

**THE
SKEPTIC
ZONE
PODCAST**

www.skepticzone.tv

1
00:00:22,279 --> 00:00:09,110
welcome to the skeptic zone the podcast

2
00:00:29,279 --> 00:00:25,200
hello and welcome to the skeptic zone

3
00:00:31,620 --> 00:00:29,289
episode number 415 for the second of

4
00:00:34,049 --> 00:00:31,630
October 2016 Richard Saunders here with

5
00:00:35,850 --> 00:00:34,059
you from Sydney Australia looking out

6
00:00:37,829 --> 00:00:35,860
the window what a nice sunny day it is

7
00:00:39,509 --> 00:00:37,839
and all you people in New South Wales

8
00:00:40,979 --> 00:00:39,519
enjoying the long weekend and maybe

9
00:00:43,290 --> 00:00:40,989
other parts of Australia too i'm not

10
00:00:45,540 --> 00:00:43,300
sure well i hope the skeptic zone can

11
00:00:48,240 --> 00:00:45,550
maybe well keep you company on your

12
00:00:50,639 --> 00:00:48,250
drive back and what an interesting show

13
00:00:53,310 --> 00:00:50,649

we have for you this week coming up my

14

00:00:56,549 --> 00:00:53,320

interview with an old friend of mine dr.

