

The Skeptic Zone  
Show 398 - 5 June 2018

Galvin Von Crush

1  
00:00:22,460 --> 00:00:09,089  
welcome to the skeptic zone the podcast

2  
00:00:28,019 --> 00:00:25,290  
hello and welcome to the soggy Zone

3  
00:00:31,290 --> 00:00:28,029  
episode that's the skeptic sound really

4  
00:00:35,130 --> 00:00:31,300  
but it's soggy it is soggy wet windy

5  
00:00:36,930 --> 00:00:35,140  
rainy storms and I don't know what else

6  
00:00:39,020 --> 00:00:36,940  
is happening in Sydney at the moment

7  
00:00:43,290 --> 00:00:39,030  
this is the skeptics on episode number

8  
00:00:45,569 --> 00:00:43,300  
398 for the fifth of June 2016 I think

9  
00:00:49,439 --> 00:00:45,579  
Noah's Ark just just floated by my

10  
00:00:52,920 --> 00:00:49,449  
window it is pouring in Sydney we're

11  
00:00:57,679 --> 00:00:52,930  
having one of those record rain events

12  
00:00:59,969 --> 00:00:57,689  
here making everything very damp indeed

13  
00:01:02,579 --> 00:00:59,979

you can probably hear the rain out the

14

00:01:04,319 --> 00:01:02,589

window as I speak so for those of you

15

00:01:06,899 --> 00:01:04,329

listening in Sydney and the whole east

16

00:01:10,350 --> 00:01:06,909

coast of Australia at the moment I hope

17

00:01:13,499 --> 00:01:10,360

you can stay dry coming up on this week

18

00:01:16,830 --> 00:01:13,509

show more of Perak on the paranormal

19

00:01:19,050 --> 00:01:16,840

convention which I attended last weekend

20

00:01:22,620 --> 00:01:19,060

with our reporter Maynard I was very

21

00:01:24,120 --> 00:01:22,630

pleased to go along and give a talk this

22

00:01:27,000 --> 00:01:24,130

week may not we'll be interviewing

23

00:01:30,870 --> 00:01:27,010

Cheryl gotcha who is the president of

24

00:01:35,610 --> 00:01:30,880

the UFO research our group in Queensland

25

00:01:37,920 --> 00:01:35,620

a very interesting in a very interesting

26

00:01:40,020 --> 00:01:37,930

interview I think you'll find he also

27

00:01:42,180 --> 00:01:40,030

chats to some delegates going along and

28

00:01:45,600 --> 00:01:42,190

a really interesting character who was

29

00:01:48,149 --> 00:01:45,610

there by the name of Calvin von crush

30

00:01:49,890 --> 00:01:48,159

and Calvin all the way from the United

31

00:01:53,280 --> 00:01:49,900

States brought along with him a

32

00:01:56,399 --> 00:01:53,290

selection of bizarre paranormal

33

00:01:58,649 --> 00:01:56,409

memorabilia now Calvin is not a believer

34

00:02:01,140 --> 00:01:58,659

oh no and he makes that pretty clear in

35

00:02:03,210 --> 00:02:01,150

the interview but what a collection he

36

00:02:06,240 --> 00:02:03,220

had he had sort of funny sort of shunkan

37

00:02:08,999 --> 00:02:06,250

skulls and odd clippings from historical

38

00:02:11,460 --> 00:02:09,009

paranormal goings-on anyway find out

39

00:02:14,039 --> 00:02:11,470

more about Calvin von crush and those

40

00:02:15,839 --> 00:02:14,049

other people going up in maynard spooky

41

00:02:19,589 --> 00:02:15,849

action but before we get that I'll give

42

00:02:21,149 --> 00:02:19,599

a little sort of an editorial about some

43

00:02:23,850 --> 00:02:21,159

of these things on this week's show

44

00:02:26,780 --> 00:02:23,860

anyway after that it's Heidi Robertson

45

00:02:29,650 --> 00:02:26,790

the raw skeptic with a report on the

46

00:02:32,620 --> 00:02:29,660

shameful and disgraceful behave

47

00:02:34,630 --> 00:02:32,630

of a group of anti-vaxxers at a public

48

00:02:36,550 --> 00:02:34,640

talk in Western Australia just about a

49

00:02:40,390 --> 00:02:36,560

week ago see what happens when a group

50

00:02:43,570 --> 00:02:40,400

of anti-vaxxers disrupts a public

51  
00:02:45,430 --> 00:02:43,580  
meeting and again I'll be talking more

52  
00:02:47,950 --> 00:02:45,440  
about that in a moment into my little

53  
00:02:49,930 --> 00:02:47,960  
editorial then to round off the show

54  
00:02:52,600 --> 00:02:49,940  
it's a bit of fun from skeptics in the

55  
00:02:55,840 --> 00:02:52,610  
pub here in Sydney where I ask the big

56  
00:02:57,820 --> 00:02:55,850  
question about alien contact here on

57  
00:03:00,400 --> 00:02:57,830  
earth a little bit of lightheartedness

58  
00:03:02,950 --> 00:03:00,410  
to end up the skeptic zone this week a

59  
00:03:04,540 --> 00:03:02,960  
big thank you to all the people here in

60  
00:03:07,180 --> 00:03:04,550  
Sydney who came along to hear me talk

61  
00:03:10,510 --> 00:03:07,190  
just last night at the Australian

62  
00:03:13,540 --> 00:03:10,520  
skeptics dinner meeting I together with

63  
00:03:15,700 --> 00:03:13,550

the Lynn Kelly wonderful lady Lynn Kelly

64

00:03:19,000 --> 00:03:15,710

wonderful skeptic we gave a talk about

65

00:03:21,640 --> 00:03:19,010

secrets of the psychics and I got a

66

00:03:25,240 --> 00:03:21,650

really tip my hat to James Randi once

67

00:03:27,270 --> 00:03:25,250

again so many of the examples I was

68

00:03:29,860 --> 00:03:27,280

discussing and showing to the audience

69

00:03:32,560 --> 00:03:29,870

revolved around various things James

70

00:03:34,990 --> 00:03:32,570

Randi has done over the years now before

71

00:03:36,550 --> 00:03:35,000

we get on to me nods report and Heidi's

72

00:03:39,100 --> 00:03:36,560

report which are the important things

73

00:03:41,140 --> 00:03:39,110

coming up in this week's episode it

74

00:03:45,070 --> 00:03:41,150

occurred to me as I was putting the show

75

00:03:49,470 --> 00:03:45,080

together this week but what a what a

76  
00:03:54,100 --> 00:03:49,480  
connection there is in a way between the

77  
00:03:58,000 --> 00:03:54,110  
between the UFO believers and their ilk

78  
00:04:02,140 --> 00:03:58,010  
and the anti-vaxxers now what I mean by

79  
00:04:05,380 --> 00:04:02,150  
that is that it was brought home to me

80  
00:04:08,310 --> 00:04:05,390  
yet again as I was at the the convention

81  
00:04:11,080 --> 00:04:08,320  
the paranormal convention how much

82  
00:04:14,110 --> 00:04:11,090  
conspiracy theories play a part in both

83  
00:04:18,430 --> 00:04:14,120  
these outlooks we were told for example

84  
00:04:21,310 --> 00:04:18,440  
during the spirit contact UFO contact

85  
00:04:24,990 --> 00:04:21,320  
panel that i was attending in the

86  
00:04:27,370 --> 00:04:25,000  
audience that there's been a 70 here

87  
00:04:30,190 --> 00:04:27,380  
cover-up of the truth getting back to

88  
00:04:34,060 --> 00:04:30,200

conspiracy theories again things like

89

00:04:36,090 --> 00:04:34,070

you if UFO crashes why are there no bits

90

00:04:38,500 --> 00:04:36,100

and pieces left behind for us to examine

91

00:04:39,969 --> 00:04:38,510

it's because the military are tracking

92

00:04:41,439 --> 00:04:39,979

these things and they sweep up the mess

93

00:04:43,809 --> 00:04:41,449

as soon as it happens

94

00:04:46,629 --> 00:04:43,819

sort of a conspiracy theory I wouldn't

95

00:04:49,600 --> 00:04:46,639

be at all surprised if they think both

96

00:04:53,079 --> 00:04:49,610

groups in fact i'm sure the anti-vaxxers

97

00:04:55,239 --> 00:04:53,089

think this but probably many in the UFO

98

00:04:57,219 --> 00:04:55,249

community would think people like me

99

00:04:59,529 --> 00:04:57,229

people like you really listen to

100

00:05:03,610 --> 00:04:59,539

listening to this are also part of the

101  
00:05:06,519 --> 00:05:03,620  
conspiracy because why we don't accept

102  
00:05:08,619 --> 00:05:06,529  
the evidence they put forward and the

103  
00:05:14,230 --> 00:05:08,629  
evidence they put forward consists

104  
00:05:17,829 --> 00:05:14,240  
largely largely of reports stories it

105  
00:05:20,499 --> 00:05:17,839  
happened to me sort of thing and what

106  
00:05:23,260 --> 00:05:20,509  
they don't seem to understand is that in

107  
00:05:25,860 --> 00:05:23,270  
the scientific world of course reports

108  
00:05:29,950 --> 00:05:25,870  
and it happened to me and stories

109  
00:05:31,510 --> 00:05:29,960  
recounting what you remember oh it's one

110  
00:05:33,519 --> 00:05:31,520  
of the lowest forms of an effort and

111  
00:05:36,399 --> 00:05:33,529  
source Carl Sagan said it's crummy

112  
00:05:38,999 --> 00:05:36,409  
evidence these people the anti-vaxxers

113  
00:05:43,149 --> 00:05:39,009

in the UFO crowd as far as I can see

114

00:05:46,420 --> 00:05:43,159

certainly feed off each other so to

115

00:05:48,820 --> 00:05:46,430

speak reinforce their own beliefs

116

00:05:50,709 --> 00:05:48,830

continually it will let every group in

117

00:05:53,709 --> 00:05:50,719

society that does that to a degree I'm

118

00:05:55,600 --> 00:05:53,719

sure but these people do it without the

119

00:05:58,959 --> 00:05:55,610

solid evidence to back them up of course

120

00:06:01,449 --> 00:05:58,969

although remember to them they do have

121

00:06:04,659 --> 00:06:01,459

solid evidence it happened to me to them

122

00:06:06,670 --> 00:06:04,669

is as good as a piece of a UFO or

123

00:06:08,619 --> 00:06:06,680

something like that now one of the

124

00:06:10,480 --> 00:06:08,629

points I will make is that for many

125

00:06:13,800 --> 00:06:10,490

years skeptics have been saying that

126

00:06:16,749 --> 00:06:13,810

well with the advent of smartphones and

127

00:06:21,459 --> 00:06:16,759

high-definition digital video cameras

128

00:06:25,300 --> 00:06:21,469

that we should have seen a huge increase

129

00:06:28,719 --> 00:06:25,310

in good quality videos and photographs

130

00:06:30,820 --> 00:06:28,729

of UFOs belying alien spaceships or

131

00:06:33,399 --> 00:06:30,830

whatever or at least a huge increase in

132

00:06:35,610 --> 00:06:33,409

photographs and of course this hasn't

133

00:06:38,499 --> 00:06:35,620

happened in fact there's a good chance

134

00:06:42,489 --> 00:06:38,509

that you're listening to me now on a

135

00:06:44,739 --> 00:06:42,499

device which also incorporates a quality

136

00:06:48,219 --> 00:06:44,749

camera and a high-definition video

137

00:06:50,350 --> 00:06:48,229

camera right on your phone or if not you

138

00:06:53,230 --> 00:06:50,360

probably have access to one quite easily

139

00:06:54,250 --> 00:06:53,240

and so do millions of other people now I

140

00:06:55,540 --> 00:06:54,260

am and

141

00:06:57,880 --> 00:06:55,550

argument against that I think you'll

142

00:07:02,140 --> 00:06:57,890

hear coming up is that these cameras

143

00:07:04,180 --> 00:07:02,150

aren't good enough to take pictures of

144

00:07:06,190 --> 00:07:04,190

far away objects in space yet or

145

00:07:07,810 --> 00:07:06,200

something like that well I tried that

146

00:07:09,790 --> 00:07:07,820

out the other night just for myself I

147

00:07:11,620 --> 00:07:09,800

was in the city city lights all around

148

00:07:14,620 --> 00:07:11,630

me and there was a couple of stars

149

00:07:17,680 --> 00:07:14,630

peering through I could see I got up my

150

00:07:19,540 --> 00:07:17,690

um my iPhone and made a video and a

151  
00:07:20,860 --> 00:07:19,550  
photograph of the stars and you can do

152  
00:07:23,110 --> 00:07:20,870  
it and you could see the man it was an

153  
00:07:26,560 --> 00:07:23,120  
iphone 4s for heaven's sake which is a

154  
00:07:30,370 --> 00:07:26,570  
completely outdated obsolete model so no

155  
00:07:32,440 --> 00:07:30,380  
doubt many of you with your newer

156  
00:07:34,780 --> 00:07:32,450  
devices and you might try this for

157  
00:07:37,330 --> 00:07:34,790  
yourself try going out one night on a

158  
00:07:38,740 --> 00:07:37,340  
starry night in different lighting

159  
00:07:41,020 --> 00:07:38,750  
conditions and see if you can get

160  
00:07:42,820 --> 00:07:41,030  
adequate pictures of far away objects in

161  
00:07:45,520 --> 00:07:42,830  
space stars planets or than the moon

162  
00:07:49,780 --> 00:07:45,530  
what have you so yeah we should have

163  
00:07:54,940 --> 00:07:49,790

seen a huge spike in pictures of alien

164

00:07:57,640 --> 00:07:54,950

spacecraft if in fact they were here so

165

00:07:59,740 --> 00:07:57,650

keep that in mind as you listen to this

166

00:08:01,930 --> 00:07:59,750

week's show we've got the the UFO

167

00:08:05,800 --> 00:08:01,940

believers and the anti-vaccine spiracy

168

00:08:07,900 --> 00:08:05,810

people and wow what a report coming up

169

00:08:10,900 --> 00:08:07,910

from heidi with these are anti vax

170

00:08:13,810 --> 00:08:10,910

people disrupting invading we might say

171

00:08:16,480 --> 00:08:13,820

a public talk on vaccinations just

172

00:08:18,940 --> 00:08:16,490

disgraceful I think a few weeks ago I

173

00:08:21,520 --> 00:08:18,950

spoke about conspiracies being the

174

00:08:23,980 --> 00:08:21,530

rotten thread that binds a lot of these

175

00:08:26,110 --> 00:08:23,990

people together and also keep in mind

176

00:08:28,000 --> 00:08:26,120

what a skillful interviewer Maynard is

177

00:08:29,770 --> 00:08:28,010

when you listen to the first interview

178

00:08:33,130 --> 00:08:29,780

coming up with the president of the UFO

179

00:08:35,230 --> 00:08:33,140

research people from Queensland well

180

00:08:36,730 --> 00:08:35,240

done Maynard and speaking of Maine dad

181

