now let me look does if your calculation

6
00:00:33,760 --> 00:00:30,860
today now we're in vice 10 weird based

7
00:00:36,280 --> 00:00:33,770
hang on okay I'll get my calculator okay

8
00:00:38,080 --> 00:00:36,290
thank you your mind Sarah started ten we

9
00:00:40,210 --> 00:00:38,090
saw about two years ago years ago yeah

10
00:00:41,680 --> 00:00:40,220
just add the almost every week just

11
00:00:43,330 --> 00:00:41,690
thought off almost ever pretty much

12
00:00:47,440 --> 00:00:43,340
everywhere too so much I had some more

13
00:00:51,460 --> 00:00:47,450

videos way what number did you get I got

14

00:00:57,069 --> 00:00:51,470

I got 99 now got 101 let's average it

15

00:01:00,460 --> 00:00:57,079

out 100 holy mackerel I don't believe

16

00:01:03,130 --> 00:01:00,470

show 100 on the more beverages we're

17

00:01:06,070 --> 00:01:03,140

here it's isaac we made it hundred

18

00:01:07,450 --> 00:01:06,080

hundred it's like how can that be how

19

00:01:10,570 --> 00:01:07,460

can that be we're getting too old which

20

00:01:13,480 --> 00:01:10,580

is pretty well it feels like about show

21

00:01:15,990 --> 00:01:13,490

30 it does really it doesn't 100 the new

22

00:01:18,010 --> 00:01:16,000

30 or something like it is now

23

00:01:20,050 --> 00:01:18,020

congratulations Stefan congratulations

24

00:01:22,450 --> 00:01:20,060

to all our wonderful team for all the

25

00:01:24,010 --> 00:01:22,460

hard work or ask members and present

26

00:01:25,810 --> 00:01:24,020

members of the skeptics are amazing and

27

00:01:27,130 --> 00:01:25,820

thank you to all our wonderful audience

28

00:01:30,550 --> 00:01:27,140

for putting up with this for so long

29

00:01:32,170 --> 00:01:30,560

it's unbelievable 100 episodes well of

30

00:01:33,430 --> 00:01:32,180

course I mean yeah some of you might

31

00:01:35,620 --> 00:01:33,440

have missed one or two but that's a

32

00:01:37,510 --> 00:01:35,630

pretty good stretch it's not bad that's

33

00:01:41,170 --> 00:01:37,520

pretty good it's not bad at the first

34

00:01:44,109 --> 00:01:41,180

100 we might say ah am anymore of many

35

00:01:45,910 --> 00:01:44,119

many many more now what an episode we

36

00:01:48,160 --> 00:01:45,920

have to celebrate our 100th episode

37

00:01:50,950 --> 00:01:48,170

which coincides with our second birthday

38

00:01:53,859 --> 00:01:50,960

so two years 100 ml says it all comes

39

00:01:56,830 --> 00:01:53,869

together ah we are in a moment we'll

40

00:01:59,320 --> 00:01:56,840

crossed back to myself who is in atlanta

41

00:02:00,940 --> 00:01:59,330

georgia with the skeptics own line in a

42

00:02:02,740 --> 00:02:00,950

parallel universe parallel universe

43

00:02:05,260 --> 00:02:02,750

because in the real universe I'm

44

00:02:07,240 --> 00:02:05,270

actually not here right that makes

45

00:02:09,729 --> 00:02:07,250

perfect sense because i'm actually as

46

00:02:12,130 --> 00:02:09,739

this show goes out i'm on the

47

00:02:13,780 --> 00:02:12,140

seventeenth of September I don't exist

48

00:02:15,670 --> 00:02:13,790

because I'm traveling through the

49

00:02:18,340 --> 00:02:15,680

international date line in a vortex in a

50

00:02:20,140 --> 00:02:18,350

vortex oh that's good let the go figure

51
00:02:22,750 --> 00:02:20,150
well what a great what a great time to

52
00:02:25,810 --> 00:02:22,760
be alive all sort of honorary member

53
00:02:27,130 --> 00:02:25,820
yeah show a hundred well I think we

54
00:02:29,020 --> 00:02:27,140
should just get on with it because you

55
00:02:30,790 --> 00:02:29,030
know it's just too much exciting i'm

56
00:02:32,050 --> 00:02:30,800
going to lie down everyone else I'm just

57
00:02:33,760 --> 00:02:32,060
have to have a cup of tea i'm going to

58
00:02:35,290 --> 00:02:33,770
lie down it's too much for me

59
00:02:37,810 --> 00:02:35,300
but i'm going to just cross now back to

60
00:02:39,250 --> 00:02:37,820
myself in atlanta georgia ah or in the

61
00:02:50,920 --> 00:02:39,260
plane on the way there something like

62
00:03:02,259 --> 00:02:53,660
hello and welcome to the skeptic zone

63
00:03:07,160 --> 00:03:05,300

hard to believe but almost every week of

64

00:03:08,750 --> 00:03:07,170

the exception of one week for two years

65

00:03:10,339 --> 00:03:08,760

we've been cranking out the skeptic zone

66

00:03:12,650 --> 00:03:10,349

couldn't have done it with all the great

67

00:03:14,300 --> 00:03:12,660

skeptic zone team members past and

68

00:03:16,670 --> 00:03:14,310

present lucky enough to have two of the

69

00:03:21,860 --> 00:03:16,680

most active ones with me on this stage

70

00:03:23,330 --> 00:03:21,870

today Kylie Sturgis lovely be here

71

00:03:26,479 --> 00:03:23,340

Richard thank you very much thank you

72

00:03:32,990 --> 00:03:26,489

and of course sitting on my left dr.

