

Greg Carlwood on Skeptiko #330

1  
00:00:20,249 --> 00:00:18,060  
all right today we welcome Greg Karl

2  
00:00:22,980 --> 00:00:20,259  
with the skeptic Oh Greg is the creator

3  
00:00:26,550 --> 00:00:22,990  
and host of the higher side chats

4  
00:00:28,980 --> 00:00:26,560  
podcast a popular and very influential o

5  
00:00:30,960 --> 00:00:28,990  
media kind of thing that explores all

6  
00:00:33,810 --> 00:00:30,970  
manner of things that most people would

7  
00:00:38,070 --> 00:00:33,820  
lump into that category we so lovingly

8  
00:00:41,729 --> 00:00:38,080  
call conspiracy theory and since Greg

9  
00:00:44,069 --> 00:00:41,739  
lives right here in San Diego as I do I

10  
00:00:46,440 --> 00:00:44,079  
have the great pleasure of having Greg

11  
00:00:48,869 --> 00:00:46,450  
sitting right across the table from me

12  
00:00:51,450 --> 00:00:48,879  
and this is really cool I've never done

13  
00:00:53,880 --> 00:00:51,460

this so I don't know how it's gonna go

14

00:00:55,529 --> 00:00:53,890

we might lined up at blows or you know

15

00:00:56,340 --> 00:00:55,539

you might see a fight my fight make

16

00:00:57,900 --> 00:00:56,350

breakouts

17

00:01:01,950 --> 00:00:57,910

anything could happen here that's what

18

00:01:03,540 --> 00:01:01,960

makes it great so Greg first off it's so

19

00:01:08,520 --> 00:01:03,550

great to have you thanks so much for

20

00:01:11,249 --> 00:01:08,530

joining me on skeptic oh great although

21

00:01:12,749 --> 00:01:11,259

that mutual admiration society stuff so

22

00:01:15,240 --> 00:01:12,759

where I thought we might start because I

23

00:01:17,190 --> 00:01:15,250

haven't really heard this in any of the

24

00:01:18,630 --> 00:01:17,200

interviews I've listened to that you've

25

00:01:20,850 --> 00:01:18,640

done the couple that you've done or in

26

00:01:22,950 --> 00:01:20,860

the interviews that you've given is you

27

00:01:25,440 --> 00:01:22,960

know what was the first conspiracy what

28

00:01:28,859 --> 00:01:25,450

was the first thread on that sweater

29

00:01:32,910 --> 00:01:28,869

that you pulled that kind of started you

30

00:01:35,460 --> 00:01:32,920

down this path well I was always just

31

00:01:38,600 --> 00:01:35,470

rebellious in general I loved punk music

32

00:01:41,460 --> 00:01:38,610

which is very anti-authoritarian so

33

00:01:44,760 --> 00:01:41,470

early on I was always and I was also a

34

00:01:47,969 --> 00:01:44,770

really rigid private school so I was

35

00:01:51,090 --> 00:01:47,979

anti authority from a young age and I

36

00:01:53,459 --> 00:01:51,100

guess I was always looking for excuses

37

00:01:55,109 --> 00:01:53,469

to keep that worldview or to validate it

38

00:01:57,330 --> 00:01:55,119

and so when you start digging into what

39

00:02:00,450 --> 00:01:57,340

authority is usually doing which is you

40

00:02:02,459 --> 00:02:00,460

know using people abusing their position

41

00:02:04,950 --> 00:02:02,469

and the people below them I'm starting

42

00:02:06,749 --> 00:02:04,960

to have a lot of backup information so

43

00:02:09,569 --> 00:02:06,759

it really solidified me is just being an

44

00:02:11,850 --> 00:02:09,579

anti-establishment growing up but it had

45

00:02:13,830 --> 00:02:11,860

to be 9/11 I mean you know it's kind of

46

00:02:16,170 --> 00:02:13,840

cliche everybody says that now but I

47

00:02:18,410 --> 00:02:16,180

mean I was in high school still and we

48

00:02:20,600 --> 00:02:18,420

come in and everybody gets in the

49

00:02:23,680 --> 00:02:20,610

Jim they announced this thing and we see

50

00:02:26,510 --> 00:02:23,690

it on TV and even that day I was like

51  
00:02:27,710 --> 00:02:26,520  
that doesn't really look right really

52  
00:02:29,420 --> 00:02:27,720  
yeah I was like that doesn't look right

53  
00:02:31,040 --> 00:02:29,430  
and I had a couple of good friends who

54  
00:02:33,500 --> 00:02:31,050  
you know we could never offend each

55  
00:02:36,140 --> 00:02:33,510  
other we loved the most offensive comedy

56  
00:02:37,729 --> 00:02:36,150  
so I knew like I wasn't gonna lose a

57  
00:02:39,890 --> 00:02:37,739  
friendship but bringing that up and we

58  
00:02:42,250 --> 00:02:39,900  
would be like yeah it's a little odd but

59  
00:02:44,990 --> 00:02:42,260  
it kind of went away and then later

60  
00:02:47,240 --> 00:02:45,000  
loose change the documentary came out

61  
00:02:48,350 --> 00:02:47,250  
and my buddy's like dude this thing you

62  
00:02:50,750 --> 00:02:48,360  
know we didn't think it looked right

63  
00:02:52,940 --> 00:02:50,760

here's somebody who's like yeah he

64

00:02:54,259 --> 00:02:52,950

doesn't look right this is you know

65

00:02:56,479 --> 00:02:54,269

there's a big conspiracy here it could

66

00:02:59,000 --> 00:02:56,489

be an inside job and that was kind of

67

00:03:01,070 --> 00:02:59,010

what set me off I was like no no no it's

68

00:03:04,070 --> 00:03:01,080

not abstract anymore you know it's very

69

00:03:07,759 --> 00:03:04,080

real and I'd say you know as cliché as

70

00:03:09,770 --> 00:03:07,769

it is 911 was the first conspiracy that

71

00:03:12,470 --> 00:03:09,780

that really sent me off I mean I had an

72

00:03:14,840 --> 00:03:12,480

interest in UFOs and the kind of the

73

00:03:17,539 --> 00:03:14,850

fringy coast-to-coast stuff right but

74

00:03:20,150 --> 00:03:17,549

that of course is also abstract so so

75

00:03:22,910 --> 00:03:20,160

when you get into 9/11 was it more or

76  
00:03:25,370 --> 00:03:22,920  
less immediate that you'd over into the

77  
00:03:28,670 --> 00:03:25,380  
level of saying oh [\h\_\_\h] this is really

