

HOMEOPATHY STILL JUST BUNK TO MANY

1
00:00:15,650 --> 00:00:12,169
on this episode of skeptic oh if you get

2
00:00:18,920 --> 00:00:15,660
the big picture stuff wrong you can't

3
00:00:22,100 --> 00:00:18,930
get a lot of stuff right the scientific

4
00:00:25,249 --> 00:00:22,110
paradigm that we live in tells us that

5
00:00:28,609 --> 00:00:25,259
we are biological robots that we are

6
00:00:32,600 --> 00:00:28,619
purely a product of our brain that there

7
00:00:35,060 --> 00:00:32,610
is no us in there there is no reality to

8
00:00:38,060 --> 00:00:35,070
our experience and that filters down

9
00:00:41,180 --> 00:00:38,070
like you're saying into a medical

10
00:00:44,180 --> 00:00:41,190
profession that really does not want to

11
00:00:46,729 --> 00:00:44,190
hear about experience the interesting

12
00:00:48,860 --> 00:00:46,739
thing is you realize how conditioned the

13
00:00:52,540 --> 00:00:48,870

world is in terms of the scientific

14

00:00:56,450 --> 00:00:52,550

worldview so patients come to me

15

00:00:58,370 --> 00:00:56,460

thinking that they have to lay out their

16

00:01:01,580 --> 00:00:58,380

problems to me in scientific terms

17

00:01:03,680 --> 00:01:01,590

uh-huh and so they'll start to give me a

18

00:01:05,959 --> 00:01:03,690

scientific medical explanation about

19

00:01:08,899 --> 00:01:05,969

what they have and I'll say I'll stop

20

00:01:11,060 --> 00:01:08,909

them and I'll say no no please just tell

21

00:01:13,879 --> 00:01:11,070

me what's bothering you let me know what

22

00:01:16,999 --> 00:01:13,889

your experience is and some of them look

23

00:01:19,639 --> 00:01:17,009

at me like I'm crazy as if to say well

24

00:01:21,709 --> 00:01:19,649

don't you understand what arthritis is

25

00:01:23,510 --> 00:01:21,719

you know and I'll say yes of course i

26

00:01:25,699 --> 00:01:23,520

understand with arthritis is but i want

27

00:01:29,090 --> 00:01:25,709

you to tell me about your experience

28

00:01:31,519 --> 00:01:29,100

with this so-called arthritis this label

29

00:01:35,359 --> 00:01:31,529

that we've given it this this this box

30

00:01:45,750 --> 00:01:35,369

we've stuck it in to stay with us for

31

00:01:49,630 --> 00:01:47,950

welcome to skeptic oh where we explore

32

00:01:52,030 --> 00:01:49,640

controversial science with leading

33

00:01:54,280 --> 00:01:52,040

researchers thinkers and their critics

34

00:01:57,310 --> 00:01:54,290

i'm your host alex karras and on this

35

00:01:59,620 --> 00:01:57,320

episode of skeptic Oh homeopathy but

36

00:02:01,930 --> 00:01:59,630

really more than that because what

37

00:02:04,950 --> 00:02:01,940

attracted me to our guest today dr.

38

00:02:07,990 --> 00:02:04,960

Larry malerba who I have to thank

39

00:02:11,050 --> 00:02:08,000

Bernardo kastrup for pointing me to and

40

00:02:13,000 --> 00:02:11,060

by the way as an aside Bernardo has a

41

00:02:14,949 --> 00:02:13,010

new book out and he's going to be

42

00:02:16,870 --> 00:02:14,959

joining me to talk about it on skeptical

43

00:02:19,479 --> 00:02:16,880

in a couple months so please look

44

00:02:21,699 --> 00:02:19,489

forward to that but anyways what I think

45

00:02:23,860 --> 00:02:21,709

is intriguing about dr. Mohler bus'