73

00:03:35,720 --> 00:03:33,000

rachy dr. Rachel Dunlop and some other

74

00:03:38,360 --> 00:03:35,730

people some other people and the rest

75

00:03:41,710 --> 00:03:38,370

and the rest will get to special guest

76

00:03:46,339 --> 00:03:41,720

stars will introduce a bit later on now

77

00:03:48,020 --> 00:03:46,349

Kylie you put up a fabulous video work

78

00:03:49,520 --> 00:03:48,030

very hard to put up a fabulous video for

79

00:03:52,759 --> 00:03:49,530

the skeptics are not so long ago about a

80

00:03:54,129 --> 00:03:52,769

week or two ago a little overview of the

81

00:03:57,410 --> 00:03:54,139

past two years including a lot of

82

00:03:59,539 --> 00:03:57,420

traveling Miley we have been busy people

83

00:04:01,039 --> 00:03:59,549

traveling all over the world and you

84

00:04:02,960 --> 00:04:01,049

yourself have been everywhere including

85

00:04:04,220 --> 00:04:02,970

Melbourne Perth of course where you come

86

00:04:06,620 --> 00:04:04,230

from you visit the some new south wales

87

00:04:10,190 --> 00:04:06,630

you've come to dragoncon when do you

88

00:04:12,259 --> 00:04:10,200

sleep um I don't know you know it's a

89

00:04:13,759 --> 00:04:12,269

line that vampires sparkle essentially

90

00:04:15,650 --> 00:04:13,769

you know they they just have an

91

00:04:18,650 --> 00:04:15,660

Australian accent instead and do podcast

92

00:04:20,870 --> 00:04:18,660

so yes yeah I people have enjoyed the

93

00:04:22,909 --> 00:04:20,880

tiny vodkas that we have started to put

94

00:04:25,159 --> 00:04:22,919

up on the skeptic zone and you're the

95

00:04:26,990 --> 00:04:25,169

token skeptic and the type one from the

96

00:04:28,580 --> 00:04:27,000

first day of dragoncon here I just watch

97

00:04:30,409 --> 00:04:28,590

is fantastic yes there's two in fact

98

00:04:32,930 --> 00:04:30,419

there's one from us lining up in order

99

00:04:34,940 --> 00:04:32,940

to actually get entrance to dragoncon

100

00:04:36,350 --> 00:04:34,950

and the second one is the first day and

101
00:04:38,629 --> 00:04:36,360
there should be a bunch of others coming

102
00:04:39,950 --> 00:04:38,639
out very soon but yes the skeptics on

103
00:04:41,600 --> 00:04:39,960
podcasts are very well known for

104
00:04:44,659 --> 00:04:41,610
traveling everywhere everywhere

105
00:04:46,070 --> 00:04:44,669
everywhere practically like kangaroos we

106
00:04:47,570 --> 00:04:46,080
just hop all over the place we've done

107
00:04:49,700 --> 00:04:47,580
we were born here weren't we in this

108
00:04:51,890 --> 00:04:49,710
very room that they were skeptics on

109
00:04:54,020 --> 00:04:51,900
recording began as the tank vodcast and

110
00:04:55,879 --> 00:04:54,030
involved yeah yeah I'm facing that way

111
00:04:57,350 --> 00:04:55,889
out of it evolved from the tank

112
00:04:59,839 --> 00:04:57,360
podcaster became the skeptics own

113
00:05:02,089 --> 00:04:59,849

podcast we have presented at a variety

114

00:05:03,330 --> 00:05:02,099

of conventions as our ourselves as

115

00:05:05,760 --> 00:05:03,340

individuals we

116

00:05:08,159 --> 00:05:05,770

you have taken part in variety of

117

00:05:10,740 --> 00:05:08,169

skeptics in the pub I know that you and

118

00:05:14,189 --> 00:05:10,750

Rachel have even taken part in science

119

00:05:16,500 --> 00:05:14,199

weekend done lectures as skeptics yes in

120

00:05:18,750 --> 00:05:16,510

a variety of places I came to visit you

121

00:05:21,270 --> 00:05:18,760

in Perth last year which has fabulous

122

00:05:23,550 --> 00:05:21,280

where we spoke most dr. Rachel and

123

00:05:25,500 --> 00:05:23,560

myself at the University wasn't it both

124

00:05:28,980 --> 00:05:25,510

at the University and you helped create

125

00:05:30,780 --> 00:05:28,990

perth skeptics which is a small informal

126

00:05:32,850 --> 00:05:30,790

group which can be found on meetup com

127

00:05:34,680 --> 00:05:32,860

like many other skeptic groups where we

128

00:05:36,780 --> 00:05:34,690

get together and just be skeptical and

129

00:05:39,330 --> 00:05:36,790

do a variety of activities so not only

130

00:05:41,400 --> 00:05:39,340

just outreach but hopefully encouraging

131

00:05:43,110 --> 00:05:41,410

people in skeptical communities to start

132

00:05:45,540 --> 00:05:43,120

doing their own projects as well oh and

133

00:05:48,900 --> 00:05:45,550

Auckland skeptics hello to the cusp

134

00:05:51,480 --> 00:05:48,910

podcast who were inspired by my running

135

00:05:53,250 --> 00:05:51,490

around in the back of a pub wearing a

136

00:05:56,390 --> 00:05:53,260

really short dress in a rather cold

137

00:05:58,409 --> 00:05:56,400

climate as I seem to recall and yeah

138

00:06:00,960 --> 00:05:58,419

thankfully there are no photos of that

139

00:06:03,000 --> 00:06:00,970

up on flickr but yeah that inspired them

140

00:06:05,520 --> 00:06:03,010

to say okay this is what is involved in

141

00:06:08,190 --> 00:06:05,530

podcast we can do the same and the cast

142

00:06:10,230 --> 00:06:08,200

podcast is out there and still continue

143

00:06:13,680 --> 00:06:10,240

crank out episodes apart from that

144

00:06:15,150 --> 00:06:13,690

dragoncon you've done Tam's rachey has

145

00:06:17,129 --> 00:06:15,160

managed to most of the East Coast I

146

00:06:20,400 --> 00:06:17,139

believe in the 90 of elections yeah i

147

00:06:23,879 --> 00:06:20,410

have i've done the east coast mmm yeah i

148

00:06:26,400 --> 00:06:23,889

mean oh that's why she's awarded the

149

00:06:31,140 --> 00:06:26,410

pink feather boa there's a significant

150

00:06:36,719 --> 00:06:31,150

so Alex you went to ness wasn't it mmm

151

00:06:40,740 --> 00:06:36,729

ah I did Nexus 2009 and I then did

152

00:06:41,810 --> 00:06:40,750

Boston skeptics in the pub and I can't

153

00:06:44,810 --> 00:06:41,820

remember the rest

154

00:06:46,610 --> 00:06:44,820

and quite a bit yeah and I did the

155

00:06:48,110 --> 00:06:46,620

global a theist convention where I was

156

00:06:49,850 --> 00:06:48,120

the sick apparently this may be

157

00:06:51,800 --> 00:06:49,860

anecdotal apparently on the second woman

158

00:06:54,680 --> 00:06:51,810

to ever introduce Richard Dawkins to the

159

00:06:58,240 --> 00:06:54,690

stage yeah the first was Julia sweetie

160

00:07:00,520 --> 00:06:58,250

and apparently she just went back so

161

00:07:03,080 --> 00:07:00,530

hopefully I managed to bring a slight

162

00:07:05,000 --> 00:07:03,090

Ahmet slightly more decorum to the

163

00:07:07,640 --> 00:07:05,010

occasion yeah we must acknowledge that

164

00:07:09,710 --> 00:07:07,650

the work that Carly's done in doing

165

00:07:12,050 --> 00:07:09,720

something wonderful for she's had the

166

00:07:14,180 --> 00:07:12,060

guts to often ring up people we've been

167

00:07:16,190 --> 00:07:14,190

intimidated to and she scored us and

168

00:07:17,420 --> 00:07:16,200

we've all been working very hard to

169

00:07:19,250 --> 00:07:17,430

score great interviews with Kylie

170

00:07:22,280 --> 00:07:19,260

especially scored us some wonderful

171

00:07:23,540 --> 00:07:22,290

guests in the last two years dr. 'he who

172

00:07:25,850 --> 00:07:23,550

are some of those notable people not

173

00:07:27,920 --> 00:07:25,860

everybody but some of them yeah I've got

174

00:07:29,570 --> 00:07:27,930

a I've got a list here but some of them

175

00:07:36,860 --> 00:07:29,580

are in this room there's one just over

176

00:07:39,080 --> 00:07:36,870

there George Arab thanks Geo we love you

177

00:07:42,590 --> 00:07:39,090

I'm just going to list off some of them

178

00:07:44,900 --> 00:07:42,600

so Bruce M hood has been on once and

179

00:07:47,480 --> 00:07:44,910

actually is coming up against soon mark

180

00:07:50,030 --> 00:07:47,490

gray v Roberts dr. ginger Campbell who

181

00:07:53,410 --> 00:07:50,040

is at dragoncon now I was our very first

182

00:07:55,550 --> 00:07:53,420

live guest actually she was yeah she was

183

you know Gio when you said that last

189

00:08:11,810 --> 00:08:10,350

night that's all we said I don't even

190

00:08:14,660 --> 00:08:11,820

know how to pronounce it so we just go

191

00:08:17,300 --> 00:08:14,670

holding alkali collect in there anyway

192

00:08:20,210 --> 00:08:17,310

Scott Jon Ronson Harriet hall Ben

196

00:08:31,490 --> 00:08:28,650

197

00:08:33,170 --> 00:08:31,500

Jamy Ian Swiss is here Joe Nickell who's

198

00:08:35,360 --> 00:08:33,180

here Adam Savage who's here george

199

00:08:38,120 --> 00:08:35,370

georgiou i said you already a slough

200

00:08:40,400 --> 00:08:38,130

Seth Shostak Daniel Loxton Barbara

201
00:08:42,709 --> 00:08:40,410
Drescher rebecca watson Desiree Schell

202
00:08:45,710 --> 00:08:42,719
Michael Marshall from the Merseyside

203
00:08:47,600 --> 00:08:45,720
skeptics Stephen Fry professor Chris

204
00:08:50,060 --> 00:08:47,610
French dr. Pamela gay captain

205
00:08:51,210 --> 00:08:50,070
disillusion and many more many many many

206
00:08:53,519 --> 00:08:51,220
more but I

207
00:08:56,699 --> 00:08:53,529
I'm sad to say that I have managed to

208
00:08:59,340 --> 00:08:56,709
fail this year I have the diamond get

209
00:09:02,280 --> 00:08:59,350
Stephen Fry and I fail to get you Luke

210
00:09:04,769 --> 00:09:02,290
Perry you did now there's a story behind

211
00:09:06,090 --> 00:09:04,779
that isn't there that Luke Perry was

212
00:09:10,170 --> 00:09:06,100
going to be sitting on this panel

213
00:09:12,059 --> 00:09:10,180

tonight and apparently he had agents

214

00:09:17,639 --> 00:09:12,069

said that all know we don't want him

215

00:09:20,009 --> 00:09:17,649

doing it so I'm putting out a reward I

216

00:09:23,759 --> 00:09:20,019

mean what interesting strange exotic

217

00:09:26,579 --> 00:09:23,769

kandii lollies new life here you know

218

00:09:28,379 --> 00:09:26,589

much money is he okay i went to the um I

219

00:09:32,280 --> 00:09:28,389

went to the Walker phone yesterday and

220

00:09:34,499 --> 00:09:32,290

he's in the building somewhere so if no

221

00:09:36,629 --> 00:09:34,509

it's because of each agents they don't

222

00:09:38,939 --> 00:09:36,639

like us its prejudice against Australia

223

00:09:42,240 --> 00:09:38,949

to conspiracy taking it personally and

224

00:09:43,619 --> 00:09:42,250

he's got I it's a conspiracy but

225

00:09:45,300 --> 00:09:43,629

nevermind Carly you've done so well

226

00:09:47,879 --> 00:09:45,310

especially of stephen fry that was a

227

00:09:50,280 --> 00:09:47,889

major score and he was so nice he was so

228

00:09:53,910 --> 00:09:50,290

nice he even recorded separately a

229

00:09:55,829 --> 00:09:53,920

little message just for my mother it was

230

00:09:57,329 --> 00:09:55,839

her birthday right birthday yeah he just

231

00:09:58,889 --> 00:09:57,339

a little message saying because my

232

00:10:04,079 --> 00:09:58,899

mother loves jeeves and wooster i don't

233

00:10:05,490 --> 00:10:04,089

know how many field and so he recorded a

234

00:10:07,499 --> 00:10:05,500

little and she was just thrilled to

235

00:10:10,470 --> 00:10:07,509

absolutely thrilled to hear that from

236

00:10:12,960 --> 00:10:10,480

one of her favorite characters so this

237

00:10:15,090 --> 00:10:12,970

year we decided to where we spy on and

238

00:10:17,009 --> 00:10:15,100

that's why we got as many wines as we

239

00:10:18,569 --> 00:10:17,019

could possibly manage to get to fill up

240

00:10:19,619 --> 00:10:18,579

the gap if there are any more brian's in

241

00:10:20,879 --> 00:10:19,629

the audience could you please come up

242

00:10:24,829 --> 00:10:20,889

here so i can give you mean t wait a

243

00:10:29,879 --> 00:10:27,449

that's a dragon con thing is i'll swap

244

00:10:38,830 --> 00:10:29,889

you to Brian's for a look and a gym yes

245

00:10:44,930 --> 00:10:41,750

hold you want lollies they look they

246

00:10:47,240 --> 00:10:44,940

look like utter Brian's to go right but

247

00:10:49,040 --> 00:10:47,250

now we should introduce our brains

248

00:10:51,020 --> 00:10:49,050

briefly or a very nicely for our

249

00:10:52,850 --> 00:10:51,030

listeners at home of course not for you

250

00:10:55,490 --> 00:10:52,860

lot who saw them walk up and close

251
00:10:59,990 --> 00:10:55,500
things at them we have on the far end a

252
00:11:03,380 --> 00:11:00,000
man who needs no introduction oh yes is

253
00:11:10,160 --> 00:11:03,390
it Brian darling Ryan Dunning winner of

254
00:11:13,670 --> 00:11:10,170
the PASOK award just yesterday and

255
00:11:14,870 --> 00:11:13,680
sitting next to him it's mr. scam school

256
00:11:16,250 --> 00:11:14,880
himself and there's a story i'll tell

257
00:11:22,640 --> 00:11:16,260
you later about that Brian brushwood

258
00:11:24,230 --> 00:11:22,650
ladies and gentleman welcome Brian's

259
00:11:26,900 --> 00:11:24,240
will be hearing but from both of you

260
00:11:28,460 --> 00:11:26,910
shortly but before we get to that before

261
00:11:34,310 --> 00:11:28,470
we get to that through the magic of

262
00:11:44,060 --> 00:11:34,320
computers now it's time for dr. Rachel

263
00:11:48,950 --> 00:11:44,070

reports with dr. Rachel Dunlop change

264

00:11:51,410 --> 00:11:48,960

the side Richard very good alright so I

265

00:11:53,720 --> 00:11:51,420

I've actually up on screen here got a

266

00:11:54,950 --> 00:11:53,730

cartoon that I hope you can see it was

267

00:11:56,750 --> 00:11:54,960

done by a friend of ours in Sydney

268

00:12:00,100 --> 00:11:56,760

called phillip quinn where he's

269

00:12:04,010 --> 00:12:00,110

portrayed me as some kind of in

270

00:12:05,540 --> 00:12:04,020

superhero going in and attacking people

271

00:12:07,520 --> 00:12:05,550

inside you will see that can you guys

272

00:12:09,200 --> 00:12:07,530

see it yeah thats by a friend of ours

273

00:12:13,070 --> 00:12:09,210

Phillip Queen from New South Wales I

274

00:12:14,570 --> 00:12:13,080

love this this cartoon strip so I'm

275

00:12:16,070 --> 00:12:14,580

going to give a little quick update on

276

00:12:17,450 --> 00:12:16,080

the Australian vaccination network

277

00:12:18,920 --> 00:12:17,460

because I know a lot of people here have

278

00:12:22,100 --> 00:12:18,930

been following this story and we've had

279

00:12:24,860 --> 00:12:22,110

a couple of very big sort of wins i

280

00:12:28,310 --> 00:12:24,870

guess in the last month or so Richard

281

00:12:30,890 --> 00:12:28,320

yeah you probably recall if you listen

282

00:12:32,510 --> 00:12:30,900

to the skeptic zone that the Australian

283

00:12:35,000 --> 00:12:32,520

vaccination network is our anti-vaccine

284

00:12:36,440 --> 00:12:35,010

Australia they're kind of the equivalent

285

00:12:39,500 --> 00:12:36,450

of the Jenny McCarthy Generation Rescue

286

00:12:42,080 --> 00:12:39,510

age of autism people here and they were

287

00:12:44,360 --> 00:12:42,090

investigated by the New South Wales

288

00:12:45,620 --> 00:12:44,370

healthcare Complaints Commission for

289

00:12:46,450 --> 00:12:45,630

some of the stuff that they were saying

290

00:12:47,770 --> 00:12:46,460

to parents you

291

00:12:50,200 --> 00:12:47,780

they were telling parents that vaccines

292

00:12:52,030 --> 00:12:50,210

cause autism and that vaccines can cause

293

00:12:53,710 --> 00:12:52,040

kids to get all kinds of diseases which

294

00:12:56,110 --> 00:12:53,720

none of us based in evidence or any

295

00:12:57,610 --> 00:12:56,120

science to support it it's all

296

00:13:00,790 --> 00:12:57,620

scaremongering because i don't like

297

00:13:02,410 --> 00:13:00,800

vaccines well they were investigated by

298

00:13:06,250 --> 00:13:02,420

our healthcare Complaints Commission and

299

00:13:09,400 --> 00:13:06,260

on the twenty-sixth of July earlier this

300

00:13:11,800 --> 00:13:09,410

year there was a public health warning

301

00:13:14,560 --> 00:13:11,810

released about the stuff that they put

302

00:13:16,660 --> 00:13:14,570

on their website now this is as you can

303

00:13:19,540 --> 00:13:16,670

see on screen from the New South Wales

304

00:13:21,580 --> 00:13:19,550

Government and this warning was spread

305

00:13:23,170 --> 00:13:21,590

around the entire healthcare community

306

00:13:25,000 --> 00:13:23,180

in New South Wales and we're very happy

307

00:13:28,300 --> 00:13:25,010

about it next door a very happy ending

308

00:13:31,570 --> 00:13:28,310

song and also to the media now this is a

309

00:13:33,460 --> 00:13:31,580

big win because some of you might have

310

00:13:36,040 --> 00:13:33,470

heard of a contact called false balance

311

00:13:39,280 --> 00:13:36,050

where the media gets somebody in to talk

312

00:13:40,960 --> 00:13:39,290

about say vaccines and then they need to

313

00:13:41,950 --> 00:13:40,970

get the other side of the story so

314

00:13:43,360 --> 00:13:41,960

they'll get someone from the

315

00:13:45,460 --> 00:13:43,370

anti-vaccine ette work to come in and

316

00:13:47,560 --> 00:13:45,470

give their side of the story now this is

317

00:13:50,710 --> 00:13:47,570

