

**The Skeptic Zone Podcast
Show 406 - 31 July 2016**

Fiona O'Leary

1
00:00:22,689 --> 00:00:09,100
welcome to the skeptic zone the podcast

2
00:00:28,909 --> 00:00:25,310
hello and welcome to the skeptic zone

3
00:00:31,580 --> 00:00:28,919
episode 406 for the 30 thirist of July

4
00:00:34,729 --> 00:00:31,590
2016 Richardson is here with you from

5
00:00:38,600 --> 00:00:34,739
Planet Earth because according to some

6
00:00:43,600 --> 00:00:38,610
um cult doomsday is out there I think

7
00:00:47,240 --> 00:00:43,610
the world was supposed to end yesterday

8
00:00:49,430 --> 00:00:47,250
if it did and I didn't notice well I've

9
00:00:51,410 --> 00:00:49,440
been very busy lately but I'll just look

10
00:00:53,860 --> 00:00:51,420
out the window seems to be still there I

11
00:00:57,440 --> 00:00:53,870
think we're okay I think we're okay

12
00:01:00,590 --> 00:00:57,450
every F is it every year we get an end

13
00:01:03,219 --> 00:01:00,600

of the world doomsday prediction loosely

14

00:01:06,560 --> 00:01:03,229

based around some scripture or other

15

00:01:08,540 --> 00:01:06,570

yeah yeah I probably more than once a

16

00:01:12,080 --> 00:01:08,550

year probably a lot that you don't hear

17

00:01:15,020 --> 00:01:12,090

about it's getting a little bit tedious

18

00:01:16,700 --> 00:01:15,030

folks but tedious isn't a word I'd use

19

00:01:19,490 --> 00:01:16,710

for the skeptics and I hope not anyway

20

00:01:22,639 --> 00:01:19,500

and I have a little correction from last

21

00:01:27,289 --> 00:01:22,649

week's episode actually I gave the year

22

00:01:29,480 --> 00:01:27,299

last week as being 2015 I don't know why

23

00:01:33,620 --> 00:01:29,490

if you listen back you'll hear me saying

24

00:01:35,719 --> 00:01:33,630

it's 2015 yeah maybe that's when the

25

00:01:38,810 --> 00:01:35,729

world ended I don't know it's definitely

26

00:01:42,770 --> 00:01:38,820

2016 and this is the show for the 31st

27

00:01:45,200 --> 00:01:42,780

of July 2016 yes 2016 and coming up on

28

00:01:48,710 --> 00:01:45,210

the show this week I speak to Fiona

29

00:01:52,700 --> 00:01:48,720

O'Leary from Cork in Ireland who has

30

00:01:56,179 --> 00:01:52,710

gained a very quick notoriety lately she

31

00:01:58,010 --> 00:01:56,189

received a letter from a cinema chain i

32

00:01:59,719 --> 00:01:58,020

think it was in the united states all

33

00:02:02,870 --> 00:01:59,729

the way to ireland threatening her

34

00:02:07,330 --> 00:02:02,880

because of her outspoken criticism of

35

00:02:11,330 --> 00:02:07,340

the movie vax the andrew wakefield

36

00:02:14,479 --> 00:02:11,340

documentary about the evils of

37

00:02:16,880 --> 00:02:14,489

vaccination and its links to autism well

38

00:02:18,530 --> 00:02:16,890

we know the story there now fiona is

39

00:02:21,740 --> 00:02:18,540

involved heavily involved with the

40

00:02:24,800 --> 00:02:21,750

autistic community and autistic issues

41

00:02:26,840 --> 00:02:24,810

so to receive this letter from people

42

00:02:29,210 --> 00:02:26,850

associated with vax basically telling

43

00:02:31,340 --> 00:02:29,220

her to shut up did not sit well with

44

00:02:34,340 --> 00:02:31,350

Fiona all know and this story has gone

45

00:02:36,980 --> 00:02:34,350

viral and we're helping it to go viral

46

00:02:38,930 --> 00:02:36,990

and fiona is the first interview coming

47

00:02:40,940 --> 00:02:38,940

up on this week's episode of the skeptic

48

00:02:44,210 --> 00:02:40,950

zone I think you'll find this disturbing

49

00:02:45,770 --> 00:02:44,220

and interesting at the same time and on

50

00:02:48,620 --> 00:02:45,780

the show notes there are many links

51
00:02:51,260 --> 00:02:48,630
associated with this story and indeed

52
00:02:53,960 --> 00:02:51,270
since recording the story Fiona and her

53
00:02:56,240 --> 00:02:53,970
friends have set up a new facebook page

54
00:02:58,220 --> 00:02:56,250
i think or at least a newer youtube

55
00:03:00,410 --> 00:02:58,230
channel anyway check out the links at

56
00:03:03,200 --> 00:03:00,420
skeptical zone TV for more information

57
00:03:05,540 --> 00:03:03,210
after hearing our interview with Fiona

58
00:03:07,100 --> 00:03:05,550
O'Leary and after the break we go all

59
00:03:09,200 --> 00:03:07,110
the way to Scotland Edinburgh Scotland

60
00:03:11,570 --> 00:03:09,210
where we chat to the Scottish skeptics

61
00:03:14,000 --> 00:03:11,580
the Edinburgh skeptics north of the

62
00:03:17,150 --> 00:03:14,010
border what's their story and watch

63
00:03:20,540 --> 00:03:17,160

coming up very soon now at the famous

64

00:03:23,570 --> 00:03:20,550

fringe festival in Edinburgh concerning

65

00:03:25,910 --> 00:03:23,580

skepticism you'll find they're very busy

66

00:03:27,290 --> 00:03:25,920

very busy i wish i could be there it

67

00:03:28,910 --> 00:03:27,300

sounds like it's going to be a lot of

68

00:03:30,800 --> 00:03:28,920

fun a lot of fun I think you'll enjoy

69

00:03:33,320 --> 00:03:30,810

this interview with the Edinburgh

70

00:03:36,260 --> 00:03:33,330

skeptics band around off the show more

71

00:03:38,650 --> 00:03:36,270

of maynard at this wonderful 80s tour

72

00:03:43,280 --> 00:03:38,660

he's been doing it's all over now and

73

00:03:45,860 --> 00:03:43,290

he's earned a very nice rest feet up may

74

00:03:48,170 --> 00:03:45,870

not have a rest I have at the other week

75

00:03:50,360 --> 00:03:48,180

in Melbourne after the show he invited

76
00:03:52,790 --> 00:03:50,370
some skeptics backstage so a bit of fun

77
00:03:54,710 --> 00:03:52,800
a bit of light-hearted fun to win this

78
00:03:56,600 --> 00:03:54,720
week's episode of the skeptic zone with

79
00:03:59,390 --> 00:03:56,610
Maynard backstage with some of the stars

80
00:04:02,510 --> 00:03:59,400
from the 1980s and some special

81
00:04:04,580 --> 00:04:02,520
skeptical guests along the way and a big

82
00:04:08,390 --> 00:04:04,590
thank you to Metropolis touring at

83
00:04:10,850 --> 00:04:08,400
metropolis touring com who were the

84
00:04:13,010 --> 00:04:10,860
promoters for this tour for being so

85
00:04:14,840 --> 00:04:13,020
kind to me especially when I was there

86
00:04:16,670 --> 00:04:14,850
for a couple of the events to help out

87
00:04:19,420 --> 00:04:16,680
may not and I had a feeling from the

88
00:04:21,860 --> 00:04:19,430

whole ensemble that it was just a really

89

00:04:23,810 --> 00:04:21,870

really wonderful experience for

90

00:04:26,270 --> 00:04:23,820

everybody concerned and if you go to

91

00:04:28,250 --> 00:04:26,280

Maynard Comte you you can hear more

92

00:04:31,400 --> 00:04:28,260

highlights and see some videos from

93

00:04:33,230 --> 00:04:31,410

behind the scenes of that tour now a few

94

00:04:35,690 --> 00:04:33,240

notes from me before we get into the

95

00:04:38,330 --> 00:04:35,700

show you may remember on a previous

96

00:04:40,340 --> 00:04:38,340

episode of the skeptic zone in fact only

97

00:04:43,940 --> 00:04:40,350

a couple of weeks ago show 404 for the

98

00:04:47,550 --> 00:04:43,950

17th of July 2016 we interviewed vet

99

00:04:50,430 --> 00:04:47,560

Danny chambers who you will recall

100

00:04:52,500 --> 00:04:50,440

is a burn arms against homeopaths or

101

00:04:55,800 --> 00:04:52,510

veterinary practitioners using

102

00:04:59,430 --> 00:04:55,810

homeopathy and there was a segment I

103

00:05:03,360 --> 00:04:59,440

played in the interview where he Danny

104

00:05:05,909 --> 00:05:03,370

was on BBC and another vet came on

105

00:05:08,370 --> 00:05:05,919

promoting homeopathy claiming that it

106

00:05:10,590 --> 00:05:08,380

could cure cancer in dogs will our

107

00:05:13,500 --> 00:05:10,600

friends at skeptics with a que that's a

108

00:05:16,379 --> 00:05:13,510

wonderful podcast have looked into this

109

00:05:19,620 --> 00:05:16,389

claim and gone got into the details

110

00:05:21,510 --> 00:05:19,630

there and I can really recommend you

111

00:05:25,260 --> 00:05:21,520

listen to skeptics of the K episode

112

00:05:30,750 --> 00:05:25,270

number 177 from only a few weeks ago and

113

00:05:32,129 --> 00:05:30,760

you'll hear the gobsmacking lunacy look

114

00:05:34,950 --> 00:05:32,139

up your thesaurus for other words

115

00:05:37,469 --> 00:05:34,960

meaning stupidity of these homeopaths

116

00:05:39,480 --> 00:05:37,479

and why they were prescribing certain

117

00:05:43,500 --> 00:05:39,490

remedies for dogs to cure their cancer

118

00:05:45,390 --> 00:05:43,510

it's um it's beyond Monty Python it

119

00:05:48,000 --> 00:05:45,400

really is it should be in the fringe

120

00:05:49,740 --> 00:05:48,010

comedy first of all this anyway i can

121

00:05:52,320 --> 00:05:49,750

recommend you listen to skeptics with a

122

00:05:54,990 --> 00:05:52,330

que regardless and here's the latest

123

00:05:57,840 --> 00:05:55,000

update to the story we've been covering

124

00:06:00,330 --> 00:05:57,850

for many months now in various forms the

125

00:06:02,520 --> 00:06:00,340

no jab no pay legislation by the

126

00:06:04,830 --> 00:06:02,530

government here in Australia which means

127

00:06:06,570 --> 00:06:04,840

that if if you don't have your kids up

128

00:06:08,430 --> 00:06:06,580

to date with their immunization there

129

00:06:11,340 --> 00:06:08,440

are certain benefits may be withheld

130

00:06:13,080 --> 00:06:11,350

from you well a correspondent that we

131

00:06:14,820 --> 00:06:13,090

quote quite often on the skeptics own

132

00:06:18,510 --> 00:06:14,830

Jane Hansen writing in The Sunday

133

00:06:21,029 --> 00:06:18,520

Telegraph newspaper reports a major win

134

00:06:26,370 --> 00:06:21,039

for children and a big win for no jab no

135

00:06:29,310 --> 00:06:26,380

pay more than 5,700 former anti-vaxxers

136

00:06:31,890 --> 00:06:29,320

have immunized their kids since the law

137

00:06:33,990 --> 00:06:31,900

came into effect so that's great news

138

00:06:36,270 --> 00:06:34,000

and I'll linked to various reports on

139

00:06:39,360 --> 00:06:36,280

that in the show notes at ever at

140

00:06:41,460 --> 00:06:39,370

skeptics and TV but that's enough for me

141

00:06:43,140 --> 00:06:41,470

at the moment I'm going to run

142

00:06:47,610 --> 00:06:43,150

downstairs I'm going to see if there's a

143

00:06:51,840 --> 00:06:47,620

slice of lemon meringue pie in the

144

00:06:53,800 --> 00:06:51,850

fridge oh my lemon meringue pie an oldie

145

00:06:58,000 --> 00:06:53,810

but a goodie mmm

146

00:07:20,029 --> 00:06:58,010

hmm well I uh hmm try that I hope you

147

00:07:26,129 --> 00:07:23,640

and joining me now from West Cork in

148

00:07:29,180 --> 00:07:26,139

Ireland I think some of my ancestors

149

00:07:33,899 --> 00:07:29,190

came from that area the boya family

150

00:07:35,909 --> 00:07:33,909

anyway it's Fiona O'Leary hello Fiona hi

151
00:07:38,879 --> 00:07:35,919
Richard thank you for having me on this