46

00:02:26,850 --> 00:02:23,870

ideas and his approach is his

47

00:02:29,770 --> 00:02:26,860

willingness to step back and say okay if

48

00:02:31,750 --> 00:02:29,780

scientific materialism mind equals brain

49

00:02:34,810 --> 00:02:31,760

biological robot stuff that I always

50

00:02:37,259 --> 00:02:34,820

talk about if that's wrong and I think

51
00:02:40,270 --> 00:02:37,269
we've demonstrated that it's provably

52
00:02:43,960 --> 00:02:40,280
scientifically by experimentation by

53
00:02:46,840 --> 00:02:43,970
demonstration wrong then what are the

54
00:02:50,440 --> 00:02:46,850
impacts of that if we're holding on to

55
00:02:52,960 --> 00:02:50,450
it in this field like in medicine and I

56
00:02:56,140 --> 00:02:52,970
think that's one of the topics we try

57
00:03:00,120 --> 00:02:56,150
and approach in this interview we also

58
00:03:03,220 --> 00:03:00,130
talk about whether or not homeopathy has

59
00:03:06,160 --> 00:03:03,230
its own limits because it's kind of

60
00:03:09,250 --> 00:03:06,170
played into the conventional

61
00:03:11,289 --> 00:03:09,260
materialistic science scheme that it is

62
00:03:13,300 --> 00:03:11,299
become a part of because it's medicine

63
00:03:15,850 --> 00:03:13,310

and that's a really interesting subject

64

00:03:17,920 --> 00:03:15,860

that we kind of unravel but don't get

65

00:03:20,470 --> 00:03:17,930

into all the way maybe we can talk about

66

00:03:23,500 --> 00:03:20,480

that after the show and then finally we

67

00:03:26,140 --> 00:03:23,510

even talked about the CDC the Center for

68

00:03:29,410 --> 00:03:26,150

Disease Control here in the US and their

69

00:03:31,930 --> 00:03:29,420

recent admission very strange contorted

70

00:03:36,520 --> 00:03:31,940

admission that there is in fact a link

71

00:03:38,680 --> 00:03:36,530

between vaccines and autism and why we

72

00:03:42,160 --> 00:03:38,690

shouldn't be surprised number one that

73

00:03:44,530 --> 00:03:42,170

those kind of links exist and that we've

74

00:03:47,289 --> 00:03:44,540

built a machine that can never come

75

00:03:51,310 --> 00:03:47,299

clean about talking about those things

76

00:03:53,590 --> 00:03:51,320

and if this is news to you which I'm

77

00:03:56,800 --> 00:03:53,600

sure it will be for many of you you can

78

00:03:57,150 --> 00:03:56,810

ask yourself the question why didn't you

79

00:04:00,720 --> 00:03:57,160

know

80

00:04:03,840 --> 00:04:00,730

about this why has ended headline news

81

00:04:06,360 --> 00:04:03,850

day after day in the mainstream media

82

00:04:08,490 --> 00:04:06,370

but dig a little bit after this show and

83

00:04:11,130 --> 00:04:08,500

you'll find out that it is in fact true

84

00:04:13,770 --> 00:04:11,140

that you can go listen to the actual

85

00:04:16,770 --> 00:04:13,780

recordings of the whistleblower from the

86

00:04:21,030 --> 00:04:16,780

CDC and you can read the veiled

87

00:04:23,220 --> 00:04:21,040

admission by the CDC online that is in

88

00:04:25,710 --> 00:04:23,230

some ways tangential to this interesting

89

00:04:29,460 --> 00:04:25,720

dialogue I had with dr. Larry malerba

90

00:04:31,800 --> 00:04:29,470

but in a lot of ways maybe it isn't in

91

00:04:33,930 --> 00:04:31,810

any case it was great having him on it's

92

00:04:36,780 --> 00:04:33,940

a topic that I haven't really delved

93

00:04:38,730 --> 00:04:36,790

into much at all but it was really great

94

00:04:42,240 --> 00:04:38,740

especially since I've always kind of

95

00:04:44,940 --> 00:04:42,250

bashed homeopathy in the past and I love

96

00:04:46,380 --> 00:04:44,950

growing and expanding and this interview

97

00:04:50,070 --> 00:04:46,390

kind of took me in a different direction

98

00:04:52,500 --> 00:04:50,080

so I'm very appreciative for that and I

99

00:04:55,770 --> 00:04:52,510

hope you enjoy it as well here's my

100

00:04:57,690 --> 00:04:55,780

interview with dr. Larry Miller ba today

101
00:05:00,570 --> 00:04:57,700
we welcome dr. Larry Miller but a

102
00:05:03,930 --> 00:05:00,580
skeptic Oh Larry is a homeopathic doctor

103
00:05:06,690 --> 00:05:03,940
and I have to put a full stop there it's

104
00:05:10,350 --> 00:05:06,700
quite as many of us including myself

105
00:05:12,780 --> 00:05:10,360
know that term in and of itself is

106
00:05:14,430 --> 00:05:12,790
highly controversial don't worry we're

107
00:05:17,490 --> 00:05:14,440
going to talk a lot about that and what

108
00:05:20,460 --> 00:05:17,500
that means why it is such a hot button

109
00:05:21,600 --> 00:05:20,470
issue and how that relates to his work

110
00:05:23,400 --> 00:05:21,610
in particular because I think it's very

111
00:05:26,700 --> 00:05:23,410
interesting but we're going to move way

112
00:05:28,530 --> 00:05:26,710
beyond that because Larry is also

113
00:05:30,750 --> 00:05:28,540

someone who has this tagline that I

114

00:05:33,390 --> 00:05:30,760

think fits right into what we do here at

115

00:05:36,170 --> 00:05:33,400

skeptic Oh is tagline is building

116

00:05:39,080 --> 00:05:36,180

bridges between holistic healing

117

00:05:41,700 --> 00:05:39,090

conventional medicine and spirituality

118

00:05:43,890 --> 00:05:41,710

so that's going to be interesting to dig

119

00:05:46,950 --> 00:05:43,900

into I should mention that he is the

120

00:05:48,810 --> 00:05:46,960

author of two books at least I think

121

00:05:51,659 --> 00:05:48,820

there's more but metaphysics and

122

00:05:54,960 --> 00:05:51,669

medicine restoring freedom of thought to

123

00:05:57,420 --> 00:05:54,970

the art and science of healing and green

124

00:05:59,940 --> 00:05:57,430

medicine challenging the assumptions of

125

00:06:01,860 --> 00:05:59,950

conventional health care Larry it's

126

00:06:04,500 --> 00:06:01,870

great to have you on skeptic oh thanks

127

00:06:06,200 --> 00:06:04,510

so much for joining me hi Alex good to

128

00:06:10,559 --> 00:06:06,210

be with you thanks thanks for having me

129

00:06:13,049 --> 00:06:10,569

so you know for this interview

130

00:06:14,579 --> 00:06:13,059

I mentioned in a previous episode of

131

00:06:16,469 --> 00:06:14,589

skeptical that I'm moving towards this

132

00:06:19,079 --> 00:06:16,479

thing of called like I'm calling it

133

00:06:22,409 --> 00:06:19,089

skeptical three-point oh where we do

134

00:06:26,219 --> 00:06:22,419

this like online forum exchange between

135

00:06:27,929 --> 00:06:26,229

the guests and our audience and we did

136

00:06:31,049 --> 00:06:27,939

that for our this interview we're having

137

00:06:32,909 --> 00:06:31,059

right now and I was really very pleased

138

00:06:36,299 --> 00:06:32,919

with the way that he came out because I

139

00:06:40,669 --> 00:06:36,309

have to tell you I had I have to admit

140

00:06:44,879 --> 00:06:40,679

this kind of knee-jerk skeptical idea of

141

00:06:46,980 --> 00:06:44,889

homeopathic medicine and I think that

142

00:06:49,709 --> 00:06:46,990

some of the things that came up in your

143

00:06:52,379 --> 00:06:49,719

exchange with me as well as some of our

144

00:06:55,369 --> 00:06:52,389

forum members it really helped me see

145

00:06:57,749 --> 00:06:55,379

beyond that and see in broader terms

146

00:07:01,230 --> 00:06:57,759

what you're really talking about here

147

00:07:03,259 --> 00:07:01,240

but I want you to tell folks a little

148

00:07:07,170 --> 00:07:03,269

bit about your kind of philosophical

149

00:07:10,169 --> 00:07:07,180

position of merging these things that is

150

00:07:14,219 --> 00:07:10,179

conventional medicine and more holistic

151
00:07:17,429 --> 00:07:14,229
medicine and how you see homeopathic

152
00:07:21,600 --> 00:07:17,439
medicine fitting in that kind of

153
00:07:24,029 --> 00:07:21,610
landscape sure sure well my my

154
00:07:26,299 --> 00:07:24,039
conventional medical training was

155
00:07:27,779 --> 00:07:26,309
exactly that it was it was conventional

156
00:07:31,139 --> 00:07:27,789
osteopathic training with the

157
00:07:33,949 --> 00:07:31,149
osteopathic medical school and I also at

158
00:07:37,969 --> 00:07:33,959
the same time studying homeopathy

159
00:07:42,689 --> 00:07:37,979
because I had the unique opportunity to

160
00:07:44,459 --> 00:07:42,699
learn homeopathy with a family practice

161
00:07:46,920 --> 00:07:44,469
physician who was practicing in one of

162
00:07:49,379 --> 00:07:46,930
the medical school clinics and people

163
00:07:51,719 --> 00:07:49,389

would come to him and he would ask them

164

00:07:53,639 --> 00:07:51,729

if what they would prefer and if they

165

00:07:54,779 --> 00:07:53,649

wanted conventional medicine he'd give

166

00:07:56,999 --> 00:07:54,789

them that and that they wanted

167

00:07:59,249 --> 00:07:57,009

homeopathic treatment he'd need to offer

168

00:08:02,129 --> 00:07:59,259

that to them so I kind of had this

169

00:08:04,619 --> 00:08:02,139

interesting way of learning the two

170

00:08:08,329 --> 00:08:04,629

systems of Medicine side by side and

171

00:08:12,179 --> 00:08:08,339

that from day one has informed my

172

00:08:17,639 --> 00:08:12,189

philosophical views which I have laid

173

00:08:21,179 --> 00:08:17,649

out in my books and the bottom line the

174

00:08:23,909 --> 00:08:21,189

message that i am trying to bring across

175

00:08:26,580 --> 00:08:23,919

is that

176
00:08:30,670 --> 00:08:26,590
conventional science and conventional

177
00:08:35,829 --> 00:08:30,680
medicine have their distinct limitations

178
00:08:39,129 --> 00:08:35,839
and they tend to often overstep their

179
00:08:41,170 --> 00:08:39,139
bounds oftentimes not knowing that

180
00:08:44,139 --> 00:08:41,180
they're doing it or not understanding

181
00:08:46,949 --> 00:08:44,149
why or how they're doing it and that

182
00:08:49,300 --> 00:08:46,959
perspective I have learned from

183
00:08:52,629 --> 00:08:49,310
practicing my own alternative form of

184
00:08:56,769 --> 00:08:52,639
medicine so from practicing homeopathy I

185
00:09:00,879 --> 00:08:56,779
see the flaws of conventional medicine

186
00:09:05,009 --> 00:09:00,889
and I see where it has gotten it wrong

187
00:09:07,569 --> 00:09:05,019
and another sort of idea is that

188
00:09:11,400 --> 00:09:07,579

conventional medicine and conventional

189

00:09:15,819 --> 00:09:11,410

science tend to have this attitude

190

00:09:17,560 --> 00:09:15,829

increasingly in our time that science is

191

00:09:20,889 --> 00:09:17,570

science and therefore it's correct

192

00:09:24,030 --> 00:09:20,899

because it's science not understanding

193

00:09:27,970 --> 00:09:24,040

that there are a whole slew of

194

00:09:30,939 --> 00:09:27,980

metaphysical / philosophical beliefs

195

00:09:32,680 --> 00:09:30,949

that underpin that science now they

196

00:09:35,110 --> 00:09:32,690

would disagree with that and a a lot of

197

00:09:37,569 --> 00:09:35,120

them would say no that its scientific it

198

00:09:40,930 --> 00:09:37,579

has nothing to do with metaphysics and

199

00:09:43,780 --> 00:09:40,940

yet I say it has everything to do with

200

00:09:47,050 --> 00:09:43,790

your worldview your worldview will

201
00:09:49,090 --> 00:09:47,060
determine the type of medicine that you

202
00:09:51,579 --> 00:09:49,100
practice or the type of medicine that

203
00:09:53,650 --> 00:09:51,589
you seek out and it makes a big

204
00:09:56,980 --> 00:09:53,660
difference and though that's kind of the

205
00:10:00,189 --> 00:09:56,990
the bottom line messages that I'm trying

206
00:10:02,559 --> 00:10:00,199
to educate the public about regarding

207
00:10:04,569 --> 00:10:02,569
the differences between conventional

208
00:10:07,600 --> 00:10:04,579
medicine and alternative forms of

209
00:10:10,449 --> 00:10:07,610
medicine and homeopathy and so on what

210
00:10:12,939 --> 00:10:10,459
would I the phrase that kept coming up

211
00:10:16,509 --> 00:10:12,949
for me is I was reading this is your

212
00:10:20,500 --> 00:10:16,519
calling [h__\h] on materialistic

213
00:10:23,740 --> 00:10:20,510

science and what flows from that you're

214

00:10:26,470 --> 00:10:23,750

saying is fundamentally flawed so what I

215

00:10:28,809 --> 00:10:26,480

see is a big compared to what right so

216

00:10:31,259 --> 00:10:28,819

if you want to attack homeopathic

217

00:10:33,970 --> 00:10:31,269

medicine if you want to attack

218

00:10:36,280 --> 00:10:33,980

conventional medicine I think what I

219

00:10:36,970 --> 00:10:36,290

hear you saying is okay compared to now

220

00:10:42,430 --> 00:10:36,980

compared to

221

00:10:44,829 --> 00:10:42,440

we know it model that says that

222

00:10:46,720 --> 00:10:44,839

everything is reducible to matter which

223

00:10:48,910 --> 00:10:46,730

we know is wrong that says that

224

00:10:51,759 --> 00:10:48,920

consciousness is an illusion which is a

225

00:10:54,460 --> 00:10:51,769

is falsifiable from a number of respects

226

00:10:57,490 --> 00:10:54,470

and therefore takes all this mind brain

227

00:10:59,439 --> 00:10:57,500

interaction completely off the table so

228

00:11:01,480 --> 00:10:59,449

well that's what I read in your work is

229

00:11:03,460 --> 00:11:01,490

someone who's just stepping back and

230

00:11:06,910 --> 00:11:03,470

going wait a minute you know you guys

231

00:11:09,519 --> 00:11:06,920

are attacking this kind of medicine this

232

00:11:12,759 --> 00:11:09,529

kind of worldview when your worldview

233

00:11:15,030 --> 00:11:12,769

has been so decimated by the best

234

00:11:18,970 --> 00:11:15,040

scientific evidence that you have a

235

00:11:20,710 --> 00:11:18,980

non-starter as a paradigm at least the

236

00:11:23,230 --> 00:11:20,720

paradigm that we're starting with is

237

00:11:25,090 --> 00:11:23,240

closer to the reality that we're

238

00:11:27,069 --> 00:11:25,100

discovering so shouldn't that be the

