

A composite image featuring a man in the foreground and a glowing orange UFO in the background. The man is on the left, looking slightly to the right. The UFO is a large, saucer-shaped object with a bright orange glow, positioned in the upper right quadrant. The background is a clear sky with some dark silhouettes of trees and structures.

1
00:00:15,270 --> 00:00:12,420
on this episode of skeptic Oh Alex talks

2
00:00:17,880 --> 00:00:15,280
with author and UFO researcher grant

3
00:00:19,890 --> 00:00:17,890
Cameron we track this guy down he turns

4
00:00:22,080 --> 00:00:19,900
out to be dr. Eric Walker who was former

5
00:00:24,000 --> 00:00:22,090
president of Penn State University for

6
00:00:25,019 --> 00:00:24,010
15 years he was the chairman of the

7
00:00:26,970 --> 00:00:25,029
board of the Institute for Defense

8
00:00:28,550 --> 00:00:26,980
analysis which is the top military

9
00:00:31,580 --> 00:00:28,560
think-tank for the United States

10
00:00:34,770 --> 00:00:31,590
military he what he was the code

11
00:00:37,200 --> 00:00:34,780
developer of the the homing torpedo he

12
00:00:39,960 --> 00:00:37,210
was friends with Vannevar Bush he had

13
00:00:43,140 --> 00:00:39,970

this incredible unbelievable background

14

00:00:44,850 --> 00:00:43,150

of you know military and connections

15

00:00:47,670 --> 00:00:44,860

with presidents and stuff like this so

16

00:00:49,470 --> 00:00:47,680

when we go to him we're interviewing him

17

00:00:50,790 --> 00:00:49,480

as UFO researchers we're not thinking

18

00:00:52,440 --> 00:00:50,800

about the mind we couldn't care less

19

00:00:54,060 --> 00:00:52,450

about you know we had no connection

20

00:00:56,190 --> 00:00:54,070

whatsoever we're talking to him and

21

00:00:58,560 --> 00:00:56,200

we're trying to find out in the suppose

22

00:01:01,500 --> 00:00:58,570

a UFO group that runs the whole thing is

23

00:01:03,240 --> 00:01:01,510

the the mj-12 we're asking questions on

24

00:01:05,880 --> 00:01:03,250

mj-12 did you have contact with the

25

00:01:08,490 --> 00:01:05,890

aliens how did the thing operate how did

26
00:01:10,230 --> 00:01:08,500
you cover up the UFO thing and in 1990

27
00:01:13,349 --> 00:01:10,240
in the middle of one of these interviews

28
00:01:15,959 --> 00:01:13,359
he suddenly cuts off the conversation

29
00:01:18,569 --> 00:01:15,969
talking about hardware about bodies and

30
00:01:21,209 --> 00:01:18,579
Aulus hirtius and he suddenly says how

31
00:01:22,889 --> 00:01:21,219
good is your sixth sense how much do you

32
00:01:25,289 --> 00:01:22,899
know about ESP and the other guy goes

33
00:01:26,429 --> 00:01:25,299
well you know I don't really it's not

34
00:01:28,919 --> 00:01:26,439
have interests to him I don't know

35
00:01:31,950 --> 00:01:28,929
what's going on and Walker says then as

36
00:01:34,349 --> 00:01:31,960
unless you know about it and how to use

37
00:01:36,029 --> 00:01:34,359
it you will not be taken in because the

38
00:01:37,889 --> 00:01:36,039

question was about who's running the

39

00:01:39,419 --> 00:01:37,899

group puts this mj-12 how many people

40

00:01:42,599 --> 00:01:39,429

are on the group how are these people

41

00:01:45,749 --> 00:01:42,609

operating and he says unless you I know

42

00:01:48,510 --> 00:01:45,759

about ESP and how to use it you would

43

00:01:50,910 --> 00:01:48,520

not be taken in by this overriding group

44

00:01:54,870 --> 00:01:50,920

that runs the UFO program only a few

45

00:01:57,959 --> 00:01:54,880

know about it and then in 1993 there's a

46

00:02:00,120 --> 00:01:57,969

related story with Ben rich Ben rich was

47

00:02:03,419 --> 00:02:00,130

the guy who ran skunk works over the the

48

00:02:04,769 --> 00:02:03,429

u2 the sr-71 the stealth fighter the

49

00:02:07,769 --> 00:02:04,779

stealth bomber they were all developed

50

00:02:10,169 --> 00:02:07,779

by what was called skunk works and Ben

51
00:02:12,150 --> 00:02:10,179
rich ran it and he would get a number of

52
00:02:16,020 --> 00:02:12,160
questions about was this UFO technology

53
00:02:18,270 --> 00:02:16,030
and he's giving a lecture in 1993's

54
00:02:20,399 --> 00:02:18,280
he's dying of cancer he gives a lecture

55
00:02:21,870 --> 00:02:20,409
at UCLA to a bunch of engineers he

56
00:02:23,460 --> 00:02:21,880
finishes the lecture he's

57
00:02:25,830 --> 00:02:23,470
walking out and one of the engineers

58
00:02:27,900 --> 00:02:25,840
who's interested in UFOs runs after and

59
00:02:30,660 --> 00:02:27,910
he says to been rich he says been rich

60
00:02:33,360 --> 00:02:30,670
how are these things propelled how are

61
00:02:35,700 --> 00:02:33,370
UFOs propelled and been rich turns

62
00:02:37,860 --> 00:02:35,710
around and he says to him let me ask you

63
00:02:50,860 --> 00:02:37,870

a question how does ESP work

64

00:02:54,830 --> 00:02:53,180

welcome to skeptic Oh where we explore

65

00:02:57,500 --> 00:02:54,840

controversial science with leading

66

00:02:59,360 --> 00:02:57,510

researchers thinkers and their critics

67

00:03:01,220 --> 00:02:59,370

I'm your host Aleksic Harrison on this

68

00:03:03,980 --> 00:03:01,230

episode of skeptic oh we're going to

69

00:03:06,770 --> 00:03:03,990

look at the connection between the UFO

70

00:03:07,970 --> 00:03:06,780

phenomena and consciousness and the

71

00:03:09,979 --> 00:03:07,980

person who's going to take us through

72

00:03:12,920 --> 00:03:09,989

that journey is an independent

73

00:03:15,920 --> 00:03:12,930

researcher who I greatly admire for his

74

00:03:18,350 --> 00:03:15,930

tenacity and the sheer volume of work

75

00:03:19,430 --> 00:03:18,360

that he's done on the subject so today

76

00:03:21,680 --> 00:03:19,440

you're not just going to hear

77

00:03:23,240 --> 00:03:21,690

first-person accounts or stories of

78

00:03:25,120 --> 00:03:23,250

people have had these encounters but

79

00:03:27,770 --> 00:03:25,130

you're actually going to hear about

80

00:03:30,650 --> 00:03:27,780

government insiders very high-level

81

00:03:32,720 --> 00:03:30,660

government insiders that Grant Cameron

82

00:03:35,600 --> 00:03:32,730

has talked to and can provide some

83

00:03:37,780 --> 00:03:35,610

interesting insights into the connection

84

00:03:40,190 --> 00:03:37,790

between the UFO phenomena and

85

00:03:42,620 --> 00:03:40,200

consciousness it's a fascinating topic

86

00:03:45,140 --> 00:03:42,630

if somewhat challenging for those who

87

00:03:48,290 --> 00:03:45,150

are still on the sidelines of the UFO

88

00:03:52,309 --> 00:03:48,300

phenomena here's my interview with grant

89
00:03:54,680 --> 00:03:52,319
Cameron today we welcome grant Cameron -

90
00:03:56,780 --> 00:03:54,690
skeptic Oh grant is a highly regarded

91
00:03:59,330 --> 00:03:56,790
UFO researcher who's made some

92
00:04:02,030 --> 00:03:59,340
fascinating connections between what we

93
00:04:05,509 --> 00:04:02,040
know about the UFO phenomena and the

94
00:04:07,340 --> 00:04:05,519
kind of extended human consciousness we

95
00:04:09,650 --> 00:04:07,350
talk so much about here on skeptic Oh

96
00:04:12,560 --> 00:04:09,660
grant is in the process of publishing

97
00:04:15,319 --> 00:04:12,570
two new books and regularly blogs at

98
00:04:18,170 --> 00:04:15,329
presidential UFO dot-com

99
00:04:21,650 --> 00:04:18,180
welcome grant thanks for joining us yes

100
00:04:24,260 --> 00:04:21,660
thanks for having me so grant one of the

101
00:04:27,620 --> 00:04:24,270
things that we like to do on skeptic OH

102
00:04:30,980 --> 00:04:27,630
is to keep pulling on a string and

103
00:04:34,610 --> 00:04:30,990
follow it as far as we can and that's

104
00:04:37,790 --> 00:04:34,620
what I think led me to you because when

105
00:04:39,680 --> 00:04:37,800
you look at human consciousness and you

106
00:04:42,340 --> 00:04:39,690
start looking for explanations for

107
00:04:46,040 --> 00:04:42,350
things like telepathy precognition

108
00:04:48,279 --> 00:04:46,050
out-of-body experiences and all the

109
00:04:51,200 --> 00:04:48,289
altered states of consciousness that

110
00:04:55,070 --> 00:04:51,210
serious researchers like Rick Strassman

111
00:04:58,130 --> 00:04:55,080
has looked into with his DMT research or

112
00:05:00,529 --> 00:04:58,140
even Terence Mckenna used to talk about

113
00:05:01,879 --> 00:05:00,539

and it was when you try and take that in

114

00:05:05,080 --> 00:05:01,889

whole and

115

00:05:08,059 --> 00:05:05,090

you keep pulling at it that string

116

00:05:12,050 --> 00:05:08,069

eventually leads you to bumping up

117

00:05:16,179 --> 00:05:12,060

against this UFO thing and the numerous

118

00:05:19,369 --> 00:05:16,189

reports of mind control and really

119

00:05:21,860 --> 00:05:19,379

consciousness bending kind of ideas that

120

00:05:23,929 --> 00:05:21,870

you run into so when I heard on an

121

00:05:27,019 --> 00:05:23,939

interview and I heard you saying that

122

00:05:29,839 --> 00:05:27,029

the government insiders who really know

123

00:05:31,969 --> 00:05:29,849

about the UFO Kip thing all say that you

124

00:05:35,570 --> 00:05:31,979

can't really understand this UFO

125

00:05:39,230 --> 00:05:35,580

phenomena without having an expanded

126

00:05:42,230 --> 00:05:39,240

view of human consciousness well I guess

127

00:05:44,450 --> 00:05:42,240

that really got me intrigued and that's

128

00:05:48,110 --> 00:05:44,460

what I was hoping we would talk about

129

00:05:50,390 --> 00:05:48,120

today so let me start with this I want

130

00:05:53,420 --> 00:05:50,400

to jump right to the end and tell me how

131

00:05:57,019 --> 00:05:53,430

you came to this conclusion about

132

00:06:00,230 --> 00:05:57,029

consciousness being fundamental to

133

00:06:02,719 --> 00:06:00,240

understanding the UFO phenomena okay

134

00:06:04,029 --> 00:06:02,729

maybe I should first said about my my

135

00:06:07,689 --> 00:06:04,039

sort of a little bit of my background

136

00:06:10,640 --> 00:06:07,699

what happened was I got involved 1975

137

00:06:12,019 --> 00:06:10,650

just at the end of the Vietnam War right

138

00:06:14,540 --> 00:06:12,029

along the Canadian US border where the

139

00:06:16,670 --> 00:06:14,550

US have all their Minuteman 3 missile

140

00:06:18,709 --> 00:06:16,680

silos that's where we had a bunch of

141

00:06:21,529 --> 00:06:18,719

sightings now but before then I'd never

142

00:06:23,240 --> 00:06:21,539

thought about UFOs I had no interest

143

00:06:27,790 --> 00:06:23,250

whatsoever but I did have an interest in

144

00:06:31,730 --> 00:06:27,800

stuff like Edgar Cayce research and

145

00:06:33,769 --> 00:06:31,740

reincarnation research is very

146

00:06:36,829 --> 00:06:33,779

interested in the work of dr. Michael

147

00:06:38,629 --> 00:06:36,839

Newton I was very much interested in

148

00:06:41,119 --> 00:06:38,639

near-death and consciousness in the

149

00:06:43,519 --> 00:06:41,129

source loss but UFOs had no interest

150

00:06:45,800 --> 00:06:43,529

whatsoever so I started in 1975 and I

151
00:06:48,350 --> 00:06:45,810
had these sightings and really the

152
00:06:51,260 --> 00:06:48,360
consciousness thing didn't come up for

153
00:06:53,510 --> 00:06:51,270
like 35 years it wasn't until I was at a

154
00:06:56,629 --> 00:06:53,520
conference last year in Phoenix Arizona

155
00:06:59,119 --> 00:06:56,639
and I had filed a lot of UFO material I

156
00:07:01,070 --> 00:06:59,129
started with sightings realized that

157
00:07:03,589 --> 00:07:01,080
sightings really wasn't getting us

158
00:07:05,480 --> 00:07:03,599
anywhere and got into the the government

159
00:07:07,309 --> 00:07:05,490
aspect of the documents and somebody

160
00:07:10,399 --> 00:07:07,319
must know about this sort of stuff so

161
00:07:12,260 --> 00:07:10,409
for 35 or 37 years I collected material

162
00:07:14,480 --> 00:07:12,270
and documents and all

163
00:07:18,050 --> 00:07:14,490

now grant let me interject here because

164

00:07:20,960 --> 00:07:18,060

you're kind of glossing over the extent

165

00:07:24,140 --> 00:07:20,970

of your research which I think it is

166

00:07:27,020 --> 00:07:24,150

phenomenal and we can we can talk about

167

00:07:29,839 --> 00:07:27,030

the whole field of UFO research and how

168

00:07:32,960 --> 00:07:29,849

an independent UFO researcher like you

169

00:07:34,640 --> 00:07:32,970

has the the guts and the determination

170

00:07:38,240 --> 00:07:34,650

to do this but you're a guy who's filed

171

00:07:40,610 --> 00:07:38,250

how many Freedom of Information requests

172

00:07:43,219 --> 00:07:40,620

and and how many have been how much how

173

00:07:45,469 --> 00:07:43,229

many have you filed and how many pages

174

00:07:48,020 --> 00:07:45,479

of documents are we talking about that

175

00:07:50,420 --> 00:07:48,030

you've gathered in your research oh my

176

00:07:51,830 --> 00:07:50,430

goodness I've got a over a hundred free

177

00:07:54,860 --> 00:07:51,840

Information Act requests with the

178

00:07:56,629 --> 00:07:54,870

Clinton Library what you do is you

179

00:07:58,730 --> 00:07:56,639

basically go to different departments

180

00:08:00,140 --> 00:07:58,740

and what I had done was I tried to find

181

00:08:01,249 --> 00:08:00,150

who had the answer and I figured well

182

00:08:03,140 --> 00:08:01,259

the president United States is

183

00:08:05,899 --> 00:08:03,150

supposedly the most powerful man in the

184

00:08:08,420 --> 00:08:05,909

world he must know so I would file with

185

00:08:10,550 --> 00:08:08,430

various libraries presidential libraries

186

00:08:13,939 --> 00:08:10,560

looking for their documents on UFOs and

187

00:08:15,439 --> 00:08:13,949

also on remote viewing psychic phenomena

188

00:08:17,149 --> 00:08:15,449

this sort of stuff trying to find out

189

00:08:22,390 --> 00:08:17,159

what is the president know about these

190

00:08:25,790 --> 00:08:22,400

very sort of intricate involved parts of

191

00:08:27,740 --> 00:08:25,800

reality and figuring that at his level

192

00:08:30,170 --> 00:08:27,750

he must have a better idea than you and

193

00:08:32,480 --> 00:08:30,180

I on in the public would know so with

194

00:08:37,399 --> 00:08:32,490

the Clintons where Clinton was very

195

00:08:40,819 --> 00:08:37,409

interested in consciousness in UFOs

196

00:08:42,409 --> 00:08:40,829

Hillary was very much into you know she

197

00:08:45,079 --> 00:08:42,419

got caught with this channeling thing

198

00:08:47,120 --> 00:08:45,089

with this gene Houston and in New York

199

00:08:50,840 --> 00:08:47,130

City this big scandal where she was sort

200

00:08:53,660 --> 00:08:50,850

of talking to Gandhi and Eleanor

201
00:08:55,460 --> 00:08:53,670
Roosevelt and this so that they were

202
00:08:56,870 --> 00:08:55,470
really interested and I filed a lot of

203
00:08:58,699 --> 00:08:56,880
for your Commission shock requests there

204
00:09:01,040 --> 00:08:58,709
and I basically traveled to all the

205
00:09:03,290 --> 00:09:01,050
different presidential libraries looking

206
00:09:04,610 --> 00:09:03,300
for these these documents and it really

207
00:09:06,740 --> 00:09:04,620
wasn't that successful except for the

208
00:09:11,329 --> 00:09:06,750
Clintons but in terms of documents I

209
00:09:13,519 --> 00:09:11,339
probably have oh maybe 10,000 pages of

210
00:09:16,550 --> 00:09:13,529
material and a lot of it is just sort of

211
00:09:18,199 --> 00:09:16,560
you know not the hard answers this or

212
00:09:20,449 --> 00:09:18,209
stuff but stuff that that sort of

213
00:09:22,220 --> 00:09:20,459

relates so I've collected a lawful lot

214

00:09:24,530 --> 00:09:22,230

of material just trying to sort of put

215

00:09:25,730 --> 00:09:24,540

it together and there really wasn't much

216

00:09:27,700 --> 00:09:25,740

of a

217

00:09:31,100 --> 00:09:27,710

answer and have had these sort of

218

00:09:33,110 --> 00:09:31,110

moments of sort of insight one was when

219

00:09:34,940 --> 00:09:33,120

I had my first UFO sighting in 75 which

220

00:09:36,590 --> 00:09:34,950

is sort of just to hit you and it's like

221

00:09:38,900 --> 00:09:36,600

wow you know I didn't believe this this

222

00:09:40,580 --> 00:09:38,910

existed the other one was when I saw dr.