152
00:07:40,589 --> 00:07:38,889
is great thank you now folks Fiona Leary

153
00:07:43,230 --> 00:07:40,599
caught my attention the other day when I

154
00:07:45,469 --> 00:07:43,240
was scrolling through Facebook and I

155
00:07:48,300 --> 00:07:45,479
came across this video you did Fiona and

156
00:07:49,950 --> 00:07:48,310
as of the time of recording which is

157
00:07:52,050 --> 00:07:49,960
earlier in the week as to win the

158
00:07:55,020 --> 00:07:52,060
skipped exam goes out but anyway this

159
00:07:57,930 --> 00:07:55,030
video online has received over 14,000

160
00:08:00,420 --> 00:07:57,940
views now Fiona your story revolves

161
00:08:03,110 --> 00:08:00,430
around your work and advocacy for people

162
00:08:05,670 --> 00:08:03,120
with autism and your fight against the

163
00:08:08,640 --> 00:08:05,680

anti-vaccination crowd but what is your

164

00:08:10,350 --> 00:08:08,650

background Fiona and well basically I I

165

00:08:12,390 --> 00:08:10,360

have asked Burgess I'm on the autistic

166

00:08:14,640 --> 00:08:12,400

spectrum I was diagnosed a couple of

167

00:08:16,230 --> 00:08:14,650

years ago and two of my children are

168

00:08:19,350 --> 00:08:16,240

autistic as well I five children

169

00:08:21,839 --> 00:08:19,360

altogether so autism is my life you know

170

00:08:23,249 --> 00:08:21,849

I've always been involved in really

171

00:08:25,800 --> 00:08:23,259

campaigning it's very hard to get

172

00:08:27,779 --> 00:08:25,810

support for your children in general so

173

00:08:30,120 --> 00:08:27,789

I suppose have always been advocating

174

00:08:32,100 --> 00:08:30,130

for rights of autistic people however

175

00:08:34,199 --> 00:08:32,110

about two and a half years ago I

176

00:08:36,180 --> 00:08:34,209

discovered that there was his awful

177

00:08:37,920 --> 00:08:36,190

unproven and unregulated products being

178

00:08:39,690 --> 00:08:37,930

given to autistic children some of them

179

00:08:41,880 --> 00:08:39,700

absolutely dangerous one of them is a

180

00:08:44,610 --> 00:08:41,890

bleach treatment called a miracle

181

00:08:47,519 --> 00:08:44,620

mineral solution mms which is basically

182

00:08:49,470 --> 00:08:47,529

chlorine dioxide bleach and children are

183

00:08:51,600 --> 00:08:49,480

being given this parents are told that

184

00:08:54,750 --> 00:08:51,610

it will be a miracle cure basically

185

00:08:57,689 --> 00:08:54,760

quite cures and really to the most

186

00:09:00,240 --> 00:08:57,699

terrifying degree and so I started

187

00:09:02,310 --> 00:09:00,250

campaigning in that area really focusing

188

00:09:05,220 --> 00:09:02,320

on these awful unregulated treatments

189

00:09:07,340 --> 00:09:05,230

and last year we formed autistic rights

190

00:09:10,680 --> 00:09:07,350

together so we have an organisation

191

00:09:13,500 --> 00:09:10,690

basically to make it more other movement

192

00:09:15,870 --> 00:09:13,510

as opposed to get into political circles

193

00:09:17,430 --> 00:09:15,880

to try and bring about legislation to

194

00:09:19,079 --> 00:09:17,440

protect autistic people from these

195

00:09:21,030 --> 00:09:19,089

dangers and regulated products and we've

196

00:09:22,290 --> 00:09:21,040

been campaigning for two and a half

197

00:09:24,930 --> 00:09:22,300

years now we still

198

00:09:26,940 --> 00:09:24,940

have legislation however we have made

199

00:09:28,740 --> 00:09:26,950

huge awareness all around the world

200

00:09:31,020 --> 00:09:28,750

we've had many documentaries and

201
00:09:32,670 --> 00:09:31,030
newspaper articles and some of the

202
00:09:35,490 --> 00:09:32,680
people you know offering these products

203
00:09:36,990 --> 00:09:35,500
have been reprimanded some have lost

204
00:09:38,490 --> 00:09:37,000
their medical license that some of the

205
00:09:39,780 --> 00:09:38,500
doctors that were actually advocating

206
00:09:42,420 --> 00:09:39,790
this product so that has been very good

207
00:09:45,330 --> 00:09:42,430
but we're still in a position where we

208
00:09:47,580 --> 00:09:45,340
don't have any proper legislation to

209
00:09:49,470 --> 00:09:47,590
make it a criminal offense so these

210
00:09:51,750 --> 00:09:49,480
people can still pedal these products

211
00:09:54,240 --> 00:09:51,760
without being prosecuted so that's a

212
00:09:57,150 --> 00:09:54,250
very important part of that that is also

213
00:10:00,630 --> 00:09:57,160

led me to speak out against this

214

00:10:02,400 --> 00:10:00,640

anti-vaccine to the cause for these

215

00:10:05,160 --> 00:10:02,410

products developing because parents have

216

00:10:07,140 --> 00:10:05,170

been told that their children are vexing

217

00:10:09,030 --> 00:10:07,150

damaged and that they can recover their

218

00:10:11,580 --> 00:10:09,040

children from autism by giving them

219

00:10:14,010 --> 00:10:11,590

these biomatter and then this

220

00:10:16,140 --> 00:10:14,020

biomechanical unproven products industry

221

00:10:18,390 --> 00:10:16,150

kind of just developed and it's grown

222

00:10:21,360 --> 00:10:18,400

and grown and it's now a huge money

223

00:10:23,010 --> 00:10:21,370

making industry so parents believe that

224

00:10:24,270 --> 00:10:23,020

you know that they can basically recover

225

00:10:27,240 --> 00:10:24,280

their children because they've been

226

00:10:30,300 --> 00:10:27,250

vaccine damaged and an Andrew Wakefield

227

00:10:32,160 --> 00:10:30,310

is still doing this today even though he

228

00:10:34,830 --> 00:10:32,170

was a stripped of his medical license in

229

00:10:38,220 --> 00:10:34,840

2010 cut his studies and his research

230

00:10:41,010 --> 00:10:38,230

was proven to be false and he went to

231

00:10:43,770 --> 00:10:41,020

America from the UK and still continued

232

00:10:46,320 --> 00:10:43,780

on and you know delivering this

233

00:10:49,200 --> 00:10:46,330

misinformation and fear-mongering to

234

00:10:50,790 --> 00:10:49,210

parents worldwide and now today he's

235

00:10:52,710 --> 00:10:50,800

stronger than he ever was before he's

236

00:10:55,050 --> 00:10:52,720

released a film called vexed in April of

237

00:10:57,120 --> 00:10:55,060

this year and basically a propaganda

238

00:10:59,160 --> 00:10:57,130

film just delivering that same

239

00:11:01,590 --> 00:10:59,170

terrifying message you know this is your

240

00:11:03,200 --> 00:11:01,600

child it's been damaged by this fact

241

00:11:05,460 --> 00:11:03,210

thing that's why they're autistic and

242

00:11:07,620 --> 00:11:05,470

I'm here to speak out on that issue and

243

00:11:09,780 --> 00:11:07,630

I think that it's a very serious issue

244

00:11:12,300 --> 00:11:09,790

not just in relation to autism buttons

245

00:11:14,160 --> 00:11:12,310

for Humanity because we know that

246

00:11:15,600 --> 00:11:14,170

vaccines they've lives we know that

247

00:11:17,520 --> 00:11:15,610

they're there to protect our children

248

00:11:18,600 --> 00:11:17,530

and we know that children are dying

249

00:11:20,640 --> 00:11:18,610

because they're not getting these

250

00:11:22,910 --> 00:11:20,650

vaccinations and we know that vaccines

251
00:11:25,950 --> 00:11:22,920
do not cause autism that has been proven

252
00:11:27,900 --> 00:11:25,960
multiple times scientifically but our

253
00:11:30,510 --> 00:11:27,910
real doctors and real scientists and

254
00:11:32,610 --> 00:11:30,520
that's why I am doing what I'm doing I'm

255
00:11:34,380 --> 00:11:32,620
doing this because first of all the

256
00:11:35,980 --> 00:11:34,390
autistic community are being harmed by

257
00:11:38,560 --> 00:11:35,990
this awful

258
00:11:40,780 --> 00:11:38,570
this terrible fear mongering and

259
00:11:42,040 --> 00:11:40,790
secondly then we have children whose

260
00:11:43,990 --> 00:11:42,050
lives are being put at risk and I

261
00:11:46,780 --> 00:11:44,000
spelled the message that's been sent by

262
00:11:48,880 --> 00:11:46,790
am the vax team and wakefield and his

263
00:11:50,740 --> 00:11:48,890

cohorts is that anything is better than

264

00:11:52,449 --> 00:11:50,750

having an autistic child and they were

265

00:11:54,130 --> 00:11:52,459

also affecting the whole of society

266

00:11:56,680 --> 00:11:54,140

because if we don't have herd immunity

267

00:11:58,630 --> 00:11:56,690

other people are going to get ill it's

268

00:12:01,030 --> 00:11:58,640

not just about their individual child we

269

00:12:03,730 --> 00:12:01,040

need to have a herd immunity protect

270

00:12:06,280 --> 00:12:03,740

everybody in society and people with

271

00:12:07,810 --> 00:12:06,290

compromised immune systems people with

272

00:12:09,400 --> 00:12:07,820

health conditions some children cannot

273

00:12:11,620 --> 00:12:09,410

get vaccines they're just not able to

274

00:12:13,329 --> 00:12:11,630

have them so we have to think about

275

00:12:15,970 --> 00:12:13,339

everybody and and that's why I'm doing

276

00:12:19,750 --> 00:12:15,980

what I'm doing and obviously as you know

277

00:12:22,960 --> 00:12:19,760

I've received an incredible backlash for

278

00:12:25,389 --> 00:12:22,970

speaking out and had a recent

279

00:12:26,800 --> 00:12:25,399

threatening letter well of course this

280

00:12:29,680 --> 00:12:26,810

is the the main reason that we're

281

00:12:31,420 --> 00:12:29,690

chatting today but what was it Fiona

282

00:12:33,130 --> 00:12:31,430

what was it you think that really set

283

00:12:36,550 --> 00:12:33,140

them off about you and have them send

284

00:12:39,310 --> 00:12:36,560

this letter with that legal threats um

285

00:12:40,480 --> 00:12:39,320

because then they're all connected I

286

00:12:42,460 --> 00:12:40,490

suppose that's the point I want to make

287

00:12:44,440 --> 00:12:42,470

I've spoken out on other doctors in the

288

00:12:46,030 --> 00:12:44,450

past dr. Bradstreet he was a doctor that

289

00:12:48,550 --> 00:12:46,040

was actually you know heavily involved

290

00:12:51,699 --> 00:12:48,560

in giving these unproven treatments to

291

00:12:53,949 --> 00:12:51,709

children he was raided last year in

292

00:12:56,440 --> 00:12:53,959

America by the FDA because he was giving

293

00:12:58,510 --> 00:12:56,450

a live unregulated blood product really

294

00:13:02,079 --> 00:12:58,520

really dangerous GC enough is its name

295

00:13:03,940 --> 00:13:02,089

to autistic children and he the day

296

00:13:05,319 --> 00:13:03,950

after he was raided he he took his own

297

00:13:08,710 --> 00:13:05,329

life which is terrible i want to say

298

00:13:11,590 --> 00:13:08,720

that it was an awful thing however i had

299

00:13:14,310 --> 00:13:11,600

been very vocal on that issue also

300

00:13:16,569 --> 00:13:14,320

especially him because when we see

301
00:13:18,519 --> 00:13:16,579
registered doctors involved in these

302
00:13:20,380 --> 00:13:18,529
quack treatments that's really really

303
00:13:21,790 --> 00:13:20,390
