1
00:00:30,159 --> 00:00:28,420
hello from Sydney Australia Richard

2
00:00:33,220 --> 00:00:30,169
Saunders here with you once again for

3
00:00:38,319 --> 00:00:33,230
the skeptics own podcast show number 12

4
00:00:40,360 --> 00:00:38,329
for the ninth of January 2009 a special

5
00:00:43,660 --> 00:00:40,370
episode we're going to be looking at

6
00:00:45,759 --> 00:00:43,670
UFOs will kick off with an interview we

7
00:00:48,399 --> 00:00:45,769
conducted a few weeks ago with our good

8
00:00:50,380 --> 00:00:48,409
friend and UFO expert dr. Steve Roberts

9
00:00:52,330 --> 00:00:50,390
and then we'll find out what some other

10
00:01:03,319 --> 00:00:52,340
people have to say about their

11
00:01:07,880 --> 00:01:06,260
is the truth out there probably not

12
00:01:10,280 --> 00:01:07,890
probably not I don't know but I know the

13
00:01:12,170 --> 00:01:10,290

truth is in here in my lounge room

14

00:01:13,760 --> 00:01:12,180

tonight because I've got Steve Roberts

15

00:01:16,310 --> 00:01:13,770

from the Australian skeptics who is our

16

00:01:18,440 --> 00:01:16,320

UFO expert hello Steve hello Richard how

17

00:01:19,969 --> 00:01:18,450

are you go really well thank you for

18

00:01:21,830 --> 00:01:19,979

dinner by the way that was great Steve

19

00:01:23,510 --> 00:01:21,840

cooked us a lovely dinner I don't cook

20

00:01:25,310 --> 00:01:23,520

it you cooked it my balls are you helped

21

00:01:27,380 --> 00:01:25,320

cook a chicken to the pan you turn the

22

00:01:29,149 --> 00:01:27,390

gas on under it goodness I supposed to

23

00:01:31,609 --> 00:01:29,159

really speaking to you cooked it then I

24

00:01:36,039 --> 00:01:31,619

just prepared it it was chicken not good

25

00:01:39,620 --> 00:01:36,049

hey des I am Amanda Rose delicious and

26
00:01:40,910 --> 00:01:39,630
it's not been DeRozan dr. Richard them

27
00:01:43,279 --> 00:01:40,920
up for joining us here in my land room

28
00:01:46,850 --> 00:01:43,289
and joining us virtually joining us via

29
00:01:48,649 --> 00:01:46,860
Skype from Perth is Kylie Sturgis yes

30
00:01:50,449 --> 00:01:48,659
I'm here in spirit but obviously I

31
00:01:52,910 --> 00:01:50,459
obviously I missed out on the dinner

32
00:01:54,350 --> 00:01:52,920
elements but never mind I'm feasting my

33
00:01:56,210 --> 00:01:54,360
eyes at the moment on the wonderful

34
00:01:58,219 --> 00:01:56,220
speed Roberts who I can see in my teeny

35
00:02:00,260 --> 00:01:58,229
tiny skype screen well I'm a couple of

36
00:02:01,550 --> 00:02:00,270
hours behind so I guess I'll rector had

37
00:02:05,570 --> 00:02:01,560
some virtual do you know a little bit

38
00:02:07,219 --> 00:02:05,580

later I guess nevermind now we are very

39

00:02:10,910 --> 00:02:07,229

interested Steve we are married

40

00:02:13,009 --> 00:02:10,920

interesting or infested both in tonight

41

00:02:15,559 --> 00:02:13,019

in the topics of our the top of getting

42

00:02:18,350 --> 00:02:15,569

UFOs unidentified flying objects but I

43

00:02:21,619 --> 00:02:18,360

must say more specifically the claims of

44

00:02:23,780 --> 00:02:21,629

alien ships visiting earth well that's a

45

00:02:26,780 --> 00:02:23,790

specific subset of the UFO culture hmm

46

00:02:30,890 --> 00:02:26,790

but the old 1950s belief is that the the

47

00:02:33,160 --> 00:02:30,900

unknown thing seen or whatever they were

48

00:02:35,780 --> 00:02:33,170

well actually alien ships visiting but

49

00:02:37,780 --> 00:02:35,790

that becomes an implausible for various

50

00:02:40,670 --> 00:02:37,790

reasons so other people make other

51
00:02:42,619 --> 00:02:40,680
explanations for it like there may be a

52
00:02:44,839 --> 00:02:42,629
ibiza live on the earth or they're sort

53
00:02:47,750 --> 00:02:44,849
of psychic emanations or its military

54
00:02:49,040 --> 00:02:47,760
testing secret stuff which is anybody

55
00:02:51,500 --> 00:02:49,050
comes to study that's all very well but

56
00:02:53,630 --> 00:02:51,510
you know when the general population the

57
00:02:55,430 --> 00:02:53,640
general public hear the term UFO in

58
00:02:57,949 --> 00:02:55,440
their heads they're thinking alien

59
00:02:59,000 --> 00:02:57,959
spacecraft from another planet suppose

60
00:03:00,979 --> 00:02:59,010
people the two things are synonymous

61
00:03:03,440 --> 00:03:00,989
yeah so you ever think well there's a

62
00:03:05,330 --> 00:03:03,450
good Gary Larson car to this topic about

63
00:03:07,040 --> 00:03:05,340

there's an alien called thug or

64

00:03:08,990 --> 00:03:07,050

something and in front of a committee of

65

00:03:10,670 --> 00:03:09,000

aliens and they're saying so professor

66

00:03:13,309 --> 00:03:10,680

thought you're applying for a grant to

67

00:03:14,630 --> 00:03:13,319

go and fly to this earth planet Landon

68

00:03:19,160 --> 00:03:14,640

is it will calm down the funnel some

69

00:03:20,720 --> 00:03:19,170

people then fly back again so if the

70

00:03:22,460 --> 00:03:20,730

aliens come all the way here it would be

71

00:03:25,460 --> 00:03:22,470

a very laborious journey in fact from

72

00:03:27,890 --> 00:03:25,470

anywhere else it is become isn't it

73

00:03:30,289 --> 00:03:27,900

Steve just to serve maybe make some

74

00:03:31,759 --> 00:03:30,299

marks in some crops or you'd make a

75

00:03:33,050 --> 00:03:31,769

bigger bang if you got here I think

76

00:03:35,839 --> 00:03:33,060

you're doing like that you land on the

77

00:03:37,789 --> 00:03:35,849

White House lawn I see the film um the

78

00:03:39,140 --> 00:03:37,799

day the earth stood still with the

79

00:03:42,110 --> 00:03:39,150

flying saucer that she does land on the

80

00:03:44,900 --> 00:03:42,120

White House lawn and the alien gets out

81

00:03:46,759 --> 00:03:44,910

and done I showed that when I was at uni

82

00:03:49,039 --> 00:03:46,769

ways to hire those films five quitter

83

00:03:51,920 --> 00:03:49,049

time and child people to go in and throw

84

00:03:54,920 --> 00:03:51,930

paper darts and then the heavy line

85

00:03:56,990 --> 00:03:54,930

character in that new zoo 30 alien stops

86

00:03:58,610 --> 00:03:57,000

a passerby as his son who's the most

87

00:04:02,930 --> 00:03:58,620

important man in this country and some

88

00:04:04,850 --> 00:04:02,940

of the others hear that Bob Dylan no

89

00:04:07,190 --> 00:04:04,860

actually sounds like a really good film

90

00:04:09,140 --> 00:04:07,200

nice suggestion for a skeptics group

91

00:04:11,210 --> 00:04:09,150

quite frankly it would be amazing yeah

92

00:04:12,530 --> 00:04:11,220

leave nineteen fifties Alien films and

93

00:04:15,020 --> 00:04:12,540

sit around and have a lot of fun with

94

00:04:16,940 --> 00:04:15,030

them know that the do belong holders are

95

00:04:19,069 --> 00:04:16,950

amazing there's an episode where the

96

00:04:21,770 --> 00:04:19,079

woman who's an earth woman gets stunned

97

00:04:23,990 --> 00:04:21,780

or knocked out and the robot picks them

98

00:04:25,900 --> 00:04:24,000

up and cozy with the spacecraft and the

99

00:04:27,969 --> 00:04:25,910

orders just went mildly do that

100

00:04:32,860 --> 00:04:27,979

imagining what was going to happen mixed

101
00:04:35,540 --> 00:04:32,870
with seven foot robot jump jump but

102
00:04:36,830 --> 00:04:35,550
don't go there Dewey's now Kyla I know

103
00:04:38,950 --> 00:04:36,840
that you've been doing a little bit of

104
00:04:41,120 --> 00:04:38,960
research for us tonight do you have any

105
00:04:44,420 --> 00:04:41,130
questions to put the Steve that might

106
00:04:47,150 --> 00:04:44,430
stop him well one of the questions that

107
00:04:49,820 --> 00:04:47,160
i have is really how skeptical can one

108
00:04:51,920 --> 00:04:49,830
get i mean we've had stephen hawking

109
00:04:54,560 --> 00:04:51,930
saying that yes there's a possibility

110
00:04:56,930 --> 00:04:54,570
we've already had a city for quite some

111
00:05:00,379 --> 00:04:56,940
time saying absence of evidence isn't

112
00:05:02,180 --> 00:05:00,389
absurd evidence of absence and yet we

113
00:05:04,219 --> 00:05:02,190

seem to have two extremes we've got one

114

00:05:06,379 --> 00:05:04,229

side where people are saying yes there

115

00:05:09,290 --> 00:05:06,389

are aliens in fact i got impregnated by

116

00:05:13,860 --> 00:05:09,300

a blonde version of marge simpson and

117

00:05:19,300 --> 00:05:16,629

beside me can you get a phone numbers

118

00:05:21,010 --> 00:05:19,310

let's cut funding to any sort of

119

00:05:22,990 --> 00:05:21,020

investigation of space whatsoever

120

00:05:25,659 --> 00:05:23,000

because it's pointless nothing's

121

00:05:27,339 --> 00:05:25,669

happened for decades it's all loonies

122

00:05:28,899 --> 00:05:27,349

who say these sorts of things so where's

123

00:05:32,050 --> 00:05:28,909

the middle ground and what point do you

124

00:05:34,510 --> 00:05:32,060

say okay this is healthy skepticism and

125

00:05:35,710 --> 00:05:34,520

this is actually benefiting science ok

126

00:05:37,180 --> 00:05:35,720

we're going to separate city from the

127

00:05:39,700 --> 00:05:37,190

rest of it we were city it's actually a

128

00:05:41,469 --> 00:05:39,710

search for things that are out there and

129

00:05:42,969 --> 00:05:41,479

more should be out there and they going

130

00:05:46,180 --> 00:05:42,979

to be made out there are you looking for

131

00:05:49,089 --> 00:05:46,190

radio radio signals or any color signals

132

00:05:50,589 --> 00:05:49,099

from submissive civilization if we got

133

00:05:52,029 --> 00:05:50,599

one it we created a boy it's like a

134

00:05:53,460 --> 00:05:52,039

conversation out of it and it will be

135

00:05:56,110 --> 00:05:53,470

important to detect that it is

136

00:05:58,689 --> 00:05:56,120

detectable it's worth with a small

137

00:06:00,730 --> 00:05:58,699

amount of money to have a try yeah I

138

00:06:02,439 --> 00:06:00,740

don't know sort of cancel it I want the

139

00:06:05,409 --> 00:06:02,449

phones will be canceled together I want

140

00:06:07,089 --> 00:06:05,419

serious funding to go to it in so to

141

00:06:08,350 --> 00:06:07,099

deplete welfare organizations or

142

00:06:09,909 --> 00:06:08,360

whatever so it's the question of how

143

00:06:11,469 --> 00:06:09,919

much money should go into it and the

144

00:06:14,619 --> 00:06:11,479

answer is not much but something should

145

00:06:17,020 --> 00:06:14,629

go into it well sadly up the suggestion

146

00:06:18,610 --> 00:06:17,030

which was put forward by fellow I think

147

00:06:21,279 --> 00:06:18,620

I was involved with the anima project it

148

00:06:23,320 --> 00:06:21,289

was back in Maine in Denver the extra

149

00:06:25,870 --> 00:06:23,330

campaign where a fellow called pigment

150

00:06:28,330 --> 00:06:25,880

said that he wanted 75 thousand dollars

151
00:06:29,769 --> 00:06:28,340
annually for the CEO County of Denver in

152
00:06:32,260 --> 00:06:29,779
order to check whether or not there is

153
00:06:34,240 --> 00:06:32,270
going to be extraterrestrial landings

154
00:06:38,019 --> 00:06:34,250
what should they do in preparation well

155
00:06:40,089 --> 00:06:38,029
I think that job yeah 55 third year well

156
00:06:41,559 --> 00:06:40,099
that's a different hypotheses than warm

157
00:06:44,290 --> 00:06:41,569
up in phosphorus one that this is

158
00:06:46,269 --> 00:06:44,300
unlikely to happen yeah it hasn't

159
00:06:47,350 --> 00:06:46,279
happened so far I mean if you forget

160
00:06:49,959 --> 00:06:47,360
about city down and go to the

161
00:06:52,149 --> 00:06:49,969
traditional meaning of UFOs alien craft

162
00:06:54,309 --> 00:06:52,159
or there has been no evidence so far now

163
00:06:56,290 --> 00:06:54,319

somebody might come tomorrow that that

164

00:06:58,870 --> 00:06:56,300

will be wonderful but so far everything

165

00:07:00,879 --> 00:06:58,880

that has apparently been a lady of

166

00:07:03,820 --> 00:07:00,889

spacecraft turns out to be a hoax or two

167

00:07:05,860 --> 00:07:03,830

fuzzy or not enough evidence and we've

168

00:07:08,379 --> 00:07:05,870

got of 60 years this people have pretty

169

00:07:10,779 --> 00:07:08,389

tired of it so I'm and the actually came

170

00:07:13,450 --> 00:07:10,789

to hit 50 after 50 years of just 10

171

00:07:15,330 --> 00:07:13,460

years ago now 11 years ago now with the

172

00:07:19,809 --> 00:07:15,340

