welcome to the skeptic zone the podcast

2
00:00:27,420 --> 00:00:23,200
hello and welcome to the skeptic zone

3
00:00:30,820 --> 00:00:27,430
episode number 79 for the 23rd of april

4
00:00:33,610 --> 00:00:30,830
2010 richardson is here with you once

5
00:00:37,360 --> 00:00:33,620
again what a week I've had listeners

6
00:00:40,110 --> 00:00:37,370
what a fantastically restful wonderful

7
00:00:44,020 --> 00:00:40,120
week on Monday I drove from Sydney to

8
00:00:46,420 --> 00:00:44,030
just outside of albury about six and a

9
00:00:50,740 --> 00:00:46,430
half hours drive to visit Jim wilshire

10
00:00:53,170 --> 00:00:50,750
now Jim is the guy who does this welcome

11
00:00:57,310 --> 00:00:53,180
to the skeptic zone the podcast from

12
00:00:59,440 --> 00:00:57,320
Australia for science and reason a very

13
00:01:01,330 --> 00:00:59,450

old friend of mine and it was just

14

00:01:04,030 --> 00:01:01,340

wonderful to spend a few days with him

15

00:01:07,300 --> 00:01:04,040

celebrate his birthday he lives on a

16

00:01:10,630 --> 00:01:07,310

huge farm rolling countryside cows

17

00:01:13,290 --> 00:01:10,640

everywhere dogs little farmhouse what a

18

00:01:16,030 --> 00:01:13,300

magical time thanks Jim thanks very much

19

00:01:17,950 --> 00:01:16,040

Jim's probably going to be popping up to

20

00:01:20,770 --> 00:01:17,960

Sydney before too long if he does we'll

21

00:01:23,260 --> 00:01:20,780

certainly grab him for a think tank now

22

00:01:26,920 --> 00:01:23,270

I must say before we get on to the show

23

00:01:29,950 --> 00:01:26,930

that the big news this week in Australia

24

00:01:32,230 --> 00:01:29,960

in Australian sport was the fact that

25

00:01:34,960 --> 00:01:32,240

the rugby league club in Melbourne the

26
00:01:37,539 --> 00:01:34,970
Melbourne Storm have been stripped of

27
00:01:41,200 --> 00:01:37,549
the last virtually five years of their

28
00:01:43,240 --> 00:01:41,210
accomplishments they won two grand

29
00:01:46,270 --> 00:01:43,250
finals that's been stripped from them

30
00:01:48,340 --> 00:01:46,280
the all the points they've accrued this

31
00:01:50,500 --> 00:01:48,350
year have been stripped and they can't

32
00:01:52,660 --> 00:01:50,510
accrue any more points due to a scandal

33
00:01:55,090 --> 00:01:52,670
involving money and salary caps and

34
00:01:57,310 --> 00:01:55,100
players and this sort of thing it's huge

35
00:01:59,469 --> 00:01:57,320
news it really is and a lot of people

36
00:02:01,330 --> 00:01:59,479
including my friend Jim were really

37
00:02:04,450 --> 00:02:01,340
shaken up by this because they were fans

38
00:02:06,460 --> 00:02:04,460

of this the club the storm imagine

39

00:02:09,280 --> 00:02:06,470

listeners if your favorite sporting club

40

00:02:11,500 --> 00:02:09,290

your football club your baseball club

41

00:02:14,199 --> 00:02:11,510

your basketball club cricket club

42

00:02:16,270 --> 00:02:14,209

whatever it might be was suddenly

43

00:02:18,580 --> 00:02:16,280

stripped of all their accomplishments

44

00:02:20,650 --> 00:02:18,590

over the last five years and looked like

45

00:02:23,770 --> 00:02:20,660

they were going to simply fade into

46

00:02:26,140 --> 00:02:23,780

nothing you'd be devastated now I only

47

00:02:29,199 --> 00:02:26,150

say this because earlier this year some

48

00:02:30,820 --> 00:02:29,209

of our supposedly most famous and best

49

00:02:32,500 --> 00:02:30,830

clairvoyance and psychics were

50

00:02:33,940 --> 00:02:32,510

predicting who would win this football

51
00:02:38,890 --> 00:02:33,950
competition this year

52
00:02:40,780 --> 00:02:38,900
in October I think that he missed the

53
00:02:43,300 --> 00:02:40,790
boat once again they should have told

54
00:02:45,339 --> 00:02:43,310
everybody that there was a huge scandal

55
00:02:49,240 --> 00:02:45,349
coming up which would rock the game to

56
00:02:51,960 --> 00:02:49,250
it's very core another miss for the

57
00:02:54,820 --> 00:02:51,970
psychics but on to this week's show and

58
00:02:56,949 --> 00:02:54,830
I must thank dr. Reggie really for

59
00:02:59,740 --> 00:02:56,959
putting this week's show altogether or

60
00:03:02,979 --> 00:02:59,750
recording it as I was away enjoying

61
00:03:05,229 --> 00:03:02,989
myself dr. ray cheap opt into the ABC

62
00:03:08,800 --> 00:03:05,239
here in Sydney the broadcasting people

63
00:03:12,339 --> 00:03:08,810

and she interviewed one of my favorites

64
00:03:14,559 --> 00:03:12,349
when I was a bit younger Maynard F sharp

65
00:03:16,990 --> 00:03:14,569
crabs now a lot of Australian listeners

66
00:03:19,809 --> 00:03:17,000
will certainly remember Maynard he was a

67
00:03:21,819 --> 00:03:19,819
huge influence on a lot of people well

68
00:03:24,580 --> 00:03:21,829
in the late 80s and the 90s he's still

69
00:03:26,770 --> 00:03:24,590
going strong so I'm really looking

70
00:03:29,650 --> 00:03:26,780
forward to this one myself mean aren't F

71
00:03:32,199 --> 00:03:29,660
sharp crabs really fantastic to hear

72
00:03:35,650 --> 00:03:32,209
what he's been up to and following that

73
00:03:38,349 --> 00:03:35,660
we have the think tank air was dr. rachy

74
00:03:42,400 --> 00:03:38,359
and Ron and Joe Dave the happy singer

75
00:03:45,280 --> 00:03:42,410
and a drunken madman so that's this

76

00:03:49,090 --> 00:03:45,290

week's show I hope you enjoyed sit back

77

00:04:04,190 --> 00:03:49,100

grab that nice cup of ginger tea and

78

00:04:08,760 --> 00:04:06,690

may not started his career as a

79

00:04:12,210 --> 00:04:08,770

volunteer and community radio in

80

00:04:14,400 --> 00:04:12,220

Newcastle which is north of Sydney he

81

00:04:16,530 --> 00:04:14,410

had his own program called radio stupid

82

00:04:18,449 --> 00:04:16,540

and during a time when no other

83

00:04:20,970 --> 00:04:18,459

presenters were encouraged to have

84

00:04:23,760 --> 00:04:20,980

talked back collars Maynard was the

85

00:04:25,890 --> 00:04:23,770

first one to do so he established the

86

00:04:27,330 --> 00:04:25,900

castanet club with Mikey Robins who has

87

00:04:30,840 --> 00:04:27,340

since gone on to a very successful

88

00:04:32,880 --> 00:04:30,850

career in Australian television but in

89

00:04:35,730 --> 00:04:32,890

Australia Maynard is probably best known

90

00:04:39,410 --> 00:04:35,740

for his work on triple j breakfast which

91

00:04:42,030 --> 00:04:39,420

he did from 1987 until the early 90s any

92

00:04:43,830 --> 00:04:42,040

Australia next generation folks that are

93

00:04:46,740 --> 00:04:43,840

listening would remember his da bin a

94

00:04:48,510 --> 00:04:46,750

dag wakey wakey hands off snakey and

95

00:04:50,550 --> 00:04:48,520

many other tricks that he used to get up

96

00:04:52,650 --> 00:04:50,560

to I'm really pleased to be presenting

97

00:04:54,720 --> 00:04:52,660

this interview to you today as I

98

00:05:00,840 --> 00:04:54,730

remember may not really well from those

99

00:05:02,610 --> 00:05:00,850

days Maynard F sharp crabs can I still

100

00:05:03,900 --> 00:05:02,620

call you f sharp close well look that's

101

00:05:05,730 --> 00:05:03,910

an interesting story you actually just

102

00:05:07,500 --> 00:05:05,740

call me Maynard because when i was doing

103

00:05:09,390 --> 00:05:07,510

commercial radio on you FM in new

104

00:05:11,550 --> 00:05:09,400

council after I've finished up on triple

105

00:05:14,070 --> 00:05:11,560

j breakfast the main app if shop Krebs

106

00:05:15,690 --> 00:05:14,080

was just too difficult for commercial

107

00:05:17,610 --> 00:05:15,700

radio audience to get their ear around

108

00:05:19,409 --> 00:05:17,620

there like what huh so we just call it

109

00:05:21,210 --> 00:05:19,419

may not which is good because most

110

00:05:24,360 --> 00:05:21,220

people on commercial radio normally may

111

00:05:26,310 --> 00:05:24,370

not oh when I may not be was some really

112

00:05:27,510 --> 00:05:26,320

blow Kiku so Maynard's just fine yeah

113

00:05:29,340 --> 00:05:27,520

and that's that's the way we like to be

114

00:05:32,909 --> 00:05:29,350

known all right on one word like Madonna

115

00:05:34,620 --> 00:05:32,919

and cheese and cheese or Kylie al-qaeda

116

00:05:37,350 --> 00:05:34,630

exactly i'm lucky that way well welcome

117

00:05:38,850 --> 00:05:37,360

Kylie cheese or may not manado to the

118

00:05:41,010 --> 00:05:38,860

skeptic saying look it's great to be

119

00:05:43,140 --> 00:05:41,020

here with you in a very small room in

120

00:05:45,630 --> 00:05:43,150

ABC old enough we're in the TARDIS

121

00:05:47,790 --> 00:05:45,640

that's my body which is a very small

122

00:05:49,560 --> 00:05:47,800

little recording studio in ABC ultimo

123

00:05:51,450 --> 00:05:49,570

yeah yeah and we deliberately called

124

00:05:52,740 --> 00:05:51,460

them the bees at the ABC we cross them

125

00:05:53,790 --> 00:05:52,750

all their small little rooms that you

126
00:05:55,680 --> 00:05:53,800
know when you're talking to someone you

127
00:05:57,780 --> 00:05:55,690
don't know what size it is there's not

128
00:06:00,120 --> 00:05:57,790
room to swing a cat or an ABC presenter

129
00:06:01,500 --> 00:06:00,130
in here yeah that's true so may not I

130
00:06:04,200 --> 00:06:01,510
came to talk to you today because i

131
00:06:05,790 --> 00:06:04,210
found an interview you did a couple of

132
00:06:08,400 --> 00:06:05,800
weeks ago with our friend brian dunning

133
00:06:10,480 --> 00:06:08,410
from scab thaicom me look Brian downing

134
00:06:12,309 --> 00:06:10,490
was a guy I had I had the joy of

135
00:06:14,740 --> 00:06:12,319
chatting during half a half an hour and

136
00:06:16,659 --> 00:06:14,750
look you know I'm a very small brain and

137
00:06:19,180 --> 00:06:16,669
in fact I'm a bit confused as to why I'm

138
00:06:21,400 --> 00:06:19,190

even on this program that step exam

139

00:06:22,990 --> 00:06:21,410

because I'm not very bright um if you

140

00:06:24,879 --> 00:06:23,000

held me up as a skeptic I wouldn't be a

141

00:06:27,040 --> 00:06:24,889

good one i'm bid I'm I'm your classic

142

00:06:28,210 --> 00:06:27,050

strongman skeptic you know sometimes I

143

00:06:29,620 --> 00:06:28,220

don't look at my night he might be a

144

00:06:32,860 --> 00:06:29,630

skeptic in your argument before

145

00:06:34,480 --> 00:06:32,870

completed I'm not exactly your first

146

00:06:37,510 --> 00:06:34,490

speaker in a debate let's put it that

147

00:06:39,279 --> 00:06:37,520

way okay yeah but now you you do have

148

00:06:41,529 --> 00:06:39,289

some fun with Brian in his hot tub of

149

00:06:43,450 --> 00:06:41,539

Rob this is indeed brian dunning is

150

00:06:44,680 --> 00:06:43,460

fantastic I mean like I mean he doesn't

151

00:06:47,499 --> 00:06:44,690

like to have this pointed out but he

152

00:06:50,290 --> 00:06:47,509

does have a hot tub of truth there he is

153

00:06:51,820 --> 00:06:50,300

often skyclad of a weekend with various

154

00:06:53,980 --> 00:06:51,830

people and quite right and and what

155

00:06:55,570 --> 00:06:53,990

until he he might have a problem with

156

00:06:57,580 --> 00:06:55,580

that but i think if as long as you get

157

00:06:59,350 --> 00:06:57,590

the maths right if you're sitting on the

158

00:07:00,580 --> 00:06:59,360

toilet and saying the right thing it

159

00:07:02,620 --> 00:07:00,590

doesn't matter so I don't see why

160

00:07:04,629 --> 00:07:02,630

shouldn't be nude in a spa and yeah Tim

161

00:07:06,430 --> 00:07:04,639

bronze pretty smart I mean I really

162

00:07:08,350 --> 00:07:06,440

listen every week to his stuff it took

163

00:07:11,409 --> 00:07:08,360

me a while to catch up I was a light bar

164

00:07:13,870 --> 00:07:11,419

was bit tardy to the party hey and I

165

00:07:16,570 --> 00:07:13,880

love skipton because Brian sets out the

166

00:07:18,459 --> 00:07:16,580

myth or the story and then he goes apart

167

00:07:19,810 --> 00:07:18,469

saying why it's not true and I think

168

00:07:22,600 --> 00:07:19,820

that that's a great way to do things I

169

00:07:25,570 --> 00:07:22,610

mean and it's short and concise yeah and

170

00:07:26,950 --> 00:07:25,580

it's also not sort of judgmental is it

171

00:07:28,390 --> 00:07:26,960

he really just lays the facts out and

172

00:07:29,920 --> 00:07:28,400

then you can decide for yourself because

173

00:07:32,320 --> 00:07:29,930

skeptics sometimes get accused of being

174

00:07:34,810 --> 00:07:32,330

a little bit like atheists do you know

175

00:07:37,629 --> 00:07:34,820

but this is this arrogant and well that

176

00:07:39,159 --> 00:07:37,639

is I mean skeptics and atheists often

177

00:07:40,659 --> 00:07:39,169

make the the big mistake that the

178

00:07:42,279 --> 00:07:40,669

churches have been making it has been

179

00:07:44,860 --> 00:07:42,289

annoying as all four years is that they

180

00:07:46,870 --> 00:07:44,870

