I'm Carly Sturgis and I'm talking to

80

00:04:18,909 --> 00:04:17,190

Matthew Baxter Matthew Baxter or just

81

00:04:22,279 --> 00:04:18,919

Baxter as he's referred to as

82

00:04:25,460 --> 00:04:22,289

backgrounds in IT design photo video

83

00:04:27,439 --> 00:04:25,470

editing and paranormal research he's

84

00:04:30,050 --> 00:04:27,449

been actively researching the paranormal

85

00:04:33,650 --> 00:04:30,060

for over 15 years dealing with claims

86

00:04:36,110 --> 00:04:33,660

involving UFOs ghosts demonology fraud

87

00:04:38,600 --> 00:04:36,120

detection psychology and cleansing 'he's

88

00:04:40,279 --> 00:04:38,610

amongst other areas as a member of the

89

00:04:43,640 --> 00:04:40,289

Rocky Mountain Paranormal Research

90

00:04:45,290 --> 00:04:43,650

Society in denver colorado baxter

91

00:04:48,080 --> 00:04:45,300

approaches the research and findings

92

00:04:50,480 --> 00:04:48,090

with a scientific mind first in addition

93

00:04:55,969 --> 00:04:50,490

he is the co-host of the warning radio

94

00:04:58,550 --> 00:04:55,979

show thank you so much for joining me

95

00:05:00,620 --> 00:04:58,560

again baxter because i tried doing this

96

00:05:02,089 --> 00:05:00,630

interview before and i lost it and I

97

00:05:03,980 --> 00:05:02,099

feel awful before I think there's a

98

00:05:06,680 --> 00:05:03,990

gremlin in the system I can certainly

99

00:05:09,430 --> 00:05:06,690

investigate that for you good okay tell

100

00:05:13,339 --> 00:05:09,440

us all about what you investigate well

101  
00:05:16,430 --> 00:05:13,349  
we are a little different than other

102  
00:05:18,670 --> 00:05:16,440  
paranormal teams and by we I mean Rocky

103  
00:05:21,640 --> 00:05:18,680  
Mountain Paranormal Research Society

104  
00:05:24,710 --> 00:05:21,650  
most teams go in with the intention of

105  
00:05:27,620 --> 00:05:24,720  
going to catch that ghost or whatever

106  
00:05:30,379 --> 00:05:27,630  
phenomenon is that they're looking at we

107  
00:05:35,149 --> 00:05:30,389  
tend to investigate the claim rather

108  
00:05:36,439 --> 00:05:35,159  
than you know anything like a ghost you

109  
00:05:38,270 --> 00:05:36,449  
know you can't really go in and

110  
00:05:40,490 --> 00:05:38,280  
investigate a ghost if you don't even

111  
00:05:42,710 --> 00:05:40,500  
know if it actually exists so we

112  
00:05:44,570 --> 00:05:42,720  
investigate what people claim and then

113  
00:05:48,200 --> 00:05:44,580

look at what might have caused them to

114

00:05:51,320 --> 00:05:48,210

make the claim and so that that approach

115

00:05:55,219 --> 00:05:51,330

really helps us with keeping an open

116

00:05:56,540 --> 00:05:55,229

mind about the possibilities now you've

117

00:05:59,180 --> 00:05:56,550

been keeping an open mind for a long

118

00:06:03,200 --> 00:05:59,190

time you told me you've been doing UFO

119

00:06:05,089 --> 00:06:03,210

investigations in particular since 1993

120

00:06:07,459 --> 00:06:05,099

that's when I that's when I really

121

00:06:11,239 --> 00:06:07,469

started with paranormal research and I

122

00:06:13,609 --> 00:06:11,249

did start off with the UFO international

123

00:06:17,599 --> 00:06:13,619

association was the group that I had

124

00:06:19,999 --> 00:06:17,609

originally joined and then I dropped out

125

00:06:21,739 --> 00:06:20,009

of that and started doing the ghost

126

00:06:24,559 --> 00:06:21,749

hunting side of things a little bit more

127

00:06:27,049 --> 00:06:24,569

prominently in late two thousand one

128

00:06:29,059 --> 00:06:27,059

early two thousand two and it was very

129

00:06:30,669 --> 00:06:29,069

shortly after that that I joined Rocky

130

00:06:32,839 --> 00:06:30,679

Mountain Paranormal Research Society

131

00:06:36,049 --> 00:06:32,849

when you're when you're doing something

132

00:06:37,549 --> 00:06:36,059

like researching the paranormal you you

133

00:06:40,189 --> 00:06:37,559

have to be aware that there's a lot of

134

00:06:41,449 --> 00:06:40,199

dangers involved and I'm not talking I'm

135

00:06:43,519 --> 00:06:41,459

well I'm not talking about the kind of

136

00:06:45,649 --> 00:06:43,529

dangers where oh you should surround

137

00:06:47,239 --> 00:06:45,659

yourself with us bubble of white light

138

00:06:50,719 --> 00:06:47,249

and all that kind of stuff I'm talking

139

00:06:53,889 --> 00:06:50,729

about a lot of the places that you're

140

00:06:56,899 --> 00:06:53,899

encouraged to go to investigate our old

141

00:06:59,989 --> 00:06:56,909

properties and there could be a lot of

142

00:07:02,659 --> 00:06:59,999

dangers in just wandering around in

143

00:07:03,649 --> 00:07:02,669

places you probably shouldn't be so

144

00:07:05,269 --> 00:07:03,659

really if you're going to be doing

145

00:07:07,759 --> 00:07:05,279

something like that don't don't do it

146

00:07:11,739 --> 00:07:07,769

alone you know go to investigate the

147

00:07:14,059 --> 00:07:11,749

legend of some old bridge somewhere and

148

00:07:15,859 --> 00:07:14,069

there's just too many things that can

149

00:07:17,179 --> 00:07:15,869

happen I mean you can fall and hurt

150

00:07:20,269 --> 00:07:17,189

yourself and there you are all by

151

00:07:22,429 --> 00:07:20,279

yourself so it's a really good idea to

152

00:07:25,069 --> 00:07:22,439

make sure you join a group and then you

153

00:07:28,609 --> 00:07:25,079

can pool your knowledge and resources

154

00:07:31,759 --> 00:07:28,619

and intuitions and all these different

155

00:07:33,499 --> 00:07:31,769

things and I don't mean intuitions as in

156

00:07:39,679 --> 00:07:33,509

being an intuitive otherwise known as a

157

00:07:41,299 --> 00:07:39,689

psychic but more of your gut feelings

158

00:07:43,549 --> 00:07:41,309

you know if you feel like maybe we ought

159

00:07:45,019 --> 00:07:43,559

to not be here because you know the

160

00:07:47,059 --> 00:07:45,029

police are on their way you know that's

161

00:07:48,289 --> 00:07:47,069

a good intuition to have yeah I read on

162

00:07:51,169 --> 00:07:48,299

your site that you were the one who

163

00:07:55,279 --> 00:07:51,179

owned an EMF detector and it was a big

164

00:07:59,989 --> 00:07:55,289

factor in being a member well before I

165

00:08:01,729 --> 00:07:59,999

had joined my first ghost group I did

166

00:08:04,489 --> 00:08:01,739

feel that I needed to get some some

167

00:08:08,839 --> 00:08:04,499

equipment so I purchased a natural

168

00:08:11,749 --> 00:08:08,849

Trifield natural EMF detector and you

169

00:08:13,850 --> 00:08:11,759

know digital cameras and various things

170

00:08:16,789 --> 00:08:13,860

like that you know the security video

171

00:08:20,769 --> 00:08:16,799

cameras and all that kind of stuff so

172

00:08:25,110 --> 00:08:20,779

when I joined my first group they were

173

00:08:29,430 --> 00:08:25,120

much more of the believer

174

00:08:32,100 --> 00:08:29,440

mindset and they really were at odds

175

00:08:34,829 --> 00:08:32,110

with this other gentleman in town that

176

00:08:37,200 --> 00:08:34,839

was a very large skeptic he ran his own

177

00:08:39,719 --> 00:08:37,210

group and he was a very big skeptic and

178

00:08:44,340 --> 00:08:39,729

he kept throwing out things like Occam's

179

00:08:48,960 --> 00:08:44,350

