

**SKEPTIC
ZONE**

THINKING CAPS
MUST BE WORN
IN THIS AREA

The
Podcast
from
Australia
for
Science
and
Reason

www.skepticzone.tv

1
00:00:13,180 --> 00:00:09,490
welcome to the skeptic zone the podcast

2
00:00:16,810 --> 00:00:13,190
from Australia for science and reason

3
00:00:20,840 --> 00:00:16,820
urea hosts Richard Saunders and Stefan

4
00:00:27,120 --> 00:00:24,090
hello Richard um I'm back in the zone

5
00:00:29,970 --> 00:00:27,130
Stefan we thought you were dead ah I

6
00:00:31,980 --> 00:00:29,980
almost why you were I almost was it's

7
00:00:34,799 --> 00:00:31,990
been so long yeah I've had this massive

8
00:00:37,140 --> 00:00:34,809
great bronchitis thing that lasted about

9
00:00:39,630 --> 00:00:37,150
six weeks that's no good for a singer it

10
00:00:41,280 --> 00:00:39,640
for no it's not fortunately for some

11
00:00:43,710 --> 00:00:41,290
reason I did I didn't have many gigs on

12
00:00:45,689 --> 00:00:43,720
at the moment does I think it's a thing

13
00:00:48,780 --> 00:00:45,699

that I do every time I don't have no

14

00:00:50,700 --> 00:00:48,790

gigs I get sick um yeah but they're you

15

00:00:53,220 --> 00:00:50,710

guys so it's good to be back in the zone

16

00:00:55,350 --> 00:00:53,230

oh it's good to see you back here Stefan

17

00:00:57,420 --> 00:00:55,360

now I bet because he was so ill you

18

00:01:00,150 --> 00:00:57,430

trying a few of the old alternative

19

00:01:02,670 --> 00:01:00,160

remedies I tried everything I placed a

20

00:01:04,469 --> 00:01:02,680

call with medicines on medicine doctors

21

00:01:06,570 --> 00:01:04,479

without medicine yeah they couldn't help

22

00:01:09,359 --> 00:01:06,580

me I had the life wire happening

23

00:01:12,660 --> 00:01:09,369

everywhere yeah I tried the 123 gut plus

24

00:01:15,630 --> 00:01:12,670

I did everyone know crystals chanting

25

00:01:17,550 --> 00:01:15,640

chakra balancing and you know what the

26

00:01:19,710 --> 00:01:17,560

bacteria in my bronchial tubes just

27

00:01:21,240 --> 00:01:19,720

wouldn't go away get away yeah it's

28

00:01:22,740 --> 00:01:21,250

unbelievable you would have thought with

29

00:01:25,859 --> 00:01:22,750

all those treatments that would have but

30

00:01:28,680 --> 00:01:25,869

no and in the end i went for antibiotics

31

00:01:30,510 --> 00:01:28,690

really so you sucked up to modern

32

00:01:33,359 --> 00:01:30,520

science I'll medicine today that's why I

33

00:01:35,730 --> 00:01:33,369

bought Big Pharma big pharma yeah I'm

34

00:01:37,139 --> 00:01:35,740

countering the big pharma now and and

35

00:01:41,699 --> 00:01:37,149

yeah the funny thing is it actually

36

00:01:44,130 --> 00:01:41,709

works it's a miracle I'm miracle that

37

00:01:45,660 --> 00:01:44,140

antibiotics work to fight bacteria in

38

00:01:47,339 --> 00:01:45,670

your pocket change it's a miracle and

39

00:01:50,990 --> 00:01:47,349

order it's also a miracle that this is

40

00:01:54,270 --> 00:01:51,000

show number 83 it is not it is ah

41

00:01:55,830 --> 00:01:54,280

Richard this show is I mean I can't

42

00:01:58,050 --> 00:01:55,840

believe I was going to be dead after six

43

00:01:59,729 --> 00:01:58,060

episodes and we're still going did you

44

00:02:02,249 --> 00:01:59,739

I'll thanks for your confidence no I

45

00:02:05,160 --> 00:02:02,259

want faith of that 83 that's fantastic

46

00:02:07,169 --> 00:02:05,170

yeah it's the 21st to my show 83 and

47

00:02:10,740 --> 00:02:07,179

what an interesting show we have for you

48

00:02:13,350 --> 00:02:10,750

we have a report we went once again to

49

00:02:16,619 --> 00:02:13,360

our favorite place the mind-body-spirit

50

00:02:18,240 --> 00:02:16,629

festival oh my very spirit yeah oh

51
00:02:22,080 --> 00:02:18,250
you're not allowed to say walls anymore

52
00:02:23,970 --> 00:02:22,090
all right mine body wallet that's the

53
00:02:26,010 --> 00:02:23,980
that's the festival I know and love ya

54
00:02:27,990 --> 00:02:26,020
well we went there a number of years ago

55
00:02:28,840 --> 00:02:28,000
we filmed a report there yeah now we

56
00:02:30,580 --> 00:02:28,850
ever had a lot of

57
00:02:33,490 --> 00:02:30,590
yeah and they do it don't do it like

58
00:02:35,320 --> 00:02:33,500
twice a year in Sydney yeah did you

59
00:02:37,090 --> 00:02:35,330
think even like once once every couple

60
00:02:39,790 --> 00:02:37,100
years is probably enough but they they

61
00:02:41,980 --> 00:02:39,800
do it twice a year and it was packed out

62
00:02:43,690 --> 00:02:41,990
we could hardly move there were hundreds

63
00:02:45,220 --> 00:02:43,700

of stands and thousands of people

64

00:02:47,350 --> 00:02:45,230

milling around getting their chakras

65

00:02:49,420 --> 00:02:47,360

realigned and all sorts of things or as

66

00:02:52,300 --> 00:02:49,430

my brother said who joined us on the

67

00:02:54,730 --> 00:02:52,310

trip maybe he came up with a beauty said

68

00:02:57,520 --> 00:02:54,740

I've come here to get my spirit

69

00:03:00,670 --> 00:02:57,530

cleansing my hog washed oh that's a good

70

00:03:01,960 --> 00:03:00,680

one you know I actually should have

71

00:03:04,390 --> 00:03:01,970

turned up and just coughed all over

72

00:03:06,580 --> 00:03:04,400

everybody and just seeing how how

73

00:03:08,110 --> 00:03:06,590

magically they all defended it that you

74

00:03:09,610 --> 00:03:08,120

should have we saw some interesting

75

00:03:12,370 --> 00:03:09,620

people there that's for sure but that

76

00:03:14,770 --> 00:03:12,380

reports just just on and sweetly you

77

00:03:16,870 --> 00:03:14,780

know what we were also getting letters

78

00:03:19,510 --> 00:03:16,880

from people wanting to hear more of dr.

79

00:03:22,180 --> 00:03:19,520

Stefan oh I tell you what this is dr.

80

00:03:23,950 --> 00:03:22,190

Stefan makes his full recovery the

81

00:03:26,530 --> 00:03:23,960

course of antibiotics are nearly

82

00:03:28,120 --> 00:03:26,540

finished he's coming back he's come home

83

00:03:31,290 --> 00:03:28,130

really why I know I've been out of the

84

00:03:33,870 --> 00:03:31,300

loop for a while but dr. Stefan Soyka is

85

00:03:35,980 --> 00:03:33,880

yeah I think there's a non-smoking

86

00:03:37,630 --> 00:03:35,990

course that I think he's working on

87

00:03:39,880 --> 00:03:37,640

moment but it's just it's in the labs

88

00:03:42,150 --> 00:03:39,890

it's in the last absorb it's about to be

89

00:03:44,650 --> 00:03:42,160

really say and what another another

90

00:03:47,140 --> 00:03:44,660

think tank yeah and that's followed by

91

00:03:50,290 --> 00:03:47,150

the the think tank of dr. rachy dr.

92

00:03:52,360 --> 00:03:50,300

Chrissy Albert friends Jason and James

93

00:03:54,790 --> 00:03:52,370

joined us in our favorite club down the

94

00:03:57,190 --> 00:03:54,800

street and we have a good old chat but

95

00:03:59,170 --> 00:03:57,200

we're very excited because we're working

96

00:04:01,900 --> 00:03:59,180

very hard every week I can assure

97

00:04:03,490 --> 00:04:01,910

everybody on Tam Australia ah that's

98

00:04:05,380 --> 00:04:03,500

going to be massive his November isn't

99

00:04:07,630 --> 00:04:05,390

in November more stars in the Milky Way

100

00:04:09,730 --> 00:04:07,640

coming along Tamela stress so you got a

101
00:04:12,580 --> 00:04:09,740
few more celebs coming down well if the

102
00:04:14,830 --> 00:04:12,590
lineup includes james randi DJ Grothe

103
00:04:17,590 --> 00:04:14,840
brian dunning skip excited the universe

104
00:04:20,410 --> 00:04:17,600
silencing Eugenie Scott dr. Karl

105
00:04:22,330 --> 00:04:20,420
cruising iski dr. Paul Willis Fred

106
00:04:25,030 --> 00:04:22,340
Watson the astronomer it goes on and on

107
00:04:27,580 --> 00:04:25,040
and more names on the way dr. Rachel dr.

