zodiac man

2
00:00:10,709 --> 00:00:08,400
he was a complicated puzzle an enigma of

3
00:00:12,789 --> 00:00:10,719
the sign a multitude of types placed

4
00:00:15,190 --> 00:00:12,799
together by design with all the

5
00:00:18,470 --> 00:00:15,200
characteristics of the symbols of our

6
00:00:19,349 --> 00:00:18,480
birth in a melting pot of humankind a

00:00:20,790 --> 00:00:19,359
true

00:00:23,670 --> 00:00:20,800
man of earth

9
00:00:27,429 --> 00:00:23,680
he walked like a pisces and talked like

10
00:00:29,349 --> 00:00:27,439
a sag and wore the turian demeanor like

11
00:00:31,509 --> 00:00:29,359
a veritable badge

12
00:00:34,870 --> 00:00:31,519
his style was affected by the influence

13
00:00:37,270 --> 00:00:34,880

of the moon but it's likely his libra

00:00:39,430 --> 00:00:37,280

came into cusp too soon

15

00:00:41,910 --> 00:00:39,440

virgo laid its hand upon this man of

16

00:00:44,470 --> 00:00:41,920

many parts and his gemini certainly

17

00:00:46,470 --> 00:00:44,480

stops where his capricorn starts

18

00:00:49,270 --> 00:00:46,480

which gives you a perception that he may

19

00:00:51,590 --> 00:00:49,280

have the aries although his cancer side

20

00:00:54,229 --> 00:00:51,600

luckily is away with the fairies

21

00:00:57,510 --> 00:00:54,239

aquarius has washed him where scorpio

22

00:00:59,910 --> 00:00:57,520

stung it stings and leo roars loudly you

23

00:01:02,950 --> 00:00:59,920

can hear it when he sings this man of

24

00:01:05,509 --> 00:01:02,960

many colors with their influences clear

25

00:01:08,710 --> 00:01:05,519

from a birth which broke records when it

26

00:01:11,030 --> 00:01:08,720

went on for a year

27

00:01:13,270 --> 00:01:11,040

some claim that he is layered by the

28

00:01:15,270 --> 00:01:13,280

impressions of the stars

29

00:01:18,230 --> 00:01:15,280

and if you study him very closely you

30

00:01:21,429 --> 00:01:18,240

can just detect the scars where the

31

00:01:22,550 --> 00:01:21,439

doctors separated him from his ego early

32

00:01:25,350 --> 00:01:22,560
