

1
00:00:09,669 --> 00:00:07,190
beneath the black balloon

2
00:00:10,629 --> 00:00:09,679
the storm broke the back of the blackest

3
00:00:13,830 --> 00:00:10,639
night

4
00:00:16,870 --> 00:00:13,840
and opened holes with its blinding light

5
00:00:19,590 --> 00:00:16,880
thunder rumbled from all around as birds

6
00:00:22,150 --> 00:00:19,600
took flight from the frightening sound

7
00:00:25,109 --> 00:00:22,160
brilliant bolts of lightning pointed to

8
00:00:27,830 --> 00:00:25,119
the holy house of the unanointed and

9
00:00:31,269 --> 00:00:27,840
dogs howled at the hidden moon

10
00:00:33,510 --> 00:00:31,279
behind the clouds like a black balloon

11
00:00:35,430 --> 00:00:33,520
was it a house or was it a castle

12
00:00:37,750 --> 00:00:35,440
wrapped in the night like a menacing

13
00:00:40,470 --> 00:00:37,760

parcel waiting in the darkness for who

14

00:00:42,229 --> 00:00:40,480

would call on the darkest night of

15

00:00:45,029 --> 00:00:42,239

nights of all

16

00:00:47,830 --> 00:00:45,039

castle or mansion it mattered none this

17

00:00:50,630 --> 00:00:47,840

was the home of hobgoblin's fun the

18

00:00:54,630 --> 00:00:50,640

birthing place of a demon's delight a

19

00:00:58,310 --> 00:00:54,640

door to hell where all is not all right

20

00:01:01,349 --> 00:00:58,320

inside the creaking leaking walls echoed

21

00:01:04,549 --> 00:01:01,359

the sounds of the inmates calls stifle

22

00:01:08,550 --> 00:01:04,559

screams and blood curdling yells of

23

00:01:11,109 --> 00:01:08,560

people imprisoned in private hells

24

00:01:13,510 --> 00:01:11,119

in the middle of the room a spirit rose

25

00:01:17,749 --> 00:01:13,520

like a see-through sheet in a ghostly

26
00:01:22,310 --> 00:01:17,759
pose with eyes like embers glowing red

27
00:01:25,350 --> 00:01:22,320
in a ghastly skull-like hairless head

28
00:01:28,310 --> 00:01:25,360
the whale commenced with a cello note

29
00:01:31,990 --> 00:01:28,320
played on the guts of a cat or goat then

30
00:01:35,830 --> 00:01:32,000
a scream like the death of violins

31
00:01:38,310 --> 00:01:35,840
tortured for all of mankind's sins

32
00:01:41,270 --> 00:01:38,320
as the apparition filled the void the

33
00:01:44,389 --> 00:01:41,280
castle shook like it was annoyed and

34
00:01:47,749 --> 00:01:44,399
with the specter welling deep inside the

35
00:01:50,069 --> 00:01:47,759
bells of the building opened wide

36
00:01:52,870 --> 00:01:50,079
doors split and the ceiling crashed

37
00:01:55,510 --> 00:01:52,880
walls imploded windows smashed the roof

38
00:01:58,950 --> 00:01:55,520

came down in a thunderous roar and

39

00:02:01,990 --> 00:01:58,960

leveled that castle to its floor

40

00:02:05,749 --> 00:02:02,000

then mist filled the empty space

41

00:02:08,790 --> 00:02:05,759

with holes for eyes that formed a face

42

00:02:12,710 --> 00:02:08,800

of goodness that had done its deed

43

00:02:15,750 --> 00:02:12,720

and claimed the souls of those it freed

44

00:02:18,949 --> 00:02:15,760

for now the spirits never linger never

45

00:02:21,830 --> 00:02:18,959

stare or point their finger at the ruins