they have that I know I'm right thing

181

00:07:48,520 --> 00:07:46,880

about them um and the sense of

182

00:07:50,350 --> 00:07:48,530

righteousness does tend to annoy people

183

00:07:52,600 --> 00:07:50,360

and sure that there's logic on their

184

00:07:54,820 --> 00:07:52,610

side and they can prove everything but

185

00:07:55,990 --> 00:07:54,830

but that yes that that does tend to

186

00:07:57,909 --> 00:07:56,000

annoy people a bit when they get a bit

187

00:07:59,860 --> 00:07:57,919

to evangelical and I can understand I

188

00:08:02,469 --> 00:07:59,870

mean Brian himself I'm said in my

189

00:08:05,680 --> 00:08:02,479

interview that Richard Dawkins is an

190

00:08:07,749 --> 00:08:05,690

atheist activist and he wasn't convinced

191

00:08:09,459 --> 00:08:07,759

that he has actually convinced too many

192

00:08:10,749 --> 00:08:09,469

people who weren't atheists already and

193

00:08:12,550 --> 00:08:10,759

i think that's that's an interesting

194

00:08:14,469 --> 00:08:12,560

Ironmen well speaking of evidence

195

00:08:16,149 --> 00:08:14,479

Maynard I have evidence that that hot

196

00:08:18,760 --> 00:08:16,159

tub of truth exists you know because

197

00:08:20,439 --> 00:08:18,770

Richard Saunders who's also on the

198

00:08:23,649 --> 00:08:20,449

skeptic zone he has actually done a hot

199

00:08:24,170 --> 00:08:23,659

tub or think tank from Brian's hot tub

200

00:08:25,879 --> 00:08:24,180

of true

201
00:08:27,379 --> 00:08:25,889
yeah now once that's what now I thought

202
00:08:29,930 --> 00:08:27,389
I thought that segment was originally

203
00:08:32,630 --> 00:08:29,940
called the drunk tank which I thought

204
00:08:35,120 --> 00:08:32,640
was an Americanism you deducted yeah and

205
00:08:37,310 --> 00:08:35,130
so there was a think tank from the drunk

206
00:08:39,680 --> 00:08:37,320
hot tub of truth that's right yes yeah

207
00:08:41,510 --> 00:08:39,690
and there was glass being broken someone

208
00:08:43,670 --> 00:08:41,520
smashed a champagne just like in that

209
00:08:45,019 --> 00:08:43,680
scene from showgirls and where they go

210
00:08:46,639 --> 00:08:45,029
swimming in the pool and they drop

211
00:08:48,380 --> 00:08:46,649
champagne glasses in the pool I think

212
00:08:50,150 --> 00:08:48,390
everybody else was looking at you know

213
00:08:52,430 --> 00:08:50,160

at the nude bodies but I was going it's

214

00:08:53,960 --> 00:08:52,440

incredibly unsafe you shouldn't be

215

00:08:55,430 --> 00:08:53,970

dropping glove what are some kiddie went

216

00:08:57,110 --> 00:08:55,440

in there the next day well we'll have to

217

00:08:58,670 --> 00:08:57,120

get on to Brian about that yeah and that

218

00:09:00,440 --> 00:08:58,680

is known as the pool scene from

219

00:09:02,750 --> 00:09:00,450

showgirls look it up on youtube I'm not

220

00:09:04,760 --> 00:09:02,760

like the worst movie ever oh yeah and

221

00:09:06,050 --> 00:09:04,770

that's the worst thing it is that yeah

222

00:09:08,510 --> 00:09:06,060

and because agent Cooper's they're

223

00:09:10,430 --> 00:09:08,520

making himself Kyle MacLachlan and it's

224

00:09:12,079 --> 00:09:10,440

a pretty funny thing here and the sex

225

00:09:13,850 --> 00:09:12,089

scene it looks a bit like a washing it

226

00:09:18,139 --> 00:09:13,860

turns a sort of the pool adore washing

227

00:09:19,550 --> 00:09:18,149

tub it's pretty funny right so that's it

228

00:09:21,860 --> 00:09:19,560

I think that's why you don't want me

229

00:09:23,720 --> 00:09:21,870

being a spokesman for any skeptic you

230

00:09:25,280 --> 00:09:23,730

don't which I'm not because you know I

231

00:09:27,320 --> 00:09:25,290

get up and I get sidetracked like stuff

232

00:09:29,090 --> 00:09:27,330

like that okay well can we get back to

233

00:09:30,590 --> 00:09:29,100

skepticism for a moment I didn't

234

00:09:32,480 --> 00:09:30,600

actually even know if you are a skeptic

235

00:09:33,949 --> 00:09:32,490

the only the first thing i have heard of

236

00:09:35,960 --> 00:09:33,959

you being interested in the movement at

237

00:09:38,870 --> 00:09:35,970

all was with the brian dunning interview

238

00:09:41,269 --> 00:09:38,880

so tell me are you a skeptic I I think

239

00:09:42,829 --> 00:09:41,279

it's safe to say I'm pretty skeptical um

240

00:09:44,570 --> 00:09:42,839

I have been long to the Newcastle

241

00:09:46,760 --> 00:09:44,580

skeptics meeting a number of time oh you

242

00:09:52,100 --> 00:09:46,770

have and I'm a fan of the guys there um

243

00:09:54,320 --> 00:09:52,110

I don't know but also look yes I am but

244

00:09:57,860 --> 00:09:54,330

also look just to give you an idea on my

245

00:09:59,870 --> 00:09:57,870

ipod here I've got the skeptics guide to

246

00:10:02,030 --> 00:09:59,880

the universe the Atheist Experience

247

00:10:04,280 --> 00:10:02,040

which is the podcast from the austin

248

00:10:06,530 --> 00:10:04,290

texas atheist that's pretty come I've

249

00:10:10,100 --> 00:10:06,540

got you guys to skipped exam at the same

250

00:10:12,290 --> 00:10:10,110

time I'm a huge fan of a show that

251

00:10:13,760 --> 00:10:12,300

simply describes its it but they

252

00:10:16,130 --> 00:10:13,770

basically they go out and hit people in

253

00:10:18,350 --> 00:10:16,140

the mouth metaphorically that is been no

254

00:10:20,720 --> 00:10:18,360

agenda show with adam curry and john c

255

00:10:23,930 --> 00:10:20,730

dvorak and what they do in the morning

256

00:10:25,819 --> 00:10:23,940

is basically postulate what-ifs and

257

00:10:27,769 --> 00:10:25,829

they've got some really crack pot ideas

258

00:10:29,420 --> 00:10:27,779

that i love listening to for example the

259

00:10:32,090 --> 00:10:29,430

harp array is that part of an earthquake

260

00:10:34,100 --> 00:10:32,100

machine all the evidence points that not

261

00:10:35,269 --> 00:10:34,110

being the case but I like enjoying

262

00:10:36,710 --> 00:10:35,279

entertaining the idea that there might

263

00:10:37,240 --> 00:10:36,720

be an earthquake machine and what

264

00:10:40,090 --> 00:10:37,250

political

265

00:10:41,770 --> 00:10:40,100

patient's would there be if there was of

266

00:10:43,600 --> 00:10:41,780

course Brian darling is completely bunt

267

00:10:45,820 --> 00:10:43,610

the fact that there is but you know it's

268

00:10:48,370 --> 00:10:45,830

fun to imagine what if so yes I'm

269

00:10:50,080 --> 00:10:48,380

skeptic but you know I enjoy the what-if

270

00:10:51,820 --> 00:10:50,090

possibilities and I had attained them I

271

00:10:54,010 --> 00:10:51,830

mean is a you have you got a pet

272

00:10:55,870 --> 00:10:54,020

conspiracy theory I have I was going to

273

00:10:58,630 --> 00:10:55,880

ask you about that I do have one my

274

00:11:00,190 --> 00:10:58,640

favorite is the Illuminati which is run

275

00:11:03,520 --> 00:11:00,200

by the Rockefellers and the Rothschild

276

00:11:05,320 --> 00:11:03,530

and this involves the lizard people have

277

00:11:06,720 --> 00:11:05,330

you heard about that we know the royal

278

00:11:08,680 --> 00:11:06,730

family is supposed to be a reptilian

279

00:11:10,300 --> 00:11:08,690

bunch of people and they're just hiding

280

00:11:11,740 --> 00:11:10,310

as humans until they come out and take

281

00:11:14,200 --> 00:11:11,750

over the world part of the New World

282

00:11:17,590 --> 00:11:14,210

Order well in fact before you go on and

283

00:11:19,330 --> 00:11:17,600

Brian did a did Georgia Guidestones did

284

00:11:20,800 --> 00:11:19,340

you hear his good yeah that's a little

285

00:11:23,200 --> 00:11:20,810

bit to do with that the Rockefellers in

286

00:11:24,910 --> 00:11:23,210

the Rothschilds yeah well he's your

287

00:11:27,270 --> 00:11:24,920

favorite the only entry herbs that

288

00:11:29,980 --> 00:11:27,280

particular is I have met a Rothschild

289

00:11:31,870 --> 00:11:29,990

actually lead singer of Caligula is a

290

00:11:33,100 --> 00:11:31,880

Rothschild or related to the Rothschilds

291

00:11:35,200 --> 00:11:33,110

and I remember drinking with him one

292

00:11:37,210 --> 00:11:35,210

night and declaring him a pretty

293

00:11:39,730 --> 00:11:37,220

piss-poor number of the beast good

294

00:11:41,110 --> 00:11:39,740

question um he just didn't strike me as

295

00:11:42,400 --> 00:11:41,120

someone who would be a member of the

296

00:11:44,050 --> 00:11:42,410

people of a take over the world but

297

00:11:46,420 --> 00:11:44,060

maybe he's lower down the ranking that's

298

00:11:48,960 --> 00:11:46,430

ash lead some of Caligula look up their

299

00:11:51,610 --> 00:11:48,970

version of tears of a clown on youtube

300

00:11:55,150 --> 00:11:51,620

so you don't have a favorite conspiracy

301
00:11:56,800 --> 00:11:55,160
well see it look and I'm also a big fan

302
00:11:58,540 --> 00:11:56,810
in Sydney of going long to Jamie

303
00:11:59,980 --> 00:11:58,550
Leonardo's movements on archives where

304
00:12:03,090 --> 00:11:59,990
they have a conspiracy it'll get

305
00:12:05,470 --> 00:12:03,100
together every Monday night and and

306
00:12:07,420 --> 00:12:05,480
again conspiracies bit wrong because i

307
00:12:09,310 --> 00:12:07,430
think it whenever you say that that

308
00:12:10,960 --> 00:12:09,320
normally means crackpot and in a court

309
00:12:12,910 --> 00:12:10,970
of law or conspiracy it doesn't always

310
00:12:14,560 --> 00:12:12,920
mean a crackpot theory that is true

311
00:12:16,690 --> 00:12:14,570
we're in the skeptics world when you

312
00:12:18,310 --> 00:12:16,700
hear conspiracy theory you automatically

313
00:12:20,350 --> 00:12:18,320

think of people with propeller hats on

314

00:12:22,210 --> 00:12:20,360

that sort of thing in foil hats or

315

00:12:24,970 --> 00:12:22,220

tin foil hats as well which um there's a

316

00:12:26,860 --> 00:12:24,980

great how-to on the web about how to

317

00:12:28,570 --> 00:12:26,870

make one as well you should try it yes

318

00:12:31,480 --> 00:12:28,580

as a how-to page on how to make your own

319

00:12:33,600 --> 00:12:31,490

tin foil hat beanie right yeah perfect

320

00:12:36,310 --> 00:12:33,610

for the upcoming Australian winter ah

321

00:12:39,040 --> 00:12:36,320

and look I like going on to those things

322

00:12:41,560 --> 00:12:39,050

but my favorite theory of that would be

323

00:12:44,380 --> 00:12:41,570

look I've always been fascinated by

324

00:12:47,560 --> 00:12:44,390

unidentified flying objects and I've

325

00:12:49,690 --> 00:12:47,570

also been fascinated by all the noise

326

00:12:50,620 --> 00:12:49,700

and signal surrounding the Kennedy

327

00:12:52,450 --> 00:12:50,630

assassination as a

328

00:12:54,760 --> 00:12:52,460

people have so these are pre major ones

329

00:12:56,500 --> 00:12:54,770

they're not particularly exciting um but

330

00:12:58,720 --> 00:12:56,510

there's also the console's have a great

331

00:13:01,720 --> 00:12:58,730

stuff sock conspiracy that we can all be

332

00:13:03,610 --> 00:13:01,730

feed into which is you know I mean there

333

00:13:05,410 --> 00:13:03,620

is a logical explanation to wear your

334

00:13:08,260 --> 00:13:05,420

socks go and I'm sure of minis is it

335

00:13:09,790 --> 00:13:08,270

been a few years anyone got an ignoble

336

00:13:11,410 --> 00:13:09,800

award for discovering where their socks

337

00:13:13,180 --> 00:13:11,420

don't lie because there's an ignoble

338

00:13:14,680 --> 00:13:13,190

award for someone who can find out where

339

00:13:16,210 --> 00:13:14,690

they disappeared too because logically

340

00:13:17,470 --> 00:13:16,220

they should be on the floor in your

341

00:13:19,720 --> 00:13:17,480

house or somewhere in the washing

342

00:13:21,520 --> 00:13:19,730

machine but do you ever find them no I

343

00:13:23,620 --> 00:13:21,530

wonder if dr. Carl can get on to this

344

00:13:25,120 --> 00:13:23,630

perhaps I'm surprised he hasn't got on

345

00:13:27,610 --> 00:13:25,130

to it already yeah I suspect he probably

346

00:13:29,050 --> 00:13:27,620

has or Brian Dunning good entire show on

347

00:13:31,120 --> 00:13:29,060

this has probably been below Brian i

348

00:13:32,970 --> 00:13:31,130

gotta say right Danny from skiff toy car

349

00:13:35,770 --> 00:13:32,980

that's right the man with the hot tub I

350

00:13:37,300 --> 00:13:35,780

mean perhaps he loses into the pit on

351

00:13:39,150 --> 00:13:37,310

pair of swimmers in the hot tub of truth

352

00:13:42,090 --> 00:13:39,160

I bet he does in fact he wanted to say

353

00:13:44,470 --> 00:13:42,100

he wanted me to say to you crikey crikey

354

00:13:46,180 --> 00:13:44,480

yeah indeed I don't know why I'll

355

00:13:48,130 --> 00:13:46,190

probably just cuz we're Australians and

356

00:13:50,050 --> 00:13:48,140

I might have said that Dean crikey yeah

357

00:13:51,490 --> 00:13:50,060

yeah be gonna be careful saying that no

358

