UFO Researcher & Author

1
00:00:06,080 --> 00:00:12,410

[Music]

2
00:00:16,260 --> 00:00:14,640

you get these synchronistic events that

3
00:00:17,999 --> 00:00:16,270

happen in your life one of them was that

4
00:00:19,950 --> 00:00:18,009

my father was a pilot for the Department

5
00:00:22,050 --> 00:00:19,960

of Transport here in Canada and one of

6
00:00:24,420 --> 00:00:22,060

the radar technicians in his office had

7
00:00:26,609 --> 00:00:24,430

actually had a sighting in this area the

8
00:00:28,139 --> 00:00:26,619

small town thing so he said well Ernie

9
00:00:30,839 --> 00:00:28,149

app has this sighting he wants to talk

10
00:00:32,280 --> 00:00:30,849

to you and so I go to talk to this ernie

11
00:00:33,660 --> 00:00:32,290

up guy and he says he in his house been

12
00:00:34,860 --> 00:00:33,670

sighting it's just you know an ordinary

13
00:00:37,440 --> 00:00:34,870

sighting he saw something flying around

14
00:00:39,450 --> 00:00:37,450
whatever and then he says to me says you

15
00:00:41,610 --> 00:00:39,460
know if you really and this is this real

16
00:00:43,560 --> 00:00:41,620
weird synchronicity where he says you

17
00:00:45,419 --> 00:00:43,570
know if you really want to know what's

18
00:00:47,310 --> 00:00:45,429
going on with UFOs you should study with

19
00:00:48,239 --> 00:00:47,320
the Canadian government and here's me on

20
00:00:49,410 --> 00:00:48,249
this search I'm trying to figure out

21
00:00:50,669 --> 00:00:49,420
like what's the ultimate answer this

22
00:00:52,020 --> 00:00:50,679
thing if you really want to know what's

23
00:00:55,069 --> 00:00:52,030
going on with UFOs you should study with

24
00:00:58,319 --> 00:00:55,079
the Canadian government used to research

25
00:01:00,119 --> 00:00:58,329
Wilbur Smith ran the whole project and I

26
00:01:01,319 --> 00:01:00,129
worked for him and I said you did and he

27
00:01:02,069 --> 00:01:01,329
said yeah it was the smartest guy I ever

28
00:01:06,600 --> 00:01:02,079
met in my life

29
00:01:08,640 --> 00:01:06,610
and he said he he was the smartest guy

30
00:01:10,050 --> 00:01:08,650
but he he was crazy I mean he was

31
00:01:11,580 --> 00:01:10,060
talking to aliens and they were landing

32
00:01:12,960 --> 00:01:11,590
in his backyard I went he was over why

33
00:01:14,370 --> 00:01:12,970
and I couldn't believe it she was

34
00:01:16,350 --> 00:01:14,380
telling me this bizarre story about this

35
00:01:17,880 --> 00:01:16,360
guy and he turns out he's a contactee

36
00:01:19,320 --> 00:01:17,890
and he's the guy that ran the Canadian

37
00:01:21,900 --> 00:01:19,330
government you a full program so I'm

38
00:01:23,130 --> 00:01:21,910

still very young and that gives me my

39

00:01:25,350 --> 00:01:23,140

next opportunity so I give up on the

40

00:01:27,450 --> 00:01:25,360

sightings on I buy a plane ticket and I

41

00:01:28,830 --> 00:01:27,460

fly to Ottawa Wilbur Smith who ran the

42

00:01:31,320 --> 00:01:28,840

Canadian government program by then was

43

00:01:33,570 --> 00:01:31,330

dead he died in 1962 this is like 1977

44

00:01:35,910 --> 00:01:33,580

now and I interview his wife and she's

45

00:01:38,100 --> 00:01:35,920

secretary to the Speaker of Senate very

46

00:01:40,290 --> 00:01:38,110

high level herself and she's retiring

47

00:01:41,640 --> 00:01:40,300

and within the week and so she's ready

48

00:01:43,560 --> 00:01:41,650

to talk and she starts telling me this

49

00:01:44,880 --> 00:01:43,570

story about Wilbur Smith and these

50

00:01:46,020 --> 00:01:44,890

contacts with the Canadian government

51
00:01:48,210 --> 00:01:46,030
and they had to contact with this alien

52
00:01:50,700 --> 00:01:48,220
and they're gonna landed at an army base

53
00:01:52,740 --> 00:01:50,710
in Canada and the involvement of the

54
00:01:54,270 --> 00:01:52,750
prime minister and it's like she's

55
00:01:56,550 --> 00:01:54,280
talking about her dog I mean her like

56
00:01:57,990 --> 00:01:56,560