kind of a little bit like if you were

318

00:13:53,230 --> 00:13:50,720

doing a story on geology or the the

319

00:13:55,090 --> 00:13:53,240

earth and you got in a flat earther yeah

320

00:13:56,740 --> 00:13:55,100

well that that's preposterous you know

321

00:13:58,840 --> 00:13:56,750

there's probably like point zero zero

322

00:14:01,060 --> 00:13:58,850

five percent of people believe the world

323

00:14:03,670 --> 00:14:01,070

is flat but let's just get them in

324

00:14:07,300 --> 00:14:03,680

anyway because when we don't balance

325

00:14:08,830 --> 00:14:07,310

must have balance so that's now changed

326

00:14:11,410 --> 00:14:08,840

in Australia in the last three or four

327

00:14:14,620 --> 00:14:11,420

weeks the media is not consulting these

328

00:14:16,540 --> 00:14:14,630

people so much anymore and I have seen

329

00:14:19,030 --> 00:14:16,550

some of the correspondence that's gone

330

00:14:20,470 --> 00:14:19,040

to media outlets and basically they're

331

00:14:23,080 --> 00:14:20,480

being told that they're not to use these

332

00:14:25,510 --> 00:14:23,090

people anymore unless they clearly state

333

00:14:27,220 --> 00:14:25,520

that they are anti-vaccination lobbyists

334

00:14:30,520 --> 00:14:27,230

because they previously presented

335

00:14:32,260 --> 00:14:30,530

themselves as experts on vaccinations

336

00:14:34,360 --> 00:14:32,270

merrill dory called herself australia's

337

00:14:35,860 --> 00:14:34,370

leading expert on vaccinations or she

338

00:14:38,410 --> 00:14:35,870

was referred to as that and she didn't

339

00:14:41,140 --> 00:14:38,420

ever dispute that despite the fact

340

00:14:44,560 --> 00:14:41,150

Richard mmm that she's got how many

341

00:14:47,770 --> 00:14:44,570

degrees roams with zero I think right

342

00:14:49,900 --> 00:14:47,780

and what are her qualifications 20 years

343

00:14:51,550 --> 00:14:49,910

research and she's a mother and she has

344

00:14:54,400 --> 00:14:51,560

a brain oh and she has a band that's

345

00:14:56,830 --> 00:14:54,410

what she said so there's been some

346

00:14:57,190 --> 00:14:56,840

really good publicity in Australia in

347

00:15:07,090 --> 00:14:57,200

the

348

00:15:09,610 --> 00:15:07,100

because I know it sounds surprising but

349

00:15:11,890 --> 00:15:09,620

they are a charity which means people

350

00:15:13,630 --> 00:15:11,900

can give them money and you can get you

351
00:15:15,520 --> 00:15:13,640
don't have to pay tax on your donations

352
00:15:18,250 --> 00:15:15,530
so this is a really big thing for an

353
00:15:20,320 --> 00:15:18,260
organization to have charity status now

354
00:15:23,710 --> 00:15:20,330
it turned out that they hadn't been

355
00:15:25,810 --> 00:15:23,720
particularly clever about is that still

356
00:15:28,780 --> 00:15:25,820
working they hadn't been very clever

357
00:15:31,030 --> 00:15:28,790
about managing their books or looking

358
00:15:34,020 --> 00:15:31,040
after their charity license and in fact

359
00:15:36,940 --> 00:15:34,030
they forgot to renew it for two years

360
00:15:38,440 --> 00:15:36,950
from two at thousand and seven till 2009

361
00:15:40,930 --> 00:15:38,450
they kind of forgot to renew it but they

362
00:15:42,730 --> 00:15:40,940
still collected money and donations now

363
00:15:46,210 --> 00:15:42,740

this is kind of against the law yeah

364

00:15:47,740 --> 00:15:46,220

does that surprise anyone here know so

365

00:15:50,800 --> 00:15:47,750

they were investigated and they've now

366

00:15:52,750 --> 00:15:50,810

been referred to the Department of

367

00:15:54,940 --> 00:15:52,760

Justice in New South Wales and the

368

00:15:57,360 --> 00:15:54,950

Attorney General's Department now this

369

00:15:59,980 --> 00:15:57,370

is a big deal this is like serious

370

00:16:02,650 --> 00:15:59,990

potentially jail terms for stuff like

371

00:16:03,940 --> 00:16:02,660

this so that's currently being decided

372

00:16:08,560 --> 00:16:03,950

upon and we should find out in the next

373

00:16:11,950 --> 00:16:08,570

maybe week or so we're hoping but also

374

00:16:13,900 --> 00:16:11,960

recently this happened about Oh two

375

00:16:16,810 --> 00:16:13,910

weeks ago two weeks ago no maybe a bit

376

00:16:19,060 --> 00:16:16,820

more recent than that yeah they also I

377

00:16:20,680 --> 00:16:19,070

mean as if this isn't enough they also

378

00:16:22,180 --> 00:16:20,690

decided they wanted to make up these

379

00:16:24,220 --> 00:16:22,190

little booklets and sell them on their

380

00:16:25,780 --> 00:16:24,230

website with information that parents

381

00:16:27,580 --> 00:16:25,790

can go to their doctors and say look

382

00:16:31,270 --> 00:16:27,590

vaccines cause autism because this book

383

00:16:35,500 --> 00:16:31,280

says so they were photocopying articles

384

00:16:37,240 --> 00:16:35,510

from magazines from newspapers they were

385

00:16:39,190 --> 00:16:37,250

photocopying the inserts that you get

386

00:16:41,790 --> 00:16:39,200

with a vaccine and they were selling

387

00:16:46,330 --> 00:16:41,800

them and that kind of breaches copyright

388

00:16:48,250 --> 00:16:46,340

no you think yeah you think so The

389

00:16:49,810 --> 00:16:48,260

Sydney Morning Herald which is the one

390

00:16:51,700 --> 00:16:49,820

of the biggest newspapers in Australia

391

00:16:53,980 --> 00:16:51,710

did an investigation into this and they

392

00:16:55,750 --> 00:16:53,990

kind of called up the the people that

393

00:16:58,420 --> 00:16:55,760

were published in these publications and

394

00:17:00,430 --> 00:16:58,430

said did you know that yours work is

395

00:17:03,730 --> 00:17:00,440

being sold by these people without your

396

00:17:05,530 --> 00:17:03,740

permission so they had to withdraw these

397

00:17:07,420 --> 00:17:05,540

packs from their website about four or

398

00:17:08,860 --> 00:17:07,430

five days ago and they've now got a

399

00:17:10,220 --> 00:17:08,870

whole bunch of very cranky people

400

00:17:12,829 --> 00:17:10,230

chasing them saying where's

401
00:17:14,150 --> 00:17:12,839
my money so then it's like one two three

402
00:17:16,130 --> 00:17:14,160
strikes and they're almost out you'd

403
00:17:18,199 --> 00:17:16,140
have to say dr. 80 pretty much this is a

404
00:17:21,799 --> 00:17:18,209
photo of one of the packs that they sell

405
00:17:23,539 --> 00:17:21,809
it sells for \$27 50 fortunately I had it

406
00:17:25,220 --> 00:17:23,549
with me and the journalists rang me and

407
00:17:26,929 --> 00:17:25,230
I just dispatched it to her straight

408
00:17:28,789 --> 00:17:26,939
away so she could look through it and

409
00:17:30,380 --> 00:17:28,799
see where they breached copyright but

410
00:17:32,690 --> 00:17:30,390
what you might notice and i know the

411
00:17:35,270 --> 00:17:32,700
leases can't see this this is a gary

412
00:17:40,070 --> 00:17:35,280
larson comic on the front page of this

413
00:17:46,039 --> 00:17:40,080

pack what's that what is the term that

414

00:17:48,500 --> 00:17:46,049

the kids are all using pwned now I don't

415

00:17:51,130 --> 00:17:48,510

know if Gary Larson's people would be

416

00:17:54,049 --> 00:17:51,140

particularly happy to see this

417

00:17:56,900 --> 00:17:54,059

considering the sort of pro-science

418

00:17:58,250 --> 00:17:56,910

reputation that he has as well yeah and

419

00:17:59,900 --> 00:17:58,260

this that's interesting you should say

420

00:18:02,510 --> 00:17:59,910

that cake because that was some of the

421

00:18:05,210 --> 00:18:02,520

things that some of the authors raised

422

00:18:06,650 --> 00:18:05,220

objection to mostly was that their work

423

00:18:10,039 --> 00:18:06,660

was being used in a manner for which

424

00:18:11,990 --> 00:18:10,049

they didn't they didn't intend it to be

425

00:18:13,490 --> 00:18:12,000

and I get almost on my screen I can

426
00:18:16,370 --> 00:18:13,500
almost make up the price can you see the

427
00:18:17,630 --> 00:18:16,380
price than \$27 50 but some of the packs

428
00:18:20,390 --> 00:18:17,640
were selling for up to one hundred and

429
00:18:21,740 --> 00:18:20,400
twenty eight dollars each so I mean

430
00:18:23,360 --> 00:18:21,750
they've had these on their website for

431
00:18:25,310 --> 00:18:23,370
maybe over ten years and that's a lot of

432
00:18:27,049 --> 00:18:25,320
money that they've been collecting that

433
00:18:28,970 --> 00:18:27,059
should have been given to the people

434
00:18:31,760 --> 00:18:28,980
that owned the copyright so this

435
00:18:34,340 --> 00:18:31,770
happened on the fifth of September I

436
00:18:35,720 --> 00:18:34,350
think there's how this came out or a few

437
00:18:38,030 --> 00:18:35,730
days ago so it's still being

438
00:18:39,500 --> 00:18:38,040

investigated but it you know I mean if

439

00:18:41,570 --> 00:18:39,510

you keep doing this stuff you're going

440

00:18:44,419 --> 00:18:41,580

to keep getting caught they just don't

441

00:18:46,100 --> 00:18:44,429

seem to learn so it might end up being a

442

00:18:47,960 --> 00:18:46,110

bit of an Al Capone kind of case where

443

00:18:50,600 --> 00:18:47,970

they get caught for copyright and tax

444

00:18:52,700 --> 00:18:50,610

evasion rather than telling parents that

445

00:18:57,500 --> 00:18:52,710

you get autism from vaccines but an

446

00:18:59,090 --> 00:18:57,510

image should be sent to Alcatraz you

447

00:19:00,740 --> 00:18:59,100

know I hope I hope that doesn't happen

448

00:19:03,049 --> 00:19:00,750

in a way because that will turn her into

449

00:19:04,640 --> 00:19:03,059

a martyr in a sense and that you know

450

00:19:07,370 --> 00:19:04,650

makes her look like she's taken it for

451

00:19:09,200 --> 00:19:07,380

the cause but you just can't keep

452

00:19:10,820 --> 00:19:09,210

breaking the law and for some reason

453

00:19:14,930 --> 00:19:10,830

they seem to think that they're just

454

00:19:16,700 --> 00:19:14,940

above this you know so yeah that's

455

00:19:18,830 --> 00:19:16,710

that's it for the update there so we'll

456

00:19:19,580 --> 00:19:18,840

keep you posted on that now Kylie just

457

00:19:23,180 --> 00:19:19,590

as

458

00:19:25,789 --> 00:19:23,190

I'm side to this you are on the scene on

459

00:19:27,830 --> 00:19:25,799

the scene as it were when I Merrill Dory

460

00:19:31,159 --> 00:19:27,840

the spokesman for the anti-vaccination

461

00:19:33,590 --> 00:19:31,169

network made it all the way to Perth and

462

00:19:37,610 --> 00:19:33,600

she even commented on the fact that you

463

00:19:39,440 --> 00:19:37,620

were there yes things I do myself I mean

464

00:19:41,899 --> 00:19:39,450

we suffer we suffer for science folks

465

00:19:43,730 --> 00:19:41,909

let me tell you i SAT through the

466

00:19:45,590 --> 00:19:43,740

entirety of not only Merrill Dora's

467

00:19:48,529 --> 00:19:45,600

lecture but one given by Judy Willimon

468

00:19:50,060 --> 00:19:48,539

who is a PhD student at murdoch

469

00:19:52,940 --> 00:19:50,070

university which is not that far away

470

00:19:55,010 --> 00:19:52,950

from where i live both Merrill Dory and

471

00:19:56,659 --> 00:19:55,020

Judy Willimon were very very proud about

472

00:19:58,310 --> 00:19:56,669

the fact that they managed to come to

473

00:19:59,870 --> 00:19:58,320

Perth after their first lecture got

474

00:20:01,970 --> 00:19:59,880

canceled after the church hall that they

475

00:20:03,500 --> 00:20:01,980

plan to have it in suddenly developed a

476
00:20:05,750 --> 00:20:03,510
conscious and said we're not having you

477
00:20:07,399 --> 00:20:05,760
come here I believe she was actually at

478
00:20:10,610 --> 00:20:07,409
the airport preparing to come to my town

479
00:20:12,470 --> 00:20:10,620
when she was told ya you have no venue

480
00:20:13,789 --> 00:20:12,480
and so she had to cancel but she managed

481
00:20:17,630 --> 00:20:13,799
to find a venue and that was the

482
00:20:21,799 --> 00:20:17,640
alexander library which sadly is a major

483
00:20:23,180 --> 00:20:21,809
state library in my my town and is one

484
00:20:25,789 --> 00:20:23,190
of my favorite libraries it's where I

485
00:20:27,320 --> 00:20:25,799
did most my university studies when I

486
00:20:28,730 --> 00:20:27,330
was an undergrad so it was particularly

487
00:20:32,210 --> 00:20:28,740
disappointing to know that she'd managed

488
00:20:34,279 --> 00:20:32,220

to get a lecture hall there one of the

489

00:20:36,500 --> 00:20:34,289

things that we did is a team of people

490

00:20:38,510 --> 00:20:36,510

mostly over the Internet not only locals

491

00:20:40,039 --> 00:20:38,520

in my town but thanks to a lot of

492

00:20:43,460 --> 00:20:40,049

support over the eastern states as well

493

00:20:45,289 --> 00:20:43,470

we started taking steps our first step

494

00:20:47,720 --> 00:20:45,299

of course was to contact the library

495

00:20:49,370 --> 00:20:47,730

contact health ministers contact the

496

00:20:50,570 --> 00:20:49,380

shadow cabinets of health ministers and

497

00:20:52,970 --> 00:20:50,580

say this is what's going on can you

498

00:20:55,070 --> 00:20:52,980

please do something about it the library

499

00:20:56,180 --> 00:20:55,080

was steadfast they said as far as we're

500

00:20:57,529 --> 00:20:56,190

concerned this is a matter of free

501
00:20:59,630 --> 00:20:57,539
speech and they are allowed to have this

502
00:21:01,340 --> 00:20:59,640
room and use it for whatever they want

503
00:21:02,960 --> 00:21:01,350
which was funny cake because if I was

504
00:21:04,399 --> 00:21:02,970
the Ku Klux Klan would I be able to get

505
00:21:05,960 --> 00:21:04,409
a room at the library do you think they

506
00:21:10,730 --> 00:21:05,970
didn't want me call me about come on

507
00:21:12,799 --> 00:21:10,740
yeah now that was the first step now we

508
00:21:15,289 --> 00:21:12,809
were fully aware that this might fail so

509
00:21:17,210 --> 00:21:15,299
the second step is to accept that ok

510
00:21:19,460 --> 00:21:17,220
they may actually turn up here so what

511
00:21:21,340 --> 00:21:19,470
do you do next you coordinate Flyers you

512
00:21:23,510 --> 00:21:21,350
start finding information in order to

513
00:21:25,340 --> 00:21:23,520

hand this out to people who are going to

514

00:21:27,470 --> 00:21:25,350

be attending you contact the media you

515

00:21:29,210 --> 00:21:27,480

tell them what's going on The West

516

00:21:31,310 --> 00:21:29,220

Australian newspaper interestingly had

517

00:21:32,190 --> 00:21:31,320

two different aspects one they did run

518

00:21:34,080 --> 00:21:32,200

some sort of

519

00:21:36,180 --> 00:21:34,090

critical stories about it but they also

520

00:21:38,250 --> 00:21:36,190

had a large front page paper of a happy

521

00:21:39,690 --> 00:21:38,260

mum holding a smiling baby proudly

522

00:21:44,190 --> 00:21:39,700

saying that her child was free of

523

00:21:47,759 --> 00:21:44,200

vaccine so we saw that as a bit of a a

524

00:21:51,060 --> 00:21:47,769

backwards step here so that didn't one

525

00:21:53,669 --> 00:21:51,070

of the tactics they use to gain sympathy

526

00:21:55,350 --> 00:21:53,679

was say but we had to apply a security

527

00:21:57,090 --> 00:21:55,360

guard to keep the battle yes situation

528

00:21:59,039 --> 00:21:57,100

yeah Carly carly was responsible for

529

00:22:00,930 --> 00:21:59,049

them spending a thousand dollars on two

530

00:22:06,180 --> 00:22:00,940

security guards because he was causing

531

00:22:07,830 --> 00:22:06,190

trouble actually actually Carly the

532

00:22:10,649 --> 00:22:07,840

prices first of all started at two

533

00:22:17,100 --> 00:22:10,659

hundred yes her security guy it was like

534

00:22:18,840 --> 00:22:17,110

a record a 700 David yeah I I would

535

00:22:20,820 --> 00:22:18,850

employ three security guards if I knew

536

00:22:22,200 --> 00:22:20,830

carly was coming to bust my game mitis

537

00:22:24,779 --> 00:22:22,210

you know you know what she was doing she

538

00:22:29,009 --> 00:22:24,789

was live blogging that's really scary I

539

00:22:31,710 --> 00:22:29,019

weapon ladies a job and I didn't even

540

00:22:34,230 --> 00:22:31,720

hit her with it now this is a great

541

00:22:36,899 --> 00:22:34,240

example and I must publicly acknowledge

542

00:22:39,299 --> 00:22:36,909

and really thank the work of Kylie a

543

00:22:41,730 --> 00:22:39,309

nurse and dr h e2 and and all the people

544

00:22:45,090 --> 00:22:41,740

out there who've been actively doing

545

00:22:48,180 --> 00:22:45,100

something about this danger in our

546

00:22:50,070 --> 00:22:48,190

society and I hope through these lovely

547

00:22:51,779 --> 00:22:50,080

ladies on stage through their example

548

00:22:59,950 --> 00:22:51,789

other people have been motivated to sort

549

00:23:04,390 --> 00:23:02,200

and if you have to thank Ken MacLeod

550

00:23:06,120 --> 00:23:04,400

especially as well Richard of course

551
00:23:09,520 --> 00:23:06,130
there are many other people out there

552
00:23:11,470 --> 00:23:09,530
however that was an interesting dr.

