

The Skeptic Zone

Show 232 - 30 March 2013

Dr Rachie

1
00:00:22,990 --> 00:00:09,089
welcome to the skeptic zone the podcast

2
00:00:30,729 --> 00:00:25,790
hello and welcome to the skeptic zone

3
00:00:34,310 --> 00:00:30,739
episode number 232 for the 30th of March

4
00:00:38,569 --> 00:00:34,320
2013 Richard Saunders here with you

5
00:00:41,479 --> 00:00:38,579
coming live from circular key in Sydney

6
00:00:43,520 --> 00:00:41,489
Australia this is the big ferry port in

7
00:00:45,229 --> 00:00:43,530
Sydney over to my right I see the

8
00:00:47,149 --> 00:00:45,239
beautiful Sydney Opera House to my left

9
00:00:50,840 --> 00:00:47,159
it's the Sydney Harbour Bridge there's a

10
00:00:52,820 --> 00:00:50,850
a giant cruise ship doctor just up there

11
00:00:54,829 --> 00:00:52,830
on my left there are fairies everywhere

12
00:00:58,249 --> 00:00:54,839
moving in and out the water is just

13
00:00:59,960 --> 00:00:58,259

glistening on this beautiful day lots of

14

00:01:02,450 --> 00:00:59,970

people here thousands of people milling

15

00:01:05,119 --> 00:01:02,460

around and there's a busker over there

16

00:01:06,710 --> 00:01:05,129

playing I guess I'm just getting my

17

00:01:11,210 --> 00:01:06,720

little dose of Sydney before i head

18

00:01:13,460 --> 00:01:11,220

overseas in a couple of days but coming

19

00:01:15,289 --> 00:01:13,470

up on this week's show a little bit of a

20

00:01:16,819 --> 00:01:15,299

short show simply because i'm so busy at

21

00:01:18,830 --> 00:01:16,829

the moment preparing for my trip and

22

00:01:20,569 --> 00:01:18,840

doing all sorts of other things will

23

00:01:23,030 --> 00:01:20,579

kick off with a week in science without

24

00:01:25,790 --> 00:01:23,040

good friend dr. Paul Willis from RI aus

25

00:01:28,580 --> 00:01:25,800

org dot au the Royal Institution in

26

00:01:31,250 --> 00:01:28,590

Adelaide and following a week in science

27

00:01:33,560 --> 00:01:31,260

it's a sort of a mini think tank dr.

