1
00:00:25,820 --> 00:00:23,720
hello this is Richard Saunders from

2
00:00:29,330 --> 00:00:25,830
Sydney Australia welcome to the skeptic

3
00:00:32,240 --> 00:00:29,340
zone for friday the 3rd of october 2008

4
00:00:34,549 --> 00:00:32,250
episode number two a short episode only

5
00:00:36,910 --> 00:00:34,559
15 minutes where you get to be a fly on

6
00:00:39,380 --> 00:00:36,920
the wall for Sydney skeptics in the pub

7
00:00:41,930 --> 00:00:39,390
joining me in the pub was dr. Rachel

8
00:00:44,210 --> 00:00:41,940
Dunlop and a host of other skeptics so

9
00:00:53,380 --> 00:00:44,220
grab the drink of your choice and come

10
00:00:59,319 --> 00:00:56,049
so skeptics yeah you ask us questions

11
00:01:01,270 --> 00:00:59,329
I'm don't okay then what's so great

12
00:01:03,880 --> 00:01:01,280
about being a skeptic any other

13
00:01:07,690 --> 00:01:03,890

questions Oh what what was the worst

14

00:01:09,190 --> 00:01:07,700

thing about being a skeptic how do you

15

00:01:10,570 --> 00:01:09,200

think there's anything that's all right

16

00:01:13,600 --> 00:01:10,580

bad what about when people think you're

17

00:01:16,300 --> 00:01:13,610

a cynic oh yeah but you get that all the

18

00:01:20,140 --> 00:01:16,310

time being called a meanie by kids is

19

00:01:22,120 --> 00:01:20,150

not it's also it also gets difficult on

20

00:01:23,560 --> 00:01:22,130

your friends say to you well why are you

21

00:01:24,969 --> 00:01:23,570

doing this then I don't think you should

22

00:01:26,469 --> 00:01:24,979

be doing this and you have to spend

23

00:01:28,450 --> 00:01:26,479

hours and hours explained than what

24

00:01:30,670 --> 00:01:28,460

skepticism actually means and it's not

25

00:01:33,760 --> 00:01:30,680

just poo pooing everything and it's not

26

00:01:35,170 --> 00:01:33,770

Vegas to me and that gets have that gets

27

00:01:40,090 --> 00:01:35,180

to be hard work sometimes doesn't know

28

00:01:41,560 --> 00:01:40,100

which yeah yeah well I mean you explain

29

00:01:43,359 --> 00:01:41,570

yourself over and over and over again

30

00:01:45,370 --> 00:01:43,369

but of course you're educating people so

31

00:01:48,430 --> 00:01:45,380

that's just part of the part of the

32

00:01:50,139 --> 00:01:48,440

business just there's a great expression

33

00:01:52,810 --> 00:01:50,149

I love it any jackass can call

34

00:01:55,840 --> 00:01:52,820

themselves a skeptic and they do you

35

00:01:58,060 --> 00:01:55,850

know I must it be good or I was a

36

00:01:59,810 --> 00:01:58,070

skeptic like used before I saw this

37

00:02:01,709 --> 00:01:59,820

psychic

38

00:02:03,809 --> 00:02:01,719

if there's a problem with the

39

00:02:05,969 --> 00:02:03,819

terminology that's thus the biggest

40

00:02:08,669 --> 00:02:05,979

thing is that the word skeptics has

41

00:02:10,680 --> 00:02:08,679

derogatory connotation so what's a word

42

00:02:13,530 --> 00:02:10,690

we can use instead have me bring you

43

00:02:19,979 --> 00:02:13,540

skeptic the button had lyrics skeptics

44

00:02:21,509 --> 00:02:19,989

worsening prostitutes me like this here

45

00:02:25,229 --> 00:02:21,519

the people who say I used to be a

46

00:02:27,660 --> 00:02:25,239

skeptic it i'm just really funny up

47

00:02:29,190 --> 00:02:27,670

there I used to be a skeptic notes I've

48

00:02:30,420 --> 00:02:29,200

never called myself a skeptic because I

49

00:02:33,420 --> 00:02:30,430

never loved the need to how would you

50

00:02:34,860 --> 00:02:33,430

can't well they just a skeptic

51
00:02:36,750 --> 00:02:34,870
but I never practice the scientific

52
00:02:39,479 --> 00:02:36,760
method in any way shape or form and they

53
00:02:41,580 --> 00:02:39,489
don't know what's getting there soon as

54
00:02:45,390 --> 00:02:41,590
you speak skipping a narrative fish soup

55
00:02:46,770 --> 00:02:45,400
as faculty using for this heavy now and

56
00:02:48,780 --> 00:02:46,780
we're supposed to be impressed by that I

57
00:02:56,699 --> 00:02:48,790