15

00:01:00,030 --> 00:00:56,559

Lynn Kelly who has just released a book

16

00:01:02,100 --> 00:01:00,040

through allen & unwinn called the memory

17

00:01:04,469 --> 00:01:02,110

code the memory code and as they say

18

00:01:07,950 --> 00:01:04,479

available at all good book outlets and

19

00:01:10,109 --> 00:01:07,960

online the memory code and we've we've

20

00:01:11,789 --> 00:01:10,119

discussed this before on the skeptic

21

00:01:14,850 --> 00:01:11,799

zone in fact I've interviewed Lynn about

22

00:01:17,609 --> 00:01:14,860

this oh just a couple of years ago it's

23

00:01:20,490 --> 00:01:17,619

a subject that's not causing waves in

24

00:01:24,420 --> 00:01:20,500

their world of academia and ancient

25

00:01:29,610 --> 00:01:24,430

history it's causing tsunamis it really

26

00:01:31,560 --> 00:01:29,620

is it's astonishing ah it's a revolution

27

00:01:35,490 --> 00:01:31,570

you might say well that's how it's

28

00:01:38,340 --> 00:01:35,500

appearing and like any good skeptic Lynn

29

00:01:43,530 --> 00:01:38,350

has put her workup for other people in

30

00:01:45,780 --> 00:01:43,540

the field to attack it to see if there

31

00:01:48,600 --> 00:01:45,790

are holes in the plot so to speak and so

32

00:01:51,660 --> 00:01:48,610

far it's standing up very well what's it

33

00:01:53,580 --> 00:01:51,670

all about how our ancestors in ancient

34

00:01:56,850 --> 00:01:53,590

cultures and other cultures around the

35

00:02:00,360 --> 00:01:56,860

world remembered things without a

36

00:02:02,310 --> 00:02:00,370

written language and not just mundane

37

00:02:05,430 --> 00:02:02,320

everyday things they remembered a

38

00:02:09,029 --> 00:02:05,440

staggering amount of vital knowledge

39

00:02:10,830 --> 00:02:09,039

family history when to plant crops where

40

00:02:12,960 --> 00:02:10,840

this animal lives all sorts of things

41

00:02:15,059 --> 00:02:12,970

it's a fascinating book and as I say

42

00:02:16,589 --> 00:02:15,069

it's creating tsunamis throughout the

43

00:02:19,110 --> 00:02:16,599

world of ancient history and academia

44

00:02:21,030 --> 00:02:19,120

join me in a few minutes when I have a

45

00:02:23,160 --> 00:02:21,040

quick chat tool in Kelly about this book

46

00:02:26,009 --> 00:02:23,170

and incidentally we'll be giving away a

47

00:02:28,860 --> 00:02:26,019

signed copy of Lynn Kelly's book the

48

00:02:31,290 --> 00:02:28,870

memory code at the upcoming skeptic zone

49

00:02:33,400 --> 00:02:31,300

live more details a bit later on in the

50

00:02:35,430 --> 00:02:33,410

show then after the break

51
00:02:39,220 --> 00:02:35,440
it's a little less skeptical road trip

52
00:02:41,980 --> 00:02:39,230
we jump into the skeptic mobile may nod

53
00:02:44,710 --> 00:02:41,990
myself our good friends Lara and Jessica

54
00:02:46,900 --> 00:02:44,720
and we head off to kuchulu for the

55
00:02:49,750 --> 00:02:46,910
Australian paranormal and spiritual Expo

56
00:02:51,700 --> 00:02:49,760
now it does skeptics good every now and

57
00:02:53,170 --> 00:02:51,710
then to go along to one of these you'll

58
00:02:55,870 --> 00:02:53,180
often hear us talking about the mind

59
00:02:59,140 --> 00:02:55,880
body spirit or mind-body wallet Expo in

60
00:03:01,150 --> 00:02:59,150
fact there's one coming up bum very soon

61
00:03:02,800 --> 00:03:01,160
towards the end of this month or very

62
00:03:04,930 --> 00:03:02,810
early next month in Sydney I think I'll

63
00:03:07,390 --> 00:03:04,940

be certainly going along to that it does

64

00:03:11,470 --> 00:03:07,400

skeptics good because the last thing we

65

00:03:12,760 --> 00:03:11,480

want to be our armchair skeptics we need

66

00:03:14,440 --> 00:03:12,770

to get out there and see what's really

67

00:03:17,800 --> 00:03:14,450

going on and speak to these people which

68

00:03:19,780 --> 00:03:17,810

is exactly what Manor does today he

69

00:03:21,250 --> 00:03:19,790

speaks to people at the paranormal

70

00:03:24,100 --> 00:03:21,260

expert to get their point of view their

71

00:03:27,160 --> 00:03:24,110

opinions and for us it's a way to look

72

00:03:28,960 --> 00:03:27,170

inside their mind why do they think this

73

00:03:31,570 --> 00:03:28,970

how do they think this what's led them

74

00:03:33,460 --> 00:03:31,580

to these conclusions it's a fascinating

75

00:03:36,640 --> 00:03:33,470

am it's a fascinating look you're almost

76
00:03:39,699 --> 00:03:36,650
like being voyeurs voyeurs into the mind

77
00:03:41,920 --> 00:03:39,709
and we bump into a skeptic along the way

78
00:03:44,920 --> 00:03:41,930
Peter bowditch from Australian skeptics

79
00:03:46,750 --> 00:03:44,930
and ratbags calm he'll be there I may

80
00:03:50,350 --> 00:03:46,760
not also catches up with Pete banks who

81
00:03:52,780 --> 00:03:50,360
runs the expo Alex chaos is there and he

82
00:03:55,720 --> 00:03:52,790
swings by the sci / a normal Ghost

83
00:03:57,660 --> 00:03:55,730
Hunters table chats to Lorraine sealer

84
00:04:02,020 --> 00:03:57,670
the president of the UFO and paranormal

85
00:04:05,199 --> 00:04:02,030
society and also carry mcgill dre who

86
00:04:08,949 --> 00:04:05,209
has a crystal healing bed no not for

87
00:04:11,410 --> 00:04:08,959
healing crystals the claim is it heals

88
00:04:14,350 --> 00:04:11,420

people and thanks to Lara and Jess who a

89

00:04:16,449 --> 00:04:14,360

great company on the trip now before we

90

00:04:19,479 --> 00:04:16,459

get stuck into the show and update an

91

00:04:23,170 --> 00:04:19,489

update from last week I think we brought

92

00:04:25,210 --> 00:04:23,180

you this story about the film festival

93

00:04:28,060 --> 00:04:25,220

in castlemaine or Castlemaine as they

94

00:04:32,320 --> 00:04:28,070

say in Victoria that we're going to show

95

00:04:36,940 --> 00:04:32,330

the film vax my Andrew Wakefield now due

96

00:04:39,640 --> 00:04:36,950

to a very negative publicity they said

97

00:04:41,860 --> 00:04:39,650

they would withdraw the movie from the

98

00:04:44,200 --> 00:04:41,870

festival which they did then we

99

00:04:46,780 --> 00:04:44,210

discovered that was scheduled then to be

100

00:04:50,410 --> 00:04:46,790

shown a week earlier at the cinema

101
00:04:51,700 --> 00:04:50,420
now that's been withdrawn as well now of

102
00:04:54,700 --> 00:04:51,710
course your one stop shop for

103
00:04:59,050 --> 00:04:54,710
information about this is reasonable

104
00:05:01,300 --> 00:04:59,060
Hank at reasonable Hank com lots of

105
00:05:02,740 --> 00:05:01,310
detailed information there but it's

106
00:05:05,080 --> 00:05:02,750
interesting to me that just the other

107
00:05:08,110 --> 00:05:05,090
day on a local radio station in that

108
00:05:11,500 --> 00:05:08,120
part of the world main FM David thrust

109
00:05:12,910 --> 00:05:11,510
who was the director of the film

110
00:05:16,900 --> 00:05:12,920
festival in question I don't know if he

111
00:05:19,470 --> 00:05:16,910
still lives but he was appeared on this

112
00:05:21,730 --> 00:05:19,480
afternoon I assume a morning chat show

113
00:05:24,520 --> 00:05:21,740

to give his point of view they also

114

00:05:26,560 --> 00:05:24,530

played the entire trailer for vax twitch

115

00:05:28,630 --> 00:05:26,570

was a bit of a free kick for the movie I

116

00:05:30,610 --> 00:05:28,640

suppose but it's interesting because

117

00:05:33,880 --> 00:05:30,620

David thressome made the following

118

00:05:35,890 --> 00:05:33,890

claims on radio which I'd like to

119

00:05:38,770 --> 00:05:35,900

address quickly he said that every

120

00:05:40,540 --> 00:05:38,780

cynical critic of the film that he'd

121

00:05:44,250 --> 00:05:40,550

heard of or read had not actually seen

122

00:05:46,450 --> 00:05:44,260

the film this is of course ridiculous I

123

00:05:49,000 --> 00:05:46,460

for one have SAT through the damn thing

124

00:05:50,950 --> 00:05:49,010

twice we'll get to that in a minute more

125

00:05:53,520 --> 00:05:50,960

importantly our friend David Gorski a

126
00:05:57,160 --> 00:05:53,530
SAT through it and wrote a very good

127
00:05:59,080 --> 00:05:57,170
critique takedown of the movie and i'll

128
00:06:01,810 --> 00:05:59,090
be linking to that in the show notes or

129
00:06:03,910 --> 00:06:01,820
if you go to sciencebase medicine org

130
00:06:05,440 --> 00:06:03,920
you can certainly find it there he also

131
00:06:07,960 --> 00:06:05,450
implies in the interview that the

132
00:06:12,910 --> 00:06:07,970
critics of the film especially here in

133
00:06:15,300 --> 00:06:12,920
Australia had had funding from people

134
00:06:18,670 --> 00:06:15,310
with deep pockets or words that effect

135
00:06:23,200 --> 00:06:18,680
conspiracy theory no shock there and he

136
00:06:26,950 --> 00:06:23,210
also says that the movie is not anti vax

137
00:06:30,430 --> 00:06:26,960
it's only about one vaccine that causes

138
00:06:32,890 --> 00:06:30,440

autism that being the MMR which leads us

139

00:06:35,950 --> 00:06:32,900

to wonder if he himself has really

140

00:06:37,810 --> 00:06:35,960

actually seen the movie or if he did

141

00:06:39,610 --> 00:06:37,820

watch it was he sort of texting or

142

00:06:42,190 --> 00:06:39,620

facebooking at the same time and sort of

143

00:06:44,380 --> 00:06:42,200

missed the key points now as I said I

144

00:06:46,870 --> 00:06:44,390

have seen the movie twice it's available

145

00:06:49,360 --> 00:06:46,880

on YouTube if you really want to have

146

00:06:51,730 --> 00:06:49,370

look for it it's there it's not hiding

147

00:06:54,220 --> 00:06:51,740

it's not secret it's not locked away if

148

00:06:55,620 --> 00:06:54,230

people really want to see it they can

149

00:06:57,970 --> 00:06:55,630

they don't have to go to a film festival

150

00:07:00,340 --> 00:06:57,980

but so do this claim that the movie is

151
00:07:03,670 --> 00:07:00,350
not and Eve acts at 10 minutes

152
00:07:06,760 --> 00:07:03,680
send 23 seconds into the film Dell big

153
00:07:09,760 --> 00:07:06,770
tree says quote thousands and thousands

154
00:07:12,160 --> 00:07:09,770
of parents all telling the same story my

155
00:07:14,710 --> 00:07:12,170
child got a vaccine usually the MMR

156
00:07:17,290 --> 00:07:14,720
vaccine and then that night or the next

157
00:07:19,300 --> 00:07:17,300
day broke out into a fever and then when

158
00:07:21,910 --> 00:07:19,310
they came out of the fever lost speech

159
00:07:24,790 --> 00:07:21,920
lost the ability to walk basically

160
00:07:27,490 --> 00:07:24,800
regressed into what we know as autism

161
00:07:30,850 --> 00:07:27,500
and never came back well the implication

162
00:07:33,360 --> 00:07:30,860
is clear here when he says my child got

163
00:07:36,580 --> 00:07:33,370

a vaccine usually the MMR vaccine

164

00:07:39,520 --> 00:07:36,590

usually meaning of course other vaccines

165

00:07:43,120 --> 00:07:39,530

at 31 minutes and 40 seconds Polly Tommy

166

00:07:46,300 --> 00:07:43,130

says quote the parents had exactly the

167

00:07:49,930 --> 00:07:46,310

same stories us antibiotics some with

168

00:07:52,090 --> 00:07:49,940

chickenpox a lot vaccine bang the

169

00:07:54,250 --> 00:07:52,100

symptoms were all the same the diarrhea

170

00:07:56,290 --> 00:07:54,260

the constipation the high-pitched scream

171

00:07:58,960 --> 00:07:56,300

the banging of the head we've all lived

172

00:08:01,630 --> 00:07:58,970

through it it's the same story end quote

173

00:08:04,300 --> 00:08:01,640

Polly Tommy again quote out there

174

00:08:06,160 --> 00:08:04,310

there's millions of me's there's

175

00:08:09,010 --> 00:08:06,170

millions of Polly Tommy's with the

176
00:08:12,160 --> 00:08:09,020
vaccine damaged children man quote add

177
00:08:15,370 --> 00:08:12,170
52 minutes and four seconds Stephanie

178
00:08:17,650 --> 00:08:15,380
sinneth PhD says quote I became

179
00:08:19,630 --> 00:08:17,660
interested in autism a long time ago

180
00:08:21,460 --> 00:08:19,640
when my best friend at the time had a

181
00:08:25,060 --> 00:08:21,470
son who was diagnosed with autism

182
00:08:27,010 --> 00:08:25,070
following the DPT shot he had a high

183
00:08:29,920 --> 00:08:27,020
fever after the shot seizures a week

184
00:08:33,040 --> 00:08:29,930
later and then was later diagnosed with

185
00:08:36,580 --> 00:08:33,050
autism end quote d PT is diphtheria

186
00:08:39,190 --> 00:08:36,590
pertussis and tetanus at 55 minutes into

187
00:08:40,570 --> 00:08:39,200
the movie a variety of clips of parents

188
00:08:43,300 --> 00:08:40,580

with stories of what they claim are

189

00:08:45,640 --> 00:08:43,310

vaccine damaged children they repeat the

190

00:08:48,340 --> 00:08:45,650

message over and over again quote here

191

00:08:52,840 --> 00:08:48,350

this well end quote also there is a

192

00:08:55,330 --> 00:08:52,850

video montage of over 500 faces many if

193

00:08:58,350 --> 00:08:55,340

not all however are just repeated on the

194

00:09:02,430 --> 00:08:58,360

page to give the illusion of many people

195

00:09:06,190 --> 00:09:02,440

chanting quote vaccines cause autism

196

00:09:08,620 --> 00:09:06,200

anchored at one hour 13 minutes and 24

197

00:09:11,079 --> 00:09:08,630

seconds into the movie a video is played

198

00:09:13,180 --> 00:09:11,089

courtesy of the canary party which

199

00:09:13,620 --> 00:09:13,190

implies clearly that vaccines cause

200

00:09:17,540 --> 00:09:13,630

autism

201
00:09:22,320 --> 00:09:17,550
so so much for the the claims made on

202
00:09:24,000 --> 00:09:22,330
main FM radio by David through soul but

203
00:09:25,890 --> 00:09:24,010
as I said before if you really want to

204
00:09:28,080 --> 00:09:25,900
find out more information about the

205
00:09:32,030 --> 00:09:28,090
story behind this story head to

206
00:09:35,340 --> 00:09:32,040
reasonable Hank calm some of the online

207
00:09:36,930 --> 00:09:35,350
postings by people behind the push to

208
00:09:39,360 --> 00:09:36,940
get this movie put out a quite

209
00:09:40,890 --> 00:09:39,370
disturbing now there are a few more

210
00:09:43,620 --> 00:09:40,900
loose ends to tie up but I'll get to

211
00:09:46,140 --> 00:09:43,630
that at the end of this episode but for

212
00:09:49,860 --> 00:09:46,150
now but for now it's time for me to run

213
00:09:53,040 --> 00:09:49,870

downstairs run out the door run down to

214

00:09:56,490 --> 00:09:53,050

the local shops and see if I can buy

215

00:09:59,520 --> 00:09:56,500

some nice some some nice or not a nice

216

00:10:01,440 --> 00:09:59,530

-serving a falafel hmm haven't had that

217

00:10:28,790 --> 00:10:01,450

for a while while I do that I hope you

218

00:10:34,960 --> 00:10:31,260

now i remember that do you remember that

219

00:10:40,370 --> 00:10:37,700

so the Sullivans or something now it's

220

00:10:43,280 --> 00:10:40,380

song for guy by Elton John alright I've

221

00:10:44,510 --> 00:10:43,290