108
00:04:29,560 --> 00:04:27,590
kristy myself you'll probably be there

109
00:04:31,030 --> 00:04:29,570
I'm gonna be there to take ticket to the

110
00:04:32,800 --> 00:04:31,040
door or something you know I think the

111
00:04:35,530 --> 00:04:32,810
earth is probably going to shift on its

112
00:04:37,719 --> 00:04:35,540
axis from the weight of skepticism in

113
00:04:39,640 --> 00:04:37,729

Sydney coming down under I think so in

114

00:04:42,860 --> 00:04:39,650

the good news is the official website

115

00:04:45,689 --> 00:04:42,870

will be up in a matter of a week or so

116

00:04:47,640 --> 00:04:45,699

xojo maybe a week or two but very soon

117

00:04:49,559 --> 00:04:47,650

and all the names will be there and

118

00:04:52,559 --> 00:04:49,569

details about tickets will be coming

119

00:04:54,149 --> 00:04:52,569

along before too long too it's got to be

120

00:04:56,429 --> 00:04:54,159

a huge right so i reckon a few more

121

00:05:00,149 --> 00:04:56,439

people should come for a holiday and

122

00:05:01,800 --> 00:05:00,159

enjoy the wonderful atmosphere here in

123

00:05:04,050 --> 00:05:01,810

sydney and all the climb and everything

124

00:05:06,029 --> 00:05:04,060

in and all and even after it's finished

125

00:05:08,459 --> 00:05:06,039

i could go for a trick up north to the

126
00:05:11,189 --> 00:05:08,469
cans or byron bay absolutely ayers rock

127
00:05:14,700 --> 00:05:11,199
yo make it a big holiday come for the

128
00:05:16,800 --> 00:05:14,710
for the big dam sydney and and stick

129
00:05:19,110 --> 00:05:16,810
around for Australia a lot of people

130
00:05:21,390 --> 00:05:19,120
will be doing that absolutely and before

131
00:05:23,249 --> 00:05:21,400
that of course there we're getting ready

132
00:05:25,110 --> 00:05:23,259
a group of us from the Australian

133
00:05:28,469 --> 00:05:25,120
skeptics and the skeptics owner off to

134
00:05:30,959 --> 00:05:28,479
Las Vegas for tam 8 in Las Vegas Oh

135
00:05:32,839 --> 00:05:30,969
Richard you're such a jetsetter I know I

136
00:05:36,240 --> 00:05:32,849
like racking up those frequent fire

137
00:05:39,360 --> 00:05:36,250
frequent fire points playa points Oh

138
00:05:40,950 --> 00:05:39,370

freedom fraught fryer I appoints look

139

00:05:42,390 --> 00:05:40,960

well lip I think we should just get on

140

00:05:44,909 --> 00:05:42,400

with the show cuz I'm about to put time

141

00:05:47,100 --> 00:05:44,919

another hacking any second now so let's

142

00:06:07,500 --> 00:05:47,110

get into it and I guess I'll see you the

143

00:06:12,580 --> 00:06:10,540

hello listeners and welcome to the

144

00:06:14,680 --> 00:06:12,590

mind-body wallet festival or the

145

00:06:16,600 --> 00:06:14,690

mind-body-spirit festival i'm here on

146

00:06:19,090 --> 00:06:16,610

the steps at the sydney exhibition

147

00:06:22,060 --> 00:06:19,100

centre and we're about to go in once

148

00:06:24,190 --> 00:06:22,070

again to brave a mind body spirit and

149

00:06:26,320 --> 00:06:24,200

i'm here with richard hi Richard hi Rach

150

00:06:31,000 --> 00:06:26,330

you why do we do it I don't know what

151
00:06:33,250 --> 00:06:31,010
was that and I'm also here with James or

152
00:06:35,590 --> 00:06:33,260
bastard sheep hi James I'm scared a

153
00:06:40,440 --> 00:06:35,600
check too scared did you bring your

154
00:06:42,760 --> 00:06:40,450
sheep to help you not yeah braids come I

155
00:06:44,230 --> 00:06:42,770
mean I guess we'll see the standard kind

156
00:06:45,730 --> 00:06:44,240
of stuff that we usually see you know

157
00:06:47,830 --> 00:06:45,740
there's going to be some fun stuff

158
00:06:50,260 --> 00:06:47,840
there's going to be some you know nice

159
00:06:52,660 --> 00:06:50,270
smelling soaps and good food but there's

160
00:06:54,160 --> 00:06:52,670
also going to be some fairly scary stuff

161
00:06:57,040 --> 00:06:54,170
isn't there James the other

162
00:06:58,570 --> 00:06:57,050
Scientologists here so yeah that's true

163
00:07:00,670 --> 00:06:58,580

Scientologist to hear there's usually

164

00:07:02,170 --> 00:07:00,680

people selling magic water that cures

165

00:07:04,120 --> 00:07:02,180

all kinds of things I expect they'll be

166

00:07:07,270 --> 00:07:04,130

here again right on you've got your own

167

00:07:08,980 --> 00:07:07,280

how much is that one two dollars of

168

00:07:11,410 --> 00:07:08,990

things don't think it's two dollars

169

00:07:14,200 --> 00:07:11,420

inside all right this is what we get a

170

00:07:16,840 --> 00:07:14,210

brave in the ticket Reggie honey yeah

171

00:07:19,390 --> 00:07:16,850

yeah I've got my ticket we're gonna yell

172

00:07:20,800 --> 00:07:19,400

will go in and maybe who knows when

173

00:07:23,040 --> 00:07:20,810

maybe we'll find people doing the

174

00:07:29,460 --> 00:07:23,050

applied kinesiology

175

00:07:32,219 --> 00:07:29,470

yeah actually yeah he took about five

176
00:07:33,390 --> 00:07:32,229
foot is on the hard way yes so we might

177
00:07:35,430 --> 00:07:33,400
we're going to see that you can

178
00:07:36,809 --> 00:07:35,440
demonstrate it we must recognize you by

179
00:07:38,490 --> 00:07:36,819
taking photographs no I think it's

180
00:07:40,320 --> 00:07:38,500
suspicious of us are suspiciously I

181
00:07:42,330 --> 00:07:40,330
didn't demonstrate me I think I can

182
00:07:44,670 --> 00:07:42,340
somehow I think I can demonstrate it

183
00:07:47,040 --> 00:07:44,680
actually you probably recognize this you

184
00:07:49,050 --> 00:07:47,050
Richard for your kinesiology video he

185
00:07:57,959 --> 00:07:49,060
might how many hits as it had now over a

186
00:08:00,990 --> 00:07:57,969
thousand and so our small party went

187
00:08:02,600 --> 00:08:01,000
into the mind-body-spirit festival well

188
00:08:06,899 --> 00:08:02,610

listen we've been doing this now for

189

00:08:09,300 --> 00:08:06,909

nearly 10 years every six months in fact

190

00:08:12,300 --> 00:08:09,310

one ring through the holes of psychics

191

00:08:15,779 --> 00:08:12,310

crystal healing chanting lots of

192

00:08:18,059 --> 00:08:15,789

drumming for some reason mystical pills

193

00:08:21,089 --> 00:08:18,069

and potions machines that work on

194

00:08:24,809 --> 00:08:21,099

quantum energy and the question always

195

00:08:27,510 --> 00:08:24,819

is well why do we do it well I do it

196

00:08:30,360 --> 00:08:27,520

personally to learn what the other side

197

00:08:33,000 --> 00:08:30,370

is thinking or not thinking as the case

198

00:08:37,350 --> 00:08:33,010

may be and every time I go without

199

00:08:40,110 --> 00:08:37,360

exception I learn something new this

200

00:08:43,620 --> 00:08:40,120

time especially this time I learned a

201
00:08:46,920 --> 00:08:43,630
few more tricks on how the applied

202
00:08:48,389 --> 00:08:46,930
kinesiology muscle testing works even

203
00:08:50,850 --> 00:08:48,399
though I thought I knew practically

204
00:08:53,910 --> 00:08:50,860
everything there is to know we're still

205
00:08:57,900 --> 00:08:53,920
surprised by some of the ways that the

206
00:09:03,160 --> 00:08:57,910
practitioners were using to to sell this

207
00:09:09,019 --> 00:09:03,170
idea we saw some new things too

208
00:09:13,189 --> 00:09:09,029
titanium Tesla disks that save you from

209
00:09:16,280 --> 00:09:13,199
radiation some sort of molten plastic

210
00:09:19,519 --> 00:09:16,290
that prevents you from getting terrible

211
00:09:22,970 --> 00:09:19,529
dire consequences from flying airports

212
00:09:27,019 --> 00:09:22,980
and airplanes however that works i

213
00:09:28,790 --> 00:09:27,029

really don't know it's very common to

214

00:09:31,819 --> 00:09:28,800

see at these mind-body wallet or

215

00:09:34,160 --> 00:09:31,829

mind-body-spirit festivals people who

216

00:09:38,740 --> 00:09:34,170

will diagnose your problems using

217

00:09:43,309 --> 00:09:38,750

everything from intuition to sensing to

218

00:09:46,100 --> 00:09:43,319

machines that are based on pseudoscience

219

00:09:49,100 --> 00:09:46,110

like the magic of quantum energy for

220

00:09:51,920 --> 00:09:49,110

example which is just needles and dials

221

00:09:55,850 --> 00:09:51,930

that flash and work but the people who

222

00:09:58,879 --> 00:09:55,860

will diagnose you remarkably enough on

223

00:10:03,579 --> 00:09:58,889

the shelf behind them will have what you

224

00:10:09,019 --> 00:10:03,589

need to be cured be it homeopathy or

225

00:10:12,259 --> 00:10:09,029

mushed up garden scraps who knows or

226

00:10:13,999 --> 00:10:12,269

some weird such thing now for years

227

00:10:16,009 --> 00:10:14,009

Australian skeptics have been trying to

228

00:10:20,749 --> 00:10:16,019

get the health authorities interested in

229

00:10:23,689 --> 00:10:20,759

mind body wallet seems to us that it's

230

00:10:26,660 --> 00:10:23,699

really a free pass for people to do all

231

00:10:31,160 --> 00:10:26,670

sorts of flim-flammery and get away with

232

00:10:36,619 --> 00:10:31,170

it lots of cash in hand lots of cash in

233

00:10:40,100 --> 00:10:36,629

hand lots of cash being passed about at

234

00:10:42,619 --> 00:10:40,110

this place and I don't think very many

235

00:10:44,680 --> 00:10:42,629

records would be kept i might be wrong i

236

00:10:47,810 --> 00:10:44,690

might be wrong

237

00:10:49,820 --> 00:10:47,820

there's 50 or so psychics in a big room

238

00:10:51,530 --> 00:10:49,830

doing palm reading and crystal ball

239

00:10:55,360 --> 00:10:51,540

reading and tarot cards and all the

240

00:10:57,800 --> 00:10:55,370

usual things it's quite funny to be a

241

00:11:00,050 --> 00:10:57,810

stop there occasionally and people look

242

00:11:03,230 --> 00:11:00,060

at me and say you've got a familiar face

243

00:11:05,320 --> 00:11:03,240

where have I seen here before I gave

244

00:11:07,100 --> 00:11:05,330

somebody my card in a

245

00:11:09,740 --> 00:11:07,110

one-hundred-thousand-dollar challenge

246

00:11:13,670 --> 00:11:09,750

card from Australian skeptics a psychic

247

00:11:15,650 --> 00:11:13,680

who immediately scoffed putting me down

248

00:11:17,480 --> 00:11:15,660

on the spot ah you're just one of those

249

00:11:21,440 --> 00:11:17,490

skeptics I don't have to do this etc

250

00:11:23,770 --> 00:11:21,450

well I guess you know the story if you

251

00:11:25,910 --> 00:11:23,780

have the chance to visit a

252

00:11:28,970 --> 00:11:25,920

mind-body-spirit festival or a new age

253

00:11:33,890 --> 00:11:28,980

festival as a good skeptic you should go

254

00:11:35,720 --> 00:11:33,900

you should go and ask questions it's a

255

00:11:38,000 --> 00:11:35,730

mistake to go there thinking you can

256

00:11:40,100 --> 00:11:38,010

change minds or your you can reveal

257

00:11:42,980 --> 00:11:40,110

something which will shatter illusions

258

00:11:45,470 --> 00:11:42,990

that just won't happen even when I did

259

00:11:47,360 --> 00:11:45,480

the applied kinesiology tricks back on

260

00:11:50,270 --> 00:11:47,370

the people doing the tricks to other

261

00:11:53,090 --> 00:11:50,280

people of course it didn't it didn't

262

00:11:56,390 --> 00:11:53,100

make any difference if they're sincere

263

00:11:58,490 --> 00:11:56,400

and believe what they were doing then

264

00:12:00,350 --> 00:11:58,500

I'm not going to change their mind even

265

00:12:02,750 --> 00:12:00,360

if I can do the same sort of thing and

266

00:12:04,940 --> 00:12:02,760

if they're con artists fleecing the

267

00:12:07,540 --> 00:12:04,950

public they're going to tell me to get

268

00:12:10,000 --> 00:12:07,550

lost pretty quick so

269

00:12:14,500 --> 00:12:10,010

it's a no-win situation in that respect

270

00:12:18,680 --> 00:12:14,510

but if you have the chance I encourage

271

00:12:29,780 --> 00:12:27,350

I think really raise you the one true

272

00:12:33,740 --> 00:12:29,790

joy about mind body wallet is coming to

273

00:12:36,260 --> 00:12:33,750

Chinatown afterwards yes and nomming yes

274

00:12:37,940 --> 00:12:36,270

it's pretty much the only joy in fact

275

00:12:40,040 --> 00:12:37,950

you know I expected that mind-body

276

00:12:41,870 --> 00:12:40,050

wallet would get easier the more times I

277

00:12:45,530 --> 00:12:41,880

went but I think this is my fourth time

278

00:12:48,350 --> 00:12:45,540

yeah and and I knew you had a long talk

279

00:12:51,440 --> 00:12:48,360

of somebody earlier on in Chu yes I did

280

00:12:54,320 --> 00:12:51,450

who did I talk to not do you like oh was

281

00:12:56,300 --> 00:12:54,330

it the cancer guy the water cancel my

282

00:12:57,980 --> 00:12:56,310

account yes that's yeah yeah I mean that

283

00:12:59,780 --> 00:12:57,990

these people come every year actually

284

00:13:02,200 --> 00:12:59,790

they they have a store that sells

285

00:13:05,000 --> 00:13:02,210

alkaline water and their claims are then

286

00:13:07,280 --> 00:13:05,010

cancer can only live in acidic

287

00:13:10,820 --> 00:13:07,290

environments and so if you alkalize your

288

00:13:12,200 --> 00:13:10,830

body then cancer can't grow and amongst

289

00:13:14,150 --> 00:13:12,210

other things you know they have a little

290

00:13:17,180 --> 00:13:14,160

pamphlet that says helped with my asthma

291

00:13:20,030 --> 00:13:17,190

helped with my kicker disease which ever

292

00:13:22,430 --> 00:13:20,040

one and we actually got one of these

293

00:13:24,920 --> 00:13:22,440

people to say to someone that I was with

294

00:13:28,280 --> 00:13:24,930

that you could use this water for cancer

295

00:13:30,410 --> 00:13:28,290

therapy he said that and I lost it at

296

00:13:34,730 --> 00:13:30,420

that point and I explained to him that

297

00:13:37,460 --> 00:13:34,740

that is illegal and unethical and just

298

00:13:39,560 --> 00:13:37,470

you know I borrowed to the extreme and

299

00:13:42,950 --> 00:13:39,570

then he backtracked as fast as he could

300

00:13:46,040 --> 00:13:42,960

and tried to say no no I didn't say that

301

00:13:50,630 --> 00:13:46,050

I didn't say that but the guy was with

302

00:13:52,160 --> 00:13:50,640

is it Jarrod Jarrod Jarrod he said he

303

00:13:55,100 --> 00:13:52,170

looked at this guy and said no you just

304

00:13:58,610 --> 00:13:55,110

said that to me you said I can use water

305

00:13:59,780 --> 00:13:58,620

for cancer therapy and I told this guy

306

00:14:00,950 --> 00:13:59,790

that I was going to report him to the

307

00:14:03,710 --> 00:14:00,960

health care compliance Commission

308

00:14:06,500 --> 00:14:03,720

because they do this every year they

309

00:14:09,020 --> 00:14:06,510

were doing a talk at the the speaker's

310

00:14:11,810 --> 00:14:09,030

corner entitled tap water cures

311

00:14:13,639 --> 00:14:11,820

incurable diseases and when I asked him