28

00:01:35,980 --> 00:01:33,570

Rachel and myself having a talk about

29

00:01:40,490 --> 00:01:35,990

some of the issues of the day concerning

30

00:01:42,140 --> 00:01:40,500

the latest yes the latest court goings

31

00:01:45,020 --> 00:01:42,150

on with the Australian vaccination

32

00:01:46,899 --> 00:01:45,030

network oh boy Whateley hear about some

33

00:01:49,190 --> 00:01:46,909

of the things that are happening now

34

00:01:53,140 --> 00:01:49,200

what a beautiful place this is there a

35

00:01:56,990 --> 00:01:53,150

fairies going off to Manly Beach off to

36

00:01:58,940 --> 00:01:57,000

turanga Park Zoo wonderful zoo here in

37

00:02:01,820 --> 00:01:58,950

Sydney you can get a ferry right under

38

00:02:04,219 --> 00:02:01,830

the Sydney Harbour Bridge past luna park

39

00:02:05,560 --> 00:02:04,229

I sound like a tourist information board

40

00:02:07,810 --> 00:02:05,570

donut

41

00:02:09,969 --> 00:02:07,820

sometimes Sydney really turns it on and

42

00:02:13,030 --> 00:02:09,979

we've had a very long hot and humid some

43

00:02:14,500 --> 00:02:13,040

of it today it's pretty nice oh now also

44

00:02:16,180 --> 00:02:14,510

coming up later in the show a bit more

45

00:02:19,000 --> 00:02:16,190

information about where I'll be

46

00:02:20,800 --> 00:02:19,010

appearing around the world in the next

47

00:02:24,070 --> 00:02:20,810

few weeks and I certainly hope to meet

48

00:02:26,949 --> 00:02:24,080

you in in Dublin or in Oslo we're in

49

00:02:28,750 --> 00:02:26,959

Manchester good heavens or in the Czech

50

00:02:31,270 --> 00:02:28,760

Republic but for now I'm just going to

51
00:02:33,010 --> 00:02:31,280
oh I might go for an ice cream why not

52
00:02:35,770 --> 00:02:33,020
it's a beautiful day for an ice cream

53
00:02:42,390 --> 00:02:35,780
I'm doing that I'll let you enjoy the

54
00:02:57,480 --> 00:02:51,230
me

55
00:03:01,050 --> 00:02:57,490
iOS this week children's TV and the

56
00:03:09,780 --> 00:03:01,060
minds of kids dinosaur sex and painted

57
00:03:11,670 --> 00:03:09,790
electronics first up in good news for

58
00:03:13,620 --> 00:03:11,680
many parents the risk of your child

59
00:03:17,220 --> 00:03:13,630
becoming antisocial is largely

60
00:03:19,110 --> 00:03:17,230
unaffected by TV time a UK study has

61
00:03:21,330 --> 00:03:19,120
confirmed that five year olds who watch

62
00:03:23,820 --> 00:03:21,340
three or more hours of television per

63
00:03:26,790 --> 00:03:23,830

day only marginally increased their risk

64

00:03:28,770 --> 00:03:26,800

of developing behavioral problems they

65

00:03:30,810 --> 00:03:28,780

also found no tangible link between

66

00:03:33,000 --> 00:03:30,820

playing video games and a child's

67

00:03:35,580 --> 00:03:33,010

sociality it's still worth staying

68

00:03:37,920 --> 00:03:35,590

vigilant however as excessive screen

69

00:03:40,260 --> 00:03:37,930

time may contribute to other problems

70

00:03:42,360 --> 00:03:40,270

like sedentary behavior sleeping

71

00:03:47,699 --> 00:03:42,370

difficulties and impaired language

72

00:03:49,740 --> 00:03:47,709

development Samoa Vanuatu and Fiji used

73

00:03:53,449 --> 00:03:49,750

to be home to a plethora of flightless

74

00:03:55,830 --> 00:03:53,459

birds and then Along Came humans

75

00:03:57,840 --> 00:03:55,840

colonisation of remote Pacific Islands

76

00:04:00,840 --> 00:03:57,850

may have led to the mass extinction of

77

00:04:03,360 --> 00:04:00,850

over 1,000 species of large bodied

78

00:04:04,890 --> 00:04:03,370

flightless birds this is one of the

79

00:04:06,449 --> 00:04:04,900

largest known extinction events

80

00:04:08,820 --> 00:04:06,459

occurring between three and a half

81

00:04:11,370 --> 00:04:08,830

thousand and seven hundred years ago

82

00:04:13,920 --> 00:04:11,380

researchers use computer modeling to

83

00:04:16,470 --> 00:04:13,930

fill gaps in the fossil record revealing

84

00:04:22,090 --> 00:04:16,480

that over hunting and deforestation by

85

00:04:26,629 --> 00:04:24,590

genetic factors may contribute to a

86

00:04:29,570 --> 00:04:26,639

smoker developing a heavy habit and

87

00:04:31,879 --> 00:04:29,580

nicotine dependence traffic pollution in

88

00:04:33,980 --> 00:04:31,889

European cities is responsible for

89

00:04:36,409 --> 00:04:33,990

around fourteen percent of cases of

90

00:04:38,710 --> 00:04:36,419

chronic childhood asthma fossilization

91

00:04:40,970 --> 00:04:38,720

may affect the Milano some which

92

00:04:43,310 --> 00:04:40,980

paleontologists used to determine animal

93

00:04:45,500 --> 00:04:43,320

color meaning dinosaurs may have been a

94

00:04:47,629 --> 00:04:45,510

different color to what we think and a

95

00:04:49,159 --> 00:04:47,639

new theory suggests that some dinosaurs

96

00:04:51,950 --> 00:04:49,169

may have had sex in the missionary

97

00:04:54,409 --> 00:04:51,960

position otherwise spikes on their backs

98

00:04:59,570 --> 00:04:54,419

and Tails could have wreak havoc on the

99

00:05:02,050 --> 00:04:59,580

male members finally this week painted

100

00:05:04,070 --> 00:05:02,060

electronics may soon be a reality

101
00:05:06,140 --> 00:05:04,080
researchers from the University of

102
00:05:08,420 --> 00:05:06,150
Michigan have developed a way to paint a

103
00:05:11,450 --> 00:05:08,430
plastic-like surface which conducts

104
00:05:13,159 --> 00:05:11,460
electric signals the problem previously

105
00:05:16,190 --> 00:05:13,169
has been that the molecules in these

106
00:05:17,780 --> 00:05:16,200
surfaces were randomly arranged making

107
00:05:19,730 --> 00:05:17,790
transmission of electric signals

108
00:05:21,710 --> 00:05:19,740
unpredictable this research has

109
00:05:24,110 --> 00:05:21,720
developed a way that the polymer can be

110
00:05:26,719 --> 00:05:24,120
painted with the signal transferring

111
00:05:31,640 --> 00:05:26,729
molecules lining up allowing easier

112
00:05:34,490 --> 00:05:31,650
transmission robert Llewellyn also known

113
00:05:37,340 --> 00:05:34,500

as Crichton from Red Dwarf recently

114

00:05:40,010 --> 00:05:37,350

joined our aisles to test-drive trev the

115

00:05:41,900 --> 00:05:40,020

electric car you can see robert talking

116

00:05:44,390 --> 00:05:41,910

with the builder of trev and driving

117

00:05:46,880 --> 00:05:44,400

this ingenious vehicle on our YouTube

118

00:05:48,620 --> 00:05:46,890

and Vimeo channels that's been the

119

00:05:50,360 --> 00:05:48,630

highlights of another big week in

120

00:05:52,580 --> 00:05:50,370

science you can find out more about

121

00:05:56,630 --> 00:05:52,590

these and other science news stories on

122

00:06:00,080 --> 00:05:56,640

our website ro-org a you where you can

123

00:06:02,360 --> 00:06:00,090

also sign up for future episodes you can

124

00:06:05,480 --> 00:06:02,370

follow the conversation on twitter using

125

00:06:07,880 --> 00:06:05,490

the hashtag weekend sigh i'm paul willis

126

00:06:18,390 --> 00:06:07,890

and on behalf of the r isles team i'll

127

00:06:24,900 --> 00:06:23,550

I am on it oh yeah Chris 10 Aviva tips

128

00:06:27,360 --> 00:06:24,910

addai some lush glitter of a skeptic

129

00:06:29,520 --> 00:06:27,370

zone I'm skeptical in la liga the VINs

130

00:06:31,230 --> 00:06:29,530

not a blog gear up a BF a podcast of

131

00:06:33,510 --> 00:06:31,240

reading and skip system is leaked on

132

00:06:35,400 --> 00:06:33,520

this door panel since i'll skip sister

133

00:06:37,529 --> 00:06:35,410

demo or hydro besides the dips corner

134

00:06:39,120 --> 00:06:37,539

Chiclets and calendar / activated or

135

00:06:40,469 --> 00:06:39,130

line getting estate association escapes

136

00:06:42,210 --> 00:06:40,479

his blog in opportunity I'm layer or the

137

00:06:44,129 --> 00:06:42,220

biscuit Harris hefty performance so stay

138

00:06:54,390 --> 00:06:44,139

kingdom of their Tulsa escapes his

139

00:07:05,310 --> 00:06:54,400

thoughts hello join us now for drinking

140

00:07:06,870 --> 00:07:05,320

skeptically in the think tank no dr.

141

00:07:09,270 --> 00:07:06,880

richard i think it was it wasn't in a

142

00:07:12,000 --> 00:07:09,280

bus but i was unable to identify which

143

00:07:15,050 --> 00:07:12,010

exact thing on our folks welcome to

144

00:07:18,629 --> 00:07:15,060

think tank by the way dr. cheers hmm

145

00:07:20,430 --> 00:07:18,639

it's some rather unusual well it's it's

146

00:07:21,839 --> 00:07:20,440

we're not in the same in the normal

147

00:07:23,820 --> 00:07:21,849

location so it's a mini thing to

148

00:07:25,890 --> 00:07:23,830

anything time and i'm actually in dr e

149

00:07:28,950 --> 00:07:25,900

cheese front room and the planes are

150

00:07:31,020 --> 00:07:28,960

being buzzing her tonight yeah because

151

00:07:33,330 --> 00:07:31,030

it's very humid in Sydney tonight and

152

00:07:35,610 --> 00:07:33,340

it's raining and they sort of tend to be

153

00:07:38,040 --> 00:07:35,620

doing they're coming out of the runway

154

00:07:39,540 --> 00:07:38,050

and then sort of doing hard right hand

155

00:07:41,189 --> 00:07:39,550

turns and the heading over there goes

156

00:07:42,990 --> 00:07:41,199

one now but listeners may be very lucky

157

00:07:46,350 --> 00:07:43,000

they may hear one going over your roof

158

00:07:49,200 --> 00:07:46,360

any minute so they probably will but dr.

