well I'll Sydney timing it I certainly

13
00:00:43,470 --> 00:00:41,500

00:00:46,439 --> 00:00:43,480

right but now you're all everything's ok

15

00:00:48,630 --> 00:00:46,449

come I now I get so caught up in all my

20

00:00:59,759 --> 00:00:58,000

day-to-day stuff as we all do I've got

21

00:01:02,820 --> 00:00:59,769

to do more skeptical what I've come with

22

00:01:05,609 --> 00:01:02,830

you fabulously amazingly fabulous their

23

00:01:07,980 --> 00:01:05,619

time it was met up all my old friends

24

00:01:10,469 --> 00:01:07,990

made lots of new friends and I really

25

00:01:12,179 --> 00:01:10,479

want to thank everybody who came up to

26

00:01:13,499 --> 00:01:12,189

me over the course of the amazing

27

00:01:15,030 --> 00:01:13,509

meeting and shook me by the hand said

28

00:01:17,819 --> 00:01:15,040

thank you for doing the podcast oh

29

00:01:20,100 --> 00:01:17,829

really it was so oh god you shake my

30

00:01:22,260 --> 00:01:20,110

hand now thank you sir you transferred

31

00:01:24,690 --> 00:01:22,270

always good vibes to be honest wonderful

32

00:01:26,459 --> 00:01:24,700

people I was so pleased that people are

33

00:01:27,749 --> 00:01:26,469

enjoy listening to the podcast nice yeah

34

00:01:30,959 --> 00:01:27,759

I really like this something like that

35

00:01:33,059 --> 00:01:30,969

and people kept commenting about the

36

00:01:36,629 --> 00:01:33,069

music I did that I seriously it's not a

37

00:01:38,399 --> 00:01:36,639

theme song ah lovely in fact here we

38

00:01:40,830 --> 00:01:38,409

have a special little clip I'll play

39

00:01:42,859 --> 00:01:40,840

right now this is famous podcaster Brian

40

00:01:48,649 --> 00:01:42,869

Dunning from skip toid singing

41

00:01:53,099 --> 00:01:48,659

disgusting things I already know the

42

00:01:57,209 --> 00:01:53,109

miracle of technology so what do you

43

00:01:59,160 --> 00:01:57,219

reckon I i I'm flattered and blessed to

44

00:02:01,559 --> 00:01:59,170

have such such wonderful support that's

45

00:02:03,359 --> 00:02:01,569

lovely so what are we going to hear a

46

00:02:04,679 --> 00:02:03,369

lot about what happened is I feel like

47

00:02:06,330 --> 00:02:04,689

I've really missed out I tell you what

48

00:02:08,809 --> 00:02:06,340

this episode will be a special episode

49

00:02:10,859 --> 00:02:08,819

of little mini clips and interviews

50

00:02:12,480 --> 00:02:10,869

snippets and little bits and pieces

51
00:02:14,820 --> 00:02:12,490
including the introduction talk from

52
00:02:16,140 --> 00:02:14,830
Phil Plait and James Randi our little

53
00:02:17,990 --> 00:02:16,150
interviews with people like Garrett

54
00:02:21,630 --> 00:02:18,000
Colin you know from Skeptic All the Way

55
00:02:24,030 --> 00:02:21,640
Kovacs from the J-Rare for how good like

56
00:02:25,740 --> 00:02:24,040
everything and over the next few

57
00:02:28,020 --> 00:02:25,750
episodes as well we have a scene like

58
00:02:30,449 --> 00:02:28,030
really bigger more oh yeah things yeah

59
00:02:32,699 --> 00:02:30,459
so that's the first part of that at this

60
00:02:36,720 --> 00:02:32,709
episode is little snippets followed by

61
00:02:38,940 --> 00:02:36,730
Dr. Reggie reports hey I've favorite of

62
00:02:42,150 --> 00:02:38,950
everybody I think and that's followed by

63
00:02:44,220 --> 00:02:42,160

a think tank Las Vegas intake Las Vegas

64

00:02:46,350 --> 00:02:44,230

I gusano with the slot machines in the

65

00:02:48,270 --> 00:02:46,360

background similarly yeah lots of

66

00:02:49,530 --> 00:02:48,280

special guests and blow into people and

67

00:02:51,270 --> 00:02:49,540

lots of Australians over there actually

68

00:02:53,580 --> 00:02:51,280

you didn't see Penn & Teller at all did

69

00:02:55,080 --> 00:02:53,590

you I did you didn't I didn't go and see

70

00:02:57,690 --> 00:02:55,090

the show but I said million I met up

71

00:02:58,979 --> 00:02:57,700

with them yet ah fabulous way did you

72

00:03:01,800 --> 00:02:58,989

eat get to you to view the middle I

73

00:03:03,930 --> 00:03:01,810

didn't know not Penn & Teller but we got

74

00:03:05,580 --> 00:03:03,940

father at least or something they're our

75

00:03:07,350 --> 00:03:05,590

best souvenirs and photos okay we want

76
00:03:09,300 --> 00:03:07,360
it with evidence with shipping to see

77
00:03:11,070 --> 00:03:09,310
the evidence that you met them but they

78
00:03:12,270 --> 00:03:11,080
don't leave me I'm sure there must be a

79
00:03:14,040 --> 00:03:12,280
verdict I think there are photographs

80
00:03:16,440 --> 00:03:14,050
that I've been pending the same around

81
00:03:19,140 --> 00:03:16,450

121

00:04:54,700 --> 00:04:53,000

okay funny believe what I will display

122

00:04:57,279 --> 00:04:54,710

out of us I bought myself a copy of

123

00:05:00,100 --> 00:04:57,289

death from the skull plate looks very

124

00:05:02,260 --> 00:05:00,110

scary if I open up the cover it's been

125

00:05:03,939 --> 00:05:02,270

signed by what everybody just about

126

00:05:05,740 --> 00:05:03,949

everybody in the skeptical planet I

127

00:05:08,080 --> 00:05:05,750

think you sign this michael shermer DJ

128

00:05:09,999 --> 00:05:08,090

Grothe George shrub brian dunning all of

129

00:05:11,830 --> 00:05:10,009

the skeptics guide to the universe and

130

00:05:14,559 --> 00:05:11,840

I'm actually wearing a shirt an awesome

131

00:05:18,100 --> 00:05:14,569

t-shirt as well you're gonna put this on

132

00:05:21,309 --> 00:05:18,110

ebay and making this 15 I have Derek

133

00:05:23,589 --> 00:05:21,319

on ebay right now really it certainly is

138

00:05:35,230 --> 00:05:33,800

because a skeptic zone dr. H and I are

139

00:05:37,149 --> 00:05:35,240

going to Perth and we all right somebody

140

00:05:39,309 --> 00:05:37,159

had a razor razor man you have to cover

141

00:05:41,320 --> 00:05:39,319

the hit I because this this skeptic zone

142

00:05:42,730 --> 00:05:41,330

years is not cheap it's not chip

143

00:05:44,290 --> 00:05:42,740

sometimes but we're going over there the

144

00:05:46,180 --> 00:05:44,300

talk and spread the skeptical message

145

00:05:48,459 --> 00:05:46,190

but we have to get there so if you go to

146

00:05:51,249 --> 00:05:48,469

ebay and i'll put a link on skeptic zone

147

00:05:54,070 --> 00:05:51,259

TV but if you go to ebay and search from

148

00:05:56,890 --> 00:05:54,080

for death from the sky is an autograph

149

00:05:59,140 --> 00:05:56,900

you'll find the this book yep this book

150

00:06:01,450 --> 00:05:59,150

I brought you a gift as a little badge

152

00:06:05,800 --> 00:06:03,650

that says keep libel laws out of science

153

00:06:07,719 --> 00:06:05,810

all only think you're Emma Simon Singh

154

00:06:10,450 --> 00:06:07,729

I'm not I'll put that on my shirt right

155

00:06:12,790 --> 00:06:10,460

now thank you know from Fabulous Las

156

00:06:15,219 --> 00:06:12,800

157

00:06:18,550 --> 00:06:15,229

playing cutter as played on the tables

158

00:06:20,890 --> 00:06:18,560

here ah dodgy as are they probably a

159

00:06:22,629 --> 00:06:20,900

difficult part and so on it's great

160

00:06:24,459 --> 00:06:22,639

161

00:06:43,270 --> 00:06:24,469

and many many more i arrived at Las

168

00:07:09,590 --> 00:07:06,840

Vegas Airport to be met by my old

169

00:07:11,990 --> 00:07:09,600

friends Scott and Susan Hearst they were

170

00:07:15,260 --> 00:07:12,000

a welcome sight after a sleepless flight

171

00:07:17,510 --> 00:07:15,270

from Australia after a nice hot shower I

172

00:07:20,570 --> 00:07:17,520

set out to explore the hotel only to

173

00:07:22,550 --> 00:07:20,580

bump it to James Randi himself he Phil

174

00:07:25,550 --> 00:07:22,560

Plait another's sat down with me for a

175

00:07:27,770 --> 00:07:25,560

chat and some lunch I can resist the

176

00:07:43,930 --> 00:07:27,780

temptation and often mr. Andy some

177

00:07:46,940 --> 00:07:43,940

Australian must accession oh good drew

178

00:07:49,850 --> 00:07:46,950

normally I'm Randy's food taster but

179

00:07:51,469 --> 00:07:49,860

even I draw the line at musc sticks so

180

00:07:53,120 --> 00:07:51,479

Randy's on his own with this stuff it's

181

00:07:55,670 --> 00:07:53,130

Phil Plait lying for these teeth because

182

00:07:58,460 --> 00:07:55,680

he loves must equally it's true they're

183

00:08:01,670 --> 00:07:58,470

excellent you set them on fire to

184

00:08:04,070 --> 00:08:01,680

freshen the air they ward off evil

185

00:08:07,159 --> 00:08:04,080

spirits they keep deer from eating our

186

00:08:10,070 --> 00:08:07,169

garden garden vegetables so yeah it's

187

00:08:13,339 --> 00:08:10,080

actually I'm more of a minty guy got at

188

00:08:14,420 --> 00:08:13,349

mtm guys I brought you meet these and I

189

00:08:18,290 --> 00:08:14,430

do have something

190

00:08:21,170 --> 00:08:18,300

so that I remember was a damn fine what

191

00:08:23,450 --> 00:08:21,180

is this 17 so musket am for where I got

192

00:08:27,530 --> 00:08:23,460

9 kilos at Minton's from Australia did

193

00:08:29,060 --> 00:08:27,540

you not only nine kilos was awesome it

194

00:08:32,660 --> 00:08:29,070

would take you several hour to read all

195

00:08:39,950 --> 00:08:32,670

those oh they lasted for almost a year I

196

00:08:41,780 --> 00:08:39,960

love me to love the rest of the day was

197

00:08:44,300 --> 00:08:41,790

spent catching up with friends meeting

198

00:08:47,180 --> 00:08:44,310

new friends too and wandering around the

199

00:08:49,550 --> 00:08:47,190

massive casino and hotel the next

200

00:08:54,710 --> 00:08:49,560

morning I met up with Fred Bremer for

201
00:08:57,260 --> 00:08:54,720
some pancakes our breakfast in las vegas

202
00:09:00,050 --> 00:08:57,270
i love it and I'm sitting here with Fred

203
00:09:02,300 --> 00:09:00,060
Bremer from Vancouver hi Fred hello now

204
00:09:04,550 --> 00:09:02,310
you just showing me some photographs

205
00:09:06,740 --> 00:09:04,560
from something you did which I wish wish

206
00:09:09,200 --> 00:09:06,750
I could have been there which was the

207
00:09:11,870 --> 00:09:09,210
Sasquatch shirt sort of adventure yes

208
00:09:14,840 --> 00:09:11,880
the group of us from Vancouver skeptics

209
00:09:17,420 --> 00:09:14,850
in the pub went on a skeptical Sasquatch

210
00:09:18,830 --> 00:09:17,430
camping trip a few weeks ago in British

211
00:09:21,680 --> 00:09:18,840
Columbia there's a provincial park

212
00:09:23,840 --> 00:09:21,690
called Sasquatch Provincial Park and a

213
00:09:26,630 --> 00:09:23,850

group of us drove up there a couple

214

00:09:30,260 --> 00:09:26,640

hours outside Vancouver and camped

215

00:09:33,590 --> 00:09:30,270

overnight by a small lake and we had our

216

00:09:35,930 --> 00:09:33,600

own mascot a little stuffed Sasquatch

217

00:09:38,810 --> 00:09:35,940

Mary is the stuff CSS what he looks

218

00:09:41,210 --> 00:09:38,820

great for the emmaus on yeah we had

219

00:09:43,010 --> 00:09:41,220

almost 20 of us camping overnight we had

220

00:09:44,480 --> 00:09:43,020

beautiful weather until the morning when

221

00:09:46,430 --> 00:09:44,490

we had to tear down our tents in in a

222

00:09:48,190 --> 00:09:46,440

bit of rain but Oh everybody had a great

223

00:09:51,940 --> 00:09:48,200

time

224

00:09:54,010 --> 00:09:51,950

so Vancouver skeptics in the pub sounds

225

00:09:56,530 --> 00:09:54,020

like it's a good Bend ever it's going

226

00:09:58,600 --> 00:09:56,540

quite well yes we've our numbers keep

227

00:10:01,390 --> 00:09:58,610

growing we've had almost 50 people at an

228

00:10:03,370 --> 00:10:01,400

event so yeah I'm very happy with it and

229

00:10:05,290 --> 00:10:03,380

how could people find out about that if

230

00:10:07,450 --> 00:10:05,300

you go on facebook we have our page

231

00:10:09,700 --> 00:10:07,460

there to search for Vancouver skeptics

232

00:10:11,950 --> 00:10:09,710

in the pub and if you join the group

233

00:10:15,580 --> 00:10:11,960

then when we schedule our next event

234

00:10:18,040 --> 00:10:15,590

will send out invitations and RSVP and

235

00:10:19,810 --> 00:10:18,050

we hope to see people come out thanks

236

00:10:24,130 --> 00:10:19,820

right let's let's eat our pancakes and

237

00:10:26,530 --> 00:10:24,140

just look through that a Kovacs is known

238

00:10:29,080 --> 00:10:26,540

to many of you she works for the JREF

239

00:10:34,510 --> 00:10:29,090

and this year was her first time as one

240

00:10:36,610 --> 00:10:34,520

of the organizers of Tam so amazing

241

00:10:39,340 --> 00:10:36,620

meeting is sort of really underway isn't

242

00:10:41,050 --> 00:10:39,350

today I think so excited I am very

243

00:10:43,750 --> 00:10:41,060

excited about it I'm actually thrilled

244

00:10:45,880 --> 00:10:43,760

at 20 here Hey look relieved and happy

245

00:10:49,060 --> 00:10:45,890

and just you can't wait yeah I can't

246

00:10:52,240 --> 00:10:49,070

wait any other thing is via I have been

247

00:10:53,800 --> 00:10:52,250

until this year just a guest and of the

248

00:10:56,020 --> 00:10:53,810

amazing meeting and now I work with the

249

00:10:58,780 --> 00:10:56,030

J rough and we always think that the

250

00:11:00,250 --> 00:10:58,790

team at the j ref works so hard no idea

251

00:11:03,300 --> 00:11:00,260

we've no idea how are they work it's

252

00:11:06,730 --> 00:11:03,310

crazy and everybody's thinking of one

253

00:11:08,380 --> 00:11:06,740

one or two or three of five different

254

00:11:09,490 --> 00:11:08,390

things that nobody else is thinking and

255

00:11:11,290 --> 00:11:09,500

everyone's coming to you to ask

256

00:11:14,980 --> 00:11:11,300

questions yeah and you only all you ever

257

00:11:16,300 --> 00:11:14,990

do is just try and keep up so I'm really

258

00:11:18,460 --> 00:11:16,310

thrilled to be here I'm really thrilled

259

00:11:22,150 --> 00:11:18,470

that it's almost all the prep is almost

260

00:11:24,860 --> 00:11:22,160

done that's it I guess I'm glad you're

261

00:11:30,440 --> 00:11:24,870

here thank you thank you a thanks

262

00:11:32,360 --> 00:11:30,450

busy voucher we now come to the first

263

00:11:35,090 --> 00:11:32,370

official night and the Welcome Dinner

264

00:11:37,579 --> 00:11:35,100

let's hear from our hosts how bid lack

265

00:11:40,730 --> 00:11:37,589

Phil Plait the president of the James

266

00:11:58,990 --> 00:11:40,740

Randi Educational Foundation and mr.