223

00:09:42,650 --> 00:09:40,590

Michael Newton talking about life

224

00:09:46,190 --> 00:09:42,660

between lives he lectured this is about

225

00:09:47,570 --> 00:09:46,200

1990 he lectured in Laughlin Nevada I

226

00:09:49,460 --> 00:09:47,580

saw that lecture and that just sort of

227

00:09:51,140 --> 00:09:49,470

changed my life and the third one was

228

00:09:53,420 --> 00:09:51,150

when we got into his real consciousness

229

00:09:56,570 --> 00:09:53,430

thing this was last year in Phoenix

230

00:09:58,280 --> 00:09:56,580

where all the UFO lectures then this

231

00:09:59,780 --> 00:09:58,290

conference goes on for about a week and

232

00:10:01,370 --> 00:09:59,790

it's like lecture after lecture for a

233

00:10:02,570 --> 00:10:01,380

whole week so I listen to all these

234

00:10:05,440 --> 00:10:02,580

different lectures and there seem to be

235

00:10:07,280 --> 00:10:05,450

this thing where various people who were

236

00:10:09,170 --> 00:10:07,290

talking we're talking about

237

00:10:11,380 --> 00:10:09,180

consciousness not wasn't the main part

238

00:10:14,440 --> 00:10:11,390

of their lecture but it was just a sub

239

00:10:17,030 --> 00:10:14,450

topic in the lecture for example dr.

