

www.skepticzone.tv

1
00:00:03,429 --> 00:00:02,070
quite a regular visit to brian's website

2
00:00:04,550 --> 00:00:03,439
and i agree with most of the things that

3
00:00:06,789 --> 00:00:04,560
he says on there things like all these

4
00:00:08,549 --> 00:00:06,799
weird detoxification remedies and

5
00:00:11,190 --> 00:00:08,559
methods those kind of things

6
00:00:12,230 --> 00:00:11,200
you know i i don't agree with the tool

7
00:00:14,629 --> 00:00:12,240
so

8
00:00:18,310 --> 00:00:14,639
dale you sell detoxification products on

9
00:00:22,230 --> 00:00:20,710
not that i know of

10
00:00:24,310 --> 00:00:22,240
now we'll have to um

11
00:00:25,269 --> 00:00:24,320
you say no we'll check it out

12
00:00:32,549 --> 00:00:25,279
while you're

13
00:00:46,790 --> 00:00:35,190

welcome to the skeptic zone the podcast

14

00:00:53,510 --> 00:00:49,110

hello and welcome to the skeptic zone

15

00:00:55,830 --> 00:00:53,520

show number 98 98 for the 3rd of

16

00:00:57,510 --> 00:00:55,840

september 2010 richard saunders here in

17

00:00:58,869 --> 00:00:57,520

atlanta georgia

18

00:01:00,549 --> 00:00:58,879

and that little clip you heard just

19

00:01:02,869 --> 00:01:00,559

before the introduction was actually

20

00:01:05,350 --> 00:01:02,879

from the bbc and it was a particularly

21

00:01:08,390 --> 00:01:05,360

sweet moment for skeptics where brian

22

00:01:10,550 --> 00:01:08,400

dunning pwned his opponent so to speak

23

00:01:13,910 --> 00:01:10,560

brian is with me right now

24

00:01:15,350 --> 00:01:13,920

i am oh and i have i have i was going to

25

00:01:17,830 --> 00:01:15,360

say shrimp but i realized that it's

26

00:01:19,590 --> 00:01:17,840

actually prawns in my hand

27

00:01:22,310 --> 00:01:19,600

tell me about that moment brian with the

28

00:01:24,310 --> 00:01:22,320

wonderful pause we just heard

29

00:01:26,230 --> 00:01:24,320

um okay well uh

30

00:01:29,190 --> 00:01:26,240

as you heard i was on the i was on the

31

00:01:31,510 --> 00:01:29,200

radio with this guy um who is a

32

00:01:34,149 --> 00:01:31,520

natural health expert

33

00:01:35,350 --> 00:01:34,159

and he he had apparently read my website

34

00:01:37,630 --> 00:01:35,360

to see what he was going to be up

35

00:01:39,670 --> 00:01:37,640

against and he read my episode about

36

00:01:41,429 --> 00:01:39,680

detoxification products

37

00:01:43,030 --> 00:01:41,439

so he thought he'd kind of take the wind

38

00:01:44,469 --> 00:01:43,040

out of my sails by getting in ahead of

39

00:01:46,270 --> 00:01:44,479

me and

40

00:01:48,950 --> 00:01:46,280

acting like he's like the big

41

00:01:50,710 --> 00:01:48,960

anti-detoxification guy like he's all

42

00:01:52,069 --> 00:01:50,720

opposed to fraudulent products and

43

00:01:54,149 --> 00:01:52,079

everything leaving me there for with

44

00:01:56,149 --> 00:01:54,159

nothing to say so he when he finishes

45

00:01:58,550 --> 00:01:56,159

this lecture

46

00:02:00,870 --> 00:01:58,560

i said but you have detoxification

47

00:02:02,709 --> 00:02:00,880

products on your website

48

00:02:04,550 --> 00:02:02,719

and then you heard the pause

49

00:02:07,030 --> 00:02:04,560

and that pause was so brilliant because

50

00:02:12,949 --> 00:02:07,040

as each second ticked by i was just

51
00:02:16,550 --> 00:02:14,710
it was sweet it was good to hear it

52
00:02:18,150 --> 00:02:16,560
really couldn't have been any better so

53
00:02:20,470 --> 00:02:18,160
here we are at dragon con it's very

54
00:02:22,630 --> 00:02:20,480
exciting it's carrie island hi carrie

55
00:02:24,550 --> 00:02:22,640
hey richard it's good to see you again

56
00:02:26,229 --> 00:02:24,560
this is uh we've known each other two

57
00:02:28,550 --> 00:02:26,239
years now because we met at dragoncon

58
00:02:30,470 --> 00:02:28,560
two years ago indeed fantastic to see

59
00:02:31,910 --> 00:02:30,480
you and uh dr he's in the background all

60
00:02:34,630 --> 00:02:31,920
sorts of people

61
00:02:36,390 --> 00:02:34,640
we're in for a huge four days i think

62
00:02:37,750 --> 00:02:36,400
coming up on this episode of the skeptic

63
00:02:39,350 --> 00:02:37,760

zone we have an interview with the

64

00:02:42,710 --> 00:02:39,360

people behind the

65

00:02:45,270 --> 00:02:42,720

hebrew the israeli skeptical podcast and

66

00:02:47,830 --> 00:02:45,280

iran segev will uh be conducting that

67

00:02:50,869 --> 00:02:47,840

that's followed by nurse joe john benamu

68

00:02:52,790 --> 00:02:50,879

who visited a new age sort of health

69

00:02:54,869 --> 00:02:52,800

expo in sydney

70

00:02:57,430 --> 00:02:54,879

and after that we have a little report i

71

00:02:59,670 --> 00:02:57,440

did at uh skeptics in the pub brian

72

00:03:02,550 --> 00:02:59,680

skeptics in the pub the other night

73

00:03:04,710 --> 00:03:02,560

here um in the states at uh oh yes that

74

00:03:07,830 --> 00:03:04,720

was uh in corona del mar at uh the beach

75

00:03:10,149 --> 00:03:07,840

comer cafe in uh crystal cove that was a

76
00:03:11,589 --> 00:03:10,159
fantastic night and to wrap up the show

77
00:03:13,910 --> 00:03:11,599
we've just got a little bit of a grab

78
00:03:15,750 --> 00:03:13,920
bag of some interviews and clips from

79
00:03:17,110 --> 00:03:15,760
the first little while here at dragon

80
00:03:19,270 --> 00:03:17,120
con coming up in the next couple of

81
00:03:22,229 --> 00:03:19,280
weeks leading up to our big two-year

82
00:03:24,550 --> 00:03:22,239
anniversary show 100 more from dragon

83
00:03:32,070 --> 00:03:24,560
con but for now let's get into this

84
00:03:36,949 --> 00:03:35,030
here with iron assa and leo levi uh

85
00:03:39,750 --> 00:03:36,959
they're both israeli skeptics and

86
00:03:41,670 --> 00:03:39,760
members of the team of the uh podcast

87
00:03:43,190 --> 00:03:41,680
suffix sevier which means

88
00:03:46,789 --> 00:03:43,200

reasonable doubt and it's a little bit

89

00:03:48,710 --> 00:03:46,799

of a word play in hebrew because

90

00:03:50,550 --> 00:03:48,720

in hebrew doubt and skepticism are the

91

00:03:53,509 --> 00:03:50,560

same word

92

00:03:54,710 --> 00:03:53,519

welcome to america how are you enjoying

93

00:03:56,550 --> 00:03:54,720

time

94

00:03:57,270 --> 00:03:56,560

excellent it's quite overwhelming i must

95

00:04:00,309 --> 00:03:57,280

say

96

00:04:02,630 --> 00:04:00,319

and meeting everyone meeting you and

97

00:04:05,110 --> 00:04:02,640

just enjoying the everything

98

00:04:06,309 --> 00:04:05,120

from the lectures and up to the skeptics

99

00:04:07,270 --> 00:04:06,319

roaming the

100

00:04:08,949 --> 00:04:07,280

balls

101

00:04:12,070 --> 00:04:08,959

it's wonderful

102

00:04:13,750 --> 00:04:12,080

now you've been leo you too yeah it's

103

00:04:15,110 --> 00:04:13,760

new for me everything i just want to

104

00:04:17,030 --> 00:04:15,120

point out you know you are on the

105

00:04:18,310 --> 00:04:17,040

podcast so you know nodding doesn't

106

00:04:22,469 --> 00:04:18,320

register

107

00:04:25,270 --> 00:04:22,479

you might want to actually say something

108

00:04:25,280 --> 00:04:31,670

we don't have a

109

00:04:36,310 --> 00:04:33,990

it's nice here i really like it it's my

110

00:04:38,790 --> 00:04:36,320

first time in u.s and my first time in

111

00:04:40,550 --> 00:04:38,800

town it's amazing it's really amazing

112

00:04:42,230 --> 00:04:40,560

meeting

113

00:04:44,870 --> 00:04:42,240

yeah it's amusing that we had to come to

114

00:04:46,950 --> 00:04:44,880

the united states to uh be on an

115

00:04:48,870 --> 00:04:46,960

australian podcast

116

00:04:50,550 --> 00:04:48,880

with an israeli yeah

117

00:04:51,749 --> 00:04:50,560

so i i want to tell you a little bit

118

00:04:53,189 --> 00:04:51,759

about what's happening with israeli

119

00:04:55,189 --> 00:04:53,199

skepticism probably just a little bit of

120

00:04:56,790 --> 00:04:55,199

a preface i've been looking for israeli

121

00:04:59,590 --> 00:04:56,800

skeptics for a while

122

00:05:01,110 --> 00:04:59,600

uh five years ago i visited israel and i

123

00:05:03,189 --> 00:05:01,120

was looking for skeptics and there was

124

00:05:05,510 --> 00:05:03,199

no they went on to be around in fact

125

00:05:07,350 --> 00:05:05,520

november of last year only eight months

126

00:05:08,710 --> 00:05:07,360

ago i was in israel and there was

127

00:05:10,550 --> 00:05:08,720