267

00:12:06,140 --> 00:11:59,000

Randy himself us like to welcome a

268

00:12:09,019 --> 00:12:06,150

28-day that's we have to get a whole

269

00:12:12,050 --> 00:12:09,029

bunch of different park saturday it's a

270

00:12:13,280 --> 00:12:12,060

great way to be back at m7 SI somos a

271

00:12:15,200 --> 00:12:13,290

little more tomorrow we just want to

272

00:12:17,060 --> 00:12:15,210

become feel welcome tonight and remember

273

00:12:18,829 --> 00:12:17,070

that were part of a larger community in

274

00:12:21,769 --> 00:12:18,839

friend so make sure you should answer a

275

00:12:24,530 --> 00:12:21,779

call to action and it was just some

276

00:12:27,019 --> 00:12:24,540

table to hear i want to news now just in

277

00:12:52,480 --> 00:12:27,029

brief remarks is the president of the j

278

00:12:58,429 --> 00:12:56,869

thanks al well I asked me if I could

279

00:13:00,740 --> 00:12:58,439

make some comments and then said

280

00:13:04,040 --> 00:13:00,750

everything I was going to say evoke a

281

00:13:08,569 --> 00:13:04,050

few skeptics so I think that that's it

282

00:13:10,490 --> 00:13:08,579

not for those of you could have been to

283

00:13:13,100 --> 00:13:10,500

tamp before you know what you're getting

284

00:13:21,800 --> 00:13:13,110

into for those who haven't I'm sorry

285

00:13:24,199 --> 00:13:21,810

about how jokes limit this chair is a

286

00:13:26,269 --> 00:13:24,209

unique experience in San Francisco we're

287

00:13:28,999 --> 00:13:26,279

going to talk about this tomorrow what I

288

00:13:30,679 --> 00:13:29,009

want to say is this reception is part

289

00:13:33,170 --> 00:13:30,689

and parcel of what we're about it's

290

00:13:36,350 --> 00:13:33,180

mingling it's having fun is laughing and

291

00:13:38,119 --> 00:13:36,360

it's being here together then tan we are

292

00:13:41,240 --> 00:13:38,129

super super proud and this came up

293

00:13:43,550 --> 00:13:41,250

really organically of having our guests

294

00:13:45,619 --> 00:13:43,560

and everybody mingling everybody here is

295

00:13:47,629 --> 00:13:45,629

together to promote skepticism in

296

00:13:49,129 --> 00:13:47,639

critical thinking so I know some of you

297

00:13:51,079 --> 00:13:49,139

were shy you don't want to come up to

298

00:13:53,809 --> 00:13:51,089

people like like grand ears from some

299

00:13:56,720 --> 00:13:53,819

folks walk up to us walk up to them walk

300

00:13:59,360 --> 00:13:56,730

to anybody and say hi we are a community

301

00:14:01,100 --> 00:13:59,370

here that is what the jailer has

302

00:14:05,019 --> 00:14:01,110

provided at the prosthetic system is our

303

00:14:07,790 --> 00:14:05,029

most important tool and an agreement to

304

00:14:09,980 --> 00:14:07,800

schedule some itself and is people's

305

00:14:11,960 --> 00:14:09,990

ability to meet each other in people and

306

00:14:14,389 --> 00:14:11,970

build on each other's experience on skin

307

00:14:19,429 --> 00:14:14,399

have fun get out there it helps you be a

308

00:14:22,249 --> 00:14:19,439

little bit to drink also raise money for

309

00:14:24,470 --> 00:14:22,259

the giraffe you know if they see so many

310

00:14:26,929 --> 00:14:24,480

person right foot boat feel free to buy

311

00:14:29,629 --> 00:14:26,939

eight or nine copies and topographic

312

00:14:32,809 --> 00:14:29,639

anything like that and let me add to

313

00:14:35,809 --> 00:14:32,819

that at six o'clock in the poke room is

314

00:14:39,889 --> 00:14:35,819

the airport favorite overturning you can

315

00:14:44,600 --> 00:14:39,899

just give me a running a solenoid I tend

316

00:14:48,740 --> 00:14:44,610

to lose with a carrot and I just been

317

00:14:50,059 --> 00:14:48,750

informed yes and the magic show is on

318

00:14:54,860 --> 00:14:50,069

the other side of this wall at eight

319

00:14:57,590 --> 00:14:54,870

o'clock and so that's going to be great

320

00:14:59,150 --> 00:14:57,600

so have fun and I think that's the most

321

00:15:10,840 --> 00:14:59,160

important thing about this whole weekend

322

00:15:10,850 --> 00:15:25,220

Randy

323

00:15:31,259 --> 00:15:28,409

thank you very very much in dania from

324

00:15:33,329 --> 00:15:31,269

are becoming every minute I can't

325

00:15:36,030 --> 00:15:33,339

express my gratitude you're showing up

326

00:15:39,840 --> 00:15:36,040

it's good to see all of you and you're

327

00:15:41,960 --> 00:15:39,850

not in too big to touch the flesh I want

328

00:15:45,359 --> 00:15:41,970

to catch other let alone transmission

329

00:15:52,409 --> 00:15:45,369

I've got to be transferred so rich

330

00:15:54,059 --> 00:15:52,419

widows proper documentation first so I

331

00:15:56,900 --> 00:15:54,069

mean is Agathe thank you for being here

332

00:16:15,870 --> 00:15:56,910

this where the Wonder Robin by you and

333

00:16:22,170 --> 00:16:18,090

i'm here with how big black who's out

334

00:16:24,330 --> 00:16:22,180

coached just host today how are you

335

00:16:26,040 --> 00:16:24,340

today and I wasn't too bad for a guy

336

00:16:28,050 --> 00:16:26,050

from Colorado it wasn't too bad at all

337

00:16:29,610 --> 00:16:28,060

that's all I know with it something

338

00:16:33,330 --> 00:16:29,620

about a bday and then that's it I don't

339

00:16:35,010 --> 00:16:33,340

know every day I see so we just had the

340

00:16:36,330 --> 00:16:35,020

pleasure of having a changed man

341

00:16:41,400 --> 00:16:36,340

becoming guru but what was the name

342

00:16:43,110 --> 00:16:41,410

again the amazing want to turn out look

343

00:16:44,610 --> 00:16:43,120

at this how I mean there's a sea of

344

00:16:47,130 --> 00:16:44,620

people right to the other end of the

345

00:16:48,720 --> 00:16:47,140

room thousand plus 1,000 people all the

346

00:16:50,520 --> 00:16:48,730

people now gathered around James Randi

347

00:16:52,110 --> 00:16:50,530

madly taking photographs and everything

348

00:16:56,040 --> 00:16:52,120

one guy took his wallet it's a touching

349

00:16:57,590 --> 00:16:56,050

soon it's very touching and it's so nice

350

00:16:59,550 --> 00:16:57,600

that Randy could be here once again

351
00:17:00,870 --> 00:16:59,560
absolutely indeed the amazing meeting

352
00:17:04,470 --> 00:17:00,880
without the amazing Randi would just

353
00:17:05,939 --> 00:17:04,480
feed the meeting that's right it's duly

354
00:17:08,280 --> 00:17:05,949
good it'd be good but it wouldn't be

355
00:17:10,050 --> 00:17:08,290
quite as a ready Baeza so this year it

356
00:17:12,000 --> 00:17:10,060
truly is amazing and we're so pleased

357
00:17:13,079 --> 00:17:12,010
that you're you yourself I hate to say

358
00:17:16,079 --> 00:17:13,089
nice things about you on your own

359
00:17:17,340 --> 00:17:16,089
podcast but here are you can it's okay

360
00:17:19,949 --> 00:17:17,350
well I'm sure this will be edited

361
00:17:21,390 --> 00:17:19,959
cleverly I hate to say video we've been

362
00:17:22,949 --> 00:17:21,400
friends a while you're the remarkable

363
00:17:25,170 --> 00:17:22,959

talent you're a very important skeptic

364

00:17:26,699 --> 00:17:25,180

what you do down under is so important

365

00:17:28,770 --> 00:17:26,709

and we're so glad you would travel all

366

00:17:30,600 --> 00:17:28,780

this distance to be with us in and I've

367

00:17:32,190 --> 00:17:30,610

met at least the other Australian I

368

00:17:33,900 --> 00:17:32,200

suspect we have even more oh yeah

369

00:17:36,150 --> 00:17:33,910

there's a room out there full of them

370

00:17:37,830 --> 00:17:36,160

you have silver I option and we're just

371

00:17:39,480 --> 00:17:37,840

delighted you're here and it wouldn't be

372

00:17:43,509 --> 00:17:39,490

tan without shipping thank you how thank

373

00:17:48,139 --> 00:17:46,549

the next morning more than 1,000 people

374

00:17:50,990 --> 00:17:48,149

took their seats in the grand ballroom

375

00:17:54,049 --> 00:17:51,000

for the first session of the amazing

376

00:18:04,399 --> 00:17:54,059

meeting again let's hear from how Phil

377

00:18:06,909 --> 00:18:04,409

and mr. Andy excellent family battles

378

00:18:09,940 --> 00:18:06,919

flights of fancy search the world over

379

00:18:13,009 --> 00:18:09,950

you sleepin on constant movement

380

00:18:16,970 --> 00:18:13,019

clarinex felt ignored is a popular

381

00:18:18,950 --> 00:18:16,980

author in train science education and

382

00:18:22,850 --> 00:18:18,960

science of general the clarity of vision

383

00:18:25,460 --> 00:18:22,860

I had not seen since Carl Sagan James

384

00:18:28,999 --> 00:18:25,470

Randy's purposes teal a mysterious

385

00:18:31,730 --> 00:18:29,009

lyrics for the world journal in position

386

00:18:35,060 --> 00:18:31,740

and protected s bogom some Saturdays a

387

00:18:37,669 --> 00:18:35,070

new position to determine the edge of

388

00:18:39,499 --> 00:18:37,679

darkness versus an epithet miss you in

389

00:18:42,710 --> 00:18:39,509

the proper direction does it ever be

390

00:18:44,690 --> 00:18:42,720

he's imagining the conference it's

391

00:18:47,389 --> 00:18:44,700

whining on who's raining probably tool

392

00:18:53,600 --> 00:18:47,399

and a television he live he also told me

393

00:18:54,779 --> 00:18:53,610

I had a great teacher of Santa and like

394

00:18:57,640 --> 00:18:54,789

many designs

395

00:19:00,100 --> 00:18:57,650

the books these world-famous for his

396

00:19:02,710 --> 00:19:00,110

presentation skills and for his life's

397

00:19:04,930 --> 00:19:02,720

work as a bright light chain of the dark

398

00:19:06,880 --> 00:19:04,940

corners of our world but not something

399

00:19:09,220 --> 00:19:06,890

common rule he is simply the most

400

00:19:10,750 --> 00:19:09,230

important skeptic in the world today and

401
00:19:32,810 --> 00:19:10,760
these are mobile so please welcome the

402
00:19:40,279 --> 00:19:36,740
oh all these people at this place goes

403
00:19:42,080 --> 00:19:40,289
way back in business I guess how can we

404
00:19:45,259 --> 00:19:42,090
tall like our self working on the podium

405
00:19:46,759 --> 00:19:45,269
there I was just told by one of our

406
00:19:48,830 --> 00:19:46,769
speakers that anything said an

407
00:19:52,730 --> 00:19:48,840
introduction is true so I can't deny how

408
00:19:56,990 --> 00:19:52,740
I said except none of the jokes about

409
00:19:58,759 --> 00:19:57,000
the animal I suppose this is this is

410
00:20:00,430 --> 00:19:58,769
actually our eighth 10 I hate to

411
00:20:03,019 --> 00:20:00,440
contradict out but we did have a

412
00:20:06,259 --> 00:20:03,029
actually and that's alive so I guess not

413
00:20:08,509 --> 00:20:06,269

donate this mystery we did have

414

00:20:11,090 --> 00:20:08,519

intermediate santan 5.5 a few years ago

415

00:20:14,960 --> 00:20:11,100

and how many people have been to every

416

00:20:16,879 --> 00:20:14,970

single meeting here I say anything away

417

00:20:19,129 --> 00:20:16,889

that has forces elite are there and I'm

418

00:20:22,009 --> 00:20:19,139

like shiny massage this one you know a

419

00:20:24,769 --> 00:20:22,019

few of you that's that's very cool then

420

00:20:28,129 --> 00:20:24,779

these have been astonishing series of

421

00:20:29,899 --> 00:20:28,139

meetings where it started off to be

422

00:20:34,430 --> 00:20:29,909

decently a couple hundred people and now

423

00:20:36,049 --> 00:20:34,440

we have a few more I just I'd love to

424

00:20:38,480 --> 00:20:36,059

talk so much about all this because it's

425

00:20:41,419 --> 00:20:38,490

been so much but you didn't pay to

426

00:20:45,259 --> 00:20:41,429

listen to me talk did you you got

427

00:20:47,240 --> 00:20:45,269

screwed I'm gonna let me come up here

428

00:20:49,669 --> 00:20:47,250

and really open conference for sure I

429

00:20:52,639 --> 00:20:49,679

want to say that we're here really for

430

00:20:54,230 --> 00:20:52,649

three reasons we're hearing great

431

00:20:55,909 --> 00:20:54,240

speakers of course we always have died

432

00:20:58,820 --> 00:20:55,919

many blind speakers and this year is no

433

00:21:00,200 --> 00:20:58,830

exception of very excited about every

434

00:21:02,450 --> 00:21:00,210

every single person is going to be up

435

00:21:04,700 --> 00:21:02,460

here and some of the real friends some

436

00:21:07,190 --> 00:21:04,710

overdue friends but they all have very

437

00:21:09,379 --> 00:21:07,200

very interesting things to say about the

438

00:21:11,659 --> 00:21:09,389

reasons that we're here today another

439

00:21:14,450 --> 00:21:11,669

reason we're here of course is to see

440

00:21:15,360 --> 00:21:14,460

Randy there's if there's one major

441

00:21:19,980 --> 00:21:15,370

reason

442

00:21:22,080 --> 00:21:19,990

it's because of rain is we're here

443

00:21:24,750 --> 00:21:22,090

because he helped start the modern

444

00:21:27,030 --> 00:21:24,760

skeptical woman is still a force of

445

00:21:30,720 --> 00:21:27,040

nature in a modest kept government and

446

00:21:33,990 --> 00:21:30,730

it is his face man so that that's where

447

00:21:36,450 --> 00:21:34,000

I guess right here but if that's why

448

00:21:38,910 --> 00:21:36,460

you're original tams through so much

449

00:21:40,740 --> 00:21:38,920

there's another reason why there are so

450

00:21:43,080 --> 00:21:40,750

many people here is because there are so

451

00:21:44,850 --> 00:21:43,090

many people here it's all as a

452

00:21:46,890 --> 00:21:44,860

self-fulfilling prophecy I've use that

453

00:21:50,250 --> 00:21:46,900

word there are a lot of people here

454

00:21:53,160 --> 00:21:50,260

because of the community at some point a

455

00:21:55,919 --> 00:21:53,170

few years ago this community of skeptics

456

00:21:58,830 --> 00:21:55,929

reached a critical mass and this

457

00:22:00,360 --> 00:21:58,840

grassroots movement itself became the

458

00:22:02,549 --> 00:22:00,370

mainstream skeptical movement uh huh

459

00:22:05,070 --> 00:22:02,559

sure exactly how it happens when when

460

00:22:08,010 --> 00:22:05,080

something becomes a self-drive industry

461

00:22:10,230 --> 00:22:08,020

but we are here because of each other

462

00:22:11,970 --> 00:22:10,240

because of the community and there are

463

00:22:12,990 --> 00:22:11,980

there a lot of expendable person country

464

00:22:17,100 --> 00:22:13,000

and they all be different things and

465

00:22:20,280 --> 00:22:17,110

they'll do very well but somehow the jf

466

00:22:24,030 --> 00:22:20,290

began the touchstone for the people who

467