78  
00:03:31,250 --> 00:03:28,680  
big or or how did it kind of because I

79  
00:03:33,170 --> 00:03:31,260  
mean I'll tell you mine so I'm off doing

80  
00:03:35,630 --> 00:03:33,180  
skeptic oh you know and I think I'm just

81  
00:03:37,310 --> 00:03:35,640  
kind of pursuing big picture science who

82  
00:03:39,110 --> 00:03:37,320  
are we why are we here and I'm

83  
00:03:41,509 --> 00:03:39,120  
interested in that from a spiritual part

84  
00:03:44,960 --> 00:03:41,519  
to and I'm just not approaching it from

85  
00:03:47,240 --> 00:03:44,970  
a conspiratorial thing at all but I

86  
00:03:50,599 --> 00:03:47,250  
start seeing more of this stuff crop up

87  
00:03:52,370 --> 00:03:50,609  
and I'm kind of drawn into it so I start

88  
00:03:55,280 --> 00:03:52,380

back filling that and where I started

89

00:03:57,949 --> 00:03:55,290

was with JFK because I really want to

90

00:04:00,050 --> 00:03:57,959

play it safe honestly and I'm a I'm of a

91

00:04:01,729 --> 00:04:00,060

different generation than you are but it

92

00:04:04,340 --> 00:04:01,739

was way in the in the rearview mirror

93

00:04:06,440 --> 00:04:04,350

JFK it was safe but I remember being

94

00:04:08,720 --> 00:04:06,450

done with it and talking to my wife and

95

00:04:11,750 --> 00:04:08,730

God know she had now this stuff goes

96

00:04:13,729 --> 00:04:11,760

really deep but there is no way I could

97

00:04:15,830 --> 00:04:13,739

ever believe like that 9/11 stuff I mean

98

00:04:19,879 --> 00:04:15,840

that's just like way too far out there

99

00:04:23,600 --> 00:04:19,889

and I wonder if you had a similar kind

100

00:04:26,600 --> 00:04:23,610

of experience of going you know okay you

101  
00:04:28,520 --> 00:04:26,610  
know here's the limit oh wait the limits

102  
00:04:30,320 --> 00:04:28,530  
now further the limits now further and

103  
00:04:31,790 --> 00:04:30,330  
was it like that for you with

104  
00:04:34,879 --> 00:04:31,800  
were you immediately jumping in and

105  
00:04:38,809 --> 00:04:34,889  
saying wow this is like dramatically

106  
00:04:42,740 --> 00:04:38,819  
different than what I thought well yeah

107  
00:04:47,179 --> 00:04:42,750  
I am pretty open to new paradigms pretty

108  
00:04:49,760 --> 00:04:47,189  
quickly and I like you know to kind of

109  
00:04:52,279 --> 00:04:49,770  
challenge that and I've given up on

110  
00:04:53,809 --> 00:04:52,289  
saying that you know putting my foot

111  
00:04:55,580 --> 00:04:53,819  
down on certain ideas and beliefs

112  
00:04:57,110 --> 00:04:55,590  
because it always ends up changing you

113  
00:04:59,600 --> 00:04:57,120

know it always ends up advancing but

114

00:05:01,969 --> 00:04:59,610

what I found most interesting about the

115

00:05:03,920 --> 00:05:01,979

going down the 911 rabbit boat was when

116

00:05:05,450 --> 00:05:03,930

my buddy brought up this documentary we

117

00:05:07,700 --> 00:05:05,460

were in kind of a large group of friends

118

00:05:09,770 --> 00:05:07,710

we'd all grown up with and it split the

119

00:05:11,570 --> 00:05:09,780

room like nothing I've ever seen and

120

00:05:14,029 --> 00:05:11,580

Here I am with friends I've known my

121

00:05:17,119 --> 00:05:14,039

whole life and we've never really had

122

00:05:19,939 --> 00:05:17,129

serious emotionally charged arguments

123

00:05:20,899 --> 00:05:19,949

about anything real and we bring up 9/11

124

00:05:22,730 --> 00:05:20,909

and then it could have been an inside

125

00:05:24,980 --> 00:05:22,740

job and you know elements of the

126  
00:05:27,350 --> 00:05:24,990  
government are involved and we've been

127  
00:05:29,600 --> 00:05:27,360  
lied to in media and it just split the

128  
00:05:31,279 --> 00:05:29,610  
room I there were people who were like I

129  
00:05:32,659 --> 00:05:31,289  
won't watch that documentary I don't

130  
00:05:35,059 --> 00:05:32,669  
want to hear you guys talking about that

131  
00:05:36,950 --> 00:05:35,069  
documentary and that's when I realized I

132  
00:05:39,110 --> 00:05:36,960  
was like well maybe I am a little

133  
00:05:40,519 --> 00:05:39,120  
different you know to be able because I

134  
00:05:45,350 --> 00:05:40,529  
hear that and I want to hear more about

135  
00:05:47,329 --> 00:05:45,360  
it like that's kind of what the show is

136  
00:05:48,800 --> 00:05:47,339  
and sometimes people make their case and

137  
00:05:50,480 --> 00:05:48,810  
it's great and it really does make you

138  
00:05:54,850 --> 00:05:50,490

think and sometimes it's all sure that

139

00:05:57,140 --> 00:05:54,860

but I really love those kind of

140

00:05:59,059 --> 00:05:57,150

Mindbenders that kind of take you move

141

00:06:00,920 --> 00:05:59,069

you further down the field in terms of

142

00:06:02,899 --> 00:06:00,930

it's all big grand conspiracy I like

143

00:06:04,339 --> 00:06:02,909

kind of messing with shaking people up

144

00:06:06,469 --> 00:06:04,349

and messing with them a little bit but

145

00:06:09,110 --> 00:06:06,479

that was the first time I ever saw in a

146

00:06:11,209 --> 00:06:09,120

real way I was like wow like what why

147

00:06:13,510 --> 00:06:11,219

are you so against the idea of looking

148

00:06:15,890 --> 00:06:13,520

at a documentary that suggests something

149

00:06:18,040 --> 00:06:15,900

strange and now just like wow I guess

150

00:06:20,119 --> 00:06:18,050

half the people I grew up with are just

151  
00:06:21,499 --> 00:06:20,129  
different and then they're never gonna

152  
00:06:23,480 --> 00:06:21,509  
go down this rabbit hole and maybe

153  
00:06:26,659 --> 00:06:23,490  
there's some conditioning there mm-hmm

154  
00:06:28,459 --> 00:06:26,669  
well that's that is interesting and you

155  
00:06:30,680 --> 00:06:28,469  
know that's you you have just kind of

156  
00:06:32,149 --> 00:06:30,690  
led into the higher side chat's show and

157  
00:06:34,909 --> 00:06:32,159  
what I thought but I thought might I

158  
00:06:37,279 --> 00:06:34,919  
might do is play for people a little bit

159  
00:06:38,870 --> 00:06:37,289  
of a compilation of some intros that you

160  
00:06:41,360 --> 00:06:38,880  
do you do fantastic interest I mean

161  
00:06:42,800 --> 00:06:41,370  
there's a show I have to say I can't be

162  
00:06:43,970 --> 00:06:42,810  
fan boy the whole time but I've got to

163  
00:06:45,920 --> 00:06:43,980

be a little bit of fan boy

164

00:06:48,380 --> 00:06:45,930

you do great research before the show

165

00:06:50,810 --> 00:06:48,390

you put together these intros that

166

00:06:52,220 --> 00:06:50,820

really kind of head out the the

167

00:06:53,540 --> 00:06:52,230

landscape of where you're heading and

168

00:06:55,370 --> 00:06:53,550

then there's some really cool music in

169

00:06:57,620 --> 00:06:55,380

there too that we get into it I'm gonna

170

00:06:59,420 --> 00:06:57,630

play this is mainly for your benefit to

171

00:07:02,570 --> 00:06:59,430

hear it I'll slice splice in a better

172

00:07:05,090 --> 00:07:02,580

version really makes some great

173

00:07:07,100 --> 00:07:05,100

connections between ancient aliens and

174

00:07:09,350 --> 00:07:07,110

ancient history the races and blood

175

00:07:11,300 --> 00:07:09,360

types the elite and the bloodlines the

176

00:07:13,610 --> 00:07:11,310

Inner Earth and abductions reptilian

177

00:07:16,040 --> 00:07:13,620

beings in a century-long manipulation of

178

00:07:19,550 --> 00:07:16,050

humanity and a thousand other threads on

179

00:07:21,230 --> 00:07:19,560

the conspiracy sweater by now we know

180

00:07:23,060 --> 00:07:21,240

all too well that hidden behind the

181

00:07:24,920 --> 00:07:23,070

facade of democracy are the dynastic

182

00:07:27,110 --> 00:07:24,930

families that make up the bricks and

183

00:07:29,180 --> 00:07:27,120

mortar of the power pyramid groomed from

184

00:07:30,830 --> 00:07:29,190

a young age pre-approved for the finest

185

00:07:33,320 --> 00:07:30,840

schools and inducted into their elusive

186

00:07:35,570 --> 00:07:33,330

and exclusive secret societies we see

187

00:07:37,550 --> 00:07:35,580

the same names and faces fast-tracked to

188

00:07:39,380 --> 00:07:37,560

wealth power and control while the rest

189

00:07:43,370 --> 00:07:39,390

of us are force-fed the American Dream

190

00:07:45,020 --> 00:07:43,380

like an overstuffed Christmas goose but

191

00:07:46,760 --> 00:07:45,030

on a show where we regularly flip

192

00:07:48,050 --> 00:07:46,770

through the rolodex of entity influence

193

00:07:49,460 --> 00:07:48,060

today we're going to narrow in on a

194

00:07:51,500 --> 00:07:49,470

slice of the pie where we don't often

195

00:07:53,480 --> 00:07:51,510

consider the role or possibilities of

196

00:08:01,440 --> 00:07:53,490

such manipulations and that's love in

197

00:08:09,070 --> 00:08:06,330

okay where would we be without THC I

198

00:08:12,730 --> 00:08:09,080

sung that song in my head of many times

199

00:08:15,610 --> 00:08:12,740

it's kind of a catchy song but so we've

200

00:08:19,120 --> 00:08:15,620

just laid out there I mean just an array

201  
00:08:21,370 --> 00:08:19,130  
of things that I think no doubt some

202  
00:08:22,900 --> 00:08:21,380  
people are going to find paradigm

203  
00:08:24,420 --> 00:08:22,910  
busting just in the way that you're

204  
00:08:29,110 --> 00:08:24,430  
talking about I mean we're talking about

205  
00:08:30,550 --> 00:08:29,120  
not only UFOs but then alien abduction

206  
00:08:33,070 --> 00:08:30,560  
which for me I never understand why the

207  
00:08:35,080 --> 00:08:33,080  
people why people can't make that step

208  
00:08:36,969 --> 00:08:35,090  
they go oh yeah well I believe that the

209  
00:08:39,490 --> 00:08:36,979  
UFOs are reality but alien abduction

210  
00:08:40,870 --> 00:08:39,500  
that could never happen it's like why is

211  
00:08:42,460 --> 00:08:40,880  
that such a leap but I mean the first

212  
00:08:44,980 --> 00:08:42,470  
one I get is elite but the second one

213  
00:08:47,170 --> 00:08:44,990

but then you even go to the to the mail

214

00:08:49,980 --> 00:08:47,180

app thing you know which is the military

215

00:08:53,170 --> 00:08:49,990

abduction of people the cooperation of

216

00:08:54,250 --> 00:08:53,180

government or military organizations and

217

00:08:56,860 --> 00:08:54,260

we don't really know what those are

218

00:08:58,930 --> 00:08:56,870

being somehow involved in this process -

219

00:09:00,610 --> 00:08:58,940

again that's just gonna be a moon shot

220

00:09:03,010 --> 00:09:00,620

to people but what I think is really

221

00:09:05,770 --> 00:09:03,020

interesting about in that compilation I

222

00:09:08,290 --> 00:09:05,780

did you always do also do some really

223

00:09:10,900 --> 00:09:08,300

down-to-earth if you will kind of pull

224

00:09:13,960 --> 00:09:10,910

the geopolitical stuff that is still

225

00:09:16,090 --> 00:09:13,970

pulling those same threads of the

226

00:09:18,190 --> 00:09:16,100

sweater as you said and I copied you and

227

00:09:21,430 --> 00:09:18,200

for example that was a lead-in to an

228

00:09:23,560 --> 00:09:21,440

interview you did with russ Baker hears

229

00:09:25,420 --> 00:09:23,570

I guess the question in that how do you

230

00:09:30,040 --> 00:09:25,430

balance those out to yourself and what

231

00:09:33,340 --> 00:09:30,050

what do you see as the the guiding force

232

00:09:35,920 --> 00:09:33,350

behind you know both dealing with the

233

00:09:38,080 --> 00:09:35,930

extreme stuff that's way out there that

234

00:09:40,120 --> 00:09:38,090

totally destroys all our paradigms and

235

00:09:42,580 --> 00:09:40,130

then also winding it back to you know

236

00:09:45,000 --> 00:09:42,590

why is Hillary doing this and where are

237

00:09:47,530 --> 00:09:45,010

the bushes playing out in that scenario

238

00:09:49,210 --> 00:09:47,540

well I think it was Jon Rappoport

239

00:09:51,340 --> 00:09:49,220

one time I interviewed him and he had

240

00:09:52,720 --> 00:09:51,350

said you know when you're looking at a

241

00:09:54,790 --> 00:09:52,730

lot of this stuff it just depends what

242

00:09:56,800 --> 00:09:54,800

level on the elevator you want to get

243

00:09:58,180 --> 00:09:56,810

off you know you can get really weird or

244

00:10:00,100 --> 00:09:58,190

you gonna be in the down-to-earth stuff

245

00:10:01,750 --> 00:10:00,110

and it doesn't mean one against the

246

00:10:04,480 --> 00:10:01,760

other you know both things can really be

247

00:10:06,759 --> 00:10:04,490

going on and I think I have a tendency

248

00:10:08,199 --> 00:10:06,769

to like get weirder and weirder

249

00:10:10,269 --> 00:10:08,209

and we're and then I'll get to a point

250

00:10:11,590 --> 00:10:10,279

where I'm like okay are we really

251  
00:10:13,720 --> 00:10:11,600  
learning anything here when we're

252  
00:10:17,169 --> 00:10:13,730  
talking about Spyder beans you know

253  
00:10:19,629 --> 00:10:17,179  
coming from Zeta Reticuli and the moon

254  
00:10:21,489 --> 00:10:19,639  
is a control center it's interesting

255  
00:10:24,220 --> 00:10:21,499  
it's an interesting paradigm I'll talk

256  
00:10:26,530 --> 00:10:24,230  
about but where you know what what can

257  
00:10:28,119 --> 00:10:26,540  
you do with that in your life and so now

258  
00:10:30,100 --> 00:10:28,129  
I'll be like okay let's get back to

259  
00:10:32,710 --> 00:10:30,110  
something more down-to-earth and then I

260  
00:10:34,900 --> 00:10:32,720  
would guess like Russ Baker or William

261  
00:10:37,239 --> 00:10:34,910  
Inge doll and we'll get more into the

262  
00:10:39,249 --> 00:10:37,249  
political side of things but I think

263  
00:10:41,229 --> 00:10:39,259

that's kind of what it is is I think it

264

00:10:44,919 --> 00:10:41,239

may be too far off and then I bring it

265

00:10:47,259 --> 00:10:44,929

back but I like having the show be a

266

00:10:49,449 --> 00:10:47,269

grab bag of stuff where there's an

267

00:10:51,069 --> 00:10:49,459

audience that appreciates you know what

268

00:10:54,249 --> 00:10:51,079

I do they're gonna trust me and I kind

269

00:10:56,799 --> 00:10:54,259

of consider myself a conspiracy talent

270

00:10:59,229 --> 00:10:56,809

scout like I scout out the researchers

271

00:11:02,619 --> 00:10:59,239

I'm like okay this guy he makes a good

272

00:11:04,090 --> 00:11:02,629

case for his position and have them on

273

00:11:06,189 --> 00:11:04,100

and let them do their thing and kind of

274

00:11:08,319 --> 00:11:06,199

want help walk them through their own

275

00:11:09,970 --> 00:11:08,329

research because it's often very dense

276

00:11:12,609 --> 00:11:09,980

it's where the intros come in you know

277

00:11:14,049 --> 00:11:12,619

you got to get it takes a lot to set up

278

00:11:17,199 --> 00:11:14,059

some of these people because it's such

279

00:11:19,239 --> 00:11:17,209

dense stuff and it's so off the radar

280

00:11:20,769 --> 00:11:19,249

that you really gotta frame it it takes

281

00:11:23,319 --> 00:11:20,779

a lot of framing to kind of be like okay

282

00:11:24,579 --> 00:11:23,329

this is where we're gonna go today we're

283

00:11:26,859 --> 00:11:24,589

getting off on this level of the

284

00:11:29,019 --> 00:11:26,869

elevator today well let's let's walk

285

00:11:31,539 --> 00:11:29,029

some let's walk people through some of

286

00:11:34,660 --> 00:11:31,549

that stuff because I think some of the

287

00:11:37,509 --> 00:11:34,670

listeners to this show are probably