anniversary of the siding it was well

173

00:07:21,820 --> 00:07:19,819

what was that 1998 Sun 97 98 98 and the

174

00:07:23,320 --> 00:07:21,830

media were forced for the first time to

175

00:07:24,959 --> 00:07:23,330

report the sea bean because it was

176

00:07:27,519 --> 00:07:24,969

actually a newsworthy

177

00:07:29,709 --> 00:07:27,529

and they decided to take a sort of

178

00:07:31,509 --> 00:07:29,719

silicon line to it that you know was

179

00:07:34,029 --> 00:07:31,519

well as having a big party in the town

180

00:07:35,769 --> 00:07:34,039

of oz well and this can't really be

181

00:07:37,719 --> 00:07:35,779

serious you know they they can't really

182

00:07:39,519 --> 00:07:37,729

take the UFO FILES seriously and that

183

00:07:41,499 --> 00:07:39,529

was a slot the media began to take on

184

00:07:44,259 --> 00:07:41,509

the after this we made that way ever

185

00:07:46,989 --> 00:07:44,269

since but up until then UFOs the through

186

00:07:49,059 --> 00:07:46,999

the 1990s UFOs were taken seriously by

187

00:07:52,749 --> 00:07:49,069

the media those are sort of hangover

188

00:07:55,719 --> 00:07:52,759

from the the more credible gullible

189

00:07:58,029 --> 00:07:55,729

times before that but it's all the

190

00:08:00,219 --> 00:07:58,039

people who say there's something going

191

00:08:02,319 --> 00:08:00,229

on to putting some evidence and media a

192

00:08:04,389 --> 00:08:02,329

film with some fuzzy lights is not good

193

00:08:06,369 --> 00:08:04,399

enough you need a piece of metal from

194

00:08:07,569 --> 00:08:06,379

Alpha Centauri I or something of the

195

00:08:08,919 --> 00:08:07,579

different light of that concentration

196

00:08:10,179 --> 00:08:08,929

you couldn't make on the earth what

197

00:08:11,709 --> 00:08:10,189

would be a good bit of evidence well

198

00:08:13,989 --> 00:08:11,719

what do you think of all that don't they

199

00:08:16,029 --> 00:08:13,999

they just they say they have of that

200

00:08:18,189 --> 00:08:16,039

they say they're happy but will you ask

201
00:08:20,139 --> 00:08:18,199
where they say oh I lost it I mean how

202
00:08:23,439 --> 00:08:20,149
can you lose probably not giving it to

203
00:08:25,509 --> 00:08:23,449
the test oh oh i see days in the

204
00:08:30,159 --> 00:08:25,519
believers not pick the government you

205
00:08:31,779 --> 00:08:30,169
say is not telling you follow justice

206
00:08:33,909 --> 00:08:31,789
yeah the slate owners gave me an

207
00:08:36,189 --> 00:08:33,919
artifact who say well can we see so what

208
00:08:39,279 --> 00:08:36,199
I lost it or the spectators took it away

209
00:08:41,949 --> 00:08:39,289
again or we also many dances came and

210
00:08:43,869 --> 00:08:41,959
took it away don't we have Australia's

211
00:08:47,170 --> 00:08:43,879
most I don't want to get controversial

212
00:08:51,429 --> 00:08:47,180
but Australia's foremost ufologist who

213
00:08:55,179 --> 00:08:51,439

says he has DNA and before machinery so

214

00:08:57,699 --> 00:08:55,189

on I seem to record doing an interview

215

00:08:59,470 --> 00:08:57,709

myself on that particular topic and how

216

00:09:01,269 --> 00:08:59,480

even in an interview which i believe is

217

00:09:04,299 --> 00:09:01,279

available on youtube thanks to richard

218

00:09:06,280 --> 00:09:04,309

putting up for me even he was starting

219

00:09:08,799 --> 00:09:06,290

to hesitate about the legitimacy of the

220

00:09:10,059 --> 00:09:08,809

DNA that he had i think people are

221

00:09:12,309 --> 00:09:10,069

probably more interested in the

222

00:09:14,079 --> 00:09:12,319

beautiful blonde woman who seems i've

223

00:09:17,850 --> 00:09:14,089

seen the picture is a picture of the

224

00:09:19,380 --> 00:09:17,860

woman that he has apparently had a

225

00:09:27,360 --> 00:09:19,390

encounter

226

00:09:29,790 --> 00:09:27,370

is a DNA with 150 150 genomes usually

227

00:09:31,380 --> 00:09:29,800

smelly if listeners a would like a

228

00:09:34,710 --> 00:09:31,390

little bit of research on their own they

229

00:09:36,840 --> 00:09:34,720

can google the name bill chalker bill

230

00:09:39,420 --> 00:09:36,850

chakra is a very nice man in one of

231

00:09:41,880 --> 00:09:39,430

Australia's stalwarts of the UFO

232

00:09:44,670 --> 00:09:41,890

industry at the up and he has written a

233

00:09:47,250 --> 00:09:44,680

book called I think for memory alien DNA

234

00:09:49,590 --> 00:09:47,260

or something like that well could be

235

00:09:52,350 --> 00:09:49,600

yeah yeah any worth googling build chalk

236

00:09:55,410 --> 00:09:52,360

and very very nice man I don't think we

237

00:09:56,760 --> 00:09:55,420

see eye to eye on everything I'm not

238

00:09:59,340 --> 00:09:56,770

aware of your choker I take it he's a

239

00:10:01,080 --> 00:09:59,350

believer he's the one day this guy well

240

00:10:03,120 --> 00:10:01,090

I wouldn't say that he did but it's the

241

00:10:05,460 --> 00:10:03,130

one that publishes books oh yeah when he

242

00:10:07,650 --> 00:10:05,470

is but then again he takes a believe in

243

00:10:10,770 --> 00:10:07,660

our he takes a lot more skeptical view

244

00:10:12,900 --> 00:10:10,780

than most UFO are some researchers

245

00:10:15,360 --> 00:10:12,910

nonetheless she says he has the island

246

00:10:18,240 --> 00:10:15,370

dinner well there you go or strange the

247

00:10:19,860 --> 00:10:18,250

a or strange DNA is 820 genomes in its

248

00:10:21,660 --> 00:10:19,870

first piece so the obvious this blonde

249

00:10:23,760 --> 00:10:21,670

woman is very effective and very very

250

00:10:31,470 --> 00:10:23,770

very stupid if that's her thing a nice

251
00:10:33,360 --> 00:10:31,480
Tony gallant era so did ya do a search

252
00:10:34,710 --> 00:10:33,370
online you'll find that there's quite a

253
00:10:37,110 --> 00:10:34,720
bit about the blonde hair and wear it

254
00:10:39,510 --> 00:10:37,120
managed to get all over the place over

255
00:10:41,490 --> 00:10:39,520
to us have been quite a newbie because

256
00:10:42,930 --> 00:10:41,500
buses flicking through a couple of

257
00:10:44,970 --> 00:10:42,940
accounts of it then and it seems rather

258
00:10:47,610 --> 00:10:44,980
saucy which I guess is probably wise

259
00:10:49,500 --> 00:10:47,620
away from in our minds so much yeah so

260
00:10:51,390 --> 00:10:49,510
it would know the DAR some researchers

261
00:10:53,700 --> 00:10:51,400
his work is respected and Bill Chavez

262
00:10:59,190 --> 00:10:53,710
man Keith pastor field of essays another

263
00:11:02,250 --> 00:10:59,200

and John Rocket or spell a uch e-ttl of

264

00:11:04,590 --> 00:11:02,260

Victoria these are serious researchers

265

00:11:05,820 --> 00:11:04,600

that believe in UFOs but I'm looking for

266

00:11:08,360 --> 00:11:05,830

side of the evidence and they're looking

267

00:11:10,980 --> 00:11:08,370

in a stove in a scientific fashion and

268

00:11:12,570 --> 00:11:10,990

there are some sightings is usually

269

00:11:13,920 --> 00:11:12,580

highly credible and what do they look

270

00:11:15,840 --> 00:11:13,930

for Steve had of it well the

271

00:11:18,150 --> 00:11:15,850

investigator citing their work is

272

00:11:19,800 --> 00:11:18,160

reasonably good and unfortunate usually

273

00:11:21,690 --> 00:11:19,810

comes to nothing but yeah well I'm

274

00:11:23,580 --> 00:11:21,700

worrying usually yeah that they've

275

00:11:25,200 --> 00:11:23,590

written books odd you know nice to what

276

00:11:27,420 --> 00:11:25,210

evidence there is and there's nothing

277

00:11:27,990 --> 00:11:27,430

stopping for better get it depends what

278

00:11:31,860 --> 00:11:28,000

you mean

279

00:11:36,420 --> 00:11:31,870

course every time it's drawing a blank

280

00:11:38,220 --> 00:11:36,430

well I mean maybe if he starting if we

281

00:11:39,660 --> 00:11:38,230

pull aside he actually things creak

282

00:11:42,060 --> 00:11:39,670

there's a lot of scope creep of this

283

00:11:43,740 --> 00:11:42,070

there's a book by i think it was by

284

00:11:45,420 --> 00:11:43,750

Keith Buster field or maybe Robbie

285

00:11:48,270 --> 00:11:45,430

published a good book of Australian UFO

286

00:11:50,970 --> 00:11:48,280

sightings and there was one in bankstown

287

00:11:52,470 --> 00:11:50,980

and inside the book it said there was a

288

00:11:55,440 --> 00:11:52,480

sighting at Bankstown in two o'clock in

289

00:11:58,490 --> 00:11:55,450

the morning oh my god yes I and

290

00:12:00,450 --> 00:11:58,500

something suddenly saw a light and the

291

00:12:02,670 --> 00:12:00,460

streetlight swept through the street

292

00:12:05,130 --> 00:12:02,680

lights went dim okay in though in the

293

00:12:06,750 --> 00:12:05,140

jacket of the book all these I flapper

294

00:12:08,610 --> 00:12:06,760

the Jacka book coverage so there was a

295

00:12:10,710 --> 00:12:08,620

sighting in bankstown and the street

296

00:12:12,000 --> 00:12:10,720

lights went out and all the blurb on the

297

00:12:13,830 --> 00:12:12,010

back of the book it says there was a

298

00:12:16,170 --> 00:12:13,840

sighting in bankstown and the whole area

299

00:12:17,850 --> 00:12:16,180

we did for two hours ok now I try to

300

00:12:20,280 --> 00:12:17,860

focus either to try to teach us up I try

301
00:12:22,710 --> 00:12:20,290
to bring bankstown council as we just

302
00:12:24,510 --> 00:12:22,720
disappeared as such it's a new aerial a

303
00:12:26,850 --> 00:12:24,520
different name and there's no vehicles

304
00:12:30,780 --> 00:12:26,860
kick if it'll an area disappears

305
00:12:34,140 --> 00:12:30,790
completely politically behind be going

306
00:12:36,450 --> 00:12:34,150
on Venus pollution is over we're not

307
00:12:38,370 --> 00:12:36,460
very far from base elemental area yeah

308
00:12:40,230 --> 00:12:38,380
we better watch out they Lincoln nervous

309
00:12:42,300 --> 00:12:40,240
and services or those who may not know

310
00:12:43,890 --> 00:12:42,310
banks down as a suburb of Sydney not too

311
00:12:46,950 --> 00:12:43,900
far from here and it has its own little

312
00:12:49,140 --> 00:12:46,960
Airport obviously strange lights around

313
00:12:50,670 --> 00:12:49,150

an airport well you know how it is yeah

314

00:12:52,170 --> 00:12:50,680

if all the streetlights go dead for two

315

00:12:53,940 --> 00:12:52,180

hours you the council have a record of

316

00:12:55,829 --> 00:12:53,950

it like you know engineer was called out

317

00:12:58,140 --> 00:12:55,839

and was very grumpy you can use google

318

00:13:01,530 --> 00:12:58,150

earth to look at it on you tonight so

319

00:13:02,880 --> 00:13:01,540

long anyway um yeah the bit of scope

320

00:13:04,740 --> 00:13:02,890

creep even within the book you know

321

00:13:06,570 --> 00:13:04,750

that's I'll discuss these sightings get

322

00:13:08,880 --> 00:13:06,580

made bigger and bigger you even believe

323

00:13:10,710 --> 00:13:08,890

the book you're reading and this a known

324

00:13:12,780 --> 00:13:10,720

phenomenon of UFO sightings or story

325

00:13:14,670 --> 00:13:12,790

gets better and better not your stories

326

00:13:16,980 --> 00:13:14,680

of anything you're still using benish

327

00:13:18,720 --> 00:13:16,990

but I called the fish my fish is that on

328

00:13:20,430 --> 00:13:18,730

the 50 sniper where things grow over

329

00:13:22,800 --> 00:13:20,440

time you know I caught official as this

330

00:13:24,450 --> 00:13:22,810

big and note then it was this big and

331

00:13:26,250 --> 00:13:24,460

your Raquel and this huge you know let's

332

00:13:28,350 --> 00:13:26,260

I call that the fish cycle the Fisher

333

00:13:30,180 --> 00:13:28,360

cycle yeah okay yes can I ask you a

334

00:13:32,730 --> 00:13:30,190

question sir yes you can you've seen the

335

00:13:35,460 --> 00:13:32,740

most recent footage that we looked at

336

00:13:37,620 --> 00:13:35,470

the other night from Turkey the UFOs

337

00:13:39,639 --> 00:13:37,630

apparently over Turkey one of them looks

338

00:13:42,069 --> 00:13:39,649

suspiciously like the Romulan

339

00:13:43,960 --> 00:13:42,079

out of praise much like yeah but they

340

00:13:48,609 --> 00:13:43,970

were stars that knows he was his

341

00:13:50,079 --> 00:13:48,619

enterprise 370 wrong there fly of a

342

00:13:53,410 --> 00:13:50,089

turkey now though they were plastic

343

