

1
00:00:08,470 --> 00:00:05,910
hero

2
00:00:10,390 --> 00:00:08,480
dark and flicky pictures flash the story

3
00:00:13,190 --> 00:00:10,400
on the screen and the hero and the

4
00:00:15,669 --> 00:00:13,200
heroine in a torrid scene

5
00:00:18,150 --> 00:00:15,679
fighting animals and goblins and a man

6
00:00:21,109 --> 00:00:18,160
who's very mean and it makes a big

7
00:00:23,189 --> 00:00:21,119
impression when you're only just a teen

8
00:00:26,390 --> 00:00:23,199
it happened on a saturday about

9
00:00:29,269 --> 00:00:26,400
mid-afternoon before the major movie but

10
00:00:32,709 --> 00:00:29,279
after the cartoon the giant flashing

11
00:00:35,430 --> 00:00:32,719
letters spelt out coming soon

12
00:00:37,430 --> 00:00:35,440
the hero of the woodland the tale of

13
00:00:39,430 --> 00:00:37,440

daniel boone

14

00:00:42,069 --> 00:00:39,440

but i forgot about the musket and

15

00:00:45,190 --> 00:00:42,079

fighting with a bear when i saw the sun

16

00:00:46,869 --> 00:00:45,200

of spartacus with muscles in his hair

17

00:00:49,510 --> 00:00:46,879

and the look of all the leather and the

18

00:00:52,549 --> 00:00:49,520

armor that i wear and that's me on the

19

00:00:55,029 --> 00:00:52,559

screen won't you look at me up there

20

00:00:56,310 --> 00:00:55,039

that's me in the rocket and i'm shooting

21

00:00:58,310 --> 00:00:56,320

into space

22

00:01:00,790 --> 00:00:58,320

chasing all the baddies with a look upon

23

00:01:03,510 --> 00:01:00,800

my face that tells you that i'm angry

24

00:01:06,390 --> 00:01:03,520

and they haven't got my grace and i blow

25

00:01:08,789 --> 00:01:06,400

them all to smithereens and save the

26

00:01:11,109 --> 00:01:08,799

human race

27

00:01:13,270 --> 00:01:11,119

now i'm a cowboy with a sex gun and a

28

00:01:15,990 --> 00:01:13,280

black and saddled horse then i'm a

29

00:01:19,190 --> 00:01:16,000

demolition expert who's an expert hand

30

00:01:22,310 --> 00:01:19,200

at morse until i'm piloting a jet in

31

00:01:24,950 --> 00:01:22,320

some far-off allied force and fighting

32

00:01:26,390 --> 00:01:24,960

off darth vader with a laser sword of

33

00:01:28,950 --> 00:01:26,400

course

34

00:01:31,510 --> 00:01:28,960

but now i'm getting on in years

35

00:01:33,830 --> 00:01:31,520

the heroes make me cry because they

36

00:01:36,789 --> 00:01:33,840

always get the women and they hardly

37

00:01:39,270 --> 00:01:36,799

ever die and it's not like real life

38

00:01:40,710 --> 00:01:39,280

where however hard you try you're not a

39

00:01:43,510 --> 00:01:40,720

superhero

40

00:01:45,749 --> 00:01:43,520

but just an ordinary guy

41

00:01:47,990 --> 00:01:45,759

so i don't watch many movies now they

42

00:01:50,389 --> 00:01:48,000

make me feel too bold

43

00:01:53,030 --> 00:01:50,399

and i've seen all the stories by now

44

00:01:55,429 --> 00:01:53,040

they've all been told and fighting all

45

00:01:57,350 --> 00:01:55,439

those dragons really leaves me in the

46

00:02:00,389 --> 00:01:57,360

cold
