[www.skepticzone.tv](http://www.skepticzone.tv)

1  
00:00:04,789 --> 00:00:02,210  
this week's episode of the skeptics own

2  
00:00:08,500 --> 00:00:04,799  
podcast is brought to you by skeptic

3  
00:00:18,590 --> 00:00:08,510  
bros com importers of the fabulous

4  
00:00:21,529 --> 00:00:18,600  
placebo band welcome to the skeptic zone

5  
00:00:30,550 --> 00:00:21,539  
the podcast from Australia for science

6  
00:00:36,610 --> 00:00:33,580  
hello and welcome to the skeptic zone

7  
00:00:39,280 --> 00:00:36,620  
episode number 108 for the 12th of

8  
00:00:42,880 --> 00:00:39,290  
November 2010 Richard Saunders here with

9  
00:00:45,100 --> 00:00:42,890  
you from hot and steamy Sydney Australia

10  
00:00:49,320 --> 00:00:45,110  
good news for people coming the TAM the

11  
00:00:53,560 --> 00:00:49,330  
weather is warm yes bring your shorts oh

12  
00:00:56,829 --> 00:00:53,570  
yes on this week's show oh boy here we

13  
00:01:00,160 --> 00:00:56,839

go again it was mind body what time in

14

00:01:03,640 --> 00:01:00,170

Sydney every six months in every six

15

00:01:07,300 --> 00:01:03,650

months we traipse along there the meetup

16

00:01:10,090 --> 00:01:07,310

group and check it out an interesting

17

00:01:13,840 --> 00:01:10,100

report I think you'll find for this one

18

00:01:15,340 --> 00:01:13,850

I normally our practice has been to ask

19

00:01:17,770 --> 00:01:15,350

a lot of questions and get a lot of

20

00:01:19,960 --> 00:01:17,780

information this time I don't know if we

21

00:01:21,670 --> 00:01:19,970

just let our guard down or we got fed up

22

00:01:25,870 --> 00:01:21,680

but we took a slightly different tact

23

00:01:27,700 --> 00:01:25,880

and asked more questions and gave our

24

00:01:31,240 --> 00:01:27,710

opinion a little bit more strongly I

25

00:01:34,959 --> 00:01:31,250

think but it did strike us all that this

26  
00:01:37,539 --> 00:01:34,969  
time mods always like the case that mind

27  
00:01:39,609 --> 00:01:37,549  
body spirit mind body wallet is is to

28  
00:01:44,020 --> 00:01:39,619  
quote somebody leaving the festival a

29  
00:01:46,389 --> 00:01:44,030  
den of thieves it it beggars belief the

30  
00:01:49,029 --> 00:01:46,399  
number of outright scams that are going

31  
00:01:52,830 --> 00:01:49,039  
on in that place and maybe we can get

32  
00:01:56,319 --> 00:01:52,840  
some government agency interested in

33  
00:01:58,300 --> 00:01:56,329  
attending undercover next time and

34  
00:02:01,300 --> 00:01:58,310  
actually sussing out how many blatant

35  
00:02:04,359 --> 00:02:01,310  
frauds are going on at that place it

36  
00:02:07,419 --> 00:02:04,369  
really is something anyway our reports

37  
00:02:10,719 --> 00:02:07,429  
coming up very soon following that we

38  
00:02:13,690 --> 00:02:10,729

have the think tank with lots of people

39

00:02:17,350 --> 00:02:13,700

this time Maynard and a run and dr.