00:08:38,860 --> 00:08:36,740

don't forget to visit the website of

182

00:08:40,719 --> 00:08:38,870

Maynard Maynard comdata you where you

183

00:08:42,159 --> 00:08:40,729

can listen to wonderful podcast such as

184

00:08:43,870 --> 00:08:42,169

bunga bunga and all sorts of other

185

00:08:45,730 --> 00:08:43,880

things but that's enough for me at the

186

00:08:47,170 --> 00:08:45,740

moment I'm going to run downstairs see

187

00:08:50,650 --> 00:08:47,180

if the cuts are still there or there

188

00:08:52,000 --> 00:08:50,660

swam away maybe grab myself some oh I've

189

00:08:55,240 --> 00:08:52,010

got them he actually folks I've got to

190

00:08:57,010 --> 00:08:55,250

be a peanut mochi balls mmm if you ever

191

00:09:00,130 --> 00:08:57,020

go to an asian supermarket here in

192

00:09:02,260 --> 00:09:00,140

Sydney or anywhere else I can recommend

193

00:09:04,569 --> 00:09:02,270

peanut mochis they're really good while

194

00:09:22,060 --> 00:09:04,579

I enjoy those I

195

00:09:30,509 --> 00:09:27,260

here's my not spooky action at the

196

00:09:35,680 --> 00:09:33,970

well this is we here at Paragon 2016 on

197

00:09:37,300 --> 00:09:35,690

the wind because I just had a lovely it

198

00:09:39,100 --> 00:09:37,310

look it's it's nice to be out in the Sun

199

00:09:40,540 --> 00:09:39,110

when we have it Cheryl got chill here

200

00:09:42,490 --> 00:09:40,550

Cheryl where are you from what

201  
00:09:44,949 --> 00:09:42,500  
organization and what panel are you just

202  
00:09:48,009 --> 00:09:44,959  
on okay well I'm from Brisbane I'm the

203  
00:09:51,220 --> 00:09:48,019  
president of UFO research Queensland and

204  
00:09:53,949 --> 00:09:51,230  
I was just on the EG contact and i think

205  
00:09:55,329 --> 00:09:53,959  
a teen spirit panel at Paracon yeah and

206  
00:09:57,460 --> 00:09:55,339  
you were covering a wide area because of

207  
00:09:59,410 --> 00:09:57,470  
you your office you've had a nd a

208  
00:10:01,540 --> 00:09:59,420  
near-death experience although do we

209  
00:10:03,819 --> 00:10:01,550  
should call it that or not ah look it's

210  
00:10:05,590 --> 00:10:03,829  
the closest thing that I can close this

211  
00:10:08,230 --> 00:10:05,600  
label I can put on which I think here

212  
00:10:10,389 --> 00:10:08,240  
yeah and love it was a wide-ranging

213  
00:10:13,180 --> 00:10:10,399

discussion we had talks of Gray's we had

214

00:10:15,129 --> 00:10:13,190

talks like yourself or the NDA um it did

215

00:10:17,819 --> 00:10:15,139

was it focused I was just a very broad

216

00:10:20,590 --> 00:10:17,829

chat you all had with everyone there um

217

00:10:23,110 --> 00:10:20,600

no there wasn't really a great focus but

218

00:10:25,269 --> 00:10:23,120

term oh of course the extra-terrestrial

219

00:10:27,819 --> 00:10:25,279

side of things is what interests people

220

00:10:30,100 --> 00:10:27,829

a lot these days so we covered a lot of

221

00:10:32,439 --> 00:10:30,110

that look I'm very interested in not

222

00:10:33,970 --> 00:10:32,449

anomalies in paranormal and like I love

223

00:10:36,189 --> 00:10:33,980

the high high side chat I love

224

00:10:37,960 --> 00:10:36,199

mysterious universe as podcasts ah and

225

00:10:39,670 --> 00:10:37,970

but when people say oh I think that

226

00:10:41,259 --> 00:10:39,680

they're this phenomenon is from a

227

00:10:43,600 --> 00:10:41,269

certain place there must be difficult

228

00:10:44,920 --> 00:10:43,610

because it could be difficult in our

229

00:10:47,410 --> 00:10:44,930

realm to tell the difference between

230

00:10:49,480 --> 00:10:47,420

aliens and something rules for another

231

00:10:51,160 --> 00:10:49,490

dimension or an ultra terrestrial or

232

00:10:52,749 --> 00:10:51,170

things like that so that does get very

233

00:10:55,300 --> 00:10:52,759

difficult yes it does and I actually

234

00:10:57,069 --> 00:10:55,310

spoke a bit about that yesterday about

235

00:10:59,699 --> 00:10:57,079

the connections between the UFO

236

00:11:04,449 --> 00:10:59,709

phenomenon and after life experiences

237

00:11:06,639 --> 00:11:04,459

because in some cases people can have

238

00:11:09,429 --> 00:11:06,649

interactions with something they might

239

00:11:11,769 --> 00:11:09,439

call extraterrestrial but we actually

240

00:11:13,840 --> 00:11:11,779

don't know what ultra extraterrestrials

241

00:11:16,509 --> 00:11:13,850

really are in the UFO community we

242

00:11:18,189 --> 00:11:16,519

consider that they are life forms that

243

00:11:20,199 --> 00:11:18,199

are non-human that come from another

244

00:11:23,110 --> 00:11:20,209

place but guess what that covers things

245

00:11:25,059 --> 00:11:23,120

like angels are a friend and masters all

246

00:11:27,490 --> 00:11:25,069

those lots of things so it does get very

247

00:11:29,769 --> 00:11:27,500

difficult to discern what's what and of

248

00:11:31,569 --> 00:11:29,779

course the skeptics all go show us the

249

00:11:33,370 --> 00:11:31,579

evidence and Damien in there made the

250

00:11:34,809 --> 00:11:33,380

interesting comment that until you've

251  
00:11:36,280 --> 00:11:34,819  
seen something through someone's eyes

252  
00:11:39,179 --> 00:11:36,290  
but because that is pretty much

253  
00:11:41,799 --> 00:11:39,189  
impossible it's very difficult hmm i

254  
00:11:42,730 --> 00:11:41,809  
received the reports from the public in

255  
00:11:46,329 --> 00:11:42,740  
brisbane or

256  
00:11:48,160 --> 00:11:46,339  
UFO reports there and I have spoken to

257  
00:11:51,190 --> 00:11:48,170  
so many witnesses who have said I've

258  
00:11:54,639 --> 00:11:51,200  
always been skeptical of the UFO yeah

259  
00:11:57,370 --> 00:11:54,649  
the idea of you if I was existing until

260  
00:11:59,199 --> 00:11:57,380  
I had this experience myself and it's

261  
00:12:00,400 --> 00:11:59,209  
just changed their whole outlook and I

262  
00:12:02,590 --> 00:12:00,410  
think it's like anything unless you

263  
00:12:04,420 --> 00:12:02,600

experience it yourself it's really hard

264

00:12:05,860 --> 00:12:04,430

to actually understand what it is and

265

00:12:07,840 --> 00:12:05,870

you must hear the phrase all the time

266

00:12:10,240 --> 00:12:07,850

which is the title of that of that great

267

00:12:11,889 --> 00:12:10,250

Fox not that other channel the person

268

00:12:14,139 --> 00:12:11,899

the Fox documentary I know what I saw

269

00:12:17,620 --> 00:12:14,149

you must hear that all the time hmm they

270

00:12:19,660 --> 00:12:17,630

do mostly and tell me so could we

271

00:12:22,060 --> 00:12:19,670

compare your organization to move on in

272

00:12:23,920 --> 00:12:22,070

the US or not well it's not as big as

273

00:12:26,769 --> 00:12:23,930

MUFON unfortunately in Australia we

274

00:12:32,170 --> 00:12:26,779

don't have many UFO researchers that are

275

00:12:33,820 --> 00:12:32,180

active or still alive but yes it's

276

00:12:35,320 --> 00:12:33,830

certainly along those lines that I'd

277

00:12:37,480 --> 00:12:35,330

like to ask you things seems have gone

278

00:12:39,250 --> 00:12:37,490

off the boil a little bit with UFOs and

279

00:12:41,620 --> 00:12:39,260

turned more to ghost hunters now has

280

00:12:42,639 --> 00:12:41,630

that been the TV documentaries that have

281

00:12:44,170 --> 00:12:42,649

done this what do you think might have

282

00:12:46,660 --> 00:12:44,180

changed the public's perception a bit

283

00:12:48,850 --> 00:12:46,670

there no I don't think so i think that

284

00:12:50,470 --> 00:12:48,860

that don't mean if you go to cable TV

285

00:12:53,190 --> 00:12:50,480

for example in Australia there are

286

00:12:55,960 --> 00:12:53,200

plenty of UFO documentaries on there

287

00:12:58,210 --> 00:12:55,970

things are being integrated you know

288

00:12:59,769 --> 00:12:58,220

it's like years ago a mediumship was

289

00:13:02,620 --> 00:12:59,779

very popular when you had the television

290

00:13:04,840 --> 00:13:02,630

show like medium you had Yellin ghost

291

00:13:09,699 --> 00:13:04,850

whisperer I mean those all these

292

00:13:11,920 --> 00:13:09,709

programs prod people's interests it but

293

00:13:13,690 --> 00:13:11,930

those programs come out of the minds of

294

00:13:15,639 --> 00:13:13,700

people who some of them have had

295

00:13:18,610 --> 00:13:15,649

experiences like Steven Spielberg for

296

00:13:20,889 --> 00:13:18,620

example he's had his own UFO experiences

297

00:13:22,960 --> 00:13:20,899

and what do you think would be the best

298

00:13:24,819 --> 00:13:22,970

evidence that you could provide for the

299

00:13:26,620 --> 00:13:24,829

skeptics to shut them what would you

300

00:13:28,000 --> 00:13:26,630

what would you think okay here's the

301  
00:13:30,010 --> 00:13:28,010  
evidence you always wonder what what

302  
00:13:31,900 --> 00:13:30,020  
would be your ideal nanny nanny an ear

303  
00:13:34,510 --> 00:13:31,910  
piece of evidence I think for me it

304  
00:13:37,810 --> 00:13:34,520  
would be whistleblower testimony of a

305  
00:13:40,840 --> 00:13:37,820  
military level astronauts talking about

306  
00:13:43,090 --> 00:13:40,850  
it you know coming forward I I don't

307  
00:13:45,310 --> 00:13:43,100  
think who else can you get you know I

308  
00:13:47,139 --> 00:13:45,320  
guess people or people also always say

309  
00:13:50,620 --> 00:13:47,149  
I'll give me a piece of a spaceship yeah

310  
00:13:52,000 --> 00:13:50,630  
and it's not going to happen and if

311  
00:13:54,010 --> 00:13:52,010  
because even it would be hard to prove

312  
00:13:55,319 --> 00:13:54,020  
it was wouldn't it sometimes well I

313  
00:13:57,449 --> 00:13:55,329

think you

314

00:13:58,710 --> 00:13:57,459

yes and no it depends on the lab that

315

00:14:00,299 --> 00:13:58,720

you can take it to and the

316

00:14:03,059 --> 00:14:00,309

qualifications of the people that are

317

00:14:04,739 --> 00:14:03,069

looking at it you're not going to get

318

00:14:08,789 --> 00:14:04,749

that though because I think that as soon

319

00:14:10,319 --> 00:14:08,799

as say a spaceship say crushers the

320

00:14:12,119 --> 00:14:10,329

military they've already tracking it

321

00:14:13,829 --> 00:14:12,129

before anyone gets there they're going

322

00:14:18,359 --> 00:14:13,839

to be the first on the scene that came

323

00:14:19,799 --> 00:14:18,369

it all up you know but um yeah why not

324

00:14:21,689 --> 00:14:19,809

going to thank you as someone who has

325

00:14:23,309 --> 00:14:21,699

studies anomalies in Queensland what's

326

00:14:25,350 --> 00:14:23,319

the most flush frustrating thing on a

327

00:14:26,699 --> 00:14:25,360

weekly basis you go half anyway at this

328

00:14:29,039 --> 00:14:26,709

or if only we could have that happen

329

00:14:30,869 --> 00:14:29,049

yeah oh gee that's a good question isn't

330

00:14:32,879 --> 00:14:30,879

it because there must be so many cases

331

00:14:35,429 --> 00:14:32,889

that are kind of becoming compelling and

332

00:14:37,199 --> 00:14:35,439

then you get some point guitar we know

333

00:14:39,179 --> 00:14:37,209

what I would actually like a big fat key

334

00:14:41,340 --> 00:14:39,189

to stick in people's minds and open them

335

00:14:42,840 --> 00:14:41,350

up that's what I'd like so you can find

336

00:14:44,579 --> 00:14:42,850

out what really happened there in three

337

00:14:47,489 --> 00:14:44,589

dimensions and go wow that's what they

338

00:14:49,829 --> 00:14:47,499

saw no no not like that i mean i mean in

339

00:14:52,679 --> 00:14:49,839

the public's mind because it's not a bad

340

00:14:55,829 --> 00:14:52,689

belief it's about acceptance or denial

341

00:14:58,710 --> 00:14:55,839

of evidence that's what it's about so

342

00:15:00,299 --> 00:14:58,720

i've used i entered to you if I feel

343

00:15:03,210 --> 00:15:00,309

thinking that if I could gather enough

344

00:15:05,909 --> 00:15:03,220

evidence and lay it at the feet of the

345

00:15:07,710 --> 00:15:05,919

skeptics for example and then they would

346

00:15:09,749 --> 00:15:07,720

automatically go all varieties there's

347

00:15:12,119 --> 00:15:09,759

the evidence but you know what we all

348

00:15:14,850 --> 00:15:12,129

have a mindset whether it's skeptical or

349

00:15:16,949 --> 00:15:14,860

non skeptical it's all about where our

350

00:15:21,179 --> 00:15:16,959

minds will go where our minds will let

351

00:15:22,559 --> 00:15:21,189

us go right so um it's about um I can

352

00:15:24,780 --> 00:15:22,569

have all the evidence I like but unless

353

00:15:26,819 --> 00:15:24,790

you accept it I can't change anyone's

354

00:15:28,650 --> 00:15:26,829

mind so you're saying that sometimes the

355

00:15:30,119 --> 00:15:28,660

skeptics move the goalposts themselves

356

00:15:31,679 --> 00:15:30,129

sometimes they were just suggesting oh

357

00:15:33,419 --> 00:15:31,689

look i think we all move around

358

00:15:35,069 --> 00:15:33,429

goalposts you i'm not going to pick on

359

00:15:36,720 --> 00:15:35,079

the skeptics we all have our own

360

00:15:38,519 --> 00:15:36,730

perceptual frameworks that we view the

361

00:15:40,470 --> 00:15:38,529