239

00:11:29,019 --> 00:11:27,079

appropriate starting point that's what I

240

00:11:31,120 --> 00:11:29,029

hear you saying do you have any thoughts

241

00:11:36,519 --> 00:11:31,130

on that am I missing it are we in sync

242

00:11:38,889 --> 00:11:36,529

there no absolutely uh right on you know

243

00:11:41,650 --> 00:11:38,899

it's it I'm not anti-science and I'm

244

00:11:44,439 --> 00:11:41,660

sure you aren't either the point is it

245

00:11:47,160 --> 00:11:44,449

it depends how you define science and it

246

00:11:49,559 --> 00:11:47,170

and that's open to interpretation

247

00:11:53,199 --> 00:11:49,569

science to me as it was originally

248

00:11:56,470 --> 00:11:53,209

conceived was simply a method or a tool

249

00:11:59,680 --> 00:11:56,480

to learn about the world around us but

250

00:12:03,519 --> 00:11:59,690

over the course of time we have it has

251
00:12:06,910 --> 00:12:03,529
evolved now into our modern materialist

252
00:12:10,210 --> 00:12:06,920
science which has a whole set of rules

253
00:12:13,059 --> 00:12:10,220
and stipulations about how its practiced

254
00:12:17,019 --> 00:12:13,069
and what it can study and what it's all

255
00:12:20,050 --> 00:12:17,029
about and it does not at the same time

256
00:12:22,930 --> 00:12:20,060
it does not acknowledge those limits it

257
00:12:24,490 --> 00:12:22,940
simply says this this is the best there

258
00:12:26,500 --> 00:12:24,500
is and it won't acknowledge its own

259
00:12:28,809 --> 00:12:26,510
limitations so let me interject

260
00:12:34,019 --> 00:12:28,819
something give folks some specific

261
00:12:37,300 --> 00:12:34,029
examples of where that paradigm has

262
00:12:41,290 --> 00:12:37,310
consequences in terms of how people are

263
00:12:43,059 --> 00:12:41,300

diagnosed treated and the rest how we

264

00:12:44,530 --> 00:12:43,069

can put a finger right on where that

265

00:12:47,380 --> 00:12:44,540

that probably that really doesn't make a

266

00:12:50,860 --> 00:12:47,390

lot of sense sure sure well there's a

267

00:12:54,450 --> 00:12:50,870

lot of ways that what I call in

268

00:12:57,340 --> 00:12:54,460

of those isms of Medicine those sort of

269

00:13:00,550 --> 00:12:57,350

fundamentalist view points that are too

270

00:13:04,630 --> 00:13:00,560

rigid to be willing to change those isms

271

00:13:07,510 --> 00:13:04,640

inform the practice of medicine and wind

272

00:13:10,450 --> 00:13:07,520

up influencing the outcomes in medicine

273

00:13:12,970 --> 00:13:10,460

so for example you know just on the most

274

00:13:17,320 --> 00:13:12,980

fundamental level materialism when when

275

00:13:19,780 --> 00:13:17,330

science only chooses to study and

276

00:13:23,500 --> 00:13:19,790

acknowledge the reality of material

277

00:13:26,890 --> 00:13:23,510

existence it leaves out the entire other

278

00:13:29,470 --> 00:13:26,900

half of existence which is consciousness

279

00:13:33,240 --> 00:13:29,480

which is thought which is emotion which

280

00:13:35,680 --> 00:13:33,250

is everything having to do with mind and

281

00:13:37,480 --> 00:13:35,690

why not the if there's anything that

282

00:13:41,130 --> 00:13:37,490

I've learned from practicing homeopathic

283

00:13:44,560 --> 00:13:41,140

medicine over these 25 years it's that

284

00:13:48,390 --> 00:13:44,570

most illness most illness most physical

285

00:13:52,860 --> 00:13:48,400

illness has its origins in some sort of

286

00:13:56,680 --> 00:13:52,870

mental emotional spiritual trauma or

287

00:14:00,090 --> 00:13:56,690

misconception or or or issue or complex

288

00:14:03,310 --> 00:14:00,100

that feeds into and eventually generates

289

00:14:05,230 --> 00:14:03,320

physical symptomatology right so if you

290

00:14:06,910 --> 00:14:05,240

leave that out of your scientific

291

00:14:12,550 --> 00:14:06,920

equation how the heck are you supposed

292

00:14:15,670 --> 00:14:12,560

to handle any kind of illness right so

293

00:14:18,490 --> 00:14:15,680

that's sort of the materialistic ISM and

294

00:14:21,370 --> 00:14:18,500

I want him that's not that controversial

295

00:14:25,870 --> 00:14:21,380

I mean a lot of leading care or

296

00:14:28,180 --> 00:14:25,880

leading-edge conventional hospitals will

297

00:14:31,150 --> 00:14:28,190

will be caring for people in that way

298

00:14:33,760 --> 00:14:31,160

he'll the whole idea of psychology and

299

00:14:36,370 --> 00:14:33,770

psychiatry you know incorporates that in

300

00:14:38,500 --> 00:14:36,380

but I think what you point out in your

301
00:14:40,930 --> 00:14:38,510
book and in your writings is it's always

302
00:14:43,269 --> 00:14:40,940
done with this kind of backdoor hush

303
00:14:45,130 --> 00:14:43,279
hush don't call it that you know don't

304
00:14:47,500 --> 00:14:45,140
dare admit that we're treating the

305
00:14:49,930 --> 00:14:47,510
person holistically we have to kind of

306
00:14:53,740 --> 00:14:49,940
crammed it back into explaining it in

307
00:14:55,750 --> 00:14:53,750
these in these stupid terms that tie

308
00:14:58,060 --> 00:14:55,760
back to this paradigm that we have of

309
00:15:02,350 --> 00:14:58,070
materialism isn't isn't that what's

310
00:15:04,650 --> 00:15:02,360
going on a lot of times sure and and to

311
00:15:06,660 --> 00:15:04,660
me you know again I'm not

312
00:15:09,660 --> 00:15:06,670
my goal here isn't to tear apart

313
00:15:13,980 --> 00:15:09,670

medicine it's to point out flaws so that

314

00:15:16,939 --> 00:15:13,990

it can improve right but conventional

315

00:15:21,689 --> 00:15:16,949

medicines version of holism is rather

316

00:15:24,780 --> 00:15:21,699

facile it's just it's not holism to me

317

00:15:27,030 --> 00:15:24,790

doesn't have to do with putting pretty

318

00:15:29,069 --> 00:15:27,040

curtains up in comfortable beds in your

319

00:15:31,499 --> 00:15:29,079

hospital room and having a nice bedside

320

00:15:33,030 --> 00:15:31,509

manner when you approach the patient

321

00:15:35,790 --> 00:15:33,040

those are nice things and they're

322

00:15:38,990 --> 00:15:35,800

wonderful but that's not holistic

323

00:15:41,819 --> 00:15:39,000

medicine and to me that's where my

324

00:15:45,960 --> 00:15:41,829

homeopathic practice teaches me

325

00:15:50,189 --> 00:15:45,970

otherwise when I know that in order to

326

00:15:55,170 --> 00:15:50,199

treat so-and-so's migraines for example

327

00:15:57,540 --> 00:15:55,180

I have to investigate the very nature of

328

00:15:59,910 --> 00:15:57,550

that person's psyche and the things that

329

00:16:02,699 --> 00:15:59,920

are floating around in their mind so the

330

00:16:05,129 --> 00:16:02,709

person may tell me that they have a

331

00:16:08,280 --> 00:16:05,139

tendency to be jealous they have a

332

00:16:12,420 --> 00:16:08,290

tendency to be sarcastic and they have a

333

00:16:14,999 --> 00:16:12,430

distinct fear of snakes now that sounds

334

00:16:18,840 --> 00:16:15,009

rather strange but that is the exact

335

00:16:21,389 --> 00:16:18,850

those are the clues I need to in order

336

00:16:23,999 --> 00:16:21,399

to prescribe a very specific homeopathic

337

00:16:26,009 --> 00:16:24,009

substance that if it fits will very

338

00:16:28,590 --> 00:16:26,019

likely get rid of that person's

339

00:16:31,889 --> 00:16:28,600

migraines someone else may come along

340

00:16:35,280 --> 00:16:31,899

and say yeah I have migraines and I have

341

00:16:39,480 --> 00:16:35,290

a tendency to be apathetic and I can't

342

00:16:42,960 --> 00:16:39,490

get myself going and my my house is all

343

00:16:45,210 --> 00:16:42,970

cluttered and I can't motivate to do the

344

00:16:46,679 --> 00:16:45,220

things I want to do and I tend to be a

345

00:16:49,620 --> 00:16:46,689

bit of a know-it-all and I get in

346

00:16:52,170 --> 00:16:49,630

arguments all the time and I'm very warm

347

00:16:55,230 --> 00:16:52,180

blooded as such that you know I throw

348

00:16:57,540 --> 00:16:55,240

the covers off at night because i'm too

349

00:17:00,150 --> 00:16:57,550

hot under the covers and i also have

350

00:17:01,980 --> 00:17:00,160

itchy skin and and when i'm under the

351

00:17:05,340 --> 00:17:01,990

covers at night my skin itch is even

352

00:17:08,600 --> 00:17:05,350

more so and that's the profile of a

353

00:17:12,409 --> 00:17:08,610

certain archetype so to speak or

354

00:17:15,389 --> 00:17:12,419

stereotype that points to a specific

355

00:17:18,540 --> 00:17:15,399

substance a homeopathic substance that

356

00:17:20,690 --> 00:17:18,550

if given to that person will help him

357

00:17:24,120 --> 00:17:20,700

overcome his migraines and not only that

358

00:17:26,340 --> 00:17:24,130

since it's holistic medicine and since

359

00:17:27,890 --> 00:17:26,350

the goal is not just to treat the

360

00:17:29,730 --> 00:17:27,900

migraines because that's what

361

00:17:32,010 --> 00:17:29,740

conventional medicine would do it would

362

00:17:34,500 --> 00:17:32,020

give a pill specifically aimed at the

363

00:17:36,560 --> 00:17:34,510

migraines the treatment is aimed at the

364

00:17:39,810 --> 00:17:36,570

whole person and therefore the

365

00:17:41,460 --> 00:17:39,820

expectation would be that not only would

366

00:17:43,620 --> 00:17:41,470

his migraines get better but he might

367

00:17:45,480 --> 00:17:43,630

come back and say wow I feel more

368

00:17:48,300 --> 00:17:45,490

motivated i started to clean up my act

369

00:17:50,820 --> 00:17:48,310

my itchy skin isn't bothering me as much

370

00:17:54,420 --> 00:17:50,830

and i have a new perspective on life and

371

00:17:56,940 --> 00:17:54,430

that to me is a genuinely holistic

372

00:18:00,950 --> 00:17:56,950

approach that takes into account the

373

00:18:06,120 --> 00:18:00,960

whole right and so we you know there are

374

00:18:09,660 --> 00:18:06,130

sort of little clues you know in that

375

00:18:13,080 --> 00:18:09,670

medicine uses to realize that help us

376

00:18:18,080 --> 00:18:13,090

realize that it's not as holistic as

377

00:18:22,290 --> 00:18:20,520

you know one of those things that that

378

00:18:25,890 --> 00:18:22,300

word pseudoscience to the throws around

379

00:18:28,380 --> 00:18:25,900

to me that's kind of a classic thing

380

00:18:32,490 --> 00:18:28,390

that everybody falls for pseudoscience

381

00:18:34,800 --> 00:18:32,500

is a term used by science by

382

00:18:36,390 --> 00:18:34,810

conventional medical science for

383

00:18:39,680 --> 00:18:36,400

anything that simply doesn't conform to

384

00:18:42,690 --> 00:18:39,690

its set of rules you know it's like a

385

00:18:44,250 --> 00:18:42,700

bunch of players on the field saying you

386

00:18:45,570 --> 00:18:44,260

guys aren't playing by our rules

387

00:18:47,880 --> 00:18:45,580

therefore you don't know how to play

388

00:18:51,030 --> 00:18:47,890

right and yet all of these different

389

00:18:54,450 --> 00:18:51,040

holistic alternatives have unique sets

390

00:18:56,460 --> 00:18:54,460

of rules that don't conform to the isms

391

00:18:59,010 --> 00:18:56,470

of medicine to the materialism to the

392

00:19:01,890 --> 00:18:59,020

reductionism to rationalism to

393

00:19:04,830 --> 00:19:01,900

empiricism to objectivism and so on

394

00:19:09,030 --> 00:19:04,840

right maybe you know that's where I

395

00:19:13,460 --> 00:19:09,040

think I not sure that I'm one over by

396

00:19:16,650 --> 00:19:13,470

the the holistic treatments the holistic

397

00:19:19,560 --> 00:19:16,660

medicines if you will because you know

398

00:19:21,210 --> 00:19:19,570

when you push the issue like you did

399

00:19:23,070 --> 00:19:21,220

with those cases and I'd like you to go

400

00:19:25,080 --> 00:19:23,080

through those cases and follow through

401
00:19:26,940 --> 00:19:25,090
and tell us how that works out and you

402
00:19:30,170 --> 00:19:26,950
know how you treat people but to say

403
00:19:32,250 --> 00:19:30,180
okay that person needs to be looked at

404
00:19:35,520 --> 00:19:32,260
holistically

405
00:19:38,700 --> 00:19:35,530
we maybe need to be open to other

406
00:19:41,520 --> 00:19:38,710
healing modalities whether they be

407
00:19:44,010 --> 00:19:41,530
energy healing whether they be some kind

408
00:19:46,250 --> 00:19:44,020
of therapy whether they be some kind of

409
00:19:49,110 --> 00:19:46,260
group work there's so there's a whole

410
00:19:52,140 --> 00:19:49,120
smorgasbord of different possibilities

411
00:19:53,700 --> 00:19:52,150
that we can open ourselves up to if we

412
00:19:56,450 --> 00:19:53,710
say hey there's this consciousness

413
00:20:00,120 --> 00:19:56,460

element and we don't really know how to

414

00:20:02,520 --> 00:20:00,130

exactly effect it but that is key to

415

00:20:05,070 --> 00:20:02,530

this overall health that we're trying to

416

00:20:07,920 --> 00:20:05,080

achieve for this person so in that sense

417

00:20:10,170 --> 00:20:07,930

I'm in total agreement with you that we

418

00:20:13,650 --> 00:20:10,180

have to be open and look at those things

419

00:20:17,190 --> 00:20:13,660

I'm less convinced and I'd like you to

420

00:20:23,070 --> 00:20:17,200

convince me that we have good solid

421

00:20:26,850 --> 00:20:23,080

evidence to tie any particular set of

422

00:20:29,910 --> 00:20:26,860

symptoms that you might diagnose to this

423

00:20:32,730 --> 00:20:29,920

specific little medicine that's going to

424

00:20:35,760 --> 00:20:32,740

be given I mean again it the paradox is

425

00:20:38,220 --> 00:20:35,770

it sounds to me again so materialistic

426

00:20:39,540 --> 00:20:38,230

you know it's like oh you know what

427

00:20:42,120 --> 00:20:39,550

we're taking a holistic approach to

428

00:20:44,790 --> 00:20:42,130

diagnosis but at the end of the day the