312

00:14:15,559 --> 00:14:13,649

about that he said ah no no no

313

00:14:17,480 --> 00:14:15,569

we don't mean tap water I said I'll

314

00:14:19,160 --> 00:14:17,490

watch him in your water your special

315

00:14:23,449 --> 00:14:19,170

alkaline water said oh no no no we can't

316

00:14:25,340 --> 00:14:23,459

say that but I have a photograph of the

317

00:14:28,309 --> 00:14:25,350

program that says tap water cures

318

00:14:30,079 --> 00:14:28,319

incurable diseases yeah yeah and then he

319

00:14:31,609 --> 00:14:30,089

pointed me to the old gentleman who's

320

00:14:33,319 --> 00:14:31,619

there every six months you know the one

321

00:14:35,569 --> 00:14:33,329

that said he had liver cancer and now

322

00:14:36,769 --> 00:14:35,579

he's better and he pointed me in his

323

00:14:39,319 --> 00:14:36,779

direction I said look there's our

324

00:14:41,269 --> 00:14:39,329

evidence and I said to him look that's a

325

00:14:42,799 --> 00:14:41,279

really nice story you've got there you

326

00:14:45,019 --> 00:14:42,809

telling me this guy recovered from the

327

00:14:46,970 --> 00:14:45,029

other cancer that's the story yeah you

328

00:14:49,009 --> 00:14:46,980

don't have any evidence you can't say

329

00:14:50,600 --> 00:14:49,019

this it's illegal and unethical I had an

330

00:14:54,350 --> 00:14:50,610

interesting talk for the person from the

331

00:14:56,389 --> 00:14:54,360

happy science mm-hmm who was telling me

332

00:14:59,960 --> 00:14:56,399

that there Master whose name I can't

333

00:15:02,150 --> 00:14:59,970

remember now has access to the universal

334

00:15:05,150 --> 00:15:02,160

knowledge library which is in another

335

00:15:08,449 --> 00:15:05,160

dimension and I said why really

336

00:15:12,109 --> 00:15:08,459

earth-centered really he's never there

337

00:15:13,639 --> 00:15:12,119

when i'm there and he said oh you're

338

00:15:18,350 --> 00:15:13,649

just making that up and i said and he's

339

00:15:20,269 --> 00:15:18,360

not I said no it's true it's behind Mars

340

00:15:21,679 --> 00:15:20,279

that's where I go so you're but you're

341

00:15:24,590 --> 00:15:21,689

making it up but he's not making it up

342

00:15:26,119 --> 00:15:24,600

he's great master wasn't making it up

343

00:15:27,559 --> 00:15:26,129

obviously yeah but you know it was it

344

00:15:29,569 --> 00:15:27,569

was funny too because we were talking to

345

00:15:32,019 --> 00:15:29,579

the sound therapy people yeah I know

346

00:15:34,429 --> 00:15:32,029

this lady was clearly convinced that

347

00:15:37,069 --> 00:15:34,439

playing music in two people at a

348

00:15:38,689 --> 00:15:37,079

slightly different wavelength or

349

00:15:40,549 --> 00:15:38,699

something can cure and treat all these

350

00:15:42,769 --> 00:15:40,559

things that she said oh no doesn't cure

351

00:15:44,419 --> 00:15:42,779

a retreat I mean she said it helps with

352

00:15:46,970 --> 00:15:44,429

you know all this sort of stuff but then

353

00:15:48,580 --> 00:15:46,980

but then she had this folder thick full

354

00:15:50,620 --> 00:15:48,590

of testimonials yeah

355

00:15:52,720 --> 00:15:50,630

and you said to her but you know some

356

00:15:54,070 --> 00:15:52,730

people I can run a testimony or anyone

357

00:15:55,990 --> 00:15:54,080

from by the testimony or how do I know

358

00:15:58,720 --> 00:15:56,000

that it's real and she said on my

359

00:16:00,820 --> 00:15:58,730

testimony also real I mean it's like

360

00:16:04,300 --> 00:16:00,830

saying you know my psychics not a fraud

361

00:16:07,330 --> 00:16:04,310

yours is and she said but it's from a

362

00:16:09,550 --> 00:16:07,340

university professor and it's but it's

363

00:16:11,560 --> 00:16:09,560

just isn't it's astounding to me that

364

00:16:13,750 --> 00:16:11,570

people can be that gullible you know I

365

00:16:15,700 --> 00:16:13,760

mean we did the whole applied

366

00:16:17,380 --> 00:16:15,710

kinesiology thing again we did we found

367

00:16:20,770 --> 00:16:17,390

a couple of stands doing the arm tricks

368

00:16:22,000 --> 00:16:20,780

and the first time I did it back to one

369

00:16:24,820 --> 00:16:22,010

of the women doing it and the other

370

00:16:27,430 --> 00:16:24,830

woman came in and she was delivered and

371

00:16:29,820 --> 00:16:27,440

base as he told us to get lost and then

372

00:16:32,890 --> 00:16:29,830

I did it back to the guide the fusion XL

373

00:16:35,430 --> 00:16:32,900

yeah and you wasn't impressed either no

374

00:16:37,780 --> 00:16:35,440

but he seemed to be a little bit less

375

00:16:39,130 --> 00:16:37,790

towards the fact the fraudulent side

376

00:16:40,660 --> 00:16:39,140

because he played along with you talk

377

00:16:42,400 --> 00:16:40,670

about some time didn't he he did he

378

00:16:44,650 --> 00:16:42,410

didn't tell me to hop it yeah but he

379

00:16:47,740 --> 00:16:44,660

also told you how he does it and he

380

00:16:50,500 --> 00:16:47,750

basically said I shift your center of

381

00:16:52,090 --> 00:16:50,510

gravity yeah which is how it works right

382

00:16:53,770 --> 00:16:52,100

so the first time without the pendant

383

00:16:56,230 --> 00:16:53,780

you pushed away from someone's in a

384

00:16:57,970 --> 00:16:56,240

brother he admitted to that but then he

385

00:17:00,130 --> 00:16:57,980

said to you interestingly he said the

386

00:17:02,470 --> 00:17:00,140

pendant changes your center of gravity i

387

00:17:05,530 --> 00:17:02,480

miss that older yes time is luck that he

388

00:17:07,660 --> 00:17:05,540

still hadn't out sold out was that it

389

00:17:09,940 --> 00:17:07,670

was the pendant that do that work nice

390

00:17:11,620 --> 00:17:09,950

footwork but then I heard Jessica do the

391

00:17:14,590 --> 00:17:11,630

the swinging the arm behind the back

392

00:17:15,970 --> 00:17:14,600

tests and yeah with with just a little

393

00:17:19,570 --> 00:17:15,980

bit of magic I will get as much of

394

00:17:21,220 --> 00:17:19,580

fingers her fingers yeah Jessica that

395

00:17:27,310 --> 00:17:21,230

was your first time at mine body while

396

00:17:29,150 --> 00:17:27,320

everything it was pretty pretty

397

00:17:31,490 --> 00:17:29,160

upsetting actually the

398

00:17:33,620 --> 00:17:31,500

and you spent a lot of time talking to

399

00:17:35,390 --> 00:17:33,630

some of these people I did I did it was

400

00:17:41,750 --> 00:17:35,400

quite interesting to try to draw them

401
00:17:45,590 --> 00:17:41,760
out and find out what was what their

402
00:17:49,790 --> 00:17:45,600
ideas behind what they're saying was and

403
00:17:52,400 --> 00:17:49,800
then trying to get out of them some sort

404
00:17:54,980 --> 00:17:52,410
of sense with with the connections of it

405
00:18:00,950 --> 00:17:54,990
all yeah like I was with Rachel talking

406
00:18:04,850 --> 00:18:00,960
to one of the magic water people and he

407
00:18:06,320 --> 00:18:04,860
was saying the guy was saying you have

408
00:18:10,460 --> 00:18:06,330
we have too much acid in our bodies and

409
00:18:12,560 --> 00:18:10,470
if you have this water it it changes and

410
00:18:14,380 --> 00:18:12,570
it becomes alkaline and I noticed say

411
00:18:16,820 --> 00:18:14,390
well how does that physically happen and

412
00:18:22,700 --> 00:18:16,830
it was a blank he wasn't able to tell me

413
00:18:25,400 --> 00:18:22,710

and he was also claiming that too much

414

00:18:27,250 --> 00:18:25,410

acidity compromises your immune system

415

00:18:31,700 --> 00:18:27,260

it's like well how does that happen

416

00:18:33,140 --> 00:18:31,710

blank so it was some that's what well

417

00:18:34,760 --> 00:18:33,150

they used to people just listening

418

00:18:39,140 --> 00:18:34,770

nodding and then had forking over their

419

00:18:41,780 --> 00:18:39,150

money obviously obviously and I said to

420

00:18:45,800 --> 00:18:41,790

him look I only did science to you 10

421

00:18:47,690 --> 00:18:45,810

I'm not a scientist so I'm interested in

422

00:18:51,740 --> 00:18:47,700

how these things work and his response

423

00:18:53,840 --> 00:18:51,750

was oh I only did science thn too so

424

00:18:55,850 --> 00:18:53,850

here's this guy peddling this water and

425

00:18:57,860 --> 00:18:55,860

making this these claims which is

426
00:19:00,220 --> 00:18:57,870
supposedly based on science and he has

427
00:19:03,110 --> 00:19:00,230
no better qualifications than I do and

428
00:19:06,410 --> 00:19:03,120
he can't he can't explain to me as a

429
00:19:09,050 --> 00:19:06,420
consumer what it's supposed to do and

430
00:19:11,840 --> 00:19:09,060
its efficacy and how it's supposed to

431
00:19:14,750 --> 00:19:11,850
work and why it's so good so you know

432
00:19:17,360 --> 00:19:14,760
then we came across these people selling

433
00:19:20,000 --> 00:19:17,370
these funny discs and tagging along

434
00:19:23,120 --> 00:19:20,010
squares and things which was supposed to

435
00:19:24,070 --> 00:19:23,130
be to the technology of you call it

436
00:19:31,670 --> 00:19:24,080
Tesla

437
00:19:33,740 --> 00:19:31,680
interesting and magical things and this

438
00:19:36,890 --> 00:19:33,750

woman said that she could look at the

439

00:19:40,250 --> 00:19:36,900

disk can see the energy vortex was and

440

00:19:42,230 --> 00:19:40,260

we said Oh what yeah I can see it I said

441

00:19:44,060 --> 00:19:42,240

so I picked it up I said so if I hide it

442

00:19:47,060 --> 00:19:44,070

behind this baking still see the energy

443

00:19:48,740 --> 00:19:47,070

vortex year huh so if I give it to one

444

00:19:51,380 --> 00:19:48,750

of my friends here you'll be able to

445

00:19:54,110 --> 00:19:51,390

tell which one has it the this disk she

446

00:19:56,210 --> 00:19:54,120

said yes is yes I said ok turn around is

447

00:19:57,950 --> 00:19:56,220

he actually turned around but took a lot

448

00:20:00,260 --> 00:19:57,960

of time to get her friend understand to

449

00:20:03,350 --> 00:20:00,270

also turn around and she eventually did

450

00:20:05,090 --> 00:20:03,360

I give I gave the is to Jeff who walked

451
00:20:07,100 --> 00:20:05,100
off and then when she turned that data

452
00:20:10,130 --> 00:20:07,110
four of us stood there smiling away and

453
00:20:13,580 --> 00:20:10,140
she said this guy's got it you write me

454
00:20:15,620 --> 00:20:13,590
is you but you didn't have it and then

455
00:20:18,500 --> 00:20:15,630
Jeff came back and said well wasn't here

456
00:20:23,600 --> 00:20:18,510
at all she said but I have to be holding

457
00:20:26,300 --> 00:20:23,610
him to know where it is yeah it makes

458
00:20:28,340 --> 00:20:26,310
perfect but I gave her my i gave the

459
00:20:30,140 --> 00:20:28,350
skeptics challenge card anyway so we'll

460
00:20:32,840 --> 00:20:30,150
see what happens is this the disk thing

461
00:20:35,710 --> 00:20:32,850
that stops negative energy in a plane or

462
00:20:38,630 --> 00:20:35,720
something that was another one ok but

463
00:20:40,630 --> 00:20:38,640

whatever yeah whatever so once again

464

00:20:42,590 --> 00:20:40,640

we've braved mind-body wallet and

465

00:20:45,980 --> 00:20:42,600

although it's on again in six months

466

00:20:50,720 --> 00:20:45,990

time just before the 10 oh so we might

467

00:20:53,030 --> 00:20:50,730

not gotta go Richard the same people

468

00:20:56,060 --> 00:20:53,040

again and again yeah yeah the same

469

00:20:58,930 --> 00:20:56,070

people are they are going to get be

470

00:21:01,490 --> 00:20:58,940

Christmas that the magic water thing

471

00:21:04,010 --> 00:21:01,500

seemed to be continually passing magic

472

00:21:05,240 --> 00:21:04,020

water it was just unbelievable and in

473

00:21:09,220 --> 00:21:05,250

the same people it's like the same

474

00:21:11,840 --> 00:21:09,230

before a template almost like you get

475

00:21:15,110 --> 00:21:11,850

the same kind of thing in some of the

476

00:21:16,820 --> 00:21:15,120

some of the Rosa I couldn't work out

477

00:21:19,280 --> 00:21:16,830

with my been here before yeah exactly

478

00:21:20,930 --> 00:21:19,290

yeah given a people look the same yeah

479

00:21:22,340 --> 00:21:20,940

every six months we passed magic water

480

00:21:24,740 --> 00:21:22,350

when we go there there's a lot of

481

00:21:30,530 --> 00:21:24,750

different magic water yeah we passed

482

00:21:33,200 --> 00:21:30,540

magic water oh haha i have to say to

483

00:21:34,820 --> 00:21:33,210

Crispian Yago he needs to do a

484

00:21:36,800 --> 00:21:34,830

caricature of riches brother Jeff

485

00:21:42,050 --> 00:21:36,810

because his jokes are just as piss poor

486

00:21:50,580 --> 00:21:42,060

and rich is on that note thank you

487

00:21:54,570 --> 00:21:52,590

yeah aight guys i was talking to Richard

488

00:21:56,580 --> 00:21:54,580

solvency today all right he said if we

489

00:21:58,710 --> 00:21:56,590

record a trailer for our podcast

490

00:22:00,360 --> 00:21:58,720

skeptics with a que he'd play it on

491

00:22:01,769 --> 00:22:00,370

their on their show nice nice of him

492

00:22:02,909 --> 00:22:01,779

that's very generous it's pretty good

493

00:22:05,039 --> 00:22:02,919

i'm not sure what we could do though I

494

00:22:07,019 --> 00:22:05,049

mean well suppose you tell people shows

495

00:22:09,240 --> 00:22:07,029

about but it's basically as this yeah

496

00:22:11,039 --> 00:22:09,250

but yeah but you know we talk about

497

00:22:12,480 --> 00:22:11,049

science and skepticism and things that's

498

00:22:13,769 --> 00:22:12,490

that's true that's fuzzier you mentioned

499

00:22:16,169 --> 00:22:13,779

the website address what merseyside

500

00:22:17,789 --> 00:22:16,179

skeptics todo UK yeah yeah just like

501
00:22:19,500 --> 00:22:17,799
searches night UN's oh and then we could

502
00:22:23,310 --> 00:22:19,510
end with like a big song like the

503
00:22:28,200 --> 00:22:23,320
skeptics with okay oh no no no no don't

504
00:22:37,440 --> 00:22:28,210
don't do that join us now for drinking

505
00:22:39,389 --> 00:22:37,450
skeptically in the think tank and here

506
00:22:41,190 --> 00:22:39,399
we are once again in our favorite club

507
00:22:43,350 --> 00:22:41,200
just down the street if you look down

508
00:22:52,049 --> 00:22:43,360
the street I'm sure you'll find it for

509
00:22:53,519 --> 00:22:52,059
the think tank cheers everybody oh thank

510
00:22:56,010 --> 00:22:53,529
you for this glass of champagne doctor

511
00:22:58,649 --> 00:22:56,020
AG hello Richard you're welcome thank

512
00:23:03,060 --> 00:22:58,659
you very much i really enjoy that and of

513
00:23:06,269 --> 00:23:03,070

course we have our regular skeptic zone

514

00:23:08,580 --> 00:23:06,279

type person dr. Chrissy hello hello dr.