00:13:53,560 --> 00:13:51,500

you were telling me on the way up here

359

00:13:55,660 --> 00:13:53,570

about a podcast which is called a look

360

00:13:57,910 --> 00:13:55,670

at his butt don't you tell me about that

361

00:14:01,210 --> 00:13:57,920

now look look it is again one of my

362

00:14:03,010 --> 00:14:01,220

favorite ones uh I know everyone

363

00:14:06,040 --> 00:14:03,020

listening is a William Shatner fan

364

00:14:07,960 --> 00:14:06,050

because let who isn't who hasn't had at

365

00:14:11,050 --> 00:14:07,970

least one time in their life i shat in a

366

00:14:13,960 --> 00:14:11,060

moment um I I can't think what mine was

367

00:14:17,290 --> 00:14:13,970

maybe I'm yet to have it but basically

368

00:14:19,630 --> 00:14:17,300

you've got two girls who love the work

369

00:14:21,310 --> 00:14:19,640

of William Shatner and have a sense of

370

00:14:22,480 --> 00:14:21,320

irony about the whole thing and when

371

00:14:25,600 --> 00:14:22,490

they were young leads to watch Star Trek

372

00:14:27,970 --> 00:14:25,610

and go wow look at his body and now they

373

00:14:30,400 --> 00:14:27,980

have a their own podcast which looks at

374

00:14:32,680 --> 00:14:30,410

the work of William Shatner they also do

375

00:14:35,110 --> 00:14:32,690

reviews of sex toys so if you know any

376

00:14:38,110 --> 00:14:35,120

other podcast out there that combines

377

00:14:39,940 --> 00:14:38,120

science fiction and sex toy reviews let

378

00:14:41,890 --> 00:14:39,950

me know because theirs is the one to

379

00:14:42,970 --> 00:14:41,900

look at and they go and do wild stuff

380

00:14:45,310 --> 00:14:42,980

all the time and they're always talking

381

00:14:46,750 --> 00:14:45,320

about William and the apparently in some

382

00:14:49,600 --> 00:14:46,760

scenes I haven't been looking as closely

383

00:14:53,860 --> 00:14:49,610

of the ridge inul Star Trek um I think

384

00:14:55,300 --> 00:14:53,870

they're called an EV ease erroneous

385

00:14:57,250 --> 00:14:55,310

visual erections or something like that

386

00:14:59,110 --> 00:14:57,260

caused by the fact that when they sit

387

00:15:01,060 --> 00:14:59,120

down with the pants the pants buff up in

388

00:15:04,030 --> 00:15:01,070

the front oh I haven't noticed this but

389

00:15:04,450 --> 00:15:04,040

that happens a lot okay just as in Star

390

00:15:06,340 --> 00:15:04,460

Trek

391

00:15:08,410 --> 00:15:06,350

generation whenever anyone gets up or

392

00:15:09,850 --> 00:15:08,420

gets into a sick you saw them you see

393

00:15:11,260 --> 00:15:09,860

them pulling their costume down because

394

00:15:12,820 --> 00:15:11,270

they were badly designed they weren't

395

00:15:15,100 --> 00:15:12,830

designed to stand up and sit down in so

396

00:15:16,750 --> 00:15:15,110

as long as like that so look at his butt

397

00:15:18,250 --> 00:15:16,760

is a show to investigate for that kind

398

00:15:20,830 --> 00:15:18,260

of thing well I'm going to dragoncon

399

00:15:22,240 --> 00:15:20,840

this year may not in atlanta georgia

400

00:15:24,430 --> 00:15:22,250

which is one of the biggest science

401
00:15:26,140 --> 00:15:24,440
fiction convention i think the but girls

402
00:15:27,460 --> 00:15:26,150
are then will also be there really i

403
00:15:28,840 --> 00:15:27,470
have to catch up with them because last

404
00:15:30,670 --> 00:15:28,850
year william shatner was there but i

405
00:15:32,740 --> 00:15:30,680
couldn't see his butt and that was

406
00:15:34,630 --> 00:15:32,750
because his people were surrounding him

407
00:15:36,070 --> 00:15:34,640
everywhere he went so he had this sort

408
00:15:37,900 --> 00:15:36,080
of circle of people everywhere and

409
00:15:40,180 --> 00:15:37,910
they'd shuffle across the river so many

410
00:15:41,800 --> 00:15:40,190
people the Shatner have he had enough

411
00:15:44,650 --> 00:15:41,810
people so you couldn't take a photo of

412
00:15:46,450 --> 00:15:44,660
him without paying 75 US dollars well

413
00:15:48,400 --> 00:15:46,460

well he he does like shilling for the

414

00:15:51,400 --> 00:15:48,410

money yeah hey shield he knows how to

415

00:15:52,510 --> 00:15:51,410

make money just look at him yeah well so

416

00:15:55,030 --> 00:15:52,520

tell me a little bit about what you're

417

00:15:56,980 --> 00:15:55,040

up to because you are my favorite DJ in

418

00:15:59,110 --> 00:15:56,990

the 90s I used to wake up every morning

419

00:16:01,120 --> 00:15:59,120

at six o'clock in the morning to hear

420

00:16:03,820 --> 00:16:01,130

you say wakey wakey hands off snakey and

421

00:16:06,280 --> 00:16:03,830

and just a simple call and wake up you

422

00:16:08,020 --> 00:16:06,290

dumb body which you know it's very

423

00:16:09,070 --> 00:16:08,030

Australian and also if some if someone

424

00:16:10,330 --> 00:16:09,080

says that to you in the morning you like

425

00:16:12,340 --> 00:16:10,340

to get really annoyed or you'll get out

426

00:16:13,870 --> 00:16:12,350

of it yeah there was one about the bus

427

00:16:16,120 --> 00:16:13,880

as well I remember used to go on about

428

00:16:18,370 --> 00:16:16,130

hurry up the buses coming to the bus

429

00:16:19,870 --> 00:16:18,380

stop now do you know that I just do a

430

00:16:22,450 --> 00:16:19,880

simple thing which is always good for

431

00:16:25,600 --> 00:16:22,460

radio now and so like for example i can

432

00:16:27,280 --> 00:16:25,610

so now it's a it's a 13 pass too if you

433

00:16:29,560 --> 00:16:27,290

had to catch the bus at ten past two

434

00:16:32,230 --> 00:16:29,570

you've missed it just simple stuff like

435

00:16:33,670 --> 00:16:32,240

that and you know armatures helpful it

436

00:16:35,620 --> 00:16:33,680

is helpful to people in the morning

437

00:16:37,900 --> 00:16:35,630

because they can give up and go back to

438

00:16:40,180 --> 00:16:37,910

bed or they can just get depressed it

439

00:16:41,770 --> 00:16:40,190

could be late for work and I like having

440

00:16:44,170 --> 00:16:41,780

on also what I used to do and yeah

441

00:16:46,660 --> 00:16:44,180

sometimes I do it I / filter but just

442

00:16:48,490 --> 00:16:46,670

quietly have a phone ringing noise

443

00:16:50,170 --> 00:16:48,500

during songs just have a sound effect of

444

00:16:52,210 --> 00:16:50,180

a normal phone ringing just far off once

445

00:16:53,530 --> 00:16:52,220

or twice during a song or a cat meowing

446

00:16:55,090 --> 00:16:53,540

or something like that in the background

447

00:16:56,500 --> 00:16:55,100

of things that are going on normally and

448

00:16:57,520 --> 00:16:56,510

make no reference to it and you'd have

449

00:16:59,290 --> 00:16:57,530

people wandering around the house

450

00:17:01,390 --> 00:16:59,300

looking for their cat or answering a

451

00:17:03,820 --> 00:17:01,400

phone that doesn't ring fantastic that's

452

00:17:04,900 --> 00:17:03,830

great yeah yeah so what are you doing

453

00:17:06,850 --> 00:17:04,910

with yourself now you're still doing

454

00:17:09,400 --> 00:17:06,860

radio are you a local thing I'm dead and

455

00:17:11,230 --> 00:17:09,410

you know well and yeah half the time I

456

00:17:13,150 --> 00:17:11,240

appre that you're not that's true i will

457

00:17:16,510 --> 00:17:13,160

have the time i'm in new castle which is

458

00:17:18,159 --> 00:17:16,520

very similar basically i'm online goose

459

00:17:20,439 --> 00:17:18,169

for ABC newcastle

460

00:17:22,329 --> 00:17:20,449

online games online goose because maybe

461

00:17:24,939 --> 00:17:22,339

see has all these great title for what

462

00:17:27,399 --> 00:17:24,949

you do like cross media reporter i know

463

00:17:29,169 --> 00:17:27,409

that means i mean i mean you've got a

464

00:17:30,399 --> 00:17:29,179

doctor what does the cross media report

465

00:17:33,700 --> 00:17:30,409

him is it someone who's angry all the

466

00:17:36,070 --> 00:17:33,710

time cross yeah possibly yes so handsome

467

00:17:37,869 --> 00:17:36,080

so look I decided that I needed a title

468

00:17:39,399 --> 00:17:37,879

that if you read something by me you

469

00:17:42,399 --> 00:17:39,409

could not possibly be disappointed so

470

00:17:43,930 --> 00:17:42,409

online goose go well that's not

471

00:17:47,200 --> 00:17:43,940

well-written mother in bone line goose

472

00:17:50,139 --> 00:17:47,210

are you let's see yeah um yes you get

473

00:17:52,419 --> 00:17:50,149

out clause my I my pad under promise and

474

00:17:56,950 --> 00:17:52,429

under-deliver dr. Rachel that's the key

475

00:17:59,710 --> 00:17:56,960

life hmm and basically I do radio stuff

476

00:18:02,560 --> 00:17:59,720

for them do but a video for the web did

477

00:18:05,169 --> 00:18:02,570

a lot of fun last year I did a series of

478

00:18:08,169 --> 00:18:05,179

videos called 30-second special with Jay

479

00:18:09,820 --> 00:18:08,179

cats about some lesser-known pop moments

480

00:18:12,249 --> 00:18:09,830

that I thought needed to be held up into

481

00:18:15,279 --> 00:18:12,259

light like the work of Frank Bennett

482

00:18:17,169 --> 00:18:15,289

like the work of Frank Sinatra jr. a few

483

00:18:18,580 --> 00:18:17,179

little clips like that so search head

484

00:18:25,810 --> 00:18:18,590

out on youtube if you get a bigger

485

00:18:27,159 --> 00:18:25,820

chance hello and welcome to 30 seconds

486

00:18:28,749 --> 00:18:27,169

special the show where we get a little

487

00:18:30,820 --> 00:18:28,759

bit of pop culture now good that's been

488

00:18:34,419 --> 00:18:30,830

swept on her carpet pick it up prior

489

00:18:36,159 --> 00:18:34,429

microscope look at it again and I'll

490

00:18:38,619 --> 00:18:36,169

tell you what today we've got a Pepsi

491

00:18:41,379 --> 00:18:38,629

sexiest dancer stroke singer stroke

492

00:18:43,960 --> 00:18:41,389

actress who's ever had a Bolivian the

493

00:18:46,659 --> 00:18:43,970

aerospace engineer as a father Rock Hill

494

00:18:48,999 --> 00:18:46,669

Welsh I mean tell me later was there a

495

00:18:51,070 --> 00:18:49,009

Bolivian space program yes they got as

496

00:18:52,989 --> 00:18:51,080

high as 15 feet someone got a bit of a

497

00:18:54,909 --> 00:18:52,999

Bolivian nosebleed had to come back down

498

00:18:56,769 --> 00:18:54,919

oh really and then was just to look down

499

00:18:58,450 --> 00:18:56,779

on that beautiful daughter of his reg

500

00:19:00,519 --> 00:18:58,460

he'll look like hella had an

501
00:19:02,649 --> 00:19:00,529
extraordinary career she's probably most

502
00:19:05,229 --> 00:19:02,659
well-known fulfill mine and she started

503
00:19:06,729 --> 00:19:05,239
over 30 films one of the greatest as far

504
00:19:09,669 --> 00:19:06,739
as I'm concerned she doesn't speak a

505
00:19:11,499 --> 00:19:09,679
word of English 1 million bc she's in a

506
00:19:13,539 --> 00:19:11,509
prehistoric bikini one of the most

507
00:19:15,340 --> 00:19:13,549
controversial was Myra Breckinridge in

508
00:19:17,289 --> 00:19:15,350
which she plays a transsexual that

509
00:19:18,849 --> 00:19:17,299
worried a lot of people but what we're

510
00:19:21,460 --> 00:19:18,859
looking at today comes from a great

511
00:19:22,840 --> 00:19:21,470
special a night in 70 TV special now

512
00:19:25,299 --> 00:19:22,850
where did you find this in the movies

513
00:19:27,279 --> 00:19:25,309

all these things were around it was just

514

00:19:29,200 --> 00:19:27,289

under one rock to the side there and

515

00:19:31,389 --> 00:19:29,210

look I actually what

516

00:19:33,039 --> 00:19:31,399

I actually saw this years and years ago

517

00:19:35,230 --> 00:19:33,049

I remembered and that's what started the

518

00:19:37,510 --> 00:19:35,240

hunt because I thought oh my god this

519

00:19:39,610 --> 00:19:37,520

has been inspired by Erich von Daniken's

520

00:19:41,529 --> 00:19:39,620

Chariots of the Gods and that's the

521

00:19:43,510 --> 00:19:41,539

beauty of this piece you actually cut

522

00:19:45,370 --> 00:19:43,520

out of the song california dreamin and

523

00:19:47,289 --> 00:19:45,380

the next thing you in like Tiahuanaco

524

00:19:49,690 --> 00:19:47,299

she's in this most incredibly revealing

525

00:19:51,130 --> 00:19:49,700

spacesuit she's got a couple of spaceman

526

00:19:53,110 --> 00:19:51,140

with her and they do a great

527

00:19:54,730 --> 00:19:53,120

choreographed dance sequence so she

528

00:19:56,350 --> 00:19:54,740

might have made a phone call to a dad to

529

00:20:21,039 --> 00:19:56,360

get the outfit for this I'd say so

530

00:20:22,990 --> 00:20:21,049

Raquel Welch and what's happening with

531

00:20:24,519 --> 00:20:23,000

mad club is that still going well the

532

00:20:26,529 --> 00:20:24,529

mad club now for those people who don't

533

00:20:28,090 --> 00:20:26,539

know that was basically I'd go along to

534

00:20:30,039 --> 00:20:28,100

a club I rabanne a club for a number of