nothing there was literally no israeli

128

00:05:11,909 --> 00:05:10,560

skeptics to be found

129

00:05:13,189 --> 00:05:11,919

and all of a sudden there's quite a lot

130

00:05:14,390 --> 00:05:13,199

happening can you tell me a little bit

131

00:05:16,469 --> 00:05:14,400

about what's what's going on in israel

132

00:05:19,590 --> 00:05:16,479

the moment with yeah in regard to that

133

00:05:21,270 --> 00:05:19,600

it's just like in science a couple of uh

134

00:05:22,950 --> 00:05:21,280

people or scientists

135

00:05:24,790 --> 00:05:22,960

came to the same conclusions all the

136

00:05:27,670 --> 00:05:24,800

same ideas and developed the same

137

00:05:30,230 --> 00:05:27,680

theories all around the world so uh we

138

00:05:31,909 --> 00:05:30,240

had a kind of a micro cosmos of that in

139

00:05:34,550 --> 00:05:31,919

skepticism in israel

140

00:05:37,110 --> 00:05:34,560

all of a sudden actually in the past six

141

00:05:39,909 --> 00:05:37,120

months i think or maybe eight months

142

00:05:41,670 --> 00:05:39,919

a couple of local groups came together

143

00:05:44,469 --> 00:05:41,680

and thought we need to do something

144

00:05:46,629 --> 00:05:44,479

skeptically in the great tradition of

145

00:05:49,909 --> 00:05:46,639

australian skeptics and the skeptics guy

146

00:05:52,390 --> 00:05:49,919

to the universe and the j-wrath and such

147

00:05:55,909 --> 00:05:52,400

so around the same time there were our

148

00:05:57,909 --> 00:05:55,919

podcast just just came into being

149

00:06:01,350 --> 00:05:57,919

after a long time of listening to other

150

00:06:03,029 --> 00:06:01,360

skeptical podcasts spinoza which is a

151
00:06:05,830 --> 00:06:03,039
the hebrew

152
00:06:07,350 --> 00:06:05,840
skeptics organization or society i guess

153
00:06:08,469 --> 00:06:07,360
you can say

154
00:06:09,749 --> 00:06:08,479
and

155
00:06:12,950 --> 00:06:09,759
other

156
00:06:15,510 --> 00:06:12,960
mini podcast organization and

157
00:06:18,230 --> 00:06:15,520
many podcast groups that came to be

158
00:06:21,110 --> 00:06:18,240
organized and the entire movement

159
00:06:22,230 --> 00:06:21,120
of science teaching science in a web

160
00:06:23,590 --> 00:06:22,240
tour

161
00:06:26,469 --> 00:06:23,600
fashion either

162
00:06:29,189 --> 00:06:26,479
via blogs or podcasts and such all in

163
00:06:31,189 --> 00:06:29,199

the past eight months completely

164

00:06:33,590 --> 00:06:31,199

unrelated and

165

00:06:34,870 --> 00:06:33,600

that's amazing also we have skeptics in

166

00:06:37,430 --> 00:06:34,880

the pub

167

00:06:40,230 --> 00:06:37,440

it starts explain that skeptic okay it

168

00:06:43,990 --> 00:06:40,240

started as a haifa

169

00:06:49,430 --> 00:06:46,469

she's the one that they organize it

170

00:06:52,390 --> 00:06:49,440

and she started it in haifa and then she

171

00:06:54,469 --> 00:06:52,400

heard about us and and she called to us

172

00:06:55,350 --> 00:06:54,479

and said maybe you rent something tel

173

00:06:57,270 --> 00:06:55,360

aviv

174

00:07:00,309 --> 00:06:57,280

and we done it

175

00:07:01,670 --> 00:07:00,319

and we have only one till now in tel

176

00:07:04,309 --> 00:07:01,680

aviv and how many people did you have

177

00:07:06,629 --> 00:07:04,319

there 70 people 70 people for the first

178

00:07:08,710 --> 00:07:06,639

time the first time no it's high five

179

00:07:09,670 --> 00:07:08,720

the first uh skeptics on the path there

180

00:07:11,830 --> 00:07:09,680

were

181

00:07:13,670 --> 00:07:11,840

around 100 i think yes

182

00:07:16,309 --> 00:07:13,680

because of the novelty yeah of the

183

00:07:18,790 --> 00:07:16,319

novelty of everything and such and then

184

00:07:20,710 --> 00:07:18,800

the next meeting had fewer people and

185

00:07:23,670 --> 00:07:20,720

something around 50 and then the tel

186

00:07:26,070 --> 00:07:23,680

aviv had seven seventeen so i think it's

187

00:07:28,230 --> 00:07:26,080

a it's good seventeenth the first time

188

00:07:29,749 --> 00:07:28,240

oh absolutely absolutely and there's

189

00:07:31,430 --> 00:07:29,759

what kind of what modes of the

190

00:07:32,870 --> 00:07:31,440

communications they use i mean how do

191

00:07:34,950 --> 00:07:32,880

you spread the word for example about

192

00:07:36,150 --> 00:07:34,960

the podcast or about skeptics in the pub

193

00:07:39,430 --> 00:07:36,160

that's

194

00:07:40,550 --> 00:07:39,440

we

195

00:07:42,230 --> 00:07:40,560

don't have

196

00:07:43,510 --> 00:07:42,240

any of the traditional means or

197

00:07:45,350 --> 00:07:43,520

structures

198

00:07:47,749 --> 00:07:45,360

to spread our words so

199

00:07:49,830 --> 00:07:47,759

with the small community and the same

200

00:07:52,390 --> 00:07:49,840

people who listen to the same

201
00:07:55,189 --> 00:07:52,400
podcast from overseas and read the same

202
00:07:56,710 --> 00:07:55,199
sign science news and among ourselves

203
00:07:58,710 --> 00:07:56,720
and the same people in twitter and

204
00:08:00,790 --> 00:07:58,720
facebook and

205
00:08:03,270 --> 00:08:00,800
we have our own site for the podcast and

206
00:08:05,670 --> 00:08:03,280
spinoza has its own site but

207
00:08:09,029 --> 00:08:05,680
basically it's the same circle of same i

208
00:08:11,270 --> 00:08:09,039
don't know 300 people maybe 400 people

209
00:08:14,070 --> 00:08:11,280
which listen to themselves speak and

210
00:08:15,909 --> 00:08:14,080
talk and discuss among themselves and we

211
00:08:18,469 --> 00:08:15,919
really struggle to

212
00:08:20,550 --> 00:08:18,479
spread the word outside of that circle

213
00:08:23,029 --> 00:08:20,560

and with the skeptics in the pub in tel

214

00:08:25,990 --> 00:08:23,039

aviv we tried to do that we printed huge

215

00:08:29,510 --> 00:08:26,000

posters and then

216

00:08:31,990 --> 00:08:29,520

posted them in universities uh in berlin

217

00:08:34,070 --> 00:08:32,000

university and tel aviv university and

218

00:08:36,230 --> 00:08:34,080

we even have the and

219

00:08:38,070 --> 00:08:36,240

a plug-in at the local

220

00:08:40,230 --> 00:08:38,080

radio station

221

00:08:42,469 --> 00:08:40,240

but it's hard we don't have any of the

222

00:08:45,829 --> 00:08:42,479

traditional uh structures to get our

223

00:08:48,310 --> 00:08:45,839

word out just the weapon pointed

224

00:08:49,430 --> 00:08:48,320

that exploded i i believe that there is

225

00:08:51,910 --> 00:08:49,440

a lot of

226

00:08:54,790 --> 00:08:51,920

skeptics in israel but they don't know

227

00:08:56,790 --> 00:08:54,800

that they are skeptics they don't know

228

00:08:59,509 --> 00:08:56,800

how to express themselves

229

00:09:02,389 --> 00:08:59,519

they know that they don't believe in all

230

00:09:05,430 --> 00:09:02,399

the holy land and everything like me i

231

00:09:07,269 --> 00:09:05,440

grew up in a very um

232

00:09:09,030 --> 00:09:07,279

in a very religion

233

00:09:10,710 --> 00:09:09,040

environment

234

00:09:12,949 --> 00:09:10,720

but i don't really believe all the

235

00:09:15,269 --> 00:09:12,959

things that someone told me

236

00:09:18,310 --> 00:09:15,279

and i didn't know i'm a skeptic you know

237

00:09:20,550 --> 00:09:18,320

i just ask questions i just say why i

238

00:09:23,750 --> 00:09:20,560

just said oh no i'm going to learn so i

239

00:09:26,550 --> 00:09:23,760

go to study a biology because it's

240

00:09:29,350 --> 00:09:26,560

really interesting me what

241

00:09:33,829 --> 00:09:29,360

the answers of some questions

242

00:09:40,150 --> 00:09:37,350

label yourself label myself as a skeptic

243

00:09:42,150 --> 00:09:40,160

when i met iran

244

00:09:43,190 --> 00:09:42,160

one and a half hour ago

245

00:09:45,590 --> 00:09:43,200

so

246

00:09:45,600 --> 00:09:50,310

we met in the hole again

247

00:09:54,070 --> 00:09:52,949

when i met your own one and a half year

248

00:09:57,190 --> 00:09:54,080

ago

249

00:09:57,910 --> 00:09:57,200

so suddenly there is a word for what am

250

00:10:10,070 --> 00:09:57,920

i

251
00:10:13,190 --> 00:10:16,080

posters we

252
00:10:16,230 --> 00:10:13,200

we published and and other things

253
00:10:18,230 --> 00:10:16,240

to get to the people not at the first

254
00:10:20,790 --> 00:10:18,240

circle you know the second circle and

255
00:10:23,910 --> 00:10:20,800

the third third circle maybe

256
00:10:26,310 --> 00:10:23,920

