TROVE
"Remote Viewing"

1
00:00:09,190 --> 00:00:06,550

[Music]

2
00:00:13,920 --> 00:00:09,200

welcome to the skeptic zone the podcast

3
00:00:16,860 --> 00:00:13,930

from australia for science and reason

4
00:00:23,509 --> 00:00:16,870

[Applause]

5
00:00:28,230 --> 00:00:25,509

yes it's the skeptic's own podcast

6
00:00:31,910 --> 00:00:28,240

episode number 649

7
00:00:34,069 --> 00:00:31,920

for the 23rd of january 2022 richard

8
00:00:35,670 --> 00:00:34,079

saunders coming to you from sydney

9
00:00:39,270 --> 00:00:35,680

australia

10
00:00:42,310 --> 00:00:39,280

and after weeks of very

11
00:00:45,590 --> 00:00:42,320

muggy muggy hot muggy weather today is a

12
00:00:47,910 --> 00:00:45,600

little bit muggy and overcast and not

13
00:00:48,630 --> 00:00:47,920

and then patchy and then a bit of rain

14

00:00:52,790 --> 00:00:48,640

and

15

00:00:55,590 --> 00:00:52,800

i was fortunate enough to score some

16

00:00:57,990 --> 00:00:55,600

uh tv work during the week which was

17

00:00:59,990 --> 00:00:58,000

uh much needed

18

00:01:01,670 --> 00:01:00,000

but getting home from that on the public

19

00:01:03,430 --> 00:01:01,680

transport system when it's this hot and

20

00:01:06,070 --> 00:01:03,440

muggy

21

00:01:07,910 --> 00:01:06,080

especially when you just miss a bus

22

00:01:10,070 --> 00:01:07,920

the other bus doesn't come

23

00:01:12,789 --> 00:01:10,080

and the trains are

24

00:01:14,789 --> 00:01:12,799

delayed um oh well

25

00:01:17,749 --> 00:01:14,799

coming up on this week's show

26

00:01:21,109 --> 00:01:17,759

i speak to pontus berkman from

27

00:01:23,590 --> 00:01:21,119

malmo in sweden and of course pontus is

28

00:01:24,950 --> 00:01:23,600

a co-host of that fabulous podcast the

29

00:01:28,310 --> 00:01:24,960

european

30

00:01:29,830 --> 00:01:28,320

skeptics podcast the real esp experience

31

00:01:31,270 --> 00:01:29,840

pontus is going to tell us about the

32

00:01:34,550 --> 00:01:31,280

results of a

33

00:01:36,469 --> 00:01:34,560

very large survey undertaken about what

34

00:01:37,749 --> 00:01:36,479

people in sweden

35

00:01:39,510 --> 00:01:37,759

believe

36

00:01:42,069 --> 00:01:39,520

all sorts of things from

37

00:01:44,389 --> 00:01:42,079

climate change to conspiracy theories to

38

00:01:46,550 --> 00:01:44,399

creationism and on

39

00:01:48,469 --> 00:01:46,560

an interesting little

40

00:01:51,109 --> 00:01:48,479

uh what shall we call it

41

00:01:54,710 --> 00:01:51,119

interesting little look into

42

00:01:57,270 --> 00:01:54,720

the thoughts of the swedes

43

00:02:00,310 --> 00:01:57,280

and i wonder what the situation would be

44

00:02:01,590 --> 00:02:00,320

in your country if a similar survey was

45

00:02:03,830 --> 00:02:01,600

undertaken

46

00:02:04,950 --> 00:02:03,840

anyway that's coming up at the top of

47

00:02:06,950 --> 00:02:04,960

the show

48

00:02:08,710 --> 00:02:06,960

with pontus berkman

49

00:02:11,029 --> 00:02:08,720

following that it's a little segment i'm

50

00:02:12,869 --> 00:02:11,039

just simply calling bits and pieces

51
00:02:14,229 --> 00:02:12,879
just news items that have come my way

52
00:02:18,070 --> 00:02:14,239
from listeners

53
00:02:20,229 --> 00:02:18,080
and maynard hello maynard uh just about

54
00:02:22,869 --> 00:02:20,239
some covered craziness and some sad

55
00:02:25,190 --> 00:02:22,879
stories unfortunately and another one of

56
00:02:27,750 --> 00:02:25,200
those crazy advertisements that have

57
00:02:31,509 --> 00:02:27,760
appeared on my facebook feed this one

58
00:02:33,670 --> 00:02:31,519
for an et communication seminar

59
00:02:36,070 --> 00:02:33,680
then to round off the show in the trove

60
00:02:38,150 --> 00:02:36,080
segment we're going to be looking

61
00:02:41,350 --> 00:02:38,160
through the historical records of

62
00:02:42,710 --> 00:02:41,360
newspapers and so on for references to

63
00:02:43,830 --> 00:02:42,720

remote

64

00:02:47,350 --> 00:02:43,840

viewing

65

00:02:49,509 --> 00:02:47,360

now a bit of a heads up i'm absolutely

66

00:02:51,270 --> 00:02:49,519

thrilled and delighted to be

67

00:02:53,990 --> 00:02:51,280

to have been asked by the gold coast

68

00:02:56,470 --> 00:02:54,000

skeptics hello dr paulie

69

00:02:58,949 --> 00:02:56,480

to add to give a presentation and i'll

70

00:03:02,149 --> 00:02:58,959

be doing that in february and this is

71

00:03:04,470 --> 00:03:02,159

online of course on the 21st of february

72

00:03:07,430 --> 00:03:04,480

here in australia i'll be giving my talk

73

00:03:09,110 --> 00:03:07,440

about strange energies

74

00:03:11,350 --> 00:03:09,120

and even stranger

75

00:03:14,309 --> 00:03:11,360

devices this is one of my favorite talks

76

00:03:16,229 --> 00:03:14,319

updated for 2022

77

00:03:18,790 --> 00:03:16,239

and if you google

78

00:03:20,949 --> 00:03:18,800

gold coast skeptics up in queensland

79

00:03:22,309 --> 00:03:20,959

there or just follow the link

80

00:03:24,789 --> 00:03:22,319

in this week's show notes you can

81

00:03:27,190 --> 00:03:24,799

register for this online event it will

82

00:03:29,750 --> 00:03:27,200

be monday the 21st of february here in

83

00:03:30,869 --> 00:03:29,760

australia from 8 30 p.m

84

00:03:33,350 --> 00:03:30,879

and

85

00:03:35,190 --> 00:03:33,360

a little bit about the talk

86

00:03:38,309 --> 00:03:35,200

in this talk long time skeptical

87

00:03:41,350 --> 00:03:38,319

investigator me richard saunders takes a

88

00:03:44,550 --> 00:03:41,360

look at just some of the many claims of

89

00:03:49,509 --> 00:03:47,350

oops which is energies

90

00:03:51,910 --> 00:03:49,519

unknown to science

91

00:03:53,830 --> 00:03:51,920

can a set of headphones really diagnose

92

00:03:55,670 --> 00:03:53,840

your ills

93

00:03:59,270 --> 00:03:55,680

can a lump of resin plugged into the

94

00:04:02,309 --> 00:03:59,280

wall clear your house of negative energy

95

00:04:03,910 --> 00:04:02,319

does cosmic energy fix rising damp

96

00:04:06,309 --> 00:04:03,920

find out as richard guides you through

97

00:04:08,869 --> 00:04:06,319

these and other amazing claims

98

00:04:11,910 --> 00:04:08,879

talk followed by questions and answers

99

00:04:15,589 --> 00:04:11,920

online socializing bring your own cuppa

100

00:04:17,990 --> 00:04:15,599

drink snack etc and that'll be on zoom

101

00:04:21,189 --> 00:04:18,000

and i look forward to uh

102

00:04:23,590 --> 00:04:21,199

seeing you there on the night and maybe

103

00:04:25,830 --> 00:04:23,600

at least trying to answer your questions

104

00:04:27,430 --> 00:04:25,840

well it's not a great day for uh

105

00:04:29,350 --> 00:04:27,440

going to the beach

106

00:04:32,070 --> 00:04:29,360

though i do like to walk along the beach

107

00:04:33,590 --> 00:04:32,080

sometime have the water lap at my toes

108

00:04:34,710 --> 00:04:33,600

not like the other week where i was

109

00:04:37,189 --> 00:04:34,720

walking along the beach to have the

110

00:04:38,629 --> 00:04:37,199

water lap at my toes and a sort of freak

111

00:04:40,830 --> 00:04:38,639

wave came and

112

00:04:44,070 --> 00:04:40,840

knocked me off my toes

113

00:04:45,990 --> 00:04:44,080

splash which was all very funny except

114

00:04:48,550 --> 00:04:46,000

when i got up and

115

00:04:50,629 --> 00:04:48,560

was a little bit discombobulated

116

00:04:52,870 --> 00:04:50,639

it took me a minute to realize that my

117

00:04:57,830 --> 00:04:52,880

prescription glasses had

118

00:04:59,590 --> 00:04:57,840

been swept out to see oh dear

119

00:05:01,909 --> 00:04:59,600

luckily i was holding my iphone at the

120

00:05:03,590 --> 00:05:01,919

time and it wasn't swept out the sea

121

00:05:05,909 --> 00:05:03,600

although within about 10 minutes it

122

00:05:08,950 --> 00:05:05,919

started not to function

123

00:05:11,909 --> 00:05:08,960

uh so next time i go to a paddle by the

124

00:05:13,909 --> 00:05:11,919

ocean take a nice walk along the beach

125

00:05:15,510 --> 00:05:13,919

i'll be a bit more careful how does that

126
00:05:17,510 --> 00:05:15,520
sound

127
00:05:19,510 --> 00:05:17,520
but for now it's time for me not to run

128
00:05:22,230 --> 00:05:19,520
to the ocean to the beach it's time for

129
00:05:24,870 --> 00:05:22,240
me to run downstairs

130
00:05:26,950 --> 00:05:24,880
and have a nice healthy

131
00:05:38,870 --> 00:05:26,960
salad wrap while i do that i hope you

132
00:05:50,070 --> 00:05:48,550
[Music]

