Heidi Robertson here with a report

9
00:00:38,000 --> 00:00:34,290
covering the preview screening of the

10
00:00:40,910 --> 00:00:38,010
documentary vitae mania here in the

11
00:00:44,900 --> 00:00:40,920
heart of auntie VAX land Mullen bimby

12
00:00:47,390 --> 00:00:44,910
New South Wales later on I'll be telling

13
00:00:50,630 --> 00:00:47,400

you how you can see this documentary if

14

00:00:53,479 --> 00:00:50,640

you are in Australia or online in other

15

00:00:57,219 --> 00:00:53,489

parts of the world I'll also be

16

00:01:00,950 --> 00:00:57,229

reporting a screening of the anti-vaxxer

17

00:01:05,570 --> 00:01:00,960

fishel virgins which was screening at

18

00:01:07,550 --> 00:01:05,580

the same location don't worry you'll

19

00:01:11,120 --> 00:01:07,560

still be getting your regular skeptic

20

00:01:14,000 --> 00:01:11,130

zone in just a couple of days but now

21

00:01:18,260 --> 00:01:14,010

it's time for me to channel Richard

22

00:01:22,789 --> 00:01:18,270

Saunders run to the kitchen make myself

23

00:01:28,610 --> 00:01:22,799

a big salad that has all of the vitamins

24

00:01:46,680 --> 00:01:28,620

in it come back and bring you my report

25

00:01:59,889 --> 00:01:50,289

it's the raw skeptic reporting with

26

00:02:03,460 --> 00:01:59,899

Heidi Robertson well something a bit

27

00:02:06,550 --> 00:02:03,470

different tonight I am currently in my

28

00:02:11,259 --> 00:02:06,560

car and I'm parked outside the

29

00:02:15,009 --> 00:02:11,269

Mullumbimby Civic Hall and I'm waiting

30

00:02:19,270 --> 00:02:15,019

to go in to see Vitae mania a screening

31

00:02:21,790 --> 00:02:19,280

of the documentary vitae mania which is

32

00:02:24,270 --> 00:02:21,800

done by Sonia Pemberton and listeners

33

00:02:27,759 --> 00:02:24,280

might remember Sonia Pemberton from

34

00:02:33,009 --> 00:02:27,769

speaking at skeptic on last year in

35

00:02:36,430 --> 00:02:33,019

Sydney but she also did a documentary

36

00:02:40,180 --> 00:02:36,440

called jabbed which was very successful

37

00:02:44,740 --> 00:02:40,190

and masterfully done if you haven't yet

38

00:02:48,280 --> 00:02:44,750

seen jabbed make it something that you

39

00:02:51,610 --> 00:02:48,290

must do very soon it's very good anyway

40

00:02:54,490 --> 00:02:51,620

so Sonia Pemberton is here in Mullen

41

00:02:56,319 --> 00:02:54,500

bimby tonight to host a Q&A session

42

00:03:00,130 --> 00:02:56,329

after the screening of the documentary

43

00:03:02,560 --> 00:03:00,140

vitae mania and I'm just on the website

44

00:03:06,490 --> 00:03:02,570

having a little look because I don't

45

00:03:11,800 --> 00:03:06,500

know how lot about this documentary so

46

00:03:14,920 --> 00:03:11,810

from the website and I quote almost 1

47

00:03:18,750 --> 00:03:14,930

billion of us take a regular dietary

48

00:03:21,670 --> 00:03:18,760

supplement mainly vitamin tablets

49

00:03:24,759 --> 00:03:21,680

vitamins are enthusiastically endorsed

50

00:03:28,509 --> 00:03:24,769

by celebrities and vitamin fortified

51
00:03:31,569 --> 00:03:28,519
foods line our supermarket shelves but

52
00:03:35,199 --> 00:03:31,579
how safe are these products is it true

53
00:03:36,640 --> 00:03:35,209
that vitamins are natural and therefore

54
00:03:40,180 --> 00:03:36,650
can't do you any harm

55
00:03:42,610 --> 00:03:40,190
how are they regulated and how can

56
00:03:43,920 --> 00:03:42,620
parents make the right choices for their

57
00:03:47,620 --> 00:03:43,930
children's health

58
00:03:50,230 --> 00:03:47,630
these surprisingly urgent questions are

59