515

00:23:12,810 --> 00:23:08,590

Chrissy now you're jetting off to London

516

00:23:15,659 --> 00:23:12,820

is Randy we'll talk about that more in a

517

00:23:18,450 --> 00:23:15,669

moment James hello James hey everyone

518

00:23:21,210 --> 00:23:18,460

g'day hand Oh Jason good evening good

519

00:23:23,100 --> 00:23:21,220

evening so a couple of xuan's a couple

520

00:23:24,930 --> 00:23:23,110

of blowing Owens no god we've got a

521

00:23:27,360 --> 00:23:24,940

bastard sheep and a drunken man man

522

00:23:32,669 --> 00:23:27,370

through a might not know them by their

523

00:23:34,350 --> 00:23:32,679

real name thanks yeah rumor has it and

524

00:23:37,230 --> 00:23:34,360

we have little momentum to you tonight

525

00:23:39,570 --> 00:23:37,240

we do ya little normington who is now

526
00:23:41,070 --> 00:23:39,580
the official mascot of the skeptic zone

527
00:23:42,539 --> 00:23:41,080
you can see little numbing turn on the

528
00:23:44,820 --> 00:23:42,549
video we just put out about applied

529
00:23:46,440 --> 00:23:44,830
kinesiology I think it's a little

530
00:23:47,789 --> 00:23:46,450
normanton production it is a little

531
00:23:49,889 --> 00:23:47,799
known as introduction little normington

532
00:23:52,590 --> 00:23:49,899
though the power wombat the power one

533
00:23:54,299 --> 00:23:52,600
that yes it has actually the same power

534
00:23:56,250 --> 00:23:54,309
as things like the power balance

535
00:23:59,690 --> 00:23:56,260
bracelet I believe in the fusion XL

536
00:24:01,610 --> 00:23:59,700
pendant and other various ones yes

537
00:24:03,409 --> 00:24:01,620
and they're quite expensive but Rachel I

538
00:24:06,289 --> 00:24:03,419

see that you can actually buy them for

539

00:24:09,889 --> 00:24:06,299

very cheaply not you can in fact a

540

00:24:13,490 --> 00:24:09,899

friend of mine at ways MGK he found them

541

00:24:15,019 --> 00:24:13,500

online from the supplier and do you want

542

00:24:17,690 --> 00:24:15,029

to hazard a guess I mean they're still

543

00:24:20,600 --> 00:24:17,700

in Australia for sixty dollars yeah I

544

00:24:23,330 --> 00:24:20,610

think in new zealand where they did a

545

00:24:25,460 --> 00:24:23,340

little exposé on them recently which

546

00:24:27,529 --> 00:24:25,470

featured you by the way did me and Vicki

547

00:24:29,480 --> 00:24:27,539

hide from New Zealand skeptics I think

548

00:24:30,560 --> 00:24:29,490

there's 70 new zealand dollars or

549

00:24:32,509 --> 00:24:30,570

something like that yeah something like

550

00:24:35,180 --> 00:24:32,519

that so how much do you guys reckon you

551

00:24:37,820 --> 00:24:35,190

pay for them wholesale if they'd sell

552

00:24:41,419 --> 00:24:37,830

for 60 those prices probably about 30

553

00:24:43,789 --> 00:24:41,429

maybe 20 minimum Wow dollars given the

554

00:24:47,299 --> 00:24:43,799

materials it's a little loop of mylar

555

00:24:51,409 --> 00:24:47,309

and a funny little hologram if you're

556

00:24:53,180 --> 00:24:51,419

lucky what about four bucks so you

557

00:24:56,269 --> 00:24:53,190

telling me dr. hu that they're not that

558

00:24:58,430 --> 00:24:56,279

price that that you know reasonable

559

00:25:00,289 --> 00:24:58,440

price of sixty dollars or whatever no

560

00:25:02,320 --> 00:25:00,299

well according to the information I have

561

00:25:07,340 --> 00:25:02,330

you can buy them wholesale from china

562

00:25:09,440 --> 00:25:07,350

for three cents 33 senselessness three

563

00:25:13,460 --> 00:25:09,450

cents I see and they're worth every cent

564

00:25:16,549 --> 00:25:13,470

/ 160 dollars from how balanced or you

565

00:25:18,799 --> 00:25:16,559

can go to China and get what 200 not bad

566

00:25:20,870 --> 00:25:18,809

for the same price and you can get them

567

00:25:23,629 --> 00:25:20,880

personalized as well they'll put your

568

00:25:27,710 --> 00:25:23,639

own type of logo or your own name or I

569

00:25:30,409 --> 00:25:27,720

am power balance she'll if I spend three

570

00:25:35,539 --> 00:25:30,419

cents on each one for the same price as

571

00:25:37,970 --> 00:25:35,549

one I could be 200 times as strong be a

572

00:25:40,039 --> 00:25:37,980

saucer the funny thing is though if you

573

00:25:41,840 --> 00:25:40,049

go to the website and I might put the

574

00:25:42,919 --> 00:25:41,850

URL up on the blog if people wanted to

575

00:25:46,039 --> 00:25:42,929

want to look for it because it's not

576
00:25:47,330 --> 00:25:46,049
that easy to find within the description

577
00:25:50,570 --> 00:25:47,340
which is sort of written in chinglish

578
00:25:53,180 --> 00:25:50,580
because it's been translated not very

579
00:25:56,539 --> 00:25:53,190
well but it does say what these things

580
00:25:58,909 --> 00:25:56,549
are so it says silicone bracelet gives

581
00:26:02,000 --> 00:25:58,919
you extra strength improves health so it

582
00:26:04,549 --> 00:26:02,010
has all those same claims but then when

583
00:26:05,840 --> 00:26:04,559
you scroll through the type of bracelets

584
00:26:06,860 --> 00:26:05,850
that you can select there is a power

585
00:26:07,880 --> 00:26:06,870
balance and there's something quite

586
00:26:09,980 --> 00:26:07,890
different than theirs

587
00:26:13,850 --> 00:26:09,990
a little option that says get your own

588
00:26:16,760 --> 00:26:13,860

logo so it's interesting because some I

589

00:26:18,410 --> 00:26:16,770

saw that a listener alerted me to the

590

00:26:20,930 --> 00:26:18,420

fact that New Zealand television had

591

00:26:22,730 --> 00:26:20,940

done a story on the power balance

592

00:26:25,130 --> 00:26:22,740

because the man who is the Australian

593

00:26:26,870 --> 00:26:25,140

distributed tommoo doubt who I met when I

594

00:26:29,390 --> 00:26:26,880

did the story with him in Adelaide last

595

00:26:32,060 --> 00:26:29,400

year was apparently got a new zealand is

596

00:26:33,890 --> 00:26:32,070

flogging this stuff and they asked him

597

00:26:36,020 --> 00:26:33,900

about the test that on australian TV

598

00:26:39,680 --> 00:26:36,030

because he failed five out of five tests

599

00:26:41,360 --> 00:26:39,690

and he just really downplayed them said

600

00:26:44,840 --> 00:26:41,370

they were just a silly thing a nuisance

601
00:26:48,200 --> 00:26:44,850
and guessing game well tom when you did

602
00:26:50,660 --> 00:26:48,210
the tests with me in Australia I made a

603
00:26:52,610 --> 00:26:50,670
point of asking you in every stage

604
00:26:55,430 --> 00:26:52,620
whether you agreed with the tests and

605
00:26:57,020 --> 00:26:55,440
you were very happy with these tests he

606
00:27:01,580 --> 00:26:57,030
was happy until he failed all the tests

607
00:27:03,280 --> 00:27:01,590
Richard funny that funny then which gets

608
00:27:04,850 --> 00:27:03,290
back to this video that we put out

609
00:27:08,030 --> 00:27:04,860
listeners you would have seen that

610
00:27:09,590 --> 00:27:08,040
because it was in the feed and thank you

611
00:27:11,480 --> 00:27:09,600
all those people writing in saying how

612
00:27:14,270 --> 00:27:11,490
much you enjoyed the video which of

613
00:27:15,860 --> 00:27:14,280

course stars dr. H and dr. Chrissy thank

614

00:27:18,740 --> 00:27:15,870

you dr. Chrissy yeah there was good fun

615

00:27:22,190 --> 00:27:18,750

it was good fun and I hope that people

616

00:27:23,930 --> 00:27:22,200

out there getting some benefit out of

617

00:27:27,140 --> 00:27:23,940

that video we're going to do some more

618

00:27:29,960 --> 00:27:27,150

and we're wondering what we should do

619

00:27:32,090 --> 00:27:29,970

videos on this is like how it's done you

620

00:27:35,630 --> 00:27:32,100

know the secrets behind so if listeners

621

00:27:38,570 --> 00:27:35,640

have any ideas let us know let us know

622

00:27:40,490 --> 00:27:38,580

and we'll the more the merrier and we'll

623

00:27:42,790 --> 00:27:40,500

see what we can do like I said Richard

624

00:27:46,830 --> 00:27:42,800

it needs to be something fairly specific

625

00:27:51,120 --> 00:27:48,870

yeah well we had the idea of doing cold

626

00:27:53,160 --> 00:27:51,130

reading which is fine but cold reading

627

00:27:54,900 --> 00:27:53,170

is a very big topic and we've got 10

628

00:27:56,700 --> 00:27:54,910

minutes to sort of get the idea across

629

00:28:02,960 --> 00:27:56,710

but anyway we'll give will give that

630

00:28:06,630 --> 00:28:02,970

some thought now speaking of hot salami

631

00:28:10,410 --> 00:28:06,640

what at the signal that was a segue yeah

632

00:28:13,260 --> 00:28:10,420

yeah that was my best um you've got a

633

00:28:16,500 --> 00:28:13,270

story about the bum boners haven't you I

634

00:28:18,180 --> 00:28:16,510

have you do haha I don't know we're

635

00:28:20,640 --> 00:28:18,190

gonna discuss this tonight of course we

636

00:28:23,850 --> 00:28:20,650

are well I suppose I better give some

637

00:28:25,860 --> 00:28:23,860

context to this story there is a type of

638

00:28:28,770 --> 00:28:25,870

salami that's only available in South

639

00:28:31,170 --> 00:28:28,780

Australia in Adelaide which is called a

640

00:28:33,480 --> 00:28:31,180

bum burner and basically it's a very

641

00:28:37,530 --> 00:28:33,490

very hot salami hence the name and the

642

00:28:40,440 --> 00:28:37,540

name is actually a warning listeners and

643

00:28:41,730 --> 00:28:40,450

Richard and I discovered these well I

644

00:28:43,020 --> 00:28:41,740

used to live in Adelaide so I've known

645

00:28:45,060 --> 00:28:43,030

them for a while but when we went down

646

00:28:47,640 --> 00:28:45,070

to Adelaide to the skeptics convention

647

00:28:49,560 --> 00:28:47,650

last year we brought up a whole lot and

648

00:28:52,110 --> 00:28:49,570

we've since been importing them three

649

00:28:54,000 --> 00:28:52,120

kilos at a time because you can buy them

650

00:28:55,950 --> 00:28:54,010

in there is that way of their

651
00:28:59,610 --> 00:28:55,960
extraordinary because they're hot I mean

652
00:29:03,690 --> 00:28:59,620
they're really hottie it's burning spicy

653
00:29:05,670 --> 00:29:03,700
hot but the flavor is just yeah they're

654
00:29:07,260 --> 00:29:05,680
not they're not like something that's so

655
00:29:08,640 --> 00:29:07,270
chilly hot that you just taste the chili

656
00:29:13,020 --> 00:29:08,650
you do actually get the flavor yeah yeah

657
00:29:14,850 --> 00:29:13,030
yeah yeah so I've happened to find some

658
00:29:16,050 --> 00:29:14,860
in my drawer at work the other day which

659
00:29:18,720 --> 00:29:16,060
I didn't know were there and I was very

660
00:29:20,370 --> 00:29:18,730
excited and so tweeted it and I'm

661
00:29:23,070 --> 00:29:20,380
somebody wrote back to me on Twitter and

662
00:29:24,660 --> 00:29:23,080
said that they discovered them because

663
00:29:28,200 --> 00:29:24,670

you and I were talking about them on the

664

00:29:30,300 --> 00:29:28,210

zone yeah and they now get their auntie

665

00:29:32,760 --> 00:29:30,310

or their auntie's daughter or something

666

00:29:34,260 --> 00:29:32,770

to send them over from Adelaide every

667

00:29:36,750 --> 00:29:34,270

few months so they don't run out of

668

00:29:39,060 --> 00:29:36,760

supplies either they're addictive on

669

00:29:41,520 --> 00:29:39,070

their incredibly incredibly now these

670

00:29:43,530 --> 00:29:41,530

are available from the met workshop in

671

00:29:45,090 --> 00:29:43,540

Adelaide do they have a website don't

672

00:29:47,280 --> 00:29:45,100

they you can order yeah they do it's at

673

00:29:49,650 --> 00:29:47,290

the Central Market in Adelaide if you

674

00:29:51,810 --> 00:29:49,660

just google the network shop central

675

00:29:53,310 --> 00:29:51,820

market you'll find it and you can call

676

00:29:55,500 --> 00:29:53,320

up and speak to the lovely staff and

677

00:29:56,220 --> 00:29:55,510

order three kilos at a time and send us

678

00:29:58,710 --> 00:29:56,230

a killer

679

00:30:00,750 --> 00:29:58,720

if you like spicy food and you're like

680

00:30:03,960 --> 00:30:00,760

Swami's these are a marriage made in

681

00:30:06,659 --> 00:30:03,970

heaven and what's food is it yeah fries

682

00:30:10,110 --> 00:30:06,669

it's a salami and bum burning ordinary

683

00:30:15,299 --> 00:30:10,120

sure waiting a little bit it's not tail

684

00:30:17,820 --> 00:30:15,309

end oh when you have that you know about

685

00:30:19,200 --> 00:30:17,830

your tail in let me tell you um is there

686

00:30:21,299 --> 00:30:19,210

any particular reason while we're

687

00:30:26,730 --> 00:30:21,309

talking about this because I so do any

688

00:30:29,340 --> 00:30:26,740

of them stop the skeptical about man is

689

00:30:31,440 --> 00:30:29,350

this really good but the step up are

690

00:30:36,090 --> 00:30:31,450

called fire starters which are bum burn

691

00:30:38,100 --> 00:30:36,100

is encased in chili flakes hmm wow wow

692

00:30:40,470 --> 00:30:38,110

yeah they're they're serious finish

693

00:30:43,590 --> 00:30:40,480

thank you you can't we finish Thank You

694

00:30:45,840 --> 00:30:43,600

Leslie visa Oh No thank you I don't

695

00:30:48,240 --> 00:30:45,850

think so thank you very much yes of

696

00:30:52,010 --> 00:30:48,250

course we're recording from our Chinese

697

00:30:54,539 --> 00:30:52,020

restaurant in our club down the street

698

00:30:56,850 --> 00:30:54,549

which we just had a nice Chinese dinner

699

00:30:58,320 --> 00:30:56,860

in fact as we normally did before the

700

00:31:00,690 --> 00:30:58,330

pink thing I'm very reasonably priced

701
00:31:04,860 --> 00:31:00,700
very reasonably priced so thank you just

702
00:31:07,710 --> 00:31:04,870
make this into a podcast about hey don't

703
00:31:12,440 --> 00:31:07,720
you need to get a free drink i do i need

704
00:31:14,850 --> 00:31:12,450
to go spaghetti now um let me mention

705
00:31:17,400 --> 00:31:14,860
before we get into other topics that

