

Joy Lin
Skeptiko #347

1
00:00:12,709 --> 00:00:09,379
on this episode of skeptical I was just

2
00:00:14,749 --> 00:00:12,719
so angry and I know I can talk to this

3
00:00:20,000 --> 00:00:14,759
because I do that my job at the medium

4
00:00:24,080 --> 00:00:20,010
and I decided um in my anger to talk to

5
00:00:27,410 --> 00:00:24,090
the spirits at his work and basically I

6
00:00:30,080 --> 00:00:27,420
told them to basically attack him you

7
00:00:32,810 --> 00:00:30,090
know hurt him attack him whatever I just

8
00:00:36,560 --> 00:00:32,820
don't care I could feel the energy in my

9
00:00:39,619 --> 00:00:36,570
body it was different than the energy

10
00:00:43,010 --> 00:00:39,629
that normally comes to me when I do this

11
00:00:46,160 --> 00:00:43,020
type of work it was it was stronger and

12
00:00:48,049 --> 00:00:46,170
it was but it was darker and I of course

13
00:00:49,580 --> 00:00:48,059

I did this at night and probably under a

14

00:00:52,250 --> 00:00:49,590

full moon or something but it was just

15

00:00:54,939 --> 00:00:52,260

it was scary and I I was by myself and I

16

00:00:57,979 --> 00:00:54,949

was just at that point I didn't care and

17

00:01:00,889 --> 00:00:57,989

I could feel it and then I felt

18

00:01:03,670 --> 00:01:00,899

something come up behind me and it was

19

00:01:08,420 --> 00:01:03,680

just ever so slightly and it was

20

00:01:12,950 --> 00:01:08,430

basically saying like yes yes we can do

21

00:01:16,910 --> 00:01:12,960

that but what will you do for us stay

22

00:01:26,770 --> 00:01:24,570

[Music]