and i believe in one two three years

257
00:10:27,190 --> 00:10:26,320

the skeptic group will be bigger and

258
00:10:29,670 --> 00:10:27,200

bigger

259
00:10:31,910 --> 00:10:29,680

now one of the things that we use a lot

260
00:10:33,350 --> 00:10:31,920

is twitter twitter facebook meetup are

261
00:10:34,949 --> 00:10:33,360

basically the three

262
00:10:38,150 --> 00:10:34,959

main modes of communications how big are

263
00:10:40,389 --> 00:10:38,160

those in in israel well that's uh that's

264

00:10:43,350 --> 00:10:40,399

interesting because what happens with

265

00:10:44,949 --> 00:10:43,360

the skeptical group is actually

266

00:10:47,829 --> 00:10:44,959

very similar to what happens with the

267

00:10:50,389 --> 00:10:47,839

technological groups in israel

268

00:10:53,190 --> 00:10:50,399

the twitter feed in israel is pretty

269

00:10:55,509 --> 00:10:53,200

much the same 2 000 people

270

00:10:57,190 --> 00:10:55,519

discussing among themselves and tweeting

271

00:10:59,030 --> 00:10:57,200

among themselves and it's great it's

272

00:11:00,470 --> 00:10:59,040

great and they're great people and i

273

00:11:03,269 --> 00:11:00,480

love them but

274

00:11:06,069 --> 00:11:03,279

even that circle is limited there's sort

275

00:11:07,670 --> 00:11:06,079

of a glass ceiling that um

276

00:11:10,230 --> 00:11:07,680

it doesn't go through

277

00:11:12,550 --> 00:11:10,240

facebook is different with facebook

278

00:11:14,230 --> 00:11:12,560

the world does travel to our friends and

279

00:11:17,269 --> 00:11:14,240

our friends friends and their families

280

00:11:18,230 --> 00:11:17,279

and so forth and so even that is limited

281

00:11:20,470 --> 00:11:18,240

because

282

00:11:23,030 --> 00:11:20,480

it's very young in israel

283

00:11:23,990 --> 00:11:23,040

everything about twitter and facebook

284

00:11:29,990 --> 00:11:24,000

and

285

00:11:31,590 --> 00:11:30,000

very young is it because of the language

286

00:11:33,430 --> 00:11:31,600

or i mean surely there's no

287

00:11:34,870 --> 00:11:33,440

technological barrier israel is very

288

00:11:36,790 --> 00:11:34,880

advanced technologically so what is it

289

00:11:38,310 --> 00:11:36,800

because of the language because support

290

00:11:39,990 --> 00:11:38,320

for hebrew in these platforms is just

291

00:11:43,509 --> 00:11:40,000

not good enough actually

292

00:11:45,590 --> 00:11:43,519

i wish it was that simple but no i i i

293

00:11:53,269 --> 00:11:45,600

can't explain it i think it's more of

294

00:11:59,829 --> 00:11:56,790

age group and my age group

295

00:12:02,069 --> 00:11:59,839

i will not tell you how old am i

296

00:12:04,790 --> 00:12:02,079

okay by my age group it's not something

297

00:12:07,509 --> 00:12:04,800

18 to 22 yeah yeah yeah

298

00:12:11,430 --> 00:12:07,519

20 and 22 years

299

00:12:14,790 --> 00:12:11,440

experience okay so we don't we prefer to

300

00:12:16,870 --> 00:12:14,800

go out to drink a beer we we when i met

301

00:12:19,430 --> 00:12:16,880

your only all day like this in the

302

00:12:21,670 --> 00:12:19,440

computer all the day when you do it

303

00:12:22,790 --> 00:12:21,680

when you say like this you know yeah we

304

00:12:35,350 --> 00:12:22,800

have to

305

00:12:39,030 --> 00:12:37,990

i think it's the culture more

306

00:12:41,430 --> 00:12:39,040

than the

307

00:12:44,069 --> 00:12:41,440

the language language is not the problem

308

00:12:46,150 --> 00:12:44,079

because a lot of people in israel speak

309

00:12:48,629 --> 00:12:46,160

english talking a

310

00:12:50,829 --> 00:12:48,639

read english it's not really a problem

311

00:12:54,150 --> 00:12:50,839

we learn english at

312

00:12:55,190 --> 00:12:54,160

school so what are the plans for i mean

313

00:12:56,710 --> 00:12:55,200

okay so

314

00:12:59,190 --> 00:12:56,720

obviously it's all very new and there's

315

00:13:01,110 --> 00:12:59,200

the things take time and um what are

316

00:13:02,870 --> 00:13:01,120

your plans for the near future what do

317

00:13:04,790 --> 00:13:02,880

you what would you like to see

318

00:13:08,150 --> 00:13:04,800

for skeptics in israel in the in the

319

00:13:09,509 --> 00:13:08,160

next few months well uh actually uh leo

320

00:13:12,389 --> 00:13:09,519

is more of the person to speak of it

321

00:13:13,910 --> 00:13:12,399

because i have a very limited tunnel

322

00:13:14,949 --> 00:13:13,920

vision you know

323

00:13:19,430 --> 00:13:14,959

me and

324

00:13:21,350 --> 00:13:19,440

went out to eat hummus and we said oh

325

00:13:23,590 --> 00:13:21,360

the sjo is so cool we have to have

326

00:13:25,750 --> 00:13:23,600

something like that and we did and

327

00:13:28,069 --> 00:13:25,760

that's what i focus on and i can't think

328

00:13:30,069 --> 00:13:28,079

of anything else while i do it uh

329

00:13:33,590 --> 00:13:30,079

skeptics in the pub i couldn't think of

330

00:13:36,949 --> 00:13:33,600

it leo and shannon did everything and so

331

00:13:39,190 --> 00:13:36,959

but we all had some uh great ideas uh

332

00:13:41,269 --> 00:13:39,200

and first and

333

00:13:43,670 --> 00:13:41,279

as part of the podcast to go and

334

00:13:45,110 --> 00:13:43,680

perform some uh inquiries and

335

00:13:47,590 --> 00:13:45,120

investigations

336

00:13:49,750 --> 00:13:47,600

like what you guys did

337

00:13:52,389 --> 00:13:49,760

with the bracelets the power balance

338

00:13:55,910 --> 00:13:52,399

basis yeah yeah that that was very

339

00:13:58,389 --> 00:13:55,920

inspirational because it was uh

340

00:14:01,030 --> 00:13:58,399

very easy to do i mean

341

00:14:02,710 --> 00:14:01,040

yeah yeah you can see me doing air quote

342

00:14:04,150 --> 00:14:02,720

but it's accessible it's something we

343

00:14:06,310 --> 00:14:04,160

can do and

344

00:14:08,150 --> 00:14:06,320

and going over to a pharmacy and talking

345

00:14:10,470 --> 00:14:08,160

about homeostasis

346

00:14:12,389 --> 00:14:10,480

homeopathy or going over to a reiki

347

00:14:15,189 --> 00:14:12,399

twitter twitter

348

00:14:17,750 --> 00:14:15,199

i say if we would we like to speak about

349

00:14:20,550 --> 00:14:17,760

reiki for example and say reiki is not

350

00:14:23,269 --> 00:14:20,560

working okay so one of us will go and

351
00:14:26,150 --> 00:14:23,279
speak with reiki men and one of us will

352
00:14:28,470 --> 00:14:26,160
go and get a treatment and one of us

353
00:14:34,150 --> 00:14:28,480
will go and

354
00:14:38,470 --> 00:14:37,110
sources and and so on and when we came

355
00:14:40,310 --> 00:14:38,480
and make a

356
00:15:07,590 --> 00:14:40,320
a

357
00:15:09,430 --> 00:15:07,600
works

358
00:15:11,750 --> 00:15:09,440
and anecdotal evidence that something

359
00:15:14,069 --> 00:15:11,760
doesn't work are equally valuable yeah

360
00:15:16,069 --> 00:15:14,079
which is not valuable okay they

361
00:15:18,069 --> 00:15:16,079
basically so i think what you might want

362
00:15:19,750 --> 00:15:18,079
to do if you're going to investigate

363
00:15:20,949 --> 00:15:19,760

things is actually investigate

364

00:15:23,189 --> 00:15:20,959

scientifically

365

00:15:25,670 --> 00:15:23,199

to a limited extent in a similar sense

366

00:15:27,430 --> 00:15:25,680

perhaps to what the mythbusters do where

367

00:15:28,710 --> 00:15:27,440

they don't actually go through a whole

368

00:15:31,189 --> 00:15:28,720

scientific

369

00:15:35,269 --> 00:15:31,199

you know investigation vigorous rigorous

370

00:15:40,470 --> 00:15:35,279

but you do want to for example do a you

371

00:15:42,550 --> 00:15:40,480

can do quite easily a double blind test

372

00:15:44,790 --> 00:15:42,560

that's not difficult at all yeah to do

373

00:15:46,389 --> 00:15:44,800

um and even for something like reiki

374

00:15:48,550 --> 00:15:46,399

there's things where it's difficult yeah

375

00:15:50,790 --> 00:15:48,560

for example with um

376
00:15:52,629 --> 00:15:50,800
with acupuncture doing a double-blind

377
00:15:53,509 --> 00:15:52,639
test requires some special techniques

378
00:15:56,550 --> 00:15:53,519
yeah

379
00:15:58,870 --> 00:15:56,560
with with with with reiki that's not a

380
00:16:01,269 --> 00:15:58,880
problem it's very easy to do so don't

381
00:16:02,550 --> 00:16:01,279
don't try not to rely on anecdotes and

382
00:16:04,629 --> 00:16:02,560
on your personal

383