240

00:10:19,430 --> 00:10:17,040

Steven Greer who's done a did the

241

00:10:21,590 --> 00:10:19,440

disclosure news conference trying to

242

00:10:23,300 --> 00:10:21,600

expose all the high-level government

243

00:10:24,830 --> 00:10:23,310

witnesses he had talked about this

244

00:10:27,340 --> 00:10:24,840

consciousness thing that this is at the

245

00:10:31,150 --> 00:10:27,350

at the basis of the of the UFO

246

00:10:34,640 --> 00:10:31,160

interaction with with the earth and

247

00:10:36,980 --> 00:10:34,650

David sarita and all the various

248

00:10:39,200 --> 00:10:36,990

abduction researchers who would talk

249

00:10:41,270 --> 00:10:39,210

about this this mental telepathy thing

250

00:10:44,480 --> 00:10:41,280

that was going between the abductees and

251
00:10:46,940 --> 00:10:44,490
the and the the aliens that nothing

252
00:10:49,250 --> 00:10:46,950
happened by by word of mouth it was all

253
00:10:50,840 --> 00:10:49,260
telepathy and so this is sort of a

254
00:10:52,310 --> 00:10:50,850
subtopic but it wasn't until the last

255
00:10:55,220 --> 00:10:52,320
lecture in the last lecture was given by

256
00:10:56,930 --> 00:10:55,230
Colin Andrews and Colin Andrews is for

257
00:10:59,750 --> 00:10:56,940
people who know the crop circles the

258
00:11:02,270 --> 00:10:59,760
famous crop circles in England Colin

259
00:11:05,600 --> 00:11:02,280
Andrews is the key researcher he started

260
00:11:07,550 --> 00:11:05,610
in 82 he is the top researcher on crop

261
00:11:10,910 --> 00:11:07,560
circles and he gave this lecture which

262
00:11:12,560 --> 00:11:10,920
was called circles consciousness circles

263
00:11:12,920 --> 00:11:12,570

or circles of consciousness or something

264

00:11:14,830 --> 00:11:12,930

like that

265

00:11:18,440 --> 00:11:14,840

and it just it was one of these

266

00:11:20,120 --> 00:11:18,450

mind-altering things that I when I heard

267

00:11:24,080 --> 00:11:20,130

his lecture talking about the fact that

268

00:11:26,330 --> 00:11:24,090

the aliens were sort of making crop

269

00:11:28,250 --> 00:11:26,340

circles but they were also controlling

270

00:11:29,570 --> 00:11:28,260

the people who were hoaxing crop circles

271

00:11:31,670 --> 00:11:29,580

and that was his old lecture was that

272

00:11:33,530 --> 00:11:31,680

there was an 80% of the crop circles are

273

00:11:34,850 --> 00:11:33,540

hoaxed but that the people that he

274

00:11:37,130 --> 00:11:34,860

talked to who are hosting the crop

275

00:11:38,960 --> 00:11:37,140

circles we're talking about some sort of

276

00:11:41,389 --> 00:11:38,970

interaction some sort of

277

00:11:44,329 --> 00:11:41,399

force that was getting them to make

278

00:11:45,889 --> 00:11:44,339

certain types of circles and and so his

279

00:11:47,569 --> 00:11:45,899

thing was that the aliens control old

280

00:11:49,730 --> 00:11:47,579

think the real circles and the hoax

281

00:11:53,150 --> 00:11:49,740

circles and it was this whole idea that

282

00:11:54,590 --> 00:11:53,160

the aliens were sort of in control of

283

00:11:56,300 --> 00:11:54,600

what is going on that they're they're

284

00:11:58,280 --> 00:11:56,310

part of the cover-up and they're part of

285

00:11:59,869 --> 00:11:58,290

this sort of interaction with the human

286

00:12:02,540 --> 00:11:59,879

race that they're sort of leading us

287

00:12:04,790 --> 00:12:02,550

along and I got this sort of an instant

288

00:12:06,290 --> 00:12:04,800

insight for thirty five thirty seven

289

00:12:08,210 --> 00:12:06,300

years of research where suddenly

290

00:12:10,009 --> 00:12:08,220

everything sort of fit together all

291

00:12:11,929 --> 00:12:10,019

these stories that I can sort of relate

292

00:12:13,460 --> 00:12:11,939

to you these little things that I've

293

00:12:15,679 --> 00:12:13,470

known for years and years and years

294

00:12:17,660 --> 00:12:15,689

everything suddenly fit together no

295

00:12:20,720 --> 00:12:17,670

grant hold on because there's a lot

296

00:12:22,629 --> 00:12:20,730

going on here and I want to back up for

297

00:12:25,040 --> 00:12:22,639

a minute and say that you know this

298

00:12:27,650 --> 00:12:25,050

realization that you had that these

299

00:12:30,019 --> 00:12:27,660

pieces fit together I think is kind of

300

00:12:32,540 --> 00:12:30,029

interesting and I share your your

301

00:12:35,600 --> 00:12:32,550

perspective on it from the beginning

302

00:12:37,939 --> 00:12:35,610

these accounts have always had this

303

00:12:38,809 --> 00:12:37,949

element to them this extended

304

00:12:41,540 --> 00:12:38,819

consciousness

305

00:12:44,569 --> 00:12:41,550

you know we had Stan Friedman on this

306

00:12:46,490 --> 00:12:44,579

show a while ago and this show that

307

00:12:48,410 --> 00:12:46,500

we're doing today grant will be only the

308

00:12:50,900 --> 00:12:48,420

second show that we've ever done that

309

00:12:52,610 --> 00:12:50,910

touches on UFOs and again our approach

310

00:12:55,009 --> 00:12:52,620

to it is to look at the connection

311

00:12:57,920 --> 00:12:55,019

between consciousness but Stan Friedman

312

00:13:00,350 --> 00:12:57,930

of course you note did pretty extensive

313

00:13:04,819 --> 00:13:00,360

work on the Betty and Barney Hill

314

00:13:07,460 --> 00:13:04,829

abduction case in 1950 and he's not that

315

00:13:08,780 --> 00:13:07,470

interested in consciousness so he

316

00:13:12,470 --> 00:13:08,790

immediately brought to the table well

317

00:13:15,619 --> 00:13:12,480

yeah this guy pulls off the road has no

318

00:13:18,259 --> 00:13:15,629

no reason or explanation for why he's

319

00:13:20,689 --> 00:13:18,269

done it CNN is communicating

320

00:13:22,369 --> 00:13:20,699

telepathically so you have both the mind

321

00:13:24,170 --> 00:13:22,379

control why would this guy who's really

322

00:13:26,929 --> 00:13:24,180

kind of fastidious and would never get

323

00:13:28,910 --> 00:13:26,939

in the dust in the dirt pull off on this

324

00:13:31,639 --> 00:13:28,920

gravel road and get outside of the car

325

00:13:34,069 --> 00:13:31,649

and then to what how did he know this

326

00:13:36,499 --> 00:13:34,079

stuff without communicating so from back

327

00:13:38,449 --> 00:13:36,509

in the 50s there's these reports so I

328

00:13:40,670 --> 00:13:38,459

just want to emphasize what you brought

329

00:13:43,730 --> 00:13:40,680

up that you know this has kind of been

330

00:13:45,410 --> 00:13:43,740

hanging around there for a long time and

331

00:13:47,809 --> 00:13:45,420

no one's really put two pieces together

332

00:13:49,340 --> 00:13:47,819

but but now that that I've kind of

333

00:13:51,499 --> 00:13:49,350

interrupted you I want to get you back

334

00:13:52,190 --> 00:13:51,509

on track okay well let me clarify that

335

00:13:54,770 --> 00:13:52,200

compared

336

00:13:57,800 --> 00:13:54,780

- there's a part of the the UFO

337

00:14:00,590 --> 00:13:57,810

community who believes very deeply in

338

00:14:03,550 --> 00:14:00,600

this the the abduction stuff and if you

339

00:14:06,830 --> 00:14:03,560

listen to the two top researchers were

340

00:14:08,960 --> 00:14:06,840

David Jacobs and Budd Hopkins and they

341

00:14:10,610 --> 00:14:08,970

talked about the fact that after 1975 we

342

00:14:12,620 --> 00:14:10,620

knew everything we had knew about UFOs

343

00:14:15,200 --> 00:14:12,630

in terms of sightings and really nothing

344

00:14:16,910 --> 00:14:15,210

you had to get into inside the craft to

345

00:14:18,860 --> 00:14:16,920

know what's going on and they would talk

346

00:14:21,860 --> 00:14:18,870

about this interaction between abductees

347

00:14:24,950 --> 00:14:21,870

and the aliens but they made the

348

00:14:26,870 --> 00:14:24,960

connection was that other than that

349

00:14:28,880 --> 00:14:26,880

all the people who've talked to aliens

350

00:14:30,980 --> 00:14:28,890

it's all hoaxes like back to the 1950s

351

00:14:35,060 --> 00:14:30,990

the Betty and Barney Hill thing did not

352

00:14:37,190 --> 00:14:35,070

start until 1962 when when they started

353

00:14:39,110 --> 00:14:37,200

to make this thing public and before

354

00:14:41,810 --> 00:14:39,120

then for example when when they were

355

00:14:44,060 --> 00:14:41,820

first abducted they went to night cap

356

00:14:45,680 --> 00:14:44,070

which was the biggest UFO grouping in

357

00:14:48,980 --> 00:14:45,690

the world at the time and they was

358

00:14:51,770 --> 00:14:48,990

headed by major Keyhoe and major Keyhoe

359

00:14:54,050 --> 00:14:51,780

said this is nonsense little aliens do

360

00:14:55,640 --> 00:14:54,060

not abduct people on the roads and he

361

00:14:57,620 --> 00:14:55,650

basically would not touch this thing

362

00:14:59,090 --> 00:14:57,630

with a ten-foot pole the same as jail

363

00:15:02,450 --> 00:14:59,100

and Hynek who is probably the most

364

00:15:04,700 --> 00:15:02,460

prominent UFO researcher in the world of

365

00:15:07,040 --> 00:15:04,710

all times the same thing he said stay

366

00:15:09,230 --> 00:15:07,050

away from abductions it's it's it's no

367

00:15:10,850 --> 00:15:09,240

good don't don't go to abductions and a

368

00:15:13,100 --> 00:15:10,860

lot of people avoided that sort of

369

00:15:14,810 --> 00:15:13,110

interaction thing and one of the things

370

00:15:17,270 --> 00:15:14,820

that people left out when when you get

371

00:15:19,040 --> 00:15:17,280

Hopkins and and people like this who are

372

00:15:20,330 --> 00:15:19,050

talking about the abduction thing they

373

00:15:22,610 --> 00:15:20,340

say everybody everything else is

374

00:15:24,410 --> 00:15:22,620

nonsense and I started back with the

375

00:15:26,660 --> 00:15:24,420

work of Wilbur Smith who ran the

376

00:15:28,280 --> 00:15:26,670

Canadian government UFO program is the

377

00:15:31,850 --> 00:15:28,290

Kenyan government investigated this

378

00:15:33,530 --> 00:15:31,860

thing and from 1950 to 1954 and there's

379

00:15:35,450 --> 00:15:33,540

a top-secret memo it's a legitimate

380

00:15:37,310 --> 00:15:35,460

top-secret memo was Declassified by the

381

00:15:39,050 --> 00:15:37,320

Canadian government and in that memo

382

00:15:41,810 --> 00:15:39,060

Wilbert Smith who was running the Qing

383

00:15:43,220 --> 00:15:41,820

government UFO program writes to the

384

00:15:47,480 --> 00:15:43,230

deputy minister of the Department of

385

00:15:50,060 --> 00:15:47,490

Transport giving a report on on UFOs and

386

00:15:51,770 --> 00:15:50,070

he said Oh grant let me let me interject

387

00:15:55,070 --> 00:15:51,780

here because this is a really an

388

00:15:57,110 --> 00:15:55,080

important memo for folks who are still

389

00:15:59,600 --> 00:15:57,120

on the skeptical side for the whole UFO

390

00:16:02,660 --> 00:15:59,610

thing what I want you to do is talk

391

00:16:05,690 --> 00:16:02,670

about in real simple terms who will

392

00:16:08,660 --> 00:16:05,700

burst Smith is and why it what you just

393

00:16:10,940 --> 00:16:08,670

did so suddenly say that how did Wilbur

394

00:16:13,490 --> 00:16:10,950

Smith come to write this memo

395

00:16:15,620 --> 00:16:13,500

why was he down in DC and why should we

396

00:16:16,910 --> 00:16:15,630

believe what's in the memo I along the

397

00:16:19,850 --> 00:16:16,920

way of course you have to tell us what's

398

00:16:21,530 --> 00:16:19,860

in this memo okay he was a he was called

399

00:16:23,360 --> 00:16:21,540

the senior senior radio engineer and

400

00:16:27,620 --> 00:16:23,370

after the program was shut down he was

401
00:16:28,610 --> 00:16:27,630
actually promoted to the communications

402
00:16:31,430 --> 00:16:28,620
that sort of the head of communications

403
00:16:34,880 --> 00:16:31,440
and he worked at Shirley's Bay which is

404
00:16:37,790 --> 00:16:34,890
outside of Ottawa the Canadian capital

405
00:16:40,190 --> 00:16:37,800
and basically it's the NSA of Canada he

406
00:16:42,110 --> 00:16:40,200
ran Radio Ottawa which is trying to pick

407
00:16:43,580 --> 00:16:42,120
off Russian communications he was in

408
00:16:46,640 --> 00:16:43,590
charge of all the radio frequencies

409
00:16:49,760 --> 00:16:46,650
am/fm radio frequencies so when the FM

410
00:16:52,070 --> 00:16:49,770
radio came in in the in the late 50s he

411
00:16:53,960 --> 00:16:52,080
would negotiate with the Americans on

412
00:16:55,460 --> 00:16:53,970
radio frequencies along the border you

413
00:16:58,190 --> 00:16:55,470

get this frequency we get this frequency

414

00:16:59,750 --> 00:16:58,200

but he also controlled the military

415

00:17:02,150 --> 00:16:59,760

frequencies and the intelligence

416

00:17:04,449 --> 00:17:02,160

frequencies and and handing out radio

417

00:17:08,569 --> 00:17:04,459

frequencies to these people and he was

418

00:17:10,640 --> 00:17:08,579

given the job to research the Flying

419

00:17:13,939 --> 00:17:10,650

Saucer thing he was very interested he

420

00:17:16,670 --> 00:17:13,949

said that he was down at a conference in

421

00:17:18,590 --> 00:17:16,680

Washington DC and he a couple of books

422

00:17:20,150 --> 00:17:18,600

you have a famous book UFO books that

423

00:17:23,090 --> 00:17:20,160

came out and he started to ask questions

424

00:17:25,400 --> 00:17:23,100

and he said he basically got these

425

00:17:26,689 --> 00:17:25,410

confirmations and so he writes back to

426

00:17:29,090 --> 00:17:26,699

the Canadian government and he's

427

00:17:31,790 --> 00:17:29,100

reporting on what he learned in at the

428

00:17:33,680 --> 00:17:31,800

Canadian embassy in Washington DC as

429

00:17:34,820 --> 00:17:33,690

part of his job I mean he's reporting

430

00:17:36,440 --> 00:17:34,830

but this is what he's supposed to be

431

00:17:38,990 --> 00:17:36,450

doing it's also his passion and his

432

00:17:42,590 --> 00:17:39,000

interest but this is a real guy in

433

00:17:44,690 --> 00:17:42,600

Canadian security in the u.s. in DC and

434

00:17:46,910 --> 00:17:44,700

asking around hey what is about what

435

00:17:48,140 --> 00:17:46,920

about this UFO stuff yeah and he's

436

00:17:50,900 --> 00:17:48,150

coming he's going through the military

437

00:17:52,310 --> 00:17:50,910

attache which was attached to the

438

00:17:54,530 --> 00:17:52,320

research and development board in the

439

00:17:55,730 --> 00:17:54,540

United States the Kane military liaison

440

00:17:58,220 --> 00:17:55,740

guy was giving him a lot of this

441

00:17:59,480 --> 00:17:58,230

information and the research and

442

00:18:01,430 --> 00:17:59,490

development board in the United States

443

00:18:03,770 --> 00:18:01,440

was in charge of the hydrogen bomb all

444

00:18:06,200 --> 00:18:03,780

the weapon research this was the key

445

00:18:08,960 --> 00:18:06,210

sort of research and development aspect

446

00:18:10,820 --> 00:18:08,970

of the the American military so he's

447

00:18:12,770 --> 00:18:10,830

getting this material and he reports

448

00:18:14,870 --> 00:18:12,780

back the basic things that that he awful

449

00:18:17,150 --> 00:18:14,880

people have always for 30 years have

450

00:18:18,109 --> 00:18:17,160

talked about this UFO thing he says

451

00:18:21,559 --> 00:18:18,119

flying saucers

452

00:18:23,749 --> 00:18:21,569

the most highly classified subject the

453

00:18:25,549 --> 00:18:23,759

United States rated two points higher

454

00:18:28,099 --> 00:18:25,559

than the hydrogen bomb this was written

455

00:18:30,379 --> 00:18:28,109

in December of 1950 two years before the

456

00:18:31,969 --> 00:18:30,389

first hydrogen bomb was detonated so

457

00:18:33,529 --> 00:18:31,979

this is before the hydrogen bomb and

458

00:18:35,479 --> 00:18:33,539

he's saying this is higher higher

459

00:18:38,659 --> 00:18:35,489

classification than the hydrogen bomb

460

00:18:40,849 --> 00:18:38,669

and then he says that there's a small

461

00:18:43,729 --> 00:18:40,859

group headed by dr. Vannevar Bush who

462

00:18:46,279 --> 00:18:43,739

was the the scientific adviser to

463

00:18:49,089 --> 00:18:46,289

Roosevelt during World War two we go to

464

00:18:52,549 --> 00:18:49,099

guy Vannevar Bush is the go-to guy for

465

00:18:55,399 --> 00:18:52,559

everything right at the highest level

466

00:18:58,039 --> 00:18:55,409

your atomic bomb your jet engine