23

00:01:28,480 --> 00:01:26,780

welcome to skeptical where we explore

24

00:01:30,940 --> 00:01:28,490

controversial science and spirituality

25

00:01:31,840 --> 00:01:30,950

with leading researchers thinkers and

26

00:01:34,120 --> 00:01:31,850

their critics

27

00:01:36,910 --> 00:01:34,130

I'm your host Alex Karras and on today's

28

00:01:38,560 --> 00:01:36,920

episode I have in the studio with me

29

00:01:40,600 --> 00:01:38,570

actually I don't have her right now

30

00:01:44,260 --> 00:01:40,610

because I recorded this earlier but

31

00:01:48,430 --> 00:01:44,270

mediumistic healer chandler communicator

32

00:01:51,370 --> 00:01:48,440

life coach joy Lynne is joining me now a

33

00:01:52,990 --> 00:01:51,380

quick back story here I originally heard

34

00:01:55,120 --> 00:01:53,000

about joy through interview on

35

00:01:57,160 --> 00:01:55,130

mysterious universe about a year ago

36

00:01:59,620 --> 00:01:57,170

publish a link in the show notes it's a

37

00:02:02,050 --> 00:01:59,630

fantastic interview tells the story of

38

00:02:04,150 --> 00:02:02,060

joy who is this engineer type who

39

00:02:06,730 --> 00:02:04,160

suddenly and dramatically starts having

40

00:02:08,919 --> 00:02:06,740

these experiences with spirits thinks

41

00:02:10,180 --> 00:02:08,929

she's going crazy goes through all the

42

00:02:12,550 --> 00:02:10,190

conventional kind of medical

43

00:02:14,350 --> 00:02:12,560

explanations and ultimately winds up

44

00:02:16,270 --> 00:02:14,360

with a Reiki healer who says no I'm

45

00:02:17,950 --> 00:02:16,280

sorry it's not that it's just that

46

00:02:20,350 --> 00:02:17,960

you're connected now and you got to deal

47

00:02:22,840 --> 00:02:20,360

with it and she has done that and done

48

00:02:25,300 --> 00:02:22,850

that in a pretty amazing way now I know

49

00:02:27,160 --> 00:02:25,310

joy because I contacted here and I tell

50

00:02:29,560 --> 00:02:27,170

the story later in the interview to do a

51
00:02:31,270 --> 00:02:29,570
healing for me because I was going

52
00:02:33,240 --> 00:02:31,280
through a health issue and I decided

53
00:02:35,199 --> 00:02:33,250
that while I was at the same time doing

54
00:02:37,479 --> 00:02:35,209
conventional therapy which was a

55
00:02:40,360 --> 00:02:37,489
disaster by the way I would also seek

56
00:02:42,340 --> 00:02:40,370
alternative treatments of various kinds

57
00:02:45,130 --> 00:02:42,350
including this and while I can't say her

58
00:02:47,440 --> 00:02:45,140
healing per se changed anything for me

59
00:02:49,000 --> 00:02:47,450
the intuitive information that she

60
00:02:50,979 --> 00:02:49,010
brought through in that healing was

61
00:02:53,500 --> 00:02:50,989
dramatically profound and I said wow

62
00:02:55,180 --> 00:02:53,510
you're the real deal I have to have you

63
00:02:57,220 --> 00:02:55,190

on skeptic oh because there's all these

64

00:02:59,590 --> 00:02:57,230

issues that keep coming up about what's

65

00:03:01,180 --> 00:02:59,600

really going on with mediumship what's

66

00:03:03,220 --> 00:03:01,190

really going on with healing what's

67

00:03:04,449 --> 00:03:03,230

really going on with good and evil and

68

00:03:06,070 --> 00:03:04,459

these other realms and she has some

69

00:03:08,890 --> 00:03:06,080

incredible stories about that by the way

70

00:03:10,540 --> 00:03:08,900

very chilling if you will so all that

71

00:03:12,550 --> 00:03:10,550

stuff got wrapped into this interview it

72

00:03:13,750 --> 00:03:12,560

was a long discussion she was here in

73

00:03:15,729 --> 00:03:13,760

the studio and we just talked

74

00:03:18,460 --> 00:03:15,739

conversationally and I've tried to edit

75

00:03:20,530 --> 00:03:18,470

into something meaningful I do have to

76
00:03:21,850 --> 00:03:20,540
say at the very beginning it does kind

77
00:03:23,860 --> 00:03:21,860
of jump right into the middle of this

78
00:03:26,890 --> 00:03:23,870
conversation we were having and I was

79
00:03:29,710 --> 00:03:26,900
talking about my recent interview with

80
00:03:31,840 --> 00:03:29,720
Renee on astrology and the reading

81
00:03:33,910 --> 00:03:31,850
that we had so I hope that isn't too

82
00:03:35,920 --> 00:03:33,920
confusing but you'll get into it really

83
00:03:37,780 --> 00:03:35,930
quickly and understand if you've

84
00:03:39,880 --> 00:03:37,790
listened to skip to go at all you'll

85
00:03:42,190 --> 00:03:39,890
understand what we're talking about

86
00:03:43,990 --> 00:03:42,200
here's my interview with Joey Lynn I

87
00:03:45,820 --> 00:03:44,000
mean I'll just lay my cards on the tent

88
00:03:48,310 --> 00:03:45,830

at the beginning with maybe I shouldn't

89

00:03:50,860 --> 00:03:48,320

do this but it's like you know when I

90

00:03:53,110 --> 00:03:50,870

was talking to her I was like I don't

91

00:03:58,750 --> 00:03:53,120

think you've quite sorted out how much

92

00:04:00,490 --> 00:03:58,760

of this is psychic to just use a common

93

00:04:03,490 --> 00:04:00,500

term versus how much of this is

94

00:04:05,949 --> 00:04:03,500

astrology yeah and it's like when we

95

00:04:07,780 --> 00:04:05,959

talked initially one of the things that

96

00:04:09,220 --> 00:04:07,790

I thought was really cool or I

97

00:04:10,720 --> 00:04:09,230

appreciate about what you did is we were

98

00:04:13,480 --> 00:04:10,730

talking along and you said okay do you

99

00:04:16,570 --> 00:04:13,490

mind if I do the Tarot like I know this

100

00:04:19,330 --> 00:04:16,580

is stupid not stupid yeah you know what

101
00:04:22,120 --> 00:04:19,340
I mean that there's no logical

102
00:04:23,650 --> 00:04:22,130
connection between shuffling this deck

103
00:04:25,659 --> 00:04:23,660
and dividing it and looking at these

104
00:04:28,409 --> 00:04:25,669
pictures and saying anything about any

105
00:04:30,790 --> 00:04:28,419
event and you because you're

106
00:04:32,440 --> 00:04:30,800
scientifically minded engineer and

107
00:04:33,940 --> 00:04:32,450
that's what I think I was drawn to you

108
00:04:35,860 --> 00:04:33,950
buy and I think other people are drawn

109
00:04:39,790 --> 00:04:35,870
to you for that same reason you're like

110
00:04:43,210 --> 00:04:39,800
yeah I get that but it seems to work it

111
00:04:45,159 --> 00:04:43,220
seems to somehow connect me or put me in

112
00:04:48,340 --> 00:04:45,169
a place where I seem to be able to help

113
00:04:51,250 --> 00:04:48,350

people so bear with me yeah no let's do

114

00:04:54,430 --> 00:04:51,260

this and I thought yes yes yes and when

115

00:04:56,409 --> 00:04:54,440

I talk to ring astrologer it was a

116

00:04:58,300 --> 00:04:56,419

really different vibe it was and I get

117

00:05:00,550 --> 00:04:58,310

that too because those people are so

118

00:05:02,380 --> 00:05:00,560

maligned I think and you know they're

119

00:05:05,140 --> 00:05:02,390

under pressure and it gets from

120

00:05:08,230 --> 00:05:05,150

skeptical people and from society in

121

00:05:10,659 --> 00:05:08,240

general that they get no this really

122

00:05:13,510 --> 00:05:10,669

works it really really really works and

123

00:05:15,430 --> 00:05:13,520

it's like well what does it mean really

124

00:05:18,219 --> 00:05:15,440

works because I wouldn't personally use

125

00:05:20,050 --> 00:05:18,229

astrology for predictive qualities

126

00:05:24,280 --> 00:05:20,060

that's me

127

00:05:27,850 --> 00:05:24,290

I honestly until my friend who works

128

00:05:31,680 --> 00:05:27,860

with me sometimes told me about

129

00:05:33,580 --> 00:05:31,690

evolutionary strongly I didn't really

130

00:05:35,860 --> 00:05:33,590

buy into astrology

131

00:05:38,020 --> 00:05:35,870

because I felt was really generic it was

132

00:05:39,429 --> 00:05:38,030

like reading the horoscope and it's like

133

00:05:41,499 --> 00:05:39,439

oh you're

134

00:05:44,290 --> 00:05:41,509

and I and it's like this I'm like yeah

135

00:05:45,699 --> 00:05:44,300

yeah you know but design everyone born

136

00:05:48,609 --> 00:05:45,709

your main June is coming like this and

137

00:05:51,489 --> 00:05:48,619

I'm a Gemini too I can tell what you're

138

00:05:51,879 --> 00:05:51,499

doing really yeah when's everything June

139

00:05:56,999 --> 00:05:51,889

8th

140

00:05:59,859 --> 00:05:57,009

oh I'm May 29th well so first of all

141

00:06:02,409 --> 00:05:59,869

first of all let me say this you know

142

00:06:04,419 --> 00:06:02,419

everyone puts that down but most of us

143

00:06:07,629 --> 00:06:04,429

I just think most people I've talked to

144

00:06:09,879 --> 00:06:07,639

you have some kind of connection to

145

00:06:11,979 --> 00:06:09,889

their astrological where they go you

146

00:06:13,359 --> 00:06:11,989

know what they may I can't they want to

147

00:06:14,979 --> 00:06:13,369

kind of hold it in they don't call it

148

00:06:17,169 --> 00:06:14,989

whatever I just talked to my wife

149

00:06:19,779 --> 00:06:17,179

yesterday and she was talking about this

150

00:06:21,459 --> 00:06:19,789

and she goes you know and she's like I

151
00:06:25,449 --> 00:06:21,469
said a forensic psychologist and she is

152
00:06:27,069 --> 00:06:25,459
really totally aversive to you know all

153
00:06:28,749 --> 00:06:27,079
this stuff but at the same time it

154
00:06:30,579 --> 00:06:28,759
creeks in and she knows it's there and

155
00:06:32,409 --> 00:06:30,589
she's like I'm a Scorpio and you know

156
00:06:35,350 --> 00:06:32,419
I've always kind of identified that that

157
00:06:38,259 --> 00:06:35,360
really does kind of fit me you know so

158
00:06:41,559 --> 00:06:38,269
I'll think there's this push poll that

159
00:06:44,319 --> 00:06:41,569
all that I agree I Gemini I actually

160
00:06:46,419 --> 00:06:44,329
have my son moon and Venus in Gemini so

161
00:06:49,419 --> 00:06:46,429
I'm like a triple Gemini of sorts and I

162
00:06:53,879 --> 00:06:49,429
can tell my mind just goes and goes and

163
00:06:56,469 --> 00:06:53,889

I agree there are traits but traits and

164

00:06:59,109 --> 00:06:56,479

energy of those traits isn't what I

165

00:07:02,769 --> 00:06:59,119

would use astrology to use for

166

00:07:07,059 --> 00:07:02,779

predictive qualities I agree and I have

167

00:07:10,619 --> 00:07:07,069

been host religious and it is a true

168

00:07:13,839 --> 00:07:10,629

study of a language to the point like

169

00:07:16,389 --> 00:07:13,849

some astrologers that I know will talk

170

00:07:19,749 --> 00:07:16,399

into it like okay this is Pluto square

171

00:07:21,069 --> 00:07:19,759

you're Chiron leva and I will just it

172

00:07:23,290 --> 00:07:21,079

will just go over my head because I'm

173

00:07:24,999 --> 00:07:23,300

like so wait what what does that mean

174

00:07:26,529 --> 00:07:25,009

you know they're like oh this is

175

00:07:29,499 --> 00:07:26,539

transiting this and this is blah blah

176

00:07:31,540 --> 00:07:29,509

blah and I have no idea I'm like so can

177

00:07:33,609 --> 00:07:31,550

you break it down for me what exactly

178

00:07:35,079 --> 00:07:33,619

does that mean is its own language and

179

00:07:38,769 --> 00:07:35,089

there are so many different ways to look

180

00:07:40,269 --> 00:07:38,779

at astrology and study it yeah you know

181

00:07:43,179 --> 00:07:40,279

I'm sure it works for people I'm sure

182

00:07:44,080 --> 00:07:43,189

people you know grow crops by the Sun in

183

00:07:46,420 --> 00:07:44,090

the moon and

184

00:07:49,629 --> 00:07:46,430

phases of things so I feel like that's

185

00:07:51,939 --> 00:07:49,639

more energy that in terms of something

186

00:07:54,790 --> 00:07:51,949

out there in the atmosphere affects our

187

00:07:56,379 --> 00:07:54,800

world too you know whether it's transit

188

00:07:59,439 --> 00:07:56,389

of something someone's just been able to

189

00:08:02,469 --> 00:07:59,449

study it from way back when with you

190

00:08:05,200 --> 00:08:02,479

know the telescope and correlate of okay

191

00:08:07,000 --> 00:08:05,210

this crops are growing better or people

192

00:08:10,650 --> 00:08:07,010

are more emotional and they made some

193

00:08:13,810 --> 00:08:10,660

sort of studying correlation but I never

194

00:08:16,480 --> 00:08:13,820

read my horoscope daily or even when I

195

00:08:18,120 --> 00:08:16,490

did go see astrologers or my friends who

196

00:08:20,200 --> 00:08:18,130

were astrologers who gave me readings

197

00:08:22,450 --> 00:08:20,210

sometimes I found really generic and I

198

00:08:24,969 --> 00:08:22,460

never referred back to it see the joy

199

00:08:26,710 --> 00:08:24,979

there's like about four hours to be

200

00:08:28,360 --> 00:08:26,720

pulled apart and broken down there

201
00:08:30,280 --> 00:08:28,370
because you said some really I think

202
00:08:32,800 --> 00:08:30,290
interesting important things from a kind

203
00:08:35,920 --> 00:08:32,810
of skeptical perspective first I think

204
00:08:38,440 --> 00:08:35,930
it's very interesting that you said

205
00:08:39,969 --> 00:08:38,450
there's a correlation because as I just

206
00:08:42,190 --> 00:08:39,979
alluded to and we're kind of jumping

207
00:08:45,910 --> 00:08:42,200
right into this a little of this and if

208
00:08:48,160 --> 00:08:45,920
you're supposed to be do Dan Healy we're

209
00:08:51,010 --> 00:08:48,170
not supposed to be doing anything but

210
00:08:52,329 --> 00:08:51,020
we're just go with that you know in the

211
00:08:56,519 --> 00:08:52,339
middle of that interview what you tail

212
00:09:00,579 --> 00:08:56,529
will do the human okay so to properly

213
00:09:04,030 --> 00:09:00,589

properly step back and introduce joylynn

214

00:09:06,010 --> 00:09:04,040

who's wonderfully visiting me which it

215

00:09:08,290 --> 00:09:06,020

never happens only happened twice for

216

00:09:10,410 --> 00:09:08,300

skeptic Oh episode someone's sitting

217

00:09:13,630 --> 00:09:10,420

across from me and I can talk to him and

218

00:09:17,560 --> 00:09:13,640

joy is well let's see what are you doing

219

00:09:19,090 --> 00:09:17,570

what are you doing right now you are how

220

00:09:22,240 --> 00:09:19,100

would you describe yourself an energy

221

00:09:25,420 --> 00:09:22,250

healer also a psychic tarot card reader

222

00:09:28,900 --> 00:09:25,430

I call myself a spiritual medium and an

223

00:09:31,510 --> 00:09:28,910

energy healer and I've been doing it for

224

00:09:34,210 --> 00:09:31,520

over 10 years and an intuitive coach I

225

00:09:35,800 --> 00:09:34,220

apparently I am

226

00:09:40,710 --> 00:09:35,810

it says right here on a business card

227

00:09:43,510 --> 00:09:40,720

yeah it's hard to label myself I still

228

00:09:44,830 --> 00:09:43,520

hesitate to do it because as you know

229

00:09:48,370 --> 00:09:44,840

I've come from an engineering background

230

00:09:50,530 --> 00:09:48,380

a very science-based background and it's

231

00:09:54,220 --> 00:09:50,540

easy to say I'm a doctor I'm an engineer

232

00:09:56,470 --> 00:09:54,230

I'm a lawyer something for me though

233

00:09:58,690 --> 00:09:56,480

when people ask me know what do you from

234

00:10:00,960 --> 00:09:58,700

work I you see this look on my face

235

00:10:03,040 --> 00:10:00,970

where I'm trying to gauge if one bill

236