159

00:07:50,850 --> 00:07:49,210

AG thank you for posting this little

160

00:07:52,320 --> 00:07:50,860

meaning think tank in your throne what

161

00:07:53,490 --> 00:07:52,330

if I normally would go down in the club

162

00:07:55,170 --> 00:07:53,500

at the end of the street but it was only

163

00:07:56,430 --> 00:07:55,180

everyone else was sort of indisposed

164

00:07:59,100 --> 00:07:56,440

it's coming up to Eastern all the

165

00:08:00,390 --> 00:07:59,110

residents it is we're having a look my

166

00:08:02,490 --> 00:08:00,400

microphone that was my microphone

167

00:08:04,290 --> 00:08:02,500

rattling folks a quick think tank

168

00:08:08,990 --> 00:08:04,300

tonight and before we get stuck into

169

00:08:11,310 --> 00:08:09,000

talking about the latest forum I

170

00:08:13,379 --> 00:08:11,320

slapping hilarity with the Australian

171

00:08:15,029 --> 00:08:13,389

vaccination net well let's quickly

172

00:08:17,640 --> 00:08:15,039

mention that of course you and I will be

173

00:08:19,230 --> 00:08:17,650

both appearing at QED in Manchester how

174

00:08:21,029 --> 00:08:19,240

exciting is that I know you Richard

175

00:08:23,760 --> 00:08:21,039

Anderson even more exciting because you

176

00:08:25,080 --> 00:08:23,770

originally when I was asked to go you

177

00:08:27,180 --> 00:08:25,090

weren't planning on going and now you

178

00:08:27,990 --> 00:08:27,190

are going so we get to hang out in

179

00:08:31,500 --> 00:08:28,000

Manchester

180

00:08:33,149 --> 00:08:31,510

and I'm doing a talk on actually as it

181

00:08:35,790 --> 00:08:33,159

happens the anti-vaccine movement in

182

00:08:39,930 --> 00:08:35,800

Australia and I think you aren't some

183

00:08:41,909 --> 00:08:39,940

panels yeah you don't say yeah I told

184

00:08:43,440 --> 00:08:41,919

them you are doing anything they would

185

00:08:45,930 --> 00:08:43,450

like me to do I'm having to talk or

186

00:08:47,970 --> 00:08:45,940

whatever and I'm happy to give you a

187

00:08:50,520 --> 00:08:47,980

hand and help illustrate any points in

188

00:08:53,820 --> 00:08:50,530

your toe there goes one now don't know

189

00:08:56,430 --> 00:08:53,830

what it was but thanks so QED Manchester

190

00:08:58,710 --> 00:08:56,440

coming up I'm so excited about that now

191

00:09:00,870 --> 00:08:58,720

I must say and as my listeners know I've

192

00:09:02,820 --> 00:09:00,880

been invited to speak at a film festival

193

00:09:05,880 --> 00:09:02,830

in the Czech Republic and the website is

194

00:09:08,250 --> 00:09:05,890

a fo dot c ZF certainly spoken a lot

195

00:09:09,900 --> 00:09:08,260

about it but what I haven't said and I

196

00:09:12,570 --> 00:09:09,910

really should have and I'm going to say

197

00:09:14,700 --> 00:09:12,580

it now is I wouldn't be going there I

198

00:09:17,310 --> 00:09:14,710

wouldn't be going to Manchester wouldn't

199

00:09:21,360 --> 00:09:17,320

be going to Oslo I'm appearing on the

200

00:09:24,150 --> 00:09:21,370

sixth of februari in Oslo I think that's

201

00:09:27,390 --> 00:09:24,160

really a pro have another drink fifth

202

00:09:29,700 --> 00:09:27,400

third of my head fixed of April in Oslo

203

00:09:31,350 --> 00:09:29,710

the tenth of April in Dublin of

204

00:09:33,480 --> 00:09:31,360

Manchester and the check up on none of

205

00:09:37,079 --> 00:09:33,490

this would happen if it weren't for

206

00:09:39,480 --> 00:09:37,089

Brian Dunning Brian Dunning personally

207

00:09:41,010 --> 00:09:39,490

recommended me to the people in the

208

00:09:44,579 --> 00:09:41,020

Czech Republic who were sponsoring my

209

00:09:47,670 --> 00:09:44,589

trip really to fly to Europe and so I

210

00:09:50,220 --> 00:09:47,680

owe a huge debt to Brian Dunning for his

211

00:09:52,470 --> 00:09:50,230

very kind and warm recommendation that

212

00:09:54,329 --> 00:09:52,480

they should have me attend and talking

213

00:09:57,390 --> 00:09:54,339

and all the rest of it so he also has a

214

00:09:59,520 --> 00:09:57,400

very good hot tub Richard he does so

215

00:10:02,160 --> 00:09:59,530

Brian Dunning cheers Cheers to Brian

216

00:10:05,610 --> 00:10:02,170

humming mmm I'm Brian Dunning from skip

217

00:10:07,829 --> 00:10:05,620

toys John farm and also brian the Sharks

218

00:10:10,410 --> 00:10:07,839

say hello yes the shark say hello Brian

219

00:10:12,329 --> 00:10:10,420

say when you come to Australia next time

220

00:10:14,490 --> 00:10:12,339

Brian the sharks will be waiting for you

221

00:10:16,170 --> 00:10:14,500

now what a what a top bloke brian is

222

00:10:17,910 --> 00:10:16,180

what a wonderful man and of course

223

00:10:19,590 --> 00:10:17,920

sceptile is one of our favorite podcasts

224

00:10:22,290 --> 00:10:19,600

you put me on to skip to it originally

225

00:10:23,520 --> 00:10:22,300

you know you did really years ago you

226

00:10:25,320 --> 00:10:23,530

said hey Richard did there's this

227

00:10:26,670 --> 00:10:25,330

podcast called skipped I'd you should

228

00:10:28,329 --> 00:10:26,680

listen to and I hadn't listened to her

229

00:10:31,030 --> 00:10:28,339

before oh how about that

230

00:10:33,970 --> 00:10:31,040

didn't realize yeah but but all over the

231

00:10:36,790 --> 00:10:33,980

years i first met brian i think in 2008

232

00:10:38,199 --> 00:10:36,800

and we've just very good friends Brian

233

00:10:42,160 --> 00:10:38,209

and I'm heard friends with his whole

234

00:10:43,809 --> 00:10:42,170

family there goes another one hmm i

235

00:10:45,699 --> 00:10:43,819

think the sounds bouncing off the clouds

236

00:10:47,590 --> 00:10:45,709

name yeah so i can't speak highly enough

237

00:10:50,319 --> 00:10:47,600

about brian dunning he's a top Logan and

238

00:10:52,299 --> 00:10:50,329

I love to sit to tease him and send him

239

00:10:54,119 --> 00:10:52,309

up and he'll write back to me teasing me

240

00:10:56,590 --> 00:10:54,129

and sending me up so it's all good yeah

241

00:11:00,069 --> 00:10:56,600

I somehow ended up with a book that

242

00:11:03,429 --> 00:11:00,079

somebody gave him at tam that ended up

243

00:11:06,220 --> 00:11:03,439

in my suitcase for why we fetch that

244

00:11:09,160 --> 00:11:06,230

somebody had given to cry and what and

245

00:11:12,549 --> 00:11:09,170

he got very offended so he palmed it off

246

00:11:14,679 --> 00:11:12,559

to me i don't know i think i dont know

247

00:11:17,170 --> 00:11:14,689

havent doesn't happen and i can't wait

248

00:11:19,420 --> 00:11:17,180

to see Brian Dunning again about

249

00:11:20,920 --> 00:11:19,430

sometime later this year I'm I hope and

250

00:11:22,720 --> 00:11:20,930

all those other wonderful things of

251
00:11:24,040 --> 00:11:22,730
course my talks and Dublin talks and

252
00:11:26,170 --> 00:11:24,050
Manchester and talks in the Czech

253
00:11:28,600 --> 00:11:26,180
Republic and also in Dublin is it my

254
00:11:31,239 --> 00:11:28,610
skeptics society oh yeah it's catching

255
00:11:34,419 --> 00:11:31,249
up on it is it's a skeptical type up in

256
00:11:35,860 --> 00:11:34,429
the pub time meeting now this listeners

257
00:11:37,660 --> 00:11:35,870
can go to facebook and look for the

258
00:11:39,189 --> 00:11:37,670
Dublin skeptics the Irish kept if you'll

259
00:11:41,590 --> 00:11:39,199
find out what's that's information i'll

260
00:11:44,079 --> 00:11:41,600
put in links in the show notes i'll put

261
00:11:46,119 --> 00:11:44,089
in links in the show notes now dr. AG is

262
00:11:50,410 --> 00:11:46,129
i was just saying to you just before we

263
00:11:52,269 --> 00:11:50,420

went on press the record button and this

264

00:11:53,829 --> 00:11:52,279

can lead into the subject of those wacky

265

00:11:57,280 --> 00:11:53,839

people at the Australian vaccination and

266

00:11:58,720 --> 00:11:57,290

work tonight this the news the TV news

267

00:12:03,460 --> 00:11:58,730

media were running a story about a new

268

00:12:05,079 --> 00:12:03,470

vaccination mmm r VV all right and it's

269

00:12:06,340 --> 00:12:05,089

generally a positive story you know this

270

00:12:07,960 --> 00:12:06,350

is better for children better for

271

00:12:10,989 --> 00:12:07,970

everybody it's quicker it's all the rest

272

00:12:12,819 --> 00:12:10,999

of it but channel 7 journal servant who

273

00:12:14,019 --> 00:12:12,829

i do not have any affiliation with now

274

00:12:16,929 --> 00:12:14,029

because i'll see you can say whatever

275

00:12:18,790 --> 00:12:16,939

you like about i have to say this but i

276

00:12:20,410 --> 00:12:18,800

don't i don't have any formal agreement

277

00:12:24,309 --> 00:12:20,420

on channel 7 I think they've taught

278

00:12:26,679 --> 00:12:24,319

people but nevertheless arm so they ran

279

00:12:29,260 --> 00:12:26,689

the story and then they said but some

280

00:12:32,050 --> 00:12:29,270

people disagree or was that affected

281

00:12:34,870 --> 00:12:32,060

bronwyn Hancock but her title that you

282

00:12:37,390 --> 00:12:34,880

know the title they put under her name

283

00:12:39,730 --> 00:12:37,400

was anti vaccination campaign or worse

284

00:12:41,740 --> 00:12:39,740

though I wonder what she'll think about

285

00:12:43,330 --> 00:12:41,750

that and she said all these things could

286

00:12:44,920 --> 00:12:43,340

lead to brain damage I didn't hear it

287

00:12:46,150 --> 00:12:44,930

quite clearly enough because I was in

288

00:12:47,890 --> 00:12:46,160

the club and I couldn't quite hear it

289

00:12:50,160 --> 00:12:47,900

but I was a little disappointed dr.