use real skeptic just like you but then

58
00:03:01,229 --> 00:02:56,709
I sign for leaving q Oh have you have

59
00:03:02,640 --> 00:03:01,239
you guys ever had a big change of mind

60
00:03:07,289 --> 00:03:02,650
about something you were skeptical about

61
00:03:08,940 --> 00:03:07,299
and then suddenly said actually no I've

62
00:03:12,059 --> 00:03:08,950
been convinced by this I've changed my

63
00:03:15,000 --> 00:03:12,069

mind no never Mila so you've never been

64

00:03:18,059 --> 00:03:15,010

wrong it's not so much a question of the

65

00:03:21,089 --> 00:03:18,069

way to look at it my approach I take is

66

00:03:23,490 --> 00:03:21,099

is there something to this claim I don't

67

00:03:24,930 --> 00:03:23,500

know I will look into it I suspect this

68

00:03:27,449 --> 00:03:24,940

not i'm not going to go out there and

69

00:03:29,570 --> 00:03:27,459

say for example ghosts are completely

70

00:03:32,450 --> 00:03:29,580

unreal into stories

71

00:03:34,520 --> 00:03:32,460

so in that sense I'm not wrong because

72

00:03:37,760 --> 00:03:34,530

i'm not making an absolute statement you

73

00:03:41,000 --> 00:03:37,770

see what I mean but I'm still I'm sure

74

00:03:43,430 --> 00:03:41,010

that they don't exist real but i'm open

75

00:03:45,080 --> 00:03:43,440

to them you know that interesting

76

00:03:47,910 --> 00:03:45,090

question because just last week i've

77

00:03:51,310 --> 00:03:50,170

because nathan rees came out and said

78

00:03:54,640 --> 00:03:51,320

well I thought it might not be a myth

79

00:03:56,740 --> 00:03:54,650

after all he was sent testimonials from

80

00:03:59,500 --> 00:03:56,750

600 people saying that they had seen

81

00:04:01,030 --> 00:03:59,510

politico panther and so he said we're

82

00:04:03,070 --> 00:04:01,040

moving introducing more research into

83

00:04:05,110 --> 00:04:03,080

this mythical creature and so i did a

84

00:04:07,600 --> 00:04:05,120

blog do and so I did a lot of research

85

00:04:09,490 --> 00:04:07,610

to find out what really is going on and

86

00:04:11,020 --> 00:04:09,500

I started to think halfway through that

87

00:04:13,390 --> 00:04:11,030

research then maybe there is a bloody

88

00:04:15,820 --> 00:04:13,400

Panther you know because there was so

89

00:04:17,949 --> 00:04:15,830

much on the internet from people saying

90

00:04:20,770 --> 00:04:17,959

they had photographs and they'd seen

91

00:04:22,810 --> 00:04:20,780

this and it's the da da da and in the

92

00:04:24,850 --> 00:04:22,820

end I put it down to para Dahlia I think

93

00:04:26,290 --> 00:04:24,860

and because people have heard so much

94

00:04:29,170 --> 00:04:26,300

about it it's got such a big reputation

95

00:04:30,760 --> 00:04:29,180

I don't death is a huge feral cat

96

00:04:32,950 --> 00:04:30,770

running around the blue mountains I

97

00:04:34,990 --> 00:04:32,960

think it probably is people see it but

98

00:04:37,330 --> 00:04:35,000

because the suggestion has been as a

99

00:04:38,770 --> 00:04:37,340

panther they can make that connection

100

00:04:41,220 --> 00:04:38,780

that it's a panther when really it's

101

00:04:43,860 --> 00:04:41,230

just a big bloody feral cat so

102

00:04:45,210 --> 00:04:43,870

but it was interesting for me because I

103

00:04:46,650 --> 00:04:45,220

half went through that research I

104

00:04:47,910 --> 00:04:46,660

thought well maybe there is something in

105

00:04:50,550 --> 00:04:47,920

this and I actually think there is

106

00:04:52,110 --> 00:04:50,560

something it but I think it's a girl

107

00:04:53,970 --> 00:04:52,120

but I didn't change my mind I don't

108

00:05:01,860 --> 00:04:53,980

believe in Elizabeth had the photos

109

00:05:03,450 --> 00:05:01,870

convincing the funny thing is no the

110

00:05:05,250 --> 00:05:03,460

funny thing is I blow to this and I've

111

00:05:07,890 --> 00:05:05,260

got a very angry response from someone

112

00:05:09,420 --> 00:05:07,900

calling himself a mountain girl and it's

