1
00:00:11,509 --> 00:00:09,080
on this episode of skeptic oh we've

2
00:00:14,690 --> 00:00:11,519
established as well as we can the

3
00:00:18,109 --> 00:00:14,700
physical phenomenon tell us about the

4
00:00:20,630 --> 00:00:18,119
spiritual phenomenon as it one started

5
00:00:24,009 --> 00:00:20,640
and then as it progressed you have some

6
00:00:26,599 --> 00:00:24,019
very provocative controversial

7
00:00:28,670 --> 00:00:26,609
information that you've brought back and

8
00:00:31,849 --> 00:00:28,680
also some information that you think is

9
00:00:34,250 --> 00:00:31,859
important scientifically if we will

10
00:00:36,440 --> 00:00:34,260
about what's going on with consciousness

11
00:00:38,720 --> 00:00:36,450
so gee where do you want to begin

12
00:00:41,569 --> 00:00:38,730
if you said why have you been happy look

13
00:00:44,479 --> 00:00:41,579

upset about our evolution it's about

14

00:00:47,209 --> 00:00:44,489

learning and every now and then we get

15

00:00:49,340 --> 00:00:47,219

these odd cases like mine thrown in and

16

00:00:51,709 --> 00:00:49,350

it gives science it gives the medical

17

00:00:54,139 --> 00:00:51,719

profession it gives us all an ability to

18

00:00:55,900 --> 00:00:54,149

look deep into something that interests

19

00:00:58,849 --> 00:00:55,910

us and that might have answers and

20

00:01:01,720 --> 00:00:58,859

spiritually one of the things that you

21

00:01:06,289 --> 00:01:01,730

know I often hear you know if you don't

22

00:01:10,340 --> 00:01:06,299

believe that an NDE is is a real event

23

00:01:13,340 --> 00:01:10,350

and they say well it's caused by false

24

00:01:16,609 --> 00:01:13,350

memories or illusions I can say without

25

00:01:17,380 --> 00:01:16,619

any hesitation that is absolutely not

26
00:01:22,310 --> 00:01:17,390
the case

27
00:01:22,320 --> 00:01:29,940
[Music]