razor abdom how do I know I know she was

180

00:08:51,750 --> 00:08:48,970

just being a complete bastard and since

181

00:08:54,690 --> 00:08:51,760

i came in with this scientific device

182

00:08:56,640 --> 00:08:54,700

they thought ah he's got a science mind

183

00:08:59,340 --> 00:08:56,650

he'll be perfect to battle against this

184

00:09:02,490 --> 00:08:59,350

evil person and this this evil person

185

00:09:03,690 --> 00:09:02,500

turned out to be Brian Bonner ahead of

186

00:09:08,010 --> 00:09:03,700

the Rocky Mountain Paranormal Research

187

00:09:10,590 --> 00:09:08,020

Society and oddly enough after I kept

188

00:09:15,720 --> 00:09:10,600

debunking the evidence of the team I was

189

00:09:17,940 --> 00:09:15,730

on they kicked me out and so well I went

190

00:09:20,040 --> 00:09:17,950

I went and had a discussion with this

191

00:09:22,110 --> 00:09:20,050

horrible Brian Bonner and found out that

192

00:09:24,840 --> 00:09:22,120

I am every bit as horrible as he is oh

193

00:09:27,810 --> 00:09:24,850

that's good unity in in horribleness I

194

00:09:30,570 --> 00:09:27,820

mean yeah what else likely yeah how did

195

00:09:34,890 --> 00:09:30,580

your paranormal radio show begin well

196

00:09:36,870 --> 00:09:34,900

actually I was at one point watching

197

00:09:41,370 --> 00:09:36,880

this this movie that had just come out

198

00:09:43,740 --> 00:09:41,380

called 1408 Stephen King movie and in

199

00:09:47,220 --> 00:09:43,750

this movie the the main character is a

200

00:09:50,519 --> 00:09:47,230

very skeptical gentleman but he loves to

201  
00:09:54,390 --> 00:09:50,529  
do paranormal investigation and then

202  
00:09:56,519 --> 00:09:54,400  
report back what he finds to a large

203  
00:10:03,210 --> 00:09:56,529  
number of people the books he would

204  
00:10:06,269 --> 00:10:03,220  
write very yes yes so I it just struck

205  
00:10:08,910 --> 00:10:06,279  
me that what we do as a paranormal

206  
00:10:12,570 --> 00:10:08,920  
research team is different than what

207  
00:10:15,030 --> 00:10:12,580  
everybody else is doing so I decided at

208  
00:10:16,680 --> 00:10:15,040  
that moment that we needed to start an

209  
00:10:19,320 --> 00:10:16,690  
internet radio show so we could actually

210  
00:10:21,780 --> 00:10:19,330  
let people know what it is we do what

211  
00:10:23,699 --> 00:10:21,790  
our viewpoints are and maybe educate

212  
00:10:27,090 --> 00:10:23,709  
them on some of the mistakes they're

213  
00:10:30,240 --> 00:10:27,100

making and it was originally focused for

214

00:10:33,150 --> 00:10:30,250

the rest of the paranormal community you

215

00:10:35,190 --> 00:10:33,160

know is try to to bring some of them in

216

00:10:37,740 --> 00:10:35,200

and educate them as to some of the

217

00:10:39,509 --> 00:10:37,750

mistakes they were making it turned out

218

00:10:42,400 --> 00:10:39,519

that over time

219

00:10:46,359 --> 00:10:42,410

we had had some guests on such as James

220

00:10:51,249 --> 00:10:46,369

Randi and and James under down and DJ

221

00:10:53,650 --> 00:10:51,259

Grothe along with Lloyd arbok who is a

222

00:10:55,359 --> 00:10:53,660

big paranormal investigator here and

223

00:10:58,660 --> 00:10:55,369

several others and we really began to

224

00:11:01,059 --> 00:10:58,670

realize that we enjoyed talking to the

225

00:11:04,780 --> 00:11:01,069

skeptics far more than we did the

226

00:11:07,389 --> 00:11:04,790

paranormal believers and in fact we

227

00:11:10,239 --> 00:11:07,399

would have most of our hair pulled out

228

00:11:13,210 --> 00:11:10,249

at the end of the paranormal believer

229

00:11:15,460 --> 00:11:13,220

interviews and we would find ourselves

230

00:11:17,710 --> 00:11:15,470

overjoyed it in great moods after we had

231

00:11:21,869 --> 00:11:17,720

interviewed skeptics so needless to say

232

00:11:24,669 --> 00:11:21,879

we don't interview the believers anymore

233

00:11:27,309 --> 00:11:24,679

we we try to reach out to them and talk

234

00:11:29,470 --> 00:11:27,319

to them and and do as much you know

235

00:11:32,710 --> 00:11:29,480

community outreach and grassroots type

236

00:11:35,019 --> 00:11:32,720

education as we can but we tend to

237

00:11:36,910 --> 00:11:35,029

interview people that we like now

238

00:11:38,169 --> 00:11:36,920

because you know it's our show we're not

239

00:11:39,730 --> 00:11:38,179

getting paid for it so we're going to

240

00:11:41,439 --> 00:11:39,740

make sure we have fun it's a nice

241

00:11:43,720 --> 00:11:41,449

challenge to the grumpy skeptic

242

00:11:46,509 --> 00:11:43,730

stereotyped as well by having a fun show

243

00:11:48,419 --> 00:11:46,519

that talks to skeptics isn't yes yes

244

00:11:51,720 --> 00:11:48,429

because it is such a prevalent

245

00:11:56,650 --> 00:11:51,730

stereotype and I think that stereotype

246

00:11:59,530 --> 00:11:56,660

was started by both James Randi and Joe

247

00:12:02,199 --> 00:11:59,540

Nickell but not it wasn't their fault

248

00:12:04,269 --> 00:12:02,209

yeah it was that's how the the

249

00:12:07,799 --> 00:12:04,279

documentaries that featured them would

250

00:12:10,059 --> 00:12:07,809

betray them they would always be and

251

00:12:11,799 --> 00:12:10,069

this is a phrase that you're very

252

00:12:16,119 --> 00:12:11,809

familiar with they were always the token

253

00:12:18,850 --> 00:12:16,129

skeptic and they would have certain no

254

00:12:20,949 --> 00:12:18,860

time to speak so you know there would be

255

00:12:24,329 --> 00:12:20,959

these tales of all these wonderful

256

00:12:29,379 --> 00:12:24,339

paranormal happenings and it was such a

257

00:12:31,660 --> 00:12:29,389

an intriguing sort of story and then you

258

00:12:33,579 --> 00:12:31,670

would have the skeptic going no he's not

259

00:12:34,900 --> 00:12:33,589

real and then that's it the rest would

260

00:12:38,319 --> 00:12:34,910

be on the cutting room floor from the

261

00:12:39,699 --> 00:12:38,329

skeptic so they it really did start to

262

00:12:42,759 --> 00:12:39,709

be that that's what they are they're

263

00:12:44,889 --> 00:12:42,769

grumpy old men and and it's too bad i

264

00:12:46,480 --> 00:12:44,899

mean i've met both james randi and joe

265

00:12:50,259 --> 00:12:46,490

nickell and they're both fantastic

266

00:12:52,539 --> 00:12:50,269

people very funny and and full of life

267

00:12:52,840 --> 00:12:52,549

and they're just great to be around and

268

00:12:54,490 --> 00:12:52,850

I think

269

00:12:56,290 --> 00:12:54,500

it's a shame that that stereotype is so

270

00:12:58,300 --> 00:12:56,300

prevalent yeah I had the chance to hang

271

00:13:00,579 --> 00:12:58,310

around Joe Nickell when I was at Dragon

272

00:13:04,569 --> 00:13:00,589

Con last and he is full of fabulous

273

00:13:06,699 --> 00:13:04,579

stories he's real edgy yes is the Rocky

274

00:13:08,949 --> 00:13:06,709

Mountain Paranormal Research Society is

275

00:13:10,990 --> 00:13:08,959

one really proactive group because

276  
00:13:13,300 --> 00:13:11,000  
you're even creating videos that you put

277  
00:13:17,350 --> 00:13:13,310  
online in challenge of certain people's

278  
00:13:20,680 --> 00:13:17,360  
claims can you tell us about that well I

279  