world through so yeah and what's it like

362

00:15:42,689 --> 00:15:40,480

to come to a conference like this do you

363

00:15:44,759 --> 00:15:42,699

go to many like these in Australia yes

364

00:15:46,379 --> 00:15:44,769

when they're on yes and we don't have

365

00:15:48,439 --> 00:15:46,389

many of them do it we don't have enough

366

00:15:51,239 --> 00:15:48,449

we don't have it I do like to see

367

00:15:53,579 --> 00:15:51,249

perricone Australia because we're

368

00:15:55,289 --> 00:15:53,589

crossing the fields with UFO phenomenon

369

00:15:56,879 --> 00:15:55,299

and the pattern the paranormal the

370

00:15:59,340 --> 00:15:56,889

ghosts whispering if you like all that

371

00:16:02,220 --> 00:15:59,350

sort of stuff um but I'd like to see

372

00:16:04,199 --> 00:16:02,230

more what's a big one in Queensland you

373

00:16:05,999 --> 00:16:04,209

have is a 10 statewide one you have

374

00:16:07,619 --> 00:16:06,009

there one to you and not at the moment

375

00:16:09,030 --> 00:16:07,629

we used to have them we used to have

376

00:16:11,100 --> 00:16:09,040

national UFO conference

377

00:16:13,350 --> 00:16:11,110

but it just focus on the UFO subject I

378

00:16:15,569 --> 00:16:13,360

like to see a conference that would

379

00:16:19,740 --> 00:16:15,579

emerge that covers everything you know

380

00:16:21,689 --> 00:16:19,750

everything anomalous we do have a summit

381

00:16:24,660 --> 00:16:21,699

coming up on the Gold Coast in August

382

00:16:27,480 --> 00:16:24,670

call the paradigm shift summit there is

383

00:16:29,309 --> 00:16:27,490

a close encounter / afterlife conference

384

00:16:31,740 --> 00:16:29,319

coming up in byron bay in January next

385

00:16:34,699 --> 00:16:31,750

year and it's nice to see two new

386

00:16:38,309 --> 00:16:34,709

conferences coming up that are crossing

387

00:16:40,680 --> 00:16:38,319

parameters of subjects but I'd like to

388

00:16:42,240 --> 00:16:40,690

see something else where can we interact

389

00:16:43,530 --> 00:16:42,250

with you online and see your website and

390

00:16:46,559 --> 00:16:43,540

find out what's going on in the skies of

391

00:16:49,680 --> 00:16:46,569

Queensland okay you can go to a UFO

392

00:16:52,439 --> 00:16:49,690

research Queensland so it's UFO rqj snd

393

00:16:55,920 --> 00:16:52,449

you you can go to our facebook page UFO

394

00:16:58,199 --> 00:16:55,930

research Queensland and I also run a

395

00:17:00,569 --> 00:16:58,209

page with a colleague called strange

396

00:17:02,610 --> 00:17:00,579

encounters down under it's a Facebook

397

00:17:03,930 --> 00:17:02,620

page you can go there too well and you

398

00:17:06,569 --> 00:17:03,940

put up lots of the photos that are

399

00:17:08,130 --> 00:17:06,579

recent um we don't put up a lot of

400

00:17:09,960 --> 00:17:08,140

photos because a lot of photos these

401

00:17:12,539 --> 00:17:09,970

days that are taken and not quality

402

00:17:14,250 --> 00:17:12,549

photos because you you lose the quality

403

00:17:16,199 --> 00:17:14,260

on the camera phones and that's what

404

00:17:17,370 --> 00:17:16,209

everybody's got these days that's the

405

00:17:18,840 --> 00:17:17,380

thing as if it goes on there must be

406

00:17:19,949 --> 00:17:18,850

photos all the time all year people are

407

00:17:21,659 --> 00:17:19,959

taken them at camera phones but

408

00:17:24,120 --> 00:17:21,669

particularly for a bright light at night

409

00:17:25,710 --> 00:17:24,130

on a dark background oh yeah and the

410

00:17:28,319 --> 00:17:25,720

other thing is people don't know how to

411

00:17:29,850 --> 00:17:28,329

take photos of anomalous they don't know

412

00:17:31,409 --> 00:17:29,860

that you've got to get something else in

413

00:17:32,549 --> 00:17:31,419

the frame but don't know that if you've

414

00:17:34,710 --> 00:17:32,559

gotta like you've got to put something

415

00:17:36,840 --> 00:17:34,720

still like a tree or a clothesline or a

416

00:17:39,060 --> 00:17:36,850

roof corner it's got to be there in

417

00:17:40,590 --> 00:17:39,070

comparison and often anomalies don't

418

00:17:42,780 --> 00:17:40,600

behave in a way where they can be near

419

00:17:44,370 --> 00:17:42,790

something for scale exactly they just

420

00:17:46,200 --> 00:17:44,380

they happen when they happen you know

421

00:17:49,350 --> 00:17:46,210

what can you do look thank you very much

422

00:17:50,760 --> 00:17:49,360

for your time you're very welcome look

423

00:17:52,649 --> 00:17:50,770

one of the great things about pero con

424

00:17:54,120 --> 00:17:52,659

2016 is you get people talking about

425

00:17:56,039 --> 00:17:54,130

things they wouldn't normally talk about

426

00:17:57,990 --> 00:17:56,049

because they go I know but here

427

00:18:00,870 --> 00:17:58,000

everything's on show but who we got here

428

00:18:02,880 --> 00:18:00,880

this time hi my name is Emma I'm Aaron

429

00:18:05,850 --> 00:18:02,890

and what are your anomalous area

430

00:18:09,180 --> 00:18:05,860

interests are just like a good ghost

431

00:18:12,720 --> 00:18:09,190

yeah a good ghost story and a good guy

432

00:18:15,240 --> 00:18:12,730

siding anything ghostly really yeah more

433

00:18:17,549 --> 00:18:15,250

jewel thing same time into the guys but

434

00:18:19,590 --> 00:18:17,559

and I think it's a bit of fun I don't

435

00:18:21,030 --> 00:18:19,600

take it too seriously yeah either of you

436

00:18:21,850 --> 00:18:21,040

had your own experiences or just like

437

00:18:23,919 --> 00:18:21,860

hearing about other ones

438

00:18:25,750 --> 00:18:23,929

me no matter what it is no matter how

439

00:18:27,390 --> 00:18:25,760

believable or unbelievable is I find the

440

00:18:29,289 --> 00:18:27,400

whole thing of its spooky get the whole

441

00:18:31,780 --> 00:18:29,299

after death thing I find that a bit

442

00:18:33,400 --> 00:18:31,790

frightening yeah yeah it definitely is

443

00:18:35,230 --> 00:18:33,410

it's it's the whole unknown and there's

444

00:18:37,330 --> 00:18:35,240

not a lot that some known anymore maybe

445

00:18:39,310 --> 00:18:37,340

there is and we just you know but I do

446

00:18:41,049 --> 00:18:39,320

like a good ghost story but I have had a

447

00:18:42,549 --> 00:18:41,059

couple of experiences that I'm still

448

00:18:45,160 --> 00:18:42,559

making sense of that I think are quite

449

00:18:48,580 --> 00:18:45,170

interesting and as long as you have fun

450

00:18:51,190 --> 00:18:48,590

with it then I guess party your interest

451  
00:18:53,350 --> 00:18:51,200  
is at some outside everyday life it is

452  
00:18:55,270 --> 00:18:53,360  
pretty intriguing it is and that's a

453  
00:18:57,730 --> 00:18:55,280  
that's why I find it fascinating and I

454  
00:18:59,440 --> 00:18:57,740  
don't necessarily you know live my whole

455  
00:19:02,110 --> 00:18:59,450  
life by it but i really like a good

456  
00:19:03,159 --> 00:19:02,120  
ghost hunt every now and then and what's

457  
00:19:04,720 --> 00:19:03,169  
been your favorite thing you've

458  
00:19:07,419 --> 00:19:04,730  
encountered over this weekend here at

459  
00:19:10,630 --> 00:19:07,429  
Paragon oh I've liked I liked the show

460  
00:19:11,710 --> 00:19:10,640  
inhale the haunted objects and what was

461  
00:19:13,360 --> 00:19:11,720  
your favorite hundred object what do

462  
00:19:15,250 --> 00:19:13,370  
they have like like like I don't know a

463  
00:19:18,549 --> 00:19:15,260

dog that has silent bark or something

464

00:19:20,980 --> 00:19:18,559

like that what they have heads and your

465

00:19:22,690 --> 00:19:20,990

favorite a spirit trumpet a spirit

466

00:19:23,860 --> 00:19:22,700

trumpet well what it was the ghost of

467

00:19:25,900 --> 00:19:23,870

blood Miller what was going on there

468

00:19:28,270 --> 00:19:25,910

it's what the odd Spiritist used to use

469

00:19:30,580 --> 00:19:28,280

to you know obviously put on a

470

00:19:32,230 --> 00:19:30,590

performance with the ectoplasm and the

471

00:19:33,580 --> 00:19:32,240

spirit trumpet the voice would come

472

00:19:35,470 --> 00:19:33,590

through the spirit trouble and do they

473

00:19:37,900 --> 00:19:35,480

have ectoplasm flying out the trumpet

474

00:19:39,820 --> 00:19:37,910

bill well yeah I think that's apparently

475

00:19:41,049 --> 00:19:39,830

part of the phenomena yeah that would

476

00:19:43,780 --> 00:19:41,059

have been a thing to say wouldn't it

477

00:19:45,520 --> 00:19:43,790

that's it yeah those those Victorian

478

00:19:47,860 --> 00:19:45,530

séances with the little tricky things I

479

00:19:49,000 --> 00:19:47,870

used to have but what do you think now

480

00:19:50,590 --> 00:19:49,010

you think how can they possibly have

481

00:19:52,150 --> 00:19:50,600

gotten away with that why I want people

482

00:19:53,440 --> 00:19:52,160

to wake up too because it looks like if

483

00:19:55,570 --> 00:19:53,450

you look carefully you might have seen

484

00:19:57,310 --> 00:19:55,580

what they were doing Oh totally I think

485

00:19:59,860 --> 00:19:57,320

they were just very good at the whole

486

00:20:02,110 --> 00:19:59,870

show of you know putting on the

487

00:20:03,909 --> 00:20:02,120

spectacle and people sort of obviously

488

00:20:05,409 --> 00:20:03,919

needing to have that in their lives and

489

00:20:07,990 --> 00:20:05,419

I think that's what draws us here too

490

00:20:09,340 --> 00:20:08,000

even though you know there's always been

491

00:20:10,990 --> 00:20:09,350

an interest people have always tried to

492

00:20:13,240 --> 00:20:11,000

make sense of things and sometimes in a

493

00:20:15,310 --> 00:20:13,250

very superstitious way perhaps and that

494

00:20:17,200 --> 00:20:15,320

just seems to be part of our human make

495

00:20:19,000 --> 00:20:17,210

up in some ways we can't explain

496

00:20:21,580 --> 00:20:19,010

something we looked to a superstitious

497

00:20:22,870 --> 00:20:21,590

bit maybe well look thank you for your

498

00:20:24,850 --> 00:20:22,880

time and that you'd say reckon you might

499

00:20:26,020 --> 00:20:24,860

be back next year and does it doesn't

500

00:20:28,450 --> 00:20:26,030

look here we're looking right at the

501  
00:20:30,280 --> 00:20:28,460  
Carrington and that it looks grand and

502  
00:20:32,440 --> 00:20:30,290  
it just looks a bit that's a place with

503  
00:20:35,810 --> 00:20:32,450  
secrets isn't it oh absolutely how I'd

504  
00:20:42,389 --> 00:20:40,470  
thanks for your time no raise right now

505  
00:20:43,799 --> 00:20:42,399  
as you know I'm a terrible trombone

506  
00:20:45,960 --> 00:20:43,809  
player but I've found something here

507  
00:20:48,210 --> 00:20:45,970  
that might be right up my alley

508  
00:20:50,519 --> 00:20:48,220  
literally it's not Glenn Miller's

509  
00:20:51,749 --> 00:20:50,529  
trumpet as I suspected earlier but you

510  
00:20:53,580 --> 00:20:51,759  
hear someone who's going till it's all

511  
00:20:55,499 --> 00:20:53,590  
about who we got here and what is that

512  
00:20:58,049 --> 00:20:55,509  
hey how are you are my name is Calvin

513  
00:21:00,779 --> 00:20:58,059

van crush I am in a cult collector from

514

00:21:02,519 --> 00:21:00,789

the Americas but I'm also a devout

515

00:21:04,580 --> 00:21:02,529

skeptic an atheist and I don't believe

516

00:21:08,220 --> 00:21:04,590

in any of this crap but i do love

517

00:21:09,840 --> 00:21:08,230

surrounding myself by the history and

518

00:21:13,320 --> 00:21:09,850

the object that you can't see in front

519

00:21:14,629 --> 00:21:13,330

of us is a genuine spirit trumpet and it

520

00:21:17,789 --> 00:21:14,639

up for Richard Saunders to take a photo

521

00:21:20,460 --> 00:21:17,799

so this is a genuine spirit trumpet that

522

00:21:23,789 --> 00:21:20,470

was produced in the 1920s out of Indiana

523

00:21:26,039 --> 00:21:23,799

by a man named Everett at would echo EA

524

00:21:27,930 --> 00:21:26,049

Eckel and this little device right here

525

00:21:30,359 --> 00:21:27,940

is something he marketed called a

526  
00:21:33,180 --> 00:21:30,369  
luminous ring and for you viewers who

527  
00:21:35,129 --> 00:21:33,190  
can't see it it's just a simple metallic

528  
00:21:36,779 --> 00:21:35,139  
band that wraps around it and it's got

529  
00:21:38,399 --> 00:21:36,789  
like a dirty looking paint on it but at

530  
00:21:39,629 --> 00:21:38,409  
one point in time that paint was

531  
00:21:41,549 --> 00:21:39,639  
radioactive and it glowed in the dark

532  
00:21:42,989 --> 00:21:41,559  
yes I was a better site back in that

533  
00:21:44,580 --> 00:21:42,999  
died only way you could do that would be

534  
00:21:47,099 --> 00:21:44,590  
to radioactive so wouldn't have been a

535  
00:21:48,419 --> 00:21:47,109  
good idea right luckily it's no longer

536  
00:21:50,070 --> 00:21:48,429  
radioactive it came right through

537  
00:21:52,229 --> 00:21:50,080  
customs nobody stopped me they didn't

538  
00:21:53,940 --> 00:21:52,239

think I had a dirty bomb um but now I

539

00:21:55,889 --> 00:21:53,950

think one of the biggest misconceptions

540

00:21:57,779 --> 00:21:55,899

that people have about spirit trumpets

541

00:21:59,940 --> 00:21:57,789

