

The Skeptic Zone

Kristin Carlsson

124 - 4.March.2011

1
00:00:14,110 --> 00:00:08,930
welcome to the skeptic sir the podcast

2
00:00:25,099 --> 00:00:17,750
area host Richard Saunders and Stefan

3
00:00:28,130 --> 00:00:25,109
Soyka Richard welcome along one more

4
00:00:30,560 --> 00:00:28,140
time one more time hello Stefan you know

5
00:00:31,970 --> 00:00:30,570
I thought that that introduction by our

6
00:00:34,400 --> 00:00:31,980
voiceover man Jamal show this week

7
00:00:36,770 --> 00:00:34,410
sounded a bit different it actually

8
00:00:40,280 --> 00:00:36,780
sounded quite intimate quite quite close

9
00:00:42,680 --> 00:00:40,290
the proximity of the voiceover was was

10
00:00:44,150 --> 00:00:42,690
just the modern modern technology you

11
00:00:46,220 --> 00:00:44,160
think he's in the same room with it

12
00:00:48,860 --> 00:00:46,230
feels almost as if he's in the same room

13
00:00:53,600 --> 00:00:48,870

with us in fact he is let's get on with

14

00:00:55,639 --> 00:00:53,610

it hello Jim Jim's here female voiceover

15

00:00:58,010 --> 00:00:55,649

man from and now it's time for dr.