429

00:20:46,530 --> 00:20:44,800

answer is medicine it's just in this

430

00:20:52,260 --> 00:20:46,540

different form what do you think about

431

00:20:54,090 --> 00:20:52,270

that I guess if you for someone who

432

00:20:56,430 --> 00:20:54,100

doesn't understand homeopathy it might

433

00:21:00,140 --> 00:20:56,440

appear that way because you're

434

00:21:03,060 --> 00:21:00,150

administering a pill so therefore

435

00:21:08,190 --> 00:21:03,070

someone assumes that's material medicine

436

00:21:11,760 --> 00:21:08,200

right but in reality that's been the

437

00:21:15,090 --> 00:21:11,770

knock against homeopathy for since its

438

00:21:17,130 --> 00:21:15,100

inception 200 years ago that the doses

439

00:21:20,600 --> 00:21:17,140

are so ridiculously small they can't

440

00:21:23,300 --> 00:21:20,610

possibly have any effect so conventional

441

00:21:26,550 --> 00:21:23,310

pharmacology would dismiss it as

442

00:21:29,480 --> 00:21:26,560

ineffectual because the material doses

443

00:21:33,120 --> 00:21:29,490

can't possibly work and homeopathy

444

00:21:37,230 --> 00:21:33,130

responds by saying well they do work and

445

00:21:40,170 --> 00:21:37,240

it's and then it speculates as to why

446

00:21:44,110 --> 00:21:40,180

they must work and so we have a variety

447

00:21:48,310 --> 00:21:44,120

of speculative answers that

448

00:21:50,110 --> 00:21:48,320

help to try to explain why it works and

449

00:21:51,400 --> 00:21:50,120

that isn't that isn't a lot of that just

450

00:21:54,670 --> 00:21:51,410

because you're on the other guys playing

451
00:21:57,640 --> 00:21:54,680
field I mean you have to play by those

452
00:21:59,470 --> 00:21:57,650
rules to a certain extent because that's

453
00:22:01,570 --> 00:21:59,480
the way the game has been played out I

454
00:22:03,670 --> 00:22:01,580
mean if I walked into your office and

455
00:22:06,910 --> 00:22:03,680
you had a bunch of crystals around and

456
00:22:09,820 --> 00:22:06,920
at the end told me that the the crystal

457
00:22:12,430 --> 00:22:09,830
energy had had played a part in my

458
00:22:14,410 --> 00:22:12,440
healing there might be a reality to that

459
00:22:16,600 --> 00:22:14,420
I don't dismiss that I don't know if

460
00:22:19,960 --> 00:22:16,610
that's true or not but I don't think

461
00:22:21,550 --> 00:22:19,970
that that would get you very far in the

462
00:22:23,260 --> 00:22:21,560
same way you know we did a show on

463
00:22:25,390 --> 00:22:23,270

energy healing and I went through an

464

00:22:27,940 --> 00:22:25,400

energy healing and reported on and on

465

00:22:30,850 --> 00:22:27,950

the show I don't understand how energy

466

00:22:34,750 --> 00:22:30,860

healing interacts with consciousness but

467

00:22:38,040 --> 00:22:34,760

it seemed to work in my case so again

468

00:22:42,340 --> 00:22:38,050

I'm uncomfortable with the idea that

469

00:22:47,020 --> 00:22:42,350

that we have to in the process of being

470

00:22:49,000 --> 00:22:47,030

open to alternative medicine have to

471

00:22:51,340 --> 00:22:49,010

again kind of play by the other guys

472

00:22:53,440 --> 00:22:51,350

rule and say and here's the answer it's

473

00:22:55,330 --> 00:22:53,450

in this little bottle here take seven

474

00:22:58,210 --> 00:22:55,340

drops in your water and you'll be you'll

475

00:22:59,980 --> 00:22:58,220

be good as rain it is it not the

476

00:23:02,830 --> 00:22:59,990

interaction that they've had with you

477

00:23:06,990 --> 00:23:02,840

somehow your consciousness affecting

478

00:23:09,160 --> 00:23:07,000

there's or or any other number of

479

00:23:11,020 --> 00:23:09,170

variables that we would have to be open

480

00:23:15,040 --> 00:23:11,030

to if we opened up to the reality of

481

00:23:16,750 --> 00:23:15,050

consciousness sure those would be

482

00:23:21,070 --> 00:23:16,760

factors but that's not the primary

483

00:23:22,750 --> 00:23:21,080

factor in the how homeopathy works right

484

00:23:25,390 --> 00:23:22,760

it's a factor just like anything else

485

00:23:29,140 --> 00:23:25,400

and you know as far as I'm concerned I

486

00:23:31,780 --> 00:23:29,150

don't really try to present it to people

487

00:23:34,630 --> 00:23:31,790

in scientific terms I've gone way past

488

00:23:39,220 --> 00:23:34,640

that I'm no longer interested in you

489

00:23:41,710 --> 00:23:39,230

know satisfying scientific demands for

490

00:23:44,230 --> 00:23:41,720

explanations because i'll waste the rest

491

00:23:46,990 --> 00:23:44,240

of my life trying to do that instead of

492

00:23:49,120 --> 00:23:47,000

moving along and continuing to treat

493

00:23:51,700 --> 00:23:49,130

people and learning through the lessons

494

00:23:55,410 --> 00:23:51,710

that I see and the interactions that

495

00:23:57,769 --> 00:23:55,420

occur in practicing my medicine now

496

00:24:00,769 --> 00:23:57,779

homeopathy to me is

497

00:24:04,789 --> 00:24:00,779

energy medicine because it does not work

498

00:24:07,399 --> 00:24:04,799

on a material level it doesn't work on a

499

00:24:11,209 --> 00:24:07,409

biological or a chemical level it works

500

00:24:13,519 --> 00:24:11,219

somehow on the level of spirit or

501
00:24:16,070 --> 00:24:13,529
physics or energy or whatever you want

502
00:24:18,739 --> 00:24:16,080
to call it it doesn't matter to me how I

503
00:24:20,869 --> 00:24:18,749
explain it really it matters to my

504
00:24:22,729 --> 00:24:20,879
patients my patients want to know how is

505
00:24:26,419 --> 00:24:22,739
it possible that my migraines are gone

506
00:24:28,729 --> 00:24:26,429
after 10 years you know and so I can

507
00:24:31,519 --> 00:24:28,739
come up with a variety of explanations

508
00:24:33,009 --> 00:24:31,529
which sound logical but it doesn't

509
00:24:36,829 --> 00:24:33,019
matter to me it's a phenomenological

510
00:24:39,409 --> 00:24:36,839
approach that I take that proves itself

511
00:24:42,159 --> 00:24:39,419
over and over and over again and has

512
00:24:44,419 --> 00:24:42,169
proven itself over and over again to

513
00:24:47,930 --> 00:24:44,429

thousands of practitioners and millions

514

00:24:50,539 --> 00:24:47,940

of patients for 200 years so to to say

515

00:24:52,099 --> 00:24:50,549

well you know what medicine then steps

516

00:24:53,899 --> 00:24:52,109

in and says yeah but how come you can't

517

00:24:55,459 --> 00:24:53,909

explain it and I say I don't know I

518

00:24:58,369 --> 00:24:55,469

can't explain it it doesn't matter to me

519

00:25:00,919 --> 00:24:58,379

that I can't explain it it what matters

520

00:25:02,599 --> 00:25:00,929

to me and should matter to you is that

521

00:25:04,969 --> 00:25:02,609

it works and you should be curious

522

00:25:06,769 --> 00:25:04,979

enough to want to know that about

523

00:25:10,669 --> 00:25:06,779

something that can actually help your

524

00:25:15,560 --> 00:25:10,679

patients right and so you by you you you

525

00:25:18,200 --> 00:25:15,570

you by step that that step of having to

526

00:25:20,839 --> 00:25:18,210

explain and in essence that's what

527

00:25:22,669 --> 00:25:20,849

medicine is all about that's the sort of

528

00:25:26,479 --> 00:25:22,679

irony of it all right conventional

529

00:25:29,709 --> 00:25:26,489

medicine because of the nature of its

530

00:25:33,769 --> 00:25:29,719

isms and the limitations of its approach

531

00:25:36,919 --> 00:25:33,779

has very limited ability to treat

532

00:25:39,829 --> 00:25:36,929

illnesses it has almost nothing to offer

533

00:25:41,930 --> 00:25:39,839

chronic illness so most people who have

534

00:25:43,399 --> 00:25:41,940

chronic illnesses have to live with them

535

00:25:46,700 --> 00:25:43,409

for the rest of their lives that's what

536

00:25:50,239 --> 00:25:46,710

chronic illness is right and that's

537

00:25:52,989 --> 00:25:50,249

because their worldview doesn't allow

538

00:25:55,070 --> 00:25:52,999

them to think outside that box and

539

00:25:58,789 --> 00:25:55,080

doesn't allow them to seek other

540

00:26:01,849 --> 00:25:58,799

approaches that could operate on a level

541

00:26:04,339 --> 00:26:01,859

beyond just the material on the level of

542

00:26:07,239 --> 00:26:04,349

energy or an on level of physics or on a

543

00:26:10,279 --> 00:26:07,249

level of bioenergy or the life force or

544

00:26:11,539 --> 00:26:10,289

consciousness or mind-body or however

545

00:26:14,450 --> 00:26:11,549

you want to frame the

546

00:26:16,310 --> 00:26:14,460

or characterize that all of these

547

00:26:19,220 --> 00:26:16,320

different approaches that are not

548

00:26:23,019 --> 00:26:19,230

necessarily materialistic are operating

549

00:26:27,169 --> 00:26:23,029

on some other level that have real life

550

00:26:31,029 --> 00:26:27,179

impact right and you know one of the

551
00:26:34,509 --> 00:26:31,039
another sort of revealing idea in

552
00:26:40,539 --> 00:26:34,519
conventional medicine is the idea of of

553
00:26:44,539 --> 00:26:40,549
placebos so to me you know a placebo in

554
00:26:47,299 --> 00:26:44,549
conventional parlance is an excuse to

555
00:26:49,460 --> 00:26:47,309
ignore the mind-body concept right

556
00:26:51,289 --> 00:26:49,470
that's all it is we're just taking it

557
00:26:53,930 --> 00:26:51,299
and sticking in a box and calling it a

558
00:26:55,849 --> 00:26:53,940
placebo which enables us to stick to our

559
00:26:58,700 --> 00:26:55,859
materialistic medicine that's all it

560
00:27:03,340 --> 00:26:58,710
amounts to and yet that's really

561
00:27:06,789 --> 00:27:03,350
powerful important stuff and yes my

562
00:27:11,779 --> 00:27:06,799
homeopathic interaction with my patients

563
00:27:14,269 --> 00:27:11,789

involves mind and and my my demeanor and

564

00:27:19,549 --> 00:27:14,279

the way I approach them has some impact

565

00:27:23,749 --> 00:27:19,559

on their healing process but if you were

566

00:27:25,369 --> 00:27:23,759

to observe the actual results and the

567

00:27:27,499 --> 00:27:25,379

problems that they start with and the

568

00:27:29,440 --> 00:27:27,509

problems with the end with and how long

569

00:27:31,849 --> 00:27:29,450

it takes to get over something like

570

00:27:36,619 --> 00:27:31,859

rheumatoid arthritis some things that

571

00:27:39,590 --> 00:27:36,629

are so seemingly material are so densely

572

00:27:41,899 --> 00:27:39,600

in ingrained in the person and to see

573

00:27:44,180 --> 00:27:41,909

those things change you realize that's

574

00:27:49,190 --> 00:27:44,190

way beyond the placebo effect it's way

575

00:27:51,619 --> 00:27:49,200

beyond a routine mind-body effect it's a

576
00:27:53,930 --> 00:27:51,629
more powerful phenomenon that can be

577
00:27:56,869 --> 00:27:53,940
harnessed and that's that's really

578
00:27:58,489 --> 00:27:56,879
important to understand yeah I'm done

579
00:28:01,759 --> 00:27:58,499
with a lot of that I'm just a little bit

580
00:28:03,979 --> 00:28:01,769
resistant to putting it back in the same

581
00:28:06,440 --> 00:28:03,989
box you know and that's what I see

582
00:28:10,519 --> 00:28:06,450
happening sometimes with homeopathic

583
00:28:13,789 --> 00:28:10,529
medicine is that we can't deal with all

584
00:28:17,680 --> 00:28:13,799
the mystery we can't deal with the

585
00:28:21,259 --> 00:28:17,690
mystery of placebo energy healing

586
00:28:23,060 --> 00:28:21,269
environmental subtle interactions we

587
00:28:25,049 --> 00:28:23,070
roll all that together say gee we don't

588
00:28:27,749 --> 00:28:25,059

know so what we're

589

00:28:30,210 --> 00:28:27,759

going to put this little medicine here

590

00:28:31,830 --> 00:28:30,220

in a box because that's what people are

591

00:28:33,480 --> 00:28:31,840

comfortable with and that's how we're

592

00:28:35,909 --> 00:28:33,490

going to interact with it you know I

593

00:28:39,360 --> 00:28:35,919

parallel to me and this is maybe

594

00:28:42,389 --> 00:28:39,370

venturing into the spiritual realm in a

595

00:28:44,759 --> 00:28:42,399

sense is that I've worked with mediums

596

00:28:48,860 --> 00:28:44,769

on the show psychic mediums and I've

597

00:28:51,749 --> 00:28:48,870

also worked with psychics in relative to

598

00:28:53,519 --> 00:28:51,759

psychic detective work you know and if

599

00:28:56,359 --> 00:28:53,529

you talk to those people some of them

600

00:29:00,690 --> 00:28:56,369

have different methods modalities of

601
00:29:04,919 --> 00:29:00,700
tapping into whatever that field is that

602
00:29:06,840 --> 00:29:04,929
is a reality like if you're a psychic

603
00:29:09,269 --> 00:29:06,850
detective and you can go out and find

604
00:29:12,090 --> 00:29:09,279
bodies like some of the ones I've talked

605
00:29:13,739 --> 00:29:12,100
to hey you somehow there's a reality to

606
00:29:15,029 --> 00:29:13,749
what you do so the question is how do

607
00:29:17,279 --> 00:29:15,039
you do it and you talked to some of them

608
00:29:20,430 --> 00:29:17,289
they say oh I use tarot cards you know I

609
00:29:22,080 --> 00:29:20,440
use card reading well what's there to

610
00:29:25,619 --> 00:29:22,090
card reading and somebody else's all use

611
00:29:27,269 --> 00:29:25,629
psycho apathy where I take an object and

612
00:29:28,950 --> 00:29:27,279
that has certain energy and do it and

613
00:29:31,619 --> 00:29:28,960

the more you talk to these people what i

614

00:29:36,060 --> 00:29:31,629

realize is those are just vehicles those

615

00:29:38,970 --> 00:29:36,070

are just ways for them to tie into

616

00:29:41,639 --> 00:29:38,980

whatever this mystery is but it isn't

617

00:29:43,739 --> 00:29:41,649

dependent on those tools I mean it might

618

00:29:46,049 --> 00:29:43,749

be for that individual person but it

619

00:29:48,029 --> 00:29:46,059

doesn't really expose the underlying

