505
00:25:52,000 --> 00:25:48,390
there if you open your hand for me

506
00:25:55,390 --> 00:25:53,770
hand on the back of it just one figure

507
00:25:58,680 --> 00:25:55,400
out the back but like that very good

508
00:26:24,340 --> 00:25:58,690
hold it up like that but I can see it

509
00:26:26,110 --> 00:26:24,350
the power is what I'm trying to do the

510
00:26:30,880 --> 00:26:26,120
stop the watch and make it run backwards

511
00:26:35,460 --> 00:26:30,890
not an easy thing I don't have to go

512
00:26:41,590 --> 00:26:39,630
awful not that music with a shoot

513
00:26:45,130 --> 00:26:41,600

what times did not say that you're

514

00:26:46,360 --> 00:26:45,140

watching quarter past seven help time

515

00:26:54,480 --> 00:26:46,370

flies when you're having such a good

516

00:26:58,210 --> 00:26:57,640

but this time I'm going to do it in slow

517

00:27:00,190 --> 00:26:58,220

motion

518

00:27:02,590 --> 00:27:00,200

all right so that you'll be able to

519

00:27:04,300 --> 00:27:02,600

catch me at it and there are two moments

520

00:27:07,360 --> 00:27:04,310

of truth which I will point out to you

521

00:27:11,500 --> 00:27:07,370

during the performance let's go has a

522

00:27:20,430 --> 00:27:11,510

secret of the whole thing all right this

523

00:27:26,830 --> 00:27:23,110

well if I do it that way we'll be here

524

00:27:28,480 --> 00:27:26,840

all evening so I will move over to and

525

00:27:29,830 --> 00:27:28,490

pick up the one now what did I do when

526

00:27:32,110 --> 00:27:29,840

you first handed it to me

527

00:27:34,300 --> 00:27:32,120

do you don't quite recall well I took it

528

00:27:37,120 --> 00:27:34,310

like this he's in it i dangled it alone

529

00:27:41,190 --> 00:27:37,130

and I turned around I stepped over here

530

00:27:44,020 --> 00:27:41,200

and I said that if everyone could see me

531

00:27:46,870 --> 00:27:44,030

this business is very important this

532

00:27:49,480 --> 00:27:46,880

business of just dangling it that sense

533

00:27:51,040 --> 00:27:49,490

in your mind the notion that I'm not

534

00:27:54,400 --> 00:27:51,050

touching the body of the watch which at

535

00:27:56,110 --> 00:27:54,410

this point I have lost I'll do this sort

536

00:27:58,960 --> 00:27:56,120

of a thing to transfer it back and forth

537

00:28:00,760 --> 00:27:58,970

and this sell steal subliminally really

538

00:28:02,470 --> 00:28:00,770

on the marital level that sells to you

539

00:28:04,300 --> 00:28:02,480

to all the man's not fetching the logit

540

00:28:06,610 --> 00:28:04,310

oh how can you possibly influence in any

541

00:28:09,910 --> 00:28:06,620

way then come to the moment of truth I

542

00:28:14,440 --> 00:28:09,920

put my hand into it like this I turn to

543

00:28:17,020 --> 00:28:14,450

my watch to compare it and I say oh it

544

00:28:19,390 --> 00:28:17,030

says such a second time and as I do this

545

00:28:21,220 --> 00:28:19,400

I come up with this finger place it

546

00:28:23,680 --> 00:28:21,230

underneath the wine new staff which down

547

00:28:24,940 --> 00:28:23,690

the side on this cycle and go click and

548

00:28:26,500 --> 00:28:24,950

pull it up like that

549

00:28:29,410 --> 00:28:26,510

you don't notice that did you don't know

550

00:28:31,360 --> 00:28:29,420

what to look for right of course and I

551
00:28:33,460 --> 00:28:31,370
look at my watch and I point out a great

552
00:28:35,560 --> 00:28:33,470
deal of that can I say it says 19

553
00:28:38,740 --> 00:28:35,570
minutes before 8 o'clock

554
00:28:40,390 --> 00:28:38,750
now watch the move again and I turned

555
00:28:42,880 --> 00:28:40,400
back to look at this one I simply go

556
00:28:45,250 --> 00:28:42,890
with this finger just zoom like that

557
00:28:47,080 --> 00:28:45,260
move it across the the hack that's the

558
00:28:49,810 --> 00:28:47,090
winding step it's moving across like

559
00:28:51,340 --> 00:28:49,820
that like that and the time change now I

560
00:28:53,420 --> 00:28:51,350
would like to tend to

561
00:28:55,580 --> 00:28:53,430
now eccentric insemination

562
00:28:58,160 --> 00:28:55,590
see okay then I press the winding stem

563
00:29:00,920 --> 00:28:58,170

back yet again and the work is done but

564

00:29:03,560 --> 00:29:00,930

what I do at this moment is in doing

565

00:29:06,260 --> 00:29:03,570

that I miss direct your attention again

566

00:29:09,080 --> 00:29:06,270

by saying now would you hold the watch

567

00:29:10,880 --> 00:29:09,090

put your finger on the back of it and

568

00:29:13,070 --> 00:29:10,890

put your hand up like that put your

569

00:29:14,930 --> 00:29:13,080

finger on the back of it okay

570

00:29:19,610 --> 00:29:14,940

that keeps them from turning it over you

571

00:29:22,160 --> 00:29:19,620

can see I don't wanna look at and then I

572

00:29:25,250 --> 00:29:22,170

think I've hurt myself and finish the

573

00:29:26,720 --> 00:29:25,260

follow part of the accent now I use the

574

00:29:27,830 --> 00:29:26,730

greatest weapons that the psychics and

575

00:29:35,510 --> 00:29:27,840

the magician's happen

576

00:29:38,810 --> 00:29:35,520

it's called lie I take the watch from

577

00:29:41,300 --> 00:29:38,820

you and I say mmm not yet but of course

578

00:29:43,100 --> 00:29:41,310

the thymus or when you change the TV and

579

00:29:50,620 --> 00:29:43,110

I turn it back to and I put it on your

580

00:29:55,700 --> 00:29:53,810

then I take it from you and I say oh and

581

00:29:57,920 --> 00:29:55,710

look what time it is now and you get all

582

00:30:10,950 --> 00:29:57,930

of Sonic's amazing everybody applause

583

00:30:16,270 --> 00:30:14,140

but the lesson here folks is you didn't

584

00:30:18,130 --> 00:30:16,280

know what to look for you didn't know

585

00:30:20,230 --> 00:30:18,140

what was going to happen so you didn't

586

00:30:22,450 --> 00:30:20,240

know what to look for it was very easy

587

00:30:24,430 --> 00:30:22,460

to get away with this sort of thing but

588

00:30:25,930 --> 00:30:24,440

now that I was showing you how this

589

00:30:29,190 --> 00:30:25,940

trick and it's a trick when I do it

590

00:30:32,290 --> 00:30:29,200

defines what mr. Keller doesn't notice

591

00:30:36,190 --> 00:30:32,300

you got to be very careful that I do

592

00:30:38,530 --> 00:30:36,200

this trick constantly for audiences just

593

00:30:40,210 --> 00:30:38,540

like you and I tell them now that you

594

00:30:44,440 --> 00:30:40,220

see that you'll know how it's done in

595

00:30:46,120 --> 00:30:44,450

the future wrong because while I'm

596

00:30:46,330 --> 00:30:46,130

standing here telling you how smart you

597

00:30:49,300 --> 00:30:46,340

are

598

00:30:55,750 --> 00:30:49,310

well sir 4fu would tell them times this

599

00:30:58,000 --> 00:30:55,760

day now 2006 you see well I'm telling

600

00:30:59,920 --> 00:30:58,010

you how it's not you are I just did it

601
00:31:00,880 --> 00:30:59,930
again so other knowledge is a dangerous

602
00:31:09,070 --> 00:31:00,890
thing

603
00:31:13,780 --> 00:31:09,080
thank you very much the lesson here

604
00:31:16,230 --> 00:31:13,790
folks is this I'm serious it is not

605
00:31:18,490 --> 00:31:16,240
stupid uneducated unsophisticated

606
00:31:21,130 --> 00:31:18,500
tolerance out there that fall for the

607
00:31:23,650 --> 00:31:21,140
supernatural the paranormal vehicle it's

608
00:31:26,110 --> 00:31:23,660
folks like you would think we can all be

609
00:31:28,330 --> 00:31:26,120
deceived because we can deceive

610
00:31:30,790 --> 00:31:28,340
ourselves more easily than someone else

611
00:31:33,820 --> 00:31:30,800
can see this all they really have to do

612
00:31:38,170 --> 00:31:33,830
is set us on the path and we will

613
00:31:40,690 --> 00:31:38,180

deceive ourselves part of a good example

614

00:31:42,460 --> 00:31:40,700

of that is the faith healers now I

615

00:31:45,550 --> 00:31:42,470

noticed on television just before

616

00:31:47,260 --> 00:31:45,560

leaving the hotel up here that this

617

00:31:49,210 --> 00:31:47,270

weekend and I didn't get the day and I

618

00:31:51,100 --> 00:31:49,220

didn't get the channel on sorry but this

619

00:31:53,830 --> 00:31:51,110

weekend there is a major program coming

620

00:31:57,580 --> 00:31:53,840

up on the Scranton television about the

621

00:31:59,530 --> 00:31:57,590

faith healing racket and Danny Kent has

622

00:32:01,370 --> 00:31:59,540

one of those who is featured you know

623

00:32:03,860 --> 00:32:01,380

the name Benny Hinn in this country

624

00:32:07,700 --> 00:32:03,870

all the alligators come here to Atlantic

625

00:32:09,560 --> 00:32:07,710

City well then again I almost created

626

00:32:12,200 --> 00:32:09,570

Ben again because when I wrote my book

627

00:32:14,450 --> 00:32:12,210

the faith here is some years back and I

628

00:32:16,820 --> 00:32:14,460

expose people like W a big crowns and

629

00:32:18,800 --> 00:32:16,830

they would fall and peter Popoff and

630

00:32:20,180 --> 00:32:18,810

sight and pretty well put them out of

631

00:32:25,280 --> 00:32:20,190

business one of the rights of prisoners

632

00:32:27,110 --> 00:32:25,290

about in fact their adherence didn't

633

00:32:29,240 --> 00:32:27,120

look around and say hey I guess I was

634

00:32:32,360 --> 00:32:29,250

swindled I won't let that happen again

635

00:32:34,190 --> 00:32:32,370

so all they said was oh he swindled me

636

00:32:36,290 --> 00:32:34,200

I'm gonna find one that most women will

637

00:32:37,820 --> 00:32:36,300

be evasive returned to the only one who

638

00:32:40,970 --> 00:32:37,830

was left who was Benny thin so I'm

639

00:32:43,520 --> 00:32:40,980

pretty well created his clientele for

640

00:32:44,570 --> 00:32:43,530

him and he's doing very strongly but I'm

641

00:32:46,630 --> 00:32:44,580

going to let you in and this is the

642

00:32:49,190 --> 00:32:46,640

first time I have announced as a public

643

00:32:51,290 --> 00:32:49,200

this is a select group Monteux

644

00:32:56,270 --> 00:32:51,300

understand why I'm so concerned over

645

00:32:59,270 --> 00:32:56,280

this I was called up seventy eight

646

00:33:03,200 --> 00:32:59,280

months ago now by a producer an English

647

00:33:06,980 --> 00:33:03,210

producer UK who wanted me to go up to

648

00:33:10,760 --> 00:33:06,990

Toronto Canada to investigate Benny Hinn

649

00:33:14,000 --> 00:33:10,770

and I did just that was a very

650

00:33:18,020 --> 00:33:14,010

interesting episode right and I went

651
00:33:20,360 --> 00:33:18,030
along with the red week and the dye that

652
00:33:22,550 --> 00:33:20,370
I use didn't die by my beard red and

653
00:33:24,800 --> 00:33:22,560
black contact lenses that I put in so

654
00:33:32,900 --> 00:33:24,810
that they don't see me going I really

655
00:33:35,540 --> 00:33:32,910