40

00:02:20,590 --> 00:02:17,360

Rachel Jason James we're going to be

41

00:02:23,800 --> 00:02:20,600

discussing many issues including the

42

00:02:25,990 --> 00:02:23,810

qlink story that was on media watch and

43

00:02:27,790 --> 00:02:26,000

if you listen to last week's episode you

44

00:02:30,130 --> 00:02:27,800

might know a little bit about that and

45

00:02:31,510 --> 00:02:30,140

what we'll also be talking about on the

46

00:02:34,449 --> 00:02:31,520

think tank it's something you might want

47

00:02:37,449 --> 00:02:34,459

to check out now and before and after

48

00:02:39,759 --> 00:02:37,459

and all the time is a great little study

49

00:02:44,020 --> 00:02:39,769

about power balance that's been reported

50

00:02:48,250 --> 00:02:44,030

on HTTP colon slash slash opinion

51  
00:02:52,809 --> 00:02:48,260  
change wordpress com which is the the

52  
00:02:55,150 --> 00:02:52,819  
blog of Nicola J Martin so check it out

53  
00:02:59,199 --> 00:02:55,160  
it's a little study quoting lots of

54  
00:03:02,380 --> 00:02:59,209  
sources about the effectiveness or not

55  
00:03:04,270 --> 00:03:02,390  
of power balance well done Nikki well

56  
00:03:06,150 --> 00:03:04,280  
done indeed thank you to all those

57  
00:03:09,670 --> 00:03:06,160  
people sending in donations and

58  
00:03:11,500 --> 00:03:09,680  
subscribing much appreciated and all

59  
00:03:14,500 --> 00:03:11,510  
those people writing to me for various

60  
00:03:17,800 --> 00:03:14,510  
reasons I'm getting to your emails as

61  
00:03:19,300 --> 00:03:17,810  
soon as I possibly can very busy times

62  
00:03:21,610 --> 00:03:19,310  
right now of course getting ready for

63  
00:03:24,100 --> 00:03:21,620

Tam Australia so a lot of my x taken up

64

00:03:26,350 --> 00:03:24,110

but I do appreciate all your emails with

65

00:03:28,120 --> 00:03:26,360

your interesting comments and thank you

66

00:03:31,059 --> 00:03:28,130

to all the people who are now listening

67

00:03:34,600 --> 00:03:31,069

to us because you heard the doctor rachy

68

00:03:36,880 --> 00:03:34,610

interview with geo last week glad to

69

00:03:41,110 --> 00:03:36,890

have you on board I think that's enough

70

00:03:43,240 --> 00:03:41,120

from me I'm going to grab a nice cold

71

00:03:45,040 --> 00:03:43,250

let me have a think now this week

72

00:03:46,930 --> 00:03:45,050

because it's hot and steamy here in

73

00:03:50,650 --> 00:03:46,940

sydney i'm looking for a drink that

74

00:03:53,860 --> 00:03:50,660

cools you down and sort of hits the spot

75

00:03:56,140 --> 00:03:53,870

as refreshing ah i'm going to have a

76

00:04:10,860 --> 00:03:56,150

nice glass of water and i'll let you

77

00:04:16,540 --> 00:04:14,170

well it's mind-body wallet time once

78

00:04:18,910 --> 00:04:16,550

again every six months it comes up it

79

00:04:21,190 --> 00:04:18,920

turns up again like a bad penny I'm on

80

00:04:23,350 --> 00:04:21,200

the steps outside the exhibition center

81

00:04:25,750 --> 00:04:23,360

here in darling harbour in Sydney I'm

82

00:04:27,940 --> 00:04:25,760

with a bastard sheep hello shipping good

83

00:04:31,060 --> 00:04:27,950

eight today and we're both wearing out

84

00:04:32,560 --> 00:04:31,070

multiple placebo bands yeah I've already

85

00:04:34,870 --> 00:04:32,570

had a couple of people questions about

86

00:04:38,080 --> 00:04:34,880

them except it actually it's been our

87

00:04:42,100 --> 00:04:38,090

lucky day because we've scored some free

88

00:04:43,780 --> 00:04:42,110

tickets to this thing today yeah just

89

00:04:45,910 --> 00:04:43,790

waiting hang around earliest saw Shane

90

00:04:47,890 --> 00:04:45,920

who spoke at Los capstan Holly gave me

91

00:04:49,300 --> 00:04:47,900

one and then a few minutes ago we just

92

00:04:51,790 --> 00:04:49,310

had another person combined give us a

93

00:04:54,490 --> 00:04:51,800

couple more yes as a guy remember from

94

00:04:56,200 --> 00:04:54,500

the TV show the one who was a one of the

95

00:04:57,760 --> 00:04:56,210

partners of one of the contestants came

96

00:04:59,830 --> 00:04:57,770

by and said oh hello and happen to have

97

00:05:02,050 --> 00:04:59,840

some free tickets so that's pretty good

98

00:05:03,850 --> 00:05:02,060

that's a good start we're just waiting

99

00:05:05,980 --> 00:05:03,860

for all the other people to show up it's

100

00:05:07,240 --> 00:05:05,990

constant stream of people walking up and

101  
00:05:09,520 --> 00:05:07,250  
down the steps here you're going in and

102  
00:05:11,560 --> 00:05:09,530  
out of the mind-body wallet looks quite

103  
00:05:14,620 --> 00:05:11,570  
crowded in there but that's a usually is

104  
00:05:16,600 --> 00:05:14,630  
on a sunday yeah it's amazing just the

105  
00:05:18,370 --> 00:05:16,610  
different diversity of people that are

106  
00:05:20,800 --> 00:05:18,380  
here the long-term you wouldn't really

107  
00:05:23,290 --> 00:05:20,810  
expect as people with tie-dyed t-shirts

108  
00:05:25,480 --> 00:05:23,300  
on Pacifica leave looking people there's

109  
00:05:27,090 --> 00:05:25,490  
also people who bikers and admin oh

110  
00:05:29,800 --> 00:05:27,100  
yeah that's a bit weird listeners and

111  
00:05:31,159 --> 00:05:29,810  
just every single group of people you

112  
00:05:32,959 --> 00:05:31,169  
can think of

113  
00:05:34,670 --> 00:05:32,969

and quite colorful too they are

114

00:05:38,179 --> 00:05:34,680

streaming in and out some of them are in

115

00:05:39,830 --> 00:05:38,189

costume I'm in a purple it hurts a lot

116

00:05:42,019 --> 00:05:39,840

of purple here today folks are going to

117

00:05:44,510 --> 00:05:42,029

tell you well yes we're just waiting for

118

00:05:47,929 --> 00:05:44,520

the rest of the meetup group to arrive

119

00:05:50,600 --> 00:05:47,939

and then we'll be once again venturing

120

00:05:56,239 --> 00:05:50,610

into the great unknown great depths of

121

00:05:58,700 --> 00:05:56,249

blackness that is mind-body wallet main

122

00:06:00,890 --> 00:05:58,710

Arden dr. Reggie welcome to mind/body

123

00:06:03,050 --> 00:06:00,900

wallet now dr. eat you I'm gonna change

124

00:06:04,610 --> 00:06:03,060

of mind body water no I'm not but me

125

00:06:07,279 --> 00:06:04,620

know it is I've never been here before

126

00:06:09,980 --> 00:06:07,289

and it's just like a boat show or sex

127

00:06:12,350 --> 00:06:09,990

boat it's selling something completely

128

00:06:14,959 --> 00:06:12,360

that I'm not sure on buying there's no

129

00:06:16,369 --> 00:06:14,969

sex yes those then there could be they

130

00:06:18,499 --> 00:06:16,379

weren't there might be yeah there might

131

00:06:22,070 --> 00:06:18,509

be we're right near the cheap Chinese

132

00:06:24,679 --> 00:06:22,080

healing college she acted pressure it

133

00:06:26,629 --> 00:06:24,689

says I just had a heat thing on my

134

00:06:28,700 --> 00:06:26,639

shoulder it was really nice the guy's a

135

00:06:30,890 --> 00:06:28,710

guy with a Scientology t-shirt see that

136

00:06:32,570 --> 00:06:30,900

yeah okay it must be said to the people

137

00:06:34,399 --> 00:06:32,580

that are getting the massage is near us

138

00:06:36,139 --> 00:06:34,409

all look fairly relax it look like it's

139

00:06:37,429 --> 00:06:36,149

working it looks like good to me I mean

140

00:06:39,320 --> 00:06:37,439

if you're basing the evidence i'm just

141

00:06:41,719 --> 00:06:39,330

looking at them they're all it seems to

142

00:06:43,249 --> 00:06:41,729

be working all comatose to the funny

143

00:06:44,779 --> 00:06:43,259

thing is when you get a massage you tend

144

00:06:47,209 --> 00:06:44,789

to feel relaxed to maynard that's the

145

00:06:49,760 --> 00:06:47,219

way it works and out of the point you

146

00:06:51,050 --> 00:06:49,770

know there's a direct inversion here on

147

00:06:52,760 --> 00:06:51,060

what you would find at a skeptics

148

00:06:54,950 --> 00:06:52,770

meeting in that there's lots of women

149

00:06:57,290 --> 00:06:54,960

and not very many men i gotta say it's

150

00:06:58,639 --> 00:06:57,300

true yeah it's true unfortunately our

151

00:07:01,029 --> 00:06:58,649

species does seem to be a bit more

152

00:07:16,780 --> 00:07:01,039

credulous than the males I don't know

153

00:07:21,280 --> 00:07:18,550

beautiful

154

00:07:26,070 --> 00:07:21,290

reminds me marley they don't exit

155

00:07:31,390 --> 00:07:29,260

so mean I time I shouldn't be so

156

00:07:34,300 --> 00:07:31,400

surprised but here we are at church of

157

00:07:36,040 --> 00:07:34,310

scientology well they're here um you

158

00:07:37,360 --> 00:07:36,050

know and look a lot of people with a lot

159

00:07:39,970 --> 00:07:37,370

of happy faces you can't deny that

160

00:07:41,830 --> 00:07:39,980

Richard well I'm a I've got a happy face

161

00:07:43,960 --> 00:07:41,840

because the young lady flogging

162

00:07:46,360 --> 00:07:43,970

Scientology is very attracted by myself

163

00:07:48,010 --> 00:07:46,370

well we'll look everyone flogging things

164

00:07:50,080 --> 00:07:48,020

are very attractive it's like any boat

165

00:07:51,730 --> 00:07:50,090

show like I said like any Expo anything

166

00:07:53,410 --> 00:07:51,740

but I've got to say the girls were

167

00:07:56,260 --> 00:07:53,420

hotter at the Motor Show another week

168

00:07:57,280 --> 00:07:56,270

yes I think very differently i went to

169

00:07:59,680 --> 00:07:57,290

the motor show to there were some

170

00:08:01,090 --> 00:07:59,690

amazing models their hero honda ya at

171

00:08:03,010 --> 00:08:01,100

your home most people that they know

172

00:08:04,360 --> 00:08:03,020

what where who to go do to get to get

173

00:08:06,130 --> 00:08:04,370

the people to get their attention oh you

174

00:08:08,980 --> 00:08:06,140

leave the cutlet that the females all

175

00:08:10,420 --> 00:08:08,990

talking about the cars but but look at

176

00:08:12,310 --> 00:08:10,430

there are a lot of people here just

177

00:08:15,910 --> 00:08:12,320

showing a lot of interest in everything

178

00:08:17,260 --> 00:08:15,920

yeah and you know despite know the

179

00:08:19,420 --> 00:08:17,270

actual fact of the matter everybody

180

00:08:21,460 --> 00:08:19,430

seems to be having well let's just say

181

00:08:24,490 --> 00:08:21,470

fun well Rachel had a good experience

182

00:08:26,740 --> 00:08:24,500

she was talking to someone from a store

183

00:08:28,450 --> 00:08:26,750

selling bamboo products that do things

184

00:08:32,530 --> 00:08:28,460

like take radiation away from the laptop

185

00:08:35,440 --> 00:08:32,540

go figure and she managed to inform the

186

00:08:38,170 --> 00:08:35,450

guy that foot patches are a con and she

187

00:08:39,340 --> 00:08:38,180

got a big win out of that so maybe this

188

00:08:41,320 --> 00:08:39,350

time next year you won't be selling

189

00:08:45,580 --> 00:08:41,330

bamboo patches yeah I don't push it may

190

00:08:47,020 --> 00:08:45,590

touch oh well it's a one thing that

191

00:08:50,440 --> 00:08:47,030

everyone seems to be the most interested

192

00:08:52,210 --> 00:08:50,450

in here oh maybe the room of psychics I

193

00:08:54,550 --> 00:08:52,220

don't know look I've never seen so many

194

00:08:56,440 --> 00:08:54,560

psychics in one place yeah I think 60 in

195

00:08:57,640 --> 00:08:56,450

one room it's a lot and it was so busy

196

00:08:59,320 --> 00:08:57,650

you had you had to make a booking in

197

00:09:01,420 --> 00:08:59,330

advance yeah what I got in there and

198

00:09:02,800 --> 00:09:01,430

said I want my chakra read or something

199

00:09:03,700 --> 00:09:02,810

by one of the psychics which I think

200

00:09:04,930 --> 00:09:03,710

they could probably do they could

201  
00:09:06,460 --> 00:09:04,940  
probably do it they said sorry mate

202  
00:09:07,840 --> 00:09:06,470  
you'll have to wait go to stand in line

203  
00:09:11,380 --> 00:09:07,850  
for the booking so there's certainly

204  
00:09:13,450 --> 00:09:11,390  
popular and Rachel's just joined us now

205  
00:09:14,680 --> 00:09:13,460  
may not I think I you're just telling us

206  
00:09:15,910 --> 00:09:14,690  
about something else that's happened to

207  
00:09:18,640 --> 00:09:15,920  
you just now we're just discussing the

208  
00:09:20,920 --> 00:09:18,650  
foot patches oh right and now you come

209  
00:09:22,720 --> 00:09:20,930  
across a magic berry juice I look it's

210  
00:09:24,670 --> 00:09:22,730  
this acai berry stuff and I mean I've

211  
00:09:27,180 --> 00:09:24,680  
heard about it before it's you know the

212  
00:09:29,370 --> 00:09:27,190  
the latest newest antioxidant bear

213  
00:09:30,720 --> 00:09:29,380

super food yeah and I don't doubt that

214

00:09:32,850 --> 00:09:30,730

it is i mean it's full of antioxidants

215

00:09:34,020 --> 00:09:32,860

and stuff like that probably okay for

216

00:09:37,280 --> 00:09:34,030

you what the hell out whether it has any

217

00:09:40,800 --> 00:09:37,290

effect on audis yeah it's you know it's

218

00:09:45,680 --> 00:09:40,810

debatable but the guy just told me that

219

00:09:48,780 --> 00:09:45,690

it can help with cancer Oh bing-bong

220

00:09:50,250 --> 00:09:48,790

fail awful the saying it can help with

221

00:09:53,400 --> 00:09:50,260

cancer is not the same as saying you can

222

00:09:56,520 --> 00:09:53,410

cure cancer no but he said God you know

223

00:09:58,650 --> 00:09:56,530

he said that you shouldn't take

224

00:10:01,140 --> 00:09:58,660

pharmaceutical drugs you should take

225

00:10:02,550 --> 00:10:01,150

east and and I said what about if I have

226

00:10:04,590 --> 00:10:02,560

cancer and he said yeah you should take

227

00:10:07,950 --> 00:10:04,600

this because pharmaceutical drugs don't

228

00:10:10,920 --> 00:10:07,960

work so he didn't directly say it cures

229

00:10:13,470 --> 00:10:10,930

cancer but he strongly implied that this

230

00:10:15,210 --> 00:10:13,480

would be of benefit in cancer very

231

00:10:17,070 --> 00:10:15,220

scooting on pretty thin ice very thin

232

00:10:18,510 --> 00:10:17,080

ice and then he went off as I started

233

00:10:20,190 --> 00:10:18,520

asking more questions and getting more

234

00:10:25,110 --> 00:10:20,200

and more annoyed with him he went off on

235

00:10:26,820 --> 00:10:25,120

the whole the cancer industry vml no no

236

00:10:28,110 --> 00:10:26,830

no not was specifically the cancer

237

00:10:31,200 --> 00:10:28,120

industry government which is the one

238

00:10:32,550 --> 00:10:31,210

about the FDA spent 24 billion dollars

239

00:10:34,410 --> 00:10:32,560

of cancer research and we still haven't

240

00:10:35,640 --> 00:10:34,420

cured it so the pharmaceutical companies

241

00:10:38,460 --> 00:10:35,650

are just doing it for the money right

242

00:10:39,960 --> 00:10:38,470

this is a Mike Adams thing ok and then

243

00:10:41,580 --> 00:10:39,970

ya told me that there's a cancer

244

00:10:43,200 --> 00:10:41,590

epidemic in America at the moment and I

245

00:10:44,940 --> 00:10:43,210

said well that's like where did

246

00:10:50,130 --> 00:10:44,950

you pull you I actually said you pulled

247

00:10:53,190 --> 00:10:50,140

that out of your ass ashley said and he

248

00:10:55,440 --> 00:10:53,200

was saying yes and then he said but what

249

00:10:57,240 --> 00:10:55,450

about you know pharmaceuticals have only

250

00:10:58,830 --> 00:10:57,250

been around for like the last so in so

251  
00:11:00,290 --> 00:10:58,840  
many years what happened to all the

252  
00:11:03,210 --> 00:11:00,300  
stuff we did before that and I was like

253  
00:11:05,490 --> 00:11:03,220  
pharmaceutical companies are harnessed

254  
00:11:08,040 --> 00:11:05,500  
it used it and sell it like all that

255  
00:11:11,160 --> 00:11:08,050  
yeah yeah I think we should call you dr.

