00:00:11,130 --> 00:00:15,770
Oh

2
00:00:15,780 --> 00:00:20,860
sit

3
00:00:26,050 --> 00:00:23,990
hello Richard Saunders here from Sydney

4
00:00:28,640 --> 00:00:26,060
Australia welcome to the skeptic zone

5
00:00:33,650 --> 00:00:28,650
episode number eight for the twelfth of

6
00:00:36,590 --> 00:00:33,660
December 2008 a special episode a blast

7
00:00:38,299 --> 00:00:36,600
from the past in the old days when this

8
00:00:41,930 --> 00:00:38,309
show used to be called the skeptic tank

9
00:00:45,290 --> 00:00:41,940
we interviewed mark mayor way back in

10
00:00:47,840 --> 00:00:45,300
2005 he's a melbourne magician and an

11
00:00:51,820 --> 00:00:47,850
investigator he investigated the claims

12
00:01:02,330 --> 00:00:51,830
of psychic detectives and in particular

13
00:01:08,610 --> 00:01:05,790

mark mayor is a melbourne-based mind

14

00:01:10,560 --> 00:01:08,620

illusionist mark began performing magic

15

00:01:12,870 --> 00:01:10,570

professionally at cafe crypt in

16

00:01:14,640 --> 00:01:12,880

exhibition street in melbourne he now

17

00:01:17,040 --> 00:01:14,650

performs at leading corporate and

18

00:01:18,780 --> 00:01:17,050

private events nationally in his

19

00:01:21,210 --> 00:01:18,790

performance he explores the mysteries of

20

00:01:26,160 --> 00:01:21,220

the human mind and brings together a mix

21

00:01:27,540 --> 00:01:26,170

of humor magic ESP and mine reading mark

22

00:01:30,060 --> 00:01:27,550

has appeared on national television

23

00:01:33,090 --> 00:01:30,070

including a Current Affair mornings with

24

00:01:35,490 --> 00:01:33,100

carrie Ann good morning Australia and in

25

00:01:38,100 --> 00:01:35,500

Siberia tonight as well as numerous

26

00:01:41,700 --> 00:01:38,110

radio stations major daily newspapers

27

00:01:44,790 --> 00:01:41,710

magazines and websites before making

28

00:01:47,249 --> 00:01:44,800

magic his life mark was a Qantas airline

29

00:01:49,380 --> 00:01:47,259

pilot he now combines a pilot's

30

00:01:52,260 --> 00:01:49,390

fastidiousness with a performer's

31

00:01:54,960 --> 00:01:52,270

flamboyance to great effect and presents

32

00:01:59,760 --> 00:01:54,970

his mind illusions in his own unique and

33

00:02:02,430 --> 00:01:59,770

trademark style and joining us here is

34

00:02:03,990 --> 00:02:02,440

Melbourne illusionist mark Maya hey Mark

35

00:02:05,730 --> 00:02:04,000

great to see you that we better get

36

00:02:08,190 --> 00:02:05,740

stuck into the subject psychic

37

00:02:09,960 --> 00:02:08,200

detectives and I believe that you you

38

00:02:11,880 --> 00:02:09,970

have been researching the subject to

39

00:02:14,580 --> 00:02:11,890

some extent well i have written years

40

00:02:17,130 --> 00:02:14,590

specifically a twin one called miss

41

00:02:19,920 --> 00:02:17,140

Allison Dubois or as we like to call it

42

00:02:22,199 --> 00:02:19,930

Allison dubious she's been the top

43

00:02:23,400 --> 00:02:22,209

favorite right now of the media and one

44

00:02:25,620 --> 00:02:23,410

of the most famous in the world right

45

00:02:27,900 --> 00:02:25,630

now calling herself a psychic detective

46

00:02:30,900 --> 00:02:27,910

and so yes I did some research in some

47

00:02:32,340 --> 00:02:30,910

detailed debunking of her for a recent

48

00:02:34,199 --> 00:02:32,350

trip out here to Australia she was out

49

00:02:36,570 --> 00:02:34,209

here promoting her book called don't

50

00:02:38,160 --> 00:02:36,580

kiss them goodbye so I thought that was

51
00:02:39,720 --> 00:02:38,170
particularly distasteful and that the

52
00:02:41,670 --> 00:02:39,730
public needed to have a little bit more

53
00:02:43,650 --> 00:02:41,680
of a balanced view of what she was about

54
00:02:45,960 --> 00:02:43,660
and what the TV show is about and what

55
00:02:48,060 --> 00:02:45,970
generally psychic detectives claim and

56
00:02:49,800 --> 00:02:48,070
what they claim to be able to do and

57
00:02:51,720 --> 00:02:49,810
sort of hopefully protect people with a

58
00:02:53,640 --> 00:02:51,730
little bit more general knowledge about

59
00:02:55,560 --> 00:02:53,650
the whole thing so yeah I noticed that

60
00:02:58,410 --> 00:02:55,570
there Allison devar when she was here of

61
00:03:00,930 --> 00:02:58,420
last month or the month before she

62
00:03:03,240 --> 00:03:00,940
certainly had a lot of media interviews

63
00:03:05,910 --> 00:03:03,250

lined up and she'd participated in a lot

64

00:03:08,729 --> 00:03:05,920

of peers and she also hid from a few to

65

00:03:11,339 --> 00:03:08,739

Richard really yeah I had a little bit

66

00:03:12,720 --> 00:03:11,349

of a media profile going myself i had i

67

00:03:13,710 --> 00:03:12,730

think ideas about seven or eight

68

00:03:16,260 --> 00:03:13,720

interviews

69

00:03:18,600 --> 00:03:16,270

over radio a number of them were

70

00:03:20,580 --> 00:03:18,610

supposed to be at the same time with

71

00:03:21,990 --> 00:03:20,590

Allison I was supposed to be on Jon

72

00:03:23,520 --> 00:03:22,000

Faine show with Allison but

73

00:03:25,590 --> 00:03:23,530

unfortunately the scheduling that didn't

74

00:03:28,140 --> 00:03:25,600

come to fruition and there was two other

75

00:03:29,850 --> 00:03:28,150

ABC radio interviews but we were

76
00:03:31,320 --> 00:03:29,860
supposed to be on at the same time and

77
00:03:33,510 --> 00:03:31,330
had a little head to head however

78
00:03:35,850 --> 00:03:33,520
mysteriously she got sick from both of

79
00:03:38,310 --> 00:03:35,860
those interviews it Oh didn't wasn't

80
00:03:39,840 --> 00:03:38,320
able to participate but yes there was

81
00:03:42,000 --> 00:03:39,850
quite a bit of media interest in was

82
00:03:44,280 --> 00:03:42,010
unfortunately all very soft interest

83
00:03:46,320 --> 00:03:44,290
they gave her a completely free ride

84
00:03:49,020 --> 00:03:46,330
without any critical interviewing at all

85
00:03:51,690 --> 00:03:49,030
the her series of TV shows which was

86
00:03:53,490 --> 00:03:51,700
called medium was based on a basically a