133
00:05:52,469 --> 00:05:50,080
joining me now all the way from

134
00:05:55,510 --> 00:05:52,479
beautiful malmo in sweden it's none

135
00:05:58,230 --> 00:05:55,520
other than pontus bergman hello pontus

136
00:06:00,790 --> 00:05:58,240
hey sanhe san richard very nice to be

137
00:06:02,469 --> 00:06:00,800
back on the skeptic zone again great to

138
00:06:04,710 --> 00:06:02,479

see you we are looking at each other and

139

00:06:07,189 --> 00:06:04,720

i must tell you that your delightful

140

00:06:09,510 --> 00:06:07,199

co-host annika is in australia at the

141

00:06:11,430 --> 00:06:09,520

moment and we were to meet up and

142

00:06:13,270 --> 00:06:11,440

interview and have a look for a ghost or

143

00:06:15,430 --> 00:06:13,280

something like that but because the

144

00:06:17,830 --> 00:06:15,440

covert situation here in sydney in

145

00:06:20,309 --> 00:06:17,840

australia is not so good not so good

146

00:06:22,870 --> 00:06:20,319

she's playing it very safe so we've

147

00:06:24,710 --> 00:06:22,880

simply had to um greet each other on

148

00:06:27,189 --> 00:06:24,720

online which is a bit of a

149

00:06:30,150 --> 00:06:27,199

disappointment yeah too bad but i can

150

00:06:31,350 --> 00:06:30,160

unders i can understand now pontius

151
00:06:36,309 --> 00:06:31,360
you've

152
00:06:39,029 --> 00:06:36,319
results

153
00:06:41,430 --> 00:06:39,039
to a survey in sweden all about the

154
00:06:43,270 --> 00:06:41,440
paranormal and the supernatural and

155
00:06:45,590 --> 00:06:43,280
pseudoscience what can you tell us about

156
00:06:48,550 --> 00:06:45,600
that right yes that we so what we've

157
00:06:51,909 --> 00:06:48,560
done is it's called the vof study or the

158
00:06:53,589 --> 00:06:51,919
vof study vof being the acronym for the

159
00:06:56,070 --> 00:06:53,599
for the swedish skeptics i won't get

160
00:06:58,230 --> 00:06:56,080
into the linguistic part of that but

161
00:07:00,870 --> 00:06:58,240
the vof study was something we did the

162
00:07:03,270 --> 00:07:00,880
first time in 2015. we paid a

163
00:07:06,309 --> 00:07:03,280

professional survey company you know the

164

00:07:07,670 --> 00:07:06,319

kind of who does the political polls and

165

00:07:09,749 --> 00:07:07,680

stuff like that

166

00:07:12,950 --> 00:07:09,759

and we pay them to find out what the

167

00:07:15,909 --> 00:07:12,960

swedish public actually believe in

168

00:07:18,070 --> 00:07:15,919

so uh we we try to cover the most

169

00:07:20,710 --> 00:07:18,080

interesting views on pseudoscience

170

00:07:24,230 --> 00:07:20,720

superstitions and conspiracy theories

171

00:07:27,749 --> 00:07:24,240

things like that ghosts as well

172

00:07:30,950 --> 00:07:27,759

so we had 58 questions in total

173

00:07:33,990 --> 00:07:30,960

2 500 people replied to the or we made

174

00:07:35,749 --> 00:07:34,000

sure that there were 2 500 replies to

175

00:07:38,469 --> 00:07:35,759

each and every question

176

00:07:40,710 --> 00:07:38,479

and that's more than you really need

177

00:07:42,629 --> 00:07:40,720

for some statistical

178

00:07:47,830 --> 00:07:42,639

purpose but we wanted to break it down

179

00:07:49,830 --> 00:07:47,840

also into subgroups so we looked into

180

00:07:51,510 --> 00:07:49,840

gender differences

181

00:07:54,230 --> 00:07:51,520

age groups

182

00:07:56,150 --> 00:07:54,240

where you live education levels and also

183

00:08:00,869 --> 00:07:56,160

political

184

00:08:02,550 --> 00:08:00,879

try to try to break down the population

185

00:08:05,110 --> 00:08:02,560

in different groups and that's why we we

186

00:08:07,990 --> 00:08:05,120

did a big study like that

187

00:08:10,150 --> 00:08:08,000

and uh we did the the questions was well

188

00:08:14,790 --> 00:08:10,160

the actual survey was done in september

189

00:08:16,390 --> 00:08:14,800

but it's taken all autumn to to

190

00:08:18,629 --> 00:08:16,400

to analyze the results and get the

191

00:08:20,390 --> 00:08:18,639

statistics really right because we don't

192

00:08:21,350 --> 00:08:20,400

want to make any

193

00:08:23,430 --> 00:08:21,360

uh

194

00:08:25,270 --> 00:08:23,440

mistakes statistics

195

00:08:28,230 --> 00:08:25,280

wise and also want to find

196

00:08:30,629 --> 00:08:28,240

the the interesting parts and then we

197

00:08:33,350 --> 00:08:30,639

presented it just before new year's we

198

00:08:35,430 --> 00:08:33,360

we presented the thing and we sent out a

199

00:08:37,909 --> 00:08:35,440

press release and we presented the

200

00:08:40,389 --> 00:08:37,919

results in in six different categories

201
00:08:42,550 --> 00:08:40,399
so we talked about environment

202
00:08:45,190 --> 00:08:42,560
environmental issues

203
00:08:47,030 --> 00:08:45,200
views about humans and humankind it's a

204
00:08:49,590 --> 00:08:47,040
bit of a broad

205
00:08:52,150 --> 00:08:49,600
area then we asked about health and

206
00:08:54,790 --> 00:08:52,160
illnesses including a subcategory of

207
00:08:56,470 --> 00:08:54,800
course about corona and coronavirus

208
00:08:57,750 --> 00:08:56,480
vaccines and stuff like that then we

209
00:08:59,110 --> 00:08:57,760
looked into something we called

210
00:09:01,829 --> 00:08:59,120
knowledge

211
00:09:03,350 --> 00:09:01,839
conspiracy theories and then religion

212
00:09:04,710 --> 00:09:03,360
and beliefs

213
00:09:07,670 --> 00:09:04,720

it's a

214

00:09:09,990 --> 00:09:07,680

quite a wide-ranging survey yeah we

215

00:09:11,910 --> 00:09:10,000

wanted but once we do this we want to we

216

00:09:13,430 --> 00:09:11,920

don't want to think afterwards oh we

217

00:09:14,949 --> 00:09:13,440

should have asked that as well so we

218

00:09:17,670 --> 00:09:14,959

really

219

00:09:20,070 --> 00:09:17,680

put together and still we did

220

00:09:22,310 --> 00:09:20,080

cut a few questions out of course for

221

00:09:23,910 --> 00:09:22,320

out of cost reasons and stuff it's it

222

00:09:26,949 --> 00:09:23,920

was quite expensive but we wanted to

223

00:09:28,949 --> 00:09:26,959

make it really professional so uh that's

224

00:09:31,509 --> 00:09:28,959

that's what we did and and the reason we

225

00:09:33,670 --> 00:09:31,519

did it was first of all we're curious

226

00:09:36,070 --> 00:09:33,680

right uh yes it's good to know these

227

00:09:38,310 --> 00:09:36,080

things yes yeah it is and you want to

228

00:09:42,230 --> 00:09:38,320

know how common is it that people

229

00:09:44,790 --> 00:09:42,240

believe in dowsing or in angels or 9 11

230

00:09:48,630 --> 00:09:44,800

conspiracies things like that

231

00:09:50,230 --> 00:09:48,640

but also as we as skeptics we

232

00:09:52,710 --> 00:09:50,240

we spend a lot of our time fighting

233

00:09:55,350 --> 00:09:52,720

misconceptions like this and silly

234

00:09:56,150 --> 00:09:55,360

things dangerous ideas but if we don't

235

00:09:57,670 --> 00:09:56,160

know

236

00:10:00,949 --> 00:09:57,680

what people

237

00:10:03,030 --> 00:10:00,959

believe in or if they believe in them

238

00:10:05,030 --> 00:10:03,040

the risk is that we focus on the wrong

239

00:10:06,870 --> 00:10:05,040

things and we miss things that maybe are

240

00:10:09,190 --> 00:10:06,880

more important than we think

241

00:10:12,230 --> 00:10:09,200

if nobody believes in faith healing

242

00:10:14,550 --> 00:10:12,240

there's no point in us talking about it

243

00:10:16,710 --> 00:10:14,560

right yeah yeah well i mean but you make

244

00:10:18,550 --> 00:10:16,720

a good point because as i often say on

245

00:10:19,670 --> 00:10:18,560

the skeptic zone these things come and

246

00:10:22,870 --> 00:10:19,680

go

247

00:10:25,750 --> 00:10:22,880

84 of the swedish public

248

00:10:27,030 --> 00:10:25,760

believes in anthropogenic global warming

249

00:10:29,350 --> 00:10:27,040

so that

250

00:10:30,949 --> 00:10:29,360

we they are on board but that means that

251

00:10:33,670 --> 00:10:30,959

15

252

00:10:35,750 --> 00:10:33,680

or not there was a few who didn't answer

253

00:10:38,150 --> 00:10:35,760

that question so yeah or answered that

254

00:10:40,069 --> 00:10:38,160

they didn't know so 15 are not on board

255

00:10:42,870 --> 00:10:40,079

with this concept and that's interesting

256

00:10:44,790 --> 00:10:42,880

to know it was maybe a little bit bigger

257

00:10:46,790 --> 00:10:44,800

it's not sensational but it's a little

258

00:10:49,590 --> 00:10:46,800

bit bigger than i thought it's not a big

259

00:10:51,590 --> 00:10:49,600

surprise it's a pity it's that number

260

00:10:52,630 --> 00:10:51,600

but it's not a big surprise yeah right

261

00:10:54,790 --> 00:10:52,640

yeah

262

00:10:57,350 --> 00:10:54,800

then one thing we asked about was about

263

00:10:59,590 --> 00:10:57,360

organic farming that's very popular and

264

00:11:01,350 --> 00:10:59,600

it is really we can see that in our

265

00:11:03,910 --> 00:11:01,360

almost two-thirds of the population

266

00:11:06,790 --> 00:11:03,920

thinks that organic farming is an

267

00:11:10,470 --> 00:11:06,800

important part for for a sustainable

268

00:11:12,630 --> 00:11:10,480

uh society it's not as efficient as

269

00:11:15,030 --> 00:11:12,640

conventional farming which means you use

270

00:11:16,949 --> 00:11:15,040

more land yeah and using more land is

271

00:11:19,269 --> 00:11:16,959

the big problem when it comes to

272

00:11:22,150 --> 00:11:19,279

environmental issues so

273

00:11:23,829 --> 00:11:22,160

then then we can go into the the cattery

274

00:11:26,150 --> 00:11:23,839

category that i call humans and

275

00:11:28,630 --> 00:11:26,160

humankind so views about humans and

276

00:11:31,750 --> 00:11:28,640

humankind that's a big subject but the

277

00:11:33,670 --> 00:11:31,760

most sensational thing there which was

278

00:11:36,069 --> 00:11:33,680

also picked up by the media when we sent

279

00:11:39,350 --> 00:11:36,079

out the press release is the the views

280

00:11:40,790 --> 00:11:39,360

about human races can you divide

281

00:11:42,870 --> 00:11:40,800

the human

282

00:11:45,030 --> 00:11:42,880

species into races

283

00:11:46,550 --> 00:11:45,040

so basically are you a racist and we

284

00:11:48,870 --> 00:11:46,560

couldn't ask we couldn't ask that

285

00:11:49,990 --> 00:11:48,880

question because that was uh a little

286

00:11:52,389 --> 00:11:50,000

bit too

287

00:11:55,030 --> 00:11:52,399

you do you don't get honest answers

288

00:11:57,829 --> 00:11:55,040

there yeah so what one question that we

289

00:12:02,069 --> 00:11:57,839

asked that was very interesting was uh

290

00:12:03,110 --> 00:12:02,079

humankind uh is made up of racism with

291

00:12:05,190 --> 00:12:03,120

different

292

00:12:06,870 --> 00:12:05,200

uh inherited

293

00:12:09,110 --> 00:12:06,880

personality traits

294

00:12:11,030 --> 00:12:09,120

so we so we this is you have to parse

295

00:12:13,190 --> 00:12:11,040

that question a little bit but our

296

00:12:16,069 --> 00:12:13,200

thinking was that if you say that as

297

00:12:17,190 --> 00:12:16,079

person has certain personality traits

298

00:12:19,269 --> 00:12:17,200

because

299

00:12:21,670 --> 00:12:19,279

he belongs to certain race and you

300

00:12:23,590 --> 00:12:21,680

answer that with yes that means that you

301

00:12:25,750 --> 00:12:23,600

believe that there are different races

302

00:12:28,629 --> 00:12:25,760

that are very different or at least

303

00:12:30,710 --> 00:12:28,639

different so 17

304

00:12:33,269 --> 00:12:30,720

reply that they agree to some extent

305

00:12:34,870 --> 00:12:33,279

that humanity is made up of different

306

00:12:37,509 --> 00:12:34,880

races

307

00:12:39,750 --> 00:12:37,519

and that's rather high

308

00:12:41,990 --> 00:12:39,760

and the interesting thing is uh that

309

00:12:43,990 --> 00:12:42,000

when you divide that and you ask who who

310

00:12:47,030 --> 00:12:44,000

has replied that

311

00:12:49,110 --> 00:12:47,040

it is very much up to you it correlates

312

00:12:50,069 --> 00:12:49,120

very well with your political

313

00:12:53,110 --> 00:12:50,079

uh

314

00:12:55,590 --> 00:12:53,120

feelings right so followers of the

315

00:12:56,629 --> 00:12:55,600

sweden democratic party which is our

316

00:12:59,910 --> 00:12:56,639

very

317

00:13:02,470 --> 00:12:59,920

most right-wing party in in sweden who

318

00:13:05,110 --> 00:13:02,480

has built their whole agenda about

319

00:13:07,030 --> 00:13:05,120

the best thing every every problem has a

320

00:13:09,829 --> 00:13:07,040

solution and the solution is always to

321

00:13:11,670 --> 00:13:09,839

deport foreign people that that's

322

00:13:15,509 --> 00:13:11,680

so they have one solution and they apply

323

00:13:17,750 --> 00:13:15,519

to all the problems 47 of them agreed

324

00:13:19,990 --> 00:13:17,760

that humanity is made up of races with

325

00:13:21,670 --> 00:13:20,000

different inherited personality traits

326

00:13:24,230 --> 00:13:21,680

that's very high

327

00:13:27,110 --> 00:13:24,240

the green party supporters on the other

328

00:13:29,990 --> 00:13:27,120

hand it was only five percent

329

00:13:32,150 --> 00:13:30,000

then we can go into health and illnesses

330

00:13:34,470 --> 00:13:32,160

yeah well that's a very very good topic

331

00:13:36,790 --> 00:13:34,480

to look at right at the moment because

332

00:13:39,430 --> 00:13:36,800

of the worldwide situation

333

00:13:43,030 --> 00:13:39,440

so actually we found that a lot of

334

00:13:44,389 --> 00:13:43,040

people are okay with vaccinations they