00:03:53,020 --> 00:03:50,240
investigated by scientists dr. Derek

60
00:03:55,860 --> 00:03:53,030
Muller invite amania the latest

61
00:03:58,270 --> 00:03:55,870
documentary made by Emmy Award winning

62
00:04:02,170 --> 00:03:58,280
Australian filmmakers gene pool

63
00:04:04,570 --> 00:04:02,180

productions so I'm looking forward to

64

00:04:07,860 --> 00:04:04,580

seeing this documentary and I'll report

65

00:04:10,830 --> 00:04:07,870

back on it later but in the meantime

66

00:04:13,570 --> 00:04:10,840

thought I'd also mentioned the fact that

67

00:04:15,430 --> 00:04:13,580

something else is happening at the same

68

00:04:19,660 --> 00:04:15,440

venue the Mullumbimby Civic Hall

69

00:04:23,620 --> 00:04:19,670

tomorrow night and that is a screening

70

00:04:27,760 --> 00:04:23,630

of another documentary that you may have

71

00:04:32,080 --> 00:04:27,770

heard of called sacrificial virgins this

72

00:04:36,190 --> 00:04:32,090

is a anti-vaccination documentary all

73

00:04:38,320 --> 00:04:36,200

about the HPV vaccine which as you may

74

00:04:44,070 --> 00:04:38,330

know the HPV vaccine has been wildly

75

00:04:49,980 --> 00:04:44,080

successful and may in fact eradicate

76

00:04:52,650 --> 00:04:49,990

cancers from the HPV virus altogether

77

00:04:55,420 --> 00:04:52,660

it's been a phenomenal success so far

78

00:04:58,330 --> 00:04:55,430

but the anti-vaccination crowd don't

79

00:05:01,570 --> 00:04:58,340

like it they've made a documentary out

80

00:05:03,820 --> 00:05:01,580

of it and the Australian vaccination

81

00:05:06,910 --> 00:05:03,830

risks Network formerly known as the

82

00:05:10,030 --> 00:05:06,920

Australian vaccination skeptics network

83

00:05:14,350 --> 00:05:10,040

is hosting a tour of sacrificial virgins

84

00:05:18,940 --> 00:05:14,360

and as part of a tour Mullumbimby has

85

00:05:22,240 --> 00:05:18,950

the dubious honour of hosting it at the

86

00:05:25,750 --> 00:05:22,250

Mullen B&B Civic Hall now the MOA memba

87

00:05:30,340 --> 00:05:25,760

Civic Hall also hosted VAX the Andrew

88

00:05:34,480 --> 00:05:30,350

Wakefield documentary last year as well

89

00:05:39,700 --> 00:05:34,490

as David avocado Wolfe the health and

90

00:05:42,970 --> 00:05:39,710

wellness anti vaccination guru and the

91

00:05:46,150 --> 00:05:42,980

reason that some people including myself

92

00:05:49,780 --> 00:05:46,160

are quite upset about this is that the

93

00:05:53,410 --> 00:05:49,790

Civic Hall is for the community in

94

00:05:56,860 --> 00:05:53,420

Mullumbimby it is essentially run by the

95

00:05:59,050 --> 00:05:56,870

council it has a committee which is

96

00:06:01,239 --> 00:05:59,060

appointed by the council it has the

97

00:06:03,519 --> 00:06:01,249

mayor of Byron Shire

98

00:06:08,649 --> 00:06:03,529

on the committee as well as another

99

00:06:11,769 --> 00:06:08,659

counselor and we at the time that VAX

100

00:06:14,519 --> 00:06:11,779

was screened last year we also

101
00:06:17,469 --> 00:06:14,529
approached the council and the media and

102
00:06:20,589 --> 00:06:17,479
asked them why they thought it was

103
00:06:22,899 --> 00:06:20,599
appropriate to let this documentary be

104
00:06:26,169 --> 00:06:22,909
aired and they came back with the whole

105
00:06:29,099 --> 00:06:26,179
free speech issue and they've done the

106
00:06:34,569 --> 00:06:29,109
same this time a number of us have

107
00:06:39,129 --> 00:06:34,579
reported this this event to councillors

108
00:06:43,089 --> 00:06:39,139
and even the Minister for local

109
00:06:45,639 --> 00:06:43,099