28
00:01:33,850 --> 00:01:32,170
welcome to skeptic aware we explore

29
00:01:35,980 --> 00:01:33,860
controversial science and spirituality

30
00:01:38,290 --> 00:01:35,990
with leading researchers thinkers and

31
00:01:42,900 --> 00:01:38,300
their critics I'm your host Alex Icarus

32
00:01:45,790 --> 00:01:42,910
and on today's show a very interesting

33
00:01:50,430 --> 00:01:45,800
challenging account from someone who's

34
00:01:54,070 --> 00:01:50,440
had just an unbelievable number of

35
00:01:56,320 --> 00:01:54,080
near-death or real death experiences

36
00:01:59,860 --> 00:01:56,330
Beverly Gilmore as you'll hear in this

37
00:02:03,580 --> 00:01:59,870
show has experienced 30 years of more or

38
00:02:06,370 --> 00:02:03,590

less continuous often on near-death

39

00:02:09,220 --> 00:02:06,380

experiences what she's gained out of

40

00:02:11,800 --> 00:02:09,230

that the message that she has is I think

41

00:02:14,020 --> 00:02:11,810

quite controversial or at least it will

42

00:02:17,950 --> 00:02:14,030

be for some people there's definitely a

43

00:02:20,170 --> 00:02:17,960

strong Jesus angle to her experience but

44

00:02:23,740 --> 00:02:20,180

she also has an insight in terms of

45

00:02:27,310 --> 00:02:23,750

consciousness that is quite unique and

46

00:02:30,220 --> 00:02:27,320

quite interesting as well and could have

47

00:02:32,410 --> 00:02:30,230

implications for near-death experience

48

00:02:35,530 --> 00:02:32,420

research and consciousness research in

49

00:02:39,580 --> 00:02:35,540

general I was extremely skeptical going

50

00:02:42,160 --> 00:02:39,590

into this interview and am well I have

51
00:02:44,470 --> 00:02:42,170
to say I'm less skeptical coming out I

52
00:02:46,780 --> 00:02:44,480
don't know what to make of everything

53
00:02:49,360 --> 00:02:46,790
that Beverly has to say and you'll hear

54
00:02:52,270 --> 00:02:49,370
that in this interview as well but I'm

55
00:02:55,000 --> 00:02:52,280
not too quick to dismiss what she says

56
00:02:58,540 --> 00:02:55,010
either I hope you enjoy my interview

57
00:03:00,970 --> 00:02:58,550
with Beverly Gilmour today we welcome

58
00:03:04,199 --> 00:03:00,980
Beverly Gilmour to skeptic Oh Beverly is

59
00:03:07,449 --> 00:03:04,209
the author of a journey of actual death

60
00:03:10,270 --> 00:03:07,459
experiences who I am the new divine

61
00:03:13,600 --> 00:03:10,280
teachings of Jesus a book in which she

62
00:03:17,470 --> 00:03:13,610
explores human consciousness and her

63
00:03:21,580 --> 00:03:17,480

understanding of it from amazingly 30

64

00:03:25,180 --> 00:03:21,590

years of more or less continuous near

65

00:03:29,140 --> 00:03:25,190

death and after death experiences it's

66

00:03:32,140 --> 00:03:29,150

really quite an amazing account and I've

67

00:03:34,990 --> 00:03:32,150

just expressed to Beverly I have all

68

00:03:37,780 --> 00:03:35,000

sorts of skepticism but at the same time

69

00:03:39,730 --> 00:03:37,790

I'm anticipating some of the really

70

00:03:42,400 --> 00:03:39,740

remarkable things she's discovered in

71

00:03:45,130 --> 00:03:42,410

this medical and spirit

72

00:03:47,230 --> 00:03:45,140

Jurnee she's been on so Beverly it's

73

00:03:49,360 --> 00:03:47,240

awesome to have you on sceptical thanks

74

00:03:52,480 --> 00:03:49,370

so much for joining me great being here

75

00:03:55,570 --> 00:03:52,490

thank you for having me here well so as

76
00:03:59,320 --> 00:03:55,580
we were just talking about uh you know

77
00:04:01,240 --> 00:03:59,330
you've been at this for a while that's

78
00:04:02,470 --> 00:04:01,250
not even the right way to say it you you

79
00:04:05,130 --> 00:04:02,480
really have to kind of start I think

80
00:04:09,390 --> 00:04:05,140
with your story because it's a unique

81
00:04:12,310 --> 00:04:09,400
medical story in terms of your

82
00:04:14,710 --> 00:04:12,320
experiences with what we've come to know

83
00:04:16,810 --> 00:04:14,720
as near-death experiences but as they

84
00:04:19,900 --> 00:04:16,820
kind of manifest in you it's kind of

85
00:04:23,520 --> 00:04:19,910
even more of a medical mystery can you

86
00:04:28,900 --> 00:04:23,530
start just by kind of telling your story

87
00:04:32,110 --> 00:04:28,910
well it actually began in 1987 and to

88
00:04:34,120 --> 00:04:32,120

say that it's been my life it is an

89

00:04:37,780 --> 00:04:34,130

understatement you know it's been 30

90

00:04:40,300 --> 00:04:37,790

years and when they first started you

91

00:04:42,850 --> 00:04:40,310

know and for many years after I had no

92

00:04:44,760 --> 00:04:42,860

idea what was happening to me and I

93

00:04:47,470 --> 00:04:44,770

reached out and reached out and

94

00:04:49,270 --> 00:04:47,480

gradually so so let me let me interject

95

00:04:52,900 --> 00:04:49,280

right there because even that we have to

96

00:04:55,390 --> 00:04:52,910

say what it is that happened to you how

97

00:04:57,280 --> 00:04:55,400

it physically felt and then that first

98

00:04:58,630 --> 00:04:57,290

point is really important that when it

99

00:05:00,790 --> 00:04:58,640

first happened you geezers were

100

00:05:03,040 --> 00:05:00,800

completely unaware of what's going on so

101

00:05:04,960 --> 00:05:03,050

what was it like the first couple times

102

00:05:08,590 --> 00:05:04,970

this happened what what physically did

103

00:05:13,000 --> 00:05:08,600

you feel I physically felt the very

104

00:05:15,220 --> 00:05:13,010

first times it happened is my very first

105

00:05:18,340 --> 00:05:15,230

time just my head came out of my body

106

00:05:20,860 --> 00:05:18,350

that was all and so I didn't sort of

107

00:05:23,530 --> 00:05:20,870

like I didn't even know what near-death

108

00:05:25,420 --> 00:05:23,540

experience was anyway but I didn't

109

00:05:28,720 --> 00:05:25,430

really understand I just thought I was

110

00:05:32,020 --> 00:05:28,730

dreaming and then a few nights later

111

00:05:34,690 --> 00:05:32,030

I was able to sit up and I noticed that

112

00:05:37,600 --> 00:05:34,700

my legs were were stuck I couldn't move

113

00:05:39,850 --> 00:05:37,610

my legs or I contained myself around but

114

00:05:42,490 --> 00:05:39,860

I couldn't move my legs so this is it at

115

00:05:44,740 --> 00:05:42,500

nighttime you're going to bed in that

116

00:05:47,740 --> 00:05:44,750

time it never happens it happens when I

117

00:05:50,500 --> 00:05:47,750

actually go to bed if I go to bed during

118

00:05:52,719 --> 00:05:50,510

the day it could happen but it only

119

00:05:56,050 --> 00:05:52,729

happens when I'm in that state of

120

00:05:56,410 --> 00:05:56,060

complete rest so just let me probe that

121

00:05:59,410 --> 00:05:56,420

time

122

00:06:02,530 --> 00:05:59,420

a bit further is it deep in kind of a

123

00:06:04,450 --> 00:06:02,540

REM cycle is it early on and they kind

124

00:06:07,780 --> 00:06:04,460

of hypnagogic state when we're first

125

00:06:10,210 --> 00:06:07,790

falling asleep when does it occur a lot

126
00:06:10,480 --> 00:06:10,220
of people have associated that with you

127
00:06:12,040 --> 00:06:10,490
know

128
00:06:15,070 --> 00:06:12,050
astral projection out-of-body

129
00:06:15,700 --> 00:06:15,080
experiences is it that is it something

130
00:06:17,800 --> 00:06:15,710
different

131
00:06:20,740 --> 00:06:17,810
medically you've kind of looked into it

132
00:06:21,940 --> 00:06:20,750
what's going on there well actually goes

133
00:06:25,000 --> 00:06:21,950
on it

134
00:06:27,850 --> 00:06:25,010
it happens straightaway as soon as I

135
00:06:30,280 --> 00:06:27,860
actually you know I when I'm going to

136
00:06:33,460 --> 00:06:30,290
have one I'll be lying down and I can

137
00:06:35,620 --> 00:06:33,470
sense this is happening because I and

138
00:06:38,950 --> 00:06:35,630

it's sort of like I go into a very very

139

00:06:41,770 --> 00:06:38,960

deep sleep but then I pass our stage and

140

00:06:44,230 --> 00:06:41,780

it's like I suddenly become aware of

141

00:06:46,900 --> 00:06:44,240

everything and I'm telling my body to

142

00:06:49,300 --> 00:06:46,910

move I'm instructing it to actually move

143

00:06:52,030 --> 00:06:49,310

and I can see what's going on around and

144

00:06:54,630 --> 00:06:52,040

move but I know my eyes are shut and

145

00:06:56,980 --> 00:06:54,640

then I think that I actually feel myself

146

00:06:58,540 --> 00:06:56,990

rising upwards and that's when I'm

147

00:07:03,280 --> 00:06:58,550

actually coming out and out of my body

148

00:07:05,470 --> 00:07:03,290

and what it turns out is from the now

149

00:07:08,440 --> 00:07:05,480

that I've been and being treated by my

150

00:07:11,710 --> 00:07:08,450

doctors is that first of all what

151
00:07:13,330 --> 00:07:11,720
happens is I'd go unconscious and so

152
00:07:15,700 --> 00:07:13,340
this is something to do with the brain I

153
00:07:17,860 --> 00:07:15,710
actually go unconscious and then that

154
00:07:20,200 --> 00:07:17,870
affects my heartbeat and then my

155
00:07:21,370 --> 00:07:20,210
heartbeat slows down until becomes known

156
00:07:24,250 --> 00:07:21,380
and as that happens

157
00:07:25,870 --> 00:07:24,260
it affects the breathing and then there

158
00:07:28,600 --> 00:07:25,880
the next thing that happens is my brain

159
00:07:29,920 --> 00:07:28,610
starts shutting down so it's all you

160
00:07:32,170 --> 00:07:29,930
know it's all connected it's like a

161
00:07:35,710 --> 00:07:32,180
cycle and it all happens spontaneously

162
00:07:37,930 --> 00:07:35,720
each other and then I actually leave my

163
00:07:40,840 --> 00:07:37,940

body and that's basically the pattern

164

00:07:42,670 --> 00:07:40,850

over so I have no connection to the

165

00:07:46,030 --> 00:07:42,680

physical body till I can't see myself

166

00:07:48,370 --> 00:07:46,040

lying there so so Beverly one more

167

00:07:51,130 --> 00:07:48,380

medical question there you said your

168

00:07:53,500 --> 00:07:51,140

heartbeat goes to nil is this something

169

00:07:54,610 --> 00:07:53,510

your doctors have verified or even you

170

00:07:58,030 --> 00:07:54,620

know someone around you has verified

171

00:07:59,980 --> 00:07:58,040

that your heartbeat is very faint or you

172

00:08:02,350 --> 00:07:59,990

know medically that have to kind of hook

173

00:08:05,140 --> 00:08:02,360

you up to an EKG or something and say

174

00:08:06,790 --> 00:08:05,150

you have no heartbeat what are you

175

00:08:08,920 --> 00:08:06,800

saying when you what are you saying

176

00:08:10,100 --> 00:08:08,930

medically when you say that it stops

177

00:08:12,470 --> 00:08:10,110

because I mean

178

00:08:15,710 --> 00:08:12,480

stops it stops guilty how do you know

179

00:08:17,270 --> 00:08:15,720

that well I can see but half of the

180

00:08:19,160 --> 00:08:17,280

people around me who have actually

181

00:08:20,000 --> 00:08:19,170

witness did they actually see me going

182

00:08:22,610 --> 00:08:20,010

to this state

183

00:08:27,890 --> 00:08:22,620

well me not non-responsive at all and

184

00:08:29,930 --> 00:08:27,900

also in 1989 Oliver when I was they

185

00:08:33,950 --> 00:08:29,940

actually stopped when I got pregnant

186

00:08:36,590 --> 00:08:33,960

okay which was it's something that I'd

187

00:08:39,200 --> 00:08:36,600

like to look into more and then on the

188

00:08:42,320 --> 00:08:39,210

eighth month of the pregnancy I had one

189

00:08:45,470 --> 00:08:42,330

and I got really upset because I didn't

190

00:08:48,710 --> 00:08:45,480

know you know how to damage my baby you

191

00:08:51,730 --> 00:08:48,720

know and I ended up in hospital and I

192