335

00:13:45,750 --> 00:13:44,399

are not

336

00:13:48,870 --> 00:13:45,760

very

337

00:13:49,829 --> 00:13:48,880

scared or vaccine hesitant which means

338

00:13:51,590 --> 00:13:49,839

that

339

00:13:53,590 --> 00:13:51,600

the people who are

340

00:13:55,430 --> 00:13:53,600

are not that many but they're very loud

341

00:13:58,150 --> 00:13:55,440

because you hear them all the time

342

00:14:01,269 --> 00:13:58,160

same here i think and

343

00:14:03,430 --> 00:14:01,279

22 of the swedish population believe

344

00:14:06,310 --> 00:14:03,440

that the coronavirus was created in a

345

00:14:07,430 --> 00:14:06,320

lab i i can't say for sure that it was

346

00:14:10,150 --> 00:14:07,440

not

347

00:14:10,949 --> 00:14:10,160

but there's no no scientific evidence of

348

00:14:19,269 --> 00:14:10,959

that

349

00:14:21,430 --> 00:14:19,279

than scientific reasons right wow so so

350

00:14:23,189 --> 00:14:21,440

that's uh also for some reason the

351

00:14:27,110 --> 00:14:23,199

christian democrats

352

00:14:29,829 --> 00:14:27,120

also pretty high on this scale uh on on

353

00:14:32,470 --> 00:14:29,839

conspiracy theories in general and

354

00:14:35,350 --> 00:14:32,480

specifically corona virus 30 believe

355

00:14:37,990 --> 00:14:35,360

that the coronavirus was was created in

356

00:14:40,949 --> 00:14:38,000

a lab that it's pretty interesting i

357

00:14:43,189 --> 00:14:40,959

think uh we can go if we want to look

358

00:14:46,230 --> 00:14:43,199

into religion and beliefs a little bit

359

00:14:49,110 --> 00:14:46,240

19 of the swedish population are not

360

00:14:51,430 --> 00:14:49,120

convinced that evolution is real that

361

00:14:53,509 --> 00:14:51,440

was shocking to me that's high i'm i am

362

00:14:56,069 --> 00:14:53,519

surprised it's that high in this day and

363

00:14:59,030 --> 00:14:56,079

age yeah it is it is

364

00:15:01,189 --> 00:14:59,040

there's some fun findings as well uh not

365

00:15:04,310 --> 00:15:01,199

maybe not so serious but interesting to

366

00:15:07,509 --> 00:15:04,320

just note that yes twelve percent of all

367

00:15:09,189 --> 00:15:07,519

women believe in astrology but only four

368

00:15:11,189 --> 00:15:09,199

percent of the men

369

00:15:13,509 --> 00:15:11,199

on the other hand uh and not so

370

00:15:18,710 --> 00:15:13,519

surprisingly as well men believe more in

371

00:15:21,430 --> 00:15:18,720

ufos than women do so uh 19 of of men

372

00:15:25,189 --> 00:15:21,440

believe in ufos and it was defined as

373

00:15:26,790 --> 00:15:25,199

uh aliens have visited earth so it was

374

00:15:29,350 --> 00:15:26,800

very important very important to make

375

00:15:33,030 --> 00:15:29,360

that different distinction because yeah

376

00:15:35,350 --> 00:15:33,040

the word ufo to many people simply means

377

00:15:38,150 --> 00:15:35,360

alien spaceship that's very important

378

00:15:41,030 --> 00:15:38,160

and that was the context that we we

379

00:15:42,710 --> 00:15:41,040

asked for so 19 of men but only 12

380

00:15:43,670 --> 00:15:42,720

percent of women believe in that but

381

00:15:46,069 --> 00:15:43,680

it's still

382

00:15:48,470 --> 00:15:46,079

still high numbers i think yeah

383

00:15:52,470 --> 00:15:48,480

so but then if you want to i wanted to

384

00:15:55,430 --> 00:15:52,480

look into also what's changed since uh

385

00:15:56,949 --> 00:15:55,440

2015 when we did the previous report but

386

00:15:58,069 --> 00:15:56,959

so it's six years between the two

387

00:16:01,189 --> 00:15:58,079

reports

388

00:16:04,550 --> 00:16:01,199

uh but there's good news a belief that

389

00:16:07,990 --> 00:16:04,560

gmo is dangerous has fallen from 50

390

00:16:10,150 --> 00:16:08,000

percent to 36 and it's good so that

391

00:16:12,550 --> 00:16:10,160

that's good that means that if slowly

392

00:16:15,350 --> 00:16:12,560

slowly people are coming to

393

00:16:18,069 --> 00:16:15,360

to realize that gmo may not be that

394

00:16:21,829 --> 00:16:18,079

dangerous and as we as we know there's

395

00:16:23,670 --> 00:16:21,839

no scientific reason to to be afraid of

396

00:16:27,269 --> 00:16:23,680

inherently there's nothing wrong with

397

00:16:29,590 --> 00:16:27,279

gmo vaccine hesitance hesitancy is down

398

00:16:31,509 --> 00:16:29,600

from seven percent to three percent

399

00:16:34,069 --> 00:16:31,519

that's very good that that's very good

400

00:16:37,509 --> 00:16:34,079

and that leads me to think that

401
00:16:39,910 --> 00:16:37,519
the information campaigns that have

402
00:16:41,670 --> 00:16:39,920
i'm speculating now but

403
00:16:43,829 --> 00:16:41,680
during the pandemic there's been a lot

404
00:16:46,069 --> 00:16:43,839
of information about vaccines and how

405
00:16:48,470 --> 00:16:46,079
good they are and that it works and it's

406
00:16:51,030 --> 00:16:48,480
safe and i think that is what we're

407
00:16:53,829 --> 00:16:51,040
seeing here that that that kind of

408
00:16:57,509 --> 00:16:53,839
influenced this this trend belief in

409
00:17:00,389 --> 00:16:57,519
acupuncture is also down from 64 percent

410
00:17:03,829 --> 00:17:00,399
to 48 that that's still high but the

411
00:17:05,669 --> 00:17:03,839
trend is in the correct direction uh the

412
00:17:07,350 --> 00:17:05,679
bad there's bad news as well at least

413
00:17:08,470 --> 00:17:07,360

one i'll bring up

414

00:17:10,870 --> 00:17:08,480

the

415

00:17:12,549 --> 00:17:10,880

belief in repressed memories that you

416

00:17:15,510 --> 00:17:12,559

can

417

00:17:17,510 --> 00:17:15,520

get repressed memories out of somebody

418

00:17:20,390 --> 00:17:17,520

you somebody has forgotten something and

419

00:17:23,029 --> 00:17:20,400

you can through hypnosis or through

420

00:17:24,230 --> 00:17:23,039

uh helping them to to

421

00:17:27,429 --> 00:17:24,240

remember

422

00:17:29,590 --> 00:17:27,439

that that belief was 42 percent six

423

00:17:30,470 --> 00:17:29,600

years ago just that's high but now it's

424

00:17:31,669 --> 00:17:30,480

50

425

00:17:32,710 --> 00:17:31,679

really

426

00:17:38,870 --> 00:17:32,720

and

427

00:17:41,190 --> 00:17:38,880

again i'm speculating as to why but six

428

00:17:43,510 --> 00:17:41,200

years ago there's a was a big

429

00:17:45,590 --> 00:17:43,520

scandal in sweden about repressed

430

00:17:47,750 --> 00:17:45,600

memories oh yeah we shouldn't go into

431

00:17:50,070 --> 00:17:47,760

all of it but it was very public and

432

00:17:51,830 --> 00:17:50,080

there was a lot of talk about how it

433

00:17:54,470 --> 00:17:51,840

doesn't work and there was a there was a

434

00:17:58,070 --> 00:17:54,480

legal scandal somebody who was very

435

00:17:59,669 --> 00:17:58,080

unfairly unfairly treated from by the

436

00:18:02,710 --> 00:17:59,679

legal system

437

00:18:05,190 --> 00:18:02,720

and so it was a hot topic six years ago

438

00:18:06,470 --> 00:18:05,200

but now nobody talks about it and then

439

00:18:08,630 --> 00:18:06,480

the belief

440

00:18:11,190 --> 00:18:08,640

creeps up again

441

00:18:14,230 --> 00:18:11,200

and if that is true

442

00:18:16,230 --> 00:18:14,240

that leads me to think that

443

00:18:18,230 --> 00:18:16,240

you we need to keep at it

444

00:18:20,710 --> 00:18:18,240

some beliefs that you think

445

00:18:23,029 --> 00:18:20,720

you have debunked well we didn't haven't

446

00:18:25,590 --> 00:18:23,039

hadn't debunked that totally six years

447

00:18:28,070 --> 00:18:25,600

ago but but you think it's sort of under

448

00:18:30,150 --> 00:18:28,080

control but if nobody keeps repeating

449

00:18:33,110 --> 00:18:30,160

the message it creeps back up again so

450

00:18:35,669 --> 00:18:33,120

we need to be a new generation come

451

00:18:37,669 --> 00:18:35,679

come up yeah that's people

452

00:18:40,549 --> 00:18:37,679

say that to us they say well this topic

453

00:18:43,750 --> 00:18:40,559

has been well and truly debunked and and

454

00:18:46,150 --> 00:18:43,760

so on so well okay yes it has been but

455

00:18:47,909 --> 00:18:46,160

how about the the next generation coming

456

00:18:50,630 --> 00:18:47,919

up now right they have to learn all this

457

00:18:53,029 --> 00:18:50,640

stuff you know for themselves yeah did

458

00:18:55,750 --> 00:18:53,039

uh is there any reference there to

459

00:18:59,590 --> 00:18:55,760

things like new technology like 5g

460

00:19:02,070 --> 00:18:59,600

yeah we did ask about 5g as well 9 of

461

00:19:05,510 --> 00:19:02,080

the swedish public believe that

462

00:19:07,990 --> 00:19:05,520

the radiation from 5g masts are

463

00:19:10,390 --> 00:19:08,000

harmful for your health that's how we

464

00:19:13,029 --> 00:19:10,400

put the question nine percent believes

465

00:19:14,310 --> 00:19:13,039

that's true and of course again

466

00:19:18,470 --> 00:19:14,320

the more

467

00:19:21,110 --> 00:19:18,480

with that

468

00:19:23,190 --> 00:19:21,120

so i think still that that information

469

00:19:25,750 --> 00:19:23,200

does help so we say sometimes that you

470

00:19:28,870 --> 00:19:25,760

cannot convince people because they're

471

00:19:31,350 --> 00:19:28,880

into certain beliefs out of emotional

472

00:19:33,830 --> 00:19:31,360

reasons not from from logic and reason

473

00:19:37,669 --> 00:19:33,840

but i do think that information help we

474

00:19:40,070 --> 00:19:37,679

can see it in the in the vaccine

475

00:19:42,630 --> 00:19:40,080

hesitancy that's gone down during the

476
00:19:44,150 --> 00:19:42,640
pandemic and even in some other topics

477
00:19:46,310 --> 00:19:44,160
that we don't need to go into now i

478
00:19:48,230 --> 00:19:46,320
think i think it helps so that's good

479
00:19:50,710 --> 00:19:48,240
news because you can

480
00:19:53,430 --> 00:19:50,720
you can make a difference now you have

481
00:19:56,549 --> 00:19:53,440
some other news for me from sweden about

482
00:19:58,789 --> 00:19:56,559
some awards yes so just like you have in

483
00:20:00,390 --> 00:19:58,799
in australia and there's in many other

484
00:20:02,310 --> 00:20:00,400
countries we have

485
00:20:04,870 --> 00:20:02,320
the annual awards from the swedish

486
00:20:07,669 --> 00:20:04,880
skeptics and we we

487
00:20:10,390 --> 00:20:07,679
hand out two awards one positive that we

488
00:20:12,149 --> 00:20:10,400

called the enlightener of the year

489

00:20:14,630 --> 00:20:12,159

and it's a little bit clunky in english

490

00:20:16,149 --> 00:20:14,640

i think in swedish it sounds better

491

00:20:18,870 --> 00:20:16,159

but

492

00:20:21,029 --> 00:20:18,880

anyway so uh and we gave that to three

493

00:20:22,870 --> 00:20:21,039

individuals this year this year actually

494

00:20:25,350 --> 00:20:22,880

because they were working in the same

495

00:20:27,750 --> 00:20:25,360

sort of area

496

00:20:29,590 --> 00:20:27,760

they're called maria alsain

497

00:20:32,710 --> 00:20:29,600

jessica norbum

498

00:20:34,630 --> 00:20:32,720

and jacob gudyol and i know probably

499

00:20:36,789 --> 00:20:34,640

internationally they are not very well

500

00:20:39,430 --> 00:20:36,799

known but they got the the prize for

501
00:20:41,990 --> 00:20:39,440
promoting facts and science in the area

502
00:20:44,070 --> 00:20:42,000
of personal training and health so they

503
00:20:45,110 --> 00:20:44,080
have for several years been very

504
00:20:48,390 --> 00:20:45,120
important

505
00:20:51,669 --> 00:20:48,400
uh as a counterpart account counterpoint

506
00:20:53,990 --> 00:20:51,679
to all the pseudoscience in in that area

507
00:20:55,830 --> 00:20:54,000
out there you know all of the the

508
00:20:58,390 --> 00:20:55,840
special herbs you're supposed to take

509
00:21:00,070 --> 00:20:58,400
and steroids and stuff yeah and

510
00:21:01,590 --> 00:21:00,080
they go through what's work what's

511
00:21:03,110 --> 00:21:01,600
working and what's not and why it

512
00:21:03,830 --> 00:21:03,120
doesn't work and what's

513
00:21:05,750 --> 00:21:03,840

and

514

00:21:08,549 --> 00:21:05,760

what the scientific

515

00:21:11,110 --> 00:21:08,559

reasons are for saying so

516

00:21:14,630 --> 00:21:11,120

then what we got more unfortunately you

517

00:21:17,270 --> 00:21:14,640

always get more or we always get more

518

00:21:20,230 --> 00:21:17,280

there's always more uh press

519

00:21:22,549 --> 00:21:20,240

about the the bad price because it's

520

00:21:24,710 --> 00:21:22,559

it's i guess it's more interesting to to

521

00:21:28,230 --> 00:21:24,720

hear about somebody who's done something

522

00:21:30,870 --> 00:21:28,240

really bad so our bad price it's not the

523

00:21:34,630 --> 00:21:30,880

bent spoon award but it's similar it's

524

00:21:37,190 --> 00:21:34,640

called and this is even worse in english

525

00:21:40,390 --> 00:21:37,200

we call it i have sort of translated it

526
00:21:43,510 --> 00:21:40,400
as confounder of the year yeah i don't

527
00:21:45,750 --> 00:21:43,520
know if confounder is a real english

528
00:21:48,310 --> 00:21:45,760
name or a word but i think it's

529
00:21:51,029 --> 00:21:48,320
understandable

530
00:21:51,830 --> 00:21:51,039
and this goes uh to a journalist this

531
00:21:54,230 --> 00:21:51,840
year

532
00:21:57,430 --> 00:21:54,240
he's called hendrik everton

533
00:22:01,110 --> 00:21:57,440
and he made a documentary uh regarding

534
00:22:02,870 --> 00:22:01,120
the the estonia disaster estonia was a

535
00:22:05,950 --> 00:22:02,880
big cruising ship that sank in the

536
00:22:09,350 --> 00:22:05,960
baltic sea in 1994.