467

00:19:00,619 --> 00:18:58,049

proximity fuze every major development

468

00:19:02,149 --> 00:19:00,629

during roar to was headed the scientific

469

00:19:04,309 --> 00:19:02,159

aspect was headed by dr. banner of our

470

00:19:06,319 --> 00:19:04,319

bush and then so Smith is saying he's

471

00:19:08,419 --> 00:19:06,329

given the job to figure out this flying

472

00:19:10,909 --> 00:19:08,429

saucer thing so Smith is going back and

473

00:19:12,709 --> 00:19:10,919

saying flying saucers are real he was

474

00:19:14,329 --> 00:19:12,719

told by American officials and he

475

00:19:16,729 --> 00:19:14,339

doesn't say like some guy he's saying

476

00:19:18,739 --> 00:19:16,739

American officials are telling him that

477

00:19:20,059 --> 00:19:18,749

this is for real and that if we have

478

00:19:22,819 --> 00:19:20,069

anything to exchange they're willing to

479

00:19:24,619 --> 00:19:22,829

exchange and so for 30 years in UFO

480

00:19:28,039 --> 00:19:24,629

community I along with everybody else

481

00:19:30,679 --> 00:19:28,049

quoted these four points but the very

482

00:19:34,339 --> 00:19:30,689

next line in the document everybody has

483

00:19:35,719 --> 00:19:34,349

has left out and the very next hold up

484

00:19:37,729 --> 00:19:35,729

before you get to that next line let's

485

00:19:41,239 --> 00:19:37,739

do a little cliffhanger here who was the

486

00:19:43,849 --> 00:19:41,249

intended audience for this memo when is

487

00:19:46,549 --> 00:19:43,859

this memo when does this memo become

488

00:19:50,059 --> 00:19:46,559

public and what other evidence do we

489

00:19:52,849 --> 00:19:50,069

have that this was completely legitimate

490

00:19:55,579 --> 00:19:52,859

what other confirmations do we have from

491

00:19:57,799 --> 00:19:55,589

other individuals that this did in fact

492

00:20:01,909 --> 00:19:57,809

happen the way that Smith said it did

493

00:20:04,279 --> 00:20:01,919

okay well it was December 1950 to start

494

00:20:05,509 --> 00:20:04,289

with it wasn't Declassified Stanton

495

00:20:08,329 --> 00:20:05,519

Friedman was actually one of the people

496

00:20:11,989 --> 00:20:08,339

who forced it to be pushed out but it

497

00:20:14,329 --> 00:20:11,999

wasn't fully declassified until 1978 I

498

00:20:16,309 --> 00:20:14,339

believe it was so almost 30 years later

499

00:20:18,259 --> 00:20:16,319

that this thing was Declassified and

500

00:20:20,929 --> 00:20:18,269

what happened was that when Smith was

501
00:20:22,789 --> 00:20:20,939
dying dying of cancer of the lower bowel

502
00:20:25,579 --> 00:20:22,799
he knew he was dying he told his wife

503
00:20:28,009 --> 00:20:25,589
get rid of the files so the files were

504
00:20:30,409 --> 00:20:28,019
held by his oldest son and they were

505
00:20:31,680 --> 00:20:30,419
then moved to a researcher in Ottawa who

506
00:20:33,749 --> 00:20:31,690
already knew

507
00:20:36,389 --> 00:20:33,759
that this memo existed because Smith had

508
00:20:39,509 --> 00:20:36,399
a copy in his personal files so there

509
00:20:41,220 --> 00:20:39,519
was push these researchers who knew what

510
00:20:43,710 --> 00:20:41,230
was in the files to get the Canadian

511
00:20:45,240 --> 00:20:43,720
government to declassify the documents

512
00:20:48,509 --> 00:20:45,250
so when they finally Declassified the

513
00:20:50,430 --> 00:20:48,519

documents in 1978 this dot top secret

514

00:20:51,960 --> 00:20:50,440

document became public now the way the

515

00:20:54,419 --> 00:20:51,970

government got out of it said well he

516

00:20:56,669 --> 00:20:54,429

didn't have rights to declassify hard to

517

00:20:58,289 --> 00:20:56,679

put top-secret on it and you know they

518

00:21:00,749 --> 00:20:58,299

they tried to find different ways to

519

00:21:02,639 --> 00:21:00,759

sort of invalidate the document but it

520

00:21:05,970 --> 00:21:02,649

is a valid document it is in the

521

00:21:08,190 --> 00:21:05,980

Canadian research libraries and and

522

00:21:09,210 --> 00:21:08,200

nobody denies that it that it wasn't

523

00:21:10,919 --> 00:21:09,220

written that it wasn't top-secret

524

00:21:12,029 --> 00:21:10,929

they're just sort of playing on the

525

00:21:13,830 --> 00:21:12,039

edges of whether should have been

526

00:21:16,889 --> 00:21:13,840

top-secret to start with so this

527

00:21:18,450 --> 00:21:16,899

document is is there Smith writes it and

528

00:21:22,019 --> 00:21:18,460

he's writing it to the Kane government

529

00:21:24,119 --> 00:21:22,029

and when we have confirmation from a US

530

00:21:27,869 --> 00:21:24,129

official who says what happens is

531

00:21:30,180 --> 00:21:27,879

Stanton tracks down there's an interview

532

00:21:33,509 --> 00:21:30,190

that Smith does at the Kane Embassy with

533

00:21:35,909 --> 00:21:33,519

a scientist dr. Roberts our Bakker who

534

00:21:37,740 --> 00:21:35,919

in the 1950s was a sort of a consultant

535

00:21:42,149 --> 00:21:37,750

to the US military to the research and

536

00:21:44,279 --> 00:21:42,159

development board and in 1983 this after

537

00:21:46,080 --> 00:21:44,289

the the document becomes public his

538

00:21:47,399 --> 00:21:46,090

personal Smith's personal files become

539

00:21:48,960 --> 00:21:47,409

public and this interview this

540

00:21:50,850 --> 00:21:48,970

handwritten interview with dr. SAR

541

00:21:52,200 --> 00:21:50,860

Barker which gives part of the material

542

00:21:53,369 --> 00:21:52,210

not all the material them top-secret

543

00:21:55,889 --> 00:21:53,379

remember but some of it

544

00:21:57,509 --> 00:21:55,899

and Stanton decides well let's see if

545

00:21:59,249 --> 00:21:57,519

this guy still life he finds the guy in

546

00:22:01,110 --> 00:21:59,259

Florida he's still alive dr. Robert Shaw

547

00:22:02,940 --> 00:22:01,120

Walker and he talks to Robert Shaw

548

00:22:04,440 --> 00:22:02,950

Bakker did you give this interview to

549

00:22:05,789 --> 00:22:04,450

Wilbur Smith and you say yeah I recall

550

00:22:08,909 --> 00:22:05,799

giving this interview at the Kane

551
00:22:10,710 --> 00:22:08,919
embassy and it basically he says what

552
00:22:12,509 --> 00:22:10,720
was the background he said well I think

553
00:22:16,139 --> 00:22:12,519
one of the consultants in Washington at

554
00:22:18,060 --> 00:22:16,149
the Navy the Navy section I was called

555
00:22:19,230 --> 00:22:18,070
into a series of meetings at

556
00:22:20,669 --> 00:22:19,240
wright-patterson Air Force Base

557
00:22:23,009 --> 00:22:20,679
where they had a crashed flying saucer

558
00:22:24,299 --> 00:22:23,019
and they were briefing a bunch of

559
00:22:26,159 --> 00:22:24,309
high-ranking scientists at the

560
00:22:28,200 --> 00:22:26,169
researchers all on board I didn't have

561
00:22:30,299 --> 00:22:28,210
time to go he was working on that the

562
00:22:31,049 --> 00:22:30,309
Canadian dew line project he didn't have

563
00:22:33,240 --> 00:22:31,059

time to go

564

00:22:35,789 --> 00:22:33,250

but he started naming off all these

565

00:22:39,960 --> 00:22:35,799

different people to Stanton who had gone

566

00:22:43,310 --> 00:22:39,970

and he named off dr. Bush of course he

567

00:22:45,420 --> 00:22:43,320

named off von Newman who was sort of the

568

00:22:48,480 --> 00:22:45,430

initiator of the computer

569

00:22:50,430 --> 00:22:48,490

dr. von Braun he named off a number of

570

00:22:52,320 --> 00:22:50,440

high-ranking scientists then he named

571

00:22:54,080 --> 00:22:52,330

off one scientist who's still alive and

572

00:22:56,250 --> 00:22:54,090

that's kind of a kind of a long story

573

00:22:58,560 --> 00:22:56,260

dr. Eric Walker was the former president

574

00:23:00,180 --> 00:22:58,570

of Penn State University and we actually

575

00:23:02,160 --> 00:23:00,190

go to him and he confirms a lot of this

576

00:23:04,350 --> 00:23:02,170

stuff so Sabich or does give

577

00:23:06,000 --> 00:23:04,360

confirmation for the fact that he did

578

00:23:07,950 --> 00:23:06,010

tell Smith it was most highly classified

579

00:23:09,930 --> 00:23:07,960

subject the United States that flying

580

00:23:11,160 --> 00:23:09,940

saucers were real all we know is we

581

00:23:13,800 --> 00:23:11,170

didn't make them we don't know who made

582

00:23:16,590 --> 00:23:13,810

them and so it sets the basis for the

583

00:23:18,240 --> 00:23:16,600

fact that Smith has not just connections

584

00:23:20,280 --> 00:23:18,250

with people in the United States but he

585

00:23:23,880 --> 00:23:20,290

has connections with the US government

586

00:23:26,430 --> 00:23:23,890

and and in fact his his son confirmed to

587

00:23:28,110 --> 00:23:26,440

me as a rumored story that at the end of

588

00:23:33,120 --> 00:23:28,120

his life his father had told him that

589

00:23:34,680 --> 00:23:33,130

yes he had actually gotten access to the

590

00:23:36,300 --> 00:23:34,690

crash flying saucers showing a flight

591

00:23:38,400 --> 00:23:36,310

crash flying saucer outside of

592

00:23:40,610 --> 00:23:38,410

Washington DC and he did see the bodies

593

00:23:44,130 --> 00:23:40,620

so Smith was at this very high-level

594

00:23:46,260 --> 00:23:44,140

classified area where he was actually

595

00:23:48,240 --> 00:23:46,270

interaction between the u.s. and the

596

00:23:50,550 --> 00:23:48,250

Canadian government and we should add

597

00:23:52,800 --> 00:23:50,560

that Wilbur Smith is someone that you

598

00:23:54,990 --> 00:23:52,810

have researched a fellow Canadian that

599

00:23:57,660 --> 00:23:55,000

you have researched extensively so you

600

00:23:59,490 --> 00:23:57,670

spent several years collecting as many

601
00:24:01,380 --> 00:23:59,500
of his notes and documents in

602
00:24:04,650 --> 00:24:01,390
interviewing family members and friends

603
00:24:07,140 --> 00:24:04,660
so it's really been a major interest

604
00:24:11,790 --> 00:24:07,150
area of yours is that correct yeah yeah

605
00:24:15,150 --> 00:24:11,800
and I have all his files which are for

606
00:24:17,910 --> 00:24:15,160
DVDs full was a lot of material but I

607
00:24:22,200 --> 00:24:17,920
want to come back and unravel and get

608
00:24:25,530 --> 00:24:22,210
back to the next line in the memo so in

609
00:24:27,240 --> 00:24:25,540
1951 Smith writes this this memo to the

610
00:24:28,770 --> 00:24:27,250
Qing government describing what he's

611
00:24:30,900 --> 00:24:28,780
been told by officials in the United

612
00:24:32,400 --> 00:24:30,910
States he talks about the UFO stuff

613
00:24:34,830 --> 00:24:32,410

which everybody quotes in the very next

614

00:24:37,170 --> 00:24:34,840

line everybody leaves out and I left it

615

00:24:40,290 --> 00:24:37,180

out for years to he said I was further

616

00:24:42,870 --> 00:24:40,300

informed that US authorities and then

617

00:24:45,390 --> 00:24:42,880

you got to get that US authorities are

618

00:24:48,180 --> 00:24:45,400

investigating along quite a number of

619

00:24:51,390 --> 00:24:48,190

lines which might possibly be related to

620

00:24:53,070 --> 00:24:51,400

the saucers such as mental phenomena and

621

00:24:55,320 --> 00:24:53,080

I gather they're not doing too well

622

00:24:58,140 --> 00:24:55,330

since they have indicated that if Canada

623

00:24:59,250 --> 00:24:58,150

is doing anything at all along the lines

624

00:25:01,500 --> 00:24:59,260

of geomagnetic

625

00:25:03,690 --> 00:25:01,510

would welcome a discussion with suitably

626
00:25:05,970 --> 00:25:03,700
accredited Canadians so he's basically

627
00:25:08,160 --> 00:25:05,980
saying that they've got this connection

628
00:25:10,380 --> 00:25:08,170
with with mental phenomena and if

629
00:25:13,380 --> 00:25:10,390
there's anybody the inside Canada who's

630
00:25:15,450 --> 00:25:13,390
working on it if you get cleared to talk

631
00:25:16,680 --> 00:25:15,460
on a classified level we're willing to

632
00:25:18,510 --> 00:25:16,690
talk to you because we're trying to

633
00:25:21,150 --> 00:25:18,520
figure this thing out and the key part

634
00:25:22,500 --> 00:25:21,160
of this whole thing is that in 1950 no

635
00:25:25,440 --> 00:25:22,510
matter what anybody in the UFO community

636
00:25:28,140 --> 00:25:25,450
wants to say there was no discussion

637
00:25:30,120 --> 00:25:28,150
none whatsoever in any literature that

638
00:25:33,360 --> 00:25:30,130

there was any interaction between the

639

00:25:36,240 --> 00:25:33,370

aliens and human beings the the the

640

00:25:38,940 --> 00:25:36,250

first interaction that publicly been

641

00:25:40,230 --> 00:25:38,950

made known was when the contactees which

642

00:25:42,990 --> 00:25:40,240

were people who were talking to the

643

00:25:45,240 --> 00:25:43,000

blonds appeared in 1952 George Adamski

644

00:25:47,910 --> 00:25:45,250

there was a bunch of a bunch of them in

645

00:25:49,680 --> 00:25:47,920

1952 that started to say we're talking

646

00:25:51,600 --> 00:25:49,690

to aliens and we're having meetings with

647

00:25:54,180 --> 00:25:51,610

them and stuff Smith writes this memo

648

00:25:56,550 --> 00:25:54,190

two years before there is no discussion

649

00:25:58,830 --> 00:25:56,560

in UFO literature about an interaction

650

00:26:01,590 --> 00:25:58,840

whether it's talking to aliens or

651
00:26:03,210 --> 00:26:01,600
whether it's a telepathy and so the fact

652
00:26:06,120 --> 00:26:03,220
that the important part of this whole

653
00:26:09,090 --> 00:26:06,130
thing is that in 1950 Smith is saying

654
00:26:12,360 --> 00:26:09,100
the American authorities already know

655
00:26:15,210 --> 00:26:12,370
that mental phenomena is part of this of

656
00:26:17,340 --> 00:26:15,220
this a flying saucer phenomena the

657
00:26:18,930 --> 00:26:17,350
American government who will say right

658
00:26:21,270 --> 00:26:18,940
up to today

659
00:26:22,680 --> 00:26:21,280
Obama released a statement just a couple

660
00:26:26,160 --> 00:26:22,690
of months ago saying we have no evidence

661
00:26:27,870 --> 00:26:26,170
we we don't have anything and and here's

662
00:26:29,880 --> 00:26:27,880
Smith saying in a top-secret memo which

663
00:26:32,550 --> 00:26:29,890

is not discussion about whether this is

664

00:26:34,830 --> 00:26:32,560

illegitimate the memo 1950 is already

665

00:26:36,960 --> 00:26:34,840

saying the American authorities know

666

00:26:38,850 --> 00:26:36,970

about the importance of mental phenomena

667

00:26:40,530 --> 00:26:38,860

associated with the flying saucers so

668

00:26:43,200 --> 00:26:40,540

they've known the mental phenomena

669

00:26:45,660 --> 00:26:43,210

aspect right from day one so grant

670

00:26:49,890 --> 00:26:45,670

that's fascinating now make the

671

00:26:52,050 --> 00:26:49,900

connection for us for MKULTRA tell

672

00:26:54,330 --> 00:26:52,060

people a little bit about what what is

673

00:26:58,320 --> 00:26:54,340

MKULTRA particularly because it happens

674

00:27:00,900 --> 00:26:58,330

up there in Canada okay that the whole

675

00:27:03,990 --> 00:27:00,910

MKULTRA and all the the related programs

676
00:27:07,890 --> 00:27:04,000
didn't become public until the mid 1970s

677
00:27:10,380 --> 00:27:07,900
and it became public in a big scandal in

678
00:27:13,149 --> 00:27:10,390
the United States and Richard Helms had

679
00:27:15,549 --> 00:27:13,159
been involved and when it first became

680
00:27:17,139 --> 00:27:15,559
public it had been sort of discovered

681
00:27:18,849 --> 00:27:17,149
immediately that the vast majority of

682
00:27:21,430 --> 00:27:18,859
the documents have been destroyed and

683
00:27:25,060 --> 00:27:21,440
this was basically the CIA working on

684
00:27:29,200 --> 00:27:25,070
mind-control and on trying to work on

685
00:27:32,019 --> 00:27:29,210
this aspect of using the mind as a

686
00:27:33,849 --> 00:27:32,029
weapon of war interrogating people

687
00:27:36,879 --> 00:27:33,859
finding out what the Russians were doing

688
00:27:38,589 --> 00:27:36,889

and all this or stuff and when you when

689

00:27:40,629 --> 00:27:38,599

you look back at the thing there's a

690

00:27:42,639 --> 00:27:40,639

this very significant meeting that takes

691

00:27:45,219 --> 00:27:42,649

place Smith writes this memo in December

692

00:27:47,950 --> 00:27:45,229

of 1950 and one of the people that's

693

00:27:50,979 --> 00:27:47,960

mentioned in the top secret memo is dr.