is that they compressed so you can sneak

542

00:22:02,009 --> 00:21:59,950

them into a seance and that's wrong I

543

00:22:03,629 --> 00:22:02,019

mean even snuck into a room it would

544

00:22:05,759 --> 00:22:03,639

still generate a lot of noise because

545

00:22:07,590 --> 00:22:05,769

it's made of 10 what would they pull a

546

00:22:09,210 --> 00:22:07,600

the ectoplasm strings out of it they

547

00:22:10,139 --> 00:22:09,220

what would I do exactly it and explain

548

00:22:11,909 --> 00:22:10,149

to people what that is because I was

549

00:22:13,470 --> 00:22:11,919

talking to some people that saw your

550

00:22:15,359 --> 00:22:13,480

talk and they were talking all about

551  
00:22:17,609 --> 00:22:15,369  
this so this would have been used during

552  
00:22:19,769 --> 00:22:17,619  
the Victorian period well this one is

553  
00:22:22,080 --> 00:22:19,779  
specifically from the 1920s so it's post

554  
00:22:23,909 --> 00:22:22,090  
Victorian era um but spiritualism was

555  
00:22:27,060 --> 00:22:23,919  
still very very popular in that day in

556  
00:22:29,310 --> 00:22:27,070  
trumpet mediumship is a form of physical

557  
00:22:30,960 --> 00:22:29,320  
mediumship it wasn't just something that

558  
00:22:32,399 --> 00:22:30,970  
was open to interpretation it was

559  
00:22:34,200 --> 00:22:32,409  
something that was meant to be seen

560  
00:22:36,629 --> 00:22:34,210  
hence the glow-in-the-dark ring in

561  
00:22:38,430 --> 00:22:36,639  
complete darkness a fraudulent medium

562  
00:22:39,869 --> 00:22:38,440  
would be able to lift this up and move

563  
00:22:41,310 --> 00:22:39,879

it about the room and as long as she

564

00:22:43,289 --> 00:22:41,320

didn't place her hand in front of the

565

00:22:45,930 --> 00:22:43,299

glowing ring it would look like it was

566

00:22:46,920 --> 00:22:45,940

unguided in the air so you'll see a lot

567

00:22:48,120 --> 00:22:46,930

of the fake photos

568

00:22:49,800 --> 00:22:48,130

that they say we're done with infrared

569

00:22:52,040 --> 00:22:49,810

cameras or they don't want motion

570

00:22:54,030 --> 00:22:52,050

detectors that there is a weird

571

00:22:56,280 --> 00:22:54,040

substance coming out of their body

572

00:22:59,160 --> 00:22:56,290

orifices and we're talking every orifice

573

00:23:00,840 --> 00:22:59,170

possible noses mouths ears belly buttons

574

00:23:03,750 --> 00:23:00,850

um so yeah that was supposed to be

575

00:23:05,310 --> 00:23:03,760

evidence for them to see it now there

576  
00:23:07,710 --> 00:23:05,320  
were so many reasons why they said you

577  
00:23:10,050 --> 00:23:07,720  
couldn't test the ectoplasm one of them

578  
00:23:11,610 --> 00:23:10,060  
was because it was connected to the

579  
00:23:13,590 --> 00:23:11,620  
medium and if you touched it she would

580  
00:23:15,450 --> 00:23:13,600  
die so that was their failsafe to

581  
00:23:17,370 --> 00:23:15,460  
prevent people from testing it another

582  
00:23:19,830 --> 00:23:17,380  
was that if it was exposed to light it

583  
00:23:21,090 --> 00:23:19,840  
would it would dissipate immediately but

584  
00:23:23,100 --> 00:23:21,100  
sometimes you were able to get a

585  
00:23:25,170 --> 00:23:23,110  
sampling of it and when tested it was

586  
00:23:27,750 --> 00:23:25,180  
found to be chewed paper cheesecloth

587  
00:23:30,510 --> 00:23:27,760  
cotton like I said that one hand was

588  
00:23:33,540 --> 00:23:30,520

actually meet of course as anyone

589

00:23:36,000 --> 00:23:33,550

recently at flora as a performance

590

00:23:37,980 --> 00:23:36,010

recreated those Victorian an early 20th

591

00:23:39,450 --> 00:23:37,990

century seances any magicians done that

592

00:23:42,360 --> 00:23:39,460

just for entertainment yeah yeah

593

00:23:45,150 --> 00:23:42,370

actually spook shows in the 1950s were

594

00:23:48,210 --> 00:23:45,160

very very popular and it was magicians

595

00:23:50,220 --> 00:23:48,220

replicating spiritualist seances a very

596

00:23:53,940 --> 00:23:50,230

very recent one was a gentleman named

597

00:23:57,060 --> 00:23:53,950

Todd Robbins I believe he was helped by

598

00:23:58,980 --> 00:23:57,070

pinner teller oh it was uh it was teller

599

00:24:01,920 --> 00:23:58,990

teller and him wrote an off-broadway

600

00:24:03,630 --> 00:24:01,930

play called play dead oh I've seen that

601  
00:24:05,970 --> 00:24:03,640  
it's a great movie it's a great movie

602  
00:24:08,190 --> 00:24:05,980  
please go see play dead because most it

603  
00:24:09,780 --> 00:24:08,200  
was shot in the dark yeah um so yeah

604  
00:24:11,610 --> 00:24:09,790  
yeah they did and now I've seen the live

605  
00:24:13,350 --> 00:24:11,620  
performance and in the live performance

606  
00:24:16,170 --> 00:24:13,360  
they actually have a spirit trumpet that

607  
00:24:17,670 --> 00:24:16,180  
floats down um and it looks like it's

608  
00:24:19,710 --> 00:24:17,680  
floating magically you can't see the

609  
00:24:21,540 --> 00:24:19,720  
wires or anything and as it points to

610  
00:24:23,250 --> 00:24:21,550  
you the sound magnifies and you can hear

611  
00:24:25,560 --> 00:24:23,260  
the voices and everything like that play

612  
00:24:26,640 --> 00:24:25,570  
dead was absolutely fantastic I think

613  
00:24:28,140 --> 00:24:26,650

that's the closest thing we're ever

614

00:24:29,580 --> 00:24:28,150

going to get to see a classic spook show

615

00:24:31,650 --> 00:24:29,590

in this modern era and the great thing

616

00:24:33,060 --> 00:24:31,660

is to they go to great lengths to tell

617

00:24:35,160 --> 00:24:33,070

you that they're not channeling anything

618

00:24:37,170 --> 00:24:35,170

it's done with a combination of cold and

619

00:24:38,550 --> 00:24:37,180

hot reading isn't it absolutely and of

620

00:24:40,590 --> 00:24:38,560

course when he's doing it in complete

621

00:24:42,030 --> 00:24:40,600

darkness he's got people in the audience

622

00:24:44,850 --> 00:24:42,040

that are wearing night-vision glasses

623

00:24:47,280 --> 00:24:44,860

helping produce this stuff um I think

624

00:24:49,170 --> 00:24:47,290

that's that's an amazing thing for

625

00:24:51,720 --> 00:24:49,180

people to witness because it shows how

626

00:24:53,640 --> 00:24:51,730

powerful that strength of belief is for

627

00:24:56,580 --> 00:24:53,650

people to believe in this phenomenon and

628

00:24:57,930 --> 00:24:56,590

as an atheist and escape dick when you

629

00:25:00,000 --> 00:24:57,940

come to a conference like this is it

630

00:25:02,280 --> 00:25:00,010

some things that concern you sometimes

631

00:25:04,500 --> 00:25:02,290

so what people are getting into you know

632

00:25:07,800 --> 00:25:04,510

um you're right there are things that

633

00:25:10,200 --> 00:25:07,810

concern me um I I do believe there is a

634

00:25:12,570 --> 00:25:10,210

certain amount to the paranormal that is

635

00:25:14,940 --> 00:25:12,580

just entertainment and that is fun and

636

00:25:16,710 --> 00:25:14,950

games I have no problem with somebody

637

00:25:18,120 --> 00:25:16,720

shelling out five bucks for a palm

638

00:25:20,790 --> 00:25:18,130

reading or something like that anybody

639

00:25:22,380 --> 00:25:20,800

can live without five bucks my big

640

00:25:24,060 --> 00:25:22,390

problem is when you have mediums

641

00:25:26,190 --> 00:25:24,070

charging people hundreds and hundreds of

642

00:25:27,960 --> 00:25:26,200

dollars you know to communicate with a

643

00:25:31,290 --> 00:25:27,970

dead loved one I really believe that's

644

00:25:34,560 --> 00:25:31,300

victimization so I'm in a funny spot

645

00:25:37,140 --> 00:25:34,570

with skeptics and the paranormal I have

646

00:25:38,460 --> 00:25:37,150

skeptics who think I'm foolish for going

647

00:25:39,870 --> 00:25:38,470

to the paranormal conventions and

648

00:25:42,270 --> 00:25:39,880

hanging out with you stay but as I like

649

00:25:46,110 --> 00:25:42,280

to refer truck by both sides yeah yeah

650

00:25:47,820 --> 00:25:46,120

and then again um I I love visiting old

651  
00:25:49,350 --> 00:25:47,830  
places in doing the paranormal

652  
00:25:51,360 --> 00:25:49,360  
investigations and stuff but I reached

653  
00:25:53,130 --> 00:25:51,370  
out to local teams in my area and they

654  
00:25:55,260 --> 00:25:53,140  
want nothing to do with me because I

655  
00:25:57,240 --> 00:25:55,270  
collect these occult relics and as much

656  
00:25:59,190 --> 00:25:57,250  
as I tell them I collect these items to

657  
00:26:01,080 --> 00:25:59,200  
show that there's no strength in it my

658  
00:26:02,400 --> 00:26:01,090  
house is not haunted I sleep like a baby

659  
00:26:03,840 --> 00:26:02,410  
but still they don't want to be

660  
00:26:05,640 --> 00:26:03,850  
associated with Ouija boards and stuff

661  
00:26:07,530 --> 00:26:05,650  
like that so these necessarily religious

662  
00:26:09,870 --> 00:26:07,540  
people is that the wangler I come from

663  
00:26:12,090 --> 00:26:09,880

wearing about it you know it I wouldn't

664

00:26:14,310 --> 00:26:12,100

say that belief in the paranormal is a

665

00:26:17,280 --> 00:26:14,320

religion in itself it's not spiritualism

666

00:26:20,310 --> 00:26:17,290

but it is very much a part of people's

667

00:26:22,290 --> 00:26:20,320

individual faith and identity so they

668

00:26:23,820 --> 00:26:22,300

don't like being challenged people want

669

00:26:26,310 --> 00:26:23,830

to believe that there's so much more

670

00:26:27,750 --> 00:26:26,320

that happens when we die um and believe

671

00:26:30,480 --> 00:26:27,760

me I would love a love for that to

672

00:26:33,210 --> 00:26:30,490

happen to my outlook is very grim when I

673

00:26:34,560 --> 00:26:33,220

die I just rot in the ground I would

674

00:26:36,240 --> 00:26:34,570

love to be able to visit all my dead

675

00:26:38,460 --> 00:26:36,250

relatives you know this is something i

676

00:26:41,010 --> 00:26:38,470

like talking to it people to is that if

677

00:26:43,140 --> 00:26:41,020

you could reliably communicate with dead

678

00:26:45,120 --> 00:26:43,150

people that would so fundamentally

679

00:26:47,910 --> 00:26:45,130

change our society that our society

680

00:26:49,350 --> 00:26:47,920

would become unrecognizable um you're

681

00:26:52,410 --> 00:26:49,360

right i I think it we would actually

682

00:26:54,900 --> 00:26:52,420

develop a utopian society because if we

683

00:26:56,790 --> 00:26:54,910

could prove that we are all one being

684

00:26:58,470 --> 00:26:56,800

that has an afterlife and stuff like

685

00:27:00,270 --> 00:26:58,480

that and it doesn't matter what the name

686

00:27:02,460 --> 00:27:00,280

of your God is we all have an existence

687

00:27:04,650 --> 00:27:02,470

that is greater beyond us it would make

688

00:27:06,150 --> 00:27:04,660

things amazing and I think that's the

689

00:27:08,910 --> 00:27:06,160

struggle with the paranormal community

690

00:27:10,590 --> 00:27:08,920

as they hoard their evidence and they

691

00:27:13,250 --> 00:27:10,600

don't share it with the world think

692

00:27:15,440 --> 00:27:13,260

about how idiotic it would be if

693

00:27:16,880 --> 00:27:15,450

his developed a cure for cancer and they

694

00:27:18,170 --> 00:27:16,890

said you know we've got this cure but

695

00:27:19,550 --> 00:27:18,180

we're not going to release it because

696

00:27:21,530 --> 00:27:19,560

we're not sure about it yet we're really

697

00:27:23,480 --> 00:27:21,540

gonna wait until we get that that TV

698

00:27:25,820 --> 00:27:23,490

contract that would be preposterous

699

00:27:27,620 --> 00:27:25,830

that's why the paranormal is never going

700

00:27:28,970 --> 00:27:27,630

to be accepted as a full science and

701  
00:27:30,620 --> 00:27:28,980  
it's always going to be pseudoscience

702  
00:27:33,080 --> 00:27:30,630  
because they don't apply the same

703  
00:27:34,490 --> 00:27:33,090  
scientific methods as much as they say

704  
00:27:36,620 --> 00:27:34,500  
they do it's just not going to be

705  
00:27:38,210 --> 00:27:36,630  
feasible and you've said that the

706  
00:27:39,500 --> 00:27:38,220  
skeptics get on g for coming to

707  
00:27:41,690 --> 00:27:39,510  
something like this new clothes the the

708  
00:27:43,760 --> 00:27:41,700  
people who are into the paranormal going

709  
00:27:45,920 --> 00:27:43,770  
all you you'll hear the bunkers and make

710  
00:27:47,600 --> 00:27:45,930  
fun of this right you know in australia

711  
00:27:49,280 --> 00:27:47,610  
i must say that that atmosphere is not

712  
00:27:51,110 --> 00:27:49,290  
the same everybody here has been very

713  
00:27:52,430 --> 00:27:51,120

very welcoming and even when i tell them

714

00:27:53,900 --> 00:27:52,440

that i don't believe in any of it they

715

00:27:55,640 --> 00:27:53,910

still responding but we will have a

716

00:27:57,140 --> 00:27:55,650

laugh here yeah yeah everybody is a

717

00:27:59,570 --> 00:27:57,150

lot cooler but in America you'd be

718

00:28:01,130 --> 00:27:59,580

surprised like a I have people when I do

719

00:28:02,390 --> 00:28:01,140

like Ouija board experiments and I try

720

00:28:04,070 --> 00:28:02,400