537
00:22:12,789 --> 00:22:09,360
850 people lost their lives so it was a

538
00:22:15,029 --> 00:22:12,799

huge trauma both for sweden and the

539

00:22:17,750 --> 00:22:15,039

country estonia because it was

540

00:22:20,789 --> 00:22:17,760

in between those it was trafficking

541

00:22:23,190 --> 00:22:20,799

between those two countries and

542

00:22:25,430 --> 00:22:23,200

of course terrible

543

00:22:26,950 --> 00:22:25,440

but this new documentary it propagates

544

00:22:30,470 --> 00:22:26,960

all kinds of half truths and

545

00:22:34,149 --> 00:22:30,480

conspiracies under the excuse that it's

546

00:22:36,470 --> 00:22:34,159

only asking questions and and almost

547

00:22:39,029 --> 00:22:36,480

everybody in sweden i think has some

548

00:22:41,909 --> 00:22:39,039

connection to some person who died

549

00:22:44,710 --> 00:22:41,919

so it's very very emotional uh still

550

00:22:47,029 --> 00:22:44,720

after nearly 30 years

551
00:22:49,990 --> 00:22:47,039
and in our opinion he

552
00:22:53,270 --> 00:22:50,000
used this terrible event as an excuse to

553
00:22:56,070 --> 00:22:53,280
further his career as a journalist

554
00:22:58,070 --> 00:22:56,080
and to make it even worse

555
00:23:01,190 --> 00:22:58,080
the documentary

556
00:23:02,230 --> 00:23:01,200
inexplicably received a big journalist

557
00:23:03,110 --> 00:23:02,240
award

558
00:23:03,909 --> 00:23:03,120
uh

559
00:23:08,549 --> 00:23:03,919
so

560
00:23:11,750 --> 00:23:08,559
for that award into our

561
00:23:12,710 --> 00:23:11,760
confounder award well pontus it's good

562
00:23:14,230 --> 00:23:12,720
to see

563
00:23:16,390 --> 00:23:14,240

um

564

00:23:17,750 --> 00:23:16,400

action you know skeptical action no

565

00:23:19,350 --> 00:23:17,760

matter where it is in the world it's

566

00:23:20,789 --> 00:23:19,360

it's i know i'm very pleased to see it

567

00:23:23,110 --> 00:23:20,799

when skeptics are actually doing

568

00:23:24,710 --> 00:23:23,120

something being proactive

569

00:23:25,909 --> 00:23:24,720

investigating getting out there and

570

00:23:27,350 --> 00:23:25,919

collecting

571

00:23:29,270 --> 00:23:27,360

data so

572

00:23:30,950 --> 00:23:29,280

we know what we're talking about i mean

573

00:23:32,789 --> 00:23:30,960

you probably get accused

574

00:23:34,549 --> 00:23:32,799

skeptics everywhere get accused of being

575

00:23:36,789 --> 00:23:34,559

armchair skeptic sitting back just

576

00:23:39,029 --> 00:23:36,799

saying i don't believe it go away ghosts

577

00:23:41,110 --> 00:23:39,039

aren't real so it's good to demonstrate

578

00:23:43,909 --> 00:23:41,120

to the public that that's not us at all

579

00:23:44,630 --> 00:23:43,919

we actually if we if we make a statement

580

00:23:46,710 --> 00:23:44,640

we

581

00:23:48,870 --> 00:23:46,720

have the the information

582

00:23:50,630 --> 00:23:48,880

yes that's really important so where can

583

00:23:52,390 --> 00:23:50,640

people go ponders where can they go

584

00:23:55,190 --> 00:23:52,400

online to look at all these things

585

00:23:58,789 --> 00:23:55,200

everything is available on our webpage

586

00:24:01,029 --> 00:23:58,799

which is v o f dot e s e

587

00:24:02,870 --> 00:24:01,039

v o f dot s e

588

00:24:05,269 --> 00:24:02,880

well thank you very much once again

589

00:24:07,430 --> 00:24:05,279

ponders um thank you for all the things

590

00:24:09,510 --> 00:24:07,440

you do of course for the the wonderful

591

00:24:11,190 --> 00:24:09,520

esp podcast

592

00:24:14,149 --> 00:24:11,200

well pontus all the way from beautiful

593

00:24:16,070 --> 00:24:14,159

mama in sweden thank you very much

594

00:24:18,080 --> 00:24:16,080

thanks a lot richard always great to be

595

00:24:34,789 --> 00:24:18,090

back on the on the show

596

00:24:37,190 --> 00:24:34,799

[Music]