113

00:05:11,220 --> 00:05:09,430

interesting isn't it that believers

114

00:05:12,810 --> 00:05:11,230

cannot spell or string a sentence

115

00:05:15,120 --> 00:05:12,820

together in general i find that is that

116

00:05:17,070 --> 00:05:15,130

a lot and she insisted that her husband

117

00:05:18,480 --> 00:05:17,080

had a photograph of the panther she

118

00:05:20,070 --> 00:05:18,490

described an incident where he was

119

00:05:22,200 --> 00:05:20,080

driving to work on a warning when it was

120

00:05:23,760 --> 00:05:22,210

misty and we saw this big black animal

121

00:05:26,430 --> 00:05:23,770

and he stopped the car and he took a

122

00:05:29,820 --> 00:05:26,440

photograph and i wrote back and very

123

00:05:31,350 --> 00:05:29,830

diplomatic it's just fantastic why don't

124

00:05:34,770 --> 00:05:31,360

you send me the photo ID love to see it

125

00:05:36,750 --> 00:05:34,780

if not send it to the premier because he

126

00:05:39,360 --> 00:05:36,760

wants to see it too or go to a current

127

00:05:41,820 --> 00:05:39,370

affair and you can make some money had

128

00:05:44,850 --> 00:05:41,830

nothing nothing since from Mountain your

129

00:05:49,860 --> 00:05:44,860

heart's true ya know what you're doing

130

00:05:51,210 --> 00:05:49,870

worrying about shipping yeah have you

131

00:05:52,500 --> 00:05:51,220

been listening to the podcast John

132

00:05:55,950 --> 00:05:52,510

because that's exactly what i said in

133

00:05:58,650 --> 00:05:55,960

the polar ice the public transport

134

00:05:59,879 --> 00:05:58,660

system doesn't work and the economy's up

135

00:06:01,470 --> 00:05:59,889

you know

136

00:06:03,360 --> 00:06:01,480

right yeah

137

00:06:06,710 --> 00:06:03,370

did you hear about insights that thing

138

00:06:14,670 --> 00:06:09,800

little called to a house to resolve a

139

00:06:16,950 --> 00:06:14,680

kitty cat problem mountain lion so he

140

00:06:18,360 --> 00:06:16,960

wasn't told by his dispatch that he was

141

00:06:19,650 --> 00:06:18,370

actually turning up to deal with the

142

00:06:23,070 --> 00:06:19,660

mountain lion who thought he was dealing

143

00:06:25,290 --> 00:06:23,080

with a feral cat no point out it was not

144

00:06:27,920 --> 00:06:25,300

the Blue Mountains it was America where

145

00:06:31,650 --> 00:06:27,930

I actually have mountain lions Devon

146

00:06:33,690 --> 00:06:31,660

skepticism is booming of them all yeah

147

00:06:35,420 --> 00:06:33,700

like never before I think I love this

148

00:06:39,300 --> 00:06:35,430

largely due to the internet and its

149

00:06:42,570 --> 00:06:39,310

experience xinghai billions and the fact

150

00:06:45,300 --> 00:06:42,580

that people can google or youtube things

151
00:06:47,250 --> 00:06:45,310
like spoon bending for example and see

152
00:06:48,810 --> 00:06:47,260
how the bloody tricks work where as

153
00:06:51,030 --> 00:06:48,820
before when yellow is doing you stick

154
00:06:53,160 --> 00:06:51,040
around the world you couldn't do you

155
00:06:56,430 --> 00:06:53,170
know the only person doing it was Geller

156
00:07:00,120 --> 00:06:56,440
and serve on the spooked out who yeah

157
00:07:01,770 --> 00:07:00,130
sorry boo yeah so yeah it really is and

158
00:07:03,840 --> 00:07:01,780
this it really called people it like

159
00:07:05,310 --> 00:07:03,850
Phil Plait the back stronger for example

160
00:07:08,790 --> 00:07:05,320
a lot of people really admire what he

161
00:07:10,170 --> 00:07:08,800
does debunking the moon hoax theories

162
00:07:13,620 --> 00:07:10,180
and all that sort of stuff and the

163
00:07:15,980 --> 00:07:13,630

Mythbusters yeah yeah they make it

164

00:07:18,150 --> 00:07:15,990

they're making it groovy and cool

165

00:07:20,250 --> 00:07:18,160

mcclure stuff hey we should lots of

166

00:07:22,200 --> 00:07:20,260

stuff we should do that and then it come

167

00:07:24,150 --> 00:07:22,210

out and say that they are skeptics

168

00:07:25,530 --> 00:07:24,160