worried to us because parents believe

304
00:13:23,530 --> 00:13:21,800
they are you know getting the

305
00:13:25,269 --> 00:13:23,540
professional help and they trust them

306
00:13:26,829 --> 00:13:25,279
and this is happening here in Ireland as

307
00:13:28,630 --> 00:13:26,839
well we had a doctor here in Northern

308
00:13:31,090 --> 00:13:28,640
Ireland who was actually registered and

309
00:13:32,980 --> 00:13:31,100
was actually prescribing this bleach

310
00:13:35,590 --> 00:13:32,990
treatment to autistic children writing

311
00:13:36,880 --> 00:13:35,600
out a physical prescription and he was

312
00:13:39,310 --> 00:13:36,890
stripped of his medical license last

313
00:13:41,590 --> 00:13:39,320

year rightly so but what happens to

314

00:13:43,060 --> 00:13:41,600

these doctors is that when they lose her

315

00:13:45,640 --> 00:13:43,070

license it doesn't stop them they can

316

00:13:46,840 --> 00:13:45,650

still practice on in a quack kind of way

317

00:13:51,430 --> 00:13:46,850

and

318

00:13:54,430 --> 00:13:51,440

dr. Bradstreet his death caused huge

319

00:13:56,800 --> 00:13:54,440

uproar in the activex movement I mean I

320

00:13:58,389 --> 00:13:56,810

was sent emails I had people saying it

321

00:14:00,759 --> 00:13:58,399

was blood on my hands because I spoke

322

00:14:02,829 --> 00:14:00,769

out know that he was murdered basically

323

00:14:06,519 --> 00:14:02,839

by big farmer but none of that is true

324

00:14:07,900 --> 00:14:06,529

and so I've got a bit of a reputation I

325

00:14:10,360 --> 00:14:07,910

suppose for want of a better word for

326

00:14:12,519 --> 00:14:10,370

being you know very passionate and very

327

00:14:15,160 --> 00:14:12,529

vocal on the rights of autistic people

328

00:14:16,990 --> 00:14:15,170

and and they've kind of linked this to

329

00:14:19,389 --> 00:14:17,000

wait field because if you go back in

330

00:14:20,889 --> 00:14:19,399

time Andrew Wakefield was actually

331

00:14:22,449 --> 00:14:20,899

working with this doctor Bradstreet when

332

00:14:24,699 --> 00:14:22,459

he moved to the US first so I mean there

333

00:14:27,519 --> 00:14:24,709

is a connection there my point is the

334

00:14:30,160 --> 00:14:27,529

antivenin the the debunk claim that

335

00:14:31,660 --> 00:14:30,170

Wakefield created about the MMR that is

336

00:14:33,999 --> 00:14:31,670

all linked to all these other people

337

00:14:36,069 --> 00:14:34,009

using these products they're all part of

338

00:14:37,889 --> 00:14:36,079

a circle and it's not that big that's

339

00:14:40,240 --> 00:14:37,899

what I want to say it is quite a small

340

00:14:42,220 --> 00:14:40,250

closely knit circle but they're all

341

00:14:44,470 --> 00:14:42,230

standing with each other so if one

342

00:14:46,629 --> 00:14:44,480

doctor is you know set upon or expose

343

00:14:47,949 --> 00:14:46,639

the other one will hear about that and

344

00:14:49,600 --> 00:14:47,959

that's what's happened to you that's why

345

00:14:51,370 --> 00:14:49,610

I feel I got the letter so maybe they

346

00:14:53,110 --> 00:14:51,380

thought she's you know she's she's

347

00:14:55,929 --> 00:14:53,120

stupid or maybe they thought look she's

348

00:14:58,030 --> 00:14:55,939

a woman we can bully her in but maybe

349

00:15:00,579 --> 00:14:58,040

she'll back down as you know that was

350

00:15:02,679 --> 00:15:00,589

not the case and I came out I'm very

351

00:15:05,559 --> 00:15:02,689

transparent I want to keep children safe

352

00:15:08,379 --> 00:15:05,569

and I spoke out and I made that video

353

00:15:09,490 --> 00:15:08,389

you know to show vexed and she showed

354

00:15:11,170 --> 00:15:09,500

the team that I'm not going to be

355

00:15:12,550 --> 00:15:11,180

bullied I'm not gonna be intimidated and

356

00:15:15,160 --> 00:15:12,560

if they want to sue me bring it on

357

00:15:17,319 --> 00:15:15,170

because I have done nothing wrong I have

358

00:15:19,179 --> 00:15:17,329

not slammed them this is not defamation

359

00:15:22,389 --> 00:15:19,189

like they claim because everything I

360

00:15:24,400 --> 00:15:22,399

said is true I'm basically echoing all

361

00:15:26,439 --> 00:15:24,410

the statements that they are making in

362

00:15:29,110 --> 00:15:26,449

videos there's just so many videos of

363

00:15:31,689 --> 00:15:29,120

them stating these crazy claims do not

364

00:15:33,400 --> 00:15:31,699

vaccinating children is one stay away

365

00:15:35,920 --> 00:15:33,410

from pediatricians they are dangerous

366

00:15:37,449 --> 00:15:35,930

which is absolutely terrifying and then

367

00:15:39,400 --> 00:15:37,459

other things like you've got a rise up

368

00:15:42,009 --> 00:15:39,410

and use your guns to you know fight this

369

00:15:44,620 --> 00:15:42,019

issue promotion of violence it's just

370

00:15:47,170 --> 00:15:44,630

shocking Richard Dunn dem and it's my

371

00:15:48,759 --> 00:15:47,180

right like they harp on about freedom of

372

00:15:51,129 --> 00:15:48,769

speech or be here is mr. Wakefield

373

00:15:53,319 --> 00:15:51,139

saying freedom of speech I've a right to

374

00:15:54,879 --> 00:15:53,329

express my views but when an autistic

375

00:15:57,460 --> 00:15:54,889

person stands up and says well actually

376

00:16:00,250 --> 00:15:57,470

I have an opinion we're threatened we're

377

00:16:00,550 --> 00:16:00,260

bullied and we're intimidated it's

378

00:16:02,290 --> 00:16:00,560

pretty

379

00:16:04,240 --> 00:16:02,300

which coming from the vaccine to make a

380

00:16:06,880 --> 00:16:04,250

statement and that to me when they are

381

00:16:08,440 --> 00:16:06,890

all the time complaining about not being

382

00:16:10,060 --> 00:16:08,450

able to have their opinions heard and

383

00:16:12,820 --> 00:16:10,070

there's no that there's nobody stopping

384

00:16:14,620 --> 00:16:12,830

Andrew Wakefield from putting his film

385

00:16:16,840 --> 00:16:14,630

on YouTube which you can show to the

386

00:16:18,760 --> 00:16:16,850

whole world but he won't do that why

387

00:16:19,900 --> 00:16:18,770

because it's all about money because

388

00:16:22,000 --> 00:16:19,910

they want to make money and that's

389

00:16:24,400 --> 00:16:22,010

what's going on here there is huge money

390

00:16:27,040 --> 00:16:24,410

the merchandise you know the continuous

391

00:16:29,290 --> 00:16:27,050

we need donations for our tour the bus

392

00:16:30,700 --> 00:16:29,300

all this stuff and they never talk about

393

00:16:33,190 --> 00:16:30,710

the deaths of these innocent children

394

00:16:35,620 --> 00:16:33,200

who don't choose to die you know the

395

00:16:38,530 --> 00:16:35,630

babies that end up in hospital blinded

396

00:16:40,300 --> 00:16:38,540

by measles with encephalitis some of

397

00:16:41,950 --> 00:16:40,310

them you know end up being disabled

398

00:16:46,269 --> 00:16:41,960

because of these awful diseases and then

399

00:16:48,250 --> 00:16:46,279

many die we know in 2014 there was one

400

00:16:50,019 --> 00:16:48,260

hundred and fourteen thousand deaths

401
00:16:52,630 --> 00:16:50,029
from these rules and most of them are in

402
00:16:54,250 --> 00:16:52,640
children under the age of five I'd like

403
00:16:55,720 --> 00:16:54,260
them to talk about those children but

404
00:16:57,610 --> 00:16:55,730
they never do they never mentioned those

405
00:16:59,050 --> 00:16:57,620
children's yes you're absolutely right

406
00:17:01,930 --> 00:16:59,060
they don't tend to mention those people

407
00:17:04,990 --> 00:17:01,940
or if they do sometimes they will

408
00:17:09,010 --> 00:17:05,000
downplay the seriousness of the diseases

409
00:17:12,189 --> 00:17:09,020
in question or we'll just won't even

410
00:17:15,069 --> 00:17:12,199
admit to these diseases at all as

411
00:17:17,829 --> 00:17:15,079
bizarre as that that sounds but I think

412
00:17:19,390 --> 00:17:17,839
you'll find as we find here in Australia

413
00:17:21,250 --> 00:17:19,400

there are a lot of people very

414

00:17:23,770 --> 00:17:21,260

well-meaning people who think they are

415

00:17:26,410 --> 00:17:23,780

on the right thing who found a crusade

416

00:17:28,449 --> 00:17:26,420

but they're hopelessly misguided of

417

00:17:31,390 --> 00:17:28,459

course but the letter you received in

418

00:17:34,620 --> 00:17:31,400

the end was from a cinema yeah I

419

00:17:38,230 --> 00:17:34,630

received a letter and basically from

420

00:17:40,090 --> 00:17:38,240

cinema libre in california and they are

421

00:17:42,340 --> 00:17:40,100

the the film company that distribute

422

00:17:44,080 --> 00:17:42,350

this film that's that was from it was

423

00:17:47,169 --> 00:17:44,090

from philip dr's so he's the CEO of

424

00:17:48,820 --> 00:17:47,179

cinema libro and you know probably a

425

00:17:50,500 --> 00:17:48,830

well-respected film distributor i don't

426

00:17:53,020 --> 00:17:50,510

know much about them myself i loved

427

00:17:55,360 --> 00:17:53,030

movies but i am yeah it was really it

428

00:17:57,280 --> 00:17:55,370

was really frightening because I'm you

429

00:17:59,830 --> 00:17:57,290

know he said he was writing on behalf of

430

00:18:01,480 --> 00:17:59,840

andrew wakefield and poly Tommy and

431

00:18:03,370 --> 00:18:01,490

dolby truehd are the three people

432

00:18:05,710 --> 00:18:03,380

involved in this movement basically and

433

00:18:07,419 --> 00:18:05,720

it said that they're accusing the other

434

00:18:10,660 --> 00:18:07,429

defamation campaign so that's what I've

435

00:18:12,550 --> 00:18:10,670

been accused of which I completely say

436

00:18:13,700 --> 00:18:12,560

that was completely incorrect like I

437

00:18:15,080 --> 00:18:13,710

said I'm echoing

438

00:18:17,570 --> 00:18:15,090

everything that these people are saying

439

00:18:19,070 --> 00:18:17,580

so it is not defamation okay what

440

00:18:22,399 --> 00:18:19,080

they're saying is what they're saying

441

00:18:24,560 --> 00:18:22,409

and then I'm doing this as an effort to

442

00:18:26,720 --> 00:18:24,570

harm their business and I really want to

443

00:18:28,220 --> 00:18:26,730

focus on that word because i'm

444

00:18:29,930 --> 00:18:28,230

highlighting it again that it is a

445

00:18:31,909 --> 00:18:29,940

business for them this is about money

446

00:18:34,070 --> 00:18:31,919

it's not about actually you know

447

00:18:35,899 --> 00:18:34,080

informing people it's about making money

448

00:18:38,169 --> 00:18:35,909

so they have said that it's an effort to

449

00:18:40,940 --> 00:18:38,179

harm their business if I don't comply

450

00:18:43,519 --> 00:18:40,950

with their demand I mean these are the

451

00:18:45,889 --> 00:18:43,529

coaching the letter here they will take

452

00:18:48,159 --> 00:18:45,899

action and they don't say legal action

453

00:18:50,930 --> 00:18:48,169

they just say they will take action and