290

00:12:52,210 --> 00:12:50,170

aging yeah I mean the thing is

291

00:12:54,940 --> 00:12:52,220

Australian media do that stuff at their

292

00:12:57,340 --> 00:12:54,950

own peril these days because there was

293

00:12:59,160 --> 00:12:57,350

recently a story on Media Watch in this

294

00:13:03,750 --> 00:12:59,170

country Media Watch is a program that

295

00:13:07,150 --> 00:13:03,760

criticizes the media yeah it's run by

296

00:13:09,010 --> 00:13:07,160

our government television station and

297

00:13:11,260 --> 00:13:09,020

whenever they see something stupid in

298

00:13:12,970 --> 00:13:11,270

the media they will take it to pieces

299

00:13:14,650 --> 00:13:12,980

and then you know even against their own

300

00:13:17,110 --> 00:13:14,660

network which exactly yeah and then

301
00:13:19,870 --> 00:13:17,120
known for their acrid tone and then they

302
00:13:22,720 --> 00:13:19,880
don't beat around the bush and they took

303
00:13:25,630 --> 00:13:22,730
they went to town on a station that runs

304
00:13:27,490 --> 00:13:25,640
on channel 9 he called wind news Fillion

305
00:13:30,100 --> 00:13:27,500
yes an affiliate of channel nine which

306
00:13:32,530 --> 00:13:30,110
runs in the Illawarra region because our

307
00:13:35,140 --> 00:13:32,540
months and months ago now they had

308
00:13:40,060 --> 00:13:35,150
merrill dory on as an alleged expert in

309
00:13:41,680 --> 00:13:40,070
the spot of balance and they so a number

310
00:13:44,050 --> 00:13:41,690
of people wrote to them and complained

311
00:13:46,000 --> 00:13:44,060
and the way complaints work in this

312
00:13:47,680 --> 00:13:46,010
country is if you write the TV station

313
00:13:49,630 --> 00:13:47,690

and you are not satisfied with their

314

00:13:52,060 --> 00:13:49,640

response and they have to respond within

315

00:13:54,910 --> 00:13:52,070

30 days you can then complained the

316

00:13:58,960 --> 00:13:54,920

austrian consumer meteor authority right

317

00:14:01,780 --> 00:13:58,970

or the australian I don't know one of

318

00:14:03,970 --> 00:14:01,790

those acaba yeah economies a commercial

319

00:14:07,150 --> 00:14:03,980

anyway so akma is currently

320

00:14:09,940 --> 00:14:07,160

investigating the that channels that

321

00:14:11,460 --> 00:14:09,950

station for that breach because that was

322

00:14:13,450 --> 00:14:11,470

deemed to be not in the interest of

323

00:14:16,120 --> 00:14:13,460

Public Health or something I don't know

324

00:14:18,160 --> 00:14:16,130

what the classification was and on top

325

00:14:21,730 --> 00:14:18,170

of that they got taken to pieces on

326

00:14:23,020 --> 00:14:21,740

media watch so Australian media does

327

00:14:24,700 --> 00:14:23,030

that at their own peril because they

328

00:14:26,080 --> 00:14:24,710

will simply get complaints and they will

329

00:14:27,880 --> 00:14:26,090

have to respond to those complaints and

330

00:14:29,770 --> 00:14:27,890

if the people that make those complaints

331

00:14:32,550 --> 00:14:29,780

are not happy they'll get dogged into

332

00:14:35,410 --> 00:14:32,560

the regulator and then they can they can

333

00:14:36,670 --> 00:14:35,420

be subject to very big fines like we're

334

00:14:38,890 --> 00:14:36,680

talking hundreds of thousands of dollars

335

00:14:42,400 --> 00:14:38,900

the interesting thing for me is when

336

00:14:45,220 --> 00:14:42,410

this story came up they didn't say

337

00:14:47,550 --> 00:14:45,230

vaccination commentator or anything like

338

00:14:50,559 --> 00:14:47,560

that they were absolutely explicit

339

00:14:51,970 --> 00:14:50,569

anti-vaccination camp yeah yeah so they

340

00:14:54,730 --> 00:14:51,980

might be able to get out of it based on

341

00:14:57,309 --> 00:14:54,740

that um it's a pity they had a role she

342

00:14:59,679 --> 00:14:57,319

had nothing to know yeah I mean but this

343

00:15:02,259 --> 00:14:59,689

is the problem like why have 10 seconds

344

00:15:03,910 --> 00:15:02,269

of her saying that you know but i guess

345

00:15:05,319 --> 00:15:03,920

it was first of all there's a couple of

346

00:15:08,879 --> 00:15:05,329

things that are not so bad about that

347

00:15:12,160 --> 00:15:08,889

even though it was there Bronwyn Hancock

348

00:15:13,869 --> 00:15:12,170

like when's Merrill Dory question how

349

00:15:15,400 --> 00:15:13,879

come they got Bronwyn Hancock I mean

350

00:15:17,230 --> 00:15:15,410

Merrill during has stepped down as the

351

00:15:19,660 --> 00:15:17,240

president of the ABN but she still

352

00:15:21,340 --> 00:15:19,670

identifies as a spokesperson yeah which

353

00:15:22,990 --> 00:15:21,350

I presume means she goes on the telly

354

00:15:25,119 --> 00:15:23,000

box it's possible and they were looking

355

00:15:27,939 --> 00:15:25,129

for someone who would who would be happy

356

00:15:29,920 --> 00:15:27,949

to be known as an anti-vaccination well

357

00:15:32,050 --> 00:15:29,930

it is possible and the thing is I was

358

00:15:33,939 --> 00:15:32,060

going to say that that you know there

359

00:15:38,379 --> 00:15:33,949

has been a direct dramatic shift in the

360

00:15:41,199 --> 00:15:38,389

way the Australian media now I guess

361

00:15:43,829 --> 00:15:41,209

labels these people it used to be you

362

00:15:46,179 --> 00:15:43,839

know they were put up as equal

363

00:15:48,730 --> 00:15:46,189

vaccination expert or commentator on

364

00:15:51,519 --> 00:15:48,740

well yeah exactly yeah Merrill was

365

00:15:54,939 --> 00:15:51,529

always called an expert but um I don't

366

00:15:57,069 --> 00:15:54,949

think Brom was coy about her agenda as

367

00:15:58,689 --> 00:15:57,079

the ov-10 are so she probably doesn't

368

00:16:01,509 --> 00:15:58,699

care that she was called an anti vax

369

00:16:04,960 --> 00:16:01,519

yeah campaigner okay but that you know

370

00:16:07,090 --> 00:16:04,970

there was a day in 2009 when you would

371

00:16:09,009 --> 00:16:07,100

never have someone called an anti vector

372

00:16:10,389 --> 00:16:09,019

on this on the media in this country and

373

00:16:11,860 --> 00:16:10,399

I think this is one of the things I'm

374

00:16:15,069 --> 00:16:11,870

going to cover in a bit more detail at q

375

00:16:16,809 --> 00:16:15,079

ed.s that that apart from everything

376

00:16:20,319 --> 00:16:16,819

else that's happened with the avian with

377

00:16:22,420 --> 00:16:20,329

regards to complaints to government

378

00:16:24,550 --> 00:16:22,430

bodies and then being almost cut off at

379

00:16:26,170 --> 00:16:24,560

the knees because of all the things that

380

00:16:29,110 --> 00:16:26,180

they've breached that they now have to

381

00:16:31,660 --> 00:16:29,120

deal with that change in the media's

382

00:16:33,220 --> 00:16:31,670

attitude and educating the media as to

383

00:16:35,530 --> 00:16:33,230

what they're really about and shifting

384

00:16:38,949 --> 00:16:35,540

that false balance away from the

385

00:16:41,049 --> 00:16:38,959

anti-vaxxers has I think been a major

386

00:16:44,139 --> 00:16:41,059

victory for the grassroots campaign

387

00:16:47,740 --> 00:16:44,149

without country without question and now

388

00:16:50,259 --> 00:16:47,750

we can discuss the fact that as far as

389

00:16:51,610 --> 00:16:50,269

the Assyrian vaccination network concern

390

00:16:53,150 --> 00:16:51,620

I mean all their chickens are coming

391

00:16:55,919 --> 00:16:53,160

home

392

00:16:58,609 --> 00:16:55,929

maybe you can give our listeners a sort

393

00:17:01,910 --> 00:16:58,619

of an overview of this name change

394

00:17:04,590 --> 00:17:01,920

situation yes I back in August last year

395

00:17:07,260 --> 00:17:04,600

the Department of Fair Trading wrote to

396

00:17:08,579 --> 00:17:07,270

the avn and said that owing to several

397

00:17:10,669 --> 00:17:08,589

complaints they've received from

398

00:17:13,500 --> 00:17:10,679

different sections of the community

399

00:17:15,539 --> 00:17:13,510

including medical professionals but not

400

00:17:20,909 --> 00:17:15,549

exclusive of medical professionals they

401

00:17:22,620 --> 00:17:20,919

cite the public as well the avian this

402

00:17:24,809 --> 00:17:22,630

name was deemed to be misleading yeah

403

00:17:26,549 --> 00:17:24,819

now normally this wouldn't matter you

404

00:17:28,590 --> 00:17:26,559

can call yourself Billy Bob Thornton if

405

00:17:30,539 --> 00:17:28,600

you want to but if you want to be

406

00:17:32,700 --> 00:17:30,549

registered with the Department of Fair

407

00:17:35,549 --> 00:17:32,710

Trading as an incorporated Association

408

00:17:37,860 --> 00:17:35,559

they have rules you have to abide by so

409

00:17:40,169 --> 00:17:37,870

we're an incorporated Association

410

00:17:42,899 --> 00:17:40,179

Austrian skeptics we have rules the

411

00:17:44,460 --> 00:17:42,909

local like scout group has to follow

412

00:17:45,960 --> 00:17:44,470

those same rules the other one else yeah

413

00:17:48,330 --> 00:17:45,970

we have our regular meetings and it

414

00:17:50,070 --> 00:17:48,340

there Julie notarized or whatever the

415

00:17:53,430 --> 00:17:50,080

term is and hang on Richard can you that

416

00:17:57,210 --> 00:17:53,440

yeah that's an a380 you know just by

417

00:18:00,120 --> 00:17:57,220