16

00:00:59,630 --> 00:00:58,020

Richie reports and it's a grain of salt

17

00:01:01,970 --> 00:00:59,640

and all the rest he's here in the room

18

00:01:03,560 --> 00:01:01,980

with us you know I didn't even know he

19

00:01:05,450 --> 00:01:03,570

was a real person I thought he wasn't

20

00:01:07,910 --> 00:01:05,460

really I thought he was a voiceover from

21

00:01:11,240 --> 00:01:07,920

another realm adda voiceover generated

22

00:01:14,240 --> 00:01:11,250

me hear something I used to be and

23

00:01:16,399 --> 00:01:14,250

you've been down now I'm here oh it's

24

00:01:19,219 --> 00:01:16,409

good to see you and it's makes this

25

00:01:21,320 --> 00:01:19,229

oness slightly more um crowded it does

26

00:01:23,630 --> 00:01:21,330

in our little studio does but I'm

27

00:01:25,340 --> 00:01:23,640

pleased to say that not only will Jim be

28

00:01:27,320 --> 00:01:25,350

joining us later in the show for the

29

00:01:29,569 --> 00:01:27,330

think tank oh yes he will you see well

30

00:01:31,429 --> 00:01:29,579

last night at skeptics in the pub here

31

00:01:33,469 --> 00:01:31,439

in Sydney Jim gave a live read of one of

32

00:01:36,170 --> 00:01:33,479

these skeptical palms about the these

33

00:01:38,600 --> 00:01:36,180

funny energy power bracelets ah I

34

00:01:40,640 --> 00:01:38,610

allowing anyone who makes fun of those

35

00:01:42,620 --> 00:01:40,650

silly things but it's surprising because

36

00:01:44,929 --> 00:01:42,630

jim has said welcome to the skeptic zone

37

00:01:47,600 --> 00:01:44,939

now a hundred and twenty four times

38

00:01:49,940 --> 00:01:47,610

because this is episode number 124 for

39

00:01:51,200 --> 00:01:49,950

the fourth of March it's 125 actually

40

00:01:53,569 --> 00:01:51,210

because this is the second time we've

41

00:01:56,149 --> 00:01:53,579

done this oh we're gonna be professional

42

00:01:58,639 --> 00:01:56,159

about this and counting the pilot that

43

00:01:59,959 --> 00:01:58,649

we did it's 126 are the pilot that was

44

00:02:01,580 --> 00:01:59,969

never seen those they were saying I'm

45

00:02:04,580 --> 00:02:01,590

not practiced that you have practice

46

00:02:08,449 --> 00:02:04,590

that's probably a hundred 727 any

47

00:02:11,059 --> 00:02:08,459

advance 127 alright what the official

48

00:02:13,690 --> 00:02:11,069

what episode is it especially now after

49

00:02:16,910 --> 00:02:13,700

all that it is still officially episode

50

00:02:18,620 --> 00:02:16,920

124 ah Jimmy must be exhausted as we are

51
00:02:23,000 --> 00:02:18,630
what if you're honest have only said it

52
00:02:25,400 --> 00:02:23,010
twice well Richard welcome along again

53
00:02:26,690 --> 00:02:25,410
thank you and Jim and so what are we

54
00:02:28,400 --> 00:02:26,700
gonna happening it's a big shot it's

55
00:02:29,720 --> 00:02:28,410
always richer it's a huge show it to you

56
00:02:32,810 --> 00:02:29,730
show it is it bigger if you don't bigger

57
00:02:36,290 --> 00:02:32,820
than that yes it's so big this show is

58
00:02:38,930 --> 00:02:36,300
so big it goes as far as norway norway

59
00:02:40,880 --> 00:02:38,940
we know what's happening in norway we're

60
00:02:43,340 --> 00:02:40,890
going to be speaking to Kristin Carlson

61
00:02:45,530 --> 00:02:43,350
from the Norwegian skeptics the

62
00:02:47,000 --> 00:02:45,540
Norwegian skeptics Weejun skeptics yeah

63
00:02:49,820 --> 00:02:47,010

I don't know they're pretty big on cold

64

00:02:51,950 --> 00:02:49,830

reading up there aren't they Oh Jim do

65

00:02:55,340 --> 00:02:51,960

you want to be a host answer to him it's

66

00:02:56,900 --> 00:02:55,350

no way oh thank you various kristin is

67

00:02:59,270 --> 00:02:56,910

going to be speaking to us our rider

68

00:03:00,890 --> 00:02:59,280

magica skype all about the Norwegian

69

00:03:03,350 --> 00:03:00,900

skeptics and her activities are

70

00:03:05,180 --> 00:03:03,360

promoting science and reason in that

71

00:03:06,560 --> 00:03:05,190

part of the world actually I actually

72

00:03:08,480 --> 00:03:06,570

thought they were quite reasonable up

73

00:03:10,910 --> 00:03:08,490

there already are there actually people

74

00:03:12,860 --> 00:03:10,920

in Norway that are into whoo whoo I'm

75

00:03:14,660 --> 00:03:12,870

sure there is there are really will be

76

00:03:16,880 --> 00:03:14,670

and then there will be tomorrow and

77

00:03:19,340 --> 00:03:16,890

there always will be um but no she's

78

00:03:22,160 --> 00:03:19,350

great fantastic interview coming up also

79

00:03:25,460 --> 00:03:22,170

on today's show dr. Richie Maynard and I

80

00:03:27,290 --> 00:03:25,470

went to Armageddon thank you again it

81

00:03:29,150 --> 00:03:27,300

really that was the movie or you

82

00:03:30,680 --> 00:03:29,160

actually experience the experience that

83

00:03:32,330 --> 00:03:30,690

we experienced the end of the world we

84

00:03:33,710 --> 00:03:32,340

have a special report from the end of

85

00:03:35,870 --> 00:03:33,720

the world really now those who is like

86

00:03:37,550 --> 00:03:35,880

an anime fest here in Sydney and science

87

00:03:39,860 --> 00:03:37,560

fiction and all that sort of stuff we're

88

00:03:41,240 --> 00:03:39,870

chatting to various voice-over artist oh

89

00:03:44,060 --> 00:03:41,250

really I haven't seen one of those for a

90

00:03:46,550 --> 00:03:44,070

long time now and this week we may not

91

00:03:48,560 --> 00:03:46,560

interviews michael McConaughey who does

92

00:03:51,140 --> 00:03:48,570

lots of video game voice overs and

93

00:03:52,729 --> 00:03:51,150

things like that oh yeah a few stories

94

00:03:55,250 --> 00:03:52,739

to tell about being cooped up in a booth

95

00:03:57,410 --> 00:03:55,260

I'm sure is that and talking he's a sort

96

00:03:59,600 --> 00:03:57,420

of guy who would probably say in a world

97

00:04:03,920 --> 00:03:59,610

gone mad oh you know that sort of stuff

98

00:04:06,320 --> 00:04:03,930

or kill them all die I think he does

99

00:04:09,650 --> 00:04:06,330

same time we had the think tank of

100

00:04:11,030 --> 00:04:09,660

course as we are you then what is it a

101
00:04:13,220 --> 00:04:11,040
normal think tank or as I've got an

102
00:04:15,560 --> 00:04:13,230
extra special one this week no it's

103
00:04:17,390 --> 00:04:15,570
really boring this long oh yeah now Jim

104
00:04:19,699 --> 00:04:17,400
will she'll be joining us to my very

105
00:04:21,680 --> 00:04:19,709
special week having Jimmy that it is it

106
00:04:23,960 --> 00:04:21,690
is that's really fantastic we've got a

107
00:04:26,580 --> 00:04:23,970
new segment by Joanne been amoo all

108
00:04:27,990 --> 00:04:26,590
called reality bites is that so yet

109
00:04:30,390 --> 00:04:28,000
I look forward to hearing that and

110
00:04:32,370 --> 00:04:30,400
reality does bite it certainly does

111
00:04:33,689 --> 00:04:32,380
around here it blows at the moment so

112
00:04:36,719 --> 00:04:33,699
it's it's a big show stiff from our

113
00:04:38,040 --> 00:04:36,729

parents i ah show number 124 it is

114

00:04:39,480 --> 00:04:38,050

getting bigger by the madness this is

115

00:04:40,860 --> 00:04:39,490

prince is so big we better get out of

116

00:04:57,600 --> 00:04:40,870

here all right let's get on with the

117

00:05:00,120 --> 00:04:57,610

show I have to do it all right and I'm

118

00:05:02,280 --> 00:05:00,130

delighted to say that through the magic

119

00:05:04,980 --> 00:05:02,290

the magic is the magic of long-distance

120

00:05:06,930 --> 00:05:04,990

internet I've managed to hook up a

121

00:05:08,820 --> 00:05:06,940

connection between here and Oslo in

122

00:05:11,460 --> 00:05:08,830

Norway i think it's sort of bouncing off

123

00:05:13,710 --> 00:05:11,470

thailand and sneaking up through Belgium

124

00:05:15,810 --> 00:05:13,720

being side tracked through Shanghai

125

00:05:19,230 --> 00:05:15,820

thence finally finally making it to

126

00:05:23,400 --> 00:05:19,240

Moscow trailing across by mule to Oslo

127

00:05:26,430 --> 00:05:23,410

where we have after all that we have

128

00:05:28,850 --> 00:05:26,440

Kristen Carson hello hey Richard thanks

129

00:05:31,200 --> 00:05:28,860

for having me old oh it's our pleasure

130

00:05:34,020 --> 00:05:31,210

absolutely out pleasure now you came to

131

00:05:36,000 --> 00:05:34,030

my attention when i was looking at all

132

00:05:38,820 --> 00:05:36,010

the wonderful videos coming in from

133

00:05:41,580 --> 00:05:38,830

around the world just recently with a 10

134

00:05:44,089 --> 00:05:41,590

23 campaign and there I saw a great

135

00:05:47,129 --> 00:05:44,099

little video from Oslo yeah you are

136

00:05:49,890 --> 00:05:47,139

right at the front conducting everybody

137

00:05:52,350 --> 00:05:49,900

in taking the the little sugar pills how

138

00:05:53,640 --> 00:05:52,360

did that all come about well that's a

139

00:05:56,310 --> 00:05:53,650

very good question i was actually

140

00:05:59,040 --> 00:05:56,320

contacted by Mike Marshall who's the

141

00:06:01,350 --> 00:05:59,050

sort of international coordinator I

142

00:06:03,089 --> 00:06:01,360

guess the whole thing he got he got tip

143

00:06:06,719 --> 00:06:03,099

that I would be interested in doing this

144

00:06:10,170 --> 00:06:06,729

and of course I was just said yes sure

145

00:06:12,570 --> 00:06:10,180

I'll do it and really didn't have any

146

00:06:15,120 --> 00:06:12,580

more plans than that so I sort of

147

00:06:17,600 --> 00:06:15,130

through the internets various discussion

148

00:06:20,940 --> 00:06:17,610

forums I sort of managed to hook up with

149

00:06:25,230 --> 00:06:20,950

some interested people who wanted to do

150

00:06:28,020 --> 00:06:25,240

to do this and we did like a small

151
00:06:30,150 --> 00:06:28,030
gathering on the day and we managed also

152
00:06:32,370 --> 00:06:30,160
to get I guess it was three or four

153
00:06:34,589 --> 00:06:32,380
people up in Trondheim as well which was

154
00:06:37,560 --> 00:06:34,599
really great that we could manage more

155
00:06:40,080 --> 00:06:37,570
than one mmm more than one the city in

156
00:06:40,410 --> 00:06:40,090
Norway's well which was great in also we

157
00:06:43,440 --> 00:06:40,420
were

158
00:06:45,600 --> 00:06:43,450
at 26 I guess buying ourselves some

159
00:06:49,080 --> 00:06:45,610
little sugar pills and doing the thing

160
00:06:50,940 --> 00:06:49,090
in there it was fun that's great fun it

161
00:06:52,890 --> 00:06:50,950
certainly came across that way on the

162
00:06:54,510 --> 00:06:52,900
video it looked like y'all having an

163
00:06:56,730 --> 00:06:54,520

interesting time and there was one guide

164

00:07:00,870 --> 00:06:56,740

then I seem to remember he sort of any

165

00:07:03,120 --> 00:07:00,880

any uniform beautiful it was a military

166

00:07:07,080 --> 00:07:03,130

uniform yeah it took the trip trip down

167

00:07:09,900 --> 00:07:07,090

from from doing a bit of a service there

168

00:07:12,810 --> 00:07:09,910

I guess and you seem to be having fun

169

00:07:15,420 --> 00:07:12,820

with her the pills as well I guess the

170

00:07:18,180 --> 00:07:15,430

most important thing of course is it was

171

00:07:19,170 --> 00:07:18,190

video which newest video thousands and

172

00:07:21,450 --> 00:07:19,180

thousands of people around the world

173

00:07:24,450 --> 00:07:21,460

including myself got to see and got to

174

00:07:26,160 --> 00:07:24,460

see your efforts there yeah I do what I

175

00:07:28,410 --> 00:07:26,170

mean the impression I had when he did it

176

00:07:31,080 --> 00:07:28,420

was offered so called because we when we

177

00:07:33,900 --> 00:07:31,090

did it in Sydney it was the tail end of

178

00:07:36,330 --> 00:07:33,910

a heat wave and it was really hot it was

179

00:07:38,550 --> 00:07:36,340

a bit chilly we all huddled into cafe

180

00:07:41,670 --> 00:07:38,560

afterwards to warm ourselves eat lunch

181

00:07:44,250 --> 00:07:41,680

and edit a video so that that's that

182

00:07:46,530 --> 00:07:44,260

sudden be helped and those is good that

183

00:07:48,930 --> 00:07:46,540

it didn't last very long then the

184

00:07:50,370 --> 00:07:48,940

campaign itself that's quite handy

185

00:07:51,990 --> 00:07:50,380

because you've could have taken all the

186

00:07:54,450 --> 00:07:52,000

onion sugar pills into the cafe to

187

00:07:56,370 --> 00:07:54,460

sweeten your coffee all right I guess

188

00:08:01,650 --> 00:07:56,380

almost did as well have have some

189

00:08:03,930 --> 00:08:01,660

leftovers what's your story and why why

190

00:08:05,310 --> 00:08:03,940

did you end up being the the front lady

191

00:08:07,200 --> 00:08:05,320

apartment what you've just told us

192

00:08:09,090 --> 00:08:07,210

something the longer your story getting

193

00:08:12,360 --> 00:08:09,100

there the longest story getting the hell

194

00:08:14,520 --> 00:08:12,370

all I can say is that really more than I

195

00:08:18,270 --> 00:08:14,530

would have imagined has happened the

196

00:08:21,840 --> 00:08:18,280

last year only I guess I guess it all

197

00:08:24,030 --> 00:08:21,850

started when I began at the university I

198

00:08:25,590 --> 00:08:24,040

studied for a degree there I've always

199

00:08:28,220 --> 00:08:25,600

been really interested in astronomy so I

200

00:08:31,770 --> 00:08:28,230

took it i did a degree in astronomy and

201
00:08:33,600 --> 00:08:31,780
so I I went to the University but I

202
00:08:36,510 --> 00:08:33,610
guess before that I was a bit you know

203
00:08:39,270 --> 00:08:36,520
what you might call open to stuff just

204
00:08:42,180 --> 00:08:39,280
interested in lots of mystical things I

205
00:08:45,120 --> 00:08:42,190
guess curiouser yeah I Marie Curie's you

206
00:08:47,640 --> 00:08:45,130
know but to me I didn't really know the

207
00:08:49,200 --> 00:08:47,650
difference between the science Fitz and

208
00:08:51,930 --> 00:08:49,210
the pseudoscience bits that's what I

209
00:08:53,260 --> 00:08:51,940
kind of learned at the University so it

210
00:08:54,940 --> 00:08:53,270
helped me

211
00:08:57,310 --> 00:08:54,950
but he did a bit of help when it comes

212
00:09:00,540 --> 00:08:57,320
to that you know I was reading about

213
00:09:03,940 --> 00:09:00,550

some really weird stuff like black holes

214

00:09:06,550 --> 00:09:03,950

which really interested me and I thought

215

00:09:08,500 --> 00:09:06,560

that I thought about that the same way

216

00:09:10,720 --> 00:09:08,510

as I did when I read about UFOs and

217

00:09:14,200 --> 00:09:10,730

ghosts you know I just had to learn the

218

00:09:16,960 --> 00:09:14,210

difference the university hoped as well

219

00:09:19,540 --> 00:09:16,970

as my love for reading blogs I really

220

00:09:22,000 --> 00:09:19,550

like bugs as a medium so I started

221

00:09:25,150 --> 00:09:22,010

reading bad astronomy blog field plates

222

00:09:27,700 --> 00:09:25,160

blog which I feel played yes come up

223

00:09:29,400 --> 00:09:27,710

again yes and you know people who are

224

00:09:31,810 --> 00:09:29,410