454

00:18:52,789 --> 00:18:50,940

basically they will sue me for damages

455

00:18:54,860 --> 00:18:52,799

and financial compensation for loss of

456

00:18:56,360 --> 00:18:54,870

them money if people don't turn up at

457

00:18:59,299 --> 00:18:56,370

the cinema basically I mean it's

458

00:19:02,779 --> 00:18:59,309

absolutely crazy crazy is right so you

459

00:19:05,060 --> 00:19:02,789

receive this letter threatening legal

460

00:19:06,590 --> 00:19:05,070

action yeah you went I think you and

461

00:19:08,840 --> 00:19:06,600

more or less straight online and made a

462

00:19:10,909 --> 00:19:08,850

video which has subsequently been seen

463

00:19:13,279 --> 00:19:10,919

as i said before by thousands of people

464

00:19:15,350 --> 00:19:13,289

and since then wow this story has gone

465

00:19:17,210 --> 00:19:15,360

viral and ballistic i'm pleased to say

466

00:19:19,220 --> 00:19:17,220

you've made the newspapers in ireland

467

00:19:21,409 --> 00:19:19,230

there are other blogs writing about it

468

00:19:23,840 --> 00:19:21,419

skeptical blogs eye contact to you

469

00:19:26,659 --> 00:19:23,850

myself so it's nice to know there is a

470

00:19:28,190 --> 00:19:26,669

some support there for you yeah the

471

00:19:30,409 --> 00:19:28,200

support has been great and I really want

472

00:19:32,120 --> 00:19:30,419

to thank the science community really

473

00:19:33,710 --> 00:19:32,130

you know the people that know what

474

00:19:35,659 --> 00:19:33,720

they're talking about I haven't with the

475

00:19:37,789 --> 00:19:35,669

facts and the evidence they have come

476

00:19:39,680 --> 00:19:37,799

out in you know I i have received so

477

00:19:41,240 --> 00:19:39,690

many wonderful messages all around the

478

00:19:43,789 --> 00:19:41,250

world including from yourself Richard

479

00:19:46,039 --> 00:19:43,799

and it's just been I don't you know I'm

480

00:19:47,659 --> 00:19:46,049

not afraid of these people and but

481

00:19:49,310 --> 00:19:47,669

having that support around me is is

482

00:19:51,409 --> 00:19:49,320

really important right now and I've had

483

00:19:53,240 --> 00:19:51,419

some people lawyers actually contact me

484

00:19:55,820 --> 00:19:53,250

offering me free legal advice so that's

485

00:19:58,070 --> 00:19:55,830

great you know if it comes to it that

486

00:19:59,570 --> 00:19:58,080

this goes further then obviously you

487

00:20:01,880 --> 00:19:59,580

know I will need to get my ducks in a

488

00:20:05,120 --> 00:20:01,890

row so to speak but I'm not afraid I'm

489

00:20:07,039 --> 00:20:05,130

not afraid of andrew wakefield I'm not

490

00:20:08,630 --> 00:20:07,049

afraid of these people and I want to

491

00:20:11,090 --> 00:20:08,640

make that clear to them today that em

492

00:20:12,710 --> 00:20:11,100

they've gotten away with a lot over the

493

00:20:14,210 --> 00:20:12,720

last 20-odd years they really really

494

00:20:15,740 --> 00:20:14,220

have it's shocking actually and the

495

00:20:18,500 --> 00:20:15,750

bullying and the exploitation of

496

00:20:21,110 --> 00:20:18,510

autistic people and we're not taking it

497

00:20:23,240 --> 00:20:21,120

anymore and you know we have the

498

00:20:24,860 --> 00:20:23,250

evidence than we have sites with us they

499

00:20:26,960 --> 00:20:24,870

don't have that you know and if it goes

500

00:20:27,680 --> 00:20:26,970

into a court of law they're only going

501
00:20:31,519 --> 00:20:27,690
to you know

502
00:20:33,379 --> 00:20:31,529
end up worse off than war before I I

503
00:20:34,759 --> 00:20:33,389
don't think I hope that they won't take

504
00:20:36,259 --> 00:20:34,769
that risk because it's not about me

505
00:20:38,119 --> 00:20:36,269
going to corporate us about the distress

506
00:20:39,889 --> 00:20:38,129
that would cause my family you know

507
00:20:42,529 --> 00:20:39,899
which is which is wrong they shouldn't

508
00:20:43,759 --> 00:20:42,539
be picking on a on an autistic woman in

509
00:20:45,769 --> 00:20:43,769
wescott with five kids absolutely

510
00:20:48,350 --> 00:20:45,779
disgusting behavior it really really is

511
00:20:51,049 --> 00:20:48,360
and em you know if this film company

512
00:20:52,249 --> 00:20:51,059
can't handle healthy criticism of a film

513
00:20:53,899 --> 00:20:52,259

then they shouldn't be in the business

514

00:20:56,119 --> 00:20:53,909

either and I suppose that's what people

515

00:20:58,310 --> 00:20:56,129

are very angry about is that am this

516

00:21:00,409 --> 00:20:58,320

Philip Diaz this CEO should welcome

517

00:21:02,509 --> 00:21:00,419

criticism if he was really good at what

518

00:21:04,610 --> 00:21:02,519

he's doing you know it's important to

519

00:21:06,499 --> 00:21:04,620

hear feedback from people you know the

520

00:21:07,879 --> 00:21:06,509

autistic community and you know we don't

521

00:21:10,850 --> 00:21:07,889

we don't make anything out this you know

522

00:21:13,430 --> 00:21:10,860

that so we can't do the big websites you

523

00:21:14,720 --> 00:21:13,440

know the big kind of glossy videos which

524

00:21:17,180 --> 00:21:14,730

is what they're doing here so we're

525

00:21:18,980 --> 00:21:17,190

trying our best to fight back we start

526

00:21:21,879 --> 00:21:18,990

off with our own iPhones and doing

527

00:21:25,580 --> 00:21:21,889

videos ourselves we don't have that same

528

00:21:27,499 --> 00:21:25,590

platform that they have but we do have

529

00:21:30,560 --> 00:21:27,509

passion and we are going to fight and

530

00:21:32,450 --> 00:21:30,570

and them it's just a matter of exposing

531

00:21:34,669 --> 00:21:32,460

them and that's what we're here to do to

532

00:21:36,110 --> 00:21:34,679

warn society about what this movement is

533

00:21:38,090 --> 00:21:36,120

doing because they are going on tour

534

00:21:39,409 --> 00:21:38,100

they're going on Wednesday I think that

535

00:21:41,749 --> 00:21:39,419

they're going out in a bar sterling to

536

00:21:44,330 --> 00:21:41,759

be touring the whole of America chocking

537

00:21:46,360 --> 00:21:44,340

out merchandise to people well folks

538

00:21:50,269 --> 00:21:46,370

what I'm going to do there are so many

539

00:21:53,210 --> 00:21:50,279

links now regarding the story links to

540

00:21:55,369 --> 00:21:53,220

newspapers blogs videos and all sorts of

541

00:21:57,080 --> 00:21:55,379

things I'm going to include those in the

542

00:21:59,269 --> 00:21:57,090

show notes for this week it's going to

543

00:22:01,369 --> 00:21:59,279

be quite a an extensive show note

544

00:22:04,610 --> 00:22:01,379

section but apart from that fear and a

545

00:22:06,950 --> 00:22:04,620

where should people visit well we have a

546

00:22:08,990 --> 00:22:06,960

website autistic rights together daei

547

00:22:11,149 --> 00:22:09,000

and if you go on our website you'll get

548

00:22:13,399 --> 00:22:11,159

all my contact information we're on

549

00:22:15,889 --> 00:22:13,409

Facebook autistic rights together and

550

00:22:17,899 --> 00:22:15,899

I'm on Facebook Fiona O'Leary so we're

551

00:22:20,690 --> 00:22:17,909

always posting and updating really on

552

00:22:22,549 --> 00:22:20,700

facebook on Twitter as well so if anyone

553

00:22:25,159 --> 00:22:22,559

has any questions they can contact our

554

00:22:27,080 --> 00:22:25,169

website by email or by phone we're here

555

00:22:29,269 --> 00:22:27,090

to help and or they can reach me on

556

00:22:33,080 --> 00:22:29,279

Facebook we just we just try to keep

557

00:22:34,759 --> 00:22:33,090

this ongoing every day because i know

558

00:22:35,749 --> 00:22:34,769

that this movement is not going away and

559

00:22:37,220 --> 00:22:35,759

I know they're trying to actually get

560

00:22:39,680 --> 00:22:37,230

the film into Ireland as we speak and

561

00:22:41,460 --> 00:22:39,690

into the UK and into your country

562

00:22:43,950 --> 00:22:41,470

they're basically trying to bring it all

563

00:22:45,180 --> 00:22:43,960

the world and this is not about freedom

564

00:22:48,330 --> 00:22:45,190

of speech I wanted to make that clear

565

00:22:49,830 --> 00:22:48,340

this is about protecting children who

566

00:22:51,539 --> 00:22:49,840

don't have a voice ok they're not

567

00:22:53,220 --> 00:22:51,549

choosing to get the measles they're not

568

00:22:55,200 --> 00:22:53,230

choosing to get you know whooping cough

569

00:22:57,090 --> 00:22:55,210

all these horrible diseases they don't

570

00:22:59,220 --> 00:22:57,100

want them and i will keep speaking out

571

00:23:01,740 --> 00:22:59,230

and that until something is done and i

572

00:23:03,480 --> 00:23:01,750

won't stop well beyond oh my goodness

573

00:23:05,610 --> 00:23:03,490

it's good to know the international

574

00:23:07,980 --> 00:23:05,620

scientific and skeptical community has

575

00:23:09,480 --> 00:23:07,990

rallied around you and come to your aid

576

00:23:13,710 --> 00:23:09,490

I know you're getting lots of letters

577

00:23:15,270 --> 00:23:13,720

and messages of support from from well

578

00:23:17,190 --> 00:23:15,280

from people from all around the world

579

00:23:19,020 --> 00:23:17,200

who are also very concerned with this

580

00:23:21,210 --> 00:23:19,030

issue and I think we'll have to catch up

581

00:23:23,279 --> 00:23:21,220

with you soon to find out how things are

582

00:23:25,940 --> 00:23:23,289

progressing and I tell you what fear and

583

00:23:29,370 --> 00:23:25,950

i'll post over to Ireland a copy of Maya

584

00:23:31,350 --> 00:23:29,380

DVD origami I am sure you and your kids

585

00:23:33,659 --> 00:23:31,360

will enjoy that well thanks Richard I'm

586

00:23:36,299 --> 00:23:33,669

really grateful to all you guys I think

587

00:23:37,919 --> 00:23:36,309

you do marvelous work and you know we

588

00:23:39,149 --> 00:23:37,929

share your blog's all the time as well

589

00:23:40,890 --> 00:23:39,159

because that's what we need to do it's

590

00:23:42,659 --> 00:23:40,900

really about passing information to each

591

00:23:44,610 --> 00:23:42,669

other to educate people really that's

592

00:23:46,680 --> 00:23:44,620

the biggest problem is lack of education

593

00:23:47,909 --> 00:23:46,690

on this issue but thank you so much for

594

00:23:50,909 --> 00:23:47,919

having me Richard I'm very very grateful

595

00:23:53,250 --> 00:23:50,919

thank you but for now Fiona O'Leary from

596

00:24:06,759 --> 00:23:53,260

West Cork in Ireland thank you very much

597

00:24:14,029 --> 00:24:10,579

mr. Katz Aragami jewelry pendants

598

00:24:15,879 --> 00:24:14,039

earrings and cufflinks all handmade by

599

00:24:18,379 --> 00:24:15,889

yours truly Richard Saunders and

600

00:24:22,190 --> 00:24:18,389

featuring many popular designs like

601
00:24:25,729 --> 00:24:22,200
origami Pegasus the flying pig you can

602
00:24:28,519 --> 00:24:25,739
find the store at facebook.com slash mr.