256  
00:11:12,900 --> 00:11:11,170  
cranky well well I got the shield quiz I

257  
00:11:15,540 --> 00:11:12,910  
got the shilla what did you hear a chill

258  
00:11:17,640 --> 00:11:15,550  
me cuz if by this time about three of

259  
00:11:20,400 --> 00:11:17,650  
them were around me I'm trying to damage

260  
00:11:21,570 --> 00:11:20,410  
control and backpedal and this woman

261  
00:11:25,020 --> 00:11:21,580  
said you have a background in

262  
00:11:26,820 --> 00:11:25,030  
pharmaceuticals no i don't but i know

263  
00:11:28,410 --> 00:11:26,830

people who have cancer and you should

264

00:11:30,750 --> 00:11:28,420

not be inferring that this stuff helps

265

00:11:33,450 --> 00:11:30,760

with cancer and the guy and then the guy

266

00:11:33,800 --> 00:11:33,460

used the alkaline water school and

267

00:11:35,700 --> 00:11:33,810

said

268

00:11:38,160 --> 00:11:35,710

cancer only grows in an acidic

269

00:11:39,660 --> 00:11:38,170

environment so you need and that's how

270

00:11:42,210 --> 00:11:39,670

it starts most of you that's not true

271

00:11:43,920 --> 00:11:42,220

it's the fault in the DNA that's how it

272

00:11:47,340 --> 00:11:43,930

starts no no but what happens before

273

00:11:48,810 --> 00:11:47,350

that you know it's like the whole thing

274

00:11:50,430 --> 00:11:48,820

about the Big Bang year but what was

275

00:11:52,590 --> 00:11:50,440

there before the Big Bang I mean what

276

00:11:56,160 --> 00:11:52,600

were they always they get you every time

277

00:11:58,950 --> 00:11:56,170

no one is fine it yeah and um anyway so

278

00:12:00,090 --> 00:11:58,960

I said look I then he kept saying oh

279

00:12:02,250 --> 00:12:00,100

this is super food that's wonderful i

280

00:12:03,660 --> 00:12:02,260

said yeah i'm sure it is but you being

281

00:12:05,190 --> 00:12:03,670

irresponsible by inferring that this

282

00:12:06,870 --> 00:12:05,200

helps with cancer you should not be

283

00:12:08,610 --> 00:12:06,880

doing that is illegal in New South Wales

284

00:12:09,840 --> 00:12:08,620

to do that and if you want to do some

285

00:12:11,340 --> 00:12:09,850

research because I asked him if he was a

286

00:12:14,310 --> 00:12:11,350

doctor and he said no but I've

287

00:12:15,540 --> 00:12:14,320

researched this for four years yeah and

288

00:12:17,610 --> 00:12:15,550

I said well if you want to do some

289

00:12:19,050 --> 00:12:17,620

research look up the code of conduct for

290

00:12:22,410 --> 00:12:19,060

the healthcare Complaints Commission

291

00:12:25,050 --> 00:12:22,420

section 17 and see that it is illegal to

292

00:12:26,610 --> 00:12:25,060

make these claims in New South Wales and

293

00:12:31,260 --> 00:12:26,620

as I walked up he was still yelling at

294

00:12:36,480 --> 00:12:31,270

me well done dr. Richie okay on to the

295

00:12:38,460 --> 00:12:36,490

next one well we're out we've made it

296

00:12:42,150 --> 00:12:38,470

out the door me note I think your

297

00:12:45,510 --> 00:12:42,160

chakras a shot but yours your auras are

298

00:12:47,310 --> 00:12:45,520

washed out to a sort of a fading brain

299

00:12:50,270 --> 00:12:47,320

look I'm not gonna sound too negative

300

00:12:52,650 --> 00:12:50,280

about that but I really hated that I

301

00:12:54,360 --> 00:12:52,660

really would like to sit I think the

302

00:12:55,890 --> 00:12:54,370

fact that there was not a lot of humor

303

00:12:57,780 --> 00:12:55,900

about what was going on in there that's

304

00:12:59,430 --> 00:12:57,790

the problem i had like at a boat show

305

00:13:00,960 --> 00:12:59,440

people can make jokes about boating it's

306

00:13:02,400 --> 00:13:00,970

expert people can have fun because it's

307

00:13:03,810 --> 00:13:02,410

all about sexuality and you can joke

308

00:13:05,610 --> 00:13:03,820

around a little bit with that but

309

00:13:07,470 --> 00:13:05,620

everyone was so deadly serious what they

310

00:13:10,230 --> 00:13:07,480

were doing and and some of it was

311

00:13:12,210 --> 00:13:10,240

obviously quite nonsensical and at the

312

00:13:14,550 --> 00:13:12,220

best people having fun at the worst

313

00:13:16,050 --> 00:13:14,560

people are being scammed and yeah it'll

314

00:13:19,080 --> 00:13:16,060

that very comfortable that's it people

315

00:13:20,730 --> 00:13:19,090

are being scammed and we got told to

316

00:13:22,830 --> 00:13:20,740

move along quickly from quite a number

317

00:13:24,240 --> 00:13:22,840

stands to start by asking questions oh

318

00:13:25,470 --> 00:13:24,250

yeah but you went up to the nice people

319

00:13:27,180 --> 00:13:25,480

that just wanted you to feel good about

320

00:13:29,640 --> 00:13:27,190

something and you went to am I mean

321

00:13:31,530 --> 00:13:29,650

really I mean I mean you can see why you

322

00:13:33,030 --> 00:13:31,540

skeptics get a bad name because you go

323

00:13:35,010 --> 00:13:33,040

round pouring cold water everybody ought

324

00:13:36,510 --> 00:13:35,020

to everybody I can see I mean it was the

325

00:13:38,700 --> 00:13:36,520

compassion stand for goodness sake you

326

00:13:41,020 --> 00:13:38,710

get the compassion stand a hard time I

327

00:13:43,690 --> 00:13:41,030

did I wasn't very compassionate

328

00:13:45,340 --> 00:13:43,700

impatiens can I must admit look I look I

329

00:13:47,140 --> 00:13:45,350

think I have to go I've just been

330

00:13:49,030 --> 00:13:47,150

exhausted i've had them I don't know

331

00:13:51,460 --> 00:13:49,040

which chakra has been stolen from me if

332

00:13:54,010 --> 00:13:51,470

I suspect it's the fourth one yes I

333

00:13:56,950 --> 00:13:54,020

expect you're right may not but the rest

334

00:13:58,300 --> 00:13:56,960

of us it's that great Old Post mind-body

335

00:14:00,490 --> 00:13:58,310

wallet tradition of heading for

336

00:14:02,260 --> 00:14:00,500

Chinatown which is about four or five

337

00:14:06,910 --> 00:14:02,270

hundred meters down to our right and

338

00:14:08,800 --> 00:14:06,920

enjoying a good Chinese dinner tom of

339

00:14:11,350 --> 00:14:08,810

course after our traditional Chinese

340

00:14:14,200 --> 00:14:11,360

meal we're completely and at least start

341

00:14:16,450 --> 00:14:14,210

Rachel you I can't others speak I think

342

00:14:18,220 --> 00:14:16,460

that made too much snow ma we had to I

343

00:14:21,100 --> 00:14:18,230

mean it's mine body wall just just makes

344

00:14:23,890 --> 00:14:21,110

us 101 commiserate in a nice chinese

345

00:14:27,340 --> 00:14:23,900

restaurant but no i must admit this time

346

00:14:29,350 --> 00:14:27,350

I don't think I let my I wouldn't say a

347

00:14:31,600 --> 00:14:29,360

bit angry bird I'm not really but I just

348

00:14:35,650 --> 00:14:31,610

a little bit fed up this time I must say

349

00:14:38,170 --> 00:14:35,660

I mean when you see people handing over

350

00:14:40,900 --> 00:14:38,180

vast sums of money to what you know is a

351  
00:14:42,790 --> 00:14:40,910  
scam I mean it really gets to you yeah I

352  
00:14:45,280 --> 00:14:42,800  
mean I really got stuck into the occur

353  
00:14:46,780 --> 00:14:45,290  
see Barry people because you know the

354  
00:14:48,190 --> 00:14:46,790  
guy claimed that he wasn't saying he

355  
00:14:51,070 --> 00:14:48,200  
could cure cancer but he strongly

356  
00:14:53,470 --> 00:14:51,080  
implied that his products help with that

357  
00:14:54,850 --> 00:14:53,480  
and that's just inappropriate and the

358  
00:14:57,010 --> 00:14:54,860  
thing is the thing that really annoyed

359  
00:14:59,410 --> 00:14:57,020  
annoys me is that you know there were

360  
00:15:02,170 --> 00:14:59,420  
some people there that clearly knew that

361  
00:15:04,720 --> 00:15:02,180  
we knew they were scamming PS yeah and

362  
00:15:07,120 --> 00:15:04,730  
it recognized us from previous mind-body

363  
00:15:09,310 --> 00:15:07,130

wallets and basically just sort of just

364

00:15:11,019 --> 00:15:09,320

a long I was saying you know move along

365

00:15:12,670 --> 00:15:11,029

move along and yeah don't listen to them

366

00:15:16,240 --> 00:15:12,680

get out of here yeah there was one

367

00:15:18,519 --> 00:15:16,250

there's one old scam at mind-body wallet

368

00:15:21,760 --> 00:15:18,529

which I won't name for legal reasons I

369

00:15:23,380 --> 00:15:21,770

don't want to get sued but it's one of

370

00:15:25,030 --> 00:15:23,390

these people who do the applied

371

00:15:28,660 --> 00:15:25,040

kinesiology test with the arm and

372

00:15:32,470 --> 00:15:28,670

everything and the guys virtually said

373

00:15:35,079 --> 00:15:32,480

to us it's a good trick go away well you

374

00:15:38,320 --> 00:15:35,089

said to him it's a trick and he said

375

00:15:42,100 --> 00:15:38,330

yeah you said to him it's a trick and he

376

00:15:43,600 --> 00:15:42,110

said well it sells my product and and I

377

00:15:46,449 --> 00:15:43,610

said to him well that's just dishonest

378

00:15:49,240 --> 00:15:46,459

yeah and he was sort of going thank you

379

00:15:51,460 --> 00:15:49,250

goodbye goodbye goodbye so you know he

380

00:15:55,510 --> 00:15:51,470

he knows that we know he's scamming

381

00:15:57,400 --> 00:15:55,520

people and by saying yeah you know I

382

00:15:59,230 --> 00:15:57,410

know it's a trick but it sells my

383

00:16:01,900 --> 00:15:59,240

product or what else can you conclude

384

00:16:04,269 --> 00:16:01,910

from that statement you know and it's

385

00:16:05,650 --> 00:16:04,279

still amazing to me that there of course

386

00:16:09,280 --> 00:16:05,660

there are but there are people out there

387

00:16:10,840 --> 00:16:09,290

who whose job it is is to scam and con

388

00:16:13,030 --> 00:16:10,850

people out of their money that's what

389

00:16:14,800 --> 00:16:13,040

they do that's what they wake up in the

390

00:16:17,170 --> 00:16:14,810

morning and they go out and they do that

391

00:16:20,110 --> 00:16:17,180

yeah well the guy that was talking about

392

00:16:22,240 --> 00:16:20,120

the Chi berry acai berry or whatever he

393

00:16:23,980 --> 00:16:22,250

was to learn and he really believes what

394

00:16:26,320 --> 00:16:23,990

he was saying but the guy who you're

395

00:16:28,570 --> 00:16:26,330

referring to he he didn't he knew that

396

00:16:33,610 --> 00:16:28,580

hela scamming people he knew it well I

397

00:16:35,530 --> 00:16:33,620

gave the skeptics \$100,000 information

398

00:16:37,870 --> 00:16:35,540

prize informations quite a few people I

399

00:16:39,579 --> 00:16:37,880

wonder if anyone will get back to us no

400

00:16:41,290 --> 00:16:39,589

doubt it no doubt it the other the other

401  
00:16:43,990 --> 00:16:41,300  
thing that we were also moved on from

402  
00:16:45,819 --> 00:16:44,000  
the astrology stand because oh yeah they

403  
00:16:47,260 --> 00:16:45,829  
had astrologer heard that we were

404  
00:16:49,690 --> 00:16:47,270  
scientists and didn't believe in

405  
00:16:52,180 --> 00:16:49,700  
astrology and just a tall wall okay bye

406  
00:16:53,650 --> 00:16:52,190  
have a nice day I said get out yeah get

407  
00:16:55,280 --> 00:16:53,660  
out didn't want to talk to us at all you

408  
00:16:58,730 --> 00:16:55,290  
know

409  
00:17:00,740 --> 00:16:58,740  
ah we both quite exhausted we're both

410  
00:17:06,319 --> 00:17:00,750  
full yeah I'm above sitting on the bus

411  
00:17:08,150 --> 00:17:06,329  
heading home so until next time had mine

412  
00:17:10,250 --> 00:17:08,160  
but i don't i don't reckon i'm going to

413  
00:17:11,809 --> 00:17:10,260

go again Richard place not for a year it

414

00:17:19,850 --> 00:17:11,819

might be difficult for me to go seek my

415

00:17:22,130 --> 00:17:19,860

mama size tee off Hunter guy Hebrew oh

416

00:17:25,400 --> 00:17:22,140

he / I see you reminding my new clear

417

00:17:27,620 --> 00:17:25,410

plus Superman no not that's right from

418

00:17:30,740 --> 00:17:27,630

skeptic bros calm the all nuclear

419

00:17:33,080 --> 00:17:30,750

placebo man oh I didn't even ask here is

420

00:17:37,070 --> 00:17:33,090

awesome you have to try it I feel so

421

00:17:39,860 --> 00:17:37,080

light so free almost invisible wait what

422

00:17:42,860 --> 00:17:39,870

are you doing hmm see the floating hat

423

00:17:45,020 --> 00:17:42,870

whoo don't freak out it's just me and my

424

00:17:46,940 --> 00:17:45,030

nuclear placebo man get one from skeptic

425

00:17:54,560 --> 00:17:46,950

Bruce calm please put your clothes back

426  
00:17:57,560 --> 00:17:54,570  
on before you get arrested join us now

427  
00:18:05,480 --> 00:17:57,570  
for drinking skeptically in the think

428  
00:18:08,750 --> 00:18:05,490  
tank Jason

429  
00:18:10,700 --> 00:18:08,760  
that's whether that's me or a makeup of

430  
00:18:13,850 --> 00:18:10,710  
the internet mostly cats but also

431  
00:18:15,410 --> 00:18:13,860  
detectives on the internets and we love

432  
00:18:18,410 --> 00:18:15,420  
the Internet's folks because that's why

433  
00:18:19,820 --> 00:18:18,420  
you're listening to us right now here we

434  
00:18:21,830 --> 00:18:19,830  
are back in our favorite club down the

435  
00:18:23,480 --> 00:18:21,840  
street which while we're sitting here

436  
00:18:26,720 --> 00:18:23,490  
eating our dinner it's half empty doubt

437  
00:18:28,880 --> 00:18:26,730  
dr. Aichi hi Richard I mean this was

438  
00:18:32,680 --> 00:18:28,890

full when we entered here I know let's

439

00:18:35,120 --> 00:18:32,690

talk about skepticism he'll talk about

440

00:18:37,850 --> 00:18:35,130

skepticism with James allow James g'day

441

00:18:39,980 --> 00:18:37,860

everyone and may not enjoying your soup

442

00:18:41,690 --> 00:18:39,990

I'm having a great time here and I've

443

00:18:46,640 --> 00:18:41,700

got some large intellectual issues to

444

00:18:48,919 --> 00:18:46,650

discuss line and Jay he's eating

445

00:18:51,560 --> 00:18:48,929

broccoli with his hand he is and hero

446

00:18:53,030 --> 00:18:51,570

drinking out of the bowl just to

447

00:18:55,010 --> 00:18:53,040

demonstrate how intellectual the

448

00:18:57,320 --> 00:18:55,020

endeavor is the hang of chopsticks some

449

00:19:00,530 --> 00:18:57,330

of his greatest intellectuals of even

450

00:19:02,510 --> 00:19:00,540

out the bowl if the cat kit if a cat can

451  
00:19:05,240 --> 00:19:02,520  
use a flush toilet I can drink out of

452  
00:19:09,410 --> 00:19:05,250  
the ball that's what he's doing and hero

453  
00:19:12,620 --> 00:19:09,420  
of the week it's jase are too kind I'll

454  
00:19:14,720 --> 00:19:12,630  
be signing autographs later I will get

455  
00:19:17,630 --> 00:19:14,730  
to that a bit later on and it runs

456  