really into what they write about

225

00:09:35,080 --> 00:09:31,820

especially the the geeky and sciency

226

00:09:37,690 --> 00:09:35,090

stuff and so yeah I guess my love of the

227

00:09:40,840 --> 00:09:37,700

internet and in combination with a bit

228

00:09:42,640 --> 00:09:40,850

of control from the my studies prevented

229

00:09:46,120 --> 00:09:42,650

me from listening to the wrong people I

230

00:09:48,610 --> 00:09:46,130

guess when searching yeah because it

231

00:09:50,530 --> 00:09:48,620

could have been gone [h__\h] wait yeah yes

232

00:09:52,300 --> 00:09:50,540

it could have absolutely you can listen

233

00:09:56,050 --> 00:09:52,310

to all the way in the internets just

234

00:09:57,490 --> 00:09:56,060

full of every opinion and right and in

235

00:10:01,090 --> 00:09:57,500

different so it's it's interesting

236

00:10:04,000 --> 00:10:01,100

exercise to go along and weed out which

237

00:10:05,740 --> 00:10:04,010

ones are correct I guess that's why we

238

00:10:07,900 --> 00:10:05,750

come back to the scientific method and

239

00:10:10,270 --> 00:10:07,910

skepticism again it's also a wonderful

240

00:10:13,690 --> 00:10:10,280

way for helping you weed out which is

241

00:10:16,870 --> 00:10:13,700

good and bad on the internet yeah things

242

00:10:18,400 --> 00:10:16,880

it's a way of thinking and looking at

243

00:10:20,710 --> 00:10:18,410

the world that I find really sort of

244

00:10:23,860 --> 00:10:20,720

giving I guess any interesting topic you

245

00:10:26,950 --> 00:10:23,870

can stumble over mine was skepticism I

246

00:10:30,280 --> 00:10:26,960

don't remember going from this sort of

247

00:10:33,910 --> 00:10:30,290

more believing person to being a skeptic

248

00:10:36,790 --> 00:10:33,920

I don't have like this one moment I

249

00:10:37,810 --> 00:10:36,800

guess I was not I was never a religious

250

00:10:40,840 --> 00:10:37,820

person I was never brought up

251
00:10:43,990 --> 00:10:40,850
particularly little it religiously you

252
00:10:47,620 --> 00:10:44,000
know there was a slow thing I remember

253
00:10:49,540 --> 00:10:47,630
knowing about James Randy's four million

254
00:10:52,210 --> 00:10:49,550
dollar challenge long before I went

255
00:10:54,550 --> 00:10:52,220
right into skepticism and I thought that

256
00:10:55,870 --> 00:10:54,560
was a great thing I mean I believed in

257
00:10:57,340 --> 00:10:55,880
lots of paranormal stuff but I thought

258
00:10:59,350 --> 00:10:57,350
that was a great thing that that there

259
00:11:02,470 --> 00:10:59,360
was a challenge to sort of prove it as

260
00:11:05,220 --> 00:11:02,480
well so it was a really slow thing and

261
00:11:07,210 --> 00:11:05,230
there I guess the major sort of shift in

262
00:11:12,670 --> 00:11:07,220
how I

263
00:11:14,860 --> 00:11:12,680

about doing being a skeptic was in 2009

264

00:11:17,800 --> 00:11:14,870

when I found out about the first-ever

265

00:11:20,679 --> 00:11:17,810

amazing meeting held in London uh-huh

266

00:11:23,410 --> 00:11:20,689

yes I really wanted to go to that and I

267

00:11:26,230 --> 00:11:23,420

did I remember there being so many

268

00:11:29,829 --> 00:11:26,240

Norwegians attending tam London and do

269

00:11:33,579 --> 00:11:29,839

that a lot of us yeah yeah tens intense

270

00:11:37,059 --> 00:11:33,589

and which was really nice and it's just

271

00:11:39,369 --> 00:11:37,069

been announced that mr. Randy in a

272

00:11:41,590 --> 00:11:39,379

coordinated by the Norwegian humanist

273

00:11:44,139 --> 00:11:41,600

association is actually visiting Norway

274

00:11:46,509 --> 00:11:44,149

and march on the eighteenth of much

275

00:11:48,759 --> 00:11:46,519

she's going to be an [h__h] and then

276
00:11:53,590 --> 00:11:48,769
he's going to trauma home and Bergen on

277
00:11:55,809 --> 00:11:53,600
the 20 21st and 22nd fell because man

278
00:11:58,059 --> 00:11:55,819
gets around he's incredible I mean well

279
00:11:59,829 --> 00:11:58,069
now let me rephrase that and it's the

280
00:12:02,319 --> 00:11:59,839
word that keeps coming up about Randy

281
00:12:04,600 --> 00:12:02,329
he's amazing he's really amazing yeah

282
00:12:07,030 --> 00:12:04,610
it's really really really nice to talk

283
00:12:08,860 --> 00:12:07,040
to as well so when when I got back from

284
00:12:10,480 --> 00:12:08,870
that I started sort of interacting more

285
00:12:14,829 --> 00:12:10,490
with people on the internet on the

286
00:12:17,980 --> 00:12:14,839
discussion forums that I go to and I

287
00:12:21,400 --> 00:12:17,990
started going to the sort of skeptic

288
00:12:23,619 --> 00:12:21,410

meetups at the pub in Oslo and that's

289

00:12:26,439 --> 00:12:23,629

when I sort of really got to know the

290

00:12:30,549 --> 00:12:26,449

people that I hang out with now and then

291

00:12:32,920 --> 00:12:30,559

um I guess some of them there was a

292

00:12:34,929 --> 00:12:32,930

couple of them talking about being

293

00:12:37,290 --> 00:12:34,939

really really motivated from going to

294

00:12:40,869 --> 00:12:37,300

Tamland and wanting to do something

295

00:12:42,490 --> 00:12:40,879

similar in Oslo and there was sort of

296

00:12:44,920 --> 00:12:42,500

asking is there an interest in this and

297

00:12:48,189 --> 00:12:44,930

holding a conference in Oslo skeptics

298

00:12:51,759 --> 00:12:48,199

conference I was like I am in I'd no

299

00:12:55,569 --> 00:12:51,769

idea what to do i'm in just count me in

300

00:12:57,189 --> 00:12:55,579

and suddenly I i find myself you know co

301

00:13:01,299 --> 00:12:57,199

organizing Norway's for a skeptic

302

00:13:04,059 --> 00:13:01,309

conference we had that last October

303

00:13:05,829 --> 00:13:04,069

which was a huge success to you know our

304

00:13:07,509 --> 00:13:05,839

writing angler was were thinking I

305

00:13:09,689 --> 00:13:07,519

really think about doing this again and

306

00:13:12,460 --> 00:13:09,699

we're gonna start planning it soon

307

00:13:14,829 --> 00:13:12,470

uh-huh what that sounds fantastic well

308

00:13:16,629 --> 00:13:14,839

my name's Richard Saunders and I can

309

00:13:19,809 --> 00:13:16,639

speak on all sorts of things and I've

310

00:13:20,180 --> 00:13:19,819

never been to a slow and that is that

311

00:13:23,900 --> 00:13:20,190

isn't

312

00:13:25,880 --> 00:13:23,910

voted as of that again no we had we had

313

00:13:29,810 --> 00:13:25,890

some really really cool guests we had

314

00:13:31,970 --> 00:13:29,820

our sort of eminence eminent guests from

315

00:13:33,560 --> 00:13:31,980

abroad were obviously Simon seeing in

316

00:13:37,070 --> 00:13:33,570

rebecca watson the game over which is

317

00:13:39,100 --> 00:13:37,080

really great and as well as loads of

318

00:13:42,800 --> 00:13:39,110

really good speakers from norway and

319

00:13:45,470 --> 00:13:42,810

sweden and yeah i was reading good

320

00:13:47,750 --> 00:13:45,480

turnouts well we thought what a

321

00:13:49,460 --> 00:13:47,760

fantastic thing that you've done that

322

00:13:51,590 --> 00:13:49,470

that you were inspired and other people

323

00:13:55,010 --> 00:13:51,600

like you are inspired by the internet

324

00:13:58,730 --> 00:13:55,020

and then by going to a tab and and that

325

00:14:00,620 --> 00:13:58,740

to progress that to being active locally

326

00:14:02,210 --> 00:14:00,630

which i think is a wonderful thing and

327

00:14:03,980 --> 00:14:02,220

I'm and it's happening all around the

328

00:14:06,200 --> 00:14:03,990

world especially here in Australia that

329

00:14:08,180 --> 00:14:06,210

I've noticed that after how recent am

330

00:14:11,660 --> 00:14:08,190

more people want to be active locally

331

00:14:14,300 --> 00:14:11,670

yeah it's a wonderful thing and wow the

332

00:14:17,210 --> 00:14:14,310

adventures that await you I can I can't

333

00:14:19,310 --> 00:14:17,220

tell you yes amazing things you're going

334

00:14:20,630 --> 00:14:19,320

to discover and find out and be involved

335

00:14:23,740 --> 00:14:20,640

with especially when you do

336

00:14:26,300 --> 00:14:23,750

investigations into the paranormal or or

337

00:14:28,130 --> 00:14:26,310

maybe you helped bring down a Charlotte

338

00:14:30,710 --> 00:14:28,140

and that that's a that's a quite a good

339

00:14:32,690 --> 00:14:30,720

feeling yeah I would love to do some

340

00:14:34,880 --> 00:14:32,700

sort of investigations myself it would

341

00:14:36,170 --> 00:14:34,890

be really nice oh I'm sure you will I'm

342

00:14:39,770 --> 00:14:36,180

sure there are plenty of haunted houses

343

00:14:42,560 --> 00:14:39,780

in Oslo hey man maybe maybe you're nice

344

00:14:44,420 --> 00:14:42,570

we'll find out wow that's it exactly you

345

00:14:46,130 --> 00:14:44,430

or not now one of the interesting things

346

00:14:48,220 --> 00:14:46,140

that is struck me while I'm chatting

347

00:14:51,050 --> 00:14:48,230

with you on the video of course you

348

00:14:53,420 --> 00:14:51,060

obviously did the video in Norwegian and

349

00:14:55,340 --> 00:14:53,430

the little lovely little ad for yours

350

00:14:57,050 --> 00:14:55,350

the skeptics say you sent me was in

351

00:14:59,360 --> 00:14:57,060

Norwegian yet your English is

352

00:15:00,980 --> 00:14:59,370

practically flawless did you spend a

353

00:15:04,880 --> 00:15:00,990

long time in England or do a lot of

354

00:15:07,910 --> 00:15:04,890

Norwegians are good English speakers I

355

00:15:09,410 --> 00:15:07,920

die I think my impression is that most

356

00:15:12,760 --> 00:15:09,420

Norwegians have a little problem

357

00:15:15,530 --> 00:15:12,770

speaking English under anyone going and

358

00:15:17,270 --> 00:15:15,540

animal speak English who goes to Norway

359

00:15:19,460 --> 00:15:17,280

will have no problem and being

360

00:15:22,370 --> 00:15:19,470

understood and communicating so yeah

361

00:15:25,850 --> 00:15:22,380

that's it's a very common thing to begin

362

00:15:27,890 --> 00:15:25,860

to be you know relatively yeah yeah

363

00:15:29,660 --> 00:15:27,900

knowledgeable in English and being able

364

00:15:31,820 --> 00:15:29,670

to speak it so well that's really

365

00:15:33,830 --> 00:15:31,830

interesting to hear because it means

366

00:15:36,350 --> 00:15:33,840

that getting

367

00:15:38,810 --> 00:15:36,360

access to information which is as it

368

00:15:41,360 --> 00:15:38,820

happens mostly in English about what we

369

00:15:42,740 --> 00:15:41,370

do is relatively easy I imagine there

370

00:15:44,060 --> 00:15:42,750

are some countries people in some

371

00:15:47,840 --> 00:15:44,070

countries around the world who want to

372

00:15:49,730 --> 00:15:47,850

get into skepticism or anything and hit

373

00:15:51,980 --> 00:15:49,740

a bit of a language barrier yeah and

374

00:15:55,370 --> 00:15:51,990

that's I think good advice as well as to

375

00:15:57,590 --> 00:15:55,380

do more blogs and do more sort of

376

00:15:59,930 --> 00:15:57,600

information channels in your local

377

00:16:03,320 --> 00:15:59,940

language as well I mean I i have a blog

378

00:16:04,880 --> 00:16:03,330

and I I make a point of blogging in

379

00:16:06,590 --> 00:16:04,890

Norwegian because i think that's that's

380

00:16:07,820 --> 00:16:06,600

really important because there are there

381

00:16:10,700 --> 00:16:07,830

are loads and loads of really good

382

00:16:12,950 --> 00:16:10,710

sources out there in English that so we

383

00:16:16,040 --> 00:16:12,960

need more we need more in Norwegian as

384

00:16:19,400 --> 00:16:16,050

well doing this I in fact why why you

385

00:16:23,630 --> 00:16:19,410

mentioned that where can people look at

386

00:16:25,580 --> 00:16:23,640

your blog where can they go well I guess

387

00:16:27,560 --> 00:16:25,590

I'll have to spell it out if I'm going

388

00:16:34,040 --> 00:16:27,570

to say but yeah my blog you know we just

389

00:16:38,320 --> 00:16:34,050

got Luke arsonist PR okay our AST I nu F

390

00:16:41,410 --> 00:16:38,330

T dot n 0 but yeah if they go to my

391

00:16:45,200 --> 00:16:41,420

twitter profile which is that nerd woman

392

00:16:48,200 --> 00:16:45,210

they any problems figuring out where to

393

00:16:50,950 --> 00:16:48,210

to look for my blonde is that yes

394

00:16:54,320 --> 00:16:50,960

everybody listening please our friend

395

00:16:56,780 --> 00:16:54,330

Kristen on Twitter that nerd woman what

396

00:16:59,980 --> 00:16:56,790

a great what a great twitter address it

397

00:17:02,540 --> 00:16:59,990

is so what are your immediate plans

398

00:17:04,820 --> 00:17:02,550

lining up another convention doing some

399

00:17:07,580 --> 00:17:04,830

more publicity writing the blog are you

400

00:17:09,650 --> 00:17:07,590

going to do a podcast maybe well I'm

401
00:17:13,190 --> 00:17:09,660
glad you mentioned it because we've

402
00:17:15,590 --> 00:17:13,200
actually started a podcast we are in our

403
00:17:18,290 --> 00:17:15,600
infancy yet but we're closing up on 10

404
00:17:20,510 --> 00:17:18,300
episodes actually we're doing every

405
00:17:25,280 --> 00:17:20,520
second week we do we meet up or six

406
00:17:28,490 --> 00:17:25,290
people who meet up at skype and a

407
00:17:29,960 --> 00:17:28,500
recorded podcast which is I think it's

408
00:17:32,480 --> 00:17:29,970
really great and everyone should listen

409
00:17:35,210 --> 00:17:32,490
to it and that's also something that

410
00:17:38,180 --> 00:17:35,220
came out though we're very motivated

411
00:17:40,100 --> 00:17:38,190
we're really starting to get get things

412
00:17:42,530 --> 00:17:40,110
going for skepticism here in Norway we

413
00:17:46,400 --> 00:17:42,540

have to have a podcast you know oh yes

414

00:17:47,480 --> 00:17:46,410

and so yeah yeah I actually am an

415

00:17:52,040 --> 00:17:47,490

important cast as well

416

00:17:54,200 --> 00:17:52,050

as well as a bit more organized version

417

00:17:56,150 --> 00:17:54,210

of the skeptics in the pub just started

418

00:18:01,040 --> 00:17:56,160

also after the conference in Oslo last

419

00:18:04,820 --> 00:18:01,050

year yeah we just had George shrub doing

420

00:18:07,880 --> 00:18:04,830

concert organised by us he's really

421

00:18:10,250 --> 00:18:07,890

great by the way he said is he said to

422

00:18:11,900 --> 00:18:10,260

tell you I spoke to him and said to tell

423

00:18:13,340 --> 00:18:11,910

you that he'll always treasure the

424

00:18:15,860 --> 00:18:13,350

afternoon you and he spent in the hot

425

00:18:18,320 --> 00:18:15,870

tub but that that koala never responds

426

00:18:21,590 --> 00:18:18,330

to his emails yeah that's another story

427

00:18:25,100 --> 00:18:21,600

we'll get into that later yeah yes just

428

00:18:28,340 --> 00:18:25,110

worry about that site no thank you

429

00:18:30,410 --> 00:18:28,350

George yes now people can find out about

430

00:18:33,680 --> 00:18:30,420

that podcast at the add your blog oh

431

00:18:35,690 --> 00:18:33,690

yeah yeah I link to it so it's really

432

00:18:38,299 --> 00:18:35,700