it's like just after alpha F and she's

57
00:01:59,490 --> 00:01:58,000
talk about this alien I'm going like wow

58
00:02:01,890 --> 00:01:59,500
it's like I was just sort of blown away

59
00:02:03,210 --> 00:02:01,900
so I gathered all his material we

60
00:02:06,690 --> 00:02:03,220
discovered this document that is

61
00:02:08,520 --> 00:02:06,700
Declassified in 1978 and this I believe

62
00:02:10,290 --> 00:02:08,530
is the most significant document of the

63
00:02:11,880 --> 00:02:10,300

whole UFO field because there's

64

00:02:14,250 --> 00:02:11,890

absolutely no doubt that this document

65

00:02:16,830 --> 00:02:14,260

is legitimate it's in the archives in

66

00:02:20,850 --> 00:02:16,840

Ottawa in the Department of Transport

67

00:02:22,920 --> 00:02:20,860

files I there's copies there's draft

68

00:02:23,780 --> 00:02:22,930

copies in Wilbur Smith's files the guy

69

00:02:26,899 --> 00:02:23,790

who

70

00:02:28,670 --> 00:02:26,909

the document I talked to dr. Oman slant

71

00:02:30,530 --> 00:02:28,680

who's mentioned in the document and the

72

00:02:32,479 --> 00:02:30,540

only objection he had to the document

73

00:02:34,190 --> 00:02:32,489

was well Wilbur Smith didn't have

74

00:02:36,709 --> 00:02:34,200

authorization to put top secret on the

75

00:02:37,940 --> 00:02:36,719

document to which I replied well how do

76

00:02:39,740 --> 00:02:37,950

you do it then what does he send it in

77

00:02:41,210 --> 00:02:39,750

by the mail and let somebody determine

78

00:02:42,740 --> 00:02:41,220

what it is I mean he has to put

79

00:02:43,759 --> 00:02:42,750

top-secret unlocking you can declassify

80

00:02:46,399 --> 00:02:43,769

it right away which is what they did

81

00:02:48,770 --> 00:02:46,409

they moved it down one step below but

82

00:02:50,179 --> 00:02:48,780

what happens is Wilbur Smith is running

83

00:02:51,530 --> 00:02:50,189

the Canadian government and they then

84

00:02:53,240 --> 00:02:51,540

they call the Flying Saucer program and

85

00:02:55,099 --> 00:02:53,250

Wilbur Smith never used the word UFO

86

00:02:58,520 --> 00:02:55,109

ever he always were used the word flying

87

00:03:00,770 --> 00:02:58,530

saucer flying disc and what happens is

88

00:03:02,690 --> 00:03:00,780

the Canadians are interested and Wilbur

89

00:03:08,360 --> 00:03:02,700

Smith has these ideas for propulsion so

90

00:03:10,039 --> 00:03:08,370

he's a high-level radio operator a radio

91

00:03:12,379 --> 00:03:10,049

engineer the top guy for the department

92

00:03:13,940 --> 00:03:12,389

transport he goes to the Americans and

93

00:03:16,220 --> 00:03:13,950

he's talking through conferences and

94

00:03:17,720 --> 00:03:16,230

they're negotiating FM radio stations

95

00:03:19,759 --> 00:03:17,730

across the border and stuff like that

96

00:03:21,979 --> 00:03:19,769

and he talks to people and he says I

97

00:03:23,330 --> 00:03:21,989

suddenly find out that's just a bunch of

98

00:03:25,099 --> 00:03:23,340

smoke and where there's smoke there's

99

00:03:27,110 --> 00:03:25,109

got to be fire and he starts digging in

100

00:03:28,610 --> 00:03:27,120

so what they do is they they go through

101
00:03:30,559 --> 00:03:28,620
classified channels so they get a guy by

102
00:03:33,140 --> 00:03:30,569
name Arnold Wright who was the military

103
00:03:35,330 --> 00:03:33,150
liaison in Canada they go through the

104
00:03:36,740 --> 00:03:35,340
Canadian Embassy in Washington DC and he

105
00:03:37,729 --> 00:03:36,750
goes through classified channels and

106
00:03:39,740 --> 00:03:37,739
talks to the research and development

107
00:03:41,119 --> 00:03:39,750
board in the United States which is the

108
00:03:43,039 --> 00:03:41,129
part of the Defense Department that

109
00:03:44,509 --> 00:03:43,049
actually builds the weapons built the

110
00:03:45,379 --> 00:03:44,519
atomic bomb the hydrogen they were at

111
00:03:48,289 --> 00:03:45,389
the time they were working on the

112