done it not a very musical brain not a

222

00:10:46,460 --> 00:10:44,520

musical brain but you haven't got a

223

00:10:47,960 --> 00:10:46,470

brain Lynn Kelly it's delightful to see

224

00:10:49,850 --> 00:10:47,970

you once again you're up here in Sydney

225

00:10:53,540 --> 00:10:49,860

to give a talk for the skeptics night

226

00:10:55,280 --> 00:10:53,550

about your latest book very exciting

227

00:10:57,830 --> 00:10:55,290

it's a wonderful book and Wow has it

228

00:11:00,080 --> 00:10:57,840

been creating waves how's that all going

229

00:11:01,910 --> 00:11:00,090

it's going extremely well it's

230

00:11:04,820 --> 00:11:01,920

especially among the science community

231

00:11:07,520 --> 00:11:04,830

but it's already causing quite a stir

232

00:11:08,870 --> 00:11:07,530

and I'm delighted yeah look you're

233

00:11:10,430 --> 00:11:08,880

beaming of course your book is the

234

00:11:13,490 --> 00:11:10,440

memory code how long has that been out

235

00:11:15,110 --> 00:11:13,500

now it's only been out a few months but

236

00:11:16,520 --> 00:11:15,120

it's been in the pipeline I've been

237

00:11:18,500 --> 00:11:16,530

talking to skeptics and having them

238

00:11:21,890 --> 00:11:18,510

polish the theories for nearly 10 years

239

00:11:23,390 --> 00:11:21,900

now so it's lovely to be back among

240

00:11:26,750 --> 00:11:23,400

skeptics again because that's where I

241

00:11:28,250 --> 00:11:26,760

belong you sort of it really takes a big

242

00:11:30,190 --> 00:11:28,260

chunk of your life doesn't it i'm

243

00:11:32,330 --> 00:11:30,200

putting the other such a body of work

244

00:11:34,730 --> 00:11:32,340

this did because it wasn't what I

245

00:11:37,850 --> 00:11:34,740

intended to do I had quite a simple

246

00:11:40,730 --> 00:11:37,860

project for my PhD another science book

247

00:11:42,800 --> 00:11:40,740

and I had no idea that I would stumble

248

00:11:44,930 --> 00:11:42,810

over a new theory for the purpose of

249

00:11:47,180 --> 00:11:44,940

Stonehenge and a new analysis of the way

250

00:11:51,410 --> 00:11:47,190

indigenous cultures memorize information

251
00:11:53,750 --> 00:11:51,420
and that meant partly became a move and

252
00:11:55,970 --> 00:11:53,760
obsession but it meant I had to go down

253
00:11:57,890 --> 00:11:55,980
the formal academic path the formal

254
00:12:00,590 --> 00:11:57,900
academic book before I could go public

255
00:12:01,920 --> 00:12:00,600
because it has to be tested against

256
00:12:03,600 --> 00:12:01,930
other people

257
00:12:06,540 --> 00:12:03,610
yeah well we're talking about standard

258
00:12:07,740 --> 00:12:06,550
scientific skepticism oh absolutely and

259
00:12:10,320 --> 00:12:07,750
if you're going to say I've solved the

260
00:12:12,240 --> 00:12:10,330
mystery of Stonehenge you have to test

261
00:12:14,700 --> 00:12:12,250
have it independently tested because I

262
00:12:16,920 --> 00:12:14,710
was full of self-doubt I mean why would

263
00:12:19,560 --> 00:12:16,930

I have seen something that others hadn't

264

00:12:21,630 --> 00:12:19,570

yeah but the stone Inge and experts say

265

00:12:24,269 --> 00:12:21,640

that's because partly I'm Australia and

266

00:12:26,190 --> 00:12:24,279

we have an indigenous culture to learn

267

00:12:29,040 --> 00:12:26,200

from and secondly because I've got such

268

00:12:30,360 --> 00:12:29,050

a bad natural memory I start ask the

269

00:12:32,880 --> 00:12:30,370

questions will how the hell do they

270

00:12:34,530 --> 00:12:32,890

memorize all this stuff it's a wonderful

271

00:12:36,030 --> 00:12:34,540

point it's a wonderful point and in the

272

00:12:38,820 --> 00:12:36,040

book there's a section where you talk

273

00:12:41,100 --> 00:12:38,830

about memorizing a deck of cards yeah

274

00:12:42,840 --> 00:12:41,110

and that's that seems somewhat is a

275

00:12:45,240 --> 00:12:42,850

parlor trick but it does make a really

276

00:12:47,820 --> 00:12:45,250

good point doesn't it yes if you give a

277

00:12:49,650 --> 00:12:47,830

character to each of the cards then the

278

00:12:51,420 --> 00:12:49,660

parlor trick is a shuffled deck you make

279

00:12:55,410 --> 00:12:51,430

up a story and can remember the order I

280

00:12:57,960 --> 00:12:55,420

can't do anything fast but that my deck

281

00:13:00,329 --> 00:12:57,970

of cards i use two of them 130 cards or

282

00:13:02,010 --> 00:13:00,339

luck so use tarot deck as well gives me

283

00:13:04,290 --> 00:13:02,020

a set of characters and that's what

284

00:13:06,390 --> 00:13:04,300

mythology is is a set of characters

285

00:13:09,300 --> 00:13:06,400

whose stories they act out their

286

00:13:11,519 --> 00:13:09,310

extremely vivid vulgar grotesque over

287

00:13:14,550 --> 00:13:11,529

the top because that makes information

288

00:13:16,620 --> 00:13:14,560

memorable we all remember stories from

289

00:13:18,060 --> 00:13:16,630

childhood all of us remember the story

290

00:13:20,130 --> 00:13:18,070

of Little Red Riding Hood Hansel and

291

00:13:22,230 --> 00:13:20,140

Gretel and the list is endless because

292

00:13:24,329 --> 00:13:22,240

we heard these stories when we were kids

293

00:13:26,670 --> 00:13:24,339

and they stuck and the fact you learned

294

00:13:28,090 --> 00:13:26,680

at school how many do you recall of

295

00:13:31,660 --> 00:13:28,100

those

296

00:13:33,910 --> 00:13:31,670

but if Little Red Riding Hood talked

297

00:13:35,559 --> 00:13:33,920

about I'll get away from the wolf if I

298

00:13:37,990 --> 00:13:35,569

eat the red berry but don't eat the

299

00:13:40,180 --> 00:13:38,000

blackberry because it'll kill you that

300

00:13:43,120 --> 00:13:40,190

sort of thing and that's what mythology

301
00:13:46,030 --> 00:13:43,130
does it encodes rational information in

302
00:13:47,860 --> 00:13:46,040
vivid stories and bad but you you

303
00:13:49,360 --> 00:13:47,870
explain it so wonderfully well and we're

304
00:13:51,790 --> 00:13:49,370
looking forward to the talk tonight of

305
00:13:53,559 --> 00:13:51,800
course and folks coming to skeptics in

306
00:13:55,150 --> 00:13:53,569
the pub here in Sydney on the sixth of

307
00:13:56,740 --> 00:13:55,160
October we'll be giving away a copy of

308
00:13:58,930 --> 00:13:56,750
your book Lynn will be giving up as a

309
00:14:02,259 --> 00:13:58,940
special price so that might be an extra

310
00:14:04,420 --> 00:14:02,269
incentive then where can people find out

311
00:14:06,400 --> 00:14:04,430
more about your book it's available in

312
00:14:10,090 --> 00:14:06,410
every book shop be published in the UK

313
00:14:11,800 --> 00:14:10,100

and us in February and then in check and

314

00:14:14,379 --> 00:14:11,810

Chinese those rights have been sold

315

00:14:16,780 --> 00:14:14,389

already in a second Chinese yes they're

316

00:14:19,870 --> 00:14:16,790

the first foreign translation rights but

317

00:14:21,730 --> 00:14:19,880

also my website if you spell my name

318

00:14:23,470 --> 00:14:21,740

correctly and Google you get straight to

319

00:14:26,439 --> 00:14:23,480

my website of course it'll be in the

320

00:14:28,620 --> 00:14:26,449

show notes but that's exciting just to

321

00:14:30,790 --> 00:14:28,630

think that your works being translated

322

00:14:32,230 --> 00:14:30,800

and you won't have to in the back in

323

00:14:34,120 --> 00:14:32,240

mind I think you'd probably wonder oh I

324

00:14:35,319 --> 00:14:34,130

wonder how the translation is I wonder

325

00:14:37,179 --> 00:14:35,329

if it's a good translation or they're

326

00:14:40,090 --> 00:14:37,189

missing bits and pieces you can't know

327

00:14:41,559 --> 00:14:40,100

the skeptics guide was skeptics guide to

328

00:14:43,780 --> 00:14:41,569

the paranormal was translated into

329

00:14:46,720 --> 00:14:43,790

Russian it looks lovely one of your

330

00:14:51,519 --> 00:14:46,730

early book yes and I can see my name I

331

00:14:54,420 --> 00:14:51,529

have no idea what the rest is but yeah

332

00:14:57,400 --> 00:14:54,430

and to get your words out there it just

333

00:14:59,019 --> 00:14:57,410

really makes it just feels wonderful I'm

334

00:15:00,879 --> 00:14:59,029

sure it does wedding congratulations

335

00:15:02,230 --> 00:15:00,889

once again on the book and that we

336

00:15:03,850 --> 00:15:02,240

better head in because I think they're

337

00:15:22,499 --> 00:15:03,860

just about to call for dinner okay

338

00:15:29,159 --> 00:15:25,839

the skeptic zone live a special live

339

00:15:32,049 --> 00:15:29,169

recording of this very podcast at the

340

00:15:35,319 --> 00:15:32,059

Occidental hotel in Sydney just near

341

00:15:37,989 --> 00:15:35,329

winded station 43 York Street this is

342

00:15:41,019 --> 00:15:37,999

part of skeptics in the pub join me in

343

00:15:43,899 --> 00:15:41,029

the skeptic zone crew for live reports

344

00:15:46,509 --> 00:15:43,909

and interviews prize giveaways on the

345

00:15:48,179 --> 00:15:46,519

night everybody's welcome but for more

346

00:15:52,629 --> 00:15:48,189

information and to reserve your place

347

00:15:54,429 --> 00:15:52,639

visit [meetup.com /a ust skeptics](http://meetup.com/aust_skeptics) there

348

00:15:57,029 --> 00:15:54,439

will be a link in this week show notes

349

00:15:59,819 --> 00:15:57,039

see you there at the skeptic zone live

350

00:16:15,569 --> 00:15:59,829

Thursday the sixth of October at the

351

00:16:24,259 --> 00:16:20,769

here's may not spooky action at the

352

00:16:28,829 --> 00:16:26,730

it's a pretty special day here on the

353

00:16:31,920 --> 00:16:28,839

skeptic zone Richard Saunders is driving

354

00:16:34,350 --> 00:16:31,930

well the skeptic mobile here he used to

355

00:16:35,880 --> 00:16:34,360

have a Batmobile we'd skeptic written on

356

00:16:38,100 --> 00:16:35,890

the side of it that was fantastic and

357

00:16:41,670 --> 00:16:38,110

wore a cape but now it's the high on d

358

00:16:44,340 --> 00:16:41,680

of truth the hardy of truth I on die of

359

00:16:46,769 --> 00:16:44,350

truth and we're on the way to the casula

360

00:16:48,990 --> 00:16:46,779

powerhouse because we're really into AC

361

00:16:51,060 --> 00:16:49,000

power generation for start I can't get

362

00:16:53,190 --> 00:16:51,070

enough of it but Richard you're going to

363

00:16:55,500 --> 00:16:53,200

go there and your job today is to

364

00:16:59,340 --> 00:16:55,510

completely harsh people's mellow and

365

00:17:02,630 --> 00:16:59,350

make them cry I'm my mission today is to

366

00:17:05,730 --> 00:17:02,640

go to this paranormal their Expo and

367

00:17:08,400 --> 00:17:05,740

just wreck everybody's day being a

368

00:17:10,470 --> 00:17:08,410

really bad skeptic I love it when people

369

00:17:12,659 --> 00:17:10,480

give you the evil eye that's great like

370

00:17:13,980 --> 00:17:12,669

you walk past may go that's that guy

371

00:17:16,409 --> 00:17:13,990

that said the bad thing about the

372

00:17:17,309 --> 00:17:16,419

psychic speed it's true actually now of

373

00:17:19,189 --> 00:17:17,319

course we're not out there to wreck

374

00:17:21,510 --> 00:17:19,199

anybody's David last time we were there

375

00:17:23,189 --> 00:17:21,520

with the skeptics had a table of an

376

00:17:25,199 --> 00:17:23,199

information table which was good and a

377

00:17:27,960 --> 00:17:25,209

woman came up and basically abused us

378

00:17:31,799 --> 00:17:27,970

for online harassment and you get people

379

00:17:35,320 --> 00:17:31,809

like that who cannot understand the

380

00:17:37,820 --> 00:17:35,330

skeptical point of view at all

381

00:17:39,289 --> 00:17:37,830

yeah but yeah I mean it isn't it is a

382

00:17:41,419 --> 00:17:39,299

day where you're gonna check a bit it

383

00:17:44,029 --> 00:17:41,429

out of the door when you go in well I do

384

00:17:46,279 --> 00:17:44,039

I mean this is like people like to paint

385

00:17:48,440 --> 00:17:46,289

skeptics in a very cartoon fashion put

386

00:17:50,299 --> 00:17:48,450

us into a pigeon hole I mean I don't go

387

00:17:51,710 --> 00:17:50,309

to these things to wreck people stay and

388

00:17:54,380 --> 00:17:51,720

to complain and then make a fuss

389

00:17:55,970 --> 00:17:54,390

although having said that once or twice

390

00:17:57,950 --> 00:17:55,980

I will if I think something is

391

00:18:00,350 --> 00:17:57,960

particularly dangerous like people

392

00:18:04,100 --> 00:18:00,360

selling water for sun tan lotion for

393

00:18:05,930 --> 00:18:04,110

example which I've seen again I point

394

00:18:07,669 --> 00:18:05,940

you to the dirty disbelievers it was

395

00:18:10,010 --> 00:18:07,679

only six or seven episodes made and we

396

00:18:12,260 --> 00:18:10,020

had an episode where we called it don't

397

00:18:14,720 --> 00:18:12,270

harsh my mellow man it was all about at

398

00:18:16,490 --> 00:18:14,730

what point do you intervene with people

399

00:18:18,169 --> 00:18:16,500

and I guess if they're people if they're

400

00:18:22,130 --> 00:18:18,179

selling something that's going to cause

401
00:18:24,590 --> 00:18:22,140
cancer yes yeah you have to you have to

402
00:18:27,710 --> 00:18:24,600
realize it by and large arguing with

403
00:18:29,870 --> 00:18:27,720
people at these things is a very little

404
00:18:31,909 --> 00:18:29,880
value but sometimes you have to speak up

405
00:18:33,529 --> 00:18:31,919
absolutely yeah and sometimes you have

406
00:18:35,600 --> 00:18:33,539
to bring extra people in case your

407
00:18:36,980 --> 00:18:35,610
dealings not loud enough we've got two

408
00:18:39,710 --> 00:18:36,990
other people in the high and I have

409
00:18:41,720 --> 00:18:39,720
truth who we got here Jessica and Lara

410
00:18:44,000 --> 00:18:41,730
and how long have you been in the

411
00:18:47,210 --> 00:18:44,010
skeptical movement or of a skeptical

412
00:18:49,130 --> 00:18:47,220
nature probably since about 2009

413
00:18:50,779 --> 00:18:49,140

following all the podcasts and stuff but

414

00:18:52,370 --> 00:18:50,789

i think i've had a skeptical nature

415

00:18:54,590 --> 00:18:52,380

since i was young it was encouraged by

416

00:18:56,899 --> 00:18:54,600

my dad is it because you're a teacher

417

00:18:58,820 --> 00:18:56,909

that you're more skeptical um no I don't

418

00:19:01,190 --> 00:18:58,830

think it is really cuz in the past i was

419

00:19:04,370 --> 00:19:01,200

actually and I did believe a lot of the

420

00:19:06,470 --> 00:19:04,380

stuff which I now find laughable and so

421

00:19:10,399 --> 00:19:06,480

it's a lot like one with all the what

422

00:19:13,100 --> 00:19:10,409

what one what one oh no all of it no I'm

423

00:19:14,120 --> 00:19:13,110

highly embarrassed to say yeah lots of

424

00:19:16,760 --> 00:19:14,130

it I think he was after watching the

425

00:19:18,350 --> 00:19:16,770

