1  
00:00:00,000 --> 00:00:06,550

[Music]

2  
00:00:16,830 --> 00:00:09,190

welcome to the skeptic zone the podcast

3  
00:00:25,269 --> 00:00:23,349

[Music]

4  
00:00:28,070 --> 00:00:25,279

yes it's the skeptic zone podcast

5  
00:00:31,509 --> 00:00:28,080

episode number 728

6  
00:00:33,350 --> 00:00:31,519

for the 18th of september 2022 richard

7  
00:00:35,510 --> 00:00:33,360

saunders coming to you from sydney

8  
00:00:37,430 --> 00:00:35,520

australia a bit overcast a few

9  
00:00:38,630 --> 00:00:37,440

rain showers but not too bad for this

10  
00:00:40,950 --> 00:00:38,640

time of year

11  
00:00:43,510 --> 00:00:40,960

coming up on this week's show

12  
00:00:45,670 --> 00:00:43,520

very much in the news at the moment the

13  
00:00:48,950 --> 00:00:45,680

uh the death of the queen and the

14

00:00:52,549 --> 00:00:48,960

accession to the throne by king charles

15

00:00:54,310 --> 00:00:52,559

and we start off with predictions

16

00:00:57,510 --> 00:00:54,320

supposedly

17

00:01:01,349 --> 00:00:57,520

made by nostradamus himself about

18

00:01:06,950 --> 00:01:04,469

do we reserve the right to be skeptical

19

00:01:08,550 --> 00:01:06,960

lately floating around social media are

20

00:01:10,630 --> 00:01:08,560

people

21

00:01:13,190 --> 00:01:10,640

almost beside themselves

22

00:01:15,910 --> 00:01:13,200

because a book written about nostradamus

23

00:01:18,230 --> 00:01:15,920

happens to mention that in 2022 the

24

00:01:20,789 --> 00:01:18,240

queen would die

25

00:01:22,550 --> 00:01:20,799

is this a mystical insight

26

00:01:23,749 --> 00:01:22,560

is this just

27

00:01:26,630 --> 00:01:23,759

luck

28

00:01:27,830 --> 00:01:26,640

we suspect the latter but find out with

29

00:01:30,390 --> 00:01:27,840

my report

30

00:01:33,030 --> 00:01:30,400

where i look to snopes

31

00:01:35,830 --> 00:01:33,040

to find out what i can about the

32

00:01:37,990 --> 00:01:35,840

prophecies of nostradamus and king

33

00:01:39,910 --> 00:01:38,000

charles iii

34

00:01:42,230 --> 00:01:39,920

and speaking of king charles we did back

35

00:01:43,670 --> 00:01:42,240

into the archive the database of the

36

00:01:44,710 --> 00:01:43,680

great australian psychic prediction

37

00:01:47,510 --> 00:01:44,720

project

38

00:01:49,670 --> 00:01:47,520

and trying to find out what seers and

39

00:01:52,950 --> 00:01:49,680

astrologers and diviners here in

40

00:01:55,830 --> 00:01:52,960

australia had to say about the then

41

00:01:58,069 --> 00:01:55,840

prince charles in the years 2000

42

00:01:59,910 --> 00:01:58,079

to 2020.

43

00:02:02,950 --> 00:01:59,920

following that it's the

44

00:02:05,190 --> 00:02:02,960

the last skeptical poem by

45

00:02:06,870 --> 00:02:05,200

our late friend jim wilshere this one's

46

00:02:10,070 --> 00:02:06,880

not such a skeptical poem but i thought

47

00:02:12,390 --> 00:02:10,080

it was a uh a fitting poem to round off

48

00:02:14,630 --> 00:02:12,400

the series of poems by jim

49

00:02:19,030 --> 00:02:14,640

and this one talks about

50

00:02:21,430 --> 00:02:19,040

um what he would do if he was a donor

51  
00:02:24,150 --> 00:02:21,440  
after he died what would happen to

52  
00:02:26,150 --> 00:02:24,160  
bits of him it's a funny poem a

53  
00:02:28,869 --> 00:02:26,160  
bittersweet in a way jim wilshire's

54  
00:02:30,150 --> 00:02:28,879  
skeptical poem or at least poem

55  
00:02:31,990 --> 00:02:30,160  
the donor

56  
00:02:35,270 --> 00:02:32,000  
then to round off the show we go back to

57  
00:02:38,390 --> 00:02:35,280  
the trove archives and we read a very in

58  
00:02:42,710 --> 00:02:38,400  
retrospect almost comical report about

59  
00:02:44,949 --> 00:02:42,720  
esp esp from the pages of the australian

60  
00:02:47,670 --> 00:02:44,959  
woman's weekly written

61  
00:02:49,350 --> 00:02:47,680  
decades ago

62  
00:02:51,670 --> 00:02:49,360  
now a message from our friends in

63  
00:02:54,710 --> 00:02:51,680

victoria from the vic skeptics

64

00:02:56,710 --> 00:02:54,720

monday the 19th of september

65

00:02:59,910 --> 00:02:56,720

skeptics cafe

66

00:03:01,910 --> 00:02:59,920

they have magician joe klein

67

00:03:04,790 --> 00:03:01,920

and the talk will be magical objects

68

00:03:07,830 --> 00:03:04,800

animating artifacts through the genre of

69

00:03:09,589 --> 00:03:07,840

bizarre magic storytelling now you can

70

00:03:10,550 --> 00:03:09,599

join in with the victorian skeptics for

71

00:03:13,830 --> 00:03:10,560

that talk

72

00:03:16,149 --> 00:03:13,840

no matter where you are in the world and

73

00:03:18,550 --> 00:03:16,159

for more information on that upcoming

74

00:03:23,110 --> 00:03:18,560

talk why don't you head for

75

00:03:27,509 --> 00:03:24,869

and just before we start the show a

76

00:03:30,309 --> 00:03:27,519

quick birthday shout out to the one and

77

00:03:32,869 --> 00:03:30,319

only skeptical fairy godmother angel

78

00:03:34,789 --> 00:03:32,879

from the internet happy birthday

79

00:03:37,110 --> 00:03:34,799

i think i met her once

80

00:03:38,550 --> 00:03:37,120

on a train hmm

81

00:03:40,710 --> 00:03:38,560

but now it's time for me to run

82

00:03:42,710 --> 00:03:40,720

downstairs run downstairs

83

00:03:44,830 --> 00:03:42,720

what what what what will i have this

84

00:03:49,430 --> 00:03:44,840

week what will i have this week

85

00:03:53,750 --> 00:03:51,350

however i notice here in australia in

86

00:03:55,990 --> 00:03:53,760

the audi supermarkets they're selling as

87

00:03:58,949 --> 00:03:56,000

they do every september their

88

00:04:02,550 --> 00:03:58,959

oktoberfest range of goodies including

89

00:04:04,550 --> 00:04:02,560

my fatal weakness peanut puffs

90

00:04:07,030 --> 00:04:04,560

i'll think about peanut puffs i'll eat a

91

00:04:09,250 --> 00:04:07,040

hot crumpet while you listen to the

92

00:04:29,909 --> 00:04:09,260

skeptic zone

93

00:04:33,990 --> 00:04:32,070

i have here in my hands

94

00:04:37,110 --> 00:04:34,000

a copy of the book

95

00:04:39,830 --> 00:04:37,120

the mask of nostradamus a biography of

96

00:04:41,950 --> 00:04:39,840

the world's most famous prophet

97

00:04:44,629 --> 00:04:41,960

by james randy

98

00:04:47,270 --> 00:04:44,639

[Music]

99

00:04:49,670 --> 00:04:47,280

to richard saunders with thanks for

100

00:04:53,909 --> 00:04:49,680

his contributions to the skeptical world

101  
00:04:55,909 --> 00:04:53,919  
james randy september 5th 2007. lovely

102  
00:04:59,350 --> 00:04:55,919  
lovely little uh souvenir i have here

103  
00:05:02,469 --> 00:04:59,360  
from james randy but the book itself

104  
00:05:05,110 --> 00:05:02,479  
is a fascinating read it really is randy

105  
00:05:07,270 --> 00:05:05,120  
went to uh

106  
00:05:13,110 --> 00:05:07,280  
great

107  
00:05:14,469 --> 00:05:13,120  
nostradamus his claims his squat trains

108  
00:05:17,510 --> 00:05:14,479  
the age

109  
00:05:19,830 --> 00:05:17,520  
in which nostradamus lived

110  
00:05:21,749 --> 00:05:19,840  
the original french in which the

111  
00:05:23,990 --> 00:05:21,759  
quatrains were written

112  
00:05:25,110 --> 00:05:24,000  
and i can really recommend this book

113  
00:05:28,150 --> 00:05:25,120

it's uh

114

00:05:32,310 --> 00:05:28,160

i i think i've read it at least twice

115

00:05:34,150 --> 00:05:32,320

and it is a fascinating and enlightening

116

00:05:35,350 --> 00:05:34,160

read

117

00:05:36,830 --> 00:05:35,360

now

118

00:05:39,510 --> 00:05:36,840

i bring this up

119

00:05:42,150 --> 00:05:39,520

because in the last

120

00:05:44,710 --> 00:05:42,160

last week

121

00:05:46,790 --> 00:05:44,720

on various social media outlets notably

122

00:05:47,990 --> 00:05:46,800

tick tock and there's been some on

123

00:05:50,550 --> 00:05:48,000

facebook

124

00:05:52,469 --> 00:05:50,560

people have been claiming that

125

00:05:54,310 --> 00:05:52,479

nostradamus predicted the current

126

00:05:56,550 --> 00:05:54,320

situation we find ourselves in the

127

00:05:58,390 --> 00:05:56,560

events of the last couple of weeks in

128

00:05:59,830 --> 00:05:58,400

other words the uh the death of queen

129

00:06:01,029 --> 00:05:59,840

elizabeth

130

00:06:05,020 --> 00:06:01,039

here are some

131

00:06:07,909 --> 00:06:05,030

examples taken from social media

132

00:06:11,270 --> 00:06:07,919

[Music]