87
00:03:55,830 --> 00:03:53,500
series of misleading claims in the

88
00:03:57,900 --> 00:03:55,840

innuendo and that was all done to create

89

00:04:00,540 --> 00:03:57,910
a false position of credibility and

90

00:04:02,460 --> 00:04:00,550
authority it means that the series was

91

00:04:04,050 --> 00:04:02,470
created by her claiming that she's

92

00:04:06,360 --> 00:04:04,060
worked with police and claiming that

93

00:04:08,760 --> 00:04:06,370
she's a criminal profiler claiming she's

94

00:04:10,350 --> 00:04:08,770
a research medium and then those claims

95

00:04:12,720 --> 00:04:10,360
not being really questioned or anything

96

00:04:15,810 --> 00:04:12,730
and from those claims then being able to

97

00:04:17,520 --> 00:04:15,820
make a false credibility like I'm an

98

00:04:19,349 --> 00:04:17,530
authority on this subject and then from

99

00:04:22,020 --> 00:04:19,359
there a whole TV network in studio

100

00:04:24,390 --> 00:04:22,030
making a show about it however the real

101
00:04:27,000 --> 00:04:24,400
Feynman profile is created on or the

102
00:04:29,340 --> 00:04:27,010
truth of her show medium is created on

103
00:04:31,440 --> 00:04:29,350
basically lies and deception and it

104
00:04:33,600 --> 00:04:31,450
really quickly unravels if you put a

105
00:04:35,430 --> 00:04:33,610
little bit of scrutiny to it she as most

106
00:04:37,860 --> 00:04:35,440
of the psychic detectives offers not a

107
00:04:39,719 --> 00:04:37,870
single shred of verifiable evidence and

108
00:04:41,460 --> 00:04:39,729
I can get specifically to some evidence

109
00:04:43,980 --> 00:04:41,470
that she does claim to have in her book

110
00:04:45,090 --> 00:04:43,990
don't kiss them goodbye right which will

111
00:04:46,980 --> 00:04:45,100
come back to which is a really

112
00:04:48,659 --> 00:04:46,990
interesting piece it ends up being the

113
00:04:50,700 --> 00:04:48,669

same ol anecdotal stories and accounts

114

00:04:52,620 --> 00:04:50,710

made up by her and her associates with

115

00:04:54,690 --> 00:04:52,630

no actual folder proof the media

116

00:04:55,800 --> 00:04:54,700

especially the tabloid media the last

117

00:04:57,600 --> 00:04:55,810

thing they're going to do is question

118

00:04:59,190 --> 00:04:57,610

that as far as they're concerned it's

119

00:05:00,960 --> 00:04:59,200

it's absolutely true well it's

120

00:05:02,280 --> 00:05:00,970

absolutely true and plus it's great for

121

00:05:03,960 --> 00:05:02,290

business see this is one of my

122

00:05:06,300 --> 00:05:03,970

contentions with the psychic industry

123

00:05:07,950 --> 00:05:06,310

psychic phenomena throughout history is

124

00:05:10,590 --> 00:05:07,960

a wonderful business and now with our

125

00:05:13,860 --> 00:05:10,600

modern media with radio television

126

00:05:16,680 --> 00:05:13,870

Internet and reality TV etc etc psychic

127

00:05:19,020 --> 00:05:16,690

shows psychic informations anything

128

00:05:21,000 --> 00:05:19,030

psychic is big big bucks you look at any

129

00:05:22,830 --> 00:05:21,010

time Oprah has anyone to do a psychic or

130

00:05:25,529 --> 00:05:22,840

connecting other side it's a huge bumper

131

00:05:27,450 --> 00:05:25,539

show so the tabloids want to perpetuate

132

00:05:28,980 --> 00:05:27,460

any myths and want to perpetuate

133

00:05:30,150 --> 00:05:28,990

things like this purely because it's

134

00:05:32,249 --> 00:05:30,160

great for business with no

135

00:05:35,550 --> 00:05:32,259

responsibility really and I must I just

136

00:05:37,589 --> 00:05:35,560

must preface something here I just

137

00:05:41,249 --> 00:05:37,599

remembered everything I'm saying now is

138

00:05:43,920 --> 00:05:41,259

preface it with I believe due to any

139

00:05:46,050 --> 00:05:43,930

litigation about anything from the think

140

00:05:48,540 --> 00:05:46,060

tank having to bail you out of the High

141

00:05:52,080 --> 00:05:48,550

Court of Australia everything I say is I

142

00:05:54,749 --> 00:05:52,090

believe wrong reasons to be true whether

143

00:05:56,700 --> 00:05:54,759

them be sued or anything else well the

144

00:05:59,790 --> 00:05:56,710

management staff do not necessarily take

145

00:06:01,409 --> 00:05:59,800

it today exactly so tell me tell me more

146

00:06:03,540 --> 00:06:01,419

about what you perceive to be the case

147

00:06:06,570 --> 00:06:03,550

obviously three case well alison has two

148

00:06:08,339 --> 00:06:06,580

and most of the psychic detectives are

149

00:06:10,170 --> 00:06:08,349

in the same ilk assess I'm not just

150

00:06:11,999 --> 00:06:10,180

talking about our song but most of them

151
00:06:14,339 --> 00:06:12,009
claims some very major claims and her

152
00:06:17,219 --> 00:06:14,349
specifically are as follows she claims

153
00:06:20,129 --> 00:06:17,229
to be a criminal profiler and a research

154
00:06:22,350 --> 00:06:20,139
medium now both these words are even

155
00:06:23,999 --> 00:06:22,360
carefully chosen to create again as I

156
00:06:26,159 --> 00:06:24,009
said credibility and authority when you

157
00:06:28,529 --> 00:06:26,169
call yourself a criminal profiler that

158
00:06:30,629 --> 00:06:28,539
means that you gives the image of I'm

159
00:06:32,640 --> 00:06:30,639
someone who knows what criminal

160
00:06:34,170 --> 00:06:32,650
profiling means in their forum must be

161
00:06:37,469 --> 00:06:34,180
qualified to do that job she's not a

162
00:06:39,270 --> 00:06:37,479
criminal profiler not by the slightest

163
00:06:41,870 --> 00:06:39,280

measure of a criminal profile the actual

164

00:06:44,490 --> 00:06:41,880

term Kremlin profiler comes from the FBI

165

00:06:47,129 --> 00:06:44,500

they invented that term about 30 years

166

00:06:49,110 --> 00:06:47,139

ago and it's very very basic form to

167

00:06:51,060 --> 00:06:49,120

call yourself a criminal profiler you

168

00:06:53,610 --> 00:06:51,070

have to have studied forensic science or

169

00:06:56,580 --> 00:06:53,620

psychology or police investigation

170