x-files when I was younger oh yeah yeah

426

00:19:20,149 --> 00:19:18,360

oh look and that disappointing last

427

00:19:21,500 --> 00:19:20,159

episode in the last season I really

428

00:19:22,880 --> 00:19:21,510

didn't like rapping wash that I didn't

429

00:19:24,230 --> 00:19:22,890

watch the last few series i have to say

430

00:19:26,060 --> 00:19:24,240

oh there's good except for the last

431

00:19:28,669 --> 00:19:26,070

episode there so what are you going to

432

00:19:30,010 --> 00:19:28,679

be on the lookout for today so I'm quite

433

00:19:33,070 --> 00:19:30,020

interested in

434

00:19:34,810 --> 00:19:33,080

energy healing all that sort of stuff so

435

00:19:36,010 --> 00:19:34,820

I'm going to see what what they've got

436

00:19:38,620 --> 00:19:36,020

on offer there if it's not too expensive

437

00:19:41,230 --> 00:19:38,630

i might pay up for one just just for

438

00:19:44,260 --> 00:19:41,240

interests sake we'll see how we go and

439

00:19:45,580 --> 00:19:44,270

watch your bug bear um I've not been to

440

00:19:47,410 --> 00:19:45,590

one of these before and I honestly I'm

441

00:19:48,820 --> 00:19:47,420

not sure what to expect so I'm just

442

00:19:50,500 --> 00:19:48,830

going to kind of take everything in seat

443

00:19:52,180 --> 00:19:50,510

see how things go you're very patient

444

00:19:53,470 --> 00:19:52,190

person do making veiled and put up with

445

00:19:55,260 --> 00:19:53,480

much one hundred percent yeah on a

446

00:19:58,240 --> 00:19:55,270

teacher so I'm very very patient yeah

447

00:19:59,560 --> 00:19:58,250

just want to take it all in I'm excited

448

00:20:01,600 --> 00:19:59,570

to see this blue body that we've just

449

00:20:04,390 --> 00:20:01,610

discovered the teddy bear tell us about

450

00:20:07,330 --> 00:20:04,400

it and teddy bear which apparently can

451
00:20:09,940 --> 00:20:07,340
sense if there's ghosts and talk to them

452
00:20:11,650 --> 00:20:09,950
but I'm not too sure about the details

453
00:20:15,250 --> 00:20:11,660
so I'll go and ask them about that when

454
00:20:16,810 --> 00:20:15,260
we get there I'll of course look I I

455
00:20:18,370 --> 00:20:16,820
don't normally talk to the people who

456
00:20:19,990 --> 00:20:18,380
are getting the psychic readings because

457
00:20:21,070 --> 00:20:20,000
that they tend to be very serious the

458
00:20:22,960 --> 00:20:21,080
people that are go and get psychic

459
00:20:24,880 --> 00:20:22,970
readings so I might stay away from the

460
00:20:25,960 --> 00:20:24,890
Melissa some people that are having a

461
00:20:27,850 --> 00:20:25,970
bit of a giggle and laugh because they

462
00:20:29,560 --> 00:20:27,860
all seem very serious I will probably

463
00:20:31,630 --> 00:20:29,570

spend a bit of time with the sky

464

00:20:33,700 --> 00:20:31,640

watchers the people that have a lot of

465

00:20:35,950 --> 00:20:33,710

time filming with night-vision cameras

466

00:20:37,300 --> 00:20:35,960

at west of sydney and see very

467

00:20:39,160 --> 00:20:37,310

interesting things and also there'll be

468

00:20:41,020 --> 00:20:39,170

a lot of ghost hunters and there were a

469

00:20:42,550 --> 00:20:41,030

lot of technology on sale this you'll

470

00:20:45,130 --> 00:20:42,560

see spirit box have you seen a spirit

471

00:20:47,940 --> 00:20:45,140

box before no what's the spirit box um

472

00:20:51,340 --> 00:20:47,950

it's sort of like a random channel

473

00:20:53,440 --> 00:20:51,350

selector so it'll go up and down the

474

00:20:55,390 --> 00:20:53,450

electromagnetic frequency stopping every

475

00:20:58,930 --> 00:20:55,400

once in a while and making a noise and

476

00:21:00,550 --> 00:20:58,940

you can often um infer some sort of

477

00:21:02,350 --> 00:21:00,560

speech pattern from it because indeed

478

00:21:04,960 --> 00:21:02,360

some of the things that stops on our am

479

00:21:06,460 --> 00:21:04,970

and FM radio stations in fact main are

480

00:21:08,110 --> 00:21:06,470

you and I came across one of these

481

00:21:10,390 --> 00:21:08,120

spirit boxes a couple of years ago when

482

00:21:12,550 --> 00:21:10,400

we did a ghost to it which is a are

483

00:21:13,900 --> 00:21:12,560

which we recorded for the skipping town

484

00:21:16,750 --> 00:21:13,910

but just for the benefit of listeners

485

00:21:40,669 --> 00:21:16,760

right now let me edit in an example of

486

00:21:46,320 --> 00:21:43,890

so there you go it's it's like a radio

487

00:21:49,530 --> 00:21:46,330

which is quickly changing channels um

488

00:21:52,560 --> 00:21:49,540

and I think it would be a quite prone to

489

00:21:55,380 --> 00:21:52,570

audio peridot Leah good old audio

490

00:21:56,490 --> 00:21:55,390

paradorn yes look it up folks hmm so I'm

491

00:21:57,870 --> 00:21:56,500

going to go and check it out there and

492

00:22:00,360 --> 00:21:57,880

I'm hoping that there's some new stuff

493

00:22:01,860 --> 00:22:00,370

there I'm really hoping there's going to

494

00:22:02,940 --> 00:22:01,870

be some new development in the world of

495

00:22:05,130 --> 00:22:02,950

ghost hunting or something like that

496

00:22:07,440 --> 00:22:05,140

what it goes to do you mean yeah that

497

00:22:10,200 --> 00:22:07,450

would be new well the thing is I

498

00:22:12,960 --> 00:22:10,210

actually some of the spirit boxes can

499

00:22:18,600 --> 00:22:12,970

actually they you have a class a or a

500

00:22:22,799 --> 00:22:18,610

Class B C or D EVP electronic voice

501
00:22:24,480 --> 00:22:22,809
phenomenon yeah yeah oh well are you

502
00:22:27,060 --> 00:22:24,490
saying it EVP is not a real thing

503
00:22:28,890 --> 00:22:27,070
Richard are you saying that people in

504
00:22:31,890 --> 00:22:28,900
the other realm that have passed over

505
00:22:34,200 --> 00:22:31,900
can't manipulate the electromagnetic

506
00:22:39,390 --> 00:22:34,210
frequency I don't have to you just said

507
00:22:41,220 --> 00:22:39,400
it I look we haven't even got inside the

508
00:22:43,950 --> 00:22:41,230
powerhouse for the great expo today and

509
00:22:46,890 --> 00:22:43,960
we've already met someone who's okay and

510
00:22:48,660 --> 00:22:46,900
yeah we're talking about EVPs and voice

511
00:22:50,669 --> 00:22:48,670
boxes earlier in the car and you've

512
00:22:52,770 --> 00:22:50,679
actually had a positive experience with

513
00:22:54,930 --> 00:22:52,780

the some other entity would you like to

514

00:22:58,830 --> 00:22:54,940

explain what you got from the spirit box

515

00:23:01,320 --> 00:22:58,840

well i was actually in nevada and we did

516

00:23:04,560 --> 00:23:01,330

we did went to good Springs Nevada where

517

00:23:06,450 --> 00:23:04,570

Carole Lombard used to live with if

518

00:23:10,020 --> 00:23:06,460

anybody realizes she's actually Clark

519

00:23:12,000 --> 00:23:10,030

Gable's wife and she just had a charity

520

00:23:14,760 --> 00:23:12,010

event and they didn't know whether she

521

00:23:17,490 --> 00:23:14,770

wanted to fly home or she wanted to

522

00:23:20,880 --> 00:23:17,500

catch train home and they decided to

523

00:23:21,900 --> 00:23:20,890

toss a toss a coin and they decided that

524

00:23:24,450 --> 00:23:21,910

the plane was way they're going to go

525

00:23:26,190 --> 00:23:24,460

and it was late at night and the plane

526

00:23:29,190 --> 00:23:26,200

crashed into the mountains behind good

527

00:23:31,919 --> 00:23:29,200

Springs Nevada killing on board Carole

528

00:23:34,240 --> 00:23:31,929

Lombard and her mother and cleave in

529

00:23:36,310 --> 00:23:34,250

Clark Gable without a wife

530

00:23:38,230 --> 00:23:36,320

and in this bar in good Springs Nevada

531

00:23:39,550 --> 00:23:38,240

they have a lot of paranormal events

532

00:23:42,070 --> 00:23:39,560

happen in there and they bought out a

533

00:23:44,530 --> 00:23:42,080

voice box and we actually got to talk to

534

00:23:46,840 --> 00:23:44,540

her Carole Lombard came through and was

535

00:23:50,080 --> 00:23:46,850

asking me different questions about who

536

00:23:53,440 --> 00:23:50,090

I was and what my why my voice was funny

537

00:23:54,970 --> 00:23:53,450

because it did not sound normal and she

538

00:23:57,400 --> 00:23:54,980

didn't like me she didn't want to talk

539

00:23:59,830 --> 00:23:57,410

to me and how hard was it to understand

540

00:24:01,210 --> 00:23:59,840

because a spirit box chops and changes a

541

00:24:02,500 --> 00:24:01,220

lot there's a lot of white noise alright

542

00:24:05,310 --> 00:24:02,510

so it was actually quite clear quite

543

00:24:07,630 --> 00:24:05,320

clear and she was quite interesting and

544

00:24:09,310 --> 00:24:07,640

then we had another one come through we

545

00:24:11,560 --> 00:24:09,320

actually had these little boxes that

546

00:24:13,150 --> 00:24:11,570

actually go across and if it goes across

547

00:24:14,770 --> 00:24:13,160

to read it actually has somebody there

548

00:24:16,600 --> 00:24:14,780

and they've actually got one of these

549

00:24:18,700 --> 00:24:16,610

particular entities there we don't sure

550

00:24:20,080 --> 00:24:18,710

who she is she's a lady an old bar maid

551
00:24:22,750 --> 00:24:20,090
that used to come and she didn't like me

552
00:24:24,160 --> 00:24:22,760
she kept moving my glass that the

553
00:24:27,460 --> 00:24:24,170
spirits don't seem to get on with you

554
00:24:29,560 --> 00:24:27,470
well I was Australian there America what

555
00:24:33,220 --> 00:24:29,570
more can you avoid a sound of funny yes

556
00:24:34,960 --> 00:24:33,230
so it was very interesting and quite we

557
00:24:36,490 --> 00:24:34,970
actually went out and we walked through

558
00:24:39,160 --> 00:24:36,500
Goodsprings because it's one of the most

559
00:24:41,560 --> 00:24:39,170
haunted towns in Nevada and got a lot of

560
00:24:43,240 --> 00:24:41,570
orbs coming up and there's actually a

561
00:24:45,690 --> 00:24:43,250
house there that there's a grumpy old

562
00:24:48,520 --> 00:24:45,700
ghost there and he doesn't like people

563
00:24:50,140 --> 00:24:48,530

and have you ever met new spirits to do

564

00:24:51,880 --> 00:24:50,150

seem to get on well with people well

565

00:24:55,240 --> 00:24:51,890

I've actually got a spirit in my house

566

00:24:56,890 --> 00:24:55,250

oh okay so that'd really spooked me oh

567

00:24:58,360 --> 00:24:56,900

and by the way what are you looking

568

00:25:00,250 --> 00:24:58,370

forward to today the Expos there

569

00:25:01,630 --> 00:25:00,260

something seeing different things and

570

00:25:05,500 --> 00:25:01,640

Charma hasn't wants me to get me a boo

571

00:25:09,930 --> 00:25:05,510

bear ah a book and now we're looking at

572

00:25:13,270 --> 00:25:09,940

the car now that is a bear that detects

573

00:25:14,440 --> 00:25:13,280

anomalies text anomalies and it takes it

574

00:25:17,320 --> 00:25:14,450

actually when I read up on it actually

575

00:25:20,260 --> 00:25:17,330

if it time to text say anonymou Lee as

576

00:25:23,170 --> 00:25:20,270

you would call it it actually asks

577

00:25:26,560 --> 00:25:23,180

questions and who it is and why it's

578

00:25:28,300 --> 00:25:26,570

there mm-hmm so it could be a bit freaky

579

00:25:30,250 --> 00:25:28,310

I mean someone like me I haven't got a

580

00:25:31,390 --> 00:25:30,260

strong you know nervous condition when

581

00:25:33,250 --> 00:25:31,400

it comes to Skye think that freaked me

582

00:25:35,680 --> 00:25:33,260

out I'm actually partially psychic as

583

00:25:38,080 --> 00:25:35,690

well okay and I can actually smell dead

584

00:25:40,360 --> 00:25:38,090

people I'll go about say are you

585

00:25:43,750 --> 00:25:40,370

clairaudient but you smell that that's

586

00:25:45,820 --> 00:25:43,760

um ok so what messages can you get that

587

00:25:46,940 --> 00:25:45,830

work as I imagined being dead or the

588

00:25:49,310 --> 00:25:46,950

smell would not be a good thing

589

00:25:52,610 --> 00:25:49,320

well it actually it's really the truth

590

00:25:55,340 --> 00:25:52,620

there is I was in Tasmania on a ghost

591

00:25:57,860 --> 00:25:55,350

tour and we went to go for it yet we

592

00:26:00,080 --> 00:25:57,870

were in the old courthouse and they've

593

00:26:01,700 --> 00:26:00,090

got this room that they all send the

594

00:26:03,649 --> 00:26:01,710

people in to try and scare them first

595

00:26:05,960 --> 00:26:03,659

and I don't fall for those things

596

00:26:07,220 --> 00:26:05,970

anymore and so we're waiting outside

597

00:26:08,690 --> 00:26:07,230

waiting for the girls to all screen

598

00:26:10,009 --> 00:26:08,700

because you know this is the toilet

599

00:26:11,840 --> 00:26:10,019

where everybody you know got energy than

600

00:26:14,029 --> 00:26:11,850

there and then we walked into where they

601
00:26:16,340 --> 00:26:14,039
all caught where the old judge used to

602
00:26:17,659 --> 00:26:16,350
be before he went to court and as I

603
00:26:21,769 --> 00:26:17,669
walked in through the door I got the

604
00:26:24,200 --> 00:26:21,779
smoke of a pipe and tobacco pipe and it

605
00:26:25,850 --> 00:26:24,210
just been lit up and I went back out no

606
00:26:27,620 --> 00:26:25,860
since the lady us at all said did the

607
00:26:30,110 --> 00:26:27,630
judge used to smoke a pipe and she said

608
00:26:32,210 --> 00:26:30,120
how did you know that and I said to well

609
00:26:33,889 --> 00:26:32,220
he's just lit up the tobacco pipe and

610
00:26:35,299 --> 00:26:33,899
she's rich guys are can you tell me

611
00:26:37,430 --> 00:26:35,309
where he died where he used to duck ways

612
00:26:38,690 --> 00:26:37,440
to be a nice interested yes I'm the

613
00:26:39,830 --> 00:26:38,700

lounge chair over there she goes how do

614

00:26:42,379 --> 00:26:39,840

you know that was like I felt his heart

615

00:26:43,759 --> 00:26:42,389

beat on in my hand and then we went into

616

00:26:44,960 --> 00:26:43,769

another room into the court and as we're

617

00:26:47,750 --> 00:26:44,970

going into the court I've got this

618

00:26:49,220 --> 00:26:47,760

overpowering smell of lavender and I

619

00:26:51,169 --> 00:26:49,230

said to this woman I said I don't like

620

00:26:53,240 --> 00:26:51,179

your perfume please go away and she said

621

00:26:54,769 --> 00:26:53,250

I'm not wearing any I went oh ok and her

622

00:26:56,299 --> 00:26:54,779

daughter said my mother doesn't wear any

623

00:26:57,470 --> 00:26:56,309

previous is allergic to it and so I had

624

00:26:59,629 --> 00:26:57,480

lavender and then once went the

625

00:27:02,180 --> 00:26:59,639

courthouse you lit up the pipe again so

626

00:27:05,840 --> 00:27:02,190

it's a very unusual to head because it

627

00:27:08,419 --> 00:27:05,850

can be it's not easy to take the smells

628

00:27:10,460 --> 00:27:08,429

and a lot of people have told me it's a

629

00:27:12,500 --> 00:27:10,470

very unique thing to have when ghosts