00:08:54,560 --> 00:08:51,740

flatlined on the machines and the

193

00:08:56,540 --> 00:08:54,570

gynecologist and the doctors are capable

194

00:09:00,560 --> 00:08:56,550

they actually induced on about eight

195

00:09:02,150 --> 00:09:00,570

weeks early in case I had another one so

196

00:09:06,500 --> 00:09:02,160

that was the first time I came to the

197

00:09:07,790 --> 00:09:06,510

medical attention was 1989 so Beverly at

198

00:09:11,090 --> 00:09:07,800

that time when you were in the hospital

199

00:09:12,560 --> 00:09:11,100

and they say you flatlined were you

200

00:09:13,700 --> 00:09:12,570

outside your body at that time

201
00:09:17,060 --> 00:09:13,710
witnessing it

202
00:09:19,130 --> 00:09:17,070
yeah I was and I luckily I was I was

203
00:09:21,950 --> 00:09:19,140
hooked up to monitors because they were

204
00:09:23,750 --> 00:09:21,960
lumps in the baby so I was hooked up got

205
00:09:25,880 --> 00:09:23,760
to heartbeat monitors and everything

206
00:09:28,970 --> 00:09:25,890
what did you think as you were observing

207
00:09:32,210 --> 00:09:28,980
that outside and and then also on that

208
00:09:34,400 --> 00:09:32,220
related question did that feel similar

209
00:09:37,130 --> 00:09:34,410
to these other experiences where you can

210
00:09:40,010 --> 00:09:37,140
say I was flatline there so I probably

211
00:09:42,290 --> 00:09:40,020
was flatlined other times or did it feel

212
00:09:45,980 --> 00:09:42,300
somewhat different than at other times

213
00:09:50,150 --> 00:09:45,990

it is exactly the same the awareness was

214

00:09:52,760 --> 00:09:50,160

the saying it was no it was exactly the

215

00:09:54,920 --> 00:09:52,770

same it's not it's not being any

216

00:09:57,080 --> 00:09:54,930

different from from beginning it was

217

00:09:59,320 --> 00:09:57,090

just the only difference in the FO

218

00:10:01,640 --> 00:09:59,330

beginning was those first three times

219

00:10:03,800 --> 00:10:01,650

when I didn't come out my body

220

00:10:06,110 --> 00:10:03,810

completely and then about the fourth

221

00:10:08,960 --> 00:10:06,120

time I actually came straight out and

222

00:10:10,850 --> 00:10:08,970

since then I was always just straight

223

00:10:12,500 --> 00:10:10,860

out you know as soon as the heartbeat

224

00:10:15,020 --> 00:10:12,510

stopped this is the brain started

225

00:10:18,200 --> 00:10:15,030

shutting down breathes and stuff came

226

00:10:22,600 --> 00:10:18,210

straight out and how long will these

227

00:10:24,080 --> 00:10:22,610

periods go when you are medically

228

00:10:27,820 --> 00:10:24,090

clinically dead

229

00:10:33,200 --> 00:10:27,830

how long in our time will that last

230

00:10:36,680 --> 00:10:33,210

well it sort of did they there's no set

231

00:10:38,720 --> 00:10:36,690

rule to the time period it's a case of

232

00:10:41,000 --> 00:10:38,730

you know it's been a few minutes you

233

00:10:42,830 --> 00:10:41,010

know just things like that it's never

234

00:10:44,540 --> 00:10:42,840

been four hours but it's been a few

235

00:10:46,910 --> 00:10:44,550

minutes but people love them there

236

00:10:50,050 --> 00:10:46,920

because when I come back I start jumping

237

00:10:54,470 --> 00:10:50,060

you know as if I'm being brought back

238

00:10:57,260 --> 00:10:54,480

and I start the body starts to jerk

239

00:10:58,780 --> 00:10:57,270

upwards and you can see me jumping as if

240

00:11:01,520 --> 00:10:58,790

I'm get being given electric shock

241

00:11:03,050 --> 00:11:01,530

because what actually happens to me Alex

242

00:11:06,890 --> 00:11:03,060

and this is fascinating this is

243

00:11:09,550 --> 00:11:06,900

fascinated by science is when I'm aware

244

00:11:12,380 --> 00:11:09,560

of returning back into my body I

245

00:11:15,170 --> 00:11:12,390

actually focus on the back of my brain

246

00:11:17,840 --> 00:11:15,180

stem at the back and it's like you

247

00:11:19,910 --> 00:11:17,850

literally are plugging something in and

248

00:11:24,920 --> 00:11:19,920

you know when you plug something in you

249

00:11:28,790 --> 00:11:24,930

get burst of energy but that's what it's

250

00:11:32,360 --> 00:11:28,800

like I get plugged back in and this ball

251
00:11:35,630 --> 00:11:32,370
of Energy's bright and it just explodes

252
00:11:38,420 --> 00:11:35,640
and it just travels down my back into

253
00:11:42,080 --> 00:11:38,430
through my spine and it hits my heart

254
00:11:45,280 --> 00:11:42,090
and it literally no and that's what

255
00:11:48,290 --> 00:11:45,290
actually brings me back it's actually

256
00:11:50,600 --> 00:11:48,300
stringing my heart back to the rhythm

257
00:11:52,370 --> 00:11:50,610
it's and and normally only takes one

258
00:11:54,650 --> 00:11:52,380
time but sometimes it's been 2 or 3

259
00:11:57,200 --> 00:11:54,660
times when I've had to you know the

260
00:12:00,890 --> 00:11:57,210
field and then I've come back and then I

261
00:12:03,020 --> 00:12:00,900
gasp for breath my stop no but the

262
00:12:05,900 --> 00:12:03,030
length of time is the longer it takes me

263
00:12:08,450 --> 00:12:05,910

for to recover I would say I've gone

264

00:12:11,480 --> 00:12:08,460

longer than because obviously I can't

265

00:12:14,720 --> 00:12:11,490

just sit off after and experience you

266

00:12:17,300 --> 00:12:14,730

know I'm source right you know trying to

267

00:12:19,820 --> 00:12:17,310

absorb everything can try to yeah

268

00:12:21,770 --> 00:12:19,830

reconnect with my body I imagine it's

269

00:12:24,470 --> 00:12:21,780

physically draining as well hey as long

270

00:12:25,340 --> 00:12:24,480

as we have Oliver there who is your son

271

00:12:29,740 --> 00:12:25,350

as you just mentioned

272

00:12:34,390 --> 00:12:29,750

Oliver have you ever witnessed directly

273

00:12:37,240 --> 00:12:34,400

Beverly doing this kind of reentry re

274

00:12:40,090 --> 00:12:37,250

resuscitation self resuscitation

275

00:12:42,700 --> 00:12:40,100

and she's been in this condition um well

276

00:12:47,680 --> 00:12:42,710

yeah I mean I've witnessed it many times

277

00:12:51,880 --> 00:12:47,690

and sometimes you had to restrain

278

00:12:54,100 --> 00:12:51,890

because the force is so powerful you

279

00:12:56,650 --> 00:12:54,110

know she could easily hurt herself she

280

00:12:59,500 --> 00:12:56,660

could fall out of bed and she could hit

281

00:13:04,120 --> 00:12:59,510

a head so sometimes you know you have to

282

00:13:06,730 --> 00:13:04,130

sit by her and um make sure that when

283

00:13:09,550 --> 00:13:06,740

she is coming back she isn't going to

284

00:13:11,760 --> 00:13:09,560

harm herself physically you know so so

285

00:13:15,010 --> 00:13:11,770

you've seen your mom and your mom is

286

00:13:18,340 --> 00:13:15,020

essentially dead appears to be dead no

287

00:13:20,410 --> 00:13:18,350

no breathing no anything if you were to

288

00:13:21,580 --> 00:13:20,420

reach down and take her pulse I don't

289

00:13:23,530 --> 00:13:21,590

know if you've ever done that maybe you

290

00:13:25,960 --> 00:13:23,540

can tell us she doesn't appear to have

291

00:13:29,680 --> 00:13:25,970

any pulse and this goes on for how long

292

00:13:33,190 --> 00:13:29,690

and then what is that self resuscitation

293

00:13:35,320 --> 00:13:33,200

process like well I don't actually

294

00:13:38,800 --> 00:13:35,330

intervene with the process at all I've

295

00:13:40,630 --> 00:13:38,810

got to say that it probably started when

296

00:13:44,110 --> 00:13:40,640

I was very young

297

00:13:46,900 --> 00:13:44,120

you know I first became aware of their

298

00:13:50,530 --> 00:13:46,910

problem when I was around 11 years old

299

00:13:53,320 --> 00:13:50,540

and many times I just thought she was

300

00:13:56,829 --> 00:13:53,330

asleep and as a child of that age I

301

00:13:59,260 --> 00:13:56,839

didn't really you know understand death

302

00:14:00,940 --> 00:13:59,270

or what to do if you do discover someone

303

00:14:02,440 --> 00:14:00,950

death and I imagine that's the same case

304

00:14:05,410 --> 00:14:02,450

with many young children you know it's

305

00:14:08,320 --> 00:14:05,420

it's one of those things and it was only

306

00:14:11,020 --> 00:14:08,330

as I got older I picked up on you know

307

00:14:15,610 --> 00:14:11,030

how cold she was you know how

308

00:14:18,400 --> 00:14:15,620

unresponsive she was um but you know it

309

00:14:20,980 --> 00:14:18,410

always seemed to occur that when I would

310

00:14:23,200 --> 00:14:20,990

be around her if I would hear movements

311

00:14:25,180 --> 00:14:23,210

I would go and check in on her and then

312

00:14:30,400 --> 00:14:25,190

the jerking would start suddenly soon

313

00:14:32,230 --> 00:14:30,410

after I can't say that I was there when

314

00:14:34,270 --> 00:14:32,240

she you know were put into bed and say

315

00:14:37,930 --> 00:14:34,280

goodnight and then she would go through

316

00:14:40,329 --> 00:14:37,940

the physical death and then if I heard

317

00:14:42,640 --> 00:14:40,339

something later on half an hour an hour

318

00:14:45,040 --> 00:14:42,650

later go in and check her and then

319

00:14:46,840 --> 00:14:45,050

within a couple of seconds the jerking

320

00:14:48,400 --> 00:14:46,850

would start and then I would know that

321

00:14:50,050 --> 00:14:48,410

something's wrong so I would there I

322

00:14:50,540 --> 00:14:50,060

would be there to supervise that she

323

00:14:52,790 --> 00:14:50,550

didn't

324

00:14:57,050 --> 00:14:52,800

sample in terms of applying like CPR

325

00:14:58,100 --> 00:14:57,060

mouth so no no no I know I mean great I

326

00:15:00,949 --> 00:14:58,110

appreciate that

327

00:15:02,980 --> 00:15:00,959

it's just now we have someone else it

328

00:15:05,990 --> 00:15:02,990

was even though you're a family member

329

00:15:08,590 --> 00:15:06,000

you're just telling it like you

330

00:15:10,850 --> 00:15:08,600

experienced it and it corroborates

331

00:15:13,460 --> 00:15:10,860

Beverly's account and then just one

332

00:15:16,310 --> 00:15:13,470

other kind of minor detail on this so

333

00:15:20,690 --> 00:15:16,320

the time period Beverly your best guess

334

00:15:23,030 --> 00:15:20,700

in terms of how long these after or

335

00:15:25,790 --> 00:15:23,040

actual death experiences as you call

336

00:15:27,650 --> 00:15:25,800

them how long those last what's your

337

00:15:32,509 --> 00:15:27,660

best guess and you said there's a range

338

00:15:34,579 --> 00:15:32,519

what is the range well I would say the

339

00:15:39,230 --> 00:15:34,589

best guess a couple of minutes because

340

00:15:42,380 --> 00:15:39,240

you know I don't know to be honest Alex

341

00:15:43,910 --> 00:15:42,390

I really really don't know and I feel

342

00:15:45,620 --> 00:15:43,920

like it's only a couple of minutes

343

00:15:50,600 --> 00:15:45,630

because it doesn't seem to be any any

344

00:15:52,400 --> 00:15:50,610

tying concept whether you pass over so

345

00:15:54,710 --> 00:15:52,410

one minute it's happening next we now

346

00:15:57,440 --> 00:15:54,720

have the experience and I see what I see

347

00:16:00,019 --> 00:15:57,450

and do what I do and the next thing you

348

00:16:02,449 --> 00:16:00,029

know because the consciousness is well

349

00:16:05,090 --> 00:16:02,459

the physical death itself is quite a

350

00:16:07,280 --> 00:16:05,100

you know it's the natural physical death

351

00:16:09,350 --> 00:16:07,290

it's not paying forward quite pleasant

352

00:16:13,790 --> 00:16:09,360

it's just a transfer of consciousness

353

00:16:18,050 --> 00:16:13,800

and then the coming back so it all just