00:22:25,860 --> 00:22:24,040

sells and as that's how so sir well good

468

00:22:28,980 --> 00:22:25,870

with with reading song with with robert

469

00:22:32,190 --> 00:22:28,990

lancaster people just say hey I can do

470

00:22:34,680 --> 00:22:32,200

this I mean sa decision ears Garza I

471

00:22:36,660 --> 00:22:34,690

think I can sit down and then debug ye

472

00:22:40,290 --> 00:22:36,670

egg stand on and on the first spring

473

00:22:42,090 --> 00:22:40,300

come on right and so it's in all of it

474

00:22:44,310 --> 00:22:42,100

if I think that I'm not only this kind

475

00:22:46,799 --> 00:22:44,320

of line if I can do that everybody can

476

00:22:48,210 --> 00:22:46,809

do it in one person at a time we now

477

00:22:50,400 --> 00:22:48,220

have so many people in this movement

478

00:22:54,870 --> 00:22:50,410

doing so many good things cover so much

479

00:22:58,080 --> 00:22:54,880

ground and speaking of that us that's

480

00:23:00,720 --> 00:22:58,090

why we are here it is how said we may

481

00:23:03,030 --> 00:23:00,730

disagree on religion we may disagree on

482

00:23:04,770 --> 00:23:03,040

politics I'll guarantee you that we may

483

00:23:07,710 --> 00:23:04,780

even disagree on our exist

484

00:23:10,770 --> 00:23:07,720

existence of UFOs but we all agree on

485

00:23:13,320 --> 00:23:10,780

how to disagree we all agree on how to

486

00:23:15,420 --> 00:23:13,330

decide whether agree disagree and we're

487

00:23:17,640 --> 00:23:15,430

all going to agree on how do we reach

488

00:23:19,740 --> 00:23:17,650

those conclusions that's the rationale

489

00:23:22,500 --> 00:23:19,750

front thought that's your skepticism

490

00:23:24,660 --> 00:23:22,510

critical thinking and hopefully the lack

491

00:23:26,790 --> 00:23:24,670

of logical fallacies that we see out

492

00:23:28,740 --> 00:23:26,800

there so much and it's those logical

493

00:23:30,240 --> 00:23:28,750

fallacies that we are here to try to

494

00:23:32,460 --> 00:23:30,250

minimize it something you know either

495

00:23:34,470 --> 00:23:32,470

leaves rate and rhythm as long as we

496

00:23:36,000 --> 00:23:34,480

have squishy grave all brains my head

497

00:23:38,760 --> 00:23:36,010

we're never going to totally get ready

498

00:23:40,470 --> 00:23:38,770

sent but there are ways to minimize one

499

00:23:42,390 --> 00:23:40,480

of them for example is through the

500

00:23:44,130 --> 00:23:42,400

million dollar challenge and that is

501
00:23:45,390 --> 00:23:44,140
something that many of you attend the

502
00:23:47,400 --> 00:23:45,400
workshop yesterday with Jeff Kennett

503
00:23:49,770 --> 00:23:47,410
analysis Smith is a great workshop on

504
00:23:51,600 --> 00:23:49,780
how to make up childhood we're going to

505
00:23:54,060 --> 00:23:51,610
have Lyme million dollar challenge here

506
00:23:55,500 --> 00:23:54,070
on Sunday executive and that's so

507
00:23:57,290 --> 00:23:55,510
there's some information in your packet

508
00:23:59,670 --> 00:23:57,300
about that I would urge you to read it

509
00:24:01,380 --> 00:23:59,680
because we have some rules about that

510
00:24:02,580 --> 00:24:01,390
because you do not know this is

511
00:24:04,920 --> 00:24:02,590
something that's been set up for many

512
00:24:06,840 --> 00:24:04,930
years that if you can prove some sort of

513
00:24:08,850 --> 00:24:06,850

psychic claims is our paranormal plan

514

00:24:13,590 --> 00:24:08,860

that we would get two million dollars

515

00:24:15,390 --> 00:24:13,600

now that easy I kind of have to prove it

516

00:24:18,210 --> 00:24:15,400

a true and statistically or at least

517

00:24:20,040 --> 00:24:18,220

show us that by random chance would be

518

00:24:25,260 --> 00:24:20,050

highly highly unlikely to what you've

519

00:24:26,940 --> 00:24:25,270

done is is not at least non-psychic

520

00:24:30,810 --> 00:24:26,950

drive them negatives in their job well

521

00:24:33,120 --> 00:24:30,820

done about a year ago you're gonna have

522

00:24:34,590 --> 00:24:33,130

to go we decided that really don't

523

00:24:36,690 --> 00:24:34,600

challenge was starting to become a bit

524

00:24:38,550 --> 00:24:36,700

of an albatross we have so many people

525

00:24:41,030 --> 00:24:38,560

trying to take take take on the

526

00:24:44,790 --> 00:24:41,040

challenge so many of these claims are

527

00:24:47,130 --> 00:24:44,800

difficult to understand it's actually

528

00:24:49,410 --> 00:24:47,140

hard to say for somebody is as cheap

529

00:24:52,680 --> 00:24:49,420

pointed out yesterday workshop if

530

00:24:54,570 --> 00:24:52,690

somebody says I can predict a card off

531

00:24:57,480 --> 00:24:54,580

the top of the deck fifty percent of the

532

00:24:58,320 --> 00:24:57,490

time you they never seen that they sort

533

00:25:00,180 --> 00:24:58,330

of trying to make

534

00:25:01,769 --> 00:25:00,190

they never get a number they never say

535

00:25:04,740 --> 00:25:01,779

exactly what they can do and so it's a

536

00:25:06,870 --> 00:25:04,750

huge drain on our staff time and our

537

00:25:10,470 --> 00:25:06,880

staff energy to have to process all of

538

00:25:11,909 --> 00:25:10,480

these applicants so we decided to

539

00:25:13,889 --> 00:25:11,919

withdraw the million-dollar challenge we

540

00:25:16,529 --> 00:25:13,899

figured its job is basically them done

541

00:25:18,450 --> 00:25:16,539

and we're going to discontinue it well

542

00:25:20,310 --> 00:25:18,460

after talking with Randy and some other

543

00:25:23,070 --> 00:25:20,320

people I have been given permission to

544

00:25:31,430 --> 00:25:23,080

stay here today that that is no longer

545

00:25:35,990 --> 00:25:33,320

I'm really happy about this the

546

00:25:38,659 --> 00:25:36,000

million-dollar challenge is a hammer and

547

00:25:40,279 --> 00:25:38,669

it is and we know you know I'm saying is

548

00:25:44,659 --> 00:25:40,289

when you have a hammer everything's

549

00:25:46,789 --> 00:25:44,669

avail the million-dollar challenge is an

550

00:25:50,210 --> 00:25:46,799

excellent tool to show the press and the

551
00:25:52,129 --> 00:25:50,220
show the public that not necessarily the

552
00:25:53,360 --> 00:25:52,139
psychic powers do not exist but then

553
00:25:55,789 --> 00:25:53,370
most people who are claiming to have

554
00:25:57,590 --> 00:25:55,799
psychic powers are incorrect and this

555
00:25:59,180 --> 00:25:57,600
will continue now I'm not going to say

556
00:26:01,700 --> 00:25:59,190
how is going to do because we're not

557
00:26:03,080 --> 00:26:01,710
sure we're looking into investing we're

558
00:26:04,759 --> 00:26:03,090
trying to figure out a way to do this to

559
00:26:07,399 --> 00:26:04,769
bring it into the 21st century kicking

560
00:26:09,980 --> 00:26:07,409
and screaming so that it streamlines the

561
00:26:12,919 --> 00:26:09,990
process makes it more efficient and that

562
00:26:14,840 --> 00:26:12,929
we can use it in a way to even broaden

563
00:26:17,720 --> 00:26:14,850

what it's already been doing it and that

564

00:26:21,139 --> 00:26:17,730

is to show people the world for the way

565

00:26:24,649 --> 00:26:21,149

it is and that is real rational and and

566

00:26:26,090 --> 00:26:24,659

if I'm a scientific so I'm really really

567

00:26:28,249 --> 00:26:26,100

glad about that we talked a little bit

568

00:26:33,019 --> 00:26:28,259

about the more on that favorite thank

569

00:26:35,450 --> 00:26:33,029

you so enough enough about about me and

570

00:26:37,369 --> 00:26:35,460

from me you're here to see Randy and I

571

00:26:39,409 --> 00:26:37,379

want to let him close us out and let me

572

00:26:41,600 --> 00:26:39,419

say that I love being able to do this

573

00:26:42,860 --> 00:26:41,610

sometimes a quote from a book I've read

574

00:26:45,169 --> 00:26:42,870

a couple of times I hope many of you

575

00:26:46,549 --> 00:26:45,179

have as well somebody about this meeting

576
00:26:48,649 --> 00:26:46,559
with our speakers talking all these

577
00:26:49,850 --> 00:26:48,659
diverse subjects some of which you may

578
00:26:51,529 --> 00:26:49,860
know about some ways you know you're

579
00:26:52,909 --> 00:26:51,539
guaranteed to learn about a lot of

580
00:26:54,799 --> 00:26:52,919
different things here over the next

581
00:26:56,629 --> 00:26:54,809
couple of days all of them have

582
00:26:58,129 --> 00:26:56,639
something in common that is weight

583
00:27:01,310 --> 00:26:58,139
whether it's about optical illusions or

584
00:27:04,129 --> 00:27:01,320
science or geekery or skepticism or win

585
00:27:06,919 --> 00:27:04,139
we're all about the critical thinking

586
00:27:10,249 --> 00:27:06,929
we're all about seeing through the fog

587
00:27:12,470 --> 00:27:10,259
and seeing what's real and so let me say

588
00:27:14,779 --> 00:27:12,480

that you should let the scales fall from

589

00:27:17,360 --> 00:27:14,789

your eyes because the truth shall set

590

00:27:19,430 --> 00:27:17,370

you free and here is a man who has been

591

00:28:00,070 --> 00:27:19,440

doing that for a long long time and that

592

00:28:12,890 --> 00:28:09,110

regional apertures in Florida have

593

00:28:15,880 --> 00:28:12,900

they're used for different purposes some

594

00:28:18,560 --> 00:28:15,890

of our birth mothers as security stuff

595

00:28:23,000 --> 00:28:18,570

that's what we want any photographic you

596

00:28:27,200 --> 00:28:23,010

would get pretty serious dr. keeping it

597

00:28:31,280 --> 00:28:27,210

hurts and things like that this is by a

598

00:28:34,580 --> 00:28:31,290

t-shirt on both you haven't seen this

599

00:28:40,039 --> 00:28:34,590

product of expertise and Patrick and the

600

00:28:42,140 --> 00:28:40,049

hazing doing extremely proud and humbled

601
00:28:45,950 --> 00:28:42,150
by the fact all of you folks showing up

602
00:28:50,210 --> 00:28:45,960
here here what we all we have to say or

603
00:28:53,330 --> 00:28:50,220
the schedule I want to thank how about

604
00:28:57,140 --> 00:28:53,340
the remote / beach already

605
00:28:59,150 --> 00:28:57,150
I tell me thanks most of the people but

606
00:29:03,830 --> 00:28:59,160
I move to thank you to what I'm going to

607
00:29:06,830 --> 00:29:03,840
break people rated saw record Jeremiah

608
00:29:10,460 --> 00:29:06,840
and repeated is coming over the years if

609
00:29:13,340 --> 00:29:10,470
not amazed at the city grow through this

610
00:29:16,670 --> 00:29:13,350
annual event we are appropriately

611
00:29:21,500 --> 00:29:16,680
grateful for your presence here but I

612
00:29:27,080 --> 00:29:21,510
must explain my son subdued occurs this

613
00:29:29,600 --> 00:29:27,090

is why I also say a t-bar curator 23 of

614

00:29:32,000 --> 00:29:29,610

your routine that an examination or a

615

00:29:35,000 --> 00:29:32,010

month ago who's discovery that I had and

616

00:29:36,680 --> 00:29:35,010

that's the visitor inside of me very

617

00:29:41,480 --> 00:29:36,690

stunning example of intelligent design

618

00:29:43,850 --> 00:29:41,490

report why not going in that may be

619

00:29:46,160 --> 00:29:43,860

moved it I think it will be up again

620

00:29:48,440 --> 00:29:46,170

I'll be pretty through our combo box yet

621

00:29:51,020 --> 00:29:48,450

but I assure you that I'm fighting this

622

00:29:53,270 --> 00:29:51,030

thing with the very best technical help

623

00:29:55,760 --> 00:29:53,280

I'm on an all shy on the brisket

624

00:29:57,590 --> 00:29:55,770

technology I'll be able to keep up with

625

00:30:00,650 --> 00:29:57,600

my regular duties as the treatment

626
00:30:03,170 --> 00:30:00,660
proceedings this is the reason that you

627
00:30:05,720 --> 00:30:03,180
have not seen any recent videos from me

628
00:30:08,890 --> 00:30:05,730
of course I'm very fortunate that good

629
00:30:12,170 --> 00:30:08,900
friends like Phil Plait that bastrop

630
00:30:15,200 --> 00:30:12,180
along with the ever present ever

631
00:30:18,200 --> 00:30:15,210
diligent and very Pierce with Michelle

632
00:30:19,650 --> 00:30:18,210
over the back here they stepped in to

633
00:30:22,590 --> 00:30:19,660
manage and her such

634
00:30:30,450 --> 00:30:22,600
the camps and I think the results speak

635
00:30:36,420 --> 00:30:34,200
I will say the public responded by Otis

636
00:30:39,000 --> 00:30:36,430
has been very generous and flattering

637
00:30:41,970 --> 00:30:39,010
I've got all the war America stop

638
00:30:43,560 --> 00:30:41,980

important our work is and I tend to stay

639

00:30:46,680 --> 00:30:43,570

around a long time because I've got a

640

00:30:48,360 --> 00:30:46,690

lot to do by ptosis is good even though

641

00:30:51,180 --> 00:30:48,370

I decided to go along with this whole

642

00:30:53,430 --> 00:30:51,190

fashion than my car oh yes Orthodox

643

00:30:55,860 --> 00:30:53,440

medicine and I'm coming back on the

644

00:31:01,740 --> 00:30:55,870

birds and fake doing and opting for a

645

00:31:03,570 --> 00:31:01,750

minimal voodoo ceremony tomorrow I have

646

00:31:05,870 --> 00:31:03,580

to make a special cocktail when

647

00:31:08,640 --> 00:31:05,880

considering the eyes right down here

648

00:31:18,989 --> 00:31:08,650

thought of that genre my personal

649

00:31:22,869 --> 00:31:21,340

these numbers her she was home on the

650

00:31:26,049 --> 00:31:22,879

other side of the road before resuming

651
00:31:28,450 --> 00:31:26,059
his interrupted academic studies once

652
00:31:30,460 --> 00:31:28,460
more I evening are the opportunity of

653
00:31:33,549 --> 00:31:30,470
meeting his folks or with us here at cam

654
00:31:36,159 --> 00:31:33,559
to our brief delay Sean took out a whole

655
00:31:38,590 --> 00:31:36,169
year to serve as the data resident

656
00:31:41,799 --> 00:31:38,600
injured I'm very grateful to for his

657
00:31:45,419 --> 00:31:41,809
most excellent excellent attendance on I

658
00:31:50,169 --> 00:31:45,429
eat and I reckon to see them go further

659
00:31:52,359 --> 00:31:50,179
Sean thank you John will be response for

660
00:31:54,489 --> 00:31:52,369
I think by Brandon Tate dork who now

661
00:31:58,029 --> 00:31:54,499
takes on the job of saving me from at

662
00:32:00,580 --> 00:31:58,039
least some of our readers hair and then

663
00:32:03,220 --> 00:32:00,590

would look special harder I want to

664

00:32:10,810 --> 00:32:03,230

thank Tim against West as you saw i hate

665

00:32:12,820 --> 00:32:10,820

was that shop after months today with

666

00:32:15,729 --> 00:32:12,830

Jamie what should be a very Henderson

667

00:32:19,570 --> 00:32:15,739

impressed embarrassing discussion he's