620

00:29:50,100 --> 00:29:48,039

reality and I'm with you I don't think

621

00:29:53,549 --> 00:29:50,110

we have to know the underlying reality

622

00:29:56,399 --> 00:29:53,559

in order to use the tools I just think

623

00:29:59,700 --> 00:29:56,409

we have to be a little bit careful about

624

00:30:02,489 --> 00:29:59,710

falling into the trap of putting so much

625

00:30:05,190 --> 00:30:02,499

attention on the tools instead of just

626

00:30:08,820 --> 00:30:05,200

focusing on the mystery because that's

627

00:30:11,220 --> 00:30:08,830

what we're really talking about here uh

628

00:30:13,320 --> 00:30:11,230

I think I understand saying I'm not sure

629

00:30:17,220 --> 00:30:13,330

how how you think homeopathy is in the

630

00:30:19,909 --> 00:30:17,230

same box it I mean to me there's no

631

00:30:22,499 --> 00:30:19,919

doubt that there are all sorts of

632

00:30:25,619 --> 00:30:22,509

psychic phenomena and there are all

633

00:30:29,970 --> 00:30:25,629

sorts of individuals out there who have

634

00:30:34,080 --> 00:30:29,980

various talents and gifts some of which

635

00:30:36,029 --> 00:30:34,090

are beyond the the you know the norm and

636

00:30:38,169 --> 00:30:36,039

make use of those gifts through all

637

00:30:40,269 --> 00:30:38,179

sorts of means

638

00:30:42,730 --> 00:30:40,279

and so there's there's nothing wrong

639

00:30:44,619 --> 00:30:42,740

with that that's great stuff but the

640

00:30:48,009 --> 00:30:44,629

nice thing about homeopathy is as an

641

00:30:51,489 --> 00:30:48,019

actual sort of standardized methodology

642

00:30:54,190 --> 00:30:51,499

that anyone can use to get those sorts

643

00:30:58,690 --> 00:30:54,200

of results on a mind-body level so it

644

00:31:04,659 --> 00:30:58,700

makes it very accessible and it's not

645

00:31:07,619 --> 00:31:04,669

dismissing all of the various psychic

646

00:31:10,989 --> 00:31:07,629

phenomena or mind-body or consciousness

647

00:31:13,659 --> 00:31:10,999

related issues it acknowledges all that

648

00:31:16,720 --> 00:31:13,669

but it also has its own methodology that

649

00:31:21,159 --> 00:31:16,730

it has to follow in order to be

650

00:31:23,489 --> 00:31:21,169

practiced effectively and so you know in

651
00:31:27,129 --> 00:31:23,499
that sense it is a science you know

652
00:31:31,480 --> 00:31:27,139
homeopathy to me is the science of

653
00:31:35,019 --> 00:31:31,490
similar at the science of using the

654
00:31:37,989 --> 00:31:35,029
energy of substances to treat illnesses

655
00:31:40,509 --> 00:31:37,999
that have similar energies right to me

656
00:31:46,119 --> 00:31:40,519
the world is full of archetypal energies

657
00:31:49,029 --> 00:31:46,129
and each substance manifests by

658
00:31:52,389 --> 00:31:49,039
expressing an archetypal energy and the

659
00:31:56,739 --> 00:31:52,399
same applies to people's symptom

660
00:31:59,799 --> 00:31:56,749
patterns and the complexes that they get

661
00:32:02,230 --> 00:31:59,809
our subject to and get stuck in there

662
00:32:04,570 --> 00:32:02,240
they represent archetypal energies and

663
00:32:06,789 --> 00:32:04,580

so when you when you bring together the

664

00:32:10,119 --> 00:32:06,799

archetypal energy of the person of the

665

00:32:13,539 --> 00:32:10,129

symptom pattern of the person with a

666

00:32:15,940 --> 00:32:13,549

substance that resonates that that

667

00:32:18,220 --> 00:32:15,950

vibrates at a similar frequency or a

668

00:32:21,399 --> 00:32:18,230

similar I cart with archetypal energy

669

00:32:24,310 --> 00:32:21,409

then you get this rather remarkable

670

00:32:27,190 --> 00:32:24,320

response that has been observed over and

671

00:32:29,350 --> 00:32:27,200

over again and when you see that in that

672

00:32:31,060 --> 00:32:29,360

then makes you reflect back upon the

673

00:32:33,820 --> 00:32:31,070

nature of things and say okay if this is

674

00:32:36,909 --> 00:32:33,830

true it changes everything I think about

675

00:32:38,619 --> 00:32:36,919

medicine right yep you know I don't know

676
00:32:40,810 --> 00:32:38,629
if you notice Larry but when we opened

677
00:32:43,690 --> 00:32:40,820
up this discussion to the skeptical form

678
00:32:45,159 --> 00:32:43,700
one of the members Bucky who i'm not

679
00:32:47,109 --> 00:32:45,169
going to real his real name but I know

680
00:32:49,710 --> 00:32:47,119
him he's really smart guy and has helped

681
00:32:51,850 --> 00:32:49,720
out on the show a couple of times but he

682
00:32:54,669 --> 00:32:51,860
exposed me to some really

683
00:32:58,289 --> 00:32:54,679
rather amazing research being done in

684
00:33:02,020 --> 00:32:58,299
Italy where a very high-profile

685
00:33:04,720 --> 00:33:02,030
conventional doctor is using low-dose

686
00:33:07,810 --> 00:33:04,730
medicine does that sound like a kind of

687
00:33:11,100 --> 00:33:07,820
reframe of homeopathic treatments but

688
00:33:14,799 --> 00:33:11,110

he's using way way lower than would be

689

00:33:17,500 --> 00:33:14,809

clinically shown to be efficacious doses

690

00:33:20,560 --> 00:33:17,510

of medicine on his cancer patients and

691

00:33:22,210 --> 00:33:20,570

has achieved rather amazing results

692

00:33:25,480 --> 00:33:22,220

again this is the conventional path

693

00:33:27,549 --> 00:33:25,490

published in conventional journals and

694

00:33:30,310 --> 00:33:27,559

all that kind of stuff are you aware of

695

00:33:33,610 --> 00:33:30,320

this low-dose medicine trend in

696

00:33:35,890 --> 00:33:33,620

conventional medicine no I'm not aware

697

00:33:37,750 --> 00:33:35,900

of it in any detail but it's not

698

00:33:39,880 --> 00:33:37,760

surprising at all and any homeopath

699

00:33:41,500 --> 00:33:39,890

would say well gee that makes sense

700

00:33:44,980 --> 00:33:41,510

because when you get down into those

701

00:33:48,970 --> 00:33:44,990

lower truly low doses it's not about

702

00:33:51,159 --> 00:33:48,980

dosing anymore it's about energy so when

703

00:33:54,720 --> 00:33:51,169

when you don't have enough material

704

00:33:57,100 --> 00:33:54,730

substance to create some sort of

705

00:33:58,659 --> 00:33:57,110

physiological reaction or phenomena

706

00:34:01,600 --> 00:33:58,669

anymore you're dealing on a different

707

00:34:04,659 --> 00:34:01,610

level so perhaps that's what's happening

708

00:34:08,830 --> 00:34:04,669

and it's not surprising and medicine is

709

00:34:12,129 --> 00:34:08,840

famous for you know taking things and

710

00:34:14,500 --> 00:34:12,139

making it its own in making it over into

711

00:34:17,820 --> 00:34:14,510

its own the problem is usually when it

712

00:34:22,119 --> 00:34:17,830

does so it's throwing out 200 years of

713

00:34:24,639 --> 00:34:22,129

of history and experience and and

714

00:34:27,970 --> 00:34:24,649

reinventing the wheel when it has

715

00:34:30,700 --> 00:34:27,980

everything it needs to learn in the case

716

00:34:32,080 --> 00:34:30,710

of low-dose medicine from homeopathy it

717

00:34:35,260 --> 00:34:32,090

could learn all kinds of things that

718

00:34:37,540 --> 00:34:35,270

would corroborate perhaps the findings

719

00:34:39,760 --> 00:34:37,550

that they're getting so it's not

720

00:34:41,530 --> 00:34:39,770

surprising at all there's a whole

721

00:34:46,349 --> 00:34:41,540

science called hormesis it's the same

722

00:34:49,899 --> 00:34:46,359

thing you know a hor mes is hormesis

723

00:34:54,909 --> 00:34:49,909

their journals of hormesis that talk

724

00:34:58,900 --> 00:34:54,919

about dose-dependent effects you know on

725

00:35:00,940 --> 00:34:58,910

and when certain drugs are used or in

726

00:35:03,280 --> 00:35:00,950

different dosages you get completely

727

00:35:05,220 --> 00:35:03,290

different effects when you when it's too

728

00:35:06,950 --> 00:35:05,230

high a dose you can get a toxic

729

00:35:09,270 --> 00:35:06,960

like when it's just right you get a

730

00:35:11,760 --> 00:35:09,280

conventional therapeutic effect when

731

00:35:13,650 --> 00:35:11,770

it's very low dose you get a stimulatory

732

00:35:16,349 --> 00:35:13,660

effect that's what they refer to it as

733

00:35:19,890 --> 00:35:16,359

it somehow stimulates something to

734

00:35:25,620 --> 00:35:19,900

happen you know and so homeopathy makes

735

00:35:29,040 --> 00:35:25,630

use of that a stimulus-response energy

736

00:35:33,000 --> 00:35:29,050

effect so we use an energy to generate a

737

00:35:36,300 --> 00:35:33,010

response and sit back and watch the life

738

00:35:40,020 --> 00:35:36,310

force do its thing and follow it along

739

00:35:42,570 --> 00:35:40,030

and judge whether it's moving in a

740

00:35:44,820 --> 00:35:42,580

healthy direction or movie or not moving

741

00:35:47,370 --> 00:35:44,830

in a healthy direction or or just

742

00:35:50,040 --> 00:35:47,380

remaining stuck where it is right so

743

00:35:53,030 --> 00:35:50,050

there's a whole ton of information that

744

00:35:57,420 --> 00:35:53,040

homeopathy could lend to something like

745

00:35:58,770 --> 00:35:57,430

low-dose medicine Larry your book let's

746

00:36:01,470 --> 00:35:58,780

talk about these a couple of these books

747

00:36:03,359 --> 00:36:01,480

first metaphysics and medicine restoring

748

00:36:06,470 --> 00:36:03,369

freedom of thought to the art and

749

00:36:09,060 --> 00:36:06,480

science of healing what's that about

750

00:36:11,030 --> 00:36:09,070

well it's a lot of it is about what

751

00:36:15,590 --> 00:36:11,040

we've been talking about without the

752

00:36:18,240 --> 00:36:15,600

without the homeopathy it's it's really

753

00:36:21,359 --> 00:36:18,250

several themes run throughout one of

754

00:36:26,210 --> 00:36:21,369

which is the idea that these isms of

755

00:36:29,099 --> 00:36:26,220

medicine and in essence result in a

756

00:36:31,500 --> 00:36:29,109

swelling of freedom of thought within

757

00:36:35,760 --> 00:36:31,510

medicine if you can't think outside

758

00:36:38,190 --> 00:36:35,770

those rules then how are we to come up

759

00:36:40,410 --> 00:36:38,200

with new ideas find new ways of healing

760

00:36:43,380 --> 00:36:40,420

and treating people so freedom of

761

00:36:46,080 --> 00:36:43,390

thought is limited it's by conventional

762

00:36:48,960 --> 00:36:46,090

medicine it's all about the logic of

763

00:36:51,710 --> 00:36:48,970

medicine versus the reality of patients

764

00:36:56,070 --> 00:36:51,720

so another one of those isms is

765

00:37:00,780 --> 00:36:56,080

rationalism if to me this is sort of the

766

00:37:04,830 --> 00:37:00,790

modern disease where we're such thinking

767

00:37:09,720 --> 00:37:04,840

beings that we are inclined to believe

768

00:37:12,560 --> 00:37:09,730

things that sound logical and that make

769

00:37:17,359 --> 00:37:12,570

logical sense to us right rather than

770

00:37:18,930 --> 00:37:17,369

the reality of patients and their own

771

00:37:23,280 --> 00:37:18,940

experiences and the

772

00:37:27,329 --> 00:37:23,290

that effect of these isms is to downplay

773

00:37:31,250 --> 00:37:27,339

and denigrate the experiential reality

774

00:37:35,000 --> 00:37:31,260

of patients and the the validity of

775

00:37:38,190 --> 00:37:35,010

people's experiences science actually

776

00:37:41,550 --> 00:37:38,200

mistrusts experience almost as its

777

00:37:44,510 --> 00:37:41,560

baseline position I don't trust your

778

00:37:46,920 --> 00:37:44,520

experience that's why a doctor will say

779

00:37:48,599 --> 00:37:46,930

after patient explained something a

780

00:37:51,540 --> 00:37:48,609

doctor at least may think to them to

781

00:37:54,450 --> 00:37:51,550

himself well that's just anecdote that's

782

00:37:57,660 --> 00:37:54,460

an anecdotal story let's find out what

783

00:38:00,000 --> 00:37:57,670

the science says we'll run the tests and

784

00:38:03,809 --> 00:38:00,010

do the x-rays and then we'll get the

785

00:38:06,420 --> 00:38:03,819

real story right and so that plays

786

00:38:08,880 --> 00:38:06,430

itself out in reality in many ways right

787

00:38:13,290 --> 00:38:08,890

so you have sort of a the logic of

788

00:38:15,420 --> 00:38:13,300

Medicine says that depression is a

789

00:38:17,970 --> 00:38:15,430

chemical imbalance having something to

790

00:38:20,609 --> 00:38:17,980

do with you know neurons and

791

00:38:24,000 --> 00:38:20,619

neurochemical and serotonin and so on

792

00:38:25,530 --> 00:38:24,010

and the patient says no my depression

793

00:38:28,470 --> 00:38:25,540

has to do with the fact that I got fired

794

00:38:30,839 --> 00:38:28,480

from my job to two months ago right or

795

00:38:31,920 --> 00:38:30,849

the other patient says no my depression

796

00:38:33,420 --> 00:38:31,930

has to do with the fact that my

797

00:38:37,069 --> 00:38:33,430

grandmother died and she was my best

798

00:38:40,770 --> 00:38:37,079

friend in the whole world right and so

799

00:38:45,210 --> 00:38:40,780

it I don't doubt that on the material

800

00:38:46,740 --> 00:38:45,220

level you may find that the death of

801
00:38:50,160 --> 00:38:46,750
your grandmother are the loss of your

802
00:38:51,900 --> 00:38:50,170
job alters your brain chemistry in a

803
00:38:54,510 --> 00:38:51,910
certain way but that doesn't mean the

804
00:38:57,230 --> 00:38:54,520
brain chemistry is the source or cause

805
00:38:59,910 --> 00:38:57,240
of your depression it's simply an

806
00:39:01,530 --> 00:38:59,920
accompanying phenomenon that goes along

807
00:39:07,200 --> 00:39:01,540
with your depression on the material

808
00:39:13,170 --> 00:39:07,210
level right on another very simple level

809
00:39:16,859 --> 00:39:13,180
you have sort of basic protocols like

810
00:39:19,640 --> 00:39:16,869