00:13:55,809 --> 00:13:53,420

models one of the things that was a

344

00:13:58,679 --> 00:13:55,819

detail at the time was that this footage

345

00:14:00,669 --> 00:13:58,689

it and if you google UFOs over turkey on

346

00:14:03,579 --> 00:14:00,679

youtube you'll find it will search for

347

00:14:05,079 --> 00:14:03,589

on youtube the footage is date stamped

348

00:14:07,119 --> 00:14:05,089

and so over a period of months this

349

00:14:09,340 --> 00:14:07,129

footage was taken but what I thought was

350

00:14:10,509 --> 00:14:09,350

interesting about it was despite the

351

00:14:12,790 --> 00:14:10,519

fact that they took it over several

352

00:14:14,499 --> 00:14:12,800

months at no point across the sort of

353

00:14:17,169 --> 00:14:14,509

six months standard I think to get a

354

00:14:19,809 --> 00:14:17,179

tripod or perhaps a better video all

355

00:14:22,900 --> 00:14:19,819

shaky candles oh yes handheld camera is

356

00:14:24,759 --> 00:14:22,910

very out of focus its but yeah very very

357

00:14:26,290 --> 00:14:24,769

safety it's really annoying that when

358

00:14:28,689 --> 00:14:26,300

you get a good sighting the young got a

359

00:14:30,489 --> 00:14:28,699

good camera with you it's always casting

360

00:14:32,410 --> 00:14:30,499

it's actually one of the big arguments

361

00:14:33,790 --> 00:14:32,420

against UFOs being anything significant

362

00:14:36,429 --> 00:14:33,800

that the back in nineteen fifty in the

363

00:14:38,559 --> 00:14:36,439

1950s it was some unusual to own a

364

00:14:40,239 --> 00:14:38,569

camera some people do things that you've

365

00:14:42,100 --> 00:14:40,249

been loading your own airplane or ugly

366

00:14:44,410 --> 00:14:42,110

speedboat now and some people did most

367

00:14:47,199 --> 00:14:44,420

people didn't so photography was not

368

00:14:49,419 --> 00:14:47,209

understood and fairly rare my dad bought

369

00:14:52,360 --> 00:14:49,429

a camera the late fifties and we were

370

00:14:54,369 --> 00:14:52,370

play with it is all very exciting unit

371

00:14:56,139 --> 00:14:54,379

but now anyone got a camera it was got a

372

00:14:58,780 --> 00:14:56,149

mobile phone all the kids have cameras

373

00:15:01,090 --> 00:14:58,790

on this more mr. Coderre must be very

374

00:15:03,489 --> 00:15:01,100

happy more pictures or more photography

375

00:15:06,249 --> 00:15:03,499

than ever before but it's still people

376

00:15:08,049 --> 00:15:06,259

feeling so pictures yeah I mean I talked

377

00:15:09,040 --> 00:15:08,059

about this a few weeks ago because we

378

00:15:11,949 --> 00:15:09,050

were talking about the crypto zoology

379

00:15:15,579 --> 00:15:11,959

and I read a report from someone saying

380

00:15:16,869 --> 00:15:15,589

that he saw this species and the last

381

00:15:19,660 --> 00:15:16,879

thing he thought of was to grab his

382

00:15:20,860 --> 00:15:19,670

camera now surely must be posted a first

383

00:15:22,179 --> 00:15:20,870

thing you think you've had but you

384

00:15:23,829 --> 00:15:22,189

generally would have a camera in your

385

00:15:25,720 --> 00:15:23,839

hand well in fact will the early adverts

386

00:15:28,210 --> 00:15:25,730

for mobile phones about ten years ago it

387

00:15:30,489 --> 00:15:28,220

was from Telstra and sorry for the

388

00:15:32,799 --> 00:15:30,499

sudden mobile phone company and we

389

00:15:35,079 --> 00:15:32,809

showed up a band watching a UFO the kind

390

00:15:36,400 --> 00:15:35,089

of seed quick tell somebody and the

391

00:15:38,289 --> 00:15:36,410

point is if you had a mobile phone

392

00:15:40,269 --> 00:15:38,299

review that have being people up say

393

00:15:42,280 --> 00:15:40,279

Here I am watching a UFO that's right

394

00:15:43,780 --> 00:15:42,290

you could phone up for the middle of

395

00:15:47,730 --> 00:15:43,790

nowhere they have an answer to that

396

00:15:50,650 --> 00:15:47,740

isn't that the UFO is sending off see

397

00:15:54,010 --> 00:15:50,660

electus radiations

398

00:15:58,220 --> 00:15:54,020

and we have actually have seen at a

399

00:16:01,760 --> 00:15:58,230

legitimate UFO research talk talk with a

400

00:16:03,950 --> 00:16:01,770

we have exams okay they said so you host

401
00:16:07,180 --> 00:16:03,960
chunky all their electronic equipment so

402
00:16:10,040 --> 00:16:07,190
that failed so they couldn't take

403
00:16:12,470 --> 00:16:10,050
serious exposure to the why they only

404
00:16:13,730 --> 00:16:12,480
have three places they bought a

405
00:16:17,840 --> 00:16:13,740
skeptical I'll that wouldn't happen

406
00:16:20,450 --> 00:16:17,850
within a week do we ruin everything do

407
00:16:22,520 --> 00:16:20,460
we querido exactly i'm prepared to

408
00:16:25,070 --> 00:16:22,530
attend events for a small fee and to be

409
00:16:27,410 --> 00:16:25,080
visible skeptic so thats earthing things

410
00:16:29,660 --> 00:16:27,420
don't go all I'm prepared to attend

411
00:16:33,830 --> 00:16:29,670
events for a large theme I'm prepared to

412
00:16:36,310 --> 00:16:33,840
do you do anything anyway they keep me

413
00:16:38,480 --> 00:16:36,320

I've come for a couple of the attacks

414

00:16:40,520 --> 00:16:38,490

Amanda I remember you telling me at that

415

00:16:43,460 --> 00:16:40,530

same talk that they said that they'd

416

00:16:45,770 --> 00:16:43,470

climbed on some large hill to wait for

417

00:16:47,960 --> 00:16:45,780

these UFOs to appear and as midnight

418

00:16:50,690 --> 00:16:47,970

strike they suddenly felt oddly come

419

00:16:52,670 --> 00:16:50,700

with time yeah it was the blue mountain

420

00:16:58,960 --> 00:16:52,680

so we're walking up they were hacking

421

00:17:01,580 --> 00:16:58,970

all day west of Sydney and at midnight

422

00:17:03,980 --> 00:17:01,590

they were like get setting up the camp

423

00:17:07,310 --> 00:17:03,990

and suddenly they felt tired they took

424

00:17:09,050 --> 00:17:07,320

to be evidence that the UFOs were near

425

00:17:12,050 --> 00:17:09,060

sending off you know the signals that

426

00:17:15,860 --> 00:17:12,060

were making the human muscle and

427

00:17:19,630 --> 00:17:15,870

whatever you've hiked through the

428

00:17:21,860 --> 00:17:19,640

mountains all day and it's midnight

429

00:17:25,130 --> 00:17:21,870

seems of disappointment of course you

430

00:17:27,380 --> 00:17:25,140

are you're tired your husband come down

431

00:17:29,090 --> 00:17:27,390

when they're all asleep you saying and

432

00:17:31,100 --> 00:17:29,100

it stops there electronic equipment wait

433

00:17:34,510 --> 00:17:31,110

a little bit i always mention that

434

00:17:39,710 --> 00:17:34,520

because it's just like the absolute

435

00:17:43,060 --> 00:17:39,720

epoch of you know what spars look I am

436

00:17:45,410 --> 00:17:43,070

tired midnight there for us on hahaha

437

00:17:47,180 --> 00:17:45,420

well it's the segments your haunted

438

00:17:50,880 --> 00:17:47,190

stairs yes you wanted the top of the

439

00:17:54,660 --> 00:17:52,710

this excuse many years ago when I was

440

00:17:56,580 --> 00:17:54,670

forced to do physical education I could

441

00:17:57,990 --> 00:17:56,590

have said I'm sorry I just can't take my

442

00:18:00,480 --> 00:17:58,000

office and what's kind of all your

443

00:18:02,160 --> 00:18:00,490

phones are stopping you stopping a

444

00:18:03,870 --> 00:18:02,170

satirical Aeneid I wonder if you could

445

00:18:06,660 --> 00:18:03,880

tell our listeners about the incident

446

00:18:09,560 --> 00:18:06,670

not too many years ago that was reported

447

00:18:12,480 --> 00:18:09,570

in the skeptic magazine of the the

448

00:18:14,190 --> 00:18:12,490

actual photograph of the UFO and

449

00:18:16,490 --> 00:18:14,200

Victoria near the train crossing Oh

450

00:18:19,500 --> 00:18:16,500

heaven help us yeah it was I'm january

451
00:18:21,990 --> 00:18:19,510
2003 and I I actually have the original

452
00:18:23,520 --> 00:18:22,000
photograph because it's a wonderful

453
00:18:26,700 --> 00:18:23,530
thing this modern age the photograph is

454
00:18:28,920 --> 00:18:26,710
a JPEG in a camera and I have the

455
00:18:30,450 --> 00:18:28,930
original jpg file or a copy of the copy

456
00:18:32,700 --> 00:18:30,460
of it yeah but it is a good as the

457
00:18:34,260 --> 00:18:32,710
original digital copies thankfully the

458
00:18:36,960 --> 00:18:34,270
same as the original so I have the

459
00:18:38,700 --> 00:18:36,970
seminal photograph and it was an

460
00:18:40,980 --> 00:18:38,710
engineer a bow engineer who said to

461
00:18:42,630 --> 00:18:40,990
photograph well we're crossing lights to

462
00:18:44,580 --> 00:18:42,640
show they were working so he went there

463
00:18:46,770 --> 00:18:44,590

and waiting for a train and train

464

00:18:48,510 --> 00:18:46,780

approaches and the mid lights flash and

465

00:18:51,120 --> 00:18:48,520

the bell goes Dean Dean Dean the barrier

466

00:18:52,710 --> 00:18:51,130

comes down it all works papi he took a

467

00:18:55,200 --> 00:18:52,720

movie of the watch you various still

468

00:18:56,730 --> 00:18:55,210

photograph this yes and the Feynman past

469

00:18:58,200 --> 00:18:56,740

you took pictures of that and then the

470

00:18:59,610 --> 00:18:58,210

bear is coming he took pictures of that

471

00:19:01,350 --> 00:18:59,620

and then they've canceled records all

472

00:19:04,620 --> 00:19:01,360

that so they can say you know on

473

00:19:07,980 --> 00:19:04,630

generator 16 2004 if it was all this was

474

00:19:09,540 --> 00:19:07,990

working anyone beat up three pictures in

475

00:19:12,750 --> 00:19:09,550

quick succession just before the train

476

00:19:14,280 --> 00:19:12,760

came in the middle picture is a UFO got

477

00:19:15,480 --> 00:19:14,290

a knot in the other two in the middle

478

00:19:18,360 --> 00:19:15,490

picture there's a little black and white

479

00:19:20,820 --> 00:19:18,370

object with a very odd looks like it has

480

00:19:22,350 --> 00:19:20,830

a done on the top its various it was the

481

00:19:25,020 --> 00:19:22,360

top of black on the bottom there it is

482

00:19:26,400 --> 00:19:25,030

there's a UFO but it across whenever

483

00:19:28,830 --> 00:19:26,410

we're ways as well do you remember that

484

00:19:32,640 --> 00:19:28,840

yes bit of each Victoria beverage s

485

00:19:34,320 --> 00:19:32,650

belts as a VE ve roi dges got historical

486

00:19:35,970 --> 00:19:34,330

connotations with Nick Kenny if you tell

487

00:19:39,150 --> 00:19:35,980

you if listeners would type that and

488

00:19:40,410 --> 00:19:39,160

into Google and UFO you'll find every

489

00:19:42,600 --> 00:19:40,420

issue for you please see if you probably

490

00:19:45,150 --> 00:19:42,610

get you journal file as well or email

491

00:19:47,400 --> 00:19:45,160

email the show will send it to you I did

492

00:19:49,200 --> 00:19:47,410

you ever look yourself and we actually

493

00:19:51,210 --> 00:19:49,210

had real actually i'm holly with the

494

00:19:52,770 --> 00:19:51,220

angled interviewed sorry was the on

495

00:19:54,840 --> 00:19:52,780

television being interviewed a day later

496

00:19:56,910 --> 00:19:54,850

and there he was near the interviewer

497

00:19:59,400 --> 00:19:56,920

was and they spent all their time making

498

00:19:59,919 --> 00:19:59,410

the australian saluting flies out of the

499

00:20:02,859 --> 00:19:59,929

way

500

00:20:05,350 --> 00:20:02,869

ha die and good i am pleased to make you

501
00:20:08,919 --> 00:20:05,360
bet that dealer there it is and lo and

502
00:20:10,210 --> 00:20:08,929
behold this thing is a fly yeah just

503
00:20:11,710 --> 00:20:10,220
place why you can't see you take the

504
00:20:13,629 --> 00:20:11,720
pictures you take the picture it's a fly

505
00:20:15,820 --> 00:20:13,639
is sa like come six inches from the

506
00:20:17,799 --> 00:20:15,830
camera lenses yeah find one across your

507
00:20:19,450 --> 00:20:17,809
face so you want to see it yeah face to

508
00:20:21,430 --> 00:20:19,460
be behind the camera but I learned then

509
00:20:22,840 --> 00:20:21,440
it be gone well you wouldn't if you did

510
00:20:24,519 --> 00:20:22,850
see it when think it was remarkable but

511
00:20:25,989 --> 00:20:24,529
some there's similar pictures of birds

512
00:20:27,999 --> 00:20:25,999
and so on which are actually quite close

513