00:06:58,170 --> 00:06:56,590

methods and according to the FBI if

171

00:07:00,029 --> 00:06:58,180

you're going to be a criminal profile

172

00:07:02,670 --> 00:07:00,039

according to them then you need advanced

173

00:07:05,189 --> 00:07:02,680

degrees in forensic science and in

174

00:07:07,800 --> 00:07:05,199

behavioral sites plus you need eight to

175

00:07:10,080 --> 00:07:07,810

ten years experience as an FBI agent and

176

00:07:12,180 --> 00:07:10,090

then if you have all those things the FO

177

00:07:14,700 --> 00:07:12,190

still spend another about 500 hours

178

00:07:16,290 --> 00:07:14,710

specialist training good heavens well I

179

00:07:17,909 --> 00:07:16,300

mean oh she's done all that I'm sure

180

00:07:20,070 --> 00:07:17,919

she's done about and according to the

181

00:07:21,990 --> 00:07:20,080

FBI there's only about 30 qualified

182

00:07:24,510 --> 00:07:22,000

criminal profilers in the United States

183

00:07:26,550 --> 00:07:24,520

she's not a qualified criminal profile

184

00:07:28,379 --> 00:07:26,560

this is what she says I am a profiler

185

00:07:29,670 --> 00:07:28,389

blah blah blah prophytes the first

186

00:07:31,920 --> 00:07:29,680

thing she says in a book those things

187

00:07:33,719 --> 00:07:31,930

she says in all her interviews as part

188

00:07:36,269 --> 00:07:33,729

of their claims it's a falsehood and

189

00:07:38,250 --> 00:07:36,279

she's not she even gives in her her own

190

00:07:40,770 --> 00:07:38,260

book an example of what she concedes is

191

00:07:42,450 --> 00:07:40,780

a promo profile on page 31

192

00:07:44,430 --> 00:07:42,460

and she outlines this is a criminal

193

00:07:46,200 --> 00:07:44,440

profile and that she goes into it saying

194

00:07:48,360 --> 00:07:46,210

I had a feeling of connection to

195

00:07:49,950 --> 00:07:48,370

California and they like this and that

196

00:07:51,480 --> 00:07:49,960

the other no darling they're not

197

00:07:53,490 --> 00:07:51,490

criminal profiles that's a psychic

198

00:07:55,500 --> 00:07:53,500

reading a psychic reading is not a

199

00:07:57,480 --> 00:07:55,510

criminal profile so the first and

200

00:07:59,820 --> 00:07:57,490

foremost things Allison Dubois is not a

201
00:08:01,350 --> 00:07:59,830
criminal profile nor is any other

202
00:08:04,350 --> 00:08:01,360
psychic detective who claims to be a

203
00:08:06,300 --> 00:08:04,360
criminal profile yeah it is and it is

204
00:08:08,220 --> 00:08:06,310
not in any form or shape or form a

205
00:08:10,310 --> 00:08:08,230
forensic a psychological or police

206
00:08:13,290 --> 00:08:10,320
investigation or behavioral scientists

207
00:08:16,350 --> 00:08:13,300
background so that's just going straight

208
00:08:18,300 --> 00:08:16,360
at the window so there are actual proper

209
00:08:20,070 --> 00:08:18,310
steps to call yourself these things and

210
00:08:22,950 --> 00:08:20,080
this is what I mean is this is the real

211
00:08:24,990 --> 00:08:22,960
deception that the tabloids in the media

212
00:08:26,970 --> 00:08:25,000
perpetuate and that she wants to create

213
00:08:28,830 --> 00:08:26,980

and this is really fundamentally

214

00:08:30,510 --> 00:08:28,840

important because some people may see

215

00:08:32,450 --> 00:08:30,520

this as being swept away and not that

216

00:08:35,010 --> 00:08:32,460

important but this is the fundamental

217

00:08:36,990 --> 00:08:35,020

credibility and authority is everything

218

00:08:38,430 --> 00:08:37,000

in media in credibility and authority is

219

00:08:40,020 --> 00:08:38,440

everything when you actually want to

220

00:08:41,760 --> 00:08:40,030

talk to someone yeah like someone may

221

00:08:43,469 --> 00:08:41,770

ask me what my credibility or authority

222

00:08:45,720 --> 00:08:43,479

etc etc I need to either prove those

223

00:08:47,430 --> 00:08:45,730

claims or go away and when you just say

224

00:08:49,500 --> 00:08:47,440

I'm a criminal profiler it sounds like

225

00:08:50,970 --> 00:08:49,510

we understand that the TV show it sort

226

00:08:52,530 --> 00:08:50,980

of looks like that we've seen movies

227

00:08:55,410 --> 00:08:52,540

like the profile and we know what that

228

00:08:57,630 --> 00:08:55,420

sort of means wow she's one of those my

229

00:08:59,190 --> 00:08:57,640

god that gives her again credibility

230

00:09:01,440 --> 00:08:59,200

authority but it all unravels when you

231

00:09:02,970 --> 00:09:01,450

realize it she's not and she also claims

232

00:09:05,040 --> 00:09:02,980

and this is the next one get to she has

233

00:09:07,550 --> 00:09:05,050

a academic power behind it because of

234

00:09:09,810 --> 00:09:07,560

approving of the claims so she has this

235

00:09:11,610 --> 00:09:09,820

area good strength of saying I have a

236

00:09:13,920 --> 00:09:11,620

lot of people believe me and a lot of

237

00:09:15,930 --> 00:09:13,930

powerful people behind me so therefore I

238

00:09:17,820 --> 00:09:15,940

have the authority and Colonel boot

239

00:09:20,400 --> 00:09:17,830

again to sell this which is just a

240

00:09:22,440 --> 00:09:20,410

falsehood it's really really sad and the

241

00:09:24,900 --> 00:09:22,450

media mainly work what have challenged

242

00:09:26,850 --> 00:09:24,910

that and those who do actually need to

243

00:09:29,579 --> 00:09:26,860

do a lot of homework to be able to do

244

00:09:32,040 --> 00:09:29,589

this so unfortunately unless the media

245

00:09:33,780 --> 00:09:32,050

and engage someone like yourself or

246

00:09:35,550 --> 00:09:33,790

myself or someone from a think tank or

247

00:09:37,680 --> 00:09:35,560

someone who has done some actual

248

00:09:39,690 --> 00:09:37,690

credible investigation and research and

249

00:09:41,010 --> 00:09:39,700

comes from a position of knowledge they

250

00:09:42,450 --> 00:09:41,020

will actually never challenge it in

251
00:09:43,740 --> 00:09:42,460
these people successfully because they

252
00:09:45,540 --> 00:09:43,750
won't have the depth of knowledge and

253