706
00:31:19,169 --> 00:31:17,410
thank you again and i'm always thanking

707
00:31:20,760 --> 00:31:19,179
people for writing in telling us what

708
00:31:23,340 --> 00:31:20,770
you're doing while you're listening to

709
00:31:24,780 --> 00:31:23,350
the zone i'm sure people right now are

710
00:31:26,100 --> 00:31:24,790
raiding the fridge because they're

711
00:31:29,430 --> 00:31:26,110
probably feeling hungry after listening

712
00:31:31,799 --> 00:31:29,440
to all that but a listener from the

713
00:31:35,400 --> 00:31:31,809

states Brian George who's an artist

714

00:31:37,320 --> 00:31:35,410

wrote to me saying that he does his

715

00:31:38,850 --> 00:31:37,330

heart work while listening to us on the

716

00:31:41,909 --> 00:31:38,860

skeptic zone and I checked out his

717

00:31:44,549 --> 00:31:41,919

website and what wonderful art he does

718

00:31:47,280 --> 00:31:44,559

create so if listeners want to have a

719

00:31:51,120 --> 00:31:47,290

look it's called the art of a

720

00:31:55,200 --> 00:31:51,130

carbon-based life form and that's HTTP

721

00:31:59,159 --> 00:31:55,210

colon slash slash carbon-based art dot

722

00:32:03,890 --> 00:31:59,169

blogspot com the artwork of Brian George

723

00:32:05,800 --> 00:32:03,900

check it out it's really really a really

724

00:32:07,960 --> 00:32:05,810

striking out work

725

00:32:10,120 --> 00:32:07,970

is he the guy that does the medical

726

00:32:11,500 --> 00:32:10,130

sculpting or is that different that's a

727

00:32:13,300 --> 00:32:11,510

different guy oh okay there's a

728

00:32:16,270 --> 00:32:13,310

different guy but I'm really pleased

729

00:32:18,400 --> 00:32:16,280

that you know artists of beavering away

730

00:32:20,560 --> 00:32:18,410

doing their artwork and listening to to

731

00:32:22,510 --> 00:32:20,570

us hmm that's fantastic so thank you

732

00:32:23,830 --> 00:32:22,520

Brian extra Brian here with his

733

00:32:26,740 --> 00:32:23,840

headphones on listening to the Skip

734

00:32:29,190 --> 00:32:26,750

other all there he is very gay since

735

00:32:31,840 --> 00:32:29,200

just um dialed up his website and he has

736

00:32:33,730 --> 00:32:31,850

yeah he's wearing headphones and working

737

00:32:35,860 --> 00:32:33,740

see that lovely artwork he's creating

738

00:32:37,320 --> 00:32:35,870

with the hands there if you scroll down

739

00:32:40,630 --> 00:32:37,330

you can see that the finished product

740

00:32:43,390 --> 00:32:40,640

let's see I reaching down the hand

741

00:32:45,730 --> 00:32:43,400

reaching up yeah it's quite good isn't

742

00:32:49,420 --> 00:32:45,740

it it's exquisite it is really nice

743

00:32:52,480 --> 00:32:49,430

aren't we so um and that's that's more

744

00:32:54,460 --> 00:32:52,490

examples there that's really uh oh he

745

00:33:00,400 --> 00:32:54,470

likes Francis Bacon that's something I

746

00:33:03,940 --> 00:33:00,410

just like faking I like bridget is there

747

00:33:06,940 --> 00:33:03,950

is a theme Francis Bacon is amazing it

748

00:33:09,280 --> 00:33:06,950

messed up sir Brian look sincerely thank

749

00:33:11,350 --> 00:33:09,290

you for for letting us know and I'm

750

00:33:14,290 --> 00:33:11,360

sharing your wonderful artwork with us

751

00:33:17,440 --> 00:33:14,300

so listeners have a look that's really

752

00:33:19,690 --> 00:33:17,450

fantastic okay let's move on to a story

753

00:33:21,970 --> 00:33:19,700

that's been in the news on that on the

754

00:33:23,470 --> 00:33:21,980

TV here just recently and that's to do

755

00:33:26,710 --> 00:33:23,480

with those people at the church of

756

00:33:29,830 --> 00:33:26,720

scientology raging yeah they've been

757

00:33:33,040 --> 00:33:29,840

copping it in the media in the last like

758

00:33:36,790 --> 00:33:33,050

three or four days um this started with

759

00:33:39,220 --> 00:33:36,800

a story done by steve canaan who is a

760

00:33:42,640 --> 00:33:39,230

very good work walkley and winning

761

00:33:46,360 --> 00:33:42,650

walking a winning the award winning

762

00:33:52,060 --> 00:33:46,370

journalist he's also my love everything

763

00:33:54,130 --> 00:33:52,070

Steve does yes but I'm not biased yeah

764

00:33:56,620 --> 00:33:54,140

he did a story on the cult of

765

00:33:58,900 --> 00:33:56,630

Scientology and he did a two-part story

766

00:34:01,510 --> 00:33:58,910

on ABC late line and if you want to find

767

00:34:03,460 --> 00:34:01,520

these stories sheep has them on his

768

00:34:04,870 --> 00:34:03,470

youtube channel don't you yep that's

769

00:34:07,000 --> 00:34:04,880

right so you can just go to youtube.com

770

00:34:09,280 --> 00:34:07,010

forward slash bastard sheep and you'll

771

00:34:11,710 --> 00:34:09,290

be able to find them all there yeah so

772

00:34:13,770 --> 00:34:11,720

the first the first story appeared on

773

00:34:15,930 --> 00:34:13,780

late line and it's just basically about

774

00:34:18,750 --> 00:34:15,940

the daughter wasn't

775

00:34:20,790 --> 00:34:18,760

yeah actually Jason's got the I do this

776

00:34:24,589 --> 00:34:20,800

is a blam I story about sculpt Hannah

777

00:34:27,270 --> 00:34:24,599

who's the daughter of mark hanna and

778

00:34:28,619 --> 00:34:27,280

Vicki Dunston Vicki Dunstan's the

779

00:34:30,839 --> 00:34:28,629

current president of Scientology in

780

00:34:33,149 --> 00:34:30,849

Australia mark pan is a former high up

781

00:34:36,000 --> 00:34:33,159

I'm not exactly sure where he is at the

782

00:34:37,919 --> 00:34:36,010

moment but given that he tried to kiss

783

00:34:40,859 --> 00:34:37,929

an anonymous protester protester

784

00:34:42,210 --> 00:34:40,869

recently and got arrested for it I think

785

00:34:52,020 --> 00:34:42,220

it's probably not particularly high up

786

00:35:01,390 --> 00:34:59,650

last time thank you they are real folks

787

00:35:03,460 --> 00:35:01,400

people have been waiting for those for a

788

00:35:05,620 --> 00:35:03,470

long time haven't they hey there's your

789

00:35:09,820 --> 00:35:05,630

bus announced weeks we get bad reviews

790

00:35:12,940 --> 00:35:09,830

if there's no bus announced we do people

791

00:35:14,770 --> 00:35:12,950

love him someone was saying they want to

792

00:35:19,450 --> 00:35:14,780

set up a Facebook fan site for the bus

793

00:35:22,570 --> 00:35:19,460

and weird you should see Chrissy's face

794

00:35:24,880 --> 00:35:22,580

at the moment so bacteria on

795

00:35:29,130 --> 00:35:24,890

back-to-school Hannity yes let's go

796

00:35:31,870 --> 00:35:29,140

Hannah daughter of Vicky and Mark she's

797

00:35:33,400 --> 00:35:31,880

made some specific claims about how

798

00:35:35,680 --> 00:35:33,410

children are treated in the the

799

00:35:38,080 --> 00:35:35,690

so-called Church of Scientology and it's

800

00:35:42,340 --> 00:35:38,090

been it's quite damaging stories really

801
00:35:47,860 --> 00:35:42,350
Richie yeah well I think the first part

802
00:35:50,610 --> 00:35:47,870
was was that to do with being taken from

803
00:35:52,510 --> 00:35:50,620
her parents and I mean there's certainly

804
00:35:54,370 --> 00:35:52,520
accusations of child abuse that were

805
00:35:56,620 --> 00:35:54,380
covered our separation family separation

806
00:35:59,080 --> 00:35:56,630
yeah yeah the story I've got in front of

807
00:36:01,120 --> 00:35:59,090
me here the the allowance was about 20

808
00:36:03,370 --> 00:36:01,130
minutes each night with parents so the

809
00:36:05,470 --> 00:36:03,380
kids taken away more kids of the Sea Org

810
00:36:07,150 --> 00:36:05,480
members at least the Sea Org is that saw

811
00:36:09,280 --> 00:36:07,160
the high up elite if you like the

812
00:36:10,930 --> 00:36:09,290
Scientology yeah they just the old man

813
00:36:14,130 --> 00:36:10,940

was given you know only about 20 minutes

814

00:36:16,840 --> 00:36:14,140

with their parents they've been a lot of

815

00:36:20,950 --> 00:36:16,850

allegations over the years of child

816

00:36:23,080 --> 00:36:20,960

labor you know kids of our 13 14 being

817

00:36:25,510 --> 00:36:23,090

put onto staff and forced to work at

818

00:36:27,070 --> 00:36:25,520

minimum wage that kind of thing so

819

00:36:30,430 --> 00:36:27,080

that's that was the first part story in

820

00:36:33,199 --> 00:36:30,440

the second part story was more specific

821

00:36:36,079 --> 00:36:33,209

on in terms of abuse

822

00:36:40,349 --> 00:36:36,089

but in in between those two stories

823

00:36:42,419 --> 00:36:40,359

James there were two stories on the same

824

00:36:44,400 --> 00:36:42,429

night on the sort of current affairs

825

00:36:47,219 --> 00:36:44,410

shows so a current affair and today

826

00:36:49,499 --> 00:36:47,229

tonight both did the same story at the

827

00:36:52,919 --> 00:36:49,509

same time didn't they that's gone went

828

00:36:55,289 --> 00:36:52,929

on Tuesday night wasn't it no those

829

00:36:57,269 --> 00:36:55,299

Wednesday night so late line had a

830

00:36:59,130 --> 00:36:57,279

Tuesday night then States not in Current

831

00:37:02,099 --> 00:36:59,140

Affair Wednesday night at the exact same

832

00:37:03,599 --> 00:37:02,109

time to the minute yeah yeah with it

833

00:37:05,729 --> 00:37:03,609

would this same girl what was her name

834

00:37:07,499 --> 00:37:05,739

again hello Hannah yeah with Scarlett

835

00:37:09,479 --> 00:37:07,509

had that's not unusual though often

836

00:37:11,279 --> 00:37:09,489

those two competing shows will have the

837

00:37:13,169 --> 00:37:11,289

same story on at the same time but

838

00:37:15,809 --> 00:37:13,179

obviously Steve Canaan had the exclusive

839

00:37:18,689 --> 00:37:15,819

yeah and he at once he add the first

840

00:37:20,939 --> 00:37:18,699

part then the the vultures pounced and

841

00:37:22,499 --> 00:37:20,949

you know ran the same story at the same

842

00:37:23,759 --> 00:37:22,509

time with watching all three of them

843

00:37:26,359 --> 00:37:23,769

because there is different information

844

00:37:29,249 --> 00:37:26,369

adding to the story in all three of them

845

00:37:31,829 --> 00:37:29,259

you can't get out on your YouTube

846

00:37:33,120 --> 00:37:31,839

channel that's great I think one of the

847

00:37:35,669 --> 00:37:33,130

things I found interesting about the

848

00:37:37,620 --> 00:37:35,679

second part of the Lateline story was

849

00:37:40,620 --> 00:37:37,630

that was particularly focused on the

850

00:37:43,949 --> 00:37:40,630

cover-up of molestation of a young girl

851

00:37:46,339 --> 00:37:43,959

I think 11 years old or 13 years old by

852

00:37:50,640 --> 00:37:46,349

one of the high up people in the church

853

00:37:54,509 --> 00:37:50,650

and there was one particular woman who

854

00:37:57,239 --> 00:37:54,519

was involved in the sort of human right

855

00:38:00,149 --> 00:37:57,249

side of church of scientology and is

856

00:38:03,239 --> 00:38:00,159

alleged that she actually coached the

857

00:38:05,429 --> 00:38:03,249

mother and the daughter to not speak out

858

00:38:07,289 --> 00:38:05,439

about the abuse because this is

859

00:38:09,359 --> 00:38:07,299

Commissioner to human rights which is a

860

00:38:11,489 --> 00:38:09,369

branch of Scientology which is very anti

861

00:38:14,489 --> 00:38:11,499

psychology that's right yeah they're the

862

00:38:17,429 --> 00:38:14,499

people that the welfare name is as you

863

00:38:19,529 --> 00:38:17,439

say the citizens Commission for human

864

00:38:22,469 --> 00:38:19,539

rights but in fact they're totally

865

00:38:24,779 --> 00:38:22,479

against any treatment psychiatry oh yeah

866

00:38:28,739 --> 00:38:24,789

the basically in anti-psychiatry front

867

00:38:31,120 --> 00:38:28,749

group and in an odd kind of segue the

868

00:38:33,160 --> 00:38:31,130

avn sell their material on these on

869

00:38:35,410 --> 00:38:33,170

store all right I was going to say that

870

00:38:37,540 --> 00:38:35,420

the pet them but the thing that's really

871

00:38:40,540 --> 00:38:37,550

interesting about the allegations made

872

00:38:44,650 --> 00:38:40,550

last night once they spoke to this the

873

00:38:46,540 --> 00:38:44,660

girl who says that she was abused the

874

00:38:48,010 --> 00:38:46,550

woman that coached her mother and her to

875

00:38:51,010 --> 00:38:48,020

not speak out to the Department of

876

00:38:52,720 --> 00:38:51,020

Community Services has since gone on to

877

00:38:54,970 --> 00:38:52,730

be one of the highest ranking people in

878

00:38:58,210 --> 00:38:54,980

the church and she's now involved in

879

00:39:01,270 --> 00:38:58,220

cchr as you say and she's been awarded

880

00:39:02,920 --> 00:39:01,280

the freedom medal I think for services

881

00:39:06,700 --> 00:39:02,930

to human rights within the church of

882

00:39:09,430 --> 00:39:06,710

scientology despite the fact that she

883

00:39:11,440 --> 00:39:09,440

covered all this up and there was also

884

00:39:13,660 --> 00:39:11,450

another woman on that report for who was

885

00:39:15,100 --> 00:39:13,670

talking from seattle and she's an ex

886

00:39:16,720 --> 00:39:15,110

member of the church and she's

887

00:39:21,360 --> 00:39:16,730

subsequently written a couple of books

888

00:39:23,650 --> 00:39:21,370

about the physical abuse that she was

889

00:39:26,380 --> 00:39:23,660

but she succumb to when she was in the

890

00:39:28,120 --> 00:39:26,390

church as well as other allegations

891

00:39:30,400 --> 00:39:28,130

she's got about the way that children

892

00:39:32,230 --> 00:39:30,410

are treated and other people are treated

893

00:39:34,720 --> 00:39:32,240

in the church it's not been a good week

894

00:39:37,270 --> 00:39:34,730

for Scientology well I mean all of this

895

00:39:39,130 --> 00:39:37,280

is happening at the moment because one

896

00:39:42,180 --> 00:39:39,140

of our senators in Australia and Nick

897

00:39:45,400 --> 00:39:42,190