00:20:29,680 --> 00:20:28,009

to the camera which also explains why

514

00:20:31,180 --> 00:20:29,690

they're fuzzy and out of focus is it

515

00:20:32,889 --> 00:20:31,190

this is another thing that everything of

516

00:20:34,119 --> 00:20:32,899

the pictures even focus to train the

517

00:20:36,249 --> 00:20:34,129

railway track when they were crossing

518

00:20:37,570 --> 00:20:36,259

signs the scenery the background the

519

00:20:40,899 --> 00:20:37,580

road in front on the background behind

520

00:20:42,730 --> 00:20:40,909

all in focus the UFOs not I guess the

521

00:20:44,799 --> 00:20:42,740

UFOs not in focus because it's living

522

00:20:48,700 --> 00:20:44,809

moving so fast any special special you

523

00:20:51,639 --> 00:20:48,710

follow along focusing being said this

524

00:20:53,940 --> 00:20:51,649

one focusing one what well you thought

525

00:20:56,950 --> 00:20:53,950

of saves a special I'm focusing busy

526

00:20:59,289 --> 00:20:56,960

like a tractor beam in this well you're

527

00:21:01,450 --> 00:20:59,299

that maybe failure that one the same as

528

00:21:04,119 --> 00:21:01,460

the legs getting tired be my surprise

529

00:21:06,489 --> 00:21:04,129

yes finally got the effect you can have

530

00:21:07,930 --> 00:21:06,499

with that you could done you can hang

531

00:21:11,070 --> 00:21:07,940

Saddam Hussein with it or something you

532

00:21:13,659 --> 00:21:11,080

can do please would you finally say it

533

00:21:16,029 --> 00:21:13,669

constitutes actual proof what would

534

00:21:17,710 --> 00:21:16,039

really make it something physical that

535

00:21:19,419 --> 00:21:17,720

you could hold in your hand I mean we're

536

00:21:21,340 --> 00:21:19,429

physical things you know and a

537

00:21:22,899 --> 00:21:21,350

photograph could be especially digital

538

00:21:25,570 --> 00:21:22,909

photograph could be cooked up and many

539

00:21:27,489 --> 00:21:25,580

have an the other film myself with the

540

00:21:29,139 --> 00:21:27,499

film follows gun for example a

541

00:21:30,730 --> 00:21:29,149

schoolhouse flinging it up in the air

542

00:21:33,129 --> 00:21:30,740

and taking photos that we manage to

543

00:21:35,350 --> 00:21:33,139

mimic quite a good example of a UFO on

544

00:21:37,450 --> 00:21:35,360

the school playground by just simply

545

00:21:39,730 --> 00:21:37,460

using a score pad so it has to be

546

00:21:41,859 --> 00:21:39,740

physical evidence something yeah photo

547

00:21:43,810 --> 00:21:41,869

won't do is good a bit i'll what we'll

548

00:21:45,730 --> 00:21:43,820

do is several photos by different people

549

00:21:47,799 --> 00:21:45,740

from different angles so you can

550

00:21:49,749 --> 00:21:47,809

triangulate where it was another and

551
00:21:51,759 --> 00:21:49,759
that has never happened so when a

552
00:21:54,430 --> 00:21:51,769
football UFO flies over Perth which is

553
00:21:55,749 --> 00:21:54,440
two million people if as if there's one

554
00:21:56,649 --> 00:21:55,759
picture that's very nice but if there

555
00:21:58,659 --> 00:21:56,659
was something there they really should

556
00:21:59,980 --> 00:21:58,669
be more than one picture if you took a

557
00:22:01,600 --> 00:21:59,990
long time to fly over there should be

558
00:22:03,759 --> 00:22:01,610
several shots at it and you can see with

559
00:22:06,780 --> 00:22:03,769
a height and the distance and so on this

560
00:22:09,050 --> 00:22:06,790
is live in it satellite evidence or make

561
00:22:12,030 --> 00:22:09,060
even something showing up on Air Force

562
00:22:13,350 --> 00:22:12,040
radar even yeah it's easy to ask

563
00:22:14,850 --> 00:22:13,360

questions about the Air Force's a year

564

00:22:16,830 --> 00:22:14,860

it's all classified and then you say

565

00:22:18,330 --> 00:22:16,840

hours it keep it secret you know

566

00:22:20,960 --> 00:22:18,340

actually there's good military reasons

567

00:22:23,820 --> 00:22:20,970

for keeping some stuff secret and

568

00:22:25,890 --> 00:22:23,830

actually maybe things don't they say in

569

00:22:29,160 --> 00:22:25,900

special anti radar beams as well so they

570

00:22:31,110 --> 00:22:29,170

oh I've had it seriously the OSD no

571

00:22:33,120 --> 00:22:31,120

seriously proposed that UFOs can flash

572

00:22:36,000 --> 00:22:33,130

on and off in the visual spectrum and

573

00:22:37,830 --> 00:22:36,010

all off in the radar spectrum at the

574

00:22:39,810 --> 00:22:37,840

same time or different times just to say

575

00:22:44,310 --> 00:22:39,820

hey here we hear no it no we're not in

576

00:22:48,180 --> 00:22:44,320

here we're going to confuse you mans / I

577

00:22:49,440 --> 00:22:48,190

have a perfect report of a UFO which was

578

00:22:51,030 --> 00:22:49,450

clearly Venus you know it's in the

579

00:22:54,300 --> 00:22:51,040

position but he looked like video

580

00:22:56,910 --> 00:22:54,310

submission by Venus walls and this guy

581

00:22:59,760 --> 00:22:56,920

was short as a UFO is a UFO fan to put

582

00:23:02,550 --> 00:22:59,770

it mildly and I said hey it's Venus he

583

00:23:04,800 --> 00:23:02,560

said oh well okay okay hard one you know

584

00:23:11,490 --> 00:23:04,810

supposing the UFO was right in front of

585

00:23:13,320 --> 00:23:11,500

Venus oh you got me so that's fine if

586

00:23:15,570 --> 00:23:13,330

observed from bankstown when you go

587

00:23:16,860 --> 00:23:15,580

across the city to Bondi Beach then you

588

00:23:19,560 --> 00:23:16,870

can't have it in front of beers in both

589

00:23:21,540 --> 00:23:19,570

places in fact if it's in the Earth's

590

00:23:23,310 --> 00:23:21,550

atmosphere you tell you about five miles

591

00:23:25,140 --> 00:23:23,320

up so if you move five miles sideways

592

00:23:27,150 --> 00:23:25,150

Italy completely out of completely out

593

00:23:28,170 --> 00:23:27,160

of range so it means every time

594

00:23:29,730 --> 00:23:28,180

something looked up they have to move

595

00:23:31,350 --> 00:23:29,740

the you folks factory to get in front of

596

00:23:33,330 --> 00:23:31,360

Venus well you would have heard the

597

00:23:34,650 --> 00:23:33,340

story Steve recently in the last few

598

00:23:37,260 --> 00:23:34,660

months where are there were a lot of

599

00:23:38,820 --> 00:23:37,270

reports to the local police in the UK I

600

00:23:41,520 --> 00:23:38,830

can't remember exactly where it was

601
00:23:44,310 --> 00:23:41,530
wheels was it in well it's Wales yeah

602
00:23:46,980 --> 00:23:44,320
they reported allo allo hanging a bright

603
00:23:48,420 --> 00:23:46,990
object in the sky to rob all this story

604
00:23:50,190 --> 00:23:48,430
I've seen that somewhere that's a Welsh

605
00:23:51,720 --> 00:23:50,200
you phone the relatively far they've got

606
00:23:54,150 --> 00:23:51,730
their own you fell at last because then

607
00:23:57,360 --> 00:23:54,160
12 you on the map until you've got to

608
00:23:58,710 --> 00:23:57,370
you fo it's a welsh oof oh well this is

609
00:24:00,420 --> 00:23:58,720
the welsh UFO i think you're referring

610
00:24:03,540 --> 00:24:00,430
to it turned out the police went to

611
00:24:06,690 --> 00:24:03,550
investigate and it was the moon officer

612
00:24:10,370 --> 00:24:06,700
oh but it's a welsh moon look you I

613
00:24:13,470 --> 00:24:10,380

recall reading this to you if y el no

614

00:24:15,960 --> 00:24:13,480

fit oh yeah I recall reading the story

615

00:24:17,139 --> 00:24:15,970

in the paper and it was transcribed by

616

00:24:18,940 --> 00:24:17,149

the report as

617

00:24:20,649 --> 00:24:18,950

the officer who was sent out to

618

00:24:22,570 --> 00:24:20,659

investigate calling back to base and

619

00:24:25,539 --> 00:24:22,580

saying it's the moon over I have a

620

00:24:27,039 --> 00:24:25,549

question ever oh go let's go go go this

621

00:24:28,450 --> 00:24:27,049

will probably get edited out that's a

622

00:24:32,680 --> 00:24:28,460

bit of a question with that know if I

623

00:24:34,959 --> 00:24:32,690

say to go but um when i trace my

624

00:24:38,049 --> 00:24:34,969

skeptical sort of journey back to when I

625

00:24:40,989 --> 00:24:38,059

was a child and lapping up stories about

626
00:24:44,049 --> 00:24:40,999
UFOs and the block best monster me to

627
00:24:45,999 --> 00:24:44,059
crystal skulls and exactly and um and I

628
00:24:48,159 --> 00:24:46,009
wasn't skeptical at all then but

629
00:24:51,129 --> 00:24:48,169
nonetheless it's the beginning of my

630
00:24:53,200 --> 00:24:51,139
interest in it anybody and I just

631
00:24:55,060 --> 00:24:53,210
remember reading all getting every

632
00:24:57,579 --> 00:24:55,070
single book out of a local library on

633
00:25:00,489 --> 00:24:57,589
UFOs and the thing that creeped me out

634
00:25:02,969 --> 00:25:00,499
the most was the stories of the men in

635
00:25:05,979 --> 00:25:02,979
black and I now that the ideas been

636
00:25:08,979 --> 00:25:05,989
taken over by the the series of movies

637
00:25:12,310 --> 00:25:08,989
and so on you read a book by albert k

638
00:25:15,369 --> 00:25:12,320

bender I don't cry read these women

639

00:25:19,479 --> 00:25:15,379

mysteries that's the book that I was

640

00:25:21,639 --> 00:25:19,489

ready but the men in black so talking

641

00:25:25,719 --> 00:25:21,649

you know 25 years ago or whatever when I

642

00:25:29,919 --> 00:25:25,729

was a child reading it who would go

643

00:25:32,289 --> 00:25:29,929

visit people who had seen UFOs to tell

644

00:25:35,499 --> 00:25:32,299

them not to tell anybody and they would

645

00:25:38,139 --> 00:25:35,509

go to the house dressed in black with a

646

00:25:39,669 --> 00:25:38,149

black tie and now at the time I didn't

647

00:25:42,519 --> 00:25:39,679

know but now I can realize that's a

648

00:25:45,399 --> 00:25:42,529

meeting like a federal agent or a

649

00:25:49,149 --> 00:25:45,409

federal government stereotypical sort of

650

00:25:51,009 --> 00:25:49,159

suit that's right and then afterwards

651
00:25:52,779 --> 00:25:51,019
the people who they had visited would

652
00:25:56,049 --> 00:25:52,789
realize that they they didn't have

653
00:25:57,909 --> 00:25:56,059
eyebrows amending her fingernails yes

654
00:25:59,709 --> 00:25:57,919
and they didn't have hair because i had

655
00:26:02,440 --> 00:25:59,719
the hat Thunder that's why they were a

656
00:26:05,379 --> 00:26:02,450
team an accent but they didn't have here

657
00:26:07,749 --> 00:26:05,389
and they were sort of slightly unworldly

658
00:26:09,430 --> 00:26:07,759
and they would realize later that they

659
00:26:13,329 --> 00:26:09,440
were you know England although they

660
00:26:16,060 --> 00:26:13,339
they'd appear human beginning so many in

661
00:26:17,829 --> 00:26:16,070
black worthy aliens is that with the

662
00:26:19,060 --> 00:26:17,839
idea because afterwards I'd realized

663
00:26:21,339 --> 00:26:19,070

they didn't have fingernails and they

664

00:26:23,080 --> 00:26:21,349

didn't have eyebrows and hair and a

665

00:26:24,580 --> 00:26:23,090

little light appeared

666

00:26:26,680 --> 00:26:24,590

collect all the evidence and destroyers

667

00:26:29,050 --> 00:26:26,690

of aliens being present I don't rise and

668

00:26:31,000 --> 00:26:29,060

creepy the thing that crept me out

669

00:26:33,370 --> 00:26:31,010

about UFOs with the men in black black

670

00:26:36,010 --> 00:26:33,380

the UFOs heinously UFO but then the the

671

00:26:38,860 --> 00:26:36,020

men in black was the scariest thing

672

00:26:40,840 --> 00:26:38,870

about you enjoy logical question it's

673

00:26:43,450 --> 00:26:40,850

probably associated with the you know

674

00:26:45,220 --> 00:26:43,460

the Cold War and that the federal agents

675

00:26:47,770 --> 00:26:45,230

and the CIA and all of that kind of

676

00:26:51,910 --> 00:26:47,780

business entering the public

677

00:26:54,250 --> 00:26:51,920

consciousness but I wonder if that's a

678

00:26:56,560 --> 00:26:54,260

tradition in the UFO movement that's

679

00:27:00,460 --> 00:26:56,570

come out that's all it is lasted beyond

680

00:27:03,340 --> 00:27:00,470

the 50s Linda's car with because the the

681

00:27:06,610 --> 00:27:03,350

original sighting one of the original

682

00:27:09,790 --> 00:27:06,620

starting in 1948 the Roswell that was a

683

00:27:11,800 --> 00:27:09,800

crash one the one before that long that

684