great what's the name of the podcast

433

00:18:42,020 --> 00:18:38,309

then podcasters softly if I would sure

434

00:18:44,960 --> 00:18:42,030

which means says of the the most the

435

00:18:48,590 --> 00:18:44,970

most important tools a skeptic has which

436

00:18:51,620 --> 00:18:48,600

is the pinch of salt well listen Chris

437

00:18:53,930 --> 00:18:51,630

your life in skepticism and if i can get

443

445

00:19:15,230 --> 00:19:13,320

life-giving force only through the power

488

00:21:37,290 --> 00:21:34,690

of the spirit even though the a triple c

489

00:21:39,300 --> 00:21:37,300

have disabled the listed websites i was

491

00:21:43,860 --> 00:21:41,800

the sites you can see a list of these

492

00:21:45,570 --> 00:21:43,870

sites on the a triple c website

493

00:21:48,870 --> 00:21:45,580

which we will link to from the skeptics

494

00:21:51,570 --> 00:21:48,880

own page the service is delivered in

495

00:21:53,430 --> 00:21:51,580

kununurra a remote town of about seven

496

00:21:56,250 --> 00:21:53,440

thousand people in far northwestern

497

00:21:58,890 --> 00:21:56,260

Australia participants must cover their

498

00:22:02,070 --> 00:21:58,900

own travel and accommodation the cost to

499

00:22:04,530 --> 00:22:02,080

be cured is 495 dollars with discounts

500

00:22:07,049 --> 00:22:04,540

for pensioners and you can only be cured

501
00:22:10,110 --> 00:22:07,059
if you have cancer their powers do not

502
00:22:12,360 --> 00:22:10,120
extend to cover other illnesses the

503
00:22:13,920 --> 00:22:12,370
matter has been fast-tracked and is next

504
00:22:18,180 --> 00:22:13,930
listed for mention on the fourth of

505
00:22:20,490 --> 00:22:18,190
March 2011 on a related note while

506
00:22:22,320 --> 00:22:20,500
researching the story I discovered that

507
00:22:24,600 --> 00:22:22,330
the spiritual healing Association of

508
00:22:26,730 --> 00:22:24,610
Western Australia is listed on the

509
00:22:29,820 --> 00:22:26,740
online business directory start local

510
00:22:33,120 --> 00:22:29,830
under the category radiation oncology

511
00:22:35,280 --> 00:22:33,130
specialists in Australia start local

512
00:22:37,620 --> 00:22:35,290
claim to manually approve all entries

513
00:22:39,600 --> 00:22:37,630

submitted to their site but it is not

514

00:22:41,750 --> 00:22:39,610

clear how they determine whether an

515

00:22:44,520 --> 00:22:41,760

individual or business is legitimate

516

00:22:46,680 --> 00:22:44,530

this is particularly important for an

517

00:22:49,980 --> 00:22:46,690

organisational individual offering any

518

00:22:53,400 --> 00:22:49,990

medical service I wrote to start local

519

00:23:10,290 --> 00:22:53,410

for comment this is Joe been hibou for

520

00:23:16,119 --> 00:23:10,300

522

00:23:25,480 --> 00:23:23,789

you may not recognize but you might

523

00:23:28,940 --> 00:23:25,490

recognize the voice here we go

524

00:23:33,080 --> 00:23:28,950

525

00:23:39,409 --> 00:23:33,090

to the skeptic zone the podcast from

526

00:23:42,590 --> 00:23:39,419

Australia for science and reason you

527

00:23:44,720 --> 00:23:42,600

shouldn't have to read that Jim is out

528

00:23:46,580 --> 00:23:44,730

the voiceover man he does all the the

529

00:23:48,440 --> 00:23:46,590

voice links for the skeptic zone it's

530

00:23:50,450 --> 00:23:48,450

great to have him up for a couple of

531

00:23:52,820 --> 00:23:50,460

days to visit us we're going over to

532

00:23:53,629 --> 00:23:52,830

Stefan's who does the music tomorrow and

533

00:23:55,220 --> 00:23:53,639

we're going to do a whole lot more

534

00:23:57,350 --> 00:23:55,230

recording but I'll hand you over to Jim

535

00:23:59,840 --> 00:23:57,360

at the moment who would like to read one

536

00:24:06,310 --> 00:23:59,850

of these wonderful skeptical palms for

537

00:24:09,779 --> 00:24:06,320

you thank you Richard this is call em

538

00:24:16,649 --> 00:24:12,560

I think that I should warn you I'm

539

00:24:19,619 --> 00:24:16,659

empowered so watch out at a newfound

540

00:24:22,799 --> 00:24:19,629

source of energy from my wrist or round

541

00:24:26,460 --> 00:24:22,809

about a piece of pretty plastic which is

542

00:24:29,430 --> 00:24:26,470

imbued with special power the alignment

543

00:24:32,789 --> 00:24:29,440

of the molecules is like running through

544

00:24:36,090 --> 00:24:32,799

a shower tingling down by torso with

545

00:24:39,210 --> 00:24:36,100

special energy from within a holographic

546

00:24:42,359 --> 00:24:39,220

gift from God but straight from nature's

547

00:24:45,570 --> 00:24:42,369

bin that natural source of pure power

548

00:24:47,279 --> 00:24:45,580

packed deep inside the planet I'm not

549

00:24:49,799 --> 00:24:47,289

sure if it's electronic because I

550

00:24:52,529 --> 00:24:49,809

haven't tried to scan it don't wanna

551
00:24:55,289 --> 00:24:52,539
fool with mother nature and Who am I to

552
00:24:59,369 --> 00:24:55,299
know things which science can't explain

553
00:25:01,769 --> 00:24:59,379
and laboratories can't grow that's like

554
00:25:04,259 --> 00:25:01,779
dabbling with the ether which binds us

555
00:25:06,680 --> 00:25:04,269
in this soup you buy gold about with

556
00:25:10,229 --> 00:25:06,690
that and you be left outside the loop

557
00:25:13,409 --> 00:25:10,239
should i buy some more so I can stick

558
00:25:16,460 --> 00:25:13,419
them on my ankles give my legs a little

559
00:25:19,440 --> 00:25:16,470
lift and in those saw arch rankles

560
00:25:22,289 --> 00:25:19,450
another one by other wrist to keep my

561
00:25:25,560 --> 00:25:22,299
balance in check and I bet it by her

562
00:25:28,650 --> 00:25:25,570
fifth I guess to string around my neck

563
00:25:32,340 --> 00:25:28,660

maybe there are private parts I really

564

00:25:35,960 --> 00:25:32,350

should wear one on track one down my

565

00:25:39,290 --> 00:25:35,970

trousers until that each is fully gone

566

00:25:42,810 --> 00:25:39,300

there's nothing you can't fix with this

567

00:25:47,310 --> 00:25:42,820

breathtaking ring they slit anklet

568

00:25:50,520 --> 00:25:47,320

necklace which makes you like a king bow

569

00:25:53,880 --> 00:25:50,530

to me all you suckers for I have the new

570

00:25:57,270 --> 00:25:53,890

magical band which unleashes lots of

571

00:25:59,960 --> 00:25:57,280

elements that are otherwise unplanned so

572

00:26:03,570 --> 00:25:59,970

they are focused in a constant line

573

00:26:05,910 --> 00:26:03,580

centering your thought I think it's

574

00:26:09,750 --> 00:26:05,920

truly amazing that all this power can be

575

00:26:13,170 --> 00:26:09,760

bought still it's such a little price to

576

00:26:15,300 --> 00:26:13,180

pay for something that's priceless you

577

00:26:18,660 --> 00:26:15,310

see I've seen it on the wrists of some

578

00:26:22,080 --> 00:26:18,670

might call Vice 'less unless they've

579

00:26:26,090 --> 00:26:22,090

just been sucked in by the power of the

580

00:27:03,650 --> 00:26:26,100

word and getting tainted by this plastic

581

00:27:11,909 --> 00:27:08,820

well dr. AG Atlanta has dragoncon Sydney

582

00:27:13,890 --> 00:27:11,919

has Armageddon we're down at Sydney

583

00:27:15,620 --> 00:27:13,900

Olympic Park and we've just walked into

584

00:27:18,060 --> 00:27:15,630

the dome which is where it's being held

585

00:27:20,760 --> 00:27:18,070

and just taking it all in but it's

586

00:27:23,460 --> 00:27:20,770

looking very similar to say one of the

587

00:27:25,830 --> 00:27:23,470

vendor pulls at dragoncon where they

588

00:27:29,070 --> 00:27:25,840

have the stall set up and they sell lots

589

00:27:30,960 --> 00:27:29,080

of merchandise in zone but there's also

590

00:27:33,510 --> 00:27:30,970

a lot of people dressed up Richard I'm

591

00:27:35,430 --> 00:27:33,520

surprised because today is warm let's

592

00:27:38,220 --> 00:27:35,440

just say today is warm and it's very

593

00:27:40,650 --> 00:27:38,230

long it reminds me it's like I'm back at

594

00:27:42,419 --> 00:27:40,660

a little hint because it's steamy hot

595

00:27:44,250 --> 00:27:42,429

and yet they're all these people dressed

596

00:27:45,360 --> 00:27:44,260

up as all sorts of characters look if we

597

00:27:47,460 --> 00:27:45,370

look over there there are three ladies

598

00:27:50,610 --> 00:27:47,470

dressed up as in Antarctica Xena Warrior

599

00:27:52,680 --> 00:27:50,620

Princess and over there there's a Dalek

600

00:27:54,000 --> 00:27:52,690

one there in the top there's a ninja

601
00:27:55,950 --> 00:27:54,010
look there's an interview didn't see

602
00:27:57,750 --> 00:27:55,960
that you don't say you can't see me too

603
00:27:59,250 --> 00:27:57,760
well I thought I saw something throw the

604
00:28:01,970 --> 00:27:59,260
Green Lantern outside and he was looking

605
00:28:04,650 --> 00:28:01,980
a little bit uncomfortable in his full

606
00:28:08,930 --> 00:28:04,660
costume in the heat so let's go take a

607
00:28:13,770 --> 00:28:11,220
now there are so many people wandering

608
00:28:16,590 --> 00:28:13,780
around in weed costumes who do I have

609
00:28:19,230 --> 00:28:16,600
and what are you today I'm Meg from

610
00:28:21,330 --> 00:28:19,240
Hercules and I'm really cool and power

611
00:28:24,510 --> 00:28:21,340
house looks it looks amazing and you are

612
00:28:26,610 --> 00:28:24,520
i'm debbie d from the comics I feel sick

613
00:28:28,740 --> 00:28:26,620

by shauna Beckwith's I'm I was original

614

00:28:31,920 --> 00:28:28,750

DVD was originally in the johnny the

615

00:28:33,420 --> 00:28:31,930

homicidal maniac comics yes and you come

616

00:28:35,910 --> 00:28:33,430

along here just to hang out with

617

00:28:38,310 --> 00:28:35,920

like-minded people and enjoy the the

618

00:28:39,960 --> 00:28:38,320

showroom yeah basically it's great

619

00:28:41,790 --> 00:28:39,970

coming here and meeting so many people

620

00:28:44,880 --> 00:28:41,800

who just like the same sort of things

621

00:28:47,550 --> 00:28:44,890

that you do and one more here we have is

622

00:28:50,910 --> 00:28:47,560

a lovely young lady Han was it it such p

623

00:28:53,790 --> 00:28:50,920

yes is giant key what are you i'm diane

624

00:28:55,290 --> 00:28:53,800

from kingdom hearts yeah i thought find

625

00:28:56,910 --> 00:28:55,300

it interesting because years and years

626

00:28:58,650 --> 00:28:56,920

and years and years ago when you'd come

627

00:29:00,930 --> 00:28:58,660

to a convention like this was all film

628

00:29:03,450 --> 00:29:00,940

characters that's Star Wars and whatever

629

00:29:05,100 --> 00:29:03,460

but more and more it's it's all sorts of

630

00:29:06,540 --> 00:29:05,110

different things it's comics its online

631

00:29:08,610 --> 00:29:06,550

stuff I think that's really interesting

632

00:29:11,490 --> 00:29:08,620

well ladies thank you for stopping by

633

00:29:17,280 --> 00:29:11,500

and enjoy the rest of Armageddon didn't

634

00:29:19,800 --> 00:29:17,290

hear you too thanks ladies and gentlemen

635

00:29:22,980 --> 00:29:19,810

I've come in for a quick none as we say

636

00:29:27,270 --> 00:29:22,990

in a very expensive chips here very

637

00:29:29,400 --> 00:29:27,280

expensive chips here it's me not you're

638

00:29:31,200 --> 00:29:29,410

here to a low yet look I'm we are

639

00:29:33,180 --> 00:29:31,210

searching for Australia's most expensive

640

00:29:35,700 --> 00:29:33,190

chips and with a six dollar chips here

641

00:29:37,080 --> 00:29:35,710

and burgers of the 950 which is kind of

642

00:29:38,550 --> 00:29:37,090

an amazing price but like what else

643

00:29:40,110 --> 00:29:38,560

you're going to do but you say you're

644

00:29:41,670 --> 00:29:40,120

here to do a few interviews which is

645

00:29:43,560 --> 00:29:41,680

great we're here to do a few individual

646

00:29:45,270 --> 00:29:43,570

look up a big change a few people I've

647

00:29:46,650 --> 00:29:45,280

had a great chat with a friend of mine I

648

00:29:48,060 --> 00:29:46,660

just happened to see after not seeing

649

00:29:49,800 --> 00:29:48,070

for many years and he's just had a heart

650

00:29:51,210 --> 00:29:49,810

transplant after five years we might

651
00:29:53,370 --> 00:29:51,220
have that story coming up in coming

652
00:29:55,800 --> 00:29:53,380
weeks but I've been talking to lots of

653
00:29:57,480 --> 00:29:55,810
fans of all sorts of things well after

654
00:29:59,220 --> 00:29:57,490
we have a refreshing energy drink and

655
00:30:00,930 --> 00:29:59,230
the world's most expensive fries what

656
00:30:04,480 --> 00:30:00,940
we're gonna do next why don't we go out

657
00:30:09,799 --> 00:30:07,820
Matt we have walked 40 miles from a car

658
00:30:11,570 --> 00:30:09,809
park to talk to this man today and I

659
00:30:13,580 --> 00:30:11,580
would have worked a hundred kilometers

660
00:30:15,769 --> 00:30:13,590
or whatever that is an American miles to

661
00:30:18,039 --> 00:30:15,779
talk to our guests our first guest here

662
00:30:20,840 --> 00:30:18,049
at Armageddon who is Michael McConaughey

663
00:30:23,029 --> 00:30:20,850

look and it's great to be talking to

664

00:30:25,430 --> 00:30:23,039

someone who has made a specific career

665

00:30:26,659 --> 00:30:25,440

mainly with their voice because I just

666

00:30:28,220 --> 00:30:26,669

because I work in radio I'm going to

667

00:30:30,620 --> 00:30:28,230

probably starving about a fortnight but

668

00:30:31,909 --> 00:30:30,630

you've got a long career of eating food

669

00:30:33,380 --> 00:30:31,919

ahead of you because you've got a damn

670

00:30:35,360 --> 00:30:33,390

good voice in a damn good voiceover

671

00:30:37,310 --> 00:30:35,370

style well thank you but mostly it's

672

00:30:39,860 --> 00:30:37,320

just bad sinuses which I've trained to

673

00:30:41,870 --> 00:30:39,870

justify their existence but when did you

674

00:30:43,669 --> 00:30:41,880

decide okay enough of this visual stuff

675

00:30:45,169 --> 00:30:43,679

this visual video is going nowhere I

676

00:30:47,629 --> 00:30:45,179

want to make my career just making

677

00:30:50,629 --> 00:30:47,639

sounds with my mouth all fire on you no

678

00:30:53,090 --> 00:30:50,639

no no I am an actor I go on screen like

679

00:30:57,139 --> 00:30:53,100

I don't go on stage because I can't have

680

00:30:59,480 --> 00:30:57,149

the time I am an act or I use my voice i

681

00:31:02,840 --> 00:30:59,490

use my face i use my body and I pick up

682

00:31:04,639 --> 00:31:02,850

spare change doing mine well mine is

683

00:31:06,560 --> 00:31:04,649

money look I didn't mean to insult you

684

00:31:09,169 --> 00:31:06,570

by that just you are best known for your

685

00:31:11,539 --> 00:31:09,179

voice and if you could play any role on

686

00:31:12,649 --> 00:31:11,549

film doing the voice and the vision what

687

00:31:15,350 --> 00:31:12,659

would that be well what would you like

688

00:31:19,549 --> 00:31:15,360

to do I'll good him i would love to

689

00:31:20,840 --> 00:31:19,559

reinvigorate Cary Grant ah and now tells

690

00:31:23,600 --> 00:31:20,850