603
00:24:46,259 --> 00:24:28,529
Katz origami or by following the link at

604
00:24:51,089 --> 00:24:48,299
and joining me now from one of the

605
00:24:53,070 --> 00:24:51,099
places I love very much indeed all the

606
00:24:56,389 --> 00:24:53,080
way from Edinburgh in Scotland we have

607
00:25:00,869 --> 00:24:56,399
mark bentler and sean slater hello hello

608
00:25:02,820 --> 00:25:00,879
very good well evening TX it's a good

609
00:25:04,379 --> 00:25:02,830
morning from me and it's a good evening

610
00:25:08,729 --> 00:25:04,389
from you I know I sound like the two

611
00:25:09,899 --> 00:25:08,739
rounds now do you Ronnie yes folks as we

612
00:25:11,699 --> 00:25:09,909
do this interview it's early morning

613
00:25:14,070 --> 00:25:11,709

here in Sydney Australia but I think

614

00:25:16,560 --> 00:25:14,080

it's rather late ish in the evening in

615

00:25:17,759 --> 00:25:16,570

Edinburgh in Scotland and I'll but I

616

00:25:19,979 --> 00:25:17,769

better ask the question what's the

617

00:25:21,810 --> 00:25:19,989

weather like it's not been too bad today

618

00:25:24,029 --> 00:25:21,820

actually for a change there's an old

619

00:25:26,009 --> 00:25:24,039

saying about whether in Scotland I I

620

00:25:29,599 --> 00:25:26,019

rather enjoyed somewhere in Scotland

621

00:25:32,819 --> 00:25:29,609

this year i believe it was a Wednesday I

622

00:25:36,239 --> 00:25:32,829

have been to Edinburgh a verb Oh quite a

623

00:25:39,989 --> 00:25:36,249

few times not not too recently sadly in

624

00:25:41,819 --> 00:25:39,999

fact i took part one time in the mid 90s

625

00:25:43,949 --> 00:25:41,829

in the Edinburgh Science Festival where

626

00:25:46,799 --> 00:25:43,959

I went to a water divining day which was

627

00:25:49,469 --> 00:25:46,809

which was quite interesting so I good

628

00:25:51,269 --> 00:25:49,479

memories of Scotland now you have

629

00:25:52,589 --> 00:25:51,279

contacted me and I've contacted you it's

630

00:25:55,289 --> 00:25:52,599

been going on for a little while now

631

00:25:58,379 --> 00:25:55,299

we've been meaning to do this and I want

632

00:26:00,659 --> 00:25:58,389

you to let our audience know especially

633

00:26:03,149 --> 00:26:00,669

the audience who are listening in the UK

634

00:26:05,729 --> 00:26:03,159

about the upcoming fringe but before we

635

00:26:08,579 --> 00:26:05,739

get to that who can tell me a little bit

636

00:26:12,469 --> 00:26:08,589

about the Edinburgh skeptics and well

637

00:26:15,749 --> 00:26:12,479

edimo skeptics was founded in 2009 by

638

00:26:18,659 --> 00:26:15,759

ash price following a suggestion from

639

00:26:22,529 --> 00:26:18,669

Chris French actually and one of the

640

00:26:26,729 --> 00:26:22,539

first skeptics groups in the UK so been

641

00:26:28,440 --> 00:26:26,739

going in seven years now and I think not

642

00:26:30,779 --> 00:26:28,450

sure whether the fringe run was done in

643

00:26:33,659 --> 00:26:30,789

2009 that may have started a year later

644

00:26:35,729 --> 00:26:33,669

but yeah we've we've been doing lots and

645

00:26:37,680 --> 00:26:35,739

lots of events over well many years now

646

00:26:39,749 --> 00:26:37,690

one of the other things we've been doing

647

00:26:42,989 --> 00:26:39,759

recently is getting more involved with

648

00:26:45,989 --> 00:26:42,999

outreach in the local area so we had a

649

00:26:48,449 --> 00:26:45,999

stall at a local festival called Medicus

650

00:26:50,699 --> 00:26:48,459

festival held on the meadows it's a

651
00:26:53,719 --> 00:26:50,709
large park and open space in the center

652
00:26:56,879 --> 00:26:53,729
of the city and people from everywhere

653
00:26:59,000 --> 00:26:56,889
bring their stalls and sell their wares

654
00:27:01,010 --> 00:26:59,010
and promote themselves and what

655
00:27:04,390 --> 00:27:01,020
things we noticed was that there was an

656
00:27:07,220 --> 00:27:04,400
awful lot of whoo at the festival we saw

657
00:27:10,370 --> 00:27:07,230
chiropractors we saw people selling

658
00:27:12,590 --> 00:27:10,380
homeopathy and other types of alts mad I

659
00:27:14,390 --> 00:27:12,600
believe there was some kind of Dragon

660
00:27:16,730 --> 00:27:14,400
crystals or something showing you might

661
00:27:19,040 --> 00:27:16,740
remember that got a walk around the

662
00:27:20,660 --> 00:27:19,050
festival and it was unbelievable some of

663
00:27:22,070 --> 00:27:20,670

the stuff a lot of it was this famous

664

00:27:24,590 --> 00:27:22,080

regular stuff but i would say about

665

00:27:27,860 --> 00:27:24,600

everything 10th stall was selling some

666

00:27:30,140 --> 00:27:27,870

sort of weird crystal lore goes well

667

00:27:32,090 --> 00:27:30,150

silencer I've been decided we wanted to

668

00:27:35,480 --> 00:27:32,100

bring some rationality to this festival

669

00:27:37,280 --> 00:27:35,490

so we had a stall and we had Flyers to

670

00:27:39,590 --> 00:27:37,290

promote ourselves and the group and what

671

00:27:41,630 --> 00:27:39,600

we do we also have some fun science

672

00:27:44,030 --> 00:27:41,640

demonstrations so Sean didn't

673

00:27:47,930 --> 00:27:44,040

demonstration of homeopathy how it's

674

00:27:51,470 --> 00:27:47,940

made we did water divining and talking

675

00:27:54,140 --> 00:27:51,480

about the ideomotor effect we also did

676

00:27:55,910 --> 00:27:54,150

some applied kinesiology using the

677

00:27:58,100 --> 00:27:55,920

techniques which I believe you

678

00:27:59,510 --> 00:27:58,110

demonstrated Richard for the video for

679

00:28:03,020 --> 00:27:59,520

the good thinking society which I

680

00:28:05,150 --> 00:28:03,030

earlier together yeah so I use your

681

00:28:08,180 --> 00:28:05,160

techniques and from that talking about

682

00:28:10,040 --> 00:28:08,190

reading esting was really fun and so many

683

00:28:12,110 --> 00:28:10,050

people came to us that weekend to say

684

00:28:13,760 --> 00:28:12,120

we're into this kind of thing but we

685

00:28:15,530 --> 00:28:13,770

didn't know you existed and it was

686

00:28:17,630 --> 00:28:15,540

really nice to build more of community

687

00:28:19,130 --> 00:28:17,640

and we had some great conversations as

688

00:28:21,380 --> 00:28:19,140

well while war there was some of the

689

00:28:24,080 --> 00:28:21,390

people come to the stall were rather

690

00:28:25,700 --> 00:28:24,090

less skeptical we shall say um and I

691

00:28:27,500 --> 00:28:25,710

won't say they wanted an argument but

692

00:28:30,770 --> 00:28:27,510

they wanted robust discussion and some

693

00:28:32,540 --> 00:28:30,780

of them were friendly some of them not

694

00:28:34,010 --> 00:28:32,550

so but nobody was there we never felt

695

00:28:35,920 --> 00:28:34,020

threatened we never felt dangerous or

696

00:28:38,030 --> 00:28:35,930

anything it was actually really good fun

697

00:28:40,520 --> 00:28:38,040

one of the best things that she did when

698

00:28:43,160 --> 00:28:40,530

it bakes chalkboard a whiteboard up and

699

00:28:45,380 --> 00:28:43,170

one of the one of the the presenters we

700

00:28:47,420 --> 00:28:45,390

had doing this tour with us had the idea

701

00:28:50,420 --> 00:28:47,430

to write up free wine and in brackets

702

00:28:52,910 --> 00:28:50,430

and small letters homeopathic and of

703

00:28:56,750 --> 00:28:52,920

course when they came to the stall week

704

00:28:58,010 --> 00:28:56,760

8 i'm a glass of water and hang on and

705

00:28:59,390 --> 00:28:58,020

that was a brilliant conversation

706

00:29:02,720 --> 00:28:59,400

starter we got a lots and lots of people

707

00:29:05,530 --> 00:29:02,730

coming up for this freeway oh I'm

708

00:29:08,300 --> 00:29:05,540

surprised that wasn't free whiskey

709

00:29:10,040 --> 00:29:08,310

that's a very good point we really

710

00:29:11,990 --> 00:29:10,050

dropped the ball on that was sure oh

711

00:29:12,440 --> 00:29:12,000

this at Edinboro everybody drinks wine

712

00:29:15,560 --> 00:29:12,450

at

713

00:29:17,810 --> 00:29:15,570

a cosmopolitan right here you see will

714

00:29:19,250 --> 00:29:17,820

they go you know red and white wine it's

715

00:29:22,910 --> 00:29:19,260

incredible how much have gone out in the

716

00:29:24,560 --> 00:29:22,920

city so mark are their regular events

717

00:29:26,690 --> 00:29:24,570

like skeptics in the pub yeah absolutely

718

00:29:29,360 --> 00:29:26,700

we do we're monthly skeptics in the pub

719

00:29:32,180 --> 00:29:29,370

events we have also just brought back

720

00:29:33,710 --> 00:29:32,190

our monthly social events where you know

721

00:29:37,070 --> 00:29:33,720

we have more of a community feel and we

722

00:29:39,020 --> 00:29:37,080

can just talk and have fun i'm sure i

723

00:29:42,020 --> 00:29:39,030

guess i'll let you go talk about your

724

00:29:43,610 --> 00:29:42,030

film night as well yeah we started how I

725

00:29:46,400 --> 00:29:43,620

got involved in the group actually I

726

00:29:48,140 --> 00:29:46,410

have a better a passion for movies and I

727

00:29:49,580 --> 00:29:48,150

thought was so many great films out

728

00:29:51,080 --> 00:29:49,590

there we could bring to the skeptics

729

00:29:54,440 --> 00:29:51,090

which we do my started about a year ago

730

00:29:56,000 --> 00:29:54,450

my regular film a and we get we actually

731

00:29:59,210 --> 00:29:56,010

do in conjunction with a British Science

732

00:30:00,980 --> 00:29:59,220

Association and they got really good

733

00:30:03,050 --> 00:30:00,990

contact they help us find speakers and

734

00:30:05,810 --> 00:30:03,060

we try and put a speak it on with a

735

00:30:08,450 --> 00:30:05,820

rough sort of topic up there will be

736

00:30:09,740 --> 00:30:08,460

shown and the themes in the film so so

737

00:30:11,810 --> 00:30:09,750

it's what really well we gave quite a

738

00:30:14,480 --> 00:30:11,820

good audience for that yeah I'm pleased

739

00:30:17,330 --> 00:30:14,490

to know that that's going on I had the

740

00:30:19,550 --> 00:30:17,340

pleasure of giving a talk to the

741

00:30:22,400 --> 00:30:19,560

Edinburgh skeptics who i think it was

742

00:30:26,240 --> 00:30:22,410

around twenty twelve or twenty thirteen

743

00:30:29,510 --> 00:30:26,250

i happen to be in in scotland in fact i

744

00:30:31,730 --> 00:30:29,520

was on my way to QED at the time i went

745

00:30:33,680 --> 00:30:31,740

via scotland which is what you have to

746

00:30:35,600 --> 00:30:33,690

do if you go to the UK you have to do

747

00:30:37,910 --> 00:30:35,610

everything why is colin and i had the

748

00:30:39,410 --> 00:30:37,920

pleasure in fact i think that and i met

749

00:30:42,170 --> 00:30:39,420

up with my good friend richard wiseman

750

00:30:44,870 --> 00:30:42,180

there and did an interview with him so

751

00:30:47,420 --> 00:30:44,880

yes I've got very fond memories of a

752

00:30:49,370 --> 00:30:47,430

veteran borough of course now let's get

753

00:30:51,650 --> 00:30:49,380

to this information coming through about

754

00:30:53,380 --> 00:30:51,660

the involvement that the Edinburgh

755

00:30:56,300 --> 00:30:53,390

skeptics will have in the upcoming

756

00:30:57,860 --> 00:30:56,310

fringe maybe Sean what is this fringe

757

00:30:59,450 --> 00:30:57,870

all about for people who listening

758

00:31:02,870 --> 00:30:59,460

around the world who may not know about

759

00:31:04,670 --> 00:31:02,880

it well the French is a festival that

760

00:31:07,790 --> 00:31:04,680

grew out to the official Edinburgh

761

00:31:09,980 --> 00:31:07,800

Festival back in 1947 I believe it

762

00:31:12,200 --> 00:31:09,990

started and the fringe would put on on

763

00:31:14,570 --> 00:31:12,210

the edge for performers who didn't get

764

00:31:16,310 --> 00:31:14,580

an official license and it's grown and

765