630

00:27:14,149 --> 00:27:12,510

are available it certainly is well

631

00:27:15,590 --> 00:27:14,159

thanks for sharing your stories with us

632

00:27:17,419 --> 00:27:15,600

and have a good day here it ain't just

633

00:27:18,590 --> 00:27:17,429

getting going yes have a good day selves

634

00:27:21,980 --> 00:27:18,600

thank you thank you good luck he'll buy

635

00:27:23,990 --> 00:27:21,990

oh and we're outdoors right now at the

636

00:27:25,159 --> 00:27:24,000

Casilla powerhouse now well what stall

637

00:27:27,169 --> 00:27:25,169

have you got here this is the app you

638

00:27:30,110 --> 00:27:27,179

saw Australian paranormal phenomenon

639

00:27:31,580 --> 00:27:30,120

investigators we run the vet expert all

640

00:27:33,289 --> 00:27:31,590

right you know what lets you got a great

641

00:27:34,789 --> 00:27:33,299

day for it and it's only early in people

642

00:27:36,320 --> 00:27:34,799

here already that's it's it's beautiful

643

00:27:37,940 --> 00:27:36,330

day for it isn't it it is really nice

644

00:27:40,310 --> 00:27:37,950

now we were just looking at a couple of

645

00:27:42,110 --> 00:27:40,320

the itis tools of the ghost hunting

646

00:27:43,519 --> 00:27:42,120

trade here of course there's spirit

647

00:27:46,190 --> 00:27:43,529

boxes over there but there's there's a

648

00:27:47,690 --> 00:27:46,200

laser here that throws that throws down

649

00:27:49,789 --> 00:27:47,700

a bit of a pattern so it's not just a

650

00:27:52,340 --> 00:27:49,799

solid beam how would you describe it um

651
00:27:55,340 --> 00:27:52,350
it's a it's a light beam that gives

652
00:27:58,129 --> 00:27:55,350
dispersed by a lens into a pattern which

653
00:28:00,820 --> 00:27:58,139
you can change and by twisting the low

654
00:28:02,200 --> 00:28:00,830
head on at the end of the of the grid ok

655
00:28:04,570 --> 00:28:02,210
it isn't so how would you use it on a

656
00:28:06,970 --> 00:28:04,580
hunt so you'd sit in a long corridor

657
00:28:09,399 --> 00:28:06,980
long dark corridor at night and you'd

658
00:28:12,460 --> 00:28:09,409
shoot the grid down the corridor and it

659
00:28:15,490 --> 00:28:12,470
will create a grid of lights and if

660
00:28:17,919 --> 00:28:15,500
there's an anomaly or a spirit that can

661
00:28:19,330 --> 00:28:17,929
break the light it'll obviously disrupt

662
00:28:21,250 --> 00:28:19,340
the grid and so you all know that

663
00:28:23,799 --> 00:28:21,260

something is in the space with you if

664

00:28:26,529 --> 00:28:23,809

the grid of the light gets disrupted and

665

00:28:29,019 --> 00:28:26,539

also if you're taking a photo you've

666

00:28:30,960 --> 00:28:29,029

actually got a pattern you've got a

667

00:28:34,990 --> 00:28:30,970

scale to see what how big it is

668

00:28:36,879 --> 00:28:35,000

absolutely yeah yeah yeah of course you

669

00:28:38,560 --> 00:28:36,889

know there's always the odd rogue

670

00:28:42,039 --> 00:28:38,570

skeptic wandering around who we got here

671

00:28:44,620 --> 00:28:42,049

let's split about it Sean odd what is it

672

00:28:46,000 --> 00:28:44,630

what I will I'd know you looking you got

673

00:28:47,710 --> 00:28:46,010

your loud shirt on there you're just

674

00:28:49,060 --> 00:28:47,720

hanging around now you've already but

675

00:28:50,769 --> 00:28:49,070

done a circuit here I haven't got around

676
00:28:51,940 --> 00:28:50,779
to doing the circuit yet what have you

677
00:28:53,110 --> 00:28:51,950
seen that might be a little bit

678
00:28:55,060 --> 00:28:53,120
different you should send lot of these

679
00:28:57,490 --> 00:28:55,070
things over the years there's not a lot

680
00:28:59,230 --> 00:28:57,500
here that I haven't seen before what I

681
00:29:01,149 --> 00:28:59,240
do like about this show so I compared to

682
00:29:02,080 --> 00:29:01,159
the mind-body-spirit festival is that

683
00:29:05,799 --> 00:29:02,090
they don't appear to be any faith

684
00:29:08,169 --> 00:29:05,809
healers here oh okay what will this type

685
00:29:11,100 --> 00:29:08,179
of thing tends to be a bit of a blowout

686
00:29:13,120 --> 00:29:11,110
for the ghost hunting community yes this

687
00:29:14,649 --> 00:29:13,130
deceive me fewer here than they were

688
00:29:16,360 --> 00:29:14,659

last year left him to go about four or

689

00:29:18,610 --> 00:29:16,370

five ghost hunting organizations here

690

00:29:20,440 --> 00:29:18,620

mmm one of whom actually said to me I

691

00:29:22,029 --> 00:29:20,450

saw you on television and I thought

692

00:29:25,149 --> 00:29:22,039

because this man must be cited that was

693

00:29:27,490 --> 00:29:25,159

years ago I very good at holding back

694

00:29:29,740 --> 00:29:27,500

you're saying anything to these people I

695

00:29:32,740 --> 00:29:29,750

actually find I had no problem with this

696

00:29:35,289 --> 00:29:32,750

sort of thing seriously uh most this

697

00:29:36,669 --> 00:29:35,299

just harmless fun hmm like that I had

698

00:29:38,440 --> 00:29:36,679

trouble with the faith healers and the

699

00:29:41,169 --> 00:29:38,450

people like that but you find some other

700

00:29:42,549 --> 00:29:41,179

shows I have trouble with psychics that

701
00:29:44,710 --> 00:29:42,559
talk nonsense and there was one last

702
00:29:47,139 --> 00:29:44,720
year where I walked out of his talk when

703
00:29:49,960 --> 00:29:47,149
he was contacting the spirit of somebody

704
00:29:52,149 --> 00:29:49,970
who died only about two weeks ago and we

705
00:29:53,110 --> 00:29:52,159
just known as members of tears and I

706
00:29:55,049 --> 00:29:53,120
thought well that was I couldn't

707
00:29:57,360 --> 00:29:55,059
couldn't put up that

708
00:29:59,279 --> 00:29:57,370
but most of it here is just pure good

709
00:30:01,860 --> 00:29:59,289
fun it's a lot of and I love crystal

710
00:30:04,350 --> 00:30:01,870
through during peak to look at and lots

711
00:30:07,230 --> 00:30:04,360
of soap and lots of wax that's right yes

712
00:30:08,549 --> 00:30:07,240
and candles that smell nice yes well I

713
00:30:10,499 --> 00:30:08,559

might get along there and have a look

714

00:30:12,600 --> 00:30:10,509

there and enjoy your day it's a nice day

715

00:30:14,460 --> 00:30:12,610

for it beautiful day yes okay you know

716

00:30:18,149 --> 00:30:14,470

I'm really hoping one these days i'll

717

00:30:20,430 --> 00:30:18,159

bump into Erich von Daniken well folks

718

00:30:22,980 --> 00:30:20,440

I'm at the organizing table wig I've got

719

00:30:24,600 --> 00:30:22,990

lollipops and water and an ATM not too

720

00:30:26,159 --> 00:30:24,610

far away if you want to put some illegal

721

00:30:27,359 --> 00:30:26,169

bits on this afternoon that's right

722

00:30:29,970 --> 00:30:27,369

that's what they express all about

723

00:30:32,159 --> 00:30:29,980

who've we got here and how's your day

724

00:30:34,019 --> 00:30:32,169

been yeah this is alex and i'm from

725

00:30:35,249 --> 00:30:34,029

ghost of Oz and park on australia and

726

00:30:38,190 --> 00:30:35,259

it's been great off to a great start

727

00:30:39,779 --> 00:30:38,200

I've got to say pero con I know it's a

728

00:30:41,460 --> 00:30:39,789

big thing to put on a difficult thing to

729

00:30:43,710 --> 00:30:41,470

put on but every time I go along I

730

00:30:45,629 --> 00:30:43,720

really enjoy it I know I mean it's not

731

00:30:47,700 --> 00:30:45,639

it's mainly because of the people you

732

00:30:50,389 --> 00:30:47,710

meet there like I really enjoyed the one

733

00:30:53,609 --> 00:30:50,399

you had with Damian not talking about

734

00:30:55,080 --> 00:30:53,619

the whole UFO thing and I think Travis

735

00:30:57,269 --> 00:30:55,090

Walton was on that one was was it was

736

00:30:59,430 --> 00:30:57,279

that this year or last year so Damian

737

00:31:02,700 --> 00:30:59,440

has spoken the last two years but Travis

738

00:31:04,470 --> 00:31:02,710

was 2015 year yeah it was really good I

739

00:31:06,389 --> 00:31:04,480

just and I just enjoyed the way it just

740

00:31:07,710 --> 00:31:06,399

it just took off we're all sitting in

741

00:31:09,389 --> 00:31:07,720

the room and they said okay who's had a

742

00:31:10,859 --> 00:31:09,399

close encounter of the first kind second

743

00:31:13,350 --> 00:31:10,869

kind they were wet all the way through

744

00:31:15,869 --> 00:31:13,360

the fifth kind you know and it was wild

745

00:31:18,090 --> 00:31:15,879

and and no one was going on come on it

746

00:31:20,039 --> 00:31:18,100

was just going with it yeah it's a great

747

00:31:22,230 --> 00:31:20,049

atmosphere for people just to share

748

00:31:24,239 --> 00:31:22,240

their ideas and experiences in that way

749

00:31:26,100 --> 00:31:24,249

much like the gas Expo here today yeah

750

00:31:28,320 --> 00:31:26,110

well like this is a bit of a blowout for

751
00:31:30,210 --> 00:31:28,330
the ghost hunting community and look

752
00:31:31,739 --> 00:31:30,220
what what's been the most exciting thing

753
00:31:35,100 --> 00:31:31,749
in this year for is there something new

754
00:31:37,169 --> 00:31:35,110
on the scene yeah so this year the expo

755
00:31:41,519 --> 00:31:37,179
guys they're running free workshops as

756
00:31:43,470 --> 00:31:41,529
well as well as a VIP program but have

757
00:31:45,090 --> 00:31:43,480
you checked out the VIP program because

758
00:31:47,460 --> 00:31:45,100
they've got some really cool stuff in

759
00:31:49,799 --> 00:31:47,470
there okay well I might pop in there in

760
00:31:50,759 --> 00:31:49,809
a little while but yeah it's a lot of

761
00:31:52,499 --> 00:31:50,769
fun i'm going to get down there and get

762
00:31:56,060 --> 00:31:52,509
amongst it and plus if you think just

763
00:31:59,220 --> 00:31:56,070

smells so good here oh well that's me

764

00:32:01,740 --> 00:31:59,230

look and we're here with some a ghost

765

00:32:04,050 --> 00:32:01,750

hunters which group of you with

766

00:32:05,610 --> 00:32:04,060

ass I paranormal and know where you

767

00:32:09,450 --> 00:32:05,620

normally work out or what what's your

768

00:32:11,970 --> 00:32:09,460

beat so we usually do run ghost tours in

769

00:32:14,280 --> 00:32:11,980

campbelltown and occasionally picked in

770

00:32:16,020 --> 00:32:14,290

as well okay that a really spooky area

771

00:32:18,300 --> 00:32:16,030

is I got a really spooky history yeah

772

00:32:19,950 --> 00:32:18,310

absolutely um both of those sounds are

773

00:32:21,630 --> 00:32:19,960

actually quite haunted and they do have

774

00:32:23,640 --> 00:32:21,640

a lot of history as well a particular

775

00:32:25,560 --> 00:32:23,650

campbelltown with fred fisher he's our

776

00:32:29,220 --> 00:32:25,570

one of the I guess main attractions of a

777

00:32:30,900 --> 00:32:29,230

of that town yeah ok no I'm I've been

778

00:32:32,910 --> 00:32:30,910

pointed to you what's your name by the

779

00:32:34,950 --> 00:32:32,920

way I'm Jessica Jessica I've been

780

00:32:37,170 --> 00:32:34,960

pointed to you because you are the EVP

781

00:32:40,260 --> 00:32:37,180

expert which stands for electronic voice

782

00:32:42,420 --> 00:32:40,270

phenomenon now I believe there's even

783

00:32:44,910 --> 00:32:42,430

classes of EVPs I was actually so you

784

00:32:47,430 --> 00:32:44,920

can have an ABC or D class EVP is that

785

00:32:50,490 --> 00:32:47,440

correct yes that's right so um how's it

786

00:32:53,010 --> 00:32:50,500

work out ok so class a EVP are usually

787

00:32:54,510 --> 00:32:53,020

the sort of high quality EVPs that are

788

00:32:56,520 --> 00:32:54,520

quite rare to get they're not the

789

00:32:58,200 --> 00:32:56,530

easiest ones to obtain so when you do

790

00:33:00,840 --> 00:32:58,210

get them you just got to hold on to

791

00:33:02,910 --> 00:33:00,850

those ones have you ever had one yeah i

792

00:33:06,900 --> 00:33:02,920

do i'm just a few there that I've got as

793

00:33:09,030 --> 00:33:06,910

an example of Class A Class A EVPs well

794

00:33:10,350 --> 00:33:09,040

yeah yes so but normally there's a lot

795

00:33:12,600 --> 00:33:10,360

of white noise surrounding what you're

796

00:33:14,280 --> 00:33:12,610

recording because the levels is a very

797

00:33:16,200 --> 00:33:14,290

very quiet noise and levels are really

798

00:33:17,850 --> 00:33:16,210

got to be jacked up so does that make it

799

00:33:19,590 --> 00:33:17,860

difficult sometimes that would be D

800

00:33:21,510 --> 00:33:19,600

class if it's like that isn't it yeah

801
00:33:23,310 --> 00:33:21,520
absolutely so with the d-class EVP

802
00:33:24,870 --> 00:33:23,320
usually I just chucked those in the bin

803
00:33:26,520 --> 00:33:24,880
it's not even worth the effort if I've

804
00:33:28,740 --> 00:33:26,530
got to like push through all that noise

805
00:33:30,150 --> 00:33:28,750
and you know it's a I didn't really see

806
00:33:32,430 --> 00:33:30,160
it as worth my time and it's a little

807
00:33:34,020 --> 00:33:32,440
bit hard as well just sort of show that

808
00:33:35,310 --> 00:33:34,030
to people who are skeptics you know

809
00:33:36,510 --> 00:33:35,320
nobody's really going to be interested

810
00:33:39,690 --> 00:33:36,520
in something you've had to push so hard

811
00:33:42,090 --> 00:33:39,700
to try and bring out and how do you know

812
00:33:43,560 --> 00:33:42,100
sometimes you aren't experiencing audio

813
00:33:45,120 --> 00:33:43,570

para Dahlia because you're listening to

814

00:33:46,920 --> 00:33:45,130

the same file over and over and over

815

00:33:48,120 --> 00:33:46,930

again it might drive you a bit nutty and

816

00:33:49,650 --> 00:33:48,130

you could imagine you're hearing things

817

00:33:51,570 --> 00:33:49,660

so is it good to get other people in on

818

00:33:53,700 --> 00:33:51,580

sometimes absolutely yeah so when I'm at

819

00:33:55,410 --> 00:33:53,710

home my husband he's also on the team

820

00:33:57,780 --> 00:33:55,420

and I try and get him to have a bit of a

821

00:33:59,610 --> 00:33:57,790

listen as well and afterwards I show my

822

00:34:01,650 --> 00:33:59,620

team trying to everybody's opinion

823

00:34:02,880 --> 00:34:01,660

because there might be a voice or I

824

00:34:04,410 --> 00:34:02,890

might be there just tell me a little bit

825

00:34:06,240 --> 00:34:04,420

weird that night so I always like to get

826

00:34:07,860 --> 00:34:06,250

a second opinion on these things

827

00:34:09,720 --> 00:34:07,870

I'm that the thing that puzzles me is

828

00:34:12,149 --> 00:34:09,730

I'm not is it I guess there's anyone

829

00:34:13,800 --> 00:34:12,159

given an explanation as to how the

830

00:34:16,139 --> 00:34:13,810

mechanism of this recording is happening

831

00:34:17,550 --> 00:34:16,149

or how it's being how the electronic

832

00:34:22,320 --> 00:34:17,560

frequency is being manipulated from

833

00:34:25,139 --> 00:34:22,330