694

00:27:53,680 --> 00:27:50,989

Oman silent who was the head of the

695

00:27:56,680 --> 00:27:53,690

research board the military research

696

00:27:58,869 --> 00:27:56,690

board in Canada and Smith mentions him

697

00:28:00,190 --> 00:27:58,879

that he's briefing him as well he's

698

00:28:01,899 --> 00:28:00,200

writing it to the department transport

699

00:28:04,479 --> 00:28:01,909

but the Defense Department this Oman

700

00:28:07,419 --> 00:28:04,489

slant is involved I guess what I'm

701
00:28:09,580 --> 00:28:07,429
asking is don't we have to look at that

702
00:28:12,609 --> 00:28:09,590
a little bit differently now that we

703
00:28:14,169 --> 00:28:12,619
understand the Smith memo and the next

704
00:28:16,330 --> 00:28:14,179
line that you talked about because I

705
00:28:18,460 --> 00:28:16,340
understand the Russian connection you

706
00:28:21,729 --> 00:28:18,470
know we had Joe mechanical who was

707
00:28:24,159 --> 00:28:21,739
psychic spy number zero zero one at

708
00:28:26,109 --> 00:28:24,169
Stanford Research Institute as part of

709
00:28:28,869 --> 00:28:26,119
the Stargate program and we interviewed

710
00:28:31,419 --> 00:28:28,879
him and and and and we understand that

711
00:28:35,259 --> 00:28:31,429
there really was this perceived threat

712
00:28:37,180 --> 00:28:35,269
from the USSR but I think what what

713
00:28:39,700 --> 00:28:37,190

would you bring to the table here is

714

00:28:43,599 --> 00:28:39,710

that there's this other element going on

715

00:28:46,149 --> 00:28:43,609

which is this UFO is an understanding

716

00:28:48,460 --> 00:28:46,159

that the UFO phenomena is related to

717

00:28:50,649 --> 00:28:48,470

these mental phenomena and I think that

718

00:28:52,180 --> 00:28:50,659

that plays into this as well but maybe

719

00:28:54,489 --> 00:28:52,190

I'm taking it too far

720

00:28:56,409 --> 00:28:54,499

would you agree with that well I don't

721

00:28:59,589 --> 00:28:56,419

think we really get the UFO connection

722

00:29:02,379 --> 00:28:59,599

until later in the 50s 60s 70s I don't

723

00:29:04,779 --> 00:29:02,389

think you get the these pieces falling

724

00:29:07,119 --> 00:29:04,789

out like the MKULTRA that whole scandal

725

00:29:09,580 --> 00:29:07,129

about the fact that they were the CIA

726

00:29:11,799 --> 00:29:09,590

was interested in the mind in in the met

727

00:29:14,979 --> 00:29:11,809

in the military aspects but it's not

728

00:29:16,629 --> 00:29:14,989

until later when I I get these other

729

00:29:20,379 --> 00:29:16,639

pieces that pop in that I had were

730

00:29:24,099 --> 00:29:20,389

always in my head that that sort of fit

731

00:29:25,960 --> 00:29:24,109

in where it says the UFO connection is

732

00:29:26,730 --> 00:29:25,970

really important and the one was I

733

00:29:28,919 --> 00:29:26,740

mentioned

734

00:29:30,570 --> 00:29:28,929

Robert saw Bakker and he was giving

735

00:29:32,299 --> 00:29:30,580

material to Wilbur Smith and when

736

00:29:34,860 --> 00:29:32,309

Stanton interviewed him he says well

737

00:29:36,450 --> 00:29:34,870

who-who was there is it wasn't anybody

738

00:29:37,650 --> 00:29:36,460

alive least your name mentioned all

739

00:29:39,570 --> 00:29:37,660

these guys who are dead he said well

740

00:29:41,070 --> 00:29:39,580

there's one guy from from Pennsylvania

741

00:29:43,020 --> 00:29:41,080

he was real arrogant he thought he knew

742

00:29:44,970 --> 00:29:43,030

everything he attended all the meetings

743

00:29:46,980 --> 00:29:44,980

and we tracked this guy down he turns

744

00:29:48,890 --> 00:29:46,990

out to be dr. Eric Walker who was former

745

00:29:52,110 --> 00:29:48,900

president of Penn State University and

746

00:29:53,220 --> 00:29:52,120

he was for 15 years he was the chairman

747

00:29:55,020 --> 00:29:53,230

of the board of the Institute for

748

00:29:56,580 --> 00:29:55,030

Defense analysis which is the top

749

00:29:59,460 --> 00:29:56,590

military think-tank for the United

750

00:30:02,040 --> 00:29:59,470

States military he what he was the

751
00:30:04,860 --> 00:30:02,050
co-develop developer of the the homing

752
00:30:07,250 --> 00:30:04,870
torpedo he was friends with Vannevar

753
00:30:10,400 --> 00:30:07,260
Bush he had this incredible unbelievable

754
00:30:12,330 --> 00:30:10,410
background of you know military and

755
00:30:15,060 --> 00:30:12,340
connections with presidents and stuff

756
00:30:17,370 --> 00:30:15,070
like this so when we go to him we're

757
00:30:18,660 --> 00:30:17,380
interviewing him as UFO researchers

758
00:30:20,070 --> 00:30:18,670
we're not thinking about the mind we

759
00:30:21,960 --> 00:30:20,080
couldn't care less about you know we had

760
00:30:23,970 --> 00:30:21,970
no connection whatsoever we're talking

761
00:30:26,490 --> 00:30:23,980
to him and we're trying to find out the

762
00:30:29,340 --> 00:30:26,500
supposed UFO group that runs the whole

763
00:30:31,020 --> 00:30:29,350

thing is the mj-12 we're asking

764

00:30:33,299 --> 00:30:31,030

questions on mj-12 did you have contact

765

00:30:35,220 --> 00:30:33,309

with the aliens how did the thing

766

00:30:37,290 --> 00:30:35,230

operate how did you cover up the UFO

767

00:30:39,210 --> 00:30:37,300

thing and suddenly in the middle middle

768

00:30:40,410 --> 00:30:39,220

of one of these interviews in 1990 and

769

00:30:42,299 --> 00:30:40,420

he's interviewed for about eight years

770

00:30:43,650 --> 00:30:42,309

I'm sort of running this team of

771

00:30:45,330 --> 00:30:43,660

researchers around the world now I'm not

772

00:30:46,919 --> 00:30:45,340

talking to him there's people who say I

773

00:30:48,660 --> 00:30:46,929

can get Walker to talk okay here's his

774

00:30:51,150 --> 00:30:48,670

phone number and what we do is we take

775

00:30:52,919 --> 00:30:51,160

all the the interviews that are done

776

00:30:54,900 --> 00:30:52,929

with him we put him in a book and in

777

00:30:57,690 --> 00:30:54,910

1990 in the middle of one of these

778

00:30:59,580 --> 00:30:57,700

interviews he suddenly cuts off the

779

00:31:02,040 --> 00:30:59,590

conversation talking about hardware

780

00:31:04,950 --> 00:31:02,050

about bodies and all his hearse and he

781

00:31:07,830 --> 00:31:04,960

suddenly says how good is your sixth

782

00:31:09,540 --> 00:31:07,840

sense how much do you know about ESP and

783

00:31:11,520 --> 00:31:09,550

the other guy goes well you know I don't

784

00:31:13,200 --> 00:31:11,530

really it's not have interests to him I

785

00:31:16,169 --> 00:31:13,210

don't know what's going on and Walker

786

00:31:19,350 --> 00:31:16,179

says then as unless you know about it

787

00:31:20,940 --> 00:31:19,360

and how to use it you will not be taken

788

00:31:22,740 --> 00:31:20,950

in because the question was about who's

789

00:31:24,720 --> 00:31:22,750

running the group what's this mj-12

790

00:31:26,490 --> 00:31:24,730

how many people are on the group how are

791

00:31:30,060 --> 00:31:26,500

these people operating and he says

792

00:31:33,410 --> 00:31:30,070

unless you I know about ESP and how to

793

00:31:36,600 --> 00:31:33,420

use it you would not be taken in by this

794

00:31:39,210 --> 00:31:36,610

mj-12 this overriding group that runs

795

00:31:39,850 --> 00:31:39,220

the UFO program only a few know about it

796

00:31:41,500 --> 00:31:39,860

so

797

00:31:42,880 --> 00:31:41,510

the and and we saw the interview and I

798

00:31:44,919 --> 00:31:42,890

put in the book we published the book in

799

00:31:48,669 --> 00:31:44,929

1990 we're about to republish the book

800

00:31:50,049 --> 00:31:48,679

we put it in this book in 1991 we never

801
00:31:52,539 --> 00:31:50,059
mentioned it the book we never brought

802
00:31:54,880 --> 00:31:52,549
up the the this mention of the fact that

803
00:31:56,169 --> 00:31:54,890
that ESP was involved because it meant

804
00:31:58,000 --> 00:31:56,179
nothing to us we were into the hardware

805
00:32:00,789 --> 00:31:58,010
in the bodies and all this or stuff but

806
00:32:05,549 --> 00:32:00,799
he mentions this in 1990 and then in

807
00:32:07,990 --> 00:32:05,559
1993 there's a related story about a

808
00:32:10,899 --> 00:32:08,000
conversation that that takes place with

809
00:32:14,019 --> 00:32:10,909
Ben rich Ben rich was the guy who ran

810
00:32:16,060 --> 00:32:14,029
skunk works over the the u2 the sr-71

811
00:32:18,460 --> 00:32:16,070
the stealth fighter the stealth bomber

812
00:32:20,919 --> 00:32:18,470
they were all developed by what was

813
00:32:22,690 --> 00:32:20,929

called skunk works and Ben rich ran it

814

00:32:27,370 --> 00:32:22,700

and he would get a number of questions

815

00:32:30,370 --> 00:32:27,380

about was this UFO technology and he's

816

00:32:32,769 --> 00:32:30,380

giving a lecture in 1993 he's dying of

817

00:32:35,139 --> 00:32:32,779

cancer he gives a lecture at UCLA to a

818

00:32:37,570 --> 00:32:35,149

bunch of Engineers and he's talking and

819

00:32:40,389 --> 00:32:37,580

he says in in there he says we've got to

820

00:32:42,190 --> 00:32:40,399

eat eat the technology to take e.t home

821

00:32:44,320 --> 00:32:42,200

he gives us lecture he finishes the

822

00:32:46,450 --> 00:32:44,330

lecture he's walking out and one of the

823

00:32:48,580 --> 00:32:46,460

engineers who's interested in UFOs runs

824

00:32:51,340 --> 00:32:48,590

after and he says to Ben rich he says

825

00:32:54,370 --> 00:32:51,350

Ben rich how are these things propelled

826

00:32:56,590 --> 00:32:54,380

how are UFOs propelled and Ben rich

827

00:32:59,080 --> 00:32:56,600

turns around and he says to him let me

828

00:33:01,690 --> 00:32:59,090

ask you a question how does ESP work and

829

00:33:03,940 --> 00:33:01,700

the guy says well I mean it means that

830

00:33:05,950 --> 00:33:03,950

all points all points in time and space

831

00:33:08,830 --> 00:33:05,960

are connected and been rich turns around

832

00:33:12,389 --> 00:33:08,840

and says that's how they work and so

833

00:33:14,289 --> 00:33:12,399

here's this top guy in US military

834

00:33:17,889 --> 00:33:14,299

research who's saying

835

00:33:20,470 --> 00:33:17,899

ESP that's how UFOs are propelled so you

836

00:33:24,129 --> 00:33:20,480

get these connections years later that

837

00:33:26,409 --> 00:33:24,139

basically put this together grant

838

00:33:28,180 --> 00:33:26,419

let me layer something else on top of

839

00:33:30,250 --> 00:33:28,190

here that I've heard you say that I

840

00:33:32,649 --> 00:33:30,260

think it's changed the way I think about

841

00:33:35,379 --> 00:33:32,659

this whole topic and I don't know to

842

00:33:39,190 --> 00:33:35,389

what extent I fully fully agree with you

843

00:33:41,620 --> 00:33:39,200

but that's that that you look at the UFO

844

00:33:45,100 --> 00:33:41,630

phenomena through a national security

845

00:33:47,950 --> 00:33:45,110

lens rather than as as a scientific

846

00:33:50,159 --> 00:33:47,960

phenomena you insist that we look at it

847

00:33:52,570 --> 00:33:50,169

from a national security perspective

848

00:33:54,430 --> 00:33:52,580

tell us what you mean by that

849

00:33:55,900 --> 00:33:54,440

well let me clarify that I wrote an

850

00:33:57,550 --> 00:33:55,910

article it's on my website you go to my

851

00:34:00,220 --> 00:33:57,560

website on the right hand side you'll

852

00:34:01,780 --> 00:34:00,230

see articles I wrote an article on the I

853

00:34:04,090 --> 00:34:01,790

used to call 264 reasons the government

854

00:34:05,320 --> 00:34:04,100

decided not to tell you the truth the

855

00:34:07,210 --> 00:34:05,330

number one reason is because it's

856

00:34:09,580 --> 00:34:07,220

classified it's simply this is military

857

00:34:11,020 --> 00:34:09,590

technology if we can develop things that

858

00:34:13,930 --> 00:34:11,030

can fly around and nobody can capture

859

00:34:17,800 --> 00:34:13,940

them if we can get this mind technology

860

00:34:21,010 --> 00:34:17,810

where we can go and grab the the head of

861

00:34:23,440 --> 00:34:21,020

the Soviet Union or Russia and get into

862

00:34:25,600 --> 00:34:23,450

his head and give him messages like

863

00:34:27,250 --> 00:34:25,610

that's happening with abductions and be

864

00:34:29,350 --> 00:34:27,260

back in Washington for lunch that's the

865

00:34:31,990 --> 00:34:29,360

kind of technology we want and let's

866

00:34:33,820 --> 00:34:32,000

slow down and talk about that because we

867

00:34:35,800 --> 00:34:33,830

have to look at that from a historical

868

00:34:37,750 --> 00:34:35,810

perspective hey that's always been

869

00:34:41,230 --> 00:34:37,760

priority number one for any nation state

870

00:34:44,200 --> 00:34:41,240

is not only defense but offense whoever

871

00:34:47,740 --> 00:34:44,210

has the best weapon wins and wins

872

00:34:50,940 --> 00:34:47,750

decisively and their ideology and their

873

00:34:54,669 --> 00:34:50,950

whole culture advances so this is really

874

00:34:57,040 --> 00:34:54,679

priority one for any state and we don't

875

00:34:59,260 --> 00:34:57,050

have to look back too far in our history

876

00:35:00,880 --> 00:34:59,270

for evidence of that right so you can't

877

00:35:04,810 --> 00:35:00,890

really make that point strong enough

878

00:35:07,180 --> 00:35:04,820

that that this would be the top priority

879

00:35:09,550 --> 00:35:07,190

for any kind of new technology

880

00:35:12,250 --> 00:35:09,560

yeah it's called military lead time that

881

00:35:14,890 --> 00:35:12,260

if you have a weapon and you suddenly

882

00:35:16,300 --> 00:35:14,900

decide to use it in a war how long did

883

00:35:18,070 --> 00:35:16,310

it take you to develop if it takes you

884

00:35:20,410 --> 00:35:18,080

60 years to develop it

885

00:35:22,030 --> 00:35:20,420

you suddenly use it in a war the other

886

00:35:23,800 --> 00:35:22,040

the other side can go to their leader

887

00:35:24,970 --> 00:35:23,810

and say well we're gonna fight this off

888

00:35:27,040 --> 00:35:24,980

and we'll Holland's gonna take well

889

00:35:29,380 --> 00:35:27,050

about 60 years you know right now from

890

00:35:31,240 --> 00:35:29,390

the Iraq war I mean you can wipe out

891

00:35:33,340 --> 00:35:31,250

everybody else's tanks in about two two

892

00:35:35,230 --> 00:35:33,350

weeks I mean if you have a weapon it's

893

00:35:37,930 --> 00:35:35,240

over but there's the other aspect of

894

00:35:39,640 --> 00:35:37,940

this this this whole cover-up thing the

895

00:35:40,930 --> 00:35:39,650

sixty-four reasons the one is the

896

00:35:43,060 --> 00:35:40,940

government is covering up for their

897

00:35:44,440 --> 00:35:43,070

reasons military security and the fact

898

00:35:45,940 --> 00:35:44,450

that you know we're paranoid and the

899

00:35:47,560 --> 00:35:45,950

Chinese and everybody and everything the

900

00:35:50,950 --> 00:35:47,570

world is trying to get us and we have to

901
00:35:53,050 --> 00:35:50,960
have this security and and defense

902
00:35:55,420 --> 00:35:53,060
to protect the United States of America

903
00:35:57,940 --> 00:35:55,430
but the other aspect is the aspect that

904
00:35:59,890 --> 00:35:57,950
connects with the with the mental

905
00:36:01,960 --> 00:35:59,900
phenomena and that is that the aliens

906
00:36:03,460 --> 00:36:01,970
are covering up as well the aliens could

907
00:36:05,770 --> 00:36:03,470
land on the White House lawn anytime

908
00:36:07,810 --> 00:36:05,780
they want they could come on to the TV

909
00:36:09,970 --> 00:36:07,820
and announce themselves they don't and

910
00:36:12,370 --> 00:36:09,980
there is a cover-up by the aliens and

911
00:36:13,720 --> 00:36:12,380
that's what I say is that this whole if

912
00:36:16,210 --> 00:36:13,730
you take a look at what's happening and

913
00:36:18,940 --> 00:36:16,220

what I say the UFO community is missed

914

00:36:21,490 --> 00:36:18,950

is that in the euro in the UFO history

915

00:36:23,860 --> 00:36:21,500

if you look it is like the aliens are

916

00:36:26,320 --> 00:36:23,870

turning the pages of a book and there's

917

00:36:28,690 --> 00:36:26,330

just one thing after another 1947 to

918

00:36:31,210 --> 00:36:28,700

1952 they do nothing except fly around

919

00:36:32,230 --> 00:36:31,220

and let people see them 1952 they start

920

00:36:35,650 --> 00:36:32,240

to talk to people

921

00:36:37,750 --> 00:36:35,660

1961 they start abducting people 1967

922

00:36:41,590 --> 00:36:37,760

the cattle mutilation stuff starts does

923

00:36:44,470 --> 00:36:41,600

not start before 67 1982 the crop circle

924

00:36:46,510 --> 00:36:44,480

starts that you get the the aspect of

925

00:36:49,210 --> 00:36:46,520

people starting to remember

926

00:36:50,890 --> 00:36:49,220

various parts of abduction stuff that

927

00:36:52,870 --> 00:36:50,900

they didn't remember in the 60s they're

928

00:36:54,730 --> 00:36:52,880

remembering different parts now and it's

929

00:36:56,950 --> 00:36:54,740

almost as if the aliens are just slowly

930

00:36:59,920 --> 00:36:56,960

turning the pages of a book and we are

931

00:37:01,930 --> 00:36:59,930

going through the way they want this

932

00:37:04,090 --> 00:37:01,940

thing to be unraveled they could have

933

00:37:06,700 --> 00:37:04,100

told us 1947 was going on but they're

934

00:37:08,860 --> 00:37:06,710

just slowly taking us along a path and

935

00:37:11,080 --> 00:37:08,870

that that's what is so important about

936

00:37:14,110 --> 00:37:11,090

this mental aspect thing is that it's if

937

00:37:15,970 --> 00:37:14,120

you take a look at the UFO history and

938

00:37:17,710 --> 00:37:15,980

you look at stuff you see that the

939

00:37:20,530 --> 00:37:17,720

things that are happening now did not

940

00:37:22,630 --> 00:37:20,540

happen I was in 1975 it was a completely

941

00:37:24,580 --> 00:37:22,640

different world the things that happened

942

00:37:26,410 --> 00:37:24,590

then don't happen now ground trace for

943

00:37:28,690 --> 00:37:26,420

example we used to hear stories about

944

00:37:30,070 --> 00:37:28,700

aliens landing ground traces little

945

00:37:32,380 --> 00:37:30,080

aliens walking around with little rods

946

00:37:34,930 --> 00:37:32,390

outside their aircrafts it does not

947

00:37:37,600 --> 00:37:34,940

happen anymore there are no reports used

948

00:37:39,550 --> 00:37:37,610