you've been running a workshop for

691

00:31:25,430 --> 00:31:23,610

people over here at Armageddon it's been

692

00:31:26,720 --> 00:31:25,440

an 80 hour workshop what you be doing

693

00:31:29,149 --> 00:31:26,730

and what has everyone been one to know

694

00:31:31,909 --> 00:31:29,159

from you well we we call it the ADR

695

00:31:36,649 --> 00:31:31,919

experience and we get a chance for anime

696

00:31:39,230 --> 00:31:36,659

fans to actually audition as if they

697

00:31:41,899 --> 00:31:39,240

were auditioning for a role in an

698

00:31:44,509 --> 00:31:41,909

existing anime series so we we have a

699

00:31:46,879 --> 00:31:44,519

lighter female stronger female a lighter

700

00:31:48,889 --> 00:31:46,889

male a stronger male and we have seen

701
00:31:51,500 --> 00:31:48,899
from existing series where we pulled one

702
00:31:53,960 --> 00:31:51,510
character out and they fill in the voice

703
00:31:55,700 --> 00:31:53,970
for that character and everyone has a

704
00:31:57,980 --> 00:31:55,710
lot of fun and they all get a DVD of

705
00:31:59,690 --> 00:31:57,990
their performances in an anime it's an

706
00:32:01,820 --> 00:31:59,700
awful lot of fun that must be a great

707
00:32:03,500 --> 00:32:01,830
experience for the fans well and please

708
00:32:05,480 --> 00:32:03,510
tell us some of the voices we might have

709
00:32:07,430 --> 00:32:05,490
heard you do here in Australian anime

710
00:32:10,639 --> 00:32:07,440
and other things okay well in original

711
00:32:13,460 --> 00:32:10,649
animation the original transformers what

712
00:32:16,909 --> 00:32:13,470
we call generation one I was trapped in

713
00:32:20,149 --> 00:32:16,919

cosmos tracks was the blue Corvette with

714

00:32:22,879 --> 00:32:20,159

a very expanded sense of self cosmos was

715

00:32:25,370 --> 00:32:22,889

he was a sort of a silly little green

716

00:32:30,200 --> 00:32:25,380

flying saucer and nobody understood him

717

00:32:33,019 --> 00:32:30,210

and GI Joe there was a guy named cross

718

00:32:37,460 --> 00:32:33,029

country and he was a hill villain he had

719

00:32:39,019 --> 00:32:37,470

a big stereo system in his tank anime

720

00:32:40,909 --> 00:32:39,029

I've been all over the map I've done

721

00:32:42,950 --> 00:32:40,919

everything from fuzzy little puppets to

722

00:32:45,680 --> 00:32:42,960

that fist of the north star at the

723

00:32:47,210 --> 00:32:45,690

beginning of anime what is it i just did

724

00:32:49,639 --> 00:32:47,220

a game doing a lot of video games now

725

00:32:52,940 --> 00:32:49,649

recently i did a video game via the

726

00:32:55,730 --> 00:32:52,950

internet or company in Poland where I

727

00:32:58,519 --> 00:32:55,740

was portraying a blue orangutan named

728

00:32:59,990 --> 00:32:58,529

Khufu wow this is unusual because when

729

00:33:03,080 --> 00:33:00,000

you're doing that you don't necessarily

730

00:33:04,850 --> 00:33:03,090

read a timeline script off on reading

731

00:33:06,169 --> 00:33:04,860

just one word disassociate is that

732

00:33:09,070 --> 00:33:06,179

correct the way they do that yeah

733

00:33:11,690 --> 00:33:09,080

context is very rarely there for us and

734

00:33:14,269 --> 00:33:11,700

so we wind up when we're working to

735

00:33:16,639 --> 00:33:14,279

vacuum like that giving any number of

736

00:33:17,690 --> 00:33:16,649

alternate readings hoping the one of

737

00:33:19,580 --> 00:33:17,700

them is going to be close to the

738

00:33:21,169 --> 00:33:19,590

situation in the game and what's the

739

00:33:22,370 --> 00:33:21,179

usual word that comes up in just about

740

00:33:24,590 --> 00:33:22,380

all the games you've done what's the

741

00:33:26,450 --> 00:33:24,600

most commonly occurring word in terms of

742

00:33:28,970 --> 00:33:26,460

the game I mean that you've done a

743

00:33:30,470 --> 00:33:28,980

number of games there one word or action

744

00:33:31,520 --> 00:33:30,480

that comes up in most games you find

745

00:33:33,290 --> 00:33:31,530

yourself reading over

746

00:33:36,980 --> 00:33:33,300

again in almost every script situation

747

00:33:38,330 --> 00:33:36,990

yes one word is die pretty much that

748

00:33:39,770 --> 00:33:38,340

covers it yeah and get probably there's

749

00:33:43,880 --> 00:33:39,780

no Pleasant way of saying that is there

750

00:33:45,200 --> 00:33:43,890

really oh there is it's like die and

751
00:33:46,610 --> 00:33:45,210
what are you got coming up next I mean

752
00:33:48,170 --> 00:33:46,620
you've got this trip to Australia we've

753
00:33:50,480 --> 00:33:48,180
all been nice to having wait if there's

754
00:33:51,770 --> 00:33:50,490
any complaints just when you're leaving

755
00:33:53,570 --> 00:33:51,780
just like write down the names of the

756
00:33:55,070 --> 00:33:53,580
people and we'll take care of them as we

757
00:33:57,290 --> 00:33:55,080
say in the business I didn't know you

758
00:33:59,030 --> 00:33:57,300
were management excellent even know I've

759
00:34:01,040 --> 00:33:59,040
never had had a welcome as I've had in

760
00:34:02,330 --> 00:34:01,050
this country it is fabulous and it's

761
00:34:04,520 --> 00:34:02,340
always been a dream of mine to get here

762
00:34:06,110 --> 00:34:04,530
really from the time I was a child and I

763
00:34:07,400 --> 00:34:06,120

finally achieved it well we're kind of

764

00:34:08,750 --> 00:34:07,410

famous for our sense of humor but that

765

00:34:11,000 --> 00:34:08,760

also means that sometimes we don't take

766

00:34:13,610 --> 00:34:11,010

stuff seriously perhaps we should that's

767

00:34:15,890 --> 00:34:13,620

not oh good heavens I just come to a

768

00:34:17,630 --> 00:34:15,900

realization someone's been mucking about

769

00:34:19,310 --> 00:34:17,640

with me it could be an epiphany or a

770

00:34:21,590 --> 00:34:19,320

catharsis or lots of other words I don't

771

00:34:23,780 --> 00:34:21,600

know the meaning of no I actually the

772

00:34:24,919 --> 00:34:23,790

finest thing I've found here aside from

773

00:34:26,240 --> 00:34:24,929

the wall could three things in

774

00:34:30,680 --> 00:34:26,250

descending order of importance the

775

00:34:32,270 --> 00:34:30,690

Welcome the beer but stakes whoa okay

776

00:34:33,950 --> 00:34:32,280

but I would've thought America

777

00:34:36,710 --> 00:34:33,960

everyone's always going on about Texas

778

00:34:38,360 --> 00:34:36,720

steaks and american meat and stuff oh we

779

00:34:41,300 --> 00:34:38,370

do terrible things to cows in the States

780

00:34:42,889 --> 00:34:41,310

don't ask me to give you details bullet

781

00:34:44,270 --> 00:34:42,899

and your next actual project you're

782

00:34:45,440 --> 00:34:44,280

working on but some movies coming up

783

00:34:47,659 --> 00:34:45,450

you've got another game in the pipeline

784

00:34:50,210 --> 00:34:47,669

yeah there was X I just wrapped a game

785

00:34:51,680 --> 00:34:50,220

and unfortunately with games we are

786

00:34:53,780 --> 00:34:51,690

terribly constricted by their

787

00:34:56,300 --> 00:34:53,790

non-disclosure agreement society even

788

00:34:58,370 --> 00:34:56,310

before we're allowed to audition so i

789

00:35:01,040 --> 00:34:58,380

can say that there is a game which will

790

00:35:02,480 --> 00:35:01,050

be coming out which is in asked if it's

791

00:35:05,540 --> 00:35:02,490

the first person shooter can you even

792

00:35:08,060 --> 00:35:05,550

give that it's sort of a fighting game

793

00:35:10,460 --> 00:35:08,070

on the order of Diablo it's it's not

794

00:35:14,060 --> 00:35:10,470

affiliated with blizzard and I play a

795

00:35:16,640 --> 00:35:14,070

very strong sorcerer who has a bad case

796

00:35:17,150 --> 00:35:16,650

of amnesia well thank you for coming in

797

00:35:18,890 --> 00:35:17,160

then

798

00:35:20,960 --> 00:35:18,900

defend the fancy I was like like one

799

00:35:23,420 --> 00:35:20,970

last question about the fans anime fans

800

00:35:25,160 --> 00:35:23,430

sci-fi fans have reputation beyond that

801
00:35:26,900 --> 00:35:25,170
of like footballer fans you know they

802
00:35:29,089 --> 00:35:26,910
can go pretty wild pretty crazy you

803
00:35:32,089 --> 00:35:29,099
experience any crazy fan moments it good

804
00:35:34,069 --> 00:35:32,099
or bad oh absolutely ever every moment

805
00:35:37,160 --> 00:35:34,079
and that is what makes going to these

806
00:35:40,370 --> 00:35:37,170
events so vibrant and and wonderful

807
00:35:42,950 --> 00:35:40,380
because what we run into is genuine

808
00:35:45,319 --> 00:35:42,960
human interaction and people have such

809
00:35:47,960 --> 00:35:45,329
an incredible enthusiasm for what we do

810
00:35:49,700 --> 00:35:47,970
and that we keep making avoid every time

811
00:35:51,319 --> 00:35:49,710
we go to one of these places that you

812
00:35:53,210 --> 00:35:51,329
guys are the reason we're here without

813
00:35:54,890 --> 00:35:53,220

you I'm sorry seriously I really have

814

00:35:56,120 --> 00:35:54,900

nothing I could talk to myself in the

815

00:35:59,210 --> 00:35:56,130

bathroom but it's not going to be the

816

00:36:00,470 --> 00:35:59,220

same is it one cartoon show currently on

817

00:36:04,190 --> 00:36:00,480

the a you wouldn't mind being a cast

818

00:36:06,890 --> 00:36:04,200

member of well I'm rather stuck in the

819

00:36:09,230 --> 00:36:06,900

past I don't I don't watch cartoons

820

00:36:12,950 --> 00:36:09,240

anymore people ask me what games do you

821

00:36:14,870 --> 00:36:12,960

play I don't it may I'm in the games I

822

00:36:16,430 --> 00:36:14,880

don't have them play it it's it again

823

00:36:19,220 --> 00:36:16,440

it's back to William Shatner in his line

824

00:36:21,230 --> 00:36:19,230

from Star Trek for you know oh so you

825

00:36:24,319 --> 00:36:21,240

live in out of space no no no I live in

826

00:36:26,150 --> 00:36:24,329

lowa I work in outer space I work in

827

00:36:28,099 --> 00:36:26,160

games so it's not going to be a busman's

828

00:36:29,420 --> 00:36:28,109

holiday for me well thank you for coming

829

00:36:31,339 --> 00:36:29,430

in working us and maybe getting some

830

00:36:33,319 --> 00:36:31,349

potential future voiceover artists going

831

00:36:34,940 --> 00:36:33,329

here in Sydney oh I think so because it

832

00:36:40,710 --> 00:36:34,950

without an awful lot of talents of these

833

00:36:45,330 --> 00:36:43,380

look up we are here at Armageddon and I

834

00:36:46,500 --> 00:36:45,340

tell what it has been a huge day hasn't

835

00:36:47,880 --> 00:36:46,510

it Richard now this thing's traveling

836

00:36:49,710 --> 00:36:47,890

around Australia so there's like a

837

00:36:51,510 --> 00:36:49,720

delayed fan South Australian fans of the

838

00:36:52,980 --> 00:36:51,520

podcast that might be gang should I go

839

00:36:54,420 --> 00:36:52,990

should I not but yeah even if they're

840

00:36:56,220 --> 00:36:54,430

into wrestling it's worth going home hey

841

00:36:57,540 --> 00:36:56,230

now look we've had such a fantastic day

842

00:36:59,700 --> 00:36:57,550

here we've seen some really big

843

00:37:02,370 --> 00:36:59,710

celebrities the fans have been fantastic

844

00:37:04,320 --> 00:37:02,380

Adelaide people it's on this weekend in

845

00:37:06,240 --> 00:37:04,330

Adelaide and you can pick out more by

846

00:37:09,089 --> 00:37:06,250

Expo com look go along and because if

848

00:37:12,690 --> 00:37:10,990

you do go along in costume and you see

849

00:37:13,980 --> 00:37:12,700

other skeptics own fans there take a

guide to the universe a weld-on whoa

855

00:37:38,960 --> 00:37:37,200

everybody knows I'm the only reason to

856

00:37:40,339 --> 00:37:38,970

listen to the freakshow right I mean it

857

00:37:47,000 --> 00:37:40,349

was up to me the show would start with

858

00:37:48,950 --> 00:37:47,010

this yeah boy well Rebecca would hate

859

00:37:50,510 --> 00:37:48,960

that probably but I mean I'd rock that

860

00:37:52,220 --> 00:37:50,520

listen to our show and you can learn

861

00:37:53,690 --> 00:37:52,230

about cool stuff like a technological

862

00:37:55,550 --> 00:37:53,700

singularity which is someday when

863

00:37:56,450 --> 00:37:55,560

technology progresses so fast that it

864

00:37:58,640 --> 00:37:56,460

would make the Industrial Revolution

865

00:38:02,510 --> 00:37:58,650

look like a kid science project anyway

866

00:38:11,450 --> 00:38:02,520

rich tone that laughter which fills us

871

00:38:33,020 --> 00:38:29,760

900

00:39:56,380 --> 00:39:51,500

at the moment folks and I think you

901
00:39:58,810 --> 00:39:56,390

sorry I'm actually on James's computer

903
00:40:05,410 --> 00:40:01,190
because some my iPads not getting

904
00:40:10,060 --> 00:40:05,420
internet at the moment um and I've just

905
00:40:14,020 --> 00:40:10,070
come across a page he left open James do

906
00:40:17,470 --> 00:40:14,030
we want to know it's um a blog written

907
00:40:18,910 --> 00:40:17,480
by tan via arm edge and he's a regular

908
00:40:23,110 --> 00:40:18,920
contributor for the sydney morning

909
00:40:25,240 --> 00:40:23,120
herald he's a psychiatrist he was the

910
00:40:28,150 --> 00:40:25,250
guy that I was on the drum with on the

911
00:40:30,640 --> 00:40:28,160
ABC when I when I did my little segment

912
00:40:34,120 --> 00:40:30,650
on the drum on about Wakefield and the

913
00:40:36,610 --> 00:40:34,130

bmj and he's written a blog post today

914

00:40:39,370 --> 00:40:36,620

about alternative medicines superstition

915

00:40:41,470 --> 00:40:39,380

of our age Wow where's that exactly how

916

00:40:43,330 --> 00:40:41,480

can our listeners look like it's on sm h

917

00:40:46,630 --> 00:40:43,340

calm today you and it's in the National

918

00:40:48,400 --> 00:40:46,640

times which is if you scroll down the

919

00:40:50,740 --> 00:40:48,410

website it's kind of a couple of Scrolls

920

00:40:53,800 --> 00:40:50,750

down it's in their society and culture

921

00:40:56,500 --> 00:40:53,810

section but I had a chat with tan via

922

00:40:58,420 --> 00:40:56,510

actually after we did our drum show

923

00:40:59,650 --> 00:40:58,430

together and he was talking about

924

00:41:03,100 --> 00:40:59,660

because he asked me a couple of

925

00:41:05,710 --> 00:41:03,110

questions on air about vaccination rates

926

00:41:08,040 --> 00:41:05,720

and how they were affected by the way

927

00:41:10,420 --> 00:41:08,050

field scare that was the Lancet paper

928

00:41:12,940 --> 00:41:10,430

and he said he's always had an interest

929

00:41:16,840 --> 00:41:12,950

in that sort of stuff and alt med and

930

00:41:18,880 --> 00:41:16,850

but he finds as a doctor then you know

931

00:41:22,120 --> 00:41:18,890

he's often getting patients coming to

932

00:41:23,770 --> 00:41:22,130

him and saying you know I can I use this

933

00:41:25,360 --> 00:41:23,780

doesn't work that sort of thing so I

934

00:41:27,850 --> 00:41:25,370

haven't actually read this yet but I

935

00:41:29,650 --> 00:41:27,860

just found it on cheapest completed I

936

00:41:31,960 --> 00:41:29,660