00:10:05,020 --> 00:10:03,050

believe in this stuff and they'll kind

237

00:10:06,910 --> 00:10:05,030

of accept or look at me crazy or laugh

238

00:10:11,770 --> 00:10:06,920

at me or take me seriously I'm not even

239

00:10:13,630 --> 00:10:11,780

sure and so I go I do a lot of that's

240

00:10:16,380 --> 00:10:13,640

usually how I introduce myself they're

241

00:10:22,090 --> 00:10:16,390

like oh like what and I usually go oh

242

00:10:24,580 --> 00:10:22,100

you know I do he'll I I help people I

243

00:10:28,590 --> 00:10:24,590

kind of it say it that way and they go

244

00:10:31,960 --> 00:10:28,600

oh okay are you a psychologist sometimes

245

00:10:35,170 --> 00:10:31,970

and then eventually I'll take I'm a

246

00:10:36,940 --> 00:10:35,180

medium and I usually refer to myself

247

00:10:39,280 --> 00:10:36,950

more as a medium than a psychic because

248

00:10:41,710 --> 00:10:39,290

there is a slight difference well it

249

00:10:44,410 --> 00:10:41,720

hasn't become easier to talk about

250

00:10:46,210 --> 00:10:44,420

yourself as a medium I mean we have TV

251
00:10:48,280 --> 00:10:46,220
shows like Long Island medium and we

252
00:10:50,380 --> 00:10:48,290
have other it's in the public awareness

253
00:10:53,830 --> 00:10:50,390
and I think psychic is still associated

254
00:10:55,840 --> 00:10:53,840
with a lot of kind of chamois and the

255
00:10:58,240 --> 00:10:55,850
whole we anti palm thing and a lot of it

256
00:11:01,030 --> 00:10:58,250
which is really if you see a home out

257
00:11:03,580 --> 00:11:01,040
there you know you know it's probably

258
00:11:06,010 --> 00:11:03,590
some kind of gypsy scam thing I mean

259
00:11:09,510 --> 00:11:06,020
this a lot of those are it's sad it's

260
00:11:13,360 --> 00:11:09,520
sad that it's come to that type of I

261
00:11:14,680 --> 00:11:13,370
don't know money hungry ego based but

262
00:11:16,270 --> 00:11:14,690
there's a there's a long history it's

263
00:11:18,520 --> 00:11:16,280

not like it's come down I mean there's a

264

00:11:20,110 --> 00:11:18,530

serious it is and it's just inside

265

00:11:22,090 --> 00:11:20,120

because I think a lot of those people

266

00:11:24,910 --> 00:11:22,100

really have gifts they really do have

267

00:11:27,910 --> 00:11:24,920

everyone psychic right one ability or

268

00:11:30,670 --> 00:11:27,920

another but what drives them to do the

269

00:11:32,410 --> 00:11:30,680

work yeah unfortunately yes it is a long

270

00:11:34,150 --> 00:11:32,420

history of see that said Ben we're gonna

271

00:11:35,740 --> 00:11:34,160

have to we have to revisit that I gonna

272

00:11:37,300 --> 00:11:35,750

make it up is we're gonna make notes or

273

00:11:38,530 --> 00:11:37,310

anyway we need to just decide what we

274

00:11:40,750 --> 00:11:38,540

need to talk up said because

275

00:11:41,860 --> 00:11:40,760

I don't think we can say sad and just

276

00:11:46,150 --> 00:11:41,870

leave it at that

277

00:11:48,580 --> 00:11:46,160

you know I'm saddened by I got my I'm

278

00:11:49,960 --> 00:11:48,590

said I'm saddened by it too but here's

279

00:11:51,430 --> 00:11:49,970

where I want to go with that I'm gonna

280

00:11:53,860 --> 00:11:51,440

pick back up on your background because

281

00:11:55,330 --> 00:11:53,870

I think it's it's interesting and it

282

00:11:59,290 --> 00:11:55,340

comes through like you keep saying this

283

00:12:01,240 --> 00:11:59,300

engineering thing and from talking to

284

00:12:02,650 --> 00:12:01,250

you you know you're anyone who sees will

285

00:12:04,390 --> 00:12:02,660

see your picture of C's district Asian

286

00:12:08,530 --> 00:12:04,400

you grew up in San Cisco

287

00:12:09,970 --> 00:12:08,540

and kind of the from what you described

288

00:12:12,310 --> 00:12:09,980

when I talked to you before kind of a

289

00:12:15,070 --> 00:12:12,320

lot of the typical Asian drug to succeed

290

00:12:17,910 --> 00:12:15,080

you know you know come to you come out

291

00:12:20,890 --> 00:12:17,920

to your parents and say you know I think

292

00:12:23,080 --> 00:12:20,900

sidekick it's got a more my job

293

00:12:25,480 --> 00:12:23,090

description and so you went down the

294

00:12:26,860 --> 00:12:25,490

path of succeeding doing this stuff to

295

00:12:29,110 --> 00:12:26,870

ended in school becoming an engineer

296

00:12:30,460 --> 00:12:29,120

becoming successful my parents still

297

00:12:32,950 --> 00:12:30,470

don't know exactly what I'm doing here

298

00:12:35,410 --> 00:12:32,960

today I told them I'm doing an interview

299

00:12:37,180 --> 00:12:35,420

and they're like a job interview oh

300

00:12:41,260 --> 00:12:37,190

you're interviewing for 19 career even

301
00:12:44,920 --> 00:12:41,270
better Tai Chi I'm like no I'm going on

302
00:12:47,620 --> 00:12:44,930
a radio podcast and they're like oh for

303
00:12:55,120 --> 00:12:47,630
what that's like telling them they're

304
00:12:55,960 --> 00:12:55,130
like oh okay quite that's great so

305
00:12:58,120 --> 00:12:55,970
that's great

306
00:13:01,030 --> 00:12:58,130
and he just fills all the stereotypes

307
00:13:04,330 --> 00:13:01,040
when we think of with the the tiger mom

308
00:13:07,510 --> 00:13:04,340
and not the lawyer my mom yeah that's

309
00:13:08,620 --> 00:13:07,520
not like the things that I brought on to

310
00:13:12,100 --> 00:13:08,630
their house like I brought some

311
00:13:13,750 --> 00:13:12,110
pendulums and stuff and I was like what

312
00:13:15,310 --> 00:13:13,760
are you doing with this what what what

313
00:13:17,590 --> 00:13:15,320

are you spending so much money on these

314

00:13:20,110 --> 00:13:17,600

things what are you doing it I'm like I

315

00:13:21,720 --> 00:13:20,120

mean do they have any connection when

316

00:13:24,370 --> 00:13:21,730

you're growing up to kind of that

317

00:13:27,550 --> 00:13:24,380

spirituality because there's the whole

318

00:13:29,620 --> 00:13:27,560

Chinese Buddhism as well there's

319

00:13:31,990 --> 00:13:29,630

Buddhism and there's the Taoism and

320

00:13:33,400 --> 00:13:32,000

there's all that kind of stuff and a lot

321

00:13:35,170 --> 00:13:33,410

of times what I understand and I could

322

00:13:37,330 --> 00:13:35,180

be completely wrong on this cuz I don't

323

00:13:41,280 --> 00:13:37,340

I just heard this but a lot of times the

324

00:13:44,800 --> 00:13:41,290

Buddhism in China China is a a way of

325

00:13:46,300 --> 00:13:44,810

kind of politically curbing more

326

00:13:48,910 --> 00:13:46,310

politically correct when with they're

327

00:13:51,160 --> 00:13:48,920

really practicing are some more Dao

328

00:13:53,889 --> 00:13:51,170

this kind of magical kind of practices

329

00:13:56,530 --> 00:13:53,899

that are deemed as being oh my god

330

00:13:59,500 --> 00:13:56,540

that's so yeah yeah yeah people always

331

00:14:02,160 --> 00:13:59,510

my man crates names Android frameworks

332

00:14:04,750 --> 00:14:02,170

but I was raised food Asst

333

00:14:06,720 --> 00:14:04,760

Buddhism believes in reincarnation and

334

00:14:11,199 --> 00:14:06,730

karma and spirits of course spirits of

335

00:14:13,180 --> 00:14:11,209

past loved ones and ancestor so I I am

336

00:14:15,970 --> 00:14:13,190

and they were comfortable with the idea

337

00:14:20,470 --> 00:14:15,980

of karma reincarnation spirits so that

338

00:14:22,569 --> 00:14:20,480

was their um just get a good job yeah

339

00:14:25,210 --> 00:14:22,579

just get a good job and do well get

340

00:14:27,790 --> 00:14:25,220

grades and you'll come back as a good

341

00:14:29,290 --> 00:14:27,800

person versus a beetle so yeah and eat

342

00:14:34,060 --> 00:14:29,300

your ice yeah that was that was me

343

00:14:35,590 --> 00:14:34,070

growing up but like um my sister and my

344

00:14:37,930 --> 00:14:35,600

mom I mean we would talk about spirits

345

00:14:39,030 --> 00:14:37,940

with my grandfather passed in the

346

00:14:44,980 --> 00:14:39,040

Chinese culture

347

00:14:47,139 --> 00:14:44,990

um it's said if your relative and your

348

00:14:49,000 --> 00:14:47,149

closest someone passes you're not

349

00:14:53,139 --> 00:14:49,010

supposed to go to someone else's house

350

00:14:55,300 --> 00:14:53,149

for 49 days as part of mourning and then

351

00:14:58,720 --> 00:14:55,310

there's something about and I'm not

352

00:15:01,269 --> 00:14:58,730

really remembering too much of the

353

00:15:04,240 --> 00:15:01,279

tradition but it's like the the spirit

354

00:15:08,199 --> 00:15:04,250

stays around the closest family members

355

00:15:10,569 --> 00:15:08,209

I think for about a week and I know my

356

00:15:14,079 --> 00:15:10,579

grandfather who raised me was very close

357

00:15:15,579 --> 00:15:14,089

to me I wasn't there when he passed and

358

00:15:18,880 --> 00:15:15,589

I was really distraught about it and my

359

00:15:20,259 --> 00:15:18,890

mom said I don't know if she was trying

360

00:15:20,829 --> 00:15:20,269

to make me feel better but I kind of

361

00:15:24,189 --> 00:15:20,839

believed it

362

00:15:28,420 --> 00:15:24,199

she said when the spirit leaves the body

363

00:15:30,880 --> 00:15:28,430

and the body sheds the spirit is lighter

364

00:15:34,600 --> 00:15:30,890

and free but the bodies the disease the

365

00:15:37,900 --> 00:15:34,610

pains and illnesses will kind of pass on

366

00:15:40,750 --> 00:15:37,910

to those that are more immediately

367

00:15:43,389 --> 00:15:40,760

surrounding them which kind of makes

368

00:15:45,069 --> 00:15:43,399

sense is this heavy when someone passes

369

00:15:47,230 --> 00:15:45,079

you can feel the energy if you want to

370

00:15:49,780 --> 00:15:47,240

say that it's depressing it's a heavy

371

00:15:51,370 --> 00:15:49,790

sadness in hospitals and whatnot and

372

00:15:52,360 --> 00:15:51,380

apparently it's like they leave their

373

00:15:54,070 --> 00:15:52,370

body and they leave

374

00:15:56,019 --> 00:15:54,080

whatever illnesses and some of that

375

00:15:58,690 --> 00:15:56,029

energy gets on the people around you and

376

00:16:01,570 --> 00:15:58,700

especially closest to them and my mom

377

00:16:03,550 --> 00:16:01,580

said when my grandfather passed he you

378

00:16:07,390 --> 00:16:03,560

know he raised me so I was one of the

379

00:16:10,390 --> 00:16:07,400

closest ones to him and she said he made

380

00:16:13,990 --> 00:16:10,400

sure you weren't around to cop it and

381

00:16:17,410 --> 00:16:14,000

and you know my parents who were around

382

00:16:19,600 --> 00:16:17,420

got sick a few days after just cold and

383

00:16:22,390 --> 00:16:19,610

sore backs or you know pains and stuff

384

00:16:24,400 --> 00:16:22,400

like that but um she said that you know

385

00:16:26,560 --> 00:16:24,410

his spirits still around and he'll visit

386

00:16:28,510 --> 00:16:26,570

us and I firmly believe it so they

387

00:16:32,350 --> 00:16:28,520

believe that stuff just I think

388

00:16:35,380 --> 00:16:32,360

culturally but when I start saying oh

389

00:16:37,210 --> 00:16:35,390

yeah hey I'm going to talk to it you

390

00:16:39,160 --> 00:16:37,220

know someone so it's grandpa and I'm

391

00:16:43,920 --> 00:16:39,170

going to talk to spirit and blah blah

392

00:16:46,540 --> 00:16:43,930

blah my mom kind of goes like uh huh

393

00:16:49,420 --> 00:16:46,550

what what are you doing you know but

394

00:16:51,700 --> 00:16:49,430

that's so interesting because I think in

395

00:16:53,470 --> 00:16:51,710

kind of an exaggerated way because of

396

00:16:55,720 --> 00:16:53,480

the cultural differences and because of

397

00:16:59,949 --> 00:16:55,730

the drive to succeed that you know

398

00:17:03,250 --> 00:16:59,959

especially immigrant related people feel

399

00:17:05,740 --> 00:17:03,260

there's that kind of bifurcation you

400

00:17:09,130 --> 00:17:05,750

know this kind of thing that I think is

401
00:17:11,290 --> 00:17:09,140
a perfect exaggeration of what's going

402
00:17:12,850 --> 00:17:11,300
on for all of us in this culture to live

403
00:17:14,679 --> 00:17:12,860
in the Western culture to live in the

404
00:17:16,030 --> 00:17:14,689
materialistic world to live where we're

405
00:17:18,460 --> 00:17:16,040
plugging in our iPhone and it does

406
00:17:22,030 --> 00:17:18,470
miracles we have to kind of create that

407
00:17:23,740 --> 00:17:22,040
wall in our head that says oh no none of

408
00:17:24,880 --> 00:17:23,750
that stuff happens and then every once

409
00:17:27,730 --> 00:17:24,890
in a while we bounce up in the make oh

410
00:17:30,520 --> 00:17:27,740
yeah that is my reality I know that's

411
00:17:32,590 --> 00:17:30,530
true so that's just funny that you came

412
00:17:34,960 --> 00:17:32,600
from that background where that was

413
00:17:37,540 --> 00:17:34,970

embraced to that extent you know because

414

00:17:39,570 --> 00:17:37,550

most people I think in the West they

415

00:17:42,250 --> 00:17:39,580

don't even get that they get that like

416

00:17:44,680 --> 00:17:42,260

my friend Gordon white who does the

417

00:17:45,640 --> 00:17:44,690

podcast principal he's talked about this

418

00:17:48,280 --> 00:17:45,650

I think it does a great job of

419

00:17:50,740 --> 00:17:48,290

explaining if you go back just a couple

420

00:17:53,410 --> 00:17:50,750

generations most of us that stuff's

421

00:17:56,140 --> 00:17:53,420

there whether it's the evil eye or

422

00:17:58,090 --> 00:17:56,150

whether it's you know don't do that or

423

00:18:00,310 --> 00:17:58,100

you know that person there was

424

00:18:02,549 --> 00:18:00,320

real connection with that that now gets

425

00:18:05,409 --> 00:18:02,559

papered over because now there's a real

426

00:18:07,299 --> 00:18:05,419

taboo and a lot of circles about saying

427

00:18:09,010 --> 00:18:07,309

that and then on the other side of it

428

00:18:10,840 --> 00:18:09,020

there's an acceptance of it but it's

429

00:18:13,750 --> 00:18:10,850

like we haven't really balanced it out

430

00:18:15,669 --> 00:18:13,760

to where we can we haven't balanced our

431

00:18:18,909 --> 00:18:15,679

society we haven't balanced out as

432

00:18:20,770 --> 00:18:18,919

individuals I mean children born are

433

00:18:24,400 --> 00:18:20,780

quite intuitive you know whether they

434

00:18:27,400 --> 00:18:24,410

express it as imaginary friends or they

435

00:18:30,460 --> 00:18:27,410

just know things and you've heard the

436

00:18:32,590 --> 00:18:30,470

studies um where they've talked about

437

00:18:34,690 --> 00:18:32,600

kids you know remembering parts of their

438

00:18:37,149 --> 00:18:34,700

past lives and saying things or saying

439

00:18:39,070 --> 00:18:37,159

seeing a ghost and so because they're

440

00:18:42,640 --> 00:18:39,080

there they're innocent in their minds

441

00:18:45,460 --> 00:18:42,650

open it's when they go into that Society

442

00:18:47,590 --> 00:18:45,470

of society's norms and restrictions and

443

00:18:49,570 --> 00:18:47,600

boundaries are like no you're weird you

444

00:18:50,590 --> 00:18:49,580

can't do that don't don't say that allow

445

00:18:53,409 --> 00:18:50,600

people are going to think you're crazy

446

00:18:56,380 --> 00:18:53,419