to be hundreds a year there is none it's

949

00:37:42,280 --> 00:37:39,560

like the aliens are taking us down a

950

00:37:44,050 --> 00:37:42,290

path and this mental phenomena is part

951
00:37:46,510 --> 00:37:44,060
of what they're doing and there are some

952
00:37:48,850 --> 00:37:46,520
very incredible stories inside the UFO

953
00:37:50,620 --> 00:37:48,860
community that show that they're there

954
00:37:53,200 --> 00:37:50,630
they are doing this kind of stuff for

955
00:37:55,510 --> 00:37:53,210
example let me give you one the

956
00:37:58,540 --> 00:37:55,520
Rendlesham forest story is one of the

957
00:38:01,420 --> 00:37:58,550
top stories in in UFO and that's the

958
00:38:04,090 --> 00:38:01,430
story about a craft landing at a US Air

959
00:38:06,870 --> 00:38:04,100
Force Base in Britain and the people

960
00:38:10,030 --> 00:38:06,880
going out and touching the craft and

961
00:38:11,370 --> 00:38:10,040
seeing this stuff and all sorts of

962
00:38:13,810 --> 00:38:11,380
reports and stuff like this and

963
00:38:17,200 --> 00:38:13,820

Penniston James Penniston who's one of

964

00:38:19,089 --> 00:38:17,210

the main people who was at the site gets

965

00:38:21,130 --> 00:38:19,099

near the craft and he touches

966

00:38:22,779 --> 00:38:21,140

Kraft and he's been interviewed and he

967

00:38:24,910 --> 00:38:22,789

talks about this message that he gets

968

00:38:27,640 --> 00:38:24,920

and it's a it's a message that comes in

969

00:38:30,069 --> 00:38:27,650

zeros and ones it's and they they later

970

00:38:33,640 --> 00:38:30,079

put the message together it's a 14 page

971

00:38:35,349 --> 00:38:33,650

long message of zeros and ones and he

972

00:38:36,549 --> 00:38:35,359

gets this message in it it has this

973

00:38:39,009 --> 00:38:36,559

interpretation I want to get any

974

00:38:40,989 --> 00:38:39,019

interpretation he's asked but he's that

975

00:38:44,140 --> 00:38:40,999

interviewed about a year and a half ago

976
00:38:47,469 --> 00:38:44,150
and he said and he was asked is 14 page

977
00:38:48,789 --> 00:38:47,479
meshes of zeros and ones you you had

978
00:38:50,229 --> 00:38:48,799
this message you had to put it down

979
00:38:52,779 --> 00:38:50,239
you've got to instantly in your head

980
00:38:55,599 --> 00:38:52,789
when you touch the craft could you do it

981
00:38:57,700 --> 00:38:55,609
again and Penniston said yes I could

982
00:39:00,519 --> 00:38:57,710
write the message again 14 pages of

983
00:39:01,989 --> 00:39:00,529
zeros and ones and he can actually redo

984
00:39:04,299 --> 00:39:01,999
that message not just an ordinary

985
00:39:07,539 --> 00:39:04,309
message from an alien incredible message

986
00:39:10,809 --> 00:39:07,549
that is 32 years later he can still

987
00:39:13,150 --> 00:39:10,819
remember the message every dot every 0

988
00:39:15,130 --> 00:39:13,160

in that message for 14 pages that's

989

00:39:18,549 --> 00:39:15,140

that's an incredible thing and that's

990

00:39:20,170 --> 00:39:18,559

the aliens giving something to us that

991

00:39:22,509 --> 00:39:20,180

is just not just a message is an

992

00:39:24,729 --> 00:39:22,519

incredible message or this story of the

993

00:39:28,479 --> 00:39:24,739

most famous abductee in in UFO history

994

00:39:32,079 --> 00:39:28,489

now his is Stan Romanick and a lot of

995

00:39:35,529 --> 00:39:32,089

people will say this guy's a hoaxer one

996

00:39:38,079 --> 00:39:35,539

of the things that he's incredibly known

997

00:39:40,839 --> 00:39:38,089

for is getting these very complex

998

00:39:42,190 --> 00:39:40,849

formulas mathematical formulas that he

999

00:39:43,630 --> 00:39:42,200

just suddenly gets up into Malaysia I

1000

00:39:45,459 --> 00:39:43,640

was writing these formulas under

1001

00:39:47,589 --> 00:39:45,469

hypnosis he writes these very complex

1002

00:39:50,170 --> 00:39:47,599

formulas and one of the formulas was a

1003

00:39:52,299 --> 00:39:50,180

formula by one of the top people who was

1004

00:39:54,910 --> 00:39:52,309

involved in the mind control in the

1005

00:39:59,079 --> 00:39:54,920

remote viewing program dr. help put off

1006

00:40:01,779 --> 00:39:59,089

who ran the SR I program for 30 years or

1007

00:40:03,700 --> 00:40:01,789

25 years for the for the CIA one of his

1008

00:40:06,219 --> 00:40:03,710

formulas he's gotten out of the my the

1009

00:40:08,049 --> 00:40:06,229

the mind aspect the remote doing he's

1010

00:40:10,029 --> 00:40:08,059

gotten into the UFO thing into

1011

00:40:13,150 --> 00:40:10,039

zero-point energy one of the formulas

1012

00:40:14,859 --> 00:40:13,160

that Stan Romanick writes is one of the

1013

00:40:17,200 --> 00:40:14,869

formulas that had only been published

1014

00:40:19,690 --> 00:40:17,210

one time in the world and it was a

1015

00:40:23,799 --> 00:40:19,700

formula by hell put off on zero-point

1016

00:40:26,319 --> 00:40:23,809

energy and this abductee gets in so you

1017

00:40:27,880 --> 00:40:26,329

get these not just ordinary messages

1018

00:40:30,430 --> 00:40:27,890

you're getting these things as if the

1019

00:40:32,950 --> 00:40:30,440

aliens are putting this in here and and

1020

00:40:37,480 --> 00:40:32,960

actually taking us along a path

1021

00:40:38,920 --> 00:40:37,490

and giving us stuff that we would not

1022

00:40:40,900 --> 00:40:38,930

have gotten on our own and they are

1023

00:40:42,460 --> 00:40:40,910

leading us so that the cover they're

1024

00:40:45,970 --> 00:40:42,470

covering it up but they're gradually

1025

00:40:48,579 --> 00:40:45,980

releasing it and now I'll say the the

1026

00:40:51,609 --> 00:40:48,589

disclosure when we finally find out

1027

00:40:55,000 --> 00:40:51,619

what's going on with UFOs is when the

1028

00:40:57,339 --> 00:40:55,010

aliens tell us yeah and why there's just

1029

00:40:59,440 --> 00:40:57,349

so much there to pull apart I just can't

1030

00:41:02,320 --> 00:40:59,450

leave that without touching on one point

1031

00:41:05,349 --> 00:41:02,330

that I think you make and that's that to

1032

00:41:07,630 --> 00:41:05,359

understand the government deception and

1033

00:41:09,579 --> 00:41:07,640

the government cover-up one of the

1034

00:41:13,599 --> 00:41:09,589

things you bring to the table is to say

1035

00:41:16,060 --> 00:41:13,609

it doesn't have to be masterminded if

1036

00:41:18,099 --> 00:41:16,070

you just look at it from the national

1037

00:41:21,130 --> 00:41:18,109

security lens you can have a lot of

1038

00:41:25,120 --> 00:41:21,140

people that can just be set off to do a

1039

00:41:28,530 --> 00:41:25,130

task that's purely national security and

1040

00:41:31,060 --> 00:41:28,540

it can wind up looking very nefarious

1041

00:41:32,950 --> 00:41:31,070

from a high level but when in fact

1042

00:41:34,930 --> 00:41:32,960

they're just like hey we have to make

1043

00:41:37,480 --> 00:41:34,940

sure that we're on top of this kind of

1044

00:41:39,880 --> 00:41:37,490

thing but let me leave that for a minute

1045

00:41:43,000 --> 00:41:39,890

because again there's a lot to pull

1046

00:41:46,510 --> 00:41:43,010

apart there and what I really want to do

1047

00:41:47,589 --> 00:41:46,520

is circle back around now and talk about

1048

00:41:50,589 --> 00:41:47,599

some of the things that you're talking

1049

00:41:53,560 --> 00:41:50,599

about from these other glimpses we're

1050

00:41:55,750 --> 00:41:53,570

getting of expanded human consciousness

1051
00:41:57,490 --> 00:41:55,760
and see how they might fit together

1052
00:42:00,370 --> 00:41:57,500
because then I think we can't really

1053
00:42:02,920 --> 00:42:00,380
even talk about the aliens versus us and

1054
00:42:04,210 --> 00:42:02,930
this time versus that time I think all

1055
00:42:06,970 --> 00:42:04,220
those things start to get a little bit

1056
00:42:09,040 --> 00:42:06,980
fuzzy and the person I bring into this

1057
00:42:11,260 --> 00:42:09,050
discussion I mentioned earlier is

1058
00:42:13,540 --> 00:42:11,270
geomechanical who we had a chance to

1059
00:42:16,450 --> 00:42:13,550
interview a few months ago and of course

1060
00:42:19,990 --> 00:42:16,460
is psychics by number zero zero one and

1061
00:42:21,609 --> 00:42:20,000
when one of the little anecdotes that he

1062
00:42:25,180 --> 00:42:21,619
told that I thought was just fascinating

1063
00:42:27,370 --> 00:42:25,190

is so he sits down with how put off at

1064

00:42:29,230 --> 00:42:27,380

Stanford Research Institute and as you

1065

00:42:33,190 --> 00:42:29,240

just said Howell has been hired by the

1066

00:42:35,230 --> 00:42:33,200

CIA to figure out this remote secret spy

1067

00:42:40,120 --> 00:42:35,240

thing and how we can spy on the Russians

1068

00:42:41,920 --> 00:42:40,130

using psychics and his file he looks

1069

00:42:44,290 --> 00:42:41,930

over at his file that they unsealed that

1070

00:42:46,240 --> 00:42:44,300

it's totally secret no one can get into

1071

00:42:49,810 --> 00:42:46,250

it and there is a cop

1072

00:42:52,089 --> 00:42:49,820

of Raymond Moody's life afterlife book

1073

00:42:55,390 --> 00:42:52,099

and the reason why this is relevant is

1074

00:42:58,960 --> 00:42:55,400

because geomechanical has had a very

1075

00:43:01,330 --> 00:42:58,970

profound near-death experience while

1076

00:43:03,849 --> 00:43:01,340

he's an intelligence officer for the

1077

00:43:05,470 --> 00:43:03,859

United States and Germany and this near

1078

00:43:07,450 --> 00:43:05,480

endless near-death experience

1079

00:43:09,700 --> 00:43:07,460

he leaves his body in us having an

1080

00:43:12,849 --> 00:43:09,710

out-of-body experience and then goes to

1081

00:43:15,490 --> 00:43:12,859

heaven and encounters this being that

1082

00:43:17,890 --> 00:43:15,500

for any other way we talk about it is

1083

00:43:21,430 --> 00:43:17,900

God and and makes this connection at

1084

00:43:25,300 --> 00:43:21,440

this level of consciousness that is

1085

00:43:28,120 --> 00:43:25,310

clearly way above our level of

1086

00:43:30,400 --> 00:43:28,130

consciousness and gets this mental

1087

00:43:33,280 --> 00:43:30,410

download again so you're talking about

1088

00:43:37,630 --> 00:43:33,290

the Rendlesham forest case you look at

1089

00:43:39,849 --> 00:43:37,640

near-death experiencers and or many

1090

00:43:41,530 --> 00:43:39,859

other spiritually transformative

1091

00:43:42,870 --> 00:43:41,540

experiences that have been reported

1092

00:43:47,200 --> 00:43:42,880

throughout time whether they're

1093

00:43:49,780 --> 00:43:47,210

Kundalini or Christian experiences but

1094

00:43:52,870 --> 00:43:49,790

often there's this download of

1095

00:43:55,030 --> 00:43:52,880

information that just gets Rush put into

1096

00:43:57,760 --> 00:43:55,040

the brain and sometimes they can't even

1097

00:44:01,109 --> 00:43:57,770

repeat it when they get back but there

1098

00:44:04,660 --> 00:44:01,119

is this higher order of consciousness so

1099

00:44:07,660 --> 00:44:04,670

don't we have to start trying to make

1100

00:44:13,390 --> 00:44:07,670

that connection to and try and see how

1101

00:44:15,599 --> 00:44:13,400

the whole thing fits together yes but

1102

00:44:16,870 --> 00:44:15,609

it's still it's still a big package of

1103

00:44:18,760 --> 00:44:16,880

unknowns

1104

00:44:20,560 --> 00:44:18,770

I mean you sort of get the connection

1105

00:44:24,190 --> 00:44:20,570

that that you can get these downloads

1106

00:44:26,290 --> 00:44:24,200

that the consciousness is is an

1107

00:44:28,750 --> 00:44:26,300

extremely integral part that it may be

1108

00:44:32,440 --> 00:44:28,760

the whole thing that consciousness like

1109

00:44:36,190 --> 00:44:32,450

the Eastern philosophies the whole thing

1110

00:44:37,690 --> 00:44:36,200

we in the Western world's science and I

1111

00:44:39,070 --> 00:44:37,700

have some promise of science always say

1112

00:44:40,990 --> 00:44:39,080

science is not there to solve this

1113

00:44:43,349 --> 00:44:41,000

problem for us because science is

1114

00:44:47,260 --> 00:44:43,359

basically if you take a look there are a

1115

00:44:49,960 --> 00:44:47,270

John Alexander who's you know this sort

1116

00:44:53,290 --> 00:44:49,970

of high-level military guy who's gotten

1117

00:44:55,570 --> 00:44:53,300

into the mind and into UFOs Nisour stuff

1118

00:44:57,310 --> 00:44:55,580

he he always mentions the fact that in

1119

00:45:00,050 --> 00:44:57,320

the National Academy of Sciences the

1120

00:45:02,930 --> 00:45:00,060

higher the level you get of science

1121

00:45:05,080 --> 00:45:02,940

the more they disbelieve any sort of

1122

00:45:07,550 --> 00:45:05,090

phenomenology whether it be UFOs or

1123

00:45:09,500 --> 00:45:07,560

mental phenomena or remote viewing stuff

1124

00:45:12,110 --> 00:45:09,510

like that and at the National Academy of

1125

00:45:14,510 --> 00:45:12,120

Sciences level only four percent of the

1126
00:45:17,210 --> 00:45:14,520
people believe in phenomenology they

1127
00:45:18,740 --> 00:45:17,220
will have nothing to do with it and so

1128
00:45:22,160 --> 00:45:18,750
basically you have basically it's like

1129
00:45:23,750 --> 00:45:22,170
atheist phenomenology atheists that in

1130
00:45:25,460 --> 00:45:23,760
in the UFO community always wants the

1131
00:45:27,320 --> 00:45:25,470
scientists sort of run the program and I

1132
00:45:29,600 --> 00:45:27,330
say no keep them out of it because they

1133
00:45:31,940 --> 00:45:29,610
they're they're tainted by sort of a

1134
00:45:35,300 --> 00:45:31,950
Christian religion where everything is

1135
00:45:37,190 --> 00:45:35,310
like a material that you have a God with

1136
00:45:38,990 --> 00:45:37,200
a beer and we're gonna go to heaven with

1137
00:45:40,280 --> 00:45:39,000
streets paved of gold and stuff and I

1138
00:45:42,590 --> 00:45:40,290

think you have to move away from that

1139

00:45:45,260 --> 00:45:42,600

into sort of an Eastern philosophy thing

1140

00:45:46,940 --> 00:45:45,270

but as I say I'm one you might have

1141

00:45:49,550 --> 00:45:46,950

Colin Andrews you have Steven Greer you

1142

00:45:51,320 --> 00:45:49,560

have you have maybe a dozen people in

1143

00:45:54,680 --> 00:45:51,330

the UFO community who believe strongly

1144

00:45:56,900 --> 00:45:54,690

that the consciousness is a basic core

1145

00:45:58,670 --> 00:45:56,910

of this phenomena the rest of them would

1146

00:45:59,690 --> 00:45:58,680

say this is absolutely nonsense this is

1147

00:46:02,060 --> 00:45:59,700

this is crazy

1148

00:46:03,410 --> 00:46:02,070

this is nuts and bolts so don't talk to

1149

00:46:06,740 --> 00:46:03,420

me about this consciousness stuff it's

1150

00:46:08,930 --> 00:46:06,750

nuts it's not well received in the UFO

1151

00:46:11,060 --> 00:46:08,940

community it's a very new aspect and I'm

1152

00:46:12,980 --> 00:46:11,070

saying in the UFO community now we

1153

00:46:15,380 --> 00:46:12,990

better start taking a look seriously at

1154

00:46:18,170 --> 00:46:15,390

this as nutty as it may have appeared in

1155

00:46:20,720 --> 00:46:18,180

the 1950s this is what's going to give

1156

00:46:22,370 --> 00:46:20,730

us the answer to what is going on here

1157

00:46:24,470 --> 00:46:22,380

if you start looking at the nature of

1158

00:46:26,690 --> 00:46:24,480

consciousness the nature of the universe

1159

00:46:29,690 --> 00:46:26,700

is it really material universe how does

1160

00:46:34,270 --> 00:46:29,700

it work this entanglement properties all

1161

00:46:36,890 --> 00:46:34,280

these advanced physical physics ideas

1162

00:46:38,300 --> 00:46:36,900

but we are very very far away I don't

1163

00:46:40,760 --> 00:46:38,310

think we really understand very much

1164

00:46:43,010 --> 00:46:40,770

right well of course we don't that you

1165

00:46:45,620 --> 00:46:43,020

know grant it's interesting what you say

1166

00:46:48,950 --> 00:46:45,630

because when you take even a small step

1167

00:46:50,840 --> 00:46:48,960

back from the UFO phenomena as we've

1168

00:46:54,080 --> 00:46:50,850

talked about here it becomes obvious

1169

00:46:56,180 --> 00:46:54,090

that consciousness and this extended

1170

00:46:58,520 --> 00:46:56,190

human consciousness or alien

1171

00:47:01,300 --> 00:46:58,530

consciousness is central to it so it's

1172

00:47:04,550 --> 00:47:01,310

it's again funny that there's this

1173

00:47:07,820 --> 00:47:04,560

controversy within your community about

1174

00:47:09,650 --> 00:47:07,830

a phenomena that jumps right out at you

1175

00:47:12,170 --> 00:47:09,660

from all the different angles that we've

1176

00:47:13,890 --> 00:47:12,180

talked about and I'll tell you from my

1177

00:47:17,130 --> 00:47:13,900

perspective and we've been at

1178

00:47:19,380 --> 00:47:17,140

the extended human consciousness work of

1179

00:47:22,380 --> 00:47:19,390

others through this show for a number of

1180

00:47:24,770 --> 00:47:22,390

years that the next step is the

1181

00:47:26,420 --> 00:47:24,780

spiritual aspect and the

1182

00:47:29,010 --> 00:47:26,430

parapsychologists let's say the

1183

00:47:31,260 --> 00:47:29,020

parapsychology and the Sai community

1184

00:47:33,110 --> 00:47:31,270

that we've talked to a lot here if I

1185

00:47:35,760 --> 00:47:33,120

could roll in also the near-death

1186

00:47:38,160 --> 00:47:35,770

experience science community or the

1187

00:47:41,370 --> 00:47:38,170

out-of-body experience science community

1188

00:47:43,320 --> 00:47:41,380

all those have a similar blind spot in

1189

00:47:46,590 --> 00:47:43,330

that they want to look at consciousness

1190

00:47:49,650 --> 00:47:46,600

and extended human consciousness but

1191

00:47:53,130 --> 00:47:49,660

they always have this kind of soft spot

1192

00:47:54,690 --> 00:47:53,140

for scientific materialism and they wind

1193

00:47:56,460 --> 00:47:54,700

up saying some of the same things that

1194

00:47:58,710 --> 00:47:56,470

you have it and that well we haven't

1195

00:48:00,330 --> 00:47:58,720

understood it or we don't understand it

1196

00:48:03,300 --> 00:48:00,340

completely and all the rest of that and

1197

00:48:05,100 --> 00:48:03,310

and I really have been kind of pushing

1198

00:48:08,550 --> 00:48:05,110

things in another direction and that's

1199

00:48:11,640 --> 00:48:08,560

that all the reports of this extended

1200

00:48:14,760 --> 00:48:11,650