597

00:24:40,630 --> 00:24:37,200

principles of curiosity is skeptoid

598

00:24:43,510 --> 00:24:40,640

media's 2017 film that teaches an easy

599

00:24:44,470 --> 00:24:43,520

method anyone can use to tell fact from

600

00:24:48,310 --> 00:24:44,480

fiction

601
00:24:50,710 --> 00:24:48,320
and now it's available on amazon prime

602
00:24:53,269 --> 00:24:50,720
principles of curiosity teaches the

603
00:24:56,070 --> 00:24:53,279
three c's challenge consider and

604
00:24:57,830 --> 00:24:56,080
conclude as a way to learn what's real

605
00:25:00,630 --> 00:24:57,840
and what's just more pop culture

606
00:25:03,350 --> 00:25:00,640
nonsense from the fiery depths of death

607
00:25:05,909 --> 00:25:03,360
valley to the farthest reaches of space

608
00:25:07,909 --> 00:25:05,919
principles of curiosity puts the three

609
00:25:10,549 --> 00:25:07,919
c's to the test

610
00:25:13,190 --> 00:25:10,559
search amazon prime for principles of

611
00:25:15,029 --> 00:25:13,200
curiosity watch it enjoy it and give it

612
00:25:17,430 --> 00:25:15,039
a rating so it'll be suggested to other

613
00:25:20,549 --> 00:25:17,440

prime customers who need it

614

00:25:38,549 --> 00:25:20,559

principles of curiosity from skeptoid

615

00:25:43,669 --> 00:25:41,190

some bits and pieces some bits and

616

00:25:45,350 --> 00:25:43,679

pieces from around the internet

617

00:25:48,149 --> 00:25:45,360

this week to bring you on the skeptic

618

00:25:50,710 --> 00:25:49,750

some news items and things that have

619

00:25:53,510 --> 00:25:50,720

come

620

00:25:55,830 --> 00:25:53,520

my way thanks to keen

621

00:25:59,269 --> 00:25:55,840

listeners out there keeping their eyes

622

00:26:04,070 --> 00:26:02,549

and the first story

623

00:26:06,789 --> 00:26:04,080

oh boy

624

00:26:09,110 --> 00:26:06,799

it reads this is from news.com.u by the

625

00:26:10,789 --> 00:26:09,120

way by jessica wang

626
00:26:13,269 --> 00:26:10,799
published on the 17th of january

627
00:26:14,870 --> 00:26:13,279
anti-vaxx

628
00:26:17,350 --> 00:26:14,880
reiki master

629
00:26:18,470 --> 00:26:17,360
and tarot card reader

630
00:26:19,750 --> 00:26:18,480
helen

631
00:26:22,149 --> 00:26:19,760
healing

632
00:26:23,269 --> 00:26:22,159
h-e-e-l-i-n-g

633
00:26:25,350 --> 00:26:23,279
dean

634
00:26:27,830 --> 00:26:25,360
in icu with covert

635
00:26:30,789 --> 00:26:27,840
and this came my way via

636
00:26:34,149 --> 00:26:33,190
it says in part a prominent anti-vaxxer

637
00:26:36,630 --> 00:26:34,159
tarot

638
00:26:38,710 --> 00:26:36,640

card reader and reiki master based in

639

00:26:40,710 --> 00:26:38,720

the town of malambi

640

00:26:44,390 --> 00:26:40,720

near byron bay is currently fighting for

641

00:26:45,909 --> 00:26:44,400

her life in an icu ward her friend has

642

00:26:47,909 --> 00:26:45,919

said now

643

00:26:48,950 --> 00:26:47,919

i believe

644

00:26:52,149 --> 00:26:48,960

the

645

00:26:54,630 --> 00:26:52,159

update on this is i don't think she's in

646

00:26:55,669 --> 00:26:54,640

critical condition anymore

647

00:26:58,230 --> 00:26:55,679

anyway

648

00:27:00,310 --> 00:26:58,240

helen dean who also goes by the name of

649

00:27:02,230 --> 00:27:00,320

healing

650

00:27:04,310 --> 00:27:02,240

was hospitalized for covert 19 on

651
00:27:06,470 --> 00:27:04,320
christmas eve and required the support

652
00:27:08,950 --> 00:27:06,480
of a ventilator she is also believed to

653
00:27:11,590 --> 00:27:08,960
be unvaccinated well i would think

654
00:27:13,990 --> 00:27:11,600
that's probably the case

655
00:27:16,789 --> 00:27:14,000
sharing their well wishes on miss dean

656
00:27:20,149 --> 00:27:16,799
social media a friend said miss dean has

657
00:27:22,710 --> 00:27:20,159
since been moved to general icu for

658
00:27:24,710 --> 00:27:22,720
ongoing care and monitoring

659
00:27:26,310 --> 00:27:24,720
based in the byron shire town of

660
00:27:28,870 --> 00:27:26,320
mullenbimby which is known for its

661
00:27:31,350 --> 00:27:28,880
alternative culture ms dean also

662
00:27:33,750 --> 00:27:31,360
regularly shares youtube videos on

663
00:27:36,310 --> 00:27:33,760

manifestation grounding

664

00:27:37,590 --> 00:27:36,320

and cleansing techniques and video

665

00:27:40,630 --> 00:27:37,600

guides on

666

00:27:42,549 --> 00:27:40,640

releasing toxic stuff

667

00:27:44,789 --> 00:27:42,559

by using leaves

668

00:27:48,389 --> 00:27:44,799

candles and bundles of sage

669

00:27:50,710 --> 00:27:48,399

also known as smudge sticks the holistic

670

00:27:53,830 --> 00:27:50,720

health practitioner has also been vocal

671

00:27:55,750 --> 00:27:53,840

in her opposition of vaccine mandates

672

00:27:58,070 --> 00:27:55,760

ms dean has also shared multiple

673

00:28:00,070 --> 00:27:58,080

facebook posts against vaccine mandates

674

00:28:02,630 --> 00:28:00,080

including photos of protesters holding

675

00:28:05,669 --> 00:28:02,640

up signs with messages like

676

00:28:08,789 --> 00:28:05,679

discrimination is not democracy

677

00:28:10,710 --> 00:28:08,799

we say not to medical apartheid maybe

678

00:28:13,430 --> 00:28:10,720

that should say we say no to medical

679

00:28:14,870 --> 00:28:13,440

apartheid and my body my choice in

680

00:28:17,350 --> 00:28:14,880

another post miss dean shared her

681

00:28:20,870 --> 00:28:17,360

support for the anti-vaccine mandate

682

00:28:22,630 --> 00:28:20,880

reclaim the line rally at tweed heads

683

00:28:24,789 --> 00:28:22,640

and that story

684

00:28:26,710 --> 00:28:24,799

goes on but as i

685

00:28:31,990 --> 00:28:26,720

said before i believe that she's

686

00:28:35,350 --> 00:28:32,000

probably out of danger now i think so

687

00:28:39,350 --> 00:28:35,360

and a quick search around the internet i

688

00:28:43,269 --> 00:28:39,360

can't see an update a recent update

689

00:28:45,909 --> 00:28:43,279

just the the same news repeated that uh

690

00:28:48,470 --> 00:28:45,919

she is uh was in hospital i guess the

691

00:28:49,590 --> 00:28:48,480

point is that uh all the reiki in the

692

00:28:51,029 --> 00:28:49,600

world

693

00:28:52,630 --> 00:28:51,039

and all the

694

00:28:55,269 --> 00:28:52,640

sage

695

00:28:56,470 --> 00:28:55,279

uh doesn't mean anything against covert

696

00:28:59,990 --> 00:28:56,480

covert

697

00:29:02,230 --> 00:29:00,000

doesn't care if you're a reiki master

698

00:29:05,029 --> 00:29:02,240

it really doesn't

699

00:29:06,070 --> 00:29:05,039

the next story along the same lines of

700

00:29:08,549 --> 00:29:06,080

uh

701
00:29:11,269 --> 00:29:08,559
covert 19 and people

702
00:29:14,950 --> 00:29:11,279
catching that comes to us

703
00:29:18,310 --> 00:29:14,960
once again from news.com.edu

704
00:29:21,669 --> 00:29:18,320
and this is by alexis carey

705
00:29:24,389 --> 00:29:21,679
unvaccinated czech singer hannah hawker

706
00:29:27,269 --> 00:29:24,399
i think it's pronounced dies days after

707
00:29:29,269 --> 00:29:27,279
getting curved 19 on purpose

708
00:29:31,549 --> 00:29:29,279
a well-known unvaccinated european

709
00:29:34,230 --> 00:29:31,559
singer has died just days after

710
00:29:36,789 --> 00:29:34,240
intentionally catching covert 19 leaving

711
00:29:40,389 --> 00:29:36,799
behind her shattered family what a sad

712
00:29:42,470 --> 00:29:40,399
story it says the devastated son of a

713
00:29:44,549 --> 00:29:42,480

well-known anti-vac singer who died

714

00:29:45,750 --> 00:29:44,559

after catching covert on purpose has

715

00:29:48,470 --> 00:29:45,760

spoken out

716

00:29:51,350 --> 00:29:48,480

warning others not to follow his

717

00:29:55,750 --> 00:29:51,360

mother's path hannah hawker

718

00:29:58,630 --> 00:29:55,760

57 was a member of czech folk banned

719

00:30:01,269 --> 00:29:58,640

accidents and had refused to be

720

00:30:04,549 --> 00:30:01,279

vaccinated against the virus

721

00:30:07,669 --> 00:30:04,559

when her husband and son jan wreck

722

00:30:09,830 --> 00:30:07,679

who are both fully vaccinated contracted

723

00:30:11,510 --> 00:30:09,840

covert around christmas she refused to

724

00:30:13,430 --> 00:30:11,520

isolate from them

725

00:30:17,029 --> 00:30:13,440

instead she opted to deliberately

726

00:30:20,230 --> 00:30:17,039

contract the illness in order to gain a

727

00:30:22,950 --> 00:30:20,240

check health pass which allows access to

728

00:30:25,750 --> 00:30:22,960

public venues to those who can provide

729

00:30:27,190 --> 00:30:25,760

proof of vaccination or recent recovery

730

00:30:29,830 --> 00:30:27,200

from the virus

731

00:30:31,909 --> 00:30:29,840

venues such as cinemas restaurants and

732

00:30:34,389 --> 00:30:31,919

bars are currently off limits to the

733

00:30:37,590 --> 00:30:34,399

unvaccinated in the nation

734

00:30:39,909 --> 00:30:37,600

mr rick told the bbc his mother had died

735

00:30:43,110 --> 00:30:39,919

suddenly on sunday after her condition

736

00:30:45,029 --> 00:30:43,120

seemingly started to improve

737

00:30:47,909 --> 00:30:45,039

he says she

738

00:30:50,870 --> 00:30:47,919

should have isolated for a week

739

00:30:53,590 --> 00:30:50,880

because we tested positive but she was

740

00:30:54,950 --> 00:30:53,600

with us the whole time mr wreck told the

741

00:30:56,389 --> 00:30:54,960

bbc

742

00:30:59,029 --> 00:30:56,399

of his mother's decision to

743

00:31:02,630 --> 00:30:59,039

intentionally catch the virus

744

00:31:04,789 --> 00:31:02,640

in about 10 minutes it was all over

745

00:31:06,789 --> 00:31:04,799

she choked to death

746

00:31:09,990 --> 00:31:06,799

her philosophy was that she was more

747

00:31:12,230 --> 00:31:10,000

okay with the idea of catching covert

748

00:31:15,190 --> 00:31:12,240

than getting the vaccine he told

749

00:31:16,870 --> 00:31:15,200

reporter ben tobias his mother would not

750

00:31:19,750 --> 00:31:16,880

listen when family members tried to

751

00:31:21,990 --> 00:31:19,760

persuade her to get the vaccine

752

00:31:23,750 --> 00:31:22,000

and said he wanted to share his family's

753

00:31:25,110 --> 00:31:23,760

story in the hope of convincing others

754

00:31:28,070 --> 00:31:25,120

to take the

755

00:31:30,310 --> 00:31:28,080

covered threat seriously if you have

756

00:31:32,470 --> 00:31:30,320

living examples from real life it's more

757

00:31:34,230 --> 00:31:32,480

powerful than just graphs and numbers

758

00:31:36,710 --> 00:31:34,240

you can't really sympathize with numbers

759

00:31:41,029 --> 00:31:38,630

well

760

00:31:42,470 --> 00:31:41,039

i guess and the story goes on with some

761

00:31:44,710 --> 00:31:42,480

more details there but i guess one of

762

00:31:46,789 --> 00:31:44,720

the very very very

763

00:31:48,950 --> 00:31:46,799

ironic and sad things about this whole

764

00:31:51,669 --> 00:31:48,960

story is

765

00:31:52,950 --> 00:31:51,679

yes it it may it may persuade some

766

00:31:54,230 --> 00:31:52,960

people to change their mind and get the

767

00:31:55,029 --> 00:31:54,240

vaccination

768

00:31:57,509 --> 00:31:55,039

but

769

00:31:59,350 --> 00:31:57,519

not many nor should i say there will be

770

00:32:01,830 --> 00:31:59,360

still thousands and thousands of people

771

00:32:04,789 --> 00:32:01,840

who probably hear about this story who

772

00:32:06,950 --> 00:32:04,799

will not will not will not

773

00:32:09,669 --> 00:32:06,960

change their mind

774

00:32:11,110 --> 00:32:09,679

and sadly some of those people too will

775

00:32:13,190 --> 00:32:11,120

catch covert

776
00:32:15,830 --> 00:32:13,200
and die because of it

777
00:32:17,269 --> 00:32:15,840
and finally in this little round up

778
00:32:19,190 --> 00:32:17,279
i want to

779
00:32:20,310 --> 00:32:19,200
relay one more

780
00:32:22,710 --> 00:32:20,320
um

781
00:32:24,470 --> 00:32:22,720
sponsored advertisement that appeared on

782
00:32:27,269 --> 00:32:24,480
my facebook feed

783
00:32:29,029 --> 00:32:27,279
i did a segment a week or two ago about

784
00:32:31,750 --> 00:32:29,039
strange um

785
00:32:34,630 --> 00:32:31,760
advertisements i see on my facebook feed

786
00:32:35,750 --> 00:32:34,640
this one is a real doozy

787
00:32:38,310 --> 00:32:35,760
star

788
00:32:41,669 --> 00:32:38,320

family wisdom

789

00:32:42,430 --> 00:32:41,679

curious about et contact ufos

790

00:32:45,269 --> 00:32:42,440

our

791

00:32:46,950 --> 00:32:45,279

multi-dimensional reality

792

00:32:50,470 --> 00:32:46,960

make contact

793

00:32:52,710 --> 00:32:50,480

with our free et contact event join the

794

00:32:55,269 --> 00:32:52,720

panel discussion and conversation on

795

00:32:57,269 --> 00:32:55,279

january 23rd with former global vice

796

00:33:00,230 --> 00:32:57,279

president for whole foods market and

797

00:33:04,630 --> 00:33:00,240

founder of star family wisdom jenelle

798

00:33:06,789 --> 00:33:04,640

ayden and special guests sinead whelan

799

00:33:07,750 --> 00:33:06,799

nada hannah

800

00:33:14,230 --> 00:33:07,760

and

801
00:33:16,789 --> 00:33:14,240
access to the live event on january 23rd

802
00:33:20,950 --> 00:33:16,799
in this event you'll learn one

803
00:33:23,669 --> 00:33:20,960
how humans make contact with et's

804
00:33:26,549 --> 00:33:23,679
what's going on with abductions et

805
00:33:29,509 --> 00:33:26,559
contact and the reality of ufos learn

806
00:33:31,350 --> 00:33:29,519
about the contact modalities employed by

807
00:33:34,149 --> 00:33:31,360
humans and et's

808
00:33:36,230 --> 00:33:34,159
and how first contact is beginning

809
00:33:39,750 --> 00:33:36,240
well it's about time

810
00:33:41,430 --> 00:33:39,760
it's about time two what's going on with

811
00:33:46,789 --> 00:33:41,440
disclosure

812
00:33:48,710 --> 00:33:46,799
occurring learn about why there is a

813
00:33:52,710 --> 00:33:48,720

cover-up

814

00:33:54,789 --> 00:33:52,720

citizens can support the disclosure

815

00:33:56,950 --> 00:33:54,799

movement three

816

00:33:59,509 --> 00:33:56,960

our et experiences

817

00:34:01,029 --> 00:33:59,519

jenna and her guests are

818

00:34:05,190 --> 00:34:01,039

experiences

819

00:34:07,990 --> 00:34:05,200

of supernatural phenomena and et contact

820

00:34:11,349 --> 00:34:08,000

learn about the awakening process how we

821

00:34:13,270 --> 00:34:11,359

can integrate these experiences and what

822

00:34:14,470 --> 00:34:13,280

we can all learn

823

00:34:15,669 --> 00:34:14,480

from the

824

00:34:17,750 --> 00:34:15,679

star

825

00:34:23,190 --> 00:34:17,760

paces

826
00:34:26,310 --> 00:34:23,200
she means

827
00:34:29,030 --> 00:34:26,320
races of aliens from

828
00:34:30,550 --> 00:34:29,040
the stars

829
00:34:34,950 --> 00:34:30,560
it could be

830
00:34:36,149 --> 00:34:34,960
first one to alpha centauri and back

831
00:34:37,750 --> 00:34:36,159
wins

832
00:34:38,950 --> 00:34:37,760
and it lists the people involved but

833
00:34:42,470 --> 00:34:38,960
just quickly

834
00:34:44,230 --> 00:34:42,480
found a host generaton jenna is a former

835
00:34:46,069 --> 00:34:44,240
global vice president for whole foods

836
00:34:48,869 --> 00:34:46,079
market and has been

837
00:34:51,270 --> 00:34:48,879
leading teams and individuals through

838
00:34:52,149 --> 00:34:51,280

change and transformation for over 15

839

00:34:54,149 --> 00:34:52,159

years

840

00:34:57,670 --> 00:34:54,159

as an experimenter of supernatural

841

00:34:59,910 --> 00:34:57,680

phenomena and et contact jenna

842

00:35:05,430 --> 00:34:59,920

is has

843

00:35:07,829 --> 00:35:05,440

for helping humans

844

00:35:09,190 --> 00:35:07,839

embrace a multi-dimensional reality

845

00:35:11,990 --> 00:35:09,200

without fear

846

00:35:13,270 --> 00:35:12,000

through those experiences jenna began

847

00:35:14,230 --> 00:35:13,280

remembering

848

00:35:17,670 --> 00:35:14,240

lives

849

00:35:18,630 --> 00:35:17,680

off earth and is now focused on her

850

00:35:22,390 --> 00:35:18,640

mission

851
00:35:25,589 --> 00:35:22,400
in this life to be a teacher of lost

852
00:35:28,550 --> 00:35:25,599
knowledge and wisdom from the stars now

853
00:35:31,829 --> 00:35:28,560
shamanic practitioner and spiritual

854
00:35:35,990 --> 00:35:31,839
slash cosmic guide jenna connects

855
00:35:38,150 --> 00:35:36,000
ancient wisdom new mind-body science

856
00:35:40,790 --> 00:35:38,160
and universal spiritual teachings to

857
00:35:43,349 --> 00:35:40,800
assist people in navigating their

858
00:35:46,150 --> 00:35:43,359
heading and spiritual transformation in

859
00:35:48,710 --> 00:35:46,160
early 2021 jenna founded star family

860
00:35:50,950 --> 00:35:48,720
wisdom an online educational platform

861
00:35:53,430 --> 00:35:50,960
and community where she offers shamanic

862
00:35:56,630 --> 00:35:53,440
initiation and digital courses on

863
00:35:59,430 --> 00:35:56,640

spirituality shamanism eti contact and

864

00:36:02,150 --> 00:35:59,440

personal evolution she is also a member

865

00:36:03,670 --> 00:36:02,160

of the cherokee nation in oklahoma and

866

00:36:05,270 --> 00:36:03,680

is a passionate advocate for the

867

00:36:07,750 --> 00:36:05,280

indigenous communities and wisdom

868

00:36:11,109 --> 00:36:07,760

keepers who have been fierce protectors

869

00:36:13,910 --> 00:36:11,119

of humanity's original wisdom i wonder

870

00:36:16,470 --> 00:36:13,920

what they have to say about

871

00:36:19,030 --> 00:36:16,480

that somebody claiming to make contact

872

00:36:21,349 --> 00:36:19,040

with them

873

00:36:22,790 --> 00:36:21,359

aliens and their

874

00:36:25,670 --> 00:36:22,800

races

875

00:36:28,630 --> 00:36:25,680

so there you go make contact

876

00:36:29,910 --> 00:36:28,640

with our free et contact event at the

877

00:36:32,230 --> 00:36:29,920

bottom of the page it says can you

878

00:36:34,310 --> 00:36:32,240

imagine a future that includes traveling

879

00:36:35,589 --> 00:36:34,320

among the stars

880

00:36:42,390 --> 00:36:35,599

yes

881

00:36:44,630 --> 00:36:42,400

future that includes returning to

882

00:36:46,470 --> 00:36:44,640

balance harmony and a peaceful way of

883

00:36:48,950 --> 00:36:46,480

life

884

00:36:51,030 --> 00:36:48,960

returning to balance harmony

885

00:36:52,630 --> 00:36:51,040

returning

886

00:36:55,430 --> 00:36:52,640

a future that allows our human

887

00:36:57,510 --> 00:36:55,440

creativity and joy to flourish

888

00:36:59,910 --> 00:36:57,520

well you know

889

00:37:03,109 --> 00:36:59,920

certainly that can happen now a future

890

00:37:06,230 --> 00:37:03,119

that includes open contact and exciting

891

00:37:08,470 --> 00:37:06,240

exchange programs with star races

892

00:37:11,109 --> 00:37:08,480

should be a children's cartoon star

893

00:37:16,390 --> 00:37:13,910

a future that includes a healed

894

00:37:18,950 --> 00:37:16,400

transformed and spiritually evolved

895

00:37:21,349 --> 00:37:18,960

society question mark

896

00:37:23,910 --> 00:37:21,359

um i agree with the question mark

897

00:37:26,870 --> 00:37:23,920

because that's where we're headed

898

00:37:31,349 --> 00:37:26,880

learn more in the live event on january

899

00:37:34,710 --> 00:37:32,950

well there you go just a few bits and

900

00:37:37,270 --> 00:37:34,720

pieces items odds and ends that have

901
00:37:39,670 --> 00:37:37,280
come my way over the course of the last

902
00:37:41,910 --> 00:37:39,680
week next week i'll be looking at more

903
00:37:43,990 --> 00:37:41,920
tips from listeners

904
00:37:45,349 --> 00:37:44,000
that come in occasionally which i

905
00:37:47,109 --> 00:37:45,359
appreciate

906
00:37:49,430 --> 00:37:47,119
and some other news

907
00:37:51,910 --> 00:37:49,440
doing the rounds

908
00:37:53,910 --> 00:37:51,920
but for now i'm off to watch the star

909
00:38:06,710 --> 00:37:53,920
races

910
00:38:10,550 --> 00:38:08,950
hello this is maynard did you know that

911
00:38:13,990 --> 00:38:10,560
you could listen to the skeptic zone on

912
00:38:18,630 --> 00:38:14,000
youtube yes i know sounds crazy but it's

913
00:38:23,510 --> 00:38:21,190

also you can hear 40 logical fallacies

914

00:38:25,030 --> 00:38:23,520

with michelle bigesma and funny sketches

915

00:38:28,230 --> 00:38:25,040

with richard saunders and a host of

916

00:38:39,710 --> 00:38:29,910

just click on the youtube links on the

917

00:38:54,390 --> 00:38:47,350

[Music]