00:16:06,790 --> 00:16:04,639
opinions and feelings and

384
00:16:08,790 --> 00:16:06,800
and double-blinded tests

385
00:16:12,230 --> 00:16:08,800
i think it uh

386
00:16:13,829 --> 00:16:12,240
solves 90 of perception issues

387
00:16:15,509 --> 00:16:13,839
immediately yes

388
00:16:22,470 --> 00:16:15,519

so

389

00:16:25,189 --> 00:16:24,150

publish ourselves

390

00:16:34,389 --> 00:16:25,199

in

391

00:16:36,790 --> 00:16:34,399

that is skeptic and you will help us

392

00:16:38,870 --> 00:16:36,800

so we will put a banner in a

393

00:16:41,910 --> 00:16:38,880

in a student's size or something like

394

00:16:43,990 --> 00:16:41,920

this it's a it's it's a hard work but if

395

00:16:45,350 --> 00:16:44,000

we will um

396

00:16:46,629 --> 00:16:45,360

go away

397

00:16:48,870 --> 00:16:46,639

i don't know how to say it in english

398

00:16:51,990 --> 00:16:48,880

but in hebrew there is very beautiful

399

00:16:56,550 --> 00:16:54,470

step by step step by step but yes if we

400

00:16:58,230 --> 00:16:56,560

will do it step by step and we will say

401
00:17:02,550 --> 00:16:58,240
we can do it

402
00:17:04,789 --> 00:17:02,560
we have to take this explosion that

403
00:17:07,669 --> 00:17:04,799
happened in the past few months and

404
00:17:08,949 --> 00:17:07,679
translate it into hard work with real

405
00:17:11,590 --> 00:17:08,959
people

406
00:17:12,789 --> 00:17:11,600
from small organizations that can do

407
00:17:15,429 --> 00:17:12,799
real work

408
00:17:16,710 --> 00:17:15,439
and for it to develop a real community

409
00:17:18,870 --> 00:17:16,720
not just

410
00:17:22,150 --> 00:17:18,880
skeptics in the part that come and

411
00:17:23,990 --> 00:17:22,160
go but a real community with

412
00:17:30,150 --> 00:17:24,000
real

413
00:17:32,789 --> 00:17:30,160

so that's that and as after that

414

00:17:34,950 --> 00:17:32,799

layer will be in place uh we're very

415

00:17:36,070 --> 00:17:34,960

excited about them perhaps bringing them

416

00:17:38,230 --> 00:17:36,080

to israel

417

00:17:40,870 --> 00:17:38,240

did you speak to randy about it yeah

418

00:17:47,270 --> 00:17:43,669

randy yeah we also interview randy yeah

419

00:17:50,390 --> 00:17:47,280

and we get yeah they

420

00:17:52,150 --> 00:17:50,400

think it's a beautiful it's yeah um but

421

00:17:53,430 --> 00:17:52,160

yeah you obviously you have to you know

422

00:17:55,029 --> 00:17:53,440

what the risks are and what the kind of

423

00:17:56,150 --> 00:17:55,039

things that we talked about that already

424

00:17:58,470 --> 00:17:56,160

about the kind of things that you need

425

00:18:00,549 --> 00:17:58,480

to make sure they're in place the

426
00:18:01,510 --> 00:18:00,559
building of a community needs to come

427
00:18:04,150 --> 00:18:01,520
first

428
00:18:06,070 --> 00:18:04,160
now with regards to um to skeptics in

429
00:18:08,150 --> 00:18:06,080
the pub what kind of things do you hope

430
00:18:09,590 --> 00:18:08,160
to do in order to grow that kind of

431
00:18:12,789 --> 00:18:09,600
activity

432
00:18:19,190 --> 00:18:16,390
get people more involved like

433
00:18:19,990 --> 00:18:19,200
get them to give them perhaps lectures

434
00:18:25,430 --> 00:18:20,000
and

435
00:18:27,510 --> 00:18:25,440
how we can develop a discourse i mean

436
00:18:29,510 --> 00:18:27,520
it's one thing to say okay that's the

437
00:18:32,390 --> 00:18:29,520
plan and you can come to this evening

438
00:18:34,310 --> 00:18:32,400

and listen to abc and another thing is

439

00:18:35,430 --> 00:18:34,320

to um

440

00:18:37,350 --> 00:18:35,440

start this

441

00:18:39,990 --> 00:18:37,360

discussion and say what would you like

442

00:18:42,789 --> 00:18:40,000

to see and everyone can offer something

443

00:18:45,669 --> 00:18:42,799

from them from themselves bring new

444

00:18:46,950 --> 00:18:45,679

ideas bring their friends and then maybe

445

00:18:49,430 --> 00:18:46,960

go into

446

00:18:50,710 --> 00:18:49,440

and we started to talk with the weizmann

447

00:18:52,870 --> 00:18:50,720

institute in

448

00:18:54,830 --> 00:18:52,880

hobart it's kind of a parallel to a

449

00:18:57,190 --> 00:18:54,840

university that

450

00:18:59,430 --> 00:18:57,200

perhaps get them

451
00:19:02,390 --> 00:18:59,440
into a partnership they have an outreach

452
00:19:04,710 --> 00:19:02,400
program for a science to the public so

453
00:19:05,750 --> 00:19:04,720
perhaps uh get them involved and things

454
00:19:08,230 --> 00:19:05,760
like that

455
00:19:11,029 --> 00:19:08,240
uh yeah that's okay that's basically and

456
00:19:12,950 --> 00:19:11,039
if people want to uh find out more about

457
00:19:14,870 --> 00:19:12,960
israeli skeptics in general and about

458
00:19:17,190 --> 00:19:14,880
ceo podcast in particular can you tell

459
00:19:19,830 --> 00:19:17,200
us where they could go yeah of course

460
00:19:19,840 --> 00:19:24,710
we're at www.suffexsevere.com

461
00:19:31,029 --> 00:19:27,590
but it's best that you just say uh just

462
00:19:33,909 --> 00:19:31,039
write www dot

463
00:19:37,270 --> 00:19:33,919

which is s a f e k

464

00:19:39,590 --> 00:19:37,280

dot c o dot i l and you'll get to us

465

00:19:41,510 --> 00:19:39,600

but the site is in hebrew perhaps we

466

00:19:44,070 --> 00:19:41,520

should start uh i think you could i

467

00:19:45,990 --> 00:19:44,080

think you can assume you can assume

468

00:19:47,510 --> 00:19:46,000

that uh the people listening to this and

469

00:19:49,669 --> 00:19:47,520

actually going to your side yeah yeah

470

00:19:52,150 --> 00:19:49,679

yeah no the rights affect severe anymore

471

00:19:54,950 --> 00:19:52,160

yeah yeah so in for israeli skeptics and

472

00:19:56,310 --> 00:19:54,960

the site is skeptics.org

473

00:19:58,070 --> 00:19:56,320

dot io

474

00:20:00,310 --> 00:19:58,080

okay fantastic and that's the espinoza

475

00:20:03,270 --> 00:20:00,320

website yeah we decided

476

00:20:10,710 --> 00:20:03,280

but both of the sites are in hebrew yeah

477

00:20:14,150 --> 00:20:12,549

it's a very good challenge yes

478

00:20:15,110 --> 00:20:14,160

yeah okay yeah

479

00:20:17,350 --> 00:20:15,120

thank you very much for being here thank

480

00:20:19,270 --> 00:20:17,360

you very much it's been a delight to

481

00:20:20,950 --> 00:20:19,280

meet you and meeting you here i must say

482

00:20:56,070 --> 00:20:20,960

thank you very much nice meeting you as

483

00:20:59,430 --> 00:20:58,070

ultimate health is for everybody so

484

00:21:01,190 --> 00:20:59,440

everybody should come along to the

485

00:21:04,470 --> 00:21:01,200

ultimate health event at home bush this

486

00:21:06,390 --> 00:21:04,480

weekend exciting yet relaxed creative

487

00:21:08,470 --> 00:21:06,400

yet connected at the ultimate health

488

00:21:10,710 --> 00:21:08,480

event you'll be inspired to transform

489

00:21:12,310 --> 00:21:10,720

your life choose from over 30 seminars

490

00:21:14,310 --> 00:21:12,320

or workshops check out the latest

491

00:21:16,149 --> 00:21:14,320

natural products talk to renowned health

492

00:21:18,390 --> 00:21:16,159

and wellbeing experts who can help you

493

00:21:20,390 --> 00:21:18,400

achieve the ultimate healthy lifestyle

494

00:21:22,310 --> 00:21:20,400

the ultimate health event sydney show

495

00:21:23,950 --> 00:21:22,320

ground exhibition hall 2 olympic park

496

00:21:25,270 --> 00:21:23,960

homebush visit

497

00:21:31,750 --> 00:21:25,280

ultimatehealthevent.com for more

498

00:21:35,029 --> 00:21:33,270

hi there zoners

499

00:21:37,590 --> 00:21:35,039

i've just returned from the inaugural

500

00:21:38,470 --> 00:21:37,600

ultimate health event which aimed and i

501
00:21:40,230 --> 00:21:38,480

quote

502
00:21:42,470 --> 00:21:40,240

to bring awareness to complementary

503
00:21:44,710 --> 00:21:42,480

therapies as well as ancient wisdom

504
00:21:46,870 --> 00:21:44,720

grammatical error not mine

505
00:21:49,430 --> 00:21:46,880

and boasted almost 70 stalls and two

506
00:21:51,110 --> 00:21:49,440

days of seminars and workshops

507
00:21:53,510 --> 00:21:51,120

the event was held inside a large

508
00:21:55,110 --> 00:21:53,520

exhibition hall at sydney's olympic park

509
00:21:57,029 --> 00:21:55,120

and by the slickness of the website

510
00:22:00,470 --> 00:21:57,039

promoting the event it looked to be a

511
00:22:02,310 --> 00:22:00,480

major attraction on the calendar of wu