when someone injures a body part right

811
00:39:21,960 --> 00:39:19,650
sprains an ankle for example

812
00:39:25,290 --> 00:39:21,970
automatically every doctor on a planet

813
00:39:27,480 --> 00:39:25,300

and every other ancillary health

814

00:39:31,140 --> 00:39:27,490

professional will say put ice on it you

815

00:39:32,829 --> 00:39:31,150

got to put ice on it right and what

816

00:39:36,009 --> 00:39:32,839

homeopathy teaches me

817

00:39:38,049 --> 00:39:36,019

is that that's not always true and there

818

00:39:41,769 --> 00:39:38,059

are plenty of people out there who will

819

00:39:43,599 --> 00:39:41,779

say I sprained my ankle and I attempted

820

00:39:46,059 --> 00:39:43,609

to put ice on it and it aggravated the

821

00:39:48,489 --> 00:39:46,069

heck out of it but and so then I tried

822

00:39:51,339 --> 00:39:48,499

heat and it actually helped and the same

823

00:39:54,039 --> 00:39:51,349

is true down the road so it could be you

824

00:39:56,349 --> 00:39:54,049

know uh it could be three months after I

825

00:39:58,799 --> 00:39:56,359

sprained my ankle my ankle still bothers

826

00:40:02,259 --> 00:39:58,809

me it's still sore it's still stiff and

827

00:40:05,380 --> 00:40:02,269

a certain percentage of people will say

828

00:40:07,059 --> 00:40:05,390

that putting ice on it helps it feel

829

00:40:08,620 --> 00:40:07,069

better and another percentage of people

830

00:40:10,989 --> 00:40:08,630

will say putting heat on it makes it

831

00:40:14,099 --> 00:40:10,999

feel better so there are no rules there

832

00:40:16,209 --> 00:40:14,109

are only individual realities of

833

00:40:18,690 --> 00:40:16,219

individual symptom patterns and

834

00:40:21,940 --> 00:40:18,700

individual patients and that

835

00:40:24,609 --> 00:40:21,950

experiential reality reality that we

836

00:40:27,999 --> 00:40:24,619

should be listening to and from our

837

00:40:30,219 --> 00:40:28,009

patients is what counts not to say that

838

00:40:32,859 --> 00:40:30,229

the logic of medicine doesn't have a

839

00:40:37,410 --> 00:40:32,869

role right certainly it makes sense that

840

00:40:40,269 --> 00:40:37,420

if you medicine teaches us that if we

841

00:40:41,709 --> 00:40:40,279

rupture an artery and we need to go in

842

00:40:43,859 --> 00:40:41,719

there and cut you open and figure out

843

00:40:47,440 --> 00:40:43,869

how to sew it up and so on and so forth

844

00:40:49,989 --> 00:40:47,450

in that sense that logic makes same

845

00:40:53,140 --> 00:40:49,999

sense but many times especially in terms

846

00:40:56,109 --> 00:40:53,150

of chronic illnesses the logic of

847

00:40:58,509 --> 00:40:56,119

medicine doesn't make sense and often

848

00:41:00,880 --> 00:40:58,519

runs contrary to the experience of

849

00:41:04,329 --> 00:41:00,890

people I want to touch on a couple of

850

00:41:06,249 --> 00:41:04,339

things there first the operative word to

851

00:41:10,120 --> 00:41:06,259

me in what you're talking about is

852

00:41:13,959 --> 00:41:10,130

freedom you know the freedom to explore

853

00:41:17,140 --> 00:41:13,969

the boundaries of what we know in terms

854

00:41:20,499 --> 00:41:17,150

of healing and I think that anyone who

855

00:41:23,019 --> 00:41:20,509

just takes an honest look at medical

856

00:41:24,549 --> 00:41:23,029

science and the way it advances will see

857

00:41:27,009 --> 00:41:24,559

that there really isn't that freedom I

858

00:41:29,140 --> 00:41:27,019

mean these guys are in a box in terms of

859

00:41:31,329 --> 00:41:29,150

what they can research what tests they

860

00:41:33,759 --> 00:41:31,339

can fund and gosh darn it they better

861

00:41:36,969 --> 00:41:33,769

get these results that are supported by

862

00:41:38,709 --> 00:41:36,979

our corporate sponsors or it just isn't

863

00:41:40,809 --> 00:41:38,719

going anywhere that's just a reality

864

00:41:42,430 --> 00:41:40,819

we've spoken about that many times on

865

00:41:44,620 --> 00:41:42,440

this show and anyone who doesn't

866

00:41:46,660 --> 00:41:44,630

acknowledge that I think is is just got

867

00:41:48,340 --> 00:41:46,670

their head in the sand so there isn't

868

00:41:49,810 --> 00:41:48,350

freedom to explore these other things

869

00:41:52,270 --> 00:41:49,820

the other thing that I think is

870

00:41:53,530 --> 00:41:52,280

extremely profound about what you're

871

00:41:56,200 --> 00:41:53,540

saying and it's again something we've

872

00:41:59,680 --> 00:41:56,210

talked about a lot is that if you get

873

00:42:02,590 --> 00:41:59,690

the big picture stuff wrong you can't

874

00:42:05,410 --> 00:42:02,600

get a lot of stuff right and what you

875

00:42:07,060 --> 00:42:05,420

touched on about experience is I think

876

00:42:10,270 --> 00:42:07,070

fundamental to this because it relates

877

00:42:13,350 --> 00:42:10,280

to consciousness the scientific paradigm

878

00:42:16,570 --> 00:42:13,360

that we live in tells us that we are

879

00:42:20,230 --> 00:42:16,580

biological robots that we are purely a

880

00:42:23,590 --> 00:42:20,240

product of our brain that there is no us

881

00:42:26,530 --> 00:42:23,600

in there there is no reality to our

882

00:42:29,380 --> 00:42:26,540

experience and that filters down like

883

00:42:32,640 --> 00:42:29,390

you're saying into a medical profession

884

00:42:35,890 --> 00:42:32,650

that really does not want to hear about

885

00:42:38,320 --> 00:42:35,900

experience and then an insurance

886

00:42:39,880 --> 00:42:38,330

industry that that certainly doesn't

887

00:42:42,370 --> 00:42:39,890

want to hear about it because they can't

888

00:42:45,100 --> 00:42:42,380

charge for it and they can't tie it back

889

00:42:48,010 --> 00:42:45,110

to a billable kind of item so I think

890

00:42:50,620 --> 00:42:48,020

when we mess up the big stuff and that's

891

00:42:52,180 --> 00:42:50,630

what search first attracted me to your

892

00:42:53,740 --> 00:42:52,190

to your work Larry because it runs

893

00:42:56,320 --> 00:42:53,750

throughout this theme runs throughout

894

00:42:58,720 --> 00:42:56,330

and you do a wonderful job of exploring

895

00:43:00,850 --> 00:42:58,730

it both in green medicine and in

896

00:43:02,590 --> 00:43:00,860

metaphysics and medicine is this idea

897

00:43:05,650 --> 00:43:02,600

that you know when you have a

898

00:43:08,050 --> 00:43:05,660

materialistic science that doesn't

899

00:43:11,320 --> 00:43:08,060

acknowledge even that there is a reality

900

00:43:12,880 --> 00:43:11,330

to experience get this folks I mean it's

901
00:43:16,860 --> 00:43:12,890
it's hard to believe you think this is

902
00:43:20,740 --> 00:43:16,870
kooky to say but conventional science

903
00:43:23,620 --> 00:43:20,750
thinks that experience is an illusion

904
00:43:27,070 --> 00:43:23,630
that it there is no reality to it it's

905
00:43:29,170 --> 00:43:27,080
just your brain firing off randomly and

906
00:43:32,140 --> 00:43:29,180
you're thinking that that's a reality

907
00:43:35,050 --> 00:43:32,150
but it's not really once you get that

908
00:43:37,270 --> 00:43:35,060
wrong I think your your your hamstring

909
00:43:39,850 --> 00:43:37,280
from the beginning and you wind up with

910
00:43:41,890 --> 00:43:39,860
all these weird things that I think

911
00:43:44,770 --> 00:43:41,900
you're talking about I I really like

912
00:43:47,830 --> 00:43:44,780
that part of what you're saying yeah and

913
00:43:50,590 --> 00:43:47,840

and and the interesting thing is you

914

00:43:53,100 --> 00:43:50,600

realize how conditioned the world is in

915

00:43:59,150 --> 00:43:53,110

terms of the scientific worldview so

916

00:44:01,820 --> 00:43:59,160

patients come to me thinking that

917

00:44:04,550 --> 00:44:01,830

they have to lay out their problems to

918

00:44:06,830 --> 00:44:04,560

me in scientific terms uh-huh and so

919

00:44:08,510 --> 00:44:06,840

they'll start to give me a scientific

920

00:44:11,270 --> 00:44:08,520

medical explanation about what they have

921

00:44:13,760 --> 00:44:11,280

and I'll say I'll stop them and I'll say

922

00:44:16,040 --> 00:44:13,770

no no please just tell me what's

923

00:44:18,560 --> 00:44:16,050

bothering you let me know what your

924

00:44:21,500 --> 00:44:18,570

experience is and some of them look at

925

00:44:24,140 --> 00:44:21,510

me like I'm crazy as if to say well

926
00:44:26,210 --> 00:44:24,150
don't you understand what arthritis is

927
00:44:28,010 --> 00:44:26,220
you know and i'll say yes of course i

928
00:44:30,200 --> 00:44:28,020
understand with arthritis is but i want

929
00:44:33,590 --> 00:44:30,210
you to tell me about your experience

930
00:44:36,020 --> 00:44:33,600
with this so-called arthritis this label

931
00:44:39,680 --> 00:44:36,030
that we've given it this this this box

932
00:44:41,300 --> 00:44:39,690
we've stuck it into you know and so it's

933
00:44:44,780 --> 00:44:41,310
it's kind of funny i have to educate

934
00:44:47,180 --> 00:44:44,790
patients in order to teach them how to

935
00:44:48,980 --> 00:44:47,190
learn how to tune into their own

936
00:44:52,040 --> 00:44:48,990
experiences because they've been so

937
00:44:56,330 --> 00:44:52,050
programmed not to pay attention to that

938
00:44:59,830 --> 00:44:56,340

and and in metaphysics of medicine it's

939

00:45:05,600 --> 00:44:59,840

talking about how those isms of Medicine

940

00:45:07,850 --> 00:45:05,610

prohibit the exploration or accept our

941

00:45:09,830 --> 00:45:07,860

acceptance of experience right so if

942

00:45:11,900 --> 00:45:09,840

we're talking about materialism well

943

00:45:13,520 --> 00:45:11,910

nothing in material can be talked about

944

00:45:17,390 --> 00:45:13,530

we're only going to talk about physical

945

00:45:20,660 --> 00:45:17,400

things not in material experience if

946

00:45:23,510 --> 00:45:20,670

we're talking about objectivism then

947

00:45:26,360 --> 00:45:23,520

anything subjective is downplayed

948

00:45:28,940 --> 00:45:26,370

excluded or dismissed and and our own

949

00:45:32,120 --> 00:45:28,950

personal experiences are subjective

950

00:45:34,850 --> 00:45:32,130

right and if we're talking about dualism

951
00:45:38,120 --> 00:45:34,860
well that splits off mind from body and

952
00:45:40,160 --> 00:45:38,130
only focuses on body leaving out mind

953
00:45:43,160 --> 00:45:40,170
and experience and if we're talking

954
00:45:45,140 --> 00:45:43,170
about even empiricism you know to me

955
00:45:47,930 --> 00:45:45,150
which is one of those sort of it's a

956
00:45:53,780 --> 00:45:47,940
kind of confusing concept empiricism is

957
00:45:57,440 --> 00:45:53,790
a is a you know a can of worms it's you

958
00:45:59,990 --> 00:45:57,450
think empiricism means openness to

959
00:46:02,420 --> 00:46:00,000
experience in our observations and yet

960
00:46:06,470 --> 00:46:02,430
science has reduced that with its

961
00:46:08,680 --> 00:46:06,480
reductionism to just the anatomical and

962
00:46:12,620 --> 00:46:08,690
physical and material aspects of

963
00:46:16,250 --> 00:46:12,630

observation and not our experiential

964

00:46:18,920 --> 00:46:16,260

observations or observations of others

965

00:46:22,040 --> 00:46:18,930

experiences and so you know you can't

966

00:46:25,460 --> 00:46:22,050

win it's it's a it's a it's a very rigid

967

00:46:27,350 --> 00:46:25,470

box that they've got themselves stuck

968

00:46:29,120 --> 00:46:27,360

into they don't realize they're in it

969

00:46:33,620 --> 00:46:29,130

they don't even understand it they think

970

00:46:34,940 --> 00:46:33,630

that that science and they are you know

971

00:46:36,650 --> 00:46:34,950

that's how they're trained and that's

972

00:46:39,710 --> 00:46:36,660

what they do but to me there's a

973

00:46:42,550 --> 00:46:39,720

difference between science as it was

974

00:46:46,340 --> 00:46:42,560

originally conceived to be open-minded

975

00:46:48,080 --> 00:46:46,350

inquiry into the world modern material

976

00:46:50,780 --> 00:46:48,090

of science which is stuck in its ways

977

00:46:54,620 --> 00:46:50,790

which if it just simply stopped and said

978

00:46:57,320 --> 00:46:54,630

okay alright we acknowledge that these

979

00:46:58,670 --> 00:46:57,330

are the limitations of our science then

980

00:47:00,770 --> 00:46:58,680

I'd have no problem with it would be

981

00:47:02,480 --> 00:47:00,780

perfectly fine right all right then go

982

00:47:06,490 --> 00:47:02,490

about and do your thing and acknowledge

983

00:47:09,500 --> 00:47:06,500

these are the rules but also allow for

984

00:47:11,090 --> 00:47:09,510

other possibilities and then you take it

985

00:47:14,060 --> 00:47:11,100

a step further and you have scientism

986

00:47:17,450 --> 00:47:14,070

which is of the whole crew out there who

987

00:47:20,720 --> 00:47:17,460

says that these isms of medicine and

988

00:47:23,540 --> 00:47:20,730

isms of science are the only way to go

989

00:47:25,250 --> 00:47:23,550

and nothing else is possible and so

990

00:47:29,050 --> 00:47:25,260

those are the sort of fundamentalists

991

00:47:31,400 --> 00:47:29,060

who's who's you know support

992

00:47:33,680 --> 00:47:31,410

fundamentalist science you can't even

993

00:47:36,530 --> 00:47:33,690

talk to those people because they there

994

00:47:39,950 --> 00:47:36,540

they can't think outside that box they

995

00:47:42,530 --> 00:47:39,960

are there it's a faith-based belief in

996

00:47:44,540 --> 00:47:42,540

science and then to me you have

997

00:47:46,490 --> 00:47:44,550

authentic science and authentic science

998

00:47:51,830 --> 00:47:46,500

is open to everything and I don't see

999

00:47:55,580 --> 00:47:51,840

why you can't study psychological

1000

00:47:58,850 --> 00:47:55,590

emotional spiritual sighs so paranormal