00:09:47,010 --> 00:09:45,550
it's as simple as that I guess they

254
00:09:48,480 --> 00:09:47,020
wouldn't know what to ask I wouldn't

255
00:09:50,130 --> 00:09:48,490
that's exactly right they would know

256
00:09:51,390 --> 00:09:50,140
what to ask and they would not to

257
00:09:52,890 --> 00:09:51,400
challenge what they do things that comes

258
00:09:54,600 --> 00:09:52,900
to my next point which I'll bring up now

259
00:09:56,610 --> 00:09:54,610
I guess yeah when when she claims

260
00:09:57,960 --> 00:09:56,620
to be a research medium and she says

261
00:09:59,940 --> 00:09:57,970
that you know the tests are really hard

262
00:10:01,680 --> 00:09:59,950
etcetera etc she says that she doesn't

263
00:10:02,850 --> 00:10:01,690

get challenged on that point because no

264

00:10:05,250 --> 00:10:02,860

one actually knows what the tests are

265

00:10:07,259 --> 00:10:05,260

none of the media interviewers know what

266

00:10:09,090 --> 00:10:07,269

those tests are dr. Schwartz's takes up

267

00:10:10,290 --> 00:10:09,100

because I haven't seen them I remember

268

00:10:12,389 --> 00:10:10,300

the same thing happened with Uri Geller

269

00:10:14,610 --> 00:10:12,399

hmm they don't know what these tests are

270

00:10:18,360 --> 00:10:14,620

they don't know so they can't argue so

271

00:10:19,949 --> 00:10:18,370

the media will not produce a balanced

272

00:10:21,900 --> 00:10:19,959

point of view or a balanced interview

273

00:10:23,850 --> 00:10:21,910

because since they can't do the homework

274

00:10:26,069 --> 00:10:23,860

for it right anyhow this is point number

275

00:10:27,930 --> 00:10:26,079

two research medium so she comes out and

276

00:10:30,090 --> 00:10:27,940

most of them do but her specifically

277

00:10:33,030 --> 00:10:30,100

says I am a criminal profiler point 1

278

00:10:34,710 --> 00:10:33,040

and point 2 i'm a research medium even

279

00:10:36,449 --> 00:10:34,720

those words Richard had chosen really

280

00:10:38,100 --> 00:10:36,459

specifically she doesn't call herself

281

00:10:40,410 --> 00:10:38,110

just a medium I'm not one of the old

282

00:10:41,670 --> 00:10:40,420

ones from like the 1840s when they

283

00:10:43,440 --> 00:10:41,680

started out hearing bumps in the night

284

00:10:45,420 --> 00:10:43,450

i'm not one of the old ones who are

285

00:10:47,400 --> 00:10:45,430

sitting there dark seance tricking

286

00:10:49,889 --> 00:10:47,410

people with ectoplasm i'm not one of

287

00:10:51,660 --> 00:10:49,899

those old ones who have a a room full of

288

00:10:54,389 --> 00:10:51,670

people in the studios screaming out

289

00:10:57,660 --> 00:10:54,399

names and stuff no i'm a special medium

290

00:10:59,100 --> 00:10:57,670

i'm a research medium which gives again

291

00:11:02,040 --> 00:10:59,110

as I keep coming back to it I know this

292

00:11:04,740 --> 00:11:02,050

is a recurring theme but it sort of is a

293

00:11:06,720 --> 00:11:04,750

theme credibility and authority she's

294

00:11:08,850 --> 00:11:06,730

not just a medium Allison Dubois is a

295

00:11:12,060 --> 00:11:08,860

research medium and she claims this

296

00:11:14,759 --> 00:11:12,070

because she has scientifically proven

297

00:11:16,380 --> 00:11:14,769

psychic abilities that's what she claims

298

00:11:18,060 --> 00:11:16,390

anyhow and when you want to research

299

00:11:19,949 --> 00:11:18,070

this a little bit further you find quite

300

00:11:22,319 --> 00:11:19,959

a little bit about her claims of it at

301

00:11:24,630 --> 00:11:22,329

Arizona State University in the

302

00:11:28,769 --> 00:11:24,640

victorious I can't quite pronounced

303

00:11:30,300 --> 00:11:28,779

adverse v ER I TAS research program over

304

00:11:32,280 --> 00:11:30,310

the last number of years for years i

305

00:11:34,800 --> 00:11:32,290

think was she scored between a 70

306

00:11:37,880 --> 00:11:34,810

porpoise to a ninety percent accuracy on

307

00:11:41,040 --> 00:11:37,890

all her tests Wow which sounds very

308

00:11:42,900 --> 00:11:41,050

impressive here's a little detail that

309

00:11:44,509 --> 00:11:42,910

she doesn't tell you in any of heard of

310

00:11:46,829 --> 00:11:44,519

using that none of the media know

311

00:11:50,189 --> 00:11:46,839

Allison plays an active role in

312

00:11:52,259 --> 00:11:50,199

directing and executing the tests so

313

00:11:54,060 --> 00:11:52,269

that's an analogy of let's have a bunch

314

00:11:55,860 --> 00:11:54,070

of schoolboys like well I was a

315

00:11:59,340 --> 00:11:55,870

beautiful perfect school boy what I was

316

00:12:03,540 --> 00:11:59,350

15 yeah and let me set the test with my

317

00:12:06,360 --> 00:12:03,550

friends then let me supervise us doing

318

00:12:07,560 --> 00:12:06,370

the test and then let me mark the test

319

00:12:10,480 --> 00:12:07,570

later

320

00:12:12,010 --> 00:12:10,490

do you think i might get between 74 and

321

00:12:13,510 --> 00:12:12,020

ninety percent accuracy I think that was

322

00:12:15,970 --> 00:12:13,520

my mistake in high school maybe I

323

00:12:17,680 --> 00:12:15,980

shoulda known look I know I'm being a

324

00:12:20,200 --> 00:12:17,690

bit facetious but this is actually buy

325

00:12:22,120 --> 00:12:20,210

her own words if you look at a herb this

326

00:12:25,300 --> 00:12:22,130

is not stuff I'm making up if you look

327

00:12:28,389 --> 00:12:25,310

at the last page of her book in her own

328

00:12:29,800 --> 00:12:28,399

handwriting here says Alison takes an

329

00:12:32,139 --> 00:12:29,810

active role in the direction and

330

00:12:34,449 --> 00:12:32,149

execution of the tests so this is not

331

00:12:36,910 --> 00:12:34,459

just me making this up I can verify this

332

00:12:38,860 --> 00:12:36,920

in her own words that firstly puts the

333

00:12:40,660 --> 00:12:38,870

scientifically proven so Billy's into

334

00:12:42,970 --> 00:12:40,670

question yeah but let's look at who does

335

00:12:46,590 --> 00:12:42,980

these tests we have a man called dr.