Xenophon he called for a Senate inquiry

898

00:39:48,100 --> 00:39:45,410

into the church of scientology some time

899

00:39:49,600 --> 00:39:48,110

ago because he was of the opinion that

900

00:39:52,270 --> 00:39:49,610

it wasn't a church it shouldn't have

901
00:39:55,390 --> 00:39:52,280
tax-free status and it's really a cult

902
00:39:58,810 --> 00:39:55,400
and that was knocked out it was voted

903
00:40:02,610 --> 00:39:58,820
out at the time but he's now cold and

904
00:40:05,110 --> 00:40:02,620
this is another segue for all tax-free

905
00:40:07,720 --> 00:40:05,120
organizations to be investigated right

906
00:40:09,550 --> 00:40:07,730
and that includes and the cold citizen

907
00:40:11,410 --> 00:40:09,560
and this includes someone else Jason who

908
00:40:15,190 --> 00:40:11,420
does that include Oh does does that

909
00:40:18,030 --> 00:40:15,200
include some glee the avian you

910
00:40:21,460 --> 00:40:18,040
miss me really I think I much

911
00:40:23,860 --> 00:40:21,470
interesting yeah okay well personally

912
00:40:25,690 --> 00:40:23,870
myself I'd I see them all as cult really

913
00:40:27,640 --> 00:40:25,700

so you know if you're gonna investigate

914

00:40:29,900 --> 00:40:27,650

one call you should investigate that all

915

00:40:33,480 --> 00:40:29,910

of their entitlements to

916

00:40:35,010 --> 00:40:33,490

to the tax-free status but i'm yeah i

917

00:40:38,520 --> 00:40:35,020

mean the avian operates like a fellow as

918

00:40:40,980 --> 00:40:38,530

well i think we were talking before we

919

00:40:42,780 --> 00:40:40,990

were recording that a couple of months

920

00:40:45,750 --> 00:40:42,790

ago on the skeptic zone we read out some

921

00:40:48,570 --> 00:40:45,760

press release from Scientology and just

922

00:40:50,700 --> 00:40:48,580

put in avian instead of something else

923

00:40:55,310 --> 00:40:50,710

yeah and it didn't sound out of place

924

00:40:57,750 --> 00:40:55,320

our place no no i mean speaking of um

925

00:41:00,089 --> 00:40:57,760

come and go on now just did you want to

926
00:41:01,440 --> 00:41:00,099
say anything else about with cause now

927
00:41:05,280 --> 00:41:01,450
they make me angry I don't want to talk

928
00:41:08,099 --> 00:41:05,290
about it yeah well I guess we'll wait

929
00:41:10,620 --> 00:41:08,109
and see what happens but you know this

930
00:41:13,109 --> 00:41:10,630
lady from Seattle was Tony Jones from

931
00:41:16,320 --> 00:41:13,119
lateline asked her that's Amy's filming

932
00:41:19,470 --> 00:41:16,330
Amy Scobie thank you Tony Jones asked

933
00:41:21,750 --> 00:41:19,480
her what her opinion would be if what

934
00:41:24,150 --> 00:41:21,760
would be the impact of Australia having

935
00:41:25,650 --> 00:41:24,160
a Senate inquiry into Scientology and

936
00:41:27,780 --> 00:41:25,660
whether that would resonate worldwide

937
00:41:29,190 --> 00:41:27,790
and her opinion was it would be very

938
00:41:33,900 --> 00:41:29,200

important and it would make a very big

939

00:41:36,300 --> 00:41:33,910

impact so we can only hope that you know

940

00:41:38,070 --> 00:41:36,310

Nick Xenophon can get this through and

941

00:41:40,349 --> 00:41:38,080

that this can be the beginning of a lot

942

00:41:42,390 --> 00:41:40,359

of so-called charities and churches

943

00:41:44,400 --> 00:41:42,400

being investigated interesting now

944

00:41:47,430 --> 00:41:44,410

earlier in the show we had a report

945

00:41:49,290 --> 00:41:47,440

about the mind-body-spirit festival and

946

00:41:52,589 --> 00:41:49,300

of course Scientology were there again

947

00:41:55,410 --> 00:41:52,599

the industry standard in tired throne

948

00:41:58,050 --> 00:41:55,420

yes and and this time they weren't

949

00:41:59,670 --> 00:41:58,060

masquerading as anything they were just

950

00:42:01,820 --> 00:41:59,680

oh just Scientology know your

951
00:42:05,099 --> 00:42:01,830
Scientology and one of our friends

952
00:42:07,589 --> 00:42:05,109
Jarrah from Wollongong had a stress test

953
00:42:09,560 --> 00:42:07,599
on an e-meter I had one years ago and I

954
00:42:11,849 --> 00:42:09,570
made the needle dance everywhere but I

955
00:42:14,220 --> 00:42:11,859
had a conversation with one of their

956
00:42:16,170 --> 00:42:14,230
representatives and that you got to feel

957
00:42:18,570 --> 00:42:16,180
sorry for these people you know I mean

958
00:42:19,920 --> 00:42:18,580
they've been sucked in and they just he

959
00:42:22,020 --> 00:42:19,930
was trying to tell me that thoughts

960
00:42:23,609 --> 00:42:22,030
don't come from the brain it's like

961
00:42:25,109 --> 00:42:23,619
where do you go with someone who thinks

962
00:42:27,420 --> 00:42:25,119
that thoughts don't come from the brain

963
00:42:29,190 --> 00:42:27,430

your loans that it's just classic

964

00:42:32,400 --> 00:42:29,200

dualism really

965

00:42:36,150 --> 00:42:32,410

it comes from the soul sure see what i

966

00:42:38,579 --> 00:42:36,160

mean by they're all culls you don't feel

967

00:42:40,380 --> 00:42:38,589

sorry my tone I mean having spent so

968

00:42:44,040 --> 00:42:40,390

many years investigating this sort of

969

00:42:45,839 --> 00:42:44,050

stuff and talking to believers we almost

970

00:42:47,630 --> 00:42:45,849

have to be willingly ignorant actually

971

00:42:51,180 --> 00:42:47,640

wanting to be taken in for some of these

972

00:42:52,770 --> 00:42:51,190

just know I feel sorry for the people on

973

00:42:54,420 --> 00:42:52,780

the fringes such as people you know in

974

00:42:56,339 --> 00:42:54,430

families who are trying to get out and

975

00:42:58,410 --> 00:42:56,349

they've been separated from their loved

976

00:43:00,060 --> 00:42:58,420

ones yeah the ones that are born into it

977

00:43:01,319 --> 00:43:00,070

people that are actually trying to be

978

00:43:04,650 --> 00:43:01,329

critical thinkers within the church and

979

00:43:06,599 --> 00:43:04,660

make it a little more sensible and they

980

00:43:08,099 --> 00:43:06,609

just get crushed at every turn and then

981

00:43:13,740 --> 00:43:08,109

they're the ones we should feel sorry

982

00:43:19,290 --> 00:43:13,750

for the actual true believers screw yeah

983

00:43:22,260 --> 00:43:19,300

that show everyone up well let me let me

984

00:43:25,050 --> 00:43:22,270

let me think of a good segue goods

985

00:43:27,000 --> 00:43:25,060

favorite ah I had one what now this is

986

00:43:28,470 --> 00:43:27,010

another topic now so I want to stay

987

00:43:29,940 --> 00:43:28,480

going to yeah i was gonna segue into

988

00:43:32,010 --> 00:43:29,950

another topic that's what a Segway is

989

00:43:33,870 --> 00:43:32,020

right yes I wouldn't say why do the

990

00:43:36,930 --> 00:43:33,880

things that you stand on oh that's right

991

00:43:39,569 --> 00:43:36,940

what happened to Lucy I never miss blame

992

00:43:41,640 --> 00:43:39,579

Emmet rip off today but don't you know

993

00:43:44,040 --> 00:43:41,650

when we will I when we went to dragoncon

994

00:43:47,339 --> 00:43:44,050

ya know people on segways helping with

995

00:43:49,770 --> 00:43:47,349

the traffic know that yeah no nose ever

996

00:43:52,079 --> 00:43:49,780

Jesus one gone often are you guys yeah

997

00:43:55,970 --> 00:43:52,089

be yes he's special he blows stuff up

998

00:43:58,700 --> 00:43:55,980

for fun anyway

999

00:44:00,520 --> 00:43:58,710

okay here's the segue let me think now

1000

00:44:03,200 --> 00:44:00,530

Scientology now they're a worldwide

1001
00:44:05,690 --> 00:44:03,210
organization and then Chrissy is going

1002
00:44:12,020 --> 00:44:05,700
around the world soon see wasn't it all

1003
00:44:14,570 --> 00:44:12,030
right sans Chrissy's going to go to the

1004
00:44:16,790 --> 00:44:14,580
to London for seven she's going to be

1005
00:44:19,550 --> 00:44:16,800
meeting lots of interesting people over

1006
00:44:23,090 --> 00:44:19,560
there now Chrissy to help you in your in

1007
00:44:26,210 --> 00:44:23,100
your trip and help us I'd like to

1008
00:44:29,060 --> 00:44:26,220
present you with this wonderful I River

1009
00:44:30,859 --> 00:44:29,070
recorder digital recorder so you can do

1010
00:44:32,810 --> 00:44:30,869
interviews from the slip to see that's

1011
00:44:34,940 --> 00:44:32,820
superb that's exactly what I want that's

1012
00:44:38,210 --> 00:44:34,950
a 4 gigabyte recorded voice recorder and

1013
00:44:41,359 --> 00:44:38,220

I must have a special word now to thank

1014

00:44:43,099 --> 00:44:41,369

the listeners who donate to the skeptic

1015

00:44:44,780 --> 00:44:43,109

zone those who subscribe for a dollar a

1016

00:44:47,090 --> 00:44:44,790

week or those who sometimes send us

1017

00:44:49,250 --> 00:44:47,100

donations that money has gone directly

1018

00:44:50,510 --> 00:44:49,260

into buying you this recorder well

1019

00:44:52,130 --> 00:44:50,520

that's brilliant thank you very much

1020

00:44:53,480 --> 00:44:52,140

listeners because some while I'm over

1021

00:44:54,740 --> 00:44:53,490

there in London hopefully I'm going to

1022

00:44:58,810 --> 00:44:54,750

be catching up with some of my old mates

1023

00:45:01,640 --> 00:44:58,820

um Chris French obviously cuz he was my

1024

00:45:03,950 --> 00:45:01,650

supervisor when I did my PhD selfie

1025

00:45:06,020 --> 00:45:03,960

catching up with him and I'm going to be

1026

00:45:08,540 --> 00:45:06,030

giving a talk at skeptics in the pub in

1027

00:45:10,040 --> 00:45:08,550

London they've actually got to skeptics

1028

00:45:12,770 --> 00:45:10,050

in the pub near which i found a bit

1029

00:45:15,190 --> 00:45:12,780

bizarre lovely jacket Kent he started up

1030

00:45:18,349 --> 00:45:15,200

his own skeptics in the pub but in

1031

00:45:20,180 --> 00:45:18,359

Westminster yeah um fellow nerds a big

1032

00:45:21,650 --> 00:45:20,190

question well it is I wonder if it's

1033

00:45:28,070 --> 00:45:21,660

this is going to be start of you know

1034

00:45:31,040 --> 00:45:28,080

lots of other boroughs of London or I

1035

00:45:33,560 --> 00:45:31,050

know could be because complete also a

1036

00:45:37,250 --> 00:45:33,570

skeptic wars I think that is the one in

1037

00:45:39,980 --> 00:45:37,260

Wales oh no there is not yet yep tonight

1038

00:45:42,830 --> 00:45:39,990

I'm not yet yeah that's order but where

1039

00:45:46,130 --> 00:45:42,840

will you be right right i will be in the

1040

00:45:49,940 --> 00:45:46,140

the one in central london in central

1041

00:45:52,760 --> 00:45:49,950

London wedding right it's the 8 jun yep

1042

00:45:54,680 --> 00:45:52,770

hey June eighth June starts at seven

1043

00:45:57,910 --> 00:45:54,690

o'clock I think best thing to do check

1044

00:45:59,770 --> 00:45:57,920

out their website four times and dates

1045

00:46:01,420 --> 00:45:59,780

rest of it and because I think they have

1046

00:46:03,609 --> 00:46:01,430

limited numbers now when i was there a

1047

00:46:05,470 --> 00:46:03,619

few years ago anyone could just turn up

1048

00:46:07,150 --> 00:46:05,480

but it got so popular now that they have

1049

00:46:09,700 --> 00:46:07,160

to limit numbers so you need to check

1050

00:46:12,670 --> 00:46:09,710

out the website to make sure that you

1051
00:46:16,539 --> 00:46:12,680
can get two good games yeah I know it's

1052
00:46:20,829 --> 00:46:16,549
amazing you know which prob attack no

1053
00:46:23,049 --> 00:46:20,839
I've stopped it changed it was always

1054
00:46:25,599 --> 00:46:23,059
the king's head in in Holborn but it's

1055
00:46:27,549 --> 00:46:25,609
some in my oven i'll know it's there's

1056
00:46:28,510 --> 00:46:27,559
something oak in Holborn now that's

1057
00:46:31,480 --> 00:46:28,520
right because it was always in my

1058
00:46:33,520 --> 00:46:31,490
knowledge something like but anyway

1059
00:46:38,079 --> 00:46:33,530
check it out on me on me on the internet

1060
00:46:42,339 --> 00:46:38,089
and fine so if listeners one who meet

1061
00:46:43,990 --> 00:46:42,349
Chrissy in person I'll be there um from

1062
00:46:45,880 --> 00:46:44,000
about six o'clock anything on your

1063
00:46:49,299 --> 00:46:45,890

Tuesday night but I'm also going to be

1064

00:46:53,920 --> 00:46:49,309

down at Goldsmiths on the fifteenth of

1065

00:46:56,260 --> 00:46:53,930

June there's a talk being given there by

1066

00:46:58,150 --> 00:46:56,270

a professor who's talking about the

1067

00:47:00,640 --> 00:46:58,160

recovered memory debate which as

1068

00:47:04,240 --> 00:47:00,650

listeners may know that one of my one of

1069

00:47:07,059 --> 00:47:04,250

my bags so um if you want to come along

1070

00:47:09,370 --> 00:47:07,069

and have a chat down there that would be

1071

00:47:11,950 --> 00:47:09,380

cool we can meet up before and because

1072

00:47:14,289 --> 00:47:11,960

I've got my fantastic new recorder um

1073

00:47:16,839 --> 00:47:14,299

maybe we get a bunch of people and we

1074

00:47:19,089 --> 00:47:16,849

can all I can record everybody chatting

1075

00:47:20,799 --> 00:47:19,099

about skepticism in London what a great

1076
00:47:23,559 --> 00:47:20,809
idea you could have a London think tank

1077
00:47:27,520 --> 00:47:23,569
salute are we can't let's have it let's

1078
00:47:30,549 --> 00:47:27,530
let's do our there we go right the

1079
00:47:32,950 --> 00:47:30,559
pender all spindles oak hi hope and

1080
00:47:35,470 --> 00:47:32,960
that's the pub what's the website

1081
00:47:38,559 --> 00:47:35,480
beautiful check out I'm just skeptics

1082
00:47:40,630 --> 00:47:38,569
skeptics in the pub London yes I'm not

1083
00:47:42,940 --> 00:47:40,640
skeptics in the pub dog there we go

1084
00:47:44,530 --> 00:47:42,950
that's the one so listen is if you'd

1085
00:47:46,180 --> 00:47:44,540
like to be part of the think tank and

1086
00:47:48,670 --> 00:47:46,190
we'd love to have a London think tank

1087
00:47:51,339 --> 00:47:48,680
hosted by Chris dr. Chrissy Wilson check

1088
00:47:52,450 --> 00:47:51,349