hearing not even you're kidding no come

418

00:18:04,880 --> 00:18:00,130

on what's right say it is to the window

419

00:18:18,040 --> 00:18:04,890

now holy mackerel how do I open this

420

00:18:23,830 --> 00:18:20,560

it's gorgeous

421

00:18:26,830 --> 00:18:23,840

oh sorry spunked into dr. hu it wasn't

422

00:18:28,720 --> 00:18:26,840

clamoring to look out the window wow the

423

00:18:30,490 --> 00:18:28,730

just the size of that damn thing flying

424

00:18:34,560 --> 00:18:30,500

right over your house luckiest engined

425

00:18:37,330 --> 00:18:34,570

in color and I mean right over your yeah

426

00:18:39,879 --> 00:18:37,340

thnkx ago sorry about that distraction

427

00:18:41,289 --> 00:18:39,889

isn't it um I mean I just was showing

428

00:18:44,620 --> 00:18:41,299

off because I could tell by the sound

429

00:18:46,180 --> 00:18:44,630

that it was 93 Eddie the world um yeah

430

00:18:47,590 --> 00:18:46,190

so they have to follow certain rules and

431

00:18:49,509 --> 00:18:47,600

one of those rules is that their name

432

00:18:52,299 --> 00:18:49,519

must reflect the activities of their

433

00:18:53,560 --> 00:18:52,309

organizations so the Department of Fair

434

00:18:55,029 --> 00:18:53,570

Trading acted on this based on

435

00:18:57,310 --> 00:18:55,039

complaints from the general public and

436

00:18:59,889 --> 00:18:57,320

from medical professionals and said you

437

00:19:01,480 --> 00:18:59,899

guys are anti wax you're not kidding

438

00:19:03,940 --> 00:19:01,490

anyone you're not kidding anyone yeah

439

00:19:05,680 --> 00:19:03,950

this you know vague name of Australian

440

00:19:08,080 --> 00:19:05,690

vaccination network it's not good enough

441

00:19:10,810 --> 00:19:08,090

let's repeat that you are not kidding

442

00:19:14,350 --> 00:19:10,820

anyway well basically that's what the

443

00:19:16,690 --> 00:19:14,360

minister said he said you're not hiding

444

00:19:18,549 --> 00:19:16,700

anything anymore and I mean this this

445

00:19:21,480 --> 00:19:18,559

was first raised in the court case where

446

00:19:24,549 --> 00:19:21,490

they sued the H Triple C back in 2010

447

00:19:28,299 --> 00:19:24,559

where even the judge presiding over that

448

00:19:31,110 --> 00:19:28,309

case said to Meryl Dory in court I think

449

00:19:33,690 --> 00:19:31,120

you're being coy about your

450

00:19:36,490 --> 00:19:33,700

organization's intentions and agenda

451
00:19:38,710 --> 00:19:36,500
because they keep banging on about how

452
00:19:39,999 --> 00:19:38,720
they're not anti backs but every piece

453
00:19:43,509 --> 00:19:40,009
of evidence points to the fact that they

454
00:19:44,590 --> 00:19:43,519
are now the thing is so the Department

455
00:19:46,509 --> 00:19:44,600
of Fair Trading has ordered them to

456
00:19:48,730 --> 00:19:46,519
change their name now that the critical

457
00:19:52,180 --> 00:19:48,740
word in this phrase is ordered not

458
00:19:53,710 --> 00:19:52,190
requested not asked nicely not said if

459
00:19:58,149 --> 00:19:53,720
you don't mind and if you don't wanna

460
00:20:00,930 --> 00:19:58,159
it's okay I ordered ok now they had to

461
00:20:03,600 --> 00:20:00,940
do this by

462
00:20:05,790 --> 00:20:03,610
that's not an a380 no it's not a little

463
00:20:09,510 --> 00:20:05,800

bit plane they had to do this by the

464

00:20:11,670 --> 00:20:09,520

21st of February's they applied for an

465

00:20:15,780 --> 00:20:11,680

extension of time which they were

466

00:20:19,050 --> 00:20:15,790

granted until March the 23rd which

467

00:20:21,570 --> 00:20:19,060

happened last week they challenged the

468

00:20:25,440 --> 00:20:21,580

order in the Australian administered

469

00:20:28,860 --> 00:20:25,450

Ministry of decisions tribunal which

470

00:20:31,590 --> 00:20:28,870

happened last week what Tuesday yeah it

471

00:20:34,500 --> 00:20:31,600

was on Tuesday was on Tuesday last week

472

00:20:37,830 --> 00:20:34,510

anyway whatever so in that when they

473

00:20:40,110 --> 00:20:37,840

challenged that order the Department of

474

00:20:41,880 --> 00:20:40,120

Fair Trading said okay that's fine we'll

475

00:20:45,150 --> 00:20:41,890

give you a bit more time but in the

476
00:20:47,850 --> 00:20:45,160
meantime you have to put disclaimers on

477
00:20:50,400 --> 00:20:47,860
your websites yes yours logs on your

478
00:20:54,720 --> 00:20:50,410
Twitter's any social media Facebook sort

479
00:20:57,630 --> 00:20:54,730
of stuff that says prominently that you

480
00:20:59,790 --> 00:20:57,640
have been ordered by the ADT to change

481
00:21:01,880 --> 00:20:59,800
it DFT to change your name and this

482
00:21:04,950 --> 00:21:01,890
process is currently being negotiated

483
00:21:06,780 --> 00:21:04,960
with the department and that we are

484
00:21:09,660 --> 00:21:06,790
challenging so we are challenging it is

485
00:21:11,880 --> 00:21:09,670
that effect yeah now what is really

486
00:21:15,780 --> 00:21:11,890
interesting about this is that this has

487
00:21:18,870 --> 00:21:15,790
come full circle now because back in

488
00:21:20,700 --> 00:21:18,880

2010 the reason Meryl sued the H Triple

489

00:21:22,890 --> 00:21:20,710

C and took them to court was because

490

00:21:25,590 --> 00:21:22,900

they had asked her to put a disclaimer

491

00:21:28,410 --> 00:21:25,600

on her website yes Lee then her blogs

492

00:21:30,090 --> 00:21:28,420

and her Twitter's saying you didn't

493

00:21:32,520 --> 00:21:30,100

people shouldn't take this as medical

494

00:21:35,480 --> 00:21:32,530

advice and this information is purely

495

00:21:39,630 --> 00:21:35,490

anti-vaccination that was two years ago

496

00:21:42,480 --> 00:21:39,640

here we are in 2013 and we're back to

497

00:21:45,300 --> 00:21:42,490

square one where because she's refused

498

00:21:47,850 --> 00:21:45,310

to comply with his legislation all this

499

00:21:50,130 --> 00:21:47,860

time now she's been forced to do this

500

00:21:52,980 --> 00:21:50,140

now the reason this time she has

501
00:21:54,300 --> 00:21:52,990
complied whereas she hasn't with most of

502
00:21:56,820 --> 00:21:54,310
the other things that she's been told to

503
00:21:59,640 --> 00:21:56,830
do is because the Department of Fair

504
00:22:03,360 --> 00:21:59,650
Trading have the ability to deregister

505
00:22:06,450 --> 00:22:03,370
the avn shut them down essentially and

506
00:22:08,820 --> 00:22:06,460
then go in and audit all their finances

507
00:22:11,460 --> 00:22:08,830
seize their assets and distribute them

508
00:22:14,150 --> 00:22:11,470
where they see fit so this is a very

509
00:22:16,640 --> 00:22:14,160
serious matter so she

510
00:22:20,540 --> 00:22:16,650
had to do it by 5pm on the twenty-sixth

511
00:22:23,660 --> 00:22:20,550
of march which was tuesday yep and they

512
00:22:25,640 --> 00:22:23,670
said that it's called a stay which which

513
00:22:27,500 --> 00:22:25,650

is the legal term for we're not going to

514

00:22:29,990 --> 00:22:27,510

make you do it yet but you have to say

515

00:22:32,090 --> 00:22:30,000

that we're doing it this day was

516

00:22:38,840 --> 00:22:32,100

dependent on then putting up those

517

00:22:41,200 --> 00:22:38,850

disclaimers by 5pm now the thing is is

518

00:22:43,550 --> 00:22:41,210

that hard to understand that direction

519

00:22:45,410 --> 00:22:43,560

Richard did you find that difficult to

520

00:22:48,740 --> 00:22:45,420

do not follow what happened I thought it

521

00:22:52,160 --> 00:22:48,750

was quite a package because somehow they

522

00:22:53,990 --> 00:22:52,170

didn't understand so they put the

523

00:22:57,170 --> 00:22:54,000

disclaimer on their Facebook page they

524

00:22:59,930 --> 00:22:57,180

put it on one of their blogs they put it

525

00:23:03,470 --> 00:22:59,940

on their website on their website in

526

00:23:07,340 --> 00:23:03,480

their blog it's designed for ants it's

527

00:23:10,370 --> 00:23:07,350

so tiny that it just looks like a line

528

00:23:12,620 --> 00:23:10,380

on a phone yeah it's there but yeah yeah

529

00:23:15,020 --> 00:23:12,630

but they specified prominent the DFT

530

00:23:17,840 --> 00:23:15,030

specified prominent but their Facebook

531

00:23:20,150 --> 00:23:17,850

page was interesting why what do you

532

00:23:22,850 --> 00:23:20,160

mean well it was it was the banner was

533

00:23:25,130 --> 00:23:22,860

the big yeah yeah suet which also causes

534

00:23:27,140 --> 00:23:25,140

issues apparently because according to

535

00:23:28,730 --> 00:23:27,150

the rules and Facebook banners aren't

536

00:23:31,190 --> 00:23:28,740

meant to have two more than twenty

537

00:23:34,640 --> 00:23:31,200

percent text and it was partly obscured

538

00:23:36,080 --> 00:23:34,650

by oh yes I mean I don't know how fussy

539

00:23:38,090 --> 00:23:36,090

the day of taste gonna be about this but

540

00:23:40,370 --> 00:23:38,100

one of the things that they didn't do is

541

00:23:43,310 --> 00:23:40,380

the avian has more than one blog they do

542

00:23:46,130 --> 00:23:43,320

indeed they have a blog called astray

543

00:23:48,680 --> 00:23:46,140

and skeptics calm yeah the URL is

544

00:23:51,200 --> 00:23:48,690

Australian skeptics calm it's called

545

00:23:54,920 --> 00:23:51,210

screen real estate digs yes now some