535

00:20:31,600 --> 00:20:30,049

years about eight years here in Sydney

536

00:20:34,840 --> 00:20:31,610

called the mag club in Kings Cross and

537

00:20:37,060 --> 00:20:34,850

we would DJ there while a food fight

538

00:20:41,529 --> 00:20:37,070

went on we basically have a certified

539

00:20:43,930 --> 00:20:41,539

set fire to things use 240 volts and a

540

00:20:45,580 --> 00:20:43,940

water in a dangerous way in fact I was

541

00:20:47,260 --> 00:20:45,590

looking at some videos of that leading

542

00:20:49,899 --> 00:20:47,270

up to me doing a man club recently and

543

00:20:52,810 --> 00:20:49,909

basically everything we used to do in

544

00:20:55,360 --> 00:20:52,820

the early 90s is now illegal to do in a

545

00:20:57,870 --> 00:20:55,370

club you apparently it's illegal to

546

00:21:00,639 --> 00:20:57,880

swing a 240-volt light around your head

547

00:21:03,519 --> 00:21:00,649

on a rope while standing in full of

548

00:21:05,769 --> 00:21:03,529

water now I think why in a public place

549

00:21:07,840 --> 00:21:05,779

apparently that's illegal apparently

550

00:21:10,029 --> 00:21:07,850

putting a lighter fluid on the floor of

551

00:21:12,490 --> 00:21:10,039

a club in a 20-foot line then setting

552

00:21:14,769 --> 00:21:12,500

fire to it is illegal and also running

553

00:21:16,870 --> 00:21:14,779

into two-stroke lawn mower in a club

554

00:21:19,000 --> 00:21:16,880

with with no blades we had no blades on

555

00:21:20,830 --> 00:21:19,010

the lawn mower but we did have a fair

556

00:21:21,970 --> 00:21:20,840

bit of exhaust fumes in a club you know

557

00:21:24,880 --> 00:21:21,980

you just don't have to do those things

558

00:21:26,139 --> 00:21:24,890

neha d people what what has happened to

559

00:21:28,690 --> 00:21:26,149

taking your life in your hands when you

560

00:21:30,970 --> 00:21:28,700

go to the club so we couldn't do any

561

00:21:33,039 --> 00:21:30,980

that but we did a man club recently at

562

00:21:34,930 --> 00:21:33,049

consolas and we had a lot of fun there

563

00:21:36,750 --> 00:21:34,940

and we've got lots of people but because

564

00:21:38,980 --> 00:21:36,760

it runs got what 10 years on them

565

00:21:40,720 --> 00:21:38,990

they're not as big drinkers as I used to

566

00:21:41,490 --> 00:21:40,730

be now I know this just to the drunk

567

00:21:44,970 --> 00:21:41,500

tank

568

00:21:46,950 --> 00:21:44,980

there's a saying that book the think

569

00:21:48,840 --> 00:21:46,960

tank in the skeptic world that you know

570

00:21:50,640 --> 00:21:48,850

is skepticism and alcohol is a bit of

571

00:21:52,680 --> 00:21:50,650

air you know symbiosis is at the moment

572

00:21:55,140 --> 00:21:52,690

I think there is some symbiosis I'm

573

00:21:56,160 --> 00:21:55,150

little bit there um but in the mare club

574

00:21:57,960 --> 00:21:56,170

because the people have a bit older a

575

00:21:59,310 --> 00:21:57,970

bit more sensible instead of having ten

576
00:22:01,680 --> 00:21:59,320
drinks in a night like maybe they used

577
00:22:03,440 --> 00:22:01,690
to that only have three so Bart rate

578
00:22:05,670 --> 00:22:03,450
wasn't sufficient to do it again ah

579
00:22:07,110 --> 00:22:05,680
that's just the point that's okay but

580
00:22:08,850 --> 00:22:07,120
the great thing is I get to keep all the

581
00:22:10,920 --> 00:22:08,860
inflatables all the props and I've got a

582
00:22:12,870 --> 00:22:10,930
six-foot palm tree in my lounge room now

583
00:22:14,370 --> 00:22:12,880
that it's just fantastic it's great it's

584
00:22:15,660 --> 00:22:14,380
just sitting there it looks good so I

585
00:22:17,370 --> 00:22:15,670
get the cable of prop so that's a good

586
00:22:19,980 --> 00:22:17,380
thing but you did set fire to a photo

587
00:22:21,930 --> 00:22:19,990
didn't you make one not illegal well

588
00:22:23,490 --> 00:22:21,940

that was a bit on the edge well we

589

00:22:25,860 --> 00:22:23,500

actually we met a bit further than that

590

00:22:28,920 --> 00:22:25,870

I thought look we need a pinata so why

591

00:22:31,800 --> 00:22:28,930

not a posh spice pinata baby victoria

592

00:22:33,510 --> 00:22:31,810

beckham pinata full of lollies which is

593

00:22:35,670 --> 00:22:33,520

more than she's been for a long time yes

594

00:22:37,860 --> 00:22:35,680

so we haven't we had a girl cop with

595

00:22:39,420 --> 00:22:37,870

high heels and get stuck into the the

596

00:22:41,130 --> 00:22:39,430

posh spice pinata and it worked quite

597

00:22:42,510 --> 00:22:41,140

well and of course we played some spice

598

00:22:44,910 --> 00:22:42,520

girls after it and then we played some

599

00:22:46,500 --> 00:22:44,920

bras and then we played some guru Josh

600

00:22:47,850 --> 00:22:46,510

you know we played all the music is

601
00:22:49,560 --> 00:22:47,860
expressed maybe that's why the night

602
00:22:52,500 --> 00:22:49,570
didn't go so well maybe you think it was

603
00:22:53,580 --> 00:22:52,510
the 90s music the eighties eighties

604
00:22:54,990 --> 00:22:53,590
nineties music might have been the

605
00:22:56,310 --> 00:22:55,000
problem there but like I mean if you go

606
00:22:58,290 --> 00:22:56,320
out and you don't hear brass tune

607
00:23:00,450 --> 00:22:58,300
listener you have met a good night no I

608
00:23:02,580 --> 00:23:00,460
mean I'm going to spend our ballet on

609
00:23:04,320 --> 00:23:02,590
Sunday night well nobody and tears for

610
00:23:06,810 --> 00:23:04,330
fears I was gonna say be the big kicker

611
00:23:08,970 --> 00:23:06,820
for that is I wasn't about Spandau

612
00:23:10,230 --> 00:23:08,980
Ballet bit Tears for Fears and spanned

613
00:23:12,300 --> 00:23:10,240

over together that's a pretty good

614

00:23:14,520 --> 00:23:12,310

combination yeah I had I had to go for

615

00:23:16,020 --> 00:23:14,530

that I'm what other people do you think

616

00:23:17,970 --> 00:23:16,030

you'll see there I mean what type of

617

00:23:20,010 --> 00:23:17,980

people do you think you'll see ya single

618

00:23:22,740 --> 00:23:20,020

mums you think you'll see divorcee is

619

00:23:24,630 --> 00:23:22,750

you think you'll see single people still

620

00:23:26,460 --> 00:23:24,640

bitter um what do you think you'll see I

621

00:23:28,950 --> 00:23:26,470

think I'll say some bitter single people

622

00:23:30,900 --> 00:23:28,960

and I'll probably say some maybe some

623

00:23:32,340 --> 00:23:30,910

more fluorescent colors you know how

624

00:23:34,710 --> 00:23:32,350

that like the fashions come back a

625

00:23:36,000 --> 00:23:34,720

little bit of the 80s hasn't it maybe

626

00:23:38,370 --> 00:23:36,010

we'll see some young people with fluro

627

00:23:40,470 --> 00:23:38,380

pink socks I took a date along Tudor and

628

00:23:42,360 --> 00:23:40,480

um when they were here and and she

629

00:23:44,190 --> 00:23:42,370

dressed up in full new romantic gasps

630

00:23:45,690 --> 00:23:44,200

sort of outfits a thing like what you

631

00:23:48,600 --> 00:23:45,700

would have sort of seen any human league

632

00:23:50,460 --> 00:23:48,610

film clip oh yes and and she'll crepe it

633

00:23:52,020 --> 00:23:50,470

but everyone else is just looking normal

634

00:23:54,000 --> 00:23:52,030

like people weren't weren't taking the

635

00:23:54,930 --> 00:23:54,010

whole thing seriously and I don't see

636

00:23:56,040 --> 00:23:54,940

why you can't a bit of

637

00:23:57,630 --> 00:23:56,050

with your past I mean that's what I've

638

00:23:59,160 --> 00:23:57,640

done on my life ya know you've got to

639

00:24:01,830 --> 00:23:59,170

take it seriously I've got to get out my

640

00:24:03,810 --> 00:24:01,840

my my crunchies and my fluoride pink

641

00:24:05,910 --> 00:24:03,820

socks i think for sunday and what will

642

00:24:08,610 --> 00:24:05,920

be your favorite that to severe song

643

00:24:10,710 --> 00:24:08,620

well i'm a bit partial to everybody

644

00:24:12,600 --> 00:24:10,720

wants to rule the world no it's not my

645

00:24:13,800 --> 00:24:12,610

favorite but the later one the one that

646

00:24:15,630 --> 00:24:13,810

was out when I was actually doing triple

647

00:24:18,510 --> 00:24:15,640

j breakfast was sowing the seeds of love

648

00:24:21,540 --> 00:24:18,520

yes last big it like it's like I'm the

649

00:24:23,880 --> 00:24:21,550

walrus yeah it's and also mother's talk

650

00:24:24,960 --> 00:24:23,890

I like that one worker and that's like

651

00:24:26,520 --> 00:24:24,970

that's an album track you know I'm

652

00:24:28,320 --> 00:24:26,530

getting its queuing am being a skeptic

653

00:24:31,170 --> 00:24:28,330

you would be aware of how they got their

654

00:24:33,750 --> 00:24:31,180

name and the tears for fears is based on

655

00:24:35,340 --> 00:24:33,760

some sort of therapy reversion therapy

656

00:24:36,930 --> 00:24:35,350

or something like that that's how I got

657

00:24:38,580 --> 00:24:36,940

their name I didn't know it in fact I

658

00:24:40,410 --> 00:24:38,590

even heard a rumor that actually started

659

00:24:42,690 --> 00:24:40,420

a band to get money so they could do the

660

00:24:45,090 --> 00:24:42,700

therapy but I'm not quite really I'm not

661

00:24:47,130 --> 00:24:45,100

sure that's a very weird motivation for

662

00:24:48,000 --> 00:24:47,140

starting a band to go into some therapy

663

00:24:49,320 --> 00:24:48,010

there and I don't even know if it's

664

00:24:52,800 --> 00:24:49,330

quick there it'd be a real therapy I'm

665

00:24:54,810 --> 00:24:52,810

sure we'll have to get what is it the

666

00:24:58,230 --> 00:24:54,820

quack cast onto that because also also

667

00:25:01,350 --> 00:24:58,240

one of my favorite podcast yeah he's

668

00:25:03,210 --> 00:25:01,360

fantastic pretty so when are we can i

669

00:25:05,190 --> 00:25:03,220

maybe see you coming to some conventions

670

00:25:07,290 --> 00:25:05,200

and stuff may know that oh look i'm a

671

00:25:09,090 --> 00:25:07,300

big fan of skeptics guy big fan of

672

00:25:10,830 --> 00:25:09,100

skeptics guide to the universe and i

673

00:25:13,350 --> 00:25:10,840

believe all those guys are coming here

674

00:25:15,750 --> 00:25:13,360

for tam so is it Tim have you it is time

675

00:25:17,010 --> 00:25:15,760

yeah Australia I'm pretty interested in

676

00:25:18,570 --> 00:25:17,020

coming on to that I think that would be

677

00:25:21,180 --> 00:25:18,580

fantastic even if I just went around and

678

00:25:23,430 --> 00:25:21,190

did some did some podcasts and shows on

679

00:25:25,500 --> 00:25:23,440

it because some we had this thing here

680

00:25:26,970 --> 00:25:25,510

before no this is the first time this is

681

00:25:30,240 --> 00:25:26,980

the first time town will be in Australia

682

00:25:31,740 --> 00:25:30,250

Wow yeah I would like to go to that

683

00:25:32,700 --> 00:25:31,750

because I went all the skeptics get

684

00:25:34,800 --> 00:25:32,710

together I want to see what they're like

685

00:25:36,810 --> 00:25:34,810

yeah i mean like them skeptics have a

686

00:25:40,050 --> 00:25:36,820

reputation as being a bit intense yes

687

00:25:42,330 --> 00:25:40,060

and and and a bit geeky and and i think

688

00:25:43,740 --> 00:25:42,340

you know that that's a bad I mean yeah

689

00:25:45,390 --> 00:25:43,750

sure there's that aspect tube what's

690

00:25:46,800 --> 00:25:45,400

what besides what is wrong with that

691

00:25:48,780 --> 00:25:46,810

what's wrong with being intense and

692

00:25:50,100 --> 00:25:48,790

geeky more Robert I say look like

693

00:25:51,840 --> 00:25:50,110

whenever guest said a while ago about

694

00:25:54,510 --> 00:25:51,850

being a you know an atheist stop being

695

00:25:56,840 --> 00:25:54,520

agnostic be an atheist dog you know you

696

00:25:59,340 --> 00:25:56,850

know pick a side and prepare to lose

697

00:26:00,840 --> 00:25:59,350

friends I think that is a great quote I

698

00:26:03,990 --> 00:26:00,850

think that's right i mean i've only sort

699

00:26:05,670 --> 00:26:04,000

of really said yes i'm an atheist in the

700

00:26:06,870 --> 00:26:05,680

last year because i've just said I've an

701
00:26:07,500 --> 00:26:06,880
agnostic for so long and I thought I

702
00:26:09,030 --> 00:26:07,510
hang on a minute

703
00:26:11,730 --> 00:26:09,040
yeah I better like make a decision on

704
00:26:14,520 --> 00:26:11,740
this and and it wasn't Richard Dawkins

705
00:26:17,250 --> 00:26:14,530
to change my mind it wasn't it was Dylan

706
00:26:19,890 --> 00:26:17,260
Moran was it really comic Dylan

707
00:26:21,750 --> 00:26:19,900
Magdalene he black books fame you had a

708
00:26:23,130 --> 00:26:21,760
lot in his show he said he used to be a

709
00:26:25,380 --> 00:26:23,140
Catholic or something and he said and he

710
00:26:28,170 --> 00:26:25,390
said is it that stuff being an agnostic

711
00:26:29,040 --> 00:26:28,180
you know it like you know you're still