553
00:23:13,630 --> 00:23:11,480
Reggie and Kylie thank you very much

554
00:23:16,510 --> 00:23:13,640
let's move on to the show with our very

555
00:23:19,210 --> 00:23:16,520
first guest here on show 100 it's none

556
00:23:28,330 --> 00:23:19,220
other than pasok award-winning podcaster

557
00:23:29,920 --> 00:23:28,340
and good friend mr. Brian Dunning Brian

558
00:23:31,900 --> 00:23:29,930
we should point out first of all that

559
00:23:33,940 --> 00:23:31,910
you didn't win the entire passage you

560
00:23:38,620 --> 00:23:33,950
did win the category of the fact behind

561
00:23:43,630 --> 00:23:38,630
the fiction wait what it took him down a

562
00:23:45,490 --> 00:23:43,640
peg get our panties in a bunch any award

563
00:23:48,370 --> 00:23:45,500

I was proud of it I was happy for a

564

00:23:53,130 --> 00:23:48,380

short time but thank you pretty good for

565

00:23:56,770 --> 00:23:55,420

business need to be described for the

566

00:23:59,920 --> 00:23:56,780

people listening to an audio podcast

567

00:24:02,590 --> 00:23:59,930

it's a it's a jeweled little trophy

568

00:24:09,130 --> 00:24:02,600

thing it's gold encrusted yeah thank you

569

00:24:11,290 --> 00:24:09,140

titanium made 16 feet tall Australia we

570

00:24:13,120 --> 00:24:11,300

had to break the ceiling in order to get

571

00:24:14,230 --> 00:24:13,130

it into this contract was difficult I

572

00:24:16,480 --> 00:24:14,240

don't know are you going to get there

573

00:24:18,550 --> 00:24:16,490

except very angry at us year but no well

574

00:24:20,320 --> 00:24:18,560

deserved Brian because I'm sure a lot of

575

00:24:23,020 --> 00:24:20,330

the people in this room is certainly a

576

00:24:24,910 --> 00:24:23,030

lot of listeners of the skeptic zone

577

00:24:26,290 --> 00:24:24,920

would be listening to sceptile keep

578

00:24:28,570 --> 00:24:26,300

playing your ads I hope they're bloody

579

00:24:30,490 --> 00:24:28,580

listening to skip do it I learned a

580

00:24:32,500 --> 00:24:30,500

great deal in fact Rachel and I were

581

00:24:35,830 --> 00:24:32,510

lucky enough to attend a life took by

582

00:24:37,450 --> 00:24:35,840

Brian over in the pillar in the hyatt in

583

00:24:39,970 --> 00:24:37,460

the basement why don't one of the other

584

00:24:41,890 --> 00:24:39,980

places about the lost cosmonauts that

585

00:24:44,590 --> 00:24:41,900

was fascinating to see you on almost a

586

00:24:46,090 --> 00:24:44,600

skip tied with pictures that's what it's

587

00:24:47,710 --> 00:24:46,100

more than a schedule i did i did a

588

00:24:49,750 --> 00:24:47,720

regular episode about the missing

589

00:24:51,790 --> 00:24:49,760

cosmonauts which are about a series of

590

00:24:53,230 --> 00:24:51,800

audio recordings made by a couple of

591

00:24:54,780 --> 00:24:53,240

Italian brothers during the early days

592

00:24:57,700 --> 00:24:54,790

of the space race where they recorded

593

00:25:01,570 --> 00:24:57,710

the radio transmissions of Soviet and

594

00:25:03,040 --> 00:25:01,580

American space flights and the show that

595

00:25:04,960 --> 00:25:03,050

I the live show that I do is about that

596

00:25:06,640 --> 00:25:04,970

it takes it a further step we don't just

597

00:25:08,680 --> 00:25:06,650

show that these recordings are not in

598

00:25:10,120 --> 00:25:08,690

fact of actual space flights but we

599

00:25:11,530 --> 00:25:10,130

actually do our best to explain what

600

00:25:13,210 --> 00:25:11,540

they actually are which was something

601
00:25:13,750 --> 00:25:13,220
goes beyond the scope of what we could

602
00:25:15,190 --> 00:25:13,760
do in the little

603
00:25:16,540 --> 00:25:15,200
in the little ten minute podcast and so

604
00:25:20,410 --> 00:25:16,550
it's it's really fun it's interesting

605
00:25:24,040 --> 00:25:20,420
what an audio of this Russian woman from

606
00:25:26,770 --> 00:25:24,050
1961 recorded by the Italian brothers

607
00:25:28,210 --> 00:25:26,780
yes at the time and it's been a big

608
00:25:31,540 --> 00:25:28,220
mystery ever since because the audio

609
00:25:34,300 --> 00:25:31,550
recording is so bad so the myth grew up

610
00:25:36,910 --> 00:25:34,310
that it was actually a Soviet cosmonaut

611
00:25:38,920 --> 00:25:36,920
lady Soviet cosmonaut who was perishing

612
00:25:41,170 --> 00:25:38,930
as a craft was coming back into the

613
00:25:43,930 --> 00:25:41,180

atmosphere and bursting into flames yes

614

00:25:45,730 --> 00:25:43,940

yeah heart-rending uh kind of wailing

615

00:25:48,970 --> 00:25:45,740

and complaining by her saying you know

616

00:25:51,250 --> 00:25:48,980

please please help me I'm no nobody's

617

00:25:53,350 --> 00:25:51,260

talking to me I'm burning up I'm

618

00:25:54,730 --> 00:25:53,360

reentering it goes on and on and on for

619

00:25:57,850 --> 00:25:54,740

some four and a half minutes it's a

620

00:25:59,410 --> 00:25:57,860

really quite it's quite something until

621

00:26:00,970 --> 00:25:59,420

you get your own Russians to actually

622

00:26:03,190 --> 00:26:00,980

translate what it really says then it's

623

00:26:04,510 --> 00:26:03,200

much less interesting but I wouldn't

624

00:26:09,070 --> 00:26:04,520

give that away you've got to come see

625

00:26:11,350 --> 00:26:09,080

the show well I'm not going to tell

626

00:26:14,560 --> 00:26:11,360

anybody what are the other interesting

627

00:26:17,410 --> 00:26:14,570

skip towards that you've done brian is

628

00:26:19,930 --> 00:26:17,420

the Georgia Guidestones yes and we were

629

00:26:22,810 --> 00:26:19,940

very lucky yesterday or the day before

630

00:26:25,180 --> 00:26:22,820

to actually get to visit them Blake

631

00:26:27,430 --> 00:26:25,190

Smith or a doctor Atlantis I know if

632

00:26:29,830 --> 00:26:27,440

he's here he was very kind to drive us

633

00:26:31,240 --> 00:26:29,840

all the way up to the Georgia

634

00:26:33,910 --> 00:26:31,250

Guidestones and you can see on the map

635

00:26:35,350 --> 00:26:33,920

here that there well it was I don't know

636

00:26:37,840 --> 00:26:35,360

how many kilometers it was but it was

637

00:26:41,860 --> 00:26:37,850

the three 3 hours 3 hours as the crow

638

00:26:43,690 --> 00:26:41,870

flies it's 91 miles 91 miles care and as

639

00:26:47,110 --> 00:26:43,700

the road lies yeah but we didn't go that

640

00:26:53,080 --> 00:26:47,120

way go that way it's about a hectare in

641

00:26:57,040 --> 00:26:53,090

size way several bushels how many

642

00:26:59,440 --> 00:26:57,050

millimeters tall is it that it was yeah

643

00:27:01,810 --> 00:26:59,450

they were built in nineteen eighty and

644

00:27:03,760 --> 00:27:01,820

they're kind of it's called america's

645

00:27:05,260 --> 00:27:03,770

stonehenge which is a somewhat of an

646

00:27:07,360 --> 00:27:05,270

exaggeration other we've got a picture

647

00:27:09,400 --> 00:27:07,370

of it great and as you can see there's

648

00:27:11,380 --> 00:27:09,410

carvings on the on the sides of the

649

00:27:13,510 --> 00:27:11,390

stones there's four main stones in each

650

00:27:16,690 --> 00:27:13,520

one as two sides they're kind of like

651
00:27:17,770 --> 00:27:16,700
two thousand one size obelisks and it's

652
00:27:20,230 --> 00:27:17,780
the same thing written in eight

653
00:27:21,880 --> 00:27:20,240
different languages and I won't read all

654
00:27:23,890 --> 00:27:21,890
of them but they're basically the kind

655
00:27:26,200 --> 00:27:23,900
of these ten guiding thoughts they're

656
00:27:27,370 --> 00:27:26,210
called in the first three or maintain

657
00:27:30,940 --> 00:27:27,380
humanity under five

658
00:27:33,490 --> 00:27:30,950
million guide reproduction wisely read

659
00:27:35,920 --> 00:27:33,500
between the lines there and unite all of

660
00:27:37,000 --> 00:27:35,930
humanity with a new language so it's

661
00:27:38,860 --> 00:27:37,010
kind of creepy and it's something that

662
00:27:41,020 --> 00:27:38,870
definitely appeals to all the new world

663
00:27:44,140 --> 00:27:41,030

order Illuminati conspiracy theorists

664

00:27:47,980 --> 00:27:44,150

and so since people think these are

665

00:27:50,530 --> 00:27:47,990

either conspiratorial or satanic or or

666

00:27:51,850 --> 00:27:50,540

what have you they tend to get

667

00:27:53,440 --> 00:27:51,860

vandalized you can see in that picture

668

00:27:55,240 --> 00:27:53,450

this one has had this one's been

669

00:27:57,850 --> 00:27:55,250

splashed with a can of what turns out to

670

00:27:59,650 --> 00:27:57,860

have been polyurethane which dries very

671

00:28:01,600 --> 00:27:59,660

hard and it's very difficult to remove

672

00:28:03,280 --> 00:28:01,610

and they tried to remove and it kind of

673

00:28:05,200 --> 00:28:03,290

permanently defaced the stone which is

674

00:28:06,430 --> 00:28:05,210

too bad because they were expensive and

675

00:28:08,110 --> 00:28:06,440

they're very cool I mean it's a neat

676
00:28:09,430 --> 00:28:08,120
thing to go and see and someone spent a

677
00:28:10,840 --> 00:28:09,440
lot of money on it and it's their own

678
00:28:13,450 --> 00:28:10,850
private thing and nobody's got a right

679
00:28:16,090 --> 00:28:13,460
to come up and destroy it but it was

680
00:28:17,140 --> 00:28:16,100
very cool to go see it's on was it the

681
00:28:19,180 --> 00:28:17,150
highest point in the state of the

682
00:28:21,730 --> 00:28:19,190
highest point the county eyes point in

683
00:28:23,980 --> 00:28:21,740
the county it's a pretty weak state if

684
00:28:27,370 --> 00:28:23,990
that's the highest point then nothing

685
00:28:29,290 --> 00:28:27,380
nothing nothing he'll Jordan just wasn't

686
00:28:30,730 --> 00:28:29,300
a lot but actually we got there just as

687
00:28:32,680 --> 00:28:30,740
the Sun was setting so in fact it was

688
00:28:35,380 --> 00:28:32,690

really stunning because as the Sun was

689

00:28:37,690 --> 00:28:35,390

going down but it kind of created all

690

00:28:39,240 --> 00:28:37,700

this color around the the stones and

691

00:28:41,770 --> 00:28:39,250

made it look even more ethereal and

692

00:28:43,870 --> 00:28:41,780

illumination illuminated a chem trail

693

00:28:45,880 --> 00:28:43,880

now this is that now this is the thing

694

00:28:49,360 --> 00:28:45,890

because I don't know if people know this

695

00:28:51,460 --> 00:28:49,370

but it is thought that the guide stones

696

00:28:53,380 --> 00:28:51,470

were created by the Illuminati and that

697

00:28:55,360 --> 00:28:53,390

within those eight stones and the

698

00:28:58,180 --> 00:28:55,370

different languages is encoded that the

699

00:28:59,860 --> 00:28:58,190

new world order is coming the Illuminati

700

00:29:01,810 --> 00:28:59,870

is going to take over the world and

701
00:29:03,250 --> 00:29:01,820
that's of course associated with

702
00:29:04,930 --> 00:29:03,260
conspiracy theories and that includes

703
00:29:07,000 --> 00:29:04,940
things like chemtrails and guess what

704
00:29:10,900 --> 00:29:07,010
happened when we were there this is a

705
00:29:12,310 --> 00:29:10,910
real picture you can see there is the

706
00:29:15,730 --> 00:29:12,320
Sun setting in the back there and

707
00:29:18,460 --> 00:29:15,740
there's a chemtrail people so incidents

708
00:29:24,340 --> 00:29:18,470
what I think so this is not a

709
00:29:28,060 --> 00:29:24,350
coincidence so we also and so here we

710
00:29:30,440 --> 00:29:28,070
are I think this was supposed to be our

711
00:29:32,820 --> 00:29:30,450
ghost hunters picture so

712
00:29:34,680 --> 00:29:32,830
Blake's cut him in the front here and

713
00:29:37,890 --> 00:29:34,690

I'm trying to look you guys are such

714

00:29:39,180 --> 00:29:37,900

poses about the feder bombers I know

715

00:29:40,980 --> 00:29:39,190

what I think you're funny about this

716

00:29:42,480 --> 00:29:40,990

picture is that Richard myself and Blake

717

00:29:45,870 --> 00:29:42,490

we all look the part I think and look at

718

00:29:47,910 --> 00:29:45,880

these pretty boy I mean what is he

719

00:29:53,630 --> 00:29:47,920

pretending to be a toothpaste of

720

00:29:55,890 --> 00:29:53,640

medicine it's like you got photobombed

721

00:29:59,460 --> 00:29:55,900

you know what it is like we got

722

00:30:06,260 --> 00:29:59,470

photobombed actually the mystery Brian

723

00:30:12,420 --> 00:30:08,730

let's get a parsec school they wanna

724

00:30:13,950 --> 00:30:12,430

bash it let's get to the hub then let's

725

00:30:17,190 --> 00:30:13,960

get to the nub the hub of this whole

726

00:30:20,190 --> 00:30:17,200

thing Brian where did these stones come

727

00:30:23,370 --> 00:30:20,200

from who did it who did it the aliens

728

00:30:25,650 --> 00:30:23,380

nah that's good enough for me yeah and

729

00:30:29,700 --> 00:30:25,660

no I was a guy called Finley wasn't it

730

00:30:31,830 --> 00:30:29,710

yes there well I think that's a that's a

731

00:30:33,660 --> 00:30:31,840

whole story in itself as who who

732

00:30:36,720 --> 00:30:33,670

actually built these things the story is

733

00:30:39,060 --> 00:30:36,730

that a gentleman named mr. Christian who

734

00:30:41,460 --> 00:30:39,070

it was a pseudonym he explained he

735

00:30:44,460 --> 00:30:41,470

showed up at this granite finishing

736

00:30:46,530 --> 00:30:44,470

company and had presented them the plans

737

00:30:49,110 --> 00:30:46,540

of what he wanted them to build then he

738

00:30:51,000 --> 00:30:49,120

went to a banker in town and it got the

739

00:30:52,890 --> 00:30:51,010

money from this banker and he asked

740

00:30:54,450 --> 00:30:52,900

those two guys to please only correspond

741

00:30:55,500 --> 00:30:54,460

between themselves and and he was going

742

00:30:59,280 --> 00:30:55,510

to step out of the picture and

743

00:31:00,960 --> 00:30:59,290

disappeared so his his his identity has

744

00:31:03,240 --> 00:31:00,970

been a closely guarded secret the

745

00:31:05,130 --> 00:31:03,250

gentleman who erected the stones mr.