336

00:12:49,540 --> 00:12:46,600

Schwartz and I'll preface this I believe

337

00:12:52,389 --> 00:12:49,550

dr. Schwartz I believe dr. Shores to be

338

00:12:54,010 --> 00:12:52,399

a crackpot now let's assume I believe is

339

00:12:55,990 --> 00:12:54,020

that a technical term that is a

340

00:12:57,130 --> 00:12:56,000

technical term that's when you get a pot

341

00:12:58,560 --> 00:12:57,140

full of hot water and drop it into

342

00:13:01,329 --> 00:12:58,570

cracks and then everything leaks out

343

00:13:03,460 --> 00:13:01,339

just like someone if they had a leaky

344

00:13:06,579 --> 00:13:03,470

brain anyway I'm not going to become

345

00:13:08,769 --> 00:13:06,589

into name calling extra but he's a funny

346

00:13:12,070 --> 00:13:08,779

man to put it nicely dr. Schwartz is

347

00:13:13,780 --> 00:13:12,080

very academically qualified PhD that

348

00:13:15,430 --> 00:13:13,790

means he's academically in his book

349

00:13:17,260 --> 00:13:15,440

smarts that's fine that's very good up

350

00:13:20,019 --> 00:13:17,270

to Schwartz has an emotional and

351

00:13:21,640 --> 00:13:20,029

financial investment into these tests he

352

00:13:23,410 --> 00:13:21,650

has emotional because when you read his

353

00:13:25,390 --> 00:13:23,420

interviews etc you know that well he

354

00:13:27,280 --> 00:13:25,400

wants a success in his test no research

355

00:13:28,930 --> 00:13:27,290

scientist wants to do tests and

356

00:13:30,820 --> 00:13:28,940

containers who fail so he has an

357

00:13:34,530 --> 00:13:30,830

emotional investment and he has also a

358

00:13:36,790 --> 00:13:34,540

financial investment and that also has a

359

00:13:38,769 --> 00:13:36,800

well a slant on this scientifically

360

00:13:40,420 --> 00:13:38,779

proven psychic abilities he's as a

361

00:13:43,329 --> 00:13:40,430

financial investment because two things

362

00:13:44,920 --> 00:13:43,339

one if this tests aren't valid or don't

363

00:13:46,300 --> 00:13:44,930

come up with ensure accuracy well the

364

00:13:49,660 --> 00:13:46,310

test get cancelled you don't get funding

365

00:13:50,800 --> 00:13:49,670

and also he has a plane to investment

366

00:13:52,449 --> 00:13:50,810

cause he has a number of books he wants

367

00:13:54,190 --> 00:13:52,459

to sell he has his own lectures he wants

368

00:13:56,290 --> 00:13:54,200

to sell so you do not have an

369

00:13:58,480 --> 00:13:56,300

independent person without an emotional

370

00:13:59,860 --> 00:13:58,490

financial investment testing her for a

371

00:14:01,750 --> 00:13:59,870

start that's the first part of dr.

372

00:14:03,310 --> 00:14:01,760

Schwartz let's look at these tests this

373

00:14:05,500 --> 00:14:03,320

is really really important this is a

374

00:14:08,500 --> 00:14:05,510

real crux of the matter anyone can be

375

00:14:10,090 --> 00:14:08,510

tested but how they test him firstly

376

00:14:12,280 --> 00:14:10,100

when they meet dr. Schwartz they have to

377

00:14:13,780 --> 00:14:12,290

do a reading on dr. Schwartz and then

378

00:14:15,610 --> 00:14:13,790

from there if he decides that they're

379

00:14:18,130 --> 00:14:15,620

pretty good or whatever they'll go on to

380

00:14:20,900 --> 00:14:18,140

further tests now her first test with

381

00:14:23,240 --> 00:14:20,910

him is is accounted in her book

382

00:14:24,710 --> 00:14:23,250

and also numerous other places she sat

383

00:14:26,780 --> 00:14:24,720

down with him and did a cold reading on

384

00:14:29,410 --> 00:14:26,790

him and mentioned that someone or friend

385

00:14:33,260 --> 00:14:29,420

of his there had died didn't walk alone

386

00:14:36,020 --> 00:14:33,270

from this he interprets that ah that

387

00:14:38,480 --> 00:14:36,030

means my friend who died who was in a

388

00:14:40,970 --> 00:14:38,490

wheelchair blah blah blah didn't

389

00:14:43,850 --> 00:14:40,980

even walk who didn't even walk now again

390

00:14:45,470 --> 00:14:43,860

he's doing the the general as most of

391

00:14:47,390 --> 00:14:45,480

our listeners will know the cold reading

392

00:14:49,460 --> 00:14:47,400

The Sitter makes the information fit

393

00:14:50,960 --> 00:14:49,470

he's doing he she's doing essentially

394

00:14:52,730 --> 00:14:50,970

basic cold reading and he's falling for

395

00:14:54,350 --> 00:14:52,740

it but he wants it to work and it does

396

00:14:56,120 --> 00:14:54,360

work because he can make her little

397

00:14:58,010 --> 00:14:56,130

statements fit into it so that's the

398

00:14:59,330 --> 00:14:58,020

first part of the test okay the second

399

00:15:01,580 --> 00:14:59,340

part of the test now which is really

400

00:15:04,640 --> 00:15:01,590

important is that they do score a

401
00:15:06,590 --> 00:15:04,650
babysitter sittings sitters and then the

402
00:15:08,480 --> 00:15:06,600
cities have to rate their readings she

403
00:15:10,580 --> 00:15:08,490
said on the John Wayne show Allison

404
00:15:13,520 --> 00:15:10,590
Dubois and the sitters don't mark easily

405
00:15:15,680 --> 00:15:13,530
they mark very hard well i would like to

406
00:15:18,290 --> 00:15:15,690
contest that statement by reading

407
00:15:21,620 --> 00:15:18,300
something to you from mr. Schwab dr.