have that open if you go down to notepad

937

00:41:33,940 --> 00:41:31,970

you'll see a few comments that were left

938

00:41:36,850 --> 00:41:33,950

by some of the readers and they'll quite

939

00:41:39,910 --> 00:41:36,860

amusing if you read them out for me yeah

940

00:41:41,980 --> 00:41:39,920

this one here says tanveer makes good

941

00:41:44,740 --> 00:41:41,990

points he admits their shortcomings in

942

00:41:46,600 --> 00:41:44,750

mainstream medicine yes some alternative

943

00:41:49,180 --> 00:41:46,610

medicine is fluff but not all of it oh

944

00:41:51,040 --> 00:41:49,190

he comes the good bit homeopathy works

945

00:41:55,120 --> 00:41:51,050

and has been around for thousands of

946

00:41:57,160 --> 00:41:55,130

years thousands I thought I was 200 how

947

00:42:00,130 --> 00:41:57,170

long has convention medicine been around

948

00:42:02,290 --> 00:42:00,140

for convention invention medicine and

949

00:42:05,230 --> 00:42:02,300

ending a sentence with four which is a

950

00:42:06,670 --> 00:42:05,240

preposition homeopathy is a holistic

951
00:42:09,030 --> 00:42:06,680
approach to the body rather than

952
00:42:14,140 --> 00:42:09,040
smacking one organ with one drug

953
00:42:17,470 --> 00:42:14,150
smacking a spot SMA CH ing in fact I'd

954
00:42:20,620 --> 00:42:17,480
say homeopaths probably sorry in fact I

955
00:42:22,540 --> 00:42:20,630
say home paths probably have a better

956
00:42:27,220 --> 00:42:22,550
understanding of the body as a complete

957
00:42:30,070 --> 00:42:27,230
or Reaganism I sure that's led to be

958
00:42:32,530 --> 00:42:30,080
organism how much of it is all caps

959
00:42:36,730 --> 00:42:32,540
there's no super caps lock oh really no

960
00:42:39,100 --> 00:42:36,740
so it's not genuine then well it's not

961
00:42:42,040 --> 00:42:39,110
it's not one of the serious like part of

962
00:42:43,710 --> 00:42:42,050
the spectrum surgery IVF and psychiatry

963
00:42:45,910 --> 00:42:43,720

our areas i think are well done

964

00:42:49,500 --> 00:42:45,920

immunology and nutrition and psychology

965

00:42:55,330 --> 00:42:49,510

are areas i think i messed up badly whoo

966

00:42:58,360 --> 00:42:55,340

obviously an expert yeah this is someone

967

00:43:03,790 --> 00:42:58,370

called me it was you was it yeah i think

968

00:43:06,040 --> 00:43:03,800

you have watered down what they said as

969

00:43:08,200 --> 00:43:06,050

some as someone who has tried multiple

970

00:43:11,260 --> 00:43:08,210

conventional treatments for Kylie

971

00:43:13,320 --> 00:43:11,270

infections once I shifted to raw garlic

972

00:43:15,550 --> 00:43:13,330

and ginger it clobbered the infection

973

00:43:17,380 --> 00:43:15,560

modern medicine needs to just plainly

974

00:43:19,600 --> 00:43:17,390

admit it has lots to learn rather than

975

00:43:22,540 --> 00:43:19,610

strutting around looking important first

976

00:43:26,800 --> 00:43:22,550

do no harm me much the fourth 96 they

977

00:43:28,180 --> 00:43:26,810

ever good oh good grief it's night we

978

00:43:30,370 --> 00:43:28,190

don't have to right there honey lines

979

00:43:34,450 --> 00:43:30,380

that they write them all by themselves

980

00:43:35,800 --> 00:43:34,460

but we should get back to the survey

981

00:43:38,740 --> 00:43:35,810

wigan sorry that wasn't the question

982

00:43:41,440 --> 00:43:38,750

that was a no that was you know that was

983

00:43:43,330 --> 00:43:41,450

amusing diversion anyway tanvi is blown

984

00:43:45,190 --> 00:43:43,340

was good okay so what I was going to

985

00:43:48,410 --> 00:43:45,200

talk about Richard was a paper that was

986

00:43:52,450 --> 00:43:48,420

published in the last week or so

987

00:43:54,980 --> 00:43:52,460

it's by the university of wa and it was

988

00:43:58,880 --> 00:43:54,990

looking at whether pharmacists offer

989

00:44:00,200 --> 00:43:58,890

good advice compared to gps now this is

990

00:44:02,030 --> 00:44:00,210

something we've talked about quite a lot

991

00:44:04,490 --> 00:44:02,040

on the zone and we've blogged about as

992

00:44:06,740 --> 00:44:04,500

well because we have a bit of a beef

993

00:44:08,570 --> 00:44:06,750

with pharmacists selling things like ear

994

00:44:12,080 --> 00:44:08,580

candles and homeopathy another bogus

995

00:44:13,430 --> 00:44:12,090

indeed Jim and I were at a shopping

996

00:44:14,750 --> 00:44:13,440

center today and I took him and I said

997

00:44:17,990 --> 00:44:14,760

look at this and we found the ear

998

00:44:22,670 --> 00:44:18,000

candles in the only ear section is

999

00:44:23,750 --> 00:44:22,680

section tragic yeah well this study was

1000

00:44:26,270 --> 00:44:23,760

published in the annals of

1001
00:44:28,900 --> 00:44:26,280
pharmacotherapy and basically they sent

1002
00:44:31,400 --> 00:44:28,910
researchers which were posing as

1003
00:44:35,750 --> 00:44:31,410
patients with symptoms of a chronic

1004
00:44:37,850 --> 00:44:35,760
cough to 155 perth pharmacies and then

1005
00:44:40,100 --> 00:44:37,860
the the researchers initially asked for

1006
00:44:43,040 --> 00:44:40,110
something for a cough from the either

1007
00:44:44,570 --> 00:44:43,050
the assistant or the pharmacist and if

1008
00:44:47,270 --> 00:44:44,580
they were questioned about their cough

1009
00:44:50,150 --> 00:44:47,280
they were then had to explain that

1010
00:44:52,220 --> 00:44:50,160
they'd had the cough for a couple of had

1011
00:44:54,500 --> 00:44:52,230
a couple of times a week then had they

1012
00:44:57,290 --> 00:44:54,510
get the cough and it had persisted for a

1013
00:45:00,580 --> 00:44:57,300

couple of months and they were also

1014

00:45:02,900 --> 00:45:00,590

instructed to say that they were taking

1015

00:45:05,030 --> 00:45:02,910

selbst you tomorrow twice a day to

1016

00:45:07,820 --> 00:45:05,040

relieve symptoms of asthma so they're on

1017

00:45:09,740 --> 00:45:07,830

steroids as well now according to the

1018

00:45:12,110 --> 00:45:09,750

results only thirty-eight percent of

1019

00:45:13,790 --> 00:45:12,120

pharmacy staff including the pharmacists

1020

00:45:16,010 --> 00:45:13,800

advised the patients to go and see a

1021

00:45:17,330 --> 00:45:16,020

doctor and this was the sort of

1022

00:45:18,980 --> 00:45:17,340

benchmark of a study to determine

1023

00:45:21,040 --> 00:45:18,990

whether the pharmacists were giving good

1024

00:45:23,320 --> 00:45:21,050

advice was whether they said see a GP

1025

00:45:25,880 --> 00:45:23,330

thirty-eight percent of them did

1026
00:45:27,560 --> 00:45:25,890
seventy-four percent of them just sold

1027
00:45:29,870 --> 00:45:27,570
them some cough suppressant and sent

1028
00:45:31,910 --> 00:45:29,880
them on their way yeah yeah who doesn't

1029
00:45:35,060 --> 00:45:31,920
surprise me it matches our experiences

1030
00:45:36,980 --> 00:45:35,070
yeah it does um they also said that in

1031
00:45:41,000 --> 00:45:36,990
some cases staff members sold them cough

1032
00:45:45,080 --> 00:45:41,010
medicine and provided referral advice

1033
00:45:46,940 --> 00:45:45,090
but they they didn't because they didn't

1034
00:45:48,800 --> 00:45:46,950
send them get them to go to a doctor

1035
00:45:50,960 --> 00:45:48,810
they could be delaying their treatment

1036
00:45:54,410 --> 00:45:50,970
so they're potentially the cough could

1037
00:45:56,750 --> 00:45:54,420
have got worse so that's nothing to

1038
00:45:59,470 --> 00:45:56,760

sneeze you know it's nothing to sneeze

1039

00:46:01,940 --> 00:45:59,480

at but what is also

1040

00:46:05,870 --> 00:46:01,950

what is particularly interesting too

1041

00:46:07,190 --> 00:46:05,880

about this article is the comments now

1042

00:46:10,010 --> 00:46:07,200

this is on a page called medical

1043

00:46:12,920 --> 00:46:10,020

observer column delay you and there's

1044

00:46:15,200 --> 00:46:12,930

not even one comment in support of

1045

00:46:17,690 --> 00:46:15,210

pharmacists all of the comments agree

1046

00:46:19,460 --> 00:46:17,700

with the article and is saying things

1047

00:46:21,620 --> 00:46:19,470

like well I'm not surprised over many

1048

00:46:24,680 --> 00:46:21,630

years I've been into pharmacies and ask

1049

00:46:29,740 --> 00:46:24,690

them for advice and I always end up

1050

00:46:32,270 --> 00:46:29,750

being sold something this person says

1051

00:46:34,760 --> 00:46:32,280

the advice headed up by pharmacists

1052

00:46:37,760 --> 00:46:34,770

makes me cringe they usually end up to

1053

00:46:40,670 --> 00:46:37,770

selling me some useless product I've had

1054

00:46:45,500 --> 00:46:40,680

pharmacist pharmacists or should I say

1055

00:46:46,850 --> 00:46:45,510

people in a pharmacy where what who they

1056

00:46:51,080 --> 00:46:46,860

are I don't know and the general public

1057

00:46:52,940 --> 00:46:51,090

wouldn't know sales assistants acting as

1058

00:46:55,760 --> 00:46:52,950

if they think they're doctors especially

1059

00:46:57,380 --> 00:46:55,770

when it comes to up med well this this

1060

00:47:00,170 --> 00:46:57,390

person here has left a comment saying

1061

00:47:02,120 --> 00:47:00,180

that um he wants to see them getting out

1062

00:47:05,360 --> 00:47:02,130

of the woowoo business this is one of us

1063

00:47:07,160 --> 00:47:05,370

I guess using the term woo woo they say

1064

00:47:09,110 --> 00:47:07,170

any trip to a pharmacy will show them

1065

00:47:11,540 --> 00:47:09,120

selling all manner of worthless magnetic

1066

00:47:13,870 --> 00:47:11,550

therapy bits and pieces homeopathic

1067

00:47:17,450 --> 00:47:13,880

medicines which is an oxymoron

1068

00:47:20,120 --> 00:47:17,460

questionable new-age CDs on various

1069

00:47:22,190 --> 00:47:20,130

alternative mumbo jumbo they say I've

1070

00:47:24,710 --> 00:47:22,200

got nothing against pharmacist but is it

1071

00:47:26,780 --> 00:47:24,720

is a challenging degree to attain with

1072

00:47:29,090 --> 00:47:26,790

plenty of biochemistry physiology and

1073

00:47:30,710 --> 00:47:29,100

pharmacology but why oh why do they

1074

00:47:33,290 --> 00:47:30,720

lower themselves to selling all that

1075

00:47:35,240 --> 00:47:33,300

rubbish so this person is actually

1076

00:47:38,600 --> 00:47:35,250

suggesting that it's just simply a case

1077

00:47:40,010 --> 00:47:38,610

of greed winning over ethics because

1078

00:47:42,620 --> 00:47:40,020

they're just selling all this nonsense

1079

00:47:44,510 --> 00:47:42,630

when ethically in fact I've looked into

1080

00:47:46,190 --> 00:47:44,520

the code of conduct for pharmacists and

1081

00:47:47,530 --> 00:47:46,200

by selling stuff like this they're

1082

00:47:49,820 --> 00:47:47,540

breaching their own code of ethics

1083

00:47:51,770 --> 00:47:49,830

because they're kind of ethics specifies

1084

00:47:54,710 --> 00:47:51,780

that they will only agree to sell things

1085

00:47:57,590 --> 00:47:54,720

for which there is an evidence base and

1086

00:48:00,650 --> 00:47:57,600

I just asked if that boom relates excuse

1087

00:48:02,850 --> 00:48:00,660

me to one particular state in Australia

1088

00:48:05,730 --> 00:48:02,860

or right across Australia

1089

00:48:08,010 --> 00:48:05,740

study was done in Western Australia I'm

1090

00:48:10,980 --> 00:48:08,020

in Sydney so my experiences in New South

1091

00:48:13,800 --> 00:48:10,990

Wales which were Richard my gym for fun

1092

00:48:15,690 --> 00:48:13,810

on the weekends we go into pharmacies

1093

00:48:18,780 --> 00:48:15,700

and we asked pharmacist questions or

1094

00:48:21,300 --> 00:48:18,790

their staff and we've never had with

1095

00:48:23,430 --> 00:48:21,310

your dad no I apologize once i went into

1096

00:48:25,320 --> 00:48:23,440

a pharmacy in marrickville yes and asked

1097

00:48:27,270 --> 00:48:25,330

about homeopathy and she said it's

1098

00:48:29,550 --> 00:48:27,280

worthless it's useless but it's not like

1099

00:48:31,740 --> 00:48:29,560

it's not here because I want it here I'm

1100

00:48:33,720 --> 00:48:31,750

a franchise and the people that run this

1101

00:48:35,550 --> 00:48:33,730

franchise put it in my store but that

1102

00:48:38,430 --> 00:48:35,560

that's the except as an exception the

1103

00:48:40,440 --> 00:48:38,440

rule is generally either the even the

1104

00:48:42,510 --> 00:48:40,450

pharmacist and a real pharmacist we

1105

00:48:45,240 --> 00:48:42,520

asked once didn't know what if this is

1106

00:48:48,210 --> 00:48:45,250

very sad to me because two or three

1107

00:48:50,340 --> 00:48:48,220

decades ago I was integrally involved in

1108

00:48:52,710 --> 00:48:50,350

putting together a video which was shown

1109

00:48:54,920 --> 00:48:52,720

to primary schools throughout New South

1110

00:48:57,750 --> 00:48:54,930

Wales funded by the New South Wales

1111

00:49:01,410 --> 00:48:57,760

pharmaceutical Association and it was

1112

00:49:04,290 --> 00:49:01,420

titled you're at first aid talking about

1113

00:49:07,110 --> 00:49:04,300

the pharmacist being the first point of

1114

00:49:09,030 --> 00:49:07,120

call when you became crook rather than

1115

00:49:11,790 --> 00:49:09,040

just rushing straight to a doctor and

1116

00:49:14,250 --> 00:49:11,800

the whole philosophy was that he was the

1117

00:49:16,230 --> 00:49:14,260

healthcare professional for she was the

1118

00:49:19,380 --> 00:49:16,240

healthcare professional who would be

1119

00:49:22,260 --> 00:49:19,390

able to disseminate sound advice now

1120

00:49:24,330 --> 00:49:22,270

what you have said suggests that that no

1121

00:49:26,010 --> 00:49:24,340

longer exists and it's if that's true

1122

00:49:27,390 --> 00:49:26,020

that's very very sad well that's that's

1123

00:49:29,160 --> 00:49:27,400

why they have everyone's heard the

1124

00:49:30,840 --> 00:49:29,170

phrase ask your pharmacist I mean you

1125

00:49:33,090 --> 00:49:30,850

still see ads on television now where

1126
00:49:36,150 --> 00:49:33,100
they say ask your pharmacist about this

1127
00:49:38,400 --> 00:49:36,160
type of medicine but unfortunately once

1128
00:49:40,560 --> 00:49:38,410
you go and and do ask them you want to

1129
00:49:42,030 --> 00:49:40,570
get spurious information and we find we

1130
00:49:43,620 --> 00:49:42,040
just don't know what you're going to get

1131
00:49:45,870 --> 00:49:43,630
that's true well yeah why do you think

1132
00:49:49,890 --> 00:49:45,880
they sell these ludicrous product

1133
00:49:52,950 --> 00:49:49,900
because they they tell they sell them

1134
00:49:54,810 --> 00:49:52,960
because the product sell not good enough

1135
00:49:56,700 --> 00:49:54,820
what Diane was saying before Diane

1136
00:49:58,950 --> 00:49:56,710
mentioned that I'm one of our friends

1137
00:50:01,530 --> 00:49:58,960
went in to get a prescription filled for

1138
00:50:03,570 --> 00:50:01,540

his arm quit smoking drugs and on the

1139

00:50:06,480 --> 00:50:03,580

counter of the pharmacy were eat candles

1140

00:50:07,860 --> 00:50:06,490

and he apparently asked the pharmacist

1141

00:50:09,660 --> 00:50:07,870