918

00:38:56,150 --> 00:38:54,400

yes it's time once again to look into

919

00:38:56,870 --> 00:38:56,160

the digital archives

920

00:38:58,790 --> 00:38:56,880

well

921

00:39:01,430 --> 00:38:58,800

from around the world this week we're

922

00:39:03,109 --> 00:39:01,440

going to be looking at uh references

923

00:39:05,829 --> 00:39:03,119

from the united states of america

924

00:39:07,990 --> 00:39:05,839

newspapers over the decades normally

925

00:39:10,069 --> 00:39:08,000

it's australian this week we're going a

926
00:39:12,470 --> 00:39:10,079
bit further afield

927
00:39:13,589 --> 00:39:12,480
and we're going to be researching the

928
00:39:14,950 --> 00:39:13,599
term

929
00:39:22,710 --> 00:39:14,960
remote

930
00:39:24,790 --> 00:39:22,720
for those of you who have not heard the

931
00:39:26,630 --> 00:39:24,800
topic or the term

932
00:39:28,950 --> 00:39:26,640
according to the skeptics dictionary at

933
00:39:31,510 --> 00:39:28,960
skeptic.com

934
00:39:33,829 --> 00:39:31,520
remote viewing rv

935
00:39:36,390 --> 00:39:33,839
is a fancy name for telepathy or

936
00:39:39,030 --> 00:39:36,400
clairvoyance the alleged psychic ability

937
00:39:40,710 --> 00:39:39,040
to perceive places persons and actions

938
00:39:43,030 --> 00:39:40,720

that are not within the range of the

939

00:39:47,030 --> 00:39:43,040

senses the term seems to have been

940

00:39:48,870 --> 00:39:47,040

invented by physicist dr russell targ

941

00:39:50,390 --> 00:39:48,880

and the physicist

942

00:39:52,550 --> 00:39:50,400

scientologist

943

00:39:54,870 --> 00:39:52,560

dr harold putoff

944

00:39:57,190 --> 00:39:54,880

to describe their work with alleged

945

00:40:00,069 --> 00:39:57,200

psychics for the us government in a

946

00:40:02,630 --> 00:40:00,079

project known as stargate

947

00:40:05,829 --> 00:40:02,640

if the remote viewer gets messages from

948

00:40:08,309 --> 00:40:05,839

a site from a person who is at the site

949

00:40:10,630 --> 00:40:08,319

looking around then it would be

950

00:40:14,150 --> 00:40:10,640

telepathy if the remote viewer gets a

951
00:40:16,390 --> 00:40:14,160
message from a site by perceiving the

952
00:40:18,710 --> 00:40:16,400
site physically

953
00:40:20,710 --> 00:40:18,720
then it would be clairvoyance

954
00:40:22,710 --> 00:40:20,720
if the viewer gets impressions of the

955
00:40:25,270 --> 00:40:22,720
site from the future then it would be

956
00:40:26,550 --> 00:40:25,280
precognition if he gets impressions from

957
00:40:29,109 --> 00:40:26,560
someone who

958
00:40:30,349 --> 00:40:29,119
viewed the site in the past then it

959
00:40:33,109 --> 00:40:30,359
would be

960
00:40:36,790 --> 00:40:33,119
retroognition if he gets messages from

961
00:40:38,390 --> 00:40:36,800
the akashic record or the 11th dimension

962
00:40:41,270 --> 00:40:38,400
wasn't that a pop group

963
00:40:43,910 --> 00:40:41,280

um or directly from some god then

964

00:40:45,750 --> 00:40:43,920

another explanation is needed

965

00:40:48,230 --> 00:40:45,760

now this page is quite

966

00:40:53,349 --> 00:40:48,240

lengthy as it turns out but remote

967

00:40:55,990 --> 00:40:53,359

viewing a bit later on it says the cia

968

00:40:57,670 --> 00:40:56,000

the cia and the us army thought enough

969

00:41:00,309 --> 00:40:57,680

of remote viewing to spend millions of

970

00:41:02,390 --> 00:41:00,319

taxpayers dollars on stargate the

971

00:41:04,470 --> 00:41:02,400

program involved using

972

00:41:07,190 --> 00:41:04,480

psychics for such operations as trying

973

00:41:09,990 --> 00:41:07,200

to locate qadhafi of libya

974

00:41:12,309 --> 00:41:10,000

so our air force could drop bombs on him

975

00:41:15,430 --> 00:41:12,319

and the locating of

976

00:41:17,750 --> 00:41:15,440

a missing airplane in africa

977

00:41:19,589 --> 00:41:17,760

but to to get to the nub

978

00:41:20,950 --> 00:41:19,599

to boil it down the claim is you can sit

979

00:41:23,190 --> 00:41:20,960

in a room

980

00:41:25,430 --> 00:41:23,200

and perceive things that are happening

981

00:41:28,710 --> 00:41:25,440

in another room or another city or

982

00:41:30,950 --> 00:41:28,720

another country etc etc

983

00:41:32,870 --> 00:41:30,960

in other words you can view events

984

00:41:34,950 --> 00:41:32,880

remotely you don't have to be there you

985

00:41:35,670 --> 00:41:34,960

can be sequestered away

986

00:41:38,470 --> 00:41:35,680

and

987

00:41:40,309 --> 00:41:38,480

somehow the information of events in the

988

00:41:41,589 --> 00:41:40,319

next room the next house the next city

989

00:41:43,589 --> 00:41:41,599

the next country

990

00:41:49,750 --> 00:41:43,599

are coming to you via psychic or

991

00:41:53,430 --> 00:41:51,829

and as it happens we do have a search

992

00:41:54,550 --> 00:41:53,440

return here from australia to kick

993

00:41:56,470 --> 00:41:54,560

things off

994

00:41:59,180 --> 00:41:56,480

from the canberra times dated the 30th

995

00:42:01,030 --> 00:41:59,190

of november 1995.

996

00:42:04,470 --> 00:42:01,040

[Music]