512
00:22:04,390 --> 00:22:02,320

what met me on entering the exhibition

513
00:22:05,750 --> 00:22:04,400

hall can only be described as a sad

514

00:22:07,990 --> 00:22:05,760

spectacle

515

00:22:09,909 --> 00:22:08,000

unlike the biannual mind body spirit

516

00:22:11,909 --> 00:22:09,919

festival which i have previously

517

00:22:14,310 --> 00:22:11,919

described as positively abuzz with

518

00:22:16,149 --> 00:22:14,320

festivity and punters jostling for

519

00:22:17,909 --> 00:22:16,159

lotions and potions

520

00:22:20,230 --> 00:22:17,919

the ultimate health event proved to be a

521

00:22:22,230 --> 00:22:20,240

ghost town and with none of the usual

522

00:22:24,310 --> 00:22:22,240

psychics holding court there weren't

523

00:22:27,750 --> 00:22:24,320

even any ghosts to fill the empty spaces

524

00:22:29,270 --> 00:22:27,760

where the punters should have been

525

00:22:31,590 --> 00:22:29,280

i can't deny that i'm developing a

526

00:22:32,950 --> 00:22:31,600

reluctance to attend these festivals

527

00:22:34,950 --> 00:22:32,960

while there is much to be said for

528

00:22:36,630 --> 00:22:34,960

weeding out the more dangerous vendors

529

00:22:38,390 --> 00:22:36,640

with the potential to report them to the

530

00:22:40,070 --> 00:22:38,400

relevant authorities

531

00:22:42,390 --> 00:22:40,080

there is not much satisfaction to be

532

00:22:44,310 --> 00:22:42,400

gained from arguing with true believers

533

00:22:46,789 --> 00:22:44,320

who will only repeat the same arguments

534

00:22:48,710 --> 00:22:46,799

back at you over and over again with no

535

00:22:51,029 --> 00:22:48,720

chance of winning them over with reason

536

00:22:52,830 --> 00:22:51,039

logic and scientific evidence

537

00:22:55,190 --> 00:22:52,840

but sometimes we must give into

538

00:22:58,230 --> 00:22:55,200

temptation and so it was that richard

539

00:23:00,149 --> 00:22:58,240

saunders think tanker james and i found

540

00:23:03,830 --> 00:23:00,159

ourselves wondering the empty isles of

541

00:23:06,230 --> 00:23:03,840

another spectacle of utter nonsense

542

00:23:08,870 --> 00:23:06,240

the lack of crowds made going incognito

543

00:23:10,789 --> 00:23:08,880

somewhat of a challenge stall holders

544

00:23:12,950 --> 00:23:10,799

desperate to apply their wares to anyone

545

00:23:15,830 --> 00:23:12,960

other than their neighbours left out at

546

00:23:18,950 --> 00:23:15,840

us as we walk by offering free massages

547

00:23:20,870 --> 00:23:18,960

health checks and tasty treats

548

00:23:23,990 --> 00:23:20,880

peppered between the array of organic

549

00:23:25,190 --> 00:23:24,000

food organic skin care organic

550

00:23:27,909 --> 00:23:25,200

supplements

551
00:23:30,870 --> 00:23:27,919
and organic pet foods we're offers of

552
00:23:33,830 --> 00:23:30,880
health promotion illness prevention risk

553
00:23:36,630 --> 00:23:33,840
reduction accelerated healing immune

554
00:23:39,270 --> 00:23:36,640
system enhancement immune system support

555
00:23:41,029 --> 00:23:39,280
natural improvement improved metabolism

556
00:23:44,470 --> 00:23:41,039
maximum potential

557
00:23:46,230 --> 00:23:44,480
and so on and so on

558
00:23:47,990 --> 00:23:46,240
i will recount a conversation we had

559
00:23:49,510 --> 00:23:48,000
with a gentleman from the natural health

560
00:23:51,909 --> 00:23:49,520
society

561
00:23:54,070 --> 00:23:51,919
this organization claims to

562
00:23:56,390 --> 00:23:54,080
promote lifestyle for the prevention of

563
00:23:58,630 --> 00:23:56,400

illness and premature aging

564

00:24:00,390 --> 00:23:58,640

and like so many others of its ilk

565

00:24:02,549 --> 00:24:00,400

adopt an anti-science approach which

566

00:24:05,350 --> 00:24:02,559

blames big pharma and big medicine for

567

00:24:07,430 --> 00:24:05,360

society's ills

568

00:24:09,590 --> 00:24:07,440

he introduced us to foot patches which

569

00:24:11,990 --> 00:24:09,600

have been long debunked but which he

570

00:24:14,630 --> 00:24:12,000

claims draw toxins out the body through

571

00:24:16,630 --> 00:24:14,640

your feet while you sleep at night

572

00:24:18,070 --> 00:24:16,640

why the feet you ask

573

00:24:20,870 --> 00:24:18,080

well this is where things like heavy

574

00:24:22,710 --> 00:24:20,880

metals tend to settle down of course

575

00:24:24,230 --> 00:24:22,720

he says that this is what they the

576

00:24:25,830 --> 00:24:24,240

company claim

577

00:24:27,110 --> 00:24:25,840

but it's not something he is able to

578

00:24:28,870 --> 00:24:27,120

test

579

00:24:31,269 --> 00:24:28,880

he seemed uncomfortable when we pressed

580

00:24:32,870 --> 00:24:31,279

him on how he knew they worked to which

581

00:24:35,830 --> 00:24:32,880

he said that the best thing is to go by

582

00:24:37,669 --> 00:24:35,840

what people have said about the results

583

00:24:40,149 --> 00:24:37,679

he agreed that it was reasonable that if

584

00:24:42,870 --> 00:24:40,159

they were to test the patches after use

585

00:24:44,310 --> 00:24:42,880

they should find metals in the pads

586

00:24:46,230 --> 00:24:44,320

but he didn't know where this had been

587

00:24:47,590 --> 00:24:46,240

done since the company that made them

588

00:24:49,510 --> 00:24:47,600

were still getting around to doing the

589

00:24:50,789 --> 00:24:49,520

testing

590

00:24:52,870 --> 00:24:50,799

he said that they weren't used in

591

00:24:55,029 --> 00:24:52,880

hospitals for the same reason that

592

00:24:56,149 --> 00:24:55,039

hospitals don't use the nutrition they

593

00:24:57,990 --> 00:24:56,159

teach

594

00:25:00,070 --> 00:24:58,000

because hospitals don't understand

595

00:25:01,590 --> 00:25:00,080

health

596

00:25:03,750 --> 00:25:01,600

he then claimed that in countries where

597

00:25:04,789 --> 00:25:03,760

doctors went on strike the death rate

598

00:25:06,390 --> 00:25:04,799

fell

599

00:25:07,990 --> 00:25:06,400

but what would people do when they get

600

00:25:09,590 --> 00:25:08,000

sick we asked if they closed all the

601
00:25:11,269 --> 00:25:09,600
hospitals

602
00:25:13,269 --> 00:25:11,279
well the body has a powerful

603
00:25:16,789 --> 00:25:13,279
self-healing capacity which doesn't

604
00:25:18,149 --> 00:25:16,799
depend on drugs to get it to work

605
00:25:20,149 --> 00:25:18,159
as if the conversation couldn't

606
00:25:22,630 --> 00:25:20,159
degenerate any further

607
00:25:24,310 --> 00:25:22,640
we turned a sharp right down the road of

608
00:25:26,549 --> 00:25:24,320
the drug companies are running the

609
00:25:28,870 --> 00:25:26,559
health system they guide the medical

610
00:25:30,470 --> 00:25:28,880
degrees the pharmaceutical companies

611
00:25:31,990 --> 00:25:30,480
have enough money through marketing to

612
00:25:33,190 --> 00:25:32,000
influence every government in the

613
00:25:35,430 --> 00:25:33,200

country

614

00:25:38,470 --> 00:25:35,440

chemotherapy is poison

615

00:25:40,870 --> 00:25:38,480

and so on and so on until his conspiracy

616

00:25:43,350 --> 00:25:40,880

added mind turned my own to a quivering

617

00:25:44,789 --> 00:25:43,360

puddle of mush

618

00:25:47,430 --> 00:25:44,799

what about the companies that sell

619

00:25:49,110 --> 00:25:47,440

vitamins and supplements i asked

620

00:25:50,390 --> 00:25:49,120

don't they have a vested interest in

621

00:25:53,269 --> 00:25:50,400

making money

622

00:25:56,630 --> 00:25:53,279

they're a multi-million dollar industry

623

00:25:58,710 --> 00:25:56,640

oh no he'd have none of that they have a

624

00:26:00,310 --> 00:25:58,720

vested interest in doing the right thing

625

00:26:02,789 --> 00:26:00,320

he said

626

00:26:04,470 --> 00:26:02,799

i could go on but this is almost word

627

00:26:07,269 --> 00:26:04,480

for word what can be found in any

628

00:26:09,669 --> 00:26:07,279

ultimate website chat room seminar

629

00:26:10,710 --> 00:26:09,679

festival or message board any day of the

630

00:26:13,430 --> 00:26:10,720

week

631

00:26:14,950 --> 00:26:13,440

the claims are so preposterous so

632

00:26:17,350 --> 00:26:14,960

lacking in anything resembling

633

00:26:19,269 --> 00:26:17,360

scientific evidence and so entirely

634

00:26:21,269 --> 00:26:19,279

caught up in a frenzy of hysterical

635

00:26:23,110 --> 00:26:21,279

ideological fervor

636

00:26:24,710 --> 00:26:23,120