00:27:13,870 --> 00:27:11,810

there was a message recovered some bits

685

00:27:17,320 --> 00:27:13,880

of a balloon movie cupboards to eat a

686

00:27:19,810 --> 00:27:17,330

even when it was no it's just a very

687

00:27:22,330 --> 00:27:19,820

secret high-altitude balloon for spying

688

00:27:24,430 --> 00:27:22,340

on the Russian now because he was really

689

00:27:26,980 --> 00:27:24,440

good at the time as real that is a very

690

00:27:29,200 --> 00:27:26,990

delicate espionage programs in the

691

00:27:31,570 --> 00:27:29,210

American didn't want publicized and rum

692

00:27:33,100 --> 00:27:31,580

hey now they'll shoot us all then this

693

00:27:35,410 --> 00:27:33,110

damn thing crashed and their word that

694

00:27:37,960 --> 00:27:35,420

she was wreckage and some people did

695

00:27:40,180 --> 00:27:37,970

come and take it away their army people

696

00:27:41,590 --> 00:27:40,190

did come and take it away and they told

697

00:27:43,810 --> 00:27:41,600

the farmer you know don't talk about

698

00:27:46,600 --> 00:27:43,820

this to anybody and the speak 1948

699

00:27:48,730 --> 00:27:46,610

atmosphere mean the farmer fell for this

700

00:27:50,470 --> 00:27:48,740

you know and respect to this and said

701
00:27:51,880 --> 00:27:50,480
yeah that's good enough made told me not

702
00:27:53,650 --> 00:27:51,890
to talk about it and I'm not going to

703
00:27:55,360 --> 00:27:53,660
that's similar to what happened at

704
00:27:56,620 --> 00:27:55,370
Roswell state but their work because

705
00:27:59,200 --> 00:27:56,630
because that turned out to be or whether

706
00:28:01,570 --> 00:27:59,210
I'm sorry as an espionage balloon but

707
00:28:02,980 --> 00:28:01,580
it's extended to other standings now is

708
00:28:05,230 --> 00:28:02,990
get D D Phi with these people saying

709
00:28:08,050 --> 00:28:05,240
don't talk about it the things even told

710
00:28:08,860 --> 00:28:08,060
now enough in 2008 if somebody says the

711
00:28:10,450 --> 00:28:08,870
government doesn't want you to talk

712
00:28:12,670 --> 00:28:10,460
about this it will be all over the web

713
00:28:14,200 --> 00:28:12,680

within minutes yeah but now even back in

714

00:28:15,250 --> 00:28:14,210

those days you wouldn't talk about it

715

00:28:17,620 --> 00:28:15,260

you know you'd respect this

716

00:28:19,840 --> 00:28:17,630

authoritarian figure and there might

717

00:28:21,070 --> 00:28:19,850

have been some civilian agents going

718

00:28:22,510 --> 00:28:21,080

around doing this but there are

719

00:28:24,430 --> 00:28:22,520

certainly Barbie people going around

720

00:28:26,590 --> 00:28:24,440

saying we want to believe and gather and

721

00:28:27,850 --> 00:28:26,600

and taken back and we don't want people

722

00:28:30,430 --> 00:28:27,860

to talk about this because it is in fact

723

00:28:31,900 --> 00:28:30,440

a secret program I've real military

724

00:28:32,659 --> 00:28:31,910

significance in the middle of the Cold

725

00:28:35,149 --> 00:28:32,669

War and

726

00:28:36,919 --> 00:28:35,159

x a bit dodgy but what do you make of

727

00:28:39,049 --> 00:28:36,929

the sort of hijacking at the Roswell

728

00:28:41,419 --> 00:28:39,059

incident I suppose which made it sort of

729

00:28:43,789 --> 00:28:41,429

point sweetie that there was talk of the

730

00:28:48,099 --> 00:28:43,799

UFO community urban active 2067 that you

731

00:28:50,299 --> 00:28:48,109

forgive ities inside the kick and and

732

00:28:52,340 --> 00:28:50,309

this wasn't mentioned it was it was

733

00:28:53,989 --> 00:28:52,350

known to be there but just one of many

734

00:28:56,119 --> 00:28:53,999

obscure sightings that nobody cared

735

00:28:58,159 --> 00:28:56,129

about there were warm or what about

736

00:28:59,840 --> 00:28:58,169

Colin sightings and recent sightings and

737

00:29:02,180 --> 00:28:59,850

it was until nineteen eighty that yeah

738

00:29:04,430 --> 00:29:02,190

attention was drawn to it by Stanton

739

00:29:06,409 --> 00:29:04,440

Friedman nuclear physicist who by the

740

00:29:10,519 --> 00:29:06,419

way as this would you care physicist

741

00:29:13,340 --> 00:29:10,529

than I am and you for that matter so we

742

00:29:16,430 --> 00:29:13,350

are killer dr. rachel nuclear physicist

743

00:29:18,889 --> 00:29:16,440

and he the attention to it and it began

744

00:29:21,139 --> 00:29:18,899

to began to gain fallen sin the UFO

745

00:29:23,029 --> 00:29:21,149

culture until it got bigger and bigger

746

00:29:25,399 --> 00:29:23,039

and it was of interest because it's the

747

00:29:27,320 --> 00:29:25,409

only claim that there's a of your

748

00:29:29,359 --> 00:29:27,330

manifestations were crash you for the

749

00:29:31,129 --> 00:29:29,369

clay needs of this thing some large

750

00:29:34,190 --> 00:29:31,139

craft has crashed as being kept in a

751
00:29:35,930 --> 00:29:34,200
hangar at area 51 you know a large piece

752
00:29:38,359 --> 00:29:35,940
of evidence and also alien bodies or a

753
00:29:40,129 --> 00:29:38,369
lot of physical stuff who's being kept

754
00:29:42,409 --> 00:29:40,139
on and kept secret but it's true isn't

755
00:29:45,139 --> 00:29:42,419
it that it was twenty years after the

756
00:29:46,489 --> 00:29:45,149
the crash occurred that started that it

757
00:29:48,590 --> 00:29:46,499
took off in the media including two

758
00:29:50,320 --> 00:29:48,600
years yeah please to use it one man who

759
00:29:52,369 --> 00:29:50,330
attention to it some of these

760
00:29:53,960 --> 00:29:52,379
unfortunate highly prominent and gets

761
00:29:56,119 --> 00:29:53,970
all over the place so that is he

762
00:29:57,830 --> 00:29:56,129
mellowed put me in fact Brian Dunning

763
00:30:00,409 --> 00:29:57,840

does a very good step Toit on the

764

00:30:02,029 --> 00:30:00,419

roswell incident but it's funny when you

765

00:30:04,639 --> 00:30:02,039

listen to what he talks about and read

766

00:30:06,259 --> 00:30:04,649

about it that in fact yes it took very

767

00:30:08,180 --> 00:30:06,269

use for it just sort of get publicized

768

00:30:11,599 --> 00:30:08,190

and to the level that it has now and

769

00:30:14,180 --> 00:30:11,609

it's entered you know the public sphere

770

00:30:16,759 --> 00:30:14,190

is is amazing incident which in fact it

771

00:30:18,349 --> 00:30:16,769

wasn't at all it's at the time there's

772

00:30:21,289 --> 00:30:18,359

only one filings and weather balloon

773

00:30:23,840 --> 00:30:21,299

pieces yeah that's no as part of

774

00:30:25,879 --> 00:30:23,850

folklore and legend and in fact it's all

775

00:30:27,529 --> 00:30:25,889

been pretty much fabricated I give a

776

00:30:29,389 --> 00:30:27,539

lecture I show a terrific picture this

777

00:30:31,159 --> 00:30:29,399

large crashed flying saucer about a

778

00:30:32,810 --> 00:30:31,169

hundred feet across three bidden in the

779

00:30:34,999 --> 00:30:32,820

mountainside you know sticking out at an

780

00:30:37,000 --> 00:30:35,009

angle and pursue the captain saying I do

781

00:30:40,060 --> 00:30:37,010

as you drive more carefully

782

00:30:41,950 --> 00:30:40,070

oh dear oh dear of course we drag bodies

783

00:30:44,860 --> 00:30:41,960

as well with it yeah they live alien

784

00:30:46,270 --> 00:30:44,870

autopsy of 1995 reserving a famous that

785

00:30:47,980 --> 00:30:46,280

you should of this and people fell for

786

00:30:50,320 --> 00:30:47,990

that I'm not the video upstairs though

787

00:30:52,300 --> 00:30:50,330

it's wonderful area you see to wall to

788

00:30:53,530 --> 00:30:52,310

the room when it's quite fun and for a

789

00:30:54,970 --> 00:30:53,540

long time people thought some people

790

00:30:57,430 --> 00:30:54,980

thought it was Jenny with you folks all

791

00:30:59,710 --> 00:30:57,440

polarizing some believers the skeptics

792

00:31:01,390 --> 00:30:59,720

of that movie in you make sure they will

793

00:31:03,640 --> 00:31:01,400

move The Skeptical side and something

794

00:31:05,140 --> 00:31:03,650

fists up to it but under the daily

795

00:31:09,690 --> 00:31:05,150

course you'd say well waivers of Elah

796

00:31:12,910 --> 00:31:09,700

must be the real movie somewhere yeah

797

00:31:14,380 --> 00:31:12,920

sorry Carly you have a question yes sir

798

00:31:16,150 --> 00:31:14,390

what point did you move to The Skeptical

799

00:31:17,890 --> 00:31:16,160

side you said you've been leading in

800

00:31:19,990 --> 00:31:17,900

this since you're a child not that

801
00:31:22,270 --> 00:31:20,000
dissimilar to amanda's accounted yeah

802
00:31:24,310 --> 00:31:22,280
look I'll fess up I that I ran a UFO

803
00:31:30,190 --> 00:31:24,320
group I was chairman of the Imperial

804
00:31:32,410 --> 00:31:30,200
College UFO research site yeah I was

805
00:31:33,820 --> 00:31:32,420
yeah and there are lots of us and we

806
00:31:36,520 --> 00:31:33,830
thought there was something in it you

807
00:31:39,100 --> 00:31:36,530
know we were kids and Archie were

808
00:31:41,710 --> 00:31:39,110
University students and we thought of B

809
00:31:43,300 --> 00:31:41,720
is looking at and unfortunate exactly

810
00:31:45,130 --> 00:31:43,310
what we did we gather the evidence and

811
00:31:46,720 --> 00:31:45,140
we shouldn't have done that cheffing you

812
00:31:48,610 --> 00:31:46,730
should have got the evidence we got a

813
00:31:51,190 --> 00:31:48,620

hold of all all the British sightings

814

00:31:53,620 --> 00:31:51,200

for six years or every one of them and

815

00:31:57,730 --> 00:31:53,630

what four stars only about 100 of them

816

00:31:59,830 --> 00:31:57,740

and then 90 of those are crap well okay

817

00:32:01,630 --> 00:31:59,840

where's where's the rest of it well

818

00:32:03,580 --> 00:32:01,640

there is no best of it you know this'll

819

00:32:06,310 --> 00:32:03,590

make this is all the evidence all

820

00:32:08,140 --> 00:32:06,320

solidly closed they release more since

821

00:32:09,880 --> 00:32:08,150

then haven't they and even then there's

822

00:32:12,370 --> 00:32:09,890

been questions about the legitimacy of

823

00:32:14,500 --> 00:32:12,380

it I'm Rachel was explaining about how

824

00:32:16,870 --> 00:32:14,510

they were mentally I don't know about

825

00:32:18,490 --> 00:32:16,880

five times the speed of sound or

826
00:32:20,650 --> 00:32:18,500
something like that hand time contagious

827
00:32:23,110 --> 00:32:20,660
2010 here there'll be a sonic two

828
00:32:24,790 --> 00:32:23,120
Grizzlies it can there be a mighty bang

829
00:32:26,410 --> 00:32:24,800
one under the plan everywhere they went

830
00:32:28,000 --> 00:32:26,420
and if people hear that and so what's

831
00:32:30,010 --> 00:32:28,010
that mighty a banger just to it that's a

832
00:32:33,730 --> 00:32:30,020
very good point I'd make this point to

833
00:32:35,470 --> 00:32:33,740
people um there are various physical

834
00:32:37,270 --> 00:32:35,480
things we must look out for if they're

835
00:32:39,100 --> 00:32:37,280
traveling that that that speeding is

836
00:32:41,260 --> 00:32:39,110
slowing down starting up you would hear

837
00:32:42,760 --> 00:32:41,270
the bloody sonic maybe they part the air

838
00:32:45,340 --> 00:32:42,770

and just pass through it but in that

839

00:32:46,450 --> 00:32:45,350

case you want to see them either they're

840

00:32:47,650 --> 00:32:46,460

going to be visible they're going to be

841

00:32:49,150 --> 00:32:47,660

physical what am I

842

00:32:51,970 --> 00:32:49,160

about the aliens obviously have the

843

00:32:53,560 --> 00:32:51,980

technology they have technology way yeah

844

00:32:55,920 --> 00:32:53,570

they feel sort of the cloaking shield

845

00:32:58,750 --> 00:32:55,930

what was I it reminds me of where

846

00:33:00,670 --> 00:32:58,760

cryptozoology is some wind up to your

847

00:33:04,930 --> 00:33:00,680

end of cryptozoology which is there

848

00:33:06,220 --> 00:33:04,940

moved on to not just big footage some

849

00:33:07,780 --> 00:33:06,230

kind of thing that lives in the

850

00:33:10,270 --> 00:33:07,790

mountains that nobody knows about but

851
00:33:13,960 --> 00:33:10,280
that Bigfoot phases in and out of

852
00:33:15,790 --> 00:33:13,970
quantum time yeah and that's why you

853
00:33:18,640 --> 00:33:15,800
want to fight what if you noted the

854
00:33:21,430 --> 00:33:18,650
really hardcore that cryptozoology

855
00:33:24,220 --> 00:33:21,440