00:19:19,940 --> 00:19:17,640  
together hello Ron Harris hood what a

457  
00:19:21,919 --> 00:19:19,950  
fantastic week it's been in skepticism

458  
00:19:24,890 --> 00:19:21,929  
we've got a few stories to cover well

459  
00:19:26,840 --> 00:19:24,900  
let's kick off actually i'm jason with

460  
00:19:29,049 --> 00:19:26,850  
your notable success now listeners will

461  
00:19:32,720 --> 00:19:29,059  
remember on the last episode of the

462  
00:19:36,320 --> 00:19:32,730  
skeptic zone we talked spoke with jason

463  
00:19:38,660 --> 00:19:36,330

about killing yes and things have

464

00:19:42,680 --> 00:19:38,670

happened how many things have happened

465

00:19:45,770 --> 00:19:42,690

oh yes quite a lot shall we start from

466

00:19:48,740 --> 00:19:45,780

monday let's start from monday monday

467

00:19:50,180 --> 00:19:48,750

was quite a good day i what it's rather

468

00:19:52,100 --> 00:19:50,190

surprisingly well not entirely

469

00:19:55,000 --> 00:19:52,110

surprisingly to some but rather

470

00:19:56,960 --> 00:19:55,010

surprisingly ABC's Media Watch program

471

00:19:58,850 --> 00:19:56,970

Australian listeners will probably know

472

00:20:00,950 --> 00:19:58,860

about that international listeners will

473

00:20:03,560 --> 00:20:00,960

probably explained media watches are

474

00:20:06,890 --> 00:20:03,570

sort of media watchdog program and the

475

00:20:09,650 --> 00:20:06,900

reports on the sins of the media the

476  
00:20:11,900 --> 00:20:09,660  
qmlink story featured on that on Monday

477  
00:20:14,510 --> 00:20:11,910  
and I had a rather nice quote from my

478  
00:20:16,580 --> 00:20:14,520  
blog they did that what I'll do now is

479  
00:20:18,259 --> 00:20:16,590  
all it only lasts for a few minutes so

480  
00:20:21,139 --> 00:20:18,269  
I'll play that story right

481  
00:20:23,089 --> 00:20:21,149  
but for simply the best example of

482  
00:20:26,029 --> 00:20:23,099  
product promotion get a load of this

483  
00:20:28,849 --> 00:20:26,039  
from last week's daily telly mobile

484  
00:20:31,669 --> 00:20:28,859  
radiation shield released by Steven

485  
00:20:34,339 --> 00:20:31,679  
fennec technology writer yes this new

486  
00:20:36,499 --> 00:20:34,349  
magic shield is smaller than a five-cent

487  
00:20:39,499 --> 00:20:36,509  
piece but stick it on your mobile phone

488  
00:20:41,749 --> 00:20:39,509

and wave goodbye to stress sickness and

489

00:20:45,019 --> 00:20:41,759

disease sounds too good to be true

490

00:20:47,509 --> 00:20:45,029

surely not so Steven what's the secret

491

00:20:50,419 --> 00:20:47,519

of this high-tech defense patented

492

00:20:52,849 --> 00:20:50,429

sympathetic resonance technology come

493

00:20:57,769 --> 00:20:52,859

again patented sympathetic resonance

494

00:21:00,319 --> 00:20:57,779

technology wow sounds fantastic tell me

495

00:21:02,089 --> 00:21:00,329

more the two linked many priced at

496

00:21:04,190 --> 00:21:02,099

forty-eight dollars is programmed with

497

00:21:06,109 --> 00:21:04,200

naturally occurring frequencies which

498

00:21:08,359 --> 00:21:06,119

resonate with our body's energy system

499

00:21:11,839 --> 00:21:08,369

just like a piano string would resonate

500

00:21:13,909 --> 00:21:11,849

with a tuning fork amazing and don't

501  
00:21:16,009 --> 00:21:13,919  
doubt it's true according to kulick

502  
00:21:18,019 --> 00:21:16,019  
australia's john gear on whose quotes

503  
00:21:20,389 --> 00:21:18,029  
provide almost half Steven Phoenix

504  
00:21:22,729 --> 00:21:20,399  
shameless editorial the magic mini

505  
00:21:25,249 --> 00:21:22,739  
shield is based on technology which has

506  
00:21:28,190 --> 00:21:25,259  
been scientifically proven and tested

507  
00:21:30,649 --> 00:21:28,200  
for the past 20 years we'll come to that

508  
00:21:34,129 --> 00:21:30,659  
in a moment but could it actually work

509  
00:21:36,259 --> 00:21:34,139  
well no according to Professor Vitas

510  
00:21:39,049 --> 00:21:36,269  
Anderson at Swinburne University's brain

511  
00:21:40,879 --> 00:21:39,059  
sciences institute a little but and

512  
00:21:42,799 --> 00:21:40,889  
cannot shield or neutralize the

513  
00:21:46,489 --> 00:21:42,809

electromagnetic fields emitted by a

514

00:21:48,859 --> 00:21:46,499

mobile phone and here's the rub if it

515

00:21:52,190 --> 00:21:48,869

could your mobile phone would stop

516

00:21:54,049 --> 00:21:52,200

working because it relies on the RF

517

00:21:56,810 --> 00:21:54,059

transmissions to make the radio link

518

00:21:59,149 --> 00:21:56,820

with the mobile base station so much for

519

00:22:01,699 --> 00:21:59,159

miraculous mini shields as the website

520

00:22:04,069 --> 00:22:01,709

my colleagues are idiots nikli sums it

521

00:22:06,649 --> 00:22:04,079

up you can't smell the already

522

00:22:08,869 --> 00:22:06,659

then your nose is broken so why is

523

00:22:10,969 --> 00:22:08,879

technology writer Steven fennec who

524

00:22:13,219 --> 00:22:10,979

should know better persuaded by this

525

00:22:15,560 --> 00:22:13,229

obvious quackery and why does his

526

00:22:17,899 --> 00:22:15,570

brother Mario from Channel Nine's Sidney

527

00:22:21,349 --> 00:22:17,909

Footy Show promote cooling on the

528

00:22:23,149 --> 00:22:21,359

company's website been great I've always

529

00:22:25,190 --> 00:22:23,159

a pretty sort of 10 sort of guy and I

530

00:22:26,599 --> 00:22:25,200

must admit that since I've out the

531

00:22:28,940 --> 00:22:26,609

killing gone I feel a little bit more

532

00:22:30,019 --> 00:22:28,950

relaxed and a lot of easier on the kids

533

00:22:34,430 --> 00:22:30,029

and probably not

534

00:22:37,669 --> 00:22:34,440

not not as jumpy and my golf my golf has

535

00:22:39,979 --> 00:22:37,679

been sensational now we at media watched

536

00:22:42,379 --> 00:22:39,989

naturally suspected the worst that

537

00:22:45,049 --> 00:22:42,389

Steven was using his Telegraph column to

538

00:22:46,940 --> 00:22:45,059

give brother Mario a helping hand Steven

539

00:22:49,969 --> 00:22:46,950

started enthusing about qlink back in

540

00:22:53,180 --> 00:22:49,979

2004 with his first breathless puffs and

541

00:22:55,369 --> 00:22:53,190

then again in 2005 which was around the

542

00:22:57,769 --> 00:22:55,379

time that Mario started promoting his

543

00:23:01,369 --> 00:22:57,779

thirteen hundred dollar gold plated

544

00:23:03,589 --> 00:23:01,379

qlink pendant hi and welcome to our

545

00:23:05,539 --> 00:23:03,599

website over the years I work with

546

00:23:07,759 --> 00:23:05,549

hundreds of different businesses I've

547

00:23:11,089 --> 00:23:07,769

helped them build brand awareness and

548

00:23:14,060 --> 00:23:11,099

increase their sales through TV radio

549

00:23:17,479 --> 00:23:14,070

and print media campaigns and I can do

550

00:23:19,669 --> 00:23:17,489

the same for you and indeed he's done

551  
00:23:22,430 --> 00:23:19,679  
that for cooling who tell visitors to

552  
00:23:24,709 --> 00:23:22,440  
phoenix website since mario has been

553  
00:23:26,539 --> 00:23:24,719  
promoting a range of cooling products we

554  
00:23:29,239 --> 00:23:26,549  
have seen a measurable increase in sales

555  
00:23:31,009 --> 00:23:29,249  
across all demographics but you know

556  
00:23:33,549 --> 00:23:31,019  
sometimes there's an innocent

557  
00:23:36,169 --> 00:23:33,559  
explanation and this is one such time

558  
00:23:38,629 --> 00:23:36,179  
Mario's manager says he does not get

559  
00:23:40,879 --> 00:23:38,639  
paid for promoting cooling and it seems

560  
00:23:44,209 --> 00:23:40,889  
he and Stephen rave about the product

561  
00:23:47,659 --> 00:23:44,219  
just because they believe it works so no

562  
00:23:49,849 --> 00:23:47,669  
impropriety just credulity now it has to

563  
00:23:51,829 --> 00:23:49,859

be said many professional golfers swear

564

00:23:53,779 --> 00:23:51,839

by their cue links but the highly

565

00:23:56,989 --> 00:23:53,789

regarded microwave news in the United

566

00:23:59,599 --> 00:23:56,999

States is not so easily persuaded scams

567

00:24:01,489 --> 00:23:59,609

galore the gizmos promising protection

568

00:24:03,829 --> 00:24:01,499

against electromagnetic fields include

569

00:24:06,019 --> 00:24:03,839

bracelets pendants and headbands two of

570

00:24:07,339 --> 00:24:06,029

the best known a bio Pro and cooling

571

00:24:09,549 --> 00:24:07,349

which are really no different from all

572

00:24:11,899 --> 00:24:09,559

the others that's to say they don't work

573

00:24:13,940 --> 00:24:11,909

cooling claims that research by the

574

00:24:16,669 --> 00:24:13,950

University of Wollongong scientifically

575

00:24:18,349 --> 00:24:16,679

proves its devices are effective the

576

00:24:21,079 --> 00:24:18,359

study it refers to conducted by

577

00:24:23,209 --> 00:24:21,089

Professor Rodney Croft was funded by Q

578

00:24:25,219 --> 00:24:23,219

links manufacturer claris products

579

00:24:27,139 --> 00:24:25,229

international it was described four

580

00:24:30,680 --> 00:24:27,149

years ago by the respected UK website

581

00:24:33,739 --> 00:24:30,690

power watch as small and ill scienced

582

00:24:35,959 --> 00:24:33,749

virtually worthless and even the study's

583

00:24:38,060 --> 00:24:35,969

author professor Rodney Croft dismisses

584

00:24:40,249 --> 00:24:38,070

its value at least in supporting the

585

00:24:41,930 --> 00:24:40,259

claims made by kulick telling media

586

00:24:43,700 --> 00:24:41,940

watched last week

587

00:24:46,639 --> 00:24:43,710

I do not believe that the inconclusive

588

00:24:48,139 --> 00:24:46,649

nature of my study provides any evidence

589

00:24:51,560 --> 00:24:48,149

that the product does what it claims

590

00:24:54,470 --> 00:24:51,570

none of this but none of this was in

591

00:24:56,840 --> 00:24:54,480

Steven Phoenix article and Steven it

592

00:24:59,029 --> 00:24:56,850

should have been it's not yours or the

593

00:25:00,889 --> 00:24:59,039

Telly's job to flog this stuff it's to

594

00:25:03,110 --> 00:25:00,899

strive for the truth a strange

595

00:25:05,720 --> 00:25:03,120

old-fashioned concept i know but one

596

00:25:16,789 --> 00:25:05,730

that still has some value well well done

597

00:25:19,009 --> 00:25:16,799

Jason now they mention your blog so as

598

00:25:22,279 --> 00:25:19,019

that resulted in increased traffic it

599

00:25:24,560 --> 00:25:22,289

has well over a thousand hits which is

600

00:25:27,289 --> 00:25:24,570

about ten times what I normally get on a

601  
00:25:30,769 --> 00:25:27,299  
story on my blog it's also been linked

602  
00:25:32,419 --> 00:25:30,779  
to by crikey by various other news

603  
00:25:35,360 --> 00:25:32,429  
outlets is this being numb it's been

604  
00:25:36,889 --> 00:25:35,370  
quite cool really if it's really nice

605  
00:25:39,110 --> 00:25:36,899  
that all those people checking out your

606  
00:25:41,570 --> 00:25:39,120  
blog I checking out the Q link and that

607  
00:25:44,180 --> 00:25:41,580  
qlink was basically called a car Nona

608  
00:25:49,009 --> 00:25:44,190  
scam on national television truthful

609  
00:25:50,509 --> 00:25:49,019  
media is quite awesome so if anybody

610  
00:25:57,620 --> 00:25:50,519  
wants to check that out anyway I'm go to

611  
00:26:01,170 --> 00:25:59,970  
that's Canterbury country tonight the

612  
00:26:03,060 --> 00:26:01,180  
shows for free we should all run

613  
00:26:04,140 --> 00:26:03,070

upstairs and watch it awesome out so

614

00:26:06,090 --> 00:26:04,150

yeah if anyone wants to check out the

615

00:26:10,290 --> 00:26:06,100

show or the segment at least is on my

616

00:26:11,700 --> 00:26:10,300

blog at [www.legsareidiots.com](http://www.legsareidiots.com) calm and

617

00:26:13,170 --> 00:26:11,710

there's a few stories on there about the

618

00:26:14,550 --> 00:26:13,180

the whole flat it's been it's been a

619

00:26:16,800 --> 00:26:14,560

laugh but I've been blogging like crazy

620

00:26:19,200 --> 00:26:16,810

so congratulations once again that's

621

00:26:21,390 --> 00:26:19,210

fantastic didn't you have some news

622

00:26:23,450 --> 00:26:21,400

Jason I heard a rumor last week that

623

00:26:25,650 --> 00:26:23,460

Steven fennec had actually been

624

00:26:27,780 --> 00:26:25,660

suspended have you heard anything more

625

00:26:30,150 --> 00:26:27,790

about that I've talked someone who

626

00:26:32,760 --> 00:26:30,160

wishes to remain anonymous but I can say

627

00:26:35,810 --> 00:26:32,770

this person's quite close to the

628

00:26:37,470 --> 00:26:35,820

business for which fennec works and she

629

00:26:42,030 --> 00:26:37,480

understands that he's on suspension

630

00:26:43,950 --> 00:26:42,040

right now mm-hmm that was really for

631

00:26:45,330 --> 00:26:43,960

people he didn't hear last week that was

632

00:26:50,570 --> 00:26:45,340

really for the fact that he didn't

633

00:26:53,040 --> 00:26:50,580

disclose that his brother is a sponsored

634

00:26:55,140 --> 00:26:53,050

preacher I guess for the product right

635

00:26:57,210 --> 00:26:55,150

yeah and it's a breach of I think

636

00:26:58,620 --> 00:26:57,220

section four of the code of conduct for

637

00:26:59,990 --> 00:26:58,630

journalists in Australia I might be

638

00:27:01,980 --> 00:27:00,000

wrong on that in might be section five

639

00:27:03,930 --> 00:27:01,990

but basically you're going to disclose

640

00:27:06,750 --> 00:27:03,940

all cognitive interested that kind why

641

00:27:08,580 --> 00:27:06,760

would why would he be banned by that is

642

00:27:12,750 --> 00:27:08,590

he a journalist he's apparently his

643

00:27:15,270 --> 00:27:12,760

journal media accommodate technologies

644

00:27:17,100 --> 00:27:15,280

the work knology correspondent yeah but

645

00:27:18,690 --> 00:27:17,110

if you did on Media Watch they didn't

646

00:27:20,730 --> 00:27:18,700

actually goes but they actually said

647

00:27:22,620 --> 00:27:20,740

that he wasn't benefiting from it

648

00:27:23,850 --> 00:27:22,630

directly financially that they they said

649

00:27:25,830 --> 00:27:23,860

they did say that which I thought was

650

00:27:29,190 --> 00:27:25,840

interesting and also they both claims

651  
00:27:30,780 --> 00:27:29,200  
yes I mean I commented on my blog rather

652  
00:27:32,610 --> 00:27:30,790  
cynically that they probably haven't

653  
00:27:35,670 --> 00:27:32,620  
been paid yet and now they're not going

654  
00:27:37,530 --> 00:27:35,680  
to get paid but yeah who knows only

655  
00:27:39,840 --> 00:27:37,540  
that's between them and cooling and I

656  
00:27:42,000 --> 00:27:39,850  
can't comment for the other the other