you know that that's possible but the

447

00:18:57,850 --> 00:18:56,390

evidence I think also suggests that and

448

00:18:59,080 --> 00:18:57,860

this is the part where it's really kind

449

00:19:02,169 --> 00:18:59,090

of weird ties back into the

450

00:19:03,490 --> 00:19:02,179

materialistic biological sense there

451

00:19:06,250 --> 00:19:03,500

does seem to be just kind of a

452

00:19:08,430 --> 00:19:06,260

developmental thing because there's so

453

00:19:11,110 --> 00:19:08,440

right so you're referring to

454

00:19:13,020 --> 00:19:11,120

reincarnation research probably the best

455

00:19:15,730 --> 00:19:13,030

has been done at University of Virginia

456

00:19:18,010 --> 00:19:15,740

Jim Tucker and before that Ian Stevenson

457

00:19:19,810 --> 00:19:18,020

so people in the show I've heard all

458

00:19:21,399 --> 00:19:19,820

that a million times I'll just make that

459

00:19:23,710 --> 00:19:21,409

reference just so anyone who's listening

460

00:19:26,320 --> 00:19:23,720

knew knows that there's a body of

461

00:19:28,750 --> 00:19:26,330

research out there scientific research

462

00:19:31,870 --> 00:19:28,760

that is highly suggestive that there's a

463

00:19:34,149 --> 00:19:31,880

reality to this many different ways but

464

00:19:37,419 --> 00:19:34,159

the other part of that is that this

465

00:19:39,250 --> 00:19:37,429

window seems to open in close for kids

466

00:19:41,919 --> 00:19:39,260

like you said between the ages of two

467

00:19:44,500 --> 00:19:41,929

and like five or six but I think they go

468

00:19:46,990 --> 00:19:44,510

across culture and I find that that

469

00:19:50,020 --> 00:19:47,000

window is still there so it's not it

470

00:19:52,480 --> 00:19:50,030

doesn't seem to be as tied to like a

471

00:19:54,760 --> 00:19:52,490

cultural kind of thing where you know

472

00:19:57,190 --> 00:19:54,770

the kid is coming in saying you know all

473

00:19:59,500 --> 00:19:57,200

my imaginary friends oh no no no that

474

00:20:03,820 --> 00:19:59,510

doesn't happen it seems to be almost

475

00:20:05,920 --> 00:20:03,830

like a biological thing as you develop

476

00:20:08,380 --> 00:20:05,930

it kind of closes down

477

00:20:12,370 --> 00:20:08,390

you know it does from what I understand

478

00:20:14,320 --> 00:20:12,380

it is um your chakras developed at

479

00:20:19,930 --> 00:20:14,330

different age going in and formulating

480

00:20:21,850 --> 00:20:19,940

it and yeah as you develop it pretty

481

00:20:25,210 --> 00:20:21,860

much what I was alluding to you start

482

00:20:27,550 --> 00:20:25,220

entering society in that age and you

483

00:20:28,660 --> 00:20:27,560

start right now I'm just saying I mean I

484

00:20:30,190 --> 00:20:28,670

think sometimes you've got to draw the

485

00:20:31,870 --> 00:20:30,200

it we're going to be careful like

486

00:20:34,870 --> 00:20:31,880

there's the nature versus nurture

487

00:20:37,360 --> 00:20:34,880

yeah all right so is it is it nature is

488

00:20:40,330 --> 00:20:37,370

it biological is it nurture is it

489

00:20:43,870 --> 00:20:40,340

society is it both as I love I think

490

00:20:45,190 --> 00:20:43,880

it's so it's both then that shunts

491

00:20:46,720 --> 00:20:45,200

droves us in a whole different direction

492

00:20:49,360 --> 00:20:46,730

too because I'm going to be careful

493

00:20:51,520 --> 00:20:49,370

about saying oh you know Western society

494

00:20:53,080 --> 00:20:51,530

is so bad because it takes people who

495

00:20:55,510 --> 00:20:53,090

used to be psychic and then they're not

496

00:20:57,280 --> 00:20:55,520

psychic anymore you know I mean maybe

497

00:20:59,290 --> 00:20:57,290

there's some maybe there's some evidence

498

00:21:01,960 --> 00:20:59,300

for that and people who spend a lot of

499

00:21:04,540 --> 00:21:01,970

time alone seem to be having

500

00:21:07,150 --> 00:21:04,550

you know more kind of experiences but we

501

00:21:09,220 --> 00:21:07,160

haven't unraveled the nature versus

502

00:21:13,840 --> 00:21:09,230

nurture part of that I think completely

503

00:21:16,360 --> 00:21:13,850

well I know I know some um of my medium

504

00:21:18,760 --> 00:21:16,370

friends who have kids they still kind of

505

00:21:21,070 --> 00:21:18,770

encourage it in their kids could they do

506

00:21:22,960 --> 00:21:21,080

it for work so they're not going to not

507

00:21:24,190 --> 00:21:22,970

tell their kids about it so meeting

508

00:21:27,250 --> 00:21:24,200

their kids their kids are quite

509

00:21:29,650 --> 00:21:27,260

intuitive and ok with it like they grow

510

00:21:33,280 --> 00:21:29,660

up with that they do have a state of

511

00:21:35,800 --> 00:21:33,290

rebellion though I find um because they

512

00:21:38,080 --> 00:21:35,810

do feel different even like one one of

513

00:21:40,810 --> 00:21:38,090

my friends has a teenage girl and she

514

00:21:42,730 --> 00:21:40,820

grew up you know talking about spirits

515

00:21:44,530 --> 00:21:42,740

and angels of her mom and everything and

516

00:21:47,590 --> 00:21:44,540

then when she went to high school I

517

00:21:49,270 --> 00:21:47,600

think she just felt different because no

518

00:21:51,760 --> 00:21:49,280

one quite believed like that so she just

519

00:21:54,030 --> 00:21:51,770

almost rejected it a bit and then when

520

00:21:56,560 --> 00:21:54,040

she quote that's why we have Hogwarts

521

00:21:58,060 --> 00:21:56,570

but also when you don't kind of get what

522

00:21:59,620 --> 00:21:58,070

you want you know spirits supposed to

523

00:22:01,240 --> 00:21:59,630

help you you pray to your angels or

524

00:22:02,800 --> 00:22:01,250

whatever you want to call it and if you

525

00:22:05,020 --> 00:22:02,810

don't get what you want yeah you get a

526

00:22:07,120 --> 00:22:05,030

little pissed off and you can be like

527

00:22:08,770 --> 00:22:07,130

you know God has forsaken me or spirits

528

00:22:11,440 --> 00:22:08,780

forsaken me or you've lied to meet

529

00:22:13,830 --> 00:22:11,450

whatever so there's there's rebellion in

530

00:22:16,200 --> 00:22:13,840

that I find at least from

531

00:22:18,810 --> 00:22:16,210

of these kids that you know grew up with

532

00:22:21,090 --> 00:22:18,820

grew up with this in the Western culture

533

00:22:23,730 --> 00:22:21,100

yeah that's interesting too because it

534

00:22:25,850 --> 00:22:23,740

also gets into the whole heredity thing

535

00:22:30,029 --> 00:22:25,860

you know is there some kind of either

536

00:22:33,120 --> 00:22:30,039

genetic or epigenetic or morphic field

537

00:22:34,500 --> 00:22:33,130

is there some kind of energy that's

538

00:22:35,370 --> 00:22:34,510

being passed out but you know what I

539

00:22:36,930 --> 00:22:35,380

want to leave that because we could talk

540

00:22:38,730 --> 00:22:36,940

about that but I want to get back to

541

00:22:44,340 --> 00:22:38,740

your story we can you know do a couple

542

00:22:46,560 --> 00:22:44,350

of says oh it's awesome you swing back

543

00:22:48,840 --> 00:22:46,570

you got a good color for me I am I'm

544

00:22:50,639 --> 00:22:48,850

coming back every April I'll be like hey

545

00:22:54,750 --> 00:22:50,649

I'll probably back in September of like

546

00:22:57,450 --> 00:22:54,760

hey well we'll do it we live to do it so

547

00:23:01,889 --> 00:22:57,460

but let's get back to your story then

548

00:23:04,740 --> 00:23:01,899

because it's easy a lot of times for all

549

00:23:08,010 --> 00:23:04,750

of us in our story to create this

550

00:23:11,430 --> 00:23:08,020

beautiful patchwork quilt you know that

551

00:23:13,799 --> 00:23:11,440

looks like it was designed to be this

552

00:23:16,409 --> 00:23:13,809

way and I do that we all do that I tell

553

00:23:19,049 --> 00:23:16,419

our story but it isn't easy right I

554

00:23:22,799 --> 00:23:19,059

can't imagine it was easy for you to

555

00:23:24,870 --> 00:23:22,809

transition from you know and then you

556

00:23:27,000 --> 00:23:24,880

moved to Australia and that was part of

557

00:23:28,529 --> 00:23:27,010

this kind of getting away I mean into

558

00:23:30,659 --> 00:23:28,539

break up me tell us how that's the

559

00:23:35,880 --> 00:23:30,669

interesting story I mean cuz he not a

560

00:23:38,370 --> 00:23:35,890

lot people have followed your path um it

561

00:23:43,230 --> 00:23:38,380

is it is still hard story to adjust to

562

00:23:45,330 --> 00:23:43,240

like I being here with you going to

563

00:23:48,539 --> 00:23:45,340

these do to these workshops now that I'm

564

00:23:51,750 --> 00:23:48,549

doing in New York and putting myself out

565

00:23:55,409 --> 00:23:51,760

there to my friends on Facebook that's

566

00:23:58,320 --> 00:23:55,419

been hard for me because still yeah

567

00:24:01,320 --> 00:23:58,330

because everyone I grew up with everyone

568

00:24:05,279 --> 00:24:01,330

in college everyone I work with has no

569

00:24:08,250 --> 00:24:05,289

idea about this part of my life and I

570

00:24:09,360 --> 00:24:08,260

don't think a lot of them are open to I

571

00:24:11,460 --> 00:24:09,370

or if they are they've never really

572

00:24:12,870 --> 00:24:11,470

expressed it to me so let me just

573

00:24:15,120 --> 00:24:12,880

interject so we don't totally lose

574

00:24:16,860 --> 00:24:15,130

people when you say this part of your

575

00:24:18,210 --> 00:24:16,870

life and if I leave the first part the

576

00:24:23,310 --> 00:24:18,220

interview and they'll get a sense that

577

00:24:26,410 --> 00:24:23,320

but you are this intuitive healer energy

578

00:24:29,890 --> 00:24:26,420

healer coach psychic medium kind of

579

00:24:32,560 --> 00:24:29,900

in Australia in Sydney Australia and 20

580

00:24:35,820 --> 00:24:32,570

times a week at least people call you up

581

00:24:37,810 --> 00:24:35,830

and say help me in one way or another

582

00:24:39,220 --> 00:24:37,820

which is important here are people

583

00:24:41,260 --> 00:24:39,230

helper I mean that's got to be what

584

00:24:44,020 --> 00:24:41,270

drives you but they pay you money and

585

00:24:45,940 --> 00:24:44,030

you give them advice or guidance or

586

00:24:49,060 --> 00:24:45,950

healing or something like that so that's

587

00:24:50,350 --> 00:24:49,070

what you do you know and then I think

588

00:24:52,900 --> 00:24:50,360

that's interesting to juxtapose that

589

00:24:56,710 --> 00:24:52,910

with your friends who don't really know

590

00:24:58,810 --> 00:24:56,720

what you do and you've been reluctant

591

00:25:01,030 --> 00:24:58,820

for all the reasons that people I think

592

00:25:03,400 --> 00:25:01,040

can relate to to come out to that

593

00:25:04,690 --> 00:25:03,410

because it's hard it's hard isn't it

594

00:25:06,970 --> 00:25:04,700

because I'm sitting across from you and

595

00:25:08,710 --> 00:25:06,980

you you present you know as my wife

596

00:25:12,160 --> 00:25:08,720

would say kind of psychologically you

597

00:25:15,460 --> 00:25:12,170

present as you know totally normal you

598

00:25:16,750 --> 00:25:15,470

know I'd like to try horrible you know

599

00:25:19,330 --> 00:25:16,760

have you told that you were going to an

600

00:25:21,430 --> 00:25:19,340

IT job after this you know I'd be like

601
00:25:23,890 --> 00:25:21,440
yeah I buy that you know yeah I mean I

602
00:25:27,220 --> 00:25:23,900
can very well get up into a PowerPoint

603
00:25:28,720 --> 00:25:27,230
presentation on I don't know a

604
00:25:30,040 --> 00:25:28,730
manufacturing process and it's

605
00:25:33,070 --> 00:25:30,050
interesting because my friends that know

606
00:25:35,770 --> 00:25:33,080
me as Mia man healer in Sydney have no

607
00:25:37,210 --> 00:25:35,780
idea my IT background and sometimes I'll

608
00:25:40,090 --> 00:25:37,220
kind of geek out over this math problem

609
00:25:42,250 --> 00:25:40,100
and they'll be like what what what are

610
00:25:44,260 --> 00:25:42,260
you intimated my fault correctly

611
00:25:49,120 --> 00:25:44,270
um I've gotten a couple different

612
00:25:51,730 --> 00:25:49,130
reactions in saying I'm medium for from

613
00:25:54,670 --> 00:25:51,740

strangers and friends I actually had one

614

00:25:56,410 --> 00:25:54,680

friend who knew me as an engineer and

615

00:25:59,650 --> 00:25:56,420

when I told her I was a medium she

616

00:26:02,020 --> 00:25:59,660

started crying and I was like what why

617

00:26:05,200 --> 00:26:02,030

and she said you've lost your way cuz I

618

00:26:09,370 --> 00:26:05,210

know actually she said oh my god you're

619

00:26:10,960 --> 00:26:09,380

gonna know everything about me and she

620

00:26:14,020 --> 00:26:10,970

didn't want me to know something she was

621

00:26:16,180 --> 00:26:14,030

embarrassed and I was like whoa you know

622

00:26:18,160 --> 00:26:16,190

and she was almost scared like you're

623

00:26:20,430 --> 00:26:18,170

you're gonna read me and know me and

624

00:26:24,070 --> 00:26:20,440

you're you know my secrets I'm like ah

625

00:26:27,310 --> 00:26:24,080

no I wouldn't do that and that's the

626
00:26:29,200 --> 00:26:27,320
real invasion of privacy and ya know and

627
00:26:30,700 --> 00:26:29,210
she got really scared of it like oh my

628
00:26:31,850 --> 00:26:30,710
god we can't be friends and you know all

629
00:26:34,700 --> 00:26:31,860
the stuff about me I was like

630
00:26:37,970 --> 00:26:34,710
I don't so that's one reaction another

631
00:26:41,570 --> 00:26:37,980
reaction um I get is a lot of skeptical

632
00:26:43,700 --> 00:26:41,580
people like really what what what it's

633
00:26:46,220 --> 00:26:43,710
that you know or I get really

634
00:26:48,320 --> 00:26:46,230
enthusiastic people are like oh oh Read

635
00:26:49,789 --> 00:26:48,330
Me three me it's my grandma ah wait

636
00:26:50,450 --> 00:26:49,799
what's going on here and I'm like whoa

637
00:26:52,010 --> 00:26:50,460
whoa

638
00:26:56,120 --> 00:26:52,020

all those reactions I'm like let's just

639

00:27:00,680 --> 00:26:56,130

all take starless and you know people

640

00:27:02,930 --> 00:27:00,690

are curious and I I want to encourage

641

00:27:05,150 --> 00:27:02,940

them to be open-minded to this because I

642

00:27:08,750 --> 00:27:05,160

do feel everyone has intuition or

643

00:27:10,730 --> 00:27:08,760

psychic ability or you know a spiritual

644

00:27:13,340 --> 00:27:10,740

part of themselves that they might not

645

00:27:15,100 --> 00:27:13,350

be aware of or not know how to develop

646

00:27:17,240 --> 00:27:15,110

and part of what I'm doing now and

647

00:27:20,570 --> 00:27:17,250

that's the business card you have there

648

00:27:22,220 --> 00:27:20,580

is evolutionary you i I do healing work

649

00:27:23,600 --> 00:27:22,230

through healing joy but evolutionary you

650

00:27:27,440 --> 00:27:23,610

is the program I'm developing that's

651
00:27:29,900 --> 00:27:27,450
teaching people online you know where

652
00:27:38,659 --> 00:27:29,910
I'm connecting them personally to

653
00:27:39,980 --> 00:27:38,669
develop spiritually oh hello Hey oh I'm

654
00:27:43,789 --> 00:27:39,990
sorry can you pick up right there yeah

655
00:27:45,320 --> 00:27:43,799
no I'm I'm doing online courses with

656
00:27:47,960 --> 00:27:45,330