1001
00:48:00,410 --> 00:47:58,860
phenomena with science it makes no sense

1002
00:48:02,150 --> 00:48:00,420
that you can't do that you mean of

1003
00:48:04,040 --> 00:48:02,160
course you can do that you just have to

1004
00:48:07,220 --> 00:48:04,050
be open-minded enough to say okay we're

1005
00:48:08,990 --> 00:48:07,230
going to get a you know observe a bunch

1006
00:48:11,330 --> 00:48:09,000
of people talk to them learn about it

1007
00:48:13,370 --> 00:48:11,340
and learn as much as we can about these

1008
00:48:17,120 --> 00:48:13,380
phenomena and that's a science of those

1009
00:48:20,000 --> 00:48:17,130
of the immaterial right right that again

1010
00:48:23,930 --> 00:48:20,010
maybe the reality is we're so far from

1011
00:48:26,190 --> 00:48:23,940
that that it might not even be

1012
00:48:28,230 --> 00:48:26,200
productive to talk about I mean

1013
00:48:30,120 --> 00:48:28,240

a couple of touch points I just threw on

1014

00:48:34,410 --> 00:48:30,130

the table and get your your thoughts on

1015

00:48:37,829 --> 00:48:34,420

one is the system as we all know the

1016

00:48:40,560 --> 00:48:37,839

medical system is really broken in some

1017

00:48:42,450 --> 00:48:40,570

fundamental ways that are just scary you

1018

00:48:45,060 --> 00:48:42,460

know a lot of people I'm sure are aware

1019

00:48:47,310 --> 00:48:45,070

of the CDC coming out recently a

1020

00:48:50,190 --> 00:48:47,320

whistleblower in the Center for Disease

1021

00:48:52,859 --> 00:48:50,200

Control coming out and doing this exposé

1022

00:48:56,099 --> 00:48:52,869

on vaccines and say hey you know I gotta

1023

00:49:00,150 --> 00:48:56,109

admit Wakefield was right we did see

1024

00:49:02,220 --> 00:49:00,160

this link between autism and vaccines we

1025

00:49:03,990 --> 00:49:02,230

just were afraid to talk about it we're

1026

00:49:06,630 --> 00:49:04,000

told not to talk about it we're told to

1027

00:49:09,870 --> 00:49:06,640

change the numbers right so I mean at

1028

00:49:11,640 --> 00:49:09,880

one level if you want to say hey maybe

1029

00:49:14,069 --> 00:49:11,650

science can help us because the

1030

00:49:16,589 --> 00:49:14,079

scientific method pure science can help

1031

00:49:19,380 --> 00:49:16,599

us we got some realities to deal with

1032

00:49:23,069 --> 00:49:19,390

the first is that reality that there are

1033

00:49:25,770 --> 00:49:23,079

forces economic forces power control

1034

00:49:28,980 --> 00:49:25,780

forces that are going to drive the the

1035

00:49:31,470 --> 00:49:28,990

train off the rails and then you have

1036

00:49:33,240 --> 00:49:31,480

some other phenomena that we've kind of

1037

00:49:37,200 --> 00:49:33,250

bumped into that we don't know what to

1038

00:49:39,569 --> 00:49:37,210

do with that also inhibit pure science

1039

00:49:42,210 --> 00:49:39,579

if you will medical science want to be

1040

00:49:46,079 --> 00:49:42,220

the experimenter effect we know

1041

00:49:49,050 --> 00:49:46,089

experimentally that we can control an

1042

00:49:51,660 --> 00:49:49,060

experiment as tightly as we possibly can

1043

00:49:54,150 --> 00:49:51,670

and one experimenter will get one result

1044

00:49:57,000 --> 00:49:54,160

and another experimenter can get a

1045

00:50:00,120 --> 00:49:57,010

different result well so we can't

1046

00:50:01,740 --> 00:50:00,130

separate that out and then third I i l'd

1047

00:50:03,839 --> 00:50:01,750

like your thoughts on this and maybe you

1048

00:50:06,599 --> 00:50:03,849

saw this the other day but it ran it is

1049

00:50:09,720 --> 00:50:06,609

actually a few years ago but the decline

1050

00:50:12,480 --> 00:50:09,730

effect so now people that are really

1051
00:50:15,140 --> 00:50:12,490
honestly looking at medical science are

1052
00:50:18,420 --> 00:50:15,150
noticing that some of our treatments are

1053
00:50:20,370 --> 00:50:18,430
declining their efficacy is declining

1054
00:50:23,630 --> 00:50:20,380
over the years right so we did these

1055
00:50:26,400 --> 00:50:23,640
things 10 years ago and hey these

1056
00:50:28,470 --> 00:50:26,410
blockers that for mild depression you

1057
00:50:30,150 --> 00:50:28,480
know they work 10 years later you know

1058
00:50:31,380 --> 00:50:30,160
what they don't work the same what every

1059
00:50:33,089 --> 00:50:31,390
that would try and do it we try and do

1060
00:50:35,130 --> 00:50:33,099
everything the same way there is a

1061
00:50:37,859 --> 00:50:35,140
decline effect maybe it has something to

1062
00:50:40,080 --> 00:50:37,869
do with this you know hundredth monkey

1063
00:50:43,230 --> 00:50:40,090

group conscious we don't know

1064

00:50:46,110 --> 00:50:43,240

so there's a number of ways that I would

1065

00:50:49,710 --> 00:50:46,120

suggest that medical science isn't

1066

00:50:51,330 --> 00:50:49,720

really repairable in the way that we're

1067

00:50:53,280 --> 00:50:51,340

talking about here and I'd love to get

1068

00:50:56,280 --> 00:50:53,290

your thoughts on any one of those three

1069

00:50:58,140 --> 00:50:56,290

either the CDC and the corruption or the

1070

00:51:02,010 --> 00:50:58,150

experimenter effect or the decline

1071

00:51:04,980 --> 00:51:02,020

effect okay that's yeah i mean i don't

1072

00:51:07,980 --> 00:51:04,990

disagree with all that you said i don't

1073

00:51:12,660 --> 00:51:07,990

know how to explain a decline effect i

1074

00:51:16,640 --> 00:51:12,670

think it makes sense though that human

1075

00:51:20,190 --> 00:51:16,650

life evolves and changes and

1076

00:51:21,540 --> 00:51:20,200

consciousness changes and so let me just

1077

00:51:22,770 --> 00:51:21,550

interject something Larry because I had

1078

00:51:24,960 --> 00:51:22,780

a guest on the show he's been on the

1079

00:51:27,000 --> 00:51:24,970

show several times it dr. Rupert

1080

00:51:29,880 --> 00:51:27,010

Sheldrake he's a biologist at Cambridge

1081

00:51:32,520 --> 00:51:29,890

biologist and he has this theory called

1082

00:51:33,900 --> 00:51:32,530

morphic residents so that you're

1083

00:51:35,520 --> 00:51:33,910

familiar with it but she did this

1084

00:51:37,740 --> 00:51:35,530

wonderfully simple experiment i'll share

1085

00:51:40,170 --> 00:51:37,750

it with listeners in and you as well but

1086

00:51:42,900 --> 00:51:40,180

i think it really captured it he did an

1087

00:51:45,870 --> 00:51:42,910

experiment where he had people solve the

1088

00:51:47,850 --> 00:51:45,880

London Times crossword puzzle and he

1089

00:51:50,160 --> 00:51:47,860

timed how long this group of people on

1090

00:51:52,200 --> 00:51:50,170

average were able to suck to solve it on

1091

00:51:54,360 --> 00:51:52,210

Sunday morning right after the papers

1092

00:51:56,580 --> 00:51:54,370

published then he took another group of

1093

00:51:58,830 --> 00:51:56,590

people they were not exposed to the

1094

00:52:00,930 --> 00:51:58,840

crossword puzzle in any way talk to

1095

00:52:04,050 --> 00:52:00,940

anyone anyway and they did it on Monday

1096

00:52:06,240 --> 00:52:04,060

morning the people on Monday morning

1097

00:52:09,450 --> 00:52:06,250

were able to do it a little bit faster

1098

00:52:10,950 --> 00:52:09,460

there was a collective experience we can

1099

00:52:12,360 --> 00:52:10,960

only assume this is the theory right

1100

00:52:14,910 --> 00:52:12,370

there's some kind of collective

1101
00:52:16,680 --> 00:52:14,920
experience it I think in some way that I

1102
00:52:18,210 --> 00:52:16,690
don't understand that might have

1103
00:52:21,050 --> 00:52:18,220
something to do with the decline effect

1104
00:52:23,700 --> 00:52:21,060
you know I mean the holder it's all

1105
00:52:27,120 --> 00:52:23,710
together in a way that we can't pull

1106
00:52:29,190 --> 00:52:27,130
apart yeah I mean I know that I mean

1107
00:52:31,350 --> 00:52:29,200
Sheldrake is the one who inspired my

1108
00:52:34,410 --> 00:52:31,360
meta physics and medicine in essence I'm

1109
00:52:36,540 --> 00:52:34,420
saying you know I want freedom of

1110
00:52:38,070 --> 00:52:36,550
thought for medicine and in Sheldrake is

1111
00:52:42,180 --> 00:52:38,080
saying we need freedom of thought for

1112
00:52:44,310 --> 00:52:42,190
science right and you know I'm aware of

1113
00:52:47,880 --> 00:52:44,320

that whole concept that like when it

1114

00:52:50,160 --> 00:52:47,890

went to synthesize a substance a newly

1115

00:52:52,710 --> 00:52:50,170

found a newly created substance to

1116

00:52:53,880 --> 00:52:52,720

synthesize it in the lab the more you do

1117

00:52:55,680 --> 00:52:53,890

it over time

1118

00:52:58,080 --> 00:52:55,690

easier it's done even though you don't

1119

00:53:00,660 --> 00:52:58,090

change the method of doing it right

1120

00:53:02,990 --> 00:53:00,670

right so so you know and he says okay

1121

00:53:05,580 --> 00:53:03,000

though these are morphic fields becoming

1122

00:53:08,010 --> 00:53:05,590

amplified so to speak and making it

1123

00:53:09,930 --> 00:53:08,020

happen easier so there's no doubt

1124

00:53:12,690 --> 00:53:09,940

there's all kinds of phenomena like that

1125

00:53:15,290 --> 00:53:12,700

and that's what science should be open

1126

00:53:18,510 --> 00:53:15,300

to studying and I agree with you that

1127

00:53:21,840 --> 00:53:18,520

even if science opens its mind to

1128

00:53:26,490 --> 00:53:21,850

everything and wishes to study it you're

1129

00:53:29,280 --> 00:53:26,500

not going to find all of your answers by

1130

00:53:31,770 --> 00:53:29,290

using just a scientific method there

1131

00:53:34,320 --> 00:53:31,780

have to be a variety of methods that you

1132

00:53:37,350 --> 00:53:34,330

can use to learn about these phenomena

1133

00:53:39,030 --> 00:53:37,360

not just one particular scientific

1134

00:53:41,640 --> 00:53:39,040

method or two or three particular

1135

00:53:45,990 --> 00:53:41,650

scientific methods you know you can just

1136

00:53:47,880 --> 00:53:46,000

learn a lot by an experiential exercise

1137

00:53:50,340 --> 00:53:47,890

right there there's all kinds of things

1138

00:53:54,270 --> 00:53:50,350

that you can do going back to that idea

1139

00:53:57,330 --> 00:53:54,280

of experience that we're talking about

1140

00:53:59,780 --> 00:53:57,340

you know and and vaccines and autism I

1141

00:54:05,250 --> 00:53:59,790

mean to me it's the ultimate

1142

00:54:06,990 --> 00:54:05,260

mind-boggling denial for a patient a

1143

00:54:10,830 --> 00:54:07,000

mother to walk into a doctor's office

1144

00:54:13,860 --> 00:54:10,840

and say my child was normal my child was

1145

00:54:17,130 --> 00:54:13,870

vaccinated yesterday today my child is

1146

00:54:20,400 --> 00:54:17,140

acting almost like a vegetable but you

1147

00:54:23,490 --> 00:54:20,410

tell me that's just an anecdotal piece

1148

00:54:26,550 --> 00:54:23,500

of evidence that is not proven or

1149

00:54:28,440 --> 00:54:26,560

corroborated by real science and to me

1150

00:54:30,780 --> 00:54:28,450

that's just their cute little way of

1151
00:54:35,610 --> 00:54:30,790
denying reality when they don't want to

1152
00:54:37,380 --> 00:54:35,620
face the truth of the implications of

1153
00:54:41,520 --> 00:54:37,390
the things that are being done and

1154
00:54:43,500 --> 00:54:41,530
vaccines are can be very deadly in many

1155
00:54:46,020 --> 00:54:43,510
cases and can cause all kinds of health

1156
00:54:49,140 --> 00:54:46,030
problem not just autism and I've spent

1157
00:54:51,540 --> 00:54:49,150
you know a career trying to undo some of

1158
00:54:53,790 --> 00:54:51,550
that damage for for many patients who

1159
00:54:56,100 --> 00:54:53,800
come to see me with their health

1160
00:54:59,190 --> 00:54:56,110
problems that they tell me originated

1161
00:55:00,930 --> 00:54:59,200
with that X vaccine X that they took you

1162
00:55:04,110 --> 00:55:00,940
know so that's a reality there's no

1163
00:55:06,930 --> 00:55:04,120

doubt about that and and the group think

1164

00:55:08,010 --> 00:55:06,940

of medicine is so powerful that you know

1165

00:55:09,840 --> 00:55:08,020

you can't

1166

00:55:14,520 --> 00:55:09,850

change that and that they're going to

1167

00:55:17,520 --> 00:55:14,530

find ways to dissemble and to deny and

1168

00:55:20,240 --> 00:55:17,530

to think themselves out of it I don't

1169

00:55:22,740 --> 00:55:20,250

think they are on a collective level

1170

00:55:24,480 --> 00:55:22,750

purposely denying responsibility I think

1171

00:55:26,430 --> 00:55:24,490

they just convince themselves of that

1172

00:55:28,080 --> 00:55:26,440

will see that that's in there and that's

1173

00:55:29,970 --> 00:55:28,090

why I think the vaccine case is

1174

00:55:32,220 --> 00:55:29,980

interesting because I think they did in

1175

00:55:34,650 --> 00:55:32,230

that case and the evidence suggests that

1176

00:55:36,150 --> 00:55:34,660

they did right so Paul on an individual

1177

00:55:38,520 --> 00:55:36,160

level are certain groups of people but

1178

00:55:40,590 --> 00:55:38,530

on the whole big level all the doctors

1179

00:55:42,960 --> 00:55:40,600

out there but it's a mixture it's a

1180

00:55:44,340 --> 00:55:42,970

mixture right so yes because you know

1181

00:55:47,310 --> 00:55:44,350

the point that you say about the

1182

00:55:49,320 --> 00:55:47,320

experience of the of these poor parents

1183

00:55:51,330 --> 00:55:49,330

and I'm a parent and no one knows their

1184

00:55:53,340 --> 00:55:51,340

kid like a parent so you know you talk

1185

00:55:55,200 --> 00:55:53,350

about the experience they know but in

1186

00:55:58,130 --> 00:55:55,210

this case it's amplified by the fact

1187

00:56:01,530 --> 00:55:58,140

that they go and see this this gastro

1188

00:56:03,540 --> 00:56:01,540

specialist andrew wakefield and he just