133

00:06:13,670 --> 00:06:11,280

oh my goodness has nostradamus once

134

00:06:15,430 --> 00:06:13,680

again predicted something correctly and

135

00:06:18,150 --> 00:06:15,440

accurately

136

00:06:20,950 --> 00:06:18,160

nostradamus predicted that king charles

137

00:06:22,950 --> 00:06:20,960

will abdicate an unexpected mystery king

138

00:06:24,950 --> 00:06:22,960

will take his place

139

00:06:27,270 --> 00:06:24,960

if we have a look over here

140

00:06:30,629 --> 00:06:27,280

there is the the document

141

00:06:32,550 --> 00:06:30,639

16th century um astrologer and sierra

142

00:06:35,670 --> 00:06:32,560

nostradamus is pretty famous for his

143

00:06:37,350 --> 00:06:35,680

predictions but right after the queen of

144

00:06:38,629 --> 00:06:37,360

england passed away and her son king

145

00:06:41,189 --> 00:06:38,639

charles took over the throne

146

00:06:44,070 --> 00:06:41,199

nostradamus's suit and prediction is now

147

00:06:46,390 --> 00:06:44,080

surfacing an author and leading expert

148

00:06:48,870 --> 00:06:46,400

on nostradamus maurya reading has

149

00:06:51,270 --> 00:06:48,880

suggested that the seer predicted the

150

00:06:54,870 --> 00:06:51,280

exact year of the queen's death in

151

00:06:56,950 --> 00:06:54,880

cryptic poems written in 1555

152

00:06:58,790 --> 00:06:56,960

guys so this book is mad it tells you

153

00:06:59,830 --> 00:06:58,800

literally what's going to happen every

154

00:07:01,749 --> 00:06:59,840

year

155

00:07:05,350 --> 00:07:01,759

mad mad mad and it was actually written

156

00:07:07,350 --> 00:07:05,360

in 2006. watch this if you go to year

157

00:07:09,990 --> 00:07:07,360

2022

158

00:07:11,670 --> 00:07:10,000

succession to the uk throne and then

159

00:07:14,710 --> 00:07:11,680

guess what happens after that

160

00:07:15,749 --> 00:07:14,720

application of charles iii of england so

161

00:07:18,309 --> 00:07:15,759

it says

162

00:07:20,710 --> 00:07:18,319

he's going to be removed after that

163

00:07:23,110 --> 00:07:20,720

let's have a look page 112

164

00:07:25,110 --> 00:07:23,120

prediction the future king charles iii

165

00:07:27,670 --> 00:07:25,120

and his princess consort the former

166

00:07:29,469 --> 00:07:27,680

camilla parker bells will be uh will

167

00:07:31,670 --> 00:07:29,479

find themselves faced with a

168

00:07:34,230 --> 00:07:31,680

constitutional crisis on the death of

169

00:07:35,909 --> 00:07:34,240

charles's mother queen elizabeth ii

170

00:07:37,670 --> 00:07:35,919

the crisis will be provoked by the

171

00:07:39,749 --> 00:07:37,680

church of england which is traditionally

172

00:07:42,150 --> 00:07:39,759

headed by the monarch

173

00:07:44,710 --> 00:07:42,160

did you know in 2006 there was a book by

174

00:07:47,749 --> 00:07:44,720

mario reading called nostradamus that

175

00:07:49,189 --> 00:07:47,759

predicts the queen's death in 2022. now

176

00:07:51,749 --> 00:07:49,199

it can be debated whether this is

177

00:07:54,550 --> 00:07:51,759

nostradamus's real words but this book

178

00:07:55,990 --> 00:07:54,560

is very real and you can find it

179

00:07:58,629 --> 00:07:56,000

does this prove we all live in a

180

00:08:01,350 --> 00:07:58,639

simulation is this one big scripted

181

00:08:04,469 --> 00:08:03,350

now of course it goes without saying

182

00:08:06,150 --> 00:08:04,479

that

183

00:08:07,110 --> 00:08:06,160

this is simply not the case but it's

184

00:08:09,510 --> 00:08:07,120

worth

185

00:08:11,189 --> 00:08:09,520

diving a little deeper into this

186

00:08:14,390 --> 00:08:11,199

and

187

00:08:15,589 --> 00:08:14,400

we end up looking at a good

188

00:08:17,350 --> 00:08:15,599

overview

189

00:08:18,589 --> 00:08:17,360

at snopes

190

00:08:20,230 --> 00:08:18,599

at

191

00:08:21,749 --> 00:08:20,240

snopes.com

192

00:08:24,070 --> 00:08:21,759

and this was published on the 15th of

193

00:08:26,790 --> 00:08:24,080

september and i'll read some of this out

194

00:08:28,070 --> 00:08:26,800

did nostradamus predict charles would

195

00:08:30,710 --> 00:08:28,080

abdicate

196

00:08:32,870 --> 00:08:30,720

leave harry the throne

197

00:08:34,709 --> 00:08:32,880

claiming 16th century french astrologer

198

00:08:37,589 --> 00:08:34,719

nostradamus predicted various world

199

00:08:40,709 --> 00:08:37,599

events is a never-ending pastime for

200

00:08:41,829 --> 00:08:40,719

some and this is a piece by bethania

201  
00:08:43,110 --> 00:08:41,839  
talma

202  
00:08:44,790 --> 00:08:43,120  
the claim is

203  
00:08:47,670 --> 00:08:44,800  
nostradamus predicted that queen

204  
00:08:50,310 --> 00:08:47,680  
elizabeth ii would die in 2022

205  
00:08:53,509 --> 00:08:50,320  
and king charles iii would abdicate

206  
00:08:55,990 --> 00:08:53,519  
leaving the throne to prince harry

207  
00:08:57,030 --> 00:08:56,000  
and the rating in the snopes

208  
00:08:59,910 --> 00:08:57,040  
false

209  
00:09:02,470 --> 00:08:59,920  
fact check in the wake of the passing of

210  
00:09:03,829 --> 00:09:02,480  
queen elizabeth ii on september the 8th

211  
00:09:07,350 --> 00:09:03,839  
2002

212  
00:09:10,150 --> 00:09:07,360  
various hoaxes and misinformation

213  
00:09:12,949 --> 00:09:10,160

circulated online these included a

214

00:09:16,150 --> 00:09:12,959

misleading claim that the supposed

215

00:09:18,949 --> 00:09:16,160

source of many a prophecy nostradamus

216

00:09:21,670 --> 00:09:18,959

foresaw the year elizabeth would die and

217

00:09:24,470 --> 00:09:21,680

that her heir king charles iii would

218

00:09:27,750 --> 00:09:24,480

abdicate leaving an unexpected royal on

219

00:09:29,750 --> 00:09:27,760

the throne goes on to say nostradamus is

220

00:09:32,630 --> 00:09:29,760

best known in the modern era for being

221

00:09:34,790 --> 00:09:32,640

trotted out during global news events

222

00:09:37,350 --> 00:09:34,800

with enthusiasts claiming he predicted

223

00:09:39,430 --> 00:09:37,360

them with uncanny accuracy

224

00:09:42,389 --> 00:09:39,440

nostradamus was falsely credited with

225

00:09:44,790 --> 00:09:42,399

predicting september 11 2001 terrorist

226

00:09:48,470 --> 00:09:44,800

attacks in the us for example and also

227

00:09:50,389 --> 00:09:48,480

the 2003 columbia space shuttle disaster

228

00:09:53,430 --> 00:09:50,399

in the case of misinformation spreading

229

00:09:56,150 --> 00:09:53,440

in september 2022

230

00:09:57,990 --> 00:09:56,160

not only did some claim he predicted

231

00:09:58,790 --> 00:09:58,000

with accuracy the year elizabeth would

232

00:10:01,190 --> 00:09:58,800

die

233

00:10:03,509 --> 00:10:01,200

but also he foresaw the crowning of

234

00:10:04,870 --> 00:10:03,519

prince harry as king neither is true as

235

00:10:06,790 --> 00:10:04,880

we'll explain

236

00:10:09,110 --> 00:10:06,800

a shocking new interpretation of the

237

00:10:12,310 --> 00:10:09,120

prophecies of nostradamus says that king

238

00:10:14,630 --> 00:10:12,320

charles reign could be very short

239

00:10:17,110 --> 00:10:14,640

bombshell suggestion prince harry could

240

00:10:19,829 --> 00:10:17,120

take the throne reported the uk tabloid

241

00:10:23,350 --> 00:10:19,839

the daily star meanwhile many shared on

242

00:10:26,310 --> 00:10:23,360

social media a screenshot from a book

243

00:10:28,150 --> 00:10:26,320

from 2005 nostradamus the complete

244

00:10:30,310 --> 00:10:28,160

prophecies of the future by british

245

00:10:33,430 --> 00:10:30,320

author mario reading

246

00:10:35,990 --> 00:10:33,440

and the page of the uh the book says

247

00:10:39,269 --> 00:10:36,000

prediction this quad train will come as

248

00:10:42,630 --> 00:10:39,279

no surprise to the british people as it

249

00:10:45,269 --> 00:10:42,640

has wide implications the first is that

250

00:10:47,590 --> 00:10:45,279

queen elizabeth will die circa 2022 at

251  
00:10:50,069 --> 00:10:47,600  
the age of around 96

252  
00:10:52,310 --> 00:10:50,079  
five years short of her mother's term of

253  
00:10:53,509 --> 00:10:52,320  
life prince charles will be crowned in

254  
00:10:55,990 --> 00:10:53,519  
her stead

255  
00:10:58,230 --> 00:10:56,000  
and become king of the islands the

256  
00:11:01,670 --> 00:10:58,240  
implication here being he is no longer

257  
00:11:04,230 --> 00:11:01,680  
king of the other regions of the world

258  
00:11:06,389 --> 00:11:04,240  
over which his mother reigned canada

259  
00:11:08,550 --> 00:11:06,399  
australia new zealand etc

260  
00:11:11,269 --> 00:11:08,560  
which will have in the interim become

261  
00:11:12,829 --> 00:11:11,279  
republics prince charles will be 74

262  
00:11:16,150 --> 00:11:12,839  
years old in

263  
00:11:18,069 --> 00:11:16,160

2022 when he takes over the throne but

264

00:11:19,990 --> 00:11:18,079

the resentments held against him by

265

00:11:21,670 --> 00:11:20,000

certain proportion of the british

266

00:11:24,949 --> 00:11:21,680

population following his divorce from

267

00:11:27,269 --> 00:11:24,959

diana princess of wales still persists

268

00:11:29,829 --> 00:11:27,279

the pressure on him is so great

269

00:11:32,310 --> 00:11:29,839

and his age is so much against him that

270

00:11:33,509 --> 00:11:32,320

charles agrees to abdicate in favor of

271

00:11:35,590 --> 00:11:33,519

his son

272

00:11:38,069 --> 00:11:35,600

the question is which son

273

00:11:40,949 --> 00:11:38,079

four in the last line nostradamus makes

274

00:11:43,269 --> 00:11:40,959

it clear that quote a man will replace

275

00:11:46,710 --> 00:11:43,279

him who never expected to be king end

276

00:11:48,949 --> 00:11:46,720

quote does this mean that prince william

277

00:11:51,990 --> 00:11:48,959

who would have expected to succeed his

278

00:11:54,470 --> 00:11:52,000

father is no longer in the picture

279

00:11:57,750 --> 00:11:54,480

and that prince harry by process of

280

00:12:00,389 --> 00:11:57,760

default becomes king in his stead

281

00:12:01,190 --> 00:12:00,399

that would make him king henry ix age

282

00:12:02,389 --> 00:12:01,200

just

283

00:12:04,550 --> 00:12:02,399

38.

284

00:12:06,550 --> 00:12:04,560

we point to the words new interpretation

285

00:12:07,269 --> 00:12:06,560

in the daily stars article because it's

286

00:12:12,629 --> 00:12:07,279

the

287

00:12:15,670 --> 00:12:12,639

is simply reading's interpretation of

288

00:12:18,230 --> 00:12:15,680

material written by nostradamus as seen

289

00:12:20,870 --> 00:12:18,240

in the screenshot from the book above

290

00:12:22,829 --> 00:12:20,880

nostradamus made no predictions specific

291

00:12:25,829 --> 00:12:22,839

to british royalty in

292

00:12:28,550 --> 00:12:25,839

2022 it goes on later in the article to

293

00:12:31,190 --> 00:12:28,560

say reading claim nostradamus quote

294

00:12:33,110 --> 00:12:31,200

makes it very clear in quote that the

295

00:12:35,509 --> 00:12:33,120

man to replace charles will be an

296

00:12:37,350 --> 00:12:35,519

unexpected one reading guesses that

297

00:12:39,670 --> 00:12:37,360

william won't take the throne for

298

00:12:41,509 --> 00:12:39,680

whatever reason and that the next in

299

00:12:44,150 --> 00:12:41,519

line would be harry

300

00:12:45,910 --> 00:12:44,160

this was all speculation however reading

301

00:12:48,550 --> 00:12:45,920

included the writing of nostradamus

302

00:12:51,350 --> 00:12:48,560

called a train at the top of his chapter

303

00:12:53,509 --> 00:12:51,360

but nostradamus writing is vague and

304

00:12:56,230 --> 00:12:53,519

makes no mention of a specific country

305

00:12:57,990 --> 00:12:56,240

or ruler now i won't

306

00:12:59,670 --> 00:12:58,000

read the french because i

307

00:13:01,750 --> 00:12:59,680

not very good at french but the english

308

00:13:04,949 --> 00:13:01,760

translation says

309

00:13:08,230 --> 00:13:04,959

because they disapprove of his divorce a

310

00:13:10,470 --> 00:13:08,240

man who later they consider unworthy the

311

00:13:13,350 --> 00:13:10,480

people will force out the king of the

312

00:13:15,509 --> 00:13:13,360

islands a man will replace him who never

313

00:13:17,110 --> 00:13:15,519

expected to be king

314

00:13:19,590 --> 00:13:17,120

because the actual writing of

315

00:13:21,829 --> 00:13:19,600

nostradamus is vague we cannot say that

316

00:13:23,829 --> 00:13:21,839

nostradamus predicted the circumstances

317

00:13:26,069 --> 00:13:23,839

around elizabeth's death

318

00:13:29,350 --> 00:13:26,079

and we can hardly say he foresaw events

319

00:13:32,230 --> 00:13:29,360

that haven't yet happened or may well

320

00:13:34,310 --> 00:13:32,240

never happen at the very best we can say

321

00:13:36,389 --> 00:13:34,320

that british author mario reading

322

00:13:38,389 --> 00:13:36,399

accurately guessed the year that queen

323

00:13:40,629 --> 00:13:38,399

elizabeth would die

324

00:13:42,629 --> 00:13:40,639

a note of context europe's kings and

325

00:13:45,670 --> 00:13:42,639

queens during the life of nostradamus

326

00:13:48,550 --> 00:13:45,680

were contextually very different than

327

00:13:50,629 --> 00:13:48,560

the uk's modern royals if king charles

328

00:13:53,670 --> 00:13:50,639

iii abdicates

329

00:13:56,870 --> 00:13:53,680

it wouldn't exactly spark a bloody power

330

00:13:58,870 --> 00:13:56,880

grab as illustrated by the gory hbo

331

00:14:01,509 --> 00:13:58,880

series game of thrones

332

00:14:02,710 --> 00:14:01,519

which is loosely based on medieval power

333

00:14:05,110 --> 00:14:02,720

struggles

334

00:14:07,670 --> 00:14:05,120

modern-day royalty in the uk is more of

335

00:14:08,949 --> 00:14:07,680

a formality than an actual seat of power

336

00:14:09,750 --> 00:14:08,959

it would be

337

00:14:12,150 --> 00:14:09,760

an

338

00:14:14,069 --> 00:14:12,160

intrigue no doubt but would probably

339

00:14:16,470 --> 00:14:14,079

have little consequence in the daily

340

00:14:20,230 --> 00:14:16,480

lives of uk citizens

341

00:14:22,069 --> 00:14:20,240

and as far as i can tell looking around

342

00:14:25,430 --> 00:14:22,079

it is

343

00:14:27,829 --> 00:14:25,440

a lucky guess by this author predicting

344

00:14:29,509 --> 00:14:27,839

the year the queen would die however as

345

00:14:31,430 --> 00:14:29,519

we mentioned a couple of weeks ago on

346

00:14:32,550 --> 00:14:31,440

the skeptics and podcast or even was it

347

00:14:35,829 --> 00:14:32,560

last week

348

00:14:38,150 --> 00:14:35,839

when we read out the uh predictions

349

00:14:41,030 --> 00:14:38,160

concerning queen elizabeth ii

350

00:14:43,189 --> 00:14:41,040

over a 20-year period here in australia

351  
00:14:45,430 --> 00:14:43,199  
people predicted that queen would either

352  
00:14:46,550 --> 00:14:45,440  
die or abdicate in about seven different

353  
00:14:48,790 --> 00:14:46,560  
years

354  
00:14:50,629 --> 00:14:48,800  
including 2025.