408
00:15:23,150 --> 00:15:21,630
Schwartz's own test and member allison

409
00:15:26,000 --> 00:15:23,160
just said that the people do not mark

410
00:15:28,280 --> 00:15:26,010
hard i'll give you some examples if the

411
00:15:31,160 --> 00:15:28,290
medium says the cause of death was

412
00:15:33,320 --> 00:15:31,170
drowning yeah and in actuality the cause

413
00:15:35,870 --> 00:15:33,330

of death was drowning this is called a

414

00:15:37,610 --> 00:15:35,880

hit right and the sitters aren't allowed

415

00:15:40,610 --> 00:15:37,620

to just answer yes that was close to

416

00:15:43,490 --> 00:15:40,620

know they are bound to go by these fees

417

00:15:45,200 --> 00:15:43,500

or scoring's okay yeah okay the medium

418

00:15:47,210 --> 00:15:45,210

says I'll to say Allison and then also

419

00:15:50,060 --> 00:15:47,220

sittercity not I'm saying Allison says

420

00:15:52,510 --> 00:15:50,070

the cause of death was drowning however

421

00:15:55,700 --> 00:15:52,520

the cause of death was pulmonary edema

422

00:15:58,940 --> 00:15:55,710

pneumonia or emphysema this is called a

423

00:16:01,160 --> 00:15:58,950

fit-again well as incorrect but with a

424

00:16:02,840 --> 00:16:01,170

mild interpretation now I don't know

425

00:16:04,940 --> 00:16:02,850

whose decision that is a modern

426
00:16:07,370 --> 00:16:04,950
interpretation on this is where science

427
00:16:09,830 --> 00:16:07,380
goes straight up a window because a mild

428
00:16:11,180 --> 00:16:09,840
interpretation his an arbitrary is a

429
00:16:13,580 --> 00:16:11,190
subjective thing that they're making up

430
00:16:15,440 --> 00:16:13,590
now okay let's come move on if Allison

431
00:16:18,020 --> 00:16:15,450
says the cause of death was drowning but

432
00:16:20,000 --> 00:16:18,030
the deceased died in a bathtub but not

433
00:16:21,350 --> 00:16:20,010
from drowning ie maybe she had a head

434
00:16:23,150 --> 00:16:21,360
shot off with a shotgun but was in a

435
00:16:25,700 --> 00:16:23,160
bathtub that's called a fit as well

436
00:16:27,920 --> 00:16:25,710
that's called correct I see so

437
00:16:29,540 --> 00:16:27,930
dehydration it's really hard to miss it

438
00:16:31,640 --> 00:16:29,550

well I'll keep going and i'll give you

439

00:16:33,320 --> 00:16:31,650

answer that if allison says the cause of

440

00:16:34,550 --> 00:16:33,330

death was drowning but the cause of

441

00:16:37,100 --> 00:16:34,560

death was an

442

00:16:40,070 --> 00:16:37,110

in direct calls from a terrible

443

00:16:41,750 --> 00:16:40,080

rainstorm okay example you're driving a

444

00:16:43,790 --> 00:16:41,760

car training a crashing tree and birth

445

00:16:45,950 --> 00:16:43,800

to death burn to death but Arsene said

446

00:16:48,920 --> 00:16:45,960

you'd cause of death was drowning then

447

00:16:52,190 --> 00:16:48,930

that is correct with a stretch of

448

00:16:54,560 --> 00:16:52,200

interpretation a stretch yeah mighty big

449

00:16:56,810 --> 00:16:54,570

stretch stretch if the cause if Allison

450

00:16:58,130 --> 00:16:56,820

says the person died of drowning but it

451
00:17:02,180 --> 00:16:58,140
was a close friend and not the person

452
00:17:04,579 --> 00:17:02,190
named then it was a fit other I don't

453
00:17:06,290 --> 00:17:04,589
know what I means I'd if the it is as if

454
00:17:08,540 --> 00:17:06,300
the cause of death if she says it was

455
00:17:11,150 --> 00:17:08,550
the person drowned but the the person

456
00:17:13,250 --> 00:17:11,160
died of lymphoma well then that wasn't a

457
00:17:15,410 --> 00:17:13,260
fit and if you do the maths here it

458
00:17:17,329 --> 00:17:15,420
comes up that eighty-four percent of the

459
00:17:19,040 --> 00:17:17,339
statement is correct so as you just said

460
00:17:21,319 --> 00:17:19,050
it's very hard to get it wrong so that

461
00:17:24,230 --> 00:17:21,329
means if Allison said the person died of

462
00:17:27,439 --> 00:17:24,240
drowning eighty-four percent of anything

463
00:17:28,990 --> 00:17:27,449

will count as a yes good and now I bring

464

00:17:32,620 --> 00:17:29,000

you back to the first thing I said

465

00:17:35,060 --> 00:17:32,630

research medium irritability authority

466

00:17:37,640 --> 00:17:35,070

scientifically proven psychic abilities

467

00:17:39,470 --> 00:17:37,650

Allison on John fan radius said that

468

00:17:41,930 --> 00:17:39,480

they rake really hard and it's not easy

469

00:17:43,850 --> 00:17:41,940

well I can test that Allison I rate a

470

00:17:46,040 --> 00:17:43,860

eighty-four percent of what you say

471

00:17:47,900 --> 00:17:46,050

could be clicked as correct so does

472

00:17:49,850 --> 00:17:47,910

matter what she sits you also could say

473

00:17:51,350 --> 00:17:49,860

anything so how they really want her to

474

00:17:53,510 --> 00:17:51,360

pass a test I wanted a pass there's

475

00:17:54,800 --> 00:17:53,520

nowhere and fail a test like that and if

476

00:17:55,850 --> 00:17:54,810

sharing its thirty-four percent right in

477

00:17:58,600 --> 00:17:55,860

that I think she's doing very poorly

478

00:18:02,540 --> 00:17:58,610

let's ignore all that let's ignore that

479

00:18:04,010 --> 00:18:02,550

she she also says and now I'm like I'm

480

00:18:06,800 --> 00:18:04,020

gonna put you on the spot here she also

481

00:18:08,930 --> 00:18:06,810

says that she's worked with the Texas

482

00:18:12,350 --> 00:18:08,940

Rangers now how can you dispute that

483

00:18:13,790 --> 00:18:12,360

well she does and the only way to

484

00:18:16,400 --> 00:18:13,800

dispute that is to ask the test arrange

485

00:18:17,690 --> 00:18:16,410

themselves which I did oh you did yes oh

486

00:18:20,419 --> 00:18:17,700

I spoke to the public information

487

00:18:22,220 --> 00:18:20,429

officer Lisa block and they stated

488

00:18:26,150 --> 00:18:22,230

flatly that they'd never work with her

489

00:18:29,210 --> 00:18:26,160

in subsequent askings alison has said

490

00:18:31,490 --> 00:18:29,220

yes I have and they met me there and it

491

00:18:34,000 --> 00:18:31,500

was just like the TV show well this has

492

00:18:36,110 --> 00:18:34,010

to come back down to she said he said

493

00:18:37,850 --> 00:18:36,120

Allison claims that she's worked for the

494

00:18:40,340 --> 00:18:37,860

Texas Rangers the Texas Rangers

495

00:18:42,590 --> 00:18:40,350

themselves say no we never did you've

496

00:18:44,980 --> 00:18:42,600

gotta decide to believe someone well I

497

00:18:47,020 --> 00:18:44,990

wonder who I would leave in it yeah

498

00:18:48,669 --> 00:18:47,030

especially when it comes up again when

499

00:18:51,280 --> 00:18:48,679

she said she worked for the Glendale

500

00:18:52,960 --> 00:18:51,290

Police yeah and the public information

501
00:18:55,750 --> 00:18:52,970
officer there Michael penis as we also

502
00:18:59,500 --> 00:18:55,760
have him work with her as well she also

503
00:19:01,030 --> 00:18:59,510
said she was training to be a district

504
00:19:03,400 --> 00:19:01,040
attorney for the Maricopa County

505
00:19:05,590 --> 00:19:03,410
Attorney's Office she wasn't she was an

506
00:19:08,049 --> 00:19:05,600
intern working for the Maricopa County's