somewhere yes that is a little bit more

834

00:34:26,820 --> 00:34:25,149

sort of in the scientific way of things

835

00:34:28,619 --> 00:34:26,830

that my husband actually has that as a

836

00:34:30,060 --> 00:34:28,629

sort of better understanding of that

837

00:34:31,919 --> 00:34:30,070

side of it than I did like the

838

00:34:33,990 --> 00:34:31,929

explanation of how it works yeah yeah

839

00:34:35,879 --> 00:34:34,000

because I just wonder here if these if

840

00:34:37,680 --> 00:34:35,889

these spirits are in another realm how

841

00:34:40,350 --> 00:34:37,690

do they manipulate the electromagnetic

842

00:34:45,200 --> 00:34:40,360

frequency in our realm well there's the

843

00:34:49,190 --> 00:34:47,659

they affect the magnetic field and

844

00:34:50,869 --> 00:34:49,200

that's how they put the voice on there

845

00:34:53,349 --> 00:34:50,879

there's that eerie there's also the

846

00:34:56,990 --> 00:34:53,359

theory that they use like a Kinesis to

847

00:34:59,510 --> 00:34:57,000

just fiddle with it afterwards they'd

848

00:35:05,060 --> 00:34:59,520

have a psychokinesis same as what a

849

00:35:07,150 --> 00:35:05,070

human would have and in the lab micro PK

850

00:35:10,460 --> 00:35:07,160

has been proven time and time again that

851
00:35:13,380 --> 00:35:10,470
macro not so much and this is more along

852
00:35:18,720 --> 00:35:17,130
oh that's okay but I'm now since you've

853
00:35:19,859 --> 00:35:18,730
been doing this for a while how long

854
00:35:21,839 --> 00:35:19,869
you've been doing the ghost hunting

855
00:35:24,210 --> 00:35:21,849
action um so we've been with this team

856
00:35:25,589 --> 00:35:24,220
for about maybe almost two years now but

857
00:35:28,079 --> 00:35:25,599
we've always been interested in the

858
00:35:29,279 --> 00:35:28,089
paranormal throughout our lives I've got

859
00:35:31,440 --> 00:35:29,289
a bit of a parent all interest myself

860
00:35:32,759 --> 00:35:31,450
but I'm such a scaredy cat that because

861
00:35:35,730 --> 00:35:32,769
this stuff would just really freaked me

862
00:35:37,289 --> 00:35:35,740
out like a but you're working on in an

863
00:35:39,329 --> 00:35:37,299

environment where you potentially

864

00:35:41,819 --> 00:35:39,339

meeting dead people all the time yeah

865

00:35:43,769 --> 00:35:41,829

that's right and I wait liar originally

866

00:35:45,420 --> 00:35:43,779

it did scare me as well I remember one

867

00:35:47,730 --> 00:35:45,430

of my first investigations with the team

868

00:35:50,039 --> 00:35:47,740

my knees were literally shaking but you

869

00:35:51,809 --> 00:35:50,049

do adapt you do learn ways to sort of I

870

00:35:53,519 --> 00:35:51,819

guess spiritually protect yourself and

871

00:35:54,870 --> 00:35:53,529

you gain more confidence in that sense

872

00:35:56,819 --> 00:35:54,880

so it's a little less scary these days

873

00:35:57,809 --> 00:35:56,829

and what it used to be do you think

874

00:36:00,150 --> 00:35:57,819

we've got anything to fear from these

875

00:36:02,430 --> 00:36:00,160

spirits you bumping into I don't think

876

00:36:05,120 --> 00:36:02,440

we've got anything to fear more than

877

00:36:07,049 --> 00:36:05,130

what we'd have to fear from their living

878

00:36:08,640 --> 00:36:07,059

well of course I've been looking around

879

00:36:10,559 --> 00:36:08,650

to try and get my aura cleanse but I

880

00:36:13,170 --> 00:36:10,569

can't get I can't see a clean or a

881

00:36:14,910 --> 00:36:13,180

sponge anywhere but I've got two people

882

00:36:18,150 --> 00:36:14,920

here that we've brought along here that

883

00:36:20,490 --> 00:36:18,160

you both have huge auras although one of

884

00:36:23,640 --> 00:36:20,500

yous brighter than the others yeah

885

00:36:25,499 --> 00:36:23,650

apparently yes I'm we've got a photo of

886

00:36:28,019 --> 00:36:25,509

your or now how was that done this is a

887

00:36:29,789 --> 00:36:28,029

this is amazing yeah he didn't actually

888

00:36:30,990 --> 00:36:29,799

tell us how it was done it just seemed

889

00:36:32,519 --> 00:36:31,000

to be a normal camera was some sort of

890

00:36:34,829 --> 00:36:32,529

attachment on it we also had to put on

891

00:36:37,529 --> 00:36:34,839

hand on I don't even know what it was

892

00:36:39,569 --> 00:36:37,539

but it had little metal plates on it um

893

00:36:40,799 --> 00:36:39,579

and yeah mine wasn't working at first

894

00:36:41,999 --> 00:36:40,809

had to take my hand back off and then

895

00:36:45,029 --> 00:36:42,009

put it back on again and then this photo

896

00:36:48,420 --> 00:36:45,039

just appeared on the screen and did you

897

00:36:50,490 --> 00:36:48,430

get any reading about your order I I'd

898

00:36:52,470 --> 00:36:50,500

say the accuracy kind of fell on a

899

00:36:53,910 --> 00:36:52,480

normal curve some you know some things

900

00:36:55,620 --> 00:36:53,920

in the center just average true of

901
00:36:56,779 --> 00:36:55,630
everyone some things are pretty spot on

902
00:36:59,400 --> 00:36:56,789
and some things with that were

903
00:37:01,200 --> 00:36:59,410
hilariously off base so that was pretty

904
00:37:03,450 --> 00:37:01,210
fun so did they kick it off with a good

905
00:37:04,740 --> 00:37:03,460
starter or did they say something really

906
00:37:08,039 --> 00:37:04,750
like you actually a man or something

907
00:37:13,799 --> 00:37:11,819
I sensor you actually met no no no

908
00:37:15,959 --> 00:37:13,809
weren't reaching too far all you know a

909
00:37:17,400 --> 00:37:15,969
lot of is it Barnum statements that's

910
00:37:19,319 --> 00:37:17,410
true of everybody yes Barnum statements

911
00:37:20,640 --> 00:37:19,329
thank you that's what it was and how do

912
00:37:22,469 --> 00:37:20,650
you reckon the colors difference between

913
00:37:24,329 --> 00:37:22,479

you like your auras really read yours is

914

00:37:26,249 --> 00:37:24,339

kind of a bit of a Paley mine's kind of

915

00:37:27,870 --> 00:37:26,259

ready orange apparently it means I'm

916

00:37:29,819 --> 00:37:27,880

very physical which is totally not true

917

00:37:34,199 --> 00:37:29,829

anyone who knows me knows that I am so

918

00:37:36,269 --> 00:37:34,209

lazy so yeah that one not so much okay

919

00:37:38,789 --> 00:37:36,279

and how does your reading stack up

920

00:37:42,179 --> 00:37:38,799

accuracy was I thought it was pretty

921

00:37:43,589 --> 00:37:42,189

accurate um again I got the red as well

922

00:37:45,329 --> 00:37:43,599

so the physical and energetic thing

923

00:37:47,400 --> 00:37:45,339

which is again not like me but other

924

00:37:48,779 --> 00:37:47,410

things he was saying like he started

925

00:37:50,400 --> 00:37:48,789

mentioning stuff to do with love life

926

00:37:51,870 --> 00:37:50,410

that ended up to be quite accurate as

927

00:37:53,910 --> 00:37:51,880

well I was trying very hard not to give

928

00:37:55,499 --> 00:37:53,920

him anything from my end but he does

929

00:37:56,910 --> 00:37:55,509

then ask a couple of direct questions so

930

00:37:57,929 --> 00:37:56,920

I had to sort of answer them but yeah I

931

00:37:59,880 --> 00:37:57,939

thought it was pretty accurate it's

932

00:38:02,789 --> 00:37:59,890

pretty good and then how much is an aura

933

00:38:04,589 --> 00:38:02,799

reading in this 2016 marketplace that

934

00:38:05,969 --> 00:38:04,599

was forty dollars you could you could

935

00:38:08,640 --> 00:38:05,979

get the check for reading as well which

936

00:38:12,029 --> 00:38:08,650

was seventy dollars Wow okay I'm a cheap

937

00:38:13,439 --> 00:38:12,039

one so do you think it was forty dollars

938

00:38:17,370 --> 00:38:13,449

worth of fun or a little bit overvalued

939

00:38:19,529 --> 00:38:17,380

um forty dollars one time sure not gonna

940

00:38:21,900 --> 00:38:19,539

go for it again I gotta say I've got my

941

00:38:24,329 --> 00:38:21,910

one picture I'm good for now good no

942

00:38:27,059 --> 00:38:24,339

look it is a psychic lollipop it's a

943

00:38:28,620 --> 00:38:27,069

ghost hunting lollipop now the

944

00:38:30,239 --> 00:38:28,630

apparently the UFO people are upstairs

945

00:38:32,489 --> 00:38:30,249

we walked right past them Richard they

946

00:38:34,979 --> 00:38:32,499

don't have a sign sure we go and check

947

00:38:36,779 --> 00:38:34,989

out the UFO I think I will get and it

948

00:38:37,769 --> 00:38:36,789

the table has no sign it's a whole bunch

949

00:38:42,589 --> 00:38:37,779

of people looking at their laptops

950

00:38:47,120 --> 00:38:45,019

Oh Lorraine silly around the president

951
00:38:50,839 --> 00:38:47,130
of the UFO and paranormal research

952
00:38:53,029 --> 00:38:50,849
society here in campbelltown doodool our

953
00:38:56,599 --> 00:38:53,039
sky watching yourself or not yes we do

954
00:38:59,479 --> 00:38:56,609
herself and our members and as you can

955
00:39:02,989 --> 00:38:59,489
see it's pretty much a hot spot in the

956
00:39:04,370 --> 00:39:02,999
candle town area yes um and is there a

957
00:39:06,890 --> 00:39:04,380
particular time of year that's really

958
00:39:08,420 --> 00:39:06,900
good as like summer not a good time to

959
00:39:09,859 --> 00:39:08,430
be looking as a mainly winter that's a

960
00:39:11,930 --> 00:39:09,869
good time for looking at for anomalies

961
00:39:14,839 --> 00:39:11,940
in the sky no I wouldn't say there's any

962
00:39:17,599 --> 00:39:14,849
particularly good time we have members

963
00:39:21,519 --> 00:39:17,609

of the group that photograph and video

964

00:39:23,900 --> 00:39:21,529

UFOs and identified flying objects not

965

00:39:26,059 --> 00:39:23,910

spacecraft hmmm oh look I guess I'm oh

966

00:39:28,519 --> 00:39:26,069

I'm glad you made that but yes just

967

00:39:30,049 --> 00:39:28,529

because just because a item can't be

968

00:39:32,109 --> 00:39:30,059

explained well that that's where you

969

00:39:35,359 --> 00:39:32,119

have to leave it really isn't it yes yes

970

00:39:37,400 --> 00:39:35,369

yes so people actually call you and they

971

00:39:39,950 --> 00:39:37,410

report things to you and and if you can

972

00:39:41,479 --> 00:39:39,960

you try and see what it is I don't know

973

00:39:42,710 --> 00:39:41,489

that was a helicopter although that was

974

00:39:45,140 --> 00:39:42,720

that all no we don't know what that is

975

00:39:47,569 --> 00:39:45,150

that's the first port of call is to

976
00:39:50,690 --> 00:39:47,579
actually try and find out what they saw

977
00:39:56,029 --> 00:39:50,700
and whether it's a meteorite or a plane

978
00:40:00,920 --> 00:39:56,039
or a helicopter and then when we can't

979
00:40:02,239 --> 00:40:00,930
find what it is then X EU wafer now now

980
00:40:03,739 --> 00:40:02,249
whatever one wandering around with

981
00:40:06,410 --> 00:40:03,749
phones in their pocket says this

982
00:40:07,999 --> 00:40:06,420
increase the quality of the photos or a

983
00:40:09,769 --> 00:40:08,009
just getting a lot more blurry light

984
00:40:12,469 --> 00:40:09,779
photos now because everyone's got a

985
00:40:15,709 --> 00:40:12,479
phone yeah unfortunately there are a lot

986
00:40:19,160 --> 00:40:15,719
more glaring like photos with the mobile

987
00:40:24,109 --> 00:40:19,170
phones but also the quality of cameras

988
00:40:27,140 --> 00:40:24,119

and infrared and night vision cameras is

989

00:40:31,039 --> 00:40:27,150

much better nowadays so there are a lot

990

00:40:33,019 --> 00:40:31,049

better quality photos all right look can

991

00:40:34,940 --> 00:40:33,029

I have a chat to you for our podcast so

992

00:40:38,810 --> 00:40:34,950

that's all wrong they say

993

00:40:42,650 --> 00:40:38,820

look I'm just looking at it looks like

994

00:40:44,630 --> 00:40:42,660

kind of a kind of a it looks a little

995

00:40:46,460 --> 00:40:44,640

bit like it it could be a coffin full of

996

00:40:48,980 --> 00:40:46,470

rocks but it's much more than that in

997

00:40:50,930 --> 00:40:48,990

front of me yeah yes please explain what

998

00:40:53,540 --> 00:40:50,940

we've got here so we have a crystal bed

999

00:40:55,400 --> 00:40:53,550

healing right so what you've got here is

1000

00:40:57,470 --> 00:40:55,410

each section lines up with a chakra

1001
00:40:59,810 --> 00:40:57,480
point in the body I can see rose quartz

1002
00:41:02,450 --> 00:40:59,820
yes rose quartz amethyst and clear does

1003
00:41:05,000 --> 00:41:02,460
your crown chakra it's very gentle and

1004
00:41:07,370 --> 00:41:05,010
very harmonious and how comfortable is

1005
00:41:08,780 --> 00:41:07,380
it lying on crystals oh it's actually

1006
00:41:10,790 --> 00:41:08,790
quite comfortable because they actually

1007
00:41:12,950 --> 00:41:10,800
sing underneath yeah this is just for

1008
00:41:15,470 --> 00:41:12,960
display we don't people putting your

1009
00:41:18,440 --> 00:41:15,480
dirty hands on so it's black velvet yes

1010
00:41:19,940 --> 00:41:18,450
black velvet yeah okay so um how do you

1011
00:41:21,560 --> 00:41:19,950
stop the rocks sort of falling out in

1012
00:41:24,290 --> 00:41:21,570
the floor and getting vacuumed up well

1013
00:41:27,890 --> 00:41:24,300

there's a base on the bottom okay

1014

00:41:29,839 --> 00:41:27,900

there's a hard base underneath yes and

1015

00:41:31,640 --> 00:41:29,849

can we just go through a shock was again

1016

00:41:34,160 --> 00:41:31,650

and why these crystals are for these

1017

00:41:36,380 --> 00:41:34,170

chakras okay so you've got amethyst rose

1018

00:41:38,060 --> 00:41:36,390

quartz and clear for your crown it's a

1019

00:41:40,849 --> 00:41:38,070

really great combination to do it very

1020

00:41:43,339 --> 00:41:40,859

gently all right and you've got flu

1021

00:41:45,230 --> 00:41:43,349

rides for your third eye that's a very

1022

00:41:48,950 --> 00:41:45,240

good stone to actually open it up and

1023

00:41:50,480 --> 00:41:48,960

connect with ensuring intuition lapis is

1024

00:41:52,430 --> 00:41:50,490

actually fantastic for your throat

1025

00:41:56,300 --> 00:41:52,440

chakra because i unblock throat and

1026

00:41:57,890 --> 00:41:56,310

lets you express yourself all right so

1027

00:42:00,079 --> 00:41:57,900

malachite is actually wonderful your

1028

00:42:01,640 --> 00:42:00,089

heart chakra because anything brains

1029

00:42:03,410 --> 00:42:01,650

usually really good for your heart and

1030

00:42:06,440 --> 00:42:03,420

it opens it up and opens you up

1031

00:42:09,790 --> 00:42:06,450

emotionally then you have citroen which

1032

00:42:12,770 --> 00:42:09,800

is really really good three solar plexus

1033

00:42:14,630 --> 00:42:12,780

alright so these two colors are quite

1034

00:42:16,700 --> 00:42:14,640

similar they're very close in the body

1035

00:42:20,320 --> 00:42:16,710

so you've also got your sacral chakra

1036

00:42:24,580 --> 00:42:20,330

and that is actually orange citrine

1037