668

00:32:33,019 --> 00:32:19,580

got some old videos all but okay

669

00:32:35,120 --> 00:32:33,029

93 collapse be down there a Berber

670

00:32:37,610 --> 00:32:35,130

671

00:32:39,649 --> 00:32:37,620

away is the jdub location I'm going to

674

00:32:52,820 --> 00:32:48,870

give manager is you know and then we

675

00:32:54,950 --> 00:32:52,830

have two very gentle Iranian folks on

676

00:32:56,960 --> 00:32:54,960

that today respond to although I'm

677

00:33:03,160 --> 00:32:56,970

station which room manning the video

678

00:33:08,750 --> 00:33:06,380

Ellen Smith who manages the rule happen

679

00:33:11,720 --> 00:33:08,760

for us there is a gargantuan job right

680

00:33:13,820 --> 00:33:11,730

there and exchanging all kinds of

681

00:33:17,630 --> 00:33:13,830

information would be very strange people

682

00:33:20,300 --> 00:33:17,640

and them are very trying to friend

683

00:33:23,060 --> 00:33:20,310

lieutenant colonel help it by the first

684

00:33:25,160 --> 00:33:23,070

it's always good to see that facial I'm

685

00:33:27,320 --> 00:33:25,170

walking below these techniques I look

686

00:33:37,820 --> 00:33:27,330

around as soon as I see Ali everything

687

00:33:40,310 --> 00:33:37,830

okay Cal sure back it up in charge of

688

00:33:43,190 --> 00:33:40,320

the jera scholarship oh then add the

689

00:33:46,310 --> 00:33:43,200

coolest thoughts yes two important Scott

690

00:33:48,890 --> 00:33:46,320

Scott Morrison is not here yet but he is

691

00:33:52,040 --> 00:33:48,900

a former editor of ami magazine a very

692

00:33:54,530 --> 00:33:52,050

capable supporter 2jf at my effort that

693

00:34:00,740 --> 00:33:54,540

name moved to go in that position many

694

00:34:03,170 --> 00:34:00,750

many moons ago and Stassi volunteer

695

00:34:05,600 --> 00:34:03,180

question you see the dress shirts with

696

00:34:07,850 --> 00:34:05,610

the floral aroma folks ask any of these

697

00:34:10,640 --> 00:34:07,860

folks any question at all they will have

698

00:34:18,100 --> 00:34:10,650

you are the volunteer staff we could do

699

00:34:28,700 --> 00:34:24,649

at last night I was through the compound

700

00:34:32,510 --> 00:34:28,710

the fact that Bob Manchester Sylvia

701
00:34:34,100 --> 00:34:32,520
Browne nemesis is here with us and he's

702
00:34:37,460 --> 00:34:34,110
looking greater than I thought he would

703
00:34:48,839 --> 00:34:37,470
he is making a great recovery so happy

704
00:34:53,799 --> 00:34:51,909
that's not expect over an hour something

705
00:34:56,379 --> 00:34:53,809
in my room privately the one of the

706
00:34:59,559 --> 00:34:56,389
original founders of psych up professor

707
00:35:02,589 --> 00:34:59,569
ray hyman from Oregon Oregon I safe

708
00:35:04,960 --> 00:35:02,599
pardon me Raymond I hadn't seen him in

709
00:35:07,960 --> 00:35:04,970
many many years and he had a log-log

710
00:35:10,120 --> 00:35:07,970
very very productive chat I must say

711
00:35:12,249 --> 00:35:10,130
that was very welcome and we have

712
00:35:14,680 --> 00:35:12,259
volunteer head bear witness to adventure

713
00:35:17,109 --> 00:35:14,690

greed is he he is our grf merchandising

714

00:35:20,170 --> 00:35:17,119

under supervision and of course the

715

00:35:22,390 --> 00:35:20,180

inescapable Carl chum burger again

716

00:35:24,609 --> 00:35:22,400

Hannah member venoth and what town could

717

00:35:31,549 --> 00:35:24,619

be complete without Michael Shermer and

718

00:35:37,170 --> 00:35:35,190

constant clicking wherever you go that

719

00:35:40,020 --> 00:35:37,180

thing he will be talking from stalkers

720

00:35:42,120 --> 00:35:40,030

who has huge miles of Taliban's and I'm

721

00:35:46,710 --> 00:35:42,130

told can't we talk to him to sharing it

722

00:35:48,390 --> 00:35:46,720

00:37:21,040 --> 00:37:17,300

long and hard for 12 months to get this

748

00:37:22,960 --> 00:37:21,050

all together and three days from now it

749

00:37:26,290 --> 00:37:22,970

750

00:37:29,859 --> 00:37:26,300

752

00:37:33,640 --> 00:37:31,400

this continent which is already

753

00:37:36,309 --> 00:37:33,650

oversubscribed cults of those over

754

00:37:44,470 --> 00:37:36,319

subscribe within the first hour of going

755

00:37:48,940 --> 00:37:46,660

haider problem a sort of a welcome

756

00:37:50,740 --> 00:37:48,950

problem of sticky bun is that the

757

00:37:53,380 --> 00:37:50,750

Europeans kept you for trying to squeeze

758

00:37:55,599 --> 00:37:53,390

in whatever they can because they went

759

00:37:57,130 --> 00:37:55,609

up an hour later in Europe and say they

760

00:37:59,020 --> 00:37:57,140

missed out on the first hour when

761

00:38:00,700 --> 00:37:59,030

everything with all the soul about but

762

00:38:03,310 --> 00:38:00,710

we're trying to make accommodations for

763

00:38:09,590 --> 00:38:03,320

them we must be doing something right

764

00:38:15,210 --> 00:38:11,970

please both very very attendance here

765

00:38:18,660 --> 00:38:15,220

766

00:38:20,730 --> 00:38:18,670

agency take the opportunity please of

767

00:38:22,950 --> 00:38:20,740

beating read in person I can't change

768

00:38:24,690 --> 00:38:22,960

the necessary against the rules now

769

00:38:26,640 --> 00:38:24,700

because I've done is called memoization

770

00:38:28,980 --> 00:38:26,650

I want to catch on me I don't know what

771

00:38:30,540 --> 00:38:28,990

you be better that's why I made a

772

00:38:33,390 --> 00:38:30,550

special effort to be here on this event

773

00:38:35,460 --> 00:38:33,400

to share your thoughts we decided that

774

00:38:38,730 --> 00:38:35,470

handshake suppressing that's not a

775

00:38:41,160 --> 00:38:38,740

drivable but forgive me on that concrete

776

00:38:43,470 --> 00:38:41,170

I'm available the next few days there's

777

00:38:45,240 --> 00:38:43,480

always an opportunity to say hello to me

778

00:38:47,460 --> 00:38:45,250

and eat me the course there may be a

779

00:38:49,320 --> 00:38:47,470

section centerbridge waiter who could

780

00:38:54,030 --> 00:38:49,330

get a house from a presentation of our

781

00:38:57,780 --> 00:38:54,040

documentation they're closing three

782

00:39:00,330 --> 00:38:57,790

flavors I love you all but I have my

783

00:39:02,490 --> 00:39:00,340

staff are grateful for your support I'll

784

00:39:14,020 --> 00:39:02,500

785

00:39:19,609 --> 00:39:16,400

government of all ages welcome the

786

00:39:46,190 --> 00:39:19,619

amazingly concerns thank you thank you

787

00:39:51,450 --> 00:39:49,920

the convention was in full swing at the

788

00:39:55,260 --> 00:39:51,460

lunch break I had time to chat with

789

00:39:57,330 --> 00:39:55,270

Morial shut lender now if they're up

790

00:40:00,060 --> 00:39:57,340

there are two things that zone listeners

791

00:40:02,550 --> 00:40:00,070

know very well one is that we love to

792

00:40:05,460 --> 00:40:02,560

normal night and two is we really love

793

00:40:07,650 --> 00:40:05,470

muy boom oriel hi hi and we're doing

794

00:40:09,870 --> 00:40:07,660

both together I'm with Morial and when

795

00:40:11,730 --> 00:40:09,880

roaming we are and it's actually good

796

00:40:13,650 --> 00:40:11,740

numbing food it's good numbing food and

797

00:40:16,620 --> 00:40:13,660

we're in a room with who knows how many

798

00:40:18,630 --> 00:40:16,630

people right over a thousand i think but

799

00:40:22,770 --> 00:40:18,640

isn't this on the two rooms or something

800

00:40:24,720 --> 00:40:22,780

crazy like that hundreds and hundreds of

801
00:40:26,280 --> 00:40:24,730
people all around this old visiting nami

802
00:40:28,500 --> 00:40:26,290
and they're all nomming that's right

803
00:40:31,260 --> 00:40:28,510
it's so good doctor rating where are you

804
00:40:33,420 --> 00:40:31,270
exactly that's you should join us she'd

805
00:40:35,610 --> 00:40:33,430
be teaching everybody how do I can see

806
00:40:38,940 --> 00:40:35,620
that are you enjoying time so far

807
00:40:40,710 --> 00:40:38,950
excellent yeah yes yes it I had the high

808
00:40:42,510 --> 00:40:40,720
expectations and it exceeded them who

809
00:40:44,370 --> 00:40:42,520
said that I'm repeating whoever said

810
00:40:48,210 --> 00:40:44,380
that before because it's absolutely true

811
00:40:50,220 --> 00:40:48,220
yeah and the video is good it is it's

812
00:40:52,080 --> 00:40:50,230
actually great because even though it's

813
00:40:53,910 --> 00:40:52,090

off the strip doesn't matter who cares

814

00:40:55,620 --> 00:40:53,920

nobody goes outside everything

815

00:40:57,780 --> 00:40:55,630

interesting happens inside that's true

816

00:41:00,000 --> 00:40:57,790

yeah that's it that's all you need a

817

00:41:02,400 --> 00:41:00,010

bunch of skeptics and that's it and food

818

00:41:07,440 --> 00:41:02,410

and food exactly numbing rich Mario we

819

00:41:12,820 --> 00:41:10,240

over the next few days I met many people

820

00:41:15,580 --> 00:41:12,830

and interviewed some more great skeptics

821

00:41:19,480 --> 00:41:15,590

including Derek Colin do know from the

822

00:41:21,310 --> 00:41:19,490

skeptic ality podcast and now i'm

823

00:41:23,260 --> 00:41:21,320

speaking with the one and only Derek

824

00:41:25,720 --> 00:41:23,270

Holland you know from skeptic ality hi

825

00:41:27,250 --> 00:41:25,730

Derek that's me hey Doc that's you here

826

00:41:28,840 --> 00:41:27,260

we are sitting in these wonderful

827

00:41:31,120 --> 00:41:28,850

comfortable couches at the end of an

828

00:41:33,880 --> 00:41:31,130

incredibly long corridor whole type

829

00:41:35,860 --> 00:41:33,890

thing here gasps everything it amazing

830

00:41:39,430 --> 00:41:35,870

is the word heaven has your tam going a

831

00:41:41,590 --> 00:41:39,440

big hotel busy busy a job having some

832

00:41:44,980 --> 00:41:41,600

interviews and I've been running around

833

00:41:46,930 --> 00:41:44,990

I had to see more of Tam this year that

834

00:41:49,060 --> 00:41:46,940

i think i ever have though so i have too

835

00:41:51,580 --> 00:41:49,070

plain too much and it's a this year

836

00:41:54,880 --> 00:41:51,590

swoopy come be with us no she got to go

837

00:41:57,130 --> 00:41:54,890

to France I got to Ken I got Tam you got

838

00:42:01,120 --> 00:41:57,140

10 I've seen brands you've been offense

839

00:42:03,160 --> 00:42:01,130

yeah so she had hard she had now the

840

00:42:04,690 --> 00:42:03,170

show's been going very well yes we've

841

00:42:06,520 --> 00:42:04,700

been really enjoying some of the great

842

00:42:08,920 --> 00:42:06,530

interviews skepta Kelly's been scoring

843

00:42:11,580 --> 00:42:08,930

lately yeah well tomorrow pretty much my

844

00:42:15,370 --> 00:42:11,590

entire day as interviews so I've had to

845

00:42:17,170 --> 00:42:15,380

today ya know yesterday and one

846

00:42:18,880 --> 00:42:17,180

yesterday I had one today but tomorrow I

847

00:42:21,940 --> 00:42:18,890

have four much model wall and of course

848

00:42:24,520 --> 00:42:21,950

apart from your work with skeptic ality

849

00:42:27,250 --> 00:42:24,530

you're very very much involved with

850

00:42:29,020 --> 00:42:27,260

Dragon Con yeah I run the skeptic track

851
00:42:31,300 --> 00:42:29,030
a drag on can you give our listeners a

852
00:42:33,040 --> 00:42:31,310
little insight into what that's all

853
00:42:36,670 --> 00:42:33,050
about oh dear dragon con is like an

854
00:42:40,120 --> 00:42:36,680
umbrella that houses about I don't know

855
00:42:42,640 --> 00:42:40,130
we're up like 48 maybe 50 other

856
00:42:45,390 --> 00:42:42,650
conventions that are all full bore

857
00:42:48,640 --> 00:42:45,400
conventions is four-day conference of

858
00:42:50,740 --> 00:42:48,650
about forty-five or fifty conventions

859
00:42:53,620 --> 00:42:50,750
inside of that one you know thing so one

860
00:42:58,000 --> 00:42:53,630
ticket gets you to like 50 conventions

861
00:43:02,920 --> 00:42:58,010
that's spanning from popular TV to move

862
00:43:06,480 --> 00:43:02,930
these two costume sewing to science

863
00:43:09,940 --> 00:43:06,490

space to origami yeah yeah even yeah and

864

00:43:13,180 --> 00:43:09,950

so we added in last year was the first

865

00:43:14,980 --> 00:43:13,190

year of we split off science under two

866

00:43:17,140 --> 00:43:14,990

things so there's science and now

867

00:43:18,190 --> 00:43:17,150

skeptics and I run the skeptic track I

868

00:43:21,339 --> 00:43:18,200

used to run the

869

00:43:23,530 --> 00:43:21,349

podcasting track but every track that

870

00:43:26,470 --> 00:43:23,540

was one director so so he took over the

871

00:43:28,420 --> 00:43:26,480

podcasting and I was there last year for

872

00:43:31,240 --> 00:43:28,430

the skeptic track and it was just

873

00:43:33,670 --> 00:43:31,250

fantastic Oh what an outrageous

874

00:43:35,530 --> 00:43:33,680

successor one we have about double the

875

00:43:37,750 --> 00:43:35,540

space this year same location but you

876

00:43:39,910 --> 00:43:37,760

remember when der tribe chose to show an

877

00:43:41,500 --> 00:43:39,920

open all the rules that's our that's our

878

00:43:43,000 --> 00:43:41,510

whole room it's a whole routine time so

879

00:43:44,410 --> 00:43:43,010

we've got the other area that was used

880

00:43:45,700 --> 00:43:44,420

for gas and then because they shuffle

881

00:43:47,589 --> 00:43:45,710

anything around because they moved the

882

00:43:50,620 --> 00:43:47,599

robotics to the Sheridan's they have a

883

00:43:52,780 --> 00:43:50,630

an arena for their robot bottle battle

884

00:43:55,240 --> 00:43:52,790

thing fantastic well I mean you were

885

00:43:56,770 --> 00:43:55,250

getting standing room only last year oh

886

00:43:58,450 --> 00:43:56,780

yeah I guess there's a couple times

887

00:44:01,359 --> 00:43:58,460

right I ran the damn thing and I

888

00:44:04,089 --> 00:44:01,369

couldn't get in yes yes at one time

889

00:44:05,740 --> 00:44:04,099

during a full plates thing was so

890

00:44:07,720 --> 00:44:05,750

crowded I had to get in because I was

891

00:44:10,180 --> 00:44:07,730

something I had to do yeah and it was so

892

00:44:13,510 --> 00:44:10,190

packed was all people standing up and I

893

00:44:15,339 --> 00:44:13,520

had to crawl on the ground I couldn't

894

00:44:17,910 --> 00:44:15,349

see anybody I couldn't see I could hear

895

00:44:20,680 --> 00:44:17,920

Phil but I had somewhat brown and like

896

00:44:22,960 --> 00:44:20,690

look at the computer and do what I had

897

00:44:24,760 --> 00:44:22,970

to do really that was kind of money but