355  
00:14:52,790 --> 00:14:50,639  
indeed just to recap

356  
00:14:54,550 --> 00:14:52,800  
what i wrote in a little paragraph which

357  
00:14:56,389 --> 00:14:54,560  
is actually in the latest issue of the

358  
00:14:58,389 --> 00:14:56,399  
skeptical magazine as well queen elizabeth

359  
00:14:59,910 --> 00:14:58,399  
was a favorite of the psychics in the

360  
00:15:02,949 --> 00:14:59,920  
database the great australian psychic

361  
00:15:05,110 --> 00:15:02,959  
prediction project with a total of 26

362  
00:15:08,230 --> 00:15:05,120  
predictions concerning the late monarch

363  
00:15:10,230 --> 00:15:08,240

however of the 26 predictions made we

364

00:15:12,949 --> 00:15:10,240

marked none as being correct outright 22

365

00:15:15,269 --> 00:15:12,959

were wrong three were expected events

366

00:15:17,350 --> 00:15:15,279

and one was too vague according to the

367

00:15:19,990 --> 00:15:17,360

seers astrologers and diviners of the

368

00:15:22,710 --> 00:15:20,000

future the queen was either to die or

369

00:15:30,069 --> 00:15:22,720

abdicate in 2004

370

00:15:33,189 --> 00:15:30,079

2010 2012 2013 2014 2018 2019 2020

371

00:15:35,430 --> 00:15:33,199

and 2025.

372

00:15:37,990 --> 00:15:35,440

towards the end of his book the mask of

373

00:15:40,629 --> 00:15:38,000

nostradamus randy writes

374

00:15:43,430 --> 00:15:40,639

there will always be those who will

375

00:15:45,990 --> 00:15:43,440

point to some quatrain i have not

376

00:15:47,990 --> 00:15:46,000

treated in this book and dear that the

377

00:15:49,030 --> 00:15:48,000

prophetic powers of nostradamus are

378

00:15:50,870 --> 00:15:49,040

proven

379

00:15:53,350 --> 00:15:50,880

in that instance

380

00:15:55,509 --> 00:15:53,360

let them consult the same sources i have

381

00:15:58,230 --> 00:15:55,519

and come to their own conclusions which

382

00:15:59,430 --> 00:15:58,240

will probably not change in any case an

383

00:16:00,910 --> 00:15:59,440

historian

384

00:16:04,870 --> 00:16:00,920

of france in

385

00:16:07,670 --> 00:16:04,880

1682 provided an appropriate epitaph for

386

00:16:10,310 --> 00:16:07,680

our subject in his review

387

00:16:13,350 --> 00:16:10,320

of the year 1566

388

00:16:15,350 --> 00:16:13,360

this year they died that trifler so

389

00:16:18,230 --> 00:16:15,360

famous throughout the world michelle

390

00:16:20,150 --> 00:16:18,240

nostradamus who boasted while he lived

391

00:16:22,710 --> 00:16:20,160

that he knew he could

392

00:16:25,990 --> 00:16:22,720

foretell future events by the influence

393

00:16:29,110 --> 00:16:26,000

of the stars in whose name afterwards

394

00:16:31,670 --> 00:16:29,120

many ingenuous men have put forth their

395

00:16:37,910 --> 00:16:31,680

imaginings i cannot improve upon that

396

00:16:41,829 --> 00:16:39,430

so if you happen to come across on

397

00:16:43,749 --> 00:16:41,839

social media or elsewhere

398

00:16:46,230 --> 00:16:43,759

the current story that nostradamus

399

00:16:47,749 --> 00:16:46,240

predicted the death of the uh

400

00:16:49,590 --> 00:16:47,759

the queen

401  
00:16:51,269 --> 00:16:49,600  
point them to snopes

402  
00:16:52,710 --> 00:16:51,279  
and i encourage you

403  
00:16:55,430 --> 00:16:52,720  
to

404  
00:16:57,829 --> 00:16:55,440  
get yourself a copy of

405  
00:16:59,670 --> 00:16:57,839  
the mask of nostradamus by james randy

406  
00:17:02,389 --> 00:16:59,680  
if you're interested in

407  
00:17:07,250 --> 00:17:02,399  
nostradamus at all once again it's a

408  
00:17:07,260 --> 00:17:17,990  
[Music]

409  
00:17:21,590 --> 00:17:19,510  
hmm

410  
00:17:24,789 --> 00:17:21,600  
i sure do miss going to those skeptical

411  
00:17:26,710 --> 00:17:24,799  
meetings in pubs and cafes to hear talks

412  
00:17:30,150 --> 00:17:26,720  
and interact with my friends

413  
00:17:35,270 --> 00:17:32,789

[Music]

414

00:17:37,190 --> 00:17:35,280

i think i can help you with that

415

00:17:40,230 --> 00:17:37,200

who the hell are you

416

00:17:42,070 --> 00:17:40,240

i'm your skeptical fairy godmother angel

417

00:17:44,230 --> 00:17:42,080

from the internet

418

00:17:47,590 --> 00:17:44,240

you're my skeptical

419

00:17:48,789 --> 00:17:47,600

what relax richard i can make your wish

420

00:17:49,830 --> 00:17:48,799

come true

421

00:17:51,430 --> 00:17:49,840

what

422

00:17:53,669 --> 00:17:51,440

you mean

423

00:17:54,549 --> 00:17:53,679

free beer no

424

00:17:58,150 --> 00:17:54,559

no

425

00:18:02,070 --> 00:17:58,160

the other wish oh oh

426

00:18:05,430 --> 00:18:02,080

really yes i have news of skeptical

427

00:18:09,029 --> 00:18:05,440

meetings and talks online oh

428

00:18:11,750 --> 00:18:09,039

oh oh yes of course yes skeptics cafe

429

00:18:14,549 --> 00:18:11,760

online by the vic skeptics brings you

430

00:18:15,590 --> 00:18:14,559

live and interactive skeptical talks via

431

00:18:18,549 --> 00:18:15,600

zoo

432

00:18:20,710 --> 00:18:18,559

anyone anywhere in the world is welcome

433

00:18:23,510 --> 00:18:20,720

to join in on the third monday of the

434

00:18:25,750 --> 00:18:23,520

month just check out the skeptics cafe

435

00:18:29,590 --> 00:18:25,760

page on facebook to see when the next

436

00:18:31,029 --> 00:18:29,600

talk is and who will be presenting

437

00:18:33,270 --> 00:18:31,039

alternatively

438

00:18:36,390 --> 00:18:33,280

see the vic skeptics website at

439

00:18:43,110 --> 00:18:38,710

for details that sounds great a

440

00:18:44,789 --> 00:18:43,120

skeptical um god fairy uh angel mother

441

00:18:47,830 --> 00:18:44,799

person and

442

00:18:50,470 --> 00:18:47,840

there are similar skeptical online talks

443

00:18:52,150 --> 00:18:50,480

happening around the country and all

444

00:18:55,110 --> 00:18:52,160

over the world

445

00:18:58,230 --> 00:18:55,120

all you need to do is search for them

446

00:18:59,750 --> 00:18:58,240

wow now just one more question

447

00:19:02,230 --> 00:18:59,760

yes

448

00:19:03,669 --> 00:19:02,240

what about the beer

449

00:19:05,190 --> 00:19:03,679

okay

450

00:19:07,590 --> 00:19:05,200

all right

451  
00:19:09,909 --> 00:19:07,600  
well just for you

452  
00:19:13,830 --> 00:19:09,919  
i'll make it so you can go to the

453  
00:19:15,669 --> 00:19:13,840  
supermarket buy whatever beer you like

454  
00:19:17,510 --> 00:19:15,679  
and drink it while watching the talk

455  
00:19:20,070 --> 00:19:17,520  
online at home

456  
00:19:23,110 --> 00:19:20,080  
and they say miracles never happen

457  
00:19:24,870 --> 00:19:23,120  
and to think i gave up being the tooth

458  
00:19:26,789 --> 00:19:24,880  
fairy for this

459  
00:19:30,610 --> 00:19:26,799  
what nothing

460  
00:19:30,620 --> 00:19:41,270  
[Music]

461  
00:19:44,710 --> 00:19:43,510  
last week on the skeptics and podcast we

462  
00:19:46,470 --> 00:19:44,720  
brought you a list of psychic

463  
00:19:49,350 --> 00:19:46,480

predictions made

464

00:19:50,789 --> 00:19:49,360  
from the years 2000 to the year 2020

465

00:19:53,270 --> 00:19:50,799  
found in the database of the great

466

00:19:55,270 --> 00:19:53,280  
australian psychic prediction project

467

00:19:56,549 --> 00:19:55,280  
and these projects

468

00:20:00,310 --> 00:19:56,559  
involved

469

00:20:03,750 --> 00:20:00,320  
or concerned the late queen elizabeth ii

470

00:20:05,430 --> 00:20:03,760  
we discovered of the predictions made

471

00:20:07,720 --> 00:20:05,440  
we marked none

472

00:20:10,950 --> 00:20:07,730  
as being correct outright

473

00:20:12,710 --> 00:20:10,960  
[Music]

474

00:20:14,150 --> 00:20:12,720  
this week i thought we'd scan the

475

00:20:16,470 --> 00:20:14,160  
database again

476

00:20:18,870 --> 00:20:16,480

interrogate i think is the right word

477

00:20:19,750 --> 00:20:18,880

and look at predictions concerning the

478

00:20:21,669 --> 00:20:19,760

then

479

00:20:23,270 --> 00:20:21,679

prince charles

480

00:20:24,950 --> 00:20:23,280

since the events of last week i've been

481

00:20:27,510 --> 00:20:24,960

tweaking the database bringing it up to

482

00:20:30,950 --> 00:20:27,520

date because now we know certain things

483

00:20:32,470 --> 00:20:30,960

we certainly didn't know a few weeks ago

484

00:20:34,470 --> 00:20:32,480

and during this exercise i'll be

485

00:20:36,149 --> 00:20:34,480

referring to king charles as prince

486

00:20:38,549 --> 00:20:36,159

charles because

487

00:20:39,430 --> 00:20:38,559

all the psychic predictions are spoken

488

00:20:41,590 --> 00:20:39,440

of

489

00:20:42,710 --> 00:20:41,600

him as prince charles which he was at

490

00:20:45,350 --> 00:20:42,720

the time

491

00:20:48,950 --> 00:20:45,360

we discover we have 24 predictions made

492

00:20:50,390 --> 00:20:48,960

about prince charles we've marked 17 as

493

00:20:53,750 --> 00:20:50,400

wrong

494

00:20:55,990 --> 00:20:53,760

only two correct which we'll get to

495

00:20:58,870 --> 00:20:56,000

we've got two predictions marked two

496

00:21:01,190 --> 00:20:58,880

vague two are unknown couldn't get to

497

00:21:04,470 --> 00:21:01,200

the bottom of them and one prediction is

498

00:21:07,029 --> 00:21:04,480

marked as expected

499

00:21:08,710 --> 00:21:07,039

so roughly in percentage terms

500

00:21:10,149 --> 00:21:08,720

we've got uh

501  
00:21:12,470 --> 00:21:10,159  
something in the order of seventy

502  
00:21:14,870 --> 00:21:12,480  
percent of the predictions are wrong

503  
00:21:17,990 --> 00:21:14,880  
with only about eight percent being

504  
00:21:20,710 --> 00:21:18,000  
correct which more or less falls in line

505  
00:21:24,650 --> 00:21:20,720  
with the overall

506  
00:21:24,660 --> 00:21:27,830  
[Music]

507  
00:21:33,200 --> 00:21:30,630  
but let's take a look at some of these

508  
00:21:34,630 --> 00:21:33,210  
predictions made about prince charles

509  
00:21:35,909 --> 00:21:34,640  
[Music]

510  
00:21:37,110 --> 00:21:35,919  
and we'll start way back in the year

511  
00:21:40,710 --> 00:21:37,120  
2000

512  
00:21:43,029 --> 00:21:40,720  
well actually it's 1999 in the pages the

513  
00:21:46,310 --> 00:21:43,039

women's day magazine athena star woman

514

00:21:48,310 --> 00:21:46,320

predicting for the year 2000 and 2001

515

00:21:51,510 --> 00:21:48,320

charles and camilla parker bowles to

516

00:21:55,270 --> 00:21:51,520

marry in 2000 or 2001 well of course

517

00:21:58,149 --> 00:21:55,280

they did marry but it wasn't until 2005.