although they are in Adam Savage I

169

00:07:28,200 --> 00:07:25,540

didn't know if you heard the interview

170

00:07:30,060 --> 00:07:28,210

Michael McCrea I did with Adam Savage

171

00:07:32,160 --> 00:07:30,070

which was on all in the mind on the ABC

172

00:07:35,870 --> 00:07:32,170

last Saturday can get there from the

173

00:07:38,280 --> 00:07:35,880

website download the podcast he doesn't

174

00:07:41,340 --> 00:07:38,290

publicly identified himself as a skeptic

175

00:07:43,080 --> 00:07:41,350

and I guess maybe but he is clearly yeah

176
00:07:44,610 --> 00:07:43,090
and I guess maybe that's because of that

177
00:07:47,280 --> 00:07:44,620
some of the negative connotations have

178
00:07:48,720 --> 00:07:47,290
surround away the terminology possible

179
00:07:52,130 --> 00:07:48,730
may be possible but they are obviously

180
00:07:54,960 --> 00:07:52,140
skeptics absolutely but it's Mythbusters

181
00:07:58,100 --> 00:07:54,970
did here he was at the last James and

182
00:08:00,860 --> 00:07:58,110
the amazing medium Adam Savage yeah

183
00:08:02,180 --> 00:08:00,870
and Penn & Teller yeah a lot of people

184
00:08:04,210 --> 00:08:02,190
like penicillin are we allowed to say

185
00:08:07,700 --> 00:08:04,220
on skeptics on the taarpi but

186
00:08:10,280 --> 00:08:07,710
they make skepticism sexy in a way don't

187
00:08:11,750 --> 00:08:10,290
think I mean they have a lot of their in

188
00:08:13,700 --> 00:08:11,760

a way they are because we were cheered

189

00:08:16,480 --> 00:08:13,710

as if their portrayal in a little bit

190

00:08:21,260 --> 00:08:16,490

okay there is there are lots of female

191

00:08:23,360 --> 00:08:21,270

things that appear in hit me for no

192

00:08:26,540 --> 00:08:23,370

particular reason what I don't need to

193

00:08:28,400 --> 00:08:26,550

make the show greater what was the one

194

00:08:29,990 --> 00:08:28,410

who when I watched where the beginning

195

00:08:32,540 --> 00:08:30,000

was just cheerleaders topless and I

196

00:08:34,940 --> 00:08:32,550

don't know what that had to do you had

197

00:08:36,740 --> 00:08:34,950

anything to do with the show but oh well

198

00:08:38,150 --> 00:08:36,750

I watched the rest of it yes that was

199

00:08:40,010 --> 00:08:38,160

the beginning is that well they were

200

00:08:48,130 --> 00:08:40,020

presumably testing the myth that fully

201
00:08:51,710 --> 00:08:50,120
that's the thing you know you've always

202
00:08:52,900 --> 00:08:51,720
got to do your experiment and you've got

203
00:08:55,460 --> 00:08:52,910
to do them at least three times

204
00:08:58,070 --> 00:08:55,470
otherwise you got cut early spirit at

205
00:08:59,870 --> 00:08:58,080
least three time is so as you can't make

206
00:09:02,009 --> 00:08:59,880
any conclusions like when you're trying

207
00:09:04,319 --> 00:09:02,019
a new beer for example

208
00:09:06,269 --> 00:09:04,329
yeah that completely hammered at least

209
00:09:10,919 --> 00:09:06,279
three times on the scene that's it but

210
00:09:13,139 --> 00:09:10,929
then you know for sure we demonstrated

211
00:09:16,079 --> 00:09:13,149
that quietly at the last year taking my

212
00:09:20,699 --> 00:09:16,089
phone we got three three three beers

213
00:09:22,739 --> 00:09:20,709

here we do you guys mentioned the moon

214

00:09:24,449 --> 00:09:22,749

hoax earlier yeah had a friend of mine

215

00:09:28,289 --> 00:09:24,459

that was completely convinced about the

216

00:09:29,609 --> 00:09:28,299

moon hoax and he had this a4 sheet of

217

00:09:32,189 --> 00:09:29,619

paper that had been photocopied a

218

00:09:35,239 --> 00:09:32,199

hundred times with a very small photo on

219

00:09:37,979 --> 00:09:35,249

it and it looked like the photo and had

220

00:09:39,689 --> 00:09:37,989

pointers on the on the photo arrows

221

00:09:41,789 --> 00:09:39,699

going to various places the shadow for

222

00:09:44,519 --> 00:09:41,799

this rock is wrong and the shadow for

223

00:09:47,400 --> 00:09:44,529

the person is over here and yet flags

