

1  
00:00:07,749 --> 00:00:05,269  
angus

2  
00:00:09,750 --> 00:00:07,759  
she looked at me languidly and i

3  
00:00:11,749 --> 00:00:09,760  
responded with a smile

4  
00:00:14,549 --> 00:00:11,759  
then i probably looked vacant because

5  
00:00:16,550 --> 00:00:14,559  
she wasn't quite my style and when i

6  
00:00:17,750 --> 00:00:16,560  
went to speak to say a simple

7  
00:00:19,910 --> 00:00:17,760  
how are you

8  
00:00:21,590 --> 00:00:19,920  
she passed a motion to ignore me as she

9  
00:00:24,070 --> 00:00:21,600  
did a number two

10  
00:00:26,950 --> 00:00:24,080  
it was naturally disgusting but that's

11  
00:00:30,870 --> 00:00:26,960  
what you get from these females called

12  
00:00:33,830 --> 00:00:30,880  
angus well i ask you please what did i

13  
00:00:36,470 --> 00:00:33,840

expect beyond a chance to chew the cud

14

00:00:37,990 --> 00:00:36,480

with a silly old moo who as a date was

15

00:00:40,950 --> 00:00:38,000

just a dud

16

00:00:43,430 --> 00:00:40,960

it's a very masculine name for any poor

17

00:00:45,830 --> 00:00:43,440

old girl to carry and not the sort of

18

00:00:47,910 --> 00:00:45,840

name any poor boy want to marry it made

19

00:00:49,190 --> 00:00:47,920

a heifer more a hooper like a hereford

20

00:00:51,510 --> 00:00:49,200

in drag

21

00:00:52,950 --> 00:00:51,520

as even a dear old daisy would be a

22

00:00:55,510 --> 00:00:52,960

better tag

23

00:00:58,229 --> 00:00:55,520

that's what you get with cows grazing on

24

00:01:00,869 --> 00:00:58,239

the range a bit of animal husbandry

25

00:01:03,110 --> 00:01:00,879

that's sometimes pretty strange

26

00:01:05,670 --> 00:01:03,120

so i think i'll stick to women who are

27

00:01:08,149 --> 00:01:05,680

less prone to disgrace