712
00:26:30,180 --> 00:26:29,050
going to go to hell if you're an

713
00:26:31,740 --> 00:26:30,190

agnostic and you get up there and

714

00:26:33,570 --> 00:26:31,750

there's a heaven I thought well you're

715

00:26:35,490 --> 00:26:33,580

right about a pic at annex basically is

716

00:26:37,230 --> 00:26:35,500

his way of saying pick a side so okay

717

00:26:39,990 --> 00:26:37,240

I'll go with the atheists they seem like

718

00:26:41,430 --> 00:26:40,000

much more fun yeah fair enough to well

719

00:26:42,780 --> 00:26:41,440

thanks very much for joining us later

720

00:26:45,900 --> 00:26:42,790

I'll look I'm sure I'll pretty much

721

00:26:48,180 --> 00:26:45,910

advance the cause of skepticism in it

722

00:26:49,980 --> 00:26:48,190

not at all I'll probably taking it back

723

00:26:52,200 --> 00:26:49,990

a little bit but look you can check out

724

00:26:53,820 --> 00:26:52,210

what I'm doing on Maynard calmed are you

725

00:26:55,410 --> 00:26:53,830

and through there there's links to all

726
00:26:56,760 --> 00:26:55,420
the podcasts I mentioned the no agenda

727
00:26:58,290 --> 00:26:56,770
show look at his battle at saw stuff

728
00:27:01,740 --> 00:26:58,300
there's also Maynard TV where I

729
00:27:04,190 --> 00:27:01,750
highlight video each week of Maya of my

730
00:27:06,750 --> 00:27:04,200
illustrious and embarrassing past

731
00:27:08,040 --> 00:27:06,760
mentorship and end at the moment we've

732
00:27:09,960 --> 00:27:08,050
got an interview with Tim Ferguson up

733
00:27:12,570 --> 00:27:09,970
now Tim Ferguson used to be with the dog

734
00:27:14,220 --> 00:27:12,580
Anthony All Stars and he's just written

735
00:27:18,270 --> 00:27:14,230
a book called the cheeky monkey on his

736
00:27:19,680 --> 00:27:18,280
history on his theory of comedy and that

737
00:27:21,360 --> 00:27:19,690
makes a real good interview if you

738
00:27:23,160 --> 00:27:21,370

interested in how to write comedy and

739

00:27:24,870 --> 00:27:23,170

also what's Tim Ferguson doing he's not

740

00:27:26,400 --> 00:27:24,880

dead either he's still looking at albert

741

00:27:27,750 --> 00:27:26,410

well the last I remember him was don't

742

00:27:30,270 --> 00:27:27,760

forget your toothbrush remember that

743

00:27:32,220 --> 00:27:30,280

television show exactly and the weird

744

00:27:35,070 --> 00:27:32,230

thing is as I mentioned with him I often

745

00:27:36,390 --> 00:27:35,080

get mistaken for Tim Ferguson only

746

00:27:37,890 --> 00:27:36,400

because of my height and I've got dark

747

00:27:40,890 --> 00:27:37,900

hair that is that the only that he's a

748

00:27:42,390 --> 00:27:40,900

much hotter guy than I I believe you me

749

00:27:44,040 --> 00:27:42,400

he's got the jawline that just won't

750

00:27:45,930 --> 00:27:44,050

quit there I had a dirty big crush on

751

00:27:48,660 --> 00:27:45,940

him in the 90s I have to say well I've

752

00:27:49,950 --> 00:27:48,670

got to say he well he probably was the

753

00:27:51,510 --> 00:27:49,960

best-looking member that I got the

754

00:27:53,370 --> 00:27:51,520

all-stars depends on what you want it

755

00:27:55,230 --> 00:27:53,380

was like the good-looking jawline yet

756

00:27:56,430 --> 00:27:55,240

they had the the everyday boy that you

757

00:27:58,170 --> 00:27:56,440

want to take home and you and that was

758

00:28:00,060 --> 00:27:58,180

Richard and light and then there was the

759

00:28:01,170 --> 00:28:00,070

guy that you know the dangerous bad guy

760

00:28:03,240 --> 00:28:01,180

that would go home and drink your blood

761

00:28:04,590 --> 00:28:03,250

and that was paul mcdermott yeah Jenny

762

00:28:06,000 --> 00:28:04,600

had all three of them in the one group

763

00:28:07,650 --> 00:28:06,010

that no one of the girls loved anything

764

00:28:09,750 --> 00:28:07,660

else does so I've got interview Tim

765

00:28:11,550 --> 00:28:09,760

Ferguson on the Maynard's malaise

766

00:28:12,780 --> 00:28:11,560

podcast available on iTunes everything

767

00:28:14,730 --> 00:28:12,790

stuff in that but you know it just

768

00:28:16,410 --> 00:28:14,740

depends on what I'm up to and I put

769

00:28:17,640 --> 00:28:16,420

different things on them and you can

770

00:28:19,200 --> 00:28:17,650

write to been abused me don't worry oh

771

00:28:19,560 --> 00:28:19,210

great okay that's true but you know I

772

00:28:22,680 --> 00:28:19,570

wish I

773

00:28:24,240 --> 00:28:22,690

it's not as you dr. Rachel really well I

774

00:28:26,790 --> 00:28:24,250

would really like that we'll sit down

775

00:28:28,470 --> 00:28:26,800

and use some big words like that but I

776

00:28:30,480 --> 00:28:28,480

had this one practiced for the interview

777

00:28:33,090 --> 00:28:30,490

kind is it yeah you can please Dave I

778

00:28:36,060 --> 00:28:33,100

feel belief in transubstantiation is

779

00:28:39,030 --> 00:28:36,070

unsubstantiated there how does that

780

00:28:40,770 --> 00:28:39,040

sound I spent all night on Wikipedia

781

00:28:42,450 --> 00:28:40,780

just so i can say that kind of thing I

782

00:28:44,300 --> 00:28:42,460

saw you with twittering that you were I

783

00:28:47,400 --> 00:28:44,310

need a big word so that

784

00:28:49,290 --> 00:28:47,410

transubstantiation and the belief of not

785

00:28:52,560 --> 00:28:49,300

that a non belief in that is what I

786

00:28:53,640 --> 00:28:52,570

would push there was one other word that

787

00:28:55,170 --> 00:28:53,650

you shared with me do you want to share

788

00:28:56,940 --> 00:28:55,180

that with Alison well this is actually

789

00:28:59,550 --> 00:28:56,950

from tim ferguson because I said to Tim

790

00:29:01,770 --> 00:28:59,560

what's an unusual word we could use in

791

00:29:05,970 --> 00:29:01,780

everyday conversation as a hue bit of

792

00:29:11,480 --> 00:29:05,980

humor and he said for nord if n 0 rd and

793

00:29:14,820 --> 00:29:11,490

it's a bit hard to explain basically i

794

00:29:17,580 --> 00:29:14,830

think of the the coke lobo think of the

795

00:29:19,920 --> 00:29:17,590

coke logo the the font of the coke logo

796

00:29:24,090 --> 00:29:19,930

now if you change that to for it to

797

00:29:26,460 --> 00:29:24,100

serve say enjoy cocaine or enjoy [h__h]

798

00:29:28,560 --> 00:29:26,470

and I've seen both of those that would

799

00:29:31,200 --> 00:29:28,570

be a Ford because you've typographically

800

00:29:32,550 --> 00:29:31,210

change something in the same font to say

801
00:29:34,980 --> 00:29:32,560
something different you've subverted it

802
00:29:37,140 --> 00:29:34,990
now it probably has a meaning deeper

803
00:29:39,810 --> 00:29:37,150
than that but visually that's what it

804
00:29:42,690 --> 00:29:39,820
means so if someone was doing a Ford um

805
00:29:44,310 --> 00:29:42,700
I butter here if you're doing a Ford you

806
00:29:45,740 --> 00:29:44,320
basically tapping away at the computer

807
00:29:49,440 --> 00:29:45,750
so it's not interesting but it is work

808
00:29:51,570 --> 00:29:49,450
well for noting away like you would not

809
00:29:52,920 --> 00:29:51,580
believe so it still can be used

810
00:29:54,420 --> 00:29:52,930
comically well there's something that

811
00:29:55,680 --> 00:29:54,430
our list is probably didn't know so

812
00:29:57,420 --> 00:29:55,690
there you're smart enough to tell them

813
00:30:00,510 --> 00:29:57,430

something new okay okay yeah

814

00:30:04,290 --> 00:30:00,520

transubstantiation is unsubstantiated I

815

00:30:05,940 --> 00:30:04,300

love that Thank You Man our dough for

816

00:30:07,800 --> 00:30:05,950

849

00:32:19,580 --> 00:32:17,100

well actually he's gone down to Aubrey

850

00:32:22,430 --> 00:32:19,590

to spend some time with our voiceover

851

00:32:25,519 --> 00:32:22,440

man Jim will cheer and it's actually

852

00:32:27,049 --> 00:32:25,529

Jim's birthday today so they're having a

853

00:32:30,470 --> 00:32:27,059

barbecue right now and I've not only

854

00:32:32,570 --> 00:32:30,480

sausages in topsham yeah so happy

855

00:32:36,739 --> 00:32:32,580

birthday to gym yeah yeah we go Jay

856

00:32:38,710 --> 00:32:36,749

happy birthday and so so who's doing the

857

00:32:48,529 --> 00:32:38,720

voice overs when it comes up party Oh

858

00:32:50,629 --> 00:32:48,539

Jamal didn't later fix it defi um before

859

00:32:53,869 --> 00:32:50,639

we just get stuck into some news items

860

00:32:57,690 --> 00:32:53,879

this week I received on tuesday i

861

00:33:06,930 --> 00:33:05,399

yeah well before you give that away you

862

00:33:10,320 --> 00:33:06,940

don't know the story you're right no I

863

00:33:13,799 --> 00:33:10,330

don't oh okay um it's it's a glass place

864

00:33:15,539 --> 00:33:13,809

it sitting around on a five sides for

865

00:33:18,180 --> 00:33:15,549

the benefit of listeners rachy is

866

00:33:21,180 --> 00:33:18,190

gesturing the size this is no use to you

867

00:33:23,940 --> 00:33:21,190

at all and said a 55 okay I don't know

868

00:33:25,649 --> 00:33:23,950

it's like an 8 by 10 inch roughly and

869

00:33:27,990 --> 00:33:25,659

it's engraved the glaston grace

870

00:33:29,460 --> 00:33:28,000

universal sandblasting look that you can

871

00:33:33,060 --> 00:33:29,470

can you tell you something about the

872

00:33:34,860 --> 00:33:33,070

wrapping why the the wrapping is fine

873

00:33:36,810 --> 00:33:34,870

what you're inferring is not actually

874

00:33:38,730 --> 00:33:36,820

what was wrong with it what was actually

875

00:33:43,740 --> 00:33:38,740

wrong with it was they misspelled my

876

00:33:47,580 --> 00:33:43,750

name before in the awards so most my

877

00:33:49,799 --> 00:33:47,590

name is spelt with an AE L not an AI and

878

00:33:50,909 --> 00:33:49,809

somebody who engraved it obviously

879

00:33:53,490 --> 00:33:50,919

wasn't paying very much attention

880

00:33:56,610 --> 00:33:53,500

because interestingly it came packed

881

00:33:59,250 --> 00:33:56,620

very well perhaps because it's glass so

882

00:34:01,710 --> 00:33:59,260

it has three shipping dockets on it all

883

00:34:04,620 --> 00:34:01,720

struck correctly it had a little sticker

884

00:34:06,810 --> 00:34:04,630

spelt correctly within the packaging was

885

00:34:09,720 --> 00:34:06,820

the program from the night spoke

886

00:34:12,089 --> 00:34:09,730

correctly everything else if even the

887

00:34:14,069 --> 00:34:12,099

box that the trophy came in had my name

888

00:34:16,859 --> 00:34:14,079

written twice in thick black texture

889

00:34:19,770 --> 00:34:16,869

spelt correctly and then when I opened

890

00:34:21,149 --> 00:34:19,780

it up there was no a and then yeah I

891

00:34:23,369 --> 00:34:21,159

think I think you should join the group

892

00:34:24,450 --> 00:34:23,379

on facebook that i joined people will

893

00:34:28,290 --> 00:34:24,460

always have to spell their names to

894

00:34:37,889 --> 00:34:28,300

other people oh yeah maybe but I mean

895

00:34:41,520 --> 00:34:37,899

sometimes lowest aj pey the other guy

896

00:34:45,750 --> 00:34:41,530

from Australia who got his and at 27 B /

897

00:34:48,419 --> 00:34:45,760

6 here's came in three pieces so I guess

898

00:34:49,950 --> 00:34:48,429

I should be grateful that it's not in

899

00:34:51,839 --> 00:34:49,960

three pieces and also it doesn't say

900

00:34:55,720 --> 00:34:51,849

mikkola or Mike Adams so you know

901
00:34:58,480 --> 00:34:55,730
exactly there's always an upside yeah

902
00:34:59,740 --> 00:34:58,490
so Debbie you tweeted the shorties and

903
00:35:03,460 --> 00:34:59,750
asked them to give me another one's a

904
00:35:04,750 --> 00:35:03,470
few people did that children yeah well I

905
00:35:06,550 --> 00:35:04,760
don't know if I should follow it up I

906
00:35:09,370 --> 00:35:06,560
feel a bit the book dr. Rachel done up

907
00:35:10,930 --> 00:35:09,380
on it no the did more there's a lot

908
00:35:12,460 --> 00:35:10,940
luckier honorific on them we're

909
00:35:15,370 --> 00:35:12,470
definitely giving this face it just says

910
00:35:17,560 --> 00:35:15,380
Rachel Dunlop oh maybe it's not even you

911
00:35:20,320 --> 00:35:17,570
another Rachel someone else I want the

912
00:35:21,490 --> 00:35:20,330
shirt but without a net yeah maybe it's

913
00:35:25,900 --> 00:35:21,500

just a silly to it's a popularity

914

00:35:28,210 --> 00:35:25,910

contest yeah who cares i'm going to say

915

00:35:29,680 --> 00:35:28,220

my toys out of the pram but it's really

916

00:35:31,810 --> 00:35:29,690

impressive looking trophy yes i would

917

00:35:33,730 --> 00:35:31,820

have brought it tonight oh I forgot that

918

00:35:36,190 --> 00:35:33,740

neither worked well on an audio podcast

919

00:35:37,900 --> 00:35:36,200

well I'm just bragging you know in

920

00:35:39,849 --> 00:35:37,910

bragging rights just hugging it while we

921

00:35:42,880 --> 00:35:39,859

do the pocket well don't give a [h__h]