00:13:23,079 --> 00:13:20,690  
would say the the first real video that

280  
00:13:27,189 --> 00:13:23,089  
we put out was the alien in the window

281  
00:13:30,460 --> 00:13:27,199  
video which yeah it gained worldwide

282  
00:13:33,400 --> 00:13:30,470  
fame in a very short amount of time in

283  
00:13:36,400 --> 00:13:33,410  
fact the the server that's hosting our

284  
00:13:39,730 --> 00:13:36,410  
website is a very large company and the

285  
00:13:42,960 --> 00:13:39,740  
night that we put it up the following

286  
00:13:45,460 --> 00:13:42,970  
night I was on Larry King Live and

287  
00:13:49,269 --> 00:13:45,470  
everybody started hitting that video and

288  
00:13:52,480 --> 00:13:49,279

needless to say the site was was knocked

289

00:13:55,660 --> 00:13:52,490

down because of the over million hits we

290

00:13:57,280 --> 00:13:55,670

received that night and it was it was

291

00:14:00,150 --> 00:13:57,290

crazy but what had happened is there was

292

00:14:03,579 --> 00:14:00,160

a gentleman by the name of stan romanek

293

00:14:07,150 --> 00:14:03,589

who we had been following for probably

294

00:14:09,910 --> 00:14:07,160

six years at that point and he claims to

295

00:14:13,230 --> 00:14:09,920

have the most documented abductions

296

00:14:15,490 --> 00:14:13,240

alien abduction story ever in history

297

00:14:18,280 --> 00:14:15,500

apparently he didn't know too much about

298

00:14:20,650 --> 00:14:18,290

billy meier because I think Billy Meyer

299

00:14:22,389 --> 00:14:20,660

has actually the most documented story

300

00:14:25,540 --> 00:14:22,399

that's already been debunked several

301  
00:14:28,090 --> 00:14:25,550  
times but stan romanek you know seemed

302  
00:14:30,249 --> 00:14:28,100  
fairly harmless to us i mean we watched

303  
00:14:31,689 --> 00:14:30,259  
him and he was a complete fraud we knew

304  
00:14:33,939 --> 00:14:31,699  
what he was doing we would attend his

305  
00:14:36,579 --> 00:14:33,949  
lectures and be able to see right

306  
00:14:39,460 --> 00:14:36,589  
through the Sham but the only people he

307  
00:14:42,040 --> 00:14:39,470  
was talking to were just other people in

308  
00:14:44,620 --> 00:14:42,050  
the UFO community that were already

309  
00:14:46,870 --> 00:14:44,630  
believers they were already conspiracy

310  
00:14:49,030 --> 00:14:46,880  
theorists and the government's are all

311  
00:14:51,999 --> 00:14:49,040  
horrible and hiding the truth from us

312  
00:14:54,189 --> 00:14:52,009  
and and all the typical stuff so there's

313  
00:14:57,189 --> 00:14:54,199

really no reason to take him down at

314

00:14:58,840 --> 00:14:57,199

that point because he stayed within his

315

00:15:02,019 --> 00:14:58,850

own and they weren't going to be

316

00:15:04,269 --> 00:15:02,029

convinced any way by us so we just kind

317

00:15:06,610 --> 00:15:04,279

of sat on it and watched him well one

318

00:15:08,620 --> 00:15:06,620

day he gets someone at

319

00:15:10,930 --> 00:15:08,630

in his lecture that gets quite

320

00:15:13,300 --> 00:15:10,940

frightened by the fake video of an alien

321

00:15:16,480 --> 00:15:13,310

looking in the window and he decides

322

00:15:20,680 --> 00:15:16,490

that he's going to create an ET Affairs

323

00:15:22,330 --> 00:15:20,690

Commission in denver colorado so he gets

324

00:15:26,220 --> 00:15:22,340

it he tries to get it put on the ballot

325

00:15:29,440 --> 00:15:26,230

and he's going to make a big press

326

00:15:32,530 --> 00:15:29,450

announcement and the press can come and

327

00:15:36,780 --> 00:15:32,540

watch this video and its definitive

328

00:15:39,730 --> 00:15:36,790

proof it is the smoking gun to show that

329

00:15:42,070 --> 00:15:39,740

aliens are here among us and this is why

330

00:15:44,800 --> 00:15:42,080

we need this commission so on the night

331

00:15:47,470 --> 00:15:44,810

before he's going to do this it becomes

332

00:15:50,380 --> 00:15:47,480

big news we hear about it and we hear

333

00:15:53,770 --> 00:15:50,390

that this video cannot be faked because

334

00:15:58,840 --> 00:15:53,780

it is it's so perfect and organic

335

00:16:01,330 --> 00:15:58,850

looking and it would take a \$50,000 to

336

00:16:03,310 --> 00:16:01,340

fake this and so what we did is we

337

00:16:05,050 --> 00:16:03,320

immediately knew which video he was

338

00:16:06,340 --> 00:16:05,060

talking about you know he was trying to

339

00:16:08,050 --> 00:16:06,350

be very tight-lipped about everything

340

00:16:10,420 --> 00:16:08,060

but we knew exactly what he was talking

341

00:16:15,730 --> 00:16:10,430

about so we went out we rented a an

342

00:16:17,080 --> 00:16:15,740

alien from a costume shop and we put the

343

00:16:18,880 --> 00:16:17,090

whole thing together including the

344

00:16:21,850 --> 00:16:18,890

website we replicated several other

345

00:16:24,520 --> 00:16:21,860

pieces of stan romanek sevens several

346

00:16:26,800 --> 00:16:24,530

other videos he's got and we did it all

347

00:16:28,930 --> 00:16:26,810

in one night for \$90 and that's

348

00:16:30,600 --> 00:16:28,940

including the cost of the domain name

349

00:16:33,130 --> 00:16:30,610

that's the alien rental that's

350

00:16:36,190 --> 00:16:33,140

everything even though fee for everyone

351

00:16:39,070 --> 00:16:36,200

after it's all done exactly exactly it

352

00:16:41,320 --> 00:16:39,080

was just that was it and I said by the

353

00:16:43,600 --> 00:16:41,330

next day was it was huge news when you

354

00:16:46,480 --> 00:16:43,610

compare the two videos side by side ours

355

00:16:47,830 --> 00:16:46,490

is actually far superior to his and

356

00:16:50,230 --> 00:16:47,840

that's the important thing you got to

357

00:16:52,590 --> 00:16:50,240

show them how to do it yeah exactly if

358

00:16:55,030 --> 00:16:52,600

you want to fake something come to us

359

00:16:56,590 --> 00:16:55,040

now there's the serious side of this

360

00:16:58,960 --> 00:16:56,600

because you've mentioned that this has

361

00:17:02,050 --> 00:16:58,970

created fear and worry amongst members

362

00:17:03,850 --> 00:17:02,060

of the public and since that time you've

363

00:17:06,310 --> 00:17:03,860

had a little bit more worried in regards

364

00:17:09,070 --> 00:17:06,320

to how politics and UFO belief have

365

00:17:11,920 --> 00:17:09,080

crossed over how serious is it getting

366

00:17:15,640 --> 00:17:11,930

over there in Denver well it is a pretty

367

00:17:20,579 --> 00:17:15,650

serious thing for all of the paranormal

368

00:17:22,649 --> 00:17:20,589

in general people tend to be so ready

369

00:17:26,220 --> 00:17:22,659

to leap to a paranormal explanation

370

00:17:30,480 --> 00:17:26,230

because of the the amount of it that's

371

00:17:33,870 --> 00:17:30,490

on TV it's being accepted as fact you

372

00:17:37,049 --> 00:17:33,880

see the a bug crawl across to security

373

00:17:41,430 --> 00:17:37,059

camera and it's a ghost and it's been

374

00:17:46,080 --> 00:17:41,440

shown as news on CNN you've got you know

375

00:17:51,510 --> 00:17:46,090

there some backwoods idiots in Georgia

376

00:17:53,850 --> 00:17:51,520

that basically shove a gorilla costume

377

00:17:56,909 --> 00:17:53,860

in a cooler and say that they've got a

