

1  
00:00:15,430 --> 00:00:06,550  
autumn

2  
00:00:18,630 --> 00:00:15,440  
played by the animals camped around

3  
00:00:21,269 --> 00:00:18,640  
grey brown nests of winter down inside

4  
00:00:23,910 --> 00:00:21,279  
leaves the birds have found as leaves

5  
00:00:26,870 --> 00:00:23,920  
have left the branches browned

6  
00:00:29,990 --> 00:00:26,880  
park paths are golden newly crowned with

7  
00:00:32,709 --> 00:00:30,000  
sport to taunt a playful hound by just

8  
00:00:35,590 --> 00:00:32,719  
one tempting playful bound

9  
00:00:38,630 --> 00:00:35,600  
nuts and berries grown some around with

10  
00:00:41,670 --> 00:00:38,640  
winter instincts tightly wound are

11  
00:00:44,869 --> 00:00:41,680  
animal food in an autumn mound

12  
00:00:47,750 --> 00:00:44,879  
as summer colors are softly drowned by

13  
00:00:49,510 --> 00:00:47,760

autumn's pastel soft surround