you know I listen disguise in Toronto I

656
00:33:37,700 --> 00:33:35,550
had filtrated the the group they got me

657
00:33:41,890 --> 00:33:37,710
a press past which I've owned around my

658
00:33:44,690 --> 00:33:41,900
neck and I got into the the main floor

659
00:33:46,520 --> 00:33:44,700
it was a big relief gardens if you know

660
00:33:49,460 --> 00:33:46,530
Toronto Canada at all you'll know that

661
00:33:53,300 --> 00:33:49,470
that is a huge huge arena in downtown

662
00:33:54,710 --> 00:33:53,310
Toronto and it was jam-packed there were

663
00:33:56,690 --> 00:33:54,720

by estimation

664

00:33:58,550 --> 00:33:56,700

of the press that same night there were

665

00:34:00,710 --> 00:33:58,560

over 2,000 people outside on the street

666

00:34:03,920 --> 00:34:00,720

watching it on TV monitors they just

667

00:34:05,360 --> 00:34:03,930

couldn't accommodate anymore and I will

668

00:34:07,190 --> 00:34:05,370

go through the whole description of it

669

00:34:09,680 --> 00:34:07,200

because that will be produced eventually

670

00:34:13,160 --> 00:34:09,690

as a special documentary on banging him

671

00:34:14,930 --> 00:34:13,170

and mr. Rehberg and mr. ian is not going

672

00:34:17,690 --> 00:34:14,940

to much care for it I can assure you I

673

00:34:21,020 --> 00:34:17,700

couldn't happen to a nicer guy

674

00:34:23,500 --> 00:34:21,030

I saw one episode which I'll share with

675

00:34:27,020 --> 00:34:23,510

you there there was a child and I'm not

676

00:34:29,300 --> 00:34:27,030

medically an expert so I I just don't

677

00:34:31,820 --> 00:34:29,310

know but it might have been cerebral

678

00:34:32,930 --> 00:34:31,830

palsy I'm not sure the child was pretty

679

00:34:35,450 --> 00:34:32,940

one on it but it was dressed in an

680

00:34:38,000 --> 00:34:35,460

exercise soon appeared to be about maybe

681

00:34:39,950 --> 00:34:38,010

eight or nine years of age and they the

682

00:34:41,540 --> 00:34:39,960

father was carrying him in his arm for

683

00:34:44,750 --> 00:34:41,550

the child was flailing around and was

684

00:34:47,390 --> 00:34:44,760

really quite out of it and obviously

685

00:34:51,200 --> 00:34:47,400

very very seriously afflicted and the

686

00:34:53,240 --> 00:34:51,210

mother was holding on to the the husband

687

00:34:55,250 --> 00:34:53,250

as they wanted to get home

688

00:34:57,170 --> 00:34:55,260

trying to get up on this threat and I'm

689

00:34:59,570 --> 00:34:57,180

coming and going here trying to get up

690

00:35:03,070 --> 00:34:59,580

on the stage so that Reverend Hendon

691

00:35:07,160 --> 00:35:03,080

could use his healing methodologies sure

692

00:35:08,860 --> 00:35:07,170

and heaven will not nothing effective

693

00:35:12,170 --> 00:35:08,870

whatever allows someone is truly

694

00:35:13,670 --> 00:35:12,180

obviously visibly afflicted get anywhere

695

00:35:15,920 --> 00:35:13,680

near the stage no one in the wheelchair

696

00:35:18,380 --> 00:35:15,930

ever gets up there unless it's their

697

00:35:21,590 --> 00:35:18,390

wheelchairs and then you put them into

698

00:35:23,510 --> 00:35:21,600

the wheelchair this was really very sad

699

00:35:25,970 --> 00:35:23,520

to see but we were in a position where I

700

00:35:27,170 --> 00:35:25,980

could see it I group the group that's

701

00:35:29,330 --> 00:35:27,180

where they could see it personally

702

00:35:31,040 --> 00:35:29,340

the father kept charging up and down the

703

00:35:33,080 --> 00:35:31,050

aisles being turned back by security

704

00:35:34,490 --> 00:35:33,090

people and people look like football

705

00:35:36,590 --> 00:35:34,500

players but maybe Big Shoulders

706

00:35:38,720 --> 00:35:36,600

everybody in with a special red green

707

00:35:40,700 --> 00:35:38,730

badges on and they were constantly

708

00:35:42,620 --> 00:35:40,710

directing him around the crowd down to

709

00:35:46,160 --> 00:35:42,630

the rear end of a of the hall again

710

00:35:48,440 --> 00:35:46,170

never got anywhere near him at all until

711

00:35:50,900 --> 00:35:48,450

he and his wife made the decision they

712

00:35:52,640 --> 00:35:50,910

were going to do a rush and now in the

713

00:35:55,370 --> 00:35:52,650

may not all be came charging

714

00:35:57,640 --> 00:35:55,380

literally hooting all these people out

715

00:36:00,160 --> 00:35:57,650

of the way the wife running in advance

716

00:36:02,710 --> 00:36:00,170

and putting the bodyguards under the way

717

00:36:04,990 --> 00:36:02,720

on the security people ran up the stairs

718

00:36:06,670 --> 00:36:05,000

right by the security people have really

719

00:36:10,690 --> 00:36:06,680

got through them and out into the center

720

00:36:12,910 --> 00:36:10,700

of the stage with his summon deserve and

721

00:36:15,310 --> 00:36:12,920

ease that Reverend we've followed you

722

00:36:17,110 --> 00:36:15,320

for 20 cities around Canada and the

723

00:36:19,690 --> 00:36:17,120

United States and I've never been able

724

00:36:21,940 --> 00:36:19,700

to get to the healing stage heal my son

725

00:36:27,870 --> 00:36:21,950

please heal my son tears streaming down

726

00:36:30,550 --> 00:36:27,880

states and him handled it in a very

727

00:36:34,990 --> 00:36:30,560

professional manner

728

00:36:38,140 --> 00:36:35,000

this is what he did he held up his hand

729

00:36:41,530 --> 00:36:38,150

and quiet the crowd and he said we are

730

00:36:44,080 --> 00:36:41,540

in the presence of God Almighty and the

731

00:36:46,270 --> 00:36:44,090

crowd was quite up he said and God is

732

00:36:48,760 --> 00:36:46,280

going to bring his healing power to this

733

00:36:52,060 --> 00:36:48,770

little boy for a second it occurred to

734

00:36:53,470 --> 00:36:52,070

me maybe this is a setup this might be a

735

00:36:58,930 --> 00:36:53,480

setup these people might be working

736

00:37:01,780 --> 00:36:58,940

within that was to dissipate cover n

737

00:37:03,820 --> 00:37:01,790

went to the child held a hand on his

738

00:37:06,040 --> 00:37:03,830

forehead while he was in the father's

739

00:37:08,680 --> 00:37:06,050

arms and writhing around this sort of a

740

00:37:11,080 --> 00:37:08,690

thing and he held the other hand up and

741

00:37:14,770 --> 00:37:11,090

he said all of you charting paradin how

742

00:37:18,430 --> 00:37:14,780

OID God to bring his healing power to

743

00:37:20,440 --> 00:37:18,440

this high and he pressed him on the

744

00:37:23,200 --> 00:37:20,450

forehead childhood reacted all was still

745

00:37:27,760 --> 00:37:23,210

writhing around and the pastor of

746

00:37:30,760 --> 00:37:27,770

standing there visibly crying just on

747

00:37:33,070 --> 00:37:30,770

controlling and he said Jesus Britain's

748

00:37:36,430 --> 00:37:33,080

our power appealing to this little boy

749

00:37:38,760 --> 00:37:36,440

bring it now or bring it an hour from

750

00:37:43,410 --> 00:37:38,770

now breathe in a day or a week

751
00:37:46,260 --> 00:37:43,420
from now when your will desires bring

752
00:37:47,910 --> 00:37:46,270
this power of healing to this thought

753
00:37:50,850 --> 00:37:47,920
hallelujah have they all yelled

754
00:37:52,800 --> 00:37:50,860
hallelujah him turned the man around the

755
00:37:54,720 --> 00:37:52,810
two security peoples grabbed the two of

756
00:37:57,420 --> 00:37:54,730
them took them to the edge of the stage

757
00:37:59,820 --> 00:37:57,430
and from where were over at that side we

758
00:38:03,050 --> 00:37:59,830
filmed it rushed him down the stairs

759
00:38:05,670 --> 00:38:03,060
along the aisle to the outside doors

760
00:38:07,470 --> 00:38:05,680
push them out into the street slammed

761
00:38:10,170 --> 00:38:07,480
the doors behind him and drew the

762
00:38:13,620 --> 00:38:10,180
curtains and they were on the street

763
00:38:16,380 --> 00:38:13,630

within ten or twelve seconds of leaving

764

00:38:18,420 --> 00:38:16,390

that stage and it was right back there

765

00:38:19,800 --> 00:38:18,430

screaming hallelujah and now we're going

766

00:38:21,680 --> 00:38:19,810

to read from the good book and he

767

00:38:25,320 --> 00:38:21,690

started to read from the Bible that

768

00:38:28,800 --> 00:38:25,330

piece of recording will never hit the

769

00:38:30,900 --> 00:38:28,810

air you know that well it will when that

770

00:38:39,910 --> 00:38:30,910

program is broadcast that myth is not

771

00:38:44,500 --> 00:38:41,680

this is the kind of thing ladies and

772

00:38:46,690 --> 00:38:44,510

gentlemen that should give us all good

773

00:38:49,390 --> 00:38:46,700

reason to be proud of the fact that

774

00:38:52,319 --> 00:38:49,400

we're here today and that we think the

775

00:38:55,000 --> 00:38:52,329

way we do and that we act the way we do

776

00:38:57,609 --> 00:38:55,010

my respect for the whole skeptical

777

00:39:02,440 --> 00:38:57,619

movement fighting pseudoscience and

778

00:39:05,049 --> 00:39:02,450

fighting quietly such as this is always

779

00:39:07,269 --> 00:39:05,059

enhanced when I find that good people

780

00:39:11,859 --> 00:39:07,279

can gather together in force like you

781

00:39:14,620 --> 00:39:11,869

have today and by being seen and being

782

00:39:17,289 --> 00:39:14,630

heard make sure that the world knows

783

00:39:19,509 --> 00:39:17,299

that we're here and that we're serious

784

00:39:21,849 --> 00:39:19,519

about this thing I'm going to show you a

785

00:39:24,609 --> 00:39:21,859

piece of tape down that will set you up

786

00:39:26,950 --> 00:39:24,619

for it very quickly this also deals with

787

00:39:31,690 --> 00:39:26,960

the pay payment racket the take care

788

00:39:35,680 --> 00:39:31,700

about to see needs just that preparation

789

00:39:38,980 --> 00:39:35,690

we investigated a man named WB grant

790

00:39:40,809 --> 00:39:38,990

years ago BB B grant is the one that

791

00:39:42,759 --> 00:39:40,819

eventually went to prison for income tax

792

00:39:44,519 --> 00:39:42,769

evasions not for what he was doing it

793

00:39:46,900 --> 00:39:44,529

was really criminal in my estimation

794

00:39:49,660 --> 00:39:46,910

swindling people and pretending to heal

795

00:39:51,900 --> 00:39:49,670

them I want to give you a quick walk

796

00:39:55,480 --> 00:39:51,910

through a sort of a reenactment of what

797

00:39:58,779 --> 00:39:55,490

well a pendant of what grant would do

798

00:40:01,269 --> 00:39:58,789

and he had an SMR quote super to this of

799

00:40:03,880 --> 00:40:01,279

the handheld look in his hat this is

800

00:40:05,470 --> 00:40:03,890

what he does they buy other it beats his

801
00:40:09,400 --> 00:40:05,480
arm but yellow slips of paper sticking

802
00:40:11,620 --> 00:40:09,410
out of the end the open survival wear a

803
00:40:14,440 --> 00:40:11,630