354

00:16:20,510 --> 00:16:18,060

happens so am I actually out longer well

355

00:16:21,620 --> 00:16:20,520

you know I don't really know to be

356

00:16:23,750 --> 00:16:21,630

honest with you too

357

00:16:25,280 --> 00:16:23,760

to be fair but all the people have also

358

00:16:27,460 --> 00:16:25,290

witnessed II you know when friends have

359

00:16:30,560 --> 00:16:27,470

stayed over and things like that like

360

00:16:32,870 --> 00:16:30,570

I've had a friend staying over and we

361

00:16:36,889 --> 00:16:32,880

talked to Thoth you know in bed because

362

00:16:38,960 --> 00:16:36,899

sleep over and she's gone down the next

363

00:16:40,430 --> 00:16:38,970

day she's gone to get all of us condos

364

00:16:43,430 --> 00:16:40,440

like you know mom had one of those

365

00:16:46,730 --> 00:16:43,440

experiences last night and she was quite

366

00:16:49,340 --> 00:16:46,740

frightened by it so it's not just the

367

00:16:53,060 --> 00:16:49,350

family members who witnesses is also

368

00:16:55,310 --> 00:16:53,070

lots of other people over the years so

369

00:16:57,560 --> 00:16:55,320

it's been quite it's quite traumatic

370

00:16:59,720 --> 00:16:57,570

distinctive for other people to actually

371

00:17:01,310 --> 00:16:59,730

witness this to be honest video right

372

00:17:03,740 --> 00:17:01,320

and I understand from your account that

373

00:17:04,520 --> 00:17:03,750

it's quite traumatic for you even both

374

00:17:06,560 --> 00:17:04,530

the physical

375

00:17:11,180 --> 00:17:06,570

part of it and you feel very drained and

376

00:17:13,430 --> 00:17:11,190

physically not not well after it but

377

00:17:15,890 --> 00:17:13,440

then also as we'll talk about the

378

00:17:20,000 --> 00:17:15,900

spiritual process of what you've gone

379

00:17:22,550 --> 00:17:20,010

through so I don't know it does seem to

380

00:17:27,170 --> 00:17:22,560

be quite a toll on you right well it is

381

00:17:31,370 --> 00:17:27,180

because it's this the physical aspects

382

00:17:35,660 --> 00:17:31,380

of Israel is from 1992 I had the most

383

00:17:39,050 --> 00:17:35,670

horrendous absolutely horrendous burning

384

00:17:42,340 --> 00:17:39,060

pain in my head constantly and we're

385

00:17:45,950 --> 00:17:42,350

talking to point up you could not

386

00:17:49,880 --> 00:17:45,960

commuting torch it and I would like I

387

00:17:52,130 --> 00:17:49,890

was just almost like a vegetable to be

388

00:17:54,970 --> 00:17:52,140

quite quite honest with you I just sit

389

00:17:57,500 --> 00:17:54,980

there and I could not move and if anyone

390

00:18:01,490 --> 00:17:57,510

tried to put the hand near in my head

391

00:18:03,710 --> 00:18:01,500

and just bear more and they used to if

392

00:18:05,810 --> 00:18:03,720

they would burn then you know when my

393

00:18:07,790 --> 00:18:05,820

emotions changed if I was happy with

394

00:18:09,860 --> 00:18:07,800

been in one place if I'm sad he would

395

00:18:13,640 --> 00:18:09,870

burn in another place then it would

396

00:18:16,880 --> 00:18:13,650

shift over flow down the back and one my

397

00:18:18,860 --> 00:18:16,890

previous doctor dr. Carson I once went

398

00:18:21,260 --> 00:18:18,870

and I had this attack of the band and

399

00:18:24,370 --> 00:18:21,270

then he sat me down and he realized he

400

00:18:27,140 --> 00:18:24,380

couldn't approach my head and I'm

401

00:18:31,220 --> 00:18:27,150

partially deaf so I don't have natural

402

00:18:33,080 --> 00:18:31,230

haven't but someone came into the room and

403

00:18:36,080 --> 00:18:33,090

even though I couldn't turn myself to

404

00:18:38,090 --> 00:18:36,090

see that person I was able to pick up on

405

00:18:40,610 --> 00:18:38,100

that person's movement around that room

406

00:18:42,830 --> 00:18:40,620

every step of the way she knew from what

407

00:18:45,440 --> 00:18:42,840

she did and I was telling dr. cares and

408

00:18:47,470 --> 00:18:45,450

then he was you know sort of observing

409

00:18:52,150 --> 00:18:47,480

this and he was quite taken back by it

410

00:18:54,350 --> 00:18:52,160

so he's affirming I respect I have that

411

00:18:57,650 --> 00:18:54,360

related and I think what that was doing

412

00:19:01,450 --> 00:18:57,660

was helping was part of the physical

413

00:19:04,940 --> 00:19:01,460

aspect of constantly having these IDs so

414

00:19:07,550 --> 00:19:04,950

it's quite uh Taliah renders I still

415

00:19:13,130 --> 00:19:07,560

have it now and then but not as I used

416

00:19:16,300 --> 00:19:13,140

to have it okay so we've established as

417

00:19:18,260 --> 00:19:16,310

well as we can the physical phenomenon

418

00:19:21,980 --> 00:19:18,270

tell us about

419

00:19:24,410 --> 00:19:21,990

the spiritual phenomenon as it one

420

00:19:29,049 --> 00:19:24,420

started and then as it progressed you

421

00:19:31,160 --> 00:19:29,059

have some very provocative controversial

422

00:19:33,230 --> 00:19:31,170

information that you've brought back and

423

00:19:36,410 --> 00:19:33,240

also some information that you think is

424

00:19:38,630 --> 00:19:36,420

important scientifically if we will

425

00:19:41,270 --> 00:19:38,640

about what's going on with consciousness

426

00:19:44,150 --> 00:19:41,280

so gee where do you want to begin I

427

00:19:46,760 --> 00:19:44,160

don't know I mean I would say it's all

428

00:19:49,910 --> 00:19:46,770

about if you said why why have you been

429

00:19:52,780 --> 00:19:49,920

having a upset about our evolution it's

430

00:19:56,060 --> 00:19:52,790

about learning and every now and then

431

00:19:58,880 --> 00:19:56,070

you know we get these odd cases like

432

00:20:00,740 --> 00:19:58,890

mine thrown in and it gives science it

433

00:20:04,070 --> 00:20:00,750

gives the medical profession it gives us

434

00:20:06,230 --> 00:20:04,080

all an ability to look deeper into

435

00:20:10,340 --> 00:20:06,240

something that interests us and that

436

00:20:12,470 --> 00:20:10,350

might have answers and spiritually one

437

00:20:16,850 --> 00:20:12,480

of the things that you know I often hear

438

00:20:21,530 --> 00:20:16,860

you know if you don't believe that an

439

00:20:24,919 --> 00:20:21,540

NDE is is a real event and I say well

440

00:20:27,890 --> 00:20:24,929

it's caused by false memories or

441

00:20:30,440 --> 00:20:27,900

illusions I can say without any

442

00:20:35,900 --> 00:20:30,450

hesitation that is absolutely not the

443

00:20:38,299 --> 00:20:35,910

case because it's just you know the

444

00:20:41,660 --> 00:20:38,309

things that I saw the things that I was

445

00:20:43,250 --> 00:20:41,670

being taught some of them I didn't like

446

00:20:45,350 --> 00:20:43,260

Alex I'll be honest with you I really

447

00:20:47,450 --> 00:20:45,360

didn't like them and I certainly

448

00:20:50,510 --> 00:20:47,460

wouldn't have been able to associated

449

00:20:54,770 --> 00:20:50,520

with my life as it was before they

450

00:20:58,040 --> 00:20:54,780

started you know I had in the beginning

451

00:21:00,919 --> 00:20:58,050

I mean as you know from the book I

452

00:21:05,120 --> 00:21:00,929

always meet the Jesus but in the

453

00:21:07,220 --> 00:21:05,130

beginning you know I was more excited

454

00:21:10,330 --> 00:21:07,230

and more percent the fact I've never my

455

00:21:13,250 --> 00:21:10,340

not mind my father he passed over and

456

00:21:15,470 --> 00:21:13,260

then even that experience where he

457

00:21:18,049 --> 00:21:15,480

actually already said to me with lens du

458

00:21:20,660 --> 00:21:18,059

jour talk Beverly and then I came back

459

00:21:22,910 --> 00:21:20,670

and I can remember afterwards feeling

460

00:21:25,340 --> 00:21:22,920

quite disappointed like it's a lease

461

00:21:29,150 --> 00:21:25,350

business you know I I love you I miss

462

00:21:29,810 --> 00:21:29,160

you you know I've never met you know in

463

00:21:30,630 --> 00:21:29,820

the afterlife

464

00:21:33,210 --> 00:21:30,640

I know your

465

00:21:34,800 --> 00:21:33,220

I familiar you're there and it's all

466

00:21:37,560 --> 00:21:34,810

you're going to say to me you know I

467

00:21:40,620 --> 00:21:37,570

want I want you to tell me how much you

468

00:21:43,230 --> 00:21:40,630

love me miss me and things right now you

469

00:21:46,440 --> 00:21:43,240

know so whatever I wanted I didn't get

470

00:21:49,110 --> 00:21:46,450

in that respect if you can understand

471

00:21:49,920 --> 00:21:49,120

where I'm coming from here you know you

472

00:21:52,080 --> 00:21:49,930

know what I mean

473

00:21:57,350 --> 00:21:52,090

you know like there was in the beginning

474

00:21:59,610 --> 00:21:57,360

I tried to control them because you know

475

00:22:02,250 --> 00:21:59,620

that's my personality

476

00:22:04,050 --> 00:22:02,260

and I thought well if I can control like

477

00:22:06,180 --> 00:22:04,060

I saw you know because one time I

478

00:22:09,390 --> 00:22:06,190

thought I was becoming a psychic you

479

00:22:11,820 --> 00:22:09,400

know a medium and I remember lying down

480

00:22:14,850 --> 00:22:11,830

on the bed and I remember saying like

481

00:22:17,640 --> 00:22:14,860

okay I'm going to have one now no I

482

00:22:20,220 --> 00:22:17,650

didn't happen and then if I were you

483

00:22:22,980 --> 00:22:20,230

know I feel extremely tired because I

484

00:22:25,200 --> 00:22:22,990

always noticed that before I had one I

485

00:22:28,530 --> 00:22:25,210

would get extremely tired as if the

486

00:22:31,470 --> 00:22:28,540

energies draining from me and I'd say no

487

00:22:35,760 --> 00:22:31,480

I don't want one no and I'd beg and

488

00:22:38,040 --> 00:22:35,770

plead please no and I'd have one so as

489

00:22:41,520 --> 00:22:38,050

far as my control is concerned it was it

490

00:22:45,450 --> 00:22:41,530

was you know it was in receiver there's

491

00:22:47,130 --> 00:22:45,460

nothing there so so but really you just

492

00:22:49,860 --> 00:22:47,140

kind of quickly mentioned a point that I

493

00:22:52,290 --> 00:22:49,870

think is going to be a some bling block

494

00:22:54,300 --> 00:22:52,300

for a lot of people for other people

495

00:22:55,740 --> 00:22:54,310

it's going to be the greatest point of

496

00:22:58,260 --> 00:22:55,750

your whole thing and that's this

497

00:23:01,640 --> 00:22:58,270

encounter with Jesus as you understand

498

00:23:04,740 --> 00:23:01,650

that talk about that when did it begin

499

00:23:07,470 --> 00:23:04,750

how did you come to know that was Jesus

500

00:23:09,510 --> 00:23:07,480

who do you understand Jesus to be the

501
00:23:11,730 --> 00:23:09,520
other really controversial things as you

502
00:23:14,370 --> 00:23:11,740
talk about the new divine teachings of

503
00:23:16,950 --> 00:23:14,380
de Jesus prophesies that you've brought

504
00:23:19,890 --> 00:23:16,960
back from Jesus predictions that you say

505
00:23:21,690 --> 00:23:19,900
have come true during this period that

506
00:23:25,350 --> 00:23:21,700
you've had this all that's going to be

507
00:23:27,930 --> 00:23:25,360
very interesting to people well I

508
00:23:29,610 --> 00:23:27,940
straighten it but he was there from the

509
00:23:31,890 --> 00:23:29,620
beginning you know when I was telling

510
00:23:35,070 --> 00:23:31,900
you about how in the beginning I was

511
00:23:36,630 --> 00:23:35,080
just coming out partially I did notice

512
00:23:39,990 --> 00:23:36,640
that there was a figure in the corner

513
00:23:41,910 --> 00:23:40,000

and he was the figure was dressed like a

514

00:23:43,270 --> 00:23:41,920

monk couldn't see his face or anything