288

00:11:38,799 --> 00:11:37,519

already off the elevator they've left as

289

00:11:40,689 --> 00:11:38,809

soon as that yeah they were like you

290

00:11:43,329 --> 00:11:40,699

know I'm out of there

291

00:11:44,919 --> 00:11:43,339

but because I keep pounding on these

292

00:11:46,720 --> 00:11:44,929

conspiracy theories because they seem to

293

00:11:49,659 --> 00:11:46,730

crop up everywhere and they seem to be

294

00:11:52,210 --> 00:11:49,669

for me they seem to be part of the

295

00:11:54,999 --> 00:11:52,220

personal transformation process they

296

00:11:57,939 --> 00:11:55,009

seem to be not just a countercultural

297

00:12:03,220 --> 00:11:57,949

let's go out in protest they seem to be

298

00:12:05,919 --> 00:12:03,230

part of what I need to be able to go

299

00:12:08,109 --> 00:12:05,929

forward with what is essentially a

300

00:12:10,689 --> 00:12:08,119

spiritual thing you know I was like Who

301

00:12:12,280 --> 00:12:10,699

am I why am I here is really spiritual

302

00:12:13,569 --> 00:12:12,290

questions we disguise them as science

303

00:12:16,720 --> 00:12:13,579

questions but they're really spiritual

304

00:12:18,609 --> 00:12:16,730

questions so if you start with 9/11

305

00:12:20,920 --> 00:12:18,619

right that was your starting point let's

306

00:12:23,829 --> 00:12:20,930

start there real briefly

307

00:12:28,410 --> 00:12:23,839

what are who are some of your favorite

308

00:12:32,410 --> 00:12:28,420

911 guests that really solidify your

309

00:12:34,510 --> 00:12:32,420

understanding that in simple terms 9/11

310

00:12:36,820 --> 00:12:34,520

was an inside job 9/11 was not what we

311

00:12:39,100 --> 00:12:36,830

think it was when it comes to guests to

312

00:12:41,260 --> 00:12:39,110

be honest that is one that by the time I

313

00:12:44,350 --> 00:12:41,270

was doing the show like I kind of had

314

00:12:45,610 --> 00:12:44,360

just accepted that and that's kind of I

315

00:12:47,470 --> 00:12:45,620

haven't really gone back and

316

00:12:49,600 --> 00:12:47,480

fundamentally gone I tell you what you

317

00:12:51,100 --> 00:12:49,610

did you did a great job I was just gonna

318

00:12:53,079 --> 00:12:51,110

say you did a great job with Judy would

319

00:12:55,210 --> 00:12:53,089

you did a great job with Judy would ya

320

00:12:57,610 --> 00:12:55,220

she has been the only one I think that

321

00:12:59,889 --> 00:12:57,620

has moved the needle further to into

322

00:13:02,740 --> 00:12:59,899

understanding what it could have been or

323

00:13:04,420 --> 00:13:02,750

if it wasn't a controlled demolition she

324

00:13:05,710 --> 00:13:04,430

seems to have I think really good

325

00:13:07,240 --> 00:13:05,720

evidence to suggest that it was

326

00:13:09,910 --> 00:13:07,250

something more than that she refers to

327

00:13:11,110 --> 00:13:09,920

it as a justification the thing that I

328

00:13:13,449 --> 00:13:11,120

thought was most interesting is the

329

00:13:15,310 --> 00:13:13,459

seismic data that she pulls up now I

330

00:13:17,350 --> 00:13:15,320

mean I haven't gone to the primary

331

00:13:19,600 --> 00:13:17,360

seismic data and made sure that hers is

332

00:13:21,639 --> 00:13:19,610

exactly right but taking her at her word

333

00:13:23,230 --> 00:13:21,649

and her book is like a textbook yeah I

334

00:13:26,860 --> 00:13:23,240

love it it's not flowery language

335

00:13:28,900 --> 00:13:26,870

whatsoever it's hard science yes you

336

00:13:32,170 --> 00:13:28,910

know the seismic data from that day does

337

00:13:34,390 --> 00:13:32,180

not show the impact of tons of steel

338

00:13:36,670 --> 00:13:34,400

hitting the ground and creating like

339

00:13:39,310 --> 00:13:36,680

vibrations it doesn't show that it just

340

00:13:42,850 --> 00:13:39,320

it basically shows nothing

341

00:13:45,610 --> 00:13:42,860

so her theory or her premise is like all

342

00:13:49,600 --> 00:13:45,620

this material did not collapse into the

343

00:13:51,430 --> 00:13:49,610

ground it kind of vaporized and she has

344

00:13:54,310 --> 00:13:51,440

pictures that show certain things like

345

00:13:56,260 --> 00:13:54,320

the spire shell frame-by-frame like it

346

00:13:57,790 --> 00:13:56,270

doesn't just topple over and this is

347

00:14:00,430 --> 00:13:57,800

something that wasn't touched by a plane

348

00:14:03,190 --> 00:14:00,440

it's a part of you know it's on the top

349

00:14:04,690 --> 00:14:03,200

of the tower it should remain stable all

350

00:14:06,760 --> 00:14:04,700

the way down until it hits the ground

351

00:14:10,269 --> 00:14:06,770

and like shatters or whatever but it

352

00:14:12,610 --> 00:14:10,279

kind of a it falls and mystifies and in

353

00:14:14,260 --> 00:14:12,620

the air and so you look at that stuff

354

00:14:16,150 --> 00:14:14,270

you're like well you got to come up with

355

00:14:17,980 --> 00:14:16,160

some kind of answer why isn't there a

356

00:14:19,720 --> 00:14:17,990

giant impact you know she talks about

357

00:14:21,519 --> 00:14:19,730

something called the bathtub which is

358

00:14:24,150 --> 00:14:21,529

you know the twin towers are built down

359

00:14:26,829 --> 00:14:24,160

into the ground and there's this cement

360

00:14:28,810 --> 00:14:26,839

bathtub like structure that keeps the

361

00:14:31,750 --> 00:14:28,820

water you know from coming in because

362

00:14:33,670 --> 00:14:31,760

it's right there on the coast and why

363

00:14:34,210 --> 00:14:33,680

didn't that fall apart and why wasn't

364

00:14:37,390 --> 00:14:34,220

Manhattan

365

00:14:39,790 --> 00:14:37,400

swatted well there wasn't an impact and

366

00:14:41,800 --> 00:14:39,800

so that's some information that you have

367

00:14:44,440 --> 00:14:41,810

to kind of come up with an answer for

368

00:14:47,020 --> 00:14:44,450

she thinks it's exotic free energy type

369

00:14:49,600 --> 00:14:47,030

technology that just breaks things apart

370

00:14:51,970 --> 00:14:49,610

at a molecular level and I think there

371

00:14:53,950 --> 00:14:51,980

might be a case for that yeah you know

372

00:14:56,530 --> 00:14:53,960

the other thing that I thought was just

373

00:14:57,970 --> 00:14:56,540

really interesting about the interview

374

00:15:00,130 --> 00:14:57,980

you did and then we'll move on but when

375

00:15:01,930 --> 00:15:00,140

she talks about the people who are

376

00:15:04,750 --> 00:15:01,940

actually walking down one of the

377

00:15:08,860 --> 00:15:04,760

stairwells and they look up and there's

378

00:15:12,220 --> 00:15:08,870

blue sky so whatever was above them and

379

00:15:14,110 --> 00:15:12,230

this is like you know a large number of

380

00:15:15,700 --> 00:15:14,120

people who were together and we could

381

00:15:17,350 --> 00:15:15,710

verify that they were there on the scene

382

00:15:19,300 --> 00:15:17,360

and they're saying yeah this is what

383

00:15:21,250 --> 00:15:19,310

happening how do you get around that you

384

00:15:22,900 --> 00:15:21,260

know about the jumpers too like that's a

385

00:15:24,970 --> 00:15:22,910

little bit more but she talks about the

386

00:15:27,190 --> 00:15:24,980

jumpers and that was something that

387

00:15:29,500 --> 00:15:27,200

didn't really seem right to me either

388

00:15:32,410 --> 00:15:29,510

I'm like I understand that a plane hit

389

00:15:34,570 --> 00:15:32,420

the building but you know unless you're

390

00:15:37,780 --> 00:15:34,580

right there on that level why do you

391

00:15:39,160 --> 00:15:37,790

need to jump out you know people can say

392

00:15:41,860 --> 00:15:39,170

oh come on you know it's filling with

393

00:15:43,840 --> 00:15:41,870

smoke it's hot but with her paradigm

394

00:15:47,020 --> 00:15:43,850

that this is more of like some type of

395

00:15:50,290 --> 00:15:47,030

microwave technology some type of you

396

00:15:53,260 --> 00:15:50,300

know crossing of frequency waves it's

397

00:15:54,670 --> 00:15:53,270

like the people are jumping because

398

00:15:57,280 --> 00:15:54,680

they're like cooking when they're in

399

00:16:00,690 --> 00:15:57,290

this you know this net of these two

400

00:16:04,090 --> 00:16:00,700

crossing frequencies and that to me

401  
00:16:05,980 --> 00:16:04,100  
obvious is dark but it made a lot more

402  
00:16:08,470 --> 00:16:05,990  
sense to see these people jumping out

403  
00:16:10,720 --> 00:16:08,480  
and I don't know you know some people

404  
00:16:12,670 --> 00:16:10,730  
are gonna be like that's too far or

405  
00:16:15,850 --> 00:16:12,680  
that's not necessarily super scientific

406  
00:16:17,290 --> 00:16:15,860  
but it didn't seem right to me that

407  
00:16:18,970 --> 00:16:17,300  
people would be jumping out and I can't

408  
00:16:20,950 --> 00:16:18,980  
you wait a little longer to potentially

409  
00:16:24,190 --> 00:16:20,960  
get rescued or can't you climb down a

410  
00:16:25,810 --> 00:16:24,200  
little more you know you only look once

411  
00:16:28,180 --> 00:16:25,820  
you know this things must be pretty bad

412  
00:16:30,670 --> 00:16:28,190  
if you're going to jump 100 stories and

413  
00:16:32,940 --> 00:16:30,680

I think the idea that they were getting

414

00:16:34,870 --> 00:16:32,950

cooked with some exotic technology

415

00:16:36,640 --> 00:16:34,880

paired with all this other information

416

00:16:38,770 --> 00:16:36,650

that she throws out there

417

00:16:41,170 --> 00:16:38,780

I think it's anecdotal but it kind of

418

00:16:43,060 --> 00:16:41,180

made a little more sense what I think it

419

00:16:44,290 --> 00:16:43,070

should really give people a sense for if

420

00:16:46,660 --> 00:16:44,300

they listened to that interview on

421

00:16:48,240 --> 00:16:46,670

higher side chats is that you're not

422

00:16:50,500 --> 00:16:48,250

afraid to go

423

00:16:53,860 --> 00:16:50,510

super-scientific I mean if there's

424

00:16:55,980 --> 00:16:53,870

anything about Judy would she puts

425

00:16:58,570 --> 00:16:55,990

people off because she's so kind of

426

00:17:00,820 --> 00:16:58,580

confrontational about the science

427

00:17:04,360 --> 00:17:00,830

because she is a scientist she knows her

428

00:17:06,850 --> 00:17:04,370

stuff and she doesn't like people who

429

00:17:09,429 --> 00:17:06,860

don't know their stuff you know like her

430

00:17:11,319 --> 00:17:09,439

lecturing people on reasoning you know

431

00:17:13,059 --> 00:17:11,329

your reasoning skills are not good and

432

00:17:14,169 --> 00:17:13,069

you really kind of were able to kind of

433

00:17:16,059 --> 00:17:14,179

hold your ground there because I think

434

00:17:18,340 --> 00:17:16,069

you do have this pretty deep knowledge

435

00:17:21,100 --> 00:17:18,350

about the subject and I felt the same

436

00:17:24,309 --> 00:17:21,110

way about when you talk about Russ Baker

437

00:17:28,750 --> 00:17:24,319

about the bushes but the the difference

438

00:17:31,720 --> 00:17:28,760

there I think is that 9/11 contains

439

00:17:33,790 --> 00:17:31,730

itself pretty well you know something

440

00:17:36,280 --> 00:17:33,800

happened to these buildings and there

441

00:17:38,560 --> 00:17:36,290

was a reason for it and even if you go

442

00:17:40,240 --> 00:17:38,570

down the conspiratorial path like you

443

00:17:44,919 --> 00:17:40,250

and I do in a way that seems obvious

444

00:17:46,780 --> 00:17:44,929

that hey this was the event that started

445

00:17:48,040 --> 00:17:46,790

the war on terror and why the hell

446

00:17:50,470 --> 00:17:48,050

wouldn't you want a war on terror it's

447

00:17:51,370 --> 00:17:50,480

the best damn war and the way you could

448

00:17:53,380 --> 00:17:51,380

ever imagine

449

00:17:56,260 --> 00:17:53,390

unlimited budget who is unafraid of

450

00:17:58,990 --> 00:17:56,270

terror and unlimited end time it ends

451  
00:18:01,540 --> 00:17:59,000  
when we say it ends you know we can get

452  
00:18:04,030 --> 00:18:01,550  
that script what I found interesting

453  
00:18:07,840 --> 00:18:04,040  
about where you went with the bush

454  
00:18:11,680 --> 00:18:07,850  
interview with russ Baker is that it

455  
00:18:14,620 --> 00:18:11,690  
gets in a lot of ways a lot deeper and

456  
00:18:17,500 --> 00:18:14,630  
into some of the spiritual kind of

457  
00:18:21,159 --> 00:18:17,510  
what's going on on another level blood

458  
00:18:23,490 --> 00:18:21,169  
line thing and all of that stuff tell me

459  
00:18:26,169 --> 00:18:23,500  
what you took away from your

460  
00:18:29,409 --> 00:18:26,179  
investigation into the Bush family and

461  
00:18:32,350 --> 00:18:29,419  
into the russ Baker thing and almost all

462  
00:18:34,930 --> 00:18:32,360  
that stuff well what I thought was great

463  
00:18:37,120 --> 00:18:34,940

about Russ Baker is he wanted some

464

00:18:41,350 --> 00:18:37,130

answers to you know how did george w

465

00:18:43,930 --> 00:18:41,360

bush become president and he basically

466

00:18:48,190 --> 00:18:43,940

started researching the bush dynasty the

467

00:18:49,930 --> 00:18:48,200

Bush family and he really equates most

468

00:18:51,790 --> 00:18:49,940

of their success to what he just calls

469

00:18:54,400 --> 00:18:51,800

networking you know a really good

470

00:18:57,880 --> 00:18:54,410

efficient networking doing business in

471

00:19:00,100 --> 00:18:57,890

Texas right which starts really I mean

472

00:19:00,460 --> 00:19:00,110

they weren't skullenbones that's what

473

00:19:02,860 --> 00:19:00,470

that

474

00:19:04,330 --> 00:19:02,870

is kind of made for and I thought one

475

00:19:05,529 --> 00:19:04,340

point that he made that was really good

476

00:19:07,180 --> 00:19:05,539

is when you start bringing up these

477

00:19:08,890 --> 00:19:07,190

connections like skull and bones people

478

00:19:10,390 --> 00:19:08,900

roll their eyes and I don't want to go

479

00:19:13,149 --> 00:19:10,400

there and they think it's not serious

480

00:19:14,049 --> 00:19:13,159

but it's serious to the bushes or they

481

00:19:16,450 --> 00:19:14,059

wouldn't have done it

482

00:19:19,480 --> 00:19:16,460

these are very serious people and they

483

00:19:23,110 --> 00:19:19,490

have a tendency to gravitate towards

484

00:19:24,789 --> 00:19:23,120

Bohemian Grove Club the you know Skull

485

00:19:27,100 --> 00:19:24,799

and Bones Freemasonry these

486

00:19:29,350 --> 00:19:27,110

organizations that if you bring up those

487

00:19:31,210 --> 00:19:29,360

connections you're the crazy conspiracy

488

00:19:34,120 --> 00:19:31,220

person but it's a it's a fact it's not

489

00:19:36,580 --> 00:19:34,130

conjecture they really were involved you

490

00:19:38,890 --> 00:19:36,590

know the aspect of that that I think is

491

00:19:42,159 --> 00:19:38,900

interesting is the black male aspect you

492

00:19:46,270 --> 00:19:42,169

know like if you're if you went to

493

00:19:48,010 --> 00:19:46,280

Schoen bones in college and you're

494

00:19:49,960 --> 00:19:48,020

meeting all these prominent people that

495

00:19:52,630 --> 00:19:49,970

are also in the organization and then

496

00:19:55,270 --> 00:19:52,640

you go on to you know eventually become

497

00:19:57,909 --> 00:19:55,280

president if the rumors are true about

498

00:20:00,370 --> 00:19:57,919

things like the rituals and Skull and

499

00:20:02,620 --> 00:20:00,380

Bones there's a guy out there who has a

500

00:20:04,419 --> 00:20:02,630

video of you jacking off in a coffin and

501  
00:20:06,510 --> 00:20:04,429  