378

00:17:59,850 --> 00:17:56,919

decaying carcass of Bigfoot and it's

379

00:18:02,250 --> 00:17:59,860

news nobody's trying to debunk it of

380

00:18:03,269 --> 00:18:02,260

these these journalists none of them are

381

00:18:05,070 --> 00:18:03,279

trying to debunk it they're just

382

00:18:08,070 --> 00:18:05,080

presenting this is news a Bigfoot has

383

00:18:12,180 --> 00:18:08,080

been found and then we have the ranchers

384

00:18:14,399 --> 00:18:12,190

that get the mutilated cattle and it's

385

00:18:18,240 --> 00:18:14,409

like the aliens are here you know the

386

00:18:21,120 --> 00:18:18,250

only expert they got was a UFO believer

387

00:18:24,659 --> 00:18:21,130

that said well this cattle mutilation

388

00:18:27,090 --> 00:18:24,669

could not have been a human and it

389

00:18:30,659 --> 00:18:27,100

couldn't have been a predator the only

390

00:18:32,639 --> 00:18:30,669

thing that's left is aliens that's why

391

00:18:34,919 --> 00:18:32,649

that paranormal research group becomes

392

00:18:37,649 --> 00:18:34,929

more and more important as a opportunity

393

00:18:39,450 --> 00:18:37,659

to the media to contact absolutely i

394

00:18:42,810 --> 00:18:39,460

mean because what kind of an asinine

395

00:18:46,529 --> 00:18:42,820

statement is that you've got three

396

00:18:48,810 --> 00:18:46,539

choices humans predators and aliens and

397

00:18:50,370 --> 00:18:48,820

simply because he says so it couldn't

398

00:18:53,220 --> 00:18:50,380

get first two although there are many

399

00:18:54,570 --> 00:18:53,230

other possibilities so it's really

400

00:18:57,139 --> 00:18:54,580

disappointing to see how the media is

401  
00:19:00,899 --> 00:18:57,149  
handling this they're they're just

402  
00:19:03,990 --> 00:19:00,909  
looking for sensationalism so the people

403  
00:19:05,460 --> 00:19:04,000  
are really on edge you know they're

404  
00:19:08,490 --> 00:19:05,470  
they're believing what they're seeing on

405  
00:19:11,610 --> 00:19:08,500  
TV we get phone calls in the middle of

406  
00:19:14,610 --> 00:19:11,620  
the night because the demon that is

407  
00:19:17,070 --> 00:19:14,620  
chasing around Ryan on paranora ya

408  
00:19:19,049 --> 00:19:17,080  
paranormal state is now in their house

409  
00:19:20,610 --> 00:19:19,059  
tormenting them because they just

410  
00:19:22,230 --> 00:19:20,620  
watched an episode of paranormal state

411  
00:19:25,830 --> 00:19:22,240  
and they know that that demon is in

412  
00:19:28,080 --> 00:19:25,840  
their house too and then you've got the

413  
00:19:30,149 --> 00:19:28,090

huge number of paranormal teams that are

414

00:19:31,649 --> 00:19:30,159

being spawned from this when Rocky

415

00:19:34,290 --> 00:19:31,659

Mountain paranormal was started there

416

00:19:35,940 --> 00:19:34,300

were three teams in the Denver area

417

00:19:39,870 --> 00:19:35,950

there are now well over a hundred and

418

00:19:41,820 --> 00:19:39,880

forty and they are running around yeah

419

00:19:43,560 --> 00:19:41,830

they're running around terrifying people

420

00:19:45,540 --> 00:19:43,570

we get the phone call at three in the

421

00:19:47,580 --> 00:19:45,550

morning we're so sorry we didn't call

422

00:19:50,280 --> 00:19:47,590

you first this other team was in our

423

00:19:52,170 --> 00:19:50,290

house and they say we have demons and

424

00:19:55,380 --> 00:19:52,180

and then they just left we don't know

425

00:19:58,710 --> 00:19:55,390

what to do so we're running around

426  
00:20:02,400 --> 00:19:58,720  
putting out fires and it's it's really

427  
00:20:05,550 --> 00:20:02,410  
sad to watch this happen but we're

428  
00:20:09,800 --> 00:20:05,560  
working hard to educate the public we do

429  
00:20:13,260 --> 00:20:09,810  
a lot of lectures for school kids

430  
00:20:15,450 --> 00:20:13,270  
teachers are smart enough to bring us

431  
00:20:16,710 --> 00:20:15,460  
into give lectures about it and to

432  
00:20:19,320 --> 00:20:16,720  
understand that what they're seeing on

433  
00:20:20,730 --> 00:20:19,330  
TV is not necessarily real and maybe

434  
00:20:24,090 --> 00:20:20,740  
they ought to think twice about what

435  
00:20:27,570 --> 00:20:24,100  
they see and what they're told and it's

436  
00:20:29,880 --> 00:20:27,580  
we do see it having an impact so we're

437  
00:20:32,640 --> 00:20:29,890  
very happy about that I can see a lot of

438  
00:20:35,910 --> 00:20:32,650

organization in this and obviously a lot

439

00:20:38,340 --> 00:20:35,920

of community outreach and planning in

440

00:20:40,950 --> 00:20:38,350

order to make yourselves these sorts of

441

00:20:45,180 --> 00:20:40,960

people who can be contacted how easy is

442

00:20:48,090 --> 00:20:45,190

it to become contacted by the media the

443

00:20:50,160 --> 00:20:48,100

media really well first they love to

444

00:20:53,910 --> 00:20:50,170

contact us when it gets around Halloween

445

00:20:57,510 --> 00:20:53,920

and I know that Halloween isn't as big

446

00:20:59,670 --> 00:20:57,520

and Australia but it is ridiculous here

447

00:21:02,730 --> 00:20:59,680

in America it's a big money earner isn't

448

00:21:05,640 --> 00:21:02,740

it first off oh very much yes very much

449

00:21:07,200 --> 00:21:05,650

so it has become the opportunity for

450

00:21:12,270 --> 00:21:07,210

adults to really behave like children

451

00:21:14,850 --> 00:21:12,280

and which is great I love the idea of

452

00:21:18,030 --> 00:21:14,860

that and Halloween always used to be my

453

00:21:20,190 --> 00:21:18,040

favorite holiday because I got to behave

454

00:21:22,940 --> 00:21:20,200

as much like a child as I possibly could

455

00:21:26,520 --> 00:21:22,950

and now that I'm a paranormal researcher

456

00:21:28,800 --> 00:21:26,530

I don't get to do that anymore I would

457

00:21:31,620 --> 00:21:28,810

say for the entire month of October and

458

00:21:35,550 --> 00:21:31,630

most of November we are working

459

00:21:39,150 --> 00:21:35,560

constantly doing media appearances and

460

00:21:41,370 --> 00:21:39,160

trying to put a stop to a lot of what's

461

00:21:44,970 --> 00:21:41,380

going on and the media loves us around

462

00:21:47,880 --> 00:21:44,980

this time of year so we really we do get

463

00:21:50,700 --> 00:21:47,890

contacted quite a bit more

464

00:21:52,710 --> 00:21:50,710

than we used to so we're we're on we're

465

00:21:54,720 --> 00:21:52,720

on TV quite a bit what sort of things

466

00:21:56,940 --> 00:21:54,730

can make you stand out and you would

467

00:21:59,940 --> 00:21:56,950

suggest to others might consider well

468

00:22:02,520 --> 00:21:59,950

one thing that that may be a first will

469

00:22:04,230 --> 00:22:02,530

seem counterintuitive but one of the

470

00:22:07,380 --> 00:22:04,240

things we do is we make darn sure

471

00:22:12,360 --> 00:22:07,390

everybody knows that there are no

472

00:22:14,850 --> 00:22:12,370

experts and that's that's us included

473

00:22:18,120 --> 00:22:14,860

there are absolutely no experts but what

474

00:22:22,140 --> 00:22:18,130

they do need to do is stop don't listen

475

00:22:24,570 --> 00:22:22,150

to what anybody is saying of and just

476

00:22:27,420 --> 00:22:24,580

take it on blind faith well what they

477