515

00:23:45,610 --> 00:23:43,280

there just the shadow

516

00:23:48,760 --> 00:23:45,620

bigger and that actually scared me

517

00:23:52,000 --> 00:23:48,770

because you know that was my bedroom and

518

00:23:53,920 --> 00:23:52,010

I didn't know that that was in the

519

00:24:00,070 --> 00:23:53,930

spirit that that that I was actually

520

00:24:03,130 --> 00:24:00,080

seeing that but when I first realized it

521

00:24:06,970 --> 00:24:03,140

was him has to be the one where I I

522

00:24:10,480 --> 00:24:06,980

actually asked him I said are you my

523

00:24:13,630 --> 00:24:10,490

Lord Jesus and he look like

524

00:24:19,480 --> 00:24:13,640

why do you ask child do you not know and

525

00:24:21,670 --> 00:24:19,490

then I felt this horrendous she's not

526

00:24:23,770 --> 00:24:21,680

not shamed but there's like silliness

527

00:24:26,170 --> 00:24:23,780

for even asking me because I could feel

528

00:24:27,250 --> 00:24:26,180

it was him I could see it was him I

529

00:24:30,640 --> 00:24:27,260

could see his face

530

00:24:34,870 --> 00:24:30,650

you know and his disciples were there

531

00:24:37,540 --> 00:24:34,880

and even though I could when you know

532

00:24:40,090 --> 00:24:37,550

that you feel loved as well there was

533

00:24:42,280 --> 00:24:40,100

this amazing feeling around and they was

534

00:24:47,850 --> 00:24:42,290

a mixture of love but it was also this

535

00:24:50,610 --> 00:24:47,860

like authority that came from him and

536

00:24:53,560 --> 00:24:50,620

you do mention in the book that you were

537

00:24:56,320 --> 00:24:53,570

frightened during these periods - you

538

00:24:58,180 --> 00:24:56,330

weren't it wasn't all love and light

539

00:25:01,000 --> 00:24:58,190

with Jesus you were also afraid of him

540

00:25:02,380 --> 00:25:01,010

right well I was I was afraid of what

541

00:25:05,830 --> 00:25:02,390

was happening to me Alex

542

00:25:10,180 --> 00:25:05,840

because when I realized I couldn't

543

00:25:11,890 --> 00:25:10,190

control them I kept thinking I wasn't

544

00:25:14,470 --> 00:25:11,900

thinking because I didn't understand

545

00:25:16,390 --> 00:25:14,480

that the concept of near-death

546

00:25:18,940 --> 00:25:16,400

experiences I've never heard of it

547

00:25:21,280 --> 00:25:18,950

before or actual death experience or

548

00:25:24,760 --> 00:25:21,290

astral traveling or antibody experiences

549

00:25:26,800 --> 00:25:24,770

so what was going through my mind you

550

00:25:29,350 --> 00:25:26,810

know very young naive mind at the time

551
00:25:33,040 --> 00:25:29,360
was I'm cheating death you know it's my

552
00:25:36,700 --> 00:25:33,050
time and obviously I didn't want to die

553
00:25:39,100 --> 00:25:36,710
you know I wanted to live I wanted to be

554
00:25:41,080 --> 00:25:39,110
a wife or one to be a mother because I

555
00:25:45,640 --> 00:25:41,090
had it not been young daughter I had a

556
00:25:48,790 --> 00:25:45,650
home and so I was very very scared

557
00:25:51,700 --> 00:25:48,800
because I couldn't understand why kept

558
00:25:55,630 --> 00:25:51,710
tapping and I kept they I just said you

559
00:25:56,790 --> 00:25:55,640
know I'm dying I'm magic I'm gonna die

560
00:25:59,950 --> 00:25:56,800
you're huggin

561
00:26:02,710 --> 00:25:59,960
and you know much of my child's gonna

562
00:26:04,420 --> 00:26:02,720
grow up without her mother and there

563
00:26:09,010 --> 00:26:04,430

weren't any immediate answers to these

564

00:26:11,320 --> 00:26:09,020

questions right now absolutely no it not

565

00:26:14,460 --> 00:26:11,330

at all whatsoever and it was just like I

566

00:26:17,860 --> 00:26:14,470

was just fumbling fumbling along and

567

00:26:21,550 --> 00:26:17,870

what I ended up doing I suppose is I

568

00:26:25,180 --> 00:26:21,560

ended up starting to understand that

569

00:26:28,480 --> 00:26:25,190

you've got to have faith you've got to

570

00:26:31,270 --> 00:26:28,490

have courage and you've got to have a

571

00:26:34,030 --> 00:26:31,280

little bit of strength to believe in

572

00:26:36,250 --> 00:26:34,040

your convictions and the one thing that

573

00:26:38,730 --> 00:26:36,260

I did understand about Jesus because I'm

574

00:26:41,410 --> 00:26:38,740

not I'm not actually a religious person

575

00:26:45,340 --> 00:26:41,420

well one thing I understood about his

576

00:26:48,280 --> 00:26:45,350

story shall we say is that he's not a

577

00:26:51,160 --> 00:26:48,290

bad person you know he's not he comes

578

00:26:54,850 --> 00:26:51,170

with Murphy comes of salvation comes

579

00:26:59,280 --> 00:26:54,860

with all these nice things so I had to

580

00:27:01,590 --> 00:26:59,290

learn to try and trust him and try and

581

00:27:04,410 --> 00:27:01,600

physically and mentally and emotionally

582

00:27:07,870 --> 00:27:04,420

put that in a compartment saying well

583

00:27:11,530 --> 00:27:07,880

okay you're there I'm meeting you and

584

00:27:15,340 --> 00:27:11,540

I'm coming back okay I don't know why I

585

00:27:19,150 --> 00:27:15,350

don't understand it but I'm still living

586

00:27:21,150 --> 00:27:19,160

absorb reading so you know and that's

587

00:27:24,250 --> 00:27:21,160

why I tried to do all the time but I did

588

00:27:28,410 --> 00:27:24,260

live though I had I started become very

589

00:27:32,920 --> 00:27:28,420

successful in my career and I was afraid

590

00:27:35,550 --> 00:27:32,930

John my joyful person but behind the

591

00:27:38,530 --> 00:27:35,560

smile there was that nagging feeling of

592

00:27:41,530 --> 00:27:38,540

sadness that no one understood you know

593

00:27:44,380 --> 00:27:41,540

so if you know I mean I was hiding

594

00:27:46,930 --> 00:27:44,390

behind a mask a lot of it is you in your

595

00:27:48,940 --> 00:27:46,940

career as a as a writer of children's

596

00:27:51,520 --> 00:27:48,950

books yeah

597

00:27:55,150 --> 00:27:51,530

because those what I noticed I was doing

598

00:27:57,040 --> 00:27:55,160

is I was unnoticed that I would see

599

00:27:58,930 --> 00:27:57,050

something you know I don't I would see

600

00:28:02,050 --> 00:27:58,940

these buildings made of precious stones

601
00:28:03,640 --> 00:28:02,060
and it was amazing I mean it's obviously

602
00:28:04,630 --> 00:28:03,650
going to be amazing if you saw a

603
00:28:06,910 --> 00:28:04,640
building maybe

604
00:28:08,380 --> 00:28:06,920
precious stones you gasp because it's of

605
00:28:11,019 --> 00:28:08,390
the beauty

606
00:28:13,840 --> 00:28:11,029
and what I found I was actually doing is

607
00:28:14,500 --> 00:28:13,850
when I was then creating my children's

608
00:28:18,490 --> 00:28:14,510
books

609
00:28:21,490 --> 00:28:18,500
I was actually allowing the NDEs to

610
00:28:24,060 --> 00:28:21,500
influence the characters like for

611
00:28:28,169 --> 00:28:24,070
instance one of my characters became

612
00:28:31,600 --> 00:28:28,179
Lord Imus he's the spirit council and

613
00:28:35,320 --> 00:28:31,610

basically that was Jesus if you can you

614

00:28:36,940 --> 00:28:35,330

see what I was doing sure the characters

615

00:28:39,100 --> 00:28:36,950

the snow mites were all named after

616

00:28:41,590 --> 00:28:39,110

precious gems and he adopted the color

617

00:28:44,250 --> 00:28:41,600

and then I was describing this place

618

00:28:48,100 --> 00:28:44,260

called heaven Deena so I was actually

619

00:28:50,230 --> 00:28:48,110

doing that for a long long time I was

620

00:28:52,060 --> 00:28:50,240

gonna say but these ideas he eats when

621

00:28:56,080 --> 00:28:52,070

we're not about just writing a

622

00:29:00,100 --> 00:28:56,090

children's story a lot more complex and

623

00:29:04,060 --> 00:29:00,110

far more important to us than now gone

624

00:29:08,009 --> 00:29:04,070

oh sure sure no very good point taken um

625

00:29:10,000 --> 00:29:08,019

so you know from communicating me

626
00:29:11,710 --> 00:29:10,010
communicating with me in the past and

627
00:29:15,539 --> 00:29:11,720
from kind of being aware of the skeptic

628
00:29:18,360 --> 00:29:15,549
Osho I've really explored this topic of

629
00:29:20,799 --> 00:29:18,370
extended consciousness and in particular

630
00:29:23,100 --> 00:29:20,809
near-death experience I've explored a

631
00:29:27,330 --> 00:29:23,110
lot because I think it's tremendously

632
00:29:30,129 --> 00:29:27,340
important particularly given the

633
00:29:33,129 --> 00:29:30,139
cultural bias we still have the

634
00:29:35,799 --> 00:29:33,139
scientific oriented cultural bias we

635
00:29:38,680 --> 00:29:35,809
have against this you know so if you go

636
00:29:41,350 --> 00:29:38,690
out any poll you do ninety percent of

637
00:29:43,539 --> 00:29:41,360
people will believe that there's more

638
00:29:45,639 --> 00:29:43,549

that there's something like god or

639

00:29:48,480 --> 00:29:45,649

however you want to put it but when we

640

00:29:50,740 --> 00:29:48,490

turn to science and the intellectual

641

00:29:53,409 --> 00:29:50,750

academia kind of thing there's this real

642

00:29:56,230 --> 00:29:53,419

rejection of it so I'm very open to this

643

00:29:58,360 --> 00:29:56,240

I'm open to the idea of Christ

644

00:29:59,350 --> 00:29:58,370

consciousness because it pops up again

645

00:30:01,269 --> 00:29:59,360

and again and again

646

00:30:03,240 --> 00:30:01,279

and when I say Christ consciousness I'm

647

00:30:05,470 --> 00:30:03,250

making a distinction between our

648

00:30:08,139 --> 00:30:05,480

historical accounts of this figure

649

00:30:11,740 --> 00:30:08,149

called Jesus and what people are

650

00:30:13,899 --> 00:30:11,750

experiencing in these extended

651
00:30:16,350 --> 00:30:13,909
consciousness realms if you will either

652
00:30:20,879 --> 00:30:16,360
through after death experiences

653
00:30:22,060 --> 00:30:20,889
near-death experiences odd after death

654
00:30:23,590 --> 00:30:22,070
communication

655
00:30:26,110 --> 00:30:23,600
experiences like with mediums or

656
00:30:28,600 --> 00:30:26,120
whatever people talk to Jesus see Jesus

657
00:30:31,420 --> 00:30:28,610
even through psychedelics people see

658
00:30:33,880 --> 00:30:31,430
Jesus talk to Jesus so I'm not closed to

659
00:30:36,580 --> 00:30:33,890
all that but at the same time in trying

660
00:30:38,620 --> 00:30:36,590
to get a handle on it the best I can

661
00:30:43,480 --> 00:30:38,630
as someone who has not had a near-death

662
00:30:45,190 --> 00:30:43,490
experience I am drawn to the data the

663
00:30:47,050 --> 00:30:45,200

evidence you know I sent you the video

664

00:30:49,810 --> 00:30:47,060

with dr. Jeff long who's probably

665

00:30:52,870 --> 00:30:49,820

explored this more than anyone else and

666

00:30:55,990 --> 00:30:52,880

what you find is you get a lot of people

667

00:30:57,580 --> 00:30:56,000

who say they've experienced Jesus or

668

00:30:59,710 --> 00:30:57,590

something like Jesus or like you said

669

00:31:01,270 --> 00:30:59,720

someone who they felt was this kind of

670

00:31:03,010 --> 00:31:01,280

Supreme Being they weren't sure it was

671

00:31:06,160 --> 00:31:03,020

Jesus but then you get a lot of other

672

00:31:07,810 --> 00:31:06,170

people who say something different or

673

00:31:11,340 --> 00:31:07,820

that they'd say that the religions are

674

00:31:14,560 --> 00:31:11,350

just kind of a metaphor for all this

675

00:31:17,970 --> 00:31:14,570

supreme goodness in light that leads up

676

00:31:20,440 --> 00:31:17,980

to this hierarchical thing so one of my

677

00:31:22,420 --> 00:31:20,450

interest areas in talking to you

678

00:31:25,960 --> 00:31:22,430