997

00:42:08,309 --> 00:42:04,480

scientific study proves and proves his

998

00:42:11,270 --> 00:42:08,319

in inverted commas esp works for some

999

00:42:13,430 --> 00:42:11,280

washington wednesday some people might

1000

00:42:15,349 --> 00:42:13,440

have a paranormal ability to visualize

1001
00:42:18,309 --> 00:42:15,359
hidden or distant objects without

1002
00:42:21,270 --> 00:42:18,319
actually seeing them a cia commissioned

1003
00:42:23,670 --> 00:42:21,280
study made public yesterday as reported

1004
00:42:26,470 --> 00:42:23,680
the study by the american institute for

1005
00:42:28,470 --> 00:42:26,480
research a private washington social

1006
00:42:31,270 --> 00:42:28,480
science research firm

1007
00:42:33,270 --> 00:42:31,280
said quote statistically significant

1008
00:42:36,390 --> 00:42:33,280
when quote results have been observed in

1009
00:42:39,270 --> 00:42:36,400
the laboratory experiments to test

1010
00:42:40,390 --> 00:42:39,280
extra sensory perception which it called

1011
00:42:44,630 --> 00:42:40,400
quote

1012
00:42:46,710 --> 00:42:44,640
intelligence agency commissioned the

1013
00:42:49,190 --> 00:42:46,720

study at the request of the senate

1014

00:42:51,109 --> 00:42:49,200

appropriations committee keen to know

1015

00:42:53,589 --> 00:42:51,119

whether more government research into

1016

00:42:56,069 --> 00:42:53,599

parapsychology was warranted to give the

1017

00:42:57,270 --> 00:42:56,079

u.s spy agencies an extra arrow to their

1018

00:42:59,190 --> 00:42:57,280

quiver

1019

00:43:02,790 --> 00:42:59,200

the findings were made public after they

1020

00:43:05,510 --> 00:43:02,800

were cited by abc news david christian a

1021

00:43:08,150 --> 00:43:05,520

cia spokesman declined to discuss

1022

00:43:09,349 --> 00:43:08,160

examples of cia use of so-called psychic

1023

00:43:12,150 --> 00:43:09,359

spying

1024

00:43:14,470 --> 00:43:12,160

but said almost all of its research in

1025

00:43:16,710 --> 00:43:14,480

the 1970s was quote

1026

00:43:19,109 --> 00:43:16,720

experimental end quote

1027

00:43:21,750 --> 00:43:19,119

the defense intelligence agency which

1028

00:43:23,030 --> 00:43:21,760

coordinates military intelligence had no

1029

00:43:25,190 --> 00:43:23,040

comment

1030

00:43:28,069 --> 00:43:25,200

a statistics professor from the

1031

00:43:30,710 --> 00:43:28,079

university of california davis jessica

1032

00:43:31,910 --> 00:43:30,720

utz and that name has come up before i'm

1033

00:43:34,470 --> 00:43:31,920

sure

1034

00:43:37,589 --> 00:43:34,480

who worked on the study and specializes

1035

00:43:40,069 --> 00:43:37,599

in evaluating parapsychological research

1036

00:43:42,309 --> 00:43:40,079

said the data she reviewed for the cia

1037

00:43:44,790 --> 00:43:42,319

study had produced the most credible

1038

00:43:47,910 --> 00:43:44,800

evidence to date that humans were

1039

00:43:49,829 --> 00:43:47,920

capable of paranormal psychic feats

1040

00:43:52,470 --> 00:43:49,839

at this stage using the standards

1041

00:43:55,430 --> 00:43:52,480

applied to any other area of science the

1042

00:43:58,630 --> 00:43:55,440

case for psychic functioning has been

1043

00:44:02,309 --> 00:43:58,640

statistically proven she said

1044

00:44:04,309 --> 00:44:02,319

and that story is from reuter

1045

00:44:07,670 --> 00:44:04,319

well well well so she thinks it was

1046

00:44:09,829 --> 00:44:07,680

proven all the way back in 1995

1047

00:44:11,990 --> 00:44:09,839

hmm that news hasn't reached the rest of

1048

00:44:14,870 --> 00:44:12,000

us yet evidently

1049

00:44:19,030 --> 00:44:14,880

and now from the daily texan

1050

00:44:20,829 --> 00:44:19,040

published in march march 23 1998 remote

1051

00:44:23,829 --> 00:44:20,839

viewing remote

1052

00:44:25,190 --> 00:44:23,839

possibility by rowan weidner texan

1053

00:44:27,990 --> 00:44:25,200

columnist

1054

00:44:30,790 --> 00:44:28,000

paul h smith a graduate student in the

1055

00:44:32,150 --> 00:44:30,800

philosophy department has a wonderful

1056

00:44:34,790 --> 00:44:32,160

biography

1057

00:44:35,550 --> 00:44:34,800

an army career officer he worked mainly

1058

00:44:43,109 --> 00:44:35,560

in

1059

00:44:44,630 --> 00:44:43,119

service he holds the utterly marvelous

1060

00:44:46,550 --> 00:44:44,640

distinction of being one of the few

1061

00:44:48,870 --> 00:44:46,560

government employees to be formally

1062

00:44:51,910 --> 00:44:48,880

schooled in quote

1063

00:44:54,790 --> 00:44:51,920

remote viewing end quote smith tells us

1064

00:44:58,150 --> 00:44:54,800

that the cia explained that remote

1065

00:45:00,230 --> 00:44:58,160

viewing is a skill by which a person can

1066

00:45:03,510 --> 00:45:00,240

perceive objects persons or events at a

1067

00:45:05,829 --> 00:45:03,520

location removed from him or her

1068

00:45:07,829 --> 00:45:05,839

by either space or time

1069

00:45:09,430 --> 00:45:07,839

the prospect that remote viewing can

1070

00:45:11,990 --> 00:45:09,440

lead to valuable intelligence

1071

00:45:13,990 --> 00:45:12,000

information led the cia to run a 20

1072

00:45:16,870 --> 00:45:14,000

million program to exploit remote

1073

00:45:19,109 --> 00:45:16,880

viewing as an intelligence asset some of

1074

00:45:21,510 --> 00:45:19,119

you may remember remote viewing from

1075

00:45:24,630 --> 00:45:21,520

last year's fiasco

1076
00:45:26,710 --> 00:45:24,640
when emory university professor courtney

1077
00:45:28,870 --> 00:45:26,720
brown loosely connected with the same

1078
00:45:32,870 --> 00:45:28,880
cia programmer smith

1079
00:45:36,150 --> 00:45:32,880
remotely viewed comet heil bop and

1080
00:45:38,710 --> 00:45:36,160
declared that there was a planet-sized

1081
00:45:41,510 --> 00:45:38,720
spaceship in its wake

1082
00:45:44,150 --> 00:45:41,520
this arguably tipped the delicate

1083
00:45:47,030 --> 00:45:44,160
personalities of the heavens gate cult

1084
00:45:49,990 --> 00:45:47,040
over the edge leading to their early

1085
00:45:51,990 --> 00:45:50,000
rendezvous with oblivion

1086
00:45:54,630 --> 00:45:52,000
smith has begun his own training

1087
00:45:58,550 --> 00:45:54,640
institute remote viewing instructional

1088
00:46:01,270 --> 00:45:58,560

services rvis based in round rock and

1089

00:46:07,349 --> 00:46:01,280

the website listed here if it's still in

1090

00:46:13,349 --> 00:46:10,710

so ourviewer.com you can

1091

00:46:16,390 --> 00:46:13,359

learn remote viewing from courtney brown

1092

00:46:19,670 --> 00:46:16,400

but all the crazy space alien garbage

1093

00:46:20,710 --> 00:46:19,680

that comes with it is worthless explains

1094

00:46:21,589 --> 00:46:20,720

smith

1095

00:46:24,470 --> 00:46:21,599

well

1096

00:46:25,589 --> 00:46:24,480

any critic of courtney brown is a friend

1097

00:46:28,870 --> 00:46:25,599

of ours

1098

00:46:31,109 --> 00:46:28,880

so we will give smith the benefit of the

1099

00:46:33,430 --> 00:46:31,119

doubt in fact we will do better than

1100

00:46:34,950 --> 00:46:33,440

that we will assume his claims are worth

1101
00:46:36,030 --> 00:46:34,960
investigating

1102
00:46:38,710 --> 00:46:36,040
in the

1103
00:46:41,670 --> 00:46:38,720
rvis basic course

1104
00:46:44,870 --> 00:46:41,680
you will learn to detect and decode the

1105
00:46:47,270 --> 00:46:44,880
major gestalt of a target

1106
00:46:50,069 --> 00:46:47,280
describe sensory impressions from the

1107
00:46:52,630 --> 00:46:50,079
site and grasp its fundamental

1108
00:46:57,270 --> 00:46:52,640
dimensional characteristics

1109
00:46:58,550 --> 00:46:57,280
claims the rvis website it works

1110
00:47:01,349 --> 00:46:58,560
like this

1111
00:47:04,309 --> 00:47:01,359
a target coordinator describes what will

1112
00:47:06,710 --> 00:47:04,319
be viewed he describes a place such as a

1113
00:47:09,589 --> 00:47:06,720

certain building a particular canyon or

1114

00:47:12,790 --> 00:47:09,599

a specific airport and a certain time

1115

00:47:15,190 --> 00:47:12,800

generally the present or the past

1116

00:47:15,990 --> 00:47:15,200

remote viewing the future is possible as

1117

00:47:18,870 --> 00:47:16,000

well

1118

00:47:21,510 --> 00:47:18,880

but as smith correctly explained there

1119

00:47:24,870 --> 00:47:21,520

are some tricky logical complications

1120

00:47:27,190 --> 00:47:24,880

the target coordinator then generates a

1121

00:47:29,670 --> 00:47:27,200

encrypted coordinate

1122

00:47:32,950 --> 00:47:29,680

which contains the coordinator's intent

1123

00:47:35,109 --> 00:47:32,960

to view that specific location then a

1124

00:47:37,510 --> 00:47:35,119

mediator who does not know the nature of

1125

00:47:40,630 --> 00:47:37,520

the location to be viewed gives the

1126
00:47:42,710 --> 00:47:40,640
remote viewer the encrypted coordinate

1127
00:47:45,349 --> 00:47:42,720
the viewer then goes about his or her

1128
00:47:48,790 --> 00:47:45,359
collection of information regarding the

1129
00:47:52,230 --> 00:47:48,800
major gestalt of the object

1130
00:47:54,309 --> 00:47:52,240
advanced viewers can often get extremely

1131
00:47:58,470 --> 00:47:54,319
specific information

1132
00:48:01,990 --> 00:47:58,480
unlike most psychics smith seems to have

1133
00:48:04,150 --> 00:48:02,000
an appreciation of double-blind studies

1134
00:48:06,950 --> 00:48:04,160
we are honor skeptics who are sure that

1135
00:48:09,589 --> 00:48:06,960
stuff like this in a hip cool universe

1136
00:48:12,549 --> 00:48:09,599
should be possible therefore we have

1137
00:48:15,349 --> 00:48:12,559
created a friendly hopeful and honest

1138
00:48:18,150 --> 00:48:15,359

challenge for smith and his students

1139

00:48:21,510 --> 00:48:18,160

we have established a database of places

1140

00:48:22,950 --> 00:48:21,520

on earth with the intent that they be

1141

00:48:23,750 --> 00:48:22,960

attended

1142

00:48:26,230 --> 00:48:23,760

to

1143

00:48:29,109 --> 00:48:26,240

by a remote viewer we have encrypted

1144

00:48:32,470 --> 00:48:29,119

their coordinates the master list has

1145

00:48:33,430 --> 00:48:32,480

been sealed and is being securely held

1146

00:48:39,030 --> 00:48:33,440

by

1147

00:48:41,990 --> 00:48:39,040

at the leisure of smith and his students

1148

00:48:45,190 --> 00:48:42,000

we encourage them to view these sites

1149

00:48:48,150 --> 00:48:45,200

and deliver to us by email their summary

1150

00:48:49,829 --> 00:48:48,160

of the major gestalt sensory impressions

1151

00:48:52,390 --> 00:48:49,839

and fundamental dimensional

1152

00:48:55,109 --> 00:48:52,400

characteristics since we consider

1153

00:48:57,510 --> 00:48:55,119

ourselves progressive skeptics we will

1154

00:49:00,630 --> 00:48:57,520

even ask smith to provide his analysis

1155

00:49:01,589 --> 00:49:00,640

and make independent quote hit slash

1156

00:49:03,910 --> 00:49:01,599

miss

1157

00:49:06,069 --> 00:49:03,920

end quote determinations

1158

00:49:08,630 --> 00:49:06,079

we promise no trickery and a clean

1159

00:49:11,270 --> 00:49:08,640

protocol the exact protocol and the

1160

00:49:12,549 --> 00:49:11,280

encrypted coordinates can be found

1161

00:49:17,910 --> 00:49:12,559

at

1162

00:49:17,920 --> 00:49:22,309

tilde r-w-y-n-a-r

1163

00:49:28,230 --> 00:49:24,950

remote viewing dot html

1164

00:49:30,710 --> 00:49:28,240

all readers are invited to participate

1165

00:49:31,990 --> 00:49:30,720

smith specifically claims to have viewed

1166

00:49:34,390 --> 00:49:32,000

targets as

1167

00:49:35,510 --> 00:49:34,400

interesting as hale bop he saw nothing

1168

00:49:39,190 --> 00:49:35,520

unusual

1169

00:49:42,710 --> 00:49:39,200

pan and flight 800 and a remarkable

1170

00:49:46,390 --> 00:49:42,720

precognitive session by two days of the

1171

00:49:48,630 --> 00:49:46,400

iraqi missile striking the uss stark

1172

00:49:51,750 --> 00:49:48,640

we want to believe

1173

00:49:52,790 --> 00:49:51,760

widener is a physics graduate student it

1174

00:49:55,190 --> 00:49:52,800

says

1175

00:49:58,950 --> 00:49:55,200

now let's have a look to see if there's

1176

00:50:01,190 --> 00:49:58,960

anything still at that website

1177

00:50:02,390 --> 00:50:01,200

and believe it or not using the wayback

1178

00:50:04,470 --> 00:50:02,400

machine

1179

00:50:06,390 --> 00:50:04,480

i found an archived version of that

1180

00:50:08,790 --> 00:50:06,400

website welcome to the national remote

1181

00:50:10,950 --> 00:50:08,800

viewing progress check

1182

00:50:13,750 --> 00:50:10,960

purpose good protocol honest and fair

1183

00:50:15,750 --> 00:50:13,760

feedback the purpose of this site is to

1184

00:50:18,790 --> 00:50:15,760

provide both students and participants

1185

00:50:21,910 --> 00:50:18,800

of remote viewing a source of prepared

1186

00:50:24,230 --> 00:50:21,920

encrypted coordinates that are honestly

1187

00:50:25,990 --> 00:50:24,240

and securely maintained

1188

00:50:27,829 --> 00:50:26,000

and it goes on if i scroll down there's

1189

00:50:29,430 --> 00:50:27,839

a target list here

1190

00:50:30,870 --> 00:50:29,440

and of course

1191

00:50:32,309 --> 00:50:30,880

all the

1192

00:50:34,390 --> 00:50:32,319

uh

1193

00:50:35,910 --> 00:50:34,400

all the items were closed a long time

1194

00:50:39,510 --> 00:50:35,920

ago

1195

00:50:40,470 --> 00:50:39,520

during the year 1998

1196

00:50:43,910 --> 00:50:40,480

let me

1197

00:50:45,990 --> 00:50:43,920

just click on one target 9 for example

1198

00:50:48,470 --> 00:50:46,000

and it appears to be mount rushmore a

1199

00:50:50,790 --> 00:50:48,480

set of coordinates and

1200

00:50:53,990 --> 00:50:50,800

some more information on the page there

1201
00:50:55,670 --> 00:50:54,000
about the the session and the summary

1202
00:50:57,910 --> 00:50:55,680
i'll link to that in the show notes you

1203
00:51:00,069 --> 00:50:57,920
might be interested to see

1204
00:51:01,589 --> 00:51:00,079
but we'll end with a

1205
00:51:03,349 --> 00:51:01,599
page here

1206
00:51:06,829 --> 00:51:03,359
or a couple of pages from the roswell

1207
00:51:09,030 --> 00:51:06,839
daily record dated the first of july

1208
00:51:11,750 --> 00:51:09,040
2017 and

1209
00:51:13,510 --> 00:51:11,760
there's a photograph here

1210
00:51:16,470 --> 00:51:13,520
of a man standing in front of a

1211
00:51:19,670 --> 00:51:16,480
projection with a crudely drawn

1212
00:51:21,589 --> 00:51:19,680
classic movie alien on the big eyes

1213
00:51:23,829 --> 00:51:21,599

and the captain says courtney brown

1214

00:51:26,950 --> 00:51:23,839

points to a still from the documentary

1215

00:51:30,390 --> 00:51:26,960

roswell crash at cornea

1216

00:51:31,349 --> 00:51:30,400

at a drawing of an extraterrestrial he

1217

00:51:34,230 --> 00:51:31,359

claims

1218

00:51:35,510 --> 00:51:34,240

crashed near roswell in 1947 brown

1219

00:51:37,829 --> 00:51:35,520

argues that

1220

00:51:39,750 --> 00:51:37,839

through the use of remote viewing

1221

00:51:42,069 --> 00:51:39,760

a mental process involving psychic

1222

00:51:44,630 --> 00:51:42,079

ability that allows the transfer of

1223

00:51:46,390 --> 00:51:44,640

information across time and space he is

1224

00:51:47,750 --> 00:51:46,400

able to prove it was not a weather

1225

00:51:49,670 --> 00:51:47,760

balloon

1226

00:51:52,870 --> 00:51:49,680

that crashed near roswell

1227

00:51:55,589 --> 00:51:52,880

and the story goes speaker declares ufo

1228

00:51:58,470 --> 00:51:55,599

did crash in roswell remote viewing a

1229

00:52:01,349 --> 00:51:58,480

form of psychic ability helps prove

1230

00:52:02,870 --> 00:52:01,359

extraterrestrial theory brown says

1231

00:52:05,109 --> 00:52:02,880

by katie moss

1232

00:52:07,910 --> 00:52:05,119

roswell daily record

1233

00:52:10,150 --> 00:52:07,920

there were many topics discussed during

1234

00:52:12,870 --> 00:52:10,160

the first day of the roswell daily

1235

00:52:14,630 --> 00:52:12,880

record sponsored event the roswell

1236

00:52:16,230 --> 00:52:14,640

incident but perhaps the most

1237

00:52:18,790 --> 00:52:16,240

captivating was courtney brown's

1238

00:52:19,589 --> 00:52:18,800

declaration that extraterrestrials

1239

00:52:22,870 --> 00:52:19,599

did

1240

00:52:25,270 --> 00:52:22,880

in fact crash near roswell 70 years ago

1241

00:52:27,430 --> 00:52:25,280

he said during his presentation friday