546

00:23:56,300 --> 00:23:54,930

time ago they back in 2009 they've

547

00:23:59,420 --> 00:23:56,310

bought a bunch of Australian skeptics

548

00:23:59,910 --> 00:23:59,430

URLs and it was only last year that they

549

00:24:01,350 --> 00:23:59,920

actually

550

00:24:03,480 --> 00:24:01,360

started to populate them and this is the

551
00:24:05,550 --> 00:24:03,490
one they've populated there we

552
00:24:07,710 --> 00:24:05,560
challenged that those them owning those

553
00:24:09,210 --> 00:24:07,720
domain names actually but we didn't win

554
00:24:11,070 --> 00:24:09,220
that challenge because we were told that

555
00:24:16,800 --> 00:24:11,080
we didn't have the trademark on that yes

556
00:24:18,930 --> 00:24:16,810
I'm saying so but even before that it

557
00:24:23,190 --> 00:24:18,940
was it was clear that that was their

558
00:24:25,280 --> 00:24:23,200
blog and the law says that if you're an

559
00:24:28,050 --> 00:24:25,290
incorporated association like they are

560
00:24:29,520 --> 00:24:28,060
everything that you publish every piece

561
00:24:32,520 --> 00:24:29,530
of literature that you publish whether

562
00:24:35,700 --> 00:24:32,530
that's a web-sight a brochure a

563
00:24:37,530 --> 00:24:35,710

newsletter has to have the name of your

564

00:24:40,140 --> 00:24:37,540

organization as is registered with the

565

00:24:43,560 --> 00:24:40,150

Department of Fair Trading and the

566

00:24:44,880 --> 00:24:43,570

incorporated so they were forced so

567

00:24:46,380 --> 00:24:44,890

basically what they were trying to do

568

00:24:49,440 --> 00:24:46,390

with this blog was to make it look like

569

00:24:50,820 --> 00:24:49,450

it was us right yeah how about that but

570

00:24:52,920 --> 00:24:50,830

then it was filled with information that

571

00:24:54,300 --> 00:24:52,930

was if you didn't accurate and aunty

572

00:24:57,090 --> 00:24:54,310

backs right so they thought whoo-hoo

573

00:24:58,290 --> 00:24:57,100

let's do something really clever once

574

00:25:01,140 --> 00:24:58,300

again they tripped over themselves

575

00:25:03,270 --> 00:25:01,150

because the DFT said to them arm this is

576

00:25:05,730 --> 00:25:03,280

yours you have to clearly identify it's

577

00:25:07,860 --> 00:25:05,740

yours so they now have had to put on it

578

00:25:10,680 --> 00:25:07,870

that as the ad ends and they've got a

579

00:25:12,570 --> 00:25:10,690

link to their Facebook page they didn't

580

00:25:13,920 --> 00:25:12,580

put the disclaimer on that do not put

581

00:25:16,890 --> 00:25:13,930

the disclaimer on that block they

582

00:25:19,230 --> 00:25:16,900

certainly did not know they failed so

583

00:25:22,050 --> 00:25:19,240

I'm wondering what's going to happen in

584

00:25:23,490 --> 00:25:22,060

that regard and wondering if the DFT is

585

00:25:25,320 --> 00:25:23,500

going to act on that because the whole

586

00:25:27,720 --> 00:25:25,330

basis for them not being shut down on

587

00:25:29,370 --> 00:25:27,730

Tuesday was that they had to comply with

588

00:25:33,120 --> 00:25:29,380

this directive which has put these on

589

00:25:34,650 --> 00:25:33,130

all of your feet now i also found it

590

00:25:36,570 --> 00:25:34,660

funny and i think you you possibly

591

00:25:37,800 --> 00:25:36,580

blogged it over facebook that or tweeted

592

00:25:40,140 --> 00:25:37,810

it and all these things get a bit

593

00:25:43,970 --> 00:25:40,150

jumbled after a little while what they

594

00:25:46,500 --> 00:25:43,980

proposed as alternative names oh my gosh

595

00:25:48,930 --> 00:25:46,510

if you can remember me they just pull

596

00:25:51,570 --> 00:25:48,940

them up because it was so Lowell worthy

597

00:25:53,940 --> 00:25:51,580

Lowell worthy I like there was was Luzzi

598

00:25:58,910 --> 00:25:53,950

as they say it was lovely as you stay on

599

00:26:01,260 --> 00:25:58,920

the internet on the internet yeah so

600

00:26:03,030 --> 00:26:01,270

this was blogged about by the avian

601
00:26:05,010 --> 00:26:03,040
actually so they released the letters

602
00:26:07,590 --> 00:26:05,020
that they sent to the Department of Fair

603
00:26:10,590 --> 00:26:07,600
Trading which included suggestions of a

604
00:26:12,180 --> 00:26:10,600
new name right now the Department of

605
00:26:13,260 --> 00:26:12,190
Fair Trading made it very clear that

606
00:26:15,480 --> 00:26:13,270
they had to stop being

607
00:26:17,880 --> 00:26:15,490
coy about their agenda in other words

608
00:26:21,210 --> 00:26:17,890
you have to put the word anti-vaccine

609
00:26:22,680 --> 00:26:21,220
your name right so here's here are some

610
00:26:23,790 --> 00:26:22,690
of the suggestions that they sent to the

611
00:26:26,010 --> 00:26:23,800
Department of Fair Trading which they

612
00:26:28,440 --> 00:26:26,020
blogged about so we haven't got these in

613
00:26:29,940 --> 00:26:28,450

any when a clandestine way and we're not

614

00:26:31,530 --> 00:26:29,950

making much we're not making them up

615

00:26:33,570 --> 00:26:31,540

however this is a scenario that I

616

00:26:37,380 --> 00:26:33,580

imagined in my head but the names are

617

00:26:39,780 --> 00:26:37,390

real the scenario is not okay department

618

00:26:43,230 --> 00:26:39,790

of Fair Trading get a new name avian

619

00:26:46,200 --> 00:26:43,240

avian okay how's Australian vaccination

620

00:26:50,130 --> 00:26:46,210

Information Network Department of Fair

621

00:26:55,940 --> 00:26:50,140

Trading know avian Australian

622

00:27:01,610 --> 00:26:55,950

vaccination Information Network DFT no

623

00:27:04,020 --> 00:27:01,620

Australian vaccination information no

624

00:27:08,970 --> 00:27:04,030

Australian vaccination network for

625

00:27:12,420 --> 00:27:08,980

choice face palm is fine Australian

626

00:27:15,420 --> 00:27:12,430

vaccination choice Australian

627

00:27:19,290 --> 00:27:15,430

immunization network what no I'm serious

628

00:27:21,840 --> 00:27:19,300

that is that is what they propose right

629

00:27:24,000 --> 00:27:21,850

and then when they went to the court to

630

00:27:27,000 --> 00:27:24,010

the hearing to challenge the order to

631

00:27:29,760 --> 00:27:27,010

change their name the UM the new

632

00:27:31,410 --> 00:27:29,770

president greg BTW said that that that

633

00:27:34,680 --> 00:27:31,420

the department fair trading were being

634

00:27:36,270 --> 00:27:34,690

coy he said that they were being coy

635

00:27:39,090 --> 00:27:36,280

about what they should change their name

636

00:27:40,500 --> 00:27:39,100

to and he didn't know and he was asking

637

00:27:43,320 --> 00:27:40,510

them for advice and they wouldn't help

638

00:27:45,300 --> 00:27:43,330

him and then the newspaper article said

639

00:27:48,060 --> 00:27:45,310

well do you think it's going to affect

640

00:27:51,060 --> 00:27:48,070

you your organization and your members

641

00:27:53,490 --> 00:27:51,070

and your fan base if you have to change

642

00:27:55,890 --> 00:27:53,500

it very drastically and he said well I

643

00:28:00,320 --> 00:27:55,900

don't know if we had to change it to

644

00:28:04,110 --> 00:28:00,330

wendys ice cream then maybe he's what

645

00:28:05,970 --> 00:28:04,120

well either they're completely off with

646

00:28:08,970 --> 00:28:05,980

the fairies or they're taking the piss

647

00:28:11,030 --> 00:28:08,980

now I'm not sure which one it is to

648

00:28:14,460 --> 00:28:11,040

touch the trade you straight but they

649

00:28:16,920 --> 00:28:14,470

have also requested that the DFT helped

650

00:28:20,670 --> 00:28:16,930

them to come up with a name to which the

651
00:28:22,500 --> 00:28:20,680
DFT has said loves do it yourselves you

652
00:28:25,500 --> 00:28:22,510
run the company you come up with the

653
00:28:26,290 --> 00:28:25,510
name but the problem now is that once

654
00:28:28,000 --> 00:28:26,300
they come up with

655
00:28:29,890 --> 00:28:28,010
the name they have to get it approved by

656
00:28:32,830 --> 00:28:29,900
their members so they have to call an

657
00:28:34,930 --> 00:28:32,840
emergency annual general meeting or

658
00:28:36,400 --> 00:28:34,940
something where they have to get it

659
00:28:38,050 --> 00:28:36,410
approved by something like seventy five

660
00:28:41,950 --> 00:28:38,060
percent of the members before they can

661
00:28:43,720 --> 00:28:41,960
submit it to the DFT so put them in a

662
00:28:45,520 --> 00:28:43,730
bit of advice because they can't keep

663
00:28:47,410 --> 00:28:45,530

doing stuff like sending them the

664

00:28:49,900 --> 00:28:47,420

Australian vaccination choice network

665

00:28:51,640 --> 00:28:49,910

because I know that'll get rejected yeah

666

00:28:53,740 --> 00:28:51,650

they're going to have to come clean

667

00:28:55,300 --> 00:28:53,750

they're gonna have to look that I'm

668

00:28:57,370 --> 00:28:55,310

gonna if they don't call themselves the

669

00:28:58,600 --> 00:28:57,380

Australian anti-vaccination network I

670

00:29:01,390 --> 00:28:58,610

don't think they're going to get away

671

00:29:03,640 --> 00:29:01,400

with much else yeah and they're by all

672

00:29:06,100 --> 00:29:03,650

means let them call themselves that well

673

00:29:07,930 --> 00:29:06,110

the I mean I think I said before that

674

00:29:10,420 --> 00:29:07,940