crying about your worst sins and you

502  
00:20:10,210 --> 00:20:06,520  
don't want that out there so this guy

503  
00:20:12,399 --> 00:20:10,220  
has you from the age of 20 all the way

504  
00:20:15,039 --> 00:20:12,409  
to wherever you end up in the line I

505  
00:20:19,299 --> 00:20:15,049  
think that's interesting but the bushes

506  
00:20:20,919 --> 00:20:19,309  
I mean they obviously they go back what

507  
00:20:21,940 --> 00:20:20,929  
he brought up as they go back to the

508  
00:20:24,340 --> 00:20:21,950  
Civil War

509  
00:20:28,180 --> 00:20:24,350  
we're selling fake munitions and stuff

510  
00:20:31,720 --> 00:20:28,190  
like that one number of them what in the

511  
00:20:34,930 --> 00:20:31,730  
old days was a victim of the Salem witch

512  
00:20:37,210 --> 00:20:34,940  
trials like he got burned as a witch I

513  
00:20:39,190 --> 00:20:37,220

thought that was interesting them the

514

00:20:40,960 --> 00:20:39,200

Gog and Magog stuff I don't know if

515

00:20:42,310 --> 00:20:40,970

you're familiar with that necessarily if

516

00:20:45,430 --> 00:20:42,320

we went into it too deep in the

517

00:20:49,000 --> 00:20:45,440

interview but Magog is something from

518

00:20:52,930 --> 00:20:49,010

the Sumerian text and that was George W

519

00:20:55,570 --> 00:20:52,940

R George poppy bush George seniors name

520

00:20:58,659 --> 00:20:55,580

in the skullenbones so that gets into

521

00:21:00,520 --> 00:20:58,669

light manifesting these biblical

522

00:21:03,310 --> 00:21:00,530

prophecies which seems to be a big part

523

00:21:04,930 --> 00:21:03,320

of what some conspiracy theorists think

524

00:21:07,659 --> 00:21:04,940

that these guys are doing is they're

525

00:21:09,190 --> 00:21:07,669

trying to force these things were

526

00:21:12,180 --> 00:21:09,200

written out a long time ago they want to

527

00:21:14,310 --> 00:21:12,190

make it happen I don't know why the the

528

00:21:16,320 --> 00:21:14,320

the Christian conspiracy theorists who

529

00:21:18,269 --> 00:21:16,330

think to chalk it all up to Satanism

530

00:21:20,039 --> 00:21:18,279

that's not really my bag I think that's

531

00:21:22,139 --> 00:21:20,049

a simplistic ropey but you can't deny

532

00:21:24,720 --> 00:21:22,149

that they're doing something again

533

00:21:25,830 --> 00:21:24,730

taking something very serious that if

534

00:21:27,990 --> 00:21:25,840

you bring it up in the mainstream

535

00:21:30,060 --> 00:21:28,000

they'll roll their eyes about it but

536

00:21:32,549 --> 00:21:30,070

they take these ancient things seriously

537

00:21:35,639 --> 00:21:32,559

and you know there's researchers who go

538

00:21:38,999 --> 00:21:35,649

deep into 9/11 that it was ritualized

539

00:21:42,090 --> 00:21:39,009

to basically be a paradigm changer and

540

00:21:44,909 --> 00:21:42,100

we this post 9/11 world I mean I don't

541

00:21:46,169 --> 00:21:44,919

see us ever being in a post post 9/11

542

00:21:48,629 --> 00:21:46,179

world you know like things definitely

543

00:21:50,789 --> 00:21:48,639

changed then and when am I gonna get to

544

00:21:52,740 --> 00:21:50,799

wear shoes through the airports you know

545

00:21:54,619 --> 00:21:52,750

when are we ever gonna be done with this

546

00:21:57,899 --> 00:21:54,629

like you said it's the neverending story

547

00:21:59,820 --> 00:21:57,909

well you know you just covered some

548

00:22:01,259 --> 00:21:59,830

ground there that I thought was really

549

00:22:02,820 --> 00:22:01,269

great and exactly what I wanted to kind

550

00:22:06,289 --> 00:22:02,830

of hone in on because what you'd point

551

00:22:09,119 --> 00:22:06,299

out there is that if you take the bush

552

00:22:14,070 --> 00:22:09,129

conspiracy at just kind of the surface

553

00:22:17,100 --> 00:22:14,080

level like Poppy's dad was a Nazi a

554

00:22:18,779 --> 00:22:17,110

friend of the Nazis Nazi banker I'm

555

00:22:20,730 --> 00:22:18,789

that's just proven I mean you just go

556

00:22:23,580 --> 00:22:20,740

looking and see the damn documents the

557

00:22:25,710 --> 00:22:23,590

only guy who has ever charged in that

558

00:22:27,480 --> 00:22:25,720

way you know that's really easy to kind

559

00:22:30,810 --> 00:22:27,490

of put your finger on and the Skull and

560

00:22:33,389 --> 00:22:30,820

Bones thing is equally out there kind of

561

00:22:35,730 --> 00:22:33,399

thing where I think you're able to go

562

00:22:38,610 --> 00:22:35,740

that I don't see other people able to go

563

00:22:41,850 --> 00:22:38,620

is like you cross-reference that with

564

00:22:43,980 --> 00:22:41,860

some of the UFO stuff and the abduction

565

00:22:47,389 --> 00:22:43,990

stuff and in particular the mill lab

566

00:22:50,009 --> 00:22:47,399

stuff military abductions again of UFOs

567

00:22:53,159 --> 00:22:50,019

damn it if it doesn't start popping up

568

00:22:57,990 --> 00:22:53,169

again this idea of bloodlines seem to

569

00:23:01,409 --> 00:22:58,000

matter this idea of life commitments or

570

00:23:03,779 --> 00:23:01,419

life pledges or selling your soul to use

571

00:23:06,570 --> 00:23:03,789

the term seems to crop up and we don't

572

00:23:09,690 --> 00:23:06,580

have to say we know what it is but here

573

00:23:12,360 --> 00:23:09,700

are these people that are like you just

574

00:23:14,759 --> 00:23:12,370

said they believe it's real they're

575

00:23:17,100 --> 00:23:14,769

playing that game and some of them are

576

00:23:19,259 --> 00:23:17,110

in some very strange places like in the

577

00:23:22,490 --> 00:23:19,269

deepest bowels of military intelligence

578

00:23:25,440 --> 00:23:22,500

who are keeping secret abducting people

579

00:23:27,660 --> 00:23:25,450

for purposes of

580

00:23:30,330 --> 00:23:27,670

some kind of alien contact right and

581

00:23:33,060 --> 00:23:30,340

that's what got me into magic initial is

582

00:23:36,240 --> 00:23:33,070

I thought magic was a little out there I

583

00:23:39,120 --> 00:23:36,250

didn't know if there was much to you

584

00:23:41,370 --> 00:23:39,130

know he's so Terrell's and and that kind

585

00:23:43,860 --> 00:23:41,380

of thing but you know you look at the

586

00:23:45,630 --> 00:23:43,870

elite and they clearly pay attention to

587

00:23:48,240 --> 00:23:45,640

it they clearly think it's important

588

00:23:50,580 --> 00:23:48,250

what are we playing for here what are

589

00:23:53,940 --> 00:23:50,590

you playing for what is the ultimate end

590

00:23:56,280 --> 00:23:53,950

game for you in terms of the higher side

591

00:23:58,440 --> 00:23:56,290

chats because I get frustrated sometimes

592

00:24:00,390 --> 00:23:58,450

like when I talk to somebody like that

593

00:24:02,070 --> 00:24:00,400

James Corbett and we both talk to him I

594

00:24:03,750 --> 00:24:02,080

have a lot of respect for James

595

00:24:05,180 --> 00:24:03,760

unbelievable respect for what he does

596

00:24:08,220 --> 00:24:05,190

the amount of information he puts out

597

00:24:10,680 --> 00:24:08,230

but when we talk to you know you push

598

00:24:13,080 --> 00:24:10,690

him on the end game and it's like well

599

00:24:15,270 --> 00:24:13,090

it's gonna be volunteerism and we're all

600

00:24:17,370 --> 00:24:15,280

gonna you know kind of anarchy is kind

601  
00:24:19,470 --> 00:24:17,380  
of okay and I get that anarchy is is

602  
00:24:23,250 --> 00:24:19,480  
really a misunderstood word and it

603  
00:24:25,740 --> 00:24:23,260  
really just means of self responsibility

604  
00:24:30,120 --> 00:24:25,750  
more than anything else but doesn't it

605  
00:24:32,910 --> 00:24:30,130  
come down to something like a majority

606  
00:24:37,650 --> 00:24:32,920  
rule something like a democratic process

607  
00:24:39,210 --> 00:24:37,660  
and in that sense I worry about what

608  
00:24:41,790 --> 00:24:39,220  
you're advocating and what I'm

609  
00:24:44,430 --> 00:24:41,800  
advocating because we're gonna have a

610  
00:24:47,280 --> 00:24:44,440  
hard damn time finding a majority you

611  
00:24:50,040 --> 00:24:47,290  
know what is the endgame in this is it

612  
00:24:54,120 --> 00:24:50,050  
political or is it kind of a cultural

613  
00:24:55,560 --> 00:24:54,130

transformation kind of well I mean my my

614

00:24:57,060 --> 00:24:55,570

end game with the show or what I'm

615

00:24:59,910 --> 00:24:57,070

trying to do with the show is just to

616

00:25:02,790 --> 00:24:59,920

get people to entertain radical ideas

617

00:25:03,690 --> 00:25:02,800

because I felt relatively isolated in

618

00:25:06,030 --> 00:25:03,700

the Midwest

619

00:25:08,520 --> 00:25:06,040

going over a lot of these ideas you know

620

00:25:10,590 --> 00:25:08,530

split friendships I had for a decade

621

00:25:12,500 --> 00:25:10,600

because they couldn't bear to look at it

622

00:25:15,090 --> 00:25:12,510

so I was like let's present this stuff

623

00:25:17,700 --> 00:25:15,100

you know it's build basically a digital

624

00:25:19,290 --> 00:25:17,710

stage put these researchers on it in a

625

00:25:21,780 --> 00:25:19,300

way that's not interrupted by a bunch of

626  
00:25:25,160 --> 00:25:21,790  
commercials or you know George Norris

627  
00:25:27,330 --> 00:25:25,170  
conservative religious viewpoints and I

628  
00:25:30,900 --> 00:25:27,340  
like getting people to entertain that

629  
00:25:32,040 --> 00:25:30,910  
stuff but the end game really I I don't

630  
00:25:33,960 --> 00:25:32,050  
know I used to think it was to change

631  
00:25:34,700 --> 00:25:33,970  
the world I used to think that oh we're

632  
00:25:36,470 --> 00:25:34,710  
gonna just

633  
00:25:37,789 --> 00:25:36,480  
we get everybody thinking like this then

634  
00:25:39,049 --> 00:25:37,799  
we're gonna lead the charge and

635  
00:25:40,519 --> 00:25:39,059  
everything we're gonna we're gonna

636  
00:25:43,760 --> 00:25:40,529  
overtake it and everything's gonna be

637  
00:25:46,850 --> 00:25:43,770  
fine but it was Gordon white in his most

638  
00:25:49,789 --> 00:25:46,860

recent pieces of a he has a line about

639

00:25:53,600 --> 00:25:49,799

the magician's goal is not necessarily

640

00:25:56,600 --> 00:25:53,610

to change the system because you know

641

00:25:57,980 --> 00:25:56,610

the old authority is the same as the new

642

00:25:59,840 --> 00:25:57,990

authority you know it's just a change in

643

00:26:02,330 --> 00:25:59,850

a face you're never gonna get out of

644

00:26:04,159 --> 00:26:02,340

that because there's a if you remove

645

00:26:06,260 --> 00:26:04,169

power then there's a power vacuum and

646

00:26:08,029 --> 00:26:06,270

somebody's going to get into it so it

647

00:26:11,930 --> 00:26:08,039

might be kind of fruitless to try to

648

00:26:13,789 --> 00:26:11,940

really change the system because even

649

00:26:15,889 --> 00:26:13,799

you'll recognize that alternative

650

00:26:17,690 --> 00:26:15,899

movements get infiltrated almost right

651  
00:26:19,639 --> 00:26:17,700  
away if they're not funded from the

652  
00:26:22,460 --> 00:26:19,649  
beginning but they're infiltrated so

653  
00:26:23,930 --> 00:26:22,470  
quickly so good luck actually changing

654  
00:26:25,789 --> 00:26:23,940  
the system because by the time you get

655  
00:26:27,320 --> 00:26:25,799  
to the point where you know you're

656  
00:26:29,330 --> 00:26:27,330  
actually a threat to the system you're

657  
00:26:30,500 --> 00:26:29,340  
already gonna be a part of it examples

658  
00:26:32,000 --> 00:26:30,510  
throw out some examples there because

659  
00:26:34,760 --> 00:26:32,010  
that you're totally right but sometimes

660  
00:26:37,100 --> 00:26:34,770  
when when people in your position say

661  
00:26:39,080 --> 00:26:37,110  
that people like what do you mean and I

662  
00:26:40,399 --> 00:26:39,090  
mean I'll just throw out one that comes

663  
00:26:41,510 --> 00:26:40,409

to mind and then you can jump on it with

664

00:26:43,190 --> 00:26:41,520

a bunch of others but I remember hearing

665

00:26:44,630 --> 00:26:43,200

this interview not too long ago with

666

00:26:47,360 --> 00:26:44,640

Timothy Leary and this is an interview

667

00:26:49,070 --> 00:26:47,370

he did back like a couple years right

668

00:26:50,539 --> 00:26:49,080

after he got out of jail so what would

669

00:26:52,279 --> 00:26:50,549

have been like in the 70s and he goes

670

00:26:53,659 --> 00:26:52,289

you know I was like hey you know one

671

00:26:58,000 --> 00:26:53,669

thing I didn't realize until much later

672

00:27:00,200 --> 00:26:58,010

is we had been infiltrated and co-opted

673

00:27:02,029 --> 00:27:00,210

within a very short period of time

674

00:27:04,580 --> 00:27:02,039

exactly what you're saying so here's

675

00:27:07,070 --> 00:27:04,590

Timothy Leary counterculture you know

676

00:27:09,680 --> 00:27:07,080

tune in drop out through the day all

677

00:27:11,840 --> 00:27:09,690

that and infiltrate it and now in

678

00:27:14,029 --> 00:27:11,850

retrospect he sees it and I think you

679

00:27:15,440 --> 00:27:14,039

know that there's many examples of that

680

00:27:17,630 --> 00:27:15,450

you've run across where people think oh

681

00:27:19,279 --> 00:27:17,640

no we couldn't be infiltrated and now

682

00:27:22,669 --> 00:27:19,289

you look and it's like of course they've

683

00:27:26,810 --> 00:27:22,679

been co-opted what she thinks that half

684

00:27:29,060 --> 00:27:26,820

the 9/11 movement is the truth movement

685

00:27:31,549 --> 00:27:29,070

you know she thinks is infiltrated and

686

00:27:34,930 --> 00:27:31,559

it's meant to steer people away from her

687

00:27:37,070 --> 00:27:34,940

research and know she'll say things like

688

00:27:38,810 --> 00:27:37,080

they're out there calling for a new

689

00:27:40,519 --> 00:27:38,820

investigation well here's the

690

00:27:42,230 --> 00:27:40,529

investigation you know we don't need a

691

00:27:43,190 --> 00:27:42,240

new investigation we need to look at the

692

00:27:45,289 --> 00:27:43,200

evidence of the one

693

00:27:47,110 --> 00:27:45,299

have been done so in a way it's like the

694

00:27:49,310 --> 00:27:47,120

cycle that will never let never end

695

00:27:50,690 --> 00:27:49,320

because they're calling for like the

696

00:27:54,409 --> 00:27:50,700

wrong conclusion or a different

697

00:27:57,169 --> 00:27:54,419

conclusion so I think that I mean in my

698

00:27:59,360 --> 00:27:57,179

life I would say occupy I actually

699

00:28:01,159 --> 00:27:59,370

really liked the Occupy movement I was

700

00:28:13,610 --> 00:28:01,169

down there I was staying in a tent

701  
00:28:16,310 --> 00:28:13,620  
downtown oh no you can't trust your

702  
00:28:18,470 --> 00:28:16,320  
experience you don't really know what's

703  
00:28:21,289 --> 00:28:18,480  
happening to you you're like no I think

704  
00:28:22,909 --> 00:28:21,299  
I know what's happening to me but that's

705  
00:28:26,840 --> 00:28:22,919  
what that's part of the scientific

706  
00:28:28,940 --> 00:28:26,850  
overlay is until we've ordained it Oh

707  
00:28:31,190 --> 00:28:28,950  
none of your experiences really matter

708  
00:28:33,200 --> 00:28:31,200  
and and I do think you're you're so

709  
00:28:34,639 --> 00:28:33,210  
right I think that is one of the really

710  
00:28:37,159 --> 00:28:34,649  
positive things that has come out of

711  
00:28:40,250 --> 00:28:37,169  
this psychedelic movement and all the

712  
00:28:42,110 --> 00:28:40,260  
ethnic ins is that you can't [h\_\_h]