657  
00:27:45,960 --> 00:27:42,010  
interesting thing was the guy who was on

658  
00:27:49,110 --> 00:27:45,970  
The Today Show who was also Charlie

659  
00:27:51,930 --> 00:27:49,120  
Brown who was also had some questions

660  
00:27:54,270 --> 00:27:51,940  
posed to him on Twitter and downs II who

661  
00:27:57,840 --> 00:27:54,280  
also wrote an article for crikey at down

662  
00:27:59,700 --> 00:27:57,850  
z he asked Charlie Brown some questions

663  
00:28:02,280 --> 00:27:59,710

on Twitter and he wrote a very short

664

00:28:03,570 --> 00:28:02,290

blog in response to that which I think

665

00:28:06,390 --> 00:28:03,580

downs his response to that was

666

00:28:08,080 --> 00:28:06,400

ridiculous and hopeless or something

667

00:28:10,960 --> 00:28:08,090

because his

668

00:28:15,820 --> 00:28:10,970

his comments about killing were pretty

669

00:28:18,970 --> 00:28:15,830

credulous he basically said that it was

670

00:28:20,860 --> 00:28:18,980

he thought it could work but the jury's

671

00:28:22,210 --> 00:28:20,870

out or something like that but after

672

00:28:27,220 --> 00:28:22,220

saying there's all this science to back

673

00:28:28,720 --> 00:28:27,230

it up yeah I know yeah yeah he spent

674

00:28:31,029 --> 00:28:28,730

about two minutes doing the sales pitch

675

00:28:34,090 --> 00:28:31,039

thing and then at the very end was asked

676

00:28:37,570 --> 00:28:34,100

ah what do you think of it have you

677

00:28:39,070 --> 00:28:37,580

tried it and the question but the jury's

678

00:28:40,769 --> 00:28:39,080

out isn't it and he turned that question

679

00:28:44,080 --> 00:28:40,779

around said yeah the jury is out on

680

00:28:46,360 --> 00:28:44,090

something else and then said I'm

681

00:28:48,940 --> 00:28:46,370

skeptical I'd have to try it which to me

682

00:28:51,130 --> 00:28:48,950

wasn't really skepticism that was just

683

00:28:53,620 --> 00:28:51,140

sort of journalistic asked not when the

684

00:28:56,080 --> 00:28:53,630

preceding two minutes was crazy what

685

00:28:57,700 --> 00:28:56,090

sales fishing yet at least Charlie's

686

00:28:59,409 --> 00:28:57,710

been good enough to actually talk about

687

00:29:01,029 --> 00:28:59,419

it on his blog and kind of apologizing

688

00:29:03,070 --> 00:29:01,039

and publish some critical comments

689

00:29:06,430 --> 00:29:03,080

whereas Stephen fennec deleted all his

690

00:29:07,690 --> 00:29:06,440

tweets and kind of ran away Jason that's

691

00:29:09,190 --> 00:29:07,700

what's so funny about it is that he

692

00:29:11,320 --> 00:29:09,200

deleted his tweets I mean seriously

693

00:29:14,470 --> 00:29:11,330

these days I mean this happened this

694

00:29:16,269 --> 00:29:14,480

morning I think it was a Tory MP tweeted

695

00:29:18,190 --> 00:29:16,279

something about a Muslim should get

696

00:29:20,289 --> 00:29:18,200

stoned to death for I think adultery or

697

00:29:23,019 --> 00:29:20,299

something and then deleted the tweet

698

00:29:24,580 --> 00:29:23,029

that people seriously that stupid these

699

00:29:28,230 --> 00:29:24,590

days that they don't know there's this

700

00:29:30,880 --> 00:29:28,240

thing called screencaps onto internets

701  
00:29:34,990 --> 00:29:30,890  
as well everything gets happy in some

702  
00:29:37,120 --> 00:29:35,000  
ways like yes yes I think I did that

703  
00:29:38,889 --> 00:29:37,130  
something that concerns me about this

704  
00:29:40,960 --> 00:29:38,899  
whole Stephen fennec thing is that the

705  
00:29:45,180 --> 00:29:40,970  
article is now gone except in some

706  
00:29:47,560 --> 00:29:45,190  
screen captures but the article itself

707  
00:29:51,190 --> 00:29:47,570  
is it is a problem you know that the

708  
00:29:53,649 --> 00:29:51,200  
fact that national newspaper cannot can

709  
00:29:54,940 --> 00:29:53,659  
put something like this up and not see

710  
00:29:57,730 --> 00:29:54,950  
that there's a problem it's quite

711  
00:30:00,100 --> 00:29:57,740  
clearly a press release yeah with very

712  
00:30:02,799 --> 00:30:00,110  
very little if any editing there's no it

713  
00:30:04,720 --> 00:30:02,809

is full of mumbo jumbo yeah and this

714

00:30:07,510 --> 00:30:04,730

coming from the technology correspondent

715

00:30:10,269 --> 00:30:07,520

I also correspond about technology very

716

00:30:11,980 --> 00:30:10,279

often I do not say this kind of

717

00:30:13,720 --> 00:30:11,990

acknowledged in science stories are they

718

00:30:16,240 --> 00:30:13,730

just press releases that are a written

719

00:30:16,989 --> 00:30:16,250

but not sometimes not even reaction

720

00:30:19,569 --> 00:30:16,999

obvious

721

00:30:21,189 --> 00:30:19,579

sales pitch so the fact that he the fact

722

00:30:23,259 --> 00:30:21,199

that he wasn't suspended for with

723

00:30:25,299 --> 00:30:23,269

drawing a salary and not being worth it

724

00:30:27,009 --> 00:30:25,309

is something that bothers me about this

725

00:30:30,309 --> 00:30:27,019

newspaper but then again it is the tele

726

00:30:32,169 --> 00:30:30,319

sir in contact with the editor of Daily

727

00:30:33,459 --> 00:30:32,179

Telegraph we exchanged a couple of

728

00:30:35,289 --> 00:30:33,469

emails and I'm after an official

729

00:30:37,419 --> 00:30:35,299

statement from him he hasn't got back to

730

00:30:38,859 --> 00:30:37,429

me with an official statement yet so as

731

00:30:41,349 --> 00:30:38,869

soon as that comes out it'll be on the

732

00:30:42,909 --> 00:30:41,359

blog if it comes out at all but yeah

733

00:30:43,959 --> 00:30:42,919

we're going to talk about this kind of

734

00:30:47,109 --> 00:30:43,969

thing do you made an official statement

735

00:30:48,639 --> 00:30:47,119

about student Phoenix Phoenix suspension

736

00:30:50,679 --> 00:30:48,649

and the reason it slipped through the

737

00:30:52,569 --> 00:30:50,689

editorial Matt the journalistic

738

00:30:54,789 --> 00:30:52,579

standards of the tele basically okay

739

00:30:56,559 --> 00:30:54,799

however I mean all right we're sort of

740

00:30:58,749 --> 00:30:56,569

bagging the telly at the moment but it

741

00:31:02,589 --> 00:30:58,759

was the telly who just a few days

742

00:31:04,509 --> 00:31:02,599

afterwards or a few days before am I

743

00:31:07,839 --> 00:31:04,519

getting my dates mixed gathers few days

744

00:31:10,449 --> 00:31:07,849

off not the chunky and the sunday agenda

745

00:31:15,879 --> 00:31:10,459

was all about the Australian vaccination

746

00:31:17,919 --> 00:31:15,889

dr. H oh yeah yeah it was um to a two

747

00:31:22,179 --> 00:31:17,929

page story double page spread with a

748

00:31:26,499 --> 00:31:22,189

preceding story as well about how the

749

00:31:28,389 --> 00:31:26,509

anti-vaccination lobby are are putting

750

00:31:29,709 --> 00:31:28,399

our children at risk now I'll just read

751  
00:31:31,179 --> 00:31:29,719  
the opening sentence this is by

752  
00:31:34,899 --> 00:31:31,189  
journalists by the name of Jane Hansen

753  
00:31:36,519 --> 00:31:34,909  
isn't it that's the same Jane Henson I'm

754  
00:31:39,069 --> 00:31:36,529  
thinking about her I went to school of

755  
00:31:41,229 --> 00:31:39,079  
Jane Hansen yeah Jane has you've got

756  
00:31:43,059 --> 00:31:41,239  
some story she was in my brother's year

757  
00:31:44,829 --> 00:31:43,069  
but I I remember Jania is she the same

758  
00:31:47,949 --> 00:31:44,839  
person I expect so journalists you

759  
00:31:50,369 --> 00:31:47,959  
really probably welcome one person

760  
00:31:53,559 --> 00:31:50,379  
cooked a medicine well I don't know

761  
00:31:55,629 --> 00:31:53,569  
anyway she she opens the the story with

762  
00:31:57,069 --> 00:31:55,639  
them the anti-vaccination lobby believed

763  
00:31:58,539 --> 00:31:57,079

they are fighting for personal freedom

764

00:32:00,189 --> 00:31:58,549

but as Jane Hansen reports they are

765

00:32:03,189 --> 00:32:00,199

selfishly putting your children at risk

766

00:32:05,109 --> 00:32:03,199

Wow and Tracy Spicer actually wrote an

767

00:32:07,359 --> 00:32:05,119

article a bit before that Tracy Spicer

768

00:32:09,369 --> 00:32:07,369

wrote an article about two days before

769

00:32:10,929 --> 00:32:09,379

that where she basically called out the

770

00:32:13,089 --> 00:32:10,939

Australian vaccination network in

771

00:32:16,959 --> 00:32:13,099

particular for being so mean to tell me

772

00:32:21,129 --> 00:32:16,969

all the hill no i think it was in the

773

00:32:23,049 --> 00:32:21,139

tele as well and yeah i mean this this

774

00:32:24,460 --> 00:32:23,059

story here that the jane hansen one that

775

00:32:28,460 --> 00:32:24,470

appeared on the sunday

776

00:32:30,440 --> 00:32:28,470

gave big exposure to the McCaffrey's but

777

00:32:32,650 --> 00:32:30,450

also was focusing on the fact that we do

778

00:32:34,610 --> 00:32:32,660

have a whooping cough epidemic yeah and

779

00:32:36,260 --> 00:32:34,620

alerting parents to the fact that they

780

00:32:37,520 --> 00:32:36,270

need to get probably get boosters and

781

00:32:39,590 --> 00:32:37,530

they should go and talk to their doctors

782

00:32:42,680 --> 00:32:39,600

about that speaking of which for carers

783

00:32:44,570 --> 00:32:42,690

it is free now again it wasn't free for

784

00:32:46,580 --> 00:32:44,580

a period but now it is in most states

785

00:32:49,070 --> 00:32:46,590

that's really cool that's good it's

786

00:32:52,940 --> 00:32:49,080

about bloody time seriously I mean come

787

00:32:55,490 --> 00:32:52,950

on it's been what almost two years over

788

00:32:57,980 --> 00:32:55,500

18 months since Dana passed away and

789

00:33:00,170 --> 00:32:57,990

since the government should have done

790

00:33:02,810 --> 00:33:00,180

something about this yes yeah once again

791

00:33:04,940 --> 00:33:02,820

this is an example of the public having

792

00:33:06,740 --> 00:33:04,950

to do something about our job yeah

793

00:33:09,020 --> 00:33:06,750

during the government job yeah however

794

00:33:11,150 --> 00:33:09,030

it regardless of that I mean it was a

795

00:33:13,490 --> 00:33:11,160

really great article by Jane and yes

796

00:33:15,530 --> 00:33:13,500

congratulations yeah and very very well

797

00:33:17,930 --> 00:33:15,540

researched shared a timeline I don't

798

00:33:20,540 --> 00:33:17,940

know if it's there but she kind of the

799

00:33:23,090 --> 00:33:20,550

sort of series of events leading up to

800

00:33:25,940 --> 00:33:23,100

be including the the ABN H Triple C

801  
00:33:28,730 --> 00:33:25,950  
public warning including the ABN losing

802  
00:33:31,760 --> 00:33:28,740  
the charity license which as a side note

803  
00:33:35,090 --> 00:33:31,770  
they have appealed that and there is a

804  
00:33:37,370 --> 00:33:35,100  
hearing on December the 10th right where

805  
00:33:39,680 --> 00:33:37,380  
I'm not exactly sure how that's going to

806  
00:33:42,950 --> 00:33:39,690  
play out i don't know if that's open to

807  
00:33:46,400 --> 00:33:42,960  
the public or not because if it isn't

808  
00:33:47,900 --> 00:33:46,410  
keeping the day off well if Meryl dories

809  
00:33:51,080 --> 00:33:47,910  
intention was to get her name in the

810  
00:33:53,000 --> 00:33:51,090  
paper she's done that in spades yeah she

811  
00:33:54,680 --> 00:33:53,010  
has but uh I don't think she's very

812  
00:33:56,420 --> 00:33:54,690  
happy about that really good but

813  
00:33:57,620 --> 00:33:56,430

actually I don't think she wishes he was

814

00:34:01,700 --> 00:33:57,630

looking for the kind of free publicity

815

00:34:03,440 --> 00:34:01,710

that you skeptical community can I say

816

00:34:04,730 --> 00:34:03,450

something and this is public now we

817

00:34:07,790 --> 00:34:04,740

weren't allowed to say anything for very

818

00:34:13,559 --> 00:34:07,800

long time but this story revealed that

819

00:34:17,319 --> 00:34:16,000

fantastic news all right we'll get on

820

00:34:19,000 --> 00:34:17,329

some more stories in a moment cuz i

821

00:34:20,769 --> 00:34:19,010

don't know may nod has just got some

822

00:34:23,349 --> 00:34:20,779

wonderful things for us but Media Watch

823

00:34:27,190 --> 00:34:23,359

trivia oh that sounds interesting we'll

824

00:34:28,839 --> 00:34:27,200

get to that in the meantime I know yeah

825

00:34:32,859 --> 00:34:28,849

we know your only hope it's funny

826

00:34:35,079 --> 00:34:32,869

speaking 111 in the meantime I've got a

827

00:34:39,099 --> 00:34:35,089

few interesting things to report about

828

00:34:42,220 --> 00:34:39,109

our girlfriends at power balance and

829

00:34:47,740 --> 00:34:42,230

some of us are wearing our wonderful new

830

00:34:49,629 --> 00:34:47,750

clear Masebo bears ooh and we're friends

831

00:34:51,490 --> 00:34:49,639

Anton Mesmer thanks for the adventure of

832

00:34:54,009 --> 00:34:51,500

mesmerism he's gonna peril by once

833

00:35:00,039 --> 00:34:54,019

banging on our balance man and the lucky

834

00:35:02,259 --> 00:35:00,049

it's not his wrist either now stop stop

835

00:35:08,410 --> 00:35:02,269

playing with my sound effects app dr. a

836

00:35:11,529 --> 00:35:08,420

team now nicola j nicola j martin has

837

00:35:14,470 --> 00:35:11,539

actually done a study and a series of

838

00:35:16,720 --> 00:35:14,480

tests upon power balance oh yes and

839

00:35:18,819 --> 00:35:16,730

she's published us on the internet so

840

00:35:22,059 --> 00:35:18,829

the internet on to internets I suggest

841

00:35:27,099 --> 00:35:22,069

everybody is she a cat she probably is

842

00:35:30,120 --> 00:35:27,109

it detective oh I I suggest everybody go

843

00:35:34,990 --> 00:35:30,130

to the website HTTP colon slash slash

844

00:35:38,769 --> 00:35:35,000

opinion change dot wordpress com and you

845

00:35:41,740 --> 00:35:38,779

can read Nikki's wonderful report about

846

00:35:44,589 --> 00:35:41,750

her tests into power balance did their

847

00:35:47,859 --> 00:35:44,599

work well that's it you'll have to read

848

00:35:51,309 --> 00:35:47,869

the report to find out um when words I

849

00:35:53,769 --> 00:35:51,319

use it to hold my wallet closed that's a

850

00:35:57,530 --> 00:35:53,779

placebo vangie deal oh oh don't be why

851  
00:36:02,670 --> 00:36:00,990  
then I've got another email on a similar

852  
00:36:05,160 --> 00:36:02,680  
subject or the same subject sort of I

853  
00:36:08,880 --> 00:36:05,170  
guess he'd saved from Alyssa Goldberg

854  
00:36:12,030 --> 00:36:08,890  
all the way from New York I imagine

855  
00:36:14,760 --> 00:36:12,040  
she's in New York she writes I just

856  
00:36:16,560 --> 00:36:14,770  
finished their NYC marathon my first