governments and we're not getting

110
00:06:50,079 --> 00:06:45,649
anywhere so far we've only got about 24

111
00:06:52,029 --> 00:06:50,089
hours to go and the thing is it's look

112
00:06:55,569 --> 00:06:52,039
we're not trying to suppress their free

113
00:06:59,199 --> 00:06:55,579

speech it's it's like vac stores it is

114

00:07:01,839 --> 00:06:59,209

freely available this this documentary

115

00:07:05,259 --> 00:07:01,849

sacrificial virgins is freely available

116

00:07:07,479 --> 00:07:05,269

on the internet they're essentially

117

00:07:11,289 --> 00:07:07,489

discharging people to come in and and

118

00:07:14,679 --> 00:07:11,299

watch it and then have a Q&A session

119

00:07:20,019 --> 00:07:14,689

with the producer of the film who is

120

00:07:23,039 --> 00:07:20,029

also an hiv/aids denier and Joan shanton

121

00:07:26,139 --> 00:07:23,049

is her name and she has recently been

122

00:07:28,839 --> 00:07:26,149

well I was going to say not allowed into

123

00:07:31,049 --> 00:07:28,849

Australia that's not strictly true from

124

00:07:34,600 --> 00:07:31,059

what I understand she applied for a

125

00:07:38,289 --> 00:07:34,610

tourist visa to come and promote this

126

00:07:40,269 --> 00:07:38,299

sacrificial virgins documentary here the

127

00:07:42,429 --> 00:07:40,279

Australian government was not satisfied

128

00:07:45,879 --> 00:07:42,439

that she was coming here as a tourist

129

00:07:48,939 --> 00:07:45,889

but might have been coming here for work

130

00:07:52,539 --> 00:07:48,949

in promoting the documentary so they

131

00:07:55,329 --> 00:07:52,549

refused her Aviva the AVN is not happy

132

00:07:58,659 --> 00:07:55,339

about that they still have her appearing

133

00:08:01,689 --> 00:07:58,669

in the Q&A at the end of the shows via

134

00:08:04,179 --> 00:08:01,699

Skype a Skype hookup she's definitely

135

00:08:06,009 --> 00:08:04,189

not having her free speech suppressed as

136

00:08:10,199 --> 00:08:06,019

I said it's also freely available on

137

00:08:14,100 --> 00:08:10,209

YouTube but what is concerning is that

138

00:08:17,490 --> 00:08:14,110

counsel is okay with this event

139

00:08:20,640 --> 00:08:17,500

being held in one of their facilities in

140

00:08:23,850 --> 00:08:20,650

the postcode with Australia's lowest

141

00:08:27,629 --> 00:08:23,860

vaccination rates Mullumbimby at the

142

00:08:30,719 --> 00:08:27,639

same time that a case of diphtheria was

143

00:08:35,459 --> 00:08:30,729

just confirmed in our region yesterday

144

00:08:38,009 --> 00:08:35,469

in a man that we haven't been told

145

00:08:40,500 --> 00:08:38,019

anything else just that he is recovering

146

00:08:41,819 --> 00:08:40,510

but diphtheria for goodness sakes

147

00:08:43,769 --> 00:08:41,829

something that should have been

148

00:08:47,370 --> 00:08:43,779

relegated to the history books along

149

00:08:49,410 --> 00:08:47,380

with smallpox and here it is a couple of

150

00:08:55,199 --> 00:08:49,420

years ago another case was in our region

151

00:08:57,870 --> 00:08:55,209

as well out in a casino so we've got a

152

00:09:01,319 --> 00:08:57,880

man diagnosed with diphtheria yesterday

153

00:09:06,360 --> 00:09:01,329

we've got Sonia Pemberton of the

154

00:09:09,710 --> 00:09:06,370

documentary jabbed who is promoting her

155

00:09:12,240 --> 00:09:09,720

new documentary tonight vitae mania and

156

00:09:14,340 --> 00:09:12,250

interestingly enough another documentary

157

00:09:17,400 --> 00:09:14,350

she did a few years ago was called

158

00:09:22,680 --> 00:09:17,410