898

00:44:27,190 --> 00:44:24,770

I really do appreciate your efforts to

899

00:44:28,660 --> 00:44:27,200

because when i was there doing the

900

00:44:30,849 --> 00:44:28,670

launch of this show the skeptic zone

901
00:44:32,710 --> 00:44:30,859
which we launched at dragoncon yes it

902
00:44:35,859 --> 00:44:32,720
was beautifully mike and we were able to

903
00:44:37,690 --> 00:44:35,869
use that later on in the show is oh yeah

904
00:44:39,520 --> 00:44:37,700
okay great am I really I'm like I'm glad

905
00:44:41,410 --> 00:44:39,530
at that happens yeah there's a couple of

906
00:44:43,420 --> 00:44:41,420
times where we had some weird stuff

907
00:44:46,059 --> 00:44:43,430
going on but I'm glad it wasn't for us

908
00:44:47,500 --> 00:44:46,069
it worth gratefully well and and I

909
00:44:49,450 --> 00:44:47,510
couldn't imagine a better place to

910
00:44:51,309 --> 00:44:49,460
launch the skeptic zone I want between G

911
00:44:53,200 --> 00:44:51,319
Dragon Con supplies so when we're there

912
00:44:55,450 --> 00:44:53,210
this year doing it'll be our one year

913
00:44:57,490 --> 00:44:55,460

anniversary so that's really cool yeah

914

00:44:59,620 --> 00:44:57,500

well be a little bit more than that

915

00:45:01,599 --> 00:44:59,630

because we're later this year basis okay

916

00:45:06,250 --> 00:45:01,609

well you know what I mean spiritually

917

00:45:09,550 --> 00:45:06,260

she's basically it's like about a year

918

00:45:12,670 --> 00:45:09,560

and three days close enough yeah well as

919

00:45:14,260 --> 00:45:12,680

I gaze down this hole which goes on for

920

00:45:16,750 --> 00:45:14,270

kilometers and kilometers I can see

921

00:45:18,130 --> 00:45:16,760

there's a queue forming process or going

922

00:45:20,890 --> 00:45:18,140

to the skeptics guide to the universe

923

00:45:22,900 --> 00:45:20,900

dinner yes so we're going in the one

924

00:45:24,760 --> 00:45:22,910

sentence I can say this is Richard

925

00:45:27,400 --> 00:45:24,770

Saunders from the skeptic zone and delic

926

00:45:31,300 --> 00:45:27,410

Derek lair I'm not a Dalek that's a

927

00:45:33,960 --> 00:45:31,310

doctor who so in the one sentence I can

928

00:45:39,400 --> 00:45:37,060

this is going in the outpatient alright

929

00:45:41,200 --> 00:45:39,410

so in the one sentence I can say this is

930

00:45:43,390 --> 00:45:41,210

Richard Saunders from the skeptic zone

931

00:45:45,400 --> 00:45:43,400

with Derek Colin do know from skeptic

932

00:45:47,770 --> 00:45:45,410

ality about to go to the skeptics guide

933

00:45:49,210 --> 00:45:47,780

to the universe inner Wow all these

934

00:45:51,190 --> 00:45:49,220

different skeptic shows we have

935

00:46:01,240 --> 00:45:51,200

different names that they're all pretty

936

00:46:03,730 --> 00:46:01,250

close sometimes I think so thank you one

937

00:46:06,340 --> 00:46:03,740

of the surprises of Tam was the winning

938

00:46:09,790 --> 00:46:06,350

of rebecca watson to Sid Rodriguez live

939

00:46:17,980 --> 00:46:09,800

on stage I caught up with Sid just after

940

00:46:22,330 --> 00:46:17,990

the event freaking of you I'm here now

941

00:46:24,610 --> 00:46:22,340

with Sid Watson Nelson we just saw an

942

00:46:26,560 --> 00:46:24,620

amazing sight here at the amazing

943

00:46:30,070 --> 00:46:26,570

convention thank you took us ages to

944

00:46:31,720 --> 00:46:30,080

plan all of a month and month where we

945

00:46:34,600 --> 00:46:31,730

had a very short timeline I'm sure

946

00:46:36,340 --> 00:46:34,610

together I'm sure I'll listen is there

947

00:46:38,500 --> 00:46:36,350

you just married rebecca watson said

948

00:46:40,930 --> 00:46:38,510

Rodriguez yeah I don't use my real name

949

00:46:43,030 --> 00:46:40,940

enough yes I pretty much sound like a

950

00:46:46,000 --> 00:46:43,040

buildup of darts clip I take her name

951
00:46:49,360 --> 00:46:46,010
but I probably will buy happiness morrow

952
00:46:51,550 --> 00:46:49,370
ya figure that out I'm sure you'll

953
00:46:53,830 --> 00:46:51,560
figure that I would I what was your

954
00:46:57,670 --> 00:46:53,840
surprise for you how much how much about

955
00:46:59,530 --> 00:46:57,680
it did you know I live on it and how

956
00:47:03,130 --> 00:46:59,540
much did everyone else it was around as

957
00:47:06,760 --> 00:47:03,140
I can see we're not exactly I I was sort

958
00:47:08,560 --> 00:47:06,770
of been on the look but 99.99 percent of

959
00:47:10,450 --> 00:47:08,570
people in there not a clue and they were

960
00:47:13,000 --> 00:47:10,460
still thought it was a silly gag until I

961
00:47:16,190 --> 00:47:13,010
think the bridesmaids rushed up on stage

962
00:47:18,839 --> 00:47:16,200
to you put on their job

963
00:47:24,750 --> 00:47:18,849

jackets on he was saying she could just

964

00:47:27,299 --> 00:47:24,760

hear the ho this is for real and then

965

00:47:30,059 --> 00:47:27,309

the family blades of the back and people

966

00:47:31,170 --> 00:47:30,069

starting to click this I think it went

967

00:47:37,710 --> 00:47:31,180

really well and I really don't think

968

00:47:40,230 --> 00:47:37,720

very many people know my many of us

969

00:47:43,319 --> 00:47:40,240

ended up at the skeptic party held about

970

00:47:46,289 --> 00:47:43,329

15 minutes away from the hotel here is a

971

00:47:48,660 --> 00:47:46,299

clip of my trip back from the party

972

00:47:52,440 --> 00:47:48,670

complete with Brian Dunning from the

973

00:47:58,270 --> 00:47:52,450

sceptile podcast somehow he and I ended

974

00:48:04,030 --> 00:48:02,020

I don't know what to say now I think we

975

00:48:11,380 --> 00:48:04,040

976

00:48:14,920 --> 00:48:11,390

it's time for dr. Richie reports with

1010
00:50:21,330 --> 00:50:19,330
dr. Rachel Dunlop hello everyone and

1011
00:50:22,980 --> 00:50:21,340
welcome to dr. Reggie reports I've had a

1012
00:50:24,690 --> 00:50:22,990
short hiatus for the last few weeks

1013
00:50:27,150 --> 00:50:24,700

whilst everyone else has been off having

1014

00:50:28,920 --> 00:50:27,160

fun at tan this week I want to talk to

1015

00:50:30,810 --> 00:50:28,930

you about something i came across at a

1016

00:50:33,870 --> 00:50:30,820

psychic and alternative fair which i

1017

00:50:35,850 --> 00:50:33,880

went to a few weeks ago now this kind of

1018

00:50:37,530 --> 00:50:35,860

fair showcase all manner of woo and

1019

00:50:40,020 --> 00:50:37,540

alternative therapies and I've been to

1020

00:50:42,330 --> 00:50:40,030

quite a few of these now so once you've

1021

00:50:44,640 --> 00:50:42,340

been to a couple you enter prepared to

1022

00:50:47,670 --> 00:50:44,650

experience the usual suspects such as

1023

00:50:50,730 --> 00:50:47,680

psychic readings people selling crystals

1024

00:50:52,860 --> 00:50:50,740

dream catchers and there's often some

1025

00:50:54,390 --> 00:50:52,870

brand new miracle antioxidant drink

1026

00:50:56,550 --> 00:50:54,400

that's only just been discovered by

1027

00:50:58,860 --> 00:50:56,560

white man and it's grown in a red tree

1028

00:51:01,020 --> 00:50:58,870

in the Amazonian jungle but on this

1029

00:51:02,790 --> 00:51:01,030

occasion I came across a therapy which I

1030

00:51:06,270 --> 00:51:02,800

had heard about but didn't know much

1031

00:51:08,850 --> 00:51:06,280

about urine therapy is the topic of this

1032

00:51:10,770 --> 00:51:08,860

week's doctor ecchi reports so in

1033

00:51:12,720 --> 00:51:10,780

alternative medicine the term urine

1034

00:51:16,370 --> 00:51:12,730

therapy which is also known as a gyro

1035

00:51:19,320 --> 00:51:16,380

therapy urine Oh therapy or uropathy

1036

00:51:21,540 --> 00:51:19,330

refers to various applications of human

1037

00:51:24,600 --> 00:51:21,550

urine for medicinal or cosmetic purposes

1038

00:51:28,110 --> 00:51:24,610

and this includes drinking one's urine

1039

00:51:31,230 --> 00:51:28,120

or massaging one's urine into your skin

1040

00:51:33,900 --> 00:51:31,240

and a practitioner of urine therapy is

1041

00:51:36,960 --> 00:51:33,910

sometimes known as a Europe F there are

1042

00:51:38,970 --> 00:51:36,970

two camps in urine therapy described by

1043

00:51:40,980 --> 00:51:38,980

one website promoting the benefits of

1044

00:51:44,010 --> 00:51:40,990

this therapy the groups are described as

1045

00:51:45,280 --> 00:51:44,020

the following there are the ones who say

1046

00:51:47,560 --> 00:51:45,290

urine is your own

1047

00:51:50,950 --> 00:51:47,570

victor medicine and the others who say

1048

00:51:53,350 --> 00:51:50,960

urine is toxic waste the second group

1049

00:51:56,410 --> 00:51:53,360

the ones that say urine is toxic waste

1050

00:51:58,600 --> 00:51:56,420

is the bigger group however according to

1051

00:52:01,630 --> 00:51:58,610

some websites the first group is the

1052

00:52:03,490 --> 00:52:01,640

better educated one who know that urine

1053

00:52:06,160 --> 00:52:03,500

can be considered a wide spectrum

1054

00:52:08,860 --> 00:52:06,170

healing agent not matched by any other

1055

00:52:11,130 --> 00:52:08,870

medication well there you go now

1056

00:52:14,050 --> 00:52:11,140

apparently urine is also a medication

1057

00:52:16,900 --> 00:52:14,060

known amongst believers as a super juice

1058

00:52:18,820 --> 00:52:16,910

against all diseases urine is hailed as

1059

00:52:21,490 --> 00:52:18,830

a miraculous medicine which when

1060

00:52:23,890 --> 00:52:21,500

ingested or applied externally has

1061

00:52:26,230 --> 00:52:23,900

apparently been scientifically tested to

1062

00:52:29,350 --> 00:52:26,240

fight infections allergies and skin

1063

00:52:31,920 --> 00:52:29,360

disorders and other claims for what is

1064

00:52:33,970 --> 00:52:31,930

also known as auto urine therapy

1065

00:52:36,750 --> 00:52:33,980

includes supporting the immune system

1066

00:52:38,860 --> 00:52:36,760

which of course really means nothing

1067

00:52:40,750 --> 00:52:38,870

according to the lady selling urine

1068

00:52:43,900 --> 00:52:40,760

therapy at the psychic festival as well

1069

00:52:45,760 --> 00:52:43,910

as various websites Auto urine therapy

1070

00:52:47,590 --> 00:52:45,770

can also be used in the healing of

1071

00:52:50,260 --> 00:52:47,600

illnesses that are otherwise considered

1072

00:52:53,980 --> 00:52:50,270

incurable and this includes such things

1073

00:52:56,170 --> 00:52:53,990

as cancer and full-blown AIDS this

1074

00:52:59,560 --> 00:52:56,180

apparently occurs by a mechanism

1075

00:53:01,960 --> 00:52:59,570

described as the following quote I

1076
00:53:03,760 --> 00:53:01,970
believe that when information from the

1077
00:53:05,710 --> 00:53:03,770
urine passes through the throat it is

1078
00:53:08,350 --> 00:53:05,720
analyzed by the sensors in the throat

1079
00:53:10,770 --> 00:53:08,360
and that the human immune system can

1080
00:53:13,960 --> 00:53:10,780
then be activated to cure the disease

1081
00:53:15,880 --> 00:53:13,970
that is to say signals are given by the

1082
00:53:19,260 --> 00:53:15,890
brain which may activate the necessary

1083
00:53:21,610 --> 00:53:19,270
functions for curing the ailment unquote

1084
00:53:23,110 --> 00:53:21,620
now the first worrying thing about this

1085
00:53:25,390 --> 00:53:23,120
statement is the claim that one has to

1086
00:53:27,190 --> 00:53:25,400
drink the disease components after they

1087
00:53:29,980 --> 00:53:27,200
have passed through the kidneys in order

1088
00:53:31,390 --> 00:53:29,990

to activate the immune system now surely

1089

00:53:33,790 --> 00:53:31,400

the immune system would have responded

1090

00:53:35,590 --> 00:53:33,800

when the virus or bacteria or parasite

1091

00:53:37,720 --> 00:53:35,600

first came in contact with the

1092

00:53:39,370 --> 00:53:37,730

bloodstream therefore I can see no

1093

00:53:42,430 --> 00:53:39,380

benefit in passing it through the system

1094

00:53:44,500 --> 00:53:42,440

again in the form of urine however

1095

00:53:47,350 --> 00:53:44,510

perhaps this is the key to a belief in

1096

00:53:49,200 --> 00:53:47,360

the way urine therapy works is quite

1097

00:53:52,000 --> 00:53:49,210

appeared on a website i came across

1098

00:53:54,610 --> 00:53:52,010

urine should be taken joyfully and with

1099

00:53:56,800 --> 00:53:54,620

a pleasant mind and with faith at least

1100

00:53:58,779 --> 00:53:56,810

in the therapy which improves the

1101

00:54:01,089 --> 00:53:58,789

chances of healing dramatically

1102

00:54:03,579 --> 00:54:01,099

your mind is much more powerful than you

1103

00:54:06,549 --> 00:54:03,589

think so there we go as long as you

1104

00:54:09,130 --> 00:54:06,559

believe in it it must work the following

1105

00:54:11,640 --> 00:54:09,140

us some stories spruiking the power of

1106

00:54:14,650 --> 00:54:11,650

urine therapy the first one involves

1107

00:54:17,620 --> 00:54:14,660

amputation which was avoided because of

1108

00:54:19,779 --> 00:54:17,630

the use of urine therapy the story goes

1109

00:54:21,900 --> 00:54:19,789

that a farmer's wife squashed the middle

1110

00:54:24,699 --> 00:54:21,910

joint of her index finger in a bone mill

1111

00:54:27,279 --> 00:54:24,709

the skin was lacerated and the joint was

1112

00:54:30,219 --> 00:54:27,289

open during the emergency surgery and

1113

00:54:32,079 --> 00:54:30,229

amputation was planned for later the

1114

00:54:35,019 --> 00:54:32,089

next day she had severe pain and

1115

00:54:36,459 --> 00:54:35,029

swelling of the whole hand the swelling

1116

00:54:39,539 --> 00:54:36,469

went down quickly and the pain was

1117

00:54:42,339 --> 00:54:39,549

reduced by using medicinal leeches the

1118

00:54:45,309 --> 00:54:42,349

ointment application whatever that was

1119

00:54:47,979 --> 00:54:45,319

is not specified was replaced with urine

1120

00:54:50,349 --> 00:54:47,989

and urine soaked dressings were changed

1121

00:54:52,089 --> 00:54:50,359

daily so the change of dressing was

1122

00:54:53,679 --> 00:54:52,099

nearly painless because the dressing

1123

00:54:56,289 --> 00:54:53,689

didn't become clotted or didn't adhere

1124

00:54:57,880 --> 00:54:56,299

to the wound the joint capsule was

1125

00:54:59,999 --> 00:54:57,890

healing gradually and later the skin

1126

00:55:01,959 --> 00:55:00,009

wound also cleared and the

1127

00:55:05,169 --> 00:55:01,969

anti-inflammatory effect of the urine

1128

00:55:08,199 --> 00:55:05,179

was amazing and as a result the index

1129

00:55:10,419 --> 00:55:08,209