746

00:31:06,630 --> 00:31:05,140

Fendley he's passed away and he took any

747

00:31:08,430 --> 00:31:06,640

secrets he may have had with him I

748

00:31:11,010 --> 00:31:08,440

actually spoke with his daughter before

749

00:31:12,900 --> 00:31:11,020

we went she still lives in the area is

750

00:31:15,180 --> 00:31:12,910

very friendly she wanted to come meet us

751
00:31:17,700 --> 00:31:15,190
there but we had a scheduling conflict

752
00:31:18,870 --> 00:31:17,710
she couldn't make it but she did tell me

753
00:31:19,980 --> 00:31:18,880
a little bit about that a little bit

754
00:31:21,810 --> 00:31:19,990
more about her dad it was quite

755
00:31:24,170 --> 00:31:21,820
interesting and she doesn't have any

756
00:31:27,090 --> 00:31:24,180
deep dark secrets that that nobody knows

757
00:31:28,630 --> 00:31:27,100
she told me so I believe her for snide

758
00:31:33,050 --> 00:31:28,640
wipe

759
00:31:34,970 --> 00:31:33,060
oh yes he it was she was going to come

760
00:31:37,640 --> 00:31:34,980
meet us at shame she couldn't come Brian

761
00:31:39,920 --> 00:31:37,650
bed um yeah they do they also have known

762
00:31:42,500 --> 00:31:39,930
as the Stonehenge of of the South aren't

763
00:31:44,240 --> 00:31:42,510

they so America's stone America

764

00:31:45,740 --> 00:31:44,250

Stonehenge Stonehenge of the South

765

00:31:49,250 --> 00:31:45,750

that's that's kind of like spinal tap

766

00:31:51,710 --> 00:31:49,260

it's kind of cool so yeah speaking of

767

00:31:53,330 --> 00:31:51,720

spinal tap I mean when we first drive up

768

00:31:54,860 --> 00:31:53,340

to them I was because I've read about

769

00:31:56,480 --> 00:31:54,870

them too and I've studied them and I was

770

00:31:58,070 --> 00:31:56,490

expecting to see something like

771

00:31:59,780 --> 00:31:58,080

Stonehenge I've been to Stonehenge in

772

00:32:02,330 --> 00:31:59,790

its its imposing it's big it's

773

00:32:04,370 --> 00:32:02,340

impressive looking structure and they

774

00:32:06,530 --> 00:32:04,380

from the road before you turn off to

775

00:32:09,110 --> 00:32:06,540

guide stones road they do look pretty

776

00:32:16,390 --> 00:32:09,120

small and so I did get that image in my

777

00:32:19,640 --> 00:32:16,400

head of you know when they order oh yeah

778

00:32:20,960 --> 00:32:19,650

I mean you can see from here that they

779

00:32:23,030 --> 00:32:20,970

are bigger than that but from the road

780

00:32:24,680 --> 00:32:23,040

they look a little bit small so yeah I

781

00:32:26,720 --> 00:32:24,690

did get a blue a little bit a bit of a

782

00:32:28,100 --> 00:32:26,730

spinal tap flashback I get in comments

783

00:32:32,210 --> 00:32:28,110

on Twitter ammo at the moment about

784

00:32:35,360 --> 00:32:32,220

chemtrails I just noticed what's the

785

00:32:37,370 --> 00:32:35,370

conspiracy now I wonder yeah no that was

786

00:32:39,830 --> 00:32:37,380

a really interesting little break first

787

00:32:44,630 --> 00:32:39,840

get out of Atlanta little bit in class

788

00:32:46,190 --> 00:32:44,640

at least 26 waffle houses yeah and well

789

00:32:48,200 --> 00:32:46,200

is it eight and half of them you're not

790

00:32:50,120 --> 00:32:48,210

gonna you're not gonna hear me bag or

791

00:32:53,720 --> 00:32:50,130

not the Waffle House I had waffles and

792

00:32:56,120 --> 00:32:53,730

they were great we we went to the waffle

793

00:32:58,400 --> 00:32:56,130

house with dr. atlantis and he sat down

794

00:33:02,060 --> 00:32:58,410

and he ordered something and to me it

795

00:33:03,860 --> 00:33:02,070

sounded like the visitor brothers its

796

00:33:07,190 --> 00:33:03,870

hash brown oh the man has ordered before

797

00:33:10,790 --> 00:33:07,200

a waffle house man you smothered covered

798

00:33:12,980 --> 00:33:10,800

fried slice yes I can rub it down yeah

799

00:33:15,470 --> 00:33:12,990

and the waitress a waiter said okay fine

800

00:33:16,940 --> 00:33:15,480

i thought no he's rang her before and

801

00:33:20,810 --> 00:33:16,950

said i'm just gonna say all this

802

00:33:22,430 --> 00:33:20,820

nonsense you say fine so how does it go

803

00:33:23,510 --> 00:33:22,440

Brian brushwood scattered chopped what

804

00:33:26,150 --> 00:33:23,520

it all yeah i thought i was like

805

00:33:29,320 --> 00:33:26,160

scattered chopped pride had sex with

806

00:33:35,480 --> 00:33:33,020

diced meist something else chunked sly

807

00:33:38,409 --> 00:33:35,490

star and yet but when you say it faster

808

00:33:42,200 --> 00:33:38,419

sounds like good morning in Australia

809

00:33:44,120 --> 00:33:42,210

now getting uh and at least twice as

810

00:33:46,760 --> 00:33:44,130

many Baptist churches I think along I

811

00:33:48,409 --> 00:33:46,770

think so yeah well we did go to Madison

812

00:33:51,110 --> 00:33:48,419

County and I didn't see a bridge though

813

00:33:52,549 --> 00:33:51,120

oh no well I did see a bridge but it was

814

00:33:54,649 --> 00:33:52,559

concrete it wasn't as impressive as the

815

00:33:56,840 --> 00:33:54,659

one in the movies better now to wrap it

816

00:33:59,149 --> 00:33:56,850

up Brian Dunning can you tell us a

817

00:34:00,950 --> 00:33:59,159

little bit about your endeavors which

818

00:34:05,990 --> 00:34:00,960

I'm sure we all appreciate I really

819

00:34:07,730 --> 00:34:06,000

enjoy anyway on the video front oh boy

820

00:34:09,680 --> 00:34:07,740

there's lots of endeavors their will in

821

00:34:17,740 --> 00:34:09,690

fact and things I talk about the clean

822

00:34:22,490 --> 00:34:20,210

yeah in fact was a video series a

823

00:34:24,980 --> 00:34:22,500

three-minute video series I was there's

824

00:34:27,230 --> 00:34:24,990

a lot more viewers for video than for

825

00:34:29,000 --> 00:34:27,240

audio podcast on the internet there's a

826
00:34:31,040 --> 00:34:29,010
lot more viewers for video than view is

827
00:34:32,930 --> 00:34:31,050
40 do very few people view their audio

828
00:34:36,050 --> 00:34:32,940
podcast it turns out people have had a

829
00:34:37,879 --> 00:34:36,060
lot of trouble doing it so I make the

830
00:34:40,399 --> 00:34:37,889
main issue is you can't have a clickable

831
00:34:41,930 --> 00:34:40,409
add in an audio podcast you need to put

832
00:34:43,460 --> 00:34:41,940
something in a browser that people can

833
00:34:45,200 --> 00:34:43,470
be forced to click on you can do much

834
00:34:46,970 --> 00:34:45,210
better characterization of your audience

835
00:34:51,470 --> 00:34:46,980
for advertising and so all of the

836
00:34:53,720 --> 00:34:51,480
investment is in video right now mostly

837
00:34:55,609 --> 00:34:53,730
in audience characterization

838
00:34:58,370 --> 00:34:55,619

infrastructure and technologies like

839

00:35:00,079 --> 00:34:58,380

that and so I thought gee you know I'm I

840

00:35:04,790 --> 00:35:00,089

should really do a video podcast version

841

00:35:06,560 --> 00:35:04,800

of sceptile so I committed to do 13

842

00:35:09,109 --> 00:35:06,570

episodes I call it a season I don't know

843

00:35:11,839 --> 00:35:09,119

why but I do that's what everyone does

844

00:35:14,030 --> 00:35:11,849

even though that means makes no sense so

845

00:35:15,500 --> 00:35:14,040

I made 13 actually I've made 12 of them

846

00:35:17,270 --> 00:35:15,510

so far as some people may have heard I

847

00:35:18,770 --> 00:35:17,280

had a bit of a hard drive issue with

848

00:35:21,800 --> 00:35:18,780

number 13 but that's resolved and it's

849

00:35:24,740 --> 00:35:21,810

coming and they are three minute just

850

00:35:26,570 --> 00:35:24,750

about three minute 22nd versions of some

851
00:35:29,630 --> 00:35:26,580
of the most popular of these sceptile

852
00:35:31,640 --> 00:35:29,640
episodes and I put them out there and

853
00:35:34,220 --> 00:35:31,650
we're going to see see what they can do

854
00:35:36,260 --> 00:35:34,230
if they can generate enough revenue with

855
00:35:39,589 --> 00:35:36,270
either there's embedded advertising and

856
00:35:41,720 --> 00:35:39,599
some of them some of them are on excuse

857
00:35:42,920 --> 00:35:41,730
me some of them are on just a regular

858
00:35:45,109 --> 00:35:42,930
you can get it just as regular video

859
00:35:46,760 --> 00:35:45,119
podcast through itunes and that's

860
00:35:48,290 --> 00:35:46,770
donation supported so it's kind of got

861
00:35:51,260 --> 00:35:48,300
all the different revenue models that

862
00:35:53,930 --> 00:35:51,270
exist on different different places

863
00:35:56,300 --> 00:35:53,940

where i eat you yeah it's on youtube

864

00:35:58,520 --> 00:35:56,310

yeah so the website to go to is in fact

865

00:36:02,480 --> 00:35:58,530

video com oh thank you see I'm terrible

866

00:36:08,030 --> 00:36:02,490

at marketing in fact video com yes and

867

00:36:13,280 --> 00:36:08,040

it over it's my commission become not

868

00:36:15,020 --> 00:36:13,290

yet in fact video.com that's the website

869

00:36:16,160 --> 00:36:15,030

to go to and there he is we're just

870

00:36:19,640 --> 00:36:16,170

having a little look at him on the

871

00:36:20,810 --> 00:36:19,650

screen here each presenting his how long

872

00:36:22,460 --> 00:36:20,820

they go for a couple of minutes and they

873

00:36:24,740 --> 00:36:22,470

get the three about three minutes and

874

00:36:26,090 --> 00:36:24,750

went yams yeah by the way I got caught

875

00:36:28,070 --> 00:36:26,100

up on all this kept I on the drive down

876

00:36:30,470 --> 00:36:28,080

we drove 17 and a half hours from Austin

877

00:36:32,540 --> 00:36:30,480

Texas here and knowing that I'd see

878

00:36:35,000 --> 00:36:32,550

Brian I got caught up on the skeptics oh

879

00:36:36,440 --> 00:36:35,010

my god are they so good and it's so

880

00:36:38,540 --> 00:36:36,450

important you do such a good job of

881

00:36:40,490 --> 00:36:38,550

condensing everything down keeping a

882

00:36:42,920 --> 00:36:40,500

bite-sized sticking to what really

883

00:36:45,109 --> 00:36:42,930

matters you you eliminate all the chaff

884

00:36:51,849 --> 00:36:45,119

out of it I'm blown away I absolutely

885

00:36:55,040 --> 00:36:53,720

does this mean I'm gonna have to say

886

00:36:58,490 --> 00:36:55,050

that I enjoyed your magic show last

887

00:37:00,140 --> 00:36:58,500

night with your lie what a great segue

888

00:37:06,280 --> 00:37:00,150

ladies and gentlemen to introduce

889

00:37:11,870 --> 00:37:09,560

now let me tell you a story in january i

890

00:37:14,120 --> 00:37:11,880

found myself on a flight to visit brian

891

00:37:16,310 --> 00:37:14,130

dunning as it happens and I was flipping

892

00:37:19,400 --> 00:37:16,320

through the entertainment on the on the

893

00:37:22,700 --> 00:37:19,410

aircraft and suddenly up came scam

894

00:37:24,650 --> 00:37:22,710

school yeah look you must reply a virgin

895

00:37:26,480 --> 00:37:24,660

america right yeah yeah so I took a

896

00:37:27,980 --> 00:37:26,490

photograph and tweeted it and I think

897

00:37:30,410 --> 00:37:27,990

you were quite oh yeah I know what

898

00:37:32,060 --> 00:37:30,420

listen you will never ever get a pouty

899

00:37:33,410 --> 00:37:32,070

response when somebody says look I saw

900

00:37:36,329 --> 00:37:33,420

you on the TV and they know they're like

901
00:37:38,249 --> 00:37:36,339
oh crap you saw me again

902
00:37:40,979 --> 00:37:38,259
I'm very flattered of course that's all

903
00:37:45,719 --> 00:37:40,989
so are you kidding I love scat you guys

904
00:37:47,249 --> 00:37:45,729
familiar scam school there we go and you

905
00:37:49,170 --> 00:37:47,259
never have to buy another drink in your

906
00:37:50,789 --> 00:37:49,180
life that's right you know what's funny

907
00:37:52,109 --> 00:37:50,799
is at some point you feel really guilty

908
00:37:53,880 --> 00:37:52,119
and I've got to the point now where I

909
00:37:55,319 --> 00:37:53,890
insist on paying for all my tricks I

910
00:37:57,450 --> 00:37:55,329
might no really please let me buy my

911
00:37:59,370 --> 00:37:57,460
drink now the one I saw was it was a

912
00:38:00,599 --> 00:37:59,380
fabulous 1 i've done it ever since it's

913
00:38:02,819 --> 00:38:00,609

worked so well it's where you get a

914

00:38:04,499 --> 00:38:02,829

little bag of sugar that you find in

915

00:38:06,690 --> 00:38:04,509

restaurants and you carefully tear it

916

00:38:08,849 --> 00:38:06,700

open take the sugar out place it on the

917

00:38:10,440 --> 00:38:08,859

table and you put your arm down you go

918

00:38:12,959 --> 00:38:10,450

kill you should pretend to shoot it and

919

00:38:15,599 --> 00:38:12,969

it falls over yeah now they can't do and

920

00:38:17,219 --> 00:38:15,609

they can't do it's it's just brilliant I

921

00:38:18,989 --> 00:38:17,229

don't tell you how it's done I'm so glad

922

00:38:20,459 --> 00:38:18,999

to hear you say that because that's one

923

00:38:22,620 --> 00:38:20,469

of the things we try to do a scam school

924

00:38:25,529 --> 00:38:22,630

is we try to make it something that that

925

00:38:27,630 --> 00:38:25,539

despite all your your sensibilities that

926

00:38:30,150 --> 00:38:27,640

say you should just enjoy it for what it

927

00:38:32,160 --> 00:38:30,160

is I want it to be stuck in your mind

928

00:38:33,660 --> 00:38:32,170

like a barb so that three hours later

929

00:38:35,069 --> 00:38:33,670

when you find yourself out of the bar

930

00:38:36,930 --> 00:38:35,079

with your friends you're like all right

931

00:38:39,089 --> 00:38:36,940

I gotta try this and just just to see if

932

00:38:40,620 --> 00:38:39,099

it works and I'm so gratified to find so

933

00:38:43,709 --> 00:38:40,630

many people who would never be caught

934

00:38:46,229 --> 00:38:43,719

dead visiting a magic site or learning a

935

00:38:47,579 --> 00:38:46,239

magic trick on purpose trying the stuff

936

00:38:49,140 --> 00:38:47,589

out on their friends and often times

937

00:38:50,999 --> 00:38:49,150

actually having at work although I'm

938

00:38:52,319 --> 00:38:51,009

just as interested in all the failure

939

00:38:54,209 --> 00:38:52,329

stories so make sure to send those to me

940

00:38:57,209 --> 00:38:54,219

yeah actually he's failed a few times

941

00:38:59,849 --> 00:38:57,219

Brian I've seen image at skeptics in the

942

00:39:01,920 --> 00:38:59,859

pub he does fail sometimes but but you

943

00:39:04,200 --> 00:39:01,930

know that one yeah you have fun Brian

944

00:39:05,579 --> 00:39:04,210

correct me it doesn't work one hundred

945