to show them that it's the power of the

721

00:28:06,350 --> 00:28:04,080

human mind and it's not spirit

722

00:28:08,300 --> 00:28:06,360

communication they're still so attached

723

00:28:09,860 --> 00:28:08,310

that identity of the Ouija board being a

724

00:28:11,660 --> 00:28:09,870

negative thing that they won't even

725

00:28:13,250 --> 00:28:11,670

touch it here when people are scared

726

00:28:14,450 --> 00:28:13,260

they still give it a go anyways which is

727

00:28:16,850 --> 00:28:14,460

great are you remember of any openings

728

00:28:19,070 --> 00:28:16,860

in the US I am NOT a member of any

729

00:28:21,260 --> 00:28:19,080

skeptic groups but I am a member of a

730

00:28:23,000 --> 00:28:21,270

very very great historical society the

731

00:28:25,370 --> 00:28:23,010

TV HS we are the talking board

732

00:28:27,770 --> 00:28:25,380

Historical Society we are the first and

733

00:28:29,660 --> 00:28:27,780

only organization of its time of its

734

00:28:31,940 --> 00:28:29,670

kind dedicated to the research

735

00:28:34,330 --> 00:28:31,950

preservation and documentation of all

736

00:28:37,700 --> 00:28:34,340

things Ouija board please visit us at

737

00:28:38,960 --> 00:28:37,710

wwt BHS org and you got a personal

738

00:28:40,700 --> 00:28:38,970

website we can pop in and see what

739

00:28:42,560 --> 00:28:40,710

Calvin's up to yeah if you google me

740

00:28:44,780 --> 00:28:42,570

Calvin van crush on all the social media

741

00:28:46,340 --> 00:28:44,790

networks at Calvin bank rush you can see

742

00:28:48,440 --> 00:28:46,350

me on Instagram that's probably my

743

00:28:49,820 --> 00:28:48,450

favorite raw resource because i post a

744

00:28:53,090 --> 00:28:49,830

brand new object from my collection

745

00:28:55,430 --> 00:28:53,100

every day nothing has haunted my place

746

00:28:56,870 --> 00:28:55,440

yet but the search continues and as soon

747

00:28:59,150 --> 00:28:56,880

as it does i will let skeptics and

748

00:29:00,560 --> 00:28:59,160

paranormal fans alike no look at calvin

749

00:29:02,330 --> 00:29:00,570

i just one know is you've got a huge

750

00:29:04,160 --> 00:29:02,340

collection what is the one thing you're

751

00:29:05,630 --> 00:29:04,170

looking for the am bunnell to find that

752

00:29:08,390 --> 00:29:05,640

you really want for that collection I

753

00:29:10,730 --> 00:29:08,400

would really really love an early spirit

754

00:29:12,440 --> 00:29:10,740

precipitation from either the the bangs

755

00:29:14,480 --> 00:29:12,450

sisters of the falconer brothers I would

756

00:29:16,670 --> 00:29:14,490

love something like that know what it is

757

00:29:18,350 --> 00:29:16,680

it tell us so a spirit precipitation is

758

00:29:20,030 --> 00:29:18,360

a form of spirit communication where

759

00:29:21,950 --> 00:29:20,040

they would lay paints out on a table and

760

00:29:24,920 --> 00:29:21,960

without the aid of a brush they would

761

00:29:26,590 --> 00:29:24,930

appear on canvas now believers say that

762

00:29:27,940 --> 00:29:26,600

the lack of brush strokes is

763

00:29:30,700 --> 00:29:27,950

evidence that you need that it was a

764

00:29:32,140 --> 00:29:30,710

ghostly hands but now I myself am an

765

00:29:33,789 --> 00:29:32,150

artist I'm a full-time tattoo artist

766

00:29:35,350 --> 00:29:33,799

I've been to art school I've seen some

767

00:29:37,419 --> 00:29:35,360

of these in person there's a very good

768

00:29:39,279 --> 00:29:37,429

reason why it's not a brushstroke it's

769

00:29:42,460 --> 00:29:39,289

because these aren't paying its past

770

00:29:44,620 --> 00:29:42,470

they'll pastels durata is applied

771

00:29:45,909 --> 00:29:44,630

directly to the material it's not put on

772

00:29:48,130 --> 00:29:45,919

with a brush so it goes on nice and

773

00:29:50,500 --> 00:29:48,140

smooth you can actually see how the

774

00:29:53,049 --> 00:29:50,510

variation of with when they're coming up

775

00:29:55,270 --> 00:29:53,059

off the paper is passed out now did some

776

00:29:57,430 --> 00:29:55,280

of these in the earlier times in the

777

00:29:59,440 --> 00:29:57,440

20's and in the Victorian time was this

778

00:30:01,299 --> 00:29:59,450

a bit of an excuse to hold hands with

779

00:30:02,620 --> 00:30:01,309

the ladies these sort of things in the

780

00:30:03,730 --> 00:30:02,630

parlor that was a bit of an excuse so

781

00:30:05,529 --> 00:30:03,740

instead of going to the movies or

782

00:30:08,080 --> 00:30:05,539

something you'd go and hold hands and

783

00:30:09,669 --> 00:30:08,090

touch which normally couldn't be done in

784

00:30:12,279 --> 00:30:09,679

public between two people that were not

785

00:30:13,720 --> 00:30:12,289

married as much as again now you are

786

00:30:15,310 --> 00:30:13,730

very good at this by the way man you

787

00:30:17,350 --> 00:30:15,320

have guided us through this perfectly

788

00:30:19,630 --> 00:30:17,360

because the Ouija board is it is in

789

00:30:21,789 --> 00:30:19,640

itself the original dating game on the

790

00:30:24,159 --> 00:30:21,799

instructions of the Ouija board it says

791

00:30:26,799 --> 00:30:24,169

that for best results placed between the

792

00:30:30,010 --> 00:30:26,809

laps of a man and a woman on and

793

00:30:31,480 --> 00:30:30,020

everybody knows the Sunday evening post

794

00:30:34,090 --> 00:30:31,490

what's the gentleman who did all the

795

00:30:35,649 --> 00:30:34,100

America yes Norman Rockwell are the most

796

00:30:37,149 --> 00:30:35,659

famous image of the Ouija board is

797

00:30:38,890 --> 00:30:37,159

probably Norman Rockwell's painting

798

00:30:40,750 --> 00:30:38,900

where you see a woman desperately trying

799

00:30:42,340 --> 00:30:40,760

to communicate with the spirits but the

800

00:30:43,990 --> 00:30:42,350

gentleman is clearly there for other

801  
00:30:46,149 --> 00:30:44,000  
reasons he's looking down the ladies

802  
00:30:47,830 --> 00:30:46,159  
blouse arm so yes it was a great

803  
00:30:49,840 --> 00:30:47,840  
experiment for people to get together

804  
00:30:51,940 --> 00:30:49,850  
and sit a little closer to someone that

805  
00:30:54,580 --> 00:30:51,950  
might not have been allowed on an

806  
00:30:56,560 --> 00:30:54,590  
otherwise situations and as an outside

807  
00:30:58,090 --> 00:30:56,570  
has come into our paranormal skeptical

808  
00:30:59,830 --> 00:30:58,100  
Australian saying he you think we've got

809  
00:31:02,080 --> 00:30:59,840  
a bit more of a healthy mix here Oh a

810  
00:31:04,390 --> 00:31:02,090  
hundred and ten percent in the United

811  
00:31:05,770 --> 00:31:04,400  
States everything is so divided you have

812  
00:31:08,110 --> 00:31:05,780  
the UF ologist have their own

813  
00:31:10,060 --> 00:31:08,120

conventions you have the cryptozoologist

814

00:31:11,799 --> 00:31:10,070

have their own conventions you've got

815

00:31:13,930 --> 00:31:11,809

the ghost hunters have their own here

816

00:31:16,270 --> 00:31:13,940

everybody is in one roof and of course

817

00:31:17,770 --> 00:31:16,280

we have skeptics here too nobody likes

818

00:31:19,000 --> 00:31:17,780

the skeptic showing up in America

819

00:31:20,590 --> 00:31:19,010

because we're the party poopers you know

820

00:31:22,840 --> 00:31:20,600

we're there to spoil everybody's fun and

821

00:31:25,000 --> 00:31:22,850

I think it's amazing how open-minded

822

00:31:27,490 --> 00:31:25,010

they are abroad in australia vs how

823

00:31:29,110 --> 00:31:27,500

close lip they are and the states thanks

824

00:31:30,250 --> 00:31:29,120

kalmo check you out online man oh thank

825

00:31:31,390 --> 00:31:30,260

you so much for having me guys it was an

826  
00:31:43,350 --> 00:31:31,400  
honor and a privilege very nice meeting

827  
00:31:48,880 --> 00:31:46,510  
greetings listeners it's me captain

828  
00:31:51,520 --> 00:31:48,890  
disillusion on my youtube channel called

829  
00:31:53,740 --> 00:31:51,530  
captain disillusion aye captain

830  
00:31:56,020 --> 00:31:53,750  
disillusion analyzed viral videos of the

831  
00:31:58,299 --> 00:31:56,030  
strange and unbelievable I explain how

832  
00:32:00,310 --> 00:31:58,309  
interframe video compression 3d motion

833  
00:32:02,860 --> 00:32:00,320  
tracking and stock the effects elements

834  
00:32:05,080 --> 00:32:02,870  
prove that Justin Bieber is not a secret

835  
00:32:06,909 --> 00:32:05,090  
reptilian alien that those videos of

836  
00:32:08,919 --> 00:32:06,919  
ghost cars are just unintentional

837  
00:32:10,600 --> 00:32:08,929  
optical illusions and that lightning did

838  
00:32:12,430 --> 00:32:10,610

not strike a few feet away from a girl

839

00:32:15,190 --> 00:32:12,440

on a beach as we saw on the news I'm

840

00:32:18,490 --> 00:32:15,200

real fun at parties my best friend is a

841

00:32:20,289 --> 00:32:18,500

lens flare dimmer switch disillusion I

842

00:32:22,180 --> 00:32:20,299

do know other people sometimes they even

843

00:32:24,880 --> 00:32:22,190

show up in my videos people like

844

00:32:27,220 --> 00:32:24,890

skepticism is grandpa james randi sirve

845

00:32:29,350 --> 00:32:27,230

de Soleil Acrobat Erica Lynn's weight

846

00:32:31,690 --> 00:32:29,360

loss enthusiast Penn Jillette and the

847

00:32:33,430 --> 00:32:31,700

actual Beekman from Beakman's world I

848

00:32:35,710 --> 00:32:33,440

hope you'll check out my adventures

849

00:32:38,049 --> 00:32:35,720

interact with me in a platonic way and

850

00:32:40,539 --> 00:32:38,059

even consider becoming a patron of my

851  
00:32:52,380 --> 00:32:40,549  
work you can do all that and more on

852  
00:33:03,789 --> 00:32:56,380  
it's the raw skeptic report with Heidi

853  
00:33:12,730 --> 00:33:08,659  
hello everyone on the night of the 30th

854  
00:33:16,610 --> 00:33:12,740  
of may 2016 in perth western australia

855  
00:33:19,490 --> 00:33:16,620  
the telethon kids institute held an open

856  
00:33:23,390 --> 00:33:19,500  
and free public seminar on the latest

857  
00:33:25,310 --> 00:33:23,400  
information about vaccinations included

858  
00:33:29,140 --> 00:33:25,320  
on the panel were some of australia's

859  
00:33:31,820 --> 00:33:29,150  
leading infectious disease pediatricians

860  
00:33:34,220 --> 00:33:31,830  
unfortunately the anti-vaccination crowd

861  
00:33:36,590 --> 00:33:34,230  
got wind of it and decided it would be a

862  
00:33:40,279 --> 00:33:36,600  
good idea to turn up and more or less

863  
00:33:42,500 --> 00:33:40,289

hijack the event the event was Paris

864

00:33:45,080 --> 00:33:42,510

coped live by an anti-vaccination

865

00:33:47,870 --> 00:33:45,090

advocate and has since been put on

866

00:33:51,230 --> 00:33:47,880

YouTube we will put the link to it in

867

00:33:53,510 --> 00:33:51,240

the show notes the periscope recording

868

00:33:56,930 --> 00:33:53,520

began with renowned anti-vaccination

869

00:33:59,210 --> 00:33:56,940

activist Judy Wiley Minh who you may

870

00:34:14,000 --> 00:33:59,220

remember from previous skeptic zone

871

00:34:16,820 --> 00:34:14,010

reports judy has just been awarded a PhD

872

00:34:19,220 --> 00:34:16,830

by Wollongong University which was

873

00:34:22,430 --> 00:34:19,230

widely criticized by the scientific and

874

00:34:25,550 --> 00:34:22,440

medical community as the content of her

875

00:34:27,909 --> 00:34:25,560

thesis contained claims including a

876

00:34:30,230 --> 00:34:27,919

conspiracy between the World Health

877

00:34:33,260 --> 00:34:30,240

Organization and the pharmaceutical

878

00:34:35,450 --> 00:34:33,270

industry to promote vaccinations in the

879

00:34:39,109 --> 00:34:35,460

absence of evidence of safety and

880

00:34:41,389 --> 00:34:39,119

efficacy dr. rachy suggested that when I

881

00:34:45,190 --> 00:34:41,399

listen to this recording this periscope

882

00:34:48,070 --> 00:34:45,200

recording which goes for 36 long minutes

883

00:34:52,339 --> 00:34:48,080

that I note down how many common

884

00:34:56,149 --> 00:34:52,349

anti-vaxxers were mentioned again you

885

00:34:59,510 --> 00:34:56,159

may otherwise know as anti vex bingo so

886

00:35:02,839 --> 00:34:59,520

I did and I found myself calling out

887

00:35:06,260 --> 00:35:02,849

bingo after every common trope that was

888

00:35:08,359 --> 00:35:06,270

mentioned y limon stated in the

889

00:35:10,160 --> 00:35:08,369

periscope recording that she was

890

00:35:12,349 --> 00:35:10,170

concerned about the number of vaccines

891

00:35:15,289 --> 00:35:12,359

added to the schedule

892

00:35:17,239 --> 00:35:15,299

uh not mentioning that children are now

893

00:35:20,150 --> 00:35:17,249

covered for more infectious diseases

894

00:35:22,910 --> 00:35:20,160

with less antigens than ever before in

895

00:35:26,779 --> 00:35:22,920

the schedule she said that there was no

896

00:35:29,539 --> 00:35:26,789

evidence for herd immunity bingo yes

897

00:35:31,630 --> 00:35:29,549

there is that mortality rates had

898

00:35:35,029 --> 00:35:31,640

decreased prior to widespread

899

00:35:38,930 --> 00:35:35,039

vaccination bingo not mentioning

900

00:35:41,329 --> 00:35:38,940

morbidity rates associate professor dr.