518

00:21:59,990 --> 00:21:58,159

the next year and anne also writing in

519

00:22:02,390 --> 00:22:00,000

women's day magazine

520

00:22:04,549 --> 00:22:02,400

predicts i don't feel prince charles and

521

00:22:07,029 --> 00:22:04,559

camilla parker-bowles can afford to take

522

00:22:08,950 --> 00:22:07,039

that final step into marriage

523

00:22:10,630 --> 00:22:08,960

unless the monarchy

524

00:22:13,110 --> 00:22:10,640

is no longer in place

525

00:22:15,029 --> 00:22:13,120

the queen fears such a union will

526

00:22:17,190 --> 00:22:15,039

destroy the crown

527

00:22:19,110 --> 00:22:17,200

camilla loves charles enough to wait an

528

00:22:20,149 --> 00:22:19,120

eternity for him

529

00:22:22,710 --> 00:22:20,159

and

530

00:22:26,870 --> 00:22:22,720

probably already has

531

00:22:30,230 --> 00:22:26,880

of course self evidently those

532

00:22:32,390 --> 00:22:30,240

predictions amounted to nothing

533

00:22:34,789 --> 00:22:32,400

in the next year and and also writing in

534

00:22:36,470 --> 00:22:34,799

women's day predicted prince charles

535

00:22:38,710 --> 00:22:36,480

will have another riding accident

536

00:22:41,110 --> 00:22:38,720

falling from a horse you'll be advised

537

00:22:42,149 --> 00:22:41,120

to quit or risk permanent back or neck

538

00:22:44,630 --> 00:22:42,159

damage

539

00:22:47,430 --> 00:22:44,640

and we could find no such accident

540

00:22:49,909 --> 00:22:47,440

happening to prince charles in the year

541

00:22:55,270 --> 00:22:49,919

2002

542

00:22:57,669 --> 00:22:55,280

writing about prince charles and this is

543

00:22:59,830 --> 00:22:57,679

one of the only correct predictions

544

00:23:01,190 --> 00:22:59,840

prince charles to marry camilla

545

00:23:02,230 --> 00:23:01,200

parker-bowles

546

00:23:03,830 --> 00:23:02,240

that's it

547

00:23:08,870 --> 00:23:03,840

no

548

00:23:10,470 --> 00:23:08,880

and we might say well

549

00:23:12,630 --> 00:23:10,480

that was the general feeling of the time

550

00:23:13,750 --> 00:23:12,640

it's hardly a surprise we could almost

551  
00:23:16,149 --> 00:23:13,760  
get away

552  
00:23:17,830 --> 00:23:16,159  
by marking that as expected but we

553  
00:23:20,870 --> 00:23:17,840  
decided to say well it's a correct

554  
00:23:23,750 --> 00:23:20,880  
prediction so it was marked as correct

555  
00:23:26,470 --> 00:23:23,760  
and carrie colkins the next year also

556  
00:23:28,230 --> 00:23:26,480  
predicted a right royal scandal will

557  
00:23:31,190 --> 00:23:28,240  
emerge concerning successor to the

558  
00:23:33,909 --> 00:23:31,200  
english throne now this is a bit vague

559  
00:23:37,350 --> 00:23:33,919  
however we did find some

560  
00:23:40,470 --> 00:23:37,360  
uh issues in the year 2003 we've got aid

561  
00:23:41,909 --> 00:23:40,480  
of prince charles so one of his aides

562  
00:23:43,909 --> 00:23:41,919  
was involved in the scandal which i

563  
00:23:45,029 --> 00:23:43,919

don't recall off the top of my head that

564

00:23:46,870 --> 00:23:45,039

what that was

565

00:23:49,590 --> 00:23:46,880

and also we've got listed here in the

566

00:23:51,830 --> 00:23:49,600

notes gifts for cash

567

00:23:54,310 --> 00:23:51,840

so we decided that there was

568

00:23:56,230 --> 00:23:54,320

something going on in 2003 so we marked

569

00:23:58,390 --> 00:23:56,240

that prediction as correct

570

00:24:01,270 --> 00:23:58,400

although once again you could argue it's

571

00:24:03,669 --> 00:24:01,280

it's a bit vague a right royal scandal

572

00:24:05,270 --> 00:24:03,679

will emerge with with no details but

573

00:24:07,909 --> 00:24:05,280

nevertheless

574

00:24:11,990 --> 00:24:07,919

in 2004 princess

575

00:24:13,669 --> 00:24:12,000

leia or liara in woman's day wrote

576

00:24:16,950 --> 00:24:13,679

prince charles future as king is not

577

00:24:18,470 --> 00:24:16,960

bright fresh anti-royal feelings flare

578

00:24:21,430 --> 00:24:18,480

and the future of the monarchy is

579

00:24:23,110 --> 00:24:21,440

assessed i see his year being marked by

580

00:24:25,269 --> 00:24:23,120

despair and depression

581

00:24:26,950 --> 00:24:25,279

he may even come to accept that he will

582

00:24:28,950 --> 00:24:26,960

never be king

583

00:24:30,070 --> 00:24:28,960

and we've simply marked that

584

00:24:32,390 --> 00:24:30,080

as

585

00:24:35,110 --> 00:24:32,400

being wrong we could see no reports

586

00:24:37,750 --> 00:24:35,120

relating to that at the time

587

00:24:39,990 --> 00:24:37,760

and she also predicted

588

00:24:42,310 --> 00:24:40,000

there is nothing to suggest charles and

589

00:24:43,190 --> 00:24:42,320

camilla will marry

590

00:24:45,269 --> 00:24:43,200

so

591

00:24:47,269 --> 00:24:45,279

it makes another point about the psychic

592

00:24:48,630 --> 00:24:47,279

predictions in general you've got some

593

00:24:54,070 --> 00:24:48,640

people predicting

594

00:24:55,990 --> 00:24:54,080

in a toss of the coin situation well one

595

00:24:57,669 --> 00:24:56,000

of these things is going to

596

00:24:59,269 --> 00:24:57,679

uh occur

597

00:25:01,029 --> 00:24:59,279

and then when it occurs the people who

598

00:25:03,510 --> 00:25:01,039

said it will occur can say look it's a

599

00:25:05,430 --> 00:25:03,520

psychic prediction i was right

600

00:25:07,669 --> 00:25:05,440

or if something doesn't occur

601  
00:25:10,950 --> 00:25:07,679  
people who said that can say look it's a

602  
00:25:12,549 --> 00:25:10,960  
psychic prediction i was right in 2005

603  
00:25:15,750 --> 00:25:12,559  
cathy o'brien

604  
00:25:17,750 --> 00:25:15,760  
wrote in the centralian advocate

605  
00:25:20,390 --> 00:25:17,760  
prince charles will be confronted by a

606  
00:25:21,590 --> 00:25:20,400  
protester when he visits alice springs

607  
00:25:24,390 --> 00:25:21,600  
in march

608  
00:25:27,590 --> 00:25:24,400  
and we scoured newspaper reports

609  
00:25:29,590 --> 00:25:27,600  
and we couldn't find any

610  
00:25:32,789 --> 00:25:29,600  
time the prince was confronted by a

611  
00:25:33,590 --> 00:25:32,799  
protester although it must be said

612  
00:25:39,350 --> 00:25:33,600  
that

613  
00:25:41,430 --> 00:25:39,360

even at the time and probably even now

614

00:25:43,750 --> 00:25:41,440

especially now if the

615

00:25:45,669 --> 00:25:43,760

the now king does

616

00:25:47,830 --> 00:25:45,679

uh tour every now and then he'll be

617

00:25:50,710 --> 00:25:47,840

confronted by protesters that's

618

00:25:54,070 --> 00:25:50,720

something we can just expect to see

619

00:25:56,549 --> 00:25:54,080

in 2006 abby rose riding in the

620

00:25:58,390 --> 00:25:56,559

sunday herald victoria

621

00:26:00,149 --> 00:25:58,400

in victoria wrote

622

00:26:02,710 --> 00:26:00,159

charles will be dogged with rumors about

623

00:26:05,029 --> 00:26:02,720

him being gay which is why he married

624

00:26:06,230 --> 00:26:05,039

camilla and we've written no credible

625

00:26:08,870 --> 00:26:06,240

reports

626  
00:26:11,990 --> 00:26:08,880  
on this situation could be found

627  
00:26:14,070 --> 00:26:12,000  
in 2013 mitchell combs

628  
00:26:16,630 --> 00:26:14,080  
commenting on the morning

629  
00:26:19,190 --> 00:26:16,640  
show a television show

630  
00:26:21,190 --> 00:26:19,200  
said prince charles would be bypassed

631  
00:26:23,830 --> 00:26:21,200  
and william becomes king

632  
00:26:25,350 --> 00:26:23,840  
if it came to that decision

633  
00:26:27,110 --> 00:26:25,360  
and of course

634  
00:26:29,830 --> 00:26:27,120  
it didn't happen and it makes no sense

635  
00:26:31,269 --> 00:26:29,840  
anyway that doesn't uh it doesn't work

636  
00:26:34,470 --> 00:26:31,279  
that way

637  
00:26:36,870 --> 00:26:34,480  
in 2018 georgina walker writing in the

638  
00:26:39,110 --> 00:26:36,880

new idea magazine wrote charles and

639

00:26:40,149 --> 00:26:39,120

camilla a crown will be placed on

640

00:26:42,549 --> 00:26:40,159

charles

641

00:26:44,789 --> 00:26:42,559

camilla will be seen wearing a tiara

642

00:26:47,750 --> 00:26:44,799

with pink tonings

643

00:26:49,110 --> 00:26:47,760

i see the number 99

644

00:26:52,390 --> 00:26:49,120

flash up

645

00:26:56,070 --> 00:26:52,400

this could be days weeks or september 9

646

00:26:58,630 --> 00:26:56,080

or similar i hear she the queen

647

00:27:00,870 --> 00:26:58,640

has stepped down i sense the queen has

648

00:27:03,269 --> 00:27:00,880

always thought charles was risky

649

00:27:04,549 --> 00:27:03,279

business and held back this opportunity

650

00:27:07,110 --> 00:27:04,559

to govern

651  
00:27:09,029 --> 00:27:07,120  
he will not be popular with many in

652  
00:27:11,510 --> 00:27:09,039  
government due to his views around

653  
00:27:14,230 --> 00:27:11,520  
environmental issues he will gain a

654  
00:27:17,269 --> 00:27:14,240  
reputation as the king that rocked the

655  
00:27:18,310 --> 00:27:17,279  
foundations of political circles

656  
00:27:20,630 --> 00:27:18,320  
well

657  
00:27:23,350 --> 00:27:20,640  
nothing like that occurred

658  
00:27:25,830 --> 00:27:23,360  
in 2018

659  
00:27:27,669 --> 00:27:25,840  
so we've had to mark that as wrong and

660  
00:27:30,789 --> 00:27:27,679  
people might say well

661  
00:27:31,990 --> 00:27:30,799  
the date of september the 9th is

662  
00:27:35,190 --> 00:27:32,000  
mentioned

663  
00:27:37,110 --> 00:27:35,200

but the prediction is clear that uh

664

00:27:38,630 --> 00:27:37,120

georgina walker is talking about

665

00:27:39,669 --> 00:27:38,640

abdication

666

00:27:42,390 --> 00:27:39,679

and

667

00:27:44,870 --> 00:27:42,400

as it happened the queen uh died on

668

00:27:46,149 --> 00:27:44,880

september the 8th but again it doesn't

669

00:27:47,430 --> 00:27:46,159

talk about death it talks about

670

00:27:50,070 --> 00:27:47,440

abdication

671

00:27:51,830 --> 00:27:50,080

and the rest of the prediction about

672

00:27:53,830 --> 00:27:51,840

he will gain a reputation as the king

673

00:27:55,190 --> 00:27:53,840

that rocked the foundations of political

674

00:27:57,029 --> 00:27:55,200

circles

675

00:27:58,149 --> 00:27:57,039

is yet to be seen

676  
00:28:00,470 --> 00:27:58,159  
harry t

677  
00:28:02,870 --> 00:28:00,480  
on an appearance on the today television

678  
00:28:05,669 --> 00:28:02,880  
show in 2018

679  
00:28:08,070 --> 00:28:05,679  
prince charles not meant to be king

680  
00:28:10,310 --> 00:28:08,080  
crown will go to william charles will

681  
00:28:13,669 --> 00:28:10,320  
have a short reign

682  
00:28:16,149 --> 00:28:13,679  
which doesn't make too much sense

683  
00:28:18,230 --> 00:28:16,159  
and i guess the only way that would be

684  
00:28:20,549 --> 00:28:18,240  
correct is if

685  
00:28:22,149 --> 00:28:20,559  
charles does not have a long reign which

686  
00:28:24,630 --> 00:28:22,159  
is yet to be seen

687  
00:28:26,710 --> 00:28:24,640  
but the line here crown will go to

688  
00:28:29,269 --> 00:28:26,720

william well in due course that is

689

00:28:32,310 --> 00:28:29,279

entirely expected to happen

690

00:28:35,750 --> 00:28:32,320

julie mckenzie uh commenting on her own

691

00:28:38,630 --> 00:28:35,760

youtube channel in 2019

692

00:28:40,710 --> 00:28:38,640

prince charles short reign in 2019 or

693

00:28:41,750 --> 00:28:40,720

mid 2020

694

00:28:43,350 --> 00:28:41,760

well

695

00:28:45,830 --> 00:28:43,360

that didn't happen

696

00:28:47,190 --> 00:28:45,840

in 2020 georgina walker writing a new

697

00:28:49,190 --> 00:28:47,200

idea magazine

698

00:28:51,510 --> 00:28:49,200

the monarchy has been significantly

699

00:28:53,669 --> 00:28:51,520

reshaped prince charles time to be king

700

00:28:55,430 --> 00:28:53,679

will be brought forward

701  
00:28:58,070 --> 00:28:55,440  
which

702  
00:29:00,549 --> 00:28:58,080  
i i can't quite make sense of that but

703  
00:29:01,669 --> 00:29:00,559  
in 2020 the queen did not die or

704  
00:29:03,669 --> 00:29:01,679  
abdicate

705  
00:29:06,470 --> 00:29:03,679  
and finally we have julie mckenzie again

706  
00:29:08,870 --> 00:29:06,480  
on her youtube channel in 2020 his royal

707  
00:29:12,470 --> 00:29:08,880  
highness prince charles will be revealed

708  
00:29:15,350 --> 00:29:12,480  
he knew more about epstein's scandals

709  
00:29:17,570 --> 00:29:15,360  
and we could find no reports indicating

710  
00:29:21,110 --> 00:29:17,580  
that

711  
00:29:23,110 --> 00:29:21,120  
[Music]