713  
00:28:44,480 --> 00:28:42,120

those people they're like you know blah

714

00:28:47,169 --> 00:28:44,490

blah blah I don't care I know I was

715

00:28:50,210 --> 00:28:47,179

there and I think I'm just more

716

00:28:52,490 --> 00:28:50,220

immediate level at what I always say is

717

00:28:55,220 --> 00:28:52,500

you know is there a voice inside your

718

00:28:57,320 --> 00:28:55,230

head and when you ask that question you

719

00:28:59,930 --> 00:28:57,330

get an answer inside your head and

720

00:29:02,389 --> 00:28:59,940

whether the answer is yes or no who the

721

00:29:05,269 --> 00:29:02,399

hell is answering it there was something

722

00:29:07,669 --> 00:29:05,279

there and you know I think what you're

723

00:29:10,970 --> 00:29:07,679

doing is just jump starting that

724

00:29:13,370 --> 00:29:10,980

conversation with that other aspect of

725

00:29:16,120 --> 00:29:13,380

yourself so that's cool so where where

726

00:29:20,000 --> 00:29:16,130

might that take you how are you

727

00:29:21,440 --> 00:29:20,010

synthesizing that into some of the top

728

00:29:22,940 --> 00:29:21,450

because you've covered about if you

729

00:29:25,070 --> 00:29:22,950

cover and I think you've already laid

730

00:29:27,500 --> 00:29:25,080

out some of that groundwork but one of

731

00:29:29,539 --> 00:29:27,510

the things that intrigues me is if there

732

00:29:31,639 --> 00:29:29,549

are these other entities and some of

733

00:29:34,730 --> 00:29:31,649

these eminent entities are malevolent

734

00:29:36,710 --> 00:29:34,740

there's evil out there and anyone who

735

00:29:40,299 --> 00:29:36,720

doesn't think there's evil out there I

736

00:29:44,180 --> 00:29:40,309

mean you know there's people who abduct

737

00:29:47,029 --> 00:29:44,190

little kids and use them for these

738

00:29:48,440 --> 00:29:47,039

horrible sexual purposes and lo and

739

00:29:50,810 --> 00:29:48,450

behold we've come out some of those

740

00:29:52,310 --> 00:29:50,820

people are in the White House and in the

741

00:29:54,529 --> 00:29:52,320

highest government if you don't believe

742

00:29:56,540 --> 00:29:54,539

that look up the Franklin affair and

743

00:30:00,230 --> 00:29:56,550

look up some other stuff that is just

744

00:30:01,510 --> 00:30:00,240

a supremely tightly documented you know

745

00:30:04,730 --> 00:30:01,520

we're the people who wanted I never

746

00:30:06,710 --> 00:30:04,740

wanted to believe this I wish I didn't

747

00:30:09,320 --> 00:30:06,720

encounter it but this is the truth but

748

00:30:11,990 --> 00:30:09,330

anyways isn't that kind of chilling that

749

00:30:15,560 --> 00:30:12,000

there is this evil in this extended

750

00:30:17,600 --> 00:30:15,570

consciousness realm as well so then that

751

00:30:20,240 --> 00:30:17,610

suggests that there is this higher

752

00:30:21,290 --> 00:30:20,250

battle that were kind of engaged in what

753

00:30:22,790 --> 00:30:21,300

do you make of all that

754

00:30:24,380 --> 00:30:22,800

there definitely might be spiritual

755

00:30:26,930 --> 00:30:24,390

puppet masters it gets into the peer

756

00:30:28,160 --> 00:30:26,940

levante stuff the sinister forces as you

757

00:30:30,980 --> 00:30:28,170

refers to it

758

00:30:34,370 --> 00:30:30,990

I really like that idea the idea that

759

00:30:37,010 --> 00:30:34,380

not only are we messing with physical

760

00:30:38,980 --> 00:30:37,020

human elite but we are also dealing with

761

00:30:42,440 --> 00:30:38,990

something on a higher plane or another

762

00:30:44,540 --> 00:30:42,450

dimension another sliver of this reality

763

00:30:48,440 --> 00:30:44,550

that we don't necessarily see that also

764

00:30:50,930 --> 00:30:48,450

has great influence I mean who knows how

765

00:30:52,670 --> 00:30:50,940

do you know why you do what you do you

766

00:30:55,310 --> 00:30:52,680

know on a daily basis when you have an

767

00:30:57,170 --> 00:30:55,320

inkling to go do something did that come

768

00:30:58,760 --> 00:30:57,180

from you or did that come from somewhere

769

00:31:01,310 --> 00:30:58,770

else did somebody put that in your head

770

00:31:02,750 --> 00:31:01,320

are your thoughts your own and that's

771

00:31:04,130 --> 00:31:02,760

where it gets into the idea that it's

772

00:31:06,380 --> 00:31:04,140

very important to get into meditation

773

00:31:09,710 --> 00:31:06,390

it's very important to get into these uh

774

00:31:12,020 --> 00:31:09,720

these spiritual practices that make you

775

00:31:15,290 --> 00:31:12,030

stronger minded so that you can actually

776

00:31:17,030 --> 00:31:15,300

identify your own thoughts from other

777

00:31:20,330 --> 00:31:17,040

thoughts and that gets back to Gordon

778

00:31:22,760 --> 00:31:20,340

like he is really opened my eyes to the

779

00:31:25,700 --> 00:31:22,770

idea of spiritual influence not just in

780

00:31:27,560 --> 00:31:25,710

the sense that you know George Bush

781

00:31:28,700 --> 00:31:27,570

might be doing some weird rituals with

782

00:31:30,710 --> 00:31:28,710

skullenbones and they might be

783

00:31:33,020 --> 00:31:30,720

contacting some entity that gives them

784

00:31:34,340 --> 00:31:33,030

ideas because I used I definitely think

785

00:31:35,990 --> 00:31:34,350

that kind of stuff happens I think

786

00:31:37,670 --> 00:31:36,000

that's why they have rituals is because

787

00:31:39,650 --> 00:31:37,680

they're tapping into something but I

788

00:31:41,690 --> 00:31:39,660

used to put it way out there and say

789

00:31:43,370 --> 00:31:41,700

well little old me isn't gonna have

790

00:31:44,870 --> 00:31:43,380

those kind of experiences little old me

791

00:31:47,420 --> 00:31:44,880

isn't being influenced by these things

792

00:31:49,730 --> 00:31:47,430

but any artist knows the concept of the

793

00:31:51,650 --> 00:31:49,740

muse you know that is a spiritual

794

00:31:53,630 --> 00:31:51,660

influence giving you information I used

795

00:31:55,010 --> 00:31:53,640

to want to be a stand-up comic and any

796

00:31:57,080 --> 00:31:55,020

good comic knows when they get on our

797

00:31:58,760 --> 00:31:57,090

roll they'll all say doesn't feel like

798

00:32:01,010 --> 00:31:58,770

it's coming from me it's coming through

799

00:32:03,020 --> 00:32:01,020

me but it's coming from somewhere else

800

00:32:04,180 --> 00:32:03,030

and they're tapping it into a third

801  
00:32:06,680 --> 00:32:04,190  
wavelength where they're getting

802  
00:32:07,910 --> 00:32:06,690  
creative inspiration on-the-fly that's

803  
00:32:09,920 --> 00:32:07,920  
coming out and they like man how did I

804  
00:32:11,240 --> 00:32:09,930  
come up with that yeah how did you come

805  
00:32:12,530 --> 00:32:11,250  
up with that you know give that some

806  
00:32:13,250 --> 00:32:12,540  
thought because maybe it came from

807  
00:32:15,530 --> 00:32:13,260  
somewhere else

808  
00:32:18,350 --> 00:32:15,540  
so you know the muse isn't necessarily

809  
00:32:21,680 --> 00:32:18,360  
bad but just as people have a wide range

810  
00:32:23,930 --> 00:32:21,690  
of personalities and and agendas I think

811  
00:32:26,750 --> 00:32:23,940  
the spirits might too and it's a hard

812  
00:32:30,230 --> 00:32:26,760  
thing for me to rationalize when you get

813  
00:32:31,760 --> 00:32:30,240

into life after death because as Gordon

814

00:32:35,120 --> 00:32:31,770

has pointed out to me several times

815

00:32:39,140 --> 00:32:35,130

there is a way to contact spirits and

816

00:32:41,270 --> 00:32:39,150

not just like these big ancient spirits

817

00:32:43,940 --> 00:32:41,280

or ancient gods that we think of but

818

00:32:45,620 --> 00:32:43,950

your own ancestors you know and another

819

00:32:48,170 --> 00:32:45,630

thing you pointed out to me is that over

820

00:32:50,450 --> 00:32:48,180

the course of human timeline it may seem

821

00:32:53,060 --> 00:32:50,460

very strange to have ancestor altar and

822

00:32:55,370 --> 00:32:53,070

talk to your ancestors today but the

823

00:32:57,170 --> 00:32:55,380

sliver of time where it isn't weird is a

824

00:32:59,240 --> 00:32:57,180

much much larger you know the whole

825

00:33:01,520 --> 00:32:59,250

human timeline we've paid homage to our

826  
00:33:03,560 --> 00:33:01,530  
ancestors except for right now you know

827  
00:33:05,210 --> 00:33:03,570  
so we're stuck in a time where it seems

828  
00:33:07,580 --> 00:33:05,220  
weird but actually we're the exception

829  
00:33:08,990 --> 00:33:07,590  
to that rule and I've been getting into

830  
00:33:09,530 --> 00:33:09,000  
that a little bit more but I have a hard

831  
00:33:12,890 --> 00:33:09,540  
time

832  
00:33:15,290 --> 00:33:12,900  
rationalizing communicating with spirits

833  
00:33:17,480 --> 00:33:15,300  
my own ancestors with the idea that

834  
00:33:20,390 --> 00:33:17,490  
people come back with past life memories

835  
00:33:22,700 --> 00:33:20,400  
and you know how do we figure out how to

836  
00:33:25,130 --> 00:33:22,710  
fit that piece in you know is my grandma

837  
00:33:27,460 --> 00:33:25,140  
always here to be accessed or is she

838  
00:33:30,890 --> 00:33:27,470

being cycled in through another life

839

00:33:33,380 --> 00:33:30,900

it's a big can of lungs man but it is a

840

00:33:37,040 --> 00:33:33,390

can of even contradictory to it all they

841

00:33:40,670 --> 00:33:37,050

they're all I think paradoxical as soon

842

00:33:42,800 --> 00:33:40,680

as you step into them and I think that

843

00:33:44,690 --> 00:33:42,810

you know this is like skeptical kind of

844

00:33:47,050 --> 00:33:44,700

stuff that we've kind of explored and I

845

00:33:49,480 --> 00:33:47,060

think there's a there's a limit to

846

00:33:53,930 --> 00:33:49,490

rational inquiry into those topics

847

00:33:55,190 --> 00:33:53,940

because I don't know but it does seem to

848

00:33:57,740 --> 00:33:55,200

make sense to me

849

00:34:00,620 --> 00:33:57,750

that part of the way that the whole

850

00:34:03,200 --> 00:34:00,630

thing is structured is that we are going

851

00:34:06,020 --> 00:34:03,210

to have very limited access to that

852

00:34:09,260 --> 00:34:06,030

information and people are trying to

853

00:34:10,610 --> 00:34:09,270

work the system you know so bushes are

854

00:34:11,870 --> 00:34:10,620

going through the rituals and other

855

00:34:14,210 --> 00:34:11,880

people are going through these rituals

856

00:34:16,849 --> 00:34:14,220

say give me more give me more access but

857

00:34:19,039 --> 00:34:16,859

when you look at some of the spiritual

858

00:34:20,719 --> 00:34:19,049

seekers legitimate ones through time

859

00:34:23,269 --> 00:34:20,729

what they've said is really kind of the

860

00:34:25,009 --> 00:34:23,279

opposite they've said avoid that they

861

00:34:26,629 --> 00:34:25,019

don't say it's not real

862

00:34:28,369 --> 00:34:26,639

they don't say you can't talk to the

863

00:34:30,889 --> 00:34:28,379

spirits they don't say you can't develop

864

00:34:33,289 --> 00:34:30,899

these psychic abilities for lack of a

865

00:34:36,619 --> 00:34:33,299

better term but they say is that's not

866

00:34:39,709 --> 00:34:36,629

really going to get you anywhere where

867

00:34:41,509 --> 00:34:39,719

you really want to be well I think

868

00:34:43,489 --> 00:34:41,519

there's a wisdom to that because I think

869

00:34:46,519 --> 00:34:43,499

that we do experience this treading

870

00:34:47,959 --> 00:34:46,529

water kind of thing if there is a you

871

00:34:49,999 --> 00:34:47,969

know I just finished an interview with a

872

00:34:53,089 --> 00:34:50,009

near-death experience researcher who I

873

00:34:56,029 --> 00:34:53,099

really really respect and appreciate dr.