yellow so the paper is inserted and he

804
00:40:15,999 --> 00:40:14,450
reads a passage from the Bible takes out

805
00:40:19,660 --> 00:40:16,009
the yellow slip and puts it in his

806
00:40:25,720 --> 00:40:19,670
pocket close at the Bible said oh yeah

807
00:40:30,130 --> 00:40:25,730
hallelujah hallelujah i l'm driven to

808
00:40:32,470 --> 00:40:30,140

811
00:40:43,510 --> 00:40:39,170
he says have I ever met you before bill

812
00:40:49,210 --> 00:40:43,520

813
00:40:51,340 --> 00:40:49,220

really have to put on it

859

00:42:44,970 --> 00:42:42,490

and the terrible suit in disguise we

860

00:42:46,530 --> 00:42:44,980

were there three hours earlier at a

861

00:42:48,630 --> 00:42:46,540

certain point while people were filing

862

00:42:51,330 --> 00:42:48,640

896

00:44:02,760 --> 00:44:01,060

hospital all of the information we heard

897

00:44:04,650 --> 00:44:02,770

how do we know that because we want your

898

00:44:06,060 --> 00:44:04,660

garbage after which we found that's what

899

00:44:07,860 --> 00:44:06,070

the paper along with dozens of others

900

00:44:09,420 --> 00:44:07,870

that we're stuck in the Bible he wasn't

901
00:44:11,130 --> 00:44:09,430
reading from the Bible he was reading

902
00:44:13,080 --> 00:44:11,140
from the all slip of paper the

903
00:44:15,540 --> 00:44:13,090
information that he had to give to build

904
00:44:17,160 --> 00:44:15,550
was sitting on the car that's the

905
00:44:19,020 --> 00:44:17,170
information and how did he get the

906
00:44:20,880 --> 00:44:19,030
wheelchair will we know that now don't

907
00:44:23,160 --> 00:44:20,890
we well if his wheelchair but everyone

908
00:44:25,200 --> 00:44:23,170
there assumed that he came in in the

909
00:44:27,300 --> 00:44:25,210
wheelchair and when they threw it aside

910
00:44:29,490 --> 00:44:27,310
he's healed because he's no longer in

911
00:44:31,880 --> 00:44:29,500
the wheelchair that's how insidious this

912
00:44:34,819 --> 00:44:31,890
business is folks and that's what

913
00:44:36,230 --> 00:44:34,829

the methods that they use to do it I'm

914

00:44:39,950 --> 00:44:36,240

going to show you a bit of tape now with

915

00:44:42,410 --> 00:44:39,960

a different man on it I solved the the

916

00:44:44,870 --> 00:44:42,420

problem with Reverend Popov he was

917

00:44:47,480 --> 00:44:44,880

better than grant was much better and if

918

00:44:49,220 --> 00:44:47,490

you look at this you will see the the

919

00:44:50,990 --> 00:44:49,230

whole procedure developed right before

920

00:44:52,309 --> 00:44:51,000

you I'll tell you very quickly that I

921

00:44:54,470 --> 00:44:52,319

went to the state attorney in California

922

00:44:55,759 --> 00:44:54,480

and jor-el Savino and I laid this out

923

00:44:57,470 --> 00:44:55,769

before him all the evidence the

924

00:44:59,150 --> 00:44:57,480

videotape the whole thing and he shook

925

00:45:00,470 --> 00:44:59,160

his head he said that's really terrible

926

00:45:02,150 --> 00:45:00,480

I suggest what are you going to do about

927

00:45:03,349 --> 00:45:02,160

it so I said oh that's a rubber if I

928

00:45:04,670 --> 00:45:03,359

catch someone again forever and any

929

00:45:06,769 --> 00:45:04,680

wonder I won't get reelected

930

00:45:09,109 --> 00:45:06,779

my next question murder Joe is it your

931

00:45:12,170 --> 00:45:09,119

job as a politician to get reelected or

932

00:45:13,880 --> 00:45:12,180

to do what you were elected to do let's

933

00:45:17,779 --> 00:45:13,890

broke up at that point I remember I paid

934

00:45:20,000 --> 00:45:17,789

the bill and that was the end of that so

935

00:45:21,980 --> 00:45:20,010

I went over his head I went to a leading

936

00:45:24,559 --> 00:45:21,990

television personality in the United

937

00:45:34,090 --> 00:45:24,569

States Johnny Carson and this is what we

938

00:45:37,000 --> 00:45:35,740

but even a small piece of tape here

939

00:45:38,440 --> 00:45:37,010

we're going to look at would you tell us

940

00:45:40,030 --> 00:45:38,450

what we're going to see here and how you

941

00:45:41,770 --> 00:45:40,040

did this no one else let us suppose -

942

00:45:43,180 --> 00:45:41,780

well we've researched peter Popoff very

943

00:45:45,040 --> 00:45:43,190

very well administer your talk my

944

00:45:46,600 --> 00:45:45,050

apartment Reverend Popoff it's not going

945

00:45:48,280 --> 00:45:46,610

to be very happy with this I don't think

946

00:45:50,680 --> 00:45:48,290

they're going to see first of all a

947

00:45:52,180 --> 00:45:50,690

short segment of take as you would see

948

00:45:53,830 --> 00:45:52,190

it if you're watching it at home this is

949

00:45:56,500 --> 00:45:53,840

what Popoff featured on his own program

950

00:45:58,900 --> 00:45:56,510

you will apparently see a healing now we

951
00:46:00,820 --> 00:45:58,910
went to Houston Texas and we discovered

952
00:46:03,690 --> 00:46:00,830
that the man was wearing of all things a

953
00:46:06,400 --> 00:46:03,700
hearing aid in his left ear and a man

954
00:46:07,990 --> 00:46:06,410
pop off himself voicing and a matter

955
00:46:09,340 --> 00:46:08,000
heals the Deaf and the blind isn't going

956
00:46:11,200 --> 00:46:09,350
to have much use for hearing aid one

957
00:46:13,090 --> 00:46:11,210
would think if God is speaking to him

958
00:46:15,580 --> 00:46:13,100
maybe someone else is speaking to him

959
00:46:18,370 --> 00:46:15,590
and so when he got to San Francisco we

960
00:46:20,560 --> 00:46:18,380
put this though Alyx adjacent as an

961
00:46:22,150 --> 00:46:20,570
extra spare an expert in electronics and

962
00:46:24,130 --> 00:46:22,160
a surveillance man and he put a scanner

963
00:46:25,660 --> 00:46:24,140

electronic scanner on it and we picked

964

00:46:27,430 --> 00:46:25,670

up something interesting but first let's

965

00:46:28,720 --> 00:46:27,440

look at the first front of tape or this

966

00:46:31,060 --> 00:46:28,730

is the tape as you would see it if

967

00:46:35,180 --> 00:46:31,070

you're watching the show okay watch the

968

00:46:41,440 --> 00:46:38,170

who is Harold

969

00:46:48,300 --> 00:46:41,450

I just believe that God is going to burn

970

00:46:54,420 --> 00:46:52,170

three 478 Foothill Drive I tell you the

971

00:46:58,020 --> 00:46:54,430

Angels have got around about your home

972

00:47:01,700 --> 00:46:58,030

oh just take those glasses off and put

973

00:47:04,560 --> 00:47:01,710

your eyes if you've got keep their acts

974

00:47:07,140 --> 00:47:04,570

you've got God coma I want you just to

975

00:47:09,000 --> 00:47:07,150

put your hand over your eyes as I prayed

976
00:47:10,590 --> 00:47:09,010
what these precious what sister you've

977
00:47:12,900 --> 00:47:10,600
got that problems to take your glasses

978
00:47:15,300 --> 00:47:12,910
off lay your hands on your eyes

979
00:47:19,310 --> 00:47:15,310
here it comes now God is going to give

980
00:47:30,530 --> 00:47:19,320
these precious was your mind searching

981
00:47:30,540 --> 00:47:35,210
he's going through this place

982
00:47:40,190 --> 00:47:37,910
thank you Jesus okay now this recap what

983
00:47:42,500 --> 00:47:40,200
we've seen here but these two team over

984
00:47:45,079 --> 00:47:42,510
there at not met Papa heads right or

985
00:47:46,970 --> 00:47:45,089
their self and yet he calls out his name

986
00:47:48,829 --> 00:47:46,980
in any Cola a number or something a

987
00:47:50,450 --> 00:47:48,839
Meccano their address their address

988
00:47:52,609 --> 00:47:50,460

their astonishing to hear that because I

989

00:47:54,230 --> 00:47:52,619

didn't tell him but what you don't know

990

00:47:55,700 --> 00:47:54,240

is that his wife has been touring around

991

00:47:57,859 --> 00:47:55,710

the audience getting into conversation

992

00:48:00,050 --> 00:47:57,869

if she's gonna kill you today I see what

993

00:48:01,790 --> 00:48:00,060

human this kind of thing and they filled

994

00:48:03,530 --> 00:48:01,800

out healing cards in advance the program

995

00:48:05,390 --> 00:48:03,540

had to submit there now backstage and

996

00:48:07,010 --> 00:48:05,400

someone is sitting at a transmitter

997

00:48:08,750 --> 00:48:07,020

backstage let's see that same segment

998

00:48:10,190 --> 00:48:08,760

again but now you will have the

999

00:48:12,230 --> 00:48:10,200

advantage of knowing what peter Popoff

1000

00:48:21,400 --> 00:48:12,240

is hearing it is left ear through a

1001
00:48:31,549 --> 00:48:24,460
Harry Reid with the woman praying for

1002
00:48:37,880 --> 00:48:33,949
burn those cataracts off of your eyes

1003
00:48:42,049 --> 00:48:37,890
right now with the 3 4 7 8 page for

1004
00:48:42,059 --> 00:48:58,300
because I've got around about your home

1005
00:49:03,070 --> 00:49:00,980
sister you've got problems to take your

1006
00:49:15,430 --> 00:49:03,080
guts off lay your hands on your eyes

1007
00:49:21,260 --> 00:49:19,280
it's a lettuce that's disturbing when

1008
00:49:24,230 --> 00:49:21,270
you see it it isn't it you tend to life

1009
00:49:26,809 --> 00:49:24,240
headed and yet these people obviously

1010
00:49:28,190 --> 00:49:26,819
are so impressive let's go there's an

1011
00:49:30,319 --> 00:49:28,200
inconceivable collapse on the floor

1012
00:49:32,690 --> 00:49:30,329
tears running down their faces believing

1013
00:49:34,069 --> 00:49:32,700

that their heads with drug addiction are

1014

00:49:36,020 --> 00:49:34,079

gonna be healed down because he knew

1015

00:49:37,700 --> 00:49:36,030

their name he says he's talking to God

1016

00:49:39,440 --> 00:49:37,710

that God speaks directly entities that

1017

00:49:41,270 --> 00:49:39,450

are not yet minister at one three things

1018

00:49:43,010 --> 00:49:41,280

amazing about that first of all it turns

1019

00:49:45,620 --> 00:49:43,020

out to cause frequency I didn't know use

1020

00:49:47,960 --> 00:49:45,630

radio is thirty nine point one seven

1021

00:49:51,040 --> 00:49:47,970

zero records and God is a woman

1022

00:49:53,750 --> 00:49:51,050

obviously and Saudis a correct policy

1023

00:50:07,280 --> 00:49:53,760

seeing this tape no he does not know

1024

00:50:13,320 --> 00:50:11,580

now the sad news is that Reverend Popov

1025

00:50:16,380 --> 00:50:13,330

shortly after that was broadcast on this

1026

00:50:20,430 --> 00:50:16,390

major American television program

1027

00:50:23,280 --> 00:50:20,440

absolutely major he promptly declared

1028

00:50:23,940 --> 00:50:23,290

bankruptcy and went out of business he's

1029

00:50:27,150 --> 00:50:23,950

back again

1030

00:50:30,000 --> 00:50:27,160

he's on one of the cable networks doing

1031

00:50:34,050 --> 00:50:30,010

exactly the same act because people

1032

00:50:36,300 --> 00:50:34,060

never learn you cannot convince the true

1033

00:50:38,340 --> 00:50:36,310

believer no matter what evidence you