00:39:07,200 --> 00:39:05,589

percent of the time well it's a skill

946

00:39:09,420 --> 00:39:07,210

it's a skill it's a skill thing and it's

947

00:39:10,680 --> 00:39:09,430

also environmental because every bar is

948

00:39:12,509 --> 00:39:10,690

different every setup is different and

949

00:39:14,039 --> 00:39:12,519

you learn real quick where it mostly

950

00:39:15,479 --> 00:39:14,049

works where doesn't that's it's

951
00:39:16,559 --> 00:39:15,489
important for that particular scam which

952
00:39:19,380 --> 00:39:16,569
none of you know what we're talking

953
00:39:20,819 --> 00:39:19,390
about partners for a moment like it

954
00:39:22,979 --> 00:39:20,829
might fail but yeah definitely check it

955
00:39:25,829 --> 00:39:22,989
out it's called the static shot you can

956
00:39:27,809 --> 00:39:25,839
find a big Sean yeah google website is

957
00:39:29,309 --> 00:39:27,819
of course oh well my website is that she

958
00:39:31,469 --> 00:39:29,319
would calm but if you go to scam school

959
00:39:33,450 --> 00:39:31,479
TV you can see all the episodes back to

960
00:39:35,390 --> 00:39:33,460
episode 1 and we're like I get triple

961
00:39:42,420 --> 00:39:35,400
digits like you guys round to an episode

962
00:39:46,630 --> 00:39:44,770
there are so many great gags and

963
00:39:48,190 --> 00:39:46,640

routines on scam school because she way

964

00:39:50,680 --> 00:39:48,200

I mean if you were dishonest you could

965

00:39:52,690 --> 00:39:50,690

scam somebody i guess but i love the the

966

00:39:54,910 --> 00:39:52,700

static shot one especially yeah because

967

00:39:57,460 --> 00:39:54,920

when you do it and it works people's

968

00:39:59,260 --> 00:39:57,470

their brain start to melt because they

969

00:40:01,990 --> 00:39:59,270

there's no way can actually have an

970

00:40:04,599 --> 00:40:02,000

enemy and this is the most awkward place

971

00:40:06,370 --> 00:40:04,609

for me to bring this up but i love the

972

00:40:07,599 --> 00:40:06,380

stuff i saw of you debunking i don't

973

00:40:09,039 --> 00:40:07,609

know what brand it is down in Australia

974

00:40:10,990 --> 00:40:09,049

but the hologram wrist bracelets or

975

00:40:12,609 --> 00:40:11,000

whatever the power balance stuff I would

976
00:40:14,200 --> 00:40:12,619
love to do a whole scam school teaching

977
00:40:17,470 --> 00:40:14,210
the techniques because you got quite

978
00:40:19,839 --> 00:40:17,480
good at simulating the the the leverage

979
00:40:22,020 --> 00:40:19,849
studying kinesiology video I don't know

980
00:40:26,859 --> 00:40:22,030
if people have watched me do that on

981
00:40:28,270 --> 00:40:26,869
yeah I would love to actually get

982
00:40:29,829 --> 00:40:28,280
one-on-one and and learn that technique

983
00:40:31,569 --> 00:40:29,839
from you and do it as an episode of scam

984
00:40:35,049 --> 00:40:31,579
school because it's sort of like the

985
00:40:37,599 --> 00:40:35,059
scam school has one very deliberate

986
00:40:41,799 --> 00:40:37,609
message and that's used tricks to get

987
00:40:43,839 --> 00:40:41,809
drunk for free right however within that

988
00:40:45,370 --> 00:40:43,849

we're able to just as Mythbusters is

989

00:40:47,260 --> 00:40:45,380

pretty much about stuff exploding

990

00:40:49,059 --> 00:40:47,270

they're able to sneak in some science

991

00:40:50,500 --> 00:40:49,069

and some pro skeptic content in there as

992

00:40:52,180 --> 00:40:50,510

well and that's what I'd like to do is

993

00:40:53,740 --> 00:40:52,190

is every swap you know we've been able

994

00:40:55,150 --> 00:40:53,750

to do that we've talked about the work

995

00:40:56,620 --> 00:40:55,160

of Elizabeth Loftus and about how

996

00:40:58,210 --> 00:40:56,630

memories can be malleable that kind of

997

00:41:00,460 --> 00:40:58,220

thing and I want to see if we could do

998

00:41:01,690 --> 00:41:00,470

that more with stuff like especially if

999

00:41:04,359 --> 00:41:01,700

it's a scam that they can pull on your

1000

00:41:05,680 --> 00:41:04,369

friends where where you know we reframe

1001
00:41:07,720 --> 00:41:05,690
it say that oh yeah by the way that's

1002
00:41:09,940 --> 00:41:07,730
all this power balance stuff works yeah

1003
00:41:13,089 --> 00:41:09,950
that's funny cuz dumb we had a tweet

1004
00:41:14,890 --> 00:41:13,099
last week from tim minchin cuz he's seen

1005
00:41:17,230 --> 00:41:14,900
the video and he was in a sports store

1006
00:41:19,000 --> 00:41:17,240
in london and somebody in london in the

1007
00:41:20,289 --> 00:41:19,010
sports store was asking about the power

1008
00:41:23,319 --> 00:41:20,299
balance and saying i want to buy this

1009
00:41:25,299 --> 00:41:23,329
and ask the assistant how it worked and

1010
00:41:27,609 --> 00:41:25,309
tim stepped in and explained it and said

1011
00:41:29,380 --> 00:41:27,619
hey here it doesn't okay i tried to

1012
00:41:33,520 --> 00:41:29,390
Richard going I thought you'd be proud

1013
00:41:37,960 --> 00:41:33,530

of me and that was asked we moment yeah

1014

00:41:39,730 --> 00:41:37,970

as the kids say the kids here oh it's a

1015

00:41:44,190 --> 00:41:39,740

happy G heads house of pancakes in the

1016

00:41:49,450 --> 00:41:47,350

he cut was kind enough one day to

1017

00:41:54,010 --> 00:41:49,460

designate on his blog international dr

1018

00:41:55,300 --> 00:41:54,020

'he day ah that was fabulous now Brian

1019

00:41:56,920 --> 00:41:55,310

one of the other things of course that

1020

00:41:59,230 --> 00:41:56,930

you're you're famous for not just doing

1021

00:42:01,750 --> 00:41:59,240

these online videos is visiting colleges

1022

00:42:03,190 --> 00:42:01,760

yes I meet part of what you do yeah and

1023

00:42:04,780 --> 00:42:03,200

actually that's my day job I mean I

1024

00:42:06,130 --> 00:42:04,790

spend most of the year touring over a

1025

00:42:08,200 --> 00:42:06,140

you know a hundred to two hundred

1026
00:42:10,090 --> 00:42:08,210
colleges every year doing an hour and

1027
00:42:11,800 --> 00:42:10,100
change bizarre magic show and stuff like

1028
00:42:13,420 --> 00:42:11,810
fire-eating escapes mind-reading was

1029
00:42:14,950 --> 00:42:13,430
very very flattered to get the chance to

1030
00:42:17,109 --> 00:42:14,960
perform last night here at dragoncon

1031
00:42:19,330 --> 00:42:17,119
which seem to be well received and

1032
00:42:22,780 --> 00:42:19,340
actually it was out of that touring that

1033
00:42:25,030 --> 00:42:22,790
I first crossed over into actively

1034
00:42:26,890 --> 00:42:25,040
promoting skepticism on campus because

1035
00:42:28,780 --> 00:42:26,900
these are obviously very impressionable

1036
00:42:30,640 --> 00:42:28,790
youths where it's like that there's a

1037
00:42:32,650 --> 00:42:30,650
reason that the credit cards worked so

1038
00:42:33,820 --> 00:42:32,660

hard to get these kids signed up at such

1039

00:42:35,920 --> 00:42:33,830

a young age because they're willing to

1040

00:42:37,480 --> 00:42:35,930

say yes to anything and so I found

1041

00:42:39,430 --> 00:42:37,490

myself after the stage show I do a

1042

00:42:40,630 --> 00:42:39,440

couple of mind reading things and after

1043

00:42:42,310 --> 00:42:40,640

the show people say what do you think

1044

00:42:43,510 --> 00:42:42,320

about this guy who is he sidekick do you

1045

00:42:45,970 --> 00:42:43,520

believe in this you believe in that and

1046

00:42:48,400 --> 00:42:45,980

I found myself giving an impromptu 20 or

1047

00:42:50,170 --> 00:42:48,410

30 minute talk every show so eventually

1048

00:42:52,120 --> 00:42:50,180

we actually made it into a lecture

1049

00:42:53,920 --> 00:42:52,130

called scam Sasquatch the supernatural

1050

00:42:56,050 --> 00:42:53,930

we're over the course of 90 minutes it's

1051
00:42:57,940 --> 00:42:56,060
sort of a greatest hits of skepticism

1052
00:43:00,010 --> 00:42:57,950
when we talk about as do the real

1053
00:43:01,890 --> 00:43:00,020
history of astrology the for effect uh

1054
00:43:04,450 --> 00:43:01,900
you know the importance of double-blind

1055
00:43:06,849 --> 00:43:04,460
testing and the malleability of memory

1056
00:43:08,830 --> 00:43:06,859
that kind of thing and in fact that was

1057
00:43:10,960 --> 00:43:08,840
the first correspondence you and I had

1058
00:43:12,340 --> 00:43:10,970
that's right i saw i saw that online I

1059
00:43:13,780 --> 00:43:12,350
thought he'd show online when I was

1060
00:43:16,720 --> 00:43:13,790
really blown away and I wrote to him

1061
00:43:19,270 --> 00:43:16,730
saying he does a part of his show which

1062
00:43:20,890 --> 00:43:19,280
is a memory test yes which in and we do

1063
00:43:22,000 --> 00:43:20,900

now on the mystery investigators and

1064

00:43:23,020 --> 00:43:22,010

have been doing it for a number of years

1065

00:43:24,940 --> 00:43:23,030

now it's one of the most successful

1066

00:43:27,460 --> 00:43:24,950

parts of our show where you implant

1067

00:43:29,080 --> 00:43:27,470

false memories into into people we they

1068

00:43:30,730 --> 00:43:29,090

see a list of words and they try to

1069

00:43:32,050 --> 00:43:30,740

remember them in fact one of the other

1070

00:43:34,150 --> 00:43:32,060

members of the podcast dr. Chrissy

1071

00:43:35,710 --> 00:43:34,160

Wilson has even published papers about

1072

00:43:37,690 --> 00:43:35,720

this in conjunction with dr. Chris

1073

00:43:39,430 --> 00:43:37,700

French that's awesome and in fact over

1074

00:43:41,050 --> 00:43:39,440

the the research has gotten better now

1075

00:43:43,030 --> 00:43:41,060

we're now there are lists you can find

1076

00:43:44,920 --> 00:43:43,040

out which are the most powerful list of

1077

00:43:45,970 --> 00:43:44,930

words to induce a false memory if you

1078

00:43:48,099 --> 00:43:45,980

want to see what you were talking about

1079

00:43:50,290 --> 00:43:48,109

we did I think it was a bryan vs

1080

00:43:51,970 --> 00:43:50,300

revision3 memory test was the episode of

1081

00:43:53,590 --> 00:43:51,980

scam school where we did it okay that

1082

00:43:54,810 --> 00:43:53,600

but here's what here's what I wanted to

1083

00:43:57,540 --> 00:43:54,820

thank you publicly for his

1084

00:43:59,520 --> 00:43:57,550

you were my first bridge to the entire

1085

00:44:00,930 --> 00:43:59,530

skeptic community you're the very first

1086

00:44:02,460 --> 00:44:00,940

person on the inside because i was out

1087

00:44:03,720 --> 00:44:02,470

there doing my own thing I was so

1088

00:44:05,340 --> 00:44:03,730

flattered that you dug what I was up to

1089

00:44:12,150 --> 00:44:05,350

I just want to thank you for uh for

1090

00:44:14,880 --> 00:44:12,160

letting that happen yeah it works both

1091

00:44:17,580 --> 00:44:14,890

ways because as I say when I saw that I

1092

00:44:19,740 --> 00:44:17,590

introduced you to free beer you did I

1093

00:44:21,510 --> 00:44:19,750

have a question I want to know about

1094

00:44:23,850 --> 00:44:21,520

this free beer business which it because

1095

00:44:25,590 --> 00:44:23,860

what you've not told me about this is

1096

00:44:27,860 --> 00:44:25,600

this something you were going to share

1097

00:44:30,600 --> 00:44:27,870

with the restaurant is an alcoholic

1098

00:44:33,660 --> 00:44:30,610

gnarly escaping it all from so I am I am

1099

00:44:35,610 --> 00:44:33,670

but no seriously because I wrote do you

1100

00:44:37,020 --> 00:44:35,620

think oh maybe if I'm really nice here

1101

00:44:40,230 --> 00:44:37,030

let me use a part of that show in my

1102

00:44:42,660 --> 00:44:40,240

show and as I say that memory routine we

1103

00:44:45,810 --> 00:44:42,670

use it for school kids and it makes such

1104

00:44:47,280 --> 00:44:45,820

an important point kids don't learn at

1105

00:44:49,140 --> 00:44:47,290

school that you can't trust your memory

1106

00:44:51,420 --> 00:44:49,150

what and that's the biggest thing is as

1107

00:44:53,190 --> 00:44:51,430

an adult I was in my 30s before I

1108

00:44:55,890 --> 00:44:53,200

experienced that test and even when I

1109

00:44:58,080 --> 00:44:55,900

did it I I read an article I found it in

1110

00:44:59,370 --> 00:44:58,090

an article that said hey try this test

1111

00:45:01,050 --> 00:44:59,380

and it basically gave a bunch of words

1112

00:45:02,790 --> 00:45:01,060

it says write down as much as you can in

1113

00:45:04,110 --> 00:45:02,800

two minutes and I did it he says here's

1114

00:45:05,850 --> 00:45:04,120

another set of work write down as many

1115

00:45:08,010 --> 00:45:05,860

as you can remember for two minutes and

1116

00:45:10,650 --> 00:45:08,020

then I read the next paragraph and said

1117

00:45:12,210 --> 00:45:10,660

most people will falsely remember word a

1118

00:45:13,980 --> 00:45:12,220

in the first one and would be in the

1119

00:45:15,840 --> 00:45:13,990

sick one and I remember thinking oh

1120

00:45:17,490 --> 00:45:15,850

that's a bummer it didn't happen for me

1121

00:45:20,100 --> 00:45:17,500

and then I looked at my list and sure

1122

00:45:22,590 --> 00:45:20,110

enough I had both of those stupid false

1123

00:45:24,540 --> 00:45:22,600

words in there and at that moment my

1124

00:45:26,730 --> 00:45:24,550

brain exploded because prior to that

1125

00:45:28,980 --> 00:45:26,740

moment I used to believe okay maybe I

1126

00:45:31,860 --> 00:45:28,990

don't remember everything but the stuff

1127

00:45:34,470 --> 00:45:31,870

I do remember did happen right and it

1128

00:45:37,620 --> 00:45:34,480

turns out that absolutely not and in

1129

00:45:38,670 --> 00:45:37,630

fact the part that specifically like all

1130

00:45:40,710 --> 00:45:38,680

of a sudden I thought about every

1131

00:45:41,940 --> 00:45:40,720

argument I got from my mom and dad where

1132

00:45:43,590 --> 00:45:41,950

they remember something happening one

1133

00:45:45,330 --> 00:45:43,600

way and they're so obvious to me that

1134

00:45:46,920 --> 00:45:45,340

happened some of the other way and then

1135

00:45:48,960 --> 00:45:46,930

I felt up every time I popped in a DVD

1136

00:45:50,820 --> 00:45:48,970

that I hadn't seen for a while and I

1137

00:45:53,040 --> 00:45:50,830

would it would get to my favorite line

1138

00:45:55,090 --> 00:45:53,050

of the DVD and the actor would say the

1139

00:45:57,980 --> 00:45:55,100

line wrong you know

1140

00:45:59,750 --> 00:45:57,990

and also it fundamentally changed things

1141

00:46:01,190 --> 00:45:59,760

and now I don't get an arguments about a

1142

00:46:03,200 --> 00:46:01,200