00:22:28,980 --> 00:22:27,430

need to do is stop and think about it

478

00:22:31,680 --> 00:22:28,990

twice think about what other

479

00:22:33,870 --> 00:22:31,690

possibilities there are we try to show

480

00:22:38,130 --> 00:22:33,880

them that there's sort of a graph in

481

00:22:41,280 --> 00:22:38,140

front of them and what they have what

482

00:22:44,760 --> 00:22:41,290

the graph represents is say a paranormal

483

00:22:48,780 --> 00:22:44,770

claim now on on the right side of this

484

00:22:51,960 --> 00:22:48,790

graph is the most obvious solution it is

485

00:22:55,130 --> 00:22:51,970

Occam's razor it's the simplest solution

486

00:22:58,440 --> 00:22:55,140

on the left side of the graft graph is

487

00:23:00,750 --> 00:22:58,450

the paranormal explanation and there's

488

00:23:03,930 --> 00:23:00,760

tick marks all the way down it you you

489

00:23:06,060 --> 00:23:03,940

cannot jump to the paranormal

490

00:23:08,790 --> 00:23:06,070

explanation you have to start down at

491

00:23:10,920 --> 00:23:08,800

the simple end and eliminate the

492

00:23:13,080 --> 00:23:10,930

possibilities and when you cannot

493

00:23:16,080 --> 00:23:13,090

eliminate a possibility that's where you

494

00:23:17,880 --> 00:23:16,090

stop you do not just automatically jump

495

00:23:20,250 --> 00:23:17,890

all the possibilities and choose

496

00:23:22,230 --> 00:23:20,260

paranormal for the explanation and this

497

00:23:25,410 --> 00:23:22,240

is the the route that most people are

498

00:23:28,230 --> 00:23:25,420

not going you have to the paranormal can

499

00:23:31,020 --> 00:23:28,240

only be the explanation when everything

500

00:23:34,080 --> 00:23:31,030

else has been eliminated then all you're

501  
00:23:35,820 --> 00:23:34,090  
left with is that as a solution or an

502  
00:23:37,140 --> 00:23:35,830  
explanation but nobody's doing that

503  
00:23:40,200 --> 00:23:37,150  
they're just jumping right to the

504  
00:23:41,640 --> 00:23:40,210  
paranormal explanation so that's that's

505  
00:23:45,480 --> 00:23:41,650  
one of the things we really try to teach

506  
00:23:48,630 --> 00:23:45,490  
people in terms of our expertise we have

507  
00:23:53,640 --> 00:23:48,640  
all sorts of different things in our

508  
00:23:57,380 --> 00:23:53,650  
backgrounds I am a computer expert and

509  
00:24:01,620 --> 00:23:57,390  
both hardware and software I'm also

510  
00:24:05,690 --> 00:24:01,630  
audio engineer and producer

511  
00:24:09,930 --> 00:24:05,700  
a lot of video expertise along with

512  
00:24:12,540 --> 00:24:09,940  
photography I've been trained to do EMF

513  
00:24:14,580 --> 00:24:12,550

field surveys a lot of things in those

514

00:24:17,430 --> 00:24:14,590

areas I've done a lot of research on

515

00:24:20,580 --> 00:24:17,440

world religions different beliefs

516

00:24:22,950 --> 00:24:20,590

metaphysical beliefs and I think one of

517

00:24:27,590 --> 00:24:22,960

the most important ones is that I was a

518

00:24:31,590 --> 00:24:27,600

believer at one stage and that being in

519

00:24:33,960 --> 00:24:31,600

that frame of mind and remembering what

520

00:24:36,000 --> 00:24:33,970

it was like really helps me to identify

521

00:24:39,210 --> 00:24:36,010

with what these people are going through

522

00:24:42,420 --> 00:24:39,220

and it does make a big difference now

523

00:24:45,510 --> 00:24:42,430

now Brian he's a photography expert

524

00:24:48,630 --> 00:24:45,520

teaches Photoshop classes trained to do

525

00:24:50,940 --> 00:24:48,640

electromagnetic field surveys we both

526  
00:24:52,440 --> 00:24:50,950  
have certifications with thermal cameras

527  
00:24:55,860 --> 00:24:52,450  
which is why we know that they're

528  
00:24:58,140 --> 00:24:55,870  
worthless in this field and you know

529  
00:25:02,900 --> 00:24:58,150  
it's just we both have a pretty wide

530  
00:25:06,810 --> 00:25:02,910  
range of certifications and education in

531  
00:25:08,910 --> 00:25:06,820  
related fields so yeah almost any field

532  
00:25:12,000 --> 00:25:08,920  
can be related even if you're a plumber

533  
00:25:13,410 --> 00:25:12,010  
it can come in handy okay watch out for

534  
00:25:16,950 --> 00:25:13,420  
that he's not going down the line the

535  
00:25:19,260 --> 00:25:16,960  
plumbers own but it's true I mean being

536  
00:25:22,530 --> 00:25:19,270  
a plumber is actually a good credential

537  
00:25:26,610 --> 00:25:22,540  
to have for this type of investigation

538  
00:25:28,860 --> 00:25:26,620

but it has to be part of what of what

539

00:25:30,180 --> 00:25:28,870

you do I mean you have to take in that

540

00:25:33,690 --> 00:25:30,190

the things that you know as a plumber

541

00:25:35,400 --> 00:25:33,700

you need to be able to use use that

542

00:25:37,470 --> 00:25:35,410

knowledge you know if you hear a

543

00:25:42,060 --> 00:25:37,480

familiar sound and you know that sound

544

00:25:44,880 --> 00:25:42,070

because it's the sound of a bracket not

545

00:25:45,990 --> 00:25:44,890

being on a pipe correctly then that's

546

00:25:47,460 --> 00:25:46,000

that's something you can solve

547

00:25:50,010 --> 00:25:47,470

immediately because of your experience

548

00:25:51,750 --> 00:25:50,020

as a plumber and there are a lot of

549

00:25:53,460 --> 00:25:51,760

things like that when you're dealing

550

00:25:55,410 --> 00:25:53,470

with people's residences that being a

551  
00:25:57,690 --> 00:25:55,420  
plumber is very handy but if you're not

552  
00:26:00,030 --> 00:25:57,700  
using critical thought then it doesn't

553  
00:26:01,800 --> 00:26:00,040  
matter what your profession is your

554  
00:26:03,870 --> 00:26:01,810  
you're going to give idiot responses no

555  
00:26:06,210 --> 00:26:03,880  
matter what you know if it's if it's any

556  
00:26:07,740 --> 00:26:06,220  
sort of technical field the odds are

557  
00:26:10,560 --> 00:26:07,750  
you're going to be able to use the

558  
00:26:13,080 --> 00:26:10,570  
knowledge in some way and that's a great

559  
00:26:14,810 --> 00:26:13,090  
start because then it gives you that

560  
00:26:21,350 --> 00:26:14,820  
that

561  
00:26:24,379 --> 00:26:21,360  
your tools for what they were originally

562  
00:26:26,990 --> 00:26:24,389  
designed for rather than looking at them

563  
00:26:28,999 --> 00:26:27,000

as ghost hunting tools you know you

564

00:26:32,509 --> 00:26:29,009

don't use a camera as a ghost hunting

565

00:26:34,700 --> 00:26:32,519

tool it is a documentation tool audio

566

00:26:37,999 --> 00:26:34,710

recording is not a ghost hunting tool

567

00:26:40,009 --> 00:26:38,009

it's a documentation tool so you really

568

00:26:43,039 --> 00:26:40,019

get into the mindset of documenting

569

00:26:46,519 --> 00:26:43,049

things to find the truth rather than

570

00:26:48,889 --> 00:26:46,529

running out with your ghost detector now

571

00:26:51,409 --> 00:26:48,899

speaking of people detecting things

572

00:26:53,899 --> 00:26:51,419

which might not be there Jeff Pakman

573

00:26:56,210 --> 00:26:53,909

I've read about him back in 2008 he

574

00:26:58,700 --> 00:26:56,220

created a extraterrestrial Affairs

575

00:27:01,850 --> 00:26:58,710

Commission in Denver how has that

576

00:27:06,470 --> 00:27:01,860