00:31:17,900 --> 00:31:16,320

grown and grown I'm sure your listeners

766

00:31:19,520 --> 00:31:17,910

will be familiar with the amount of

767

00:31:22,250 --> 00:31:19,530

comedians have come out of a Monty

768

00:31:24,230 --> 00:31:22,260

Python stuff like that and the fringe is

769

00:31:25,700 --> 00:31:24,240

now a huge huge event it's reckoned to

770

00:31:26,330 --> 00:31:25,710

be one of the biggest arts festivals in

771

00:31:29,460 --> 00:31:26,340

the world

772

00:31:31,530 --> 00:31:29,470

and as part of that we wanted to get

773

00:31:33,960 --> 00:31:31,540

involved it's a real real major part of

774

00:31:35,130 --> 00:31:33,970

the culture away for the city and we

775

00:31:36,540 --> 00:31:35,140

thought the skeptics should really be

776

00:31:38,970 --> 00:31:36,550

heavily involved in that whatever we can

777

00:31:40,200 --> 00:31:38,980

I putting on our own events and in the

778

00:31:42,570 --> 00:31:40,210

fringe we've actually got some really

779

00:31:44,610 --> 00:31:42,580

really good speakers some of them are

780

00:31:46,050 --> 00:31:44,620

gonna be very familiar to your audience

781

00:31:48,780 --> 00:31:46,060

one of them's Michael Marshall or

782

00:31:50,700 --> 00:31:48,790

Marshall masak skeptics yes one of these

783

00:31:53,670 --> 00:31:50,710

people who does hundreds of talks but

784

00:31:55,860 --> 00:31:53,680

such a such a good speaker we've got

785

00:31:58,320 --> 00:31:55,870

karani who's a science rates rated and

786

00:32:02,400 --> 00:31:58,330

broadcaster we've got Chris French you

787

00:32:04,620 --> 00:32:02,410

i'm sure most of you know star this year

788

00:32:06,330 --> 00:32:04,630

probably certainly the one being spread

789

00:32:09,780 --> 00:32:06,340

to get the biggest audience is david not

790

00:32:11,190 --> 00:32:09,790

and i'm not sure if anybody that you how

791

00:32:15,060 --> 00:32:11,200

many of your listeners will be familiar

792

00:32:18,930 --> 00:32:15,070

with him he was a government advisor on

793

00:32:20,730 --> 00:32:18,940

drugs who put forward a suggestion of

794

00:32:23,270 --> 00:32:20,740

decriminalization mark would that be

795

00:32:26,810 --> 00:32:23,280

right it was more you want to hear

796

00:32:29,160 --> 00:32:26,820

personalization regime yeah not just a

797

00:32:32,220 --> 00:32:29,170

decriminalization but but also looking

798

00:32:34,260 --> 00:32:32,230

into how you classify drugs as dangerous

799

00:32:36,660 --> 00:32:34,270

or not dangerous and then you know the

800

00:32:39,860 --> 00:32:36,670

legal aspects of what comes into that in

801
00:32:42,630 --> 00:32:39,870
terms of classification and he basically

802
00:32:47,150 --> 00:32:42,640
produces you know very very good a

803
00:32:49,770 --> 00:32:47,160
skeptical kind of statistical be led

804
00:32:52,790 --> 00:32:49,780
looked at drugs and the harm that they

805
00:32:55,110 --> 00:32:52,800
can cause and yeah he was fired by the

806
00:32:57,690 --> 00:32:55,120
labour government at the time for

807
00:33:01,110 --> 00:32:57,700
basically proving mathematically that it

808
00:33:03,330 --> 00:33:01,120
was you had more chance of dying riding

809
00:33:06,210 --> 00:33:03,340
a horse and he did taking ecstasy and

810
00:33:08,370 --> 00:33:06,220
you can't go around using fat sir when

811
00:33:11,520 --> 00:33:08,380
ideologies involved so yeah he was fired

812
00:33:15,300 --> 00:33:11,530
hmm if you do them both at once maybe

813
00:33:17,760 --> 00:33:15,310

that's the problem i don't know that

814

00:33:21,690 --> 00:33:17,770

certainly wouldn't help but anyway we've

815

00:33:24,450 --> 00:33:21,700

got 23 speakers or 23 events / 23

816

00:33:26,520 --> 00:33:24,460

consecutive nights and i don't know how

817

00:33:27,810 --> 00:33:26,530

many of your audience put on shorts for

818

00:33:30,060 --> 00:33:27,820

skeptics around the world whether the

819

00:33:31,950 --> 00:33:30,070

considering that but i have to do a

820

00:33:35,780 --> 00:33:31,960

shout out to you and Lee me who's our

821

00:33:37,800 --> 00:33:35,790

chair available skeptics urine has been

822

00:33:39,480 --> 00:33:37,810

organizing most of this he spent an

823

00:33:41,549 --> 00:33:39,490

awful lot of time and awful

824

00:33:43,440 --> 00:33:41,559

ofr and I think we should make sure you

825

00:33:45,000 --> 00:33:43,450

get some mention it sounds like a really

826

00:33:47,340 --> 00:33:45,010

fine idea to me and just as an aside

827

00:33:49,080 --> 00:33:47,350

ladies and gentlemen listen to the

828

00:33:52,860 --> 00:33:49,090

skeptic zone you would be familiar with

829

00:33:54,630 --> 00:33:52,870

our friend Tim Ferguson from the Doug

830

00:33:58,020 --> 00:33:54,640

Anthony all-stars who comes on to the

831

00:33:59,820 --> 00:33:58,030

skeptic zone from time to time and there

832

00:34:02,630 --> 00:33:59,830

they dug into the all-stars are just

833

00:34:05,570 --> 00:34:02,640

about to jet off as I understand to do a

834

00:34:07,710 --> 00:34:05,580

the fringe in embryo which is fantastic

835

00:34:11,250 --> 00:34:07,720

sounds good yeah we you should tell us

836

00:34:13,230 --> 00:34:11,260

when that is oh I will I will in fact

837

00:34:16,830 --> 00:34:13,240

folks in general I'll put it that in the

838

00:34:19,470 --> 00:34:16,840

show notes Tim Ferguson's a fine man and

839

00:34:22,220 --> 00:34:19,480

a good skeptic and he often comes on on

840

00:34:25,379 --> 00:34:22,230

the show to talk about issues regarding

841

00:34:27,690 --> 00:34:25,389

skepticism and his own health issues I I

842

00:34:29,280 --> 00:34:27,700

guess I'll have to ask you this and I

843

00:34:31,649 --> 00:34:29,290

suppose it's the question everybody

844

00:34:35,040 --> 00:34:31,659

would ask Scottish skeptics have you

845

00:34:39,030 --> 00:34:35,050

been to Loch Ness mark I have not been

846

00:34:43,470 --> 00:34:39,040

to hand in your cards hand in your card

847

00:34:45,930 --> 00:34:43,480

d no we are we moved up my wife and I II

848

00:34:49,649 --> 00:34:45,940

just over two years ago now and I think

849

00:34:51,810 --> 00:34:49,659

our hours or so Jones into Scottish

850

00:34:54,000 --> 00:34:51,820

wilderness outside of Edinburgh have not

851
00:34:56,909 --> 00:34:54,010
ventured too far over to the Western

852
00:34:59,690 --> 00:34:56,919
site but Scotland so no not yet but I

853
00:35:03,390 --> 00:34:59,700
suppose it's more north isn't it's yan

854
00:35:05,940 --> 00:35:03,400
yes am almost you north of here I've

855
00:35:07,950 --> 00:35:05,950
been several times it's absolutely

856
00:35:11,040 --> 00:35:07,960
beautiful as a stunning part of the

857
00:35:13,290 --> 00:35:11,050
world you really don't need monsters you

858
00:35:14,880 --> 00:35:13,300
don't need to that sort of rubbish to an

859
00:35:18,480 --> 00:35:14,890
order to enjoy that's part of the world

860
00:35:19,980 --> 00:35:18,490
so I recommend people just to ignore the

861
00:35:22,140 --> 00:35:19,990
monster stories and just enjoy the

862
00:35:23,790 --> 00:35:22,150
scenery now I see you must be part of

863
00:35:27,900 --> 00:35:23,800

the conspiracy then to hide near see

864

00:35:32,010 --> 00:35:27,910

other thing haha yeah I got my check

865

00:35:33,840 --> 00:35:32,020

from big monster queer a big monster

866

00:35:35,790 --> 00:35:33,850

check now I wish I could have some of

867

00:35:38,070 --> 00:35:35,800

those a big wants to check from big

868

00:35:40,620 --> 00:35:38,080

monster that's man now let's get back to

869

00:35:42,390 --> 00:35:40,630

the phone I haven't been a loch ness

870

00:35:44,670 --> 00:35:42,400

myself so I've been to Scotland a few

871

00:35:45,870 --> 00:35:44,680

times and I have not made it up to been

872

00:35:48,020 --> 00:35:45,880

to the Isle of Skye which is quite

873

00:35:50,310 --> 00:35:48,030

pretty but not Loch Ness maybe next time

874

00:35:52,600 --> 00:35:50,320

so getting back to the fringe the change

875

00:35:56,920 --> 00:35:52,610

is on from the sick

876

00:35:59,050 --> 00:35:56,930

to the twenty eighth of august i mean

877

00:36:00,910 --> 00:35:59,060

apart from your involvement in the

878

00:36:02,860 --> 00:36:00,920

fringe it's it's a time where the city

879

00:36:05,590 --> 00:36:02,870

goes a bit bonkers i think it's it's a

880

00:36:08,560 --> 00:36:05,600

really is a wonderful time and Umbra

881

00:36:13,810 --> 00:36:08,570

doesn't so well absolutely the sheer

882

00:36:15,670 --> 00:36:13,820

range of genres and ideas that just you

883

00:36:19,450 --> 00:36:15,680

know flows through the city for that

884

00:36:21,490 --> 00:36:19,460

entire month long period it's absolutely

885

00:36:23,800 --> 00:36:21,500

crazy you can walk down the street and

886

00:36:26,530 --> 00:36:23,810

just see all manner of things and street

887

00:36:29,260 --> 00:36:26,540

performers to people prosthet izing

888

00:36:31,240 --> 00:36:29,270

about various things and I'm sure you

889

00:36:34,690 --> 00:36:31,250

know in a few years time and I've lived

890

00:36:37,300 --> 00:36:34,700

here for a while I'll be as annoyed with

891

00:36:40,960 --> 00:36:37,310

it as some of the residents are that

892

00:36:42,730 --> 00:36:40,970

Emma already you know when the city kind

893

00:36:44,260 --> 00:36:42,740

of changes for this entire month of

894

00:36:48,190 --> 00:36:44,270

August you'll you'll hear a lot of

895

00:36:49,750 --> 00:36:48,200

locals who seem to really kind of hate

896

00:36:51,850 --> 00:36:49,760

it and hate what it does to their city

897

00:36:53,110 --> 00:36:51,860

but not out not all of them do there are

898

00:36:54,820 --> 00:36:53,120

some people that really love what

899

00:36:56,830 --> 00:36:54,830

happens to their to their City during

900

00:36:58,870 --> 00:36:56,840

that time obviously it's a new city for

901
00:37:00,940 --> 00:36:58,880
me but you know I've always wanted to

902
00:37:02,830 --> 00:37:00,950
come to the fringe and enjoy and I'm

903
00:37:04,690 --> 00:37:02,840
glad that not only do I have a chance to

904
00:37:06,720 --> 00:37:04,700
enjoy a friend i also have a chance to

905
00:37:10,570 --> 00:37:06,730
take part in it and it's such a rush

906
00:37:14,380 --> 00:37:10,580
yeah I absolutely I've sadly haven't

907
00:37:16,030 --> 00:37:14,390
been to Scotland for the fringe that's

908
00:37:18,750 --> 00:37:16,040
something certainly on the old bucket

909
00:37:22,660 --> 00:37:18,760
list I'd love to do that and I'm quite

910
00:37:25,330 --> 00:37:22,670
quite sad I won't be attending QED again

911
00:37:27,400 --> 00:37:25,340
this year my myself that's that's not

912
00:37:28,750 --> 00:37:27,410
too hard to get to i discovered there's

913
00:37:31,180 --> 00:37:28,760

actually a train that runs from

914

00:37:32,890 --> 00:37:31,190

edinburgh to manchaca Manchester which

915

00:37:34,990 --> 00:37:32,900

is quite handy so I don't know how many

916

00:37:37,300 --> 00:37:35,000

people take advantage of that but I've

917

00:37:39,460 --> 00:37:37,310

done it and that worked quite well well

918

00:37:42,010 --> 00:37:39,470

gentlemen well that's great thanks for

919

00:37:44,650 --> 00:37:42,020

taking time to have a chat with me I

920

00:37:46,630 --> 00:37:44,660

know it's late in the evening in in

921

00:37:49,120 --> 00:37:46,640

Attenborough again what an awful part of

922

00:37:51,790 --> 00:37:49,130

the world that is now how can people in

923

00:37:54,880 --> 00:37:51,800

the UK Scotland especially how can they

924

00:37:56,770 --> 00:37:54,890

get in in touch with you mark there are

925

00:37:59,710 --> 00:37:56,780

many ways we have our website which is

926
00:38:03,880 --> 00:37:59,720
at Edinburgh skeptics coat UK we're also

927
00:38:05,620 --> 00:38:03,890