lot of this stuff it's like now when

1143

00:46:05,240 --> 00:46:03,210

they say when they say you know when

1144

00:46:06,740 --> 00:46:05,250

they say you know this way this way I'm

1145

00:46:09,170 --> 00:46:06,750

always careful to qualify I was like

1146

00:46:10,340 --> 00:46:09,180

well the way I remember it is blank is

1147

00:46:12,950 --> 00:46:10,350

like but I'll be the first to remember

1148

00:46:14,510 --> 00:46:12,960

that memories valuable thing are you are

1149

00:46:16,520 --> 00:46:14,520

you going to send any lately play the

1150

00:46:19,790 --> 00:46:16,530

game right now well I mean I guess we

1151

00:46:21,050 --> 00:46:19,800

could but for the sake of them for the

1152

00:46:23,030 --> 00:46:21,060

sake of this why don't we we've got a

1153

00:46:24,860 --> 00:46:23,040

minute to spare all right this is what

1154

00:46:26,870 --> 00:46:24,870

we do this is the test i got from brian

1155

00:46:29,120 --> 00:46:26,880

this is exactly the same one we use in

1156

00:46:31,550 --> 00:46:29,130

our school shows and it works so well

1157

00:46:33,140 --> 00:46:31,560

you do too but this is one of them so

1158

00:46:34,940 --> 00:46:33,150

normally we ask people to write them

1159

00:46:36,110 --> 00:46:34,950

down but everybody in the audience if

1160

00:46:39,020 --> 00:46:36,120

you can remember the following words

1161

00:46:45,470 --> 00:46:39,030

remember as many as you can mad fear

1162

00:46:51,950 --> 00:46:45,480

hate rage temper fury i er wrath happy

1163

00:46:53,960 --> 00:46:51,960

fight hatred mean calm emotion in rage

1164

00:46:55,520 --> 00:46:53,970

and if you're listening you can pause it

1165

00:46:58,070 --> 00:46:55,530

while you try to write down as many of

1166

00:47:02,260 --> 00:46:58,080

those as you remember or we could just

1167

00:47:04,190 --> 00:47:02,270

see here with 60 seconds of silence I

1168

00:47:05,660 --> 00:47:04,200

could fill in that minute with a

1169

00:47:07,700 --> 00:47:05,670

question because I got the opportunity

1170

00:47:09,680 --> 00:47:07,710

to see your show I do have a question

1171

00:47:11,630 --> 00:47:09,690

how do you manage to make your hair stay

1172

00:47:13,400 --> 00:47:11,640

like that whilst pulling over a

1173

00:47:15,830 --> 00:47:13,410

straightjacket you know what actually in

1174

00:47:17,930 --> 00:47:15,840

the other performances all do stupid

1175

00:47:19,040 --> 00:47:17,940

stuff like break a 30-pound concrete

1176
00:47:21,080 --> 00:47:19,050
break over my head with a sledgehammer

1177
00:47:24,560 --> 00:47:21,090
and the hair just keeps why are you

1178
00:47:27,310 --> 00:47:24,570
clapping for that he wants that he wants

1179
00:47:30,110 --> 00:47:27,320
anything not healthy for me to be doing

1180
00:47:32,060 --> 00:47:30,120
like a but the hair just keeps bouncing

1181
00:47:34,070 --> 00:47:32,070
back up because I use beeswax and some

1182
00:47:36,200 --> 00:47:34,080
pomade it's a weird i've made a stupid

1183
00:47:38,150 --> 00:47:36,210
video about it when it actually shows it

1184
00:47:39,500 --> 00:47:38,160
but the funny part is people have to the

1185
00:47:41,090 --> 00:47:39,510
show will come up you'll be like oh I

1186
00:47:43,880 --> 00:47:41,100
love your show your hair was the best

1187
00:47:47,900 --> 00:47:43,890
part and I'm like I hope the magic would

1188
00:47:49,910 --> 00:47:47,910

be the best part now ten seconds left

1189

00:47:51,050 --> 00:47:49,920

coming up to 10 seconds left remember

1190

00:47:54,020 --> 00:47:51,060

all those words that I ask you to

1191

00:47:55,310 --> 00:47:54,030

remember formulate them now in your mind

1192

00:47:57,770 --> 00:47:55,320

have another think if you've forgotten

1193

00:48:01,990 --> 00:47:57,780

one or two that's okay and we're coming

1194

00:48:04,190 --> 00:48:02,000

up two times almost up and time is up

1195

00:48:06,290 --> 00:48:04,200

and now we say to the kids in the

1196

00:48:08,120 --> 00:48:06,300

audience depends up times up pens down

1197

00:48:10,160 --> 00:48:08,130

now just just

1198

00:48:12,140 --> 00:48:10,170

after top of my head how many people

1199

00:48:14,120 --> 00:48:12,150

remember the word I honestly how many

1200

00:48:18,470 --> 00:48:14,130

people yeah how many people remember the

1201

00:48:20,810 --> 00:48:18,480

word angry yeah well the word angry

1202

00:48:23,660 --> 00:48:20,820

wasn't part of it at all yeah he wasn't

1203

00:48:25,310 --> 00:48:23,670

there now this and we do another one

1204

00:48:28,940 --> 00:48:25,320

where we have other words so we do two

1205

00:48:30,590 --> 00:48:28,950

in a row but the big point is that we

1206

00:48:32,270 --> 00:48:30,600

try to impress upon kids and this is

1207

00:48:34,790 --> 00:48:32,280

largely whoops thanks to Brian brushwood

1208

00:48:36,050 --> 00:48:34,800

is it's okay you know your mind can play

1209

00:48:37,610 --> 00:48:36,060

tricks on you and it doesn't mean

1210

00:48:39,410 --> 00:48:37,620

there's something wrong with you that's

1211

00:48:40,880 --> 00:48:39,420

quite all right yeah and I tell you it's

1212

00:48:42,290 --> 00:48:40,890

one of the most liberating things I've

1213

00:48:44,060 --> 00:48:42,300

ever figured out about myself and if

1214

00:48:46,220 --> 00:48:44,070

this there's just a few things that I

1215

00:48:48,230 --> 00:48:46,230

wish I could impart to as many people as

1216

00:48:50,930 --> 00:48:48,240

possible and certainly the reliance on

1217

00:48:52,220 --> 00:48:50,940

eyewitness testimony on what their

1218

00:48:54,530 --> 00:48:52,230

friends say they remember things

1219

00:48:56,270 --> 00:48:54,540

happening look we're all good people and

1220

00:48:58,670 --> 00:48:56,280

what we need to do is stop demonizing

1221

00:49:00,380 --> 00:48:58,680

people who are sucked into rural kind of

1222

00:49:02,090 --> 00:49:00,390

stuff what we need to do is realize that

1223

00:49:05,120 --> 00:49:02,100

the rational thinking human beings that

1224

00:49:06,680 --> 00:49:05,130

they just have the wrong set of beliefs

1225

00:49:08,510 --> 00:49:06,690

going into it or the wrong understanding

1226
00:49:10,160 --> 00:49:08,520
of the world around them and if we can

1227
00:49:11,900 --> 00:49:10,170
educate them about the fact that

1228
00:49:14,810 --> 00:49:11,910
eyewitness testimony is not reliable

1229
00:49:17,180 --> 00:49:14,820
that testimony is general is no way to

1230
00:49:19,220 --> 00:49:17,190
make important decisions about what is

1231
00:49:22,640 --> 00:49:19,230
it isn't science then I'll be happy and

1232
00:49:25,010 --> 00:49:22,650
and it's not as we impress upon the kids

1233
00:49:27,260 --> 00:49:25,020
again and again and again it's okay yes

1234
00:49:29,240 --> 00:49:27,270
it's the way you work it's quite all

1235
00:49:30,620 --> 00:49:29,250
right you know people have a billion be

1236
00:49:32,030 --> 00:49:30,630
ashamed of yourself you shine if you

1237
00:49:35,000 --> 00:49:32,040
can't remember everything and you must

1238
00:49:37,040 --> 00:49:35,010

be stupid or something like that I have

1239

00:49:38,810 --> 00:49:37,050

a comment on that actually um and this

1240

00:49:40,460 --> 00:49:38,820

goes at week that I just received and I

1241

00:49:42,260 --> 00:49:40,470

think someone's asking a question here

1242

00:49:43,610 --> 00:49:42,270

and I think anyone in this room who

1243

00:49:45,710 --> 00:49:43,620

doesn't have the same question is lying

1244

00:49:49,850 --> 00:49:45,720

how long does it take to do the hair

1245

00:49:51,200 --> 00:49:49,860

nine yeah as the video the video says

1246

00:49:52,940 --> 00:49:51,210

it's actually nine minutes long and

1247

00:49:55,070 --> 00:49:52,950

what's funny is once i put it up i can

1248

00:49:56,450 --> 00:49:55,080

sleep on it and like this morning you'd

1249

00:49:58,400 --> 00:49:56,460

fix like the two that are kind of

1250

00:50:01,100 --> 00:49:58,410

stragglers and you're like there uh but

1251

00:50:02,780 --> 00:50:01,110

but what's funny is it looks like i'm a

1252

00:50:05,320 --> 00:50:02,790

weirdo who obsesses about his hair but

1253

00:50:10,420 --> 00:50:05,330

there's real a low maintenance promise

1254

00:50:12,410 --> 00:50:10,430

now what we'll do now is will

1255

00:50:13,609 --> 00:50:12,420

they're already cheering for it they

1256

00:50:14,900 --> 00:50:13,619

know what's coming yeah they have a

1257

00:50:18,769 --> 00:50:14,910

feed-through that we didn't tell you

1258

00:50:20,299 --> 00:50:18,779

there what we do your brain will spend a

1259

00:50:22,370 --> 00:50:20,309

bit of time now if anybody in the

1260

00:50:25,519 --> 00:50:22,380

audience has questions for Kylie myself

1261

00:50:27,289 --> 00:50:25,529

dr. Richie bryan oh bryan now's the time

1262

00:50:29,870 --> 00:50:27,299

questions about anything about the

1263

00:50:34,459 --> 00:50:29,880

podcast or what the Bryan's do feel free

1264

00:50:35,809 --> 00:50:34,469

and moving on with the restaurant we're

1265

00:50:39,140 --> 00:50:35,819

gonna see how much of this you can eat

1266

00:50:40,880 --> 00:50:39,150

whatever small down and seriously anyone

1267

00:50:44,569 --> 00:50:40,890

stand up and just interrupt us while we

1268

00:50:46,759 --> 00:50:44,579

talk about Vegemite what the heck is it

1269

00:51:08,420 --> 00:50:46,769

do ya oh I want you to do this no

1270

00:51:24,089 --> 00:51:19,170

give him some water what's coming out

1271

00:51:30,420 --> 00:51:24,099

his eye oh I couldn't do it i thought i

1272

00:51:32,789 --> 00:51:30,430

could what's funny is have a muddy i

1273

00:51:34,500 --> 00:51:32,799

think i think i actually could enjoy

1274

00:51:38,579 --> 00:51:34,510

that because it's like um it's like

1275

00:51:41,309 --> 00:51:38,589

liquid beef bullion right yeah it's very

1276

00:51:43,950 --> 00:51:41,319

salty very very salty very yeah yeah I

1277

00:51:46,019 --> 00:51:43,960

it's not bad most people think it's

1278

00:51:48,120 --> 00:51:46,029

something that goes into cars I i don't

1279

00:51:54,029 --> 00:51:48,130

know that i wasn't force fed on a public

1280

00:51:56,009 --> 00:51:54,039

podcast and and that's why the VEX is

1281

00:51:58,710 --> 00:51:56,019

the anti vexes employed security guard

1282

00:52:00,420 --> 00:51:58,720

by the ways i want to blame the fact

1283

00:52:02,279 --> 00:52:00,430

that you bastards took too long to ask a

1284

00:52:05,430 --> 00:52:02,289

question for that entire thing happening

1285

00:52:07,499 --> 00:52:05,440

right we have a yes actually we have a

1286

00:52:09,630 --> 00:52:07,509

question a little bit yes I mean I've

1287

00:52:13,109 --> 00:52:09,640

never heard of I've never tasted before

1288

00:52:18,059 --> 00:52:13,119

but my friend who visited Australia

1289

00:52:19,650 --> 00:52:18,069

tried vetted by that tried Vegemite and

1290

00:52:21,839 --> 00:52:19,660

he said is the most nasty thing you'd

1291

00:52:23,039 --> 00:52:21,849

ever tasted and said he said you just

1292

00:52:26,609 --> 00:52:23,049

right because you might like it I'm like

1293

00:52:29,430 --> 00:52:26,619

why do you say that about me so it's not

1294

00:52:35,040 --> 00:52:29,440

a very beefy salty aftertaste up now

1295

00:52:45,400 --> 00:52:43,210

sponsored by craft so so do i take it

1296

00:52:50,320 --> 00:52:45,410

that was you know I guess I am weird it

1297

00:52:52,930 --> 00:52:50,330

tastes like soy sauce Brian dining sets

1298

00:52:54,220 --> 00:52:52,940

ourselves yeah thank you it's all over

1299

00:52:56,410 --> 00:52:54,230

my fingers said you got a question are

1300

00:52:59,380 --> 00:52:56,420

you gonna go Eddie some Vegemite who

1301
00:53:06,839 --> 00:52:59,390
what's up what's up come on not not for

1302
00:53:13,690 --> 00:53:11,290
well as the um you said see a scam

1303
00:53:15,339 --> 00:53:13,700
school TV or whatever yes well the first

1304
00:53:18,339 --> 00:53:15,349
one that you said you said it's so quick

1305
00:53:20,770 --> 00:53:18,349
is like squiggly that showed I yeah my

1306
00:53:23,380 --> 00:53:20,780
name is Brian brushwood the last six

1307
00:53:25,990 --> 00:53:23,390
letters are SH would be are you sh t 00

1308
00:53:28,390 --> 00:53:26,000
d right so if you just go to SH wo OD

1309
00:53:29,980 --> 00:53:28,400
com at the time I registered the domain

1310
00:53:33,190 --> 00:53:29,990
it sounded brilliant because it's only

1311
00:53:35,950 --> 00:53:33,200
six letters one syllable surely people

1312
00:53:38,980 --> 00:53:35,960
can remember shwood it turns out not so

1313
00:53:40,630 --> 00:53:38,990

much so how OD or you can go to Brian

1314

00:53:44,170 --> 00:53:40,640

brushwood com I think that's a

1315

00:53:45,460 --> 00:53:44,180

commissioned artist bill next question

1316

00:53:47,320 --> 00:53:45,470

please yeah I don't want to kill the

1317

00:53:49,060 --> 00:53:47,330

buzz but after hearing Ben rap or talk

1318

00:53:51,010 --> 00:53:49,070

about sex offenders the other night

1319

00:53:56,670 --> 00:53:51,020

probably can't kill it more than that

1320

00:54:01,390 --> 00:53:56,680

but I go on I'm interested you know as

1321

00:54:03,400 --> 00:54:01,400

Australians how do you see skepticism in

1322

00:54:05,980 --> 00:54:03,410

America do you see differences I mean

1323

00:54:08,109 --> 00:54:05,990

calls in America sometimes I think we

1324

00:54:10,839 --> 00:54:08,119

feel overwhelmed by just the power of

1325

00:54:12,940 --> 00:54:10,849

religious fundamentalism and you know

1326

00:54:14,410 --> 00:54:12,950

irrational beliefs all over the place so

1327

00:54:17,109 --> 00:54:14,420

i don't know if it's the same and i'm

1328

00:54:18,820 --> 00:54:17,119

just curious as to you know in australia

1329

00:54:21,339 --> 00:54:18,830

do you have those same problems or is it

1330

00:54:25,570 --> 00:54:21,349

a more secular or more it's more secular

1331

00:54:30,799 --> 00:54:25,580

in australia and out this Vegemite man

1332

00:54:37,199 --> 00:54:34,649

all right i'll serious question we have

1333

00:54:38,999 --> 00:54:37,209

our battle lines which we have drawn and

1334

00:54:40,769 --> 00:54:39,009

that's where we put out our time and

1335

00:54:42,269 --> 00:54:40,779

effort into it's largely to do with the

1336

00:54:43,890 --> 00:54:42,279

claims of alternative medicine because

1337

00:54:47,579 --> 00:54:43,900

that can really harm people especially

1338

00:54:49,319 --> 00:54:47,589