continued on since that time well Jeff

577

00:27:09,200 --> 00:27:06,480

Pakman needed to get 4,000 signatures to

578

00:27:13,549 --> 00:27:09,210

get his et Affairs Commission on the

579

00:27:18,560 --> 00:27:13,559

city of Denver ballot to be voted on

580

00:27:21,409 --> 00:27:18,570

that year he has failed every time to

581

00:27:23,180 --> 00:27:21,419

get the needed number of signatures he

582

00:27:26,450 --> 00:27:23,190

would usually get around three or four

583

00:27:28,100 --> 00:27:26,460

hundred of the 4,000 that he needed it's

584

00:27:30,169 --> 00:27:28,110

still a significant number isn't it

585

00:27:33,889 --> 00:27:30,179

people saying we need to investigate

586

00:27:37,330 --> 00:27:33,899

aliens as part of our public policy well

587

00:27:43,190 --> 00:27:37,340

let me let me read you just a very quick

588

00:27:48,019 --> 00:27:43,200

quote that was just sent now first off I

589

00:27:51,700 --> 00:27:48,029

have to tell you that he ended up hiring

590

00:27:55,070 --> 00:27:51,710

a company to acquire the signatures and

591

00:27:58,759 --> 00:27:55,080

this company acquired over 10,000

592

00:28:01,340 --> 00:27:58,769

signatures most of which were invalid

593

00:28:04,700 --> 00:28:01,350

justice so they were yeah yeah they were

594

00:28:07,070 --> 00:28:04,710

thrown out so he just barely squeaked by

595

00:28:09,440 --> 00:28:07,080

with the the number of signatures he

596

00:28:13,399 --> 00:28:09,450

needed but then we get this very

597

00:28:16,249 --> 00:28:13,409

interesting email that says I was asked

598

00:28:18,409 --> 00:28:16,259

in a deceptive manner the signature

599

00:28:21,230 --> 00:28:18,419

gatherer asked me to sign a petition to

600

00:28:23,629 --> 00:28:21,240

put a public safety measure on the

601  
00:28:25,730 --> 00:28:23,639  
ballot people who don't read the text

602  
00:28:29,000 --> 00:28:25,740  
might sign it thinking they're doing a

603  
00:28:30,290 --> 00:28:29,010  
good thing and then the question is

604  
00:28:31,790 --> 00:28:30,300  
do you think you'd sign it if it had

605  
00:28:35,210 --> 00:28:31,800  
been posed to you in a deceptive manner

606  
00:28:38,240 --> 00:28:35,220  
now a response was I guess it depends on

607  
00:28:40,550 --> 00:28:38,250  
the ballot question I tend to think I

608  
00:28:42,020 --> 00:28:40,560  
tend to at least scan the full title of

609  
00:28:44,780 --> 00:28:42,030  
the text whenever I'm going to be

610  
00:28:46,040 --> 00:28:44,790  
signing if someone if I had read it and

611  
00:28:48,980 --> 00:28:46,050  
saw something like this I would have

612  
00:28:53,150 --> 00:28:48,990  
laughed my ass off and still and still

613  
00:28:56,110 --> 00:28:53,160

signed it Wow so people are signing this

614

00:28:58,700 --> 00:28:56,120

because they think it's a funny joke oh

615

00:29:02,510 --> 00:28:58,710

it's like voting for Jedi as your

616

00:29:04,970 --> 00:29:02,520

religion exactly exactly so this is the

617

00:29:07,610 --> 00:29:04,980

problem is people are just laughing it

618

00:29:11,000 --> 00:29:07,620

up this is great fun this is really

619

00:29:12,710 --> 00:29:11,010

hilarious will surprise it's not this is

620

00:29:15,920 --> 00:29:12,720

something that could really damage

621

00:29:18,050 --> 00:29:15,930

Denver and set a dangerous precedent for

622

00:29:20,870 --> 00:29:18,060

other nut jobs in other cities that want

623

00:29:23,500 --> 00:29:20,880

to start something like this so people

624

00:29:27,050 --> 00:29:23,510

need to start taking this seriously and

625

00:29:30,260 --> 00:29:27,060

vote no on this but what are you going

626  
00:29:32,030 --> 00:29:30,270  
to do I mean a Jeff peckmon is is not

627  
00:29:34,700 --> 00:29:32,040  
being taken seriously by a lot of people

628  
00:29:36,650 --> 00:29:34,710  
in fact I noticed that the the young

629  
00:29:40,370 --> 00:29:36,660  
skeptics there in Australia voted it

630  
00:29:43,460 --> 00:29:40,380  
voted him number six on the biggest

631  
00:29:46,880 --> 00:29:43,470  
enemies of skepticism he's willing to do

632  
00:29:49,220 --> 00:29:46,890  
things like put up signs and create

633  
00:29:51,470 --> 00:29:49,230  
groups in order to devote a lot of time

634  
00:29:53,180 --> 00:29:51,480  
and money to proving the existence of

635  
00:29:57,590 --> 00:29:53,190  
aliens that was what I had discovered

636  
00:30:00,800 --> 00:29:57,600  
about him well he does put forth a lot

637  
00:30:04,780 --> 00:30:00,810  
of effort his real big thing is that he

638  
00:30:06,920 --> 00:30:04,790

wants control of a government website

639

00:30:08,120 --> 00:30:06,930

because that's basically what this

640

00:30:10,970 --> 00:30:08,130

commission is going to do is have a

641

00:30:15,020 --> 00:30:10,980

website that's going to be exposing the

642

00:30:17,120 --> 00:30:15,030

truth now their version of the truth is

643

00:30:20,390 --> 00:30:17,130

about as far from realities you can get

644

00:30:24,050 --> 00:30:20,400

but that version of the truth is going

645

00:30:27,290 --> 00:30:24,060

to be on a government website and that's

646

00:30:29,330 --> 00:30:27,300

very dangerous in itself how is it being

647

00:30:32,480 --> 00:30:29,340

challenged obviously getting out the

648

00:30:35,180 --> 00:30:32,490

message in regards to his actions what

649

00:30:38,450 --> 00:30:35,190

else is being done well are you speaking

650

00:30:40,610 --> 00:30:38,460

from our perspective on what we are

651  
00:30:41,160 --> 00:30:40,620  
doing or yes absolutely what's the rocky

652  
00:30:43,410 --> 00:30:41,170  
mountain

653  
00:30:45,510 --> 00:30:43,420  
Paranormal Research Society trying to do

654  
00:30:49,800 --> 00:30:45,520  
in response to this well we have

655  
00:30:54,150 --> 00:30:49,810  
basically a plan that that that falls

656  
00:30:56,640 --> 00:30:54,160  
into different phases and right now

657  
00:30:59,460 --> 00:30:56,650  
we're starting off with just smaller

658  
00:31:02,960 --> 00:30:59,470  
things everywhere that he posts any of

659  
00:31:08,460 --> 00:31:02,970  
his stories or whatever we always have a

660  
00:31:11,100 --> 00:31:08,470  
very thorough debunking of what he said

661  
00:31:12,960 --> 00:31:11,110  
or explanation of what he said in the

662  
00:31:15,480 --> 00:31:12,970  
comments section so it's just a very

663  
00:31:18,150 --> 00:31:15,490

small thing at the moment we are putting

664

00:31:20,820 --> 00:31:18,160

together a political of organization

665

00:31:23,070 --> 00:31:20,830

that will be recognized by the city of

666

00:31:26,820 --> 00:31:23,080

Denver so we will be able to demand

667

00:31:29,490 --> 00:31:26,830

equal time from anyone that gives him

668

00:31:34,410 --> 00:31:29,500

any time and so we're going that route

669

00:31:37,680 --> 00:31:34,420

we're also filming anti peckmon I guess

670

00:31:41,550 --> 00:31:37,690

you would say commercials videos things

671

00:31:44,370 --> 00:31:41,560

like that in fact where we're trying to

672

00:31:47,220 --> 00:31:44,380

come up with some acronyms for this

673

00:31:48,990 --> 00:31:47,230

political organization and I'm going to

674

00:31:51,570 --> 00:31:49,000

run just a few of them by you to see

675

00:31:54,600 --> 00:31:51,580