1034

00:50:40,290 --> 00:50:38,350

bring up contrary to what they would

1035

00:50:43,500 --> 00:50:40,300

prefer to believe they will continue to

1036

00:50:47,670 --> 00:50:43,510

believe to the death and in this case I

1037

00:50:50,700 --> 00:50:47,680

do mean to the death at the time that we

1038

00:50:53,880 --> 00:50:50,710

got Popoff and that particular bind

1039

00:50:57,210 --> 00:50:53,890

there we heard from this comptroller

1040

00:51:01,530 --> 00:50:57,220

that he was bringing in 4.3 billion

1041

00:51:02,880 --> 00:51:01,540

dollars a month tax-free and I don't

1042

00:51:05,340 --> 00:51:02,890

think there's anyone at this audience

1043

00:51:08,180 --> 00:51:05,350

that makes that kind of money I sure as

1044

00:51:11,220 --> 00:51:08,190

hell though I'm in the wrong business

1045

00:51:14,550 --> 00:51:11,230

now I'm going to tell you about

1046

00:51:17,490 --> 00:51:14,560

something which is I understand thinking

1047

00:51:22,380 --> 00:51:17,500

that rather full hold here in Australia

1048

00:51:24,480 --> 00:51:22,390

I have in my hand a natural life this is

1049

00:51:27,210 --> 00:51:24,490

from the United States sold by a leading

1050

00:51:29,520 --> 00:51:27,220

pharmaceutical chain they're cold and

1051

00:51:32,040 --> 00:51:29,530

flu which assists hopefully the same

1052

00:51:33,840 --> 00:51:32,050

medicine as a remedy treatment nothing

1053

00:51:40,280 --> 00:51:33,850

right that just says cold and flu so if

1054

00:51:42,720 --> 00:51:40,290

you want cold and gives superior formula

1055

00:51:44,520 --> 00:51:42,730

you tell me how superior this far

1056

00:51:48,210 --> 00:51:44,530

looking formula could get and it's

1057

00:51:53,010 --> 00:51:48,220

triple level policy let's look at the

1058

00:51:56,730 --> 00:51:53,020

ingredients in here gradient Oh make

1059

00:52:00,960 --> 00:51:56,740

your ingredient is arsenicum album 9x

1060

00:52:07,360 --> 00:52:02,830

that doesn't sound good

1061

00:52:10,720 --> 00:52:07,370

Oh 9x oh I forgot to mention this is

1062

00:52:13,180 --> 00:52:10,730

homeopathy so that means there's nothing

1063

00:52:15,460 --> 00:52:13,190

in it including no arsenic

1064

00:52:17,200 --> 00:52:15,470

what is homeopathy all about very

1065

00:52:19,090 --> 00:52:17,210

briefly folks this is what's all about

1066

00:52:21,160 --> 00:52:19,100

there are four major rules the first

1067

00:52:22,930 --> 00:52:21,170

rule is you do proving the proving

1068

00:52:25,830 --> 00:52:22,940

consists of this this is two hundred

1069

00:52:28,510 --> 00:52:25,840

twenty years old can't be all bad right

1070

00:52:29,950 --> 00:52:28,520

well having after all gives us only a

1071

00:52:35,200 --> 00:52:29,960

magic medicine you know the state of the

1072

00:52:38,590 --> 00:52:35,210

house of woods we need I mentioned only

1073

00:52:41,920 --> 00:52:38,600

about the finest items first rule is you

1074

00:52:44,920 --> 00:52:41,930

do improving improving consists of

1075

00:52:47,350 --> 00:52:44,930

taking a well person that means somebody

1076
00:52:50,290 --> 00:52:47,360
is from being warm and can stand on his

1077
00:52:52,660 --> 00:52:50,300
own I don't know what person and you

1078
00:52:54,550 --> 00:52:52,670
give themselves as X will say substance

1079
00:52:57,250 --> 00:52:54,560
X is boiled

1080
00:52:58,990 --> 00:52:57,260
Daniel anise or something like that so

1081
00:53:02,110 --> 00:52:59,000
you give them that substance and they

1082
00:53:04,540 --> 00:53:02,120
then develop symptoms a B and C the

1083
00:53:06,880 --> 00:53:04,550
symptoms AB&C will say first symptom as

1084
00:53:08,950 --> 00:53:06,890
they get very bright red in the face the

1085
00:53:10,780 --> 00:53:08,960
second one is an expose up round like a

1086
00:53:12,070 --> 00:53:10,790
balloon and the third is that every

1087
00:53:14,110 --> 00:53:12,080
twenty minutes they fall on the ground

1088
00:53:17,770 --> 00:53:14,120

that they'd think those are something

1089

00:53:19,270 --> 00:53:17,780

that you'd be like leave notes and they

1090

00:53:21,250 --> 00:53:19,280

write that down on the book that if they

1091

00:53:21,640 --> 00:53:21,260

take boiled dandelions that's what they

1092

00:53:23,740 --> 00:53:21,650

get

1093

00:53:25,300 --> 00:53:23,750

that's the first rule of homeo that's

1094

00:53:27,670 --> 00:53:25,310

called the proofing you write that down

1095

00:53:29,050 --> 00:53:27,680

your book and then you wink well you

1096

00:53:30,910 --> 00:53:29,060

have lots of other proving to your book

1097

00:53:33,460 --> 00:53:30,920

but a patient walks in some day maybe

1098

00:53:35,650 --> 00:53:33,470

the next day maybe not for years with

1099

00:53:35,950 --> 00:53:35,660

very red face and head swell up like a

1100

00:53:38,710 --> 00:53:35,960

balloon

1101
00:53:41,890 --> 00:53:38,720
woo I remember that you go through the

1102
00:53:44,800 --> 00:53:41,900
book you look at the patient you say

1103
00:53:46,150 --> 00:53:44,810
tell me Sarah every 20 Minister you fall

1104
00:53:48,310 --> 00:53:46,160
down on the ground a dead faint and

1105
00:53:50,320 --> 00:53:48,320
vision sits against don't you

1106
00:53:51,270 --> 00:53:50,330
you have superior observing powers

1107
00:53:53,160 --> 00:53:51,280
against

1108
00:53:55,170 --> 00:53:53,170
happen to me oh well then let me

1109
00:53:57,720 --> 00:53:55,180
obviously has the cure for you that's

1110
00:54:00,930 --> 00:53:57,730
what only dandelions so take boil down

1111
00:54:02,940 --> 00:54:00,940
your legs and it'll go away that's the

1112
00:54:07,200 --> 00:54:02,950
second proof the third rule is you don't

1113
00:54:10,830 --> 00:54:07,210

do that no the third rule is you give

1114

00:54:14,340 --> 00:54:10,840

them what they call equals quote highly

1115

00:54:18,450 --> 00:54:14,350

attenuated unquote dosage of wild

1116

00:54:24,600 --> 00:54:18,460

animals highly attenuated extremely

1117

00:54:26,490 --> 00:54:24,610

dilute you ain't heard nothing yet you

1118

00:54:28,170 --> 00:54:26,500

may think that that's one part in a

1119

00:54:31,830 --> 00:54:28,180

thousand whoa

1120

00:54:34,320 --> 00:54:31,840

get out of here no the first this is the

1121

00:54:35,730 --> 00:54:34,330

next room of homeopathy the first thing

1122

00:54:38,130 --> 00:54:35,740

you can do is to prepare the medicine

1123

00:54:39,750 --> 00:54:38,140

you take one part the boiled dandelion

1124

00:54:41,700 --> 00:54:39,760

tea mixer with ten parts of water

1125

00:54:43,890 --> 00:54:41,710

thank you success it that's a fancy term

1126

00:54:45,480 --> 00:54:43,900

for shaking it but it has to be done ten

1127

00:54:48,000 --> 00:54:45,490

times in three different dimensions like

1128

00:54:49,910 --> 00:54:48,010

ten times this way and ten kind of this

1129

00:54:53,580 --> 00:54:49,920

way and tend the hands of this book and

1130

00:54:57,720 --> 00:54:53,590

that is the magic number is homeopathy

1131

00:55:00,720 --> 00:54:57,730

by the way remember gently actually

1132

00:55:02,760 --> 00:55:00,730

we're okay number pretty thing that's a

1133

00:55:07,020 --> 00:55:02,770

one solution that's one part in ten

1134

00:55:09,060 --> 00:55:07,030

people then to prepare a two solution

1135

00:55:11,589 --> 00:55:09,070

you take one part of that putting ten

1136

00:55:14,229 --> 00:55:11,599

parts of water and

1137

00:55:16,209 --> 00:55:14,239

without insight and that's to solution

1138

00:55:19,089 --> 00:55:16,219

one-party 100 it's the number of zeros

1139

00:55:22,509 --> 00:55:19,099

after the 1 say ok and to do 3 solution

1140

00:55:26,549 --> 00:55:22,519

for solution hey he thought you ate

1141

00:55:29,799 --> 00:55:26,559

there yeah five six everything up to 20

1142

00:55:32,380 --> 00:55:29,809

2400 forgot when you get to 24 by the

1143

00:55:35,140 --> 00:55:32,390

way one part and one followed by 24 0

1144

00:55:36,309 --> 00:55:35,150

parts of water give reach avocados limit

1145

00:55:39,219 --> 00:55:36,319

which means there's only a possibility

1146

00:55:40,839 --> 00:55:39,229

of there being one molecule of the

1147

00:55:42,160 --> 00:55:40,849

original substance present and whatever

1148

00:55:44,859 --> 00:55:42,170

you've got in your hand at that moment

1149

00:55:46,809 --> 00:55:44,869

and if you do it tended to the 25th

1150

00:55:48,189 --> 00:55:46,819

you've got one chance in 10 how they're

1151

00:55:48,699 --> 00:55:48,199

being what ball to filled up if you

1152

00:55:52,539 --> 00:55:48,709

follow

1153

00:55:57,150 --> 00:55:52,549

that's dilute they'd like to start at 30

1154

00:56:04,089 --> 00:55:57,160

they go to 50 and they go all the way to

1155

00:56:06,219 --> 00:56:04,099

1500 how balloon is that that doesn't

1156

00:56:08,019 --> 00:56:06,229

woman thanks to Joan of Arc exactly from

1157

00:56:09,689 --> 00:56:08,029

inside to the American I see worked it

1158

00:56:12,459 --> 00:56:09,699

up for me

1159

00:56:14,549 --> 00:56:12,469

there's what it's a booklet to it's

1160

00:56:17,469 --> 00:56:14,559

equivalent to taking one greater ice

1161

00:56:20,259 --> 00:56:17,479

crushing to to a powder dissolving at

1162

00:56:23,430 --> 00:56:20,269

the sphere of water the size of the

1163

00:56:28,410 --> 00:56:25,319

with the Sun at the center the formative

1164

00:56:32,640 --> 00:56:28,420

puto at the outside and then repeating

1165

00:56:42,120 --> 00:56:32,650

that process two billion times speaking

1166

00:56:44,130 --> 00:56:42,130

American victims you're not good that's

1167

00:56:47,460 --> 00:56:44,140

what that means

1168

00:56:49,050 --> 00:56:47,470

1,500 well wait a minute now we also

1169

00:56:49,710 --> 00:56:49,060

sell another substance I don't have the

1170

00:56:51,540 --> 00:56:49,720

box here

1171

00:56:54,750 --> 00:56:51,550

unfortunately and lost somewhere along

1172

00:56:57,170 --> 00:56:54,760

the line there is a compound in America

1173

00:56:58,410 --> 00:56:57,180

called Michael & YT all of you have a

1174

00:57:01,200 --> 00:56:58,420

night off

1175

00:57:03,030 --> 00:57:01,210

well it's a pharmaceutical preparation

1176

00:57:05,099 --> 00:57:03,040

made by a reputable pharmaceutical

1177

00:57:06,990 --> 00:57:05,109

company in the United States and it has

1178

00:57:08,430 --> 00:57:07,000

definitely died for about sorrow but I

1179

00:57:09,750 --> 00:57:08,440

will promise on fatigue or something

1180

00:57:11,730 --> 00:57:09,760

anything I don't know but apparently

1181

00:57:12,059 --> 00:57:11,740

works I don't use it but the therapy it

1182

00:57:14,040 --> 00:57:12,069

works

1183

00:57:16,200 --> 00:57:14,050

funny they tested it sector it's a

1184

00:57:16,950 --> 00:57:16,210