why they're there and the pharmacist

1142

00:50:11,069 --> 00:50:09,670

kind of went really well they sell

1143

00:50:12,690 --> 00:50:11,079

people want them

1144

00:50:18,799 --> 00:50:12,700

and people buy them so we stopped them

1145

00:50:23,940 --> 00:50:21,449

something else on Facebook is there

1146

00:50:28,739 --> 00:50:23,950

something else hey do you have a rent

1147

00:50:31,949 --> 00:50:28,749

boy arrives did I want to raise that

1148

00:50:34,109 --> 00:50:31,959

people 16 to do you have a red boy good

1149

00:50:36,559 --> 00:50:34,119

errands so you know you're right Tim

1150

00:50:39,839 --> 00:50:36,569

it's no excuse you know that and

1151
00:50:41,069 --> 00:50:39,849
ethically they really shouldn't be doing

1152
00:50:42,329 --> 00:50:41,079
it and this is actually really

1153
00:50:44,249 --> 00:50:42,339
interesting because it's the first time

1154
00:50:46,529 --> 00:50:44,259
I've seen an academic study that's

1155
00:50:49,709 --> 00:50:46,539
measured it it's quantitated how bad the

1156
00:50:53,009 --> 00:50:49,719
problem is and you know in some parts of

1157
00:50:54,989 --> 00:50:53,019
the world at the moment there are people

1158
00:50:57,569 --> 00:50:54,999
like pharmacists and actually in Canada

1159
00:50:59,910 --> 00:50:57,579
it's as bad as natural paths are pushing

1160
00:51:02,009 --> 00:50:59,920
to be able to prescribe drugs and in

1161
00:51:04,859 --> 00:51:02,019
some parts of Canada actually natural

1162
00:51:06,359 --> 00:51:04,869
pet scan now prescribe drugs but bill

1163
00:51:07,709 --> 00:51:06,369

pharmacists are also pushing for that

1164

00:51:10,079 --> 00:51:07,719

and it would certainly solve a lot of

1165

00:51:11,489 --> 00:51:10,089

issues in Australia we you know the lack

1166

00:51:13,739 --> 00:51:11,499

of doctors that we have we don't have

1167

00:51:15,689 --> 00:51:13,749

enough GPS and that sort of there's a

1168

00:51:17,009 --> 00:51:15,699

lot of pressure on our health system but

1169

00:51:18,839 --> 00:51:17,019

this evidence suggests that they just

1170

00:51:20,699 --> 00:51:18,849

not capable of doing that no there's a

1171

00:51:23,099 --> 00:51:20,709

reason this doctors prescribe because

1172

00:51:25,799 --> 00:51:23,109

they have medical training that's

1173

00:51:28,140 --> 00:51:25,809

correct yeah but these guys are trained

1174

00:51:30,989 --> 00:51:28,150

want to Train fully in understanding how

1175

00:51:32,939 --> 00:51:30,999

drugs work on what they do but they're

1176

00:51:34,680 --> 00:51:32,949

not trying to diagnose your ride but in

1177

00:51:37,410 --> 00:51:34,690

neither in naturopaths who may allow to

1178

00:51:39,959 --> 00:51:37,420

in Canada but I'm this doesn't give you

1179

00:51:42,209 --> 00:51:39,969

a lot of faith in their abilities sadly

1180

00:51:44,039 --> 00:51:42,219

sadly though disappointing because I

1181

00:51:46,019 --> 00:51:44,049

went through University with pharmacy

1182

00:51:48,689 --> 00:51:46,029

students we splitted the same lectures

1183

00:51:50,339 --> 00:51:48,699

in a lot of cases and it's really hard

1184

00:51:52,349 --> 00:51:50,349

to get into pharmacy so really

1185

00:51:54,599 --> 00:51:52,359

competitive course it's very complicated

1186

00:51:57,059 --> 00:51:54,609

there's a lot of pharmacokinetics and

1187

00:51:59,609 --> 00:51:57,069

make your head explode next time a

1188

00:52:02,969 --> 00:51:59,619

pharmacist suggests that the reason they

1189

00:52:04,650 --> 00:52:02,979

sell these sham products is because they

1190

00:52:07,120 --> 00:52:04,660

sell ask them why they don't sell

1191

00:52:09,660 --> 00:52:07,130

cigarettes yeah yeah

1192

00:52:14,340 --> 00:52:09,670

they used to the fact they still do it

1193

00:52:17,260 --> 00:52:14,350

dries up they used to say it came to ya

1194

00:52:18,790 --> 00:52:17,270

it's a very sad state of affairs but Jim

1195

00:52:22,410 --> 00:52:18,800

I was very interested to hear you say

1196

00:52:24,940 --> 00:52:22,420

that you were involved some time ago in

1197

00:52:27,100 --> 00:52:24,950

with the voice work presumably now it

1198

00:52:29,290 --> 00:52:27,110

was a video the video and I played her

1199

00:52:31,870 --> 00:52:29,300

quite a number of different characters

1200

00:52:34,030 --> 00:52:31,880

we shot it in a number of different

1201

00:52:36,250 --> 00:52:34,040

places in Sydney including Sydney

1202

00:52:39,850 --> 00:52:36,260

University and it was quite a

1203

00:52:42,760 --> 00:52:39,860

prestigious piece well done and a lot of

1204

00:52:45,640 --> 00:52:42,770

fun to do hard work and the entire

1205

00:52:49,630 --> 00:52:45,650

message was that a pharmacist was your

1206

00:52:52,000 --> 00:52:49,640

first aid and now of course that is in

1207

00:52:55,540 --> 00:52:52,010

question it seems like that's still a

1208

00:52:57,580 --> 00:52:55,550

very common opinion as well but that you

1209

00:53:00,430 --> 00:52:57,590

have the yearly most trusted people

1210

00:53:02,890 --> 00:53:00,440

surveys and pharmacists still seem to be

1211

00:53:04,840 --> 00:53:02,900

right up there which is why it surprised

1212

00:53:07,260 --> 00:53:04,850

me when you said that all the comments

1213

00:53:10,780 --> 00:53:07,270

on that article were universally

1214

00:53:12,310 --> 00:53:10,790

negative towards pharmacists so it would

1215

00:53:14,470 --> 00:53:12,320

appear there might be a bit of cognitive

1216

00:53:17,730 --> 00:53:14,480

dissonance going on where people still

1217

00:53:22,390 --> 00:53:17,740

trust them that don't at the same time

1218

00:53:24,790 --> 00:53:22,400

maybe one of the problems is I maybe my

1219

00:53:28,300 --> 00:53:24,800

memory is faulty but when I was a child

1220

00:53:32,680 --> 00:53:28,310

I seem to remember that a pharmacy a

1221

00:53:35,530 --> 00:53:32,690

chemist shop was at least one pharmacist

1222

00:53:37,930 --> 00:53:35,540

and maybe one assistant these days there

1223

00:53:41,260 --> 00:53:37,940

seem to be ten assistance and still only

1224

00:53:43,150 --> 00:53:41,270

one pharmacist so if you go in to ask

1225

00:53:44,980 --> 00:53:43,160

advice chances are you're not going to

1226
00:53:49,300 --> 00:53:44,990
get the advice of the pharmacist but on

1227
00:53:51,400 --> 00:53:49,310
one of the assistants and you could also

1228
00:53:54,340 --> 00:53:51,410
be getting advice from the resident

1229
00:53:56,620 --> 00:53:54,350
naturopath or the arid ologist or the

1230
00:53:59,680 --> 00:53:56,630
irreligious that pharmacy we went into

1231
00:54:02,770 --> 00:53:59,690
day gym every week has an iridology

1232
00:54:04,480 --> 00:54:02,780
reader come in you know reading no you

1233
00:54:09,760 --> 00:54:04,490
got the spot in your eye your foots

1234
00:54:11,770 --> 00:54:09,770
gonna fall off so 11 but Jeff it is that

1235
00:54:14,500 --> 00:54:11,780
preposterous though it is but don't ask

1236
00:54:17,120 --> 00:54:14,510
an ear candle specialist for advice

1237
00:54:20,450 --> 00:54:17,130
because usually they can't hear you

1238
00:54:22,309 --> 00:54:20,460

oh dear yeah that's because they'd

1239

00:54:24,019 --> 00:54:22,319

rather got candle stuck in their ears or

1240

00:54:26,180 --> 00:54:24,029

they've blown their hearing because hot

1241

00:54:29,210 --> 00:54:26,190

wax is best every drop while you're here

1242

00:54:30,920 --> 00:54:29,220

Jim why are you here can you spend a

1243

00:54:33,230 --> 00:54:30,930

moment or two to fill our listeners in a

1244

00:54:35,990 --> 00:54:33,240

little bit about your background because

1245

00:54:38,329 --> 00:54:36,000

you're known yes behind you you're known

1246

00:54:40,999 --> 00:54:38,339

of course as our voiceover man who

1247

00:54:42,940 --> 00:54:41,009

introduces the show and the segment but

1248

00:54:46,609 --> 00:54:42,950

what can you tell our worldwide

1249

00:54:50,499 --> 00:54:46,619

listening base about yourself well she

1250

00:54:53,410 --> 00:54:50,509

was my basic background is radio and

1251

00:54:56,900 --> 00:54:53,420

three or four decades in radio

1252

00:54:59,319 --> 00:54:56,910

specializing in open line radio I regard

1253

00:55:02,329 --> 00:54:59,329

myself as one of the fairer open line

1254

00:55:04,700 --> 00:55:02,339

broadcasters in australian radio having

1255

00:55:07,609 --> 00:55:04,710

been number one in sydney and in

1256

00:55:10,700 --> 00:55:07,619

melbourne at different times with open

1257

00:55:13,490 --> 00:55:10,710

line and other areas including canberra

1258

00:55:16,160 --> 00:55:13,500

her albury we'd either John Laws of your

1259

00:55:22,910 --> 00:55:16,170

day you know no no he was the John Laws

1260

00:55:24,920 --> 00:55:22,920

of his day oh that's right i met you

1261

00:55:27,019 --> 00:55:24,930

originally when you did a late night

1262

00:55:28,819 --> 00:55:27,029

show on Radio 2 GB here and sit in the

1263

00:55:31,400 --> 00:55:28,829

same station Rachel and I appear on now

1264

00:55:33,740 --> 00:55:31,410

occasion and Alan Jones not Alan Jones

1265

00:55:36,589 --> 00:55:33,750

yeah would that's here station yet yes

1266

00:55:39,650 --> 00:55:36,599

there's my i predate Alan being a 2gb

1267

00:55:43,069 --> 00:55:39,660

yes I used the opportunity of having

1268

00:55:44,539 --> 00:55:43,079

weekend midnight to dawns on 2gb I

1269

00:55:46,819 --> 00:55:44,549

figured that that was an opportunity

1270

00:55:49,759 --> 00:55:46,829

that a lot of radio announcers would cut

1271

00:55:53,029 --> 00:55:49,769

off an arm for so for three months I ran

1272

00:55:57,170 --> 00:55:53,039

Jim willsez nightclub I wrote 50 comedy

1273

00:55:59,509 --> 00:55:57,180

sketches a week for the two shows I had

1274

00:56:01,670 --> 00:55:59,519

guest of honor and each did a lot of

1275

00:56:03,740 --> 00:56:01,680

hard work just for the two shows and

1276

00:56:06,559 --> 00:56:03,750

eventually got a breakfast shift in the

1277

00:56:09,319 --> 00:56:06,569

nation's capital out of it so he paid

1278

00:56:11,420 --> 00:56:09,329

back it paid well with its dividend and

1279

00:56:13,130 --> 00:56:11,430

I went on to be number one in Canberra

1280

00:56:15,559 --> 00:56:13,140

with that halts and so on that led to

1281

00:56:19,640 --> 00:56:15,569

going to Melbourne where I said I was

1282

00:56:22,099 --> 00:56:19,650

number one even beat the the FM stations

1283

00:56:24,140 --> 00:56:22,109

in melbourne with an am station so it

1284

00:56:25,970 --> 00:56:24,150

was good fun eventually I got out

1285

00:56:28,819 --> 00:56:25,980

because unfortunately the problem with

1286

00:56:30,170 --> 00:56:28,829

radio is that failed radio announcers

1287

00:56:32,420 --> 00:56:30,180

generally become the man

1288

00:56:34,940 --> 00:56:32,430

jizz and the program managers and

1289

00:56:37,220 --> 00:56:34,950

there's nothing worse than being told by

1290

00:56:43,340 --> 00:56:37,230

a failure what to do when you're a

1291

00:56:45,470 --> 00:56:43,350

success idea now you are relating to be

1292

00:56:47,540 --> 00:56:45,480

a story a little while ago about the

1293

00:56:50,510 --> 00:56:47,550

time you were taking open line talkback

1294

00:56:53,510 --> 00:56:50,520

and you had somebody calling themselves

1295

00:56:55,700 --> 00:56:53,520

a numerologist coming I was filling in

1296

00:56:58,130 --> 00:56:55,710

for another person who had taken an

1297

00:57:00,770 --> 00:56:58,140

extended break had a midnight to dawn

1298

00:57:02,990 --> 00:57:00,780

show which included a lot of open line

1299

00:57:06,920 --> 00:57:03,000

and guests and it was a regular guest

1300

00:57:09,080 --> 00:57:06,930

who was a numerologist that freaked me

1301
00:57:11,870 --> 00:57:09,090
out a bit but I was prepared to go along

1302
00:57:14,300 --> 00:57:11,880
with it for the sheer fun of the

1303
00:57:18,800 --> 00:57:14,310
exercise and as long as it was treated

1304
00:57:22,760 --> 00:57:18,810
as a fun exercise I saw no great danger

1305
00:57:26,450 --> 00:57:22,770
in it until we got a call from an old

1306
00:57:29,210 --> 00:57:26,460
lady and part of what the numerologist

1307
00:57:32,450 --> 00:57:29,220
wanted to know was her street number and

1308
00:57:35,990 --> 00:57:32,460
based on her street number he told her

1309
00:57:38,390 --> 00:57:36,000
to move house now to me that was

1310
00:57:40,940 --> 00:57:38,400
incredibly dangerous you can imagine the

1311
00:57:42,830 --> 00:57:40,950
sort of drama that that could cause to

1312
00:57:46,220 --> 00:57:42,840
the old lady to the family of the old

1313
00:57:48,740 --> 00:57:46,230

lady to everyone involved and I kicked

1314

00:57:52,340 --> 00:57:48,750

him out of the studio I refused to have

1315

00:57:56,110 --> 00:57:52,350

him on the program and I got nothing but

1316

00:57:59,810 --> 00:57:56,120

plaudits nobody condemn me for doing it

1317

00:58:02,480 --> 00:57:59,820

right because numerology is particularly

1318

00:58:08,270 --> 00:58:02,490

a particularly insane branch of what

1319

00:58:10,490 --> 00:58:08,280

just doesn't the head up there's

1320

00:58:13,190 --> 00:58:10,500

something I realized us now yes here's

1321

00:58:15,800 --> 00:58:13,200

why you're such good friends I had this

1322

00:58:17,480 --> 00:58:15,810

revelation and you know also Jim is very

1323

00:58:20,150 --> 00:58:17,490

good friends with Richards brother Jeff

1324

00:58:24,110 --> 00:58:20,160

who is almost worse than Richard when it

1325

00:58:26,980 --> 00:58:24,120

comes to bed no almost I would say so I

1326

00:58:29,710 --> 00:58:26,990

can see why they're all friends yeah

1327

00:58:33,270 --> 00:58:29,720

it's anyway getting back to the think

1328

00:58:36,520 --> 00:58:33,280

tank but now it's really fat as I said

1329

00:58:39,640 --> 00:58:36,530

ya bunge it's fantastic that jim has

1330

00:58:41,140 --> 00:58:39,650

come up to visit and we'll have to

1331

00:58:42,880 --> 00:58:41,150

encourage him to come up more often I

1332

00:58:45,910 --> 00:58:42,890

think it's really great to see your

1333

00:58:48,100 --> 00:58:45,920

human as listeners that would know

1334

00:58:50,380 --> 00:58:48,110

earlier in the in the episode today's

1335

00:58:52,380 --> 00:58:50,390

episode I played a upon the gym read

1336

00:58:54,880 --> 00:58:52,390

last night live at skeptics in the pub

1337

00:58:56,710 --> 00:58:54,890

which was great there was good fun thank

1338

00:58:58,330 --> 00:58:56,720

you yeah and that's going to be

1339

00:59:00,880 --> 00:58:58,340

published in the skeptic magazine by the

1340

00:59:03,100 --> 00:59:00,890

way which is also fantastic speaking of

1341

00:59:04,690 --> 00:59:03,110

skeptics in the pub we were had a good

1342

00:59:06,609 --> 00:59:04,700

night Rachel congratulations on your

1343

00:59:08,560 --> 00:59:06,619

talk at skeptics in the pub thanks i

1344

00:59:10,930 --> 00:59:08,570

really enjoy giving that talk that's dr.

1345

00:59:14,020 --> 00:59:10,940

Google isn't it yeah diagnosis by dr.

