

1  
00:00:08,790 --> 00:00:05,910  
one diligong missed

2  
00:00:11,350 --> 00:00:08,800  
the cotton wool clouds lay like meringue

3  
00:00:13,350 --> 00:00:11,360  
across the hilltops a matting of fairy

4  
00:00:14,549 --> 00:00:13,360  
floss mist crowned the caps of the

5  
00:00:16,870 --> 00:00:14,559  
treetops

6  
00:00:18,550 --> 00:00:16,880  
and every now and then a shaft of yellow

7  
00:00:20,870 --> 00:00:18,560  
sunlight dropped

8  
00:00:23,189 --> 00:00:20,880  
painting the hunched up hills where the

9  
00:00:25,589 --> 00:00:23,199  
black skies stopped

10  
00:00:28,470 --> 00:00:25,599  
sun showers spotted the windscreen and

11  
00:00:30,950 --> 00:00:28,480  
the wipers squeaked while muted autumn

12  
00:00:33,350 --> 00:00:30,960  
turns were bright where sunshine peaked

13  
00:00:35,750 --> 00:00:33,360

and the ribbon of tar glistened like a

14

00:00:37,830 --> 00:00:35,760

dewdrop dappled path

15

00:00:39,910 --> 00:00:37,840

until the rain came down again and

16

00:00:42,389 --> 00:00:39,920

nature took another bath

17

00:00:44,869 --> 00:00:42,399

the curlicued cloudscape draped itself

18

00:00:46,630 --> 00:00:44,879

gracefully over the land like a frilly

19

00:00:49,830 --> 00:00:46,640

cuff on the weather coat framing the

20

00:00:52,389 --> 00:00:49,840

sky's hand as it dawned a winter wash

21

00:00:55,670 --> 00:00:52,399

across the autumn picture piece