901  
00:35:44,509 --> 00:35:41,339  
Peter Richmond very patiently addressed

902  
00:35:46,579 --> 00:35:44,519  
each of these issues or tried to amid

903  
00:35:49,910 --> 00:35:46,589  
what can only be described as a pauling

904  
00:35:51,769 --> 00:35:49,920  
behavior by the anti-vaccine essent of

905  
00:35:54,140 --> 00:35:51,779  
the Senate hearing I attended in

906  
00:35:56,870 --> 00:35:54,150  
Brisbane where aunty vax at work 'it's

907  
00:35:59,539 --> 00:35:56,880  
sneered yelled out and called the

908  
00:36:01,220 --> 00:35:59,549  
Senators shills for Rupert Murdoch the

909  
00:36:02,989 --> 00:36:01,230  
fellow recording the event was

910  
00:36:06,859 --> 00:36:02,999  
responsible for much of this

911  
00:36:09,019 --> 00:36:06,869  
rabble-rousing his first outburst was to

912  
00:36:11,299 --> 00:36:09,029  
yell out about the manufactured

913  
00:36:15,019 --> 00:36:11,309

controversy of the suppression of

914

00:36:18,890 --> 00:36:15,029

evidence by the bingo cdc linking the

915

00:36:21,529 --> 00:36:18,900

MMR autism again the experts attempted

916

00:36:24,190 --> 00:36:21,539

to answer the outburst with facts to

917

00:36:27,440 --> 00:36:24,200

which the rabble rouser yelled out lie

918

00:36:30,499 --> 00:36:27,450

we want the truth with other members of

919

00:36:32,900 --> 00:36:30,509

the anti-vaccine out it's your social

920

00:36:35,019 --> 00:36:32,910

responsibility to tell the truth you're

921

00:36:37,549 --> 00:36:35,029

wasting your breath answer the question

922

00:36:42,470 --> 00:36:37,559

where are the studies of safety and

923

00:36:45,319 --> 00:36:42,480

efficacy bingo and that one very

924

00:36:50,269 --> 00:36:45,329

important there are probably some

925

00:36:53,640 --> 00:36:50,279

environment that's right and we actively

926

00:36:59,069 --> 00:36:55,859

you're washing your bread answer my

927

00:37:01,620 --> 00:36:59,079

question and say our question is Posey

928

00:37:03,799 --> 00:37:01,630

no just hold on a second time there are

929

00:37:10,950 --> 00:37:03,809

people here who would like to hear us

930

00:37:13,410 --> 00:37:10,960

requested please I will give you the

931

00:37:17,640 --> 00:37:13,420

opportunity the plea from the panel for

932

00:37:20,279 --> 00:37:17,650

respect from the crowd was ignored can I

933

00:37:22,410 --> 00:37:20,289

just mention at this point that in the

934

00:37:25,640 --> 00:37:22,420

audience were people there who had

935

00:37:28,230 --> 00:37:25,650

genuine questions and also present were

936

00:37:30,420 --> 00:37:28,240

Catherine Greg Hughes parents of baby

937

00:37:33,029 --> 00:37:30,430

Riley who passed away from pertussis

938

00:37:35,069 --> 00:37:33,039

last year what they must have felt

939

00:37:37,460 --> 00:37:35,079

sitting through this embarrassing

940

00:37:40,019 --> 00:37:37,470

display of histrionics I hate to think

941

00:37:42,599 --> 00:37:40,029

what they have personally endured from

942

00:37:46,319 --> 00:37:42,609

the anti-vaccine nothing short of

943

00:37:49,230 --> 00:37:46,329

gobsmacking next up was a midwife asking

944

00:37:51,510 --> 00:37:49,240

why the hepatitis B vaccine was given

945

00:37:55,019 --> 00:37:51,520

within the first few hours of birth and

946

00:37:58,289 --> 00:37:55,029

where the evidence for it was it was

947

00:38:00,539 --> 00:37:58,299

again explained in detail the reasons to

948

00:38:19,410 --> 00:38:00,549

jeers and more shouting down from the

949

00:38:23,400 --> 00:38:19,420

crowd yeah yeah yes next up was another

950

00:38:26,970 --> 00:38:23,410

audience member who bingo brought up the

951  
00:38:30,059 --> 00:38:26,980  
logical fallacy argumentum ad package

952  
00:38:33,510 --> 00:38:30,069  
insert to which rebel rouser and co

953  
00:38:35,990 --> 00:38:33,520  
cheered and clapped and yield out bring

954  
00:38:38,880 --> 00:38:36,000  
vax to australia you're all lying

955  
00:38:41,400 --> 00:38:38,890  
ridiculous look at you all it's one of

956  
00:38:44,549 --> 00:38:41,410  
the best things that you can do in

957  
00:38:46,200 --> 00:38:44,559  
pregnancy for yourself first thing you

958  
00:38:48,120 --> 00:38:46,210  
guys can all do is just tell the truth

959  
00:38:51,059 --> 00:38:48,130  
bring bags to Australia and New Zealand

960  
00:38:57,539 --> 00:38:51,069  
tell the truth you guys are all lying or

961  
00:38:59,880 --> 00:38:57,549  
you do you're convinced he was of course

962  
00:39:02,490 --> 00:38:59,890  
referring to the Wakefield documentary

963  
00:39:07,120 --> 00:39:02,500

that appears to be from the reviews a

964

00:39:09,490 --> 00:39:07,130

full anti facts bingo card in itself

965

00:39:12,210 --> 00:39:09,500

next up we have a couple of vaccine

966

00:39:14,650 --> 00:39:12,220

injured bingos a toxin bingo to

967

00:39:17,980 --> 00:39:14,660

bypassing the body's natural defenses

968

00:39:20,800 --> 00:39:17,990

bingos another package insert bingo to

969

00:39:23,740 --> 00:39:20,810

mercury bingos a Nuremberg code bingo

970

00:39:26,650 --> 00:39:23,750

two more herd immunity is a myth bingos

971

00:39:29,800 --> 00:39:26,660

and aluminium bingo a formaldehyde bingo

972

00:39:33,220 --> 00:39:29,810

and aborted fetal cells bingo a fascist

973

00:39:35,620 --> 00:39:33,230

regime bingo a follow the herd bingo the

974

00:39:38,410 --> 00:39:35,630

discrimination bingo as a result of no

975

00:39:42,790 --> 00:39:38,420

job no pay legislation the ingestion

976  
00:39:45,700 --> 00:39:42,800  
versus injection bingo to msg bingos the

977  
00:39:48,130 --> 00:39:45,710  
Paul offered 10,000 vaccines bingo the

978  
00:39:51,720 --> 00:39:48,140  
forced vaccination bingo and a couple

979  
00:39:54,820 --> 00:39:51,730  
more mortality vs. morbidity bingos

980  
00:39:56,950 --> 00:39:54,830  
other quotes by rebel rouser shouting

981  
00:39:59,740 --> 00:39:56,960  
out included how many others have to

982  
00:40:02,770 --> 00:39:59,750  
suffer while we wait and tell that to

983  
00:40:05,140 --> 00:40:02,780  
the vaccine injured and we're not going

984  
00:40:07,690 --> 00:40:05,150  
away guys get used to it we're going to

985  
00:40:10,990 --> 00:40:07,700  
be everywhere and mercury is a

986  
00:40:13,990 --> 00:40:11,000  
neurotoxin and how about you all inject

987  
00:40:15,940 --> 00:40:14,000  
yourselves with a bunch of mercury we're

988  
00:40:18,270 --> 00:40:15,950

not going away guys get used to it no

989

00:40:20,290 --> 00:40:18,280

we're going to be everywhere we are

990

00:40:22,920 --> 00:40:20,300

everywhere you said you feel very

991

00:40:27,250 --> 00:40:22,930

strongly so we good and is not just me

992

00:40:29,920 --> 00:40:27,260

millions billions next up we had an

993

00:40:32,950 --> 00:40:29,930

audience member say that his 14 month

994

00:40:36,220 --> 00:40:32,960

old had a febrile convulsion after a flu

995

00:40:39,310 --> 00:40:36,230

vaccine and five years later was

996

00:40:41,350 --> 00:40:39,320

diagnosed with leukemia he wanted

997

00:40:45,030 --> 00:40:41,360

answers as to why his beliefs had not

998

00:40:48,130 --> 00:40:45,040

been validated by the medical community

999

00:40:49,960 --> 00:40:48,140

two days after the seminar the West

1000

00:40:54,150 --> 00:40:49,970

Australian news published an article

1001  
00:40:57,910 --> 00:40:54,160  
titled anti-vaccination activists crash

1002  
00:41:01,840 --> 00:40:57,920  
immunization seminar by Kathy O'Leary

1003  
00:41:04,000 --> 00:41:01,850  
their medical editor quote a public

1004  
00:41:06,190 --> 00:41:04,010  
seminar on immunization in Perth was

1005  
00:41:08,890 --> 00:41:06,200  
forced to close early on monday night

1006  
00:41:11,470 --> 00:41:08,900  
after anti-vaccination activists

1007  
00:41:14,680 --> 00:41:11,480  
hijacked the event and called doctors

1008  
00:41:16,930 --> 00:41:14,690  
liars organizers of the telethon kids

1009  
00:41:19,090 --> 00:41:16,940  
Institute event had to stop a

1010  
00:41:20,740 --> 00:41:19,100  
question-and-answer session after

1011  
00:41:23,380 --> 00:41:20,750  
constant interruptions by the

1012  
00:41:25,870 --> 00:41:23,390  
protesters the seminar was meant to give

1013  
00:41:28,240 --> 00:41:25,880

people particularly new parents a safe

1014

00:41:30,430 --> 00:41:28,250

forum to ask questions about vaccines

1015

00:41:34,390 --> 00:41:30,440

but a few people in the crowd of about

1016

00:41:37,210 --> 00:41:34,400

150 interjected as Institute Director

1017

00:41:39,490 --> 00:41:37,220

Jonathan Kara Pettis and infectious

1018

00:41:43,240 --> 00:41:39,500

diseases experts attempted to answer

1019

00:41:46,240 --> 00:41:43,250

questions from the floor professor Cara

1020

00:41:48,790 --> 00:41:46,250

Peter said yesterday he was shocked and

1021

00:41:50,910 --> 00:41:48,800

disappointed by their behavior which he

1022

00:41:56,830 --> 00:41:50,920

described as disrespectful and

1023

00:42:00,370 --> 00:41:56,840

intimidating it's injected how his food

1024

00:42:01,840 --> 00:42:00,380

got any relativity to this at all how

1025

00:42:04,680 --> 00:42:01,850

about you inject yourself with a bunch

1026  
00:42:07,360 --> 00:42:04,690  
of mercury my how would you like it

1027  
00:42:08,680 --> 00:42:07,370  
10,000 vaccines dr. Paul offer reckons

1028  
00:42:12,580 --> 00:42:08,690  
assay for any child why don't you all

1029  
00:42:13,720 --> 00:42:12,590  
take 10,000 vaccines right now we knew

1030  
00:42:15,760 --> 00:42:13,730  
there would be people from the

1031  
00:42:17,980 --> 00:42:15,770  
anti-vaccine lobby because we've had

1032  
00:42:20,380 --> 00:42:17,990  
them before but this was a very

1033  
00:42:23,440 --> 00:42:20,390  
orchestrated way for them to completely

1034  
00:42:25,060 --> 00:42:23,450  
disrupt the meeting he said we wanted to

1035  
00:42:27,340 --> 00:42:25,070  
be able to put up the evidence and

1036  
00:42:29,860 --> 00:42:27,350  
answer people's questions honestly but

1037  
00:42:31,780 --> 00:42:29,870  
we didn't get a chance these people

1038  
00:42:34,510 --> 00:42:31,790

represent a tiny proportion of the

1039

00:42:36,670 --> 00:42:34,520

population who are anti-vaccine but they

1040

00:42:40,440 --> 00:42:36,680

use any public forum to push their

1041

00:42:43,330 --> 00:42:40,450

message and drown out everyone else

1042

00:42:45,790 --> 00:42:43,340

professor Kara Peters said only two

1043

00:42:47,860 --> 00:42:45,800

people had the chance to ask legitimate

1044

00:42:50,590 --> 00:42:47,870

questions and everything else was

1045

00:42:52,330 --> 00:42:50,600

drowned out we went on for as long as we

1046

00:42:54,850 --> 00:42:52,340

could which was about half an hour of

1047

00:42:57,700 --> 00:42:54,860

them yelling and screaming but speakers

1048

00:43:00,160 --> 00:42:57,710

were paid such disrespect and everyone

1049

00:43:03,340 --> 00:43:00,170

else in the audience was intimidated he

1050

00:43:05,740 --> 00:43:03,350

said we had a school group of about 15

1051  
00:43:07,990 --> 00:43:05,750  
or 20 kids in the audience who are

1052  
00:43:11,050 --> 00:43:08,000  
studying infectious diseases and they

1053  
00:43:13,480 --> 00:43:11,060  
said they were intimidated professor

1054  
00:43:16,180 --> 00:43:13,490  
Cara Peter said he was devastated that

1055  
00:43:18,970 --> 00:43:16,190  
one protester misused comments by

1056  
00:43:21,730 --> 00:43:18,980  
professor Fiona Stanley the Institute's

1057  
00:43:24,850 --> 00:43:21,740  
former director to try to support an

1058  
00:43:28,810 --> 00:43:24,860  
anti-vaccine stance one of the main

1059  
00:43:31,900 --> 00:43:28,820  
protesters Sean do who filmed the Q&A

1060  
00:43:34,360 --> 00:43:31,910  
session as he heckled the speakers said

1061  
00:43:38,110 --> 00:43:34,370  
he wanted the world to wake up

1062  
00:43:40,810 --> 00:43:38,120  
about vaccines professor Cara Peter said

1063  
00:43:43,510 --> 00:43:40,820

the Institute would rethink about future

1064

00:43:46,420 --> 00:43:43,520

events but would not stop providing

1065

00:43:48,940 --> 00:43:46,430

honest information to the public they

1066

00:43:52,270 --> 00:43:48,950

want us to go back into our shells he

1067

00:43:55,930 --> 00:43:52,280

said and that definitely won't happen

1068

00:43:57,610 --> 00:43:55,940

end quote we're gonna have trouble

1069

00:43:59,650 --> 00:43:57,620

getting where people where are the

1070

00:44:01,540 --> 00:43:59,660

long-term studies my suggestion is that

1071

00:44:03,910 --> 00:44:01,550

we look in the camera where the

1072