Beverley is to try and sort out this

679

00:31:28,360 --> 00:31:25,970

Jesus thing because I think it's it's

680

00:31:31,180 --> 00:31:28,370

tricky there's a lot of evidence for it

681

00:31:33,790 --> 00:31:31,190

but like I say if you go look at the

682

00:31:36,940 --> 00:31:33,800

body of the evidence like dr. Jeff long

683

00:31:40,420 --> 00:31:36,950

did in his latest book it really points

684

00:31:44,020 --> 00:31:40,430

more towards this consciousness that

685

00:31:46,990 --> 00:31:44,030

extends beyond one particular religion

686

00:31:49,360 --> 00:31:47,000

do you have any insight into you know

687

00:31:52,270 --> 00:31:49,370

like as a long speech on my part but

688

00:31:54,430 --> 00:31:52,280

I'll it leads up to a quote that in your

689

00:31:56,560 --> 00:31:54,440

book you say Jesus is the Son of God I

690

00:32:00,550 --> 00:31:56,570

mean that kind of shuts the door to a

691

00:32:02,950 --> 00:32:00,560

lot of other things if you will yeah

692

00:32:05,020 --> 00:32:02,960

kind of like with the sand maggots I'm

693

00:32:07,920 --> 00:32:05,030

saying you know it's all good it's

694

00:32:13,300 --> 00:32:07,930

religious reasons his book breaks no I

695

00:32:17,650 --> 00:32:13,310

mean as I I was as I encountered him as

696

00:32:19,630 --> 00:32:17,660

the information that was coming to me it

697

00:32:21,610 --> 00:32:19,640

was coming to me that he was because for

698

00:32:24,220 --> 00:32:21,620

instance the the first time I wasn't

699

00:32:27,430 --> 00:32:24,230

able to speak I wasn't able to say

700

00:32:30,060 --> 00:32:27,440

anything I'm these disciples who were

701
00:32:35,080 --> 00:32:30,070
there who claimed to be his disciples

702
00:32:40,240 --> 00:32:35,090
made me show Jesus's respect made me

703
00:32:42,910 --> 00:32:40,250
and bow my head and I said and that's

704
00:32:44,920 --> 00:32:42,920
how it would come across in England it

705
00:32:49,230 --> 00:32:44,930
was also come across there when he was

706
00:32:53,350 --> 00:32:49,240
present Alex is really important the

707
00:32:57,250 --> 00:32:53,360
evil spirit which the word evil has been

708
00:32:59,350 --> 00:32:57,260
her inner ott for bad spirit or or what

709
00:33:04,330 --> 00:32:59,360
you want to call it you know destruction

710
00:33:06,750 --> 00:33:04,340
spirit could not it was afraid of this

711
00:33:09,610 --> 00:33:06,760
this this man he was afraid of him and

712
00:33:12,880 --> 00:33:09,620
it would literally like you know cower

713
00:33:16,300 --> 00:33:12,890

away now I never sensed any kind of

714

00:33:19,600 --> 00:33:16,310

religion around him I never sensed any

715

00:33:21,850 --> 00:33:19,610

religion in the afterlife but I did

716

00:33:24,670 --> 00:33:21,860

sense that he was the son of God and I

717

00:33:28,420 --> 00:33:24,680

did sense that he was the teacher and I

718

00:33:31,840 --> 00:33:28,430

also sense that it basically he comes

719

00:33:34,870 --> 00:33:31,850

and and his part in all this was to

720

00:33:37,750 --> 00:33:34,880

educate us on what we had actually

721

00:33:41,100 --> 00:33:37,760

taught ourselves if that's a better word

722

00:33:45,760 --> 00:33:41,110

cottony there wasn't a sort of a

723

00:33:48,250 --> 00:33:45,770

condensation or condemning or judgment

724

00:33:52,180 --> 00:33:48,260

that that wasn't what came across it was

725

00:33:54,850 --> 00:33:52,190

more of a sense of right and our

726
00:33:56,770 --> 00:33:54,860
instance he would ask me a question and

727
00:33:59,320 --> 00:33:56,780
I would reply the questioners as I

728
00:34:02,110 --> 00:33:59,330
thought was the truth like you know why

729
00:34:06,790 --> 00:34:02,120
did you do something I answer back and

730
00:34:09,130 --> 00:34:06,800
obviously what we think we we do things

731
00:34:11,649 --> 00:34:09,140
with the reason we think we do things

732
00:34:14,139 --> 00:34:11,659
and the reason we are actually doing

733
00:34:19,659 --> 00:34:14,149
them don't always tally with each other

734
00:34:20,590 --> 00:34:19,669
and so until I actually realize that I

735
00:34:24,030 --> 00:34:20,600
wasn't answering

736
00:34:26,710 --> 00:34:24,040
truthfully I kept having to go back and

737
00:34:30,430 --> 00:34:26,720
answer my question and dig a little

738
00:34:33,370 --> 00:34:30,440

deeper into you know and what the truth

739

00:34:36,280 --> 00:34:33,380

of that are the answer was from me you

740

00:34:38,230 --> 00:34:36,290

know as in who I was as person and

741

00:34:41,200 --> 00:34:38,240

that's why they called The Who am I

742

00:34:45,909 --> 00:34:41,210

because you actually ask yourself Who am

743

00:34:48,070 --> 00:34:45,919

I you know what what person am I what

744

00:34:48,339 --> 00:34:48,080

kind of person am i what do I know what

745

00:34:55,149 --> 00:34:48,349

do

746

00:34:58,509 --> 00:34:55,159

so you know it's like I mean I could say

747

00:35:01,120 --> 00:34:58,519

to you for starters when I grew up what

748

00:35:03,930 --> 00:35:01,130

influenced me about Jesus was I don't

749

00:35:07,839 --> 00:35:03,940

know if if you remember if it was a and

750

00:35:10,690 --> 00:35:07,849

the film called Jesus of Nazareth and

751
00:35:12,640 --> 00:35:10,700
came out Easter do you ever remember

752
00:35:15,249 --> 00:35:12,650
that I don't remember that particular

753
00:35:18,430 --> 00:35:15,259
one but go ahead I would have been about

754
00:35:21,549 --> 00:35:18,440
12 years old and that was how I learned

755
00:35:23,799 --> 00:35:21,559
about him and I learnt about him when I

756
00:35:26,680 --> 00:35:23,809
was younger but it was all very a

757
00:35:28,420 --> 00:35:26,690
childish it was a through church it

758
00:35:30,039 --> 00:35:28,430
wasn't through Sunday school because I

759
00:35:31,960 --> 00:35:30,049
didn't I didn't go to church if

760
00:35:35,710 --> 00:35:31,970
conventional school I didn't have

761
00:35:38,319 --> 00:35:35,720
religious parents free you know he

762
00:35:41,799 --> 00:35:38,329
didn't he didn't sit me down in the

763
00:35:43,930 --> 00:35:41,809

spiritual essence and say well you you

764

00:35:47,200 --> 00:35:43,940

have to go to church you have to do that

765

00:35:50,620 --> 00:35:47,210

you have to find me through this Avenue

766

00:35:53,009 --> 00:35:50,630

or that Avenue what he did do is you can

767

00:35:58,499 --> 00:35:53,019

find me through speaking the truth and

768

00:36:01,239 --> 00:35:58,509

the truth was this may underpinning

769

00:36:04,479 --> 00:36:01,249

educating lesson of everything you know

770

00:36:06,700 --> 00:36:04,489

speak the truth for now doesn't matter

771

00:36:10,150 --> 00:36:06,710

and if you don't like what truth that

772

00:36:14,319 --> 00:36:10,160

you are change yourself become a better

773

00:36:17,769 --> 00:36:14,329

person you know to me that that's

774

00:36:18,779 --> 00:36:17,779

invaluable because at first I didn't

775

00:36:26,140 --> 00:36:18,789

want to listen

776

00:36:28,059 --> 00:36:26,150

sure I got told off a lot yeah I get

777

00:36:29,109 --> 00:36:28,069

that so here I'm going to persist a

778

00:36:30,819 --> 00:36:29,119

little bit further with this because

779

00:36:34,809 --> 00:36:30,829

it's just of great interest to me

780

00:36:37,599 --> 00:36:34,819

so the who am i teaching is awesome it's

781

00:36:41,469 --> 00:36:37,609

somewhat Universal it's a lot of wisdom

782

00:36:44,049 --> 00:36:41,479

traditions as is the teaching of truth

783

00:36:47,259 --> 00:36:44,059

of seeking the truth of being the truth

784

00:36:50,079 --> 00:36:47,269

all that also kind of universal both

785

00:36:52,059 --> 00:36:50,089

those fit in with the research I'm going

786

00:36:54,579 --> 00:36:52,069

to continually point to again and again

787

00:36:56,799 --> 00:36:54,589

in this show of dr. Jeff long because

788

00:36:59,079 --> 00:36:56,809

he's the first near-death experience

789

00:36:59,700 --> 00:36:59,089

researcher who was brave enough to kind

790

00:37:01,920 --> 00:36:59,710

of

791

00:37:04,620 --> 00:37:01,930

look past the basic evidence that

792

00:37:07,920 --> 00:37:04,630

suggests as you pointed out that these

793

00:37:10,020 --> 00:37:07,930

experiences are real they're a medical

794

00:37:12,480 --> 00:37:10,030

mystery and the only conclusion we can

795

00:37:14,760 --> 00:37:12,490

draw from them medically scientifically

796

00:37:17,839 --> 00:37:14,770

is that consciousness somehow in some

797

00:37:20,670 --> 00:37:17,849

way we don't understand extends beyond

798

00:37:23,040 --> 00:37:20,680

bodily death that's the conclusion of

799

00:37:24,990 --> 00:37:23,050

virtually every not virtually every

800

00:37:27,320 --> 00:37:25,000

near-death experiencer I know of who's

801
00:37:29,940 --> 00:37:27,330
actually studied the phenomenon so

802
00:37:32,609 --> 00:37:29,950
there's one that's the physical part

803
00:37:34,470 --> 00:37:32,619
what I like about dr. long is then he's

804
00:37:36,960 --> 00:37:34,480
gone one step further and say okay now

805
00:37:39,210 --> 00:37:36,970
that we've established that it's fair to

806
00:37:41,910 --> 00:37:39,220
start looking at the content and start

807
00:37:44,790 --> 00:37:41,920
understanding these experiences in the

808
00:37:48,150 --> 00:37:44,800
aggregate in the whole in terms of what

809
00:37:50,970 --> 00:37:48,160
people are getting and what they're

810
00:37:56,099 --> 00:37:50,980
finding what he is finding doesn't

811
00:37:58,829 --> 00:37:56,109
support the idea you know Jesus is the

812
00:38:00,900 --> 00:37:58,839
Son of God there's one path it's Jesus

813
00:38:02,370 --> 00:38:00,910

this is it that doesn't really come

814

00:38:05,520 --> 00:38:02,380

through when you look at all the

815

00:38:07,349 --> 00:38:05,530

experiences some people experience that

816

00:38:09,420 --> 00:38:07,359

if that's what they're meant to

817

00:38:12,030 --> 00:38:09,430

experience if that's how the teaching

818

00:38:15,079 --> 00:38:12,040

needs to come through to them that's

819

00:38:17,640 --> 00:38:15,089

what they experience but people of other

820

00:38:20,609 --> 00:38:17,650

religious traditions or spiritual

821

00:38:23,160 --> 00:38:20,619

traditions get kind of the same message

822

00:38:25,349 --> 00:38:23,170

they just get it in a different way and

823

00:38:27,450 --> 00:38:25,359

that last part let me add in because I

824

00:38:29,670 --> 00:38:27,460

want to be kind of precise that was kind

825

00:38:31,290 --> 00:38:29,680

of my interpretation of it but it's been

826

00:38:33,810 --> 00:38:31,300

the interpretation of many people is

827

00:38:37,070 --> 00:38:33,820

that it seems like in these extended

828

00:38:40,650 --> 00:38:37,080

consciousness realms it's kind of an as

829

00:38:43,440 --> 00:38:40,660

below so above kind of thing so the way

830

00:38:45,570 --> 00:38:43,450

we learn things the way we understand

831

00:38:49,349 --> 00:38:45,580

them inside of a cultural narrative that

832

00:38:52,770 --> 00:38:49,359

we're already familiar with in is is how

833

00:38:56,670 --> 00:38:52,780

they're delivered to us it in this

834

00:38:59,339 --> 00:38:56,680

extended realm as well so the question

835

00:39:02,760 --> 00:38:59,349

then through all that is do you think

836

00:39:05,040 --> 00:39:02,770

that this experience and this Jesus

837

00:39:07,170 --> 00:39:05,050

thing is exclusive you think everyone's

838

00:39:09,240 --> 00:39:07,180

going through that path or eventually

839

00:39:11,960 --> 00:39:09,250

we'll go through that path or do you

840

00:39:14,820 --> 00:39:11,970