consciousness we talk about very quickly

1201
00:48:16,890 --> 00:48:14,770
get to this spiritual connection and I'm

1202
00:48:19,740 --> 00:48:16,900
not talking about it from my personal

1203
00:48:23,820 --> 00:48:19,750
spirituality I'm just talking about it

1204
00:48:26,610 --> 00:48:23,830
as a core part of the phenomena a core

1205
00:48:30,120 --> 00:48:26,620
part of the experience I mean Joe

1206
00:48:33,450 --> 00:48:30,130
mechanical who is deep deep in this

1207
00:48:37,470 --> 00:48:33,460
stuff he doesn't talk about his

1208
00:48:40,620 --> 00:48:37,480
near-death experience as being just a

1209
00:48:43,740 --> 00:48:40,630
mental experience he talks about it

1210
00:48:46,620 --> 00:48:43,750
being a spiritual union with a

1211
00:48:50,130 --> 00:48:46,630
consciousness that is of a higher order

1212
00:48:53,760 --> 00:48:50,140
and from his perception is of a much

1213
00:48:57,300 --> 00:48:53,770

much much higher order and you know that

1214

00:49:00,150 --> 00:48:57,310

may be offensive or upset people who who

1215

00:49:01,790 --> 00:49:00,160

are strong atheists and as you point out

1216

00:49:05,040 --> 00:49:01,800

there which is really more of an

1217

00:49:06,810 --> 00:49:05,050

anti-christian thing but yet I don't I'm

1218

00:49:10,020 --> 00:49:06,820

not talking about anyone's personal

1219

00:49:12,570 --> 00:49:10,030

spiritual beliefs or personal religious

1220

00:49:15,960 --> 00:49:12,580

beliefs I'm just saying it's see this

1221

00:49:19,550 --> 00:49:15,970

spiritual aspect is clearly a core part

1222

00:49:23,520 --> 00:49:19,560

of this phenomena and I just wonder if

1223

00:49:26,250 --> 00:49:23,530

anyone in the UFO research community has

1224

00:49:27,180 --> 00:49:26,260

gotten there I think John Mack was kind

1225

00:49:30,740 --> 00:49:27,190

of headed there

1226

00:49:33,089 --> 00:49:30,750

but John Mac of course Harvard

1227

00:49:35,250 --> 00:49:33,099

psychologist who got interested in the

1228

00:49:39,480 --> 00:49:35,260

abduction phenomena and did a lot of

1229

00:49:42,740 --> 00:49:39,490

research in talking to abductees and

1230

00:49:46,220 --> 00:49:42,750

came to the conclusion that that was

1231

00:49:51,240 --> 00:49:46,230

psycho-spiritual so where has that whole

1232

00:49:52,109 --> 00:49:51,250

line of research gone within the UFO

1233

00:49:55,200 --> 00:49:52,119

community

1234

00:49:58,470 --> 00:49:55,210

oh absolutely there's a division there

1235

00:50:00,720 --> 00:49:58,480

but the what I always sort of point out

1236

00:50:02,430 --> 00:50:00,730

is it's it comes down to the male and

1237

00:50:04,319 --> 00:50:02,440

female thing if you go to I know you've

1238

00:50:06,990 --> 00:50:04,329

been UFO conferences but if you go to

1239

00:50:08,760 --> 00:50:07,000

UFO conferences you'll see a real sort

1240

00:50:10,770 --> 00:50:08,770

of separation between men and women

1241

00:50:13,680 --> 00:50:10,780

manner into the hardware they're into

1242

00:50:15,750 --> 00:50:13,690

the technology how does this thing fly

1243

00:50:18,089 --> 00:50:15,760

worse it from I'll so stuff and if you

1244

00:50:20,010 --> 00:50:18,099

take a look at women they are into the

1245

00:50:21,300 --> 00:50:20,020

spiritual aspect to the thing we got to

1246

00:50:23,190 --> 00:50:21,310

take a look at what the women are doing

1247

00:50:24,960 --> 00:50:23,200

what the men are doing and that it is a

1248

00:50:26,760 --> 00:50:24,970

unity of the two but right now it's

1249

00:50:28,290 --> 00:50:26,770

still a separation you have the men who

1250

00:50:30,120 --> 00:50:28,300

are into the hardware and you have the

1251
00:50:34,290 --> 00:50:30,130
women who were into the the sort of the

1252
00:50:36,750 --> 00:50:34,300
spiritual the experiences of people and

1253
00:50:40,260 --> 00:50:36,760
they will go a lot farther in in in

1254
00:50:42,690 --> 00:50:40,270
looking at the abduction experience as

1255
00:50:45,030 --> 00:50:42,700
being this sort of a almost a spiritual

1256
00:50:48,660 --> 00:50:45,040
experience but if you talk to men you'll

1257
00:50:51,000 --> 00:50:48,670
talk to Robert Collins and his abduction

1258
00:50:53,010 --> 00:50:51,010
experiences it's there they're evil

1259
00:50:55,079 --> 00:50:53,020
they're here we have to try to fight

1260
00:50:57,390 --> 00:50:55,089
them off and so you have this use the

1261
00:50:59,280 --> 00:50:57,400
men who are basically saying it's an

1262
00:51:01,050 --> 00:50:59,290
evil type thing it's a national-security

1263
00:51:03,660 --> 00:51:01,060

thing we got to fight it and the women

1264

00:51:05,490 --> 00:51:03,670

are at that sort of a higher level and

1265

00:51:07,530 --> 00:51:05,500

there is a real division inside the UFO

1266

00:51:10,230 --> 00:51:07,540

community the reality I think is going

1267

00:51:11,640 --> 00:51:10,240

to fall where you describe it that it is

1268

00:51:14,130 --> 00:51:11,650

going to be more of a spiritual

1269

00:51:17,220 --> 00:51:14,140

experience we're sort of influenced by

1270

00:51:20,250 --> 00:51:17,230

the government that everybody's an enemy

1271

00:51:21,870 --> 00:51:20,260

and it all comes down to us versus them

1272

00:51:24,300 --> 00:51:21,880

so we see the aliens you see all the

1273

00:51:25,950 --> 00:51:24,310

latest UFO movies as always you know the

1274

00:51:27,510 --> 00:51:25,960

great Americans bring in freedom and

1275

00:51:28,950 --> 00:51:27,520

democracy to the world fighting off

1276

00:51:30,809 --> 00:51:28,960

these evil aliens who are trying to take

1277

00:51:32,339 --> 00:51:30,819

over the world whereas that's not what I

1278

00:51:34,109 --> 00:51:32,349

think it is and the aliens wanted to

1279

00:51:36,240 --> 00:51:34,119

take over and destroys the could have

1280

00:51:38,040 --> 00:51:36,250

done it a hundred years ago why would

1281

00:51:40,410 --> 00:51:38,050

they wait it is not it's more of a

1282

00:51:43,200 --> 00:51:40,420

spiritual development of the

1283

00:51:44,850 --> 00:51:43,210

earth at their pace as the unfold

1284

00:51:47,040 --> 00:51:44,860

distinct for us and that women have

1285

00:51:49,350 --> 00:51:47,050

already caught on to how this works one

1286

00:51:51,090 --> 00:51:49,360

last area I'd like to get into and it's

1287

00:51:53,340 --> 00:51:51,100

been great talking I appreciate all the

1288

00:51:55,770 --> 00:51:53,350

time you've spent on this you obviously

1289

00:51:57,570 --> 00:51:55,780

have a not only a passion for this but

1290

00:52:00,630 --> 00:51:57,580

you've matched it with a deep deep

1291

00:52:02,730 --> 00:52:00,640

knowledge and I really respect and

1292

00:52:06,170 --> 00:52:02,740

admire the way that you've gone about

1293

00:52:09,840 --> 00:52:06,180

researching this and filling this

1294

00:52:13,200 --> 00:52:09,850

unexplainable void that we have out

1295

00:52:16,160 --> 00:52:13,210

there in terms of why an independent

1296

00:52:19,980 --> 00:52:16,170

researcher like you has to be filing

1297

00:52:22,830 --> 00:52:19,990

hundreds of FOIA requests and gathering

1298

00:52:25,650 --> 00:52:22,840

and publishing this data while we have

1299

00:52:29,460 --> 00:52:25,660

this huge apparatus in the media that is

1300

00:52:31,230 --> 00:52:29,470

just completely blind to it but let me

1301

00:52:34,620 --> 00:52:31,240

get off of that pedestal and I want to

1302

00:52:36,510 --> 00:52:34,630

talk about the psychedelic connection

1303

00:52:36,960 --> 00:52:36,520

because another guest we've had on this

1304

00:52:40,290 --> 00:52:36,970

show

1305

00:52:42,870 --> 00:52:40,300

is dr. Rick Strassman who was at the

1306

00:52:45,750 --> 00:52:42,880

University of New Mexico and as far as I

1307

00:52:48,300 --> 00:52:45,760

know is the only researcher who was

1308

00:52:49,320 --> 00:52:48,310

given permission to study the effects of

1309

00:52:52,650 --> 00:52:49,330

DMT

1310

00:52:55,230 --> 00:52:52,660

on subjects so he gathered up a bunch of

1311

00:52:59,400 --> 00:52:55,240

students there at New Mexico and gave

1312

00:53:03,240 --> 00:52:59,410

him rather high doses of DMT and they

1313

00:53:07,170 --> 00:53:03,250

saw not only aliens but fairies and

1314

00:53:11,130 --> 00:53:07,180

other independent entities that seemed

1315

00:53:14,850 --> 00:53:11,140

to operate in this other realm and and

1316

00:53:17,220 --> 00:53:14,860

of course this work with psychedelics is

1317

00:53:19,890 --> 00:53:17,230

mirrored by many other researchers and

1318

00:53:22,200 --> 00:53:19,900

anyone can go and Google Terence Mckenna

1319

00:53:25,770 --> 00:53:22,210

and you can get all sorts of interesting

1320

00:53:29,130 --> 00:53:25,780

ideas about the connection here but what

1321

00:53:31,050 --> 00:53:29,140

are your thoughts on what the

1322

00:53:33,330 --> 00:53:31,060

psychedelic community and the

1323

00:53:35,250 --> 00:53:33,340

psychedelic research and what we found

1324

00:53:42,360 --> 00:53:35,260

out what's your thoughts on how that

1325

00:53:45,330 --> 00:53:42,370

might connect to all this as you're

1326

00:53:47,280 --> 00:53:45,340

describing it sort of like these the the

1327

00:53:49,050 --> 00:53:47,290

small percentage of reality that we

1328

00:53:51,930 --> 00:53:49,060

really understand that when you get into

1329

00:53:53,640 --> 00:53:51,940

these different states of mind that

1330

00:53:55,470 --> 00:53:53,650

everything's sort of changes

1331

00:53:59,420 --> 00:53:55,480

I really don't have much of an opinion

1332

00:54:02,670 --> 00:53:59,430

except that it is it just shows how

1333

00:54:05,430 --> 00:54:02,680

limited our knowledge of reality is that

1334

00:54:06,809 --> 00:54:05,440

we really are just starting out and that

1335

00:54:09,859 --> 00:54:06,819

you're probably going to need another

1336

00:54:12,150 --> 00:54:09,869

you know 30 years of experiments and

1337

00:54:14,460 --> 00:54:12,160

somebody getting an insight on a new

1338

00:54:15,900 --> 00:54:14,470

experiment that will sort of nail down

1339

00:54:17,760 --> 00:54:15,910

what's actually going on there right

1340

00:54:20,609 --> 00:54:17,770

what I think a lot of folks don't

1341

00:54:24,750 --> 00:54:20,619

realize is that the materialism in

1342

00:54:29,400 --> 00:54:24,760

science mirrors the materialism in our

1343

00:54:32,309 --> 00:54:29,410

culture so our materialistic society and

1344

00:54:34,710 --> 00:54:32,319

how we're materialist and how George

1345

00:54:38,549 --> 00:54:34,720

Bush says don't worry about the Iraq war

1346

00:54:41,400 --> 00:54:38,559

just go shopping the connection is real

1347

00:54:45,120 --> 00:54:41,410

it's it's not some abstract connection

1348

00:54:48,000 --> 00:54:45,130

it's real because it's only in a world

1349

00:54:48,839 --> 00:54:48,010

that you construct where it's just about

1350

00:54:51,240 --> 00:54:48,849

matter

1351

00:54:54,510 --> 00:54:51,250

it's about goods it's about survival

1352

00:54:57,059 --> 00:54:54,520

that you're able to rationally do these

1353

00:54:59,970 --> 00:54:57,069

things to gather things and then go bomb

1354

00:55:02,039 --> 00:54:59,980

other people if you have this expanded

1355

00:55:03,240 --> 00:55:02,049

view that says we're all somehow

1356

00:55:05,160 --> 00:55:03,250

connected and we don't have to

1357

00:55:08,549 --> 00:55:05,170

understand what that means but we're all

1358

00:55:10,769 --> 00:55:08,559

connected our idea of time is not what

1359

00:55:13,019 --> 00:55:10,779

we think it is all these things as soon

1360

00:55:15,720 --> 00:55:13,029

as those things break down you can't run

1361

00:55:18,029 --> 00:55:15,730

a nation station you certainly can't go

1362

00:55:21,870 --> 00:55:18,039

bomb other people and do all the other

1363

00:55:24,089 --> 00:55:21,880

crazy stuff you can't deny basic water

1364

00:55:25,950 --> 00:55:24,099

and health and the things that we do to

1365

00:55:28,289 --> 00:55:25,960

do all these people so that we can you

1366

00:55:29,940 --> 00:55:28,299

just can't run the game and I'm not

1367

00:55:33,359 --> 00:55:29,950

saying that's necessarily good or bad

1368

00:55:36,059 --> 00:55:33,369

because hell I have too many advantages

1369

00:55:37,559 --> 00:55:36,069

say that I banged my head against that

1370

00:55:39,480 --> 00:55:37,569

you know when I first got into this it

1371

00:55:42,420 --> 00:55:39,490

was like gosh darn it why aren't these

1372

00:55:45,000 --> 00:55:42,430

scientists looking into this and if only

1373

00:55:47,269 --> 00:55:45,010

they knew you know it's like hey the

1374

00:55:49,950 --> 00:55:47,279

whole process the whole system is

1375

00:55:52,650 --> 00:55:49,960

orchestrated so that anyone who has that

1376

00:55:54,599 --> 00:55:52,660

awareness is kicked out from the

1377

00:55:57,359 --> 00:55:54,609

beginning because you can't have those

1378

00:55:59,460 --> 00:55:57,369

Yahoo's running it and pointing and

1379

00:56:00,750 --> 00:55:59,470

saying that emperor has no clothes and

1380

00:56:01,890 --> 00:56:00,760

that you know you're coming out for a

1381

00:56:04,829 --> 00:56:01,900

whole different perspective saying hey

1382

00:56:06,630 --> 00:56:04,839

the UFOs are running the show and I come

1383

00:56:07,350 --> 00:56:06,640

at it from another perspective and say

1384

00:56:09,090 --> 00:56:07,360

hey

1385

00:56:12,390 --> 00:56:09,100

as a non-religious person as a

1386

00:56:15,510 --> 00:56:12,400

non-christian God is in control God is

1387

00:56:19,700 --> 00:56:15,520

clearly in control when these near-death

1388

00:56:23,790 --> 00:56:19,710

experiencers die they tell you they see

1389

00:56:25,200 --> 00:56:23,800

God you just can't get past that and and

1390

00:56:27,870 --> 00:56:25,210

it's funny because I've talked a bunch

1391

00:56:29,820 --> 00:56:27,880

of near-death experience researchers and

1392

00:56:33,480 --> 00:56:29,830

they've said you know I just had a great

1393

00:56:36,600 --> 00:56:33,490

interview with a guy who who I think is

1394

00:56:38,250 --> 00:56:36,610

one of the the real champions of that

1395

00:56:40,170 --> 00:56:38,260

but Melvin Morrison we had this

1396

00:56:41,910 --> 00:56:40,180

discussion and he kind of came to the

1397

00:56:44,190 --> 00:56:41,920

same thing he says you know you're right

1398

00:56:47,700 --> 00:56:44,200

I have to play around with that concept

1399

00:56:49,950 --> 00:56:47,710

because imagine this so he's an outsider

1400

00:56:52,380 --> 00:56:49,960

he's a near-death experience researcher

1401
00:56:54,630 --> 00:56:52,390
he's a physician pediatrician teaches at

1402
00:56:56,580 --> 00:56:54,640
a hospital but he's still an outsider

1403
00:56:59,790 --> 00:56:56,590
right he's ostracized because he's

1404
00:57:02,910 --> 00:56:59,800
researches indie NDE stuff but even

1405
00:57:05,520 --> 00:57:02,920
within the NDE community he's an

1406
00:57:07,440 --> 00:57:05,530
outsider if he goes and says well yeah

1407
00:57:09,570 --> 00:57:07,450
they do talk about God and we have to

1408
00:57:12,180 --> 00:57:09,580
figure out what that would mean that

1409
00:57:15,180 --> 00:57:12,190
that higher higher higher higher higher

1410
00:57:17,280 --> 00:57:15,190
higher consciousness that we would then

1411
00:57:20,160 --> 00:57:17,290
call God we have to factor that in the

1412
00:57:23,070 --> 00:57:20,170
equation we can't just waffle it and say

1413
00:57:24,870 --> 00:57:23,080

well yeah maybe we're all connected in

1414

00:57:26,580 --> 00:57:24,880

some way you know that's not what the

1415

00:57:28,650 --> 00:57:26,590

evidence is that's not what the best

1416

00:57:30,180 --> 00:57:28,660

evidence is telling us the best evidence

1417

00:57:33,420 --> 00:57:30,190

is telling us that there's something

1418

00:57:35,820 --> 00:57:33,430

pretty close to what we've always been

1419

00:57:37,940 --> 00:57:35,830

told is God and what all these different

1420

00:57:41,100 --> 00:57:37,950

religions and wisdom traditions and

1421

00:57:42,630 --> 00:57:41,110

Native Americans and Aborigines have

1422

00:57:45,270 --> 00:57:42,640

always pointed to and said hell there's

1423

00:57:48,330 --> 00:57:45,280

there's like a real real high guy up

1424

00:57:51,300 --> 00:57:48,340

there and that's God and that's more

1425

00:57:53,580 --> 00:57:51,310

than all this other stuff so that's

1426
00:57:55,080 --> 00:57:53,590
where I'm coming at it from and and you

1427
00:57:57,120 --> 00:57:55,090
know that's just a hard thing to get

1428
00:58:00,000 --> 00:57:57,130
over given the way we've kind of

1429
00:58:02,670 --> 00:58:00,010
orchestrated the whole deal that we have

1430
00:58:05,130 --> 00:58:02,680
here to work inside of our materialistic

1431
00:58:07,440 --> 00:58:05,140
world yeah you just got to transfer that

1432
00:58:09,480 --> 00:58:07,450
that sort of God thing is find a way to

1433
00:58:12,510 --> 00:58:09,490
make a buck out of it and would accept

1434
00:58:14,190 --> 00:58:12,520
it or take the thread out because in

1435
00:58:15,930 --> 00:58:14,200
terms of I've mentioned numerous times

1436
00:58:17,960 --> 00:58:15,940
in your whole community it's the if you

1437
00:58:20,520 --> 00:58:17,970
take a look at the interaction between

1438
00:58:25,760 --> 00:58:20,530

abductees and the aliens it is

1439

00:58:28,710 --> 00:58:25,770

actually direct ESP direct mind-to-mind

1440

00:58:30,840 --> 00:58:28,720

interaction there's no like the all the

1441

00:58:32,880 --> 00:58:30,850

ESP experiments that have been run by by

1442

00:58:35,460 --> 00:58:32,890

humans have all this noise to you know

1443

00:58:38,100 --> 00:58:35,470

to signal ratio that it's that's sort of

1444

00:58:39,900 --> 00:58:38,110

bad at the at the best of times and here

1445

00:58:41,190 --> 00:58:39,910

it's like there's there's absolutely no

1446

00:58:43,800 --> 00:58:41,200

noise whatsoever there's this

1447

00:58:47,430 --> 00:58:43,810

interaction so if you look at that

1448

00:58:49,800 --> 00:58:47,440

that's a major threat to to say

1449

00:58:51,390 --> 00:58:49,810

governments I mean if you're it's if you

1450

00:58:52,710 --> 00:58:51,400

can read somebody's mind I mean what do

1451

00:58:55,200 --> 00:58:52,720

you do if you're a politician now

1452

00:58:56,340 --> 00:58:55,210

running for the 2012 election you stand

