

1
00:00:08,230 --> 00:00:06,070
mostly ghostly

2
00:00:11,589 --> 00:00:08,240
there's something lurking in the shadows

3
00:00:14,230 --> 00:00:11,599
hey are you a ghost a soul departed or

4
00:00:15,350 --> 00:00:14,240
maybe you're an angel looking for a host

5
00:00:18,310 --> 00:00:15,360
this time

6
00:00:21,109 --> 00:00:18,320
there was an answer when windows started

7
00:00:22,310 --> 00:00:21,119
to rattle the table rose then crashed to

8
00:00:24,390 --> 00:00:22,320
the floor

9
00:00:26,710 --> 00:00:24,400
and we were set for battle

10
00:00:30,230 --> 00:00:26,720
the cameras were as the ghost appeared

11
00:00:32,790 --> 00:00:30,240
in the cold air there with bony fingers

12
00:00:35,750 --> 00:00:32,800
bold knuckles craggy face and

13
00:00:39,670 --> 00:00:35,760

straggly hair eyes set back deep in

14

00:00:42,630 --> 00:00:39,680

their sockets staring stark raving mad

15

00:00:45,110 --> 00:00:42,640

would this be a clash of violent wills

16

00:00:47,510 --> 00:00:45,120

could this be really bad

17

00:00:49,750 --> 00:00:47,520

never had i seen such a visual trick as

18

00:00:52,150 --> 00:00:49,760

this sight i saw before me if it was a

19

00:00:54,709 --> 00:00:52,160

trick with smoke and mirrors but nothing

20

00:00:57,110 --> 00:00:54,719

did assure me just a realistic sight of

21

00:01:00,150 --> 00:00:57,120

an unrealistic thing a ghost from the

22

00:01:02,709 --> 00:01:00,160

dead and i tried to think what i'd eaten

23

00:01:05,509 --> 00:01:02,719

that put chemicals in my head

24

00:01:08,149 --> 00:01:05,519

it spoke in a feeble scratchy voice and

25

00:01:10,550 --> 00:01:08,159

i hardly heard a word my heart pounding

26
00:01:13,109 --> 00:01:10,560
beyond my choice was all i really heard

27
00:01:15,510 --> 00:01:13,119
and the table started trembling and it

28
00:01:17,190 --> 00:01:15,520
danced across the floor as the ghost

29
00:01:19,590 --> 00:01:17,200
looked straight at me

30
00:01:23,350 --> 00:01:19,600
so he could see what i was for

31
00:01:26,230 --> 00:01:23,360
find my corpse find my dead body his

32
00:01:28,870 --> 00:01:26,240
word scratched the air and i looked into

33
00:01:29,990 --> 00:01:28,880
his eyes where i got trapped inside his

34
00:01:32,390 --> 00:01:30,000
stair

35
00:01:35,429 --> 00:01:32,400
i'm asking for help from you an

36
00:01:37,109 --> 00:01:35,439
unbeliever he wheezed you must help me

37
00:01:39,990 --> 00:01:37,119
find my body

38
00:01:42,230 --> 00:01:40,000

and i felt my body squeezed

39

00:01:45,030 --> 00:01:42,240

could this really be a disconnected

40

00:01:47,350 --> 00:01:45,040

spirit from beyond the reel i tried to

41

00:01:50,069 --> 00:01:47,360

convince myself that i couldn't see or

42

00:01:53,749 --> 00:01:50,079

hear or feel but it was as though i

43

00:01:57,190 --> 00:01:53,759

could see into his brain and he mine

44

00:01:59,190 --> 00:01:57,200

and the cold concept sent cold shivers

45

00:02:01,429 --> 00:01:59,200

up and down my spine

46

00:02:04,389 --> 00:02:01,439

his look bored its way to the back of my

47

00:02:07,350 --> 00:02:04,399

skull through my eyes and i saw his

48

00:02:08,710 --> 00:02:07,360

naked soul stripped of life of truth and

49

00:02:10,630 --> 00:02:08,720

of lies

50

00:02:13,670 --> 00:02:10,640

then his tenuous grip on my world

51
00:02:15,750 --> 00:02:13,680
started to slowly loosen hold and the

52
00:02:18,309 --> 00:02:15,760
room was sucked of light

53
00:02:19,949 --> 00:02:18,319
and without the light was cold

54
00:02:23,270 --> 00:02:19,959
this glorious apparition was

55
00:02:25,510 --> 00:02:23,280
disintegrating fading with his hope

56
00:02:28,070 --> 00:02:25,520
going back to the world between worlds

57
00:02:29,910 --> 00:02:28,080
sliding down the slope disappearing as

58
00:02:32,869 --> 00:02:29,920
he had appeared

59
00:02:34,869 --> 00:02:32,879
and vanishing from my mind

60
00:02:36,550 --> 00:02:34,879
until a strange