874

00:34:57,799 --> 00:34:56,039

Jeffery long and he did this book and we

875

00:34:59,209 --> 00:34:57,809

did the show on skeptic oh and I got a

876

00:35:02,209 --> 00:34:59,219

lot of pushback right off the bat

877

00:35:04,789 --> 00:35:02,219

because the book is about God this guy

878

00:35:07,069 --> 00:35:04,799

is not a religious guy he is does not

879

00:35:09,199 --> 00:35:07,079

have religious agenda he's just

880

00:35:10,849 --> 00:35:09,209

following the NDE data and when you

881

00:35:14,509 --> 00:35:10,859

follow the near-death experience data

882

00:35:16,579 --> 00:35:14,519

what people say is God hierarchy of

883

00:35:18,650 --> 00:35:16,589

consciousness there is good there is

884

00:35:21,680 --> 00:35:18,660

heading towards it and what makes sense

885

00:35:24,559 --> 00:35:21,690

to me in that is that yeah we can play

886

00:35:27,680 --> 00:35:24,569

around down here with all this stuff but

887

00:35:30,079 --> 00:35:27,690

we're just treading water we're just if

888

00:35:33,259 --> 00:35:30,089

we really want to advance it takes

889

00:35:35,689 --> 00:35:33,269

something of a different order of

890

00:35:37,789 --> 00:35:35,699

magnitude a different dimension and that

891

00:35:39,140 --> 00:35:37,799

so again there's you know yeah if you

892

00:35:40,640 --> 00:35:39,150

want to do that stuff that's why but

893

00:35:44,779 --> 00:35:40,650

where are you really getting you know

894

00:35:46,999 --> 00:35:44,789

yeah I I think that the whole a lot of

895

00:35:48,620 --> 00:35:47,009

the nine-to-five reality yeah it's a

896

00:35:51,229 --> 00:35:48,630

money game for these people but it also

897

00:35:52,609 --> 00:35:51,239

keeps us from developing ourselves

898

00:35:54,289 --> 00:35:52,619

further from getting deeper

899

00:35:57,170 --> 00:35:54,299

again with the psychedelics being

900

00:35:58,939 --> 00:35:57,180

illegal these are the things that open

901  
00:36:01,430 --> 00:35:58,949  
you up to these new ideas these strange

902  
00:36:03,890 --> 00:36:01,440  
ideas that get you start to reflect on

903  
00:36:05,269 --> 00:36:03,900  
your life what you're doing here where

904  
00:36:07,189 --> 00:36:05,279  
you can go with it how much of it is

905  
00:36:09,109 --> 00:36:07,199  
manipulatable can I manifest my own

906  
00:36:10,910 --> 00:36:09,119  
reality how to what degree does that

907  
00:36:12,829 --> 00:36:10,920  
work those are the things that I think

908  
00:36:15,349 --> 00:36:12,839  
people should be exploring should be

909  
00:36:17,779 --> 00:36:15,359  
looking at and we're really just trained

910  
00:36:20,120 --> 00:36:17,789  
not to you know meditation you go to

911  
00:36:22,400 --> 00:36:20,130  
school for the first you know crucial

912  
00:36:24,410 --> 00:36:22,410  
decade of your life is it ever brought

913  
00:36:26,180 --> 00:36:24,420

up is it ever brought up that you should

914

00:36:27,259 --> 00:36:26,190

really reflect on your own mind and

915

00:36:28,969 --> 00:36:27,269

strengthen it and

916

00:36:31,099 --> 00:36:28,979

you know get in tune with your thoughts

917

00:36:32,599 --> 00:36:31,109

never it's never it's always just about

918

00:36:34,279 --> 00:36:32,609

that you are more how about just that

919

00:36:37,639 --> 00:36:34,289

you are more than your thoughts you are

920

00:36:41,289 --> 00:36:37,649

more than just you know biological kind

921

00:36:44,209 --> 00:36:41,299

of robot thing that that we talk about

922

00:36:46,130 --> 00:36:44,219

in terms of you know some kind of

923

00:36:48,499 --> 00:36:46,140

spiritual presence I I consider myself

924

00:36:50,359 --> 00:36:48,509

pretty energetically dense I've been to

925

00:36:51,769 --> 00:36:50,369

really haunted areas where people say

926  
00:36:52,370 --> 00:36:51,779  
they feel something I don't feel

927  
00:36:54,380 --> 00:36:52,380  
anything

928  
00:36:55,729 --> 00:36:54,390  
I appreciate it I'm from a third-party

929  
00:36:57,769 --> 00:36:55,739  
standpoint that there's probably

930  
00:37:00,889 --> 00:36:57,779  
something there they're not all line but

931  
00:37:04,309 --> 00:37:00,899  
I don't experience much personally that

932  
00:37:07,519 --> 00:37:04,319  
isn't driven by psychedelics but a quick

933  
00:37:09,199 --> 00:37:07,529  
story I was on this this is - er -

934  
00:37:10,969 --> 00:37:09,209  
promoting this movie we were going to a

935  
00:37:13,249 --> 00:37:10,979  
few different stops this movie Don

936  
00:37:15,439 --> 00:37:13,259  
peyote it's kind of like you know hon

937  
00:37:17,239 --> 00:37:15,449  
rest Thompson psychedelic thing and we

938  
00:37:19,130 --> 00:37:17,249

went to a few different premieres up and

939

00:37:22,099 --> 00:37:19,140

down the west coast and when we got to

940

00:37:24,049 --> 00:37:22,109

Big Sur like I knew getting on this bus

941

00:37:25,399 --> 00:37:24,059

there was a good chance psychedelics

942

00:37:27,469 --> 00:37:25,409

we're gonna get involved and I had said

943

00:37:28,999 --> 00:37:27,479

to myself I'm kind of done with that

944

00:37:31,489 --> 00:37:29,009

like Timothy Leary says when you get the

945

00:37:33,259 --> 00:37:31,499

message hang up the phone I don't need

946

00:37:34,669 --> 00:37:33,269

anything but weed anymore I don't really

947

00:37:36,589 --> 00:37:34,679

want to go down there so I was pretty

948

00:37:39,079 --> 00:37:36,599

much guarded and had made my mind up I

949

00:37:42,379 --> 00:37:39,089

might take a cap or something a mushroom

950

00:37:44,209 --> 00:37:42,389

maybe but I'm not gonna go deep and the

951  
00:37:46,370 --> 00:37:44,219  
world had other plans for me man because

952  
00:37:49,009 --> 00:37:46,380  
I'd never done LSD and a lot of things

953  
00:37:51,139 --> 00:37:49,019  
not LSD in particular and we get picked

954  
00:37:52,699 --> 00:37:51,149  
up by this mom and daughter and they're

955  
00:37:54,109 --> 00:37:52,709  
driving us through the woods of Big Sur

956  
00:37:56,239 --> 00:37:54,119  
and then they tell us that they're on

957  
00:37:57,949 --> 00:37:56,249  
LSD that they had found at a concert

958  
00:38:01,009 --> 00:37:57,959  
this and I'm like you're driving us on

959  
00:38:03,859 --> 00:38:01,019  
LSD with your daughter and from a

960  
00:38:07,309 --> 00:38:03,869  
perspective of you know a spiritual

961  
00:38:11,029 --> 00:38:07,319  
world manipulating me they put me in

962  
00:38:14,059 --> 00:38:11,039  
like the safest environment they tricked

963  
00:38:16,399 --> 00:38:14,069

me it was total trickery because it was

964

00:38:18,559 --> 00:38:16,409

the most comfortable safest way to

965

00:38:20,449 --> 00:38:18,569

introduce this to me because I'm like

966

00:38:22,609 --> 00:38:20,459

okay this mom and daughter they're

967

00:38:24,529 --> 00:38:22,619

they're you know very disarming you know

968

00:38:26,089 --> 00:38:24,539

they seem together and so they're like

969

00:38:28,219 --> 00:38:26,099

here we'll give you a hit and I'm like

970

00:38:29,760 --> 00:38:28,229

okay forty minutes later I don't feel

971

00:38:33,030 --> 00:38:29,770

anything they give

972

00:38:35,670 --> 00:38:33,040

I'd take five hits of this acid and then

973

00:38:38,100 --> 00:38:35,680

when I it's the second I'm separated

974

00:38:40,170 --> 00:38:38,110

from the group it all hits me like a ton

975

00:38:42,030 --> 00:38:40,180

of bricks and I'm Way out of my mind and

976

00:38:45,240 --> 00:38:42,040

I'm in a level I did not want to get to

977

00:38:48,150 --> 00:38:45,250

and I felt like when I reflect back on

978

00:38:51,030 --> 00:38:48,160

that I felt played from a higher level I

979

00:38:53,340 --> 00:38:51,040

felt like these these were kind of you

980

00:38:55,680 --> 00:38:53,350

know actors who are put in place to kind

981

00:38:57,440 --> 00:38:55,690

of in a tremendous way make me

982

00:38:59,910 --> 00:38:57,450

comfortable with the idea that I already

983

00:39:00,990 --> 00:38:59,920

decided I was like definitely not going

984

00:39:03,720 --> 00:39:01,000

to go down that route

985

00:39:04,980 --> 00:39:03,730

and when it was all said and done at

986

00:39:06,900 --> 00:39:04,990

three o'clock in the morning when

987

00:39:10,530 --> 00:39:06,910

everybody has passed out and I'm wide

988

00:39:13,620 --> 00:39:10,540

awake in peeking on acid I look up at

989

00:39:15,980 --> 00:39:13,630

this in this particular star and this

990

00:39:18,030 --> 00:39:15,990

star basically in a in a you know

991

00:39:20,100 --> 00:39:18,040

consciousness the consciousness way it

992

00:39:22,200 --> 00:39:20,110

was like hey man what's going on here's

993

00:39:25,620 --> 00:39:22,210

here's what's going on in my entire life

994

00:39:28,200 --> 00:39:25,630

and I saw you know I time was going who

995

00:39:30,450 --> 00:39:28,210

knows how much time it took but a star

996

00:39:32,400 --> 00:39:30,460

walked me through the timeline of its

997

00:39:34,350 --> 00:39:32,410

existence and the planets that have been

998

00:39:36,000 --> 00:39:34,360

revolving around it and oh we had life

999

00:39:38,340 --> 00:39:36,010

pop up on this one for a little while

1000

00:39:40,560 --> 00:39:38,350

and then it went away this one ran into

1001  
00:39:42,410 --> 00:39:40,570  
that one and then like it showed me all

1002  
00:39:47,070 --> 00:39:42,420  
this in a matter of like ten minutes and

1003  
00:39:49,470 --> 00:39:47,080  
I was like this is what the ancients

1004  
00:39:51,120 --> 00:39:49,480  
were doing you know this right here what

1005  
00:39:53,400 --> 00:39:51,130  
I'm experiencing now this is how it

1006  
00:39:54,990 --> 00:39:53,410  
works you know and when they the fact

1007  
00:39:57,480 --> 00:39:55,000  
that all our gods coordinated with

1008  
00:39:59,340 --> 00:39:57,490  
celestial bodies this to me is getting

1009  
00:40:01,140 --> 00:39:59,350  
right at the heart of what what they

1010  
00:40:03,510 --> 00:40:01,150  
were all about so I felt like this

1011  
00:40:06,300 --> 00:40:03,520  
experience played me and it got me to

1012  
00:40:09,270 --> 00:40:06,310  
this particular node on of understanding

1013  
00:40:10,800 --> 00:40:09,280

and that was the purpose and with the

1014

00:40:12,690 --> 00:40:10,810

Levin that with the Peter lavinda stuff

1015

00:40:14,220 --> 00:40:12,700

that's kind of my own personal

1016

00:40:16,110 --> 00:40:14,230

experience where I'm like yeah there are

1017

00:40:18,840 --> 00:40:16,120

spiritual forces they do influence

1018

00:40:20,490 --> 00:40:18,850

things and they they can manipulate you

1019

00:40:22,740 --> 00:40:20,500

and people always talk about practicing

1020

00:40:24,870 --> 00:40:22,750

mindfulness that's a part of mindfulness

1021

00:40:25,590 --> 00:40:24,880

you know we're being in the moment all

1022

00:40:28,260 --> 00:40:25,600

these buzzwords

1023

00:40:30,720 --> 00:40:28,270

really do consider it and consider why

1024

00:40:32,640 --> 00:40:30,730

you know you've made certain choices in

1025

00:40:34,620 --> 00:40:32,650

your life and you'll find that there are

1026

00:40:37,160 --> 00:40:34,630

puppet strings on us and all kinds of

1027

00:40:40,170 --> 00:40:37,170

ways spiritual you know conspiratorial

1028

00:40:41,310 --> 00:40:40,180

you know there's a lot going on that

1029

00:40:44,970 --> 00:40:41,320

people are not paying

1030

00:40:48,510 --> 00:40:44,980

- but that just that whole experience to

1031

00:40:51,330 --> 00:40:48,520

me was like okay I get I get a lot of

1032

00:40:52,710 --> 00:40:51,340

what when you see these pyramids aligned

1033

00:40:55,050 --> 00:40:52,720

to Orion's belt

1034

00:40:57,210 --> 00:40:55,060

you see these references to the stars

1035

00:40:59,280 --> 00:40:57,220

okay now I see how they could actually

1036

00:41:01,380 --> 00:40:59,290

communicate and that's maybe an animist

1037

00:41:02,970 --> 00:41:01,390

perspective that all living things have

1038

00:41:04,470 --> 00:41:02,980

a consciousness and like how could you

1039

00:41:07,110 --> 00:41:04,480

communicate with the star you stupid

1040

00:41:09,810 --> 00:41:07,120

hippies well I don't know but that's the

1041

00:41:12,180 --> 00:41:09,820

experience I had well I think it's it's

1042

00:41:13,680 --> 00:41:12,190

awesome and I think it's it's hard to

1043

00:41:15,270 --> 00:41:13,690

challenge on a number of different

1044

00:41:19,110 --> 00:41:15,280

levels you know what else I took away

1045

00:41:20,720 --> 00:41:19,120

from that story is to me you hit upon I

1046

00:41:23,730 --> 00:41:20,730

think one of the really great things

1047

00:41:27,900 --> 00:41:23,740

that you do with the higher side chats

1048

00:41:31,200 --> 00:41:27,910

and that the conspiratorial worldview if

1049

00:41:35,160 --> 00:41:31,210

you will is all about that story you

1050

00:41:38,580 --> 00:41:35,170

know it's opening up to experience more

1051  
00:41:40,770 --> 00:41:38,590  
it's letting the camera lens open up and

1052  
00:41:42,990 --> 00:41:40,780  
then still filtering it but not

1053  
00:41:43,560 --> 00:41:43,000  
filtering it until it comes all the way

1054  
00:41:49,140 --> 00:41:43,570  
in

1055  
00:41:52,980 --> 00:41:49,150  
so as we wrap up talked more about what

1056  
00:41:55,830 --> 00:41:52,990  
you've learned about conspiracy theory

1057  
00:41:58,710 --> 00:41:55,840  
if you will in terms of how it relates

1058  
00:42:01,370 --> 00:41:58,720  
to other aspects of life which I think

1059  
00:42:04,470 --> 00:42:01,380  
that is a great example as is your whole

1060  
00:42:07,800 --> 00:42:04,480  
willingness and openness to say hey you

1061  
00:42:09,810 --> 00:42:07,810  
know what I through spirituality out the

1062  
00:42:13,980 --> 00:42:09,820  
window and I shouldn't have I'm gonna

1063  
00:42:15,690 --> 00:42:13,990

let it back in because I'm into paradigm

1064

00:42:18,510 --> 00:42:15,700

busting which is really what conspiracy

1065

00:42:20,790 --> 00:42:18,520

theory is all about definitely one

1066

00:42:22,950 --> 00:42:20,800

aspect is that it's important to

1067

00:42:24,960 --> 00:42:22,960

separate data from interpretation I know

1068

00:42:26,910 --> 00:42:24,970

you talk about a lot of data here that's

1069

00:42:28,500 --> 00:42:26,920

up you know that line is something

1070

00:42:31,170 --> 00:42:28,510

Gordon has just drilled into my head

1071

00:42:34,500 --> 00:42:31,180

he's been a pretty good mentor to tell

1072

00:42:36,270 --> 00:42:34,510

you the truth but you have you can you

1073

00:42:38,160 --> 00:42:36,280

have to be able to when you're listening

1074

00:42:40,020 --> 00:42:38,170

to a guy talk for two hours about the

1075

00:42:42,660 --> 00:42:40,030

research you have to be able to say okay

1076

00:42:45,030 --> 00:42:42,670

where was the research and where was the

1077

00:42:46,500 --> 00:42:45,040

spin you put on it you know because you

1078

00:42:48,630 --> 00:42:46,510

can look at the same day that it come to

1079

00:42:50,609 --> 00:42:48,640

different conclusions so it is important

1080

00:42:53,519 --> 00:42:50,619

to separate data from

1081

00:42:55,259 --> 00:42:53,529

not to go too off the rails on some of

1082

00:42:57,900 --> 00:42:55,269

their interpretations and conclusions

1083

00:43:00,509 --> 00:42:57,910

when the data doesn't necessarily get

1084

00:43:03,239 --> 00:43:00,519

you there so that's kind of an important

1085

00:43:04,319 --> 00:43:03,249

aspect of it the other thing is singular

1086

00:43:06,900 --> 00:43:04,329

narratives

1087

00:43:08,880 --> 00:43:06,910

I am very attracted to singular

1088

00:43:11,160 --> 00:43:08,890

narratives the idea that I want to I

1089

00:43:13,049 --> 00:43:11,170

want to figure out who is the capstone

1090

00:43:14,579 --> 00:43:13,059

of the pyramid that's who it is

1091

00:43:16,769 --> 00:43:14,589

and there and everything else is

1092

00:43:19,890 --> 00:43:16,779

underneath them and I think that in the

1093

00:43:22,109 --> 00:43:19,900

conspiratorial mind is something that a

1094

00:43:26,099 --> 00:43:22,119

lot of people grab and say - is it the

1095

00:43:28,140 --> 00:43:26,109

Jews is it the secret Nazis is it you

1096

00:43:30,390 --> 00:43:28,150

know the Jesuits is it something on the

1097

00:43:33,180 --> 00:43:30,400

spiritual plane is it Satan

1098

00:43:35,160 --> 00:43:33,190

well maybe it's a lot of stuff maybe

1099

00:43:37,319 --> 00:43:35,170

there's multiple power centers maybe

1100

00:43:39,690 --> 00:43:37,329

there is a Jewish power center that

1101

00:43:41,370 --> 00:43:39,700

controls aspects of banking and is

1102

00:43:44,009 --> 00:43:41,380

trying to get to the top of the pyramid

1103

00:43:45,390 --> 00:43:44,019

while there's also elements of Nazis

1104

00:43:47,099 --> 00:43:45,400

from Project Paperclip that are now

1105

00:43:48,509 --> 00:43:47,109

obviously most of the American

1106

00:43:50,819 --> 00:43:48,519

government let's talk about that for a

1107

00:43:53,809 --> 00:43:50,829

minute cuz that's a really you know a

1108

00:43:57,599 --> 00:43:53,819

lightning-rod issue to go into one is I

1109

00:44:01,440 --> 00:43:57,609

think that the Jewish issue and the

1110

00:44:04,190 --> 00:44:01,450

Zionist issue is really good one to talk

1111

00:44:07,200 --> 00:44:04,200

about on a couple levels because first

1112

00:44:09,089 --> 00:44:07,210

we're real comfortable deconstructing

1113

00:44:11,130 --> 00:44:09,099

Christianity and saying oh well that's

1114

00:44:14,039 --> 00:44:11,140

just a mind control meme you know

1115

00:44:17,099 --> 00:44:14,049

clearly there but do we go and say well

1116

00:44:21,209 --> 00:44:17,109

the New Testament and the Jewish thing

1117

00:44:24,420 --> 00:44:21,219

and Jehovah nonsense

1118

00:44:26,459 --> 00:44:24,430

oh no that that somehow stands apart

1119

00:44:28,469 --> 00:44:26,469

from it well of course it doesn't

1120

00:44:30,599 --> 00:44:28,479

there's no way it could and once you

1121

00:44:32,249 --> 00:44:30,609

walk into those waters then I think we

1122

00:44:34,529 --> 00:44:32,259

have to have a different really

1123

00:44:37,440 --> 00:44:34,539

orientation about what we mean when we

1124

00:44:38,489 --> 00:44:37,450

say Jewish and when we mean that I think

1125

00:44:42,029 --> 00:44:38,499

a lot of times what we're talking about

1126  
00:44:43,979 --> 00:44:42,039  
are secular Jewish people with a Jewish

1127  
00:44:46,829 --> 00:44:43,989  
tradition in the United States who

1128  
00:44:49,170 --> 00:44:46,839  
mainly identify with two things they

1129  
00:44:51,569 --> 00:44:49,180  
identify with the Holocaust and they

1130  
00:44:53,969 --> 00:44:51,579  
identify with Israel and that's totally

1131  
00:44:55,890 --> 00:44:53,979  
understandable I'm not I'm not

1132  
00:44:59,400 --> 00:44:55,900  
criticizing that as all those are two

1133  
00:45:01,920 --> 00:44:59,410  
huge events one the Holocaust thing is

1134  
00:45:03,370 --> 00:45:01,930  
important event and I think you know

1135  
00:45:04,539 --> 00:45:03,380  
these Holocaust deniers are

1136  
00:45:06,430 --> 00:45:04,549  
sink to them and that's a whole other

1137  
00:45:08,529 --> 00:45:06,440  
thing you can get into cuz a couple of

1138  
00:45:09,970 --> 00:45:08,539

them slip in here and there I think a

1139

00:45:12,160 --> 00:45:09,980

couple of them slipped into your shows

1140

00:45:14,470 --> 00:45:12,170

you know I think it's just complete

1141

00:45:16,120 --> 00:45:14,480

[h\_\_h] because history doesn't support

1142

00:45:18,279 --> 00:45:16,130

it and when you really push those people

1143

00:45:20,440 --> 00:45:18,289

their arguments just sounds so lame it's

1144

00:45:22,210 --> 00:45:20,450

like well they didn't really kill the

1145

00:45:23,789 --> 00:45:22,220

the Nazis didn't really kill six million

1146

00:45:26,470 --> 00:45:23,799

they killed four million it's like

1147

00:45:37,569 --> 00:45:26,480

really that's where you're gonna want to

1148

00:45:39,160 --> 00:45:37,579

kind of draw your whole thing like you

1149

00:45:40,480 --> 00:45:39,170

know why would they tattoo the arms and

1150