catching cancer about different viruses

159

00:09:25,170 --> 00:09:22,690

that cause different cancers HPV anyone

160

00:09:27,180 --> 00:09:25,180

so how ironic is that

161

00:09:30,030 --> 00:09:27,190

tomorrow night we've got the avian

162

00:09:32,850 --> 00:09:30,040

hosting an anti vaccination documentary

163

00:09:35,730 --> 00:09:32,860

and these two things are at the

164

00:09:38,699 --> 00:09:35,740

Mullumbimby Civic Center run by our

165

00:09:41,579 --> 00:09:38,709

local council anyway that's enough

166

00:09:45,360 --> 00:09:41,589

jibber-jabber from me it's just almost

167

00:09:47,639 --> 00:09:45,370

time for me to wander on in and see the

168

00:09:50,340 --> 00:09:47,649

who's who of who's going to turn out for

169

00:09:52,470 --> 00:09:50,350

this vital mania documentary in Mullen

170

00:09:56,519 --> 00:09:52,480

bimby tonight I've got no idea who I'm

171

00:10:00,180 --> 00:09:56,529

going to run into I'm here by myself so

172

00:10:04,629 --> 00:10:00,190

should be interesting and I shall report

173

00:10:11,210 --> 00:10:07,939

well it's now a couple of days after the

174

00:10:14,420 --> 00:10:11,220

screening of Vital mania and I thought

175

00:10:18,199 --> 00:10:14,430

I'd give you a bit of a rundown about it

176

00:10:21,050 --> 00:10:18,209

Sonya Pemberton in the Q&A session after

177

00:10:22,879 --> 00:10:21,060

the documentary screening was asked how

178

00:10:26,960 --> 00:10:22,889

she came up with the idea to make a

179

00:10:28,939 --> 00:10:26,970

documentary about vitamins she replied

180

00:10:31,910 --> 00:10:28,949

that when she was traveling the world

181

00:10:35,120 --> 00:10:31,920

during the research and interviews for

182

00:10:37,939 --> 00:10:35,130

the documentary jabbed she noticed how

183

00:10:41,060 --> 00:10:37,949

many people were hesitant about the

184

00:10:43,040 --> 00:10:41,070

science of vaccination but those same

185

00:10:45,939 --> 00:10:43,050

people were totally accepting of the

186

00:10:50,090 --> 00:10:45,949

science behind vitamin supplementation

187

00:10:52,480 --> 00:10:50,100

she wanted to explore this further not

188

00:10:56,240 --> 00:10:52,490

only investigating why this was the case

189

00:10:58,819 --> 00:10:56,250

but also whether that thinking was at

190

00:11:01,040 --> 00:10:58,829

all justified the end result was a

191

00:11:03,829 --> 00:11:01,050

thoroughly researched and beautifully

192

00:11:07,069 --> 00:11:03,839

produced documentary about the science

193

00:11:09,439 --> 00:11:07,079

behind vitamins whether or not her

194

00:11:12,470 --> 00:11:09,449

question about the acceptance of certain

195

00:11:15,650 --> 00:11:12,480

science and the denial of other science

196

00:11:18,319 --> 00:11:15,660

was answered well I asked her about that

197

00:11:22,550 --> 00:11:18,329

afterward and she came back with one

198

00:11:25,009 --> 00:11:22,560

word tribalism and hopefully she'll be

199

00:11:27,860 --> 00:11:25,019

exploring this issue further in her

200

00:11:31,220 --> 00:11:27,870

future research so what can you expect

201
00:11:34,579 --> 00:11:31,230
from this documentary some of the issues

202
00:11:37,970 --> 00:11:34,589
raised were how much of a billion-dollar

203
00:11:40,009 --> 00:11:37,980
industry is the vitamin business our

204
00:11:41,960 --> 00:11:40,019
vitamins regulated for safety and

205
00:11:46,100 --> 00:11:41,970
efficacy prior to getting on our

206
00:11:48,620 --> 00:11:46,110
supermarket and pharmacy shelves what

207
00:11:51,199 --> 00:11:48,630
was the first known worldwide clinical