507
00:19:09,669 --> 00:19:08,059
office as a paper shuffler and that's

508
00:19:11,980 --> 00:19:09,679
where it all started because she wasn't

509
00:19:14,500 --> 00:19:11,990
she wasn't studying law she was studying

510
00:19:16,030 --> 00:19:14,510
history I've got it here somewhere in my

511
00:19:18,190 --> 00:19:16,040
little ideas I can't remember exactly

512
00:19:20,350 --> 00:19:18,200
she was studying I think history and

513
00:19:22,030 --> 00:19:20,360

something else and I should know this up

514

00:19:24,160 --> 00:19:22,040

by heart but I don't notice about she

515

00:19:25,840 --> 00:19:24,170

wasn't studying law but she was working

516

00:19:29,799 --> 00:19:25,850

in the office doing paperwork and

517

00:19:31,419 --> 00:19:29,809

handling photos of victims of crime that

518

00:19:32,770 --> 00:19:31,429

she suddenly got these flashes and how

519

00:19:33,880 --> 00:19:32,780

she suddenly knew where the bodies were

520

00:19:36,370 --> 00:19:33,890

in a letter of stuff that's what the

521

00:19:39,160 --> 00:19:36,380

story goes it also amazes me that after

522

00:19:41,230 --> 00:19:39,170

her her world would tour of Australia it

523

00:19:42,880 --> 00:19:41,240

don't haven't heard a peep not a few I

524

00:19:44,590 --> 00:19:42,890

mean was all the crimes she's just

525

00:19:46,360 --> 00:19:44,600

solved in the last week and I live eggs

526

00:19:49,240 --> 00:19:46,370

at exactly well that's exactly think the

527

00:19:51,100 --> 00:19:49,250

whole TV so is made up of the first one

528

00:19:52,600 --> 00:19:51,110

and in the second the first show which

529

00:19:54,700 --> 00:19:52,610

was a Texas Rangers in the second show

530

00:19:56,950 --> 00:19:54,710

which was the glendale police after that

531

00:19:59,620 --> 00:19:56,960

they're all loosely based on things that

532

00:20:01,480 --> 00:19:59,630

happened in her life well I'd say what

533

00:20:03,130 --> 00:20:01,490

things things she dreamt up things that

534

00:20:04,510 --> 00:20:03,140

they're not based on fact at all look

535

00:20:06,190 --> 00:20:04,520

there's a few things interesting about

536

00:20:08,620 --> 00:20:06,200

her and psychic digs i'm a should cover

537

00:20:10,030 --> 00:20:08,630

just quickly for you ok yep in my

538

00:20:11,830 --> 00:20:10,040

opinion and this is again as i believe

539

00:20:14,049 --> 00:20:11,840

that these psychic to her in the others

540

00:20:15,549 --> 00:20:14,059

deliberately target high-profile cases

541

00:20:17,320 --> 00:20:15,559

for a game their own credibility and

542

00:20:19,419 --> 00:20:17,330

authority and particularly missing

543

00:20:21,100 --> 00:20:19,429

persons of victims of violent crime this

544

00:20:23,100 --> 00:20:21,110

sells really well to the public that

545

00:20:25,510 --> 00:20:23,110

sells really well to hell I guess

546

00:20:27,100 --> 00:20:25,520

fascination yeah I sent with death and

547

00:20:28,870 --> 00:20:27,110

dying else it's not someone close to us

548

00:20:31,419 --> 00:20:28,880

so they make good money out of it and

549

00:20:33,700 --> 00:20:31,429

often the best heart strings to pull her

550

00:20:35,860 --> 00:20:33,710

children and you'll notice with the

551
00:20:38,650 --> 00:20:35,870
Beaumont children Daniel mikone common

552
00:20:40,390 --> 00:20:38,660
Chan they've all done these cases on

553
00:20:43,480 --> 00:20:40,400
that other disgusting program sensing

554
00:20:45,610 --> 00:20:43,490
murder however no one's been found no

555
00:20:47,770 --> 00:20:45,620
one's been there's been no television

556
00:20:49,810 --> 00:20:47,780
follow-up saying WOW from Carmen Chan

557
00:20:51,460 --> 00:20:49,820
show from sensing murder with your sound

558
00:20:53,080 --> 00:20:51,470
from that evidence these shows are

559
00:20:55,030 --> 00:20:53,090
self-evident that they're full of

560
00:20:57,130 --> 00:20:55,040
rubbish because there has been any fault

561
00:20:58,360 --> 00:20:57,140
of any discovery no nothing approving

562
00:21:00,640 --> 00:20:58,370
themselves if it

563
00:21:03,640 --> 00:21:00,650

strangely quiet I've although sensing

564

00:21:05,290 --> 00:21:03,650

murder shows there's been a you'd think

565

00:21:07,240 --> 00:21:05,300

they'd come back and say well it's been

566

00:21:09,190 --> 00:21:07,250

two years now since the first episode

567

00:21:11,620 --> 00:21:09,200

Angie we haven't found a damn thing damn

568

00:21:13,150 --> 00:21:11,630

thing and the thought of the dreadful

569

00:21:15,010 --> 00:21:13,160

thing about this apart from the

570

00:21:18,130 --> 00:21:15,020

so-called info entertainment that this

571

00:21:20,620 --> 00:21:18,140

ends up being those that desperate and

572

00:21:22,450 --> 00:21:20,630

emotional a thing they're hanging by

573

00:21:24,190 --> 00:21:22,460

this terrible thread hoping that maybe

574

00:21:25,870 --> 00:21:24,200

there's something to have here people

575

00:21:27,460 --> 00:21:25,880

forget for a moment and when you're

576

00:21:29,170 --> 00:21:27,470

watching psychic detectives or seeing us

577

00:21:30,820 --> 00:21:29,180

in de guerre this is not the real thing

578

00:21:32,680 --> 00:21:30,830

about this that there are people out

579

00:21:34,600 --> 00:21:32,690

there suffering probably the most

580

00:21:36,220 --> 00:21:34,610

dreadful grief there is of their

581

00:21:38,500 --> 00:21:36,230

children or their wives or daughters

582

00:21:40,780 --> 00:21:38,510

missing or murdered by people unknown

583

00:21:42,669 --> 00:21:40,790

and then waiting to find out what

584

00:21:45,040 --> 00:21:42,679

happened and these people are left in

585

00:21:48,340 --> 00:21:45,050

this desperate emotional state and this

586

00:21:49,840 --> 00:21:48,350

a vulnerable situation and these psychic

587

00:21:51,669 --> 00:21:49,850

detectives are claiming all sorts of

588

00:21:54,640 --> 00:21:51,679

things and exploiting them to the max

589

00:21:56,620 --> 00:21:54,650

which is just so grateful and they say

590

00:21:58,810 --> 00:21:56,630

we don't do it for a fee of course they

591

00:22:00,790 --> 00:21:58,820

don't they do it for profile and they

592

00:22:02,470 --> 00:22:00,800

get such a profile out of it you look at

593

00:22:03,970 --> 00:22:02,480

any of the women's magazines etc there's

594

00:22:06,850 --> 00:22:03,980

both those guys Russell whatever his

595

00:22:08,560 --> 00:22:06,860

name is etc making themselves famous and

596

00:22:10,600 --> 00:22:08,570

make themselves wealthy out of these

597

00:22:14,500 --> 00:22:10,610

people's misery and pain which i think

598

00:22:16,330 --> 00:22:14,510

is just so aghast to anybody who's not

599

00:22:18,640 --> 00:22:16,340

sure but you know that misery and pain

600

00:22:20,650 --> 00:22:18,650

have always sold well and they do i do

601
00:22:22,090 --> 00:22:20,660
but i mean i've got nothing against a

602
00:22:25,780 --> 00:22:22,100
good horror movie because you can choose

603
00:22:27,430 --> 00:22:25,790
to go to that or a scary movie or even a

604
00:22:29,080 --> 00:22:27,440
good horror book or a criminal detective

605
00:22:31,090 --> 00:22:29,090