the option is if they don't agree to

675

00:29:13,030 --> 00:29:10,430

that the the DFT will deregister them

676

00:29:14,920 --> 00:29:13,040

and seize their assets now there might

677

00:29:16,690 --> 00:29:14,930

not be such a big problem at the moment

678

00:29:18,130 --> 00:29:16,700

because merrill says they only have

679

00:29:21,100 --> 00:29:18,140

three thousand dollars in the bank right

680

00:29:23,730 --> 00:29:21,110

now which also suggests that they could

681

00:29:26,800 --> 00:29:23,740

possibly be maybe trading insolvent Lee

682

00:29:28,720 --> 00:29:26,810

because they still owe a lot of people

683

00:29:30,580 --> 00:29:28,730

subscriptions for the magazine they shut

684

00:29:32,320 --> 00:29:30,590

down in the beginning of the year well

685

00:29:34,990 --> 00:29:32,330

that's up for the authorities to work

686

00:29:36,730 --> 00:29:35,000

Wiegel Ali well exactly but the other

687

00:29:39,070 --> 00:29:36,740

thing that's happened recently that is

688

00:29:41,590 --> 00:29:39,080

also of merrells doing which has not

689

00:29:44,080 --> 00:29:41,600

only put her in the poo it's also put a

690

00:29:45,550 --> 00:29:44,090

lot of other alternative medicine

691

00:29:49,270 --> 00:29:45,560

practitioners in New South Wales in the

692

00:29:51,550 --> 00:29:49,280

poo is that the regulatory body that

693

00:29:53,740 --> 00:29:51,560

looks after olt Medes in unregistered

694

00:29:55,660 --> 00:29:53,750

alt meadows in New South Wales so that's

695

00:29:58,510 --> 00:29:55,670

people that don't have to be registered

696

00:30:00,130 --> 00:29:58,520

with a pro like okay so osteopath sand

697

00:30:01,840 --> 00:30:00,140

chiropractors have to be registered with

698

00:30:04,630 --> 00:30:01,850

the Australian health practitioners

699

00:30:06,280 --> 00:30:04,640

registration authority right same as

700

00:30:10,270 --> 00:30:06,290

doctors but if you're saying

701
00:30:12,280 --> 00:30:10,280
nutritionist or a masseuse or a I don't

702
00:30:13,870 --> 00:30:12,290
know any religious okay you don't have

703
00:30:16,030 --> 00:30:13,880
to be registered so no one's really

704
00:30:18,610 --> 00:30:16,040
controlling you write your unregulated

705
00:30:20,050 --> 00:30:18,620
right so the body that looks after these

706
00:30:21,640 --> 00:30:20,060
unregulated people is called the

707
00:30:23,620 --> 00:30:21,650
Healthcare Compliance commission right

708
00:30:24,910 --> 00:30:23,630
of course now previously if you want to

709
00:30:27,100 --> 00:30:24,920
complain about a health care

710
00:30:29,320 --> 00:30:27,110
practitioner who was unregistered the

711
00:30:31,420 --> 00:30:29,330
only way you could do that is really if

712
00:30:34,150 --> 00:30:31,430
you had been injured yourself so if you

713
00:30:35,740 --> 00:30:34,160

went to a neurologist and they twisted

714

00:30:38,490 --> 00:30:35,750

your back or something and you've got an

715

00:30:42,390 --> 00:30:38,500

injury you could complain about them

716

00:30:44,130 --> 00:30:42,400

as an as an observer who sees that the

717

00:30:46,890 --> 00:30:44,140

autologous tis saying I can cure your

718

00:30:48,210 --> 00:30:46,900

cancer you have no right to complain in

719

00:30:49,800 --> 00:30:48,220

a hypothetical situation yeah

720

00:30:53,010 --> 00:30:49,810

interrupted because you have not

721

00:30:56,040 --> 00:30:53,020

personally been harmed okay this was the

722

00:31:00,060 --> 00:30:56,050

clause that the avian won their case

723

00:31:02,970 --> 00:31:00,070

with in a 2010 because the complaint was

724

00:31:06,510 --> 00:31:02,980

written by Ken MacLeod about the avians

725

00:31:09,030 --> 00:31:06,520

misinformation but he personally had not

726

00:31:10,620 --> 00:31:09,040

been injured by them and the barristers

727

00:31:12,360 --> 00:31:10,630

for the H Triple C could not present

728

00:31:15,330 --> 00:31:12,370

evidence of anyone being personally

729

00:31:17,670 --> 00:31:15,340

injured by this information right so

730

00:31:19,980 --> 00:31:17,680

Merrill sued the H Triple C for that she

731

00:31:21,960 --> 00:31:19,990

won guess what that did it exposed a

732

00:31:26,340 --> 00:31:21,970

loophole in the legislation guess what's

733

00:31:29,370 --> 00:31:26,350

happened now I'm on the edge of my chair

734

00:31:31,980 --> 00:31:29,380

tell me what happened now in Parliament

735

00:31:34,230 --> 00:31:31,990

in the last week and a half a bill was

736

00:31:36,660 --> 00:31:34,240

introduced by the Health Minister to

737

00:31:38,910 --> 00:31:36,670

close that legislation because it was

738

00:31:40,980 --> 00:31:38,920

brought to their attention by the

739

00:31:42,900 --> 00:31:40,990

Australian vaccination network and if

740

00:31:44,400 --> 00:31:42,910

you look at the transcripts from the

741

00:31:46,530 --> 00:31:44,410

court hearing which in Australia is

742

00:31:48,690 --> 00:31:46,540

called hansard they mentioned

743

00:31:50,940 --> 00:31:48,700

specifically the Honorable Julian's

744

00:31:53,430 --> 00:31:50,950

Jillian Skinner specifically says be

745

00:31:55,110 --> 00:31:53,440

closed the Parliament hurts obvious by

746

00:31:56,880 --> 00:31:55,120

hand side yet yes Father she

747

00:32:00,210 --> 00:31:56,890

specifically says because of what the

748

00:32:03,900 --> 00:32:00,220

avian did suing the H Triple C we will

749

00:32:06,210 --> 00:32:03,910

now close this loophole so here's what's

750

00:32:08,160 --> 00:32:06,220

going to happen right now this also has

751
00:32:11,670 --> 00:32:08,170
bipartisan support which means that it's

752
00:32:13,410 --> 00:32:11,680
supported by the opposition as well yes

753
00:32:15,840 --> 00:32:13,420
very good now at this point it's only a

754
00:32:16,890 --> 00:32:15,850
bill it won't be a law it's got to go

755
00:32:18,450 --> 00:32:16,900
it's got to go through several stages

756
00:32:19,500 --> 00:32:18,460
through it becomes a law but it's

757
00:32:21,180 --> 00:32:19,510
already gone through one stage and

758
00:32:22,500 --> 00:32:21,190
nobody's questioned it because they both

759
00:32:24,750 --> 00:32:22,510
agree with it sounds like a reasonable

760
00:32:27,180 --> 00:32:24,760
thing yeah and so what it means now is

761
00:32:28,920 --> 00:32:27,190
not only does it mean that an innocent

762
00:32:31,200 --> 00:32:28,930
bystander like you or me can see an ad

763
00:32:33,720 --> 00:32:31,210

for an iridology in the paper and go

764

00:32:35,880 --> 00:32:33,730

that's dodgy and complain it also means

765

00:32:37,650 --> 00:32:35,890

that the health minister and the H

766

00:32:39,600 --> 00:32:37,660

Triple C themselves can take action

767

00:32:41,760 --> 00:32:39,610

independently this is just brilliant

768

00:32:44,610 --> 00:32:41,770

it's all thanks to the egg it's all

769

00:32:47,910 --> 00:32:44,620

thanks to the avian putting everyone up

770

00:32:50,430 --> 00:32:47,920

poo creek without a paddle so the thing

771

00:32:51,410 --> 00:32:50,440

is now not only she put herself in the

772

00:32:53,210 --> 00:32:51,420

poo she's

773

00:32:55,760 --> 00:32:53,220

all I mates in the poo it seems so

774

00:32:57,350 --> 00:32:55,770

doesn't it all because two years ago she

775

00:32:59,720 --> 00:32:57,360

wouldn't put a disclaimer on her website

776

00:33:01,550 --> 00:32:59,730

and the other thing that is so

777

00:33:02,990 --> 00:33:01,560

interesting about this is that she is

778

00:33:06,110 --> 00:33:03,000

now personally putting a disclaimer on

779

00:33:08,170 --> 00:33:06,120

everything she writes yes so she'll

780

00:33:10,760 --> 00:33:08,180

write a Facebook post and it will say I

781

00:33:12,740 --> 00:33:10,770

reckon this about joe bloggs and Eric in

782

00:33:14,240 --> 00:33:12,750

that and underneath that says this is

783

00:33:15,950 --> 00:33:14,250

not necessarily the opinion of merrill

784

00:33:17,870 --> 00:33:15,960

dory or the avian this should not be

785

00:33:19,550 --> 00:33:17,880

construed as medical advice on

786

00:33:21,560 --> 00:33:19,560

everything she rides see I haven't

787

00:33:23,420 --> 00:33:21,570

noticed it everything she writes and so

788

00:33:26,570 --> 00:33:23,430

that was what she was meant to do all

789

00:33:29,450 --> 00:33:26,580

those years ago so three to three years

790

00:33:31,370 --> 00:33:29,460

ago here we are now three years later

791

00:33:35,450 --> 00:33:31,380

fast forward and she's got to do it

792

00:33:38,120 --> 00:33:35,460

anyway she's lost a lot of income she's

793

00:33:41,330 --> 00:33:38,130

lost her reputation because she's not

794

00:33:42,950 --> 00:33:41,340

being honest about what she's doing all

795

00:33:44,830 --> 00:33:42,960

because she was too belligerent to

796

00:33:48,470 --> 00:33:44,840

comply with this one little thing as I

797

00:33:50,120 --> 00:33:48,480

said before and then phrase came to my

798

00:33:53,510 --> 00:33:50,130

mind the chickens are coming home to

799

00:33:55,940 --> 00:33:53,520

roost hmm it might it took a while yeah

800

00:33:57,470 --> 00:33:55,950

but the the wheels of government grind

801
00:34:00,170 --> 00:33:57,480
very slowly you know you don't change

802
00:34:01,610 --> 00:34:00,180
legislation overnight but this is