sleeping thing it's relaxing shoots are

1185

00:57:19,559 --> 00:57:16,960

you going to sleep

1186

00:57:21,660 --> 00:57:19,569

Marky's me I'm told and that comes in a

1187

00:57:24,300 --> 00:57:21,670

blue box there's a green box right

1188

00:57:26,430 --> 00:57:24,310

beside it which says nice all natural

1189

00:57:28,970 --> 00:57:26,440

natural it says natural life on you

1190

00:57:32,609 --> 00:57:28,980

remember all-natural ingredients natural

1191

00:57:34,620 --> 00:57:32,619

that's the buzzword here well curb poo

1192

00:57:38,880 --> 00:57:34,630

is natural too

1193

00:57:40,200 --> 00:57:38,890

and so is but I will eat either one or

1194

00:57:45,990 --> 00:57:40,210

use it for anything

1195

00:57:48,299 --> 00:57:46,000

therapeutic natural well this natural

1196

00:57:48,690 --> 00:57:48,309

compound says in tiny letters of the

1197

00:57:50,789 --> 00:57:48,700

bark

1198

00:57:53,130 --> 00:57:50,799

only a pepper and what is the active

1199

00:57:58,349 --> 00:57:53,140

ingredient in the sleeping tablets that

1200

00:57:59,880 --> 00:57:58,359

they sell you caffeine because it works

1201

00:58:01,650 --> 00:57:59,890

the officer would say if you give that

1202

00:58:03,900 --> 00:58:01,660

to a well person whether you follow and

1203

00:58:05,089 --> 00:58:03,910

it's not my idea it's there so don't be

1204

00:58:08,640 --> 00:58:05,099

like that

1205

00:58:10,529 --> 00:58:08,650

happy well oh I called another friend

1206

00:58:13,680 --> 00:58:10,539

who knows mathematics and chemistry and

1207

00:58:16,289 --> 00:58:13,690

physics of such and I said about the

1208

00:58:18,740 --> 00:58:16,299

ballpark of the society in the United

1209

00:58:22,170 --> 00:58:18,750

States and I said Tom I need to figure

1210

00:58:24,240 --> 00:58:22,180

if I have these sleeping tablet pills

1211

00:58:25,620 --> 00:58:24,250

and they're in the form of pills with

1212

00:58:27,660 --> 00:58:25,630

milk sugar instead of water

1213

00:58:30,150 --> 00:58:27,670

are they some of the pills I said how

1214

00:58:33,509 --> 00:58:30,160

many pills what I have to be to make

1215

00:58:37,319 --> 00:58:33,519

sure that I got one molecule of that

1216

00:58:39,690 --> 00:58:37,329

Kathy he did the conservation are you

1217

00:58:44,120 --> 00:58:39,700

all seen do it they fall down laughing

1218

00:58:51,640 --> 00:58:44,130

and you hear this you would have to eat

1219

00:58:56,350 --> 00:58:53,980

I want you to picture that just for a

1220

00:58:57,880 --> 00:58:56,360

second now I'm doing a scientific

1221

00:59:03,970 --> 00:58:57,890

experiment to find out if this works

1222

00:59:05,590 --> 00:59:03,980

okay I dive into the first pool Brown

1223

00:59:08,500 --> 00:59:05,600

touch stills that had a hard time

1224

00:59:10,480 --> 00:59:08,510

calming them down down them down and eat

1225

00:59:12,640 --> 00:59:10,490

the whole swimming pool full up at the

1226

00:59:14,230 --> 00:59:12,650

bottom of an empty swimming pool and the

1227

00:59:17,200 --> 00:59:14,240

total sentence is published Randy how do

1228

00:59:21,010 --> 00:59:17,210

you feel like that hole but I don't feel

1229

00:59:24,220 --> 00:59:21,020

sleepy second story broke over the

1230

00:59:26,440 --> 00:59:24,230

second Swing ago and we go sixteen

1231

00:59:30,310 --> 00:59:26,450

swimming pools that are to get one ball

1232

00:59:32,170 --> 00:59:30,320

until the caffeine right but folks it's

1233

00:59:34,330 --> 00:59:32,180

the vibrations they say it's the

1234

00:59:36,130 --> 00:59:34,340

vibrations is always important

1235

00:59:38,350 --> 00:59:36,140

vibrations because the caffeine was in

1236

00:59:41,140 --> 00:59:38,360

there once remember so it's the

1237

00:59:43,600 --> 00:59:41,150

vibration sitcom you're paying provide

1238

00:59:45,010 --> 00:59:43,610

this is a box full of vibrations and

1239

00:59:47,110 --> 00:59:45,020

it's not seventy percent more than

1240

00:59:50,050 --> 00:59:47,120

something that does actually work that's

1241

00:59:51,460 --> 00:59:50,060

what homeopathy is all of them well the

1242

00:59:53,110 --> 00:59:51,470

baby's development he'll be out there at

1243

00:59:54,550 --> 00:59:53,120

all not that much for your time with

1244

00:59:56,170 --> 00:59:54,560

this this is what we're offering a

1245

00:59:57,970 --> 00:59:56,180

million-dollar prize for but we are

1246

01:00:01,210 --> 00:59:57,980

submit another price by the way if we

1247

01:00:02,950 --> 01:00:01,220

hope you pass or any money anyone in

1248

01:00:05,050 --> 01:00:02,960

this audience even to tell us the

1249

01:00:08,830 --> 01:00:05,060

difference between homeopathic water and

1250

01:00:10,870 --> 01:00:08,840

nonfat water and is that to tell us

1251

01:00:12,760 --> 01:00:10,880

which ones with you they don't want to

1252

01:00:14,320 --> 01:00:12,770

do that they say no I'm involved in

1253

01:00:16,360 --> 01:00:14,330

scientific research and I don't do work

1254

01:00:18,190 --> 01:00:16,370

like that why would you take the billion

1255

01:00:20,440 --> 01:00:18,200

dollars and apply it to your lab majora

1256

01:00:21,760 --> 01:00:20,450

give it to starving kids or homeless

1257

01:00:24,010 --> 01:00:21,770

people there's something good like that

1258

01:00:26,440 --> 01:00:24,020

no I'm very busy very busy go away go in

1259

01:00:28,960 --> 01:00:26,450

they don't want to face up to Brian

1260

01:00:31,630 --> 01:00:28,970

Joseph some Nobel laureate in Cambridge

1261

01:00:32,120 --> 01:00:31,640

England some time ago challenge the

1262

01:00:34,670 --> 01:00:32,130

America

1263

01:00:36,680 --> 01:00:34,680

physical society to test homeopathy and

1264

01:00:39,020 --> 01:00:36,690

they said yes we will which surprised

1265

01:00:41,180 --> 01:00:39,030

the hell out of hemp and we'll pay all

1266

01:00:44,270 --> 01:00:41,190

of the costs of it no matter what they

1267

01:00:45,770 --> 01:00:44,280

are this is what my urging occurs and I

1268

01:00:48,650 --> 01:00:45,780

said I will get the million dollar prize

1269

01:00:50,420 --> 01:00:48,660

as well if they could tell us the

1270

01:00:54,380 --> 01:00:50,430

difference between homeopathic medicine

1271

01:00:57,080 --> 01:00:54,390

and ordinary water that was four years

1272

01:00:58,940 --> 01:00:57,090

ago and we haven't heard back from Brian

1273

01:01:01,820 --> 01:00:58,950

Josephson Nobel laureate in physics

1274

01:01:04,280 --> 01:01:01,830

where are you Brian I will go and I

1275

01:01:06,410 --> 01:01:04,290

don't see you around anywhere he simply

1276

01:01:08,780 --> 01:01:06,420

won't answer now he was going to take us

1277

01:01:10,790 --> 01:01:08,790

up on this challenge well that's what

1278

01:01:13,700 --> 01:01:10,800

homeopathy is all about folks and I

1279

01:01:17,000 --> 01:01:13,710

think it's a cruel and very nasty first

1280

01:01:20,180 --> 01:01:17,010

it doesn't work it has zero content in

1281

01:01:21,650 --> 01:01:20,190

it and people do depend on it now ladies

1282

01:01:26,150 --> 01:01:21,660

and gentlemen I'm going to introduce you

1283

01:01:28,100 --> 01:01:26,160

to a special person at this point some

1284

01:01:31,690 --> 01:01:28,110

years back and you will all be familiar

1285

01:01:36,170 --> 01:01:31,700

with this I'm sure I was called by

1286

01:01:38,030 --> 01:01:36,180

Cataline stranded and they simply put

1287

01:01:39,500 --> 01:01:38,040

this problem to me we're playing with

1288

01:01:41,120 --> 01:01:39,510

challenge these are the people who speak

1289

01:01:44,750 --> 01:01:41,130

with voices with people of your talent

1290

01:01:47,200 --> 01:01:44,760

is yours oh oh yes sure you believe that

1291

01:01:51,200 --> 01:01:47,210

I've got some swampland in Florida about

1292

01:01:52,640 --> 01:01:51,210

the bargain prices and they said how can

1293

01:01:55,460 --> 01:01:52,650

we prove these people aren't realistic

1294

01:01:57,440 --> 01:01:55,470

when you prove they're not real but what

1295

01:02:00,290 --> 01:01:57,450

we can do for is work out a bit of a

1296

01:02:02,660 --> 01:02:00,300

project of illustrate to people that

1297

01:02:04,930 --> 01:02:02,670

these characters can be created you see

1298

01:02:07,850 --> 01:02:04,940

what I had was a secret what secret

1299

01:02:12,650 --> 01:02:07,860

record by the joseluis our Sigma friend

1300

01:02:15,800 --> 01:02:12,660

of mine in Florida who is a performance

1301

01:02:18,740 --> 01:02:15,810

artist now what he does with this is he

1302

01:02:21,500 --> 01:02:18,750

creates a a character and that character

1303

01:02:23,060 --> 01:02:21,510

he sees all the way through he

1304

01:02:25,640 --> 01:02:23,070

demonstrates the character he makes the

1305

01:02:28,070 --> 01:02:25,650

character very believable a living

1306

01:02:29,720 --> 01:02:28,080

character that will convince people I

1307

01:02:31,580 --> 01:02:29,730

talked to him and he

1308

01:02:33,620 --> 01:02:31,590

yes this is something I think I could

1309

01:02:36,020 --> 01:02:33,630

get my teeth into and if something I

1310

01:02:38,060 --> 01:02:36,030

want to do for quite some time I'm not

1311

01:02:40,280 --> 01:02:38,070

going to tell you the story I'm going to

1312

01:02:43,280 --> 01:02:40,290

introduce you to someone that you've

1313

01:02:45,200 --> 01:02:43,290

already met through the media and the

1314

01:02:48,080 --> 01:02:45,210

media have never quite been the same

1315

01:03:40,880 --> 01:02:48,090

ever since ladies and gentlemen please

1316

01:03:51,150 --> 01:03:44,030

we have their profile okay

1317

01:04:00,300 --> 01:03:55,260

a movement out looking from scratch most

1318

01:04:04,770 --> 01:04:00,310

you are very familiar with this and make

1319

01:04:09,770 --> 01:04:04,780

story short Sydney Opera House for years

1320

01:04:14,460 --> 01:04:09,780

though people flocked to the city

1321

01:04:19,350 --> 01:04:14,470

because of the fact that I had no

1322

01:04:21,670 --> 01:04:19,360

protection whatsoever this project has

1323

01:04:25,300 --> 01:04:21,680

been shown over and over

1324

01:04:28,960 --> 01:04:25,310

over all over the world in Europe in

1325

01:04:31,750 --> 01:04:28,970

Asia Latin America I cannot begin to

1326

01:04:35,350 --> 01:04:31,760

tell you how much this has changed my

1327

01:04:39,820 --> 01:04:35,360

life I have actually adopted this

1328

01:04:45,340 --> 01:04:39,830

character where I go of the world

1329

01:04:49,750 --> 01:04:45,350

explain to people but what the simple

1330

01:04:52,570 --> 01:04:49,760

sentences grounded they swear what the

1331

01:04:58,270 --> 01:04:52,580

reaction was and what lesson

1332

01:05:02,660 --> 01:04:58,280

learn I am especially happy that