1453

00:58:58,260 --> 00:58:56,350

up to make a speech everybody knows

1454

00:59:01,710 --> 00:58:58,270

exactly what you're thinking there there

1455

00:59:04,230 --> 00:59:01,720

is no scam anymore and that to to meet

1456

00:59:05,700 --> 00:59:04,240

it to an establishment is something like

1457

00:59:07,260 --> 00:59:05,710

let's keep this out of here this is this

1458

00:59:08,700 --> 00:59:07,270

is not something we want right but if I

1459

00:59:10,170 --> 00:59:08,710

can make one more point drill into this

1460

00:59:12,900 --> 00:59:10,180

guy be interested to get your opinion on

1461

00:59:14,760 --> 00:59:12,910

this you know and that's that again and

1462

00:59:15,960 --> 00:59:14,770

then I just can't stress this enough so

1463

00:59:18,060 --> 00:59:15,970

I'm gonna stress it one more time

1464

00:59:21,000 --> 00:59:18,070

I'm not coming at this from a religious

1465

00:59:23,790 --> 00:59:21,010

perspective I don't have any agenda to

1466

00:59:25,830 --> 00:59:23,800

push in terms of any religion or even

1467

00:59:27,810 --> 00:59:25,840

any kind of spirituality

1468

00:59:30,480 --> 00:59:27,820

I just come at it from looking at the

1469

00:59:33,480 --> 00:59:30,490

facts and the facts are the abductors

1470

00:59:36,120 --> 00:59:33,490

don't talk about the aliens as being God

1471

00:59:37,980 --> 00:59:36,130

they see this level of consciousness

1472

00:59:40,620 --> 00:59:37,990

that is greater than them but they don't

1473

00:59:42,630 --> 00:59:40,630

see it as God and God here is just a

1474

00:59:44,070 --> 00:59:42,640

placeholder people are gonna freak out

1475

00:59:46,770 --> 00:59:44,080

they do all the time whenever you say

1476

00:59:48,780 --> 00:59:46,780

God but a placeholder for a very very

1477

00:59:51,270 --> 00:59:48,790

high consciousness and the people who

1478

00:59:54,090 --> 00:59:51,280

have the Kundalini experience who have

1479

00:59:55,830 --> 00:59:54,100

the spontaneous prayer experience who

1480

00:59:58,460 --> 00:59:55,840

have the near-death experience in

1481

01:00:01,440 --> 00:59:58,470

particular they do talk about

1482

01:00:03,710 --> 01:00:01,450

quote-unquote God and I don't see too

1483

01:00:06,300 --> 01:00:03,720

many people really making that

1484

01:00:09,750 --> 01:00:06,310

differentiation they just go in and say

1485

01:00:12,720 --> 01:00:09,760

oh yeah well the the abductees had this

1486

01:00:15,660 --> 01:00:12,730

ESP experience or this out-of-body

1487

01:00:18,990 --> 01:00:15,670

experience so there must be some it's

1488

01:00:20,400 --> 01:00:19,000

it's like the the aliens are God well

1489

01:00:22,980 --> 01:00:20,410

you know what I don't know if that's

1490

01:00:24,660 --> 01:00:22,990

true or not but the data that we do have

1491

01:00:26,640 --> 01:00:24,670

suggests that it's something very

1492

01:00:29,220 --> 01:00:26,650

different and that people know when

1493

01:00:31,350 --> 01:00:29,230

they're encountering something like God

1494

01:00:34,350 --> 01:00:31,360

and they can differentiate when their

1495

01:00:36,540 --> 01:00:34,360

accounting something like an alien

1496

01:00:38,790 --> 01:00:36,550

justice I mean instead of different it's

1497

01:00:41,070 --> 01:00:38,800

at a lower level it's like a lower

1498

01:00:42,330 --> 01:00:41,080

frequency or whatever it's the same sort

1499

01:00:44,790 --> 01:00:42,340

of experience that consciousness would

1500

01:00:47,040 --> 01:00:44,800

explain everything I mean from the from

1501
01:00:49,830 --> 01:00:47,050
the top from God all the way down to the

1502
01:00:51,810 --> 01:00:49,840
most basic material things it's all

1503
01:00:53,310 --> 01:00:51,820
still consciousness it's it's sort of

1504
01:00:56,070 --> 01:00:53,320
different vibrations or different levels

1505
01:01:00,510 --> 01:00:56,080
and so your ESP that's happening at the

1506
01:01:03,270 --> 01:01:00,520
at the alien level is a higher level

1507
01:01:06,060 --> 01:01:03,280
than what we have talking to each other

1508
01:01:09,270 --> 01:01:06,070
on the earth and I I started out I mean

1509
01:01:12,060 --> 01:01:09,280
that was my experience before UFOs I was

1510
01:01:13,620 --> 01:01:12,070
at university and that was my major is

1511
01:01:15,540 --> 01:01:13,630
religion and I did the near-death

1512
01:01:16,830 --> 01:01:15,550
experience thing I went to talk to the

1513
01:01:19,170 --> 01:01:16,840

different chaplains and asked all the

1514

01:01:21,390 --> 01:01:19,180

weird questions of the various chaplains

1515

01:01:22,950 --> 01:01:21,400

you know like did you know did anybody

1516

01:01:24,900 --> 01:01:22,960

ever walk out you know was there any

1517

01:01:26,670 --> 01:01:24,910

miracles didn't they ever walk out did

1518

01:01:27,660 --> 01:01:26,680

anybody ever predict their death did to

1519

01:01:29,910 --> 01:01:27,670

tell you exactly when they were gonna

1520

01:01:32,100 --> 01:01:29,920

die and I all these weird things that

1521

01:01:34,710 --> 01:01:32,110

surrounded death and it there definitely

1522

01:01:37,490 --> 01:01:34,720

was a religious aspect of the thing

1523

01:01:39,840 --> 01:01:37,500

that's different than the UFO

1524

01:01:41,610 --> 01:01:39,850

interaction between aliens that when

1525

01:01:42,780 --> 01:01:41,620

you're talking and I went to chaplains

1526

01:01:45,180 --> 01:01:42,790

rather than to ministers because

1527

01:01:47,130 --> 01:01:45,190

chaplains there's no sort of garbage

1528

01:01:48,990 --> 01:01:47,140

it's basically they're dealing with

1529

01:01:51,090 --> 01:01:49,000

dying people all the time they're not

1530

01:01:53,070 --> 01:01:51,100

they're trying to you know recruit you

1531

01:01:54,510 --> 01:01:53,080

to the Roman Catholic religion or

1532

01:01:55,950 --> 01:01:54,520

Lutheran religion or whatever it's

1533

01:01:57,090 --> 01:01:55,960

basically the dealing with dying people

1534

01:01:59,280 --> 01:01:57,100

and that's what I wanted to talk to

1535

01:02:00,840 --> 01:01:59,290

because it's like when you come to death

1536

01:02:02,070 --> 01:02:00,850

there's no more there's no more crap

1537

01:02:04,410 --> 01:02:02,080

everybody's telling the truth

1538

01:02:08,060 --> 01:02:04,420

everybody's basically telling you the

1539

01:02:10,980 --> 01:02:08,070

way it is and there was this religious

1540

01:02:12,150 --> 01:02:10,990

atheist I had numerous ones where did

1541

01:02:13,350 --> 01:02:12,160

you ever have an atheist did they ever

1542

01:02:16,200 --> 01:02:13,360

come back with a near-death experience

1543

01:02:19,290 --> 01:02:16,210

and it would it still came down to this

1544

01:02:20,970 --> 01:02:19,300

this higher god thing which as you say

1545

01:02:22,680 --> 01:02:20,980

is different than the the alien thing

1546

01:02:24,810 --> 01:02:22,690

but it's the same sort of we're just

1547

01:02:26,130 --> 01:02:24,820

looking at different levels of this

1548

01:02:27,900 --> 01:02:26,140

consciousness thing that it's all

1549

01:02:30,240 --> 01:02:27,910

consciousness but in the UFO community

1550

01:02:32,790 --> 01:02:30,250

people do not understand that is there's

1551

01:02:37,380 --> 01:02:32,800

still at this basic level of nuts and

1552

01:02:40,740 --> 01:02:37,390

bolts us versus them military aspects

1553

01:02:42,480 --> 01:02:40,750

and there is there is a difference but

1554

01:02:44,640 --> 01:02:42,490

it's still consciousness it's it's

1555

01:02:46,560 --> 01:02:44,650

whatever level you're at that is

1556

01:02:47,540 --> 01:02:46,570

explaining the same thing and once you

1557

01:02:49,370 --> 01:02:47,550

understand

1558

01:02:52,180 --> 01:02:49,380

consciousness you can sort of understood

1559

01:02:54,650 --> 01:02:52,190

them in the different levels and explain

1560

01:02:56,810 --> 01:02:54,660

you know what's going on but I don't

1561

01:02:59,180 --> 01:02:56,820

think we were just we're so much in the

1562

01:03:02,750 --> 01:02:59,190

material world that consciousness really

1563

01:03:04,250 --> 01:03:02,760

has not been researched very much by

1564

01:03:06,530 --> 01:03:04,260

anybody and that's that's the basic

1565

01:03:08,660 --> 01:03:06,540

problem we have right hey grant tell us

1566

01:03:11,330 --> 01:03:08,670

what's going on what's coming up for you

1567

01:03:13,940 --> 01:03:11,340

in terms of books appearances anything

1568

01:03:15,950 --> 01:03:13,950

like that well I'm doing I'm redoing

1569

01:03:17,810 --> 01:03:15,960

this book that we did in 1990 that

1570

01:03:21,440 --> 01:03:17,820

basically tells the story about Wilbur

1571

01:03:24,590 --> 01:03:21,450

Smith and going to the states and dr.

1572

01:03:27,200 --> 01:03:24,600

Eric Walker and we go into area 51 sort

1573

01:03:29,420 --> 01:03:27,210

of the the updated story of era 51 that

1574

01:03:31,880 --> 01:03:29,430

gives the reality and that's being

1575

01:03:34,340 --> 01:03:31,890

republished within Richard Dolan is

1576

01:03:37,280 --> 01:03:34,350

going to republish that within the next

1577

01:03:38,630 --> 01:03:37,290

three or four months but basically I'm

1578

01:03:41,180 --> 01:03:38,640

giving the consciousness lecture I I

1579

01:03:43,430 --> 01:03:41,190

think this is as I said one of the three

1580

01:03:44,840 --> 01:03:43,440

top periods of my life the one was when

1581

01:03:47,450 --> 01:03:44,850

I had the UFO sighting the one when I

1582

01:03:49,280 --> 01:03:47,460

saw dr. Michael Newton speak about life

1583

01:03:51,110 --> 01:03:49,290

between lives and the third was when I

1584

01:03:52,550 --> 01:03:51,120

had this consciousness thing last year

1585

01:03:53,810 --> 01:03:52,560

at the Phoenix so I'm giving this

1586

01:03:56,780 --> 01:03:53,820

consciousness lecture I'm giving it

1587

01:04:00,430 --> 01:03:56,790

first in England in beginning of August

1588

01:04:02,480 --> 01:04:00,440

then in Philadelphia at the end of

1589

01:04:05,180 --> 01:04:02,490

September I'm giving the consciousness

1590

01:04:10,870 --> 01:04:05,190

lecture I'm giving it at the Phoenix at

1591

01:04:13,400 --> 01:04:10,880

the UFO conference next February in

1592

01:04:15,920 --> 01:04:13,410

Phoenix Arizona and then I'll be giving

1593

01:04:18,560 --> 01:04:15,930

it in Orlando in May so it'll be the

1594

01:04:20,840 --> 01:04:18,570

same lecture and as I thought it'll be a

1595

01:04:22,490 --> 01:04:20,850

more developed lecture as I go along but

1596

01:04:24,470 --> 01:04:22,500

this is the lecture I'm giving now I

1597

01:04:26,060 --> 01:04:24,480

think it's the most as I'm saying it's

1598

01:04:28,490 --> 01:04:26,070

the most important thing that the UFO

1599

01:04:31,070 --> 01:04:28,500

community now I think has to learn is

1600

01:04:32,780 --> 01:04:31,080

that this is a critical thing if you

1601
01:04:35,090 --> 01:04:32,790
want to understand what's going on and

1602
01:04:37,550 --> 01:04:35,100
understand the fact that government is

1603
01:04:39,350 --> 01:04:37,560
always known this you better start

1604
01:04:41,870 --> 01:04:39,360
looking at this aspect of consciousness

1605
01:04:44,570 --> 01:04:41,880
because we have entirely missed the boat

1606
01:04:46,430 --> 01:04:44,580
we are floundering around still looking

1607
01:04:48,770 --> 01:04:46,440
at sightings and tracking sightings and

1608
01:04:51,560 --> 01:04:48,780
stuff we I think we have missed one of

1609
01:04:53,540 --> 01:04:51,570
the key aspects of of the whole

1610
01:04:55,100 --> 01:04:53,550
phenomena that would give us a lot of

1611
01:04:56,840 --> 01:04:55,110
the answers as to what's going on in

1612
01:04:58,820 --> 01:04:56,850
UFOs and that is the consciousness thing

1613
01:05:00,890 --> 01:04:58,830

so it it's a consciousness lecture and

1614

01:05:03,140 --> 01:05:00,900

and Colin Andrews is

1615

01:05:06,050 --> 01:05:03,150

follow me in London he's giving the

1616

01:05:07,670 --> 01:05:06,060

consciousness lecture he knows mine were

1617

01:05:09,410 --> 01:05:07,680

exchanging information on consciousness

1618

01:05:11,090 --> 01:05:09,420

he's going to give the one on the crop

1619

01:05:13,340 --> 01:05:11,100

circles again about consciousness and

1620

01:05:15,800 --> 01:05:13,350

crop circles and I think it's you'll see

1621

01:05:17,710 --> 01:05:15,810

it slowly move into the UFO community

1622

01:05:20,810 --> 01:05:17,720

it'll be fought by a lot of people but

1623

01:05:22,220 --> 01:05:20,820

this this is I as I said this is

1624

01:05:24,020 --> 01:05:22,230

something the UFO community is missed

1625

01:05:25,850 --> 01:05:24,030

and I'm gonna start talking about it

1626
01:05:28,220 --> 01:05:25,860
because it to me was a revelation I was

1627
01:05:31,550 --> 01:05:28,230
missing it as well great and so more for

1628
01:05:34,340 --> 01:05:31,560
more information people presidential UFO

1629
01:05:36,590 --> 01:05:34,350
calm i appreciate your time and your

1630
01:05:38,120 --> 01:05:36,600
interest it's it's strange to see

1631
01:05:40,100 --> 01:05:38,130
somebody outside of UFO community take

1632
01:05:41,810 --> 01:05:40,110
this interest and i'm i'm glad you did

1633
01:05:44,270 --> 01:05:41,820
and I hope that our two communities sort

1634
01:05:45,920 --> 01:05:44,280
of have more interactions so because I

1635
01:05:47,690 --> 01:05:45,930
think we have something to offer each

1636
01:05:49,700 --> 01:05:47,700
other that that will help each of us

1637
01:05:51,520 --> 01:05:49,710
understand what the others what the

1638
01:05:53,810 --> 01:05:51,530

other side is doing and help us

1639

01:05:56,060 --> 01:05:53,820

understand the answers we need in our

1640

01:05:58,420 --> 01:05:56,070

field great I couldn't agree more you

1641

01:06:02,090 --> 01:05:58,430

know it's this never-ending process of

1642

01:06:03,440 --> 01:06:02,100

opening yourself up to more and more of

1643

01:06:05,210 --> 01:06:03,450

what's out there and it's always a

1644

01:06:07,220 --> 01:06:05,220

little uncomfortable you know and I'm

1645

01:06:09,590 --> 01:06:07,230

sure some listeners to this show are a

1646

01:06:11,810 --> 01:06:09,600

little uncomfortable tiptoeing into the

1647

01:06:13,940 --> 01:06:11,820

UFO field but gosh darnit

1648

01:06:16,490 --> 01:06:13,950

just have to follow the stuff wherever

1649

01:06:18,050 --> 01:06:16,500

it leads and that's really our charter

1650

01:06:20,510 --> 01:06:18,060

isn't it we just have to go where it

1651
01:06:22,640 --> 01:06:20,520
takes us well thanks so much for joining

1652
01:06:24,080 --> 01:06:22,650
us today I just AM delighted with the

1653
01:06:24,890 --> 01:06:24,090
way this came out and I hope people

1654
01:06:27,680 --> 01:06:24,900
enjoy it

1655
01:06:29,780 --> 01:06:27,690
bureau thanks Alex thanks again to Grant

1656
01:06:32,840 --> 01:06:29,790
Cameron for joining me today on skeptic

1657
01:06:34,760 --> 01:06:32,850
oh there's so many many topics that I'd

1658
01:06:37,040 --> 01:06:34,770
like to discuss as a result of this

1659
01:06:40,040 --> 01:06:37,050
interview but I'm gonna tee up just two

1660
01:06:43,210 --> 01:06:40,050
of them here first what are we to make

1661
01:06:45,980 --> 01:06:43,220
of our governments apparent knowledge of

1662
01:06:48,650 --> 01:06:45,990
expanded human capabilities when it

1663
01:06:51,050 --> 01:06:48,660

comes to consciousness ESP mind reading

1664

01:06:54,170 --> 01:06:51,060

and the rest what are we to make of that

1665

01:06:56,240 --> 01:06:54,180

given the public scientific stance

1666

01:06:59,240 --> 01:06:56,250

that's being promoted by that same

1667

01:07:02,240 --> 01:06:59,250

government what is really going on there

1668

01:07:04,040 --> 01:07:02,250

and secondly really the big question

1669

01:07:06,860 --> 01:07:04,050

what does this knowledge about what

1670

01:07:09,950 --> 01:07:06,870

we've encountered with UFO consciousness

1671

01:07:13,160 --> 01:07:09,960

mean in terms of a larger story of human

1672

01:07:14,390 --> 01:07:13,170

consciousness and spirituality it's a

1673

01:07:16,760 --> 01:07:14,400

topic we touched

1674

01:07:19,550 --> 01:07:16,770

in the interview and it's obviously the

1675

01:07:22,280 --> 01:07:19,560

big question what is UFO consciousness

1676

01:07:25,070 --> 01:07:22,290

have to do with NDE consciousness have

1677

01:07:27,800 --> 01:07:25,080

to do with psychedelic consciousness how

1678

01:07:29,150 --> 01:07:27,810

do they all tie together and of course

1679

01:07:32,180 --> 01:07:29,160

we're not going to have any definitive

1680

01:07:34,130 --> 01:07:32,190

answers but we can maybe kick around how

1681

01:07:36,260 --> 01:07:34,140

we can nudge a little bit closer to

1682

01:07:38,870 --> 01:07:36,270

putting some of those pieces together in

1683

01:07:40,550 --> 01:07:38,880

a way that's meaningful I'll look

1684

01:07:42,980 --> 01:07:40,560

forward to hearing what you have to say

1685

01:07:46,280 --> 01:07:42,990

on that and the best place to do it is

1686

01:07:50,030 --> 01:07:46,290

of course on The Skeptical website at sk

1687

01:07:52,490 --> 01:07:50,040

EP tik o dot-com or on The Skeptical

1688

01:07:54,740 --> 01:07:52,500

forum or you can always just send me an

1689

01:07:56,840 --> 01:07:54,750

email or drop me a note on my facebook

1690

01:07:58,610 --> 01:07:56,850

account by the way of course when you're

1691

01:08:00,770 --> 01:07:58,620

at The Skeptical website be sure to

1692

01:08:02,540 --> 01:08:00,780

check out all our previous episodes of

1693

01:08:04,880 --> 01:08:02,550

skeptical that you can download for free

1694

01:08:07,190 --> 01:08:04,890

and most can read the transcript for

1695

01:08:09,740 --> 01:08:07,200

free and the website I've also started

1696

01:08:11,750 --> 01:08:09,750

publishing youtubes for the interviews

1697

01:08:14,180 --> 01:08:11,760

they're really not a lot more than just

1698

01:08:16,250 --> 01:08:14,190

the audio with a few graphics overlay it

1699

01:08:19,070 --> 01:08:16,260

on the top but at least it gives skeptic

1700

01:08:21,080 --> 01:08:19,080

Oh some exposure to folks who search on

1701

01:08:22,970 --> 01:08:21,090

YouTube well that's going to do it for

1702

01:08:25,340 --> 01:08:22,980

today I have a number of interesting

1703

01:08:26,570 --> 01:08:25,350

shows coming up I'll be getting to them