small groups people have six eight

657
00:27:49,730 --> 00:27:47,970
people in developing them personally and

658
00:27:53,270 --> 00:27:49,740
spiritually to help them connect with

659
00:27:55,640 --> 00:27:53,280
their intuition because everyone has an

660
00:27:57,820 --> 00:27:55,650
intuitive ability of disappointment

661
00:28:01,400 --> 00:27:57,830
knowing how to use it control it and

662
00:28:02,510 --> 00:28:01,410
manifest it in understanding how to work

663
00:28:04,340 --> 00:28:02,520

with their own guides or their own

664

00:28:06,320 --> 00:28:04,350

ability however you want to call it is

665

00:28:07,940 --> 00:28:06,330

what I try to teach I like that more

666

00:28:11,180 --> 00:28:07,950

than healings and readings to be honest

667

00:28:13,100 --> 00:28:11,190

and some of the students I have are more

668

00:28:15,140 --> 00:28:13,110

talented than some of the professional

669

00:28:18,500 --> 00:28:15,150

mediums and psychics I see out there

670

00:28:20,900 --> 00:28:18,510

they just needed a foundation and I

671

00:28:22,760 --> 00:28:20,910

don't impose my foundation on them but I

672

00:28:24,190 --> 00:28:22,770

encourage them to explore their own so

673

00:28:26,480 --> 00:28:24,200

that's what I'm doing in New York

674

00:28:28,340 --> 00:28:26,490

through these workshops and that's what

675

00:28:28,760 --> 00:28:28,350

I hope to be doing actually I've had

676

00:28:30,470 --> 00:28:28,770

some

677

00:28:32,780 --> 00:28:30,480

to come to California and San Diego to

678

00:28:34,940 --> 00:28:32,790

do it and to you know we already do in

679

00:28:37,130 --> 00:28:34,950

city your tell me yeah I do it in Sydney

680

00:28:38,980 --> 00:28:37,140

I've been doing them face to face in

681

00:28:41,750 --> 00:28:38,990

Sydney but I've been doing them

682

00:28:45,799 --> 00:28:41,760

virtually now with a trial in New York

683

00:28:49,070 --> 00:28:45,809

and so doing that online teaching people

684

00:28:51,350 --> 00:28:49,080

online in small groups I wanted to make

685

00:28:53,930 --> 00:28:51,360

sure that the exercises and working with

686

00:28:55,760 --> 00:28:53,940

the energies could translate virtually

687

00:28:58,100 --> 00:28:55,770

versus in person because feeling the

688

00:28:59,900 --> 00:28:58,110

energies and feeling the energies kind

689

00:29:01,610 --> 00:28:59,910

of virtually you know how do you how do

690

00:29:04,520 --> 00:29:01,620

you tune in to someone but energy is

691

00:29:07,490 --> 00:29:04,530

energy and just training and teaching

692

00:29:09,049 --> 00:29:07,500

people that method people come to you

693

00:29:10,760 --> 00:29:09,059

for different reasons some people are

694

00:29:12,140 --> 00:29:10,770

coming for spiritual development some

695

00:29:15,020 --> 00:29:12,150

people are coming you to get ahead in

696

00:29:18,110 --> 00:29:15,030

their career which is it directly tied

697

00:29:20,919 --> 00:29:18,120

to spiritual development right so we

698

00:29:24,049 --> 00:29:20,929

kind of have two different it seems like

699

00:29:25,910 --> 00:29:24,059

paths that we're all going down all the

700

00:29:27,110 --> 00:29:25,920

time long as we're just trying to make

701
00:29:28,490 --> 00:29:27,120
it through this life and make good

702
00:29:30,890 --> 00:29:28,500
decisions that seem to make our life

703
00:29:33,049 --> 00:29:30,900
more comfortable more better and you are

704
00:29:34,250 --> 00:29:33,059
not averse to helping people do that

705
00:29:36,890 --> 00:29:34,260
right if somebody comes to you and says

706
00:29:38,960 --> 00:29:36,900
hey I'm trying to get ahead in my job

707
00:29:40,970 --> 00:29:38,970
I'm trying to get ahead in my career but

708
00:29:42,669 --> 00:29:40,980
if somebody else comes to set says you

709
00:29:44,780 --> 00:29:42,679
know what is most important to me is

710
00:29:46,640 --> 00:29:44,790
spiritual development and I don't really

711
00:29:49,790 --> 00:29:46,650
care about one of the other I mean there

712
00:29:51,290 --> 00:29:49,800
are two different aspects to this yes a

713
00:29:52,970 --> 00:29:51,300

note there one in the same

714

00:29:55,730 --> 00:29:52,980

because getting ahead in their career

715

00:29:57,020 --> 00:29:55,740

could help them learn and experience

716

00:29:59,000 --> 00:29:57,030

what they need to learn to grow

717

00:30:00,410 --> 00:29:59,010

spiritually yeah or it could totally

718

00:30:02,960 --> 00:30:00,420

screw up their spiritual development

719

00:30:06,169 --> 00:30:02,970

because it gets them upset so I mean you

720

00:30:08,600 --> 00:30:06,179

can say that all the time is about but

721

00:30:11,780 --> 00:30:08,610

it's where they need to be it whatever

722

00:30:13,780 --> 00:30:11,790

it is they need to experience in getting

723

00:30:16,310 --> 00:30:13,790

what they want we are living in a human

724

00:30:19,460 --> 00:30:16,320

experience we are trying to quote

725

00:30:22,190 --> 00:30:19,470

survive get ahead and trying to live in

726

00:30:25,580 --> 00:30:22,200

this reality and sometimes escape to

727

00:30:29,330 --> 00:30:25,590

another realm or our true self or so

728

00:30:31,460 --> 00:30:29,340

self and having that balance but it's

729

00:30:33,620 --> 00:30:31,470

the experience of soul wants to have and

730

00:30:35,570 --> 00:30:33,630

if the soul or the ego says you know I'm

731

00:30:36,669 --> 00:30:35,580

going ahead I want to be rich bah bah

732

00:30:39,639 --> 00:30:36,679

blah how can

733

00:30:43,200 --> 00:30:39,649

my career it's it's it's one of the

734

00:30:46,269 --> 00:30:43,210

human survival but during that course of

735

00:30:50,159 --> 00:30:46,279

that journey to whatever make money to

736

00:30:52,869 --> 00:30:50,169

find love the lessons the soul learns

737

00:30:56,049 --> 00:30:52,879

will be what it needs to develop

738

00:30:59,049 --> 00:30:56,059

spiritually spiritual development is one

739

00:31:02,129 --> 00:30:59,059

of the spirit one that evolves that

740

00:31:05,379 --> 00:31:02,139

takes experiences learn in this life and

741

00:31:09,489 --> 00:31:05,389

transcends it or remembers it and adds

742

00:31:11,379 --> 00:31:09,499

it to the actual spirit the actual

743

00:31:13,570 --> 00:31:11,389

essence of who you are that will be

744

00:31:16,810 --> 00:31:13,580

carried through different lifetimes so

745

00:31:18,580 --> 00:31:16,820

in helping one you know what could be I

746

00:31:21,519 --> 00:31:18,590

don't know I always go with people go

747

00:31:23,649 --> 00:31:21,529

down that path so I go okay well what

748

00:31:25,629 --> 00:31:23,659

about evil what about people who do

749

00:31:28,029 --> 00:31:25,639

really bad things you know the first

750

00:31:30,249 --> 00:31:28,039

before we go into that tell me that

751

00:31:32,169 --> 00:31:30,259

story that you tell me I love that story

752

00:31:34,590 --> 00:31:32,179

I've used this story several times I'll

753

00:31:40,119 --> 00:31:34,600

have to remind you your story OH

754

00:31:42,279 --> 00:31:40,129

that story that story I told you without

755

00:31:43,690 --> 00:31:42,289

you recording it last time didn't I

756

00:31:46,090 --> 00:31:43,700

think that long now it's gonna be live

757

00:31:48,009 --> 00:31:46,100

you get it you can do you can do it with

758

00:31:49,960 --> 00:31:48,019

your claw you can even soften it up a

759

00:31:51,940 --> 00:31:49,970

little bit that's the story

760

00:31:54,759 --> 00:31:51,950

okay I'm because all this flowery

761

00:31:57,399 --> 00:31:54,769

about how oh well you know our

762

00:32:00,060 --> 00:31:57,409

spirit is growing and all that no it's

763

00:32:02,470 --> 00:32:00,070

not always growing it's sometimes

764

00:32:06,190 --> 00:32:02,480

retrograding a little bit we're human

765

00:32:08,109 --> 00:32:06,200

and we're human when we're by that I

766

00:32:10,930 --> 00:32:08,119

don't buy that we're human we we have

767

00:32:12,989 --> 00:32:10,940

free will no I had choices I have bad

768

00:32:15,759 --> 00:32:12,999

choices or something to be avoided

769

00:32:18,340 --> 00:32:15,769

they're not something to well tell the

770

00:32:20,590 --> 00:32:18,350

story toaster oh okay well bad choice

771

00:32:22,930 --> 00:32:20,600

okay I see I would call them experiences

772

00:32:24,700 --> 00:32:22,940

but I think Jill was doing all right

773

00:32:29,409 --> 00:32:24,710

you're telling okay I really go back

774

00:32:33,820 --> 00:32:29,419

sizzling all right um I went through a

775

00:32:36,940 --> 00:32:33,830

really horrible breakup where the person

776

00:32:38,619 --> 00:32:36,950

I was dating cheated on me and I caught

777

00:32:40,119 --> 00:32:38,629

them cheating on me and it was very

778

00:32:40,749 --> 00:32:40,129

traumatic for me and I was very very

779

00:32:46,100 --> 00:32:40,759

angry

780

00:32:48,830 --> 00:32:46,110

and I went to kind of a dark place of

781

00:32:54,080 --> 00:32:48,840

oppression and just a lot of hate and

782

00:32:58,370 --> 00:32:54,090

anger in my life and somebody that works

783

00:33:03,860 --> 00:32:58,380

with as much energy and spirit that I do

784

00:33:05,480 --> 00:33:03,870

and channels that energy I think that

785

00:33:09,380 --> 00:33:05,490

can get a little bit dangerous at times

786

00:33:12,770 --> 00:33:09,390

and um it was a dark place in my life

787

00:33:16,730 --> 00:33:12,780

and I was hating him I was absolutely

788

00:33:18,890 --> 00:33:16,740

hating him and he anyway where he worked

789

00:33:21,530 --> 00:33:18,900

was haunted basically or had spirits

790

00:33:24,340 --> 00:33:21,540

rock he knew it everyone in town kind of

791

00:33:29,180 --> 00:33:24,350

knew it in that particular building and

792

00:33:31,730 --> 00:33:29,190

one night I was just so angry and I know

793

00:33:36,440 --> 00:33:31,740

I can talk to spirits because I do that

794

00:33:39,500 --> 00:33:36,450

my job as a medium and I decided um in

795

00:33:42,560 --> 00:33:39,510

my anger to talk to the spirits at his

796

00:33:46,159 --> 00:33:42,570

work and I'm a little sheepish in saying

797

00:33:50,690 --> 00:33:46,169

this out and basically in a not nice way

798

00:33:55,820 --> 00:33:50,700

I I told them to basically attack him I

799

00:33:58,280 --> 00:33:55,830

was so angry I was yeah I basically was

800

00:34:04,460 --> 00:33:58,290

like you know hurt him attack him

801
00:34:07,690 --> 00:34:04,470
whatever I just don't care and I could

802
00:34:10,580 --> 00:34:07,700
feel the energy in my body it was

803
00:34:13,490 --> 00:34:10,590
different than the energy that normally

804
00:34:17,000 --> 00:34:13,500
comes through me when I do this type of

805
00:34:20,090 --> 00:34:17,010
work it was it was stronger and it was

806
00:34:21,889 --> 00:34:20,100
but it was darker and I of course I did

807
00:34:23,690 --> 00:34:21,899
this at night and probably under a full

808
00:34:26,030 --> 00:34:23,700
moon or something but it was just it was

809
00:34:29,540 --> 00:34:26,040
scary and I I was by myself and I was

810
00:34:32,770 --> 00:34:29,550
just at that point I didn't care and I

811
00:34:35,690 --> 00:34:32,780
could feel it I could see it I could

812
00:34:37,669 --> 00:34:35,700
connect with that the energy there the

813
00:34:40,790 --> 00:34:37,679

spirits there and I was like here's his

814

00:34:42,030 --> 00:34:40,800

name hey you know here's his address and

815

00:34:46,889 --> 00:34:42,040

go get him type of

816

00:34:49,080 --> 00:34:46,899

um and then I felt something come up

817

00:34:49,680 --> 00:34:49,090

behind me and it was just ever so

818

00:34:55,070 --> 00:34:49,690

slightly

819

00:34:59,580 --> 00:34:55,080

and and it was basically saying like yes

820

00:35:02,970 --> 00:34:59,590

yes we can do that but then it said but

821

00:35:04,710 --> 00:35:02,980

what will you do for us and I kind of

822

00:35:07,830 --> 00:35:04,720

froze there because it was it was cold

823

00:35:10,470 --> 00:35:07,840

it was very cold and it was it was like

824

00:35:16,110 --> 00:35:10,480

whispering my ear and it was it was like

825

00:35:18,360 --> 00:35:16,120

it was negotiating and I I had I just I

826

00:35:19,920 --> 00:35:18,370

had to stop I literally was like I

827

00:35:22,350 --> 00:35:19,930

dropped everything I was like just

828

00:35:24,960 --> 00:35:22,360

kidding okay let's just take that back

829

00:35:27,770 --> 00:35:24,970

now let's just let's just keep him safe

830

00:35:29,240 --> 00:35:27,780

let's keep everyone safe because I knew

831

00:35:38,280 --> 00:35:29,250

it

832

00:35:40,860 --> 00:35:38,290

this actually I've seen clients like

833

00:35:42,990 --> 00:35:40,870

this where my guides won't even work

834

00:35:44,760 --> 00:35:43,000

with them because they're too far gone I

835

00:35:46,260 --> 00:35:44,770

mean we have control of our bodies

836

00:35:48,840 --> 00:35:46,270

you're not really possessed

837

00:35:51,450 --> 00:35:48,850

I mean you are you're not in a sense

838

00:35:54,290 --> 00:35:51,460

that you have attachments in this kind

839

00:35:57,990 --> 00:35:54,300

of sentient when we channel trance

840

00:36:00,360 --> 00:35:58,000

spirits just get close enough to our

841

00:36:03,410 --> 00:36:00,370

energy and our aura to for us to feel

842

00:36:05,550 --> 00:36:03,420

them and talk to us but this type of

843

00:36:06,600 --> 00:36:05,560

channel lengths of this paper attachment

844

00:36:09,210 --> 00:36:06,610

is something different because you have

845

00:36:12,120 --> 00:36:09,220

control of your body so you can tell a

846

00:36:14,610 --> 00:36:12,130

spirit and boundaries to you know leave

847

00:36:15,930 --> 00:36:14,620

or come or whatever you really do you

848

00:36:18,720 --> 00:36:15,940

shouldn't be afraid you do have control

849

00:36:20,760 --> 00:36:18,730

of your body but if you give up control

850

00:36:23,370 --> 00:36:20,770

of your body that's a different story

851
00:36:25,950 --> 00:36:23,380
see this one things shall be calculate

852
00:36:28,650 --> 00:36:25,960
gets really dangerous yeah because shut

853
00:36:30,930 --> 00:36:28,660
up and calculate tells us if it works

854
00:36:34,200 --> 00:36:30,940
doing yeah if I'm getting the result

855
00:36:37,650 --> 00:36:34,210
that I think I want or I need but the

856
00:36:41,460 --> 00:36:37,660
flip side of that is you know you just I

857
00:36:43,530 --> 00:36:41,470
mean that is just we arm shell to to to

858
00:36:45,390 --> 00:36:43,540
but we have to factor that in I just I

859
00:36:47,430 --> 00:36:45,400
love to get that out there because we

860
00:36:49,550 --> 00:36:47,440
always have to factor that in and we now

861
00:36:53,460 --> 00:36:49,560
have to offer some kind of explanation

862
00:36:54,680 --> 00:36:53,470
some kind of topology for what the

863
00:36:56,720 --> 00:36:54,690

extend of rail

864

00:36:58,579 --> 00:36:56,730

looks like that incorporates that into

865

00:37:00,760 --> 00:36:58,589

it and that's when I hate when we just

866

00:37:03,349 --> 00:37:00,770

gloss over it and say well we're all

867

00:37:05,420 --> 00:37:03,359

evolving and eventually we'll get to the

868

00:37:08,990 --> 00:37:05,430