finger could be kept next is the story

1130

00:55:13,390 --> 00:55:10,429

of a 30 year old woman who had cancer

1131

00:55:15,579 --> 00:55:13,400

and battled it for many years after she

1132

00:55:17,620 --> 00:55:15,589

was introduced to urine therapy and used

1133

00:55:20,019 --> 00:55:17,630

the perfect medicine in addition to

1134

00:55:23,859 --> 00:55:20,029

other natural treatments her suffering

1135

00:55:25,329 --> 00:55:23,869

ended and she got rid of her cancer she

1136

00:55:27,699 --> 00:55:25,339

won the battle but another battle

1137

00:55:30,069 --> 00:55:27,709

started she did not know what to do with

1138

00:55:31,929 --> 00:55:30,079

her life which was given up already and

1139

00:55:34,209 --> 00:55:31,939

she had to start from scratch and find

1140

00:55:36,609 --> 00:55:34,219

an occupation or work to financially

1141

00:55:38,589 --> 00:55:36,619

support herself she had her life back

1142

00:55:41,349 --> 00:55:38,599

but she had to get used to it what a

1143

00:55:42,969 --> 00:55:41,359

strange feeling next is a testimonial

1144

00:55:45,849 --> 00:55:42,979

from a 50 year old woman who was

1145

00:55:48,189 --> 00:55:45,859

diagnosed with HIV and now says after

1146

00:55:50,709 --> 00:55:48,199

taking urine therapy that her full-blown

1147

00:55:53,679 --> 00:55:50,719

AIDS is healed she says she was

1148

00:55:56,079 --> 00:55:53,689

diagnosed with HIV 10 years ago quote

1149

00:55:58,989 --> 00:55:56,089

about six months after that I started

1150

00:56:01,839 --> 00:55:58,999

taking medication but after about two

1151
00:56:03,729 --> 00:56:01,849
years it stopped working I was a mess I

1152
00:56:06,399 --> 00:56:03,739
had full-blown AIDS and a lot of people

1153
00:56:07,899 --> 00:56:06,409
thought my time was up I have a good

1154
00:56:11,429 --> 00:56:07,909
friend who was going to school to become

1155
00:56:12,790 --> 00:56:11,439
a doctor he told me about urine therapy

1156
00:56:14,740 --> 00:56:12,800
since there

1157
00:56:17,710 --> 00:56:14,750
I have dreamed drinking a third of a cup

1158
00:56:20,590 --> 00:56:17,720
every day last week I was told that my

1159
00:56:22,690 --> 00:56:20,600
AIDS is undetectable I've been taking

1160
00:56:24,070 --> 00:56:22,700
medicine for almost 10 years and nothing

1161
00:56:27,310 --> 00:56:24,080
like this has ever been close to

1162
00:56:29,080 --> 00:56:27,320
happening I know it sounds gross but if

1163
00:56:32,500 --> 00:56:29,090

you want to live I recommend it strongly

1164

00:56:34,990 --> 00:56:32,510

it is a miracle drug no one listened to

1165

00:56:36,850 --> 00:56:35,000

me at first they thought I was crazy but

1166

00:56:38,830 --> 00:56:36,860

now all my friends are doing it it's

1167

00:56:41,080 --> 00:56:38,840

really a small price to pay if you want

1168

00:56:43,840 --> 00:56:41,090

to live I used to take antidepressants

1169

00:56:45,220 --> 00:56:43,850

but I don't need them now the urine

1170

00:56:47,740 --> 00:56:45,230

fixed the part of my brain that was

1171

00:56:50,680 --> 00:56:47,750

making me depressed if you have asthma

1172

00:56:53,050 --> 00:56:50,690

it cures that too it carries just about

1173

00:56:56,410 --> 00:56:53,060

everything I'm so glad that I found out

1174

00:56:59,230 --> 00:56:56,420

about urine therapy and on the topic of

1175

00:57:01,330 --> 00:56:59,240

urine therapy for HIV or AIDS one

1176
00:57:04,540 --> 00:57:01,340
website i came across offers a tincture

1177
00:57:07,240 --> 00:57:04,550
known as aids soul or tablets called a

1178
00:57:11,050 --> 00:57:07,250
cure which they say are effective in

1179
00:57:14,130 --> 00:57:11,060
hiv/aids patients now the website refers

1180
00:57:16,750 --> 00:57:14,140
to this tincture as quote a horrible

1181
00:57:19,330 --> 00:57:16,760
antibacterial product useful in various

1182
00:57:22,630 --> 00:57:19,340
bacterial infections such as the common

1183
00:57:25,480 --> 00:57:22,640
cold bronchitis influenza

1184
00:57:28,270 --> 00:57:25,490
bronchopulmonary infections tonsillitis

1185
00:57:31,180 --> 00:57:28,280
urinary tract infections fever skin

1186
00:57:34,840 --> 00:57:31,190
infections and also helps to cure AIDS

1187
00:57:36,460 --> 00:57:34,850
due to its antibacterial action it's

1188
00:57:38,890 --> 00:57:36,470

funny that they say it's effective in

1189

00:57:42,730 --> 00:57:38,900

treating HIV because of its bacterial

1190

00:57:45,490 --> 00:57:42,740

action when HIV is a virus however I

1191

00:57:47,620 --> 00:57:45,500

digress there is also an accompanying

1192

00:57:49,690 --> 00:57:47,630

youtube channel for this company but it

1193

00:57:53,590 --> 00:57:49,700

is entirely in Hindi with Taiwanese

1194

00:57:55,990 --> 00:57:53,600

subtitles however the byline says that

1195

00:57:58,320 --> 00:57:56,000

patients suffering from hiv/aids have

1196

00:58:00,700 --> 00:57:58,330

benefited from cow urine therapy

1197

00:58:02,710 --> 00:58:00,710

although some proponents of urine

1198

00:58:05,260 --> 00:58:02,720

therapy say you should only use your own

1199

00:58:07,180 --> 00:58:05,270

urine there are other websites that tell

1200

00:58:09,700 --> 00:58:07,190

you you can use cow urine as just

1201
00:58:13,180 --> 00:58:09,710
mentioned but also other types of urine

1202
00:58:15,400 --> 00:58:13,190
including plant urine now plug urine is

1203
00:58:17,530 --> 00:58:15,410
the water that the plant by its root

1204
00:58:21,250 --> 00:58:17,540
system filters and lifts from great

1205
00:58:23,500 --> 00:58:21,260
depths and I quote no external water

1206
00:58:26,710 --> 00:58:23,510
sources or artificially processed water

1207
00:58:28,750 --> 00:58:26,720
is used and this ensures the water

1208
00:58:32,170 --> 00:58:28,760
tains no unfavorable memories of

1209
00:58:34,720 --> 00:58:32,180
artificial processing and this method of

1210
00:58:36,580 --> 00:58:34,730
extracting plant urine is used to

1211
00:58:39,520 --> 00:58:36,590
produce a new generation of flower

1212
00:58:41,950 --> 00:58:39,530
essences or remedies known as the

1213
00:58:44,620 --> 00:58:41,960

steppin offs method after due to steppin

1214

00:58:47,380 --> 00:58:44,630

offs who created the new generation of

1215

00:58:49,210 --> 00:58:47,390

flower remedies traditionally flower

1216

00:58:51,670 --> 00:58:49,220

remedies or essences were made with

1217

00:58:54,160 --> 00:58:51,680

parts from cut flowers or other parts of

1218

00:58:57,070 --> 00:58:54,170

the plant which had been soaked in water

1219

00:58:59,500 --> 00:58:57,080

and solarized but this newly discovered

1220

00:59:02,230 --> 00:58:59,510

method extracts the essence from a live

1221

00:59:03,940 --> 00:59:02,240

plant itself the plant is then left

1222

00:59:07,630 --> 00:59:03,950

unharmd to continue its growth in

1223

00:59:10,359 --> 00:59:07,640

nature fully intact and this apparently

1224

00:59:12,400 --> 00:59:10,369

has a beneficial impact on the plant the

1225

00:59:14,080 --> 00:59:12,410

environment and improves the strength

1226

00:59:16,750 --> 00:59:14,090

and healing quality of the flower

1227

00:59:19,150 --> 00:59:16,760

essence so now we're starting to drift

1228

00:59:21,040 --> 00:59:19,160

into homeopathy territory where it's

1229

00:59:23,530 --> 00:59:21,050

being discussed that the urine might

1230

00:59:26,290 --> 00:59:23,540

maintain a memory the difference being

1231

00:59:28,990 --> 00:59:26,300

in this case the memory is bad whereas

1232

00:59:32,980 --> 00:59:29,000

in homeopathy it is critical to it being

1233

00:59:35,560 --> 00:59:32,990

effective or not the lady I spoke to at

1234

00:59:37,540 --> 00:59:35,570

the psychic and alternative fair advised

1235

00:59:40,180 --> 00:59:37,550

me that the best way to use urine

1236

00:59:42,010 --> 00:59:40,190

therapy is to place four or five drops

1237

00:59:43,599 --> 00:59:42,020

of your own urine under your tongue and

1238

00:59:45,790 --> 00:59:43,609

that will cure just about everything

1239

00:59:48,250 --> 00:59:45,800

whilst I don't recommend that you try

1240

00:59:50,740 --> 00:59:48,260

these listeners if you're willing please

1241

00:59:53,829 --> 00:59:50,750

let me know by emailing me at Rachel at

1242

00:59:56,320 --> 00:59:53,839

1244

01:00:11,399 --> 00:59:59,480

think tank veteran to do one here in Las

1279

01:01:48,800 --> 01:01:46,200

Vegas I to amazing

1280

01:01:50,660 --> 01:01:48,810

1282

01:02:00,319 --> 01:01:57,570

a major writer amazing you I mean ! and

1283

01:02:02,569 --> 01:02:00,329

no I oh yes of course the maybe ah now

1284

01:02:05,480 --> 01:02:02,579

has everybody had a good amazing meeting

1285

01:02:07,010 --> 01:02:05,490

so far yeah these are just the best

1286

01:02:09,020 --> 01:02:07,020

times this is this is seriously it's the

1287

01:02:11,180 --> 01:02:09,030

best three days of the year for me four

1288

01:02:12,410 --> 01:02:11,190

days five days out however long I'm

1289

01:02:14,540 --> 01:02:12,420

still here in one form or another

1290

01:02:17,300 --> 01:02:14,550

afterward effort in the more people

1291

01:02:19,640 --> 01:02:17,310

actually join his hi everyone okay back

1292

01:02:22,010 --> 01:02:19,650

there more Australians actually more

1293

01:02:23,599 --> 01:02:22,020

Australians now I should explain to our

1294

01:02:27,170 --> 01:02:23,609

listeners exactly where we are we're at

1295

01:02:29,300 --> 01:02:27,180

the south point casino and spies and

1296

01:02:33,200 --> 01:02:29,310

caught something like that yes okay

1297

01:02:38,150 --> 01:02:33,210

which is like a mini city almost it's

1298

01:02:41,420 --> 01:02:38,160

got an equestrian reen arena don't call

1299

01:02:43,430 --> 01:02:41,430

me out hauling Ali movie did sorry

1300

01:02:45,140 --> 01:02:43,440

almost impossible it's almost in

1301

01:02:47,000 --> 01:02:45,150

American skip there's a beautiful

1302

01:02:48,859 --> 01:02:47,010

cinemas upstairs which I've got the

1303

01:02:52,099 --> 01:02:48,869

other day yeah yeah yeah and we're

1304

01:02:54,770 --> 01:02:52,109

sitting in one bar of a giant hanger

1305

01:02:56,809 --> 01:02:54,780

type room as room as big as an aircraft

1306

01:02:59,870 --> 01:02:56,819

hang or even bigger full of poker

1307

01:03:01,430 --> 01:02:59,880

machines casino type stuff and over to

1308

01:03:03,859 --> 01:03:01,440

my right here I'm seeing a big wall of

1309

01:03:06,559 --> 01:03:03,869

baseball bedding or something like that

1310

01:03:08,480 --> 01:03:06,569

Bogut's cricket cricket I thought so

1311

01:03:11,120 --> 01:03:08,490

yeah

1312

01:03:14,690 --> 01:03:11,130

a little different and if I further to

1313

01:03:16,280 --> 01:03:14,700

my right we have horse racing and this

1314

01:03:17,780 --> 01:03:16,290

is only one band on the other side of

1315

01:03:19,640 --> 01:03:17,790

the room past the tables there's another

1316

01:03:21,620 --> 01:03:19,650

bar for people who haven't been to Las

1317

01:03:26,240 --> 01:03:21,630

Vegas it's like the world's biggest era

1318

01:03:29,180 --> 01:03:26,250

cell phone and Richard Ely food beer out

1319

01:03:33,410 --> 01:03:29,190

of every disease and just as classy I'm

1320

01:03:35,300 --> 01:03:33,420

not saying it really is it's a great

1321

01:03:36,740 --> 01:03:35,310

venue for the convention though I must

1322

01:03:39,080 --> 01:03:36,750

say because the room we have for the

1323

01:03:41,900 --> 01:03:39,090

meaning the ballroom they call it is

1324

01:03:44,510 --> 01:03:41,910

massive beyond belief and we ride across

1325

01:03:46,460 --> 01:03:44,520

the corridor so it's all there it's

1326

01:03:48,230 --> 01:03:46,470

pretty good and Las Vegas can be pretty

1327

01:03:50,150 --> 01:03:48,240

hit or miss a lot of the hotels are old

1328

01:03:51,560 --> 01:03:50,160

and of course they don't want to make

1329

01:03:53,330 --> 01:03:51,570

you too comfortable in your room they

1330

01:03:54,590 --> 01:03:53,340

want you to come down in gambling casino

1331

01:03:56,270 --> 01:03:54,600

so a lot of the rooms aren't the nicest

1332

01:03:57,980 --> 01:03:56,280

and we're lucky because this place is

1333

01:03:59,750 --> 01:03:57,990

brand new and I told us we're the first

1334

01:04:01,070 --> 01:03:59,760

big convention that they've actually had

1335

01:04:03,590 --> 01:04:01,080

here i'm not sure if that's true but

1336

01:04:05,180 --> 01:04:03,600

that's what they told us so we got like

1337

01:04:08,859 --> 01:04:05,190

new rooms plasma screens very

1338

01:04:12,859 --> 01:04:08,869

comfortable nice beds it's great 75 80

1339

01:04:17,240 --> 01:04:12,869

75 cent hotdogs have you tried 102 you

1340

01:04:18,560 --> 01:04:17,250

had to one thing that I noticed I was

1341

01:04:20,780 --> 01:04:18,570

interesting and said they have a wide

1342

01:04:28,349 --> 01:04:20,790

variety slot machines i saw one over by

1343

01:04:30,310 --> 01:04:28,359

the by the buffet called mr. woo yes

1344

01:04:33,010 --> 01:04:30,320

don't know

1345

01:04:34,720 --> 01:04:33,020

manufacturer last night dinner yeah and

1346

01:04:37,000 --> 01:04:34,730

he was

1347

01:04:40,980 --> 01:04:37,010

very interested in buying that one on

1348

01:04:47,150 --> 01:04:43,099

the auditions

1349

01:04:49,220 --> 01:04:47,160

worrying believe that's a industry I

1350

01:04:51,799 --> 01:04:49,230

know of in Australia making these we

1351

01:04:55,370 --> 01:04:51,809

call them hokies poking poker machines

1352

01:04:56,930 --> 01:04:55,380

pokers not slot machines right now I was

1353

01:04:58,729 --> 01:04:56,940

very interested yesterday and this is a

1354

01:05:00,859 --> 01:04:58,739

situation that we often talk about on

1355

01:05:07,069 --> 01:05:00,869

the think tank it was a great discussion

1356

01:05:09,680 --> 01:05:07,079

about vaccinations and i can't wait now

1357

01:05:11,359 --> 01:05:09,690

to watch it again on the DVD because it

1358

01:05:12,559 --> 01:05:11,369

was saying all sorts of things that

1359

01:05:15,769 --> 01:05:12,569

we've been saying for a long time

1360

01:05:17,059 --> 01:05:15,779

especially in australia or the problems

1361

01:05:20,210 --> 01:05:17,069

that we've been having did it do

1362

01:05:27,049 --> 01:05:20,220

everybody see that i thought i thought

1363

01:05:30,289 --> 01:05:27,059

that was great so what did what what did

1364

01:05:31,849 --> 01:05:30,299

you really get out of it Brian he's

1365

01:05:34,400 --> 01:05:31,859

picking on me because I should I shook