712  
00:29:24,789 --> 00:29:23,120  
so there we are and that was just some

713  
00:29:25,750 --> 00:29:24,799

of the predictions made about prince

714

00:29:27,990 --> 00:29:25,760

charles

715

00:29:30,870 --> 00:29:28,000

in the archive of the great australian

716

00:29:32,630 --> 00:29:30,880

psychic prediction project

717

00:29:34,950 --> 00:29:32,640

and dare i say i think a lot of them are

718

00:29:36,870 --> 00:29:34,960

predictable simply talking about the

719

00:29:39,190 --> 00:29:36,880

succession and

720

00:29:42,149 --> 00:29:39,200

the marriage of prince charles to

721

00:29:44,549 --> 00:29:42,159

camilla parker bowles which was

722

00:29:51,350 --> 00:29:44,559

i guess we could say on the cards

723

00:29:55,430 --> 00:29:53,510

what does the future hold for king

724

00:29:57,029 --> 00:29:55,440

charles iii

725

00:29:59,510 --> 00:29:57,039

well

726

00:30:02,480 --> 00:29:59,520

i guess we'll all have to wait

727

00:30:10,990 --> 00:30:02,490

and find out

728

00:30:11,000 --> 00:30:22,950

[Music]

729

00:30:28,149 --> 00:30:25,350

dr harriet hall md

730

00:30:30,630 --> 00:30:28,159

known to thousands as the skeptoc a

731

00:30:32,389 --> 00:30:30,640

retired family physician and former air

732

00:30:34,710 --> 00:30:32,399

force flight surgeon

733

00:30:37,190 --> 00:30:34,720

she writes about medicine so-called

734

00:30:40,870 --> 00:30:37,200

complementary and alternative medicine

735

00:30:43,350 --> 00:30:40,880

science quackery and critical thinking

736

00:30:45,909 --> 00:30:43,360

harriet now has a free course a series

737

00:30:48,789 --> 00:30:45,919

of 10 video lectures on science-based

738

00:30:50,789 --> 00:30:48,799

medicine and alternative medicine

739

00:30:53,029 --> 00:30:50,799

the videos and an accompanying course

740

00:30:54,029 --> 00:30:53,039

guide can be found by following the link

741

00:30:56,870 --> 00:30:54,039

at

742

00:30:59,830 --> 00:30:56,880

skipdoc.info or by visiting

743

00:31:04,470 --> 00:30:59,840

web.randy.org

744

00:31:06,789 --> 00:31:04,480

educational dash modules dot html

745

00:31:08,630 --> 00:31:06,799

topics covered in the series are

746

00:31:11,830 --> 00:31:08,640

science-based medicine versus

747

00:31:15,350 --> 00:31:11,840

evidence-based medicine what is cam

748

00:31:18,230 --> 00:31:15,360

chiropractic acupuncture homeopathy

749

00:31:20,870 --> 00:31:18,240

naturopathy and herbal medicine energy

750

00:31:23,830 --> 00:31:20,880

medicine miscellaneous alternatives

751  
00:31:27,430 --> 00:31:23,840  
pitfalls in research and science-based

752  
00:31:29,269 --> 00:31:27,440  
medicine in the media and politics

753  
00:31:31,750 --> 00:31:29,279  
harriet covers each topic in a

754  
00:31:35,350 --> 00:31:31,760  
matter-of-fact no-nonsense way that's

755  
00:31:38,610 --> 00:31:35,360  
sure to educate and entertain skeptdoc

756  
00:31:50,870 --> 00:31:38,620  
dot info

757  
00:31:55,830 --> 00:31:53,350  
the donor

758  
00:31:57,830 --> 00:31:55,840  
i've decided to be radical and join the

759  
00:31:59,909 --> 00:31:57,840  
growing donor list

760  
00:32:01,590 --> 00:31:59,919  
tick the box on my organ which states

761  
00:32:05,029 --> 00:32:01,600  
what won't be missed should the worst

762  
00:32:07,269 --> 00:32:05,039  
happen to me and i pass away my cares

763  
00:32:08,950 --> 00:32:07,279

i donate my driver's license to someone

764

00:32:11,269 --> 00:32:08,960

who's lost theirs

765

00:32:13,750 --> 00:32:11,279

maybe i could extend it to many other

766

00:32:17,190 --> 00:32:13,760

things which i own if something happens

767

00:32:19,350 --> 00:32:17,200

to me they can transplant my phone

768

00:32:21,669 --> 00:32:19,360

or even my old computer should i be

769

00:32:24,630 --> 00:32:21,679

slipped a mortal slap can be passed on

770

00:32:27,830 --> 00:32:24,640

to the family of some poor chipless chap

771

00:32:29,509 --> 00:32:27,840

if i should fall victim to some dark and

772

00:32:31,830 --> 00:32:29,519

malignant rumor

773

00:32:34,310 --> 00:32:31,840

then i bequeath my laughing bits and my

774

00:32:37,990 --> 00:32:34,320

sense of humor to anyone who can use

775

00:32:40,389 --> 00:32:38,000

them and set the lahar hafta free

776

00:32:43,840 --> 00:32:40,399

and for anyone who needs it

777

00:32:59,509 --> 00:32:43,850

i'll donate my instant rep rt

778

00:33:03,590 --> 00:33:01,750

it's time once again to go back to those

779

00:33:08,549 --> 00:33:03,600

archives at trove

780

00:33:10,549 --> 00:33:08,559

trove dot n l a dot g o v dot a u

781

00:33:12,230 --> 00:33:10,559

the online resource from the national

782

00:33:13,990 --> 00:33:12,240

library of australia

783

00:33:15,830 --> 00:33:14,000

supported no doubt by the australian

784

00:33:17,029 --> 00:33:15,840

government

785

00:33:20,310 --> 00:33:17,039

full

786

00:33:22,070 --> 00:33:20,320

to overflowing of digitized newspapers

787

00:33:25,350 --> 00:33:22,080

and so on

788

00:33:27,430 --> 00:33:25,360

what an important asset this is our

789

00:33:29,590 --> 00:33:27,440

history as told in the pages of

790

00:33:32,470 --> 00:33:29,600

publications going back

791

00:33:34,630 --> 00:33:32,480

to the 1800s

792

00:33:36,230 --> 00:33:34,640

and only uh the other week i was

793

00:33:38,230 --> 00:33:36,240

searching through some

794

00:33:41,269 --> 00:33:38,240

canadian newspapers and i found a

795

00:33:42,950 --> 00:33:41,279

reference from my father to my father

796

00:33:45,430 --> 00:33:42,960

who

797

00:33:47,970 --> 00:33:45,440

it is reported here on friday the 10th

798

00:33:49,350 --> 00:33:47,980

of january 1969

799

00:33:50,470 --> 00:33:49,360

[Music]

800

00:33:52,789 --> 00:33:50,480

in

801  
00:33:54,230 --> 00:33:52,799  
a manitoba newspaper

802  
00:33:56,870 --> 00:33:54,240  
and under the

803  
00:33:59,350 --> 00:33:56,880  
heading of falkland news

804  
00:34:02,870 --> 00:33:59,360  
it's reported a christmas concert on

805  
00:34:05,269 --> 00:34:02,880  
sunday evening december 22nd was held at

806  
00:34:07,750 --> 00:34:05,279  
grahamdale united church

807  
00:34:09,909 --> 00:34:07,760  
with a nice crowd in attendance

808  
00:34:12,869 --> 00:34:09,919  
reverend saunders showed a christmas

809  
00:34:15,909 --> 00:34:12,879  
film which was enjoyed by all and a

810  
00:34:18,149 --> 00:34:15,919  
tasty lunch was served

811  
00:34:20,389 --> 00:34:18,159  
what a find what a find it's a pity my

812  
00:34:22,069 --> 00:34:20,399  
parents aren't here anymore i'm sure

813  
00:34:24,069 --> 00:34:22,079

they would have got a laugh out of

814

00:34:25,270 --> 00:34:24,079

seeing that reference all those years

815

00:34:26,710 --> 00:34:25,280

ago

816

00:34:28,389 --> 00:34:26,720

but you never know what you're going to

817

00:34:30,470 --> 00:34:28,399

find when you search for

818

00:34:32,389 --> 00:34:30,480

references and things in the digital

819

00:34:35,430 --> 00:34:32,399

archives of newspapers from around the

820

00:34:37,510 --> 00:34:35,440

world but today we're back in australia

821

00:34:39,270 --> 00:34:37,520

and our search term is one we've had

822

00:34:41,750 --> 00:34:39,280

before about a year or so back on the

823

00:34:43,990 --> 00:34:41,760

skeptic zone but it's worth revisiting

824

00:34:45,750 --> 00:34:44,000

of course it's that old-fashioned term

825

00:34:47,669 --> 00:34:45,760

you don't hear much anymore it's sort of

826  
00:34:50,389 --> 00:34:47,679  
been consigned to

827  
00:34:52,230 --> 00:34:50,399  
the history book somewhat the term is

828  
00:34:53,270 --> 00:34:52,240  
esp

829  
00:34:56,230 --> 00:34:53,280  
extra

830  
00:35:02,780 --> 00:34:56,240  
sensory perception which is a very

831  
00:35:06,310 --> 00:35:03,990  
[Music]

832  
00:35:08,870 --> 00:35:06,320  
so we turn to the pages and it's only

833  
00:35:11,589 --> 00:35:08,880  
one reference this week we turn to the

834  
00:35:13,510 --> 00:35:11,599  
pages of the australian

835  
00:35:16,230 --> 00:35:13,520  
women's weekly

836  
00:35:19,510 --> 00:35:16,240  
dated july 23

837  
00:35:22,069 --> 00:35:19,520  
1980 and the story is called

838  
00:35:24,310 --> 00:35:22,079

what's happening in esp

839

00:35:25,670 --> 00:35:24,320

today

840

00:35:28,310 --> 00:35:25,680

it's um

841

00:35:30,150 --> 00:35:28,320

it's a little bit strange because

842

00:35:31,829 --> 00:35:30,160

it says what's happening in esp today

843

00:35:33,829 --> 00:35:31,839

question mark

844

00:35:35,990 --> 00:35:33,839

but it's um it's it's i guess it's a

845

00:35:37,589 --> 00:35:36,000

question but it's a statement as well it

846

00:35:40,470 --> 00:35:37,599

reads better as a statement what's

847

00:35:41,349 --> 00:35:40,480

happening in esp today statement instead

848

00:35:43,990 --> 00:35:41,359

of

849

00:35:45,510 --> 00:35:44,000

what's happening in esp today question

850

00:35:48,310 --> 00:35:45,520

mark hmm

851

00:35:50,069 --> 00:35:48,320

make of that what you will

852

00:35:52,150 --> 00:35:50,079

here's the story

853

00:35:55,030 --> 00:35:52,160

goes over three pages in this magazine

854

00:35:56,069 --> 00:35:55,040

or really two pages one page has sort of

855

00:35:58,710 --> 00:35:56,079

split up

856

00:36:01,430 --> 00:35:58,720

psychic research was long ago taken from

857

00:36:05,270 --> 00:36:01,440

the world of fiction and is the subject

858

00:36:07,750 --> 00:36:05,280

of a serious scientific investigation dr

859

00:36:09,270 --> 00:36:07,760

charles osborne a senior physics

860

00:36:12,390 --> 00:36:09,280

lecturer at corfield institute of

861

00:36:17,190 --> 00:36:12,400

technology has been delving into the

862

00:36:19,670 --> 00:36:17,200

phenomenon of esp since 1977.