208
00:11:53,689 --> 00:11:51,209
trial and how were vitamins involved

209
00:11:56,740 --> 00:11:53,699
which foods are fortified with which

210
00:12:00,769 --> 00:11:56,750
vitamins in what countries and why

211
00:12:03,590 --> 00:12:00,779
what do rickets scurvy and some causes

212
00:12:05,689 --> 00:12:03,600
of blindness all have in common and do

213
00:12:07,210 --> 00:12:05,699

we still see these conditions today in

214

00:12:10,400 --> 00:12:07,220

developed countries

215

00:12:12,530 --> 00:12:10,410

how much do genetics play a role in a so

216

00:12:15,319 --> 00:12:12,540

called normal or baseline level of

217

00:12:16,519 --> 00:12:15,329

vitamins in each individual will

218

00:12:20,059 --> 00:12:16,529

astronauts going to

219

00:12:23,540 --> 00:12:20,069

I need vitamins it's about a three and a

220

00:12:26,569 --> 00:12:23,550

half year round trip I think and if they

221

00:12:29,030 --> 00:12:26,579

do need vitamins which once and why is

222

00:12:32,420 --> 00:12:29,040

the perception that taking vitamins is

223

00:12:33,230 --> 00:12:32,430

risk-free accurate can you overdose on

224

00:12:36,889 --> 00:12:33,240

vitamins

225

00:12:39,650 --> 00:12:36,899

it was interesting surprising and

226

00:12:41,509 --> 00:12:39,660

somewhat humorous that dr. Steven

227

00:12:43,699 --> 00:12:41,519

novella from the skeptics guide to the

228

00:12:46,730 --> 00:12:43,709

universe was one person interviewed for

229

00:12:48,019 --> 00:12:46,740

the documentary humorous simply because

230

00:12:50,720 --> 00:12:48,029

I was sitting in the heart of

231

00:12:53,540 --> 00:12:50,730

anti-vaxxer and in the Civic Hall in

232

00:12:56,629 --> 00:12:53,550

Mullen bimby and there's one of the

233

00:12:59,960 --> 00:12:56,639

world's most well-known skeptics largers

234

00:13:01,489 --> 00:12:59,970

life on the screen never did I think I

235

00:13:04,519 --> 00:13:01,499

would see Stephen novella

236

00:13:06,769 --> 00:13:04,529

Peter Mullan bimby I also spotted Cara

237

00:13:10,519 --> 00:13:06,779

Santa Maria right at the end of the

238

00:13:13,549 --> 00:13:10,529

documentary vitae mania the documentary

239

00:13:16,160 --> 00:13:13,559

is well worth seeing if you're in

240

00:13:20,509 --> 00:13:16,170

Australia you can see it on SBS on the

241

00:13:23,420 --> 00:13:20,519

12th of August 2018 and you can watch it

242

00:13:25,910 --> 00:13:23,430

afterwards for a limited time on SBS on

243

00:13:30,549 --> 00:13:25,920

demand internationally it's being

244

00:13:35,119 --> 00:13:30,559

released on Monday the 13th of August if

245

00:13:37,780 --> 00:13:35,129

you visit vitae mania the movie calm for

246

00:13:40,579 --> 00:13:37,790

the online places you can see it and

247

00:13:42,889 --> 00:13:40,589

it'll also be available for purchase for

248

00:13:45,710 --> 00:13:42,899

about \$4 it would make a wonderful gift

249

00:13:49,069 --> 00:13:45,720

for any friends or relatives who may be

250

00:13:50,290 --> 00:13:49,079

taking a plethora of vitamins without a

251
00:13:53,179 --> 00:13:50,300
second thought

252
00:13:54,889 --> 00:13:53,189
so I also had something else happening

253
00:13:59,090 --> 00:13:54,899
at the Mullumbimby civic hall the day

254
00:14:01,189 --> 00:13:59,100
after vitae mania and I do apologize

255
00:14:05,389 --> 00:14:01,199
that this report is a little disjointed

256
00:14:08,810 --> 00:14:05,399
I am heavily relying on Richard to edit

257
00:14:11,869 --> 00:14:08,820
it all into some semblance of sense

258
00:14:17,910 --> 00:14:11,879
[Music]