803
00:34:03,500 --> 00:34:01,620
basically an example of grassroots

804
00:34:06,140 --> 00:34:03,510
skepticism that will potentially change

805
00:34:08,690 --> 00:34:06,150
legislation folks sometimes it's a long

806
00:34:11,450 --> 00:34:08,700
road you have lots of setbacks it's hard

807
00:34:14,540 --> 00:34:11,460
and it's very stressful at times mm-hmm

808
00:34:17,060 --> 00:34:14,550
but oh he goes another one but sometimes

809
00:34:20,090 --> 00:34:17,070
it pays off yeah to be frank yeah i mean

810
00:34:22,159 --> 00:34:20,100
this bill hasn't come in yet but when it

811
00:34:23,690 --> 00:34:22,169
does i think people there's going to be

812
00:34:25,370 --> 00:34:23,700
a bunch of people that are going to have

813
00:34:26,240 --> 00:34:25,380

to clean up there well you know what i

814

00:34:27,830 --> 00:34:26,250

think it's going to be a very

815

00:34:29,510 --> 00:34:27,840

interesting couple of years coming up

816

00:34:32,840 --> 00:34:29,520

for the Australian skeptics nail friends

817

00:34:34,310 --> 00:34:32,850

yeah yeah you lose so I think if it is

818

00:34:35,780 --> 00:34:34,320

introduced into Parliament and what when

819

00:34:37,790 --> 00:34:35,790

it's introduced into Parliament is more

820

00:34:41,510 --> 00:34:37,800

likely we probably need to set up

821

00:34:43,250 --> 00:34:41,520

something like the come the what's a

822

00:34:45,470 --> 00:34:43,260

cold Nightingale collaboration into

823

00:34:47,540 --> 00:34:45,480

Keene Australia so we can make it easy

824

00:34:50,419 --> 00:34:47,550

for people if they spot things like that

825

00:34:53,870 --> 00:34:50,429

they can easily complain to the H Triple

826

00:34:56,210 --> 00:34:53,880

C and um what was that it's a believe is

827

00:35:00,020 --> 00:34:56,220

it mind-body wallet oh my gosh exactly

828

00:35:02,500 --> 00:35:00,030

so you note that plugin for chrome it's

829

00:35:04,850 --> 00:35:02,510

a it's a quack a little quickie duck and

830

00:35:06,770 --> 00:35:04,860

it's called barrel

831

00:35:09,620 --> 00:35:06,780

I can't think of it I got it you know

832

00:35:11,060 --> 00:35:09,630

you know the one it was anyway if we had

833

00:35:14,120 --> 00:35:11,070

something like that we can use it in

834

00:35:15,350 --> 00:35:14,130

Australia wow just like shooting fish in

835

00:35:17,870 --> 00:35:15,360

a barrel I mean that's what it was named

836

00:35:20,360 --> 00:35:17,880

after what what an interesting time it's

837

00:35:22,190 --> 00:35:20,370

been done yeah what into folks it's

838

00:35:26,150 --> 00:35:22,200

going to be here in dr. a gspot room but

839

00:35:28,880 --> 00:35:26,160

my goodness make it is muggy it is much

840

00:35:31,310 --> 00:35:28,890

Sydney at the moment is really humid and

841

00:35:35,990 --> 00:35:31,320

I'm pleased I am pleased I am stepping

842

00:35:38,150 --> 00:35:36,000

on a plane in a few days 22 snowy Europe

843

00:35:40,910 --> 00:35:38,160

I know it's going to be very easy and

844

00:35:43,100 --> 00:35:40,920

only UK I'm looking forward to it I was

845

00:35:45,020 --> 00:35:43,110

this muggy hot weather yeah thank you

846

00:35:48,020 --> 00:35:45,030

dr. AG for that wonderful update wow the

847

00:35:50,960 --> 00:35:48,030

story goes on and stalking good yes

848

00:35:53,240 --> 00:35:50,970

Brooks we please if you were in

849

00:35:55,370 --> 00:35:53,250

Manchester if you come into QED please

850

00:35:59,200 --> 00:35:55,380

come and say hello to dr. 80 and myself

851
00:36:03,080 --> 00:35:59,210
where to meet you and have a chat and I

852
00:36:04,640 --> 00:36:03,090
do a lot of fan letters and encouraging

853
00:36:06,080 --> 00:36:04,650
letters from people in the UK and it's

854
00:36:08,480 --> 00:36:06,090
very nice we would have you huge

855
00:36:10,130 --> 00:36:08,490
listenership in the UK yeah we asked

856
00:36:13,610 --> 00:36:10,140
really nice to know that I'm hoping to

857
00:36:16,940 --> 00:36:13,620
go to snowdonia in Wales going to Wales

858
00:36:19,010 --> 00:36:16,950
if I probably cool is that but it's

859
00:36:20,720 --> 00:36:19,020
supposed to be very cold there and not

860
00:36:23,180 --> 00:36:20,730
not just cold and snowing which is

861
00:36:25,430 --> 00:36:23,190
pretty but freezing cold and vertical

862
00:36:28,730 --> 00:36:25,440
rain so I'm not sure I want to go there

863
00:36:29,990 --> 00:36:28,740

if it's like that ah don't know and I

864

00:36:34,580 --> 00:36:30,000

was certainly looking forward to meeting

865

00:36:36,500 --> 00:36:34,590

friends and people in Oslo and Dublin of

866

00:36:40,220 --> 00:36:36,510

course and of course the big convention

867

00:36:41,720 --> 00:36:40,230

in the Czech Republic and they sent me a

868

00:36:45,080 --> 00:36:41,730

list of some of the movies I'm going to

869

00:36:46,910 --> 00:36:45,090

be looking at very one of them is the

870

00:36:48,710 --> 00:36:46,920

time traveler's guide to Australia which

871

00:36:51,400 --> 00:36:48,720

was on the ABC what did you watch that's

872

00:36:53,529 --> 00:36:51,410

really really really good yeah that was

873

00:36:55,539 --> 00:36:53,539

yeah wonderful show really really

874

00:36:56,920 --> 00:36:55,549

interesting so yeah all good things

875

00:37:00,160 --> 00:36:56,930

don't write you all good things coming

876

00:37:17,510 --> 00:37:00,170

up I shall see you in Manchester uh yeah

877

00:37:22,500 --> 00:37:20,490

hey fellow skeptics I'm trench the

878

00:37:24,839 --> 00:37:22,510

co-host of a podcast called seeds of

879

00:37:33,810 --> 00:37:24,849

doubt and creative a new project called

880

00:37:39,190 --> 00:37:36,460

Dropbox is dedicated to providing new

881

00:37:41,080 --> 00:37:39,200

music for your radio show or podcast and

882

00:37:43,510 --> 00:37:41,090

to help support your cause through the

883

00:37:45,910 --> 00:37:43,520

sound waves the song you're listening to

884

00:37:48,880 --> 00:37:45,920

is called keep looking up and can be

885

00:37:57,250 --> 00:37:48,890

heard on the podcast oddments by college

886

00:38:04,540 --> 00:38:00,020

they need some new music check me out

887

00:38:23,319 --> 00:38:04,550

facebook.com slash dropbox that's dr o P

888

00:38:26,569 --> 00:38:25,430

thank you for listening to the skeptic

889

00:38:29,480 --> 00:38:26,579

zone I'm still here in beautiful

890

00:38:32,120 --> 00:38:29,490

circular key in Sydney Australia google

891

00:38:33,020 --> 00:38:32,130

it folks google it that's right near the

892

00:38:35,660 --> 00:38:33,030

Opera House in the harbour bridge

893

00:38:37,730 --> 00:38:35,670

there's a busker just over to my right

894

00:38:39,349 --> 00:38:37,740

and dressed up like Charlie Chaplin one

895

00:38:42,049 --> 00:38:39,359

of those buskers who stays absolutely

896

00:38:45,680 --> 00:38:42,059

motionless he's been like that for about

897

00:38:50,180 --> 00:38:45,690

30 minutes now oh that's one way to make

898

00:38:51,770 --> 00:38:50,190

a living I suppose well coming up on the

899

00:38:53,630 --> 00:38:51,780

next couple of shows that's going to be

900

00:38:56,599 --> 00:38:53,640

quite interesting I hope I'll be

901
00:38:59,000 --> 00:38:56,609
recording my adventures along the trip

902
00:39:00,400 --> 00:38:59,010
I'm doing talking to local skeptics in

903
00:39:02,960 --> 00:39:00,410
various countries around the world

904
00:39:05,329 --> 00:39:02,970
bringing to you as many interviews and

905
00:39:06,799 --> 00:39:05,339
insights as I can and I'm sure my team

906
00:39:08,720 --> 00:39:06,809
back here in Australia will also be

907
00:39:10,250 --> 00:39:08,730
pitching in with reports and interviews

908
00:39:12,470 --> 00:39:10,260
right certainly hope so there's a big

909
00:39:14,480 --> 00:39:12,480
hint and a big shout out till my dear

910
00:39:16,309 --> 00:39:14,490
friend penny Chan our reporter in Long

911
00:39:17,630 --> 00:39:16,319
Beach in California I saw a very

912
00:39:20,089 --> 00:39:17,640
interesting post that she put on

913
00:39:21,559 --> 00:39:20,099

facebook she said she wished at the

914

00:39:23,839 --> 00:39:21,569

something like she wished that there

915

00:39:25,309 --> 00:39:23,849

were more radio dramas the good

916

00:39:28,579 --> 00:39:25,319

old-fashioned radio adventures and

917

00:39:30,950 --> 00:39:28,589

dramas penny I really agree with that I

918

00:39:33,260 --> 00:39:30,960

think that's a pretty good idea I really

919

00:39:35,059 --> 00:39:33,270

agree with that theater of the mind they

920

00:39:36,829 --> 00:39:35,069

call it I think that's great well I

921

00:39:39,349 --> 00:39:36,839

better go home now and start packing as

922

00:39:41,809 --> 00:39:39,359

a thousands of people are milling around

923

00:39:44,450 --> 00:39:41,819

beside me in the brilliant sunshine here

924

00:39:47,480 --> 00:39:44,460

but for now is one of the rivercats the

925

00:39:49,250 --> 00:39:47,490

susie o'neill slowly pulls off from its

926

00:39:51,530 --> 00:39:49,260

dock in front of me this is Richard

927

00:39:57,980 --> 00:39:51,540

Saunders signing off from circular key

928

00:40:00,440 --> 00:39:57,990

in Sydney Australia you've been

929

00:40:04,970 --> 00:40:00,450

listening to the skeptic sir

930

00:40:08,270 --> 00:40:04,980