922

00:35:45,660 --> 00:35:42,890

well done indeed thank you thank you I

923

00:35:49,950 --> 00:35:45,670

got I got you guys here in particular

924

00:35:51,910 --> 00:35:49,960

Jason and happy to talk about the ethics

925

00:35:54,160 --> 00:35:51,920

trials that are going on in New South

926

00:35:55,630 --> 00:35:54,170

Wales schools and because you guys know

927

00:35:57,820 --> 00:35:55,640

a fair bit about this and around us as

928

00:35:59,500 --> 00:35:57,830

well Donatello Anastos about that yeah

929

00:36:01,510 --> 00:35:59,510

anybody who wants to know a bit more

930

00:36:03,460 --> 00:36:01,520

background information by the way it's

931

00:36:07,210 --> 00:36:03,470

actually the top story on skeptics like

932

00:36:10,320 --> 00:36:07,220

under to you at the moment I might blog

933

00:36:15,370 --> 00:36:10,330

about it on Dave the happy singer calm

934

00:36:18,250 --> 00:36:15,380

probably show up on skeptical well this

935

00:36:21,280 --> 00:36:18,260

is a story that goes back a fair way now

936

00:36:23,290 --> 00:36:21,290

but if the situation in Australian

937

00:36:24,550 --> 00:36:23,300

schools is that the churches are allowed

938

00:36:27,310 --> 00:36:24,560

to come in and offer what they call

939

00:36:28,780 --> 00:36:27,320

special religious education which is not

940

00:36:31,450 --> 00:36:28,790

a comparative religion course an

941

00:36:33,790 --> 00:36:31,460

objective look at what religious people

942

00:36:37,150 --> 00:36:33,800

believe but it's taught by ministers and

943

00:36:38,470 --> 00:36:37,160

it is a scripture class and quite

944

00:36:40,870 --> 00:36:38,480

rightly the kids are allowed to opt out

945

00:36:42,220 --> 00:36:40,880

of it but those children who opt out of

946

00:36:43,810 --> 00:36:42,230

Scripture aren't allowed to be given

947

00:36:45,130 --> 00:36:43,820

anything useful to do in that time so

948

00:36:48,820 --> 00:36:45,140

they've got to twiddle their thumbs or

949

00:36:49,840 --> 00:36:48,830

play computer games they're not even

950

00:36:51,070 --> 00:36:49,850

really allowed to go out in the

951
00:36:52,690 --> 00:36:51,080
playground and play football because

952
00:36:55,960 --> 00:36:52,700
they need supervision for that yeah

953
00:36:59,770 --> 00:36:55,970
[h__h] go to the library and so no matter

954
00:37:01,150 --> 00:36:59,780
how you feel about having ministers

955
00:37:03,280 --> 00:37:01,160
coming into schools in the first place

956
00:37:05,840 --> 00:37:03,290
the the situation is it is now isn't

957
00:37:08,960 --> 00:37:05,850
great so the sim James ethic center

958
00:37:11,540 --> 00:37:08,970
which is a ethical think tank here in

959
00:37:14,030 --> 00:37:11,550
Australia proposed a secular alternative

960
00:37:16,900 --> 00:37:14,040
to scripture classes which is a course

961
00:37:20,830 --> 00:37:16,910
doing an introduction to ethics and the

962
00:37:23,320 --> 00:37:20,840
course outline briefly is to give

963
00:37:26,540 --> 00:37:23,330

something for the non-religious kids

964

00:37:28,400 --> 00:37:26,550

time to learn to think about what's

965

00:37:30,020 --> 00:37:28,410

right and wrong because ethics is a part

966

00:37:33,380 --> 00:37:30,030

of the special religious education

967

00:37:35,420 --> 00:37:33,390

alongside the brainwashing so the basic

968

00:37:38,000 --> 00:37:35,430

course is to talk about a question of

969

00:37:42,620 --> 00:37:38,010

what i want to do to use dialogue to

970

00:37:44,420 --> 00:37:42,630

resolve that to develop the basically

971

00:37:46,730 --> 00:37:44,430

the reasoning that we apply to ethical

972

00:37:48,290 --> 00:37:46,740

questions and i think that not every

973

00:37:51,050 --> 00:37:48,300

member of The Skeptical movement is also

974

00:37:53,150 --> 00:37:51,060

you know a member of this atheist

975

00:37:56,900 --> 00:37:53,160

movement and I'm one with a happy foot

976
00:38:00,230 --> 00:37:56,910
in both camps as you know but this is an

977
00:38:02,060 --> 00:38:00,240
issue whether they're offering an

978
00:38:04,190 --> 00:38:02,070
alternative to sitting in a photocopying

979
00:38:06,620 --> 00:38:04,200
room and that alternative is thinking

980
00:38:09,110 --> 00:38:06,630
about things discussing things reasoning

981
00:38:10,280 --> 00:38:09,120
trying to figure out what's what's right

982
00:38:12,620 --> 00:38:10,290
and wrong and I think this is one issue

983
00:38:14,180 --> 00:38:12,630
where you know we really do need to

984
00:38:16,370 --> 00:38:14,190
speak with one voice particularly

985
00:38:19,070 --> 00:38:16,380
because the religious is specifically

986
00:38:21,530 --> 00:38:19,080
the Christian backlash has been huge

987
00:38:23,720 --> 00:38:21,540
really quite oh it's also probably

988
00:38:25,490 --> 00:38:23,730

important to note this is not an atheism

989

00:38:27,800 --> 00:38:25,500

class okay this is simply an alternative

990

00:38:30,260 --> 00:38:27,810

it's a secular alternative secular not a

991

00:38:34,130 --> 00:38:30,270

theistic an AC ism class would be pretty

992

00:38:35,990 --> 00:38:34,140

short but the thing is it's not and it's

993

00:38:37,400 --> 00:38:36,000

not bro it's not competition in the

994

00:38:39,170 --> 00:38:37,410

sense that they're talking against

995

00:38:40,490 --> 00:38:39,180

religion this is competition in the

996

00:38:42,680 --> 00:38:40,500

sense that it's something alternative

997

00:38:44,810 --> 00:38:42,690

for the kids to do and then churches or

998

00:38:47,510 --> 00:38:44,820

power objective is yearly however I

999

00:38:49,790 --> 00:38:47,520

think that the church is quite correctly

1000

00:38:52,910 --> 00:38:49,800

realized that if children are given the

1001
00:38:56,210 --> 00:38:52,920
option of going to scripture classes or

1002
00:38:57,770 --> 00:38:56,220
go into a secular class whether talking

1003
00:39:00,640 --> 00:38:57,780
about these things and discussing these

1004
00:39:03,329 --> 00:39:00,650
things I think the children

1005
00:39:06,400 --> 00:39:03,339
would would too far under the church

1006
00:39:07,779 --> 00:39:06,410
notice already the church has got really

1007
00:39:09,880 --> 00:39:07,789
angry about this will they have

1008
00:39:14,650 --> 00:39:09,890
archbishop peter jensen that this is a V

1009
00:39:16,569 --> 00:39:14,660
of the Anglican tribe he met the

1010
00:39:18,130 --> 00:39:16,579
Education Department to express concern

1011
00:39:20,019 --> 00:39:18,140
that enrollments for religion classes

1012
00:39:24,760 --> 00:39:20,029
might drop as a result of ethics classes

1013
00:39:26,319 --> 00:39:24,770

diddums but he said it'd be warned if

1014

00:39:28,029 --> 00:39:26,329

government allows this course to

1015

00:39:29,710 --> 00:39:28,039

continue after the trial it will

1016

00:39:33,430 --> 00:39:29,720

jeopardize religious education in public

1017

00:39:35,500 --> 00:39:33,440

schools yes without such without such a

1018

00:39:40,410 --> 00:39:35,510

religious component public schools will

1019

00:39:45,339 --> 00:39:43,150

we're talking about public schools we're

1020

00:39:48,160 --> 00:39:45,349

not talking about legal go we're talking

1021

00:39:50,710 --> 00:39:48,170

about public schools yeah yeah fire I

1022

00:39:52,450 --> 00:39:50,720

mean we can go back to basic economics

1023

00:39:55,059 --> 00:39:52,460

here you know mr. Jensen improve your

1024

00:39:58,539 --> 00:39:55,069

product yeah don't apply I had to pick

1025

00:39:59,680 --> 00:39:58,549

up your game yeah get them while you get

1026
00:40:01,960 --> 00:39:59,690
them while they're young but the other

1027
00:40:05,559 --> 00:40:01,970
thing David that's been happening is

1028
00:40:07,170 --> 00:40:05,569
that the church has been trying to have

1029
00:40:10,180 --> 00:40:07,180
input into what's in the classes right

1030
00:40:12,190 --> 00:40:10,190
I've been interfering quite a lot yes we

1031
00:40:15,670 --> 00:40:12,200
lobbied for yes the archbishop as well

1032
00:40:17,710 --> 00:40:15,680
as having basically what is a lot of

1033
00:40:20,079 --> 00:40:17,720
juvenile blog post every month actually

1034
00:40:22,420 --> 00:40:20,089
printed in the newspapers where he tends

1035
00:40:24,460 --> 00:40:22,430
to rant about atheists but he's also

1036
00:40:26,230 --> 00:40:24,470
privately lobbied the prime minister of

1037
00:40:28,390 --> 00:40:26,240
New South Wales he's met with her in

1038
00:40:30,309 --> 00:40:28,400

perennial I don't have a prime minister

1039

00:40:32,319 --> 00:40:30,319

I was it not well premier Kristina

1040

00:40:37,000 --> 00:40:32,329

Keneally that's the lady there with you

1041

00:40:38,680 --> 00:40:37,010

behaving and I don't know the headline

1042

00:40:40,450 --> 00:40:38,690

here is connealy allows a lot Anglican

1043

00:40:42,309 --> 00:40:40,460

Church to vet content of ethics lessons

1044

00:40:43,779 --> 00:40:42,319

if you actually read into it it just

1045

00:40:46,029 --> 00:40:43,789

said the government would contact the

1046

00:40:49,089 --> 00:40:46,039

anglican diocese regarding their input

1047

00:40:52,289 --> 00:40:49,099

into the trial so I don't that then with

1048

00:40:55,599 --> 00:40:52,299

the garden and say no you have none I

1049

00:40:58,299 --> 00:40:55,609

well exactly however what did happen was

1050

00:41:00,819 --> 00:40:58,309

that the

1051

00:41:04,900 --> 00:41:00,829

Jensen along with his Catholic

1052

00:41:06,489 --> 00:41:04,910

counterpart did the fire up a little bit

1053

00:41:11,019 --> 00:41:06,499

of an a favor of a letter-writing

1054

00:41:12,759 --> 00:41:11,029

campaign to get get their parishioners

1055

00:41:17,130 --> 00:41:12,769

to to write and complain about this

1056

00:41:20,650 --> 00:41:17,140

attic strong and with moderate success

1057

00:41:24,160 --> 00:41:20,660

penny Sharpe who's a Labour MP who is

1058

00:41:25,179 --> 00:41:24,170

also very into the Facebook and the

1059

00:41:28,269 --> 00:41:25,189

Twitter and she's very approachable

1060

00:41:32,589 --> 00:41:28,279

online she received driving some 60 odd

1061

00:41:33,999 --> 00:41:32,599

emails once these came out we decided it

1062

00:41:36,519 --> 00:41:34,009

was time to send some emails ourselves

1063

00:41:39,370 --> 00:41:36,529

and about four times the number five

1064

00:41:41,679 --> 00:41:39,380

times when I'm look probably about 60

1065

00:41:45,549 --> 00:41:41,689

odd friend request on facebook yeah from

1066

00:41:47,499 --> 00:41:45,559

us and dozens or tweets and hundreds of

1067

00:41:50,259 --> 00:41:47,509

email but the interesting thing was she

1068

00:41:51,489 --> 00:41:50,269

did give us some stats on here it

1069

00:41:53,469 --> 00:41:51,499

contacted and the people who are

1070

00:41:55,959 --> 00:41:53,479

opposing the trial almost exclusively

1071

00:41:59,739 --> 00:41:55,969

row by email where's the flood of people

1072

00:42:02,529 --> 00:41:59,749

supporting this 10 week trial / ethics

1073

00:42:04,529 --> 00:42:02,539

classes in schools came from Twitter and

1074

00:42:06,880 --> 00:42:04,539

Facebook as well as for an email so

1075

00:42:11,349 --> 00:42:06,890

perhaps there's a sign of a generational

1076

00:42:14,859 --> 00:42:11,359

gap there between those who are opposing

1077

00:42:18,609 --> 00:42:14,869

this ethics trial so the ones who

1078

00:42:21,339 --> 00:42:18,619

opposed came from email just email she

1079

00:42:23,169 --> 00:42:21,349

she got about 60 lousy mother yeah good

1080

00:42:26,259 --> 00:42:23,179

emails and when it came to people who

1081

00:42:27,849 --> 00:42:26,269

were writing to say no we support this

1082

00:42:30,489 --> 00:42:27,859

this is fantastic please don't let your

1083

00:42:32,349 --> 00:42:30,499

colleagues be alright by this that was

1084

00:42:34,299 --> 00:42:32,359

no when we went to pinterest and that

1085

00:42:37,689 --> 00:42:34,309

was that was much more kind of facebook

1086

00:42:38,919 --> 00:42:37,699

and twitter as well as being yeah which

1087

00:42:40,150 --> 00:42:38,929

i thought was very interesting as well

1088

00:42:45,009 --> 00:42:40,160

as the sheer numbers the sheer numbers

1089

00:42:47,559 --> 00:42:45,019

were in this case we did outnumber them

1090

00:42:49,719 --> 00:42:47,569

considerably and i think the reason why

1091

00:42:52,150 --> 00:42:49,729

these clergymen are so terrified about

1092

00:42:56,109 --> 00:42:52,160

this is because they know the parents

1093

00:42:58,460 --> 00:42:56,119

and children unless they're actually

1094

00:43:01,559 --> 00:42:58,470

practicing religious people

1095

00:43:03,240 --> 00:43:01,569

would rather do the ethics trial and I

1096

00:43:05,520 --> 00:43:03,250

think a large number of the kids who are

1097

00:43:07,200 --> 00:43:05,530

doing scripture now doing it because the

1098

00:43:08,790 --> 00:43:07,210

alternative is sitting in a photocopy of

1099

00:43:10,020 --> 00:43:08,800

all yeah we've we've got I've got a

1100

00:43:11,460 --> 00:43:10,030

figure in front of me now from an

1101
00:43:13,620 --> 00:43:11,470
article on the morning herald which says

1102
00:43:16,589 --> 00:43:13,630
that forty-seven percent of kids at

1103
00:43:20,040 --> 00:43:16,599
baulkham hills actually opted for the

1104
00:43:22,680 --> 00:43:20,050
ethics class I'm baulkham hills is the

1105
00:43:24,589 --> 00:43:22,690
the very heartland of hillsong yeah it's

1106
00:43:26,700 --> 00:43:24,599
quite a sort of a very family

1107
00:43:29,280 --> 00:43:26,710
traditional conservative kind of a

1108
00:43:30,990 --> 00:43:29,290
religious area and forty-seven percent

1109
00:43:32,640 --> 00:43:31,000
of the kids were going into the ethics

1110
00:43:35,599 --> 00:43:32,650
class do you know if that correlates to

1111
00:43:38,190 --> 00:43:35,609
how many didn't do any classes perform

1112
00:43:39,900 --> 00:43:38,200
do you know how many kids sandals don't

1113
00:43:42,680 --> 00:43:39,910

know how many opt outs they were or at

1114

00:43:45,300 --> 00:43:42,690

least it's not any article I've got

1115

00:43:46,829 --> 00:43:45,310

that's just to me that that's a lot more

1116

00:43:49,290 --> 00:43:46,839

than what he would have opted out the

1117

00:43:51,210 --> 00:43:49,300

the article talks about a guy called

1118

00:43:53,550 --> 00:43:51,220