that's what they say in order to get

856
00:33:25,690 --> 00:33:24,230
around the fact that this no evidence if

857
00:33:27,700 --> 00:33:25,700
I feels related to that and we actually

858
00:33:30,100 --> 00:33:27,710
had Tim dinsdale and fill the Loch Ness

859
00:33:31,720 --> 00:33:30,110
monster give us a talk at the UFO group

860
00:33:33,190 --> 00:33:31,730
and he showed his cameras showed the

861
00:33:35,620 --> 00:33:33,200
film we made which was the windup

862
00:33:36,760 --> 00:33:35,630
cameras on a tripod wind up camp and

863
00:33:39,340 --> 00:33:36,770

there is something in the water's

864

00:33:42,040 --> 00:33:39,350

probably a law sir that it could be a

865

00:33:44,020 --> 00:33:42,050

monster in a beer wine don't know if

866

00:33:45,490 --> 00:33:44,030

it's a mostly Loch Ness they can't just

867

00:33:46,870 --> 00:33:45,500

be one is going to be a whole family of

868

00:33:48,910 --> 00:33:46,880

yeah yeah it's the same they could have

869

00:33:50,770 --> 00:33:48,920

been the Panther soon as happens

870

00:33:53,650 --> 00:33:50,780

couldn't hear you can't have one thanks

871

00:33:56,020 --> 00:33:53,660

something interesting my mum's in a loss

872

00:33:57,970 --> 00:33:56,030

and or America at the moment she was in

873

00:34:01,360 --> 00:33:57,980

California and went to Monterey Bay and

874

00:34:03,730 --> 00:34:01,370

Mauro covel Everett scored where there

875

00:34:06,610 --> 00:34:03,740

are lots of wild otters and she took

876

00:34:08,770 --> 00:34:06,620

photos with a pretty quite an ordinary

877

00:34:12,280 --> 00:34:08,780

digital camera that doesn't have much of

878

00:34:14,320 --> 00:34:12,290

a zoom and she took photos of all these

879

00:34:16,450 --> 00:34:14,330

authors and their up on flickr and i was

880

00:34:18,940 --> 00:34:16,460

looking at them and thinking well that

881

00:34:20,890 --> 00:34:18,950

looks like an SE really you know these

882

00:34:22,780 --> 00:34:20,900

pictures of Anna know there are authors

883

00:34:24,159 --> 00:34:22,790

I can make up ways and get a little

884

00:34:25,659 --> 00:34:24,169

humps behind as you pick up out of the

885

00:34:27,460 --> 00:34:25,669

water lie on their backs that's right

886

00:34:30,280 --> 00:34:27,470

that's right there they lie on their

887

00:34:32,050 --> 00:34:30,290

backs on their side not moving like it's

888

00:34:33,370 --> 00:34:32,060

a whole we should do a programmer and I

889

00:34:35,290 --> 00:34:33,380

can do all about the Loch Ness monster a

890

00:34:36,850 --> 00:34:35,300

little duck course about that hey if

891

00:34:39,159 --> 00:34:36,860

anybody out there wants to fly the

892

00:34:41,169 --> 00:34:39,169

entire cast and the skeptic gentle not

893

00:34:43,419 --> 00:34:41,179

miss we will do a pass from the shores

894

00:34:45,310 --> 00:34:43,429

of lough that promise you we will and we

895

00:34:48,250 --> 00:34:45,320

will mention you by name and we will

896

00:34:50,500 --> 00:34:48,260

take a tripod this trap my family plan

897

00:34:54,340 --> 00:34:50,510

is the oldest plan that still inhabits

898

00:34:56,409 --> 00:34:54,350

its family castle what so if that

899

00:34:58,120 --> 00:34:56,419

doesn't buy me a little bit of fun it's

900

00:34:59,450 --> 00:34:58,130

probably scottish largesse i don't know

901
00:35:01,490 --> 00:34:59,460
what does rose

902
00:35:02,870 --> 00:35:01,500
well I'll hang all off some into the

903
00:35:05,300 --> 00:35:02,880
name and if you go if you look on a clan

904
00:35:12,790 --> 00:35:05,310
map where in between the Macbeth's and

905
00:35:15,440 --> 00:35:12,800
the Macduff's only other person in

906
00:35:17,240 --> 00:35:15,450
between the Macbeth and the McDaniel it

907
00:35:19,220 --> 00:35:17,250
means you're next I don't believe in any

908
00:35:21,170 --> 00:35:19,230
conspiracy theories except the one that

909
00:35:25,430 --> 00:35:21,180
says that Shakespeare owed us out of his

910
00:35:28,599 --> 00:35:25,440
nah we're not in that stupid play at all

911
00:35:32,390 --> 00:35:28,609
Hussein just down the road from mcdonald

912
00:35:39,500 --> 00:35:32,400
that's all what I'm saying is take me

913
00:35:44,120 --> 00:35:39,510

home Scottish roads your ID on a US

914

00:35:45,320 --> 00:35:44,130

phone getting back to you yeah you know

915

00:35:46,940 --> 00:35:45,330

I'll tell you what happened we got all

916

00:35:48,079 --> 00:35:46,950

the flaming evidence and it wasn't much

917

00:35:50,390 --> 00:35:48,089

and we thought well what's all the fuss

918

00:35:52,220 --> 00:35:50,400

about and we were going to be attended

919

00:35:53,839 --> 00:35:52,230

other beings other UFO groups and we

920

00:35:58,700 --> 00:35:53,849

well that's pretty soon they're all

921

00:36:00,500 --> 00:35:58,710

totally the same Bobby people it is and

922

00:36:01,730 --> 00:36:00,510

we all became very skeptical that this

923

00:36:04,280 --> 00:36:01,740

is actually where I became skeptical

924

00:36:07,609 --> 00:36:04,290

yeah every time somebody said I've got a

925

00:36:10,070 --> 00:36:07,619

flying saucer in my garden and how often

926

00:36:13,160 --> 00:36:10,080

did that occur quite a lot my god who

927

00:36:17,150 --> 00:36:13,170

said what can be seen it is uh maybe you

928

00:36:20,180 --> 00:36:17,160

know and yeah that became face getting

929

00:36:23,420 --> 00:36:20,190

all people and the BND view reports of

930

00:36:26,720 --> 00:36:23,430

UFOs as something to be analyzed you

931

00:36:28,640 --> 00:36:26,730

know in a with a bigger I would say with

932

00:36:30,260 --> 00:36:28,650

a city called like that some you know

933

00:36:31,910 --> 00:36:30,270

it's unlikely this is the real thing

934

00:36:33,560 --> 00:36:31,920

every time and they were there were a

935

00:36:35,180 --> 00:36:33,570

couple of sightings we have to learn all

936

00:36:36,920 --> 00:36:35,190

the fame of sightings and there were a

937

00:36:39,680 --> 00:36:36,930

couple sightings that are unexplained

938

00:36:42,800 --> 00:36:39,690

one was by a 14 year old boy called

939

00:36:44,930 --> 00:36:42,810

derby surname is Darby and it was you

940

00:36:45,950 --> 00:36:44,940

Ferb of a hedge it was not explained and

941

00:36:48,170 --> 00:36:45,960

then he said I was as the real thing

942

00:36:50,270 --> 00:36:48,180

wait a minute was it just a reporter a

943

00:36:52,339 --> 00:36:50,280

photograph Stephen Dobbie shares it was

944

00:36:53,990 --> 00:36:52,349

a photograph Oh was it was a to see

945

00:36:55,820 --> 00:36:54,000

it was a UFO above its they were Stephen

946

00:36:58,339 --> 00:36:55,830

Dobbie she was 14 there was a story with

947

00:36:59,630 --> 00:36:58,349

it and this was in the youth of animals

948

00:37:01,640 --> 00:36:59,640

for years and years and years when

949

00:37:03,890 --> 00:37:01,650

Stephen Dobbie she was about 40 fessed

950

00:37:06,230 --> 00:37:03,900

up to it it was in no model who's a

951
00:37:08,150 --> 00:37:06,240
model digo I couldn't live with it

952
00:37:09,740 --> 00:37:08,160
anymore I have a very good friend to

953
00:37:11,400 --> 00:37:09,750
created a bit of a stir on the northern

954
00:37:13,740 --> 00:37:11,410
beaches of Sydney here in

955
00:37:18,150 --> 00:37:13,750
but we know about that I were the youth

956
00:37:20,309 --> 00:37:18,160
oh yeah yes he he created a UFO that

957
00:37:23,160 --> 00:37:20,319
made it into the local paper he got a

958
00:37:25,559 --> 00:37:23,170
lantern like a Chinese lantern and stuck

959
00:37:27,299 --> 00:37:25,569
a candle in it and I don't know somehow

960
00:37:28,799 --> 00:37:27,309
got it to to float up across the

961
00:37:32,220 --> 00:37:28,809
northern beaches and it made it into the

962
00:37:35,670 --> 00:37:32,230
manly daily and he he never fessed up

963
00:37:37,589 --> 00:37:35,680

until now how I mention is nothing what

964

00:37:42,089 --> 00:37:37,599

do we do it's about messing up on

965

00:37:43,410 --> 00:37:42,099

setting up on his bow not much happens

966

00:37:45,510 --> 00:37:43,420

in Manny's they can't put much of the

967

00:37:47,789 --> 00:37:45,520

manly daily you know your dog bites man

968

00:37:50,039 --> 00:37:47,799

sort of things don't bite this like some

969

00:37:54,120 --> 00:37:50,049

drunk that man like as long as he did on

970

00:37:56,010 --> 00:37:54,130

a week we can not lots of audio for it

971

00:37:59,220 --> 00:37:56,020

enough people that I made it into the

972

00:38:02,309 --> 00:37:59,230

manly daily have you Kylie do you have

973

00:38:05,579 --> 00:38:02,319

any more questions for Steve before we

974

00:38:07,319 --> 00:38:05,589

all fall up fly away by work well you

975

00:38:09,510 --> 00:38:07,329

started all of this stuff with the hope

976

00:38:10,980 --> 00:38:09,520

and disappointment in regards to your

977

00:38:12,539 --> 00:38:10,990

photos do you think there's still hope

978

00:38:14,370 --> 00:38:12,549

or is it more disappointment that we've

979

00:38:16,769 --> 00:38:14,380

got to look forward to despite the fact

980

00:38:18,809 --> 00:38:16,779

that modern day UFO ologist seem to be

981

00:38:21,000 --> 00:38:18,819

reaching more for the the quantum

982

00:38:22,680 --> 00:38:21,010

physics explanation for the reason why

983

00:38:25,170 --> 00:38:22,690

most don't seem to have enough evidence

984

00:38:27,210 --> 00:38:25,180

that came in at about 90 to 70 the UFOs

985

00:38:29,250 --> 00:38:27,220

have evolved as human vision has evolved

986

00:38:31,170 --> 00:38:29,260

over time like the nineteen fifties UFOs

987

00:38:33,599 --> 00:38:31,180

are made of aluminium sheets riveted

988

00:38:37,500 --> 00:38:33,609

together well obviously to UFOs were

989

00:38:39,690 --> 00:38:37,510

plastic in globby forms a 1970s UFOs are

990

00:38:41,609 --> 00:38:39,700

high technology vicious spiky things

991

00:38:43,109 --> 00:38:41,619

line leads one to entirely invisible

992

00:38:48,870 --> 00:38:43,119

they said low that they have been

993

00:38:51,660 --> 00:38:48,880

visible UFOs Buffy where science fiction

994

00:38:53,609 --> 00:38:51,670

is about few years behind maybe that's

995

00:38:55,410 --> 00:38:53,619

why people now reaching for what the

996

00:38:56,940 --> 00:38:55,420

bleep in quantum physics and all that's

997

00:38:58,890 --> 00:38:56,950

like yeah people tryna stay and there

998

00:39:00,120 --> 00:38:58,900

because you can't track that down so you

999

00:39:02,490 --> 00:39:00,130

see it's become just completely

1000

00:39:05,130 --> 00:39:02,500

ludicrous but now maybe people people

1001
00:39:06,930 --> 00:39:05,140
seeing things forever and seeing what

1002
00:39:09,269 --> 00:39:06,940
they wish and those misplaced aliens of

1003
00:39:11,460 --> 00:39:09,279
this business the nasty actually does

1004
00:39:14,609 --> 00:39:11,470
the space aliens evolve as well the

1005
00:39:16,079 --> 00:39:14,619
1950s aliens were tall elegant beings

1006
00:39:20,130 --> 00:39:16,089
with long blond hair and silver

1007
00:39:23,330 --> 00:39:20,140
tracksuits peach messages like her stop

1008
00:39:29,020 --> 00:39:23,340
testing Adam long happy CEO don't

1009
00:39:35,390 --> 00:39:29,030
the money that comes in a minute and

1010
00:39:38,240 --> 00:39:35,400
that the 1970s aliens were small small

1011
00:39:39,620 --> 00:39:38,250
beings of a semi nasty appearance who

1012
00:39:42,680 --> 00:39:39,630
said you know stop polluting the planet

1013
00:39:45,260 --> 00:39:42,690

just trendy 1970 and don't wear those

1014

00:39:48,340 --> 00:39:45,270

flared trousers and play the other

1015

00:39:51,560 --> 00:39:48,350

record disco sucks just go yes I'm the

1016

00:39:54,080 --> 00:39:51,570

1980s aliens of small maneuver looking

1017

00:39:58,780 --> 00:39:54,090

beings who say there's do some sexual

1018

00:40:01,520 --> 00:39:58,790

experiments on yet gone but as human

1019

00:40:02,810 --> 00:40:01,530

aspirations get nasty at nasty oh yeah

1020

00:40:05,150 --> 00:40:02,820

and uh I thought there'd be people

1021

00:40:07,700 --> 00:40:05,160

seeing these things all the time and we

1022

00:40:09,140 --> 00:40:07,710

have to allow for this you know people

1023

00:40:10,490 --> 00:40:09,150

seen what they can't explain and the

1024

00:40:13,820 --> 00:40:10,500

