

1
00:00:10,709 --> 00:00:05,030
the cat

2
00:00:14,150 --> 00:00:10,719
his furry features faced the wall

3
00:00:16,950 --> 00:00:14,160
his tail tip tapped a mouse code call

4
00:00:19,750 --> 00:00:16,960
a dancing chance for something small

5
00:00:22,390 --> 00:00:19,760
then he sharpened up a sleeping ear with

6
00:00:25,349 --> 00:00:22,400
half-closed eyes he peaked a pier

7
00:00:28,710 --> 00:00:25,359
instinct stirred sense something near

8
00:00:30,950 --> 00:00:28,720
nostril sniffed for the scent of fear

9
00:00:33,750 --> 00:00:30,960
his tail stopped tapping but he trembled

10
00:00:36,069 --> 00:00:33,760
at the tip his eyes and ears open plus a

11
00:00:38,709 --> 00:00:36,079
sliver of the lip steady ever ready for

12
00:00:41,350 --> 00:00:38,719
the mouse to make a slip he did a loping

13
00:00:43,990 --> 00:00:41,360

leap and a double back flip

14

00:00:46,549 --> 00:00:44,000

he played all day with a carcass of his

15

00:00:48,869 --> 00:00:46,559

kill every thought it wasn't dead and

16

00:00:51,110 --> 00:00:48,879

just that it was ill but it's just as

17

00:00:52,150 --> 00:00:51,120

well he's eaten for he wouldn't have his

18

00:00:54,549 --> 00:00:52,160

fill