224

00:09:50,999 --> 00:09:47,410

going this way and it actually looks

225

00:09:54,840 --> 00:09:51,009

really quite convincing on this paper if

226
00:09:57,299 --> 00:09:54,850
you ever see these people Google Apollo

227
00:09:59,429 --> 00:09:57,309
image archive and you'll come up with

228
00:10:02,669 --> 00:09:59,439
the high resolution photos that were

229
00:10:04,769 --> 00:10:02,679
taken on the Apollo landings and you'll

230
00:10:07,559 --> 00:10:04,779
be able to find you the photo it's on

231
00:10:09,929 --> 00:10:07,569
the sheet and it's when it's in clear

232
00:10:12,419 --> 00:10:09,939
huge resolution you can exactly see

233
00:10:14,400 --> 00:10:12,429
what's going on and the man is jumping

234
00:10:16,289 --> 00:10:14,410
in the air and you can see the puffs and

235
00:10:17,579 --> 00:10:16,299
dust from around these footprints and

236
00:10:21,169 --> 00:10:17,589
that's why I shadow appears to be

237
00:10:23,850 --> 00:10:21,179
further away from where he's it's it's

238
00:10:25,470 --> 00:10:23,860

that there are people that deliberately

239

00:10:27,840 --> 00:10:25,480

take a high quality image duties

240

00:10:29,939 --> 00:10:27,850

perfectly clear reduce the quality and

241

00:10:32,819 --> 00:10:29,949

then decide to pick holes in it because

242

00:10:34,470 --> 00:10:32,829

it doesn't look good at some there are

243

00:10:36,749 --> 00:10:34,480

deceitful people out there and you need

244

00:10:38,009 --> 00:10:36,759

to keep a skeptical minor absolutely I

245

00:10:39,359 --> 00:10:38,019

find that really interesting that you

246

00:10:41,220 --> 00:10:39,369

brought that up because when I was doing

247

00:10:43,379 --> 00:10:41,230

the lid go Panther research the only

248

00:10:46,379 --> 00:10:43,389

images I could find were grainy and

249

00:10:47,440 --> 00:10:46,389

really small and anytime there's

250

00:10:50,260 --> 00:10:47,450

something like that some

251

00:10:52,480 --> 00:10:50,270

sort of cryptozoology or UFO sighting

252

00:10:54,640 --> 00:10:52,490

why are the image is always grainy and

253

00:10:58,150 --> 00:10:54,650

out of focus it's funny isn't it I

254

00:11:01,180 --> 00:10:58,160

suppose why do people always see girls

255

00:11:02,980 --> 00:11:01,190

when it's dark yeah yeah never you never

256

00:11:05,140 --> 00:11:02,990

see the kid every day and I'm sure that

257

00:11:07,480 --> 00:11:05,150

that spirits good feel you were watching

258

00:11:11,380 --> 00:11:07,490

the goodie and oh I'm too young to

259

00:11:12,850 --> 00:11:11,390

remember the duties Virginia it was a

260

00:11:15,880 --> 00:11:12,860

great episode where they went to lock

261

00:11:17,350 --> 00:11:15,890

miss put it monster no in the shop and

262

00:11:18,940 --> 00:11:17,360

the guys telling them everything yeah

263

00:11:21,010 --> 00:11:18,950

you got the way of your monster

264

00:11:28,540 --> 00:11:21,020

certificate nor there's something and if

265

00:11:30,760 --> 00:11:28,550

special cameras for taking fuzzy don't

266

00:11:32,230 --> 00:11:30,770

you always see funny shapes in the

267

00:11:34,210 --> 00:11:32,240

darkness and it's totally those brave

268

00:11:36,550 --> 00:11:34,220

kids that switch the light on them since

269

00:11:38,740 --> 00:11:36,560

the dressing gown oh yeah wardrobe

270

00:11:44,470 --> 00:11:38,750

things and grants are always close as

271

00:11:52,990 --> 00:11:44,480

well as a and they always don't know

272

00:11:55,360 --> 00:11:53,000

you're always improving suggested oh

273

00:11:57,220 --> 00:11:55,370

yeah you a more handsome be puffy

274

00:11:58,790 --> 00:11:57,230

dresses they always like that it's

275

00:12:04,910 --> 00:11:58,800

flashing across the room

276

00:12:06,350 --> 00:12:04,920

a goat goes you don't any which is

277

00:12:11,780 --> 00:12:06,360

really a skeptic but the one thing she

278

00:12:17,120 --> 00:12:11,790

symbolizes dress no swearing 1980s

279

00:12:18,530 --> 00:12:17,130