857  
00:36:18,480 --> 00:36:16,570  
marathon and wanted to extend my thanks

858  
00:36:25,680 --> 00:36:18,490  
to your brilliant and entertaining

859  
00:36:27,690 --> 00:36:25,690  
podcast are good grief listening to the

860  
00:36:29,940 --> 00:36:27,700  
skeptical zone during embassy hours of

861  
00:36:33,360 --> 00:36:29,950  
training kept me going strong there are

862  
00:36:35,100 --> 00:36:33,370  
folks appreciate it now not only do I

863  
00:36:37,170 --> 00:36:35,110

have a strong body but a strong mind as

864

00:36:39,510 --> 00:36:37,180

well I did want to point out that you

865

00:36:42,390 --> 00:36:39,520

are wrong about the power balance

866

00:36:44,940 --> 00:36:42,400

bracelet it did make me run faster and

867

00:36:47,550 --> 00:36:44,950

gave me more stamina when I saw that a

868

00:36:49,530 --> 00:36:47,560

fellow who was running alongside me for

869

00:36:53,480 --> 00:36:49,540

several miles was wearing one I pushed a

870

00:36:55,830 --> 00:36:53,490

little harder and pulled out ahead I

871

00:36:59,460 --> 00:36:55,840

wonder if that was because my energy

872

00:37:03,720 --> 00:36:59,470

field was being so harmonically isolated

873

00:37:05,790 --> 00:37:03,730

or just or just being in proximity or if

874

00:37:08,660 --> 00:37:05,800

it was simply my determination to beat

875

00:37:14,940 --> 00:37:08,670

that thanks again a psycho pack

876

00:37:17,400 --> 00:37:14,950

very good brilliant well dan Elissa what

877

00:37:19,560 --> 00:37:17,410

an excellent what an excellent email

878

00:37:22,680 --> 00:37:19,570

that was now before I pass over the main

879

00:37:25,110 --> 00:37:22,690

add one more thing folks the petition

880

00:37:30,510 --> 00:37:25,120

against libel or for libel reform needs

881

00:37:33,150 --> 00:37:30,520

your help WWI ball reform.org please

882

00:37:34,620 --> 00:37:33,160

sign that online petition have you seen

883

00:37:37,260 --> 00:37:34,630

the latest from the the libel reform

884

00:37:39,510 --> 00:37:37,270

thing today is this about the boob yes

885

00:37:41,100 --> 00:37:39,520

the boob thing ok this is the thing time

886

00:37:46,250 --> 00:37:41,110

we're going to talk boobs we do come on

887

00:37:49,680 --> 00:37:46,260

ah company called bro dial or rodial

888

00:37:51,810 --> 00:37:49,690

limited in the UK manufacturing cream or

889

00:37:54,390 --> 00:37:51,820

a gel or something they claim that this

890

00:37:57,090 --> 00:37:54,400

cream can can raise you a cup size or

891

00:37:58,710 --> 00:37:57,100

half a cup size i think this i'm a the

892

00:38:00,450 --> 00:37:58,720

daily mail's can ask the opinion of a

893

00:38:02,400 --> 00:38:00,460

doctor and the doctor said it's very

894

00:38:04,140 --> 00:38:02,410

unlikely this will work as it yet doctor

895

00:38:05,640 --> 00:38:04,150

would ya and now instead of producing

896

00:38:07,549 --> 00:38:05,650

some evidence that it works road i'll

897

00:38:09,920 --> 00:38:07,559

have sued for libel

898

00:38:11,390 --> 00:38:09,930

so of course I've done exactly the same

899

00:38:13,579 --> 00:38:11,400

thing on my blog a few other bloggers

900

00:38:16,069 --> 00:38:13,589

have done the same on their blog this is

901  
00:38:18,469 --> 00:38:16,079  
the Streisand effect goes well done and

902  
00:38:23,660 --> 00:38:18,479  
now it's on the skeptic zone so boobs to

903  
00:38:25,130 --> 00:38:23,670  
you may not be well labu I'm at one of

904  
00:38:26,900 --> 00:38:25,140  
the big distractions old now wouldn't

905  
00:38:28,699 --> 00:38:26,910  
say even so distractions I want the big

906  
00:38:30,709 --> 00:38:28,709  
issues of the week media wise in

907  
00:38:32,630 --> 00:38:30,719  
Australia's being the the lesbian

908  
00:38:35,179 --> 00:38:32,640  
schoolgirl couple in Melbourne that

909  
00:38:37,339 --> 00:38:35,189  
wanted to go to the year 11 formal 116

910  
00:38:39,439 --> 00:38:37,349  
115 and the school wouldn't let them go

911  
00:38:41,359 --> 00:38:39,449  
as a couple and I'm completely on this

912  
00:38:42,949 --> 00:38:41,369  
side I think it's a I think you know or

913  
00:38:45,829 --> 00:38:42,959

power to them further sticking it to the

914

00:38:47,299 --> 00:38:45,839

school but the issue that I would like

915

00:38:48,709 --> 00:38:47,309

just people to think I'm go to a mind

916

00:38:50,689 --> 00:38:48,719

game here do you think the issue would

917

00:38:54,589 --> 00:38:50,699

get as much attention if it had been to

918

00:38:56,870 --> 00:38:54,599

16 year old boys I can probably get more

919

00:38:58,249 --> 00:38:56,880

than maybe try to say more attention but

920

00:39:00,289 --> 00:38:58,259

a lot more negative attention most

921

00:39:02,120 --> 00:39:00,299

likely yeah do you think you do have the

922

00:39:03,799 --> 00:39:02,130

hands of them wander around in the park

923

00:39:05,269 --> 00:39:03,809

holding hands and that's the cattle a

924

00:39:06,979 --> 00:39:05,279

shops and that sort of thing I think if

925

00:39:09,319 --> 00:39:06,989

you think I mean if there were boys that

926

00:39:10,969 --> 00:39:09,329

probably be bashed by somebody yeah yeah

927

00:39:13,009 --> 00:39:10,979

this'll mean I think it would take a

928

00:39:14,569 --> 00:39:13,019

different turn and I agree with their

929

00:39:16,370 --> 00:39:14,579

own involved here I think the issues I

930

00:39:18,289 --> 00:39:16,380

think I should take it simple just

931

00:39:20,120 --> 00:39:18,299

relating this point yeah I'm and that's

932

00:39:22,579 --> 00:39:20,130

what I thought if it was to 16 year old

933

00:39:24,799 --> 00:39:22,589

guys would it sure would write a mention

934

00:39:26,599 --> 00:39:24,809

but would it get the hype that you would

935

00:39:28,099 --> 00:39:26,609

be able to hood that's a cool and also

936

00:39:30,259 --> 00:39:28,109

I'm just wondering if you're the parent

937

00:39:32,569 --> 00:39:30,269

of 15 16 year-old girl would you want

938

00:39:34,489 --> 00:39:32,579

her to be the the post person for her

939

00:39:36,380 --> 00:39:34,499

sexuality at that age well their hands

940

00:39:38,599 --> 00:39:36,390

were very supportive and both both both

941

00:39:40,130 --> 00:39:38,609

girls variants yeah well good job my

942

00:39:42,499 --> 00:39:40,140

parents the father has been on Twitter

943

00:39:44,269 --> 00:39:42,509

talking bad as well they talked about as

944

00:39:45,829 --> 00:39:44,279

a family quite a bit and I decided that

945

00:39:47,239 --> 00:39:45,839

yes the entire family will go forwards

946

00:39:49,609 --> 00:39:47,249

like this so it is something that they

947

00:39:51,589 --> 00:39:49,619

did really cover very thoroughly before

948

00:39:53,419 --> 00:39:51,599

this happens well that that's good and

949

00:39:55,099 --> 00:39:53,429

also there's mediation with the school

950

00:39:57,169 --> 00:39:55,109

that took place about two months ago and

951  
00:39:59,120 --> 00:39:57,179  
the parents and fam ago two months ago

952  
00:40:00,949 --> 00:39:59,130  
yeah I thought the story is really free

953  
00:40:03,109 --> 00:40:00,959  
will hear the stories really fresh wood

954  
00:40:04,339 --> 00:40:03,119  
to do with the formal but the issue that

955  
00:40:06,109 --> 00:40:04,349  
was discussed with the school and the

956  
00:40:07,549 --> 00:40:06,119  
parents about two months ago in and they

957  
00:40:09,829 --> 00:40:07,559  
weren't happy with that in both girls up

958  
00:40:10,609 --> 00:40:09,839  
since changed school so I'm just

959  
00:40:12,979 --> 00:40:10,619  
wondering if there's other issues

960  
00:40:14,839 --> 00:40:12,989  
involved here again I'm supportive the

961  
00:40:16,339 --> 00:40:14,849  
issue at hand here and I'm you know

962  
00:40:18,330 --> 00:40:16,349  
again it's just it's just interesting

963  
00:40:19,740 --> 00:40:18,340

that there's other details have come out

964

00:40:21,720 --> 00:40:19,750

completely on their on their side here

965

00:40:25,680 --> 00:40:21,730

the way the parents explained it was

966

00:40:27,360 --> 00:40:25,690

that the girls moved one girl moves the

967

00:40:31,230 --> 00:40:27,370

older one moon school because she felt

968

00:40:33,330 --> 00:40:31,240

that she was being almost persecuted at

969

00:40:34,740 --> 00:40:33,340

the school for that and the other girl

970

00:40:37,260 --> 00:40:34,750

moved because she wanted to be with her

971

00:40:38,460 --> 00:40:37,270

girlfriend well I just I just want to

972

00:40:40,650 --> 00:40:38,470

say something with regards to what you

973

00:40:42,810 --> 00:40:40,660

asked about the parents allowing her to

974

00:40:44,250 --> 00:40:42,820

be a poster child for this as somebody

975

00:40:49,560 --> 00:40:44,260

who has a 15 year old so units very

976

00:40:51,660 --> 00:40:49,570

close they're not kids you know they

977

00:40:54,420 --> 00:40:51,670

have a mind of their own they and they

978

00:40:56,040 --> 00:40:54,430

have they have their own causes they

979

00:40:57,540 --> 00:40:56,050

have their own their own things that are

980

00:41:00,540 --> 00:40:57,550

important to them and I think as a

981

00:41:02,010 --> 00:41:00,550

parent you don't have to agree you don't

982

00:41:03,810 --> 00:41:02,020

have to even think that it's the right

983

00:41:06,920 --> 00:41:03,820

thing and it's your definitely your job

984

00:41:11,610 --> 00:41:06,930

to voice that opinion and explain and

985

00:41:14,100 --> 00:41:11,620

put your case forward to the child but I

986

00:41:16,410 --> 00:41:14,110

think at the age of 15 16 to suggest

987

00:41:17,580 --> 00:41:16,420

that you decide for them about what's

988

00:41:19,620 --> 00:41:17,590

important to them and whether they're

989

00:41:21,420 --> 00:41:19,630

going to do something like this it's a

990

00:41:23,040 --> 00:41:21,430

lost cause anyway so if they said to

991

00:41:25,860 --> 00:41:23,050

somebody like that who's strong minded

992

00:41:27,690 --> 00:41:25,870

about it let's assume the object to it

993

00:41:29,070 --> 00:41:27,700

okay and they said it to her she'd

994

00:41:32,070 --> 00:41:29,080

probably just go and do it anyway so I

995

00:41:34,290 --> 00:41:32,080

think much better approach is you do

996

00:41:35,850 --> 00:41:34,300

internally within the family you do your

997

00:41:37,620 --> 00:41:35,860

own discussions and you decide what to

998

00:41:39,270 --> 00:41:37,630

do and then you go ahead and do whatever

999

00:41:41,610 --> 00:41:39,280

the child decides you support the child

1000

00:41:43,860 --> 00:41:41,620

and whatever the recital the other

1001  
00:41:45,810 --> 00:41:43,870  
reason I mentioned the the age net I was

1002  
00:41:48,390 --> 00:41:45,820  
just looking at in an earlier age when

1003  
00:41:50,040 --> 00:41:48,400  
we perhaps were that age to to bring

1004  
00:41:51,240 --> 00:41:50,050  
that sort of issue up there wouldn't

1005  
00:41:53,910 --> 00:41:51,250  
have happened it wouldn't have happened

1006  
00:41:55,560 --> 00:41:53,920  
it wouldn't have even happened because

1007  
00:41:56,730 --> 00:41:55,570  
you wouldn't want national press to that

1008  
00:41:58,260 --> 00:41:56,740  
kind of thing and I just think it's

1009  
00:41:59,940 --> 00:41:58,270  
interesting the way things have moved on

1010  
00:42:06,360 --> 00:41:59,950  
yeah but it's you know what's 15 years

1011  
00:42:11,730 --> 00:42:06,370  
since we were that age Rachel speak for

1012  
00:42:14,010 --> 00:42:11,740  
yourself and and look on oh and best

1013  
00:42:18,360 --> 00:42:14,020

headline of the week yes Dick Van Dyke

1014

00:42:20,280 --> 00:42:18,370

saved by porpoises yeah that's right

1015

00:42:22,140 --> 00:42:20,290

that's right sure this is why we have

1016

00:42:23,970 --> 00:42:22,150

main our folks comes along with these

1017

00:42:25,980 --> 00:42:23,980

amazing stories I say it lesbian

1018

00:42:28,130 --> 00:42:25,990

schoolgirls refused from formal everyone

1019

00:42:30,280 --> 00:42:28,140

goes year may not know go then dick

1020

00:42:32,870 --> 00:42:30,290

dioxide by porpoises they go you here oh

1021

00:42:34,730 --> 00:42:32,880

well its actual headline he was swimming

1022

00:42:36,710 --> 00:42:34,740

once and he was like not doing well

1023

00:42:38,180 --> 00:42:36,720

factual purposes apparently well I don't

1024

00:42:40,790 --> 00:42:38,190

know they had a thing for dick van dyke

1025

00:42:42,860 --> 00:42:40,800

anyway but he was swimming he wasn't

1026  
00:42:47,060 --> 00:42:42,870  
doing too well and the porpoises saved

1027  
00:42:49,670 --> 00:42:47,070  
his life good how Kevin discipline um I

1028  
00:42:52,430 --> 00:42:49,680  
don't know what that I think they had

1029  
00:42:54,950 --> 00:42:52,440  
some sort I had a life vest on them but

1030  
00:42:59,630 --> 00:42:54,960  
the other ones that have lasers strapped

1031  
00:43:01,820 --> 00:42:59,640  
to them shucks the ones that after

1032  
00:43:03,350 --> 00:43:01,830  
Hurricane Katrina karl Pilkington talks

1033  
00:43:05,480 --> 00:43:03,360  
about this oh there were all these

1034  
00:43:08,990 --> 00:43:05,490  
dolphins have got washed away black no

1035  
00:43:10,580 --> 00:43:09,000  
pain okay container I found in another's

1036  
00:43:12,440 --> 00:43:10,590  
waiting for dr. Reggie stop laughing cuz

1037  
00:43:16,430 --> 00:43:12,450  
as anyone listen to the podcast know her

1038  
00:43:17,960 --> 00:43:16,440

laugh cuts through like you're not there

1039

00:43:21,110 --> 00:43:17,970

people listen to other podcasts that he

1040

00:43:22,310 --> 00:43:21,120

heard in the big city oh you've got to

1041

00:43:24,680 --> 00:43:22,320

get your pop culture reference right

1042

00:43:26,450 --> 00:43:24,690

because as well know dr. evil could not

1043

00:43:33,980 --> 00:43:26,460

get the Sharks he wanted and had to

1044

00:43:36,110 --> 00:43:33,990

settle for angry sea bass now now I'll

1045

00:43:37,910 --> 00:43:36,120

just mention that coming up of course

1046

00:43:40,730 --> 00:43:37,920

the skeptic zone are doing a live show

1047

00:43:42,350 --> 00:43:40,740

at tam Australia alive skeptic zone the

1048

00:43:44,900 --> 00:43:42,360

first time the whole crew will be

1049

00:43:47,210 --> 00:43:44,910

together we never bring those green lung

1050

00:43:49,820 --> 00:43:47,220

bring Nam says dr. H E and our special

1051

00:43:52,100 --> 00:43:49,830

guest on the panel will be none other

1052

00:43:55,190 --> 00:43:52,110

than dr. Pamela gay was so excited to

1053

00:43:57,140 --> 00:43:55,200

have good friend dr. Pamela gay not only

1054

00:43:59,600 --> 00:43:57,150