fact that they can't explain it doesn't

1025

00:40:15,860 --> 00:40:13,830

mean it can't be explained is easy

1026

00:40:17,330 --> 00:40:15,870

possible to reason with the UFO a person

1027

00:40:19,130 --> 00:40:17,340

of senior youth 0 because you see you

1028

00:40:20,120 --> 00:40:19,140

say look Chum I was there I saw it you

1029

00:40:21,770 --> 00:40:20,130

weren't there you don't know what I'm

1030

00:40:24,740 --> 00:40:21,780

talking about yeah yeah yeah we get that

1031

00:40:28,460 --> 00:40:24,750

from all the stolen and skeptical

1032

00:40:30,770 --> 00:40:28,470

inquiry yeah people say they're crazy or

1033

00:40:34,190 --> 00:40:30,780

deluded more that they are no that's

1034

00:40:36,110 --> 00:40:34,200

Benson um I would probably take a step

1035

00:40:39,860 --> 00:40:36,120

back from that Carly I would say yeah

1036

00:40:41,900 --> 00:40:39,870

yes yes they're probably deluded now

1037

00:40:45,320 --> 00:40:41,910

deluded has very negative connotation

1038

00:40:46,670 --> 00:40:45,330

connotation you're mistaken you since

1039

00:40:48,530 --> 00:40:46,680

the only thing something that's not true

1040

00:40:50,300 --> 00:40:48,540

that there since here at this license

1041

00:40:51,410 --> 00:40:50,310

either was taken yeah all actually maybe

1042

00:40:53,780 --> 00:40:51,420

knowing what's taking those can't

1043

00:40:55,220 --> 00:40:53,790

understand let's they've seen and one of

1044

00:40:58,820 --> 00:40:55,230

the key things is that it's really

1045

00:41:01,250 --> 00:40:58,830

difficult to know distance and height

1046

00:41:03,230 --> 00:41:01,260

and speed this might be good if there

1047

00:41:06,320 --> 00:41:03,240

are two sightings of the same flavor UFO

1048

00:41:08,660 --> 00:41:06,330

and I think that I'm not a technical

1049

00:41:11,240 --> 00:41:08,670

minded science-minded really person at

1050

00:41:13,670 --> 00:41:11,250

all but I do get the train home from

1051
00:41:16,040 --> 00:41:13,680
work every day we must be how are you

1052
00:41:19,170 --> 00:41:16,050
skeptical Richard this is going

1053
00:41:23,980 --> 00:41:19,180
somewhere which is the time

1054
00:41:26,560 --> 00:41:23,990
it's going to talk to well marico the

1055
00:41:29,740 --> 00:41:26,570
people's republic of america where we

1056
00:41:31,840 --> 00:41:29,750
live where we are right now is close to

1057
00:41:34,480 --> 00:41:31,850
the airport and we see planes all the

1058
00:41:36,190 --> 00:41:34,490
time yes and I remember this happens all

1059
00:41:37,660 --> 00:41:36,200
the time I'm getting a train home and

1060
00:41:41,320 --> 00:41:37,670
I'm looking out the window and I see a

1061
00:41:44,080 --> 00:41:41,330
plane taking off the train is moving the

1062
00:41:46,810 --> 00:41:44,090
plane is moving to me it looks like the

1063
00:41:48,940 --> 00:41:46,820

plane is not moving at all I've

1064

00:41:50,560 --> 00:41:48,950

experienced that myself and I don't know

1065

00:41:53,560 --> 00:41:50,570

the physics and the maths and if someone

1066

00:41:56,110 --> 00:41:53,570

I'm sure that our vast audience someone

1067

00:41:57,490 --> 00:41:56,120

will email in with the geek details but

1068

00:41:59,170 --> 00:41:57,500

to me I don't know the geek details

1069

00:42:01,270 --> 00:41:59,180

except i'm looking at and I know that

1070

00:42:02,650 --> 00:42:01,280

deep detail on the shop now there's

1071

00:42:05,020 --> 00:42:02,660

nothing to compare the plane towards

1072

00:42:06,850 --> 00:42:05,030

anything sky I can understand it was

1073

00:42:08,620 --> 00:42:06,860

moving past of see you who they find it

1074

00:42:11,830 --> 00:42:08,630

clean you know it's movie Lucy the sky

1075

00:42:14,080 --> 00:42:11,840

oh I'm looking at that plane outside my

1076
00:42:17,560 --> 00:42:14,090
train window and I know that that plane

1077
00:42:19,630 --> 00:42:17,570
is moving like lastly faster than i am

1078
00:42:23,230 --> 00:42:19,640
moving yes going it's taking off right

1079
00:42:25,510 --> 00:42:23,240
yes but it to me it looks like it is not

1080
00:42:27,700 --> 00:42:25,520
moving at all any of them every time I

1081
00:42:31,570 --> 00:42:27,710
said it's a small thing but to me I

1082
00:42:33,850 --> 00:42:31,580
think that feeds into my philosophy

1083
00:42:36,880 --> 00:42:33,860
which is anyone can be fooled mm-hmm I

1084
00:42:39,730 --> 00:42:36,890
can reform agree what you see is not

1085
00:42:42,550 --> 00:42:39,740
necessarily what is happening and you

1086
00:42:44,620 --> 00:42:42,560
need to correct all of that with object

1087
00:42:46,510 --> 00:42:44,630
if you have you have prepared something

1088
00:42:48,550 --> 00:42:46,520

that's right and you have to learn it

1089

00:42:52,360 --> 00:42:48,560

because if I had not learned that I

1090

00:42:55,150 --> 00:42:52,370

would look and if it was a different

1091

00:42:57,460 --> 00:42:55,160

circumstance yeah i would say that plane

1092

00:42:59,020 --> 00:42:57,470

not moving and i would i would think

1093

00:43:00,760 --> 00:42:59,030

something completely different was

1094

00:43:04,150 --> 00:43:00,770

happening but it's been what it was what

1095

00:43:07,510 --> 00:43:04,160

skeptics have done largely is that

1096

00:43:10,120 --> 00:43:07,520

they've to an extent can't unlearn some

1097

00:43:14,860 --> 00:43:10,130

things and they go against what is

1098

00:43:17,170 --> 00:43:14,870

intuitive I'm looking at it is not

1099

00:43:21,590 --> 00:43:17,180

moving from my point of view it is not

1100

00:43:26,450 --> 00:43:21,600

it's like waving a lot of me

1101
00:43:28,070 --> 00:43:26,460
have to move well let's say 1015 seconds

1102
00:43:30,710 --> 00:43:28,080
what you're looking at the lead is not

1103
00:43:32,660 --> 00:43:30,720
moving there I can see that I've seen

1104
00:43:34,340 --> 00:43:32,670
one coming towards me which was touchy

1105
00:43:36,110 --> 00:43:34,350
flying but it's actually not moving much

1106
00:43:38,180 --> 00:43:36,120
relative to my line of vision exactly

1107
00:43:40,370 --> 00:43:38,190
maybe yours it was taking off towards

1108
00:43:42,500 --> 00:43:40,380
you didn't have to move whatever angles

1109
00:43:45,620 --> 00:43:42,510
and I know that it's angles and physics

1110
00:43:48,230 --> 00:43:45,630
blah blah blah but um if you don't know

1111
00:43:51,140 --> 00:43:48,240
that yeah you say it can't be a plane's

1112
00:43:56,540 --> 00:43:51,150
it will only yeah that's why and I saw

1113
00:43:58,430 --> 00:43:56,550

it don't try to tell me that I saw I

1114

00:44:00,770 --> 00:43:58,440

think one of the great lessons that

1115

00:44:03,020 --> 00:44:00,780

skepticism teaches us is that no matter

1116

00:44:07,280 --> 00:44:03,030

what we think or what we think we've

1117

00:44:09,320 --> 00:44:07,290

seen or felt or hurry we must even if

1118

00:44:12,260 --> 00:44:09,330

it's completely counterintuitive and

1119

00:44:14,570 --> 00:44:12,270

makes no sense to us at the time and say

1120

00:44:17,030 --> 00:44:14,580

the words to ourselves we might be

1121

00:44:18,620 --> 00:44:17,040

mistaken hmm and that is something you

1122

00:44:20,960 --> 00:44:18,630

had that's exactly what I'm saying it's

1123

00:44:22,880 --> 00:44:20,970

a it's almost a daily reminder in a very

1124

00:44:25,700 --> 00:44:22,890

mundane way I look at the window I start

1125

00:44:29,780 --> 00:44:25,710

playing it up I'm not seeing what I

1126

00:44:32,000 --> 00:44:29,790

think I'm seeing it may be well I know

1127

00:44:33,800 --> 00:44:32,010

that well you know that rain I'm not

1128

00:44:37,670 --> 00:44:33,810

seeing with that Qantas plane taking off

1129

00:44:40,700 --> 00:44:37,680

I know I know listeners are invited

1130

00:44:44,630 --> 00:44:40,710

indeed to send us pictures of their UFOs

1131

00:44:47,120 --> 00:44:44,640

in fact please do why not throw your

1132

00:44:48,890 --> 00:44:47,130

keys in the air in your hat in your shoe

1133

00:44:50,930 --> 00:44:48,900

and send it to us we'd love to see them

1134

00:44:53,330 --> 00:44:50,940

sure I'll tell you something about UFO

1135

00:44:55,130 --> 00:44:53,340

sighting experiences or one of the word

1136

00:44:56,810 --> 00:44:55,140

is you can say contactees if somebody's

1137

00:44:59,210 --> 00:44:56,820

seen a UFO that makes them feel very

1138

00:45:00,500 --> 00:44:59,220

special live experiences I've seen

1139

00:45:03,080 --> 00:45:00,510

something in the sky that I couldn't

1140

00:45:04,880 --> 00:45:03,090

understand and I thought hey the aliens

1141

00:45:07,040 --> 00:45:04,890

are coming and I'm the first one to see

1142

00:45:08,540 --> 00:45:07,050

them now this is really significant and

1143

00:45:11,720 --> 00:45:08,550

it's wonderful feeling that you're

1144

00:45:14,600 --> 00:45:11,730

somehow special and if you keep that as

1145

00:45:16,310 --> 00:45:14,610

a UFO in my case I end what you didn't I

1146

00:45:17,750 --> 00:45:16,320

kept watching it and I shouldn't have

1147

00:45:19,610 --> 00:45:17,760

done that should have gone indoors and

1148

00:45:22,100 --> 00:45:19,620

just darling turned into an airplane

1149

00:45:23,840 --> 00:45:22,110

flew overhead but if I got indoors

1150

00:45:27,230 --> 00:45:23,850

before I do that I think I've seen a UFO

1151

00:45:30,170 --> 00:45:27,240

I feel very special and I really don't

1152

00:45:31,000 --> 00:45:30,180

wish to analyze people's UFO sightings

1153

00:45:32,440 --> 00:45:31,010

that much

1154

00:45:35,560 --> 00:45:32,450

you're taking that away from them and

1155

00:45:37,690 --> 00:45:35,570

the last ones that you fo explained and

1156

00:45:39,550 --> 00:45:37,700

the young analogy for this is in monty

1157

00:45:41,920 --> 00:45:39,560

python's life of brian about the ex

1158

00:45:44,320 --> 00:45:41,930

leper this guy's drinking sit on sore

1159

00:45:48,850 --> 00:45:44,330

neck slip up you know I had a living but

1160

00:45:50,440 --> 00:45:48,860

be cured me no leftover Leroy and say if

1161

00:45:52,690 --> 00:45:50,450

you're somebody who's seen you fo you

1162

00:45:54,250 --> 00:45:52,700

can feel special on the really the last

1163

00:45:57,610 --> 00:45:54,260

he wants and some skipping to come along

1164

00:45:59,200 --> 00:45:57,620

and explain it so that be I might be

1165

00:46:01,000 --> 00:45:59,210

option to analyze the sightings for this

1166

00:46:02,920 --> 00:46:01,010

reason you're taken away think wellness

1167

00:46:04,630 --> 00:46:02,930

of Steve we would love to analyze your

1168

00:46:06,820 --> 00:46:04,640

I'm joined by my father Jeff Clark and

1240

00:49:37,609 --> 00:49:35,550

we discuss a particular logical fallacy

1241

00:49:39,140 --> 00:49:37,619

with real-life examples of fallacies

1242

00:49:41,510 --> 00:49:39,150

from pseudo science science

1243

00:49:44,930 --> 00:49:41,520

misconceptions politics philosophy and

1244

00:49:47,630 --> 00:49:44,940

the media hacking humbug 101 is a

skeptics field guide to spotting

1247

00:49:54,290 --> 00:49:51,630

fallacies in thinking you can download

1248

00:49:56,330 --> 00:49:54,300

them and subscribe to our podcast obtain

book humbug and see many more real

1251
00:50:06,880 --> 00:50:00,810
examples of fallacious reasoning at our

1252
00:50:09,650 --> 00:50:06,890
website wwc upticks field guide dot net

1253
00:50:18,390 --> 00:50:09,660
now let's all get back to enjoying the

1254
00:50:23,589 --> 00:50:20,770
and now we have a couple of short

1255
00:50:26,109 --> 00:50:23,599
interviews about UFOs kicking off with

1256
00:50:28,000 --> 00:50:26,119
one conducted by dr. Karen stalls now

1257
00:50:29,920 --> 00:50:28,010
now we did have some technical problems

1258
00:50:32,560 --> 00:50:29,930
with the recording but bear with it it's

1259
00:50:34,839 --> 00:50:32,570
only short and after that we'll have a

1260
00:50:37,540 --> 00:50:34,849
quick chat to current New South Wales

1261
00:50:43,410 --> 00:50:37,550
president of Australian skeptics Peter

1262
00:50:48,370 --> 00:50:45,640
traveled to vallejo in the San Francisco

1263
00:50:51,240 --> 00:50:48,380

Bay Area to interview my friend Bill

1264

00:50:53,829 --> 00:50:51,250

bank's bill grew up in Memphis Tennessee

1265

00:50:56,020 --> 00:50:53,839

and when he was just a boy he witnessed

1266

00:50:59,589 --> 00:50:56,030