00:44:05,440 --> 00:44:03,920

long-term studies guys with look at look

1073

00:44:07,300 --> 00:44:05,450

at the camera where are the long-term

1074

00:44:08,470 --> 00:44:07,310

studies will hang around can hear me so

1075

00:44:10,270 --> 00:44:08,480

we're happy puter where are the

1076

00:44:11,770 --> 00:44:10,280

long-term studies and ask those

1077

00:44:13,960 --> 00:44:11,780

questions where are they I'm done

1078

00:44:17,140 --> 00:44:13,970

rabble-rouser then approached the stage

1079

00:44:19,450 --> 00:44:17,150

when the event was shut down asking for

1080

00:44:22,150 --> 00:44:19,460

the names of each of the panelists with

1081

00:44:25,090 --> 00:44:22,160

his camera in their faces demanding they

1082

00:44:28,900 --> 00:44:25,100

say something about the CDC

1083

00:44:30,370 --> 00:44:28,910

whistleblower bingo again how do you

1084

00:44:32,110 --> 00:44:30,380

guys got anything you guys got anything

1085

00:44:34,360 --> 00:44:32,120

to say

1086

00:44:38,200 --> 00:44:34,370

I have you feel very important sorry

1087

00:44:39,460 --> 00:44:38,210

have you got anything to say we got guys

1088

00:44:41,550 --> 00:44:39,470

have we got anything to say for the

1089

00:44:43,330 --> 00:44:41,560

vaccine for Australia up in New Zealand

1090

00:44:46,090 --> 00:44:43,340

have you got anything to know that

1091

00:44:47,710 --> 00:44:46,100

vaccines have saved more lives than any

1092

00:44:49,960 --> 00:44:47,720

other medical yeah what's your name oh

1093

00:44:52,750 --> 00:44:49,970

so you can carry Jonathan kara Peters

1094

00:44:55,120 --> 00:44:52,760

what's your name doctor told you before

1095

00:44:59,290 --> 00:44:55,130

it's Johnson time okay thanks I am

1096

00:45:01,030 --> 00:44:59,300

what's your name side Ashley Oh Bolton

1097

00:45:02,350 --> 00:45:01,040

is it thanks for Sam have you got

1098

00:45:04,300 --> 00:45:02,360

anything to say to the vax team in

1099

00:45:09,100 --> 00:45:04,310

Australia New Zealand at the CDC we

1100

00:45:11,740 --> 00:45:09,110

supply or anything like that at around

1101

00:45:14,440 --> 00:45:11,750

the 30 minute 50 second mark of the

1102

00:45:16,690 --> 00:45:14,450

recording rebel rouser approaches Judy

1103

00:45:19,270 --> 00:45:16,700

Wiley Minh and along with another few

1104

00:45:22,690 --> 00:45:19,280

anti-vaxxers have a lovely time being

1105

00:45:24,370 --> 00:45:22,700

self congratulatory i guess if one were

1106

00:45:27,310 --> 00:45:24,380

to really look for a silver lining to

1107

00:45:29,830 --> 00:45:27,320

this debacle we could say that once

1108

00:45:33,280 --> 00:45:29,840

again this crowd has shown themselves to

1109

00:45:35,760 --> 00:45:33,290

be rude and disrespectful clearly unable

1110

00:45:39,220 --> 00:45:35,770

to listen to reason and evidence and

1111

00:45:41,320 --> 00:45:39,230

unable or unwilling to evaluate the

1112

00:45:45,160 --> 00:45:41,330

science even when it is presented in a

1113

00:45:47,380 --> 00:45:45,170

clear and uncomplicated way this is

1114

00:45:50,290 --> 00:45:47,390

precisely why we should never debate

1115

00:45:52,510 --> 00:45:50,300

them to debate these people is to give

1116

00:45:57,300 --> 00:45:52,520

them an air of legitimacy which they do

1117

00:45:59,770 --> 00:45:57,310

not deserve all opinions are not equal a

1118

00:46:02,230 --> 00:45:59,780

pediatrician specializing in infectious

1119

00:46:04,540 --> 00:46:02,240

disease should not lower him or herself

1120

00:46:08,620 --> 00:46:04,550

to appear alongside a parent who has

1121

00:46:10,330 --> 00:46:08,630

done their own research I'm sure the

1122

00:46:12,160 --> 00:46:10,340

organizers of the telethon were not

1123

00:46:14,230 --> 00:46:12,170

prepared for the scene that confronted

1124

00:46:16,360 --> 00:46:14,240

them although they had been warned that

1125

00:46:19,210 --> 00:46:16,370

the rebel rousers were going to show up

1126  
00:46:21,400 --> 00:46:19,220  
these anti vex people are certainly free

1127  
00:46:24,040 --> 00:46:21,410  
to say whatever they wish but they are

1128  
00:46:27,100 --> 00:46:24,050  
not immune pardon the pun from being

1129  
00:46:29,140 --> 00:46:27,110  
called out on it criticized and refused

1130  
00:46:31,510 --> 00:46:29,150  
a platform at venues for their misguided

1131  
00:46:33,250 --> 00:46:31,520  
beliefs in the face of all the evidence

1132  
00:46:37,990 --> 00:46:33,260  
that shows that vaccinations are

1133  
00:46:40,390 --> 00:46:38,000  
overwhelmingly safe and effective that's

1134  
00:46:42,940 --> 00:46:40,400  
all from me for this week this has been

1135  
00:46:46,270 --> 00:46:42,950  
Heidi Robertson from the northern

1136  
00:46:49,599 --> 00:46:46,280  
rivers vaccination supporters you can

1137  
00:46:54,760 --> 00:46:49,609  
find us on Facebook Twitter our website

1138  
00:47:11,079 --> 00:46:54,770

and rvs info and on Wikipedia thanks

1139

00:47:14,319 --> 00:47:11,089

until next time Australian skeptics

1140

00:47:16,450 --> 00:47:14,329

National Convention 2016 will be hosted

1141

00:47:19,450 --> 00:47:16,460

in Melbourne at the university of

1142

00:47:21,880 --> 00:47:19,460

melbourne from the 25th to the 27th of

1143

00:47:24,069 --> 00:47:21,890

november with the annual dinner being

1144

00:47:28,450 --> 00:47:24,079

held at melbourne zoo on the evening of

1145

00:47:31,240 --> 00:47:28,460

the 26th of November early bird ticket

1146

00:47:35,560 --> 00:47:31,250

sales are online at the convention

1147

00:47:37,660 --> 00:47:35,570

website convention skeptics comdata you

1148

00:47:40,210 --> 00:47:37,670

and if you get an early bird ticket

1149

00:47:44,380 --> 00:47:40,220

you'll receive a discount and be able to

1150

00:47:45,940 --> 00:47:44,390

reserve seats close to the stage we can

1151  
00:47:48,880 --> 00:47:45,950  
confirm that speakers for the convention

1152  
00:47:52,059 --> 00:47:48,890  
will include Lawrence Krauss Ed's odd

1153  
00:47:55,690 --> 00:47:52,069  
Ernst Harriet Hall Michael Marshall

1154  
00:47:59,520 --> 00:47:55,700  
Katie Mac and Mel Thompson with many

1155  
00:48:02,559 --> 00:47:59,530  
more great speakers to be announced soon

1156  
00:48:05,260 --> 00:48:02,569  
nicholas j johnson is our emcee for the

1157  
00:48:07,240 --> 00:48:05,270  
annual dinner information about our

1158  
00:48:09,819 --> 00:48:07,250  
speakers is available from the

1159  
00:48:27,530 --> 00:48:09,829  
convention website so that's convention

1160  
00:48:31,710 --> 00:48:29,550  
skeptics in the pub here in Sydney we

1161  
00:48:33,750 --> 00:48:31,720  
can always be guaranteed of a fun

1162  
00:48:35,520 --> 00:48:33,760  
evening the folks are rolling in I can

1163  
00:48:37,140 --> 00:48:35,530

see the beers being drunk and there's a

1164

00:48:41,130 --> 00:48:37,150

steak and some fish and chips being

1165

00:48:42,990 --> 00:48:41,140

consumed over there hello Trisha no it's

1166

00:48:45,630 --> 00:48:43,000

nice to see you back here at skeptics in

1167

00:48:47,040 --> 00:48:45,640

the pub get to be half now we were just

1168

00:48:50,280 --> 00:48:47,050

before i switched on the microphone

1169

00:48:53,100 --> 00:48:50,290

talking about naughty aliens which sort

1170

00:48:54,600 --> 00:48:53,110

of relates to as listeners know I was

1171

00:48:56,250 --> 00:48:54,610

recently me and may not want to be a

1172

00:48:58,140 --> 00:48:56,260

paranormal convention we had all about

1173

00:49:00,420 --> 00:48:58,150

that aliens doing all sorts of horrible

1174

00:49:03,810 --> 00:49:00,430

things which meeting with humans are

1175

00:49:07,110 --> 00:49:03,820

here breeding with humans I wonder if

1176

00:49:13,200 --> 00:49:07,120

they breed with other animals well like

1177

00:49:16,520 --> 00:49:13,210

caterpillars or snakes or yeah but my my

1178

00:49:19,380 --> 00:49:16,530

question to you is would you be

1179

00:49:22,380 --> 00:49:19,390

concerned if the government tomorrow

1180

00:49:24,210 --> 00:49:22,390

said you know we've had reports and you

1181

00:49:26,640 --> 00:49:24,220

really have had a message from an alien

1182

00:49:28,740 --> 00:49:26,650

intelligence but he loved it oh now be

1183

00:49:29,910 --> 00:49:28,750

awesome the technology we could use yeah

1184

00:49:32,010 --> 00:49:29,920

the fact that we could reach out to

1185

00:49:34,110 --> 00:49:32,020

another planet that'd be fantastic quite

1186

00:49:35,910 --> 00:49:34,120

frankly I'm I'm not gonna phobic in any

1187

00:49:37,350 --> 00:49:35,920

way not just about people on this planet

1188

00:49:38,670 --> 00:49:37,360

will people be on this planet and you

1189

00:49:39,990 --> 00:49:38,680

know what if they've been hiding amongst

1190

00:49:43,290 --> 00:49:40,000

us all along they were doing a bloody

1191

00:49:45,870 --> 00:49:43,300

good job I have you know you might be

1192

00:49:48,510 --> 00:49:45,880

one and I'd never know don't insinuate

1193

00:49:52,320 --> 00:49:48,520

things like that no I don't think I

1194

00:49:54,060 --> 00:49:52,330

don't think so so yeah I guess I think

1195

00:49:57,000 --> 00:49:54,070

that'd probably be in the same boat as

1196

00:49:59,160 --> 00:49:57,010

you at BM would be an interesting event

1197

00:50:00,780 --> 00:49:59,170

and maybe would be literally in the same

1198

00:50:02,730 --> 00:50:00,790

boat if they came to invade and we had

1199

00:50:05,130 --> 00:50:02,740

to escape right I wouldn't have thought

1200

00:50:06,540 --> 00:50:05,140

they'd need boats if it may be you know

1201  
00:50:08,340 --> 00:50:06,550  
water might not be something that they'd

1202  
00:50:11,820 --> 00:50:08,350  
be too keen on they're probably more

1203  
00:50:13,860 --> 00:50:11,830  
into air travel rather than unless

1204  
00:50:15,360 --> 00:50:13,870  
they're those underwater aliens well

1205  
00:50:16,290 --> 00:50:15,370  
this is the thing so you know we say

1206  
00:50:18,330 --> 00:50:16,300  
that we don't know very much about

1207  
00:50:19,980 --> 00:50:18,340  
what's in our oceans aliens could very

1208  
00:50:20,539 --> 00:50:19,990  
well have gone in there thousands and

1209  
00:50:22,279 --> 00:50:20,549  
millions

1210  
00:50:25,249 --> 00:50:22,289  
years ago and started colonizing we'd

1211  
00:50:27,739 --> 00:50:25,259  
never be never be the wiser whoo now

1212  
00:50:30,049 --> 00:50:27,749  
there's a scary thought folks as you're

1213  
00:50:32,209 --> 00:50:30,059

going to sleep tonight think of the

1214

00:50:36,559 --> 00:50:32,219

depth of the ocean crawling little

1215

00:50:37,910 --> 00:50:36,569

aliens thousands of years ago I guess

1216

00:50:44,419 --> 00:50:37,920

scared enough what I'm swinging up some

1217

00:50:46,339 --> 00:50:44,429

milk upon die anyway thanks Trish d

1218

00:50:50,089 --> 00:50:46,349

mendham the editor of the skeptic

1219

00:50:52,609 --> 00:50:50,099

magazine the Journal of reason and was

1220

00:50:54,410 --> 00:50:52,619

it science and society order would stood

1221

00:50:56,839 --> 00:50:54,420

the company I thought it was sex and

1222

00:50:59,089 --> 00:50:56,849

violence the magazine of sex and

1223

00:51:01,849 --> 00:50:59,099

violence is skeptic here's tonight's

1224

00:51:03,829 --> 00:51:01,859

question would you be thrilled or

1225

00:51:05,169 --> 00:51:03,839

concerned if the government announced

1226

00:51:07,669 --> 00:51:05,179

that they'd made contact with

1227

00:51:09,650 --> 00:51:07,679

extraterrestrial I'd love it a which

1228

00:51:11,329 --> 00:51:09,660

government we're talking about that's a

1229

00:51:13,309 --> 00:51:11,339

good question the alien governments is a

1230

00:51:15,289 --> 00:51:13,319

north korean cafe i would might take it

1231

00:51:17,299 --> 00:51:15,299

with a pinch of salt Maxie but if you

1232

00:51:19,579 --> 00:51:17,309

contact an alien second no actual they

1233

00:51:22,249 --> 00:51:19,589

contacted us or do we contact them let's

1234

00:51:23,839 --> 00:51:22,259

say that we received a message from the

1235

00:51:26,569 --> 00:51:23,849

heavens saying you are not alone

1236

00:51:29,150 --> 00:51:26,579

something like that yes I love it can we

1237

00:51:30,589 --> 00:51:29,160

go there we go where wherever they are I

1238

00:51:32,630 --> 00:51:30,599

think it'd be fantastic I'd love it yeah

1239

00:51:33,919 --> 00:51:32,640

be nice to meet aliens actually probably

1240

00:51:36,769 --> 00:51:33,929

more interesting i bet i met everyone

1241

00:51:38,929 --> 00:51:36,779

else so be nice to meet an alien yeah i

1242

00:51:40,669 --> 00:51:38,939