1242

00:52:30,309 --> 00:52:27,440

he discovered it through the phenomenon

1243

00:52:32,950 --> 00:52:30,319

of remote viewing a controlled tangible

1244

00:52:35,109 --> 00:52:32,960

mental process involving psychic ability

1245

00:52:37,349 --> 00:52:35,119

that transfers perceptual information

1246

00:52:39,430 --> 00:52:37,359

across time and space

1247

00:52:41,750 --> 00:52:39,440

with the evidence that followed he said

1248

00:52:44,630 --> 00:52:41,760

it was more than a weather balloon that

1249

00:52:47,109 --> 00:52:44,640

crashed in july 1947

1250

00:52:49,510 --> 00:52:47,119

brown is the director and founder of the

1251
00:52:51,670 --> 00:52:49,520
farsight institute a not-for-profit

1252
00:52:53,030 --> 00:52:51,680
research and educational organization

1253
00:52:55,109 --> 00:52:53,040
dedicated

1254
00:52:56,630 --> 00:52:55,119
to understanding remote viewing through

1255
00:52:58,150 --> 00:52:56,640
the process of scientific

1256
00:53:00,790 --> 00:52:58,160
experimentation

1257
00:53:03,109 --> 00:53:00,800
according to the organization's website

1258
00:53:06,870 --> 00:53:03,119
he told audience members three

1259
00:53:09,510 --> 00:53:06,880
individuals performed a remote viewing

1260
00:53:13,270 --> 00:53:09,520
on the crash of roswell in the two-part

1261
00:53:15,910 --> 00:53:13,280
documentary roswell crash at corona in

1262
00:53:18,950 --> 00:53:15,920
the documentary dick a gear

1263
00:53:20,950 --> 00:53:18,960

daz smith and aziz brown

1264

00:53:22,549 --> 00:53:20,960

are the three individuals who perform

1265

00:53:24,870 --> 00:53:22,559

the remote viewing

1266

00:53:27,190 --> 00:53:24,880

without any communication between them

1267

00:53:29,349 --> 00:53:27,200

as well as working alone they all came

1268

00:53:31,670 --> 00:53:29,359

to the same conclusion

1269

00:53:34,470 --> 00:53:31,680

brown said they found that a

1270

00:53:37,670 --> 00:53:34,480

crash did occur and that the ship was

1271

00:53:39,990 --> 00:53:37,680

part of an extraterrestrial fleet

1272

00:53:42,470 --> 00:53:40,000

interestingly enough the occupants were

1273

00:53:44,630 --> 00:53:42,480

not wearing seat belts

1274

00:53:45,710 --> 00:53:44,640

the remote viewers also discovered the

1275

00:53:49,990 --> 00:53:45,720

craft's

1276
00:53:52,710 --> 00:53:50,000
transportation was across time and space

1277
00:53:55,430 --> 00:53:52,720
and was interdimensional the occupants

1278
00:53:57,829 --> 00:53:55,440
could view their travel across screens

1279
00:53:58,950 --> 00:53:57,839
that showed interdimensional and time

1280
00:54:00,790 --> 00:53:58,960
elements

1281
00:54:03,430 --> 00:54:00,800
in addition they found that the ship

1282
00:54:05,190 --> 00:54:03,440
traveled over at least one city before

1283
00:54:07,910 --> 00:54:05,200
crashing near roswell

1284
00:54:10,390 --> 00:54:07,920
the occupants in the ship were hairless

1285
00:54:12,710 --> 00:54:10,400
slender and appeared frail

1286
00:54:15,670 --> 00:54:12,720
according to the remote viewers findings

1287
00:54:17,589 --> 00:54:15,680
they had large black oval-shaped eyes

1288
00:54:19,349 --> 00:54:17,599

brown also told audience members that

1289

00:54:22,870 --> 00:54:19,359

their remote viewers discovered

1290

00:54:25,270 --> 00:54:22,880

information on the origins of the ufo

1291

00:54:27,829 --> 00:54:25,280

their findings suggest that the craft

1292

00:54:30,870 --> 00:54:27,839

had previous locations

1293

00:54:33,109 --> 00:54:30,880

was occasionally stored underground and

1294

00:54:35,190 --> 00:54:33,119

flew with a fleet in space

1295

00:54:36,950 --> 00:54:35,200

also all of the subjects in and around

1296

00:54:38,710 --> 00:54:36,960

were humanoid meaning they looked

1297

00:54:41,030 --> 00:54:38,720

similar to humans

1298

00:54:42,630 --> 00:54:41,040

in his presentation brown said that

1299

00:54:45,190 --> 00:54:42,640

remote viewers from the farsight

1300

00:54:46,950 --> 00:54:45,200

institute also participate in a monthly

1301

00:54:49,750 --> 00:54:46,960

project called

1302

00:54:53,109 --> 00:54:49,760

the time cross project in which they

1303

00:54:55,349 --> 00:54:53,119

predict major news events a month before

1304

00:54:56,230 --> 00:54:55,359

they occur the sessions are recorded

1305

00:54:58,549 --> 00:54:56,240

live

1306

00:55:00,549 --> 00:54:58,559

and then uploaded to youtube

1307

00:55:02,950 --> 00:55:00,559

before he revealed what the remote

1308

00:55:04,789 --> 00:55:02,960

viewers discovered brown spent the first

1309

00:55:07,190 --> 00:55:04,799

30 minutes of his presentation

1310

00:55:09,270 --> 00:55:07,200

explaining the theory of remote viewing

1311

00:55:11,670 --> 00:55:09,280

after his presentation audience members

1312

00:55:14,710 --> 00:55:11,680

watched both parts of the documentary

1313

00:55:17,270 --> 00:55:14,720

chase kolinsky a member of the mutual

1314

00:55:19,589 --> 00:55:17,280

ufo network mufon

1315

00:55:21,190 --> 00:55:19,599

and an active investigator in national

1316

00:55:23,270 --> 00:55:21,200

ufo cases

1317

00:55:25,030 --> 00:55:23,280

introducing the event this is going to

1318

00:55:27,190 --> 00:55:25,040

be a memorable weekend as we all

1319

00:55:29,109 --> 00:55:27,200

celebrate the event that sparked the

1320

00:55:30,789 --> 00:55:29,119

modern ufo era

1321

00:55:33,190 --> 00:55:30,799

she said

1322

00:55:34,870 --> 00:55:33,200

it was the roswell daily record that

1323

00:55:36,549 --> 00:55:34,880

broke the story and it's most

1324

00:55:38,710 --> 00:55:36,559

appropriate it's really exciting to

1325

00:55:41,670 --> 00:55:38,720

spend this special time with roswell

1326

00:55:42,549 --> 00:55:41,680

staff and volunteers that work at the

1327

00:55:44,710 --> 00:55:42,559

paper

1328

00:55:47,510 --> 00:55:44,720

she introduced david marlard the first

1329

00:55:49,910 --> 00:55:47,520

speaker of friday's event mala

1330

00:55:51,829 --> 00:55:49,920

conducted numerous investigations into

1331

00:55:54,549 --> 00:55:51,839

alleged ufo sightings and related

1332

00:55:55,750 --> 00:55:54,559

experiences during his tenure with the

1333

00:55:58,309 --> 00:55:55,760

mufon

1334

00:56:02,549 --> 00:55:58,319

he also sounds like a biscuit doesn't it

1335

00:56:04,870 --> 00:56:02,559

i'll have a chocolate mufon please

1336

00:56:07,510 --> 00:56:04,880

he also owns one of the largest personal

1337

00:56:09,670 --> 00:56:07,520

libraries of ufo journal's books case

1338

00:56:12,069 --> 00:56:09,680

files newspaper clippings and magazines

1339

00:56:15,190 --> 00:56:12,079

from across the world the collection

1340

00:56:16,549 --> 00:56:15,200

covers the last 65 years

1341

00:56:17,510 --> 00:56:16,559

in his talk

1342

00:56:21,349 --> 00:56:17,520

titled

1343

00:56:23,430 --> 00:56:21,359

new mexico and 1947 setting the stage

1344

00:56:25,670 --> 00:56:23,440

mahler analyzed new mexico's military

1345

00:56:27,910 --> 00:56:25,680

history and technological developments

1346

00:56:29,750 --> 00:56:27,920

near the time of the crash

1347

00:56:32,870 --> 00:56:29,760

he argued that if an outside

1348

00:56:34,069 --> 00:56:32,880

intelligence such as extraterrestrials

1349

00:56:36,470 --> 00:56:34,079

wanted to

1350

00:56:37,510 --> 00:56:36,480

judge the level of human technology on

1351

00:56:39,829 --> 00:56:37,520

earth

1352

00:56:42,230 --> 00:56:39,839

new mexico would have been the optimal

1353

00:56:44,470 --> 00:56:42,240

choice he stressed that roswell was not

1354

00:56:46,950 --> 00:56:44,480

the start of the ufo phenomenon

1355

00:56:50,230 --> 00:56:46,960

he examined the ufo cases that occurred

1356

00:56:53,349 --> 00:56:50,240

before the infamous roswell crash

1357

00:56:56,150 --> 00:56:53,359

an example being the battle of la

1358

00:56:59,030 --> 00:56:56,160

which occurred in 1942

1359

00:57:01,270 --> 00:56:59,040

richard m dolan will start off the last

1360

00:57:03,030 --> 00:57:01,280

day of the event on sunday

1361

00:57:05,030 --> 00:57:03,040

a full speaker panel with audience

1362

00:57:07,109 --> 00:57:05,040

participation will follow

1363

00:57:09,750 --> 00:57:07,119

the event will end with an award

1364

00:57:12,630 --> 00:57:09,760

presentation josh gates the host and

1365

00:57:14,470 --> 00:57:12,640

executive producer of the hit travel

1366

00:57:16,870 --> 00:57:14,480

channel show

1367

00:57:19,349 --> 00:57:16,880

expedition unknown is scheduled to make

1368

00:57:21,910 --> 00:57:19,359

a guest appearance at the roswell

1369

00:57:24,230 --> 00:57:21,920

incident although the date and time of

1370

00:57:25,270 --> 00:57:24,240

his appearance was unknown by press time

1371

00:57:26,789 --> 00:57:25,280

friday

1372

00:57:28,630 --> 00:57:26,799

for a complete look at the schedule or

1373

00:57:33,910 --> 00:57:28,640

to find out more information on the

1374

00:57:37,270 --> 00:57:34,870

now

1375

00:57:38,710 --> 00:57:37,280

normally you're used to me saying oh i

1376

00:57:41,109 --> 00:57:38,720

wish i was there i wish i could have

1377

00:57:44,230 --> 00:57:41,119

been a fly on the wall but having been

1378

00:57:47,910 --> 00:57:44,240

to various talks about ufos

1379

00:57:50,630 --> 00:57:47,920

um no it's all right

1380

00:57:52,870 --> 00:57:50,640

i don't mind missing out

1381

00:57:55,510 --> 00:57:52,880

well there you go just a few examples of

1382

00:57:58,230 --> 00:57:55,520

the term the use of the term remote

1383

00:58:00,630 --> 00:57:58,240

viewing from the pages of newspapers

1384

00:58:02,549 --> 00:58:00,640

here in australia and in the united

1385

00:58:03,990 --> 00:58:02,559

states and that last one interesting

1386

00:58:07,350 --> 00:58:04,000

combining both

1387

00:58:12,950 --> 00:58:07,360

remote viewing and ufos

1388

00:58:14,950 --> 00:58:12,960

[Music]

1389

00:58:17,309 --> 00:58:14,960

and you too can combine all sorts of

1390

00:58:18,950 --> 00:58:17,319

things when you go to trove at

1391

00:58:21,589 --> 00:58:18,960

trove.nla.gov.au if you're here in

1392

00:58:24,230 --> 00:58:21,599

australia you can do what i did

1393

00:58:26,390 --> 00:58:24,240

and look up your ancestors if they've

1394

00:58:27,829 --> 00:58:26,400

been here long enough and i discovered

1395

00:58:30,470 --> 00:58:27,839

interesting clippings about my

1396

00:58:33,030 --> 00:58:30,480

grandfather some years ago but as i

1397

00:58:38,620 --> 00:58:33,040

always like to say you'll never know

1398

00:58:38,630 --> 00:58:53,120

[Music]

1399

00:58:56,630 --> 00:58:54,950

[Applause]

1400

00:58:58,390 --> 00:58:56,640

thank you for listening to the skeptic

1401

00:59:00,710 --> 00:58:58,400

zone and thank you as ever to those

1402

00:59:02,470 --> 00:59:00,720

wonderful people who show their support

1403

00:59:04,390 --> 00:59:02,480

to the skeptic zone via patreon or

1404

00:59:06,549 --> 00:59:04,400

paypal and you can do that at

1405

00:59:08,470 --> 00:59:06,559

skepticzone.tv

1406

00:59:10,630 --> 00:59:08,480

some people chip in

1407

00:59:11,670 --> 00:59:10,640

oh as little as uh three or four dollars

1408

00:59:13,829 --> 00:59:11,680

a week

1409

00:59:15,270 --> 00:59:13,839

some people chip in five or ten or

1410

00:59:17,430 --> 00:59:15,280

twenty even

1411

00:59:20,549 --> 00:59:17,440

and sometimes some very generous people

1412

00:59:23,349 --> 00:59:20,559

chip in a lot more once in a while

1413

00:59:25,430 --> 00:59:23,359

you can also go to skepticzone.tv

1414

00:59:27,270 --> 00:59:25,440

click the subscriptions or the paypal

1415

00:59:30,150 --> 00:59:27,280

link or the patreon link

1416

00:59:34,069 --> 00:59:30,160

and on the next page you'll see my

1417

00:59:36,069 --> 00:59:34,079

amazon wishlist link

1418

00:59:38,150 --> 00:59:36,079

and that's got some

1419

00:59:39,349 --> 00:59:38,160

technical gear that can help the skeptic

1420

00:59:41,109 --> 00:59:39,359

zone

1421

00:59:42,950 --> 00:59:41,119

coming up on next week's show who knows

1422

00:59:45,589 --> 00:59:42,960

i can't see the future i just get susan

1423

00:59:48,069 --> 00:59:45,599

gerbic i cannot see the future susan

1424

00:59:49,750 --> 00:59:48,079

knows full well she was a vital part of

1425

00:59:51,589 --> 00:59:49,760

the great australian psychic prediction

1426

00:59:53,910 --> 00:59:51,599

project and a big shout out to susan

1427

00:59:56,309 --> 00:59:53,920

this week somebody who has done more for

1428

00:59:58,630 --> 00:59:56,319

skepticism than just about anybody i

1429

01:00:00,470 --> 00:59:58,640

know but until next week and who knows

1430

01:00:01,829 --> 01:00:00,480

what'll be on the show i'll have to come

1431

01:00:04,390 --> 01:00:01,839

up with something i guess this is

1432

01:00:09,829 --> 01:00:04,400

richard saunders signing off from sydney

1433

01:00:13,030 --> 01:00:11,589

you've been listening to the skeptic

1434

01:00:14,470 --> 01:00:13,040

zone podcast

1435

01:00:17,670 --> 01:00:14,480

please visit our website at

1436

01:00:23,270 --> 01:00:20,710

for show notes contacts and to access

1437

01:00:25,430 --> 01:00:23,280

the back catalog of episodes going back

1438

01:00:27,430 --> 01:00:25,440

to 2008.

1439

01:00:30,150 --> 01:00:27,440

you can follow the skepticzone podcast

1440

01:00:32,309 --> 01:00:30,160

on twitter at skepticzone

1441

01:00:34,549 --> 01:00:32,319

visit our facebook page or leave a

1442

01:00:36,710 --> 01:00:34,559

review on itunes

1443

01:00:39,910 --> 01:00:36,720

you can also support the skeptic zone

1444

01:00:43,030 --> 01:00:39,920

via patreon or paypal the skeptic zone

1445

01:00:44,870 --> 01:00:43,040

podcast is an independent production

1446

01:00:47,190 --> 01:00:44,880

the views and opinions expressed on the

1447

01:00:49,670 --> 01:00:47,200

skeptic zone are not necessarily those

1448

01:01:02,870 --> 01:00:49,680

of australian skeptics or any other

1449

01:01:06,390 --> 01:01:04,630

now i'll have to pause here for a moment

1450

01:01:08,309 --> 01:01:06,400

because the man with the leaf blower is

1451

01:01:10,069 --> 01:01:08,319

coming and he's going to blow leaves

1452

01:01:11,829 --> 01:01:10,079

under the door and i have to put

1453

01:01:13,910 --> 01:01:11,839

something in the door i'll be back yeah

1454

01:01:16,630 --> 01:01:13,920

okay good i'll keep the recording going

1455

01:01:17,510 --> 01:01:16,640

and you'll just have to edit it out

1456

01:01:19,510 --> 01:01:17,520

so

1457

01:01:22,710 --> 01:01:19,520

the cats have are very scared and have

1458

01:01:26,230 --> 01:01:24,630

all right all right you two there you

1459

01:01:27,109 --> 01:01:26,240

are it's all right honey it's all right

1460

01:01:28,950 --> 01:01:27,119

you

1461

01:01:32,390 --> 01:01:28,960

yeah yeah they're really good

1462

01:01:37,190 --> 01:01:35,510

yeah it's scary stuff right leaf blowers

1463

01:01:39,349 --> 01:01:37,200

hang on sorry i've just paused again

1464

01:01:40,710 --> 01:01:39,359

this is they're at the door now and the

1465

01:01:42,710 --> 01:01:40,720

cats are going i know i can hear them

1466

01:01:46,230 --> 01:01:42,720

yeah it's all right hey come on it's all

1467

01:01:47,970 --> 01:01:46,240

right i know i know more come here come

1468

01:01:49,190 --> 01:01:47,980

hang on

1469

01:01:50,870 --> 01:01:49,200

[Music]

1470

01:01:52,950 --> 01:01:50,880

it's all right you're hiding there you

1471

01:01:54,710 --> 01:01:52,960

want to go out are you sure all right

1472

01:01:56,789 --> 01:01:54,720

you too well if you're going to go out

1473

01:02:02,870 --> 01:01:56,799

go out go on

1474

01:02:07,280 --> 01:02:05,910

very well organized to interview this

1475

01:02:10,230 --> 01:02:07,290

in the studio i'm sorry

1476

01:02:13,270 --> 01:02:10,240

[Laughter]

1477

01:02:15,510 --> 01:02:13,280

the crash was a result of an external

1478

01:02:16,950 --> 01:02:15,520

energy discharge that caused the ship to

1479

01:02:19,430 --> 01:02:16,960

malfunction

1480

01:02:23,829 --> 01:02:19,440

interestingly enough the occupants were

1481

01:02:28,230 --> 01:02:25,029

i'm sorry

1482

01:02:32,870 --> 01:02:30,069

the occupants were not wearing seat

1483

01:02:38,950 --> 01:02:36,630

oh dear come on be professional