1346

00:59:16,510 --> 00:59:14,030

google which is the same we're not quite

1347

00:59:18,550 --> 00:59:16,520

the same talk you gave the other week at

1348

00:59:21,730 --> 00:59:18,560

that big festival big ideas you've

1349

00:59:24,220 --> 00:59:21,740

improved upon it someone well I extended

1350

00:59:27,010 --> 00:59:24,230

expanded on it as well and one thing

1351

00:59:29,700 --> 00:59:27,020

that I did cover last night which a lot

1352

00:59:32,770 --> 00:59:29,710

of people have since asked me about the

1353

00:59:36,280 --> 00:59:32,780

hon code and horny stands for health on

1354

00:59:38,950 --> 00:59:36,290

the net foundation it's a non-government

1355

00:59:41,770 --> 00:59:38,960

organization based in Switzerland so at

1356

00:59:45,580 --> 00:59:41,780

some dub dub dub haunts eh for

1357

00:59:49,260 --> 00:59:45,590

Switzerland and basically it's been

1358

00:59:52,920 --> 00:59:49,270

around in since 95 it's a non-profit

1359

00:59:55,480 --> 00:59:52,930

non-government and it's um focused on

1360

00:59:59,859 --> 00:59:55,490

the provision of health information to

1361

01:00:03,430 --> 00:59:59,869

citizens and what it does is it is a

1362

01:00:05,320 --> 01:00:03,440

sort of indication of a website that has

1363

01:00:07,590 --> 01:00:05,330

accurate health information on the

1364

01:00:09,880 --> 01:00:07,600

internet right so you can submit your

1365

01:00:12,060 --> 01:00:09,890

website to these people they'll look at

1366

01:00:14,590 --> 01:00:12,070

it and if they deem that it's it's

1367

01:00:17,140 --> 01:00:14,600

useful and it's accurate and it's um

1368

01:00:18,550 --> 01:00:17,150

evidently evidence-based here they'll

1369

01:00:21,099 --> 01:00:18,560

give you the science based remote

1370

01:00:24,280 --> 01:00:21,109

science-based yeah they'll give you this

1371

01:00:26,320 --> 01:00:24,290

little code that you can put on your

1372

01:00:28,720 --> 01:00:26,330

website which is indicative that it's

1373

01:00:30,900 --> 01:00:28,730

some yeah reliable online health

1374

01:00:33,400 --> 01:00:30,910

information but one of the things that I

1375

01:00:36,040 --> 01:00:33,410

talked about last night is you can use

1376

01:00:37,599 --> 01:00:36,050

it as a search engine as well so if you

1377

01:00:39,239 --> 01:00:37,609

are looking for information

1378

01:00:43,029 --> 01:00:39,249

and you want to make sure that it's

1379

01:00:46,019 --> 01:00:43,039

reliable you can go on to Han and you

1380

01:00:48,430 --> 01:00:46,029

can do a search for a particular topic

1381

01:00:50,380 --> 01:00:48,440

for example vaccination and it will

1382

01:00:53,289 --> 01:00:50,390

bring up it will search the millions of

1383

01:00:55,569 --> 01:00:53,299

horn accredited websites and then it

1384

01:00:57,039 --> 01:00:55,579

also gives you a little menu where you

1385

01:01:00,370 --> 01:00:57,049

can select whether you want information

1386

01:01:01,890 --> 01:01:00,380

for health professionals for a member of

1387

01:01:04,029 --> 01:01:01,900

the public if you want it to be

1388

01:01:06,489 --> 01:01:04,039

information for teenagers for young

1389

01:01:09,549 --> 01:01:06,499

children for old people so then you can

1390

01:01:11,859 --> 01:01:09,559

filter even further from that those

1391

01:01:13,539 --> 01:01:11,869

research results that you get up so a

1392

01:01:19,410 --> 01:01:13,549

lot of people ask me about it so the

1393

01:01:22,299 --> 01:01:19,420

website is hom CH and it's really useful

1394

01:01:24,759 --> 01:01:22,309

I've been asked by our good friend Lucas

1395

01:01:26,710 --> 01:01:24,769

Randall hi Lucas Lucas is the wonderful

1396

01:01:28,690 --> 01:01:26,720

man who donated the video camera to the

1397

01:01:33,120 --> 01:01:28,700

skeptics on which we still use and I'll

1398

01:01:36,400 --> 01:01:33,130

get to that in a second to mention a new

1399

01:01:39,549 --> 01:01:36,410

skeptics in the pub it's the Melbourne

1400

01:01:46,299 --> 01:01:39,559

eastern hills skeptics in the pub or man

1401
01:01:49,630 --> 01:01:46,309

1403
01:01:56,529 --> 01:01:54,049
gb 7 and you can melbourne eastern hills

1404
01:02:01,930 --> 01:01:56,539
people have a look at the HTTP colon

1405
01:02:06,880 --> 01:02:01,940
slash slash groups group HTTP colon

1406
01:02:12,819 --> 01:02:06,890
slash slash group spaces com / math em

1407
01:02:16,440 --> 01:02:12,829
eh Matt hyphen s I TP or just do a

1408
01:02:18,849 --> 01:02:16,450
search for Melbourne eastern hills

1409
01:02:21,279 --> 01:02:18,859
skeptics bit of a mouthful but I'm sure

1410
01:02:25,230 --> 01:02:21,289
you'll find it there or maybe it will

1411
01:02:32,980 --> 01:02:28,210
this is dr. Rachel sound effects machine

1412
01:02:34,570 --> 01:02:32,990
otherwise ezer iPad what was that a run

1413
01:02:37,660 --> 01:02:34,580

that I thought maybe you could put the

1414

01:02:39,760 --> 01:02:37,670

link in the newsletter absolutely the

1415

01:02:45,030 --> 01:02:39,770

link will be on our website and in the

1416

01:02:47,500 --> 01:02:45,040

newsletter and Rachel oh thank you and

1417

01:02:49,480 --> 01:02:47,510

just to remind our listeners that yes I

1418

01:02:52,330 --> 01:02:49,490

i used the wonderful video camera

1419

01:02:54,700 --> 01:02:52,340

donated by Lucas Randall just this last

1420

01:02:57,130 --> 01:02:54,710

weekend and earlier in the show we had a

1421

01:02:59,770 --> 01:02:57,140

report from Armageddon dr. HC where you

1422

01:03:02,170 --> 01:02:59,780

and I may not work were there yeah that

1423

01:03:04,420 --> 01:03:02,180

was fun and may night might mean our

1424

01:03:07,390 --> 01:03:04,430

than I as you know we also recorded a

1425

01:03:09,280 --> 01:03:07,400

video report yeah we may not jumps up

1426

01:03:11,350 --> 01:03:09,290

and down on the spot for 20 seconds for

1427

01:03:14,050 --> 01:03:11,360

no reason as well but he does that yeah

1428

01:03:16,060 --> 01:03:14,060

he does do that he does is it true that

1429

01:03:21,630 --> 01:03:16,070

at the end of that he said i'ma getting

1430

01:03:26,890 --> 01:03:24,490

someone take that away now if you go to

1431

01:03:29,080 --> 01:03:26,900

my youtube channel which is skeptics own

1432

01:03:31,060 --> 01:03:29,090

podcast let's name on my youtube channel

1433

01:03:33,220 --> 01:03:31,070

you'll see Maynard's report but i'll

1434

01:03:35,920 --> 01:03:33,230

certainly put the link into the show

1435

01:03:38,050 --> 01:03:35,930

notes and the newsletter now before we

1436

01:03:44,500 --> 01:03:38,060

wrap it up a good friend of ours is

1437

01:03:46,780 --> 01:03:44,510

Norwegian Norwegian dr. hu Oh what just

1438

01:03:50,020 --> 01:03:46,790

like our lovely guest earlier in the

1439

01:03:52,660 --> 01:03:50,030

episode a friend of his has been

1440

01:03:54,790 --> 01:03:52,670

involved in making a movie called wasted

1441

01:03:56,740 --> 01:03:54,800

on the young and it's got very good mood

1442

01:04:00,820 --> 01:03:56,750

movie review so those people in

1443

01:04:05,260 --> 01:04:00,830

Australia I get why not go along and see

1444

01:04:08,020 --> 01:04:05,270

wasted on the young also big brief I'll

1445

01:04:10,930 --> 01:04:08,030

certainly be going along to see that and

1446

01:04:12,520 --> 01:04:10,940

all if you can just control yourself dr.

1447

01:04:14,320 --> 01:04:12,530

agian tell us about scared to come in

1448

01:04:15,940 --> 01:04:14,330

public without you know what's funnier

1449

01:04:18,250 --> 01:04:15,950

than the sounds the fact that she

1450

01:04:20,020 --> 01:04:18,260

actually knows exactly what she needs to

1451

01:04:22,960 --> 01:04:20,030

pressure you know regarding everything

1452

01:04:25,130 --> 01:04:22,970

it's like it's all other fingertips you

1453

01:04:28,620 --> 01:04:25,140

know so you bought me this app

1454

01:04:30,870 --> 01:04:28,630

hi I did before we go Rachel you have a

1455

01:04:33,720 --> 01:04:30,880

important note about Sydney skeptics in

1456

01:04:36,690 --> 01:04:33,730

the pub yes we have moved to a new venue

1457

01:04:38,400 --> 01:04:36,700

and we hope this is the final change for

1458

01:04:39,569 --> 01:04:38,410

at least a few months anyway because

1459

01:04:41,910 --> 01:04:39,579

we've been chopping and changing a bit

1460

01:04:43,440 --> 01:04:41,920

lately we actually got kicked out of our

1461

01:04:46,650 --> 01:04:43,450

previous pub because I didn't like the

1462

01:04:48,960 --> 01:04:46,660

cut of our jib as you say so we're now

1463

01:04:50,880 --> 01:04:48,970

at the Macquarie hotel in Surry Hills

1464

01:04:53,430 --> 01:04:50,890

which is only a block away from our

1465

01:04:55,049 --> 01:04:53,440

original venue which is the crown so

1466

01:04:59,130 --> 01:04:55,059

it's on the corner of Goulburn street

1467

01:05:02,400 --> 01:04:59,140

and something else went work you're

1468

01:05:03,900 --> 01:05:02,410

right so if you were at the crown you

1469

01:05:05,370 --> 01:05:03,910

would just walk one block towards surry

1470

01:05:07,319 --> 01:05:05,380

hills and you'll see right in front of

1471

01:05:09,120 --> 01:05:07,329

you the Macquarie it's on the corner

1472

01:05:10,859 --> 01:05:09,130

it's a very big pub and we're upstairs

1473

01:05:13,799 --> 01:05:10,869

only upstairs in the restaurant that's

1474

01:05:15,630 --> 01:05:13,809

right yeah yeah and it was again

1475

01:05:17,759 --> 01:05:15,640

congratulations on your doctor google

1476

01:05:21,599 --> 01:05:17,769

talk I like that talk a lot it's very

1477

01:05:25,410 --> 01:05:21,609

entertaining and very informative I will

1478

01:05:27,599 --> 01:05:25,420

do the talk for food okay too much time

1479

01:05:31,170 --> 01:05:27,609

you can do it for my stuff oh okay hey

1480

01:05:33,210 --> 01:05:31,180

you got invitation already okay well

1481

01:05:34,950 --> 01:05:33,220

what a fantastic time it's been as ever

1482

01:05:36,960 --> 01:05:34,960

in the think tank we love coming here

1483

01:05:38,970 --> 01:05:36,970

and down at our paper club down the end

1484

01:05:41,099 --> 01:05:38,980

of street James thank you for coming on

1485

01:05:42,960 --> 01:05:41,109

a lot of problems great be and you're

1486

01:05:47,130 --> 01:05:42,970

wearing a little pendant from surly Amy

1487

01:05:49,470 --> 01:05:47,140

that says no pants cost ya no comment he

1488

01:05:50,910 --> 01:05:49,480

can make to that Steve thank you so much

1489

01:05:52,759 --> 01:05:50,920

for coming on and thank you for the

1490

01:05:55,349 --> 01:05:52,769

invitation I was wonderful my pleasure

1491

01:05:58,109 --> 01:05:55,359

Diane nice to see you as always ain't no

1492

01:06:04,650 --> 01:05:58,119

cheap and Iran segev thank you Richard

1493

01:06:09,089 --> 01:06:04,660

dr. raging oh hell special guest tonight

1494

01:06:12,829 --> 01:06:09,099

Jim Wilson thank you all and until next

1495

01:06:15,150 --> 01:06:12,839

time if we can survive dr. Rachel's

1496

01:06:16,799 --> 01:06:15,160

sound effects she's gonna see Scott have

1497

01:06:45,590 --> 01:06:16,809

comes just ready to press some its

1498

01:06:50,310 --> 01:06:47,760

Richard you've done it again another

1499

01:06:51,990 --> 01:06:50,320

skeptic zone in the can bicker it wasn't

1500

01:06:54,240 --> 01:06:52,000

that fun it was great feels great to

1501
01:06:56,910 --> 01:06:54,250
have Jim involved with the think tank

1502
01:06:58,380 --> 01:06:56,920
actually in person as a actual human

1503
01:07:00,390 --> 01:06:58,390
being rather than just some sort of

1504
01:07:02,310 --> 01:07:00,400
audio signal coming through from I don't

1505
01:07:05,700 --> 01:07:02,320
know where what was it like Jim for you

1506
01:07:09,150 --> 01:07:05,710
well the thing to me was that I was

1507
01:07:13,320 --> 01:07:09,160
right when reality bites there's no cure

1508
01:07:16,290 --> 01:07:13,330
ooh that's deep oh I don't know what to

1509
01:07:18,510 --> 01:07:16,300
say about that its brief profound now

1510
01:07:20,280 --> 01:07:18,520
Jim of course Stefan Jim will be taking

1511
01:07:23,520 --> 01:07:20,290
part in helping us with our secret

1512
01:07:25,440 --> 01:07:23,530
project oh yes yeah are you trying to

1513
01:07:26,970 --> 01:07:25,450

hype up our audience a little bit I I am

1514

01:07:28,230 --> 01:07:26,980

this on the way you're trying to whet

1515

01:07:30,000 --> 01:07:28,240

their appetite for something they don't

1516

01:07:33,900 --> 01:07:30,010

know anything about later nothing about

1517

01:07:36,060 --> 01:07:33,910

it they can't even guess it is pretty

1518

01:07:38,310 --> 01:07:36,070

exciting we are where we are planning a

1519

01:07:41,460 --> 01:07:38,320

little thing but the other hand so you

1520

01:07:45,150 --> 01:07:41,470

know that we're sort of coming up in the

1521

01:07:48,660 --> 01:07:45,160

next month's to episode 150 oh and this

1522

01:07:51,360 --> 01:07:48,670

has nothing to do with that at least

1523

01:07:53,820 --> 01:07:51,370

we'll get them thinking hey wondering

1524

01:07:56,280 --> 01:07:53,830

secret project all right so Richard I

1525

01:07:57,870 --> 01:07:56,290

think that's it 124 we're done thank you

1526

01:07:59,520 --> 01:07:57,880