863

00:36:20,550 --> 00:36:19,680

three years before this was written all

864

00:36:23,510 --> 00:36:20,560

right

865

00:36:25,270 --> 00:36:23,520

the world of the psychic researcher is

866

00:36:28,069 --> 00:36:25,280

very different from that depicted in the

867

00:36:31,589 --> 00:36:28,079

media it is not a world of things that

868

00:36:34,470 --> 00:36:31,599

go bump in the night or people with

869

00:36:36,870 --> 00:36:34,480

superhuman powers

870

00:36:38,630 --> 00:36:36,880

well let me stop right there and say

871

00:36:41,430 --> 00:36:38,640

that's exactly what they're trying to

872

00:36:44,870 --> 00:36:41,440

determine whether people have superhuman

873

00:36:46,230 --> 00:36:44,880

powers if somebody was psychic

874

00:36:48,550 --> 00:36:46,240

i guess you'd have to regard them as

875

00:36:49,990 --> 00:36:48,560

superhuman but if if they were truly

876

00:36:51,829 --> 00:36:50,000

psychic then that would simply be a

877

00:36:53,589 --> 00:36:51,839

natural ability then they wouldn't be

878

00:36:55,190 --> 00:36:53,599

superhuman

879

00:36:57,349 --> 00:36:55,200

i digress

880

00:37:01,670 --> 00:36:57,359

rather most of the research is as

881

00:37:03,990 --> 00:37:01,680

routine as in other areas of science so

882

00:37:06,150 --> 00:37:04,000

what is happening in esp

883

00:37:09,510 --> 00:37:06,160

ah now that makes more sense

884

00:37:13,109 --> 00:37:09,520

as a question telepathy

885

00:37:16,230 --> 00:37:13,119

this is the oldest experimental area of

886

00:37:18,630 --> 00:37:16,240

psychic research and gone are the days

887

00:37:21,589 --> 00:37:18,640

when subjects were expected to

888

00:37:22,870 --> 00:37:21,599

experiment with cards using various

889

00:37:24,630 --> 00:37:22,880

symbols

890

00:37:27,190 --> 00:37:24,640

the modern work in this field which

891

00:37:29,750 --> 00:37:27,200

started with gertrude schmeidler charles

892

00:37:32,550 --> 00:37:29,760

onerton rex stanford and others

893

00:37:34,349 --> 00:37:32,560

concentrates on what is called free

894

00:37:36,550 --> 00:37:34,359

response general

895

00:37:39,030 --> 00:37:36,560

extrasensory perception

896

00:37:40,870 --> 00:37:39,040

gesp experiments

897

00:37:43,349 --> 00:37:40,880

and covers the areas of telepathy

898

00:37:44,270 --> 00:37:43,359

clairvoyance precognition

899

00:37:45,910 --> 00:37:44,280

and

900

00:37:48,550 --> 00:37:45,920

retrocognition

901  
00:37:51,190 --> 00:37:48,560  
in these experiments the targets chosen

902  
00:37:53,589 --> 00:37:51,200  
for the subjects include music emotions

903  
00:37:55,430 --> 00:37:53,599  
drawing and sensations

904  
00:37:57,510 --> 00:37:55,440  
in the past three months i have been

905  
00:37:59,910 --> 00:37:57,520  
conducting an experiment involving the

906  
00:38:02,950 --> 00:37:59,920  
use of hypnosis to produce a heightening

907  
00:38:05,829 --> 00:38:02,960  
of telepathy one of the targets used was

908  
00:38:08,230 --> 00:38:05,839  
a drawing of a giant fly

909  
00:38:11,430 --> 00:38:08,240  
standing over a house the subject was

910  
00:38:13,510 --> 00:38:11,440  
required to try to send a mental picture

911  
00:38:15,589 --> 00:38:13,520  
of the drawing to another subject

912  
00:38:18,390 --> 00:38:15,599  
by means of telepathy

913  
00:38:19,910 --> 00:38:18,400

when the sender saw the drawing she gave

914

00:38:21,990 --> 00:38:19,920

a grimace

915

00:38:25,190 --> 00:38:22,000

and it was quite obvious that she

916

00:38:27,750 --> 00:38:25,200

disliked it and when the experiment was

917

00:38:31,109 --> 00:38:27,760

completed the person receiving the

918

00:38:34,470 --> 00:38:31,119

drawing said even though she did not get

919

00:38:38,230 --> 00:38:34,480

the target fully correct she knew that

920

00:38:39,589 --> 00:38:38,240

it was a distasteful object

921

00:38:41,910 --> 00:38:39,599

well there you go

922

00:38:44,470 --> 00:38:41,920

proof positive the major breakthroughs

923

00:38:47,109 --> 00:38:44,480

in the telepathy research have occurred

924

00:38:51,190 --> 00:38:47,119

in the use of what are called altered

925

00:38:53,589 --> 00:38:51,200

states of consciousness a s c

926

00:38:55,910 --> 00:38:53,599

it has been known for a long time that

927

00:38:58,230 --> 00:38:55,920

if you float in a warm bath put a

928

00:39:00,630 --> 00:38:58,240

flannel over your eyes and let your

929

00:39:03,109 --> 00:39:00,640

ears lie beneath the water level then

930

00:39:05,910 --> 00:39:03,119

after a short time you'll find that you

931

00:39:07,270 --> 00:39:05,920

start to daydream

932

00:39:09,430 --> 00:39:07,280

what a shock

933

00:39:12,069 --> 00:39:09,440

in modern experiments there are three

934

00:39:15,589 --> 00:39:12,079

methods of producing such states

935

00:39:17,430 --> 00:39:15,599

hypnosis drugs or gansfield the

936

00:39:18,950 --> 00:39:17,440

gansfield is a

937

00:39:20,950 --> 00:39:18,960

variant of the

938

00:39:23,510 --> 00:39:20,960

bathtub but this time the eyes are

939

00:39:26,310 --> 00:39:23,520

covered with ping-pong ball halves

940

00:39:28,950 --> 00:39:26,320

and the ears covered with earphones the

941

00:39:31,670 --> 00:39:28,960

subject is seated in a comfortable chair

942

00:39:35,030 --> 00:39:31,680

and a warm pink or white light shines on

943

00:39:38,150 --> 00:39:35,040

her face so that she loses the sense of

944

00:39:40,550 --> 00:39:38,160

sight temporarily and radio static

945

00:39:43,510 --> 00:39:40,560

comfortable level is played through the

946

00:39:45,589 --> 00:39:43,520

earphones the subject is then told

947

00:39:48,150 --> 00:39:45,599

through the earphones to talk about what

948

00:39:50,310 --> 00:39:48,160

she sees in the mind

949

00:39:52,310 --> 00:39:50,320

in one recent u.s experiment a female

950

00:39:54,790 --> 00:39:52,320

subject reported that she was floating

951  
00:39:57,510 --> 00:39:54,800  
over a landscape and she could see the

952  
00:39:59,750 --> 00:39:57,520  
name of a nightclub in manhattan

953  
00:40:03,030 --> 00:39:59,760  
then the scene changed to a nightclub

954  
00:40:05,589 --> 00:40:03,040  
marquis in las vegas the target was

955  
00:40:07,589 --> 00:40:05,599  
seven photographs of a building and

956  
00:40:11,030 --> 00:40:07,599  
nightclubs in las vegas

957  
00:40:12,390 --> 00:40:11,040  
my work shows similar visual imaging

958  
00:40:15,589 --> 00:40:12,400  
the important point about these

959  
00:40:18,550 --> 00:40:15,599  
experiments is that they can be done

960  
00:40:20,310 --> 00:40:18,560  
with any person subjects do not have to

961  
00:40:23,190 --> 00:40:20,320  
be specially gifted

962  
00:40:25,829 --> 00:40:23,200  
research into telepathy in adults shows

963  
00:40:28,550 --> 00:40:25,839

what we always knew

964

00:40:30,069 --> 00:40:28,560

that there is telepathy when emotion is

965

00:40:32,470 --> 00:40:30,079

involved

966

00:40:34,870 --> 00:40:32,480

work on espn children has produced some

967

00:40:37,910 --> 00:40:34,880

extremely interesting results it shows

968

00:40:40,150 --> 00:40:37,920

that telepathy is extremely strong in

969

00:40:42,390 --> 00:40:40,160

the very young especially if we use

970

00:40:45,270 --> 00:40:42,400

targets that are recognizable for

971

00:40:47,910 --> 00:40:45,280

example four-year-olds will do well when

972

00:40:49,750 --> 00:40:47,920

we use jelly beans or chocolates and

973

00:40:53,030 --> 00:40:49,760

nine-year-olds will do well on targets

974

00:40:56,950 --> 00:40:53,040

which they make up themselves boys do

975

00:40:59,670 --> 00:40:56,960

well if we use footballs spiders dogs

976  
00:41:00,710 --> 00:40:59,680  
guns and other objects associated with

977  
00:41:03,750 --> 00:41:00,720  
boys

978  
00:41:05,430 --> 00:41:03,760  
while girls like pictures of pop stars

979  
00:41:07,910 --> 00:41:05,440  
dresses horses

980  
00:41:10,150 --> 00:41:07,920  
and swap cards

981  
00:41:12,950 --> 00:41:10,160  
oh yes 1980

982  
00:41:15,510 --> 00:41:12,960  
results show that telepathy seems to be

983  
00:41:19,430 --> 00:41:15,520  
strongest between friends when they are

984  
00:41:20,950 --> 00:41:19,440  
nine years old and are inconsistent when

985  
00:41:22,790 --> 00:41:20,960  
they reach 10.