an unidentified flying object in the

1267

00:51:01,930 --> 00:50:59,599

skies at school one day I asked bill to

1268

00:51:05,410 --> 00:51:01,940

describe himself and he said present me

1269

00:51:07,930 --> 00:51:05,420

as a postal worker and eccentric bill is

1270

00:51:10,359 --> 00:51:07,940

also a member of mensa and a reader of

1271

00:51:13,180 --> 00:51:10,369

the skeptic magazine but my favorite

1272

00:51:18,250 --> 00:51:13,190

introduction for him is the skeptic who

1273

00:51:21,520 --> 00:51:18,260

saw a UFO so ah thank you very much for

1274

00:51:23,500 --> 00:51:21,530

joining today bill and I guess the first

1275

00:51:27,309 --> 00:51:23,510

question I have to ask is what was the

1276

00:51:30,730 --> 00:51:27,319

experience that you have when I was in

1277

00:51:34,990 --> 00:51:30,740

grade school I can remember say three

1278

00:51:38,130 --> 00:51:35,000

occasions at recess I have been up into

1279

00:51:41,500 --> 00:51:38,140

the sky it was always clear and blue and

1280

00:51:44,710 --> 00:51:41,510

there were silver rockets leaving bike

1281

00:51:46,780 --> 00:51:44,720

countries usually say I would guess

1282

00:51:50,200 --> 00:51:46,790

three or four times the length of the

1283

00:51:54,700 --> 00:51:50,210

ship now the problem is from your point

1284

00:51:56,559 --> 00:51:54,710

of view and anybody who believes in the

1285

00:52:00,309 --> 00:51:56,569

real world so to speak and I include

1286

00:52:03,400 --> 00:52:00,319

myself is this is recess this is great

1287

00:52:06,790 --> 00:52:03,410

school and I never hollered hey look at

1288

00:52:09,700 --> 00:52:06,800

that I can still see these wretched

1289

00:52:12,309 --> 00:52:09,710

things in my mind's eye more than 50

1290

00:52:16,780 --> 00:52:12,319

years later Oakland and I had a chance

1291

00:52:19,180 --> 00:52:16,790

to holler to get other folks go up I

1292

00:52:21,760 --> 00:52:19,190

didn't so there were other people around

1293

00:52:25,390 --> 00:52:21,770

yes isn't well this is recess on

1294

00:52:28,990 --> 00:52:25,400

definition so teachers and other

1295

00:52:30,730 --> 00:52:29,000

students students teachers are stayed

1296

00:52:33,069 --> 00:52:30,740

away from the playgrounds for whatever

1297

00:52:36,730 --> 00:52:33,079

reason in those days see you don't have

1298

00:52:39,339 --> 00:52:36,740

anyone who can really cooperate no story

1299

00:52:41,890 --> 00:52:39,349

so you did you go home and tell your

1300

00:52:43,960 --> 00:52:41,900

parents about it or discuss it with

1301
00:52:47,440 --> 00:52:43,970
anyone afterwards I can remember telling

1302
00:52:49,540 --> 00:52:47,450
my folks ah but they didn't take me too

1303
00:52:54,579 --> 00:52:49,550
seriously surprise even been things in

1304
00:52:56,410 --> 00:52:54,589
those days no after all this time that

1305
00:53:00,339 --> 00:52:56,420
you'll but he said it you're skeptical

1306
00:53:02,260 --> 00:53:00,349
of what you saw absolutely they it's

1307
00:53:04,680 --> 00:53:02,270
just because I could say that you've

1308
00:53:06,520 --> 00:53:04,690
spent from that time until now

1309
00:53:09,040 --> 00:53:06,530
investigating this and thinking about

1310
00:53:11,130 --> 00:53:09,050
this and reliving this experience and

1311
00:53:13,599 --> 00:53:11,140
it's interested you to the state

1312
00:53:16,990 --> 00:53:13,609
reliving and investigating a little

1313
00:53:19,150 --> 00:53:17,000

stroll it's interesting absolutely if

1314

00:53:22,359 --> 00:53:19,160

you think it's more probable but it's

1315

00:53:25,809 --> 00:53:22,369

something natural rather than being an

1316

00:53:27,880 --> 00:53:25,819

alien spacecraft because there are a lot

1317

00:53:29,829 --> 00:53:27,890

of people i would think that most people

1318

00:53:32,349 --> 00:53:29,839

who believe in the sort of thing or who

1319

00:53:35,800 --> 00:53:32,359

have had experiences would ascribe some

1320

00:53:39,609 --> 00:53:35,810

sort of paranormal alien underlying

1321

00:53:42,819 --> 00:53:39,619

reason to what they sing well if you go

1322

00:53:45,970 --> 00:53:42,829

if you take a liberal as a number of UFO

1323

00:53:48,760 --> 00:53:45,980

reports lord knows that there's plenty

1324

00:53:52,300 --> 00:53:48,770

of room for our space monsters amongst

1325

00:53:54,819 --> 00:53:52,310

them the thing is that if you allow

1326

00:53:55,990 --> 00:53:54,829

allowing that to be so there is no

1327

00:53:57,670 --> 00:53:56,000

apparent

1328

00:54:02,680 --> 00:53:57,680

differentiate between the real

1329

00:54:05,950 --> 00:54:02,690

spacelings and whatever else that

1330

00:54:07,720 --> 00:54:05,960

doesn't sit too well with me i'm i would

1331

00:54:09,750 --> 00:54:07,730

think that real spacelings ought to

1332

00:54:14,410 --> 00:54:09,760

clearly differentiate themselves from

1333

00:54:19,330 --> 00:54:14,420

the gross and the sightings are of such

1334

00:54:24,370 --> 00:54:19,340

frequency as to logically conclude on

1335

00:54:26,350 --> 00:54:24,380

that degree of visitation so it's an

1336

00:54:28,960 --> 00:54:26,360

unidentified flying object and I guess

1337

00:54:31,360 --> 00:54:28,970

we go with that literal interpretation

1338

00:54:33,160 --> 00:54:31,370

then all the other experiences that

1339

00:54:37,090 --> 00:54:33,170

other people have had their still left

1340

00:54:40,150 --> 00:54:37,100

unidentified and we need to continue

1341

00:54:44,950 --> 00:54:40,160

being skeptical about them well I would

1342

00:54:46,570 --> 00:54:44,960

urge skepticism about UFOs and a whole

1343

00:54:50,380 --> 00:54:46,580

lot more including though most

1344

00:54:57,250 --> 00:54:50,390

politicians and on that large thank you

1345

00:55:02,120 --> 00:54:59,810

well I'm with dr. Rachel Dunlop

1346

00:55:04,520 --> 00:55:02,130

announces your lab isn't it Rachel well

1347

00:55:06,620 --> 00:55:04,530

it sort of itself seminar room that's a

1348

00:55:08,210 --> 00:55:06,630

tea room is interior ya know and we are

1349

00:55:10,070 --> 00:55:08,220

having tea we're having tea now interest

1350

00:55:12,320 --> 00:55:10,080

it's interesting that when i was putting

1351

00:55:14,750 --> 00:55:12,330

this episode together i was trying to

1352

00:55:16,160 --> 00:55:14,760

get people who have had UFO experiences

1353

00:55:17,450 --> 00:55:16,170

and i put out the call on the internet

1354

00:55:21,770 --> 00:55:17,460

and Rachel's been looking around and

1355

00:55:24,710 --> 00:55:21,780

Kylie and other people we can't find it

1356

00:55:27,050 --> 00:55:24,720

isn't that funny Richard you tweeted it

1357

00:55:29,540 --> 00:55:27,060

I think yeah Carly tweeted it your

1358

00:55:31,070 --> 00:55:29,550

facebook that yeah I asked around my

1359

00:55:33,320 --> 00:55:31,080

workplace and there's about 70 people

1360

00:55:35,390 --> 00:55:33,330

who work here and nobody had seen nope

1361

00:55:37,250 --> 00:55:35,400

nobody neither UFOs anymore I don't any

1362

00:55:39,260 --> 00:55:37,260

what's happened I don't know I guess

1363

00:55:40,400 --> 00:55:39,270

it's not the 1970s anymore is it when

1364

00:55:42,320 --> 00:55:40,410

they were really popular and everyone

1365

00:55:45,590 --> 00:55:42,330

was saying them what a pity I like the

1366

00:55:49,520 --> 00:55:45,600

1970s over fun but or perhaps we're just

1367

00:55:51,160 --> 00:55:49,530

not in a high UFO visitation area hmm

1368

00:55:55,610 --> 00:55:51,170

you know that they tend to sort of

1369

00:55:57,820 --> 00:55:55,620

congregate in there in rural England a

1370

00:56:00,800 --> 00:55:57,830

lot don't they or I tell you what

1371

00:56:02,720 --> 00:56:00,810

they've been seen in the Blue Mountains

1372

00:56:04,130 --> 00:56:02,730

which are Westar Sydney in fact I think

1373

00:56:11,370 --> 00:56:04,140

I'll go there now and see what I can

1374

00:56:16,060 --> 00:56:14,170

UFOs like places like the Blue Mountains

1375

00:56:20,500 --> 00:56:16,070

because they're closely because the hide

1376

00:56:22,810 --> 00:56:20,510

I can save fuel by landing here

1377

00:56:25,360 --> 00:56:22,820

throughout the laning further down

1378

00:56:27,580 --> 00:56:25,370

toward the ocean I'm speaking with Peter

1379

00:56:29,260 --> 00:56:27,590

Bowditch who's the current president of

1380

00:56:30,760 --> 00:56:29,270

Australian skeptics we're in a lovely

1381

00:56:33,430 --> 00:56:30,770

club here in the Blue Mountains which

1382

00:56:35,140 --> 00:56:33,440

are just west of Sydney and it's

1383

00:56:38,260 --> 00:56:35,150

beautiful up here I really enjoyed but

1384

00:56:39,700 --> 00:56:38,270

it is a hot spot for UFOs well go and

1385

00:56:42,630 --> 00:56:39,710

the other thing the UFOs I be concerned

1386

00:56:44,590 --> 00:56:42,640

about global warming obviously and

1387

00:56:47,410 --> 00:56:44,600

therefore the higher you are the better

1388

00:56:48,880 --> 00:56:47,420

with the Greenland ice caps melt between

1389

00:56:49,960 --> 00:56:48,890

now and Tuesday it's going to be

1390

00:56:51,940 --> 00:56:49,970

fighting every there tell you bad news

1391

00:56:53,470 --> 00:56:51,950

so yeah here is going to be safe we'll

1392

00:56:56,680 --> 00:56:53,480

be able to stand on the bridge at the

1393

00:56:57,820 --> 00:56:56,690

railway station look at the ocean okay I

1394

00:57:00,820 --> 00:56:57,830

was suggesting to the council that my

1395

00:57:02,500 --> 00:57:00,830

mighty produced water skiing and I local

1396

00:57:04,930 --> 00:57:02,510

like I've dr. Lee would go down very

1397

00:57:06,760 --> 00:57:04,940

badly so I see but what what will this

1398

00:57:08,590 --> 00:57:06,770

mean for the UFOs on the sneer with a

1399

00:57:11,110 --> 00:57:08,600

book while the other attractions for the

1400

00:57:14,230 --> 00:57:11,120

UFOs here is the island is of course the

1401

00:57:15,880 --> 00:57:14,240

airwaves this is yaoi country so I've

1402

00:57:18,520 --> 00:57:15,890

had to become a true believer in Yowies

1403

00:57:22,030 --> 00:57:18,530

does I blew through the bush I've seen

1404

00:57:23,410 --> 00:57:22,040

the buy packs on the trees I've just

1405

00:57:24,910 --> 00:57:23,420

seen the evidence that Betty it's

1406

00:57:27,730 --> 00:57:24,920

everywhere now for those people who may

1407

00:57:30,190 --> 00:57:27,740

not realize a yaoi is the Australian

1408

00:57:32,140 --> 00:57:30,200

cousin of the Bigfoot or Sasquatch the

1409

00:57:34,480 --> 00:57:32,150

fleet otters be their feed owners be no

1410

00:57:37,000 --> 00:57:34,490

but I biggity biggity 'the yes maybe

1411

00:57:38,140 --> 00:57:37,010

they shouldn't big tooth we thought

1412

00:57:42,070 --> 00:57:38,150

according to net but I think that's a

1413

00:57:44,170 --> 00:57:42,080

trade nine for somebody also we know in

1414

00:57:45,970 --> 00:57:44,180

films of the Yowie unlike films a

1415

00:57:49,540 --> 00:57:45,980

Bigfoot you can't see the zipper on the

1416

00:57:51,340 --> 00:57:49,550

suit I like that famous Patterson film

1417

00:57:52,810 --> 00:57:51,350

of the Bigfoot yeah yeah when you go for

1418

00:57:54,250 --> 00:57:52,820

any by funding to the zipper on it yeah

1419

00:57:57,190 --> 00:57:54,260

I just I think it just shows that

1420

00:57:58,480 --> 00:57:57,200

Bigfoot just have more dress sense up

1421

00:58:00,370 --> 00:57:58,490

here they probably use velcro or

1422

00:58:02,140 --> 00:58:00,380

something no I I think now the president

1423

00:58:05,200 --> 00:58:02,150

of the Australian skeptics is living up

1424

00:58:07,240 --> 00:58:05,210

here somehow I think there should be

1425

00:58:09,300 --> 00:58:07,250

some fresh cow he tracks before long I

1426

00:58:11,520 --> 00:58:09,310

think that definitely coach

1427

00:58:14,490 --> 00:58:11,530

I can see it happening but it was also a

1428

00:58:17,370 --> 00:58:14,500

hotbed of psychics so I kick something

1429

00:58:20,340 --> 00:58:17,380

am a psychic up here an author people of

1430

00:58:22,320 --> 00:58:20,350

doing all sorts of service a strange and

1431

00:58:24,150 --> 00:58:22,330

paranormal things mmm likes to

1432

00:58:25,710 --> 00:58:24,160

investigate a lot to investigate I mean

1433

00:58:27,060 --> 00:58:25,720

I may join the local psychic society

1434