think it is this kind of

841

00:39:18,180 --> 00:39:14,830

plurality of different spiritual paths

842

00:39:20,070 --> 00:39:18,190

that many near-death experience people

843

00:39:22,859 --> 00:39:20,080

might be experiencing in different ways

844

00:39:26,790 --> 00:39:22,869

I'm not looking to lead you in that I

845

00:39:29,160 --> 00:39:26,800

just like your best guess based on what

846

00:39:32,579 --> 00:39:29,170

you've experienced I can only answer it

847

00:39:34,260 --> 00:39:32,589

that way officer from what I saw from

848

00:39:37,230 --> 00:39:34,270

what I learned it's something that

849

00:39:40,079 --> 00:39:37,240

everyone will eventually go through I

850

00:39:44,130 --> 00:39:40,089

mean I saw my own father who passed away

851
00:39:47,910 --> 00:39:44,140
in 82 and he was an alcoholic my name's

852
00:39:51,650 --> 00:39:47,920
alive and he didn't believe in Jesus but

853
00:39:55,950 --> 00:39:51,660
I saw him in in the presence of users so

854
00:39:58,740 --> 00:39:55,960
you know that sound like he was there I

855
00:40:02,280 --> 00:39:58,750
was there and he acknowledged the

856
00:40:04,859 --> 00:40:02,290
presence of Jesus and that was quite

857
00:40:07,050 --> 00:40:04,869
surprising because I you know as I said

858
00:40:12,150 --> 00:40:07,060
I've never even heard him speak the name

859
00:40:14,790 --> 00:40:12,160
Jesus when I was growing up so I think I

860
00:40:18,300 --> 00:40:14,800
think I'm trying to answer that you know

861
00:40:22,140 --> 00:40:18,310
for me to see my father in the presence

862
00:40:24,599 --> 00:40:22,150
and was going through some kind of human

863
00:40:26,460 --> 00:40:24,609

learning from him because that very

864

00:40:29,010 --> 00:40:26,470

first one I was talking to you about you

865

00:40:33,240 --> 00:40:29,020

know the one where and he said learn to

866

00:40:35,640 --> 00:40:33,250

do your talk Beverly that was it later I

867

00:40:38,520 --> 00:40:35,650

actually only met my dad three times in

868

00:40:39,870 --> 00:40:38,530

the whole 30 years which you know I wish

869

00:40:41,339 --> 00:40:39,880

I'd have met him a lot more but

870

00:40:45,540 --> 00:40:41,349

obviously it wasn't to be

871

00:40:48,000 --> 00:40:45,550

but in a later one he actually told me

872

00:40:52,640 --> 00:40:48,010

that what he was doing that first time

873

00:40:56,670 --> 00:40:52,650

around was he was learning that his

874

00:40:59,760 --> 00:40:56,680

parental skills towards me when he was

875

00:41:01,920 --> 00:40:59,770

alive wasn't in my best interest and

876

00:41:04,380 --> 00:41:01,930

that he should have been a more

877

00:41:06,870 --> 00:41:04,390

disciplined parent love than this trying

878

00:41:08,550 --> 00:41:06,880

to be you know best friends kind of

879

00:41:11,400 --> 00:41:08,560

thing because my dad never gave me

880

00:41:14,030 --> 00:41:11,410

discipline insane so I could understand

881

00:41:16,589 --> 00:41:14,040

why he said learn to do as you're told

882

00:41:18,750 --> 00:41:16,599

but the answer didn't come until several

883

00:41:21,930 --> 00:41:18,760

years later but at least I understood

884

00:41:25,080 --> 00:41:21,940

then that's why he said it you see where

885

00:41:27,690 --> 00:41:25,090

I'm coming from sure yeah yeah

886

00:41:29,550 --> 00:41:27,700

so you know for him to meet G for him to

887

00:41:33,840 --> 00:41:29,560

be there in the presence when Jesus was

888

00:41:36,830 --> 00:41:33,850

there um he's gone for me you know he's

889

00:41:41,340 --> 00:41:36,840

having this one-to-one journey with him

890

00:41:44,100 --> 00:41:41,350

so I mean the same as when I met mine

891

00:41:48,720 --> 00:41:44,110

my mother passed over and and actually

892

00:41:51,000 --> 00:41:48,730

my myelitis and when he passed him and

893

00:41:55,950 --> 00:41:51,010

that again is another interesting part

894

00:41:59,970 --> 00:41:55,960

because it was quite a messy divorce and

895

00:42:00,330 --> 00:41:59,980

we hadn't spoken to each other in 15

896

00:42:04,770 --> 00:42:00,340

years

897

00:42:05,700 --> 00:42:04,780

it was really bad Alex and yet I had

898

00:42:08,940 --> 00:42:05,710

this see

899

00:42:10,590 --> 00:42:08,950

in which I saw you know my ex-husband

900

00:42:13,320 --> 00:42:10,600

and he actually stepped forward and you

901
00:42:16,710 --> 00:42:13,330
stand-in with Jesus and he actually said

902
00:42:19,620 --> 00:42:16,720
to me you know become healthier and and

903
00:42:23,100 --> 00:42:19,630
at the time I was so terrible I used to

904
00:42:26,130 --> 00:42:23,110
still smoke with Sochoux Naughton and he

905
00:42:29,400 --> 00:42:26,140
told me to stop smoking but when I came

906
00:42:32,760 --> 00:42:29,410
out of there I actually was in so many t

907
00:42:36,750 --> 00:42:32,770
hours so emotional because here we are

908
00:42:39,570 --> 00:42:36,760
as two intelligent people not speaking

909
00:42:40,940 --> 00:42:39,580
to me children when we had this life and

910
00:42:43,620 --> 00:42:40,950
here he was

911
00:42:46,860 --> 00:42:43,630
now he's passed over and all he had to

912
00:42:49,980 --> 00:42:46,870
say to me was words of love you know I

913
00:42:52,350 --> 00:42:49,990

mean because that was it was a loving

914

00:42:54,060 --> 00:42:52,360

message he wanted the best for me he

915

00:42:57,270 --> 00:42:54,070

wanted me to improve my life

916

00:43:00,150 --> 00:42:57,280

and you know I'll forever be grateful to

917

00:43:04,080 --> 00:43:00,160

him and when our friends we are actually

918

00:43:06,540 --> 00:43:04,090

now friends so it just goes to show you

919

00:43:08,760 --> 00:43:06,550

you know and I never had my my

920

00:43:10,940 --> 00:43:08,770

ex-husband speak about Jesus when he was

921

00:43:17,100 --> 00:43:10,950

alive either

922

00:43:20,310 --> 00:43:17,110

okay okay as huh no no it's it's it's

923

00:43:22,650 --> 00:43:20,320

all very good so let's I mean people are

924

00:43:26,580 --> 00:43:22,660

going to be intrigued from the title

925

00:43:29,520 --> 00:43:26,590

about his that is Jesus's spiritual

926
00:43:33,750 --> 00:43:29,530
prophecies and the new divine teachings

927
00:43:37,350 --> 00:43:33,760
that you have brought back so lay it on

928
00:43:39,140 --> 00:43:37,360
what's the word of the prophecies what

929
00:43:46,320 --> 00:43:39,150
are the new divine teachings

930
00:43:49,410 --> 00:43:46,330
from 1987 to 1990 to 1992 I never

931
00:43:52,530 --> 00:43:49,420
actually wrote anything down about the

932
00:43:54,600 --> 00:43:52,540
the Eddy's ladies you know I never wrote

933
00:43:56,970 --> 00:43:54,610
down what I was experiencing yes it

934
00:43:59,970 --> 00:43:56,980
influenced my children's writing but I

935
00:44:03,300 --> 00:43:59,980
never wrote anything down and then in

936
00:44:07,800 --> 00:44:03,310
the September of nineteen Mach the

937
00:44:10,800 --> 00:44:07,810
August of 1992 my ad suddenly changed

938
00:44:13,170 --> 00:44:10,810

and I was having them quite regular I'm

939

00:44:16,530 --> 00:44:13,180

not talking about they were happening

940

00:44:19,380 --> 00:44:16,540

over and over new have been like once

941

00:44:22,380 --> 00:44:19,390

every two weeks once every two hundred

942

00:44:27,170 --> 00:44:22,390

to two times a week and I just have no

943

00:44:31,260 --> 00:44:27,180

no life at all I'm just so drained and

944

00:44:34,470 --> 00:44:31,270

what happening is when I was coming back

945

00:44:36,780 --> 00:44:34,480

instead of you know just going straight

946

00:44:38,640 --> 00:44:36,790

straight into consciousness I was

947

00:44:40,440 --> 00:44:38,650

entering into this like a trance state

948

00:44:42,630 --> 00:44:40,450

of consciousness where I wasn't

949

00:44:44,070 --> 00:44:42,640

completely back but I was Ginny Jean

950

00:44:48,660 --> 00:44:44,080

some where I'm coming from

951
00:44:51,780 --> 00:44:48,670
yeah and I start writing and and these

952
00:44:53,670 --> 00:44:51,790
dis letters that I was writing oh I like

953
00:44:56,340 --> 00:44:53,680
something some of them were like 30 40

954
00:45:00,150 --> 00:44:56,350
pages long and I didn't stop you know I

955
00:45:03,860 --> 00:45:00,160
didn't know a miles right now what I was

956
00:45:06,320 --> 00:45:03,870
actually writing but I can remember that

957
00:45:09,420 --> 00:45:06,330
it was like I would ask the question

958
00:45:11,970 --> 00:45:09,430
this is you know Beverly the woman was

959
00:45:13,590 --> 00:45:11,980
asking a question and then this the

960
00:45:15,780 --> 00:45:13,600
spiritual entity this higher

961
00:45:19,020 --> 00:45:15,790
consciousness was answering that

962
00:45:21,660 --> 00:45:19,030
question on such a level that it was

963
00:45:24,000 --> 00:45:21,670

absolutely astronomical and that level

964

00:45:29,790 --> 00:45:24,010

of insulin was what Jesus had been

965

00:45:32,310 --> 00:45:29,800

speaking about in the 80s like okay the

966

00:45:36,240 --> 00:45:32,320

reason why I was taking onto this

967

00:45:38,400 --> 00:45:36,250

journey there was one ad in which he

968

00:45:43,140 --> 00:45:38,410

carried my spirit and we ended up news

969

00:45:46,050 --> 00:45:43,150

like this the most incredible area of

970

00:45:49,380 --> 00:45:46,060

space so to speak you know there's the

971

00:45:52,529 --> 00:45:49,390

stars and everything from Susie like the

972

00:45:55,079 --> 00:45:52,539

galaxies were there and below me I

973

00:45:58,439 --> 00:45:55,089

see the planet Earth and I knew it was a

974

00:45:59,819 --> 00:45:58,449

planet F and next money he helped me

975

00:46:02,759 --> 00:45:59,829

next minute we've just rented this

976
00:46:06,209 --> 00:46:02,769
incredible speed and when around the

977
00:46:08,819 --> 00:46:06,219
global F and back up into space and then

978
00:46:12,059 --> 00:46:08,829
I was held there and then I turned

979
00:46:14,809 --> 00:46:12,069
slowly round and then eventually I was

980
00:46:19,109 --> 00:46:14,819
pulled back or came back into my body

981
00:46:22,919 --> 00:46:19,119
now he actually refers to this one as

982
00:46:24,749 --> 00:46:22,929
Sam you know when I was telling you took

983
00:46:27,299 --> 00:46:24,759
me time to understand and trust and he

984
00:46:31,219 --> 00:46:27,309
refers to this one why do you still not

985
00:46:35,219 --> 00:46:31,229
trust he says I have carried a spirit

986
00:46:37,949 --> 00:46:35,229
around the earth in and in stable form

987
00:46:40,909 --> 00:46:37,959
and retained just there safely back into

988
00:46:43,859 --> 00:46:40,919

your body why do you still not trust a

989

00:46:47,459 --> 00:46:43,869

thing isn't this article now I didn't

990

00:46:49,979 --> 00:46:47,469

still trust him and I thought I did and

991

00:46:53,969 --> 00:46:49,989

you say no your truth is that you don't

992

00:46:56,489 --> 00:46:53,979

and he was right because if I did really

993

00:46:58,049 --> 00:46:56,499

trust him 100% I wouldn't have been

994

00:46:59,699 --> 00:46:58,059

lying there nighttimes then I'll please

995

00:47:01,679 --> 00:46:59,709

no no no I don't want another one

996

00:47:03,989 --> 00:47:01,689

you know I would have embraced him more

997

00:47:07,499 --> 00:47:03,999

I would have said yes you know teach me

998

00:47:09,809 --> 00:47:07,509

everything but I was always reserved so

999

00:47:11,909 --> 00:47:09,819

he was correct you know there was that

1000

00:47:12,539 --> 00:47:11,919

element where I still didn't trust him

1001
00:47:16,019 --> 00:47:12,549
completely

1002
00:47:19,319 --> 00:47:16,029
oh I'm sorry sir you know upset people

1003
00:47:22,620 --> 00:47:19,329