same place you know what I'd like to

869

00:37:11,630 --> 00:37:09,000

avoid going down that dark demonic alley

870

00:37:13,579 --> 00:37:11,640

for a few lifetimes I think I should

871

00:37:16,160 --> 00:37:13,589

avoid doing that I think I will be

872

00:37:18,859 --> 00:37:16,170

happier if I do that is that a choice

873

00:37:21,170 --> 00:37:18,869

that I can constructively make or is it

874

00:37:23,630 --> 00:37:21,180

hey whatever your path is you know

875

00:37:25,880 --> 00:37:23,640

that's it I don't know it is free well I

876

00:37:28,910 --> 00:37:25,890

do agree there are energies out there

877

00:37:31,240 --> 00:37:28,920

but we don't know we're talking about it

878

00:37:34,190 --> 00:37:31,250

like it's just it's all an experience

879

00:37:35,270 --> 00:37:34,200

exudative yeah but I want to avoid an XP

880

00:37:37,099 --> 00:37:35,280

but it's free to us to have that

881

00:37:40,099 --> 00:37:37,109

experience or not but doesn't it seem

882

00:37:42,470 --> 00:37:40,109

like some people are not exercising

883

00:37:44,329 --> 00:37:42,480

their free choice or their free will and

884

00:37:46,160 --> 00:37:44,339

are getting into situations that they

885

00:37:48,109 --> 00:37:46,170

don't necessarily want to get into

886

00:37:50,599 --> 00:37:48,119

because they have some from a very

887

00:37:52,640 --> 00:37:50,609

practical sense they've developed a set

888

00:37:55,700 --> 00:37:52,650

of beliefs that have led them to a

889

00:37:58,460 --> 00:37:55,710

particular it is it is so what I teach

890

00:37:59,750 --> 00:37:58,470

and what might be different to some

891

00:38:04,099 --> 00:37:59,760

other spiritual development courses

892

00:38:06,680 --> 00:38:04,109

there is I do talk about this stuff I do

893

00:38:09,800 --> 00:38:06,690

talk about boundaries and grounding a

894

00:38:11,329 --> 00:38:09,810

protection and clearing and you know the

895

00:38:13,309 --> 00:38:11,339

dangers of it it's not all rainbows

896

00:38:15,170 --> 00:38:13,319

butterflies and fluffiness for me at

897

00:38:17,960 --> 00:38:15,180

least in my experience it hasn't been um

898

00:38:19,910 --> 00:38:17,970

and people get overwhelmed and scared

899

00:38:22,339 --> 00:38:19,920

and a lot of people don't know what

900

00:38:26,240 --> 00:38:22,349

they're doing and they open up and they

901
00:38:29,750 --> 00:38:26,250
go on you know retreats or journeys or

902
00:38:31,250 --> 00:38:29,760
whatever and they open up what they're

903
00:38:33,290 --> 00:38:31,260
opening up to can get them into a lot of

904
00:38:36,680 --> 00:38:33,300
trouble and I've seen that I've been

905
00:38:41,569 --> 00:38:36,690
called for house clearings essentially

906
00:38:44,150 --> 00:38:41,579
removal entities um you know things that

907
00:38:46,670 --> 00:38:44,160
aren't nice things that so what does

908
00:38:48,319 --> 00:38:46,680
that tell you about what is going on let

909
00:38:50,839 --> 00:38:48,329
me switch to the big picture question

910
00:38:54,290 --> 00:38:50,849
what is going on the best you can

911
00:38:58,069 --> 00:38:54,300
describe it what suffice what is the

912
00:39:01,099 --> 00:38:58,079
nature structure hierarchy what's the

913
00:39:02,540 --> 00:39:01,109

topology of that extended consciousness

914

00:39:04,710 --> 00:39:02,550

realm I mean this is the big question

915

00:39:07,650 --> 00:39:04,720

like you you said you know

916

00:39:10,260 --> 00:39:07,660

you kind of chuckle like UFO alien

917

00:39:12,569 --> 00:39:10,270

communication hey go down that path

918

00:39:15,420 --> 00:39:12,579

there seems to be a reality to that go

919

00:39:17,940 --> 00:39:15,430

down psychic go down psychedelics there

920

00:39:19,950 --> 00:39:17,950

seems to be a reality that were people

921

00:39:22,440 --> 00:39:19,960

are reaching this realm then go down the

922

00:39:24,599 --> 00:39:22,450

super spiritual path or the non-dual

923

00:39:27,990 --> 00:39:24,609

path and they're going to say avoid all

924

00:39:30,839 --> 00:39:28,000

that go past that hole go go all the way

925

00:39:33,000 --> 00:39:30,849

around the block ignore all of it and

926
00:39:35,190 --> 00:39:33,010
just go to there's a consciousness

927
00:39:37,680 --> 00:39:35,200
beyond that that doesn't deal with any

928
00:39:39,720 --> 00:39:37,690
of that is that the topology is that the

929
00:39:43,140 --> 00:39:39,730
map is that what it is so much we don't

930
00:39:44,220 --> 00:39:43,150
know we only are shown and like what I

931
00:39:47,309 --> 00:39:44,230
was trying to say in the beginning was

932
00:39:49,290 --> 00:39:47,319
it depends on the framework model you're

933
00:39:50,880 --> 00:39:49,300
comfortable with I mean I know some

934
00:39:54,630 --> 00:39:50,890
people that are comfortable with aliens

935
00:39:57,120 --> 00:39:54,640
and UFOs and otherworldly people I'm not

936
00:39:59,970 --> 00:39:57,130
going to say that's the vibration I'm at

937
00:40:02,760 --> 00:39:59,980
but have I experienced that type of

938
00:40:06,630 --> 00:40:02,770

connection when I tap into certain

939

00:40:08,790 --> 00:40:06,640

things yeah I have people star people so

940

00:40:11,010 --> 00:40:08,800

to speak outwards like people yeah do I

941

00:40:12,990 --> 00:40:11,020

resonate it and use as my framework no

942

00:40:15,059 --> 00:40:13,000

well when you say use it as your

943

00:40:17,790 --> 00:40:15,069

framework Lamia share understand what do

944

00:40:20,490 --> 00:40:17,800

you mean by that is there a reality I

945

00:40:24,030 --> 00:40:20,500

think what people struggle with is is

946

00:40:28,319 --> 00:40:24,040

there a reality to that it could be for

947

00:40:31,470 --> 00:40:28,329

them and we'll talk about yeah I hate

948

00:40:33,720 --> 00:40:31,480

that answer it could be for them well we

949

00:40:36,150 --> 00:40:33,730

could say that about any there's so much

950

00:40:39,300 --> 00:40:36,160

we don't know there's so much we don't

951
00:40:40,140 --> 00:40:39,310
know and and for me let's see that's

952
00:40:42,780 --> 00:40:40,150
pretty straightforward

953
00:40:46,829 --> 00:40:42,790
okay so there's intelligent beings on

954
00:40:49,109 --> 00:40:46,839
other planets that occupy this extended

955
00:40:52,380 --> 00:40:49,119
consciousness realm or can't access

956
00:40:53,609 --> 00:40:52,390
extended consciousness realm yes no I

957
00:40:55,980 --> 00:40:53,619
believe so

958
00:40:58,050 --> 00:40:55,990
I believe there's layers different

959
00:41:01,079 --> 00:40:58,060
layers people go to shop shamanic layer

960
00:41:03,960 --> 00:41:01,089
there's the alien star people layer

961
00:41:07,230 --> 00:41:03,970
there's probably a fairy realm layer or

962
00:41:09,690 --> 00:41:07,240
witch creditors whatever there is it's

963
00:41:11,790 --> 00:41:09,700

just what you vibrate with in and in

964

00:41:13,859 --> 00:41:11,800

terms of your energy when I talk about

965

00:41:16,190 --> 00:41:13,869

framework it's what you resonate with so

966

00:41:19,340 --> 00:41:16,200

I talk it in more spirituality guy

967

00:41:22,210 --> 00:41:19,350

and spiritual guides and that layer but

968

00:41:27,500 --> 00:41:22,220

have I been able to kind of access

969

00:41:29,960 --> 00:41:27,510

things and other realms yes do I talk in

970

00:41:31,040 --> 00:41:29,970

that language do I pray to it or do I do

971

00:41:33,320 --> 00:41:31,050

rituals by it

972

00:41:36,170 --> 00:41:33,330

no because that's not my framework but I

973

00:41:38,330 --> 00:41:36,180

don't discourage other people from it if

974

00:41:40,910 --> 00:41:38,340

that's their way to access it now there

975

00:41:43,880 --> 00:41:40,920

are tricky little things in each world

976

00:41:46,550 --> 00:41:43,890

or framework and how they best work with

977

00:41:47,930 --> 00:41:46,560

it and it is dangerous it is you don't

978

00:41:49,610 --> 00:41:47,940

know what you don't know and you're

979

00:41:52,100 --> 00:41:49,620

going to go up and be like hey let's do

980

00:41:54,260 --> 00:41:52,110

this and let's do this ritual and I

981

00:41:57,290 --> 00:41:54,270

don't know do this and connect to this

982

00:41:59,120 --> 00:41:57,300

and you don't know what you're getting

983

00:42:00,650 --> 00:41:59,130

into okay so you're using that term

984

00:42:01,880 --> 00:42:00,660

framework I just want to make sure I

985

00:42:04,880 --> 00:42:01,890

understand because you kind of mix in

986

00:42:06,890 --> 00:42:04,890

the other thing they're like and I think

987

00:42:09,890 --> 00:42:06,900

I'm getting it and it makes sense in

988

00:42:12,580 --> 00:42:09,900

that if you have this big consciousness

989

00:42:14,780 --> 00:42:12,590

sphere out there that is unlimited

990

00:42:16,190 --> 00:42:14,790

unfathomable and we really can't

991

00:42:18,710 --> 00:42:16,200

understand from our human intelligence

992

00:42:22,790 --> 00:42:18,720

and you're trying to tap into it to

993

00:42:24,680 --> 00:42:22,800

create better things for your life and

994

00:42:27,410 --> 00:42:24,690

for other people's lives then you're

995

00:42:29,390 --> 00:42:27,420

saying you found a particular way to

996

00:42:33,080 --> 00:42:29,400

shut up and calculate into that and

997

00:42:34,760 --> 00:42:33,090

that's what you kind of focus on and you

998

00:42:40,610 --> 00:42:34,770

don't exclude that there might be other

999

00:42:42,920 --> 00:42:40,620

ways but to what extent do you D so what

1000

00:42:45,530 --> 00:42:42,930

are the limits and boundaries of that

1001
00:42:47,390 --> 00:42:45,540
framework I mean how do you feel how do

1002
00:42:48,710 --> 00:42:47,400
you feel about that that framework how

1003
00:42:50,810 --> 00:42:48,720
have you learned that framework

1004
00:42:52,580 --> 00:42:50,820
what is that framework I learn it

1005
00:42:56,480 --> 00:42:52,590
personally for me through experience and

1006
00:42:59,090 --> 00:42:56,490
what I've seen in my own scientific

1007
00:43:00,830 --> 00:42:59,100
method way well I don't just buy into it

1008
00:43:03,470 --> 00:43:00,840
but if things have happened and it's

1009
00:43:04,940 --> 00:43:03,480
been fairly consistent I'm like okay I

1010
00:43:05,390 --> 00:43:04,950
think that that's real I'm not imagining

1011
00:43:08,000 --> 00:43:05,400
this

1012
00:43:10,400 --> 00:43:08,010
and that and that shaped my frame we're

1013
00:43:13,490 --> 00:43:10,410

going to adjust and so you have a spirit

1014

00:43:15,800 --> 00:43:13,500

guide right me yes okay so a lot of

1015

00:43:18,080 --> 00:43:15,810

people claim this right so we'll just

1016

00:43:19,370 --> 00:43:18,090

kind of add that to another claim so you

1017

00:43:21,040 --> 00:43:19,380

know the spirit guide and maybe the

1018

00:43:23,360 --> 00:43:21,050

spirit guide is kind of helping you

1019

00:43:24,710 --> 00:43:23,370

formulate that framework and saying hey

1020

00:43:26,540 --> 00:43:24,720

kind of go in this direction try this

1021

00:43:27,650 --> 00:43:26,550

don't try this kind of thing is that

1022

00:43:29,750 --> 00:43:27,660

true or not

1023

00:43:30,950 --> 00:43:29,760

so I've learned and felt and the way is

1024

00:43:32,780 --> 00:43:30,960

I've learned about protection and

1025

00:43:34,580 --> 00:43:32,790

grounding and clearing because I've got

1026

00:43:36,650 --> 00:43:34,590

in trouble I've definitely gotten in

1027

00:43:40,040 --> 00:43:36,660

trouble with things I don't ever really

1028

00:43:42,920 --> 00:43:40,050

want to experience again um but then

1029

00:43:44,150 --> 00:43:42,930

it's like I've been guided and shown

1030

00:43:46,430 --> 00:43:44,160

different things or when I channel

1031

00:43:48,950 --> 00:43:46,440

things it's like oh wow

1032

00:43:50,360 --> 00:43:48,960

okay didn't think that was possible or

1033

00:43:52,130 --> 00:43:50,370

interesting but it makes sense when I

1034

00:43:53,690 --> 00:43:52,140

state to other people or they feel like

1035

00:43:55,460 --> 00:43:53,700

oh yeah I read that somewhere but I've

1036

00:43:57,290 --> 00:43:55,470

never read it some are but that's what I

1037

00:43:59,810 --> 00:43:57,300

was seeing but haven't you run across

1038

00:44:03,590 --> 00:43:59,820

people that I have that have channeled

1039

00:44:06,140 --> 00:44:03,600

and learned stuff and it's pretty wacko

1040

00:44:08,210 --> 00:44:06,150

or it doesn't seem to kind of fit yet if

1041

00:44:10,310 --> 00:44:08,220

it doesn't resonate with me I don't I

1042

00:44:13,790 --> 00:44:10,320

can have it can we kind of objectivity

1043

00:44:15,650 --> 00:44:13,800

say it's just not it's it's not good

1044

00:44:17,450 --> 00:44:15,660

it's like and that's why I like science

1045

00:44:19,090 --> 00:44:17,460

you know you're a science person too and

1046

00:44:23,150 --> 00:44:19,100

I come back to science and say you know

1047

00:44:25,700 --> 00:44:23,160

but that's not good science so I think

1048

00:44:28,250 --> 00:44:25,710

literally we have an electric vibration

1049

00:44:30,830 --> 00:44:28,260

whether it's the color or sound that can

1050

00:44:33,230 --> 00:44:30,840

be translated and as we open up our

1051
00:44:36,560 --> 00:44:33,240
vibration gets hard we feel lighter and

1052
00:44:39,140 --> 00:44:36,570
what things that are heavier so if I'm

1053
00:44:41,000 --> 00:44:39,150
not a certain vibration drugs don't

1054
00:44:43,220 --> 00:44:41,010
appeal to me right

1055
00:44:46,000 --> 00:44:43,230
I don't nothing or that party thing

1056
00:44:49,660 --> 00:44:46,010
won't appeal to me right it just feels

1057
00:44:51,650 --> 00:44:49,670
dirty or achy or something for me right

1058
00:44:53,210 --> 00:44:51,660
but if I might a load with that

1059
00:44:56,060 --> 00:44:53,220
vibration I'm depressed

1060
00:44:58,850 --> 00:44:56,070
right everything will just feel I'll

1061
00:45:01,100 --> 00:44:58,860
feel heavy and and you know people say

1062
00:45:02,810 --> 00:45:01,110
like attracts like so and people will be

1063
00:45:05,990 --> 00:45:02,820

like wow you're really down you look

1064

00:45:08,120 --> 00:45:06,000

down or you look you know oh I'll be

1065

00:45:10,340 --> 00:45:08,130

depressing to be around no I don't think

1066

00:45:14,480 --> 00:45:10,350

that's I think that's good I think that

1067

00:45:17,600 --> 00:45:14,490

kind of maybe hammered that hammer that

1068

00:45:20,510 --> 00:45:17,610

story again but I'll return to I guess

1069

00:45:23,630 --> 00:45:20,520

another thing that always comes up for

1070

00:45:25,940 --> 00:45:23,640

me okay and that's that you know when

1071

00:45:27,380 --> 00:45:25,950

you talk about the evils that we talked

1072

00:45:28,940 --> 00:45:27,390

about in the spirits I don't really

1073

00:45:30,530 --> 00:45:28,950

appreciate you sharing that sir I think

1074

00:45:33,440 --> 00:45:30,540

it's important because I think that gets

1075

00:45:35,450 --> 00:45:33,450

you know glossed over in a way that

1076

00:45:39,230 --> 00:45:35,460

maybe we hammer

1077

00:45:43,280 --> 00:45:39,240

the flipside of that is the moral

1078

00:45:45,109 --> 00:45:43,290

hierarchy on the higher side so God you

1079

00:45:47,660 --> 00:45:45,119