think we'd report that on the pages of

1243

00:51:42,109 --> 00:51:40,679

the skeptic we might you know we might

1244

00:51:43,819 --> 00:51:42,119

just mention that in the skeptic that

1245

00:51:46,579 --> 00:51:43,829

this has happened speaking of the

1246

00:51:48,979 --> 00:51:46,589

skeptic magazine what's coming up in the

1247

00:51:51,919 --> 00:51:48,989

next issue next issue is going to press

1248

00:51:55,009 --> 00:51:51,929

very very soon and the main feature in

1249

00:51:56,870 --> 00:51:55,019

that is consumer protection hmmm ya know

1250

00:51:59,299 --> 00:51:56,880

it's a big issue actually people have

1251  
00:52:01,160 --> 00:51:59,309  
often regarded or you know described the

1252  
00:52:03,009 --> 00:52:01,170  
skeptics as the the choice of the

1253  
00:52:05,689 --> 00:52:03,019  
paranormal now for those people

1254  
00:52:07,489 --> 00:52:05,699  
international people who may not know

1255  
00:52:08,989 --> 00:52:07,499  
although you should by listening to the

1256  
00:52:11,029 --> 00:52:08,999  
skeptics own choices the name of our

1257  
00:52:12,739 --> 00:52:11,039  
consumer affairs magazine that's right

1258  
00:52:15,739 --> 00:52:12,749  
so we have actually featured them as you

1259  
00:52:17,299 --> 00:52:15,749  
had done in the skeptic zone in this

1260  
00:52:19,429 --> 00:52:17,309  
particular issue and of course we can

1261  
00:52:21,720 --> 00:52:19,439  
regard them as the the skeptics of the

1262  
00:52:23,559 --> 00:52:21,730  
washing machines yes

1263  
00:52:26,049 --> 00:52:23,569

but that's that's just one of the

1264

00:52:27,250 --> 00:52:26,059

articles we go to having in this this

1265

00:52:29,049 --> 00:52:27,260

feature because some other ones looking

1266

00:52:30,970 --> 00:52:29,059

at a whole range of scams and what they

1267

00:52:34,390 --> 00:52:30,980

are and what to do about them some

1268

00:52:36,099 --> 00:52:34,400

advice largely from the the scam watch

1269

00:52:40,000 --> 00:52:36,109

which is the body that's put out by the

1270

00:52:41,559 --> 00:52:40,010

Australian good love H Triple C optical

1271

00:52:43,839 --> 00:52:41,569

yeah yes go and watch I give their

1272

00:52:44,859 --> 00:52:43,849

emails to ya no no it sort of very good

1273

00:52:46,660 --> 00:52:44,869

very good advice AC and they've

1274

00:52:48,280 --> 00:52:46,670

definitely down the paranormal and all

1275

00:52:51,130 --> 00:52:48,290

these of the cons everything from

1276

00:52:52,329 --> 00:52:51,140

nigerian love letters to miracle cures

1277

00:52:55,089 --> 00:52:52,339

and everything in fact i got an email

1278

00:52:59,289 --> 00:52:55,099

from scam watch just today to advise me

1279

00:53:01,720 --> 00:52:59,299

to be on lookout for fake gift vouchers

1280

00:53:03,609 --> 00:53:01,730

and things like this Thank You fetches I

1281

00:53:05,230 --> 00:53:03,619

can tell you the real ones you got to be

1282

00:53:06,730 --> 00:53:05,240

look on the lookout for hundreds of

1283

00:53:08,049 --> 00:53:06,740

those actually fake gift vouchers it's

1284

00:53:09,910 --> 00:53:08,059

really annoying a part of the fact i

1285

00:53:12,700 --> 00:53:09,920

have these very kind people offering to

1286

00:53:15,370 --> 00:53:12,710

fix up our website all the time no yeah

1287

00:53:17,530 --> 00:53:15,380

yeah yeah so I mean sort of I get four

1288

00:53:18,640 --> 00:53:17,540

or five Thursday people saying I looked

1289

00:53:20,589 --> 00:53:18,650

at your website I know you're not

1290

00:53:23,140 --> 00:53:20,599

getting sort of top ranking in Google

1291

00:53:25,930 --> 00:53:23,150

yeah I'd say I'd like to reap on respond

1292

00:53:27,250 --> 00:53:25,940

and say yes we are but I don't respond

1293

00:53:30,069 --> 00:53:27,260

to them next you can just have to delete

1294

00:53:31,240 --> 00:53:30,079

them constantly into big back Andy and

1295

00:53:34,660 --> 00:53:31,250

the gift vouchers all the time from

1296

00:53:36,490 --> 00:53:34,670

supermarkets wine companies hardware

1297

00:53:37,720 --> 00:53:36,500

companies you name it i give so many

1298

00:53:39,670 --> 00:53:37,730

gift vouchers i wouldn't have to buy

1299

00:53:41,950 --> 00:53:39,680

anything anymore come out and visit and

1300

00:53:43,780 --> 00:53:41,960

collect a few now we're just making room

1301  
00:53:46,390 --> 00:53:43,790  
at the table tonight's featured speakers

1302  
00:53:48,430 --> 00:53:46,400  
dr. brad filling in at the last moment

1303  
00:53:50,109 --> 00:53:48,440  
for Ian Bryce who was going to talk

1304  
00:53:54,309 --> 00:53:50,119  
about gravitational waves but I think he

1305  
00:53:55,859 --> 00:53:54,319  
fell down a black hole ah thank you

1306  
00:53:57,870 --> 00:53:55,869  
thank you for a long

1307  
00:53:58,920 --> 00:53:57,880  
and what Brad would just talk about

1308  
00:54:02,099 --> 00:53:58,930  
something completely different about

1309  
00:54:04,140 --> 00:54:02,109  
aliens and that sort of stuff and the

1310  
00:54:05,819 --> 00:54:04,150  
question is how would you react if

1311  
00:54:07,710 --> 00:54:05,829  
tomorrow the government turned around

1312  
00:54:09,420 --> 00:54:07,720  
and said we received a message from the

1313  
00:54:12,120 --> 00:54:09,430

heavens that we think is from an

1314

00:54:14,309 --> 00:54:12,130

extraterrestrial source I think I

1315

00:54:19,920 --> 00:54:14,319

probably wouldn't trust it initially I

1316

00:54:23,160 --> 00:54:19,930

skeptic at last as we yeah so I remember

1317

00:54:25,859 --> 00:54:23,170

there was it contact the movie when they

1318

00:54:28,529 --> 00:54:25,869

had like the the president announcing

1319

00:54:30,390 --> 00:54:28,539

that aliens had come to the boy had had

1320

00:54:32,460 --> 00:54:30,400

signaled the planet and then it was all

1321

00:54:33,809 --> 00:54:32,470

computer-generated and so everybody was

1322

00:54:35,519 --> 00:54:33,819

worried that everybody would actually

1323

00:54:38,400 --> 00:54:35,529

believe that the president of the united

1324

00:54:39,930 --> 00:54:38,410

states have actually announced that but

1325

00:54:41,460 --> 00:54:39,940

i think it only has to be twenty percent

1326  
00:54:43,859 --> 00:54:41,470  
different or something to be to get away

1327  
00:54:46,980 --> 00:54:43,869  
with it with a computer animation so a

1328  
00:54:50,930 --> 00:54:46,990  
few less gray hairs maybe that's good

1329  
00:54:54,890 --> 00:54:52,799  
someone's going to tell me you very soon

1330  
00:54:57,150 --> 00:54:54,900  
that there's no Santa Claus you know

1331  
00:54:59,819 --> 00:54:57,160  
we're not gonna educate their kids

1332  
00:55:01,739 --> 00:54:59,829  
around yes well that's interesting

1333  
00:55:02,849 --> 00:55:01,749  
that's a good take bread actually all

1334  
00:55:04,289 --> 00:55:02,859  
right now let's take that one step

1335  
00:55:07,319 --> 00:55:04,299  
further and say it was actually

1336  
00:55:09,930 --> 00:55:07,329  
confirmed it was confirmed and it wasn't

1337  
00:55:12,569 --> 00:55:09,940  
computer-generated what would your

1338  
00:55:14,279 --> 00:55:12,579

thoughts be then I just be thinking are

1339

00:55:16,680 --> 00:55:14,289

they friend or foe are they going to

1340

00:55:19,380 --> 00:55:16,690

come and kill us or or are they actually

1341

00:55:22,319 --> 00:55:19,390

going to be like furry and fluffy so yep

1342

00:55:23,609 --> 00:55:22,329

so I can have one as a pet well Trish

1343

00:55:25,200 --> 00:55:23,619

over here reckons are going to be living

1344

00:55:27,420 --> 00:55:25,210

under the sea and we can ride them like

1345

00:55:30,960 --> 00:55:27,430

sea horses or something like that you as

1346

00:55:51,340 --> 00:55:30,970

a pet I look very good in a cage I can

1347

00:55:56,420 --> 00:55:53,460

three

1348

00:55:59,700 --> 00:55:56,430

syst you met

1349

00:56:01,740 --> 00:55:59,710

SI esta simple idiot hey Sal you guys

1350

00:56:03,900 --> 00:56:01,750

guys I just had the most amazing

1351  
00:56:05,790 --> 00:56:03,910  
experience what experience unders unders

1352  
00:56:07,620 --> 00:56:05,800  
have you been to the pub I told you not

1353  
00:56:10,050 --> 00:56:07,630  
to hang out with mash you know he was

1354  
00:56:12,600 --> 00:56:10,060  
blessed by peter Popoff no yellin i'm

1355  
00:56:15,000 --> 00:56:12,610  
not talking about psychics it was a

1356  
00:56:16,620 --> 00:56:15,010  
really SP experience now you have been

1357  
00:56:19,500 --> 00:56:16,630  
to the pub either that or you've been

1358  
00:56:21,930 --> 00:56:19,510  
smoking something no pointers the ESB is

1359  
00:56:24,030 --> 00:56:21,940  
the European skeptics podcast it's the

1360  
00:56:26,160 --> 00:56:24,040  
most amazing thing you get to know so

1361  
00:56:29,040 --> 00:56:26,170  
much about skeptics and their activities

1362  
00:56:31,140 --> 00:56:29,050  
across Europe you know events hot topics

1363  
00:56:33,360 --> 00:56:31,150

and interviews with lots of interesting

1364

00:56:35,100 --> 00:56:33,370

people oh wow cool by the way pointers

1365

00:56:37,530 --> 00:56:35,110

you just get me to the false dichotomy

1366

00:56:40,380 --> 00:56:37,540

fallacy I guess that means I'm really

1367

00:56:42,390 --> 00:56:40,390

wrong yep and you can even learn about

1368

00:56:44,850 --> 00:56:42,400

those fallacies in the show and hear

1369

00:56:47,130 --> 00:56:44,860

about people spreading silly ideas you

1370

00:56:50,130 --> 00:56:47,140

should really check it out it's the ESP

1371

00:56:52,830 --> 00:56:50,140

the European skeptics podcast its own

1372

00:56:55,140 --> 00:56:52,840

never weak alright so where can I get

1373

00:56:57,810 --> 00:56:55,150

this is the experience it sounds good

1374

00:57:00,870 --> 00:56:57,820

you can go online at the ESP do to you

1375

00:57:03,930 --> 00:57:00,880

follow it on twitter at es podcast

1376

00:57:06,060 --> 00:57:03,940

underscore EU or like the podcast on

1377

00:57:09,120 --> 00:57:06,070

facebook oh and you can also contact the

1378

00:57:12,930 --> 00:57:09,130

show by sending them an email to info at

1379

00:57:15,000 --> 00:57:12,940

the ESPE you and if you want to

1380

00:57:17,730 --> 00:57:15,010

subscribe do a quick search for the

1381

00:57:23,730 --> 00:57:17,740

European skeptic podcast on soundcloud

1382

00:57:37,920 --> 00:57:23,740

itunes or stitcher I don't know how you

1383

00:57:44,140 --> 00:57:40,180

thank you for listening to the skeptics

1384

00:57:46,450 --> 00:57:44,150

own as the rain still pours down here in

1385

00:57:49,770 --> 00:57:46,460

Sydney and a big thank you to those

1386

00:57:52,810 --> 00:57:49,780

people who make the skeptic zone

1387

00:57:55,150 --> 00:57:52,820

possible the reporters of course but

1388

00:57:57,190 --> 00:57:55,160

also people like you who contribute to

1389

00:58:01,120 --> 00:57:57,200

the skeptic zone with paypal at skeptic

1390

00:58:04,480 --> 00:58:01,130

zone dot TV many people contribute only

1391

00:58:07,330 --> 00:58:04,490

99 cents a week but it all adds up and

1392

00:58:09,160 --> 00:58:07,340

it all makes the show work if you feel

1393

00:58:10,810 --> 00:58:09,170

you enjoy the skeptic zone if you get

1394

00:58:13,180 --> 00:58:10,820

value out of it if you learn something

1395

00:58:17,200 --> 00:58:13,190

from if it keeps you company then maybe

1396

00:58:20,410 --> 00:58:17,210

you would consider being a supporter of

1397

00:58:23,080 --> 00:58:20,420

the show by chipping in 99 cents a week

1398

00:58:25,120 --> 00:58:23,090

or five dollars a week or some people

1399

00:58:27,940 --> 00:58:25,130

even more which is greatly appreciated

1400

00:58:32,200 --> 00:58:27,950

it does keep the show going and we're

1401  
00:58:34,780 --> 00:58:32,210  
coming up to show Wow 400 in a couple of

1402  
00:58:36,940 --> 00:58:34,790  
weeks hard to believe it's also hard to

1403  
00:58:39,490 --> 00:58:36,950  
believe that the rain is pouring down

1404  
00:58:42,580 --> 00:58:39,500  
the way it is okay people in Sydney the

1405  
00:58:46,840 --> 00:58:42,590  
show's over batten down the hatches get

1406  
00:58:48,670 --> 00:58:46,850  
the lifeboats ready and good luck but

1407  
00:58:55,710 --> 00:58:48,680  
for now this is Richard Saunders signing

1408  
00:59:01,900 --> 00:58:58,090  
you've been listening to the skeptic

1409  
00:59:04,810 --> 00:59:01,910  
zone podcast visit our website at wwc a

1410  
00:59:08,230 --> 00:59:04,820  
petting zoo TV for contacts and archive

1411  
00:59:10,960 --> 00:59:08,240  
of all episodes since 2008 and our