986  
00:41:25,109 --> 00:41:22,800  
if the children have strong beliefs in

987  
00:41:27,589 --> 00:41:25,119  
the possibility of telepathy then they

988  
00:41:28,870 --> 00:41:27,599

will succeed whereas if they are told it

989

00:41:31,670 --> 00:41:28,880

is impossible

990

00:41:33,829 --> 00:41:31,680

then it will not work

991

00:41:35,990 --> 00:41:33,839

oh i would have loved to have seen the

992

00:41:37,990 --> 00:41:36,000

protocols for those tests

993

00:41:39,910 --> 00:41:38,000

out-of-body experiences

994

00:41:41,430 --> 00:41:39,920

this is an area where an interesting

995

00:41:43,829 --> 00:41:41,440

breakthrough has occurred in the past

996

00:41:46,230 --> 00:41:43,839

few years one of the problems has always

997

00:41:48,710 --> 00:41:46,240

been whether the person actually leaves

998

00:41:51,589 --> 00:41:48,720

his or her body when they experience a

999

00:41:54,150 --> 00:41:51,599

place outside their physical selves

1000

00:41:56,710 --> 00:41:54,160

the types of experience

1001  
00:41:59,030 --> 00:41:56,720  
which have been investigated range from

1002  
00:42:00,870 --> 00:41:59,040  
brief experiences when subjects appear

1003  
00:42:03,589 --> 00:42:00,880  
to be hovering a few centimeters above

1004  
00:42:05,910 --> 00:42:03,599  
their bodies detailed experiences of

1005  
00:42:08,950 --> 00:42:05,920  
pulling out of the physical body in much

1006  
00:42:11,829 --> 00:42:08,960  
the same way as you peel out of

1007  
00:42:13,349 --> 00:42:11,839  
rubber washing gloves and moving into

1008  
00:42:14,550 --> 00:42:13,359  
adjoining rooms

1009  
00:42:16,470 --> 00:42:14,560  
seeing

1010  
00:42:18,470 --> 00:42:16,480  
events taking place

1011  
00:42:21,270 --> 00:42:18,480  
in that room

1012  
00:42:25,109 --> 00:42:21,280  
and returning after some time

1013  
00:42:28,790 --> 00:42:25,119

to re-enter the physical body in as

1014

00:42:31,430 --> 00:42:28,800

vivid a manner as was involved in

1015

00:42:33,270 --> 00:42:31,440

leaving it some people say this type of

1016

00:42:34,710 --> 00:42:33,280

experience is nothing more than

1017

00:42:37,349 --> 00:42:34,720

hallucination

1018

00:42:39,670 --> 00:42:37,359

however there are a number of cases in

1019

00:42:42,069 --> 00:42:39,680

which subjects having these experiences

1020

00:42:45,349 --> 00:42:42,079

find themselves in a remote location and

1021

00:42:47,750 --> 00:42:45,359

obtain accurate information about it

1022

00:42:49,510 --> 00:42:47,760

the more interesting cases occur when

1023

00:42:51,109 --> 00:42:49,520

such subjects find themselves in a

1024

00:42:53,349 --> 00:42:51,119

remote location

1025

00:42:56,309 --> 00:42:53,359

and a second person physically at the

1026  
00:42:59,910 --> 00:42:56,319  
location experiences their presence

1027  
00:43:01,430 --> 00:42:59,920  
karl osis questioned persons who were

1028  
00:43:03,990 --> 00:43:01,440  
able to have

1029  
00:43:07,190 --> 00:43:04,000  
out of body experiences to describe how

1030  
00:43:10,150 --> 00:43:07,200  
they viewed objects it appears

1031  
00:43:12,710 --> 00:43:10,160  
it appears that they see them as they

1032  
00:43:16,550 --> 00:43:12,720  
would if floating above the objects

1033  
00:43:19,190 --> 00:43:16,560  
however it could be simply that esp is

1034  
00:43:20,950 --> 00:43:19,200  
involved and the person does not leave

1035  
00:43:23,349 --> 00:43:20,960  
his body

1036  
00:43:25,829 --> 00:43:23,359  
recently robert morris of the university

1037  
00:43:29,109 --> 00:43:25,839  
of california at santa barbara worked

1038  
00:43:31,109 --> 00:43:29,119

with stuart harari who is able to have

1039

00:43:33,910 --> 00:43:31,119

voluntary control

1040

00:43:37,589 --> 00:43:33,920

over his out of body experiences they

1041

00:43:39,589 --> 00:43:37,599

used human animal and physical detectors

1042

00:43:42,470 --> 00:43:39,599

in a remote location to see if they

1043

00:43:44,309 --> 00:43:42,480

could detect harare morris also asked

1044

00:43:46,950 --> 00:43:44,319

harari to obtain information about a

1045

00:43:50,230 --> 00:43:46,960

remote location and morris tried to see

1046

00:43:52,069 --> 00:43:50,240

if there were any body changes the

1047

00:43:54,630 --> 00:43:52,079

results were fascinating

1048

00:43:57,349 --> 00:43:54,640

some humans in adjacent rooms reacted to

1049

00:43:59,510 --> 00:43:57,359

harare's presence however

1050

00:44:02,390 --> 00:43:59,520

much more work has to be done to

1051  
00:44:04,550 --> 00:44:02,400  
determine consistency the receivers were

1052  
00:44:07,109 --> 00:44:04,560  
told to talk when they felt harare's

1053  
00:44:11,430 --> 00:44:07,119  
presence when it comes to

1054  
00:44:13,990 --> 00:44:11,440  
animals rats and snakes did not respond

1055  
00:44:17,589 --> 00:44:14,000  
but a small kitten always became

1056  
00:44:19,990 --> 00:44:17,599  
extremely quiet at the times that harari

1057  
00:44:21,670 --> 00:44:20,000  
felt that he was in the room where the

1058  
00:44:24,630 --> 00:44:21,680  
cat was situated

1059  
00:44:27,270 --> 00:44:24,640  
as the animal got older it responded

1060  
00:44:29,349 --> 00:44:27,280  
less frequently now that's an experiment

1061  
00:44:30,710 --> 00:44:29,359  
i could have been part of

1062  
00:44:33,190 --> 00:44:30,720  
why not

1063  
00:44:35,750 --> 00:44:33,200

as regards to the ability of harare to

1064

00:44:37,829 --> 00:44:35,760

detect parts of the environment there

1065

00:44:40,630 --> 00:44:37,839

were some interesting but inconclusive

1066

00:44:43,670 --> 00:44:40,640

results the only body changes that were

1067

00:44:46,710 --> 00:44:43,680

recorded were changes in heart rate and

1068

00:44:49,030 --> 00:44:46,720

respiration in my work i have found that

1069

00:44:51,430 --> 00:44:49,040

training of subjects with inconsistent

1070

00:44:54,630 --> 00:44:51,440

out-of-body experiences has had some

1071

00:44:57,750 --> 00:44:54,640

success a person who has had out-of-body

1072

00:45:00,230 --> 00:44:57,760

experiences should try to recreate in a

1073

00:45:02,790 --> 00:45:00,240

game situation the conditions which led

1074

00:45:05,030 --> 00:45:02,800

to the previous experience more than

1075

00:45:06,030 --> 00:45:05,040

eighty percent of participants

1076

00:45:08,790 --> 00:45:06,040

have been

1077

00:45:11,589 --> 00:45:08,800

re-activated and all have reported that

1078

00:45:13,910 --> 00:45:11,599

the technique is extremely helpful a

1079

00:45:16,470 --> 00:45:13,920

recent survey by dean shields of the

1080

00:45:19,109 --> 00:45:16,480

university of wisconsin has found that

1081

00:45:22,069 --> 00:45:19,119

out-of-body experiences occur in about

1082

00:45:24,710 --> 00:45:22,079

90 percent of the world's cultures so it

1083

00:45:25,750 --> 00:45:24,720

is probable that the experience is

1084

00:45:27,750 --> 00:45:25,760

common

1085

00:45:30,309 --> 00:45:27,760

well if dean shields of the university

1086

00:45:32,870 --> 00:45:30,319

of wisconsin did find that

1087

00:45:35,109 --> 00:45:32,880

he should have received his nobel prize

1088

00:45:36,630 --> 00:45:35,119

some time ago

1089

00:45:39,829 --> 00:45:36,640

we read on

1090

00:45:44,069 --> 00:45:39,839

however one surprise is that the silver

1091

00:45:45,750 --> 00:45:44,079

chord idea which is the soul is attached

1092

00:45:50,870 --> 00:45:45,760

to the body by a chord during the

1093

00:45:53,109 --> 00:45:50,880

experience is only reported in one of 67

1094

00:45:55,990 --> 00:45:53,119

different cultures the british american

1095

00:45:58,870 --> 00:45:56,000

culture which may mean the chord idea is

1096

00:46:00,390 --> 00:45:58,880

a reflection of belief rather than being

1097

00:46:02,470 --> 00:46:00,400

a reality

1098

00:46:04,390 --> 00:46:02,480

oh you're so close to being on the right

1099

00:46:07,270 --> 00:46:04,400

track there

1100

00:46:09,150 --> 00:46:07,280

a reflection of belief rather than being

1101  
00:46:10,790 --> 00:46:09,160  
a reality

1102  
00:46:12,950 --> 00:46:10,800  
psychokinesis

1103  
00:46:18,950 --> 00:46:12,960  
this ability

1104  
00:46:21,430 --> 00:46:18,960  
it's like a foregone conclusion

1105  
00:46:24,470 --> 00:46:21,440  
this ability of humans to influence

1106  
00:46:25,990 --> 00:46:24,480  
objects by mental processes attracts the

1107  
00:46:27,430 --> 00:46:26,000  
most attention

1108  
00:46:29,109 --> 00:46:27,440  
1980

1109  
00:46:31,670 --> 00:46:29,119  
yeah it wasn't that long ago when this

1110  
00:46:32,710 --> 00:46:31,680  
was written that um spoon betting was a

1111  
00:46:35,109 --> 00:46:32,720  
thing

1112  
00:46:38,230 --> 00:46:35,119  
we have all red of objects floating

1113  
00:46:40,470 --> 00:46:38,240

across the room as if on a string

1114

00:46:43,670 --> 00:46:40,480

so what is the real situation

1115

00:46:46,470 --> 00:46:43,680

helmet schmidt of the mind science

1116

00:46:49,589 --> 00:46:46,480

foundation in san antonio texas has

1117

00:46:51,349 --> 00:46:49,599

designed a machine which consists of a

1118

00:46:53,510 --> 00:46:51,359

set of flashing lights arranged in a

1119

00:46:56,309 --> 00:46:53,520

circle the lights are controlled by a

1120

00:46:58,870 --> 00:46:56,319

device which produces electronic signals

1121

00:47:00,710 --> 00:46:58,880

which light the lights if psychokinesis

1122

00:47:03,190 --> 00:47:00,720

were not present the lights would blink

1123

00:47:06,550 --> 00:47:03,200

on and off sometimes clockwise and

1124

00:47:08,069 --> 00:47:06,560

sometimes anti-clockwise or

1125

00:47:10,230 --> 00:47:08,079

counterclockwise

1126

00:47:11,829 --> 00:47:10,240

i think it's also known as depending on

1127

00:47:14,550 --> 00:47:11,839

where you are in the world

1128

00:47:16,230 --> 00:47:14,560

it was found that some people could will

1129

00:47:18,069 --> 00:47:16,240

the movement of the lights in a

1130

00:47:20,230 --> 00:47:18,079

clockwise motion

1131

00:47:21,750 --> 00:47:20,240

now since the machine is out of the

1132

00:47:22,870 --> 00:47:21,760

experimenter's

1133

00:47:24,950 --> 00:47:22,880

control

1134

00:47:27,349 --> 00:47:24,960

here we see technology working in a

1135

00:47:29,670 --> 00:47:27,359

field regarded as traditionally

1136

00:47:32,230 --> 00:47:29,680

anti-technological

1137

00:47:34,630 --> 00:47:32,240

no discussion of modern experimentation

1138

00:47:37,030 --> 00:47:34,640

would be complete without reference to

1139

00:47:38,550 --> 00:47:37,040

using a computer

1140

00:47:40,710 --> 00:47:38,560

the following experiment has been

1141

00:47:43,109 --> 00:47:40,720

repeated a number of times

1142

00:47:45,510 --> 00:47:43,119

a list of words which are paired are

1143

00:47:48,150 --> 00:47:45,520

given to a subject to memorize after

1144

00:47:50,790 --> 00:47:48,160

three minutes the task is changed to

1145

00:47:53,510 --> 00:47:50,800

adding up numbers then after this the

1146

00:47:55,990 --> 00:47:53,520

subject is asked to repeat the pairs as

1147

00:47:58,390 --> 00:47:56,000

best they can in the meantime the

1148

00:48:01,190 --> 00:47:58,400

computer has generated all possible

1149

00:48:03,990 --> 00:48:01,200

pairs from the list so that there are

1150

00:48:06,710 --> 00:48:04,000

100 possible combinations

1151

00:48:08,550 --> 00:48:06,720

i hope you're keeping up a number of

1152

00:48:11,349 --> 00:48:08,560

groups have found that the pairs that

1153

00:48:13,990 --> 00:48:11,359

are most remembered are those that occur

1154

00:48:15,910 --> 00:48:14,000

most often on the computer printout

1155

00:48:17,560 --> 00:48:15,920

which means the computer was influenced

1156

00:48:18,710 --> 00:48:17,570

by the mind

1157

00:48:22,390 --> 00:48:18,720

[Music]

1158

00:48:25,030 --> 00:48:22,400

well that's quite a um bold conclusion

1159

00:48:28,230 --> 00:48:25,040

recent experiments have been performed

1160

00:48:31,349 --> 00:48:28,240

in which mongolian gerbils a small

1161

00:48:33,109 --> 00:48:31,359

rodent will run in a cage which is like

1162

00:48:35,430 --> 00:48:33,119

an endless treadmill

1163

00:48:37,190 --> 00:48:35,440

they had their speed increased by

1164

00:48:39,190 --> 00:48:37,200

psychokinesis

1165

00:48:41,349 --> 00:48:39,200

really well that would be uh great if

1166

00:48:42,630 --> 00:48:41,359

you could do that at the uh the horse

1167

00:48:46,150 --> 00:48:42,640

racing track

1168

00:48:49,109 --> 00:48:46,160

in another experiment knife fish

1169

00:48:51,190 --> 00:48:49,119

which are related to electric eels had

1170

00:48:53,910 --> 00:48:51,200

their movements altered again by

1171

00:48:56,630 --> 00:48:53,920

psychokinesis because the fish work out

1172

00:48:57,910 --> 00:48:56,640

their movements using their electric

1173

00:49:01,109 --> 00:48:57,920

signals

1174

00:49:02,710 --> 00:49:01,119

oh here we go here we go next heading

1175

00:49:05,589 --> 00:49:02,720

metal bending

1176

00:49:08,150 --> 00:49:05,599

this is an area that has caused a deal

1177

00:49:10,549 --> 00:49:08,160

of heartburn after all what is more

1178

00:49:14,470 --> 00:49:10,559

useless than deforming metal

1179

00:49:19,990 --> 00:49:17,589

john hasten of bierberg college has

1180

00:49:23,270 --> 00:49:20,000

taken the experiments to a much greater

1181

00:49:26,790 --> 00:49:23,280

level of sophistication and has designed

1182

00:49:29,910 --> 00:49:26,800

a key which has miniature devices called

1183

00:49:31,990 --> 00:49:29,920

strain gauges inside the key the

1184

00:49:34,069 --> 00:49:32,000

subjects are not allowed to touch the

1185

00:49:36,150 --> 00:49:34,079

key and the degree of bending is

1186

00:49:38,710 --> 00:49:36,160

measured by the strain gauges

1187

00:49:41,030 --> 00:49:38,720

in my work i have used hypnosis to

1188

00:49:43,750 --> 00:49:41,040

produce a state where the subject thinks

1189

00:49:44,790 --> 00:49:43,760

that he cannot exert any physical

1190

00:49:47,430 --> 00:49:44,800

strength

1191

00:49:49,190 --> 00:49:47,440

this is tested with a

1192

00:49:52,390 --> 00:49:49,200

hand grip test

1193

00:49:55,190 --> 00:49:52,400

and then the bending is commenced i have

1194

00:49:57,190 --> 00:49:55,200

found no real differences occur

1195

00:49:58,870 --> 00:49:57,200

related work has shown that subjects can

1196

00:50:02,150 --> 00:49:58,880

change the temperature reading of a

1197

00:50:05,109 --> 00:50:02,160

thermometer even when it is in a glass

1198

00:50:06,309 --> 00:50:05,119

of water which has a constant

1199

00:50:08,870 --> 00:50:06,319

temperature

1200

00:50:12,390 --> 00:50:08,880

again i would have loved to have been

1201

00:50:14,150 --> 00:50:12,400

there to see these tests conducted

1202

00:50:16,230 --> 00:50:14,160

reincarnation

1203

00:50:18,549 --> 00:50:16,240

it is common especially in india for

1204

00:50:20,790 --> 00:50:18,559

children to claim they have lived before

1205

00:50:21,910 --> 00:50:20,800

and can remember details of a previous

1206

00:50:24,390 --> 00:50:21,920

life

1207

00:50:26,950 --> 00:50:24,400

dr ian stevenson of the university of

1208

00:50:29,829 --> 00:50:26,960

virginia has studied 1

1209

00:50:32,390 --> 00:50:29,839

700 cases since 1961.