1333

01:05:04,370 --> 01:05:02,670

Hispanic television for me and said that

1334

01:05:10,250 --> 01:05:04,380

they wanted to do like a five-minute

1335

01:05:13,070 --> 01:05:10,260

piece they do it for our show in the

1336

01:05:21,500 --> 01:05:13,080

most successful TV program that they

1337

01:05:24,410 --> 01:05:21,510

have the most successful show they have

1338

01:05:30,050 --> 01:05:24,420

got it time and time again we now had a

1339

01:05:34,400 --> 01:05:30,060

very big America speak and this one has

1340

01:05:59,260 --> 01:05:34,410

never stopped because of that we just

1341

01:05:59,270 --> 01:06:28,950

to see

1342

01:06:56,630 --> 01:06:34,319

I am very happy that share some props

1343

01:07:04,500 --> 01:07:00,330

mentioned that in his performances

1344

01:07:08,880 --> 01:07:04,510

Carlos in China in one program he was

1345

01:07:10,800 --> 01:07:08,890

seen by over 50 million people those are

1346

01:07:13,260 --> 01:07:10,810

the numbers you just have to deal with

1347

01:07:15,870 --> 01:07:13,270

closest that number of people were

1348

01:07:17,760 --> 01:07:15,880

exposed to the Carlos character and that

1349

01:07:21,120 --> 01:07:17,770

Carlos character has been responsible

1350

01:07:24,030 --> 01:07:21,130

for pushing our work ahead enormous see

1351

01:07:26,160 --> 01:07:24,040

around the world he will move in he will

1352

01:07:29,130 --> 01:07:26,170

perform the character but he always

1353

01:07:32,130 --> 01:07:29,140

makes sure that people know that this is

1354

01:07:34,800 --> 01:07:32,140

a performance art piece that this is not

1355

01:07:37,620 --> 01:07:34,810

a deception he's not trying to convince

1356

01:07:39,570 --> 01:07:37,630

anybody he has genuine power and when we

1357

01:07:41,760 --> 01:07:39,580

went into it here in Australia the

1358

01:07:46,110 --> 01:07:41,770

agreement in advance was that it would

1359

01:07:50,010 --> 01:07:46,120

be a supposedly player on 90 minutes or

1360

01:07:54,210 --> 01:07:50,020

something I always think you do things

1361

01:08:01,760 --> 01:07:54,220

in a larger scale so that thing together

1362

01:08:07,050 --> 01:08:04,650

now I have another piece of cake to show

1363

01:08:11,250 --> 01:08:07,060

you this piece of tape heals with a

1364

01:08:14,070 --> 01:08:11,260

subject which well is a preps a little

1365

01:08:17,280 --> 01:08:14,080

difficult to watch all the blood and

1366

01:08:19,769 --> 01:08:17,290

guts all over the place and I've heard

1367

01:08:21,390 --> 01:08:19,779

one of dick Smith's films a game

1368

01:08:23,460 --> 01:08:21,400

trending in Australia I think it was the

1369

01:08:26,940 --> 01:08:23,470

back end we'll be fighting some

1370

01:08:29,900 --> 01:08:26,950

heretical I performed this I did it not

1371

01:08:34,490 --> 01:08:29,910

your family neither producer or somebody

1372

01:08:37,260 --> 01:08:34,500

rather rotund gentleman I remember Mike

1373

01:08:39,360 --> 01:08:37,270

yeah yes that's right hence pop yet the

1374

01:08:40,800 --> 01:08:39,370

director yep and we made him on the

1375

01:08:50,010 --> 01:08:40,810

tabletop all kinds of terrible things

1376

01:08:54,180 --> 01:08:50,020

are made by Sheree feel better oh oh all

1377

01:08:59,760 --> 01:08:54,190

right that was a very effective film

1378

01:09:01,320 --> 01:08:59,770

that dick produced and informed a few

1379

01:09:04,590 --> 01:09:01,330

people a long way of freaking out but it

1380

01:09:07,200 --> 01:09:04,600

did this sucka Kirk everything that is

1381

01:09:10,229 --> 01:09:07,210

done in the Philippines yes rather

1382

01:09:11,880 --> 01:09:10,239

insidious we found out dying I found out

1383

01:09:14,490 --> 01:09:11,890

some years ago when I met Peter selling

1384

01:09:15,990 --> 01:09:14,500

for me the one and only time that I ever

1385

01:09:19,680 --> 01:09:16,000

spoke with it when I've been invited to

1386

01:09:23,130 --> 01:09:19,690

find which Studios outside London UK and

1387

01:09:26,010 --> 01:09:23,140

I asked him about this business of

1388

01:09:27,840 --> 01:09:26,020

visiting the psychic surgeons and he

1389

01:09:29,249 --> 01:09:27,850

described to me in breathless wonder how

1390

01:09:32,249 --> 01:09:29,259

they reached into his body and took

1391

01:09:34,829 --> 01:09:32,259

tubers up and blood clots particular

1392

01:09:38,249 --> 01:09:34,839

cost he was running full of tumors of

1393

01:09:40,590 --> 01:09:38,259

blood closet he didn't know and he said

1394

01:09:42,390 --> 01:09:40,600

they never charged me but he gave him my

1395

01:09:45,900 --> 01:09:42,400

very substantial donation each time he

1396

01:09:50,519 --> 01:09:45,910

was there I don't make money to

1397

01:09:52,510 --> 01:09:50,529

restaurants when I go into the real

1398

01:09:57,940 --> 01:09:52,520

estate I think rather badly

1399

01:09:59,620 --> 01:09:57,950

- sweetie I I only asked one question I

1400

01:10:01,390 --> 01:09:59,630

said but how do you know that it's the

1401

01:10:03,880 --> 01:10:01,400

real thing he said all I know is my

1402

01:10:06,280 --> 01:10:03,890

doctor told me two years ago that I had

1403

01:10:08,590 --> 01:10:06,290

to have a bypass I've got a look to have

1404

01:10:10,630 --> 01:10:08,600

a heart bypass I'm just not going to

1405

01:10:12,850 --> 01:10:10,640

submit myself to that brutalizing

1406

01:10:14,620 --> 01:10:12,860

procedure he said but when I go to the

1407

01:10:17,710 --> 01:10:14,630

Philippines I go there every six months

1408

01:10:19,090 --> 01:10:17,720

and I am relieved of my problem his

1409

01:10:19,840 --> 01:10:19,100

doctors had a different story to tell

1410

01:10:21,790 --> 01:10:19,850

altogether

1411

01:10:24,190 --> 01:10:21,800

it was getting worse and worse he was

1412

01:10:26,980 --> 01:10:24,200

getting more occlusion of the coronary

1413

01:10:29,380 --> 01:10:26,990

arteries but he decided not to see it

1414

01:10:31,780 --> 01:10:29,390

that way people eased to the big deal he

1415

01:10:33,370 --> 01:10:31,790

said I saw it with my own eyes my

1416

01:10:36,250 --> 01:10:33,380

question to a mother who else's eyes

1417

01:10:37,630 --> 01:10:36,260

might you have seen him and that did not

1418

01:10:39,880 --> 01:10:37,640

abuse him at home

1419

01:10:42,430 --> 01:10:39,890

several weeks after that he was dead he

1420

01:10:43,720 --> 01:10:42,440

had a fatal heart attack - the threat to

1421

01:10:46,030 --> 01:10:43,730

the hospital but it was too late

1422

01:10:48,460 --> 01:10:46,040

and we lost Peter Sellers we lost a lot

1423

01:10:50,440 --> 01:10:48,470

of other people too thousands over the

1424

01:10:53,770 --> 01:10:50,450

years run off the Philippines did we

1425

01:10:55,240 --> 01:10:53,780

operated on well I went to my good

1426
01:10:58,000 --> 01:10:55,250
friend Johnny Carson they just saw on

1427
01:11:00,310 --> 01:10:58,010
that screen there and I gave them this

1428
01:11:01,960 --> 01:11:00,320
particular number to do as well we've

1429
01:11:05,290 --> 01:11:01,970
got people from California particularly

1430
01:11:07,000 --> 01:11:05,300
there's California California were

1431
01:11:11,890 --> 01:11:07,010
running off to the Philippines and great

1432
01:11:13,780 --> 01:11:11,900
numbers and people beyond as the program

1433
01:11:16,120 --> 01:11:13,790
doing my demonstration of psychic

1434
01:11:17,920 --> 01:11:16,130
surgery which are about to see folks is

1435
01:11:19,630 --> 01:11:17,930
far better than what the psychic

1436
01:11:22,030 --> 01:11:19,640
surgeons of the Philippines do it really

1437
01:11:26,740 --> 01:11:22,040
is I would professional and I've got a

1438
01:11:29,740 --> 01:11:26,750

certain Flair there I knew is far more

1439

01:11:31,480 --> 01:11:29,750

skillful and more energy because I put a

1440

01:11:34,590 --> 01:11:31,490

joke into it in the middle as you'll see

1441

01:11:36,430 --> 01:11:34,600

in a moment they don't have to be good

1442

01:11:39,580 --> 01:11:36,440

because they've already got people

1443

01:11:41,810 --> 01:11:39,590

believing in they could do any thing

1444

01:11:43,370 --> 01:11:41,820

they want there with the blood guts

1445

01:11:45,620 --> 01:11:43,380

and people who are now over because they

1446

01:11:48,410 --> 01:11:45,630

don't understand it I remember that in

1447

01:11:50,629 --> 01:11:48,420

Seattle Washington there was a big

1448

01:11:53,120 --> 01:11:50,639

review which I have on videotape

1449

01:11:55,250 --> 01:11:53,130

back at the office in Florida

1450

01:11:57,200 --> 01:11:55,260

frightening thing where a fundamentalist

1451

01:11:59,660 --> 01:11:57,210

ministry of sitting there be me in

1452

01:12:01,910 --> 01:11:59,670

smiles and the host of the program and

1453

01:12:04,490 --> 01:12:01,920

say but we did an analysis of the blood

1454

01:12:06,020 --> 01:12:04,500

on the undergarments of the people that

1455

01:12:08,089 --> 01:12:06,030

you sent to the Philippines for these

1456

01:12:10,760 --> 01:12:08,099

operations Reverend and it turns out to

1457

01:12:12,589 --> 01:12:10,770

be chicken blood and he's funny yes I've

1458

01:12:15,169 --> 01:12:12,599

worked that well how do you explain that

1459

01:12:18,220 --> 01:12:15,179

repetition because only Almighty God

1460

01:12:21,109 --> 01:12:18,230

could catch you but in to generalize

1461

01:12:23,450 --> 01:12:21,119

this is the rationalization these folks

1462

01:12:25,370 --> 01:12:23,460

go through and the thing we fight all

1463

01:12:27,229 --> 01:12:25,380

the time let's take a look at this kind

1464

01:12:29,649 --> 01:12:27,239

of thing and you may find it a little

1465

01:12:31,640 --> 01:12:29,659

bit gory

1466

01:12:33,260 --> 01:12:31,650

about the psychic surgeons in the

1467

01:12:35,540 --> 01:12:33,270

Philippines actually do want people who

1468

01:12:37,310 --> 01:12:35,550

go down there and pay good money all set

1469

01:12:37,910 --> 01:12:37,320

and be are gonna have our patient it's

1470

01:12:43,520 --> 01:12:37,920

all yours

1471

01:12:45,979 --> 01:12:43,530

okay this is a time to look the way if

1472

01:12:48,260 --> 01:12:45,989

you if you need to because it's going to

1473

01:12:50,589 --> 01:12:48,270

get a little guarded from now on the

1474

01:12:53,149 --> 01:12:50,599

psychic surgeons the Philippines are

1475

01:12:56,419 --> 01:12:53,159

sounding okay everything's fun they're

1476

01:12:58,280 --> 01:12:56,429

pretty heartless folks they just don't

1477

01:12:59,300 --> 01:12:58,290

much care for the feelings of people

1478

01:12:59,990 --> 01:12:59,310

they don't ready to care for their

1479

01:13:01,609 --> 01:13:00,000

health at all

1480

01:13:03,830 --> 01:13:01,619