fiction show you have a choice of

606
00:22:33,010 --> 00:22:31,100
dialing in or darling out of that and we

607
00:22:34,990 --> 00:22:33,020
know it's fiction and horror and playing

608
00:22:37,810 --> 00:22:35,000
whistle but when you start capitalizing

609
00:22:39,760 --> 00:22:37,820
on this it just gets so so wrong but she

610
00:22:42,400 --> 00:22:39,770
has a go at skeptics interesting along

611
00:22:44,020 --> 00:22:42,410
with what they say she says skeptics and

612
00:22:46,180 --> 00:22:44,030
a lot of these psychic detectives have

613
00:22:48,580 --> 00:22:46,190

the same things that if we don't believe

614

00:22:50,380 --> 00:22:48,590

in an afterlife and we don't believe in

615

00:22:53,710 --> 00:22:50,390

not life after death well i can't help

616

00:22:55,090 --> 00:22:53,720

you well not all skeptics believe that

617

00:22:57,220 --> 00:22:55,100

and a lot of them have their own private

618

00:22:59,560 --> 00:22:57,230

thoughts anyhow and to package all

619

00:23:01,270 --> 00:22:59,570

skeptics in the same thing is again by

620

00:23:03,100 --> 00:23:01,280

her very very convenient to put us all

621

00:23:04,990 --> 00:23:03,110

in the same spot is very convenient and

622

00:23:06,520 --> 00:23:05,000

then especially when she's on the chat

623

00:23:08,590 --> 00:23:06,530

chosen whatever she can write off the

624

00:23:10,720 --> 00:23:08,600

skeptics in one sentence one sentence

625

00:23:12,159 --> 00:23:10,730

and then that undoes it all but i'll

626

00:23:14,169 --> 00:23:12,169

throw back a few things that are for

627

00:23:16,690 --> 00:23:14,179

firstly she loves stirring words of the

628

00:23:19,779 --> 00:23:16,700

skeptics she used the words skeptics

629

00:23:23,200 --> 00:23:19,789

have vile repelling energies and that's

630

00:23:24,999 --> 00:23:23,210

why page 116 of her book I do how I had

631

00:23:26,470 --> 00:23:25,009

a violin repelling energy I well and

632

00:23:29,379 --> 00:23:26,480

have another shower she talks about

633

00:23:33,039 --> 00:23:29,389

another famous skeptic on a page

634

00:23:35,379 --> 00:23:33,049

100 and she says so this is nice name

635

00:23:37,450 --> 00:23:35,389

calling so that's good and she says out

636

00:23:39,820 --> 00:23:37,460

of page 112 and I cannot believe

637

00:23:42,970 --> 00:23:39,830

proofreaders didn't fix this up she says

638

00:23:48,509 --> 00:23:42,980

remember it was skeptics who insisted

639

00:23:50,619 --> 00:23:48,519

that the world was flat oh yeah well

640

00:23:52,450 --> 00:23:50,629

Alison I think you've got that one

641

00:23:56,739 --> 00:23:52,460

hundred percent the wrong way around it

642

00:23:58,690 --> 00:23:56,749

was said well was rap at least the

643

00:24:02,529 --> 00:23:58,700

skeptics questioned if the world is flat

644

00:24:04,840 --> 00:24:02,539

but yes yes I ought page 112 she screams

645

00:24:07,419 --> 00:24:04,850

that skeptics are such bad nasty people

646

00:24:09,070 --> 00:24:07,429

and remember and I'm just turning to the

647

00:24:12,970 --> 00:24:09,080

page here because that's from my memory

648

00:24:16,779 --> 00:24:12,980

I see ya like a good book here at 112

649

00:24:18,580 --> 00:24:16,789

she says yes these of us and angry

650

00:24:20,859 --> 00:24:18,590

skeptics are the same people who

651
00:24:23,109 --> 00:24:20,869
insisted the world was flat angry

652
00:24:24,879 --> 00:24:23,119
skeptic angry skeptics the same people

653
00:24:28,299 --> 00:24:24,889
is the world was flat well Alison that

654
00:24:30,249 --> 00:24:28,309
is wrong so funny it would be funny if

655
00:24:32,109 --> 00:24:30,259
it wasn't so sad she also claimed that

656
00:24:35,320 --> 00:24:32,119
you know Randy with his million dollars

657
00:24:37,389 --> 00:24:35,330
didn't exist and she can't see that it

658
00:24:40,570 --> 00:24:37,399
exists etc etc and while I was doing my

659
00:24:42,999 --> 00:24:40,580
interviews I went actually to the 990

660
00:24:45,700 --> 00:24:43,009
section of the IRS which is the Internal

661
00:24:48,220 --> 00:24:45,710
Revenue Services paperwork for where

662
00:24:50,379 --> 00:24:48,230
they keep all nonprofit organizations

663
00:24:52,269 --> 00:24:50,389

paperwork and tax returns and I went to

664

00:24:55,149 --> 00:24:52,279

the tax return i looked up james Randy's

665

00:24:57,820 --> 00:24:55,159

form and it has James Randi and his his

666

00:25:00,310 --> 00:24:57,830

yearly salary there and I think it's

667

00:25:02,049 --> 00:25:00,320

section 30 or 60 for water there's the

668

00:25:03,789 --> 00:25:02,059

moon in dollars sitting there yeah well

669

00:25:05,499 --> 00:25:03,799

anyone to climb out so she claimed its

670

00:25:08,379 --> 00:25:05,509

what wasn't real accepted as her answers

671

00:25:10,539 --> 00:25:08,389

to are they all claim that they all say

672

00:25:11,979 --> 00:25:10,549

they all say that it's not real and I

673

00:25:13,810 --> 00:25:11,989

champion him on but it's there and

674

00:25:15,430 --> 00:25:13,820

illegal and stock is illegal and she's

675

00:25:17,139 --> 00:25:15,440

also said there now he'll be broke if it

676
00:25:18,700 --> 00:25:17,149
if you know I proved him wrong etc and I

677
00:25:20,080 --> 00:25:18,710
said well for the radio would it be as I

678
00:25:21,639 --> 00:25:20,090
said no he'll still get his paid because

679
00:25:24,540 --> 00:25:21,649
there's paycheck there for every year

680
00:25:26,550 --> 00:25:24,550
and plus you'll even be more famous

681
00:25:29,220 --> 00:25:26,560
yeah she's been living this story since

682
00:25:31,290 --> 00:25:29,230
she was 6 years old and she's exposed to

683
00:25:32,730 --> 00:25:31,300
family to it and she has Fame and

684
00:25:35,220 --> 00:25:32,740
television shows she is married to this

685
00:25:37,410 --> 00:25:35,230
story completely so whatever we come up

686
00:25:38,970 --> 00:25:37,420
as skeptics here we're not going to

687
00:25:41,160 --> 00:25:38,980
actually ever convince her or the

688
00:25:42,990 --> 00:25:41,170

hardcore but we will be able to maybe

689

00:25:44,610 --> 00:25:43,000

attack and crumble some of her major

690

00:25:46,260 --> 00:25:44,620

claims to the rest of the thinking

691

00:25:48,030 --> 00:25:46,270

public she's not a criminal profile

692

00:25:50,400 --> 00:25:48,040

she's not as research medium she has not

693

00:25:52,440 --> 00:25:50,410

solved any cases nor work with law

694

00:25:54,120 --> 00:25:52,450

enforcement has most like addictive

695

00:25:55,890 --> 00:25:54,130

she's based it on tithing the most

696

00:25:58,620 --> 00:25:55,900

vulnerable people and she has no answers

697

00:26:00,240 --> 00:25:58,630

for the skeptics if that answers a few

698

00:26:02,310 --> 00:26:00,250

questions for you Richard oh that's

699

00:26:04,080 --> 00:26:02,320

fantastic well mark thanks for coming

700

00:26:06,150 --> 00:26:04,090

it's been great to talk with you I hope

701

00:26:08,520 --> 00:26:06,160

our listeners got a lot of interesting

702

00:26:13,350 --> 00:26:08,530

benefit out of them now as a absolute

703

00:26:16,610 --> 00:26:13,360

pleasure Richard you've been listening