1210

00:50:34,710 --> 00:50:32,400

in a large number of cases stevenson

1211

00:50:37,990 --> 00:50:34,720

found that the subject had

1212

00:50:39,030 --> 00:50:38,000

heard details from perfectly natural

1213

00:50:41,430 --> 00:50:39,040

sources

1214

00:50:44,390 --> 00:50:41,440

and had stored the information in the

1215

00:50:47,030 --> 00:50:44,400

subconscious however after eliminating

1216

00:50:49,109 --> 00:50:47,040

such cases stevenson is left with

1217

00:50:50,950 --> 00:50:49,119

unexplained cases

1218

00:50:51,910 --> 00:50:50,960

and i'll just stop here briefly to say

1219

00:50:54,069 --> 00:50:51,920

that

1220

00:50:56,549 --> 00:50:54,079

every word at the end of the sentences

1221

00:50:57,829 --> 00:50:56,559

in this column is sort of wrapped around

1222

00:50:59,589 --> 00:50:57,839

this scan

1223

00:51:00,790 --> 00:50:59,599

if you know what i mean so some words

1224

00:51:02,549 --> 00:51:00,800

are cut off

1225

00:51:04,390 --> 00:51:02,559

so it's a little tricky to read but

1226

00:51:06,390 --> 00:51:04,400

we'll continue

1227

00:51:09,270 --> 00:51:06,400

the method used to investigate such

1228

00:51:11,829 --> 00:51:09,280

cases is very simple interviews are held

1229

00:51:15,430 --> 00:51:11,839

and questions are asked about where the

1230

00:51:18,150 --> 00:51:15,440

person supposedly lived how old they

1231

00:51:20,630 --> 00:51:18,160

were when they died and what were the

1232

00:51:22,870 --> 00:51:20,640

special features of the claimed memories

1233

00:51:25,829 --> 00:51:22,880

the most interesting results in the work

1234

00:51:28,870 --> 00:51:25,839

show that if the subject lives in a city

1235

00:51:31,270 --> 00:51:28,880

then the previous life will be in a city

1236

00:51:33,109 --> 00:51:31,280

the age of the subject will be less than

1237

00:51:35,670 --> 00:51:33,119

and i think it's ten

1238

00:51:37,510 --> 00:51:35,680

because there's a one printed and the

1239

00:51:39,829 --> 00:51:37,520

following character is hidden so it's

1240

00:51:42,630 --> 00:51:39,839

probably 10. the age of the subject will

1241

00:51:47,030 --> 00:51:42,640

be less than 10 and about half

1242

00:51:49,670 --> 00:51:47,040

the previous lives ended violently and

1243

00:51:53,109 --> 00:51:49,680

ages at death are usually greater than

1244

00:51:55,750 --> 00:51:53,119

30 years old there are accounts where

1245

00:51:58,150 --> 00:51:55,760

under hypnotic regression people claim

1246

00:52:00,069 --> 00:51:58,160

to experience previous lives

1247

00:52:02,470 --> 00:52:00,079

the method used by the hypnotist is to

1248

00:52:05,190 --> 00:52:02,480

tell the person to search out other

1249

00:52:07,349 --> 00:52:05,200

lives and other places and the subjects

1250

00:52:09,589 --> 00:52:07,359

are led on their journey there is very

1251  
00:52:13,030 --> 00:52:09,599  
little control on giving the persons

1252  
00:52:15,430 --> 00:52:13,040  
hints and the follow-up investigation is

1253  
00:52:17,349 --> 00:52:15,440  
usually non-existent

1254  
00:52:19,430 --> 00:52:17,359  
and it concludes

1255  
00:52:21,510 --> 00:52:19,440  
what of the future

1256  
00:52:24,309 --> 00:52:21,520  
in australia there is a need for

1257  
00:52:26,950 --> 00:52:24,319  
centralized testing laboratories and

1258  
00:52:29,750 --> 00:52:26,960  
more testing of children people who have

1259  
00:52:32,309 --> 00:52:29,760  
had psychic experiences should contact

1260  
00:52:36,950 --> 00:52:32,319  
the corefield institute of technology

1261  
00:52:40,069 --> 00:52:36,960  
900 dandenong road po box 197 crawfield

1262  
00:52:41,910 --> 00:52:40,079  
east 3145

1263  
00:52:42,950 --> 00:52:41,920

isn't that interesting the last tiny

1264

00:52:44,950 --> 00:52:42,960

paragraph

1265

00:52:47,430 --> 00:52:44,960

talks about the future

1266

00:52:48,710 --> 00:52:47,440

which is now the past

1267

00:52:51,109 --> 00:52:48,720

and

1268

00:52:53,109 --> 00:52:51,119

we could save that guy a lot of time

1269

00:52:55,750 --> 00:52:53,119

if we could go back in time but that's

1270

00:52:58,100 --> 00:52:55,760

not how time works and that's not how

1271

00:53:01,589 --> 00:52:58,110

the gaining of knowledge works

1272

00:53:02,390 --> 00:53:01,599

[Music]

1273

00:53:05,190 --> 00:53:02,400

now

1274

00:53:06,630 --> 00:53:05,200

i had a quick look around for charles

1275

00:53:10,230 --> 00:53:06,640

osborne

1276  
00:53:12,790 --> 00:53:10,240  
and i did find another reference to him

1277  
00:53:15,190 --> 00:53:12,800  
and roughly the same era from the

1278  
00:53:19,190 --> 00:53:15,200  
bulletin magazine

1279  
00:53:22,870 --> 00:53:19,200  
stated the 6th of april 1982

1280  
00:53:25,510 --> 00:53:22,880  
in an article by philip adams about

1281  
00:53:27,990 --> 00:53:25,520  
the bent spoon award

1282  
00:53:29,670 --> 00:53:28,000  
where he talks about various nominations

1283  
00:53:32,390 --> 00:53:29,680  
for the benspoon that year

1284  
00:53:35,349 --> 00:53:32,400  
and a paragraph here says finally it's

1285  
00:53:38,710 --> 00:53:35,359  
the academic section where a strange

1286  
00:53:41,109 --> 00:53:38,720  
alchemy turns the taxpayers money into

1287  
00:53:43,910 --> 00:53:41,119  
arrant nonsense let us introduce the

1288  
00:53:46,150 --> 00:53:43,920

three contenders beginning with dr

1289

00:53:49,430 --> 00:53:46,160

charles osborne of the corefield

1290

00:53:51,750 --> 00:53:49,440

institute of technology year in year out

1291

00:53:54,950 --> 00:53:51,760

osborne lectures on his experiments with

1292

00:53:57,910 --> 00:53:54,960

telepathy clairvoyant psychokinesis and

1293

00:54:00,710 --> 00:53:57,920

the 40 psychic kids he claims to have

1294

00:54:04,069 --> 00:54:00,720

located in melbourne osborne always

1295

00:54:06,230 --> 00:54:04,079

seems to be about to publish his results

1296

00:54:08,150 --> 00:54:06,240

yet will not allow independent testing

1297

00:54:12,630 --> 00:54:08,160

of his subjects and their claimed

1298

00:54:13,510 --> 00:54:12,640

ability to bend metal by psychic means

1299

00:54:16,230 --> 00:54:13,520

and

1300

00:54:19,109 --> 00:54:16,240

i could find little else on this

1301

00:54:21,910 --> 00:54:19,119

character so i really don't know

1302

00:54:24,630 --> 00:54:21,920

what the ultimate story was there

1303

00:54:26,230 --> 00:54:24,640

so there you are way back in 1980 this

1304

00:54:27,270 --> 00:54:26,240

was published

1305

00:54:29,430 --> 00:54:27,280

as

1306

00:54:31,670 --> 00:54:29,440

more or less a report about what's going

1307

00:54:34,470 --> 00:54:31,680

on in esp

1308

00:54:37,349 --> 00:54:34,480

and that report written in the pages of

1309

00:54:41,510 --> 00:54:37,359

the australian women's weekly in 1980

1310

00:54:43,430 --> 00:54:41,520

was not long at all before

1311

00:54:46,390 --> 00:54:43,440

james randy flew out to australia to

1312

00:54:48,870 --> 00:54:46,400

conduct his water divining tests

1313

00:54:53,910 --> 00:54:48,880

which more or less led to the formation

1314

00:54:58,710 --> 00:54:55,750

yes i would love to have a time machine

1315

00:55:00,390 --> 00:54:58,720

to travel back to 1980 to be part of all

1316

00:55:02,790 --> 00:55:00,400

that

1317

00:55:05,349 --> 00:55:02,800

but you don't need a time machine to

1318

00:55:08,470 --> 00:55:05,359

enjoy all the articles available at your

1319

00:55:12,150 --> 00:55:08,480

fingertips when you visit trove

1320

00:55:13,430 --> 00:55:12,160

that's t-r-o-v-e dot n-l-a dot g-o-v dot

1321

00:55:15,910 --> 00:55:13,440

a-u

1322

00:55:20,050 --> 00:55:15,920

and you never know what psychic

1323

00:55:41,430 --> 00:55:20,060

experiments you might find

1324

00:55:44,390 --> 00:55:42,870

thank you for listening to the skeptic

1325

00:55:47,510 --> 00:55:44,400

zone and thank you to those people who

1326

00:55:49,510 --> 00:55:47,520

continue to support the skeptic zone via

1327

00:55:51,349 --> 00:55:49,520

patreon or paypal payments at

1328

00:55:53,190 --> 00:55:51,359

skepticzone.tv

1329

00:55:55,349 --> 00:55:53,200

some people chip in a little bit some

1330

00:55:57,670 --> 00:55:55,359

people chip in a bit more and some

1331

00:56:00,470 --> 00:55:57,680

people are very generous indeed and

1332

00:56:03,109 --> 00:56:00,480

enable me to keep the show going and by

1333

00:56:05,030 --> 00:56:03,119

very nice recording equipment hopefully

1334

00:56:07,589 --> 00:56:05,040

hopefully to bring you a more

1335

00:56:10,069 --> 00:56:07,599

entertaining show

1336

00:56:13,030 --> 00:56:10,079

now here's something to look forward to

1337

00:56:15,750 --> 00:56:13,040

uh soon i hope i'm working on a report

1338

00:56:17,589 --> 00:56:15,760

put together by our reporter in canada

1339

00:56:20,150 --> 00:56:17,599

adrian hill with

1340

00:56:21,910 --> 00:56:20,160

the help of our reporter in victoria

1341

00:56:24,710 --> 00:56:21,920

michelle bickersma

1342

00:56:26,309 --> 00:56:24,720

and our dear friend

1343

00:56:28,950 --> 00:56:26,319

kelly burke

1344

00:56:31,670 --> 00:56:28,960

over in the united states of course all

1345

00:56:33,349 --> 00:56:31,680

of these three people are teachers

1346

00:56:36,549 --> 00:56:33,359

either current teachers or former

1347

00:56:39,829 --> 00:56:36,559

teachers so they've put together a very

1348

00:56:41,510 --> 00:56:39,839

interesting report which i will

1349

00:56:43,510 --> 00:56:41,520

make into segments

1350

00:56:45,829 --> 00:56:43,520

about teaching

1351  
00:56:47,270 --> 00:56:45,839  
again i won't give away too much what i

1352  
00:56:49,829 --> 00:56:47,280  
think i'll do is i'll think i'll have

1353  
00:56:53,510 --> 00:56:49,839  
that spread over a number of weeks

1354  
00:56:56,549 --> 00:56:53,520  
and also put it up as a special on the

1355  
00:56:58,630 --> 00:56:56,559  
skeptic zones youtube page but stay

1356  
00:56:59,910 --> 00:56:58,640  
tuned for more information about that

1357  
00:57:02,309 --> 00:56:59,920  
coming up

1358  
00:57:04,549 --> 00:57:02,319  
uh maybe even as early as next week but

1359  
00:57:07,430 --> 00:57:04,559  
pretty soon anyway and my sincere thanks

1360  
00:57:09,589 --> 00:57:07,440  
to adrian michelle and kelly for taking

1361  
00:57:12,710 --> 00:57:09,599  
the time to uh

1362  
00:57:14,470 --> 00:57:12,720  
team up and record that segment

1363  
00:57:16,230 --> 00:57:14,480

internationally

1364

00:57:18,950 --> 00:57:16,240

and as i've said many times before on

1365

00:57:20,950 --> 00:57:18,960

the skeptic zone i have enormous respect

1366

00:57:22,309 --> 00:57:20,960

for teachers they go through a lot they

1367

00:57:24,230 --> 00:57:22,319

really do

1368

00:57:26,069 --> 00:57:24,240

but for this week this is richard

1369

00:57:31,030 --> 00:57:26,079

saunders signing off from sydney

1370

00:57:34,230 --> 00:57:32,789

you've been listening to the skeptic

1371

00:57:35,589 --> 00:57:34,240

zone podcast

1372

00:57:38,789 --> 00:57:35,599

please visit our website at

1373

00:57:44,470 --> 00:57:41,910

for show notes contacts and to access

1374

00:57:46,630 --> 00:57:44,480

the bat catalog of episodes going back

1375

00:57:48,549 --> 00:57:46,640

to 2008

1376  
00:57:51,349 --> 00:57:48,559  
you can follow the skeptic zone podcast

1377  
00:57:53,510 --> 00:57:51,359  
on twitter at skepticzone

1378  
00:57:55,750 --> 00:57:53,520  
visit our facebook page or leave a

1379  
00:57:57,829 --> 00:57:55,760  
review on itunes

1380  
00:58:01,109 --> 00:57:57,839  
you can also support the skeptic zone

1381  
00:58:04,390 --> 00:58:01,119  
via patreon or paypal the skeptic zone

1382  
00:58:06,069 --> 00:58:04,400  
podcast is an independent production the

1383  
00:58:08,309 --> 00:58:06,079  
views and opinions expressed on the

1384  
00:58:10,870 --> 00:58:08,319  
skeptic zone are not necessarily those

1385  
00:58:12,510 --> 00:58:10,880  
of australian skeptics or any other

1386  
00:58:23,510 --> 00:58:12,520  
skeptical organization

1387  
00:58:27,190 --> 00:58:25,190  
hello to the people who listen after the

1388  
00:58:30,950 --> 00:58:27,200

music uh we're going to play the dice

1389

00:58:32,390 --> 00:58:30,960

game this week i have a four-sided die a

1390

00:58:34,470 --> 00:58:32,400

d4

1391

00:58:37,349 --> 00:58:34,480

one two three or four this is where i

1392

00:58:39,270 --> 00:58:37,359

roll the die and you use whatever powers

1393

00:58:40,950 --> 00:58:39,280

you like getting my skeptic's own pen

1394

00:58:43,430 --> 00:58:40,960

ready to write down the results to

1395

00:58:45,030 --> 00:58:43,440

predict what number will come up

1396

00:58:46,630 --> 00:58:45,040

you've got a one in four chance sorry

1397

00:58:49,270 --> 00:58:46,640

susan

1398

00:58:51,990 --> 00:58:49,280

this is uh this die has not got a five

1399

00:58:52,800 --> 00:58:52,000

on it hmm anyway roll number one here it

1400

00:58:54,230 --> 00:58:52,810

is

1401  
00:58:56,069 --> 00:58:54,240  
[Music]

1402  
00:58:58,069 --> 00:58:56,079  
three

1403  
00:59:00,870 --> 00:58:58,079  
okay

1404  
00:59:02,950 --> 00:59:00,880  
and roll number two coming up

1405  
00:59:05,270 --> 00:59:02,960  
[Music]

1406  
00:59:08,110 --> 00:59:05,280  
four

1407  
00:59:09,349 --> 00:59:08,120  
final roll coming up

1408  
00:59:11,430 --> 00:59:09,359  
[Music]

1409  
00:59:13,190 --> 00:59:11,440  
two

1410  
00:59:15,589 --> 00:59:13,200  
well there you go i mean there's only

1411  
00:59:19,190 --> 00:59:15,599  
four numbers to choose from

1412  
00:59:20,549 --> 00:59:19,200  
today's or this week's numbers are three