being part of Tim Australia but being on

1055

00:44:02,810 --> 00:43:59,610

the stage with us for the skeptic zone

1056

00:44:04,460 --> 00:44:02,820

now Pamela has kindly agreed to come all

1057

00:44:06,650 --> 00:44:04,470

the way to Australia to be part of town

1058

00:44:09,560 --> 00:44:06,660

Australia because unfortunately DJ

1059

00:44:12,230 --> 00:44:09,570

Grothe couldn't make it in the end due

1060

00:44:13,550 --> 00:44:12,240

to other commitments all the best DJ but

1061

00:44:15,950 --> 00:44:13,560

we are delighted to have family guy

1062

00:44:17,780 --> 00:44:15,960

absolutely we must certainly are we are

1063

00:44:22,070 --> 00:44:17,790

really excited about having Pamela gay

1064

00:44:23,780 --> 00:44:22,080

come along and also very exciting for

1065

00:44:25,790 --> 00:44:23,790

those people who maybe didn't get

1066

00:44:27,950 --> 00:44:25,800

tickets to Tam Australia and those who

1067

00:44:30,560 --> 00:44:27,960

did everybody is welcome to come along

1068

00:44:33,410 --> 00:44:30,570

to the Guinness Book World Record

1069

00:44:36,380 --> 00:44:33,420

attempt at the largest ever magic lesson

1070

00:44:38,930 --> 00:44:36,390

conducted by dr. Carl dr. Carl

1071

00:44:40,430 --> 00:44:38,940

korzeniewski and myself if you want to

1072

00:44:41,160 --> 00:44:40,440

come along to that and be part of the

1073

00:44:42,390 --> 00:44:41,170

the crowd

1074

00:44:45,299 --> 00:44:42,400

it's free and that's happening on the

1075

00:44:47,910 --> 00:44:45,309

very first morning of town you have to

1076

00:44:49,890 --> 00:44:47,920

be at the masonic center at about

1077

00:44:51,599 --> 00:44:49,900

quarter to eight eight o'clock come

1078

00:44:57,059 --> 00:44:51,609

along but you can register for that by

1079

00:45:04,140 --> 00:44:57,069

going to meetup com and then going to

1080

00:45:07,140 --> 00:45:04,150

the cam Australia is that it meetup.com

1081

00:45:09,180 --> 00:45:07,150

/ town australia meetup.com / tam

1082

00:45:11,370 --> 00:45:09,190

australia or the Sydney skeptics on

1083

00:45:13,650 --> 00:45:11,380

meetup look just Google those will go to

1084

00:45:15,539 --> 00:45:13,660

meet up and look for in this world

1085

00:45:17,609 --> 00:45:15,549

record attempt with dr. Carl and Richard

1086

00:45:19,260 --> 00:45:17,619

Saunders hope to see you there it will

1087

00:45:21,180 --> 00:45:19,270

be fantastic i hope to see you there may

1088

00:45:22,559 --> 00:45:21,190

not look I'm going to be in the media

1089

00:45:24,720 --> 00:45:22,569

room and I'll be looking forward to

1090

00:45:27,150 --> 00:45:24,730

maybe talking to Randy and you know okay

1091

00:45:29,609 --> 00:45:27,160

this I because after linking onion I a

1092

00:45:30,690 --> 00:45:29,619

drinks what now leaning out with

1093

00:45:33,510 --> 00:45:30,700

celebrities well I've already

1094

00:45:35,490 --> 00:45:33,520

pre-ordered bottle bottle shops within a

1095

00:45:41,160 --> 00:45:35,500

mile of the area of being alerted the

1096

00:45:43,170 --> 00:45:41,170

presence of Dunning or as he's known by

1097

00:45:45,089 --> 00:45:43,180

various people Hoover Hoover darling

1098

00:45:46,920 --> 00:45:45,099

what will be there you'll be carrying on

1099

00:45:48,780 --> 00:45:46,930

he'll be doing some sort of skip toid

1100

00:45:50,069 --> 00:45:48,790

thing and I i I'm throwing out the

1101  
00:45:53,099 --> 00:45:50,079  
challenge that he should do a skip tied

1102  
00:45:55,200 --> 00:45:53,109  
on Kegel exercises he said he will not

1103  
00:45:57,089 --> 00:45:55,210  
he will not do it but I'm throwing out

1104  
00:46:01,500 --> 00:45:57,099  
that he should do a live show on Kegel

1105  
00:46:04,680 --> 00:46:01,510  
exercises can whoop demonstrations good

1106  
00:46:06,900 --> 00:46:04,690  
good heavens may not good heavens now

1107  
00:46:10,829 --> 00:46:06,910  
and one more quick mention for me that

1108  
00:46:13,200 --> 00:46:10,839  
our fellow skeptic zone member who will

1109  
00:46:14,549 --> 00:46:13,210  
be on stage with us iCarly sturgis's

1110  
00:46:16,829 --> 00:46:14,559  
reminded me that she's very happy

1111  
00:46:19,349 --> 00:46:16,839  
because the Guardian have been plugging

1112  
00:46:21,059 --> 00:46:19,359  
a book that she's in about Australian

1113  
00:46:22,740 --> 00:46:21,069

atheism for those people interested in

1114

00:46:24,630 --> 00:46:22,750

not it's right on innocent I've got a

1115

00:46:25,829 --> 00:46:24,640

copy it'll give her a copy yep i'm

1116

00:46:26,760 --> 00:46:25,839

trying to get so many views with some of

1117

00:46:28,260 --> 00:46:26,770

the people that are in it maybe I'll

1118

00:46:29,490 --> 00:46:28,270

even chapter call if you can actually

1119

00:46:30,809 --> 00:46:29,500

she'll be there you can have a chat to

1120

00:46:32,490 --> 00:46:30,819

hook it's not my normal kind of book

1121

00:46:35,160 --> 00:46:32,500

it's thick

1122

00:46:37,110 --> 00:46:35,170

haha he is giving us a funny look

1123

00:46:38,370 --> 00:46:37,120

Christine's and I think did the forward

1124

00:46:40,800 --> 00:46:38,380

for that will be speaking at the

1125

00:46:42,900 --> 00:46:40,810

skeptics open mic night Oh on the

1126

00:46:44,580 --> 00:46:42,910

twenty-fifth if you couldn't get into

1127

00:46:46,530 --> 00:46:44,590

the skeptics in the pub special edition

1128

00:46:48,030 --> 00:46:46,540

on the phone fifth then the skeptics

1129

00:46:50,430 --> 00:46:48,040

open mic night happens that night at

1130

00:46:52,410 --> 00:46:50,440

peabody hotel look up look that up on me

1131

00:46:54,990 --> 00:46:52,420

down on the meetup com / time australia

1132

00:46:57,390 --> 00:46:55,000

site and kristinsson he was in that book

1133

00:46:58,710 --> 00:46:57,400

will be there doing i think the first

1134

00:47:00,120 --> 00:46:58,720

speech she sent it to me today just

1135

00:47:01,650 --> 00:47:00,130

check that oh that's exciting other

1136

00:47:03,810 --> 00:47:01,660

people who were in the book will be at

1137

00:47:05,460 --> 00:47:03,820

ann warren bernie who is the editor of

1138

00:47:08,790 --> 00:47:05,470

the book right right of course you will

1139

00:47:10,050 --> 00:47:08,800

be there with his shop the heat because

1140

00:47:11,820 --> 00:47:10,060

i get books are the official or

1141

00:47:14,340 --> 00:47:11,830

something yes yeah and wasn't Peter

1142

00:47:17,460 --> 00:47:14,350

elephant in the book as well I'm not

1143

00:47:19,770 --> 00:47:17,470

that far the individuals I think you

1144

00:47:22,830 --> 00:47:19,780

know with no I am I I've got a better

1145

00:47:25,440 --> 00:47:22,840

it's a and people can find out more by

1146

00:47:29,580 --> 00:47:25,450

going or googling our guardian atheism

1147

00:47:31,470 --> 00:47:29,590

Martin Robbins and dr. AG and could

1148

00:47:33,900 --> 00:47:31,480

Carly please she reckons she's got a

1149

00:47:35,010 --> 00:47:33,910

type of me interviewing off at a blank

1150

00:47:37,710 --> 00:47:35,020

the road hitchhikers guide to the

1151

00:47:40,470 --> 00:47:37,720

galaxy.the half out any of you i did

1152

00:47:42,150 --> 00:47:40,480

with douglas adams she has it and i

1153

00:47:43,500 --> 00:47:42,160

don't think i have so Carly get that to

1154

00:47:45,720 --> 00:47:43,510

me cuz I'd like to put that all up

1155

00:47:47,160 --> 00:47:45,730

online and Kylie will certainly be

1156

00:47:48,960 --> 00:47:47,170

available at tam Australia if any

1157

00:47:52,350 --> 00:47:48,970

podcasters out there want to have a chat

1158

00:47:54,420 --> 00:47:52,360

with her now we had an interesting time

1159

00:47:55,620 --> 00:47:54,430

just recently Iran you and I on some

1160

00:47:58,080 --> 00:47:55,630

other members from the Australian

1161

00:48:00,420 --> 00:47:58,090

skeptics where we actually had somebody

1162

00:48:03,990 --> 00:48:00,430

apply and come up for a challenge for

1163

00:48:06,480 --> 00:48:04,000

our \$100,000 prize sadly get out we did

1164

00:48:08,790 --> 00:48:06,490

he took a long time a long time why to

1165

00:48:10,380 --> 00:48:08,800

briefly describe what it was actually a

1166

00:48:12,300 --> 00:48:10,390

very long process because we got a

1167

00:48:15,060 --> 00:48:12,310

letter from a lawyer in january of this

1168

00:48:16,680 --> 00:48:15,070

year that's never a good desire so this

1169

00:48:19,620 --> 00:48:16,690

guy was very suspicious that we were not

1170

00:48:21,630 --> 00:48:19,630

going to be acting in good faith but we

1171

00:48:23,280 --> 00:48:21,640

have shown good faith we've met the guy

1172

00:48:25,170 --> 00:48:23,290

with the lawyer then eventually been

1173

00:48:28,350 --> 00:48:25,180

eventually without the lawyer we put a

1174

00:48:30,840 --> 00:48:28,360

protocol together whereby he sends

1175

00:48:35,280 --> 00:48:30,850

information we worked out the type of

1176

00:48:38,370 --> 00:48:35,290

information its words and numbers with a

1177

00:48:40,530 --> 00:48:38,380

chance of one in a one in a million of

1178

00:48:42,420 --> 00:48:40,540

success by probability of 1 million of

1179

00:48:43,620 --> 00:48:42,430

success by chance yeah he sends that

1180

00:48:47,310 --> 00:48:43,630

information you've used that information

1181

00:48:49,650 --> 00:48:47,320

on a sheet of paper and then sends it to

1182

00:48:51,240 --> 00:48:49,660

a collaborator in New York City from

1183

00:48:53,490 --> 00:48:51,250

Sydney to New York from Sydney to New

1184

00:48:55,140 --> 00:48:53,500

York now he doesn't use the telephone

1185

00:48:57,030 --> 00:48:55,150

doesn't use the telephone doesn't use a

1186

00:48:58,530 --> 00:48:57,040

hit the way you described here to do if

1187

00:49:01,860 --> 00:48:58,540

you can do that over the internet now

1188

00:49:04,320 --> 00:49:01,870

yeah well here he refused he refused to

1189

00:49:06,360 --> 00:49:04,330

describe it as psychic what he called it

1190

00:49:09,420 --> 00:49:06,370

the ability for the idea was that he was

1191

00:49:12,960 --> 00:49:09,430

bi means not known to science in case oh

1192

00:49:14,700 --> 00:49:12,970

so that was that was the idea now it was

1193

00:49:18,240 --> 00:49:14,710

a lot of a lot of preparation you know

1194

00:49:20,450 --> 00:49:18,250

we had we found a we got help from New

1195

00:49:23,040 --> 00:49:20,460

York skeptics Lissa and Jake who

1196

00:49:26,730 --> 00:49:23,050

provided support there by finding a

1197

00:49:29,430 --> 00:49:26,740

venue and by waiting for the team in New

1198

00:49:32,670 --> 00:49:29,440

York the person the receiver the

1199

00:49:37,710 --> 00:49:32,680

receivers and her lawyer and we met at

1200

00:49:39,420 --> 00:49:37,720

7am on a sydney morning in the city

1201

00:49:43,610 --> 00:49:39,430

nursery coordinate to meet the

1202

00:49:46,800 --> 00:49:43,620

Challenger and went to an office and

1203

00:49:49,800 --> 00:49:46,810

I'll took at a fairly long story short

1204

00:49:52,170 --> 00:49:49,810

the New York's I didn't show up yeah so

1205

00:49:53,370 --> 00:49:52,180

our skeptics awaiting on da corner they

1206

00:49:56,340 --> 00:49:53,380

were waiting in street corner for an

1207

00:49:57,630 --> 00:49:56,350

hour it was it's a bit cold in New York

1208

00:50:00,180 --> 00:49:57,640

this time of the year and they were

1209

00:50:06,450 --> 00:50:00,190

waiting for an hour and people just

1210

00:50:09,870 --> 00:50:06,460

didn't show us I'm so film morning ok

1211

00:50:11,820 --> 00:50:09,880

well the god initially they were stuck

1212

00:50:13,290 --> 00:50:11,830

in traffic and there were all kinds of

1213

00:50:14,940 --> 00:50:13,300

things like that like all kinds of

1214

00:50:16,470 --> 00:50:14,950

messages coming through my wife owned by

1215

00:50:18,810 --> 00:50:16,480

the way so we're told and then

1216

00:50:21,810 --> 00:50:18,820

eventually it turned out that they were

1217

00:50:24,330 --> 00:50:21,820

stuck in the lift now this is the

1218

00:50:26,070 --> 00:50:24,340

personal lives weren't working something

1219

00:50:27,960 --> 00:50:26,080

like that no there was stuck in a lift

1220

00:50:30,330 --> 00:50:27,970

so it's definitely a year now this is

1221

00:50:32,850 --> 00:50:30,340

that what makes it a little bit more we

1222

00:50:35,160 --> 00:50:32,860

weirdo turns it into a bit we're a bit

1223

00:50:39,030 --> 00:50:35,170

of a weird story is that according to

1224

00:50:41,730 --> 00:50:39,040

that our challenger his collaborator and

1225

00:50:44,780 --> 00:50:41,740

her lawyer do not possess mobile phones

1226

00:50:47,210 --> 00:50:44,790

so this is this is a

1227

00:50:50,140 --> 00:50:47,220

there is a lawyer in New York who does

1228

00:50:51,890 --> 00:50:50,150

not have a mobile phone that is already

1229

00:50:54,800 --> 00:50:51,900

making you know that's already

1230

00:50:56,990 --> 00:50:54,810

suspicious but so the whole the whole

1231

00:50:59,930 --> 00:50:57,000

thing we actually have some suspicions

1232

00:51:03,110 --> 00:50:59,940

about the existence of the New York side

1233

00:51:04,250 --> 00:51:03,120

of the whole story I believe I wasn't

1234

00:51:07,100 --> 00:51:04,260

present for this but i believe that

1235

00:51:09,830 --> 00:51:07,110

whenever the Challenger contacted the

1236

00:51:11,390 --> 00:51:09,840

New York side he used a mobile phone but

1237

00:51:13,400 --> 00:51:11,400

he didn't do it in the room so you

1238

00:51:14,900 --> 00:51:13,410

couldn't hear him that's right speaking

1239

00:51:17,210 --> 00:51:14,910

to the people well we don't know whether

1240

00:51:18,680 --> 00:51:17,220

he spoke to them well I actually asked

1241

00:51:20,300 --> 00:51:18,690

him at a certain point because when the

1242

00:51:23,630 --> 00:51:20,310

wood didn't show up asked him do they

1243

00:51:25,190 --> 00:51:23,640

know the address and he said yes okay

1244

00:51:27,650 --> 00:51:25,200

tell me what address you told him he

1245

00:51:29,680 --> 00:51:27,660

told me was the right address I said how

1246

00:51:32,930 --> 00:51:29,690

did you convey the address to them

1247

00:51:35,510 --> 00:51:32,940

telepathic well no you know if used to

1248

00:51:37,640 --> 00:51:35,520

answer I said look this is not about the

1249

00:51:39,530 --> 00:51:37,650

test now I want to know that we're not

1250

00:51:41,240 --> 00:51:39,540

just sitting here wasting our time did

1251  
00:51:43,130 --> 00:51:41,250  
you convey the message is the message to

1252  
00:51:45,350 --> 00:51:43,140  
them the rest of them in some kind of

1253  
00:51:46,880 --> 00:51:45,360  
way that we know not you're just you but