what you think okay guys we've we've got

676  
00:31:57,270 --> 00:31:54,610  
citizens rejecting asinine proposals

677  
00:32:02,460 --> 00:31:57,280  
which otherwise which is otherwise known

678  
00:32:05,510 --> 00:32:02,470  
as crap yes we've got a citizen's

679  
00:32:09,870 --> 00:32:05,520  
helping unmask manipulative of

680  
00:32:12,600 --> 00:32:09,880  
megalomaniacal proposals which is chump

681  
00:32:14,940 --> 00:32:12,610  
and then we've got mission for

682  
00:32:17,850 --> 00:32:14,950  
inhibiting bureaucracy which is the MIB

683  
00:32:20,820 --> 00:32:17,860  
I like that one alone I like the MIB

684  
00:32:22,140 --> 00:32:20,830  
that sounds good yeah I think that yeah

685  
00:32:24,030 --> 00:32:22,150  
I think that's the one we're going to go

686  
00:32:26,310 --> 00:32:24,040  
for now we got citizens rejecting

687  
00:32:29,250 --> 00:32:26,320  
eccentric extraterrestrial proposals

688  
00:32:31,590 --> 00:32:29,260

otherwise known as creep and then we've

689

00:32:36,030 --> 00:32:31,600

got citizens of the lizard overlord

690

00:32:37,830 --> 00:32:36,040

nation otherwise known as colon oh I bet

691

00:32:39,300 --> 00:32:37,840

might get the wrong idea however I'm so

692

00:32:42,300 --> 00:32:39,310

that may be a few plumbers might be

693

00:32:44,370 --> 00:32:42,310

intrigued by that saying we can yeah

694

00:32:46,950 --> 00:32:44,380

we're trying to come up for one for

695

00:32:49,680 --> 00:32:46,960

probe but all we can come up with so far

696

00:32:52,230 --> 00:32:49,690

as people rejecting and we haven't got

697

00:32:54,659 --> 00:32:52,240

the rest of it yet but so I think the

698

00:32:58,470 --> 00:32:54,669

MIB is probably what we'll go

699

00:33:00,330 --> 00:32:58,480

on that one but in the end we're we're

700

00:33:02,460 --> 00:33:00,340

compelled to do it and we do have a lot

701  
00:33:05,789 --> 00:33:02,470  
of fun especially when we're successful

702  
00:33:07,649 --> 00:33:05,799  
and we've had enough success as of late

703  
00:33:10,259 --> 00:33:07,659  
that we'll be doing this for quite some

704  
00:33:11,879 --> 00:33:10,269  
time and you make a difference which is

705  
00:33:14,700 --> 00:33:11,889  
wonderful getting that feedback and

706  
00:33:17,789 --> 00:33:14,710  
saying it yeah it really is there's

707  
00:33:21,180 --> 00:33:17,799  
nothing better than getting what we get

708  
00:33:24,509 --> 00:33:21,190  
emails from people that we've managed to

709  
00:33:27,299 --> 00:33:24,519  
change their lives and those are the

710  
00:33:31,680 --> 00:33:27,309  
most important trophies that that will

711  
00:33:33,479 --> 00:33:31,690  
ever get and so it's a relief we've had

712  
00:33:36,450 --> 00:33:33,489  
some very interesting ones in that sense

713  
00:33:38,999 --> 00:33:36,460

so I'm very very happy about that now as

714

00:33:41,159 --> 00:33:39,009

a result of all of this work a lot of

715

00:33:43,499 --> 00:33:41,169

dedication I've heard that you've got an

716

00:33:45,119 --> 00:33:43,509

actual television show in the in the

717

00:33:47,009 --> 00:33:45,129

process of happening can you tell us a

718

00:33:48,450 --> 00:33:47,019

little about that well we've we've

719

00:33:50,340 --> 00:33:48,460

actually got the potential of two

720

00:33:52,830 --> 00:33:50,350

different television shows no mama

721

00:33:55,349 --> 00:33:52,840

that's great yes there's there's one

722

00:33:58,169 --> 00:33:55,359

that's a local show that we're working

723

00:34:02,190 --> 00:33:58,179

on called Colorado X case files of the

724

00:34:04,409 --> 00:34:02,200

paranormal and what that is it's an

725

00:34:08,309 --> 00:34:04,419

interesting show where we have a team of

726

00:34:11,159 --> 00:34:08,319

skeptics and academics who are doing the

727

00:34:13,619 --> 00:34:11,169

investigations with us and we are the

728

00:34:17,099 --> 00:34:13,629

paranormal team so we go in and we use

729

00:34:19,530 --> 00:34:17,109

our particular skeptical approach to

730

00:34:20,520 --> 00:34:19,540

doing it and then they do theirs and

731

00:34:24,450 --> 00:34:20,530

then at the end of the show we have a

732

00:34:26,220 --> 00:34:24,460

consensus on what we found so that's one

733

00:34:28,139 --> 00:34:26,230

show that we're doing that will will

734

00:34:29,970 --> 00:34:28,149

probably stay fairly local we'll

735

00:34:33,319 --> 00:34:29,980

probably have some webisodes on the

736

00:34:37,470 --> 00:34:33,329

website and stuff but the other one is

737

00:34:40,520 --> 00:34:37,480

doesn't have a name as of yet but it is

738

00:34:44,010 --> 00:34:40,530

by the the production company that

739

00:34:46,289 --> 00:34:44,020

Warren Miller part of so and he is the

740

00:34:49,680 --> 00:34:46,299

wonderful director that does a lot of

741

00:34:52,710 --> 00:34:49,690

the ski films and actually has offices

742

00:34:54,839 --> 00:34:52,720

in Australia as well as America and

743

00:34:59,030 --> 00:34:54,849

other places and they do incredible

744

00:35:01,799 --> 00:34:59,040

extreme like winter sports type of

745

00:35:04,230 --> 00:35:01,809

documentaries and end shows and they've

746

00:35:06,660 --> 00:35:04,240

decided they want to branch out and do

747

00:35:08,240 --> 00:35:06,670

something more along the lines of Penn &

748

00:35:10,580 --> 00:35:08,250

Teller's BS

749

00:35:14,270 --> 00:35:10,590

and Mythbusters and things like that but

750

00:35:16,790 --> 00:35:14,280

have a very focused on the paranormal so

751  
00:35:20,660 --> 00:35:16,800  
maybe extreme skepticism you're chasing

752  
00:35:21,860 --> 00:35:20,670  
the the aliens on skis perhaps yes yes

753  
00:35:24,350 --> 00:35:21,870  
there'll be a lot of jumping out of

754  
00:35:26,420 --> 00:35:24,360  
helicopters with snowboards and EMF

755  
00:35:29,390 --> 00:35:26,430  
detectors getting ready for the Olympics

756  
00:35:33,320 --> 00:35:29,400  
I imagine you and take you yeah exactly

757  
00:35:36,670 --> 00:35:33,330  
so that'll be very exciting but we we

758  
00:35:38,720 --> 00:35:36,680  
will be doing a lot of exposing frauds

759  
00:35:40,490 --> 00:35:38,730  
that's going to be one of the number one

760  
00:35:44,060 --> 00:35:40,500  
things about this show we will be

761  
00:35:47,840 --> 00:35:44,070  
tackling the frauds and really making

762  
00:35:49,280 --> 00:35:47,850  
them fess up as much as we can but it's

763  
00:35:51,530 --> 00:35:49,290

going to be exciting gonna catch them

764

00:35:54,680 --> 00:35:51,540

red-handed fantastic that is brilliant

765

00:35:56,600 --> 00:35:54,690

now if people would like to keep an eye

766

00:35:58,250 --> 00:35:56,610

on what you're up to or ask some

767

00:36:00,230 --> 00:35:58,260

questions because I think you are a

768

00:36:02,630 --> 00:36:00,240

fabulous resource for someone who might

769

00:36:03,980 --> 00:36:02,640

be wanting some direction because you

770

00:36:07,460 --> 00:36:03,990

have so many things that you've achieved

771

00:36:10,520 --> 00:36:07,470

what are the best sites too well the the

772

00:36:14,630 --> 00:36:10,530

main website to go to is Rocky Mountain

773

00:36:19,340 --> 00:36:14,640

paranormal calm and that website has an

774

00:36:23,720 --> 00:36:19,350