out the site get yourself along and I'm

1089

00:47:54,849 --> 00:47:52,460

sure you can all cook up something

1090

00:47:57,190 --> 00:47:54,859

between you and you can ask Chrissy what

1091

00:47:59,289 --> 00:47:57,200

really goes on here when we're recording

1092

00:48:01,990 --> 00:47:59,299

the think tank what Australians are

1093

00:48:04,190 --> 00:48:02,000

really like what we're doing right now

1094

00:48:07,710 --> 00:48:04,200

Jason and I are both on our laptop

1095

00:48:10,950 --> 00:48:07,720

sending emails to Chrissy and spamming

1096

00:48:13,890 --> 00:48:10,960

her as we speak is that what you're

1097

00:48:15,690 --> 00:48:13,900

doing oh yeah now James you just took a

1098

00:48:18,180 --> 00:48:15,700

photograph of our microphone setup did

1099

00:48:20,870 --> 00:48:18,190

you two do that no not yet I'll do that

1100

00:48:23,850 --> 00:48:20,880

since we're finished recording all right

1101

00:48:26,250 --> 00:48:23,860

and speaking of the avian see what a

1102

00:48:29,280 --> 00:48:26,260

great segue that was dr. AG you have

1103

00:48:31,080 --> 00:48:29,290

some more news yes I don't know if we

1104

00:48:33,600 --> 00:48:31,090

mentioned this last week maybe not but

1105

00:48:35,250 --> 00:48:33,610

the avian had scheduled themselves well

1106

00:48:37,320 --> 00:48:35,260

I know I did I talked about it on da man

1107

00:48:40,970 --> 00:48:37,330

she loves ratios so they were meant to

1108

00:48:43,530 --> 00:48:40,980

have a seminar in Perth after there were

1109

00:48:45,090 --> 00:48:43,540

seemed to be a spike of adverse

1110

00:48:48,240 --> 00:48:45,100

reactions to the flu vaccine and

1111

00:48:51,180 --> 00:48:48,250

children under five now that seminar was

1112

00:48:53,010 --> 00:48:51,190

canceled it was being scheduled to be

1113

00:48:56,580 --> 00:48:53,020

held at the Uniting Church in the city

1114

00:49:00,780 --> 00:48:56,590

in Perth and at the eleventh hour almost

1115

00:49:03,270 --> 00:49:00,790

literally the church canceled it now

1116

00:49:05,960 --> 00:49:03,280

it's subsequently been rescheduled and

1117

00:49:11,390 --> 00:49:05,970

this time Jason it's going to be at

1118

00:49:13,710 --> 00:49:11,400

state library of wa is now yes yes so

1119

00:49:16,020 --> 00:49:13,720

the perception of that would be its kind

1120

00:49:17,190 --> 00:49:16,030

of given that it's a state library the

1121

00:49:20,970 --> 00:49:17,200

perception would be its government

1122

00:49:23,820 --> 00:49:20,980

endorsed which obviously is not yeah

1123

00:49:28,050 --> 00:49:23,830

it's a little worrying time but we'll

1124

00:49:31,890 --> 00:49:28,060

see what we can do there's any

1125

00:49:34,110 --> 00:49:31,900

conspiracy no no no um let them believe

1126

00:49:35,940 --> 00:49:34,120

it they'll believe it anyway yes he's

1127

00:49:39,450 --> 00:49:35,950

our privacy I mean it's interesting

1128

00:49:42,990 --> 00:49:39,460

because of some of some people that I've

1129

00:49:45,630 --> 00:49:43,000

heard I heard that some people were

1130

00:49:48,570 --> 00:49:45,640

looking into the makeup of the board of

1131

00:49:51,390 --> 00:49:48,580

governors essentially for the library

1132

00:49:53,280 --> 00:49:51,400

and WA and there's a couple of people on

1133

00:49:55,770 --> 00:49:53,290

there that might be not particularly

1134

00:49:58,260 --> 00:49:55,780

happy about having this type of seminar

1135

00:50:02,450 --> 00:49:58,270

and they put on their premises one of

1136

00:50:07,020 --> 00:50:02,460

whom is a medico who specialism obg

1137

00:50:08,640 --> 00:50:07,030

Hobbes and line so she might be

1138

00:50:10,920 --> 00:50:08,650

interested to know exactly did the

1139

00:50:13,920 --> 00:50:10,930

nature of the avians material and

1140

00:50:15,630 --> 00:50:13,930

that her the venue of which she is on

1141

00:50:18,720 --> 00:50:15,640

the board of governors is being used for

1142

00:50:22,079 --> 00:50:18,730

this but according to information from

1143

00:50:24,839 --> 00:50:22,089

mrs dory the library has assured her

1144

00:50:27,440 --> 00:50:24,849

that they will not cancel this time and

1145

00:50:30,299 --> 00:50:27,450

it won't happen and do guaranteed

1146

00:50:32,700 --> 00:50:30,309

according to information from mrs dory

1147

00:50:34,890 --> 00:50:32,710

good well that's the big caveat as me

1148

00:50:38,040 --> 00:50:34,900

you can't necessarily trust information

1149

00:50:40,579 --> 00:50:38,050

according to mrs. dory oh but you know

1150

00:50:43,400 --> 00:50:40,589

we'll see how it all works out

1151
00:50:46,319 --> 00:50:43,410
Australia's expert in vector vaccination

1152
00:50:49,650 --> 00:50:46,329
leader expert eating expert in vaccine

1153
00:50:51,809 --> 00:50:49,660
is a brain yeah that's right it's like

1154
00:50:56,730 --> 00:50:51,819
Jenny McCarthy has a mummy Instagram

1155
00:50:59,480 --> 00:50:56,740
well yeah that's the same thing so the

1156
00:51:02,400 --> 00:50:59,490
first of june i think is change or to be

1157
00:51:04,410 --> 00:51:02,410
to be happening what one interesting

1158
00:51:08,579 --> 00:51:04,420
thing about their previous cancellation

1159
00:51:10,440 --> 00:51:08,589
was initially it was blamed on the

1160
00:51:14,130 --> 00:51:10,450
church and also on the Department of

1161
00:51:16,859 --> 00:51:14,140
Health so it's since been blamed on the

1162
00:51:21,900 --> 00:51:16,869
skeptics and some people who wrote lying

1163
00:51:24,660 --> 00:51:21,910

letters to the church and off now there

1164

00:51:25,650 --> 00:51:24,670

was also some news from the avian saying

1165

00:51:27,569 --> 00:51:25,660

that there would be a huge media

1166

00:51:30,180 --> 00:51:27,579

backlash as a result of this

1167

00:51:32,339 --> 00:51:30,190

cancellation now someone who's not here

1168

00:51:34,740 --> 00:51:32,349

tonight um Dave the happy singer posted

1169

00:51:37,339 --> 00:51:34,750

a picture recently on Facebook of this

1170

00:51:46,799 --> 00:51:37,349

media backlash and it was a tumbleweed

1171

00:51:50,789 --> 00:51:46,809

because the the circle Mickey of

1172

00:51:53,220 --> 00:51:50,799

backlash was mrs. dory calling up one

1173

00:51:55,230 --> 00:51:53,230

talkback radio station in Perth to a

1174

00:51:58,980 --> 00:51:55,240

sympathetic talkback host by the name of

1175

00:52:01,950 --> 00:51:58,990

is it Harry sattler I don't so yeah

1176

00:52:07,319 --> 00:52:01,960

whatever he's yeah he works for six PR

1177

00:52:09,359 --> 00:52:07,329

which is am in Western Australia now so

1178

00:52:10,710 --> 00:52:09,369

she called him up first and then a

1179

00:52:12,030 --> 00:52:10,720

couple of days later she called him up

1180

00:52:14,190 --> 00:52:12,040

again and he had some discussion about

1181

00:52:17,490 --> 00:52:14,200

it and then some of us did a little bit

1182

00:52:20,789 --> 00:52:17,500

of Google search on sattler now he's

1183

00:52:21,570 --> 00:52:20,799

been a talkback host for 25 years or

1184

00:52:24,330 --> 00:52:21,580

something along

1185

00:52:26,040 --> 00:52:24,340

long time now if listeners in Australia

1186

00:52:29,100 --> 00:52:26,050

are familiar with the program Media

1187

00:52:31,560 --> 00:52:29,110

Watch which I'm sure we are or our

1188

00:52:32,940 --> 00:52:31,570

international listeners would may have

1189

00:52:35,130 --> 00:52:32,950

heard of it but basically it's a media

1190

00:52:36,690 --> 00:52:35,140

watchdog program so if you find

1191

00:52:38,490 --> 00:52:36,700

something wrong in the media you alert

1192

00:52:40,800 --> 00:52:38,500

them and they basically slap people

1193

00:52:42,450 --> 00:52:40,810

around for it so yeah any journalists

1194

00:52:44,820 --> 00:52:42,460

that end up on Media Watch it's a it's

1195

00:52:46,590 --> 00:52:44,830

it's known as a big shame it's a black

1196

00:52:49,080 --> 00:52:46,600

mark against your name delicious the

1197

00:52:51,950 --> 00:52:49,090

mediator on its superb it is it's

1198

00:52:54,240 --> 00:52:51,960

wonderful and the guy who hosts it just

1199

00:52:55,680 --> 00:52:54,250

you know it's no holds barred and in

1200

00:52:58,680 --> 00:52:55,690

fact last week he actually gave himself

1201
00:53:01,380 --> 00:52:58,690
a slap for doing something wrong anyway

1202
00:53:05,040 --> 00:53:01,390
um if you do a search for Media Watch NM

1203
00:53:07,800 --> 00:53:05,050
and Howard Sattler you'll find a powered

1204
00:53:10,080 --> 00:53:07,810
tablet yes did I say Harry yeah how ok

1205
00:53:13,850 --> 00:53:10,090
Howard how exactly you'll find a long

1206
00:53:17,730 --> 00:53:13,860
list of mentions on media watch for

1207
00:53:19,920 --> 00:53:17,740
incorrect information for slanderous

1208
00:53:23,160 --> 00:53:19,930
information for racist information

1209
00:53:26,280 --> 00:53:23,170
interestingly what actually is a sort of

1210
00:53:28,590 --> 00:53:26,290
a vague equivalent to rush limbaugh in

1211
00:53:30,990 --> 00:53:28,600
the states right well I mean he's meant

1212
00:53:33,390 --> 00:53:31,000
to be a shock jock but back in 1992 I

1213
00:53:35,490 --> 00:53:33,400

know that's a long time ago but this is

1214

00:53:38,250 --> 00:53:35,500

quite a famous incident I there were

1215

00:53:40,760 --> 00:53:38,260

three young Aboriginal boys killed in a

1216

00:53:43,830 --> 00:53:40,770

car accident and he was quoted as saying

1217

00:53:46,410 --> 00:53:43,840

good riddance to bad rubbish I'm glad

1218

00:53:48,030 --> 00:53:46,420

they're dead or something like that and

1219

00:53:50,780 --> 00:53:48,040

so there's reference to that all over

1220

00:53:54,420 --> 00:53:50,790

the internet because some and then in

1221

00:53:59,460 --> 00:53:54,430

2005 he did something similar where he

1222

00:54:00,900 --> 00:53:59,470

had a cold caller bring up about

1223

00:54:03,120 --> 00:54:00,910

shoot yourself in the head or

1224

00:54:06,090 --> 00:54:03,130

something and he's laughed about it and

1225

00:54:09,270 --> 00:54:06,100

said oh I didn't say that but hahaha so

1226
00:54:12,570 --> 00:54:09,280
disgusting I don't know you're a rapper

1227
00:54:14,580 --> 00:54:12,580
yeah yeah well okay I don't know if me

1228
00:54:16,890 --> 00:54:14,590
mentioning this in the same context as

1229
00:54:19,290 --> 00:54:16,900
metal dorias poisoning the well is it is

1230
00:54:22,950 --> 00:54:19,300
it is it a logical fallacy no but it's a

1231
00:54:26,430 --> 00:54:22,960
great segue it's only a logical fallacy

1232
00:54:30,990 --> 00:54:26,440
if you're trying to cheat with it

1233
00:54:32,640 --> 00:54:31,000
no no what my point is that the media

1234
00:54:36,599 --> 00:54:32,650
backlash has come from is one guy who

1235
00:54:38,460 --> 00:54:36,609
has a dubious past and it was instigated

1236
00:54:41,250 --> 00:54:38,470
by Merrill herself ring exactly yeah

1237
00:54:43,710 --> 00:54:41,260
exactly so Tom always start with the

1238
00:54:45,089 --> 00:54:43,720

avian yeah and the tumbleweeds are still

1239

00:54:48,210 --> 00:54:45,099

rolling as far as my crickets are

1240

00:54:49,950 --> 00:54:48,220

chirping yeah that's right now people

1241

00:54:53,400 --> 00:54:49,960

can find out about tumbleweeds and

1242

00:54:54,630 --> 00:54:53,410

crickets at your website can they hey

1243

00:55:01,559 --> 00:54:54,640

Dayton why don't you tell us all about

1244

00:55:03,900 --> 00:55:01,569

it skeptic air oh yes I'm trying to give

1245

00:55:06,390 --> 00:55:03,910

him a plug folks I'm looking at that

1246

00:55:08,579 --> 00:55:06,400

Meryl at the moment oh can we talk about

1247

00:55:20,040 --> 00:55:08,589

that Meryl can you mention that Marilyn

1248

00:55:20,050 --> 00:55:28,700

that's what you were

1249

00:55:34,260 --> 00:55:32,040

so what is that Meryl all about that

1250

00:55:37,550 --> 00:55:34,270

Meryl is a short web series highlighting

1251

00:55:39,859 --> 00:55:37,560

some of the idiocy the Meryl comes out

1252

00:55:42,540 --> 00:55:39,869

let's face it it's not that difficult

1253

00:55:44,330 --> 00:55:42,550

there's a lot of material somebody

1254

00:55:46,620 --> 00:55:44,340

commented on Facebook the other day that

1255

00:55:48,120 --> 00:55:46,630

wondering when the feature-length movie

1256

00:55:50,550 --> 00:55:48,130

is giving them out and the following

1257

00:55:55,500 --> 00:55:50,560

comment was this plenty of material for

1258

00:55:57,750 --> 00:55:55,510

that it could be any time now so that

1259

00:55:59,550 --> 00:55:57,760

Meryl is a youtube series it's a youtube

1260

00:56:03,300 --> 00:55:59,560

series yes you can find out a youtube

1261

00:56:08,099 --> 00:56:03,310

com forward slash that Meryl and be ryl

1262

00:56:11,280 --> 00:56:08,109

and basically it's taking phrases that

1263

00:56:13,740 --> 00:56:11,290

she's or statements that she's made and

1264

00:56:15,630 --> 00:56:13,750

then putting them up in black and white

1265

00:56:18,510 --> 00:56:15,640

just to point out how ridiculous or

1266

00:56:20,070 --> 00:56:18,520

wrong they are and then having a scene

1267

00:56:23,220 --> 00:56:20,080

from the League of Gentlemen when I say

1268

00:56:25,080 --> 00:56:23,230

that Meredith each one's about 20

1269

00:56:26,820 --> 00:56:25,090

seconds long it's quite good its recent

1270

00:56:34,280 --> 00:56:26,830

however we were talking things but

1271

00:56:41,099 --> 00:56:37,020

your website of course I'm a real

1272

00:56:42,540 --> 00:56:41,109

website yeah yes skeptic 80.com yes as

1273

00:56:45,420 --> 00:56:42,550

I've mentioned a couple of times before

1274

00:56:47,580 --> 00:56:45,430

I think on it on the tank skeptic ater

1275

00:56:50,640 --> 00:56:47,590

is an RSS aggregator for skeptical

1276

00:56:52,580 --> 00:56:50,650

content and it's searchable and all

1277

00:56:55,710 --> 00:56:52,590

sorts of cool things can be found for it