00:42:27,100 --> 00:42:24,590

okay and then you've got red jasper for

1038

00:42:28,600 --> 00:42:27,110

your root chakra okay I've never seen

1039

00:42:31,900 --> 00:42:28,610

that before you've never seen red jasper

1040

00:42:36,250 --> 00:42:31,910

it's actually quite common okay and it's

1041

00:42:37,920 --> 00:42:36,260

actually quite a grounding stone and

1042

00:42:40,570 --> 00:42:37,930

then you've got hematite for your feet

1043

00:42:42,670 --> 00:42:40,580

okay so is anything good for the knees

1044

00:42:44,050 --> 00:42:42,680

as hematite than these two you can use

1045

00:42:49,270 --> 00:42:44,060

it for knees but you actually put your

1046

00:42:52,390 --> 00:42:49,280

feet in that to ground just normal yeah

1047

00:42:54,970 --> 00:42:52,400

okay and how many people do not they've

1048

00:42:57,490 --> 00:42:54,980

got one of these at home no one oh wow

1049

00:42:59,470 --> 00:42:57,500

okay cuz this is pretty special it's

1050

00:43:02,200 --> 00:42:59,480

custom-made my husband actually made it

1051
00:43:04,240 --> 00:43:02,210
for me am I sure I showed him what I

1052
00:43:06,520 --> 00:43:04,250
wanted and he's talented enough to be

1053
00:43:07,360 --> 00:43:06,530
able to make it that's great must be

1054
00:43:09,250 --> 00:43:07,370
getting a little interesting because

1055
00:43:13,840 --> 00:43:09,260
it's the DS lovely and soft earth very

1056
00:43:15,190 --> 00:43:13,850
lovely and soft and very special we're

1057
00:43:16,570 --> 00:43:15,200
right in the middle of the paranormal

1058
00:43:18,730 --> 00:43:16,580
Expo here I've been wandering around

1059
00:43:21,190 --> 00:43:18,740
just had a lovely chat to someone about

1060
00:43:23,020 --> 00:43:21,200
crystals and chakras and things like

1061
00:43:25,450 --> 00:43:23,030
that and I believe you offered them the

1062
00:43:26,770 --> 00:43:25,460
skeptics prize i Richard yeah it was

1063
00:43:28,540 --> 00:43:26,780

interesting before we did the interview

1064

00:43:29,650 --> 00:43:28,550

I gave them a skeptic zone card and they

1065

00:43:32,560 --> 00:43:29,660

just looked at it and laughed it was

1066

00:43:35,200 --> 00:43:32,570

just um use meant to them they couldn't

1067

00:43:36,460 --> 00:43:35,210

believe it on ironically enough and then

1068

00:43:38,350 --> 00:43:36,470

after they told you all about the

1069

00:43:40,330 --> 00:43:38,360

crystal ball I gave them a skeptics

1070

00:43:42,010 --> 00:43:40,340

\$100,000 challenge I said if anything

1071

00:43:44,230 --> 00:43:42,020

you tell me just now or you told my now

1072

00:43:46,050 --> 00:43:44,240

you can prove you get a hundred thousand

1073

00:43:48,400 --> 00:43:46,060

dollars but it's just complete

1074

00:43:50,380 --> 00:43:48,410

disconnect they can't understand it they

1075

00:43:52,960 --> 00:43:50,390

can't understand it look I imagine like

1076

00:43:55,570 --> 00:43:52,970

I like a lot of people do that they view

1077

00:43:58,630 --> 00:43:55,580

skeptics as being debunkers and poo poo

1078

00:44:00,250 --> 00:43:58,640

is in kind of negative folk I'm sure

1079

00:44:05,260 --> 00:44:00,260

you're right but it's also coupled with

1080

00:44:07,420 --> 00:44:05,270

the fact to them a chakra is just as

1081

00:44:10,600 --> 00:44:07,430

real as well the microphone you're using

1082

00:44:12,790 --> 00:44:10,610

now is to us it's part of reality so for

1083

00:44:15,820 --> 00:44:12,800

someone to come along and say I don't

1084

00:44:17,280 --> 00:44:15,830

think it's real at all is simply almost

1085

00:44:20,100 --> 00:44:17,290

incomprehensible

1086

00:44:22,620 --> 00:44:20,110

well it's very spiritual here today it

1087

00:44:24,750 --> 00:44:22,630

like but not in a religious way like

1088

00:44:27,210 --> 00:44:24,760

there's lots of people feeling about

1089

00:44:29,070 --> 00:44:27,220

their vibrations and and and talking

1090

00:44:31,410 --> 00:44:29,080

about things that you can't quite put

1091

00:44:33,180 --> 00:44:31,420

your finger on yeah I always wonder

1092

00:44:35,490 --> 00:44:33,190

about the word spiritual I just think it

1093

00:44:37,530 --> 00:44:35,500

just means emotional as the closest I

1094

00:44:39,180 --> 00:44:37,540

can come do it people oh this is a very

1095

00:44:40,530 --> 00:44:39,190

spiritual person I mean what they have

1096

00:44:42,240 --> 00:44:40,540

strong emotions about things that's

1097

00:44:44,370 --> 00:44:42,250

about as close as I can come to it but

1098

00:44:46,440 --> 00:44:44,380

it is that it is an emotion because as

1099

00:44:48,510 --> 00:44:46,450

Carl Sagan said you can get a spiritual

1100

00:44:50,190 --> 00:44:48,520

feeling looking at the sky at night you

1101
00:44:52,320 --> 00:44:50,200
know it's at the profoundness but it's

1102
00:44:54,570 --> 00:44:52,330
just an emotional look I was having a

1103
00:44:57,390 --> 00:44:54,580
good chat to the UFO paranormal

1104
00:44:59,700 --> 00:44:57,400
phenomenon people upstairs and she's

1105
00:45:01,470 --> 00:44:59,710
she's actually had one very good

1106
00:45:03,600 --> 00:45:01,480
sighting of a UFO and she actually

1107
00:45:05,280 --> 00:45:03,610
described it as a year as a spiritual

1108
00:45:07,590 --> 00:45:05,290
thing that the way it glowed and moved

1109
00:45:09,990 --> 00:45:07,600
through the air so you can get all sorts

1110
00:45:11,940 --> 00:45:10,000
of emotions stirred up by anomalies yeah

1111
00:45:14,670 --> 00:45:11,950
I'm sure they'd sure that it does I'm

1112
00:45:16,770 --> 00:45:14,680
sure it does i get a spiritual feeling

1113
00:45:19,050 --> 00:45:16,780

looking at a nice glass of champagne at

1114

00:45:21,210 --> 00:45:19,060

skeptics in the pub look and they were

1115

00:45:23,520 --> 00:45:21,220

in there being told about the amityville

1116

00:45:25,260 --> 00:45:23,530

horror and things like that and i had

1117

00:45:28,020 --> 00:45:25,270

your pooh-poohing face on your poo

1118

00:45:29,820 --> 00:45:28,030

pooping face i could see you going poopoo

1119

00:45:32,250 --> 00:45:29,830

Vince I'd Richard yeah we just heard

1120

00:45:33,990 --> 00:45:32,260

about a lot of cases of supposed ghosts

1121

00:45:36,420 --> 00:45:34,000

helping to solve their own crimes and

1122

00:45:37,980 --> 00:45:36,430

there was some it was interesting but a

1123

00:45:40,200 --> 00:45:37,990

little hard to sit through and I got

1124

00:45:41,370 --> 00:45:40,210

really excited cuz cuz i was i was half

1125

00:45:43,410 --> 00:45:41,380

listening and reading about a really

1126

00:45:45,510 --> 00:45:43,420

exciting UFO case on on the phenomenon

1127

00:45:47,100 --> 00:45:45,520

website and then they was she was

1128

00:45:50,280 --> 00:45:47,110

talking about foots being washed up and

1129

00:45:52,320 --> 00:45:50,290

i got it she mentioned Newcastle yes and

1130

00:45:54,210 --> 00:45:52,330

I got really excited I was really hoping

1131

00:45:56,730 --> 00:45:54,220

that feet had been started to get washed

1132

00:45:58,230 --> 00:45:56,740

up in Australia and then it was the

1133

00:45:59,550 --> 00:45:58,240

Canada one so I got very disappointed

1134

00:46:00,960 --> 00:45:59,560

cuz i was going to run right out and

1135

00:46:02,730 --> 00:46:00,970

start looking for people's right foot

1136

00:46:03,570 --> 00:46:02,740

what that because if the lifter they go

1137

00:46:05,490 --> 00:46:03,580

to the rightful it's going to be

1138

00:46:09,390 --> 00:46:05,500

somewhere there was all these pictures

1139

00:46:12,000 --> 00:46:09,400

of amputated feet in the decomposing

1140

00:46:13,770 --> 00:46:12,010

yeah I don't and she said the police are

1141

00:46:15,420 --> 00:46:13,780

stumped and I think we'll police aren't

1142

00:46:17,700 --> 00:46:15,430

the only one who was stumped haha you

1143

00:46:19,530 --> 00:46:17,710

you just poo pooing now over here we've

1144

00:46:22,020 --> 00:46:19,540

got color readings now how does that

1145

00:46:23,010 --> 00:46:22,030

work I'm a mogul that she's been busy

1146

00:46:25,650 --> 00:46:23,020

all day

1147

00:46:28,110 --> 00:46:25,660

are doing readings to people is it just

1148

00:46:29,790 --> 00:46:28,120

another method of doing a cold read kind

1149

00:46:32,880 --> 00:46:29,800

of thing oh yeah it's a problem okay

1150

00:46:34,980 --> 00:46:32,890

tarot cards astrology crystals space

1151

00:46:36,810 --> 00:46:34,990

sweetie it's just the prop and then it's

1152

00:46:40,020 --> 00:46:36,820

a prop for cold reading yeah it's it's

1153

00:46:45,030 --> 00:46:40,030

it's nerdy mundane and that is about 20

1154

00:46:47,100 --> 00:46:45,040

or so psychics upstairs in two different

1155

00:46:49,050 --> 00:46:47,110

rooms and have you seen the people

1156

00:46:51,360 --> 00:46:49,060

lining up on that day everybody looks

1157

00:46:53,070 --> 00:46:51,370

very serious I did we were up there

1158

00:46:55,740 --> 00:46:53,080

earlier when we're looking for the UFO

1159

00:46:57,150 --> 00:46:55,750

table and they're very very serious all

1160

00:46:58,530 --> 00:46:57,160

they're worried or their yeah its

1161

00:47:00,180 --> 00:46:58,540

interests and that's why you aren't

1162

00:47:02,160 --> 00:47:00,190

hearing those people on the show because

1163

00:47:03,510 --> 00:47:02,170

I find it when I interview the people

1164

00:47:04,980 --> 00:47:03,520

that are lining up to get psychic

1165

00:47:06,480 --> 00:47:04,990

readings that people they're normally

1166

00:47:08,670 --> 00:47:06,490

looking for an answer for something so

1167

00:47:11,070 --> 00:47:08,680

there it's kind of serious for them so I

1168

00:47:12,750 --> 00:47:11,080

don't like to even ask them and intrude

1169

00:47:14,250 --> 00:47:12,760

on the privacy I think that's very wise

1170

00:47:16,200 --> 00:47:14,260

that's fine if they want to get come

1171

00:47:18,540 --> 00:47:16,210

here for a psychic reading then but

1172

00:47:20,460 --> 00:47:18,550

that's their affair I guess mm-hmm now

1173

00:47:25,020 --> 00:47:20,470

is there anything you haven't seen

1174

00:47:26,850 --> 00:47:25,030

before Richard oh good question no no

1175

00:47:29,490 --> 00:47:26,860

we've had a good look around and I think

1176

00:47:32,220 --> 00:47:29,500

I've seen it all before or variations of

1177

00:47:33,660 --> 00:47:32,230

it but there it's a fun day it is well

1178

00:47:36,030 --> 00:47:33,670

you've got that laser to play for the

1179

00:47:39,540 --> 00:47:36,040

cat now I do I bought a new laser which

1180

00:47:42,060 --> 00:47:39,550

is a multi-beam sort of laser which

1181

00:47:43,440 --> 00:47:42,070

makes dots and it fires out a grid so if

1182

00:47:44,730 --> 00:47:43,450

something's moving within a space you

1183

00:47:46,350 --> 00:47:44,740

can you've got some photographic

1184

00:47:47,580 --> 00:47:46,360

evidence of what size it is the only

1185

00:47:50,430 --> 00:47:47,590

thing that's going to be moving in front

1186

00:47:53,310 --> 00:47:50,440

of that laser is a Henrietta and Maude I

1187

00:47:54,960 --> 00:47:53,320

think like I'm talking to the person who

1188

00:47:56,790 --> 00:47:54,970

organizes everything and they're the

1189

00:47:58,860 --> 00:47:56,800

speaker they're the sprue kerr they're

1190

00:48:01,440 --> 00:47:58,870

the editor they're doing security who we

1191

00:48:02,640 --> 00:48:01,450

got here we've got Pete banks how has

1192

00:48:04,770 --> 00:48:02,650

today been how's it compared to last

1193

00:48:06,630 --> 00:48:04,780

year oh it's it's good it's good about

1194

00:48:08,460 --> 00:48:06,640

the same it's um a lot different in the

1195

00:48:11,190 --> 00:48:08,470

format that we've put on this year we

1196

00:48:12,810 --> 00:48:11,200

have free workshops of people so anybody

1197

00:48:14,340 --> 00:48:12,820

who pays their five dollar entry can

1198

00:48:15,570 --> 00:48:14,350

attend all different kinds of workshops

1199

00:48:17,970 --> 00:48:15,580

for throughout the day we've also

1200

00:48:20,310 --> 00:48:17,980

expanded to the outside and who is the

1201

00:48:21,810 --> 00:48:20,320

Manila who is the big rock star of the

1202

00:48:23,430 --> 00:48:21,820

ghost hunting world at the moment in

1203

00:48:26,400 --> 00:48:23,440

this country

1204

00:48:27,839 --> 00:48:26,410

oh look at I think we have one it's

1205

00:48:31,020 --> 00:48:27,849

kinda like that they need a big TV show

1206

00:48:33,030 --> 00:48:31,030

anything well they do yeah yeah there

1207

00:48:37,140 --> 00:48:33,040

isn't really an Australian like ghost

1208

00:48:38,790 --> 00:48:37,150

hunters kind of thing there was haunting

1209

00:48:41,099 --> 00:48:38,800

Australia but that was only one season

1210

00:48:43,230 --> 00:48:41,109

and there's been a few little things

1211

00:48:45,510 --> 00:48:43,240

throughout the years but ya know there

1212

00:48:48,059 --> 00:48:45,520

is no let's say I'm the big rock star

1213

00:48:50,730 --> 00:48:48,069

behind I think you are you are indeed

1214

00:48:51,870 --> 00:48:50,740

yet everything absolutely yeah yeah yeah

1215

00:48:52,859 --> 00:48:51,880

look and speaking of that you probably

1216

00:48:54,900 --> 00:48:52,869

ought to go off and make an announcement

1217

00:48:56,730 --> 00:48:54,910

again and have a good day and I'm glad

1218

00:48:58,770 --> 00:48:56,740

it's beautiful weather for it I know

1219

00:49:01,109 --> 00:48:58,780

thank God yeah we're standing next to

1220

00:49:03,510 --> 00:49:01,119

the Big Chief pipe we are we are because

1221

00:49:08,520 --> 00:49:03,520

she lurched of pipe that's it that's

1222

00:49:10,710 --> 00:49:08,530

right I was a lot of happy smiling faces

1223

00:49:13,740 --> 00:49:10,720

here in the car because we had a big day

1224

00:49:15,780 --> 00:49:13,750

at the paranormal expert kuchulu we've

1225

00:49:18,150 --> 00:49:15,790

we've just departed to where the world's

1226

00:49:20,579 --> 00:49:18,160

biggest chief pipe is just the side of

1227

00:49:22,349 --> 00:49:20,589

the Casilla powerhouse there and we've

1228

00:49:25,530 --> 00:49:22,359

all had a good day now what what's been

1229

00:49:27,710 --> 00:49:25,540

your favorite part of the day Oh getting

1230

00:49:30,329 --> 00:49:27,720

the aura photography that's pretty great

1231

00:49:33,089 --> 00:49:30,339

and as you said earlier it was pretty

1232

00:49:34,890 --> 00:49:33,099

much fifty percent wrong yep pretty

1233

00:49:37,349 --> 00:49:34,900

pretty much on average some stuff that

1234

00:49:39,690 --> 00:49:37,359

was on the mark but mostly it just felt

1235

00:49:41,069 --> 00:49:39,700

like he was kind of you know throwing

1236

00:49:43,410 --> 00:49:41,079

out things and hoping some of them are

1237

00:49:45,599 --> 00:49:43,420

gonna hit oh ok what's that's my theory

1238

00:49:47,579 --> 00:49:45,609