know to really reduce it down to a

1080

00:45:49,970 --> 00:45:47,670

simple term which just throws everyone

1081

00:45:51,980 --> 00:45:49,980

for a loop and I know on this show when

1082

00:45:53,540 --> 00:45:51,990

I mention the people are low and then

1083

00:45:54,980 --> 00:45:53,550

when you get into the parapsychology

1084

00:45:57,680 --> 00:45:54,990

community where we see on the left hand

1085

00:45:58,250 --> 00:45:57,690

side they cannot handle that at all to

1086

00:46:01,180 --> 00:45:58,260

me

1087

00:46:05,000 --> 00:46:01,190

purely from a scientific philosophical

1088

00:46:08,150 --> 00:46:05,010

rational basis it's all over the place

1089

00:46:10,609 --> 00:46:08,160

if there is a hierarchy if we can

1090

00:46:14,300 --> 00:46:10,619

identify this dark heavy kind of thing

1091

00:46:16,700 --> 00:46:14,310

and we can identify this light love kind

1092

00:46:19,339 --> 00:46:16,710

of thing and then we can go and take the

1093

00:46:21,589 --> 00:46:19,349

medium work that you do and others have

1094

00:46:23,510 --> 00:46:21,599

done the near-death experience work and

1095

00:46:25,880 --> 00:46:23,520

they come back and consistently said hey

1096

00:46:30,319 --> 00:46:25,890

there's there's a direction man and it's

1097

00:46:32,930 --> 00:46:30,329

heading up you know then again that

1098

00:46:36,829 --> 00:46:32,940

doesn't fit with the sphere that you've

1099

00:46:39,380 --> 00:46:36,839

drawn there I'm sorry it doesn't it fits

1100

00:46:40,760 --> 00:46:39,390

more like a pyramid and you know like

1101
00:46:42,980 --> 00:46:40,770
drop here I mean it's out of the sphere

1102
00:46:45,079 --> 00:46:42,990
of bang but everyone always draws the

1103
00:46:46,910 --> 00:46:45,089
circle and says well it's all about and

1104
00:46:49,910 --> 00:46:46,920
spear experience there's nothing good or

1105
00:46:52,069 --> 00:46:49,920
bad so I don't know I'm not trying to

1106
00:46:55,849 --> 00:46:52,079
lay some big trip on somebody or say

1107
00:46:58,550 --> 00:46:55,859
that I have any kind of ability to to do

1108
00:47:00,800 --> 00:46:58,560
right or do wrong but can we at least

1109
00:47:03,500 --> 00:47:00,810
establish there is good

1110
00:47:05,359 --> 00:47:03,510
John is bad well that's what in that you

1111
00:47:07,339 --> 00:47:05,369
can have an experience of good or bad

1112
00:47:10,010 --> 00:47:07,349
like it's free will that's why I was

1113
00:47:12,770 --> 00:47:10,020

like you can choose evil yeah I could

1114

00:47:14,900 --> 00:47:12,780

have chosen that voice I don't really I

1115

00:47:17,150 --> 00:47:14,910

think that'd have been a bad thing but I

1116

00:47:19,930 --> 00:47:17,160

could have chosen it that was my choice

1117

00:47:22,490 --> 00:47:19,940

so shall we always try to choose good

1118

00:47:24,380 --> 00:47:22,500

people might not want that in that

1119

00:47:27,020 --> 00:47:24,390

moment but you know we always try and

1120

00:47:29,390 --> 00:47:27,030

choose good I think we should I think we

1121

00:47:31,790 --> 00:47:29,400

should too and that's problematic for

1122

00:47:34,609 --> 00:47:31,800

folks when you say that is that you know

1123

00:47:36,920 --> 00:47:34,619

I think that's what we're trying to do

1124

00:47:38,780 --> 00:47:36,930

and not with any big heavy judgement or

1125

00:47:41,569 --> 00:47:38,790

not with coming down and whacking people

1126
00:47:43,059 --> 00:47:41,579
with by holes or Satan or Scaramanga

1127
00:47:44,380 --> 00:47:43,069
that but it does

1128
00:47:46,029 --> 00:47:44,390
seem to me that we can kind of lose

1129
00:47:49,539 --> 00:47:46,039
sight of that sometime with some of our

1130
00:47:51,670 --> 00:47:49,549
new agey shop we're trying to do the

1131
00:47:54,729 --> 00:47:51,680
right thing which the problem is just

1132
00:47:57,249 --> 00:47:54,739
it's we have a hard time doing it yeah

1133
00:47:58,779 --> 00:47:57,259
well there are consequences they will

1134
00:48:00,699 --> 00:47:58,789
pay their own consequences that's where

1135
00:48:02,799 --> 00:48:00,709
karma and stuff comes in but yeah if

1136
00:48:05,140 --> 00:48:02,809
every one we should try to do a good

1137
00:48:06,759 --> 00:48:05,150
thing or the right thing but as you can

1138
00:48:10,859 --> 00:48:06,769

see in the newspaper in the headlines

1139

00:48:13,599 --> 00:48:10,869

not everyone does and people get hurt

1140

00:48:17,130 --> 00:48:13,609

well because of the the alternative this

1141

00:48:20,799 --> 00:48:17,140

and I always find it in this come loving

1142

00:48:22,089 --> 00:48:20,809

loving like debates if you will but you

1143

00:48:24,219 --> 00:48:22,099

know there's some people in the magic

1144

00:48:27,189 --> 00:48:24,229

community in the occult community that

1145

00:48:30,370 --> 00:48:27,199

really find an attraction to the do

1146

00:48:32,620 --> 00:48:30,380

without wealth kind of thing right so I

1147

00:48:34,870 --> 00:48:32,630

always point to Aleister Crowley because

1148

00:48:36,759 --> 00:48:34,880

he's so despicable and he's easy to kind

1149

00:48:39,039 --> 00:48:36,769

of put in that category but there is a

1150

00:48:44,019 --> 00:48:39,049

lot to do with that will thing is that

1151
00:48:46,809 --> 00:48:44,029
if I'm following my true desires there

1152
00:48:51,779 --> 00:48:46,819
can be nothing really wrong with that

1153
00:48:54,640 --> 00:48:51,789
and to me that that that's okay as a

1154
00:48:57,400 --> 00:48:54,650
philosophical position it just seems to

1155
00:48:59,890 --> 00:48:57,410
me to be inconsistent with the data

1156
00:49:01,930 --> 00:48:59,900
we're talking about here it seems she

1157
00:49:04,299 --> 00:49:01,940
directly conflicting with the data that

1158
00:49:07,059 --> 00:49:04,309
says no you can't just do what thou wilt

1159
00:49:10,089 --> 00:49:07,069
there's a number of decisions that you

1160
00:49:11,739 --> 00:49:10,099
have to make and at every point it's do

1161
00:49:13,120 --> 00:49:11,749
the right thing do the right thing do

1162
00:49:15,670 --> 00:49:13,130
the right thing well of cause and effect

1163
00:49:17,979 --> 00:49:15,680

you can do what you want but you will

1164

00:49:18,299 --> 00:49:17,989

have to pay kind of the consequences for

1165

00:49:21,309 --> 00:49:18,309

it

1166

00:49:24,999 --> 00:49:21,319

that's where I guess my belief of karma

1167

00:49:26,229 --> 00:49:25,009

comes in and just the basic law of cause

1168

00:49:28,839 --> 00:49:26,239

and effect that's why people are like oh

1169

00:49:30,670 --> 00:49:28,849

you know don't do this or it'll come

1170

00:49:34,299 --> 00:49:30,680

back to you type of thing you know three

1171

00:49:36,599 --> 00:49:34,309

times worse or whatever right so I still

1172

00:49:39,670 --> 00:49:36,609

do believe in free will and choice

1173

00:49:41,739 --> 00:49:39,680

can they make good choices yes and I

1174

00:49:45,160 --> 00:49:41,749

hope they do can they make bad choices

1175

00:49:47,069 --> 00:49:45,170

or go towards darker heavier evil yeah

1176

00:49:50,349 --> 00:49:47,079

will there be consequences

1177

00:49:52,660 --> 00:49:50,359

yeah whether that's in this lifetime or

1178

00:49:54,420 --> 00:49:52,670

another and again my Buddhist belief or

1179

00:49:57,420 --> 00:49:54,430

whatnot yeah

1180

00:50:00,420 --> 00:49:57,430

so again if we take a big picture people

1181

00:50:03,450 --> 00:50:00,430

are seeking healing we get that in a

1182

00:50:06,809 --> 00:50:03,460

number of different ways but what is

1183

00:50:09,120 --> 00:50:06,819

really being healed in that same sense

1184

00:50:11,370 --> 00:50:09,130

that we're talking about of we all have

1185

00:50:13,260 --> 00:50:11,380

this path we all have decisions but then

1186

00:50:15,930 --> 00:50:13,270

the healer comes along and does what

1187

00:50:18,779 --> 00:50:15,940

like helps boost us along the path or um

1188

00:50:20,400 --> 00:50:18,789

so I believe there's a the energy body

1189

00:50:23,010 --> 00:50:20,410

that overlays your physical body and

1190

00:50:25,230 --> 00:50:23,020

there's layers within that whether it's

1191

00:50:30,150 --> 00:50:25,240

mental emotional spiritual as well as

1192

00:50:32,549 --> 00:50:30,160

the physical and the healer helps you're

1193

00:50:34,529 --> 00:50:32,559

just like if you go see a doctor helps

1194

00:50:36,240 --> 00:50:34,539

facilitate that healing in those

1195

00:50:38,039 --> 00:50:36,250

different layers so if it's to move on

1196

00:50:39,809 --> 00:50:38,049

your life every feeling stuck

1197

00:50:42,690 --> 00:50:39,819

emotionally or mentally or physically

1198

00:50:46,049 --> 00:50:42,700

it's you know I'm blocking those

1199

00:50:49,529 --> 00:50:46,059

energies so you can be more effective in

1200

00:50:52,140 --> 00:50:49,539

you your energy in your own body to to

1201
00:50:56,910 --> 00:50:52,150
make decisions to see more clearer to

1202
00:50:59,250 --> 00:50:56,920
feel more grounded to not be as heavy so

1203
00:51:01,559 --> 00:50:59,260
you know let me ask like the dumb

1204
00:51:04,620 --> 00:51:01,569
question like why do we need healing I

1205
00:51:07,289 --> 00:51:04,630
mean why isn't God just healing us God

1206
00:51:08,880 --> 00:51:07,299
and people are not sticking a religious

1207
00:51:10,890 --> 00:51:08,890
guy yeah I'm just using that as a

1208
00:51:12,990 --> 00:51:10,900
shortcut I think some people pray and

1209
00:51:15,329 --> 00:51:13,000
use that and yeah you don't need a

1210
00:51:17,010 --> 00:51:15,339
healer some people just need but some

1211
00:51:19,559 --> 00:51:17,020
people praying it doesn't work yeah and

1212
00:51:20,250 --> 00:51:19,569
some people do everything possible when

1213
00:51:21,900 --> 00:51:20,260

it doesn't work

1214

00:51:24,450 --> 00:51:21,910

some people do nothing in it work yeah

1215

00:51:27,630 --> 00:51:24,460

it's it's but maybe they do nothing but

1216

00:51:28,920 --> 00:51:27,640

maybe there's I don't know their guides

1217

00:51:32,339 --> 00:51:28,930

around or something else around the

1218

00:51:35,670 --> 00:51:32,349

helps them but like I know I facilitate

1219

00:51:37,410 --> 00:51:35,680

and I usually get people that come to me

1220

00:51:40,260 --> 00:51:37,420

for healings a lot of times as a last

1221

00:51:42,930 --> 00:51:40,270

resort where you know doctors haven't

1222

00:51:45,289 --> 00:51:42,940

helped them you know or counselors

1223

00:51:48,750 --> 00:51:45,299

haven't helped them and they just need

1224

00:51:50,400 --> 00:51:48,760

those desperate really and there that's

1225

00:51:52,470 --> 00:51:50,410

when they're open and they're like you

1226

00:51:55,559 --> 00:51:52,480

know what sure I'm going to try

1227

00:51:57,029 --> 00:51:55,569

something I'll be open to it so what do

1228

00:51:59,579 --> 00:51:57,039

you think you are doing in that process

1229

00:52:03,240 --> 00:51:59,589

in that process of healing

1230

00:52:06,780 --> 00:52:03,250

what are you as an energy healer doing

1231

00:52:08,880 --> 00:52:06,790

I'm a channel so for me

1232

00:52:10,500 --> 00:52:08,890

allowing spirit to work through me or

1233

00:52:10,920 --> 00:52:10,510

their gods to work through me to help

1234

00:52:13,050 --> 00:52:10,930

them

1235

00:52:18,660 --> 00:52:13,060

why does spirit need you because some

1236

00:52:20,820 --> 00:52:18,670

people I think might not feel them like

1237

00:52:23,460 --> 00:52:20,830

next to them the spirits or whatever and

1238

00:52:25,680 --> 00:52:23,470

because I'm channel it's a little more

1239

00:52:28,860 --> 00:52:25,690

directive it's like somebody standing

1240

00:52:31,620 --> 00:52:28,870

next to you I'm feeling that but no deaf

1241

00:52:34,580 --> 00:52:31,630

spirit doesn't need me like we could go

1242

00:52:37,020 --> 00:52:34,590

into meditation and I'm not there and

1243

00:52:39,390 --> 00:52:37,030

they'll do some healing I'll feel

1244

00:52:42,530 --> 00:52:39,400

lighter but I have a higher belief in

1245

00:52:45,210 --> 00:52:42,540

that so you told us a little bit about

1246

00:52:47,310 --> 00:52:45,220

your trip to New York so folks again

1247

00:52:49,350 --> 00:52:47,320

packed in very beginning again Joe is

1248

00:52:51,060 --> 00:52:49,360

nice enough to stop by here because her

1249

00:52:53,100 --> 00:52:51,070

parents live in Southern California and

1250

00:52:54,960 --> 00:52:53,110

she's on her way to New York next week

1251

00:52:57,260 --> 00:52:54,970

and I think I kind of cut you off before

1252

00:52:59,010 --> 00:52:57,270

when you're talking about this

1253

00:53:00,840 --> 00:52:59,020

conference that you're doing not a

1254

00:53:04,410 --> 00:53:00,850

conference but Morgan workshop that

1255

00:53:07,320 --> 00:53:04,420

you're doing so how did that come about

1256

00:53:10,050 --> 00:53:07,330

and what are you trying to do for people

1257

00:53:12,540 --> 00:53:10,060

um that came about because I've been

1258

00:53:15,180 --> 00:53:12,550

teaching spiritual development in Sydney

1259

00:53:19,800 --> 00:53:15,190

live face to face with people and doing

1260

00:53:21,480 --> 00:53:19,810

my work there and since um and when you

1261

00:53:22,500 --> 00:53:21,490

say spiritual development it's basically

1262

00:53:25,380 --> 00:53:22,510

all the stuff we've been talking

1263

00:53:27,270 --> 00:53:25,390

otherwise to our pretty much how to act

1264

00:53:29,400 --> 00:53:27,280

to access their own intuition work with

1265

00:53:33,750 --> 00:53:29,410

their own guides or framework learning

1266

00:53:35,790 --> 00:53:33,760

about energy and healing as well as

1267

00:53:38,580 --> 00:53:35,800

reading and intuition clairvoyance

1268

00:53:41,880 --> 00:53:38,590

clairaudience clear sentience working

1269

00:53:44,430 --> 00:53:41,890

with energy and spirit so I've been

1270

00:53:46,380 --> 00:53:44,440

teaching that and more and more of

1271

00:53:49,170 --> 00:53:46,390

asking or getting clients overseas

1272

00:53:54,000 --> 00:53:49,180

particularly in the u.s. saying if I

1273

00:53:55,770 --> 00:53:54,010

taught you know in the u.s. um because

1274

00:53:58,410 --> 00:53:55,780

I've currently live in Sydney Australia

1275

00:54:02,370 --> 00:53:58,420

you know I only travel here once or

1276
00:54:04,920 --> 00:54:02,380
twice a year so I decided to make a new

1277
00:54:07,860 --> 00:54:04,930
curriculum that would virtual online so

1278
00:54:09,960 --> 00:54:07,870
that's evolutionary comm is where you

1279
00:54:13,820 --> 00:54:09,970
can go and check it out and that's I

1280
00:54:17,520 --> 00:54:13,830
have the courses there in audio files

1281
00:54:20,310 --> 00:54:17,530
however I do live courses with small

1282
00:54:23,370 --> 00:54:20,320
groups of people six to eight people or

1283
00:54:25,980 --> 00:54:23,380
I after they listen to the audio files I

1284
00:54:27,770 --> 00:54:25,990
teach them that practical foundations

1285
00:54:30,650 --> 00:54:27,780
and exercises and help them develop

1286
00:54:35,420 --> 00:54:30,660
individually so we're just that

1287
00:54:38,940 --> 00:54:35,430
evolutionary y-o-u or actually it's

1288
00:54:41,280 --> 00:54:38,950