1366

01:05:35,870 --> 01:05:34,410

my head no I have to miss that one I for

1367

01:05:37,549 --> 01:05:35,880

some reason half of my tams are always

1368

01:05:40,309 --> 01:05:37,559

spoiled by meetings and appointments and

1369

01:05:42,710 --> 01:05:40,319

so forth in such on people dragging you

1370

01:05:44,749 --> 01:05:42,720

down the bus to do recorded exactly this

1371

01:05:47,029 --> 01:05:44,759

is prob so so yeah I had to miss that

1372

01:05:48,890 --> 01:05:47,039

one but that's the best thing about town

1373

01:05:51,079 --> 01:05:48,900

though like there are these awesome

1374

01:05:52,609 --> 01:05:51,089

lectures but I think the people

1375

01:05:54,979 --> 01:05:52,619

unique here you know the conversations

1376

01:05:58,459 --> 01:05:54,989

that you have with the different people

1377

01:06:00,440 --> 01:05:58,469

and meeting the activists oh yeah will

1378

01:06:04,309 --> 01:06:00,450

it show up there's something amazing

1379

01:06:06,140 --> 01:06:04,319

going on in every room there really is

1380

01:06:08,420 --> 01:06:06,150

there really is and it is the meeting

1381

01:06:11,329 --> 01:06:08,430

the people it's a networking opportunity

1382

01:06:13,549 --> 01:06:11,339

isn't it oh it's it's really the

1383

01:06:14,900 --> 01:06:13,559

networking opportunity for for people

1384

01:06:16,400 --> 01:06:14,910

who are trying to work together to you

1385

01:06:17,630 --> 01:06:16,410

know put together you know all kinds of

1386

01:06:19,130 --> 01:06:17,640

media projects different people are

1387

01:06:20,599 --> 01:06:19,140

working on and this is really the only

1388

01:06:22,819 --> 01:06:20,609

time everyone gets to see each other

1389

01:06:24,109 --> 01:06:22,829

face to face I mean heck yeah just came

1390

01:06:26,359 --> 01:06:24,119

come from our way around the world I

1391

01:06:28,039 --> 01:06:26,369

mean yeah we don't see each other other

1392

01:06:31,099 --> 01:06:28,049

than this one so you excuse lunch the

1393

01:06:33,140 --> 01:06:31,109

twice either you doing diamond condo yes

1394

01:06:34,700 --> 01:06:33,150

dragoncon can be there what's the next

1395

01:06:37,509 --> 01:06:34,710

one I'll blousy the dragon and

1396

01:06:41,799 --> 01:06:37,519

everyone's coming to Australia

1397

01:06:46,249 --> 01:06:41,809

absolutely 2010 late November in Sydney

1398

01:06:49,569 --> 01:06:46,259

it'll be SGU it'll be lots of people

1399

01:06:51,950 --> 01:06:49,579

have expressed the desire to come

1400

01:06:53,329 --> 01:06:51,960

absolutely now whether that means i

1401

01:06:55,459 --> 01:06:53,339

actually get on the plane or notice a

1402

01:07:01,160 --> 01:06:55,469

different story i think if i start

1403

01:07:05,539 --> 01:07:01,170

swimming now probably get there you just

1404

01:07:07,099 --> 01:07:05,549

wanted your time difference that's what

1405

01:07:08,779 --> 01:07:07,109

is actually known about that is it it

1406

01:07:10,640 --> 01:07:08,789

like it is it in any real stage of

1407

01:07:13,549 --> 01:07:10,650

planning yet I mean this venue is there

1408

01:07:18,259 --> 01:07:13,559

a real date yet please do the real dates

1409

01:07:20,269 --> 01:07:18,269

are the I don't have them on me but it's

1410

01:07:24,109 --> 01:07:20,279

the last week in november around one

1411

01:07:26,329 --> 01:07:24,119

when thanksgiving is either a great

1412

01:07:30,559 --> 01:07:26,339

excuse to avoid family though now you

1413

01:07:32,180 --> 01:07:30,569

are and i think at the moment we're

1414

01:07:34,789 --> 01:07:32,190

looking at the sydney university to be

1415

01:07:37,579 --> 01:07:34,799

the venue which is great like a good

1416

01:07:42,620 --> 01:07:37,589

nice big lecture theatres we can use

1417

01:07:49,849 --> 01:07:42,630

those now who is sydney yeah a long way

1418

01:07:52,489 --> 01:07:49,859

to go he's working on it did you know

1419

01:07:54,380 --> 01:07:52,499

the leg train talking about bad jokes

1420

01:07:58,099 --> 01:07:54,390

did you know that brian dunning actually

1421

01:08:02,930 --> 01:07:58,109

invented the noiseless telephone he won

1422

01:08:12,090 --> 01:08:05,640

it wasn't funny last night when he told

1423

01:08:14,970 --> 01:08:12,100

it here very good yeah I might suit you

1424

01:08:17,370 --> 01:08:14,980

Travis for a moment yes you listen to

1425

01:08:19,380 --> 01:08:17,380

the show yes I do I enjoyed very much i

1426

01:08:20,940 --> 01:08:19,390

know i've been i've been so happy to

1427

01:08:26,280 --> 01:08:20,950

have lots of people come to me and say

1428

01:08:29,519 --> 01:08:26,290

they hi girls hi they listen to the show

1429

01:08:31,260 --> 01:08:29,529

yep what what what do you find

1430

01:08:32,640 --> 01:08:31,270

interesting about it already you get out

1431

01:08:34,650 --> 01:08:32,650

of it which would be different from an

1432

01:08:36,900 --> 01:08:34,660

American podcast I think it's just

1433

01:08:39,539 --> 01:08:36,910

seeing seeing it from a slightly

1434

01:08:41,340 --> 01:08:39,549

different viewpoint I think the one

1435

01:08:43,769 --> 01:08:41,350

thing that I really got from skeptic

1436

01:08:46,769 --> 01:08:43,779

zone and it kind of made me a little

1437

01:08:48,590 --> 01:08:46,779

nuts was it really focused me more

1438

01:08:51,420 --> 01:08:48,600

because you talk about a lot more about

1439

01:08:53,309 --> 01:08:51,430

alternative medicine stuff homeopathy ah

1440

01:08:55,200 --> 01:08:53,319

the an evac stuff and that's just that

1441

01:08:57,680 --> 01:08:55,210

drives me up a wall and I seem to get

1442

01:09:00,170 --> 01:08:57,690

that more from your podcast than I do

1443

01:09:02,780 --> 01:09:00,180

mother once cuz homeopathy doesn't seem

1444

01:09:05,410 --> 01:09:02,790

to be as big in the United States as it

1445

01:09:09,229 --> 01:09:05,420

seems to be down in Australia uh-huh so

1446

01:09:10,939 --> 01:09:09,239

it is yeah it's a pity I mean what's a

1447

01:09:13,070 --> 01:09:10,949

pity it's big anywhere but it does

1448

01:09:16,670 --> 01:09:13,080

happen to be to be big in Australia a

1449

01:09:18,349 --> 01:09:16,680

lot of people kept in inspecting they

1450

01:09:21,400 --> 01:09:18,359

love listening to podcasts on the double

1451

01:09:24,680 --> 01:09:21,410

speed now on their iphones and itouches

1452

01:09:26,150 --> 01:09:24,690

well they should they don't they can't

1453

01:09:31,099 --> 01:09:26,160

listen to us because they can't

1454

01:09:35,630 --> 01:09:31,109

understand us so for all you people to

1455

01:09:38,030 --> 01:09:35,640

do some doubles me home now as he's only

1456

01:09:42,229 --> 01:09:38,040

healthy hi i hope we Josie's listen to

1457

01:09:44,209 --> 01:09:42,239

the show yes oh great so um what some of

1458

01:09:45,410 --> 01:09:44,219

the feedback I get from Australians

1459

01:09:49,550 --> 01:09:45,420

listening to the show is that they're

1460

01:09:51,650 --> 01:09:49,560

happy there's a local podcast yeah it's

1461

01:09:54,019 --> 01:09:51,660

one of the only podcasters there's three

1462

01:09:57,080 --> 01:09:54,029

or four American podcasts that got

1463

01:10:03,350 --> 01:09:57,090

skipped oi skeptic ality see said skip

1464

01:10:05,600 --> 01:10:03,360

toid put the SGU out of fear that that

1465

01:10:08,450 --> 01:10:05,610

are really good but it's really unusual

1466

01:10:10,910 --> 01:10:08,460

actually be here good material coming in

1467

01:10:14,720 --> 01:10:10,920

Australian accent it's very unusual to

1468

01:10:17,090 --> 01:10:14,730

hear that it well it's really not that

1469

01:10:18,709 --> 01:10:17,100

surprising than Australian a video like

1470

01:10:20,330 --> 01:10:18,719

that it's very weird to hear it coming

1471

01:10:21,770 --> 01:10:20,340

into the Australian accent just gets so

1472

01:10:23,600 --> 01:10:21,780

used to you you get very close to the

1473

01:10:24,830 --> 01:10:23,610

podcast being American but you know

1474

01:10:28,710 --> 01:10:24,840

there are more and more Australian

1475

01:10:31,200 --> 01:10:28,720

podcast now along these lines yes

1476

01:10:33,330 --> 01:10:31,210

and saying if there's there's no good

1477

01:10:35,430 --> 01:10:33,340

content available in Australian accent

1478

01:10:39,690 --> 01:10:35,440

that was such a softball set up I'm not

1479

01:10:43,200 --> 01:10:39,700

even gonna go there normal people

1480

01:10:46,710 --> 01:10:43,210

holiday everyone hi more roses yeah yeah

1481

01:10:49,590 --> 01:10:46,720

there you go I enjoying the conference

1482

01:10:51,330 --> 01:10:49,600

having a ball laughing yeah isn't a good

1483

01:10:53,640 --> 01:10:51,340

what today's session was good too i

1484

01:10:57,570 --> 01:10:53,650

really like the last one that they just

1485

01:10:59,670 --> 01:10:57,580

had was the magicians we had a Penn &

1486

01:11:02,070 --> 01:10:59,680

Teller james randi Jamy Ian Swiss and

1487

01:11:04,650 --> 01:11:02,080

ray hyman and DJ Grothe talking about

1488

01:11:05,880 --> 01:11:04,660

the ethics of magic wow that was good

1489

01:11:13,170 --> 01:11:05,890

yeah the nice thing I liked about that

1490

01:11:16,160 --> 01:11:13,180

was Randy didn't pull any punches I your

1491

01:11:19,380 --> 01:11:16,170

tweet about their trusty interval yeah

1492

01:11:21,660 --> 01:11:19,390

yeah yeah I'm not I'm not gonna put this

1493

01:11:23,640 --> 01:11:21,670

an explicit tag on this podcast I'm

1494

01:11:31,220 --> 01:11:23,650

gonna bleep this he was talking about

1495

01:11:35,070 --> 01:11:33,420

everything laughs that was rip that was

1496

01:11:37,380 --> 01:11:35,080

really funny this is your first time

1497

01:11:39,090 --> 01:11:37,390

here yeah you're amazing winning yeah

1498

01:11:42,270 --> 01:11:39,100

it's only my second who's who's a

1499

01:11:46,170 --> 01:11:42,280

veteran of them this is my second I've

1500

01:11:51,040 --> 01:11:46,180

been to 33 Wow and first one girls yeah

1501

01:11:53,419 --> 01:11:51,050

I knew from Brisbane riously

1502

01:11:54,890 --> 01:11:53,429

go on that subject I first heard about

1503

01:11:57,109 --> 01:11:54,900

the amazing meeting when they first

1504

01:11:58,430 --> 01:11:57,119

advertised tam one and I didn't even

1505

01:11:59,569 --> 01:11:58,440

know about the J rep or anything

1506

01:12:02,899 --> 01:11:59,579

somewhere just happened to stumble

1507

01:12:05,209 --> 01:12:02,909

across an ad for it and so for Tam one

1508

01:12:07,250 --> 01:12:05,219

two three and four I called all of my

1509

01:12:09,080 --> 01:12:07,260

friends tried to talk them into going

1510

01:12:11,180 --> 01:12:09,090

with me I say hey this looks cool let's

1511

01:12:12,740 --> 01:12:11,190

go to that nobody would go and so I

1512

01:12:14,390 --> 01:12:12,750

didn't I never made it to any of them

1513

01:12:18,799 --> 01:12:14,400

until finally my wife agreed to go to

1514

01:12:20,569 --> 01:12:18,809

tam 5 wow you wanted to tame you Tim six

1515

01:12:22,580 --> 01:12:20,579

last I would yeah i was at em say yes

1516

01:12:25,250 --> 01:12:22,590

you i remember right happen so yeah

1517

01:12:29,060 --> 01:12:25,260

you're only human I that was my first

1518

01:12:31,459 --> 01:12:29,070

yeah that was and this year how many

1519

01:12:33,319 --> 01:12:31,469

people are thousand seven thousand oh

1520

01:12:34,970 --> 01:12:33,329

seven was overheard yeah but did you see

1521

01:12:36,970 --> 01:12:34,980

how many hearings it enough that was

1522

01:12:39,649 --> 01:12:36,980

only yesterday morning at work yeah

1523

01:12:44,839 --> 01:12:39,659

everyone hi hi Jamie come and say hello

1524

01:12:46,399 --> 01:12:44,849

aren't cumbrian you come here you come

1525

01:12:50,109 --> 01:12:46,409

turn up hi Jamie right and you're from

1527

01:12:57,100 --> 01:12:54,210

Tucson Arizona Tucson Arizona and Jamie

1528

01:12:59,870 --> 01:12:57,110

does some interesting political type

1529

01:13:03,410 --> 01:12:59,880

videos on YouTube and where can people

1530

01:13:07,760 --> 01:13:03,420

find those Jamie Oh racela ra de la

1531

01:13:09,649 --> 01:13:07,770

blogspot com I first discovered your

1532

01:13:10,970 --> 01:13:09,659

your online stuff and I started

1533

01:13:12,439 --> 01:13:10,980

corresponding with the youth hurts we

1534

01:13:16,090 --> 01:13:12,449

have to meet you in person yeah it was

1535

01:13:23,900 --> 01:13:21,140

and iron we met on the amazing adventure

1536

01:13:25,970 --> 01:13:23,910

to north to Alaska well and it was quite

1537

01:13:29,210 --> 01:13:25,980

amazing i'll tell you that was anyone on

1538

01:13:31,520 --> 01:13:29,220

the gluttonous no i was on driven in

1539

01:13:32,600 --> 01:13:31,530

caribbean first amazing adventure that's

1540

01:13:35,870 --> 01:13:32,610

when we were still trying to determine

1541

01:13:37,340 --> 01:13:35,880

halloween it was amazing who's been on

1542

01:13:38,930 --> 01:13:37,350

the trips and anybody else has been on

1543

01:13:41,780 --> 01:13:38,940

that the cruisers or the adventures like

1544

01:13:44,600 --> 01:13:41,790

that no they are fantastic this is it's

1545

01:13:46,460 --> 01:13:44,610

like this except it goes for a week you

1546

01:13:48,830 --> 01:13:46,470

know and in the middle of Asia in the

1547

01:13:52,760 --> 01:13:48,840

middle of the ocean pc speakers cannot

1548

01:13:58,010 --> 01:13:52,770

run away from you and they have nowhere

1549

01:14:02,060 --> 01:13:58,020

to go with the ocean some of them we're

1550

01:14:05,990 --> 01:14:02,070

motivated hey whoa no way oh wow you've

1551

01:14:06,000 --> 01:14:09,129

I don't

1552

01:14:14,629 --> 01:14:13,129

sylvania I'm not sure I where's the

1553

01:14:21,580 --> 01:14:14,639

father's place on the planet from Las

1554

01:14:26,990 --> 01:14:25,640

that's a good answer now Mario let's try

1555

01:14:29,419 --> 01:14:27,000

an experiment here let's try an

1556

01:14:31,490 --> 01:14:29,429

experiment I've got now you've been

1557

01:14:34,040 --> 01:14:31,500

watching me closely I hope you see that

1558

01:14:39,260 --> 01:14:34,050

quite sneekly I've been drinking beer

1559

01:14:43,310 --> 01:14:39,270

now which means my beer bottle is almost

1560

01:14:45,050 --> 01:14:43,320

empty Mario here- almost four so we're

1561

01:14:48,260 --> 01:14:45,060

going to do a little acoustic experiment

1562

01:14:50,540 --> 01:14:48,270

right now I have a pen so then the

1563

01:14:52,580 --> 01:14:50,550

