

PAUL H. SMITH

1
00:00:04,630 --> 00:00:02,550
on this episode of skeptico remote

2
00:00:07,269 --> 00:00:04,640
viewer and retired psychic spy

3
00:00:08,710 --> 00:00:07,279
major paul h smith so bronson himself is

4
00:00:09,750 --> 00:00:08,720
on record that he only cared about the

5
00:00:12,870 --> 00:00:09,760
people not about

6
00:00:14,390 --> 00:00:12,880
the phenomenon um but that's because as

7
00:00:15,829 --> 00:00:14,400
i think he said on your interview that

8
00:00:16,870 --> 00:00:15,839
he didn't actually believe in the phone

9
00:00:20,790 --> 00:00:16,880
on iran

10
00:00:22,070 --> 00:00:20,800
and he said something about not uh

11
00:00:23,910 --> 00:00:22,080
he hadn't seen any evidence and

12
00:00:25,269 --> 00:00:23,920
convinced him i know i'm paraphrasing

13
00:00:26,550 --> 00:00:25,279

here i'm not exactly sure how he said he

14

00:00:27,750 --> 00:00:26,560

said i haven't seen any evidence to

15

00:00:29,830 --> 00:00:27,760

convince him in fact

16

00:00:31,509 --> 00:00:29,840

kind of just the opposite the fact is he

17

00:00:33,030 --> 00:00:31,519

never saw any of the evidence he never

18

00:00:34,229 --> 00:00:33,040

looked into the evidence

19

00:00:36,549 --> 00:00:34,239

you know he might have listened to some

20

00:00:38,310 --> 00:00:36,559

of the stories but he of course was able

21

00:00:39,910 --> 00:00:38,320

to dismiss those because when we did

22

00:00:42,229 --> 00:00:39,920

tell him credible things and he

23

00:00:44,150 --> 00:00:42,239

interviewed me at length at the remote

24

00:00:47,990 --> 00:00:44,160

viewing conference

25

00:00:50,150 --> 00:00:48,000

and i presented i tried to present

26

00:00:51,590 --> 00:00:50,160

some real bottom line fundamental this

27

00:00:52,869 --> 00:00:51,600

is how it really was

28

00:00:55,029 --> 00:00:52,879

these are the kind of things that we did

29

00:00:57,430 --> 00:00:55,039

that kind of stuff none of that

30

00:00:58,709 --> 00:00:57,440

shows up in the book now that shows up