00:45:42,609 --> 00:45:40,490

they're just gonna kill everybody it's

1151

00:45:44,349 --> 00:45:42,619

like well you're right they were work

1152

00:45:46,509 --> 00:45:44,359

camps but they are working till you die

1153

00:45:48,640 --> 00:45:46,519

and then others throwing in the fire you

1154

00:45:51,999 --> 00:45:48,650

know I spoke to a guy and you gotta mind

1155

00:45:54,430 --> 00:45:52,009

your show Jana would ya I'm sorry Yan or

1156

00:45:56,019 --> 00:45:54,440

went in he didn't reveal himself he

1157

00:45:57,640 --> 00:45:56,029

didn't reveal himself to you as being

1158

00:46:00,099 --> 00:45:57,650

this kind of Holocaust and I hate the

1159

00:46:02,109 --> 00:46:00,109

word denier but I mean that's the term

1160

00:46:03,789 --> 00:46:02,119

that we have but he did to me because I

1161

00:46:05,950 --> 00:46:03,799

was gonna interview him and he starts

1162

00:46:08,289 --> 00:46:05,960

feeding me all this stuff and I'm like

1163

00:46:10,269 --> 00:46:08,299

I'm like you are I mean I'm open 9:00

1164

00:46:13,150 --> 00:46:10,279

then I'll listen to anybody you know I'm

1165

00:46:14,740 --> 00:46:13,160

not turned off you know Oh Holocaust you

1166

00:46:16,240 --> 00:46:14,750

know didn't happen great you know some

1167

00:46:18,579 --> 00:46:16,250

of this stuff so we start exchanging

1168

00:46:20,410 --> 00:46:18,589

emails back and forth and I just sent

1169

00:46:22,539 --> 00:46:20,420

him the you know there's a movie

1170

00:46:23,950 --> 00:46:22,549

strangely enough named conspiracy that

1171

00:46:26,920 --> 00:46:23,960

was out about ten years ago and it's

1172

00:46:28,630 --> 00:46:26,930

this movie about this meeting that they

1173

00:46:30,190 --> 00:46:28,640

had when they're plotting the final

1174

00:46:32,190 --> 00:46:30,200

solution so I had all the

1175

00:46:34,630 --> 00:46:32,200

highest-ranking Nazi guys there and

1176

00:46:36,460 --> 00:46:34,640

amazingly we have a transcript a real

1177

00:46:37,839 --> 00:46:36,470

legitimate transcript from that well

1178

00:46:39,880 --> 00:46:37,849

they're planning they're clearly

1179

00:46:41,230 --> 00:46:39,890

planning the final solution all these

1180

00:46:42,730 --> 00:46:41,240

guys it's the guns sitting around and I

1181

00:46:43,900 --> 00:46:42,740

say well how can we do it we can put

1182

00:46:46,210 --> 00:46:43,910

them all these in these trucks and we

1183

00:46:47,680 --> 00:46:46,220

can send the the gas in that way and

1184

00:46:49,809 --> 00:46:47,690

it's this and they're also dealing with

1185

00:46:52,390 --> 00:46:49,819

the problem that that hey that the

1186

00:46:53,859 --> 00:46:52,400

German army not that they're great or

1187

00:46:55,420 --> 00:46:53,869

that they should be let off the hook but

1188

00:46:58,059 --> 00:46:55,430

they're like you know they're not really

1189

00:46:59,710 --> 00:46:58,069

liking killing all these Jewish people

1190

00:47:01,690 --> 00:46:59,720

are they're like hey you know what

1191

00:47:03,549 --> 00:47:01,700

killing civilians it's not like what we

1192

00:47:04,990 --> 00:47:03,559

signed up for you know hey we have to

1193

00:47:06,460 --> 00:47:05,000

find another way to do this so these

1194

00:47:08,230 --> 00:47:06,470

guys are problem solving they're good

1195

00:47:10,029 --> 00:47:08,240

German problem solvers you know and

1196

00:47:12,670 --> 00:47:10,039

however we want to spin that we can spin

1197

00:47:14,920 --> 00:47:12,680

it but that's what I hit yon with I go

1198

00:47:16,120 --> 00:47:14,930

like okay well what about this I mean

1199

00:47:17,620 --> 00:47:16,130

this seems sure and

1200

00:47:19,060 --> 00:47:17,630

it's just like all the other stuff we

1201

00:47:20,920 --> 00:47:19,070

talk about it's like a total deflection

1202

00:47:23,020 --> 00:47:20,930

doesn't want to go there doesn't want to

1203

00:47:26,590 --> 00:47:23,030

incorporate in it's like no I don't have

1204

00:47:28,060 --> 00:47:26,600

a I'm not of a Jewish tradition so I

1205

00:47:31,030 --> 00:47:28,070

don't really have a dog in this fight I

1206

00:47:34,300 --> 00:47:31,040

don't believe that Yahweh that crazy

1207

00:47:35,950 --> 00:47:34,310

Thunder God that was him and his wife

1208

00:47:38,730 --> 00:47:35,960

people were worshipping in and then we

1209

00:47:42,370 --> 00:47:38,740

kind of slipped that into being this

1210

00:47:44,050 --> 00:47:42,380

Judaism monotheism it's all [h\_\_h] so

1211

00:47:45,640 --> 00:47:44,060

I don't have any attachment to that I'm

1212

00:47:49,090 --> 00:47:45,650

just looking at history the way it is

1213

00:47:52,450 --> 00:47:49,100

but when you look at the zionist thing

1214

00:47:53,500 --> 00:47:52,460

it kind of looks a lot different and one

1215

00:47:56,470 --> 00:47:53,510

of the things I appreciate about your

1216

00:47:59,620 --> 00:47:56,480

show is that you're willing to go there

1217

00:48:02,140 --> 00:47:59,630

well you know what was going on with

1218

00:48:05,020 --> 00:48:02,150

those kids those Mossad kids who were

1219

00:48:08,590 --> 00:48:05,030

across the river in New Jersey and were

1220

00:48:12,220 --> 00:48:08,600

set up to videotape the 9/11 what is

1221

00:48:13,720 --> 00:48:12,230

Mossad doing there but the NAM be

1222

00:48:15,730 --> 00:48:13,730

interested in this is a long rant but

1223

00:48:18,490 --> 00:48:15,740

interested in what you're here how

1224

00:48:20,440 --> 00:48:18,500

anyone can look at that and say okay so

1225

00:48:21,760 --> 00:48:20,450

the Mossad is involved in 9/11 their

1226

00:48:24,130 --> 00:48:21,770

fingerprints were all over it it seems

1227

00:48:25,990 --> 00:48:24,140

to me but they're clearly not pulling

1228

00:48:29,200 --> 00:48:26,000

the strings right I mean I can't put

1229

00:48:31,030 --> 00:48:29,210

that together I mean the bushes look a

1230

00:48:34,000 --> 00:48:31,040

lot it and maybe the bushes like you

1231

00:48:35,770 --> 00:48:34,010

can't suggested with russ Baker maybe

1232

00:48:39,790 --> 00:48:35,780

they're just the Waterboys for somebody

1233

00:48:42,040 --> 00:48:39,800

else but clearly Mossad is the Waterboys

1234

00:48:43,720 --> 00:48:42,050

for the bushes because the bushes have

1235

00:48:45,760 --> 00:48:43,730

the Saudis doing one thing and they have

1236

00:48:47,920 --> 00:48:45,770

the Mossad doing another so when you

1237

00:48:50,050 --> 00:48:47,930

talk about this pyramid or what you say

1238

00:48:52,540 --> 00:48:50,060

the primary source of the primary thing

1239

00:48:54,880 --> 00:48:52,550

I mean they up there on the top we have

1240

00:48:57,850 --> 00:48:54,890

to keep climbin exactly yeah it's way

1241

00:48:59,800 --> 00:48:57,860

more complicated than people than the

1242

00:49:02,620 --> 00:48:59,810

single narrative hypothesis which is

1243

00:49:04,600 --> 00:49:02,630

like it is the you know X Y or Z group

1244

00:49:06,970 --> 00:49:04,610

that is at the top it's actually a huge

1245

00:49:09,040 --> 00:49:06,980

mix and there's a bunch of just one of

1246

00:49:10,540 --> 00:49:09,050

the easiest things to realize that

1247

00:49:12,190 --> 00:49:10,550

there's no difference between Democrats

1248

00:49:14,380 --> 00:49:12,200

and Republicans right tell us paradigm

1249

00:49:16,840 --> 00:49:14,390

that's completely 101 understandings

1250

00:49:18,700 --> 00:49:16,850

well take that further and say there's

1251  
00:49:21,310 --> 00:49:18,710  
not much of a difference between other

1252  
00:49:23,290 --> 00:49:21,320  
groups like Mossad or the CIA like there

1253  
00:49:25,030 --> 00:49:23,300  
I think that a lot of these groups are

1254  
00:49:26,800 --> 00:49:25,040  
kind of set in opposition and they might

1255  
00:49:28,390 --> 00:49:26,810  
not be just in something

1256  
00:49:30,550 --> 00:49:28,400  
behind the curtain you know they might

1257  
00:49:31,990 --> 00:49:30,560  
be run by the same organizations to some

1258  
00:49:33,610 --> 00:49:32,000  
degree mean you got your thing tanks

1259  
00:49:35,650 --> 00:49:33,620  
your Council on Foreign Relations you're

1260  
00:49:37,780 --> 00:49:35,660  
building Birds yeah the trilateral

1261  
00:49:39,820 --> 00:49:37,790  
commission these think tanks have huge

1262  
00:49:41,650 --> 00:49:39,830  
influence and you can find members of

1263  
00:49:44,350 --> 00:49:41,660

them and all these different groups so

1264

00:49:48,130 --> 00:49:44,360

it is weird but with the with the world

1265

00:49:50,350 --> 00:49:48,140

war two Nazi thing I think that's a

1266

00:49:51,940 --> 00:49:50,360

deeper story then we're probably ever

1267

00:49:54,670 --> 00:49:51,950

going to know and I think it gets back

1268

00:49:56,500 --> 00:49:54,680

into bloodlines and you know what this

1269

00:49:58,810 --> 00:49:56,510

whole Canobie cetera acknowledged

1270

00:50:00,700 --> 00:49:58,820

because Hitler wanted what blond hair

1271

00:50:02,560 --> 00:50:00,710

blue eyes he doesn't even have that so

1272

00:50:04,240 --> 00:50:02,570

this is very strange and then you have a

1273

00:50:05,530 --> 00:50:04,250

UFO encounters where people like oh

1274

00:50:07,180 --> 00:50:05,540

there's a bunch of little greys and then

1275

00:50:09,610 --> 00:50:07,190

one tall nordic blond-haired blue-eyed

1276  
00:50:11,860 --> 00:50:09,620  
being well what the [h\_\_h] is going on

1277  
00:50:13,870 --> 00:50:11,870  
there you know the Nazis have the secret

1278  
00:50:15,850 --> 00:50:13,880  
technology they're messing with you know

1279  
00:50:18,280 --> 00:50:15,860  
mercury rotation engines and the Nazi

1280  
00:50:20,590 --> 00:50:18,290  
Bell this is getting close to the flying

1281  
00:50:23,170 --> 00:50:20,600  
saucers that spin in anti-gravity seems

1282  
00:50:25,240 --> 00:50:23,180  
to be very connected to this you know

1283  
00:50:31,660 --> 00:50:25,250  
blocked off quarantine part of physics

1284  
00:50:35,950 --> 00:50:31,670  
so it is strange why a guy would be so

1285  
00:50:38,800 --> 00:50:35,960  
hell-bent on destroying just one race

1286  
00:50:41,050 --> 00:50:38,810  
and trying to engineer people to look a

1287  
00:50:43,840 --> 00:50:41,060  
certain way but I think that's kind of a

1288  
00:50:48,010 --> 00:50:43,850

mistreating I mean in 1492 Columbus

1289

00:50:50,980 --> 00:50:48,020

sailed the ocean blue also in 1492 Spain

1290

00:50:53,550 --> 00:50:50,990

throughout all the Jewish people in

1291

00:50:58,450 --> 00:50:53,560

their country so there has been this

1292

00:51:04,180 --> 00:50:58,460

long-standing kind of hatred of of these

1293

00:51:05,740 --> 00:51:04,190

people and well well I personally and

1294

00:51:08,050 --> 00:51:05,750

then that gets into all I mean there's

1295

00:51:10,090 --> 00:51:08,060

many many people have explored this in

1296

00:51:11,800 --> 00:51:10,100

many different dimensions when is it

1297

00:51:13,390 --> 00:51:11,810

it's an anti-christian thing right so

1298

00:51:15,040 --> 00:51:13,400

for hundreds of years we set up and

1299

00:51:17,830 --> 00:51:15,050

these people have killed Christ you know

1300

00:51:19,240 --> 00:51:17,840

they're the bad guys and I think just

1301  
00:51:20,590 --> 00:51:19,250  
from a cultural standpoint you look at

1302  
00:51:23,230 --> 00:51:20,600  
it and they kind of turned it to their

1303  
00:51:25,450 --> 00:51:23,240  
favor they said okay we're different

1304  
00:51:27,100 --> 00:51:25,460  
we're gonna be good with being different

1305  
00:51:28,870 --> 00:51:27,110  
we're gonna promote being different

1306  
00:51:30,490 --> 00:51:28,880  
we're on the outsider group and we're

1307  
00:51:32,860 --> 00:51:30,500  
going to build around a certain amount

1308  
00:51:34,720 --> 00:51:32,870  
of values those values education money

1309  
00:51:37,330 --> 00:51:34,730  
and these other things and we're going

1310  
00:51:39,250 --> 00:51:37,340  
to look for gaps in the system like hey

1311  
00:51:40,300 --> 00:51:39,260  
you guys don't think lending money is a

1312  
00:51:42,580 --> 00:51:40,310  
good thing no

1313  
00:51:44,380 --> 00:51:42,590

problem for us will lend money and just

1314

00:51:46,420 --> 00:51:44,390

it's just any group would have done that

1315

00:51:47,920 --> 00:51:46,430

who is an outsider group who didn't have

1316

00:51:49,270 --> 00:51:47,930

to play the game there's certain

1317

00:51:51,880 --> 00:51:49,280

advantages that and then when you focus

1318

00:51:52,360 --> 00:51:51,890

on education it's - it's also to your

1319

00:51:54,070 --> 00:51:52,370

advantage

1320

00:51:56,800 --> 00:51:54,080

I'm not saying that's what happened I'm

1321

00:51:58,510 --> 00:51:56,810

just saying that to me is a reasonable

1322

00:52:01,600 --> 00:51:58,520

explanation for why you get this

1323

00:52:04,450 --> 00:52:01,610

outsider group that then continues to

1324

00:52:07,090 --> 00:52:04,460

have conflict with the main group and is

1325

00:52:09,490 --> 00:52:07,100

hated by the main group but maybe you

1326

00:52:12,460 --> 00:52:09,500

know it's understandable from some very

1327

00:52:14,320 --> 00:52:12,470

basic reasons but as far as Hitler

1328

00:52:16,330 --> 00:52:14,330

you know executing this kind of final

1329

00:52:18,730 --> 00:52:16,340

solution being all that I mean no one

1330

00:52:20,140 --> 00:52:18,740

else would take the Jewish people right

1331

00:52:21,970 --> 00:52:20,150

I mean there's all this there's this

1332

00:52:24,160 --> 00:52:21,980

huge prejudice in the United States and

1333

00:52:25,900 --> 00:52:24,170

in all these other countries so to a

1334

00:52:27,550 --> 00:52:25,910

certain extent I think Hitler was like

1335

00:52:29,350 --> 00:52:27,560

hey we're all in the same boat right we

1336

00:52:31,540 --> 00:52:29,360

all hate these Jewish people you know

1337

00:52:34,420 --> 00:52:31,550

and then it turns out and you feel like

1338

00:52:36,730 --> 00:52:34,430

well no not like that you idiot you know

1339

00:52:41,740 --> 00:52:36,740

but I don't know I mean I'm just I'm

1340

00:52:43,660 --> 00:52:41,750

totally making it up a minute you can go

1341

00:52:45,700 --> 00:52:43,670

down the road of you know the Rothschild

1342

00:52:48,040 --> 00:52:45,710

power center and that this being the

1343

00:52:49,600 --> 00:52:48,050

head of a Jewish banking system that is

1344

00:52:51,160 --> 00:52:49,610

fractional reserve banking which is

1345

00:52:53,410 --> 00:52:51,170

obviously debt based which kind of

1346

00:52:55,090 --> 00:52:53,420

enslaves the nation and when you go to

1347

00:52:57,280 --> 00:52:55,100

those but I think that's way overblown

1348

00:53:00,160 --> 00:52:57,290

that's kind of [h\_\_h] ll in a way

1349

00:53:01,840 --> 00:53:00,170

because you know otherwise how else you

1350

00:53:03,130 --> 00:53:01,850

gonna do it right you're gonna print

1351  
00:53:04,480 --> 00:53:03,140  
money so you're gonna have the

1352  
00:53:06,040 --> 00:53:04,490  
government print money you're gonna have

1353  
00:53:08,800 --> 00:53:06,050  
somebody else print money now I think

1354  
00:53:11,260 --> 00:53:08,810  
the the Federal Reserve is a total sham

1355  
00:53:13,360 --> 00:53:11,270  
and I think it's for all the reasons but

1356  
00:53:16,300 --> 00:53:13,370  
this idea of fractional currency I think

1357  
00:53:19,270 --> 00:53:16,310  
it's really really gets spun out of

1358  
00:53:21,330 --> 00:53:19,280  
control it's like we all want to do that

1359  
00:53:24,250 --> 00:53:21,340  
we have a we have a desire to kind of

1360  
00:53:26,020 --> 00:53:24,260  
have money and have the ability to lend

1361  
00:53:27,760 --> 00:53:26,030  
out money and there you know that's why

1362  
00:53:29,530 --> 00:53:27,770  
you only have to put 10% down to buy a

1363  
00:53:32,110 --> 00:53:29,540

house well that's the same way that the

1364

00:53:32,530 --> 00:53:32,120

bank is doing it the that part of it to

1365

00:53:35,050 --> 00:53:32,540

me

1366

00:53:37,450 --> 00:53:35,060

I think it's overblown when people say

1367

00:53:40,060 --> 00:53:37,460

you know debt is the problem it's like

1368

00:53:42,280 --> 00:53:40,070

hey you want me to loan you 20 bucks for

1369

00:53:43,600 --> 00:53:42,290

a lunch I'll do it but then if you want

1370

00:53:44,980 --> 00:53:43,610

to turn around and say oh but we

1371

00:53:46,720 --> 00:53:44,990

shouldn't charge any interest for that

1372

00:53:49,300 --> 00:53:46,730

you shouldn't get anything back like I

1373

00:53:52,480 --> 00:53:49,310

say there's a time value of money so

1374

00:53:53,590 --> 00:53:52,490

debt is I think it just gets whacked out

1375

00:53:55,720 --> 00:53:53,600

there in a way

1376

00:53:57,460 --> 00:53:55,730

it is part of the room there has to be

1377

00:53:59,110 --> 00:53:57,470

an incentive to lend somebody money you

1378

00:54:01,780 --> 00:53:59,120

have to get something back then what you

1379

00:54:05,530 --> 00:54:01,790

already had but I don't really think

1380

00:54:07,450 --> 00:54:05,540

it's overblown because it's its debt

1381

00:54:08,530 --> 00:54:07,460

that keeps a lot of people in line and

1382

00:54:10,180 --> 00:54:08,540

there's many different banking

1383

00:54:12,100 --> 00:54:10,190

structures if you study that like

1384

00:54:14,500 --> 00:54:12,110

there's public banking North Dakota has

1385

00:54:16,540 --> 00:54:14,510

its own I was just gonna say right so so

1386

00:54:18,910 --> 00:54:16,550

North Dakota let's say North to cook to

1387

00:54:21,430 --> 00:54:18,920

me North Dakota is the model right but

1388

00:54:23,830 --> 00:54:21,440

they still have fractional fractional

1389

00:54:25,180 --> 00:54:23,840

banking they still lend a little bit one

1390

00:54:28,270 --> 00:54:25,190

thing that the conspiracy theorists

1391

00:54:30,430 --> 00:54:28,280

always talk about is the debt cannot be

1392

00:54:32,890 --> 00:54:30,440

paid an individual's debt because only

1393

00:54:34,900 --> 00:54:32,900

the bank prints money so think of it as

1394

00:54:36,820 --> 00:54:34,910

like a game of musical chairs when the

1395

00:54:39,490 --> 00:54:36,830

bank breaks off money and charges

1396

00:54:41,560 --> 00:54:39,500

interest that interest the money to

1397

00:54:42,730 --> 00:54:41,570

cover that interest doesn't exist it

1398

00:54:44,590 --> 00:54:42,740

hasn't been printed because if they

1399

00:54:46,930 --> 00:54:44,600

print a million dollars and lend it out

1400

00:54:48,280 --> 00:54:46,940

and they want 10% interest you know

1401  
00:54:50,290 --> 00:54:48,290  
where is that other money coming the

1402  
00:54:51,640 --> 00:54:50,300  
point is is that it'll never be fade and

1403  
00:54:53,410 --> 00:54:51,650  
there will always be people on the

1404  
00:54:55,060 --> 00:54:53,420  
hamster wheel who can't get out of debt

1405  
00:54:56,530 --> 00:54:55,070  
and that keeps you from going out on the

1406  
00:54:58,420 --> 00:54:56,540  
street and protesting because you got to

1407  
00:55:01,540 --> 00:54:58,430  
get to work tomorrow cuz that mortgages

1408  
00:55:03,670 --> 00:55:01,550  
do and it keeps people in a subservient

1409  
00:55:05,020 --> 00:55:03,680  
position student loan debt that's the

1410  
00:55:06,490 --> 00:55:05,030  
number one thing the Millennials are

1411  
00:55:08,170 --> 00:55:06,500  
going through right now is we were sold

1412  
00:55:10,120 --> 00:55:08,180  
this bill of goods that to get a good

1413  
00:55:11,830 --> 00:55:10,130

job you have to go into debt and now

1414

00:55:13,900 --> 00:55:11,840

there's no jobs to get it and we're

1415

00:55:16,240 --> 00:55:13,910

still on the hook for all this money so

1416

00:55:17,830 --> 00:55:16,250

I hear you but I think we're spending a

1417

00:55:19,570 --> 00:55:17,840

couple and I think this is one of the

1418

00:55:20,830 --> 00:55:19,580

problems with what they do here is

1419

00:55:21,880 --> 00:55:20,840

they're kind of spinning a couple of

1420

00:55:25,060 --> 00:55:21,890

different things like you can never

1421

00:55:28,450 --> 00:55:25,070

repay the debt is true from a systemic

1422

00:55:31,720 --> 00:55:28,460

kind of global system but who the [h\_\_\h]