00:03:50,300 --> 00:03:48,299
hydrogen bomb and he goes through there

113
00:03:52,699 --> 00:03:50,310

and according to according to what

114

00:03:54,110 --> 00:03:52,709

Wilbur Smith got the file comes back and

115

00:03:55,789 --> 00:03:54,120

Wilbur Smith writes his document and

116

00:03:58,280 --> 00:03:55,799

says we've talked to American officials

117

00:04:00,830 --> 00:03:58,290

and they have told us the following

118

00:04:02,360 --> 00:04:00,840

items flying saucers exists the most

119

00:04:04,159 --> 00:04:02,370

highly classified subject in United

120

00:04:06,319 --> 00:04:04,169

States rated two points higher than the

121

00:04:07,789 --> 00:04:06,329

hydrogen bomb it's of tremendous

122

00:04:09,080 --> 00:04:07,799

significance to the Americans and

123

00:04:10,789 --> 00:04:09,090

there's a small group headed by dr.

124

00:04:12,740 --> 00:04:10,799

Vannevar Bush she was the science

125

00:04:15,710 --> 00:04:12,750

advisor to President Roosevelt he's the

126
00:04:17,990 --> 00:04:15,720
guy who worked on the proximity fuze the

127
00:04:20,930 --> 00:04:18,000
atomic bomb radar

128
00:04:22,129 --> 00:04:20,940
jet engines plastic explosives all those

129
00:04:23,659 --> 00:04:22,139
inventions of World War two

130
00:04:25,279 --> 00:04:23,669
Vannevar Bush was the guy that ran all

131
00:04:26,600 --> 00:04:25,289
those programs for the scientific side

132
00:04:28,370 --> 00:04:26,610
and there was a military side that ran

133
00:04:30,649 --> 00:04:28,380
the other side but he was the main guy

134
00:04:33,560 --> 00:04:30,659
and now they will bir smith identifies

135
00:04:35,330 --> 00:04:33,570
in this document that he's running the

136
00:04:37,490 --> 00:04:35,340
program and then this thing that comes

137
00:04:40,070 --> 00:04:37,500
into my later download into

138
00:04:42,260 --> 00:04:40,080

12 which I wouldn't realize until 2012

139

00:04:43,640 --> 00:04:42,270

was the next line in a document says and

140

00:04:45,830 --> 00:04:43,650

we were also told by American officials

141

00:04:48,620 --> 00:04:45,840

that other things might be associated

142

00:04:50,750 --> 00:04:48,630

with the flying saucers such as mental

143

00:04:52,370 --> 00:04:50,760

phenomena and the Americans aren't doing

144

00:04:53,960 --> 00:04:52,380

very well because they've said to us if

145

00:04:55,310 --> 00:04:53,970

we're working on the program working on

146

00:04:57,860 --> 00:04:55,320

a program they're willing to exchange

147

00:04:59,870 --> 00:04:57,870

credentials and talk to us now the key

148

00:05:01,010 --> 00:04:59,880

part to that is that now we sort of know

149

00:05:03,830 --> 00:05:01,020

aliens are telepathic

150

00:05:05,570 --> 00:05:03,840

do you have a contact these experiencers

151

00:05:07,430 --> 00:05:05,580

abductees all these people are talking

152

00:05:10,700 --> 00:05:07,440

about these aliens being telepathic but

153

00:05:12,230 --> 00:05:10,710

in 1950 the first abductees would not be

154

00:05:14,690 --> 00:05:12,240

known until Betty and Barney Hill schema

155

00:05:16,760 --> 00:05:14,700

book came out in the mid 1960s the first

156

00:05:18,350 --> 00:05:16,770

contact these who said you know they've

157

00:05:20,180 --> 00:05:18,360

got four rides on flying saucers and

158

00:05:21,950 --> 00:05:20,190

stuff like would not appear until about

159

00:05:23,330 --> 00:05:21,960

a week after the detonation of the

160

00:05:25,850 --> 00:05:23,340

hydrogen bomb suddenly all these people

161

00:05:27,620 --> 00:05:25,860

appeared but in 1950 there was nobody in

162

00:05:29,120 --> 00:05:27,630

the public who was saying I'm talking to

163

00:05:31,520 --> 00:05:29,130

aliens and aliens are telepathic

164

00:05:33,170 --> 00:05:31,530

so the question is how did the Americans

165

00:05:35,480 --> 00:05:33,180

know to tell the Canadians in this

166

00:05:36,430 --> 00:05:35,490

top-secret memo that mental phenomena