Robert had heard from the confraternity

1119

00:43:56,700 --> 00:43:53,560

of Christian doctrine and the Catholic

1120

00:44:00,089 --> 00:43:56,710

Archdiocese of Sydney and he claims that

1121

00:44:02,609 --> 00:44:00,099

he lost a lot of sree kids between term

1122

00:44:03,750 --> 00:44:02,619

one and Tim too so next one yeah whether

1123

00:44:06,960 --> 00:44:03,760

that's actually true or not I don't have

1124

00:44:08,280 --> 00:44:06,970

the figures um yeah it's a pretty

1125

00:44:10,650 --> 00:44:08,290

interesting thing and forty-seven

1126

00:44:12,540 --> 00:44:10,660

percent of kids in a very religious area

1127

00:44:14,309 --> 00:44:12,550

like it yeah I think cause I think they

1128

00:44:17,309 --> 00:44:14,319

had actually said before a small

1129

00:44:18,690 --> 00:44:17,319

correctly that there was a large dropout

1130

00:44:18,840 --> 00:44:18,700

rate when they were given the choice and

1131

00:44:22,620 --> 00:44:18,850

that

1132

00:44:24,720 --> 00:44:22,630

for them adding fuel to learn yeah but

1133

00:44:26,700 --> 00:44:24,730

again you know ridges guys improve your

1134

00:44:29,460 --> 00:44:26,710

product if you wanna sell it interesting

1135

00:44:31,620 --> 00:44:29,470

stuff so Iran what are you peering at

1136

00:44:33,840 --> 00:44:31,630

over there you've got some news from a

1137

00:44:35,880 --> 00:44:33,850

smaller Bailey skeptic yes Israeli

1138

00:44:39,480 --> 00:44:35,890

skeptics got in touch with me because

1139

00:44:41,660 --> 00:44:39,490

somebody heard the skeptics am and she

1140

00:44:45,870 --> 00:44:41,670

recognized the name as Israeli and she

1141

00:44:49,440 --> 00:44:45,880

access the example yes my name her name

1142

00:44:51,750 --> 00:44:49,450

is lot Emilio and she organized the

1143

00:44:54,560 --> 00:44:51,760

first skeptics in the pub in Haifa

1144

00:44:57,840 --> 00:44:54,570

Israel they had more than hundred people

1145

00:45:02,250 --> 00:44:57,850

came the very very first one that's

1146

00:45:05,490 --> 00:45:02,260

pretty good for so yeah yeah I agree

1147

00:45:07,080 --> 00:45:05,500

well translations yeah so and and people

1148

00:45:09,570 --> 00:45:07,090

have been people have come from other

1149

00:45:11,580 --> 00:45:09,580

cities as well and like there's

1150

00:45:15,960 --> 00:45:11,590

obviously huge hunger they're organizing

1151
00:45:18,150 --> 00:45:15,970
more I wish them old success you know

1152
00:45:19,980 --> 00:45:18,160
people who have been reading the skeptic

1153
00:45:22,020 --> 00:45:19,990
magazine well know that i published an

1154
00:45:23,640 --> 00:45:22,030
article there probably about four or

1155
00:45:25,620 --> 00:45:23,650
five years ago and after previous visit

1156
00:45:28,470 --> 00:45:25,630
to israel but I talked about how there's

1157
00:45:31,290 --> 00:45:28,480
no Israeli skeptics seen and there

1158
00:45:33,930 --> 00:45:31,300
wasn't one when I visited less than a

1159
00:45:35,580 --> 00:45:33,940
year ago do I tried to get in touch with

1160
00:45:38,130 --> 00:45:35,590
Israelis get exhaust w get in touch with

1161
00:45:40,500 --> 00:45:38,140
so to hear that there is now a growing

1162
00:45:42,270 --> 00:45:40,510
movement is not a stick she she also got

1163
00:45:44,370 --> 00:45:42,280

me in touch or she got me listening to a

1164

00:45:48,960 --> 00:45:44,380

couple of podcasts in Hebrew including

1165

00:45:50,790 --> 00:45:48,970

one that I want to talk about the name

1166

00:45:53,670 --> 00:45:50,800

of the podcast is affect severe which

1167

00:45:55,440 --> 00:45:53,680

means reasonable doubt which is a which

1168

00:45:58,080 --> 00:45:55,450

is very cute because doubt in Hebrew is

1169

00:46:00,180 --> 00:45:58,090

the same word as skepticism so so really

1170

00:46:01,530 --> 00:46:00,190

it's like yeah so so it's actually it's

1171

00:46:03,480 --> 00:46:01,540

got to kept this is him in the name but

1172

00:46:05,190 --> 00:46:03,490

it's also means reasonable doubt it's a

1173

00:46:06,180 --> 00:46:05,200

little bit like ask you so they've got

1174

00:46:07,890 --> 00:46:06,190

like a few people and they've got

1175

00:46:10,080 --> 00:46:07,900

different segments and they you know

1176
00:46:12,450 --> 00:46:10,090
people have different roles and the one

1177
00:46:15,090 --> 00:46:12,460
guys leading it is named easy lon it's

1178
00:46:16,680 --> 00:46:15,100
only six episodes so far but they're

1179
00:46:19,050 --> 00:46:16,690
really doing very well right from the

1180
00:46:21,810 --> 00:46:19,060
first one they really had it together

1181
00:46:23,310 --> 00:46:21,820
they likely flows very well and I was

1182
00:46:26,070 --> 00:46:23,320
very impressed with what they've done

1183
00:46:29,040 --> 00:46:26,080
there so in episode six your own in his

1184
00:46:30,420 --> 00:46:29,050
rogues gave me the skeptics on podcast

1185
00:46:31,290 --> 00:46:30,430
to shut up so thank you very much for

1186
00:46:34,230 --> 00:46:31,300
that

1187
00:46:37,080 --> 00:46:34,240
I want to in return I want to give a

1188
00:46:48,260 --> 00:46:37,090

shout out hi Jeremy yes I will thank you

1189

00:46:52,620 --> 00:46:50,880

let's just talk a little bit about some

1190

00:46:54,270 --> 00:46:52,630

of our other projects I know you have a

1191

00:46:56,730 --> 00:46:54,280

project Dave don't you what's your one

1192

00:47:00,450 --> 00:46:56,740

cycle Oh will be the new website I just

1193

00:47:06,210 --> 00:47:00,460

learned launched was Catholic blame calm

1194

00:47:12,780 --> 00:47:06,220

which is just a daily updated compendium

1195

00:47:15,540 --> 00:47:12,790

of scapegoats that the the deer Catholic

1196

00:47:21,150 --> 00:47:15,550

Church has blamed this public outrage at

1197

00:47:23,940 --> 00:47:21,160

a child rape on including television the

1198

00:47:26,160 --> 00:47:23,950

internet Google pencil nog raphy the

1199

00:47:29,510 --> 00:47:26,170

gays the gays use to get children

1200

00:47:34,020 --> 00:47:29,520

themselves Satan yellow the victim of

1201

00:47:37,650 --> 00:47:34,030

salvation not the people there's still

1202

00:47:39,180 --> 00:47:37,660

time in fact in fact quite the opposite

1203

00:47:40,740 --> 00:47:39,190

when the whole world was looking at the

1204

00:47:43,710 --> 00:47:40,750

Catholic Church and saying can you show

1205

00:47:45,930 --> 00:47:43,720

us some contrition please the Vatican

1206

00:47:49,500 --> 00:47:45,940

newspapers are what is it L'Osservatore

1207

00:47:54,630 --> 00:47:49,510

Romano said oh the Pope's forgiven the

1208

00:47:56,370 --> 00:47:54,640

Beatles 44 years after John Lennon said

1209

00:47:59,130 --> 00:47:56,380

quite accurately that Christianity was

1210

00:48:01,980 --> 00:47:59,140

probably going to diminish in its

1211

00:48:05,000 --> 00:48:01,990

influence in the future so well done

1212

00:48:07,470 --> 00:48:05,010

there that was perhaps the lower God

1213

00:48:09,000 --> 00:48:07,480

tasteless and transparent Felicity

1214

00:48:10,290 --> 00:48:09,010

something I've seen in a long time so

1215

00:48:12,420 --> 00:48:10,300

yeah that blend everybody except the

1216

00:48:15,060 --> 00:48:12,430

Beatles wait a minute about tasteless

1217

00:48:18,360 --> 00:48:15,070

and transparent but they of the happy

1218

00:48:20,460 --> 00:48:18,370

sake for laying blame because wasn't

1219

00:48:22,440 --> 00:48:20,470

there a reigning tired today you blame

1220

00:48:24,120 --> 00:48:22,450

you quakes I'm from excuse oh yes there

1221

00:48:29,340 --> 00:48:24,130

is it like to mention there is something

1222

00:48:31,110 --> 00:48:29,350

about that Oh Todd Iranian Iranian

1223

00:48:33,090 --> 00:48:31,120

cleric has discovered the cause of

1224

00:48:36,420 --> 00:48:33,100

catastrophic earthquakes it is not plate

1225

00:48:39,020 --> 00:48:36,430

tectonics apparently but there's a great

1226

00:48:41,390 --> 00:48:39,030

backlash that's going to be launched by

1227

00:48:45,100 --> 00:48:41,400

several groups across America

1228

00:48:47,870 --> 00:48:45,110

um there's a thing called boobquake

1229

00:48:49,760 --> 00:48:47,880

ladies is very important you need to do

1230

00:48:53,330 --> 00:48:49,770

this I'm just need to check when the day

1231

00:48:56,810 --> 00:48:53,340

is April the 26 2010 will be boobquake

1232

00:49:02,360 --> 00:48:56,820

day yeah what you have to do ladies

1233

00:49:04,400 --> 00:49:02,370

seriously this is this come on you need

1234

00:49:07,040 --> 00:49:04,410

them if you're not comfy with showing

1235

00:49:09,620 --> 00:49:07,050

Eagle all a lot of cleavage yeah we're a

1236

00:49:13,100 --> 00:49:09,630

tight top but basically you have to show

1237

00:49:15,140 --> 00:49:13,110

a lot of boobie and April the 26 just to

1238

00:49:17,180 --> 00:49:15,150

demonstrate to this Iranian cleric that

1239

00:49:20,270 --> 00:49:17,190

way they won't cause another earthquake

1240

00:49:24,110 --> 00:49:20,280

and because science is repeatable you

1241

00:49:28,100 --> 00:49:24,120

have to do every year lots of very very

1242

00:49:31,100 --> 00:49:28,110

much science day is it pretty much I'm

1243

00:49:34,550 --> 00:49:31,110

fully behind this effort I she also

1244

00:49:38,510 --> 00:49:34,560

heard that Deepak Chopra took credit for

1245

00:49:41,630 --> 00:49:38,520

an earthquake in California powerful

1246

00:49:46,940 --> 00:49:41,640

meditation did he tweeted that he had a

1247

00:49:50,930 --> 00:49:46,950

particularly I'm kind of hoping he lived

1248

00:49:53,630 --> 00:49:50,940

for you don't we did it it's quite

1249

00:49:57,200 --> 00:49:53,640

serious infectious coming out here is me

1250

00:50:00,710 --> 00:49:57,210

this one I think so gay meditating

1251
00:50:02,930 --> 00:50:00,720
prostitutes with their boobs out causing

1252
00:50:06,230 --> 00:50:02,940
natural disasters as long as they load

1253
00:50:10,220 --> 00:50:06,240
for bada below this yes yes all of you

1254
00:50:18,590 --> 00:50:10,230
guys who stopped doing it there's one

1255
00:50:20,450 --> 00:50:18,600
bloke at home same Jason can you just

1256
00:50:22,880 --> 00:50:20,460
give us a little bit of a rundown of how

1257
00:50:24,680 --> 00:50:22,890
your new projects doing the skeptic 800

1258
00:50:26,480 --> 00:50:24,690
the skins gay is going very well I can

1259
00:50:27,560 --> 00:50:26,490
actually check and get a live count of

1260
00:50:29,840 --> 00:50:27,570
how many articles we've got at the

1261
00:50:30,980 --> 00:50:29,850
moment i'll just refresh the page for

1262
00:50:32,690 --> 00:50:30,990
those of you don't know who didn't

1263
00:50:35,120 --> 00:50:32,700

listen to last month's podcast or the

1264

00:50:37,760 --> 00:50:35,130

month before or the week before skeptic

1265

00:50:42,110 --> 00:50:37,770

a calm is a aggregator for skeptical

1266

00:50:45,370 --> 00:50:42,120

blogs it holds in about 200 and here we

1267

00:50:47,839 --> 00:50:45,380

go 261 skeptical blogs and currently has

1268

00:50:53,370 --> 00:50:47,849

9530 six articles indexed

1269

00:50:55,290 --> 00:50:53,380

over nine so by the time this podcast

1270

00:50:58,200 --> 00:50:55,300

hits the streets that'll be over 10,000

1271

00:51:00,230 --> 00:50:58,210

and yeah it's just gonna keep on growing

1272

00:51:03,960 --> 00:51:00,240

so you guys keep blogging it's brilliant

1273

00:51:06,510 --> 00:51:03,970

but you've also just developed a mobile

1274

00:51:08,940 --> 00:51:06,520

phone it's gonna be hitting mobile

1275

00:51:12,180 --> 00:51:08,950

phones there's a pilot site out now at

1276

00:51:14,970 --> 00:51:12,190

em skip Decatur com or sorry MDOT

1277

00:51:17,220 --> 00:51:14,980

skeptical net and because i have both

1278

00:51:18,839 --> 00:51:17,230

names that will have searched on it

1279

00:51:21,510 --> 00:51:18,849

shortly at the moment it just shows you

1280

00:51:22,829 --> 00:51:21,520

a list of articles and but it'll be you

1281

00:51:24,810 --> 00:51:22,839

know i'll be cranking that up and it'll

1282

00:51:26,820 --> 00:51:24,820

be very nice for you know if you're in

1283

00:51:28,109 --> 00:51:26,830

the pub and someone says to you all I

1284

00:51:30,960 --> 00:51:28,119

was meditating the other day and I

1285

00:51:34,339 --> 00:51:30,970

corner you'll be able to just pull ups

1286

00:51:50,370 --> 00:51:34,349

gets Gator on your phone and type in

1287

00:51:52,410 --> 00:51:50,380

sorry cap see Elvis okay but yes it's

1288

00:51:54,630 --> 00:51:52,420

it's the in the pub argument settles the

1289

00:51:56,070 --> 00:51:54,640

skeptical issues I'm not skeptic a net

1290

00:51:57,900 --> 00:51:56,080

not only that it's just perfect for

1291

00:51:59,430 --> 00:51:57,910

killing time if you're on a bus ride or

1292

00:52:00,960 --> 00:51:59,440

even well you do have a little longer

1293

00:52:03,720 --> 00:52:00,970

this time on your hands they had a long

1294

00:52:05,370 --> 00:52:03,730

visit to the bathroom something I am NOT

1295

00:52:07,589 --> 00:52:05,380

skeptic ated com I don't know I'm

1296

00:52:09,870 --> 00:52:07,599

plugging this so much got a day for

1297

00:52:13,980 --> 00:52:09,880

everything about custard on it Dave the

1298

00:52:16,290 --> 00:52:13,990

heavy singer irani have nothing about

1299

00:52:18,480 --> 00:52:16,300

magic no no what is Madge tell us about

1300

00:52:20,099 --> 00:52:18,490

your edge well there's an ABC program

1301
00:52:21,900 --> 00:52:20,109
called background briefing which scott

1302
00:52:23,849 --> 00:52:21,910
is something different topics every

1303
00:52:26,370 --> 00:52:23,859
every week and dad background briefing

1304
00:52:29,280 --> 00:52:26,380
had an 18 teens of April a show about

1305
00:52:31,349 --> 00:52:29,290
food fears by reporters Stephen

1306
00:52:34,320 --> 00:52:31,359
Crittenden their show was about food

1307
00:52:37,380 --> 00:52:34,330
labeling but one of the organization's

1308
00:52:40,589 --> 00:52:37,390
used as a source is called match ma dge

1309
00:52:43,280 --> 00:52:40,599
which stands for listen to this mothers

1310
00:52:48,540 --> 00:52:43,290
are the mystifying genetic engineering

1311
00:52:50,790 --> 00:52:48,550
now what yeah I know so the thing is he

1312
00:52:53,010 --> 00:52:50,800
talked to them about labeling but they

1313
00:52:56,460 --> 00:52:53,020