of dating but yes I don't know if it

1239

00:49:49,650 --> 00:49:47,589

works actually for though also probably

1240

00:49:51,870 --> 00:49:49,660

does work for readings as well what was

1241

00:49:54,089 --> 00:49:51,880

your favourite bit of the day mine was

1242

00:49:56,339 --> 00:49:54,099

the same unfortunately I very much

1243

00:49:57,780 --> 00:49:56,349

enjoyed that very much being in enjoy

1244

00:50:00,450 --> 00:49:57,790

being told that my checkers were the

1245

00:50:02,190 --> 00:50:00,460

best that he's seen all day um yeah and

1246

00:50:03,750 --> 00:50:02,200

I think mine was more accurate mine was

1247

00:50:05,400 --> 00:50:03,760

a more accurate reading yeah things

1248

00:50:07,800 --> 00:50:05,410

trying to butter you up by to get the

1249

00:50:09,750 --> 00:50:07,810

praising your chakra quite possibly yet

1250

00:50:12,660 --> 00:50:09,760

I had I did tell him that I just ended a

1251

00:50:15,690 --> 00:50:12,670

relationship so yeah so did that affect

1252

00:50:16,829 --> 00:50:15,700

the chakra at all I'm the checker thing

1253

00:50:18,210 --> 00:50:16,839

was at the start that was actually quite

1254

00:50:19,269 --> 00:50:18,220

needy and I was being quite careful not

1255

00:50:21,609 --> 00:50:19,279

to give him away

1256

00:50:23,049 --> 00:50:21,619

not to give him information yeah C maybe

1257

00:50:24,189 --> 00:50:23,059

you know when going through the

1258

00:50:25,630 --> 00:50:24,199

difficulties of the end of a

1259

00:50:27,789 --> 00:50:25,640

relationship surely your chakras

1260

00:50:30,969 --> 00:50:27,799

wouldn't be doing so well but maybe

1261

00:50:32,620 --> 00:50:30,979

maybe this means it's right for you yeah

1262

00:50:34,419 --> 00:50:32,630

he said it was energy that I can be

1263

00:50:38,620 --> 00:50:34,429

using to change my life for the better

1264

00:50:40,809 --> 00:50:38,630

so energy available there to use okay

1265

00:50:46,120 --> 00:50:40,819

but but he said that after you'd given

1266

00:50:48,069 --> 00:50:46,130

the relationship information um yes yeah

1267

00:50:50,279 --> 00:50:48,079

I'm just remember that's a post diction

1268

00:50:52,899 --> 00:50:50,289

not a prediction yes yes that is correct

1269

00:50:54,279 --> 00:50:52,909

okay well this is something you really

1270

00:50:55,390 --> 00:50:54,289

expected to see there that you have

1271

00:50:58,390 --> 00:50:55,400

missed out on is there something you

1272

00:51:00,489 --> 00:50:58,400

really hope to see I like the the color

1273

00:51:02,829 --> 00:51:00,499

readings where the woman who was doing

1274

00:51:04,929 --> 00:51:02,839

the color readings by figuring out what

1275

00:51:08,769 --> 00:51:04,939

colors you into she could tell your

1276

00:51:10,569 --> 00:51:08,779

future using colors no I don't think

1277

00:51:12,489 --> 00:51:10,579

there was anything else no there was

1278

00:51:14,409 --> 00:51:12,499

that the color eating thing I'm I was

1279

00:51:15,309 --> 00:51:14,419

kind of interested in having a guy that

1280

00:51:16,509 --> 00:51:15,319

though because we'd already done the

1281

00:51:17,769 --> 00:51:16,519

aura thing i thought i'll give it a miss

1282

00:51:20,919 --> 00:51:17,779

this time but what was it about the

1283

00:51:23,049 --> 00:51:20,929

green oh yes having a pretty early oh

1284

00:51:25,239 --> 00:51:23,059

yeah so she was talking about the

1285

00:51:26,589 --> 00:51:25,249

different bottles and how they have

1286

00:51:29,109 --> 00:51:26,599

different colors in them and you rub

1287

00:51:30,399 --> 00:51:29,119

them onto your person but use them for

1288

00:51:33,099 --> 00:51:30,409

different things so if you are having an

1289

00:51:35,229 --> 00:51:33,109

i quote green related problems you would

1290

00:51:37,659 --> 00:51:35,239

use one of the green color solutions and

1291

00:51:46,209 --> 00:51:37,669

we just came away thinking what a green

1292

00:51:50,439 --> 00:51:46,219

related yeah I'm gardening um and and if

1293

00:51:52,809 --> 00:51:50,449

if you do if you think you have a gram

1294

00:51:54,549 --> 00:51:52,819

related problem and you use the green

1295

00:51:58,179 --> 00:51:54,559

lotion and you've actually got a blue

1296

00:52:00,519 --> 00:51:58,189

related problem what happens and what if

1297

00:52:02,589 --> 00:52:00,529

you're colorblind exactly little stuff

1298

00:52:04,359 --> 00:52:02,599

in questions we should have asked yeah

1299

00:52:06,159 --> 00:52:04,369

the only thing I was disappointed was

1300

00:52:07,539 --> 00:52:06,169

that there weren't more skywatchers II

1301
00:52:08,979 --> 00:52:07,549
because it was two or three groups last

1302
00:52:11,019 --> 00:52:08,989
time there was only one there this time

1303
00:52:13,359 --> 00:52:11,029
but I had a good chat and I learned

1304
00:52:15,880 --> 00:52:13,369
about a very famous UFO case called the

1305
00:52:19,689 --> 00:52:15,890
all thing to know that case I think

1306
00:52:22,599 --> 00:52:19,699
which has five minutes of film multiple

1307
00:52:23,949 --> 00:52:22,609
witnesses and it happened in 1999's and

1308
00:52:25,659 --> 00:52:23,959
I was reading up on that so read up

1309
00:52:27,670 --> 00:52:25,669
right up on the novak case people see

1310
00:52:29,530 --> 00:52:27,680
what you think and Richard where

1311
00:52:31,150 --> 00:52:29,540
did you fit with these things I you did

1312
00:52:33,910 --> 00:52:31,160
have your poopoo face on like I said

1313
00:52:35,650 --> 00:52:33,920

during the Amityville Horror Story that

1314

00:52:38,799 --> 00:52:35,660

was being told there but you didn't say

1315

00:52:40,089 --> 00:52:38,809

anything you didn't get up and pull your

1316

00:52:41,470 --> 00:52:40,099

jacket over your head and walk out

1317

00:52:44,319 --> 00:52:41,480

backwards like I've seen you do it some

1318

00:52:46,420 --> 00:52:44,329

of these things I didn't but Lara caught

1319

00:52:48,549 --> 00:52:46,430

me out i actually had the laugh once and

1320

00:52:51,130 --> 00:52:48,559

i tried to disguise it as a sneeze

1321

00:52:53,980 --> 00:52:51,140

actually okay and what was actually said

1322

00:52:56,500 --> 00:52:53,990

that that made you go all that get under

1323

00:52:57,760 --> 00:52:56,510

the house I'm can't run be the exact bit

1324

00:53:01,420 --> 00:52:57,770

but it was when she was saying that she

1325

00:53:04,270 --> 00:53:01,430

only writes true true stuff not fiction

1326

00:53:08,230 --> 00:53:04,280

that's right so maybe up maybe it was

1327

00:53:10,450 --> 00:53:08,240

just a a coffin up and sneeze well

1328

00:53:13,530 --> 00:53:10,460

anyway people I've had a lot of fun

1329

00:53:15,640 --> 00:53:13,540

despite Richard boo booing and how many

1330

00:53:17,109 --> 00:53:15,650

hundred thousand dollar challenger

1331

00:53:20,470 --> 00:53:17,119

checks did you give out today Richard

1332

00:53:22,120 --> 00:53:20,480

only one to the through the chakra bed

1333

00:53:24,190 --> 00:53:22,130

lady look but she would say she was

1334

00:53:26,200 --> 00:53:24,200

having none Eon negativity gotta say I

1335

00:53:28,210 --> 00:53:26,210

saw lots of rocks ahead and so I'm still

1336

00:53:31,200 --> 00:53:28,220

a fan rose quartz but can't seem to get

1337

00:53:33,460 --> 00:53:31,210

past it each to his own may not yeah

1338

00:53:35,470 --> 00:53:33,470

people see me and they go he's a rose

1339

00:53:38,680 --> 00:53:35,480

quartz kind of guy well onwards and

1340

00:53:41,589 --> 00:53:38,690

upwards as we head off in the one of the

1341

00:53:43,690 --> 00:53:41,599

high on dive truth into the sunset now

1342

00:54:04,680 --> 00:53:43,700

and thank you all and of course you're

1343

00:54:09,940 --> 00:54:07,930

hey svenska skeptical the vet vet at

1344

00:54:12,070 --> 00:54:09,950

Veterans Court building in the boy talk

1345

00:54:14,770 --> 00:54:12,080

none hanger of the skeptic zone that an

1346

00:54:17,500 --> 00:54:14,780

ox 0 alpha alpha dog poop science quiz

1347

00:54:20,050 --> 00:54:17,510

or skeptic at cafe on thomasville Queen

1348

00:54:22,210 --> 00:54:20,060

Povey very pumped for Punta safe at

1349

00:54:24,670 --> 00:54:22,220

spawning vivaro you like our local

1350

00:54:26,680 --> 00:54:24,680

training a hunter molanda Top Gun warm

1351
00:54:29,830 --> 00:54:26,690
to install that on the fence non-local

1352
00:54:33,970 --> 00:54:29,840
Fanning buffin to start I'm 12 your pot

1353
00:54:36,640 --> 00:54:33,980
on a day is new hello all skeptics in

1354
00:54:38,860 --> 00:54:36,650
Sweden I'm sure you already know that

1355
00:54:40,810 --> 00:54:38,870
the Swedish skeptics Association not

1356
00:54:43,480 --> 00:54:40,820
only is a big fan of the skeptic zone

1357
00:54:45,610 --> 00:54:43,490
but that we also organize lectures pop

1358
00:54:52,330 --> 00:54:45,620
science quiz and skeptics in the pub all

1359
00:54:54,400 --> 00:54:52,340
over the country go to ww vo ftse to see

1360
00:54:56,530 --> 00:54:54,410
what are seven local chapters are up to

1361
00:54:58,960 --> 00:54:56,540
and if you live in a place where there

1362
00:55:16,350 --> 00:54:58,970
is no local chapter why not start on

1363
00:55:21,790 --> 00:55:18,970

thank you for listening to the skeptic

1364

00:55:24,040 --> 00:55:21,800

zone now now those people in Sydney

1365

00:55:27,310 --> 00:55:24,050

please come along and be part of the fun

1366

00:55:30,040 --> 00:55:27,320

the Occidental hotel Thursday October

1367

00:55:34,510 --> 00:55:30,050

the 6th starting at six o'clock for the

1368

00:55:36,790 --> 00:55:34,520

skeptic zone live join me and Maynard

1369

00:55:39,670 --> 00:55:36,800

and lots of skeptic zone reporters for a

1370

00:55:42,190 --> 00:55:39,680

live taping of the show prize giveaways

1371

00:55:43,990 --> 00:55:42,200

prize giveaways on the night we have

1372

00:55:46,990 --> 00:55:44,000

some books courtesy of Alan on one to

1373

00:55:48,880 --> 00:55:47,000

give away I think we've got some tickets

1374

00:55:50,830 --> 00:55:48,890

to give away two upcoming shows and

1375

00:55:52,750 --> 00:55:50,840

things like that and our special guests

1376

00:55:56,620 --> 00:55:52,760

will be none other than dr. Brad makhaya

1377

00:55:57,910 --> 00:55:56,630

from embarrassing bodies down under also

1378

00:55:59,440 --> 00:55:57,920

a member of the skeptics will be

1379

00:56:01,810 --> 00:55:59,450

chatting to may not about the recent

1380

00:56:04,720 --> 00:56:01,820

Burning Man festival for more

1381

00:56:07,000 --> 00:56:04,730

information head to [meetup.com / aust](http://meetup.com/aust)

1382

00:56:09,370 --> 00:56:07,010

skeptics and the event will be at the

1383

00:56:11,230 --> 00:56:09,380

Occidental hotel which is 43 York Street

1384

00:56:14,020 --> 00:56:11,240

and for those people in Sydney that's

1385

00:56:16,510 --> 00:56:14,030

just behind winded train station entry

1386

00:56:18,430 --> 00:56:16,520

is free but if you put your name down at

1387

00:56:20,470 --> 00:56:18,440

meetup will now you're coming along but

1388

00:56:22,420 --> 00:56:20,480

bring some friends anyway now if you

1389

00:56:25,660 --> 00:56:22,430

need another fix if you need another

1390

00:56:28,600 --> 00:56:25,670

podcasting fix head over to Maynard calm

1391

00:56:30,750 --> 00:56:28,610

day you and subscribe to Maenads podcast

1392

00:56:34,510 --> 00:56:30,760

planet Maynard which includes of course

1393

00:56:36,790 --> 00:56:34,520

bunga bunga the podcast he does with Tim

1394

00:56:38,950 --> 00:56:36,800

Ferguson but all sorts of other things

1395

00:56:40,390 --> 00:56:38,960

too it's a little bit random is that

1396

00:56:43,150 --> 00:56:40,400

it's a little bit of a surprise every

1397

00:56:45,040 --> 00:56:43,160

week to see what comes out from Planet

1398

00:56:47,620 --> 00:56:45,050

Maynard we have behind the scenes with

1399

00:56:49,660 --> 00:56:47,630

the spin out which is the recent hit

1400

00:56:52,300 --> 00:56:49,670

movie here in Australia we've got

1401

00:56:54,250 --> 00:56:52,310

interviews with other djs what double J

1402

00:56:57,310 --> 00:56:54,260

should sound like of course news about

1403

00:56:58,390 --> 00:56:57,320

that and much more yeah Maynard calm

1404

00:57:02,560 --> 00:56:58,400

down a you if you're not subscribed

1405

00:57:05,290 --> 00:57:02,570

please do so and people like Maynard

1406

00:57:07,810 --> 00:57:05,300

really really get a good a nice warm

1407

00:57:12,250 --> 00:57:07,820

feeling when they eat hot food paid for

1408

00:57:14,740 --> 00:57:12,260

by a patreon who so put podcasts don't

1409

00:57:18,010 --> 00:57:14,750

be shy don't be shy good old main ideas

1410

00:57:19,780 --> 00:57:18,020

may not come today you for lots more in

1411

00:57:22,540 --> 00:57:19,790

fact just between you and me I've heard

1412

00:57:25,599 --> 00:57:22,550

lately Maynard has dug up a lot of

1413

00:57:30,370 --> 00:57:25,609

archival stuff he's done over the years

1414

00:57:31,779 --> 00:57:30,380

he's uh he's been baking tapes no don't

1415

00:57:33,819 --> 00:57:31,789

send the police around I think it's

1416

00:57:36,460 --> 00:57:33,829

completely legal he's been baking old

1417

00:57:38,440 --> 00:57:36,470

audiotapes to bring them back to life

1418

00:57:40,390 --> 00:57:38,450

but I'm sure Maynard will tell us more

1419

00:57:41,950 --> 00:57:40,400

about that in the coming weeks I think

1420

00:57:46,059 --> 00:57:41,960

he might even mention it at the live

1421

00:57:48,099 --> 00:57:46,069

show but for this week until we see many

1422

00:57:50,799 --> 00:57:48,109

of you I hope at the live show in a few

1423

00:57:52,720 --> 00:57:50,809

days time and the rest of you will hear

1424

00:57:55,239 --> 00:57:52,730

it on the podcast this is Richard

1425

00:58:01,599 --> 00:57:55,249

Saunders signing off from Sydney

1426

00:58:03,670 --> 00:58:01,609

Australia you've been listening to the

1427

00:58:07,930 --> 00:58:03,680

skeptics own podcast visit our website

1428

00:58:11,229 --> 00:58:07,940

at wwc a petting zoo TV for contacts and

1429

00:58:14,380 --> 00:58:11,239

archive of all episodes since 2008 and

1430

00:58:16,450 --> 00:58:14,390

our online store please support the

1431

00:58:19,809 --> 00:58:16,460

skeptic zone by following us on twitter

1432

00:58:23,319 --> 00:58:19,819

at skeptic zone liking us on facebook

1433

00:58:24,819 --> 00:58:23,329

and leaving a review on iTunes you can

1434

00:58:28,660 --> 00:58:24,829

also show your support by subscribing

1435

00:58:31,690 --> 00:58:28,670

via paypal for as little as 99 cents a

1436

00:58:33,309 --> 00:58:31,700

week the skeptic zone is an independent

1437

00:58:35,769 --> 00:58:33,319

production the views and opinions

1438

00:58:37,809 --> 00:58:35,779

expressed on the skeptic zone and not