on facebook and twitter as well people

928
00:38:06,040 --> 00:38:05,630
in the UK you want to find out more

929
00:38:08,770 --> 00:38:06,050
about

930
00:38:11,640 --> 00:38:08,780
events can look on facebook obviously

931
00:38:14,230 --> 00:38:11,650
and we're also on meetup com which is

932
00:38:17,170 --> 00:38:14,240
something that's used in quite a few

933
00:38:19,740 --> 00:38:17,180
large cities for promoting events so

934
00:38:22,930 --> 00:38:19,750
you'll find all of our events on there

935
00:38:26,230 --> 00:38:22,940
you can listen to our podcast we have

936
00:38:29,050 --> 00:38:26,240
lots of past talks and interviews with

937
00:38:30,580 --> 00:38:29,060
some of our speakers we we try and

938
00:38:32,020 --> 00:38:30,590

record as many of our talks and

939

00:38:33,850 --> 00:38:32,030

interviews with us because as possible

940

00:38:35,710 --> 00:38:33,860

just to you know give people more

941

00:38:37,540 --> 00:38:35,720

information and more background into the

942

00:38:39,400 --> 00:38:37,550

kind of people that come and talk to us

943

00:38:41,950 --> 00:38:39,410

and find out a little bit more about

944

00:38:44,650 --> 00:38:41,960

their work and also find out a bit more

945

00:38:47,010 --> 00:38:44,660

about them as a person we're very big on

946

00:38:48,970 --> 00:38:47,020

the community aspect of skepticism and

947

00:38:51,460 --> 00:38:48,980

learning a bit more about you know

948

00:38:53,830 --> 00:38:51,470

people that come in and do these talks

949

00:38:55,510 --> 00:38:53,840

and and what they do in their life is

950

00:38:57,040 --> 00:38:55,520

really interesting to find out all the

951
00:38:59,650 --> 00:38:57,050
different approaches to escapes and so I

952
00:39:01,600 --> 00:38:59,660
would urge your listeners to download

953
00:39:04,270 --> 00:39:01,610
our podcast and listen to some of our

954
00:39:05,740 --> 00:39:04,280
past events and this is the podcast have

955
00:39:08,980 --> 00:39:05,750
a specific name or is it just the

956
00:39:11,200 --> 00:39:08,990
Edinburgh skeptics podcast it is the

957
00:39:14,440 --> 00:39:11,210
enema skeptics podcaster I think better

958
00:39:16,690 --> 00:39:14,450
we do we do several types of shows so

959
00:39:18,370 --> 00:39:16,700
you know we kind of tag and label them

960
00:39:19,750 --> 00:39:18,380
all differently depending on and what it

961
00:39:23,050 --> 00:39:19,760
is but yes they're all in the one feat

962
00:39:25,870 --> 00:39:23,060
of course I'll add the links to the

963
00:39:27,820 --> 00:39:25,880

various URLs in the show notes or really

964

00:39:29,260 --> 00:39:27,830

i guess if people just googled it in bro

965

00:39:32,290 --> 00:39:29,270

skeptics they can't go wrong they should

966

00:39:36,460 --> 00:39:32,300

be able to find that and I believe that

967

00:39:39,580 --> 00:39:36,470

Shawn there is also a newsletter yeah by

968

00:39:42,330 --> 00:39:39,590

purchase a newsletter um i like to say

969

00:39:44,380 --> 00:39:42,340

every farne but it's kind of periodical

970

00:39:46,000 --> 00:39:44,390

when I can get round to doing it but

971

00:39:48,100 --> 00:39:46,010

issues at least once a month to get a

972

00:39:50,280 --> 00:39:48,110

newsletter out to people seek a sign up

973

00:39:52,240 --> 00:39:50,290

that on the website fairly easily and

974

00:39:54,430 --> 00:39:52,250

promise we won't bombard you with

975

00:39:56,650 --> 00:39:54,440

anything else it sounds like a good deal

976

00:39:57,760 --> 00:39:56,660

to me and maybe you can even mention in

977

00:39:59,770 --> 00:39:57,770

your next newsletter that you're

978

00:40:02,170 --> 00:39:59,780

appearing on the skeptic zone that would

979

00:40:04,420 --> 00:40:02,180

be pretty cool well Jen's wonderful to

980

00:40:06,040 --> 00:40:04,430

talk with you how I miss visiting

981

00:40:09,370 --> 00:40:06,050

Scotland I have to do it again maybe

982

00:40:12,520 --> 00:40:09,380

next year we can find out some sort of

983

00:40:15,010 --> 00:40:12,530

strange way I can I can come up and do a

984

00:40:17,400 --> 00:40:15,020

presentation of origami spoon bending of

985

00:40:19,480 --> 00:40:17,410

the fringe whoever that would be awesome

986

00:40:22,990 --> 00:40:19,490

well we'd love to have you a lot

987

00:40:24,609 --> 00:40:23,000

to hell yeah but for now mark peddler

988

00:40:27,160 --> 00:40:24,619

who is the vice chair I should have said

989

00:40:29,650 --> 00:40:27,170

of the embryo skeptics new ranges things

990

00:40:31,650 --> 00:40:29,660

like the podcast and sean slater who is

991

00:40:38,010 --> 00:40:31,660

on the committee thank you very much

992

00:40:38,020 --> 00:40:43,340

you

993

00:40:48,390 --> 00:40:46,050

edinburgh the home of the Scottish

994

00:40:51,090 --> 00:40:48,400

enlightenment the city that produced

995

00:40:53,660 --> 00:40:51,100

skeptical luminaries as David Hume James

996

00:40:56,940 --> 00:40:53,670

Hutton Peter hates and Mary Somerville

997

00:40:58,740 --> 00:40:56,950

Edinburgh the Athens of the north which

998

00:41:01,100 --> 00:40:58,750

were 300 years has been at the forefront

999

00:41:04,530 --> 00:41:01,110

of science medicine and the arms

1000

00:41:07,350 --> 00:41:04,540

Edinburgh form to insanely successful to

1001
00:41:09,450 --> 00:41:07,360
discuss to us and wanted pubs in August

1002
00:41:11,580 --> 00:41:09,460
the city horse the world's biggest Arts

1003
00:41:12,990 --> 00:41:11,590
Festival where the population seems to

1004
00:41:14,970 --> 00:41:13,000
double when the streets are awash with

1005
00:41:17,520 --> 00:41:14,980
wanna be comedians all vying for our

1006
00:41:18,690 --> 00:41:17,530
attention who in the right mind worked

1007
00:41:20,490 --> 00:41:18,700
in the middle of all this train

1008
00:41:22,920 --> 00:41:20,500
organized 23 different for these

1009
00:41:26,970 --> 00:41:22,930
skeptical events across 23 consecutive

1010
00:41:28,530 --> 00:41:26,980
nights animal skeptics that's who from

1011
00:41:30,120 --> 00:41:28,540
saturday the six to Sunday the

1012
00:41:32,340 --> 00:41:30,130
twenty-sixth of August will be putting

1013
00:41:34,440 --> 00:41:32,350

on different three talked every single

1014

00:41:37,050 --> 00:41:34,450

night within the Banshee labyrinth on

1015

00:41:38,850 --> 00:41:37,060

the g street at 750 if you're coming up

1016

00:41:40,530 --> 00:41:38,860

to the city in august please check out

1017

00:41:42,300 --> 00:41:40,540

our website adam at a skeptic store

1018

00:41:44,760 --> 00:41:42,310

called it UK for the full lineup and

1019

00:41:50,920 --> 00:41:44,770

please come along and say hi Annabella

1020

00:41:50,930 --> 00:41:56,050

you

1021

00:42:07,790 --> 00:42:00,710

here's Maynard spooky action at a

1022

00:42:11,120 --> 00:42:07,800

distance hey look you wouldn't thought

1023

00:42:13,070 --> 00:42:11,130

at the totally 80s gig there'd be a

1024

00:42:15,080 --> 00:42:13,080

confluence of skeptics but we've got a

1025

00:42:17,600 --> 00:42:15,090

couple of skeptics here at the backstage

1026

00:42:20,930 --> 00:42:17,610

party at the end of the Melbourne to who

1027

00:42:24,620 --> 00:42:20,940

we got here hi dr. Mel Thompson and stay

1028

00:42:26,720 --> 00:42:24,630

fine on twin up on Twitter now Steve now

1029

00:42:28,040 --> 00:42:26,730

what's a skeptic a genuine a gender

1030

00:42:29,630 --> 00:42:28,050

you've been pushing you to backstage

1031

00:42:32,240 --> 00:42:29,640

party it doesn't seem like a place

1032

00:42:33,620 --> 00:42:32,250

that's open to critical thinking oh I

1033

00:42:35,810 --> 00:42:33,630

don't know there seems to be a whole

1034

00:42:36,920 --> 00:42:35,820

bunch of fun people here not

1035

00:42:38,480 --> 00:42:36,930

particularly concerned about their

1036

00:42:40,640 --> 00:42:38,490

critical thinking skills at this point

1037

00:42:43,400 --> 00:42:40,650

just to meet a few of my favs from the

1038

00:42:45,230 --> 00:42:43,410

80s that's true and of course dr. Tom to

1039

00:42:48,050 --> 00:42:45,240

the glue she'll be pushing the agenda of

1040

00:42:49,370 --> 00:42:48,060

women in academia here tonight yes well

1041

00:42:51,710 --> 00:42:49,380

suddenly and I've seen some fabulous

1042

00:42:53,570 --> 00:42:51,720

women here tonight and I've been very

1043

00:42:55,700 --> 00:42:53,580

impressed with the performance of all

1044

00:42:57,710 --> 00:42:55,710

the ladies a particularly Katrina from

1045

00:42:59,870 --> 00:42:57,720

katrina and the waves we had a fabulous

1046

00:43:02,390 --> 00:42:59,880

on Steve and I were absolutely rocking

1047

00:43:04,610 --> 00:43:02,400

on down we got up off our seats we stood

1048

00:43:06,740 --> 00:43:04,620

at the back and partied on quite hard to

1049

00:43:08,930 --> 00:43:06,750

walking on sunshine I was talking

1050

00:43:10,400 --> 00:43:08,940

earlier to Stacey Q and I was about to

1051
00:43:11,330 --> 00:43:10,410
say something about atheism or something

1052
00:43:14,000 --> 00:43:11,340
and then she revealed to choose a

1053
00:43:15,590 --> 00:43:14,010
Tibetan Buddhist now now that's actually

1054
00:43:17,990 --> 00:43:15,600
more of a philosophy than actually

1055
00:43:20,060 --> 00:43:18,000
worshipping a deity is that correct yeah

1056
00:43:22,790 --> 00:43:20,070
as far as I understand it's just one of

1057
00:43:25,400 --> 00:43:22,800
those vague life styling sorts of things

1058
00:43:27,320 --> 00:43:25,410
be nice to people don't kill animals

1059
00:43:31,070 --> 00:43:27,330
look I say she described to me how it's

1060
00:43:33,170 --> 00:43:31,080
not so much a religion it just is and I

1061
00:43:35,360 --> 00:43:33,180
thought wow that's a very zen thing

1062
00:43:37,490 --> 00:43:35,370
isn't it well exactly that's Buddhism

1063
00:43:39,130 --> 00:43:37,500

for you it just is but with anything to

1064

00:43:41,350 --> 00:43:39,140

say that martika mentioned

1065

00:43:43,120 --> 00:43:41,360

I Catholicism today yes she hasn't

1066

00:43:44,530 --> 00:43:43,130

mentioned that anything before I know

1067

00:43:46,930 --> 00:43:44,540

she mentioned how she'd written the

1068

00:43:49,300 --> 00:43:46,940

lyrics to love thy will be done I think

1069

00:43:50,380 --> 00:43:49,310

it is and happens with the music to it

1070

00:43:51,940 --> 00:43:50,390

but you never mentioned that it was

1071

00:43:54,310 --> 00:43:51,950

cause she was a Catholic girl amongst

1072

00:43:57,220 --> 00:43:54,320

right around prayer she seems a very

1073

00:43:59,260 --> 00:43:57,230

spiritual person still but I don't know

1074

00:44:01,300 --> 00:43:59,270

she would consider us off a kathleen

1075

00:44:03,940 --> 00:44:01,310

yeah why was more interested in Terri

1076

00:44:06,250 --> 00:44:03,950

Nunn from Berlin mentioning her some of

1077

00:44:08,920 --> 00:44:06,260

the medic in the army so that was that

1078

00:44:10,480 --> 00:44:08,930

was very poignant and looked at video

1079

00:44:14,650 --> 00:44:10,490

they put with it was pretty moving as

1080

00:44:16,390 --> 00:44:14,660

well yeah okay so look for many skeptics

1081

00:44:17,860 --> 00:44:16,400

who don't actually get backstage to sort

1082

00:44:19,210 --> 00:44:17,870

of an after-show party how would you

1083

00:44:20,770 --> 00:44:19,220

describe it for them because I think

1084

00:44:22,420 --> 00:44:20,780

it's important that someone who doesn't

1085

00:44:24,940 --> 00:44:22,430

work in this hey well I'm looking around

1086

00:44:26,560 --> 00:44:24,950

on the side I'm saying empty magnums of

1087

00:44:29,050 --> 00:44:26,570

Maui and I'm saying a couple of empty

1088

00:44:32,440 --> 00:44:29,060

grey goose vodka bottles so I don't

1089

00:44:33,880 --> 00:44:32,450

worry pretty high quality Stevie you can

1090

00:44:35,440 --> 00:44:33,890