1423

00:55:35,200 --> 00:55:31,730

cares about that you can reap no you can

1424

00:55:38,200 --> 00:55:35,210

repay your debt I live in a really nice

1425

00:55:42,040 --> 00:55:38,210

house I have an excess money I get

1426

00:55:44,950 --> 00:55:42,050

interest on investments all over the

1427

00:55:46,870 --> 00:55:44,960

place I can repay my debt I know that

1428

00:55:48,880 --> 00:55:46,880

most they know that like the blank if

1429

00:55:50,980 --> 00:55:48,890

you're running the country you know that

1430

00:55:54,070 --> 00:55:50,990

only a fraction of people are going to

1431

00:55:58,030 --> 00:55:54,080

get to that level I think that's one of

1432

00:56:02,230 --> 00:55:58,040

the dangers of this conspiracy stuff is

1433

00:56:05,430 --> 00:56:02,240

it it can become an excuse to look at

1434

00:56:07,690 --> 00:56:05,440

our real stuff which is you know what

1435

00:56:11,680 --> 00:56:07,700

that wasn't a good decision

1436

00:56:14,620 --> 00:56:11,690

for me to stay in San Diego it wasn't a

1437

00:56:16,810 --> 00:56:14,630

good decision for me to take that job I

1438

00:56:18,760 --> 00:56:16,820

should have taken this other job I

1439

00:56:21,040 --> 00:56:18,770

shouldn't have at least that car I

1440

00:56:23,230 --> 00:56:21,050

should have driven my other car two

1441

00:56:24,640 --> 00:56:23,240

years longer and you know I should have

1442

00:56:26,620 --> 00:56:24,650

figured out a way to work but you know

1443

00:56:28,839 --> 00:56:26,630

I'm saying give me a blame mechanism I'm

1444

00:56:31,240 --> 00:56:28,849

like you know I'm in a shitty position

1445

00:56:34,120 --> 00:56:31,250

because the rothschild said the exact

1446

00:56:36,849 --> 00:56:34,130

and now I'm [h\_\_\h] and I definitely get

1447

00:56:38,680 --> 00:56:36,859

that and I think that there is you know

1448

00:56:40,900 --> 00:56:38,690

we do give a little bit too much power

1449

00:56:43,420 --> 00:56:40,910

to the idea that you can't make it

1450

00:56:45,040 --> 00:56:43,430

because of the system right and that's

1451

00:56:47,859 --> 00:56:45,050

what I was saying earlier like I wanted

1452

00:56:49,450 --> 00:56:47,869

to get an accurate view of the game

1453

00:56:51,280 --> 00:56:49,460

we're playing and then I wanted to be

1454

00:56:52,390 --> 00:56:51,290

like okay now that I see the game for

1455

00:56:54,099 --> 00:56:52,400

what it is not what I was taught in

1456

00:56:56,349 --> 00:56:54,109

school but what it actually is

1457

00:56:58,900 --> 00:56:56,359

now I can move my pieces a little better

1458

00:57:01,300 --> 00:56:58,910

and instead of just waiting for the

1459

00:57:03,370 --> 00:57:01,310

revolution and the Occupy movement to

1460

00:57:05,440 --> 00:57:03,380

make out all my problems go away I'm

1461

00:57:09,370 --> 00:57:05,450

gonna have to do this my own way and I

1462

00:57:11,349 --> 00:57:09,380

have you have but I still you know look

1463

00:57:13,000 --> 00:57:11,359

at every intersection in San Diego and

1464

00:57:14,740 --> 00:57:13,010

see for homeless people begging for

1465

00:57:16,630 --> 00:57:14,750

changing you know you can chalk that up

1466

00:57:19,540 --> 00:57:16,640

to laziness or not making the right

1467

00:57:21,220 --> 00:57:19,550

decisions but I think that when you get

1468

00:57:22,960 --> 00:57:21,230

the macro view when you look at the

1469

00:57:25,870 --> 00:57:22,970

Institute errs of the Federals that are

1470

00:57:27,940 --> 00:57:25,880

the Institute of the system they're

1471

00:57:29,829 --> 00:57:27,950

concerned with keeping their power and

1472

00:57:31,839 --> 00:57:29,839

making sure that the masses don't rise

1473

00:57:34,930 --> 00:57:31,849

up against them and if you let some

1474

00:57:37,300 --> 00:57:34,940

outliers through and have success that's

1475

00:57:40,420 --> 00:57:37,310

not gonna really do anything to hurt you

1476

00:57:42,880 --> 00:57:40,430

but if the masses were to all of a

1477

00:57:44,050 --> 00:57:42,890

sudden everybody takes mushrooms and

1478

00:57:46,510 --> 00:57:44,060

says yeah what the [h\_\_h] are we doing

1479

00:57:48,339 --> 00:57:46,520

this is all [h\_\_h] you know then there

1480

00:57:50,650 --> 00:57:48,349

might be an actual uprising if people

1481

00:57:52,420 --> 00:57:50,660

were to say hey this is death that I'm

1482

00:57:53,950 --> 00:57:52,430

in is really just a number on a screen

1483

00:57:56,410 --> 00:57:53,960

it doesn't mean anything

1484

00:57:59,050 --> 00:57:56,420

like it's just green paper it's monopoly

1485

00:58:01,809 --> 00:57:59,060

money a lot of the way they do control

1486

00:58:03,370 --> 00:58:01,819

us by creating this paradigm and we're

1487

00:58:05,109 --> 00:58:03,380

making it an uphill battle you know

1488

00:58:07,960 --> 00:58:05,119

we're like Sam and trying to swim

1489

00:58:10,000 --> 00:58:07,970

upstream like it does it is like a flow

1490

00:58:11,710 --> 00:58:10,010

to knock you down and some of us

1491

00:58:14,560 --> 00:58:11,720

make it you know some of us make it up

1492

00:58:16,450 --> 00:58:14,570

there but from their view I think they

1493

00:58:18,040 --> 00:58:16,460

know that the masses you know you go

1494

00:58:20,050 --> 00:58:18,050

back to the Midwest you know every

1495

00:58:21,760 --> 00:58:20,060

friend I grew up with they don't believe

1496

00:58:23,920 --> 00:58:21,770

in the conspiracy [h\_\_h] and they have

1497

00:58:26,560 --> 00:58:23,930

a regular nine-to-five job and ignorance

1498

00:58:28,180 --> 00:58:26,570

is bliss and that's what I think the

1499

00:58:30,460 --> 00:58:28,190

system is kind of set up to do and

1500

00:58:33,340 --> 00:58:30,470

that's what I think debt does is debt is

1501  
00:58:35,890 --> 00:58:33,350  
just one more brick in the wall to keep

1502  
00:58:38,860 --> 00:58:35,900  
you from actually developing because

1503  
00:58:40,780 --> 00:58:38,870  
it's a huge stress on basically

1504  
00:58:43,270 --> 00:58:40,790  
everybody I mean the number one reason

1505  
00:58:46,330 --> 00:58:43,280  
that marriages fall apart is because of

1506  
00:58:47,620 --> 00:58:46,340  
paper money I mean it's a little silly I

1507  
00:58:49,540 --> 00:58:47,630  
think that's why I think that's an

1508  
00:58:51,280 --> 00:58:49,550  
important piece of the puzzle to really

1509  
00:58:53,410 --> 00:58:51,290  
like get your head around because it

1510  
00:58:55,450 --> 00:58:53,420  
does affect people quite a bit well I

1511  
00:58:59,200 --> 00:58:55,460  
think you're right and the one thing I'd

1512  
00:59:01,600 --> 00:58:59,210  
say about the the debt issue is I think

1513  
00:59:04,480 --> 00:59:01,610

it's very true on a personal level but I

1514

00:59:05,830 --> 00:59:04,490

think balancing that out with you can

1515

00:59:07,930 --> 00:59:05,840

acknowledge that it's an uphill battle

1516

00:59:09,370 --> 00:59:07,940

and that your salmon swimming upstream

1517

00:59:11,890 --> 00:59:09,380

but that doesn't mean you should stop

1518

00:59:13,600 --> 00:59:11,900

swimming and you have to you know for

1519

00:59:15,670 --> 00:59:13,610

yourself get to a point where you're

1520

00:59:18,070 --> 00:59:15,680

like okay I'm not stuck in this debt

1521

00:59:19,870 --> 00:59:18,080

based system of rule I see it I see that

1522

00:59:21,670 --> 00:59:19,880

it's very tempting to get into and once

1523

00:59:23,620 --> 00:59:21,680

it's got your hooks in once it's got its

1524

00:59:26,290 --> 00:59:23,630

hooks in it's very hard to get out but

1525

00:59:27,850 --> 00:59:26,300

you still can like you you know out an

1526

00:59:29,470 --> 00:59:27,860

individual basis don't think you're

1527

00:59:31,750 --> 00:59:29,480

defeated because you're up against this

1528

00:59:34,330 --> 00:59:31,760

monolith that you can't ever overcome

1529

00:59:36,880 --> 00:59:34,340

you just have to be creative you just

1530

00:59:38,380 --> 00:59:36,890

have to I would agree with that and the

1531

00:59:41,290 --> 00:59:38,390

other thing that I was going to add is

1532

00:59:43,540 --> 00:59:41,300

you know the advantage of kind of

1533

00:59:46,630 --> 00:59:43,550

confronting some of these things like

1534

00:59:50,530 --> 00:59:46,640

you're talking about is you also have to

1535

00:59:52,570 --> 00:59:50,540

I think separate out what is just doing

1536

00:59:56,440 --> 00:59:52,580

business and what is really

1537

00:59:58,300 --> 00:59:56,450

conspiratorial because as a savvy person

1538

00:59:59,650 --> 00:59:58,310

like you couldn't have done all the

1539

01:00:02,710 --> 00:59:59,660

things that you're done with the higher

1540

01:00:05,170 --> 01:00:02,720

side chats it's not easy to do a podcast

1541

01:00:07,510 --> 01:00:05,180

and to be successful with it and then to

1542

01:00:09,850 --> 01:00:07,520

be financially successful that it's not

1543

01:00:11,500 --> 01:00:09,860

easy to swim up I mean a lot of people

1544

01:00:13,900 --> 01:00:11,510

you talk about swimming upstream would

1545

01:00:15,910 --> 01:00:13,910

see that as an impossible thing and and

1546

01:00:17,920 --> 01:00:15,920

yet you've done it and I think there's a

1547

01:00:21,070 --> 01:00:17,930

crossover there between we're all

1548

01:00:23,130 --> 01:00:21,080

confronted with doing tough things and

1549

01:00:25,830 --> 01:00:23,140

hard things and it doesn't help

1550

01:00:28,290 --> 01:00:25,840

to sit around and kind of worry about

1551

01:00:30,240 --> 01:00:28,300

how hard it is you just kind of kind of

1552

01:00:32,130 --> 01:00:30,250

take the perspective of I'm the one

1553

01:00:34,560 --> 01:00:32,140

salmon who is gonna make it up that

1554

01:00:36,300 --> 01:00:34,570

stream I think a lot of ways that's a

1555

01:00:37,950 --> 01:00:36,310

lot more empowering in a lot of ways

1556

01:00:39,990 --> 01:00:37,960

it's not more it's a lot more realistic

1557

01:00:42,060 --> 01:00:40,000

because we don't really know what those

1558

01:00:44,100 --> 01:00:42,070

other salmon are doing or thinking we

1559

01:00:45,690 --> 01:00:44,110

just have to be our own salmon and

1560

01:00:47,640 --> 01:00:45,700

you're stuck in your own stream like

1561

01:00:49,890 --> 01:00:47,650

you're the only one responsible for your

1562

01:00:51,390 --> 01:00:49,900

rent so it really doesn't matter you

1563

01:00:52,920 --> 01:00:51,400

know what your neighbors are doing or

1564

01:00:54,360 --> 01:00:52,930

what they're into like we all are

1565

01:00:56,250 --> 01:00:54,370

fighting an individual fight which i

1566

01:01:00,210 --> 01:00:56,260

think is another part of the control

1567

01:01:02,580 --> 01:01:00,220

paradigm like you know it's hard to get

1568

01:01:05,220 --> 01:01:02,590

a group together it's hard to you know

1569

01:01:07,800 --> 01:01:05,230

get a big revolution going when we all

1570

01:01:10,020 --> 01:01:07,810

are all fighting an individual battle

1571

01:01:11,850 --> 01:01:10,030

because no one's gonna put themselves

1572

01:01:13,200 --> 01:01:11,860

out there too far because what are you

1573

01:01:16,020 --> 01:01:13,210

gonna pay my rent when I get arrested

1574

01:01:18,150 --> 01:01:16,030

for your cause I don't think so you know

1575

01:01:21,030 --> 01:01:18,160

I got to make sure I eat and not again

1576

01:01:23,070 --> 01:01:21,040

is like I think it's so well-crafted

1577

01:01:25,350 --> 01:01:23,080

that's where I get conspiratorial is I

1578

01:01:27,450 --> 01:01:25,360

do think like it isn't an accident that

1579

01:01:30,360 --> 01:01:27,460

it's crafted exactly like it is and it's

1580

01:01:30,750 --> 01:01:30,370

for ultimate control and it's hard to

1581

01:01:33,150 --> 01:01:30,760

control

1582

01:01:34,650 --> 01:01:33,160

six seven billion people and make sure

1583

01:01:37,080 --> 01:01:34,660

that they're all doing exactly what you

1584

01:01:38,880 --> 01:01:37,090

want but you can put the pressure on

1585

01:01:41,220 --> 01:01:38,890

them that most people won't rise past

1586

01:01:43,710 --> 01:01:41,230

luckily we have you know fingers crossed

1587

01:01:45,600 --> 01:01:43,720

we say that way I like to say you know

1588

01:01:47,490 --> 01:01:45,610

when I moved to San Diego it was to grow

1589

01:01:50,250 --> 01:01:47,500

wheat that was my big get out of jail

1590

01:01:51,870 --> 01:01:50,260

plan and I'm probably the one guy in the

1591

01:01:54,860 --> 01:01:51,880

world who couldn't make money growing

1592

01:01:57,630 --> 01:01:54,870

weed and can make money on a podcast

1593

01:01:59,730 --> 01:01:57,640

that might be an awesome way to wrap it

1594

01:02:01,560 --> 01:01:59,740

up Greg it's been absolutely super

1595

01:02:03,840 --> 01:02:01,570

having you on skeptiko

1596

01:02:06,360 --> 01:02:03,850

I'm sure will say and touch and find

1597

01:02:09,170 --> 01:02:06,370

other ways maybe to collaborate because

1598

01:02:12,060 --> 01:02:09,180

I think that the conspiratorial

1599

01:02:14,520 --> 01:02:12,070

worldview that you bring to things it

1600

01:02:17,160 --> 01:02:14,530

extends far beyond what people normally

1601  
01:02:19,020 --> 01:02:17,170  
think about just conspiracies and extend

1602  
01:02:21,120 --> 01:02:19,030  
into these personal transformation

1603  
01:02:22,860 --> 01:02:21,130  
things that I'm so excited about so

1604  
01:02:24,630 --> 01:02:22,870  
awesome awesome having you on thank you

1605  
01:02:26,490 --> 01:02:24,640  
so much thanks for having me you know I

1606  
01:02:29,150 --> 01:02:26,500  
don't feel worthy I see your guest list

1607  
01:02:32,280 --> 01:02:29,160  
and you know I'm just a simple-minded

1608  
01:02:32,700 --> 01:02:32,290  
Midwestern college dropout stoner what

1609  
01:02:33,850 --> 01:02:32,710  
do I know

1610  
01:02:35,980 --> 01:02:33,860  
but hey I

1611  
01:02:37,810 --> 01:02:35,990  
appreciated so much man you do the

1612  
01:02:42,400 --> 01:02:37,820  
humble card pretty good man but I know

1613  
01:02:44,140 --> 01:02:42,410

the real story okay great everybody I

1614

01:02:46,570 --> 01:02:44,150

hope you liked the video if you want

1615

01:02:48,610 --> 01:02:46,580

more please check out the website all

1616

01:02:51,790 --> 01:02:48,620

sorts of telephone consciousness science

1617

01:02:54,820 --> 01:02:51,800

neutrality skepticism many many

1618

01:02:56,670 --> 01:02:54,830

interviews or three hundred of website

1619

01:02:59,140 --> 01:02:56,680

so be sure to check it out also

1620

01:03:01,720 --> 01:02:59,150

subscribe like do all that good stuff

1621

01:03:04,060 --> 01:03:01,730

tell other people about it so we can