and the curve they're not anyway trying

1481

01:13:05,689 --> 01:13:03,840

to do this sort of thing they just act

1482

01:13:08,810 --> 01:13:05,699

as if they are trained now what you're

1483

01:13:12,859 --> 01:13:08,820

about to see is a barehanded operation

1484

01:13:14,720 --> 01:13:12,869

which appears to take place by actually

1485

01:13:16,879 --> 01:13:14,730

penetrating the body believe me what

1486

01:13:18,620 --> 01:13:16,889

you're seeing is strictly special

1487

01:13:42,260 --> 01:13:18,630

effects it's sleight of hand and nothing

1488

01:13:45,380 --> 01:13:44,210

chips and then it dips down there we

1489

01:14:35,060 --> 01:13:45,390

don't get it on your travelers if they

1490

01:14:35,070 --> 01:14:49,979

any worse worship

1491

01:14:49,989 --> 01:15:25,040

Wow

1492

01:15:53,300 --> 01:15:27,560

that's a bit better just a second one

1493

01:15:57,690 --> 01:15:55,500

the strange thing is after this

1494

01:15:59,910 --> 01:15:57,700

operation is over now my proposal I can

1495

01:16:02,100 --> 01:15:59,920

prep remind please that people are shown

1496

01:16:04,500 --> 01:16:02,110

this as if it were really serious is it

1497

01:16:06,570 --> 01:16:04,510

that that she didn't take place and this

1498

01:16:08,100 --> 01:16:06,580

is surgery already performed people do

1499

01:16:09,900 --> 01:16:08,110

this as they go to the Philippines they

1500

01:16:13,620 --> 01:16:09,910

spend their money and they frankly

1501

01:16:15,810 --> 01:16:13,630

return home most cases to DA it's a

1502

01:16:17,820 --> 01:16:15,820

little bit funny to watch it cracks and

1503

01:16:19,380 --> 01:16:17,830

you say gee I know it's glad it's not

1504

01:16:21,750 --> 01:16:19,390

bad when they go for the tens of

1505

01:16:22,350 --> 01:16:21,760

thousands every year Sanford I want to

1506

01:16:38,219 --> 01:16:22,360

thank you for being a wonderful

1507

01:16:51,870 --> 01:16:48,750

I never did send the month ability or

1508

01:16:53,310 --> 01:16:51,880

that I did I don't know I I just have to

1509

01:16:58,140 --> 01:16:53,320

have a building department going to work

1510

01:17:01,049 --> 01:16:58,150

here I guess folks this can look like a

1511

01:17:04,739 --> 01:17:01,059

clown act up there and yes it is now

1512

01:17:06,479 --> 01:17:04,749

they do it or what I do it's something

1513

01:17:07,890 --> 01:17:06,489

that a lot of people take seriously a

1514

01:17:09,719 --> 01:17:07,900

lot of people travel off to the

1515

01:17:11,160 --> 01:17:09,729

Philippines or they're desperate and

1516

01:17:15,029 --> 01:17:11,170

they think they're going to get helped

1517

01:17:17,699 --> 01:17:15,039

an excellent program was done in the UK

1518

01:17:21,419 --> 01:17:17,709

some years back quite some years back I

1519

01:17:23,669 --> 01:17:21,429

could forty years I guess ago now and

1520

01:17:25,739 --> 01:17:23,679

which a planeload of people were tracked

1521

01:17:29,129 --> 01:17:25,749

as they went off to the Philippines for

1522

01:17:32,969 --> 01:17:29,139

this kind of treatment I believe there

1523

01:17:35,370 --> 01:17:32,979

were 13 people on the plane they came

1524

01:17:36,000 --> 01:17:35,380

back none of them deal and he could read

1525

01:17:37,830 --> 01:17:36,010

whatsoever

1526

01:17:41,250 --> 01:17:37,840

and they showed them as they descended

1527

01:17:43,109 --> 01:17:41,260

the the gang might come down out of the

1528

01:17:45,390 --> 01:17:43,119

plane the interviewed each one of them

1529

01:17:47,669 --> 01:17:45,400

and every one of the big smiles though I

1530

01:17:51,660 --> 01:17:47,679

healed that deal at the Jesus that

1531

01:17:55,259 --> 01:17:51,670

people say heaven 11 of the bird dead

1532

01:17:57,149 --> 01:17:55,269

within two weeks one gentleman that was

1533

01:18:00,600 --> 01:17:57,159

going blind and completely gone by

1534

01:18:03,239 --> 01:18:00,610

flying by that it's astonishing people

1535

01:18:05,660 --> 01:18:03,249

don't learn from this they simply don't

1536

01:18:08,489 --> 01:18:05,670

learn from this that's what our job is

1537

01:18:10,979 --> 01:18:08,499

try to get the word to them and to try

1538

01:18:13,410 --> 01:18:10,989

to make it convincing to them that they

1539

01:18:15,509 --> 01:18:13,420
should be listening I said it earlier

1540

01:18:16,650 --> 01:18:15,519
and I'll say it again there's no amount

1541

01:18:18,740 --> 01:18:16,660
of evidence

1542

01:18:21,390 --> 01:18:18,750
the true believer they will turn it

1543

01:18:23,250 --> 01:18:21,400
against you they will they will suffer

1544

01:18:27,540 --> 01:18:23,260
too they will do enemy they can with it

1545

01:18:30,800 --> 01:18:27,550
to make it fit somehow their philosophy

1546

01:18:33,240 --> 01:18:30,810
their deeds that's the big word here Eve

1547

01:18:35,190 --> 01:18:33,250
they don't just want it to be true they

1548

01:18:37,860 --> 01:18:35,200
need it to be true

1549

01:18:40,110 --> 01:18:37,870
desperately needed to be true and they

1550

01:18:42,000 --> 01:18:40,120
will stretch their belief systems in any

1551

01:18:44,970 --> 01:18:42,010

direction at all in order to make us

1552

01:18:47,190 --> 01:18:44,980

wrong and make the psychics and the

1553

01:18:48,570 --> 01:18:47,200

charlatans out there right so don't

1554

01:18:51,230 --> 01:18:48,580

think that you're going to get these

1555

01:18:55,890 --> 01:18:51,240

people to change their minds they won't

1556

01:18:57,780 --> 01:18:55,900

your job my job I believe and I say this

1557

01:19:00,150 --> 01:18:57,790

from many decades of experience in this

1558

01:19:02,490 --> 01:19:00,160

field is to get young people young

1559

01:19:05,670 --> 01:19:02,500

people who have not yet fallen into that

1560

01:19:08,040 --> 01:19:05,680

police structure who don't yet needed to

1561

01:19:10,350 --> 01:19:08,050

be true and try to get them to think

1562

01:19:11,100 --> 01:19:10,360

about and critically now I can't prove

1563

01:19:13,800 --> 01:19:11,110

the negative

1564

01:19:15,780 --> 01:19:13,810

I often get people to audiences that say

1565

01:19:18,170 --> 01:19:15,790

oh did you prove the DSP doesn't exist

1566

01:19:20,700 --> 01:19:18,180

right now say no and they say well

1567

01:19:23,220 --> 01:19:20,710

doesn't that mean that you're wrong

1568

01:19:25,710 --> 01:19:23,230

we're right no I don't say it doesn't

1569

01:19:27,390 --> 01:19:25,720

exist you say it does prove it to me and

1570

01:19:30,030 --> 01:19:27,400

I've got a million-dollar prize that I'm

1571

01:19:31,830 --> 01:19:30,040

going to offer as well I'm going to give

1572

01:19:34,320 --> 01:19:31,840

you an example of how you can't prove a

1573

01:19:35,569 --> 01:19:34,330

negative as I close this tirade by

1574

01:19:39,240 --> 01:19:35,579

electric current

1575

01:19:43,589 --> 01:19:39,250

this evening as I do with most of my

1576

01:19:45,240 --> 01:19:43,599

lectures around the world from being a

1577

01:19:48,240 --> 01:19:45,250

magnet is very difficult I'll give you

1578

01:19:49,709 --> 01:19:48,250

an example that suppose you take oh I'll

1579

01:19:51,779 --> 01:19:49,719

write Santa Claus well this is very

1580

01:19:53,399 --> 01:19:51,789

important especially in the-- and in the

1581

01:19:58,709 --> 01:19:53,409

year comes around I'm very popular in

1582

01:20:00,510 --> 01:19:58,719

December a Christmas tree I've been 26-7

1583

01:20:06,569 --> 01:20:00,520

are so popular because they didn't get

1584

01:20:09,180 --> 01:20:06,579

the pony you find that problem the Santa

1585

01:20:10,350 --> 01:20:09,190

Claus legend is very strong of course in

1586

01:20:13,109 --> 01:20:10,360

all parts of the world under different

1587

01:20:16,020 --> 01:20:13,119

names in America we we favor the idea

1588

01:20:19,490 --> 01:20:16,030

that eight tiny reindeer fly through the

1589

01:20:21,959 --> 01:20:19,500

air pulling a sleigh full of toys

1590

01:20:23,850 --> 01:20:21,969

but hey love you believe it they're

1591

01:20:27,390 --> 01:20:23,860

usually about this size but they believe

1592

01:20:29,370 --> 01:20:27,400

it and this exponent is mythology and

1593

01:20:31,890 --> 01:20:29,380

they'll eventually grow out of it and it

1594

01:20:33,750 --> 01:20:31,900

it's a good thing for kids to have

1595

01:20:36,209 --> 01:20:33,760

something like that going for them to

1596

01:20:38,100 --> 01:20:36,219

entertain but not whether this thing

1597

01:20:40,049 --> 01:20:38,110

don't even when they're about this day I

1598

01:20:42,120 --> 01:20:40,059

can't prove this how close those these

1599

01:20:44,189 --> 01:20:42,130

says no can't do it

1600

01:20:48,149 --> 01:20:44,199

I can give you a pretty good case

1601
01:20:50,580 --> 01:20:48,159
against it I could take freaks now oh

1602
01:20:52,260 --> 01:20:50,590
yeah all right one love example you

1603
01:20:54,750 --> 01:20:52,270
could take it flying reindeer hey you

1604
01:21:00,149 --> 01:20:54,760
can do that yeah I could devise a test

1605
01:21:04,169 --> 01:21:00,159
let me see the reindeer fly alright now

1606
01:21:08,520 --> 01:21:04,179
I'll propose this test that will ya

1607
01:21:09,990 --> 01:21:08,530
will take 100 ring here and number that

1608
01:21:11,069 --> 01:21:10,000
when the side pick them up from top of a

1609
01:21:13,140 --> 01:21:11,079
Sydney Opera House

1610
01:21:17,300 --> 01:21:13,150
we're gonna don't like this assignment

1611
01:21:19,790 --> 01:21:17,310
clock get up there and

1612
01:21:40,820 --> 01:21:19,800
okay definite video camera going good

1613
01:21:45,530 --> 01:21:40,830

okay okay number one over here number

1614

01:21:48,020 --> 01:21:45,540

two number two get out here get out here

1615

01:21:58,670 --> 01:21:48,030

alright number two he just wasn't trying

1616

01:22:03,680 --> 01:21:58,680

I know you can do it I just used it

1617

01:22:06,800 --> 01:22:03,690

apart yeah that didn't work too well

1618

01:22:09,290 --> 01:22:06,810

even number two on each square of the

1619

01:22:10,580 --> 01:22:09,300

society now I don't know where we're

1620

01:22:12,680 --> 01:22:10,590

going to get the based upon by

1621

01:22:14,810 --> 01:22:12,690

admittedly eager knowledge or the

1622

01:22:16,399 --> 01:22:14,820

Arizona evolution brain here

1623

01:22:18,500 --> 01:22:16,409

I believe that we're going to get a

1624

01:22:22,459 --> 01:22:18,510

bottle of very happy and broken right

1625

01:22:24,560 --> 01:22:22,469

here right there at the parking lot and

1626

01:22:25,700 --> 01:22:24,570

they're not going to look too good

1627

01:22:38,120 --> 01:22:25,710

and they're probably be a couple

1628

01:22:41,180 --> 01:22:38,130

security guys what have we proved at the

1629

01:22:42,530 --> 01:22:41,190