be used to this in a science field

1091

00:44:37,270 --> 00:44:35,450

wouldn't it oh I wish there's a public

1092

00:44:41,410 --> 00:44:37,280

servant for 44 years I don't think I've

1093

00:44:42,910 --> 00:44:41,420

ever seen a bottle on Maui well of all

1094

00:44:45,730 --> 00:44:42,920

the people here who would you like me to

1095

00:44:48,340 --> 00:44:45,740

try and get you to me Katrina oh yeah we

1096

00:44:50,350 --> 00:44:48,350

love one of the fangirl you know what a

1097

00:44:52,030 --> 00:44:50,360

fangirl i do have to say katrina is the

1098

00:44:53,980 --> 00:44:52,040

one who has had the best rider of all of

1099

00:44:58,480 --> 00:44:53,990

them a lot of them had food and water oh

1100

00:45:01,510 --> 00:44:58,490

no no lots and lots of bombs of beer

1101
00:45:03,340 --> 00:45:01,520
over there you go well maybe okay well

1102
00:45:05,470 --> 00:45:03,350
I'll turn the microphone off because I'm

1103
00:45:21,750 --> 00:45:05,480
sorry not everything is public will

1104
00:45:25,630 --> 00:45:23,829
excuse me Dave's Terry from real life

1105
00:45:27,700 --> 00:45:25,640
because it does inter late lap with the

1106
00:45:29,319 --> 00:45:27,710
whole skeptical issue do the lyrics to

1107
00:45:31,030 --> 00:45:29,329
send me an angel have anything to do

1108
00:45:33,040 --> 00:45:31,040
with you being an atheist already do you

1109
00:45:34,450 --> 00:45:33,050
believe in heaven above do believe in

1110
00:45:36,940 --> 00:45:34,460
love they don't have anything to do with

1111
00:45:40,329 --> 00:45:36,950
any eighth you some ideas or not no

1112
00:45:44,609 --> 00:45:40,339
actually no no it was a really it was a

1113
00:45:47,050 --> 00:45:44,619

real question that i was asking and I

1114

00:45:49,150 --> 00:45:47,060

don't with a holder it came from I just

1115

00:45:51,130 --> 00:45:49,160

don't know okay I know it was written in

1116

00:45:53,260 --> 00:45:51,140

five minutes I was written in five

1117

00:45:54,819 --> 00:45:53,270

minutes I'll just like what was the

1118

00:45:56,980 --> 00:45:54,829

other one by the jam number that's

1119

00:45:58,839 --> 00:45:56,990

entertainment was written in fibers now

1120

00:46:13,039 --> 00:45:58,849

now exactly what song is written very

1121

00:46:16,979 --> 00:46:15,029

well there you guys so you've actually

1122

00:46:18,749 --> 00:46:16,989

got to meet Katrina for Katrina to the

1123

00:46:22,589 --> 00:46:18,759

waves there Steve how did it go totally

1124

00:46:24,929 --> 00:46:22,599

fangirl I was just a quivering mess and

1125

00:46:27,269 --> 00:46:24,939

dr. mo you get to see me see I was going

1126

00:46:29,099 --> 00:46:27,279

steep don't fanboy don't finger and he

1127

00:46:31,499 --> 00:46:29,109

was not listening you're realistic it's

1128

00:46:33,479 --> 00:46:31,509

completely ignoring you made up that to

1129

00:46:36,419 --> 00:46:33,489

be fair she was very gracious and she

1130

00:46:38,880 --> 00:46:36,429

put up with the fangirl castling last

1131

00:46:40,529 --> 00:46:38,890

time and and did she just go oh I just

1132

00:46:42,209 --> 00:46:40,539

see something over there I must go and

1133

00:46:44,309 --> 00:46:42,219

do i need to go to the toilet or

1134

00:46:46,589 --> 00:46:44,319

something yeah where's the grey goose

1135

00:46:47,880 --> 00:46:46,599

vodka I think she said yeah I took over

1136

00:46:50,249 --> 00:46:47,890

that yeah I should have kept a closer

1137

00:46:52,319 --> 00:46:50,259

eye on your sitting you did / do it a

1138

00:46:54,239 --> 00:46:52,329

little bit and just let the sphere

1139

00:46:55,739 --> 00:46:54,249

listen for all skeptical investors when

1140

00:46:57,989 --> 00:46:55,749

you when you meet a famous person you

1141

00:47:00,239 --> 00:46:57,999

say one or two things to them and then

1142

00:47:02,999 --> 00:47:00,249

if they're engaging continue if they're

1143

00:47:04,769 --> 00:47:03,009

not engaging just on the note you don't

1144

00:47:06,059 --> 00:47:04,779

terminate the conversation but just

1145

00:47:07,799 --> 00:47:06,069

thank them and when you think them

1146

00:47:12,059 --> 00:47:07,809

that's their opportunity to leave or

1147

00:47:48,829 --> 00:47:12,069

stay in this is actually did I thank

1148

00:47:56,970 --> 00:47:51,660

you told me

1149

00:48:02,260 --> 00:48:00,250

SI esta simple idiot hey Sal who guys

1150

00:48:04,480 --> 00:48:02,270

guys I just had the most amazing

1151
00:48:06,310 --> 00:48:04,490
experience what experience unders unders

1152
00:48:08,140 --> 00:48:06,320
have you been to the pub I told you not

1153
00:48:10,630 --> 00:48:08,150
to hang out with mash you know she was

1154
00:48:13,150 --> 00:48:10,640
blessed by peter Popoff no yellow no i'm

1155
00:48:15,520 --> 00:48:13,160
not talking about psychics it was a

1156
00:48:17,170 --> 00:48:15,530
really SP experience now you have been

1157
00:48:20,050 --> 00:48:17,180
to the pub either that or you've been

1158
00:48:22,480 --> 00:48:20,060
smoking something no pontus the ESB is

1159
00:48:24,580 --> 00:48:22,490
the European skeptics podcast it's the

1160
00:48:26,710 --> 00:48:24,590
most amazing thing you get to know so

1161
00:48:29,560 --> 00:48:26,720
much about skeptics and their activities

1162
00:48:31,690 --> 00:48:29,570
across Europe you know events hot topics

1163
00:48:33,880 --> 00:48:31,700

and interviews with lots of interesting

1164

00:48:35,650 --> 00:48:33,890

people oh wow cool by the way pointers

1165

00:48:38,050 --> 00:48:35,660

you just committed the false dichotomy

1166

00:48:40,900 --> 00:48:38,060

fallacy I guess that means I'm really

1167

00:48:42,940 --> 00:48:40,910

wrong yep and you can even learn about

1168

00:48:45,400 --> 00:48:42,950

those fallacies in the show and hear

1169

00:48:47,680 --> 00:48:45,410

about people spreading silly ideas you

1170

00:48:50,650 --> 00:48:47,690

should really check it out it's the ESP

1171

00:48:53,530 --> 00:48:50,660

the European skeptics podcast it's on

1172

00:48:55,690 --> 00:48:53,540

never weak alright so where can I get

1173

00:48:58,360 --> 00:48:55,700

this is the experience it sounds good

1174

00:49:01,630 --> 00:48:58,370

you can go online at the ESP do to you

1175

00:49:04,450 --> 00:49:01,640

follow it on twitter at es podcast and

1176

00:49:06,580 --> 00:49:04,460

the score EU or like the podcast on

1177

00:49:09,640 --> 00:49:06,590

facebook oh and you can also contact the

1178

00:49:13,420 --> 00:49:09,650

show by sending them an email to info at

1179

00:49:15,520 --> 00:49:13,430

the ESPE you and if you want to

1180

00:49:18,280 --> 00:49:15,530

subscribe do a quick search for the

1181

00:49:21,630 --> 00:49:18,290

european skeptic podcast on soundcloud

1182

00:49:41,680 --> 00:49:21,640

itunes or stitcher

1183

00:49:48,650 --> 00:49:44,210

thank you for listening to the skeptic

1184

00:49:51,620 --> 00:49:48,660

zone and any support you can offer Fiona

1185

00:49:53,570 --> 00:49:51,630

O'Leary would be gratefully accepted i

1186

00:49:55,510 --> 00:49:53,580

am sure maybe if you can even just

1187

00:49:59,300 --> 00:49:55,520

spread the word of this foolishness

1188

00:50:02,720 --> 00:49:59,310

going on and Fiona's work in promoting

1189

00:50:05,630 --> 00:50:02,730

the concerns of the autistic community

1190

00:50:07,340 --> 00:50:05,640

there in Ireland a note for those people

1191

00:50:09,350 --> 00:50:07,350

in Australia if you want to nominate

1192

00:50:13,190 --> 00:50:09,360

someone for the Australian skeptics bent

1193

00:50:15,860 --> 00:50:13,200

spoon award you can do so via skeptics

1194

00:50:18,800 --> 00:50:15,870

calm day you just check the links there

1195

00:50:21,050 --> 00:50:18,810

for the bent spoon and you can also

1196

00:50:23,240 --> 00:50:21,060

while you're there sign up for the free

1197

00:50:26,540 --> 00:50:23,250

Australian skeptics newsletter which

1198

00:50:28,670 --> 00:50:26,550

will land in your inbox and you can keep

1199

00:50:30,320 --> 00:50:28,680

up to date with news and events from

1200

00:50:32,780 --> 00:50:30,330

Australian skeptics including things

1201

00:50:35,240 --> 00:50:32,790

like the upcoming dinner meeting which I

1202

00:50:37,550 --> 00:50:35,250

believe there are still some tickets for

1203

00:50:39,290 --> 00:50:37,560

that turning up on next week's show I'm

1204

00:50:41,830 --> 00:50:39,300

going to be chatting about Australia's

1205

00:50:44,480 --> 00:50:41,840

science channel brought to us by the

1206

00:50:46,580 --> 00:50:44,490

rirs people the Royal Institution of

1207

00:50:48,830 --> 00:50:46,590

Australia we used to play a week in

1208

00:50:51,380 --> 00:50:48,840

science that's been discontinued sadly

1209

00:50:53,660 --> 00:50:51,390

but the Royal Institution have been very

1210

00:50:55,730 --> 00:50:53,670

busy to have another own science channel

1211

00:50:56,990 --> 00:50:55,740

we might see if we can chat the Paul

1212

00:50:58,730 --> 00:50:57,000

Willis or at least fill you in more

1213

00:51:01,190 --> 00:50:58,740

about the Australian science channel

1214

00:51:03,920 --> 00:51:01,200

it's a really really good endeavor and

1215

00:51:06,860 --> 00:51:03,930

thank you to my new patrons my new

1216

00:51:09,440 --> 00:51:06,870

patrons at the skeptics on TV you can

1217

00:51:12,170 --> 00:51:09,450

sign up using the patreon system or just

1218

00:51:16,850 --> 00:51:12,180

a micro payments with paypal and as I

1219

00:51:20,150 --> 00:51:16,860

say almost every week it's only due to

1220

00:51:22,700 --> 00:51:20,160

people like you yes you listening to me

1221

00:51:25,130 --> 00:51:22,710

on the train well the bus you doing the

1222

00:51:27,440 --> 00:51:25,140

dishes you walking the dog right now

1223

00:51:30,740 --> 00:51:27,450

listening to me it's because of people

1224

00:51:33,380 --> 00:51:30,750

like you the show keeps going and

1225

00:51:36,950 --> 00:51:33,390

hopefully hopefully entertains you at

1226

00:51:40,310 --> 00:51:36,960

least and gives you interesting

1227

00:51:42,530 --> 00:51:40,320

information each week but for this week

1228

00:51:45,830 --> 00:51:42,540

this is Richard Saunders Oh Henrietta

1229

00:51:47,840 --> 00:51:45,840

and Maude be skeptical kittens now

1230

00:51:50,390 --> 00:51:47,850

teenage cats I guess you'd have to say

1231

00:51:51,530 --> 00:51:50,400

you're doing very well growing like like

1232

00:51:54,260 --> 00:51:51,540

little cats do

1233

00:51:58,220 --> 00:51:54,270

they're learning how to scratch the door

1234

00:52:00,350 --> 00:51:58,230

and demand food very skeptical anyway

1235

00:52:06,380 --> 00:52:00,360

we're all signing off from Sydney

1236

00:52:08,480 --> 00:52:06,390

Australia you've been listening to the

1237

00:52:12,770 --> 00:52:08,490

skeptic zone podcast visit our website

1238

00:52:16,070 --> 00:52:12,780

at wwc a petting zoo TV for contacts and

1239

00:52:19,190 --> 00:52:16,080

archive of all episodes since 2008 and

1240

00:52:21,230 --> 00:52:19,200

our online store please support the

1241

00:52:24,590 --> 00:52:21,240

skeptic zone by following us on twitter

1242

00:52:28,130 --> 00:52:24,600

at skeptic zone liking us on facebook

1243

00:52:29,630 --> 00:52:28,140

and leaving a review on iTunes you can

1244

00:52:33,440 --> 00:52:29,640

also show your support by subscribing

1245

00:52:36,500 --> 00:52:33,450

via paypal for as little as 99 cents a

1246

00:52:38,090 --> 00:52:36,510

week the skeptic zone is an independent

1247

00:52:40,550 --> 00:52:38,100

production the views and opinions

1248

00:52:42,620 --> 00:52:40,560

expressed on the skeptic zone and not

1249

00:52:45,050 --> 00:52:42,630

necessarily those of Australian skeptic

1250

00:52:47,720 --> 00:52:45,060

League or any other skeptical