that there is not much left other than

637

00:26:26,310 --> 00:26:24,720

to hope that some vulnerable member of

638

00:26:28,950 --> 00:26:26,320

the public is not ensnared by the

639

00:26:30,870 --> 00:26:28,960

propaganda

640

00:26:34,149 --> 00:26:30,880

i won't deny that the stall describing

641

00:26:36,149 --> 00:26:34,159

itself as scientific naturopathy made me

642

00:26:38,549 --> 00:26:36,159

want to hurl myself across the room in a

643

00:26:40,950 --> 00:26:38,559

violent manner disturbing chakras and

644

00:26:42,710 --> 00:26:40,960

disrupting quantum theta harmonies as i

645

00:26:44,310 --> 00:26:42,720

went

646

00:26:46,310 --> 00:26:44,320

fortunately

647

00:26:48,950 --> 00:26:46,320

if the number of people attending the

648

00:26:50,950 --> 00:26:48,960

inaugural ultimate health event 2010 is

649

00:26:52,870 --> 00:26:50,960

anything to go by

650

00:27:02,789 --> 00:26:52,880

i won't be losing too much sleep over

651

00:27:06,149 --> 00:27:04,230

alright guys i was talking to richard

652

00:27:08,549 --> 00:27:06,159

sorensen today all right uh he said if

653

00:27:10,549 --> 00:27:08,559

we record a trailer for a podcast

654

00:27:12,070 --> 00:27:10,559

skeptics with a k uh he'd play it on

655

00:27:13,430 --> 00:27:12,080

there on their show that's nice of him

656

00:27:14,710 --> 00:27:13,440

that's very generous it's pretty good

657

00:27:16,549 --> 00:27:14,720

i'm not sure what we could do though i

658

00:27:18,070 --> 00:27:16,559

mean well i suppose you tell people the

659

00:27:20,870 --> 00:27:18,080

show's about but it's basically it's

660

00:27:22,549 --> 00:27:20,880

this yeah like yeah but you know we talk

661

00:27:23,909 --> 00:27:22,559

about science and skepticism and things

662

00:27:25,669 --> 00:27:23,919

that's that's true i suppose you

663

00:27:27,909 --> 00:27:25,679

mentioned the website address mercy side

664

00:27:29,590 --> 00:27:27,919

skeptics.uk yeah yeah i'll just like

665

00:27:31,430 --> 00:27:29,600

search with itunes oh and then we could

666

00:27:35,350 --> 00:27:31,440

end with like a big song like the

667

00:27:41,590 --> 00:27:35,360

skeptics with okay no no no don't don't

668

00:27:44,950 --> 00:27:44,070

well what a wonderful evening it is here

669

00:27:52,310 --> 00:27:44,960

in

670

00:27:55,029 --> 00:27:52,320

gone down about uh oh half an hour ago

671

00:27:57,029 --> 00:27:55,039

and venus is so bright above the ocean

672

00:28:00,230 --> 00:27:57,039

i'm here at skeptics in the pub in the

673

00:28:02,389 --> 00:28:00,240

orange county and a delightful lady has

674

00:28:05,590 --> 00:28:02,399

come along to see us hi hello

675

00:28:07,750 --> 00:28:05,600

and your name is jan rasmussen hi jen

676
00:28:10,710 --> 00:28:07,760
and uh you are a fan of the skeptic zone

677
00:28:12,310 --> 00:28:10,720
sure am been missing maybe two or three

678
00:28:13,830 --> 00:28:12,320
years something like that that's well

679
00:28:16,149 --> 00:28:13,840
ever since we've started then it's about

680
00:28:17,909 --> 00:28:16,159
two years so that's that's great to know

681
00:28:20,149 --> 00:28:17,919
and i'm so glad that you've you've come

682
00:28:23,190 --> 00:28:20,159
along to greet dr he and myself we're of

683
00:28:25,510 --> 00:28:23,200
course um here visiting brian dunning

684
00:28:27,029 --> 00:28:25,520
and i think brian and a few friends have

685
00:28:28,830 --> 00:28:27,039
put this little night together where

686
00:28:32,789 --> 00:28:28,840
what is this place we're at

687
00:28:34,630 --> 00:28:32,799
exactly crystal cove crystal cove yes

688
00:28:36,389 --> 00:28:34,640

it's a state park

689

00:28:38,549 --> 00:28:36,399

and um

690

00:28:40,710 --> 00:28:38,559

this is only my second time here

691

00:28:42,310 --> 00:28:40,720

you can rent cabins here

692

00:28:44,389 --> 00:28:42,320

i don't know if there's camping or not

693

00:28:45,909 --> 00:28:44,399

but uh yeah apparently it's been here

694

00:28:48,230 --> 00:28:45,919

for decades

695

00:28:51,029 --> 00:28:48,240

it's it's what i really love about it is

696

00:28:52,870 --> 00:28:51,039

uh today was a really nice warm hot day

697

00:28:54,310 --> 00:28:52,880

visiting brian and we've come here and

698

00:28:56,470 --> 00:28:54,320

it's cooled off

699

00:28:57,269 --> 00:28:56,480

amazingly and it's so comfortable it's

700

00:28:59,510 --> 00:28:57,279

not

701
00:29:02,470 --> 00:28:59,520
hot and sticky at all it's really

702
00:29:04,710 --> 00:29:02,480
wonderful weather but apart from that

703
00:29:06,710 --> 00:29:04,720
you also enjoy the other podcasts i

704
00:29:09,430 --> 00:29:06,720
understand the other skeptical podcasts

705
00:29:11,430 --> 00:29:09,440
yes uh skeptics guided the universe

706
00:29:13,029 --> 00:29:11,440
point of inquiry

707
00:29:15,750 --> 00:29:13,039
skepticality

708
00:29:16,630 --> 00:29:15,760
and you guys what oh and free fought

709
00:29:17,510 --> 00:29:16,640
three

710
00:29:18,470 --> 00:29:17,520
thought

711
00:29:20,310 --> 00:29:18,480
today

712
00:29:22,230 --> 00:29:20,320
well there are so many now which is

713
00:29:23,269 --> 00:29:22,240

which is a really great thing and

714

00:29:24,950 --> 00:29:23,279

what

715

00:29:26,789 --> 00:29:24,960

from your point of view i mean you

716

00:29:28,789 --> 00:29:26,799

listen to a great range of skeptical uh

717

00:29:31,190 --> 00:29:28,799

podcast is is it the interviews is it

718

00:29:33,190 --> 00:29:31,200

the information is it what do you like

719

00:29:34,870 --> 00:29:33,200

what do you enjoy about them

720

00:29:37,510 --> 00:29:34,880

all the interviews definitely i get i

721

00:29:39,110 --> 00:29:37,520

get learned about what's out there what

722

00:29:40,470 --> 00:29:39,120

maybe some new books that i need to

723

00:29:43,029 --> 00:29:40,480

check out

724

00:29:46,310 --> 00:29:43,039

um people who are doing

725

00:29:51,110 --> 00:29:48,389

things that

726
00:29:53,269 --> 00:29:51,120
that are important that you know are

727
00:29:54,710 --> 00:29:53,279
part of this movement and

728
00:29:55,510 --> 00:29:54,720
it's great to learn about what's going

729
00:29:57,510 --> 00:29:55,520
on

730
00:29:58,870 --> 00:29:57,520
i'm glad you appreciate that because

731
00:30:00,710 --> 00:29:58,880
whenever i

732
00:30:02,310 --> 00:30:00,720
conduct an interview myself for the show

733
00:30:04,470 --> 00:30:02,320
and i i think it's the same for the

734
00:30:05,990 --> 00:30:04,480
other skeptic's own team members we

735
00:30:08,230 --> 00:30:06,000
learn stuff ourselves as we're

736
00:30:09,750 --> 00:30:08,240
interviewing we we're like the audience

737
00:30:11,510 --> 00:30:09,760
in that respect we're learning what

738
00:30:14,070 --> 00:30:11,520

these people wonderful people we

739

00:30:15,110 --> 00:30:14,080

interviewed have to say

740

00:30:17,510 --> 00:30:15,120

yeah

741

00:30:19,750 --> 00:30:17,520

definitely it's it's

742

00:30:20,470 --> 00:30:19,760

it's i it's opened a whole new world for

743

00:30:23,430 --> 00:30:20,480

me

744

00:30:24,950 --> 00:30:23,440

that i never even knew existed so

745

00:30:27,350 --> 00:30:24,960

you know

746

00:30:28,870 --> 00:30:27,360

and it's a great community it is um this

747

00:30:30,630 --> 00:30:28,880

is just my second time the skeptics in

748

00:30:32,789 --> 00:30:30,640

the pub and it's just people are so

749

00:30:35,830 --> 00:30:32,799

friendly and just you know so welcoming

750

00:30:37,510 --> 00:30:35,840

so it's great well again it's so i'm so

751
00:30:39,350 --> 00:30:37,520
pleased that you've come along tonight

752
00:30:41,110 --> 00:30:39,360
and i think we should uh head back up

753
00:30:42,630 --> 00:30:41,120
the beach a little bit and join join the

754
00:30:45,190 --> 00:30:42,640
rest of the crew thank you very much

755
00:30:47,510 --> 00:30:45,200
richard he's great good i do like the

756
00:30:50,389 --> 00:30:47,520
shirt oh i thank you thank you

757
00:30:52,710 --> 00:30:50,399
folks i've been skeptically pwned and

758
00:30:53,990 --> 00:30:52,720
who better than to pone me skeptically

759
00:30:56,070 --> 00:30:54,000
than john hi

760
00:30:58,549 --> 00:30:56,080
hey how's it going i'm fine now you send

761
00:30:59,750 --> 00:30:58,559
me some ads for your podcast i did

762
00:31:01,830 --> 00:30:59,760
indeed

763
00:31:04,149 --> 00:31:01,840

and how's that going it's going very