1254  
00:51:49,250 --> 00:51:46,890  
we can know that he's actually

1255  
00:51:51,800 --> 00:51:49,260  
legitimately been received by them and

1256  
00:51:54,020 --> 00:51:51,810  
he refused to answer that question so

1257  
00:51:56,030 --> 00:51:54,030  
that probably lens Alou is interesting

1258  
00:51:58,040 --> 00:51:56,040  
our we were in that office yeah putting

1259  
00:52:01,040 --> 00:51:58,050  
out thumbs right yes yes nice office

1260  
00:52:02,750 --> 00:52:01,050  
nice office good hbu so what's the

1261  
00:52:04,730 --> 00:52:02,760  
protocol mouthing because I understand

1262  
00:52:06,470 --> 00:52:04,740  
that with the jf if they test someone

1263  
00:52:08,120 --> 00:52:06,480

pulling into a preliminary tests and

1264

00:52:10,070 --> 00:52:08,130

they fail and I don't know whether you

1265

00:52:11,900 --> 00:52:10,080

can call this failing or not then that

1266

00:52:14,150 --> 00:52:11,910

person has to wait 12 months to try

1267

00:52:16,040 --> 00:52:14,160

again do we have a protocol similar to

1268

00:52:17,840 --> 00:52:16,050

that I don't think we have enough fun no

1269

00:52:21,590 --> 00:52:17,850

we don't have a formal one but he sent a

1270

00:52:24,170 --> 00:52:21,600

letter explaining it and basically asked

1271

00:52:27,860 --> 00:52:24,180

you to be just again but his explanation

1272

00:52:29,540 --> 00:52:27,870

was it was a bit short of an eight-pitch

1273

00:52:31,250 --> 00:52:29,550

a bit short of an apology i would say

1274

00:52:33,830 --> 00:52:31,260

i'm sure like a bit short in the sense

1275

00:52:35,780 --> 00:52:33,840

that it was not an apology no it was

1276

00:52:37,790 --> 00:52:35,790

like there's not a word of regret there

1277

00:52:40,280 --> 00:52:37,800

or sorry about wasting your time and all

1278

00:52:42,140 --> 00:52:40,290

that he was not only out time that how

1279

00:52:44,450 --> 00:52:42,150

many uses that either this in sydney in

1280

00:52:46,640 --> 00:52:44,460

two in New York yes yeah yeah and we

1281

00:52:48,260 --> 00:52:46,650

spend quite a bit of not a huge amount

1282

00:52:50,510 --> 00:52:48,270

of money but you know quite a bit of

1283

00:52:51,950 --> 00:52:50,520

money on edge and time and and the all

1284

00:52:56,120 --> 00:52:51,960

the efforts around putting things

1285

00:52:58,180 --> 00:52:56,130

together it was just really a bit a bit

1286

00:52:59,920 --> 00:52:58,190

of of the mark

1287

00:53:01,420 --> 00:52:59,930

his letter so I I don't think will test

1288

00:53:03,010 --> 00:53:01,430

him again but we'll see we'll see but

1289

00:53:04,690 --> 00:53:03,020

he's also spent a fair bit of money

1290

00:53:06,280 --> 00:53:04,700

hasn't he because he's a hired lawyers

1291

00:53:08,290 --> 00:53:06,290

in the process of setting up the

1292

00:53:10,690 --> 00:53:08,300

protocol and which is why we tend to

1293

00:53:13,180 --> 00:53:10,700

believe that he genuinely believes his

1294

00:53:14,590 --> 00:53:13,190

lawyer said he does have a mobile a very

1295

00:53:17,620 --> 00:53:14,600

York that doesn't have a very

1296

00:53:19,090 --> 00:53:17,630

interesting story indeed what was

1297

00:53:21,460 --> 00:53:19,100

interesting being in Sydney and if you

1298

00:53:23,380 --> 00:53:21,470

want to read about the point of view of

1299

00:53:27,070 --> 00:53:23,390

our friends in New York you can go to

1300

00:53:29,620 --> 00:53:27,080

Gotham skeptic dot org and read their

1301  
00:53:31,570 --> 00:53:29,630  
blog from those poor people freezing on

1302  
00:53:34,150 --> 00:53:31,580  
the corner in New York now we're going

1303  
00:53:36,850 --> 00:53:34,160  
to buy the magic of the Internet's be

1304  
00:53:38,440 --> 00:53:36,860  
transported to maynard's corner that may

1305  
00:53:40,390 --> 00:53:38,450  
not podcasting corner and just on a

1306  
00:53:41,950 --> 00:53:40,400  
conspiracy sidekick there what about

1307  
00:53:44,320 --> 00:53:41,960  
that journalists from the village voice

1308  
00:53:47,350 --> 00:53:44,330  
that was kidnapped by vampires and maybe

1309  
00:53:49,420 --> 00:53:47,360  
dead oh oh oh shoot his story on that on

1310  
00:53:51,400 --> 00:53:49,430  
vampires in the 90s and disappeared and

1311  
00:53:53,320 --> 00:53:51,410  
some people say she was bumped off by

1312  
00:53:55,180 --> 00:53:53,330  
the Russian mob some people say she

1313  
00:53:58,690 --> 00:53:55,190

committed suicide but I say vampires

1314

00:54:00,550 --> 00:53:58,700

took and ate Harold well I don't know i

1315

00:54:04,420 --> 00:54:00,560

mean really do I really have to give a

1316

00:54:06,820 --> 00:54:04,430

reason tell me let's look at this

1317

00:54:09,070 --> 00:54:06,830

logically we got the shin she'd pissed

1318

00:54:10,750 --> 00:54:09,080

off the Russian mob some people think

1319

00:54:12,550 --> 00:54:10,760

she was a bit depressed but she

1320

00:54:14,770 --> 00:54:12,560

disappeared and she just recently done a

1321

00:54:15,850 --> 00:54:14,780

story on vampires so I feel kind of

1322

00:54:19,000 --> 00:54:15,860

vampires but that the traditional

1323

00:54:21,220 --> 00:54:19,010

vampires the button down there the New

1324

00:54:24,520 --> 00:54:21,230

York guys that want to look as good as

1325

00:54:26,560 --> 00:54:24,530

angel but aren't ah vampires yeah those

1326

00:54:28,330 --> 00:54:26,570

ones here and that was a scary scene

1327

00:54:32,100 --> 00:54:28,340

that's like a story someone told me the

1328

00:54:34,210 --> 00:54:32,110

other day may nod about how this guy

1329

00:54:36,730 --> 00:54:34,220

meditated himself to sleep on a plane

1330

00:54:38,350 --> 00:54:36,740

and that was amazing and I said yeah

1331

00:54:40,630 --> 00:54:38,360

that's amazing because every night I

1332

00:54:44,860 --> 00:54:40,640

meditate myself asleep I shut my eyes

1333

00:54:47,290 --> 00:54:44,870

but I fall asleep but I take a six pack

1334

00:54:49,330 --> 00:54:47,300

some nights to get myself after 6 i'm

1335

00:54:53,320 --> 00:54:49,340

just i was looking through in let's see

1336

00:54:54,520 --> 00:54:53,330

ya i medicate myself to sleep and anyway

1337

00:54:56,230 --> 00:54:54,530

but back to what they were doing in

1338

00:54:58,210 --> 00:54:56,240

bernards podcasting corner here and a

1339

00:55:00,610 --> 00:54:58,220

big cheerio and a shout out to the it's

1340

00:55:02,560 --> 00:55:00,620

the eighth birthday radio nowhere in the

1341

00:55:04,510 --> 00:55:02,570

UK they've been doing independent music

1342

00:55:06,880 --> 00:55:04,520

and I've got to say a lot of hours but

1343

00:55:08,050 --> 00:55:06,890

if you listen to podcast check out all

1344

00:55:10,070 --> 00:55:08,060

their podcast I've got about eight

1345

00:55:12,950 --> 00:55:10,080

different ones and one of them is filmic

1346

00:55:15,410 --> 00:55:12,960

which I think is great for its all film

1347

00:55:17,000 --> 00:55:15,420

music and film theme music from all over

1348

00:55:19,010 --> 00:55:17,010

the place and the christopher LED show

1349

00:55:21,830 --> 00:55:19,020

he's the most polite man in the universe

1350

00:55:25,550 --> 00:55:21,840

when he says ass it sounds almost like a

1351  
00:55:28,670 --> 00:55:25,560  
nice word also big shout out to a fellow

1352  
00:55:31,250 --> 00:55:28,680  
skeptical and atheist friends in the US

1353  
00:55:33,890 --> 00:55:31,260  
the girls that look at his butt now that

1354  
00:55:36,500 --> 00:55:33,900  
is the all about William Shatner William

1355  
00:55:37,760 --> 00:55:36,510  
shout that and sex toys and girls I want

1356  
00:55:39,170 --> 00:55:37,770  
you to do something on the fleshlight

1357  
00:55:41,000 --> 00:55:39,180  
okay that's what i want you to assign

1358  
00:55:43,520 --> 00:55:41,010  
the question about william chapman well

1359  
00:55:45,530 --> 00:55:43,530  
i think we all do i think i was reading

1360  
00:55:47,120 --> 00:55:45,540  
a certain magazine i have that claimed

1361  
00:55:49,700 --> 00:55:47,130  
that william shatner sold one of his

1362  
00:55:51,860 --> 00:55:49,710  
kidney stones to an online casino for 35

1363  
00:55:53,300 --> 00:55:51,870

thousand dollars can you get your

1364

00:55:55,460 --> 00:55:53,310

William Shatner friends to confirm more

1365

00:55:57,410 --> 00:55:55,470

than either okay look at these but girls

1366

00:56:00,170 --> 00:55:57,420

get in contact with us because we'd like

1367

00:56:01,700 --> 00:56:00,180

to know it's as they say he's a skill so

1368

00:56:02,930 --> 00:56:01,710

it doesn't surprise me that's the kind

1369

00:56:04,220 --> 00:56:02,940

of thing he would do but he might have

1370

00:56:06,050 --> 00:56:04,230

done it for charity there's a new series

1371

00:56:08,060 --> 00:56:06,060

coming on SBS with William Shatner about

1372

00:56:11,420 --> 00:56:08,070

the unknown and strange actually people

1373

00:56:13,340 --> 00:56:11,430

don't ya and also I've been doing some

1374

00:56:15,200 --> 00:56:13,350

work with you stream and they'll be the

1375

00:56:17,180 --> 00:56:15,210

mad club now has an official ustream

1376

00:56:19,610 --> 00:56:17,190

site so on set that night between ten

1377

00:56:22,160 --> 00:56:19,620

and ten thirty the mad struggle mad club

1378

00:56:24,110 --> 00:56:22,170

will be live on ustream you can find out

1379

00:56:27,080 --> 00:56:24,120

about that at the mad club facebook page

1380

00:56:29,810 --> 00:56:27,090

and one last thing our good friends

1381

00:56:31,820 --> 00:56:29,820

David Horan Steven and his friends Casey

1382

00:56:33,410 --> 00:56:31,830

the wonder dog yes I went did a great

1383

00:56:35,390 --> 00:56:33,420

story on them and it's up on the ABC

1384

00:56:37,790 --> 00:56:35,400

website it's called Casey the wonder dog

1385

00:56:40,220 --> 00:56:37,800

so look up Casey the wonder dog Maynard

1386

00:56:43,880 --> 00:56:40,230

on the ABC website or you could go to

1387

00:56:45,620 --> 00:56:43,890

the ABC net do you / Newcastle website k

1388

00:56:47,810 --> 00:56:45,630

see the wonder dog and you will hear see

1389

00:56:49,130 --> 00:56:47,820

photos of Casey actually aggressively

1390

00:56:51,380 --> 00:56:49,140

playing with a ball and as a guide dog

1391

00:56:53,720 --> 00:56:51,390

you don't normally see their teeth beds

1392

00:56:55,670 --> 00:56:53,730

that's kind of cool and you'll also and

1393

00:56:57,680 --> 00:56:55,680

look I tried to still looking a bit it

1394

00:57:00,260 --> 00:56:57,690

was vision impaired so I kept trying to

1395

00:57:03,590 --> 00:57:00,270

steal vodka out of the freezer and the

1396

00:57:08,300 --> 00:57:06,260

I gotta say done kk seems pretty cool

1397

00:57:10,760 --> 00:57:08,310

she knows he's on the job there this is

1398

00:57:14,180 --> 00:57:10,770

you rescue any children from wells no

1399

00:57:19,690 --> 00:57:14,190

but she did go rule what's up Casey only

1400

00:57:22,070 --> 00:57:19,700

half a bottle Maenads into the absolute

1401  
00:57:24,530 --> 00:57:22,080  
so heavily that that's Casey the wonder

1402  
00:57:26,300 --> 00:57:24,540  
dog at ABC net that are you / newcastle

1403  
00:57:28,400 --> 00:57:26,310  
have a look and have a listen and if you

1404  
00:57:30,290 --> 00:57:28,410  
like the story tell us if you don't like

1405  
00:57:34,760 --> 00:57:30,300  
the story as they say in australia up

1406  
00:57:41,990 --> 00:57:34,770  
your bum why don't want it interesting I

1407  
00:57:45,350 --> 00:57:42,000  
don't know what to say it starts as a

1408  
00:57:47,330 --> 00:57:45,360  
bit it's dr. H II some boys sound like

1409  
00:57:49,070 --> 00:57:47,340  
the audience full frequency I wanna know

1410  
00:57:50,990 --> 00:57:49,080  
right she's having too much fun of that

1411  
00:57:52,550 --> 00:57:51,000  
app folks while will let Rach you have a

1412  
00:57:53,990 --> 00:57:52,560  
lot of fun with that out with a final

1413  
00:57:55,880 --> 00:57:54,000

word from me that if you're looking for

1414

00:58:01,870 --> 00:57:55,890

that Christmas present for that special

1415

00:58:05,960 --> 00:58:04,520

that's a musical that maybe get this is

1416

00:58:10,420 --> 00:58:05,970

this is one of these great rap tracks i

1417

00:58:19,089 --> 00:58:13,990

Thank You Metta skeptic and bros dot-com

1418

00:58:21,040 --> 00:58:19,099

folks these three this tank is getting

1419

00:58:23,380 --> 00:58:21,050

out of control skeptic bros come for

1420

00:58:25,000 --> 00:58:23,390

your placebo band only two dollars get

1421

00:58:28,210 --> 00:58:25,010

them while they last I'd like to thank

1422

00:58:29,770 --> 00:58:28,220

everybody here burping dr. AG I just

1423

00:58:33,760 --> 00:58:29,780

don't mean to press that button thank

1424

00:58:35,440 --> 00:58:33,770

you thank you change thank you thank you

1425

00:58:36,849 --> 00:58:35,450

may not I didn't mean to press that

1426

00:58:39,190 --> 00:58:36,859

button I'm disappointed results that's

1427

00:58:42,670 --> 00:58:39,200

Maynard calm that are you tune in and

1428

00:58:45,790 --> 00:58:42,680

drop out i did hero of the week Jason to

1429

00:58:48,940 --> 00:58:45,800

his Richard www my colleagues radiance

1430

00:58:51,220 --> 00:58:48,950

calm handle rants again thank you to and

1431

00:59:25,420 --> 00:58:51,230

until next time cheers from the think

1432

00:59:30,620 --> 00:59:27,710

thank you for listening to the skeptic

1433

00:59:32,030 --> 00:59:30,630

zone the next few episodes should be

1434

00:59:34,309 --> 00:59:32,040

interesting I think we've got some Tam

1435

00:59:36,680 --> 00:59:34,319

guests coming up pretty soon I might

1436

00:59:38,750 --> 00:59:36,690

grab an interview or two not sure what

1437

00:59:40,220 --> 00:59:38,760

the episode is going to be like when tam

1438

00:59:42,349 --> 00:59:40,230

itself is on I'll be running around

1439

00:59:43,849 --> 00:59:42,359

quite crazily doing lots of things but

1440

00:59:45,770 --> 00:59:43,859

i'll try to grab some interesting things

1441

00:59:47,750 --> 00:59:45,780

for you don't forget to keep wearing

1442

00:59:50,299 --> 00:59:47,760

those placebo bands three or four on

1443

00:59:52,520 --> 00:59:50,309

your wrist gets comments and then you

1444

00:59:56,180 --> 00:59:52,530

can explain to people why you're wearing

1445

00:59:58,579 --> 00:59:56,190

them skeptic bros calm until next week's

1446

01:00:03,849 --> 00:59:58,589

episode this is Richard Saunders signing

1447

01:00:10,250 --> 01:00:06,260

you've been listening to the skeptic

1448

01:00:14,059 --> 01:00:10,260

zone visit our website at wwc a petting

1449

01:00:17,270 --> 01:00:14,069

zoo TV for comments contacts and extra