obviously expressed concern about the

1314

00:52:59,609 --> 00:52:56,470

health issues that could become related

1315

00:53:00,839 --> 00:52:59,619

to genetic engineering so I did a bit of

1316

00:53:02,219 --> 00:53:00,849

a search on them and

1317

00:53:04,140 --> 00:53:02,229

they look very much like a one-person

1318

00:53:06,749 --> 00:53:04,150

operation headed by ten Madeline love

1319

00:53:10,069 --> 00:53:06,759

and anus but the site is very much

1320

00:53:15,089 --> 00:53:10,079

anti-gm rather than pro information so I

1321

00:53:17,069 --> 00:53:15,099

feel like this avian one-person

1322

00:53:19,859 --> 00:53:17,079

operation you know from where it was

1323

00:53:21,299 --> 00:53:19,869

yeah and you know with the deceptive

1324

00:53:22,950 --> 00:53:21,309

name now I'm not one hun percent sure

1325

00:53:25,680 --> 00:53:22,960

about this and I've only spent like half

1326

00:53:26,999 --> 00:53:25,690

an hour on this but but here's a few

1327

00:53:30,900 --> 00:53:27,009

things I find first of all their

1328

00:53:33,359 --> 00:53:30,910

homepage match homepage magic show in

1329

00:53:34,650 --> 00:53:33,369

victoria matador aldo to you since we

1330

00:53:36,359 --> 00:53:34,660

are concerned about the lack of adequate

1331

00:53:37,920 --> 00:53:36,369

labeling and testing of GM foods

1332

00:53:40,380 --> 00:53:37,930

admirable i have not wrong with that at

1333

00:53:42,150 --> 00:53:40,390

all but the next sentence is we advocate

1334

00:53:43,920 --> 00:53:42,160

on behalf of consumers for the right to

1335

00:53:47,219 --> 00:53:43,930

know what is in our food what is in our

1336

00:53:49,589 --> 00:53:47,229

food we promote information on natural

1337

00:53:51,960 --> 00:53:49,599

foods and healthy farming practices

1338

00:53:56,579 --> 00:53:51,970

natural foods a natural the word natural

1339

00:53:59,910 --> 00:53:56,589

alarm bells ringing then Indians manager

1340

00:54:01,829 --> 00:53:59,920

is supernatural food yeah in the safe in

1341

00:54:05,640 --> 00:54:01,839

the set in the safe food shopping guy

1342

00:54:08,239 --> 00:54:05,650

they have the fur the first item is how

1343

00:54:10,890 --> 00:54:08,249

to shop GM additive and pesticide-free

1344

00:54:13,769 --> 00:54:10,900

there's an article here on I don't you

1345

00:54:15,569 --> 00:54:13,779

keep Australian canola gm-free this I

1346

00:54:17,940 --> 00:54:15,579

look for information that talks about

1347

00:54:19,529 --> 00:54:17,950

the studies that have been done about GM

1348

00:54:21,239 --> 00:54:19,539

foods and to see whether they actually

1349

00:54:22,979 --> 00:54:21,249

show that you know that the positive

1350

00:54:26,219 --> 00:54:22,989

things about GM foods and the increased

1351

00:54:27,959 --> 00:54:26,229

yield the reduced amount of pesticide

1352

00:54:29,579 --> 00:54:27,969

all those things that have been shown

1353

00:54:31,170 --> 00:54:29,589

and I agree that more testing is

1354

00:54:32,700 --> 00:54:31,180

required that there's no no problem with

1355

00:54:35,009 --> 00:54:32,710

that at all but they have nothing

1356

00:54:37,049 --> 00:54:35,019

positive but the GM is evil now the next

1357

00:54:38,670 --> 00:54:37,059

thing I found was that I want to see

1358

00:54:40,170 --> 00:54:38,680

what kind of references they had they

1359

00:54:42,269 --> 00:54:40,180

have a paper here from the American

1360

00:54:43,469 --> 00:54:42,279

Academy of Environmental Medicine which

1361

00:54:45,660 --> 00:54:43,479

has released its position paper on

1362

00:54:48,269 --> 00:54:45,670

genetically modified foods stating that

1363

00:54:50,910 --> 00:54:48,279

and I quote now GM foods pose serious

1364

00:54:53,099 --> 00:54:50,920

health risk and calling for a moratorium

1365

00:54:54,569 --> 00:54:53,109

on GM foods and it's a very serious

1366

00:54:56,400 --> 00:54:54,579

paper because for example it shows here

1367

00:55:00,089 --> 00:54:56,410

that there's a directory direct link

1368

00:55:02,700 --> 00:55:00,099

between anaphylaxis admissions to GM

1369

00:55:04,079 --> 00:55:02,710

crop approvals what Iraq this is the

1370

00:55:05,300 --> 00:55:04,089

first time I've heard of the American

1371

00:55:07,130 --> 00:55:05,310

Academy of it okay

1372

00:55:08,720 --> 00:55:07,140

I have ahead of them for the very first

1373

00:55:10,160 --> 00:55:08,730

time to but I've got went to their

1374

00:55:12,020 --> 00:55:10,170

website and found two position papers

1375

00:55:14,240 --> 00:55:12,030

one position paper I won't tell you what

1376

00:55:15,770 --> 00:55:14,250

it's about but it says where scientific

1377

00:55:18,170 --> 00:55:15,780

research has clearly identified that

1378

00:55:19,580 --> 00:55:18,180

fluoride is a known toxic substance in

1379

00:55:22,130 --> 00:55:19,590

photography affects human health and

1380

00:55:24,500 --> 00:55:22,140

worthy and where's Fleur Irish own

1381

00:55:26,780 --> 00:55:24,510

bodily fluids is a known neurotoxin and

1382

00:55:28,700 --> 00:55:26,790

cassidian carcinogen even at the levels

1383

00:55:29,750 --> 00:55:28,710

added to the public water supplies as

1384

00:55:31,580 --> 00:55:29,760

promoted by the American Dental

1385

00:55:34,730 --> 00:55:31,590

Association of the United States Public

1386

00:55:37,730 --> 00:55:34,740

Health Service the American Academy

1387

00:55:40,220 --> 00:55:37,740

enrollee supports so the aae am now

1388

00:55:41,750 --> 00:55:40,230

supports banning the additional fluoride

1389

00:55:43,880 --> 00:55:41,760

or products containing fluoride to

1390

00:55:45,530 --> 00:55:43,890

public water supplies and to end to any

1391

00:55:48,530 --> 00:55:45,540

substances intended for human

1392

00:55:50,270 --> 00:55:48,540

consumption say that's one another

1393

00:55:53,840 --> 00:55:50,280

positions against their patron General

1394

00:55:56,420 --> 00:55:53,850

Jack da Ripa in another position paper

1395

00:55:58,730 --> 00:55:56,430

they say that they are the organization

1396

00:56:00,740 --> 00:55:58,740

is opposed to the International to the

1397

00:56:03,110 --> 00:56:00,750

international use of mercury in any

1398

00:56:05,240 --> 00:56:03,120

material that is implanted ingested or

1399

00:56:07,520 --> 00:56:05,250

injected in the human body including all

1400

00:56:11,380 --> 00:56:07,530

forms used in medicine including but not

1401
00:56:18,410 --> 00:56:11,390
limited to any medicaments specifically

1402
00:56:21,230 --> 00:56:18,420
vaccinations so I think look I I don't

1403
00:56:22,910 --> 00:56:21,240
think the the jury is probably still a

1404
00:56:26,680 --> 00:56:22,920
little bit out on Madge but it's looking

1405
00:56:30,800 --> 00:56:26,690
very very suspicious yeah but mother's

1406
00:56:32,810 --> 00:56:30,810
you know you know like Jenny's Mummy

1407
00:56:34,850 --> 00:56:32,820
Mummy instinct and I'm just thinking all

1408
00:56:37,760 --> 00:56:34,860
these poor scientists out there slaving

1409
00:56:39,050 --> 00:56:37,770
away for I'm sure dr. ratio agree with

1410
00:56:40,700 --> 00:56:39,060
me you know what kittens compared with

1411
00:56:44,380 --> 00:56:40,710
the academic work you put in to get that

1412
00:56:46,310 --> 00:56:44,390
job you know and really working hard and

1413
00:56:47,390 --> 00:56:46,320

fighting so hard to get published and

1414

00:56:49,730 --> 00:56:47,400

all this stuff putting all this effort

1415

00:56:50,810 --> 00:56:49,740

in to find out what's real and when in

1416

00:56:52,130 --> 00:56:50,820

fact the mothers could just tell them

1417

00:56:53,840 --> 00:56:52,140

what's right in the first place exactly

1418

00:56:55,610 --> 00:56:53,850

what were they interviewed as like

1419

00:56:57,860 --> 00:56:55,620

experts in this area what was the

1420

00:57:00,539 --> 00:56:57,870

context of that they're experts on GM

1421

00:57:02,579 --> 00:57:00,549

foods yes

1422

00:57:06,959 --> 00:57:02,589

so lastly Joe you put something there

1423

00:57:09,719 --> 00:57:06,969

about a newspaper taking a stand again

1424

00:57:11,519 --> 00:57:09,729

an interesting way this is unwitting in

1425

00:57:13,169 --> 00:57:11,529

fact someone tweeted it on the weekend

1426
00:57:15,630 --> 00:57:13,179
with alcohol but I can't remember who it

1427
00:57:17,519 --> 00:57:15,640
was so this was about an Auckland

1428
00:57:19,859 --> 00:57:17,529
newspaper called the Indian weekender

1429
00:57:22,819 --> 00:57:19,869
who's decided to take a stand against

1430
00:57:25,890 --> 00:57:22,829
advertising for purveyors of

1431
00:57:30,209 --> 00:57:25,900
supernatural services and it really does

1432
00:57:32,729 --> 00:57:30,219
tie in in fact to the Indian legislation

1433
00:57:35,249 --> 00:57:32,739
about advertising for people like gurus

1434
00:57:36,809 --> 00:57:35,259
and Yogi's and so on and what's happened

1435
00:57:39,929 --> 00:57:36,819
is that they've decided to adopt

1436
00:57:41,309 --> 00:57:39,939
guidelines based on Indian law they say

1437
00:57:43,079 --> 00:57:41,319
in a bid to fend off a flood of

1438
00:57:44,669 --> 00:57:43,089

ethically questionable investments

1439

00:57:48,120 --> 00:57:44,679

offering supernatural services to the

1440

00:57:49,799 --> 00:57:48,130

public now apparently India's drugs and

1441

00:57:54,239 --> 00:57:49,809

magic remedies objectionable

1442

00:57:55,949 --> 00:57:54,249

advertisement acts Wow only has a whole

1443

00:57:58,650 --> 00:57:55,959

range of guidelines and laws about what

1444

00:58:01,559 --> 00:57:58,660

can I can't be advertised in India and

1445

00:58:04,289 --> 00:58:01,569

ridicula newspaper has taken a stand

1446

00:58:08,039 --> 00:58:04,299

against similar sorts of advertising in

1447

00:58:10,169 --> 00:58:08,049

their newspaper they really feel that

1448

00:58:11,789 --> 00:58:10,179

it's something that has been gotten out

1449

00:58:13,279 --> 00:58:11,799

of control they feel they need to do

1450

00:58:15,989 --> 00:58:13,289

something to protect the public

1451

00:58:18,179 --> 00:58:15,999

apparently in India this particular Act

1452

00:58:20,160 --> 00:58:18,189

provides for two months jail and a two

1453

00:58:21,749 --> 00:58:20,170

thousand rupee fine but unfortunately in

1454

00:58:24,299 --> 00:58:21,759

India it's been very unenforced because

1455

00:58:26,819 --> 00:58:24,309

apparently the politicians thereof

1456

00:58:29,390 --> 00:58:26,829

actually they make use of a lot of these

1457

00:58:31,529 --> 00:58:29,400

Yogi's and so on by sheltering them

1458

00:58:34,019 --> 00:58:31,539

because they get votes from a lot of

1459

00:58:35,459 --> 00:58:34,029

their followers the Indian weekender

1460

00:58:39,449 --> 00:58:35,469

thought they could use these guidelines

1461

00:58:42,209 --> 00:58:39,459

to inform how they actually choose some

1462

00:58:45,209 --> 00:58:42,219

of their advertising and apparently in

1463

00:58:47,969 --> 00:58:45,219

New Zealand there was actually an act

1464

00:58:49,349 --> 00:58:47,979

called the hunger suppression Act which

1465

00:58:52,049 --> 00:58:49,359

was aimed at people targeting the

1466

00:58:54,630 --> 00:58:52,059

superstitious superstition opportunity

1467

00:58:57,950 --> 00:58:54,640

amount of the Maori people but this was

1468

00:58:59,940 --> 00:58:57,960

repealed in 1962 so there used to be an

1469

00:59:02,700 --> 00:58:59,950

okay well they could have just dropped

1470

00:59:06,060 --> 00:59:02,710

Mario I just said will protect the

1471

00:59:08,100 --> 00:59:06,070

reality of people yeah yeah I'm gonna be

1472

00:59:09,720 --> 00:59:08,110

finer so I think that it's something

1473

00:59:12,170 --> 00:59:09,730

that you know we've seen recently the

1474

00:59:15,930 --> 00:59:12,180

decision that was made by to this child

1475

00:59:17,970 --> 00:59:15,940

which I have a floor yeah we've

1476

00:59:19,740 --> 00:59:17,980

discussed from here I just point out

1477

00:59:23,150 --> 00:59:19,750

that Joe's piece there was brought to

1478

00:59:27,090 --> 00:59:23,160

you by dr. bogus is chiropractic center

1479

00:59:29,700 --> 00:59:27,100

and gave the happy singer doctor when we

1480

00:59:31,200 --> 00:59:29,710

do tgb on Saturday nights yes there's

1481

00:59:32,730 --> 00:59:31,210

always at the end of our segments

1482

00:59:36,240 --> 00:59:32,740

there's this is segment is sponsored by

1483

00:59:37,980 --> 00:59:36,250

dr. Kerr bosal a detox every time I was

1484

00:59:40,410 --> 00:59:37,990

having last Saturday night right after

1485

00:59:42,840 --> 00:59:40,420

you've given a whole talk on red flags

1486

00:59:45,600 --> 00:59:42,850

and things to look for yeah we add for

1487

00:59:49,260 --> 00:59:45,610

some arthritis cream that we're complete

1488

00:59:51,240 --> 00:59:49,270

nonsense and I just as fun online I mean

1489

00:59:54,150 --> 00:59:51,250

the other day in here in Australia it

1490

00:59:56,130 --> 00:59:54,160

was a gangland gang round oval how

1491

00:59:57,810 --> 00:59:56,140

Williams got murdered in prison and next

1492

01:00:03,420 --> 00:59:57,820

to the news story there was make a

1493

01:00:04,680 --> 01:00:03,430

killing trading pointillism I have to

1494

01:00:07,110 --> 01:00:04,690

say though one last thing about this

1495

01:00:10,710 --> 01:00:07,120

story which I which really surprised me

1496

01:00:13,670 --> 01:00:10,720

was that it amazed me that India has got

1497

01:00:18,990 --> 01:00:13,680

this type of legislation given that

1498

01:00:20,040 --> 01:00:19,000

india is such a high muhammad oh yeah i

1499

01:00:22,110 --> 01:00:20,050

mean with the homie I heard the way

1500

01:00:26,760 --> 01:00:22,120

homeopathy is accepted doctor nurse

1501

01:00:28,770 --> 01:00:26,770

email like not a doctor hi Nancy it's

1502

01:00:30,210 --> 01:00:28,780

wrong there are skeptics doing great

1503

01:00:31,950 --> 01:00:30,220

work in India as well by means some of

1504

01:00:35,610 --> 01:00:31,960

the stuff of the Indian Scotty the mass

1505

01:00:37,080 --> 01:00:35,620

exposure yeah and the one where the Guru

1506

01:00:38,420 --> 01:00:37,090

threatened to kill this guy that was

1507

01:00:41,970 --> 01:00:38,430

like

1508

01:00:43,800 --> 01:00:41,980

funniest things I see all right well

1509

01:00:45,780 --> 01:00:43,810