764

00:31:05,590 --> 00:31:04,159

well thank you very much of course

765

00:31:08,070 --> 00:31:05,600

the videos are going great in fact we

766

00:31:10,149 --> 00:31:08,080

actually just released today not not

767

00:31:12,710 --> 00:31:10,159

more than a couple hours ago are part

768

00:31:13,990 --> 00:31:12,720

two of the ghost hunters video so this

769

00:31:16,149 --> 00:31:14,000

time you actually see somebody getting

770

00:31:17,909 --> 00:31:16,159

kicked in the nuts

771

00:31:19,510 --> 00:31:17,919

i don't want i did i give it away i'm

772

00:31:21,029 --> 00:31:19,520

sorry i don't give away the ending oh

773

00:31:23,029 --> 00:31:21,039

damn well by the time this goes out

774

00:31:24,870 --> 00:31:23,039

people might have seen it anyway

775

00:31:26,870 --> 00:31:24,880

maybe

776

00:31:28,149 --> 00:31:26,880

but you just took it off of your own

777

00:31:29,750 --> 00:31:28,159

evolution to

778

00:31:31,830 --> 00:31:29,760

write to me

779

00:31:33,830 --> 00:31:31,840

yeah and say would you mind playing my

780

00:31:36,230 --> 00:31:33,840

uh ad on your show yeah i figured you

781

00:31:38,630 --> 00:31:36,240

know you guys have a pretty cool podcast

782

00:31:40,549 --> 00:31:38,640

like let's get uh an audio spot on there

783

00:31:42,470 --> 00:31:40,559

get the australians to watch our videos

784

00:31:45,110 --> 00:31:42,480

yeah yeah the australians appreciate

785

00:31:46,470 --> 00:31:45,120

nutshots too i'm assuming right oh yeah

786

00:31:48,230 --> 00:31:46,480

oh sure why not

787

00:31:49,590 --> 00:31:48,240

it's universal it's unique works on so

788

00:31:50,950 --> 00:31:49,600

many levels

789

00:31:52,870 --> 00:31:50,960

why did you come up with the name

790

00:31:55,750 --> 00:31:52,880

because it just it's self-explanatory

791

00:31:57,029 --> 00:31:55,760

yes well it's funny i i learned what the

792

00:31:58,789 --> 00:31:57,039

word meant

793

00:32:00,230 --> 00:31:58,799

you know oh thank you very much i

794

00:32:01,990 --> 00:32:00,240

learned what the word meant by some

795

00:32:03,669 --> 00:32:02,000

video gamers and i'm like that sounds

796

00:32:05,669 --> 00:32:03,679

cool and nerdy

797

00:32:07,190 --> 00:32:05,679

just like the skeptics

798

00:32:10,470 --> 00:32:07,200

let's use that

799

00:32:12,230 --> 00:32:10,480

skeptically pawn somebody yeah you know

800

00:32:15,029 --> 00:32:12,240

it's it's funny even now i have to

801
00:32:15,750 --> 00:32:15,039
explain the expression to people oh yeah

802
00:32:18,389 --> 00:32:15,760
yeah

803
00:32:20,149 --> 00:32:18,399
own cause o is next to the p it's a

804
00:32:21,750 --> 00:32:20,159
purposeful misspell

805
00:32:24,230 --> 00:32:21,760
but it's it must be a word that will

806
00:32:27,029 --> 00:32:24,240
enter the language point yeah sure if it

807
00:32:29,110 --> 00:32:27,039
hasn't already no it is uh it's here to

808
00:32:32,710 --> 00:32:29,120
stay oh yeah yeah

809
00:32:35,669 --> 00:32:32,720
so skeptically phoned yes the website is

810
00:32:37,190 --> 00:32:35,679
skeptically pwned dot com and there's no

811
00:32:39,669 --> 00:32:37,200
e because we don't believe in silent

812
00:32:43,990 --> 00:32:41,430
well we're in the think of it now brian

813
00:32:45,430 --> 00:32:44,000

i must uh thank you very much for

814

00:32:47,110 --> 00:32:45,440

uh

815

00:32:48,389 --> 00:32:47,120

putting this together tonight yeah i

816

00:32:51,990 --> 00:32:48,399

actually didn't put it together i just

817

00:32:55,990 --> 00:32:53,830

well thank you thank you for advertising

818

00:32:58,230 --> 00:32:56,000

at least

819

00:33:00,149 --> 00:32:58,240

always a good time this is a fabulous

820

00:33:02,230 --> 00:33:00,159

place i guess this is about the

821

00:33:05,990 --> 00:33:02,240

the third time we've been here it's

822

00:33:07,990 --> 00:33:06,000

right on the sand in newport beach

823

00:33:09,430 --> 00:33:08,000

it's in fact nobody's done it yet but

824

00:33:11,669 --> 00:33:09,440

generally people are taking their drinks

825

00:33:12,710 --> 00:33:11,679

and walking around out on the beach

826

00:33:13,830 --> 00:33:12,720

yeah so

827

00:33:15,509 --> 00:33:13,840

do you think you're going to make this a

828

00:33:17,990 --> 00:33:15,519

regular event

829

00:33:19,430 --> 00:33:18,000

it well yeah it's we it is a regular

830

00:33:20,950 --> 00:33:19,440

event we just don't come here every time

831

00:33:23,110 --> 00:33:20,960

we usually go to

832

00:33:24,549 --> 00:33:23,120

um just a regular little irish pub in

833

00:33:26,230 --> 00:33:24,559

newport that's a

834

00:33:27,669 --> 00:33:26,240

a great place to meet because it's quiet

835

00:33:29,590 --> 00:33:27,679

for some reason it's always deserted

836

00:33:31,750 --> 00:33:29,600

even though it's a great little place

837

00:33:33,350 --> 00:33:31,760

but we come here when it's warm because

838

00:33:36,470 --> 00:33:33,360

it can get quite chilly here at night

839

00:33:38,230 --> 00:33:36,480

during the winter and so forth but

840

00:33:39,750 --> 00:33:38,240

we have a really good turnout every time

841

00:33:41,350 --> 00:33:39,760

we come here so

842

00:33:43,750 --> 00:33:41,360

well it's a great turnout tonight i'm

843

00:33:45,350 --> 00:33:43,760

i'm flattered and shows dr he that so

844

00:33:47,830 --> 00:33:45,360

many people have come along to say hello

845

00:33:49,430 --> 00:33:47,840

to us it's it's uh it makes us feel very

846

00:33:51,190 --> 00:33:49,440

welcome well it should notice how many

847

00:33:53,269 --> 00:33:51,200

more people are here tonight

848

00:33:55,830 --> 00:33:53,279

than our when when it's just just me

849

00:33:58,070 --> 00:33:55,840

who's hosting so you must get very

850

00:34:00,230 --> 00:33:58,080

lonely being by yourself

851
00:34:13,349 --> 00:34:00,240
always i'm very accustomed to that so

852
00:34:18,790 --> 00:34:15,270
well it's day one at dragon con i'm in

853
00:34:20,069 --> 00:34:18,800
the hilton hotel in the skeptrak room

854
00:34:22,230 --> 00:34:20,079
big table in front of me where the

855
00:34:24,069 --> 00:34:22,240
speakers are i can see james randy ben

856
00:34:25,750 --> 00:34:24,079
radford there's joe nicholl up there

857
00:34:27,750 --> 00:34:25,760
jamie and swiss

858
00:34:29,990 --> 00:34:27,760
daniel loxton also the room's full of

859
00:34:31,589 --> 00:34:30,000
people the first talk's just over

860
00:34:33,669 --> 00:34:31,599
people are lining up to speak to all

861
00:34:36,310 --> 00:34:33,679
these people and randy as ever there's a

862
00:34:37,909 --> 00:34:36,320
queue of people in front of him i think

863
00:34:39,750 --> 00:34:37,919

skip track this year should be a great

864

00:34:41,190 --> 00:34:39,760

success the first session was a full

865

00:34:43,349 --> 00:34:41,200

house

866

00:34:45,510 --> 00:34:43,359

which is a good sign i'm really pleased

867

00:34:46,829 --> 00:34:45,520

to be here with kylie sturgess and dr

868

00:34:48,550 --> 00:34:46,839

rachie of

869

00:34:50,950 --> 00:34:48,560

course it's really hard and like a

870

00:34:53,750 --> 00:34:50,960

little puppy i'm following the uh

871

00:34:55,510 --> 00:34:53,760

the director shall i say of skeptic trek

872

00:34:57,190 --> 00:34:55,520

derrick collin dunno from skepticism

873

00:34:59,430 --> 00:34:57,200

hi derek hi

874

00:35:00,870 --> 00:34:59,440

another one another big skeptic track

875

00:35:02,950 --> 00:35:00,880

this is the third one i think the third

876

00:35:04,790 --> 00:35:02,960

year third year third year and it's

877

00:35:07,030 --> 00:35:04,800

bigger than ever well and actually we

878

00:35:09,349 --> 00:35:07,040

started what three hours earlier

879

00:35:11,589 --> 00:35:09,359

and going about an hour or two later

880

00:35:13,829 --> 00:35:11,599

every day yeah and a full house to begin

881

00:35:16,630 --> 00:35:13,839

uh first panel of the day before the con

882

00:35:18,790 --> 00:35:16,640

actually technically starts where the

883

00:35:20,550 --> 00:35:18,800

the room was totally full it's fantastic

884

00:35:24,310 --> 00:35:20,560

hey i can't complain

885

00:35:25,829 --> 00:35:24,320

thanks derek i'll get a catch kylie

886

00:35:27,750 --> 00:35:25,839

now listeners you think i might have

887

00:35:30,470 --> 00:35:27,760

come a long way from sydney but kylie

888