the anti-vaccination lobby then we it's

1339

00:54:50,969 --> 00:54:49,329

a very wide field of course but things

1340

00:54:52,620 --> 00:54:50,979

like psychic psychic powers all this

1341

00:54:56,069 --> 00:54:52,630

sort of thing educating kids as Carly

1342

00:54:59,749 --> 00:54:56,079

does very well and as speaking for the

1343

00:55:02,429 --> 00:54:59,759

Australian skeptics our aim is not at

1344

00:55:05,219 --> 00:55:02,439

religious claims as so Oh claims maybe

1345

00:55:07,199 --> 00:55:05,229

but not a religious religion as such

1346

00:55:09,419 --> 00:55:07,209

it's then we're just spreading ourselves

1347

00:55:10,649 --> 00:55:09,429

too thin i think i should also add to

1348

00:55:12,779 --> 00:55:10,659

that you might have got the impression

1349

00:55:14,789 --> 00:55:12,789

by the fact that i was just blogging in

1350

00:55:17,099 --> 00:55:14,799

merrill dories lecture that I somehow

1351
00:55:19,049 --> 00:55:17,109
managed to shut it down the end of the

1352
00:55:22,589 --> 00:55:19,059
story i'll just to be perfectly clear i

1353
00:55:24,779 --> 00:55:22,599
got that out in my blog and it was about

1354
00:55:27,449 --> 00:55:24,789
a month later that a local hospital ran

1355
00:55:29,489 --> 00:55:27,459
an information session which was very

1356
00:55:30,929 --> 00:55:29,499
well attended and i attended that as

1357
00:55:32,519 --> 00:55:30,939
well and i blog that however they did

1358
00:55:34,709 --> 00:55:32,529
not have security guards out for me that

1359
00:55:35,969 --> 00:55:34,719
time so i guess it's just malodor he has

1360
00:55:38,729 --> 00:55:35,979
a problem with many attending live

1361
00:55:43,049 --> 00:55:38,739
lectures so i do not know whether or not

1362
00:55:45,149 --> 00:55:43,059
it was our effort or my blog entry or or

1363
00:55:47,219 --> 00:55:45,159

the the continuing activism that we do

1364

00:55:48,299 --> 00:55:47,229

that helped the next thing that happened

1365

00:55:49,949 --> 00:55:48,309

you see Meryl door he thought she had

1366

00:55:51,949 --> 00:55:49,959

been so successful that she returned for

1367

00:55:55,380 --> 00:55:51,959

a second lecture and I turned up again

1368

00:55:58,609 --> 00:55:55,390

it was about a third of the people from

1369

00:56:02,159 --> 00:55:58,619

last time and most of them walked out

1370

00:56:03,539 --> 00:56:02,169

and about the question time now yeah we

1371

00:56:04,529 --> 00:56:03,549

can't really take credit for that but we

1372

00:56:06,239 --> 00:56:04,539

like to think that this is something

1373

00:56:08,189 --> 00:56:06,249

could continue to contribute to and we

1374

00:56:09,929 --> 00:56:08,199

certainly contacted the hospital and got

1375

00:56:12,179 --> 00:56:09,939

to know more people that way and it's an

1376

00:56:14,039 --> 00:56:12,189

ongoing thing we will we will do as much

1377

00:56:15,959 --> 00:56:14,049

as we can and continue to question

1378

00:56:17,489 --> 00:56:15,969

ourselves and our methods in order to

1379

00:56:20,640 --> 00:56:17,499

see we can improve but broadly speaking

1380

00:56:23,039 --> 00:56:20,650

I think very generally yeah we get it we

1381

00:56:25,739 --> 00:56:23,049

get the same sort of New Age stuff and

1382

00:56:27,839 --> 00:56:25,749

magical claims we don't have nearly as

1383

00:56:30,059 --> 00:56:27,849

much of a problem with religion as you

1384

00:56:31,649 --> 00:56:30,069

guys do we don't we don't yes because we

1385

00:56:33,419 --> 00:56:31,659

have all that and more and I mean and

1386

00:56:36,049 --> 00:56:33,429

you know if you're listening to the

1387

00:56:37,579 --> 00:56:36,059

radio now in Georgia their political can

1388

00:56:39,380 --> 00:56:37,589

you know political ads are running but

1389

00:56:41,509 --> 00:56:39,390

it's just such a problem now with

1390

00:56:44,089 --> 00:56:41,519

politics i think you know and the I

1391

00:56:46,549 --> 00:56:44,099

think disproportionate influence the

1392

00:56:48,319 --> 00:56:46,559

right wing has yes okay thank you thank

1393

00:56:51,109 --> 00:56:48,329

you thank you thank you for your

1394

00:56:53,449 --> 00:56:51,119

question Brian I never heard of you

1395

00:56:55,519 --> 00:56:53,459

before last night good I had a great

1396

00:56:56,689 --> 00:56:55,529

time good definitely want to get all

1397

00:56:58,309 --> 00:56:56,699

your stuff I'm going to be looking up

1398

00:57:02,359 --> 00:56:58,319

all everything you've done so far

1399

00:57:04,249 --> 00:57:02,369

awesome also I have one Australia's in

1400

00:57:06,859 --> 00:57:04,259

the Asian sphere so I was wondering if

1401
00:57:09,979 --> 00:57:06,869
there was any brands of like Asian whoo

1402
00:57:13,579 --> 00:57:09,989
because I know all of China no there's

1403
00:57:16,039 --> 00:57:13,589
no Lou in Asia you know this is actually

1404
00:57:19,819 --> 00:57:16,049
part of my research is actually there is

1405
00:57:22,069 --> 00:57:19,829
where they just fill it w you that is

1406
00:57:24,380 --> 00:57:22,079
big and that has bled into we haven't

1407
00:57:25,880 --> 00:57:24,390
there's multiple Chinatown's in New York

1408
00:57:28,160 --> 00:57:25,890
and there's chinese medicine so we have

1409
00:57:30,829 --> 00:57:28,170
it but it's contained within the Chinese

1410
00:57:33,109 --> 00:57:30,839
community superstition x yeah my mind

1411
00:57:34,849 --> 00:57:33,119
master's thesis in fact we change one of

1412
00:57:36,199 --> 00:57:34,859
the questions in order to include Asian

1413
00:57:38,449 --> 00:57:36,209

superstitions and if you want to contact

1414

00:57:40,459 --> 00:57:38,459

me in order to get more detailed at what

1415

00:57:41,959 --> 00:57:40,469

I and myself and dr. Martin bridge

1416

00:57:43,489 --> 00:57:41,969

stocker Griffith University learned

1417

00:57:45,769 --> 00:57:43,499

thanks to the funding of the Australian

1418

00:57:46,999 --> 00:57:45,779

skeptics about superstition in Australia

1419

00:57:48,919 --> 00:57:47,009

I can certainly send you a copy because

1420

00:57:50,509 --> 00:57:48,929

that cultural factors definitely

1421

00:57:52,999 --> 00:57:50,519

influenced my week my friends of

1422

00:57:54,949 --> 00:57:53,009

Filipino and he actually and for that

1423

00:57:57,979 --> 00:57:54,959

culture he actually said he got sick as

1424

00:58:00,529 --> 00:57:57,989

a kid they went to the shaman yeah and

1425

00:58:02,870 --> 00:58:00,539

they did a thing and they poured oil wax

1426

00:58:05,179 --> 00:58:02,880

over into water sighting yet I've been

1427

00:58:06,829 --> 00:58:05,189

to Japan for example and seen all sorts

1428

00:58:08,209 --> 00:58:06,839

factors we've got two minutes left on

1429

00:58:09,979 --> 00:58:08,219

the clock just no sorry one more

1430

00:58:11,539 --> 00:58:09,989

question I'm so sorry service there a

1431

00:58:17,089 --> 00:58:11,549

guy who's just joined you might that

1432

00:58:19,069 --> 00:58:17,099

doesn't matter my man oh no everyone

1433

00:58:20,390 --> 00:58:19,079

little question may I thought I live up

1434

00:58:22,099 --> 00:58:20,400

and go to school nearby the Georgia

1435

00:58:24,319 --> 00:58:22,109

Guidestones like adventure and as you

1436

00:58:25,849 --> 00:58:24,329

said it's it's a hot spot for skeptics

1437

00:58:27,559 --> 00:58:25,859

and mystics alike yeah but I never heard

1438

00:58:30,469 --> 00:58:27,569

of its the skyline that you were talking

1439

00:58:32,269 --> 00:58:30,479

about before what is it and what is what

1440

00:58:34,130 --> 00:58:32,279

do you suppose is related to the guide

1441

00:58:35,809 --> 00:58:34,140

stones the queries everything kept trail

1442

00:58:37,429 --> 00:58:35,819

yeah I've never heard of that before I

1443

00:58:39,700 --> 00:58:37,439

thought I don't worry it's just waste

1444

00:58:44,990 --> 00:58:42,020

well we're not officially allowed to

1445

00:58:46,850 --> 00:58:45,000

tell you however it's a vapor trail from

1446

00:58:48,470 --> 00:58:46,860

an aircraft that's it that's it well

1447

00:58:50,980 --> 00:58:48,480

that's it's basically it comes from the

1448

00:58:53,030 --> 00:58:50,990

conspiracy theory that says that

1449

00:58:54,890 --> 00:58:53,040

contrails that are left behind when

1450

00:58:57,590 --> 00:58:54,900

planes pass over the sky you'll see that

1451

00:59:00,380 --> 00:58:57,600

trail of sort of condensation that's a

1452

00:59:01,610 --> 00:59:00,390

contrail but some conspiracy theorists

1453

00:59:03,350 --> 00:59:01,620

believe that's what's known as a chem

1454

00:59:07,550 --> 00:59:03,360

trail which is that planes are spraying

1455

00:59:09,530 --> 00:59:07,560

my little can draw my control chips and

1456

00:59:14,990 --> 00:59:09,540

chemicals out of the back of planes and

1457

00:59:17,930 --> 00:59:15,000

I thank you on Vegemite not necessarily

1458

00:59:21,130 --> 00:59:17,940

related to the guide stones opportunist

1459

00:59:24,890 --> 00:59:21,140

ence that it's also the crazy people

1460

00:59:29,210 --> 00:59:24,900

work you know yeah thank you very much

1461

next year at this time we'll be racking

01:00:39,010 --> 01:00:36,560

up another year of the skeptics own

1480

01:00:40,720 --> 01:00:39,020

podcast but until then this is Richard

1481

01:00:58,769 --> 01:00:40,730

Saunders signing off from Atlanta

1482

01:01:08,099 --> 01:01:04,890

hi I'm Aaron and welcome to my world

1483

01:01:12,160 --> 01:01:08,109

each episode I talk about a new

1484

01:01:16,150 --> 01:01:12,170

dinosaurs episodes are short but packed

1485

01:01:19,390 --> 01:01:16,160

with fun and cool information

1486

01:01:23,099 --> 01:01:19,400

by kids for kids

1487

01:01:37,519 --> 01:01:23,109

Aaron's world you'll find me on iTunes

1488

01:01:41,489 --> 01:01:39,719

Richard there are a lot of universes out

1489

01:01:43,769 --> 01:01:41,499

there a lot of parallel universes a lot

1490

01:01:46,140 --> 01:01:43,779

of multiverses isn't it good to be in

1491

01:01:48,359 --> 01:01:46,150

this one if there's this is the the

1492

01:01:49,650 --> 01:01:48,369

skeptics own universe that's why it's

1493

01:01:51,989 --> 01:01:49,660

the one do you think there are other

1494

01:01:54,599 --> 01:01:51,999

skeptics owns and other universes with

1495

01:01:59,249 --> 01:01:54,609

other Stefan's and other Richards I I I

1496

01:02:00,390 --> 01:01:59,259

shudder to I certainly hope not if they

1497

01:02:02,339 --> 01:02:00,400

are they probably much better host than

1498

01:02:04,410 --> 01:02:02,349

us probably are yeah well what a great

1499

01:02:07,439 --> 01:02:04,420

show again well yeah wasn't that fun

1500

01:02:09,089 --> 01:02:07,449

alive we had such a blast to Atlanta

1501

01:02:11,069 --> 01:02:09,099

doing that that was so much and i

1502

01:02:12,809 --> 01:02:11,079

misdoubt again asked him that's terrible

1503

01:02:14,969 --> 01:02:12,819

thanks to our guests on the panel there

1504

01:02:18,059 --> 01:02:14,979

we really appreciate you taking part in

1505

01:02:19,949 --> 01:02:18,069

ha dragoncon what a laugh it is uh it's

1506

01:02:22,370 --> 01:02:19,959

uh pees everywhere she looks it

1507

01:02:26,099 --> 01:02:22,380

certainly doesn't drag on does it oh

1508

01:02:27,900 --> 01:02:26,109

good Oh Stefan sorry about that there's

1509

01:02:30,689 --> 01:02:27,910

no sorry but thanks for supporting us

1510

01:02:32,609 --> 01:02:30,699

for a hundred episodes thank you to all

1511

01:02:34,499 --> 01:02:32,619

those people sending in messages of

1512

01:02:36,870 --> 01:02:34,509

congratulations we really appreciate

1513

01:02:38,880 --> 01:02:36,880

that thanks so much they'd said and

1514

01:02:41,130 --> 01:02:38,890

we've had a lot of success actually

1515

01:02:42,959 --> 01:02:41,140

we've helped create a lot of things dr.

1516

01:02:45,059 --> 01:02:42,969

ray cheese worked very hard especially

1517

01:02:47,009 --> 01:02:45,069

the anti-vaxxers a lot of people find

1518

01:02:48,779 --> 01:02:47,019

out about that through dr. AG yeah it's

1519

01:02:50,849 --> 01:02:48,789

surprising you know it really is a

1520

01:02:53,130 --> 01:02:50,859

movement that that has just taken hold

1521

01:02:55,229 --> 01:02:53,140

in the last couple of years almost

1522

01:02:57,359 --> 01:02:55,239

exclusively because of us nobody else as

1523

01:02:59,489 --> 01:02:57,369

it's just us just us have created this

1524

01:03:00,839 --> 01:02:59,499

massive movement I just kidding now it's

1525

01:03:02,910 --> 01:03:00,849

we've been part of something out of

1526

01:03:04,229 --> 01:03:02,920

something and it's sort of like the

1527

01:03:06,089 --> 01:03:04,239

world's waking up a little bit and

1528

01:03:08,640 --> 01:03:06,099

they're actually seeing rising up to all

1529

01:03:11,160 --> 01:03:08,650

the again the bull dust well now the big

1530

01:03:14,039 --> 01:03:11,170

the big countdowns over to our show 100

1531

01:03:18,269 --> 01:03:14,049

cuz this is it and the big countdown is

1532

01:03:20,699 --> 01:03:18,279

now on till ah tam australia oh oh oh

1533

01:03:23,069 --> 01:03:20,709

yes that's got to be huge so that's just

1534

01:03:25,499 --> 01:03:23,079

a little over two months away end of

1535

01:03:28,349 --> 01:03:25,509

november and isn't it correct me if i'm

1536

01:03:29,999 --> 01:03:28,359

wrong the venue for tam australia isn't

1537

01:03:32,370 --> 01:03:30,009

it a bit of a freaky venue is the

1538

01:03:35,039 --> 01:03:32,380

Masonic Lodge it's them it's a sydney

1539

01:03:36,269 --> 01:03:35,049

Masonic Lodge there's quite nice yeah if

1540

01:03:38,370 --> 01:03:36,279

there was a place for a bunch of

1541

01:03:40,019 --> 01:03:38,380

skeptics to get together that's gotta be

1542

01:03:42,329 --> 01:03:40,029

it it's going to be something special

1543

01:03:43,829 --> 01:03:42,339

that's variously going to be vibrating

1544

01:03:45,929 --> 01:03:43,839

all kinds of strange way we hope so

1545

01:03:47,370 --> 01:03:45,939

obviously we got the camera ready and

1546

01:03:48,280 --> 01:03:47,380

everything we've got the camera ready by

1547

01:03:50,320 --> 01:03:48,290

the way

1548

01:03:52,780 --> 01:03:50,330

Lucas the camera still work it's still

1549

01:03:54,250 --> 01:03:52,790

yes it are you waiting to see some of

1550

01:03:56,680 --> 01:03:54,260

the videos i shot in Dragon Con with

1551

01:03:59,410 --> 01:03:56,690

this wonderful camera we got from lucas

1552

01:04:01,450 --> 01:03:59,420

1553