1189

00:56:04,890 --> 00:56:03,550

does good medicine right so he starts

1190

00:56:06,840 --> 00:56:04,900

seeing a bunch of these people and he

1191

00:56:09,270 --> 00:56:06,850

starts seeing the pattern like you were

1192

00:56:13,770 --> 00:56:09,280

talking about so he says gee they're all

1193

00:56:16,440 --> 00:56:13,780

saying it's tied to this and they all

1194

00:56:18,210 --> 00:56:16,450

have this gastro problem that I've seen

1195

00:56:21,210 --> 00:56:18,220

before boom and he starts investigating

1196

00:56:23,850 --> 00:56:21,220

I mean that's how science is supposed to

1197

00:56:26,070 --> 00:56:23,860

work observe natural patterns and pursue

1198

00:56:29,670 --> 00:56:26,080

it further but what comes up from the

1199

00:56:34,200 --> 00:56:29,680

CDC is that there was an orchestrated

1200

00:56:37,860 --> 00:56:34,210

effort to not only suppress that

1201

00:56:40,890 --> 00:56:37,870

investigation but to completely turn it

1202

00:56:42,900 --> 00:56:40,900

around and to send out a scare tactic in

1203

00:56:45,870 --> 00:56:42,910

the way that Wakefield was treated so

1204

00:56:48,420 --> 00:56:45,880

that this machine would keep going and

1205

00:56:50,940 --> 00:56:48,430

now they will justify it and the

1206

00:56:53,190 --> 00:56:50,950

justification for it is hey we have to

1207

00:56:55,260 --> 00:56:53,200

protect the herd right we can't let

1208

00:56:58,920 --> 00:56:55,270

polio get out and start running rampant

1209

00:57:00,870 --> 00:56:58,930

so hey their logic that's their logic so

1210

00:57:03,210 --> 00:57:00,880

we have to tease that out too that

1211

00:57:06,090 --> 00:57:03,220

there's some folks at some level of

1212

00:57:07,920 --> 00:57:06,100

control as is revealed through the CDC

1213

00:57:09,930 --> 00:57:07,930

through the whistleblower we're not

1214

00:57:11,370 --> 00:57:09,940

making this up but there's some people

1215

00:57:13,940 --> 00:57:11,380

with some very high levels who are

1216

00:57:16,620 --> 00:57:13,950

making those kind of tough decisions

1217

00:57:18,900 --> 00:57:16,630

nasty decisions I don't know evil

1218

00:57:21,670 --> 00:57:18,910

decisions but you know that's in that's

1219

00:57:25,510 --> 00:57:21,680

at play too absolutely

1220

00:57:28,030 --> 00:57:25,520

there's no doubt there is a group of

1221

00:57:29,799 --> 00:57:28,040

people out there who do not want to

1222

00:57:31,599 --> 00:57:29,809

acknowledge the truth and trying to find

1223

00:57:34,329 --> 00:57:31,609

ways to cover it up and that happens in

1224

00:57:35,799 --> 00:57:34,339

all kinds of power structures in

1225

00:57:37,750 --> 00:57:35,809

structures is where there are too much

1226
00:57:41,440 --> 00:57:37,760
power and not enough accountability and

1227
00:57:43,150 --> 00:57:41,450
not and no no wait to review them or

1228
00:57:46,480 --> 00:57:43,160
answer to anyone else and that's what

1229
00:57:49,870 --> 00:57:46,490
happens but you know on an individual

1230
00:57:52,839 --> 00:57:49,880
level we all know otherwise most many

1231
00:57:54,970 --> 00:57:52,849
people know otherwise and the people who

1232
00:57:56,950 --> 00:57:54,980
are the ones who experience these things

1233
00:58:01,120 --> 00:57:56,960
are the ones who know for sure and

1234
00:58:07,390 --> 00:58:01,130
that's always the bottom line to me it's

1235
00:58:09,730 --> 00:58:07,400
it's like everybody has no problem with

1236
00:58:11,500 --> 00:58:09,740
medicine until they have a health

1237
00:58:13,510 --> 00:58:11,510
problem right then and then they

1238
00:58:15,700 --> 00:58:13,520

interact with the system and then they

1239

00:58:18,430 --> 00:58:15,710

go oh my god you know and then they say

1240

00:58:20,680 --> 00:58:18,440

oh my holy moly what I didn't realize it

1241

00:58:22,839 --> 00:58:20,690

was like this and before that they had a

1242

00:58:25,990 --> 00:58:22,849

faith-based belief in the science of

1243

00:58:28,569 --> 00:58:26,000

medicine without any experience to back

1244

00:58:31,150 --> 00:58:28,579

it up right but when experience and the

1245

00:58:34,030 --> 00:58:31,160

rubber hits the road then the reality

1246

00:58:37,630 --> 00:58:34,040

comes through and you're forced to

1247

00:58:42,730 --> 00:58:37,640

rethink all of your basic beliefs and it

1248

00:58:44,170 --> 00:58:42,740

makes you rien oh the science of

1249

00:58:46,720 --> 00:58:44,180

medicine and makes you think differently

1250

00:58:48,520 --> 00:58:46,730

about these things you know Larry tilt

1251
00:58:51,180 --> 00:58:48,530
looks a little bit about your website

1252
00:58:55,200 --> 00:58:51,190
and what they'll find if they go there

1253
00:59:01,960 --> 00:58:55,210
sure my website is called spirit science

1254
00:59:04,809 --> 00:59:01,970
healing calm and on it are many articles

1255
00:59:09,339 --> 00:59:04,819
written about the very topics that we've

1256
00:59:12,640 --> 00:59:09,349
been talking about mostly by myself but

1257
00:59:17,020 --> 00:59:12,650
also about others there are also there's

1258
00:59:19,599 --> 00:59:17,030
also a a photo gallery which as far as I

1259
00:59:24,450 --> 00:59:19,609
know is the largest one of its kind on

1260
00:59:26,650 --> 00:59:24,460
on the web of homeopathic institutions

1261
00:59:28,450 --> 00:59:26,660
so there are about a hundred different

1262
00:59:30,609 --> 00:59:28,460
homeopathic hospitals in homeopathic

1263
00:59:32,559 --> 00:59:30,619

schools and homeopathic persons and

1264

00:59:34,860 --> 00:59:32,569

homeopathic monuments and there are

1265

00:59:37,860 --> 00:59:34,870

images that most a lot of which came

1266

00:59:42,180 --> 00:59:37,870

from my postcards and so it's kind of a

1267

00:59:45,120 --> 00:59:42,190

nice history of homeopathy in pictures

1268

00:59:47,070 --> 00:59:45,130

there and there's a lot of good

1269

00:59:49,530 --> 00:59:47,080

information about both homeopathy and

1270

00:59:52,290 --> 00:59:49,540

all the topics that we've been talking

1271

00:59:55,050 --> 00:59:52,300

about great our guests again has been

1272

00:59:57,000 --> 00:59:55,060

dr. Larry malerba the books you might

1273

01:00:00,510 --> 00:59:57,010

want to check out metaphysics and

1274

01:00:02,100 --> 01:00:00,520

medicine and green medicine Larry it's

1275

01:00:04,230 --> 01:00:02,110

been great having you on thanks so much

1276

01:00:06,070 --> 01:00:04,240

for joining me thanks Alex I appreciate

1277

01:00:08,570 --> 01:00:06,080

it

1278

01:00:10,670 --> 01:00:08,580

thanks again to dr. Marber for joining

1279

01:00:12,710 --> 01:00:10,680

me today on skeptic oh I have just one

1280

01:00:15,890 --> 01:00:12,720

question to tee up from this interview

1281

01:00:18,890 --> 01:00:15,900

and it has to do with the shut up and

1282

01:00:22,060 --> 01:00:18,900

calculate aspect of conventional

1283

01:00:25,370 --> 01:00:22,070

medicine versus the more holistic

1284

01:00:28,910 --> 01:00:25,380

approach that dr. Mohler bow was talking

1285

01:00:32,240 --> 01:00:28,920

about and how both can be successful but

1286

01:00:33,530 --> 01:00:32,250

only at the expense of the other so let

1287

01:00:35,180 --> 01:00:33,540

me try and pull that apart real quickly

1288

01:00:36,410 --> 01:00:35,190

if i can and then hopefully you

1289

01:00:38,810 --> 01:00:36,420

understand it and we can start a

1290

01:00:40,550 --> 01:00:38,820

dialogue about it and maybe you can

1291

01:00:42,500 --> 01:00:40,560

express some of these ideas better than

1292

01:00:44,060 --> 01:00:42,510

I can but if you know anything about the

1293

01:00:46,580 --> 01:00:44,070

history of quantum physics you know that

1294

01:00:48,800 --> 01:00:46,590

these guys very early on 100 years ago

1295

01:00:51,590 --> 01:00:48,810

reach this kind of dilemma this breaking

1296

01:00:53,840 --> 01:00:51,600

point in terms of hey we have this these

1297

01:00:56,030 --> 01:00:53,850

quantum effects that we can't deny they

1298

01:00:58,550 --> 01:00:56,040

happen we have the double-slit we have

1299

01:01:00,890 --> 01:00:58,560

observer effect we have entanglement we

1300

01:01:03,290 --> 01:01:00,900

can see all this stuff in the lab we

1301
01:01:05,570 --> 01:01:03,300
know it's happening but we can't explain

1302
01:01:07,850 --> 01:01:05,580
it it doesn't fit within our science but

1303
01:01:10,490 --> 01:01:07,860
then our newtonian conventional model it

1304
01:01:12,590 --> 01:01:10,500
doesn't fit but it's very powerful so

1305
01:01:14,210 --> 01:01:12,600
the resolution is shut up and calculate

1306
01:01:16,220 --> 01:01:14,220
that is don't worry about the

1307
01:01:18,020 --> 01:01:16,230
philosophical implications for quantum

1308
01:01:20,240 --> 01:01:18,030
theory something we kind of babble and

1309
01:01:22,970 --> 01:01:20,250
talk about some time on this show just

1310
01:01:26,830 --> 01:01:22,980
do the calculations and make good stuff

1311
01:01:30,200 --> 01:01:26,840
like GPS and all this other fantastic

1312
01:01:33,680 --> 01:01:30,210
technology that uses the theory of

1313
01:01:35,540 --> 01:01:33,690

quantum physics but never addresses the

1314

01:01:37,730 --> 01:01:35,550

philosophical question so that's the

1315

01:01:40,160 --> 01:01:37,740

shut up and calculate aspect of it that

1316

01:01:41,570 --> 01:01:40,170

I think comes into play when we talk

1317

01:01:43,970 --> 01:01:41,580

about conventional medicine right

1318

01:01:45,650 --> 01:01:43,980

because there's no denying the

1319

01:01:48,200 --> 01:01:45,660

tremendous advances that have been made

1320

01:01:50,720 --> 01:01:48,210

in medicine the tools we have the

1321

01:01:52,190 --> 01:01:50,730

treatments we have are stunning and when

1322

01:01:54,080 --> 01:01:52,200

we compare them with a hundred years ago

1323

01:01:56,480 --> 01:01:54,090

over 200 years ago it's just beyond

1324

01:01:58,400 --> 01:01:56,490

belief we have the same nagging

1325

01:02:00,770 --> 01:01:58,410

philosophical questions that we kind of

1326
01:02:03,080 --> 01:02:00,780
touched on in this interview what does

1327
01:02:05,240 --> 01:02:03,090
it mean to be human what is really

1328
01:02:07,310 --> 01:02:05,250
happening with healing how is

1329
01:02:09,800 --> 01:02:07,320
consciousness coming into play with all

1330
01:02:11,540 --> 01:02:09,810
these different treatments we see and if

1331
01:02:13,040 --> 01:02:11,550
we're honest and open about really

1332
01:02:15,500 --> 01:02:13,050
looking at that we have a lot of

1333
01:02:18,590 --> 01:02:15,510
questions and we don't have a lot of

1334
01:02:19,600 --> 01:02:18,600
answers so let me try and roll that into

1335
01:02:22,810 --> 01:02:19,610
a quest

1336
01:02:26,020 --> 01:02:22,820
is conventional medicine hamstrung by

1337
01:02:28,150 --> 01:02:26,030
materialistic science or does shut up

1338
01:02:29,860 --> 01:02:28,160

and calculate work just fine and we

1339

01:02:33,670 --> 01:02:29,870

shouldn't worry about the nagging

1340

01:02:35,470 --> 01:02:33,680

underlying philosophical questions so

1341

01:02:37,150 --> 01:02:35,480

there's the topic for discussion love to

1342

01:02:38,590 --> 01:02:37,160

hear your thoughts on it I'll throw my

1343

01:02:40,660 --> 01:02:38,600

own in there and we'll see if we can

1344

01:02:42,250 --> 01:02:40,670

make any progress of course the place

1345

01:02:44,980 --> 01:02:42,260

for us to connect on this topic is

1346

01:02:48,730 --> 01:02:44,990

through the skeptic Oh website at ske

1347

01:02:50,770 --> 01:02:48,740

pti KO kaam you can jump on over the

1348

01:02:53,320 --> 01:02:50,780

forum leave a comment right there send

1349

01:02:55,180 --> 01:02:53,330

me an email Facebook whatever you think

1350

01:02:57,100 --> 01:02:55,190

will work and I'll do my best to get

1351

01:02:59,440 --> 01:02:57,110

back to you so I have a number of

1352

01:03:01,420 --> 01:02:59,450

interesting shows coming up they just

1353

01:03:03,550 --> 01:03:01,430

keep they just keep rolling right along

1354

01:03:05,650 --> 01:03:03,560

and I have some ideas for some new

1355

01:03:07,690 --> 01:03:05,660

approaches to handling some of these

1356

01:03:09,550 --> 01:03:07,700

interviews and along the lines of

1357

01:03:12,070 --> 01:03:09,560

skeptical 3.0 we've talked about and

1358

01:03:14,020 --> 01:03:12,080

tying them into my book why science is

1359

01:03:15,970 --> 01:03:14,030

wrong which I still have to thank

1360

01:03:18,160 --> 01:03:15,980

everyone for continuing to support the

1361

01:03:20,440 --> 01:03:18,170

book you know I don't care so much about

1362

01:03:22,690 --> 01:03:20,450

the sales of the book except that it

1363

01:03:25,000 --> 01:03:22,700

does help to get the word out and kind

1364

01:03:27,310 --> 01:03:25,010

of grow and expand this community it

1365

01:03:29,080 --> 01:03:27,320

certainly has allowed me to go in some

1366

01:03:30,430 --> 01:03:29,090

places that have been very interesting

1367

01:03:32,380 --> 01:03:30,440

for me so I just want to say I do

1368

01:03:34,540 --> 01:03:32,390

appreciate your support on the book and

1369

01:03:36,610 --> 01:03:34,550

I don't plug the book all the time but

1370

01:03:38,140 --> 01:03:36,620

those of you who have bought the book or

1371

01:03:40,540 --> 01:03:38,150

written review in the book or mention

1372

01:03:42,640 --> 01:03:40,550

the book is just great I just can't

1373

01:03:44,770 --> 01:03:42,650

thank you enough for that so let me get

1374

01:03:46,630 --> 01:03:44,780

that out of the way as well but I do

1375

01:03:48,550 --> 01:03:46,640

have these shows coming up and I hope

1376

01:03:51,700 --> 01:03:48,560

you'll stick with me for all of that

1377

01:03:53,900 --> 01:03:51,710

until next time take care and bye for