incredible wealth of information and go

775

00:36:25,810 --> 00:36:23,730

all around craziness on it and from that

776

00:36:29,330 --> 00:36:25,820

site you'll also find links to our

777

00:36:31,250 --> 00:36:29,340

online magazine or our digital magazine

778

00:36:35,750 --> 00:36:31,260

called modern paranormal investigator

779

00:36:39,170 --> 00:36:35,760

and then the radio show is warning radio

780

00:36:41,150 --> 00:36:39,180

dot info and there's also links off of

781

00:36:43,100 --> 00:36:41,160

the Rocky Mountain paranormal site we're

782

00:36:47,000 --> 00:36:43,110

also doing another site called Rocky

783

00:36:51,830 --> 00:36:47,010

Mountain paranormal labs and we will be

784

00:36:57,590 --> 00:36:51,840

posting results from more scientifically

785

00:37:00,140 --> 00:36:57,600

based experimentation on I'll say the

786

00:37:04,160 --> 00:37:00,150

paranormal communities accepted ghosts

787

00:37:05,570 --> 00:37:04,170

tools such as the Franks box the ovule

788

00:37:08,810 --> 00:37:05,580

asst the paranormal puck all these

789

00:37:10,580 --> 00:37:08,820

really stupid devices that people are

790

00:37:11,600 --> 00:37:10,590

using to catch ghosts with we're

791

00:37:14,660 --> 00:37:11,610

actually going to be putting them

792

00:37:18,020 --> 00:37:14,670

through scientific testing with a local

793

00:37:19,400 --> 00:37:18,030

university here in Colorado and then

794

00:37:20,780 --> 00:37:19,410

we'll be posting the results on Rocky

795

00:37:23,570 --> 00:37:20,790

Mountain paranormal labs

796

00:37:26,390 --> 00:37:23,580

calm and just to give people a little

797

00:37:29,900 --> 00:37:26,400

more insight on what these devices

798

00:37:31,610 --> 00:37:29,910

really do and so thank you so much for

799

00:37:42,800 --> 00:37:31,620

talking to us Baxter here on a skeptic

800

00:37:44,690 --> 00:37:42,810

803  
00:37:54,590 --> 00:37:50,570

806  
00:38:02,750 --> 00:38:00,210  
meanderings skeptical observations

807  
00:38:05,570 --> 00:38:02,760  
ridiculous musical interludes and not

808  
00:38:07,340 --> 00:38:05,580  
the hint of geology all right maybe a

809  
00:38:09,500 --> 00:38:07,350

810  
00:38:12,110 --> 00:38:09,510

814

00:38:22,370 --> 00:38:20,100

Bible morning girls it's on science

816

00:38:26,300 --> 00:38:24,360

stupid your adventures of the

817

00:38:28,130 --> 00:38:26,310

Philadelphia funk authority what

818

Ukrainian boy playing drums the funk

819

00:38:32,060 --> 00:38:30,000

825

00:39:04,670 --> 00:39:02,370

without medicine medicine some medicine

826

00:39:07,340 --> 00:39:04,680

Response organization our dedicated team

828

00:39:11,390 --> 00:39:09,510

of fully certified healers from a

829

00:39:14,330 --> 00:39:11,400

diverse range of disciplines like

830

00:39:17,780 --> 00:39:14,340

00:39:22,040 --> 00:39:20,190

the globe to deal with natural disasters

833

00:39:24,980 --> 00:39:22,050

such as the devastating earthquake in

834

00:39:27,560 --> 00:39:24,990

haiti the indian ocean tsunami of 2004

835

00:39:30,020 --> 00:39:27,570

or man-made disasters such as a horrific

836

00:39:31,910 --> 00:39:30,030

conflicts in afghanistan congo and the

837

00:39:34,070 --> 00:39:31,920

niger delta most of you would have

838

00:39:36,710 --> 00:39:34,080

already heard of medicine some frontier

839

00:39:39,020 --> 00:39:36,720

but this so-called medicine is simply

840

00:39:41,300 --> 00:39:39,030

not enough medicine some medicine

841

00:39:43,490 --> 00:39:41,310

provides alternative complementary

842

00:39:45,590 --> 00:39:43,500

health care to the crushed stabbed shot

843

00:39:47,900 --> 00:39:45,600

and tortured the first thing we do when

844

00:39:50,720 --> 00:39:47,910

we enter a disaster zone is a patient

845

00:39:52,280 --> 00:39:50,730

care giver consultation for 300 US

846

00:39:55,160 --> 00:39:52,290

dollars we take a multidisciplinary

847

00:39:57,500 --> 00:39:55,170

approach to triage to ensure a full and

848

00:39:59,870 --> 00:39:57,510

accurate diagnosis patients are usually

849

00:40:02,000 --> 00:39:59,880

brought to us in a terrible state so the

850

00:40:04,520 --> 00:40:02,010

first thing we do is pray to the Great

851  
00:40:06,950 --> 00:40:04,530  
Archangel Raphael for the patient speedy

852  
00:40:09,440 --> 00:40:06,960  
recovery we then moving to some Eastern

853  
00:40:11,750 --> 00:40:09,450  
healing chanting invoking the full

854  
00:40:14,270 --> 00:40:11,760  
spectrum of spirit beings to comfort and

855  
00:40:16,610 --> 00:40:14,280  
protect the victim a magical white light

856  
00:40:18,770 --> 00:40:16,620  
of well-being is then cast upon the

857  
00:40:21,320 --> 00:40:18,780  
bleeding and battered subject covering

858  
00:40:23,960 --> 00:40:21,330  
any leaking chakras and plugging in the

859  
00:40:26,390 --> 00:40:23,970  
aura holes with a protective spiritual

860  
00:40:28,340 --> 00:40:26,400  
spac filler if possible we then turn the

861  
00:40:30,500 --> 00:40:28,350  
patient immediately on their side and

862  
00:40:32,480 --> 00:40:30,510  
perform an emergency ear candling to

863  
00:40:33,830 --> 00:40:32,490

eliminate any toxins that might have

864

00:40:34,750 --> 00:40:33,840

entered the body through the gaping

865

00:40:37,330 --> 00:40:34,760

wounds

866

00:40:39,460 --> 00:40:37,340

or bullet holes it is essential during

867

00:40:41,770 --> 00:40:39,470

such emergency response treatments to

868

00:40:43,960 --> 00:40:41,780

use ear candling drip wax protectors to

869

00:40:46,600 --> 00:40:43,970

avoid piercing the chakra protecting

870

00:40:49,210 --> 00:40:46,610

white light capsule triage is complete

871

00:40:52,090 --> 00:40:49,220

after a full homeopathic ear ideological

872

00:40:54,550 --> 00:40:52,100

psychic mind body herbal report is

873

00:40:56,590 --> 00:40:54,560

created on some aromatherapy infused

874

00:40:58,420 --> 00:40:56,600

rainbow colored paper with affirmations

875

00:41:00,130 --> 00:40:58,430

at the bottom documenting the full

876

00:41:02,470 --> 00:41:00,140

extent of the victims wounds and

877

00:41:04,990 --> 00:41:02,480

ailments they might also through remote

878

00:41:06,700 --> 00:41:05,000

viewing provides psychic information

879

00:41:08,800 --> 00:41:06,710

about their friends and relatives in

880

00:41:10,990 --> 00:41:08,810

neighboring villages where we might even

881

00:41:14,080 --> 00:41:11,000

solve a few unsolved crimes of the last

882

00:41:16,300 --> 00:41:14,090

500 years a typical triage patient would

883

00:41:19,180 --> 00:41:16,310

present with muscle tightness tiredness

884

00:41:21,250 --> 00:41:19,190

low energy levels or a sluggish liver in

885

00:41:23,590 --> 00:41:21,260

need of a good cleansing typically as

886

00:41:25,300 --> 00:41:23,600

well their bodies limbs and skulls would

887

00:41:27,340 --> 00:41:25,310

be riddled with shrapnel with gaping

888

00:41:29,650 --> 00:41:27,350

wounds down to the bone or even

889

00:41:31,840 --> 00:41:29,660

to the Chi meridians via the open wounds

912  
00:42:25,690 --> 00:42:23,750  
which only magnifies the effect on the

913  
00:42:27,850 --> 00:42:25,700

patient as is clearly noticeable to

914

00:42:30,250 --> 00:42:27,860

their facial expressions we then install

915
