

1
00:00:18,870 --> 00:00:14,180
um

2
00:00:23,189 --> 00:00:20,870
later i'll be overlapped that sounded

3
00:00:27,509 --> 00:00:24,390
all right

4
00:00:31,960 --> 00:00:29,509
okay if that cow stays there it'll be

5
00:00:34,389 --> 00:00:31,970
lovely so when you're ready

6
00:00:35,940 --> 00:00:34,399
[Applause]

7
00:00:51,270 --> 00:00:35,950
winner time

8
00:00:58,520 --> 00:00:53,460
i wonder what they're saying

9
00:01:02,790 --> 00:00:58,530
[Music]

10
00:01:02,800 --> 00:01:07,990
hello maggie

11
00:01:08,000 --> 00:01:12,710
i think she'll wander off in a second

12
00:01:12,720 --> 00:01:25,270
monkey

13
00:01:25,280 --> 00:01:37,670

i can see it it's back there on a tree

14

00:01:41,910 --> 00:01:40,710

when you're ready

15

00:01:44,710 --> 00:01:41,920

okay when you

16

00:01:44,720 --> 00:01:57,429

let me get this sneeze out of the way

17

00:02:02,469 --> 00:01:59,510

it was just a dud

18

00:02:05,190 --> 00:02:02,479

it's a very masculine name for any poor

19

00:02:09,109 --> 00:02:05,200

girl old girl the other fly put me right

20

00:02:12,550 --> 00:02:09,119

i saw that yeah i saw that noises

21

00:02:12,560 --> 00:02:15,750

okay

22

00:02:18,470 --> 00:02:17,110

angus

23

00:02:23,430 --> 00:02:18,480

ghost of wind just hit the side of the

24

00:02:34,710 --> 00:02:25,030

okay

25

00:02:38,470 --> 00:02:35,830

fly

26

00:02:48,949 --> 00:02:38,480

almost walks right into your mouth i

27

00:02:52,949 --> 00:02:51,990

you think this is easy folks

28

00:02:56,229 --> 00:02:52,959

with me

29

00:03:10,149 --> 00:02:59,190

buzzing around the microphone now look

30

00:03:13,670 --> 00:03:11,910

it's on me man

31

00:03:19,110 --> 00:03:13,680

all right we probably have got enough

32

00:03:23,990 --> 00:03:21,190

four minutes

33

00:03:29,670 --> 00:03:25,910

also a big one

34

00:03:33,509 --> 00:03:31,350

okay

35

00:03:37,589 --> 00:03:33,519

i've heard of fly emirates but fly

36

00:03:42,470 --> 00:03:40,710

angus and we're recording any thoughts

37

00:03:45,190 --> 00:03:42,480

jim

38

00:03:47,030 --> 00:03:45,200

um well i was just sitting here thinking

39

00:03:49,110 --> 00:03:47,040

about job you know with this wonderful

40

00:03:51,110 --> 00:03:49,120

view it's a damn shame i've got to have

41

00:03:52,869 --> 00:03:51,120

my reading specs on because i can't

42

00:03:55,429 --> 00:03:52,879

really make out a head no tale of any of

43

00:03:56,789 --> 00:03:55,439

that and oh god i'm sorry

44

00:04:10,229 --> 00:03:56,799

hi

45

00:04:14,390 --> 00:04:12,470

mostly ghostly

46

00:04:18,550 --> 00:04:14,400

there's something lurking in the shadows

47

00:04:20,390 --> 00:04:18,560

hey are you a ghost a soul departed

48

00:04:26,950 --> 00:04:20,400

yes it was

49

00:04:26,960 --> 00:04:37,430

that's very good all right

50

00:04:53,670 --> 00:04:39,270

culture yes

51

00:04:53,680 --> 00:04:58,070

please

52

00:05:03,990 --> 00:05:00,870

and opened holes with its blinding light

53

00:05:06,950 --> 00:05:04,000

thunder rumbled from all around as birds

54

00:05:09,189 --> 00:05:06,960

took flight from the frightening sound

55

00:05:13,350 --> 00:05:09,199

brilliant

56

00:05:20,710 --> 00:05:14,790

sorry

57

00:05:20,720 --> 00:05:34,790

[Applause]