end of this experiment we haven't proved

1630

01:22:44,930 --> 01:22:42,540

with the reindeer can fly we've only

1631

01:22:45,950 --> 01:22:44,940

shown the fees under great here on this

1632

01:22:50,080 --> 01:22:45,960

occasion under these circumstances

1633

01:22:52,370 --> 01:22:50,090

either could not fly or chose not to

1634

01:22:57,080 --> 01:22:52,380

it's a lot of way to learn something

1635

01:22:59,149 --> 01:22:57,090

about the IQ of Brady we have about

1636

01:23:01,339 --> 01:22:59,159

proving there are not a tiny reindeer at

1637

01:23:03,379 --> 01:23:01,349

the North Pole the evening of December

1638

01:23:06,790 --> 01:23:03,389

the 24th each and every year can and do

1639

01:23:09,250 --> 01:23:06,800

fly and pull the big red full of toys

1640

01:23:12,109 --> 01:23:09,260

proving a negative is very different

1641

01:23:13,850 --> 01:23:12,119

almost impossible in some cases but

1642

01:23:17,060 --> 01:23:13,860

you're not making the claim they're

1643

01:23:20,149 --> 01:23:17,070

making the claims demand that they prove

1644

01:23:21,560 --> 01:23:20,159

their claims and remember if any of you

1645

01:23:23,660 --> 01:23:21,570

come up with one of these claims that

1646

01:23:25,609 --> 01:23:23,670

does prove to be true that some of good

1647

01:23:27,319 --> 01:23:25,619

tells you about be eligible for the

1648

01:23:29,870 --> 01:23:27,329

billion dollar prize of the James Randi

1649

01:23:32,450 --> 01:23:29,880

Educational Foundation we welcome you to

1650

01:23:35,209 --> 01:23:32,460

apply for it on therapy huh there's a

1651

01:23:36,830 --> 01:23:35,219

finder's fee as well yeah I'm not too

1652

01:23:39,859 --> 01:23:36,840

worried about having to sign the check

1653

01:23:42,080 --> 01:23:39,869

and return however it is up there and as

1654

01:23:44,450 --> 01:23:42,090

a token of good faith and that's what

1655

01:23:49,010 --> 01:23:44,460

it's all about folks it is a token of my

1656

01:23:50,600 --> 01:23:49,020

good faith in my belief of years years

1657

01:23:53,439 --> 01:23:50,610

and years of research on these things

1658

01:23:57,050 --> 01:23:53,449

that these things are just not consulted

1659

01:24:00,109 --> 01:23:57,060

Carl Sagan shared that opinion Carl

1660

01:24:02,930 --> 01:24:00,119

Sagan when I was said doing one of my

1661

01:24:06,410 --> 01:24:02,940

television shows in conduct is now I was

1662

01:24:08,810 --> 01:24:06,420

given a copy of a game of haunted world

1663

01:24:11,959 --> 01:24:08,820

Chinese I'm so happy to see that it is

1664

01:24:14,959 --> 01:24:11,969

circulating in China now the demon

1665

01:24:18,860 --> 01:24:14,969

haunted world is a wonderful book a very

1666

01:24:20,780 --> 01:24:18,870

strong book Carlos last book and one in

1667

01:24:23,470 --> 01:24:20,790

which he really summed up his whole life

1668

01:24:25,400 --> 01:24:23,480

as a skeptic and as a critical thinker

1669

01:24:27,050 --> 01:24:25,410

absolutely astonishing book and what

1670

01:24:30,160 --> 01:24:27,060

chapter in County has given to the

1671

01:24:33,890 --> 01:24:30,170

Carlos episode that you just witnessed

1672

01:24:35,360 --> 01:24:33,900

illustrated here on the stage Colonel a

1673

01:24:37,459 --> 01:24:35,370

missile Malaga

1674

01:24:40,729 --> 01:24:37,469

that's Pilate with one of the great

1675

01:24:45,169 --> 01:24:40,739

voices of reason that we could do with

1676

01:24:49,250 --> 01:24:45,179

and we need a lot more but at the same

1677

01:24:51,620 --> 01:24:49,260

time if we don't have someone like Carl

1678

01:24:53,540 --> 01:24:51,630

Sagan is colorful and has academic

1679

01:24:55,070 --> 01:24:53,550

degrees for such we have to go up and do

1680

01:24:57,200 --> 01:24:55,080

that work ourself I don't have those

1681

01:24:58,939 --> 01:24:57,210

academic degrees but I do have a certain

1682

01:25:00,560 --> 01:24:58,949

amount of flair and I do have a certain

1683

01:25:02,450 --> 01:25:00,570

amount of showmanship and that's what

1684

01:25:04,760 --> 01:25:02,460

they works for me and this is what I

1685

01:25:07,550 --> 01:25:04,770

tell kids particularly and say you know

1686

01:25:10,760 --> 01:25:07,560

when I was 10 years of 80 I had to make

1687

01:25:12,439 --> 01:25:10,770

a decision I had to decide whether to go

1688

01:25:14,870 --> 01:25:12,449

with the paranormalists and all their

1689

01:25:18,680 --> 01:25:14,880

spookiness materials mysterious and

1690

01:25:20,780 --> 01:25:18,690

mystical stuff or gold with real science

1691

01:25:22,540 --> 01:25:20,790

and I decided to go with real science

1692

01:25:25,130 --> 01:25:22,550

it's this way

1693

01:25:27,470 --> 01:25:25,140

we're told that some of our ancestors at

1694

01:25:30,290 --> 01:25:27,480

least came from canes at one time a long

1695

01:25:31,970 --> 01:25:30,300

long time ago they came from kids now

1696

01:25:33,160 --> 01:25:31,980

I've been the case nasty place they

1697

01:25:36,020 --> 01:25:33,170

don't want to go there believe me

1698

01:25:39,500 --> 01:25:36,030

believing nasty damn you don't want to

1699

01:25:41,180 --> 01:25:39,510

live in a cave I can guarantee but the

1700

01:25:43,070 --> 01:25:41,190

paranormalists those people with the

1701
01:25:45,260 --> 01:25:43,080
funny hat something horoscope on the

1702
01:25:47,360 --> 01:25:45,270
wall behind them and the universe

1703
01:25:49,700 --> 01:25:47,370
very articles and whatnot and on the

1704
01:25:52,490 --> 01:25:49,710
television these are the people who are

1705
01:25:54,560 --> 01:25:52,500
saying to you in essence you are not the

1706
01:25:56,960 --> 01:25:54,570
dignified capable responsible human

1707
01:26:01,280 --> 01:25:56,970
being a member of a species that has

1708
01:26:05,570 --> 01:26:01,290
done wonderful wonderful things I just

1709
01:26:09,560 --> 01:26:05,580
walked on the Great Wall of China we did

1710
01:26:11,900 --> 01:26:09,570
that about our particular variety of

1711
01:26:14,540 --> 01:26:11,910
this species know the Chinese people did

1712
01:26:17,390 --> 01:26:14,550
it but they did it a long time ago and

1713
01:26:18,320 --> 01:26:17,400

it's a magnificent thing and we went to

1714

01:26:22,520 --> 01:26:18,330

the moon

1715

01:26:25,100 --> 01:26:22,530

oh man I need this Rukh Khan concert we

1716

01:26:26,960 --> 01:26:25,110

went to the boom we went to the moon I

1717

01:26:30,230 --> 01:26:26,970

just had it that the I Peter because did

1718

01:26:32,090 --> 01:26:30,240

Space Flight Center you know when I tell

1719

01:26:33,440 --> 01:26:32,100

people this if they don't get excited

1720

01:26:36,170 --> 01:26:33,450

through something wrong with their

1721

01:26:37,520 --> 01:26:36,180

imagination I got in a white suit for

1722

01:26:39,350 --> 01:26:37,530

the whole thing in the mask and

1723

01:26:42,890 --> 01:26:39,360

everything else of specular blows and

1724

01:26:47,300 --> 01:26:42,900

they took me in there and I handle bull

1725

01:26:49,610 --> 01:26:47,310

rocks I handle the rocks I help pieces

1726

01:26:52,730 --> 01:26:49,620

of the Moon which is a quarter million

1727

01:26:55,570 --> 01:26:52,740

miles of space I held it in my hand and

1728

01:26:59,540 --> 01:26:55,580

several of them and I looked at them

1729

01:27:02,150 --> 01:26:59,550

it's an awesome experience we went to

1730

01:27:07,070 --> 01:27:02,160

the moon and brought pieces of it back

1731

01:27:11,300 --> 01:27:07,080

so that folks like I could pass a piece

1732

01:27:12,830 --> 01:27:11,310

of the hood you need anything more you

1733

01:27:15,530 --> 01:27:12,840

need anything more beautiful and

1734

01:27:19,130 --> 01:27:15,540

exciting ten Hey look at a puppy dog

1735

01:27:20,870 --> 01:27:19,140

look at a newborn baby I'm gonna rock

1736

01:27:23,480 --> 01:27:20,880

although they said these are real things

1737

01:27:32,240 --> 01:27:23,490

that we can handle we don't need these

1738

01:27:39,360 --> 01:27:35,330

like all the kids the choice I paid

1739

01:27:43,110 --> 01:27:39,370

loves to not go back into the caves but

1740

01:27:44,760 --> 01:27:43,120

to go for not factors where we've been

1741

01:27:47,459 --> 01:27:44,770

to the moon we're obviously going to go

1742

01:27:48,270 --> 01:27:47,469

to Mars that's gonna be quite an

1743

01:27:50,280 --> 01:27:48,280

adventure dude

1744

01:27:51,840 --> 01:27:50,290

Wow I know you're innocent up getting

1745

01:27:53,580 --> 01:27:51,850

blue ball okay got your note sir

1746

01:27:57,209 --> 01:27:53,590

they're two things for one thing except

1747

01:27:58,290 --> 01:27:57,219

for those two small heavy methane you

1748

01:28:02,879 --> 01:27:58,300

don't want to know about that

1749

01:28:08,879 --> 01:28:02,889

tree bad atmosphere on Mercury and Venus

1750

01:28:12,240 --> 01:28:08,889

far to go oh yeah oh that's not but Mars

1751

01:28:13,740 --> 01:28:12,250

yeah difficult yes because it's

1752

01:28:15,450 --> 01:28:13,750

difficult doesn't mean we won't do it

1753

01:28:17,250 --> 01:28:15,460

was hard to go to the water and we did

1754

01:28:19,530 --> 01:28:17,260

we came back and we'll go tomorrow

1755

01:28:20,250 --> 01:28:19,540

and we'll come back because that's who

1756

01:28:24,930 --> 01:28:20,260

we are

1757

01:28:27,959 --> 01:28:24,940

we're very special folks and we can do

1758

01:28:30,300 --> 01:28:27,969

it and we will do it and be off that as

1759

01:28:32,060 --> 01:28:30,310

Carl Sagan once said you're made of

1760

01:28:35,729 --> 01:28:32,070

starstuff

1761

01:28:37,350 --> 01:28:35,739

yeah molecules and atoms that your

1762

01:28:40,919 --> 01:28:37,360

bodies are made of it that this whole

1763

01:28:44,010 --> 01:28:40,929

place is made up for once at the heart

1764

01:28:48,419 --> 01:28:44,020

of the Stars own place many many years

1765

01:28:50,879 --> 01:28:48,429

ago and through a gradual process they

1766

01:28:53,280 --> 01:28:50,889

lighter elements turned into they denser

1767

01:28:56,160 --> 01:28:53,290

elements and here we are and pretty well

1768

01:28:58,290 --> 01:28:56,170

organized I would say we are made of

1769

01:28:59,790 --> 01:28:58,300

star stuff and I think that means a spur

1770

01:29:03,689 --> 01:28:59,800

of it we're going to go back to the

1771

01:29:07,280 --> 01:29:03,699

stars to the stars just think about it

1772

01:29:10,649 --> 01:29:07,290

the mind boggles the choice is simple

1773

01:29:12,959 --> 01:29:10,659

back into the paint or go to the stars

1774

01:29:15,510 --> 01:29:12,969

when I was 10 years of age I've made the

1775

01:29:17,520 --> 01:29:15,520

decision I think I'll go to the star the

1776

01:29:19,050 --> 01:29:17,530

help with the Kings thanks and gentlemen