experiment won't involve any cake this

1564

01:14:54,919 --> 01:14:52,590

time no cake in my face last year she'd

1565

01:14:58,189 --> 01:14:54,929

put cake in my face it was quite funny

1566

01:14:59,750 --> 01:14:58,199

I'm really sorry to hear that I'm really

1567

01:15:03,140 --> 01:14:59,760

sorry to be sitting between the two of

1568

01:15:06,800 --> 01:15:03,150

you I'm really sorry audience thank

1569

01:15:09,080 --> 01:15:06,810

brian dunning we'll see you later sorry

1570

01:15:12,430 --> 01:15:09,090

i have to go i'll see you all in white

1571

01:15:15,760 --> 01:15:12,440

november two thousand to thank you

1572

01:15:17,470 --> 01:15:15,770

all right now let's try a little this is

1573

01:15:18,670 --> 01:15:17,480

a very simple experiment but we had to

1574

01:15:21,130 --> 01:15:18,680

come up with something rule you could

1575

01:15:22,840 --> 01:15:21,140

use for audio because last year it was

1576

01:15:24,490 --> 01:15:22,850

very visual and pie in the face and

1577

01:15:25,630 --> 01:15:24,500

everything like that right so we're

1578

01:15:27,850 --> 01:15:25,640

going to do this little experiment than

1579

01:15:30,459 --> 01:15:27,860

mario is going to explain it more later

1580

01:15:32,590 --> 01:15:30,469

on and on her smarter than that type

1581

01:15:34,300 --> 01:15:32,600

stuff and we're talking about why things

1582

01:15:37,209 --> 01:15:34,310

sound differently depending on the

1583

01:15:40,930 --> 01:15:37,219

volume of liquid say inside of oil so

1584

01:15:45,070 --> 01:15:40,940

listeners can you guess is this bottle

1585

01:15:48,370 --> 01:15:45,080

full or empty write your answers on the

1586

01:15:53,890 --> 01:15:48,380

back of a postcard don't worry I'll pick

1587

01:15:56,050 --> 01:15:53,900

up yours all right now the only thing is

1588

01:15:58,300 --> 01:15:56,060

that you kind of Kerry dancer yeah hmm

1589

01:16:01,209 --> 01:15:58,310

let's never mind that's because you

1590

01:16:09,490 --> 01:16:01,219

weren't yours it why God this is mine

1591

01:16:11,800 --> 01:16:09,500

again yours now why why does mine sound

1592

01:16:14,560 --> 01:16:11,810

lower if I'm hitting this and it's full

1593

01:16:17,110 --> 01:16:14,570

of liquid you wouldn't wouldn't the echo

1594

01:16:19,000 --> 01:16:17,120

that the noise i'm making be made lower

1595

01:16:20,620 --> 01:16:19,010

by the fact it's gotta travel from

1596

01:16:22,900 --> 01:16:20,630

liquid and everything else that's going

1597

01:16:25,990 --> 01:16:22,910

on no so what's going on is when we clap

1598

01:16:28,390 --> 01:16:26,000

the glass we make the glass travel a

1599

01:16:30,930 --> 01:16:28,400

little bit but when the bottle is empty

1600

01:16:33,479 --> 01:16:30,940

the entire glass could rattle

1601
01:16:34,920 --> 01:16:33,489
and when it's not when it's full the

1602
01:16:36,420 --> 01:16:34,930
liquid is stopping it and makes it

1603
01:16:40,470 --> 01:16:36,430
making it rattle a little bit less

1604
01:16:43,160 --> 01:16:40,480
quickly yeah so you hear it lower or

1605
01:16:51,070 --> 01:16:43,170
higher but if you do something different

1606
01:16:58,520 --> 01:16:53,840
no the effect was the other way around

1607
01:17:08,330 --> 01:16:58,530
you see yours was slower ah will do so

1608
01:17:10,640 --> 01:17:08,340
do it again will do together there we go

1609
01:17:13,040 --> 01:17:10,650
so now mine is higher than yours is

1610
01:17:15,980 --> 01:17:13,050
lower this is because now we're actually

1611
01:17:17,870 --> 01:17:15,990
making the air move around and make this

1612
01:17:21,410 --> 01:17:17,880
sound not the glass so now there's more

1613
01:17:24,110 --> 01:17:21,420

air like moving around and creating the

1614

01:17:27,230 --> 01:17:24,120

sound and rather than here with the

1615

01:17:29,420 --> 01:17:27,240

bottle is half full there's less air it

1616

01:17:31,310 --> 01:17:29,430

has less time to move around and shake

1617

01:17:33,500 --> 01:17:31,320

the air and create a sound and so this

1618

01:17:36,080 --> 01:17:33,510

one would be higher than this one so you

1619

01:17:37,760 --> 01:17:36,090

get you can get two sounds out of the

1620

01:17:39,650 --> 01:17:37,770

price of one for example you can get a

1621

01:17:44,210 --> 01:17:39,660

high sound from one bottle from the same

1622

01:17:47,990 --> 01:17:44,220

bottle a low sound exactly and the low

1623

01:17:52,100 --> 01:17:48,000

sound if you tap it right yours I'm

1624

01:17:57,280 --> 01:17:52,110

tapping exactly and this will be lower

1625

01:18:02,570 --> 01:18:00,650

isn't science wonderful everybody isn't

1626

01:18:05,760 --> 01:18:02,580

science wonderful when you can use beer

1627

01:18:13,650 --> 01:18:09,330

first there's signs everywhere thank you

1628

01:18:16,590 --> 01:18:13,660

Mario now it was the one thing that

1629

01:18:18,450 --> 01:18:16,600

we're waiting for now is mari el 24 de

1630

01:18:20,360 --> 01:18:18,460

vere order is the Mariota for the beer

1631

01:18:23,400 --> 01:18:20,370

on me know is for the bus announcements

1632

01:18:24,750 --> 01:18:23,410

but we're in the wrong Club they're in

1633

01:18:27,090 --> 01:18:24,760

their own puppet but every now and then

1634

01:18:29,340 --> 01:18:27,100

from the deli just across over there

1635

01:18:32,130 --> 01:18:29,350

behind your shoulder we getting what is

1636

01:18:33,810 --> 01:18:32,140

it so Chanel food announce me Maura

1637

01:18:37,260 --> 01:18:33,820

which sounds better than bus

1638

01:18:39,180 --> 01:18:37,270

insensitivity open so I added the non

1639

01:18:40,350 --> 01:18:39,190

Australians here who has been to

1640

01:18:46,740 --> 01:18:40,360

Australia which Americans have been

1641

01:18:48,990 --> 01:18:46,750

destroyed right moving right along but

1642

01:18:51,270 --> 01:18:49,000

one more thing Richard I just thank all

1643

01:18:53,730 --> 01:18:51,280

the people that wrote to us yeah with

1644

01:18:55,290 --> 01:18:53,740

ideas I'm really great some of them we

1645

01:18:57,900 --> 01:18:55,300

couldn't use some of them are a bit rude

1646

01:19:00,090 --> 01:18:57,910

actually the last year she whacked

1647

01:19:02,070 --> 01:19:00,100

behind my face we said what's another

1648

01:19:03,810 --> 01:19:02,080

idea and people wanted me to do be in

1649

01:19:06,960 --> 01:19:03,820

all sorts of state of undress for other

1650

01:19:09,120 --> 01:19:06,970

access that was so yeah so that the best

1651

01:19:10,800 --> 01:19:09,130

ads the best one to come up with someone

1652

01:19:12,900 --> 01:19:10,810

said please do something with because we

1653

01:19:14,370 --> 01:19:12,910

say we're drinking skeptically so yeah

1654

01:19:16,110 --> 01:19:14,380

that was the simplest one we could come

1655

01:19:17,370 --> 01:19:16,120

up with exactly what something everybody

1656

01:19:19,230 --> 01:19:17,380

can do when they're drinking if you're

1657

01:19:20,220 --> 01:19:19,240

not you know finishing their bottle

1658

01:19:22,380 --> 01:19:20,230

familiar

1659

01:19:24,870 --> 01:19:22,390

I am just wanted I could just imagine

1660

01:19:26,280 --> 01:19:24,880

now thousands of skeptics are listed as

1661

01:19:31,440 --> 01:19:26,290

having their beer saying hey did you

1662

01:19:33,540 --> 01:19:31,450

know that if you well what what a

1663

01:19:35,520 --> 01:19:33,550

fantastic things that's been you know

1664

01:19:40,590 --> 01:19:35,530

what this is the first edition of the

1665

01:19:44,640 --> 01:19:40,600

think tank without dr. a team that was

1666

01:19:46,740 --> 01:19:44,650

that sounded good access so a big hello

1667

01:19:50,070 --> 01:19:46,750

to dr. H you really miss you and we know

1668

01:19:51,600 --> 01:19:50,080

you'll be you'll be in dragoncon of

1669

01:19:52,950 --> 01:19:51,610

course she's coming the dragon condom we

1670

01:19:56,670 --> 01:19:52,960

know she's going to be a town next year

1671

01:19:58,560 --> 01:19:56,680

right oh yeah so I want to thank

1672

01:20:00,390 --> 01:19:58,570

everybody for well I'm surrounded by

1673

01:20:03,510 --> 01:20:00,400

people here everybody for turning up and

1674

01:20:06,870 --> 01:20:03,520

joining us in the very first us the Las

1675

01:20:08,910 --> 01:20:06,880

Vegas type think tank we haven't seen

1676
01:20:11,640 --> 01:20:08,920
Elvis yet but it surely in imminent down

1677
01:20:17,160 --> 01:20:11,650
he was driving a taxi he's driving a

1678
01:20:19,680 --> 01:20:17,170
taxi back and until Nick's here at town

1679
01:20:22,530 --> 01:20:19,690
everybody cheers and thanks for being in

1680
01:20:29,040 --> 01:20:22,540
the think tank cheers and then a low

1681
01:20:33,370 --> 01:20:31,240
Ryan is a tequila

1682
01:20:35,770 --> 01:20:33,380
australia from leading our country all

1683
01:20:38,920 --> 01:20:35,780
the execs they might benefit for the

1684
01:20:41,050 --> 01:20:38,930
first time it's called our tissue marc

1685
01:20:46,150 --> 01:20:41,060
webb's good poll has he wow that's right

1686
01:20:48,190 --> 01:20:46,160
up here tomorrow morning right I heard

1687
01:20:50,020 --> 01:20:48,200
Australia declared at one stage punting

1688
01:21:02,130 --> 01:20:50,030

got a century and you're doing really

1689

01:21:11,920 --> 01:21:10,030

on the back up that's what happened the

1690

01:21:28,940 --> 01:21:11,930

last time we did it in the club where I

1691

01:21:35,760 --> 01:21:32,280

you're listening to the skeptic zone I'm

1692

01:21:38,040 --> 01:21:35,770

Brian Dunning from sceptile calm when

1693

01:21:41,010 --> 01:21:38,050

I'm not tuned into the skeptic zone I'm

1694

01:21:42,810 --> 01:21:41,020

recording thus kept I'd podcast doing

1695

01:21:44,630 --> 01:21:42,820

what I can to further knowledge by

1696

01:21:47,130 --> 01:21:44,640

blasting away the widespread

1697

01:21:49,980 --> 01:21:47,140

pseudo-sciences that infect popular

1698

01:21:52,050 --> 01:21:49,990

culture I've also compiled a 40-minute

1699

01:21:55,290 --> 01:21:52,060

educational video on critical thinking

1700

01:21:59,010 --> 01:21:55,300

called here be dragons at here be

1701
01:22:02,040 --> 01:21:59,020
dragons movie.com I hope you check those

1702
01:22:09,550 --> 01:22:02,050
out and I hope you enjoy the skeptic

1703
01:22:13,720 --> 01:22:11,950
well Stefan I just want to go back to

1704
01:22:15,640 --> 01:22:13,730
Las Vegas now I want to come with you

1705
01:22:17,890 --> 01:22:15,650
this time that was too exciting and I

1706
01:22:19,840 --> 01:22:17,900
feel terrible that I was here without

1707
01:22:21,640 --> 01:22:19,850
without going on well people were when

1708
01:22:23,350 --> 01:22:21,650
they met me they said in where's dr.

1709
01:22:26,140 --> 01:22:23,360
a.cian where's Carly and where step and

1710
01:22:29,290 --> 01:22:26,150
I said I'm sorry I mean that we had a

1711
01:22:31,870 --> 01:22:29,300
amanda rose and ran sagir it was great

1712
01:22:33,310 --> 01:22:31,880
they were there the rest of the scammers

1713
01:22:34,870 --> 01:22:33,320

oh where were they well you'll be happy

1714

01:22:37,870 --> 01:22:34,880

to know that I was actually in sunny

1715

01:22:40,420 --> 01:22:37,880

cans yes I had a little gig up there I

1716

01:22:41,920 --> 01:22:40,430

did a an award ceremony in conference

1717

01:22:44,470 --> 01:22:41,930

for it for a huge franchise he called

1718

01:22:47,920 --> 01:22:44,480

just cuts and their hair cut people yeah

1719

01:22:50,320 --> 01:22:47,930

I go there you do good i think a great

1720

01:22:51,970 --> 01:22:50,330

there and but they paid my way and it

1721

01:22:54,760 --> 01:22:51,980

doesn't five-star hotel i'm gonna be

1722

01:22:57,160 --> 01:22:54,770

four nights and cans so I I know it

1723

01:22:59,800 --> 01:22:57,170

wasn't quite as exciting as being in Las

1724

01:23:01,960 --> 01:22:59,810

Vegas blood cans is pretty nice too but

1725

01:23:04,270 --> 01:23:01,970

well banner just cut just can't

1726

01:23:06,610 --> 01:23:04,280

accelerate very cool yeah oh and one

1727

01:23:09,700 --> 01:23:06,620

thing before we go I don't Richard have

1728

01:23:11,950 --> 01:23:09,710

you heard of the bio disc bio disc why

1729

01:23:15,520 --> 01:23:11,960

they cost they cost about six hundred

1730

01:23:18,970 --> 01:23:15,530

dollars yeah round piece of glass yeah

1731

01:23:21,880 --> 01:23:18,980

and they energize water so you actually

1732

01:23:23,800 --> 01:23:21,890

you turn the tap on and you put the bio

1733

01:23:25,690 --> 01:23:23,810

disc under the under the tap and then

1734

01:23:27,850 --> 01:23:25,700

you let the water flow over the piece of

1735

01:23:30,340 --> 01:23:27,860

glass called the bio disc yeah and into

1736

01:23:33,400 --> 01:23:30,350

the jug and then it actually aligns and

1737

01:23:35,560 --> 01:23:33,410

attunes all the atoms inside the water

1738

01:23:36,880 --> 01:23:35,570

how did you find out on it because a

1739

01:23:41,590 --> 01:23:36,890

friend of mine actually written bought

1740

01:23:43,090 --> 01:23:41,600

10 it's ridiculous and apparently all

1741

01:23:44,500 --> 01:23:43,100

the directors of the company are being

1742

01:23:46,870 --> 01:23:44,510

sued for fraud for all sorts of other

1743

01:23:49,090 --> 01:23:46,880

things but one of the claims that the

1744

01:23:51,430 --> 01:23:49,100

bio disc besides doing everything from

1745

01:23:54,010 --> 01:23:51,440

curing HIV to your curvature of the

1746

01:23:57,250 --> 01:23:54,020

spine to your brain tumors it actually

1747

01:24:00,040 --> 01:23:57,260

makes you drive faster what makes you

1748

01:24:02,170 --> 01:24:00,050

drive makers drive faster and that's a

1749

01:24:04,840 --> 01:24:02,180

claim on there and it's so obvious that

1750

01:24:08,410 --> 01:24:04,850

this thing is the biggest joke scam ever

1751

01:24:09,910 --> 01:24:08,420

that's allegedly allegedly that'll

1752

01:24:12,160 --> 01:24:09,920

probably some people say it's so

1753

01:24:14,230 --> 01:24:12,170

probably obvious that it might be one of

1754

01:24:16,330 --> 01:24:14,240

the biggest scans ever but I check it

1755

01:24:18,400 --> 01:24:16,340

out skeptics are bio disc or just search

1756

01:24:20,439 --> 01:24:18,410

for it it's it's a phenomenal piece of

1757

01:24:22,819 --> 01:24:20,449

glass good heavens

1758

01:24:24,950 --> 01:24:22,829

definite nothing amazes me more in this

1759

01:24:26,569 --> 01:24:24,960

world except for being in the presence

1760

01:24:28,520 --> 01:24:26,579