evolutionary with a why and then oh you

1289

00:54:42,600 --> 00:54:41,290

yes that guy okay I'll have a link the

1290

00:54:44,370 --> 00:54:42,610

show notes just in case somebody wants

1291

00:54:48,150 --> 00:54:44,380

to check it out I did a little bit to

1292

00:54:50,100 --> 00:54:48,160

wiesen look at yeah yeah that's a tough

1293

00:54:51,740 --> 00:54:50,110

one those those domain names are always

1294

00:54:53,930 --> 00:54:51,750

hard I think I made a good choice

1295

00:54:57,060 --> 00:54:53,940

evolutionary you because I feel as

1296

00:54:58,980 --> 00:54:57,070

evolution of you is evolution as human

1297

00:54:59,640 --> 00:54:58,990

beand I mean can you imagine in the

1298

00:55:02,190 --> 00:54:59,650

future world

1299

00:55:04,560 --> 00:55:02,200

I mean we're developing AI and doing all

1300

00:55:06,690 --> 00:55:04,570

these things amazingly but what about

1301
00:55:08,220 --> 00:55:06,700
within ourselves I mean if we all have a

1302
00:55:10,860 --> 00:55:08,230
village then we could all develop them

1303
00:55:13,230 --> 00:55:10,870
and like tap into our intuition empower

1304
00:55:15,360 --> 00:55:13,240
and we if we all suddenly like woke up

1305
00:55:17,580 --> 00:55:15,370
to everything and became that

1306
00:55:21,180 --> 00:55:17,590
consciousness if we all could actually

1307
00:55:23,130 --> 00:55:21,190
involve spiritually and personally it's

1308
00:55:24,990 --> 00:55:23,140
a very different world right we're

1309
00:55:26,130 --> 00:55:25,000
developing pockets right now yes there

1310
00:55:28,560 --> 00:55:26,140
is something going on people are

1311
00:55:30,000 --> 00:55:28,570
awakening quote-unquote you know taking

1312
00:55:32,220 --> 00:55:30,010
classes and stuff so people are

1313
00:55:35,130 --> 00:55:32,230

searching for answers to explain the

1314

00:55:38,160 --> 00:55:35,140

unexplainable to go beyond this realm

1315

00:55:40,170 --> 00:55:38,170

right so as we evolve you know that's

1316

00:55:41,220 --> 00:55:40,180

what I want to do and help so anyway

1317

00:55:43,410 --> 00:55:41,230

I've been doing these small group

1318

00:55:44,520 --> 00:55:43,420

sessions there about six eight people

1319

00:55:47,940 --> 00:55:44,530

and there's a group in New York I've

1320

00:55:49,650 --> 00:55:47,950

been doing with and basically they

1321

00:55:52,980 --> 00:55:49,660

convinced me to go out and New York and

1322

00:55:54,600 --> 00:55:52,990

do a live session so I've been working

1323

00:55:56,550 --> 00:55:54,610

with these people for six months and

1324

00:56:00,270 --> 00:55:56,560

they are amazing

1325

00:56:03,180 --> 00:56:00,280

and it's and if I did it before after

1326

00:56:06,210 --> 00:56:03,190

shots of who they were and in their

1327

00:56:08,550 --> 00:56:06,220

abilities they're they're truly amazing

1328

00:56:10,650 --> 00:56:08,560

tell folks because I think one less have

1329

00:56:13,320 --> 00:56:10,660

we talked and I you know ever said this

1330

00:56:15,570 --> 00:56:13,330

at the beginning but I called you joy to

1331

00:56:17,730 --> 00:56:15,580

do a healing yeah because I heard you on

1332

00:56:19,830 --> 00:56:17,740

the stuarts universe which was about a

1333

00:56:20,600 --> 00:56:19,840

year ago you did an awesome interview on

1334

00:56:22,040 --> 00:56:20,610

that

1335

00:56:24,320 --> 00:56:22,050

and I just kind of stuck in the back of

1336

00:56:27,710 --> 00:56:24,330

my mind that hey if I was going to try

1337

00:56:29,660 --> 00:56:27,720

along with conventional medicine which I

1338

00:56:31,400 --> 00:56:29,670

did which was a total disaster but if I

1339

00:56:33,770 --> 00:56:31,410

was going to try that out would also at

1340

00:56:36,680 --> 00:56:33,780

the same time try complementary energy

1341

00:56:37,880 --> 00:56:36,690

healing so I called you and I have to

1342

00:56:40,130 --> 00:56:37,890

say folks I should have said this in the

1343

00:56:42,800 --> 00:56:40,140

beginning on the yacht cut this part at

1344

00:56:45,440 --> 00:56:42,810

the beginning hey the reason joy Lynn is

1345

00:56:48,140 --> 00:56:45,450

here today is because she was amazing

1346

00:56:51,080 --> 00:56:48,150

and I've done these things a bunch of

1347

00:56:52,970 --> 00:56:51,090

times and I tell folks I never made any

1348

00:56:54,440 --> 00:56:52,980

but if I say you know that just didn't

1349

00:56:56,870 --> 00:56:54,450

work for me for whatever reason I accept

1350

00:56:59,060 --> 00:56:56,880

that but I don't know if the healing

1351

00:57:03,230 --> 00:56:59,070

part of it worked but the intuitive part

1352

00:57:05,420 --> 00:57:03,240

was just incredible just incredible and

1353

00:57:07,640 --> 00:57:05,430

I've told the story several times that

1354

00:57:10,700 --> 00:57:07,650

you know was like you kind of got in my

1355

00:57:14,960 --> 00:57:10,710

head and said some things that like only

1356

00:57:16,490 --> 00:57:14,970

I know I've never expressed anyone else

1357

00:57:19,210 --> 00:57:16,500

so that was pretty cool

1358

00:57:21,740 --> 00:57:19,220

but in the process of us doing that

1359

00:57:23,180 --> 00:57:21,750

initial consultation in that and us

1360

00:57:25,640 --> 00:57:23,190

talking but we talked for a long time

1361

00:57:28,700 --> 00:57:25,650

you did tell me some pretty amazing

1362

00:57:31,460 --> 00:57:28,710

stories about what has happened between

1363

00:57:33,350 --> 00:57:31,470

you and some of your students oh sure

1364

00:57:36,140 --> 00:57:33,360

people would be interested in hearing

1365

00:57:39,470 --> 00:57:36,150

about that yeah I have actually call

1366

00:57:44,660 --> 00:57:39,480

them they're funny they're they're great

1367

00:57:46,700 --> 00:57:44,670

they um you know they they're everyone

1368

00:57:48,230 --> 00:57:46,710

has psychic and tuned abilities don't

1369

00:57:51,710 --> 00:57:48,240

just have it stronger than others and

1370

00:57:54,710 --> 00:57:51,720

some are you know mediums and some are

1371

00:57:56,810 --> 00:57:54,720

not but they all were psychic to some

1372

00:57:59,870 --> 00:57:56,820

extent and they've been developing for

1373

00:58:01,640 --> 00:57:59,880

the last six months and what's a good

1374

00:58:05,060 --> 00:58:01,650

story from one home that really jumps

1375

00:58:07,010 --> 00:58:05,070

out and trying to think of then were

1376

00:58:10,010 --> 00:58:07,020

they helped a family member oh no

1377

00:58:13,520 --> 00:58:10,020

actually um so we were doing one

1378

00:58:18,140 --> 00:58:13,530

exercise and when I was working on their

1379

00:58:21,860 --> 00:58:18,150

clairvoyance okay and I had a client

1380

00:58:25,349 --> 00:58:21,870

Cindy and it was a bit of a nutty

1381

00:58:29,099 --> 00:58:25,359

situation and I had to go to their house

1382

00:58:31,410 --> 00:58:29,109

and I said oh and I finished doing the

1383

00:58:33,479 --> 00:58:31,420

clearing and on the client I gave them

1384

00:58:35,940 --> 00:58:33,489

the name of the client in the location

1385

00:58:37,739 --> 00:58:35,950

and I said I want you guys to list we'll

1386

00:58:42,059 --> 00:58:37,749

talk about in class the next day right

1387

00:58:46,799 --> 00:58:42,069

and so I went in and I asked what they

1388

00:58:49,529 --> 00:58:46,809

got and um the way the location of my

1389

00:58:50,910 --> 00:58:49,539

client was set up it looked like it

1390

00:58:52,799 --> 00:58:50,920

would look like a hotel that was an

1391

00:58:57,630 --> 00:58:52,809

apartment complex but the image I kept

1392

00:59:00,539 --> 00:58:57,640

getting was like this 1920s brothel

1393

00:59:03,079 --> 00:59:00,549

thing and um looking at the history I

1394

00:59:05,789 --> 00:59:03,089

think it used to be a casino type of

1395

00:59:09,029 --> 00:59:05,799

venue there know the ajuga

1396

00:59:11,009 --> 00:59:09,039

or the image I got intuitively was

1397

00:59:13,529 --> 00:59:11,019

before you weren't well when I stepped

1398

00:59:15,839 --> 00:59:13,539

in there oh okay but then doing research

1399

00:59:18,359 --> 00:59:15,849

on it and asking around that place used

1400

00:59:21,809 --> 00:59:18,369

to be a casino type of event which

1401

00:59:24,089 --> 00:59:21,819

obviously had some ELISA activities well

1402

00:59:26,640 --> 00:59:24,099

one of my students as soon as said said

1403

00:59:30,299 --> 00:59:26,650

that she goes oh my gosh I kept getting

1404

00:59:32,759 --> 00:59:30,309

like really stiff dirty sex vibe and she

1405

00:59:34,769 --> 00:59:32,769

kept you described like the you know

1406

00:59:37,349 --> 00:59:34,779

lingerie and everything and I was like

1407

00:59:40,170 --> 00:59:37,359

yeah yeah she was just so happy about it

1408

00:59:41,729 --> 00:59:40,180

you know she was really excited about so

1409

00:59:45,390 --> 00:59:41,739

I was really impressed with their

1410

00:59:49,499 --> 00:59:45,400

abilities but yeah they they were really

1411

00:59:53,430 --> 00:59:49,509

amazed um you know just working with

1412

00:59:56,249 --> 00:59:53,440

energy at one point you know we were all

1413

00:59:58,079 --> 00:59:56,259

online and I could see them across my

1414

01:00:00,569 --> 00:59:58,089

screen and I had them work with

1415

01:00:02,579 --> 01:00:00,579

pendulums in their home and I could see

1416

01:00:04,739 --> 01:00:02,589

them walking back and forth all the

1417

01:00:07,439 --> 01:00:04,749

sudden you hear oh my god it's moving oh

1418

01:00:08,789 --> 01:00:07,449

my god what's this oh my god and it's

1419

01:00:10,400 --> 01:00:08,799

interesting and I would test them and

1420

01:00:13,140 --> 01:00:10,410

you know help them tune in and

1421

01:00:17,219 --> 01:00:13,150

consistently they would all get very

1422

01:00:21,120 --> 01:00:17,229

very precise readings or information

1423

01:00:24,059 --> 01:00:21,130

that I would check with and ask you know

1424

01:00:26,069 --> 01:00:24,069

professional readers and they were right

1425

01:00:29,130 --> 01:00:26,079

on par with them and they're just

1426

01:00:31,620 --> 01:00:29,140

amazing people so I'm going to New York

1427

01:00:32,910 --> 01:00:31,630

to see them and they helped me arrange

1428

01:00:38,070 --> 01:00:32,920

the

1429

01:00:39,900 --> 01:00:38,080

April first and second one I'm going to

1430

01:00:42,930 --> 01:00:39,910

be doing grounding clearing protection

1431

01:00:43,950 --> 01:00:42,940

so learning about your energy and the

1432

01:00:45,210 --> 01:00:43,960

energy of your environment how to

1433

01:00:47,670 --> 01:00:45,220

protect yourself how to clear yourself

1434

01:00:49,860 --> 01:00:47,680

that deals a little more with healing

1435

01:00:54,210 --> 01:00:49,870

but they'll actually be able to practice

1436

01:00:56,010 --> 01:00:54,220

it with each other like how to block

1437

01:00:59,700 --> 01:00:56,020

other energies from other people and

1438

01:01:01,110 --> 01:00:59,710

whatnot the second one April second will

1439

01:01:03,090 --> 01:01:01,120

be about your learning about your

1440

01:01:05,550 --> 01:01:03,100

intuition to Tarot so it's not really a

1441

01:01:07,650 --> 01:01:05,560

tear of course because you can just you

1442

01:01:09,570 --> 01:01:07,660

know read the book about the cards and

1443

01:01:13,110 --> 01:01:09,580

whatnot but accessing your intuition and

1444

01:01:16,260 --> 01:01:13,120

using tarot as more of a symbology to

1445

01:01:18,210 --> 01:01:16,270

see what to get and practice um you're

1446

01:01:20,040 --> 01:01:18,220

more psychic ability and intuition on

1447

01:01:22,320 --> 01:01:20,050

that so that's the second workshop on

1448

01:01:24,540 --> 01:01:22,330

doing in New York but ya know I'll be

1449

01:01:26,940 --> 01:01:24,550

doing more workshops I think I've had

1450

01:01:29,430 --> 01:01:26,950

requests in Chicago and San Diego so

1451

01:01:33,240 --> 01:01:29,440

Alex you know I might be doing something

1452

01:01:35,550 --> 01:01:33,250

together we'll see what we're doing or

1453

01:01:38,850 --> 01:01:35,560

when it comes to workshops a or we could

1454

01:01:42,510 --> 01:01:38,860

do a healing now well I do that so we

1455

01:01:46,280 --> 01:01:42,520

might wrap up this interview and then do

1456

01:01:50,250 --> 01:01:46,290

a healing and then I will report back to

1457

01:01:52,140 --> 01:01:50,260

listeners how it went but in the

1458

01:01:55,320 --> 01:01:52,150

meantime we've talked for a long time I

1459

01:01:59,010 --> 01:01:55,330

hope I can edit this into something that

1460

01:02:00,720 --> 01:01:59,020

is halfway coherent but I like this

1461

01:02:02,490 --> 01:02:00,730

format and I've gone more and more

1462

01:02:05,160 --> 01:02:02,500

conversational and more and more casual

1463

01:02:07,680 --> 01:02:05,170

because what it's really all about is

1464

01:02:10,740 --> 01:02:07,690

people connecting with you and if they

1465

01:02:13,500 --> 01:02:10,750

connect with you then everything else

1466

01:02:16,530 --> 01:02:13,510

flows from that whether they need your

1467

01:02:18,780 --> 01:02:16,540

services or your online courses or

1468

01:02:21,870 --> 01:02:18,790

whether they never want to see or hear

1469

01:02:23,160 --> 01:02:21,880

what's good yeah they will leave that

1470

01:02:24,540 --> 01:02:23,170

the opportunity to make that decision

1471

01:02:27,480 --> 01:02:24,550

and I think that's what it's all about

1472

01:02:29,790 --> 01:02:27,490

so awesome thanks for coming to my house

1473

01:02:32,850 --> 01:02:29,800

and doing oh so good seeing you infer

1474

01:02:34,380 --> 01:02:32,860

something care for having me thanks

1475

01:02:36,810 --> 01:02:34,390

again to Joy Lin for joining me attend

1476

01:02:39,150 --> 01:02:36,820

skeptic Oh the one question I tee up on

1477

01:02:41,370 --> 01:02:39,160

this interview is what do you make of

1478

01:02:43,950 --> 01:02:41,380

the evil spirits the joy was talking to

1479

01:02:46,110 --> 01:02:43,960

to do her bidding are they out there do

1480

01:02:46,710 --> 01:02:46,120

we have to worry about them or can we

1481

01:02:48,660 --> 01:02:46,720

just do

1482

01:02:50,220 --> 01:02:48,670

without wilt I know I've hammered on

1483

01:02:52,500 --> 01:02:50,230

that question a lot but it does seem to

1484

01:02:54,630 --> 01:02:52,510

be a big one of course place to dialogue

1485

01:02:57,500 --> 01:02:54,640

on that is at the skeptical forum or

1486

01:03:01,589 --> 01:02:57,510

through the skeptical website at sk e PT

1487

01:03:04,109 --> 01:03:01,599

k o comm and while you're there you can

1488

01:03:06,330 --> 01:03:04,119

find all the previous shows about 350 of

1489

01:03:09,420 --> 01:03:06,340

them they're all available for free no

1490

01:03:11,640 --> 01:03:09,430

subscription no download no paywall no

1491

01:03:13,349 --> 01:03:11,650

advertising no anything just take them

1492

01:03:15,660 --> 01:03:13,359

use them as you will hope you find value

1493

01:03:17,730 --> 01:03:15,670

in them hope you connect with me and

1494

01:03:18,839 --> 01:03:17,740

with the show and hope you stay with me

1495

01:03:21,300 --> 01:03:18,849

because I have some more great