259
00:14:20,939 --> 00:14:17,920
well it's Thursday the 9th of August the

260
00:14:23,249 --> 00:14:20,949
day after I've attended the Mullumbimby

261
00:14:26,749 --> 00:14:23,259
city called to see vitae mania and

262
00:14:29,030 --> 00:14:26,759
tonight we're having the screening of

263
00:14:33,829 --> 00:14:29,040

sacrificial virgins the anti-vaccination

264

00:14:38,150 --> 00:14:33,839

documentary discrediting the HPV vaccine

265

00:14:40,889 --> 00:14:38,160

I've come down here just to see if the

266

00:14:45,119 --> 00:14:40,899

avian the Australian vaccination risks

267

00:14:47,609 --> 00:14:45,129

Network has put up their public health

268

00:14:49,410 --> 00:14:47,619

warning the healthcare Complaints

269

00:14:53,220 --> 00:14:49,420

Commission public health warning against

270

00:14:55,650 --> 00:14:53,230

them on the door as they have been asked

271

00:14:57,329 --> 00:14:55,660

to do by Council

272

00:14:59,579 --> 00:14:57,339

so I'm sitting over the road at the

273

00:15:02,249 --> 00:14:59,589

moment I've just parked my car the doors

274

00:15:05,100 --> 00:15:02,259

are shut I can't see any signs up at the

275

00:15:07,739 --> 00:15:05,110

moment but it's still an hour and a half

276

00:15:10,559 --> 00:15:07,749

before the screening so who knows they

277

00:15:13,079 --> 00:15:10,569

might they might come by and put it up a

278

00:15:16,259 --> 00:15:13,089

little bit later anyway

279

00:15:20,100 --> 00:15:16,269

I wonder / - I'll wander over the road

280

00:15:50,560 --> 00:15:20,110

and see if I can get a closer look all

281

00:15:50,570 --> 00:15:59,690

Oh Devo

282

00:16:06,180 --> 00:16:04,080

that's t-shirt on unless they recognize

283

00:16:09,960 --> 00:16:06,190

there is an anti vaccination activist

284

00:16:12,900 --> 00:16:09,970

just got a boot full of paraphernalia so

285

00:16:14,850 --> 00:16:12,910

I did I'd really feel up to a

286

00:16:18,570 --> 00:16:14,860

confrontation really what we're all

287

00:16:20,370 --> 00:16:18,580

about at nids anyway I'm just walking in

288

00:16:22,230 --> 00:16:20,380

the opposite direction of you can't

289

00:16:25,530 --> 00:16:22,240

report house in the police station at

290

00:16:25,540 --> 00:16:32,530

she's gonna put this sign up

291

00:16:40,700 --> 00:16:37,660

[Music]

292

00:16:42,620 --> 00:16:40,710

well I approached the front entrance of

293

00:16:46,460 --> 00:16:42,630

the Civic Hall on my way back to the car

294

00:16:48,650 --> 00:16:46,470

and saw four signs up basically

295

00:16:51,140 --> 00:16:48,660

disclaimers from the Byron Shire Council

296

00:16:54,170 --> 00:16:51,150

and the Civic Hall which said that they

297

00:16:57,080 --> 00:16:54,180

don't endorse the opinions that are

298

00:17:00,620 --> 00:16:57,090

being screened as part of the

299

00:17:04,190 --> 00:17:00,630

documentary and they are not hosting the

300

00:17:06,950 --> 00:17:04,200

events and blah blah blah and I don't

301

00:17:10,100 --> 00:17:06,960

think that's good enough ratepayers

302

00:17:11,960 --> 00:17:10,110

attending a council run venue should be

303

00:17:14,390 --> 00:17:11,970

made aware that the documentary is being

304

00:17:17,750 --> 00:17:14,400

hosted by a group subject to a public

305

00:17:20,090 --> 00:17:17,760

health warning in my opinion the

306

00:17:21,860 --> 00:17:20,100

Australian vaccination risks Network

307

00:17:24,250 --> 00:17:21,870

should be required to display this

308

00:17:27,410 --> 00:17:24,260

warning not only on their published

309

00:17:30,320 --> 00:17:27,420

material as is currently advised by the

310

00:17:32,990 --> 00:17:30,330

H Triple C the healthcare Complaints

311

00:17:34,970 --> 00:17:33,000

Commission but at any venue that they

312

00:17:38,780 --> 00:17:34,980

attend to promote their anti vaccination

313

00:17:43,460 --> 00:17:38,790

agenda if you agree with this please

314

00:17:47,540 --> 00:17:43,470

send an email to the H Triple C at media