00:35:32,630 --> 00:35:30,480

all the way from perth how do you cope

889

00:35:34,230 --> 00:35:32,640

with the jet lag kylie i generally just

890

00:35:36,310 --> 00:35:34,240

try to make sure i arrive a day or so

891

00:35:37,750 --> 00:35:36,320

early and i check out the place and and

892

00:35:39,430 --> 00:35:37,760

get myself ready i saw you were

893

00:35:41,270 --> 00:35:39,440

twittering from a few days being here at

894

00:35:43,109 --> 00:35:41,280

dragon well not really dragoncon in

895

00:35:44,870 --> 00:35:43,119

atlanta anyway yes absolutely and if

896

00:35:47,109 --> 00:35:44,880

people want to check out the video that

897

00:35:48,710 --> 00:35:47,119

i took i'm going to see if i'm going i

898

00:35:50,310 --> 00:35:48,720

can get it up on the token skeptic

899

00:35:52,950 --> 00:35:50,320

podcast i'll see if i can put it up as a

900

00:35:54,630 --> 00:35:52,960

little vodcast i do put it up on youtube

901
00:35:56,310 --> 00:35:54,640
but i i thought i might see if i can get

902
00:35:58,630 --> 00:35:56,320
it downloadable there too i have some

903
00:36:00,390 --> 00:35:58,640
amazing footage of a certain alien

904
00:36:03,270 --> 00:36:00,400
turning up on a local tv station where

905
00:36:04,710 --> 00:36:03,280
apparently myself and uh desiree show

906
00:36:06,230 --> 00:36:04,720
appeared we appeared on

907
00:36:08,630 --> 00:36:06,240
on local television this morning we were

908
00:36:10,230 --> 00:36:08,640
in the background waiting to help uh ko

909
00:36:11,990 --> 00:36:10,240
myers line up in order to get his badge

910
00:36:14,150 --> 00:36:12,000
so we're famous already and the show

911
00:36:15,829 --> 00:36:14,160
hadn't even started it's great i mean

912
00:36:18,310 --> 00:36:15,839
it's great to see so many um good

913
00:36:20,390 --> 00:36:18,320

skeptics here uh just outside the door

914

00:36:22,630 --> 00:36:20,400

we've got uh tables of skeptics around

915

00:36:24,790 --> 00:36:22,640

the corner yeah i had breakfast this

916

00:36:27,589 --> 00:36:24,800

morning in the same room as larry hagren

917

00:36:29,030 --> 00:36:27,599

oh aren't you posh and um the guy who

918

00:36:29,990 --> 00:36:29,040

plays roger healy i just can't think of

919

00:36:31,510 --> 00:36:30,000

his name

920

00:36:32,870 --> 00:36:31,520

they're both here yeah you are

921

00:36:34,630 --> 00:36:32,880

completely geeking out i know that the

922

00:36:36,710 --> 00:36:34,640

entire picking up i know that the entire

923

00:36:38,550 --> 00:36:36,720

cast of i dream of jeannie is here

924

00:36:40,390 --> 00:36:38,560

that's it that they were there except i

925

00:36:42,950 --> 00:36:40,400

didn't see barbara eden i saw brent

926
00:36:44,950 --> 00:36:42,960
spiner yesterday oh my goodness

927
00:36:46,390 --> 00:36:44,960
so yeah i assure you ladies and

928
00:36:48,550 --> 00:36:46,400
gentlemen listening to the show by the

929
00:36:49,990 --> 00:36:48,560
end of this richard will have hugged

930
00:36:52,390 --> 00:36:50,000
everybody on the eye dream of genie

931
00:36:55,589 --> 00:36:52,400
caster it's just a given it's a geek out

932
00:36:57,510 --> 00:36:55,599
thanks kylie you're welcome

933
00:36:59,109 --> 00:36:57,520
so i'm wandering around the level two

934
00:37:00,710 --> 00:36:59,119
here at the hilton

935
00:37:03,190 --> 00:37:00,720
hundreds of people

936
00:37:05,349 --> 00:37:03,200
this is friday uh

937
00:37:07,510 --> 00:37:05,359
friday at 11 15. hundreds of people

938
00:37:09,750 --> 00:37:07,520

already milling about many already

939

00:37:11,510 --> 00:37:09,760

dressed up in costume

940

00:37:13,430 --> 00:37:11,520

i'm walking over here near the walk of

941

00:37:15,589 --> 00:37:13,440

fame where soon celebrities of all

942

00:37:17,829 --> 00:37:15,599

flavors will be

943

00:37:19,910 --> 00:37:17,839

sitting down so you can line up and

944

00:37:23,510 --> 00:37:19,920

buy their autograph

945

00:37:26,069 --> 00:37:23,520

but just outside the walk of fame

946

00:37:27,349 --> 00:37:26,079

we have the table here

947

00:37:30,390 --> 00:37:27,359

of

948

00:37:33,750 --> 00:37:30,400

astronomy cast

949

00:37:36,310 --> 00:37:33,760

and i can see fraser and pamela already

950

00:37:38,310 --> 00:37:36,320

eagerly waiting to sell their wonderful

951
00:37:39,910 --> 00:37:38,320
merchandise and tell people giveaway and

952
00:37:41,589 --> 00:37:39,920
we're giving away nasa stuff so we're

953
00:37:43,349 --> 00:37:41,599
selling stuff for astrosphere and

954
00:37:45,829 --> 00:37:43,359
astronomy cast to support astronomy

955
00:37:48,230 --> 00:37:45,839
education and giving away nasa imagery

956
00:37:50,230 --> 00:37:48,240
to get people looking up and learning

957
00:37:51,670 --> 00:37:50,240
so people are here at dragoncon happen

958
00:37:52,990 --> 00:37:51,680
to be listening to this podcast where

959
00:37:54,790 --> 00:37:53,000
can they find you

960
00:37:56,870 --> 00:37:54,800
astronomycast.com

961
00:37:59,589 --> 00:37:56,880
excellent

962
00:38:02,150 --> 00:37:59,599
and we have the skeptic table with

963
00:38:05,430 --> 00:38:02,160

carrie hi carrie hey richard how are you

964

00:38:07,990 --> 00:38:05,440

today i'm good how are you i'm okay and

965

00:38:09,589 --> 00:38:08,000

wow look at all the surly amy

966

00:38:11,349 --> 00:38:09,599

necklaces that are

967

00:38:13,430 --> 00:38:11,359

on show and of course

968

00:38:15,990 --> 00:38:13,440

really importantly you have the

969

00:38:18,470 --> 00:38:16,000

information for the hug me unvaccinated

970

00:38:20,310 --> 00:38:18,480

the vaccination drive yes

971

00:38:23,109 --> 00:38:20,320

saturday and sunday at the peachtree

972

00:38:25,270 --> 00:38:23,119

center which is adjacent to the

973

00:38:27,910 --> 00:38:25,280

convention hotels we'll be doing a free

974

00:38:29,990 --> 00:38:27,920

pertussis booster vaccination clinic so

975

00:38:33,030 --> 00:38:30,000

come and get vaccinated and you can get

976

00:38:35,349 --> 00:38:33,040

a free hug from a skeptic

977

00:38:37,349 --> 00:38:35,359

an offer too good to refuse i was

978

00:38:38,950 --> 00:38:37,359

vaccinated last year i had my boosters

979

00:38:40,710 --> 00:38:38,960

so i can't take but i'll come for the

980

00:38:43,589 --> 00:38:40,720

free hugs yeah

981

00:38:45,910 --> 00:38:43,599

i might make an exception for you

982

00:38:47,270 --> 00:38:45,920

lucky enough to catch george rob george

983

00:38:51,430 --> 00:38:47,280

hello

984

00:38:53,270 --> 00:38:51,440

once again look

985

00:38:54,630 --> 00:38:53,280

over there in the corner look at randy

986

00:38:56,069 --> 00:38:54,640

oh they're looking for the endless

987

00:38:58,230 --> 00:38:56,079

photographer yes yes it's the most

988

00:39:12,310 --> 00:38:58,240

popular man in dragon con james randy

989

00:39:15,910 --> 00:39:14,390

yeah i think it did yes

990

00:39:20,069 --> 00:39:15,920

oh my goodness you're all dressed for

991

00:39:22,630 --> 00:39:20,790

they gave me one of these little

992

00:39:24,710 --> 00:39:22,640

fentanyl wait a minute wait a minute

993

00:39:25,670 --> 00:39:24,720

it's real it's real my friend i always

994

00:39:31,670 --> 00:39:25,680

check

995

00:39:37,829 --> 00:39:34,630

nice yeah so it's a smorgasbord of

996

00:39:39,670 --> 00:39:37,839

skeptics ladies and gentlemen

997

00:39:41,670 --> 00:39:39,680

but so saying i guess it's time i went

998

00:39:51,670 --> 00:39:41,680

and produced this show so you could all

999

00:39:56,870 --> 00:39:53,589

thank you for listening to the skeptic

1000

00:39:59,270 --> 00:39:56,880

zone all the way from atlanta georgia

1001
00:40:01,829 --> 00:39:59,280
well we're in for a fun uh three or four

1002
00:40:03,990 --> 00:40:01,839
days action-packed as they say and i'll

1003
00:40:06,710 --> 00:40:04,000
be racing around with my microphone my

1004
00:40:09,109 --> 00:40:06,720
wonderful new canon camera

1005
00:40:10,390 --> 00:40:09,119
to catch as much of the excitement as i

1006
00:40:12,230 --> 00:40:10,400
possibly can

1007
00:40:14,589 --> 00:40:12,240
so until next week's show this is

1008
00:40:21,030 --> 00:40:14,599
richard saunders signing off from room

1009
00:40:24,630 --> 00:40:22,710
you've been listening to the skeptic

1010
00:40:28,069 --> 00:40:24,640
zone visit our website at

1011
00:40:47,030 --> 00:40:30,870
for comments contacts and extra video