1278

00:56:58,500 --> 00:56:55,720

I've upgraded the search today I said

1279

00:57:01,560 --> 00:56:58,510

now returns far more search results and

1280

00:57:03,390 --> 00:57:01,570

I'm up to probably approaching by the

1281

00:57:07,349 --> 00:57:03,400

time this episode comes out about twenty

1282

00:57:10,109 --> 00:57:07,359

thousand articles I'm all nearly all

1283

00:57:12,480 --> 00:57:10,119

skeptically focused so that Sam it's

1284

00:57:15,060 --> 00:57:12,490

going along a pace it's quite quite cool

1285

00:57:17,099 --> 00:57:15,070

I'm excited and someone brought it home

1286

00:57:18,060 --> 00:57:17,109

to me the other day that eventually if I

1287

00:57:19,830 --> 00:57:18,070

keep this gun for a couple of years

1288

00:57:21,120 --> 00:57:19,840

there's going to be million-plus

1289

00:57:22,530 --> 00:57:21,130

articles on there and I'm going to have

1290

00:57:25,830 --> 00:57:22,540

to deal with this enormous amount of

1291

00:57:28,300 --> 00:57:25,840

data and I sort of I trembled and then I

1292

00:57:36,640 --> 00:57:28,310

went oh cool

1293

00:57:38,020 --> 00:57:36,650

this is kind of great yeah one of the

1294

00:57:40,840 --> 00:57:38,030

things he can find there actually is

1295

00:57:41,920 --> 00:57:40,850

draw mohammed day we haven't study till

1296

00:57:43,930 --> 00:57:41,930

eight and ten that we're recording

1297

00:57:45,810 --> 00:57:43,940

dominated to get together today it's

1298

00:57:48,850 --> 00:57:45,820

been absolutely full of draw mohammed

1299

00:57:50,560 --> 00:57:48,860

content but i'll let you carry on it

1300

00:57:52,450 --> 00:57:50,570

Lewis all-stars off by a woman by the

1301

00:57:56,220 --> 00:57:52,460

name of Molly Norris was it I'm late

1302

00:57:58,810 --> 00:57:56,230

Morris yeah she drizzle up the other day

1303

00:58:01,510 --> 00:57:58,820

South Park had a couple of episodes

1304

00:58:06,880 --> 00:58:01,520

where Mohammed was shown wearing a bear

1305

00:58:11,820 --> 00:58:06,890

suit instead enhancements of water

1306

00:58:15,370 --> 00:58:11,830

services basically that was for okay

1307

00:58:17,500 --> 00:58:15,380

yeah okay South Park had an episode that

1308

00:58:18,940 --> 00:58:17,510

included Mohammed inert but they weren't

1309

00:58:20,560 --> 00:58:18,950

allowed to show him at all because of

1310

00:58:22,690 --> 00:58:20,570

all the recent conflicts with the Danish

1311

00:58:25,690 --> 00:58:22,700

cartoons so they had him in a u-haul

1312

00:58:28,480 --> 00:58:25,700

trailer in a bear costume in a bunch of

1313

00:58:31,750 --> 00:58:28,490

other things just always covered up and

1314

00:58:34,540 --> 00:58:31,760

still they got threatens so this person

1315

00:58:36,160 --> 00:58:34,550

came long drop a little postage for a

1316

00:58:40,510 --> 00:58:36,170

bit of a laugh which the one saw flop

1317

00:58:42,280 --> 00:58:40,520

picture of a tree a house a car or with

1318

00:58:45,100 --> 00:58:42,290

arrows pointing them to them saying this

1319

00:58:46,720 --> 00:58:45,110

is muhammad stands it off to quite a few

1320

00:58:49,170 --> 00:58:46,730

people in the social networking arena

1321

00:58:51,310 --> 00:58:49,180

they sent it on it became viral

1322

00:58:53,380 --> 00:58:51,320

everybody wants to get behind us because

1323

00:58:55,630 --> 00:58:53,390

molly is an actual cartoonist from

1324

00:58:56,860 --> 00:58:55,640

Seattle so yeah there would have been a

1325

00:58:59,260 --> 00:58:56,870

lot of people got that in the first

1326

00:59:01,750 --> 00:58:59,270

round this despatched to me this is very

1327

00:59:05,000 --> 00:59:01,760

similar to boobquake you know about but

1328

00:59:10,170 --> 00:59:05,010

it is yes christon you just know okay

1329

00:59:12,809 --> 00:59:10,180

um boob hike sure we discussed that last

1330

00:59:15,620 --> 00:59:12,819

time I I think we had we gave it a

1331

00:59:19,069 --> 00:59:15,630

mention okay boobquake was because this

1332

00:59:22,559 --> 00:59:19,079

Islamic cleric decided that Oh

1333

00:59:26,490 --> 00:59:22,569

proclaimed that earthquakes and other

1334

00:59:29,490 --> 00:59:26,500

such things were more or less a result

1335

00:59:33,240 --> 00:59:29,500

of women wearing revealing clothing so

1336

00:59:35,910 --> 00:59:33,250

let's leave it she was true so these

1337

00:59:38,160 --> 00:59:35,920

women said well this day I can't

1338

00:59:39,660 --> 00:59:38,170

remember what they was his boobquake day

1339

00:59:42,000 --> 00:59:39,670

and women were encouraged to wear

1340

00:59:45,599 --> 00:59:42,010

revealing tops you see in showing

1341

00:59:47,760 --> 00:59:45,609

cleavage and and and then to see where

1342

00:59:50,160 --> 00:59:47,770

into it won't you then to see whether

1343

00:59:53,069 --> 00:59:50,170

the earthquake measurements for that day

1344

00:59:54,180 --> 00:59:53,079

went up or down you see so many some

1345

00:59:59,520 --> 00:59:54,190

other things we're not and down that

1346

01:00:02,970 --> 00:59:59,530

this typical depauw me to lower the tone

1347

01:00:08,069 --> 01:00:02,980

I remember what you and I were doing

1348

01:00:12,680 --> 01:00:08,079

that day oh no means we don't get to

1349

01:00:15,809 --> 01:00:12,690

leave it at that and on that bombshell

1350

01:00:18,450 --> 01:00:15,819

we walk to the airport Oh walk to the

1351
01:00:20,880 --> 01:00:18,460
airport nothing that oh you know where

1352
01:00:23,010 --> 01:00:20,890
are you healing clothes yeah yes I was

1353
01:00:25,319 --> 01:00:23,020
he was wearing one of those um mesh

1354
01:00:27,839 --> 01:00:25,329
singlets but you can see I'm very short

1355
01:00:29,609 --> 01:00:27,849
short yeah yeah that's right and he was

1356
01:00:33,650 --> 01:00:29,619
swishing all the way to do but strangely

1357
01:00:38,460 --> 01:00:33,660
enough no earthquakes a few cars crash

1358
01:00:42,870 --> 01:00:38,470
in shock getting back to Mohammed oh yes

1359
01:00:44,730 --> 01:00:42,880
anyway sooner became viral and everybody

1360
01:00:45,960 --> 01:00:44,740
started getting behind it she decided no

1361
01:00:47,910 --> 01:00:45,970
this was just meant to be a one-off

1362
01:00:49,380 --> 01:00:47,920
image to make people laugh I didn't

1363
01:00:52,920 --> 01:00:49,390

actually want this to happen so she'd

1364

01:00:55,079 --> 01:00:52,930

start disassociate yourself from it so

1365

01:00:57,030 --> 01:00:55,089

now the Molly Norris the original

1366

01:01:00,660 --> 01:00:57,040

creator of it is no longer got anything

1367

01:01:02,690 --> 01:01:00,670

to do with draw mohammed date however it

1368

01:01:04,579 --> 01:01:02,700

doesn't stop there

1369

01:01:06,440 --> 01:01:04,589

one of the people who took it upside to

1370

01:01:09,230 --> 01:01:06,450

create a facebook group behind it yeah

1371

01:01:10,130 --> 01:01:09,240

try and collect all the pictures a lot

1372

01:01:11,690 --> 01:01:10,140

of the pictures that were getting

1373

01:01:14,540 --> 01:01:11,700

uploaded will quite rude and disgusting

1374

01:01:16,460 --> 01:01:14,550

things and once he saw that he didn't

1375

01:01:19,490 --> 01:01:16,470

want anything to do with it either so

1376

01:01:22,370 --> 01:01:19,500

two main people who have turned into a

1377

01:01:23,750 --> 01:01:22,380

sensation both of them turn their backs

1378

01:01:26,630 --> 01:01:23,760

on and now don't want anything to do

1379

01:01:30,339 --> 01:01:26,640

with it Wow but it's quite strange that

1380

01:01:33,290 --> 01:01:30,349

Facebook eh day has just been incredible

1381

01:01:34,700 --> 01:01:33,300

some of the stuff you would expect to

1382

01:01:37,099 --> 01:01:34,710

see from the underbelly of the internet

1383

01:01:38,870 --> 01:01:37,109

rather than Facebook but yeah it's been

1384

01:01:40,819 --> 01:01:38,880

absolutely hilarious there's been a

1385

01:01:42,650 --> 01:01:40,829

large Muslim contingent just copy

1386

01:01:46,339 --> 01:01:42,660

pasting I who act by all over the whole

1387

01:01:48,440 --> 01:01:46,349

thing and millions of pictures i confess

1388

01:01:51,230 --> 01:01:48,450

i put a picture up there myself on a

1389

01:01:53,089 --> 01:01:51,240

little post-it note um so but yeah it's

1390

01:01:54,560 --> 01:01:53,099

been ages i tell you very nice book and

1391

01:01:56,540 --> 01:01:54,570

look forward to draw mohammed date or

1392

01:01:58,190 --> 01:01:56,550

I'm going to skeptic a lemon bay or a

1393

01:02:00,050 --> 01:01:58,200

skeptic it has been covered with it and

1394

01:02:03,109 --> 01:02:00,060

there's a search for draw my hammer day

1395

01:02:04,910 --> 01:02:03,119

on skipper cater and the greatest upshot

1396

01:02:10,700 --> 01:02:04,920

of it all I think is the Pakistan Today

1397

01:02:15,559 --> 01:02:10,710

band facebook totally so hey guys and

1398

01:02:17,450 --> 01:02:15,569

Pakistan try and friend me go on I'm

1399

01:02:20,089 --> 01:02:17,460

just reminded of a line from The

1400

01:02:22,700 --> 01:02:20,099

Hitchhiker's Guide to the galaxy where

1401
01:02:23,930 --> 01:02:22,710
there's a newscast now the heroes are on

1402
01:02:25,819 --> 01:02:23,940
the heart of gold traveling for the

1403
01:02:28,040 --> 01:02:25,829
galaxy and they're watching a newscast

1404
01:02:29,660 --> 01:02:28,050
and the guy says hello to all the

1405
01:02:31,309 --> 01:02:29,670
intelligent people the universe watching

1406
01:02:43,330 --> 01:02:31,319
this and to all the rest of you the

1407
01:02:50,120 --> 01:02:48,650
you remember there you go oh I cacked

1408
01:02:52,160 --> 01:02:50,130
myself silly when I saw that the first

1409
01:02:53,660 --> 01:02:52,170
time and I think i'm going to be

1410
01:02:55,040 --> 01:02:53,670
catching myself silly all the way home

1411
01:02:56,180 --> 01:02:55,050
but i'd like to thank unless there's

1412
01:02:59,840 --> 01:02:56,190
anything else we wanted to talk about

1413
01:03:01,760 --> 01:02:59,850

yeah I think we're all talked out I I'd

1414

01:03:04,520 --> 01:03:01,770

like to thank dr. hu thank you dr. AG

1415

01:03:07,100 --> 01:03:04,530

thank you Richard thank you very much of

1416

01:03:09,560 --> 01:03:07,110

course and I'd like to thank Jason made

1417

01:03:11,120 --> 01:03:09,570

you rich it basically see dr. Chris you

1418

01:03:13,040 --> 01:03:11,130

all the best on your trip thank you very

1419

01:03:15,950 --> 01:03:13,050

much and I hope some Skippy its own

1420

01:03:18,320 --> 01:03:15,960

pants come along blink a funeral homes

1421

01:03:21,080 --> 01:03:18,330

thank you thank you very much and unto

1422

01:03:22,370 --> 01:03:21,090

our next a think tank with bus

1423

01:03:29,900 --> 01:03:22,380

announcements and everything it's

1424

01:03:51,160 --> 01:03:29,910

goodbye from us here at the club OSP

1425

01:03:57,440 --> 01:03:54,530

Richard mean after that episode I've

1426
01:03:59,780 --> 01:03:57,450
almost completely he are you are yeah

1427
01:04:01,880 --> 01:03:59,790
just the vibrations coming from the

1428
01:04:03,890 --> 01:04:01,890
speaker's of my computer yes it's just

1429
01:04:05,360 --> 01:04:03,900
sending a healing energy through my

1430
01:04:07,670 --> 01:04:05,370
bronchial towards all that report from

1431
01:04:12,380 --> 01:04:07,680
the mind-body wallet wasn't it was the

1432
01:04:14,360 --> 01:04:12,390
chakra my bronchial chakra is is just

1433
01:04:15,680 --> 01:04:14,370
vibrating and all those bacteria are

1434
01:04:18,770 --> 01:04:15,690
just they're just dropping like flies

1435
01:04:21,020 --> 01:04:18,780
are they I it's it's a phenomenon and

1436
01:04:22,610 --> 01:04:21,030
thank you for sharing that with that's

1437
01:04:24,230 --> 01:04:22,620
quite all right and look if all else

1438
01:04:26,270 --> 01:04:24,240

fails you can always try the good old

1439

01:04:28,460 --> 01:04:26,280

applied kinesiology as seen on the

1440

01:04:31,880 --> 01:04:28,470

skeptics own video applied kinesiology

1441

01:04:34,700 --> 01:04:31,890

one that sounds extremely site if it is

1442

01:04:37,730 --> 01:04:34,710

I well look thanks reaching for having

1443

01:04:39,590 --> 01:04:37,740

me again I I do apologize for my for my

1444

01:04:41,000 --> 01:04:39,600

ill health for the last few weeks I've

1445

01:04:42,890 --> 01:04:41,010

been so out of the loop it's been

1446

01:04:44,090 --> 01:04:42,900

frustrating and disappointing but it's

1447

01:04:46,160 --> 01:04:44,100

great to know that you've been carrying

1448

01:04:48,530 --> 01:04:46,170

the baton without me we have but now

1449

01:04:49,850 --> 01:04:48,540

you're back and you're almost better yet

1450

01:04:51,080 --> 01:04:49,860

the listeners will be pleased to hear

1451
01:04:53,630 --> 01:04:51,090
that because people have been writing in

1452
01:04:55,340 --> 01:04:53,640
saying where Stefan so I I have been

1453
01:04:57,500 --> 01:04:55,350
very disappointed it's been a struggle

1454
01:04:59,480 --> 01:04:57,510
but but it's it's fantastic now it's

1455
01:05:02,180 --> 01:04:59,490
almost it's almost over excellent Stefan

1456
01:05:04,670 --> 01:05:02,190
well you go now and get into your sauna

1457
01:05:06,500 --> 01:05:04,680
with your chakras and your crystals can

1458
01:05:08,060 --> 01:05:06,510
you shut and your healing a little bit

1459
01:05:09,980 --> 01:05:08,070
of a rhyme of therapy I think we'll do

1460
01:05:12,590 --> 01:05:09,990
it yeah I think that'll that'll that'll

1461
01:05:15,680 --> 01:05:12,600
really cleans the day alright we'll see

1462
01:05:18,630 --> 01:05:15,690
you next next time ok stuff is Right see

1463
01:05:24,810 --> 01:05:20,820

you've been listening to the skeptic

1464

01:05:28,590 --> 01:05:24,820

zone visit our website at [www scripting](http://www.scripting)

1465

01:05:31,820 --> 01:05:28,600

zoomtv the comments contacts and extra

1466

01:05:31,830 --> 01:05:42,710

skin T so

1467

01:05:42,720 --> 01:05:45,560

Oh