but I loved loved him very much and I

1004
00:47:27,169 --> 00:47:22,630
just didn't know that was in me you know

1005
00:47:30,239 --> 00:47:27,179
tha yeah so it's like her arm's length

1006
00:47:32,069 --> 00:47:30,249
so what are what are some of the

1007
00:47:34,109 --> 00:47:32,079
prophecies you've said that some of the

1008
00:47:36,779 --> 00:47:34,119
prophecies that Jesus gave you have

1009
00:47:38,579 --> 00:47:36,789
actually come true what are some of

1010
00:47:42,179 --> 00:47:38,589
those they have because they were

1011
00:47:45,390 --> 00:47:42,189
talking about them it was like him well

1012
00:47:48,239 --> 00:47:45,400
there was particularly one man and he

1013
00:47:51,599 --> 00:47:48,249

was showing me that this man would go to

1014

00:47:55,579 --> 00:47:51,609

jail and the reason for those because

1015

00:47:57,839 --> 00:47:55,589

this man was taking a dark path in life

1016

00:48:01,529 --> 00:47:57,849

and showed me what happened to this man

1017

00:48:04,180 --> 00:48:01,539

spirit and so I wrote it down and I

1018

00:48:05,890 --> 00:48:04,190

actually tried to warn this man

1019

00:48:08,860 --> 00:48:05,900

and I didn't know what I was warning him

1020

00:48:10,210 --> 00:48:08,870

again so I said you know if you carry on

1021

00:48:10,810 --> 00:48:10,220

doing what you're doing you're gonna go

1022

00:48:17,430 --> 00:48:10,820

to prison

1023

00:48:21,550 --> 00:48:17,440

was also one of the things about these

1024

00:48:23,260 --> 00:48:21,560

spiritual prophecies is my 80s changed

1025

00:48:24,760 --> 00:48:23,270

slightly and this is the surprise I'm

1026

00:48:26,940 --> 00:48:24,770

going to bring down to you because this

1027

00:48:31,660 --> 00:48:26,950

is something that I've never read before

1028

00:48:34,450 --> 00:48:31,670

okay now one of the things he used to do

1029

00:48:36,730 --> 00:48:34,460

to me in some of the 80s is when I

1030

00:48:38,800 --> 00:48:36,740

didn't go through the light and I'd

1031

00:48:42,340 --> 00:48:38,810

literally be like ever found had be

1032

00:48:44,860 --> 00:48:42,350

exploring the earth here and what he

1033

00:48:48,670 --> 00:48:44,870

actually did with me is it was sort of

1034

00:48:51,430 --> 00:48:48,680

like he put me into stand observing the

1035

00:48:53,910 --> 00:48:51,440

life of others in their physical life as

1036

00:48:56,290 --> 00:48:53,920

they were speaking and doing things

1037

00:48:59,050 --> 00:48:56,300

obviously they couldn't see me he

1038

00:49:01,600 --> 00:48:59,060

couldn't see him but I was able to hear

1039

00:49:04,870 --> 00:49:01,610

them and see them and then when I came

1040

00:49:08,110 --> 00:49:04,880

back I wrote down what I actually saw

1041

00:49:11,220 --> 00:49:08,120

and what I actually heard and on two

1042

00:49:13,870 --> 00:49:11,230

occasions and this is quite quite

1043

00:49:16,060 --> 00:49:13,880

astonishing on two occasions two people

1044

00:49:19,810 --> 00:49:16,070

actually say they saw me on two

1045

00:49:23,530 --> 00:49:19,820

occasions now when those when I met with

1046

00:49:29,560 --> 00:49:23,540

people I said I there was even a man

1047

00:49:33,220 --> 00:49:29,570

even I think of 2014 2013 he sense that

1048

00:49:35,740 --> 00:49:33,230

I was there only after I saw was I

1049

00:49:38,280 --> 00:49:35,750

supposed to see and I don't go to there

1050

00:49:40,000 --> 00:49:38,290

my way for them to come to me he says

1051

00:49:42,550 --> 00:49:40,010

were you there

1052

00:49:44,940 --> 00:49:42,560

and I said yeah and then I told my Thor

1053

00:49:49,030 --> 00:49:44,950

and they confirm with them and that's

1054

00:49:50,680 --> 00:49:49,040

random people acts so you know not

1055

00:49:52,330 --> 00:49:50,690

people who are just friends you are

1056

00:49:56,200 --> 00:49:52,340

going to consume it because they don't

1057

00:50:00,970 --> 00:49:56,210

want to hurt my feelings you know so how

1058

00:50:03,490 --> 00:50:00,980

can an ende be illusions or false

1059

00:50:05,200 --> 00:50:03,500

memories if you can actually say what

1060

00:50:08,560 --> 00:50:05,210

people are doing in their physical lives

1061

00:50:10,810 --> 00:50:08,570

and it's correct it's impossible for it

1062

00:50:15,510 --> 00:50:10,820

to be you know the lesions or the false

1063

00:50:17,850 --> 00:50:15,520

memories so that's kind of thing

1064

00:50:19,800 --> 00:50:17,860

so Beverly one of the things that you

1065

00:50:21,960 --> 00:50:19,810

mentioned and Oliver mentioned this to

1066

00:50:25,100 --> 00:50:21,970

me in the email exchange so I'm going to

1067

00:50:28,020 --> 00:50:25,110

bring it up you believe that you have a

1068

00:50:29,790 --> 00:50:28,030

new and important understanding about

1069

00:50:33,920 --> 00:50:29,800

the relationship between consciousness

1070

00:50:36,720 --> 00:50:33,930

in the physical realm physical plane and

1071

00:50:38,880 --> 00:50:36,730

consciousness in this extended plane

1072

00:50:40,950 --> 00:50:38,890

spiritual plane do you want to talk a

1073

00:50:43,590 --> 00:50:40,960

little bit about that well what it

1074

00:50:47,130 --> 00:50:43,600

basically is Alex and it's fascinating

1075

00:50:49,980 --> 00:50:47,140

and it's it's something that will help

1076
00:50:54,630 --> 00:50:49,990
us evolve because what he taught me

1077
00:50:56,520 --> 00:50:54,640
was that every one of us we are we were

1078
00:50:59,220 --> 00:50:56,530
all together we're all linked together

1079
00:51:02,000 --> 00:50:59,230
we'll have this consciousness and the

1080
00:51:05,610 --> 00:51:02,010
physical mind this earthly consciousness

1081
00:51:09,540 --> 00:51:05,620
we are a teacher and the thoughts that

1082
00:51:10,800 --> 00:51:09,550
we have are teaching our spiritual

1083
00:51:16,380 --> 00:51:10,810
essence our teaching our higher

1084
00:51:20,220 --> 00:51:16,390
consciousness and that in turn develops

1085
00:51:21,750 --> 00:51:20,230
the emotions well it might be a bit

1086
00:51:25,410 --> 00:51:21,760
difficult to explain this over the radio

1087
00:51:26,730 --> 00:51:25,420
for instance you are having a larger

1088
00:51:28,860 --> 00:51:26,740

conversation with yourself

1089

00:51:31,380 --> 00:51:28,870

all the time even though you might not

1090

00:51:34,020 --> 00:51:31,390

realize them but if you actually sit

1091

00:51:37,320 --> 00:51:34,030

back and think okay what are my thoughts

1092

00:51:39,300 --> 00:51:37,330

what are the general thoughts say for

1093

00:51:41,250 --> 00:51:39,310

instance you wanted to watch the

1094

00:51:45,480 --> 00:51:41,260

television this is just a small example

1095

00:51:47,610 --> 00:51:45,490

okay I want to watch the TV I wonder

1096

00:51:49,770 --> 00:51:47,620

what's on and then you pick up no

1097

00:51:53,340 --> 00:51:49,780

detainee on oh I'm in the mood for

1098

00:51:55,980 --> 00:51:53,350

comedy you flip your comedy comes on now

1099

00:51:59,010 --> 00:51:55,990

if you examine if you just out of just

1100

00:52:01,790 --> 00:51:59,020

curiosity Alex write down what you think

1101
00:52:05,220 --> 00:52:01,800
your full process would be during our

1102
00:52:07,530 --> 00:52:05,230
experiment and you'll actually see that

1103
00:52:09,440 --> 00:52:07,540
it doesn't make logic sense because it's

1104
00:52:13,350 --> 00:52:09,450
all sort of like Direction thought

1105
00:52:15,870 --> 00:52:13,360
what's actually happening to you is your

1106
00:52:18,060 --> 00:52:15,880
higher consciousness is asking you why

1107
00:52:20,910 --> 00:52:18,070
why do I want to watch TV

1108
00:52:23,100 --> 00:52:20,920
what am I in the mood for and that's a

1109
00:52:24,960 --> 00:52:23,110
part that you don't hear and not giving

1110
00:52:27,549 --> 00:52:24,970
you an actual logic conversation with

1111
00:52:30,489 --> 00:52:27,559
24/7 will turn and

1112
00:52:32,519 --> 00:52:30,499
and when we look at this when we look at

1113
00:52:35,140 --> 00:52:32,529

angie's instead of just looking at

1114

00:52:37,329 --> 00:52:35,150

beautiful silence that it just looking

1115

00:52:39,189 --> 00:52:37,339

at the beauty we need to look at the

1116

00:52:43,209 --> 00:52:39,199

psychological side of it we need to look

1117

00:52:45,429 --> 00:52:43,219

at each experimenter how they began and

1118

00:52:48,160 --> 00:52:45,439

go right through it and see how it

1119

00:52:50,319 --> 00:52:48,170

changed them and and see the

1120

00:52:53,019 --> 00:52:50,329

psychological aspect of what change

1121

00:52:57,130 --> 00:52:53,029

there and I think we will get much more

1122

00:52:59,349 --> 00:52:57,140

answers because you know it when you

1123

00:53:02,170 --> 00:52:59,359

understand that your you are your own

1124

00:53:05,380 --> 00:53:02,180

teacher and all your thoughts are

1125

00:53:10,299 --> 00:53:05,390

teaching you this you know spiritual and

1126

00:53:12,069 --> 00:53:10,309

NC then it kind of like knocks things

1127

00:53:14,589 --> 00:53:12,079

like addiction in the head because you

1128

00:53:17,049 --> 00:53:14,599

can actually tear and say yeah I don't

1129

00:53:20,469 --> 00:53:17,059

need I do not want another drink it's

1130

00:53:22,929 --> 00:53:20,479

not good for me and you can sever the

1131

00:53:25,529 --> 00:53:22,939

emotional aspect of wanting that drink

1132

00:53:27,839 --> 00:53:25,539

quite by taking control of your own life

1133

00:53:30,789 --> 00:53:27,849

what you seem to be suggesting is that

1134

00:53:33,669 --> 00:53:30,799

in a way that we're not fully aware of

1135

00:53:35,949 --> 00:53:33,679

we are constantly in dialogue with that

1136

00:53:37,959 --> 00:53:35,959

higher consciousness that spiritual

1137

00:53:40,839 --> 00:53:37,969

consciousness just the extent to which

1138

00:53:43,559 --> 00:53:40,849

it penetrates in our minute-by-minute

1139

00:53:46,679 --> 00:53:43,569

kind of monkey brain consciousness is

1140

00:53:49,870 --> 00:53:46,689

dependent on how much we're willing to

1141

00:53:51,640 --> 00:53:49,880

allow it to and and physically what

1142

00:53:53,979 --> 00:53:51,650

we've been doing down on this plane my

1143

00:53:55,479 --> 00:53:53,989

kind of getting that right is that

1144

00:53:57,609 --> 00:53:55,489

that's the distinction you want to make

1145

00:53:59,529 --> 00:53:57,619

is that we're always in communication

1146

00:54:00,279 --> 00:53:59,539

with that higher consciousness yes

1147

00:54:02,019 --> 00:54:00,289

definitely

1148

00:54:03,759 --> 00:54:02,029

we are always and the thing about the

1149

00:54:06,429 --> 00:54:03,769

higher consciousness spiritual mind

1150

00:54:09,729 --> 00:54:06,439

because this is what I saw because and

1151

00:54:12,219 --> 00:54:09,739

in those who my prophecies there was

1152

00:54:14,259 --> 00:54:12,229

diagrams of how the human mind was

1153

00:54:17,199 --> 00:54:14,269

working you know now I'm not a scientist

1154

00:54:19,239 --> 00:54:17,209

Alex so I wouldn't know this stuff so

1155

00:54:21,759 --> 00:54:19,249

but we now showed it to doctors and

1156

00:54:24,309 --> 00:54:21,769

things I found lived like oh well this

1157

00:54:26,650 --> 00:54:24,319

is blowing my mind but we are constantly

1158

00:54:29,469 --> 00:54:26,660

in in a communication with that and

1159

00:54:33,029 --> 00:54:29,479

think about the spiritual mind in the

1160

00:54:36,130 --> 00:54:33,039

spirit it governs all your emotions so

1161

00:54:39,160 --> 00:54:36,140

you can learn to control your emotions

1162

00:54:41,380 --> 00:54:39,170

to be so balanced that you have an

1163

00:54:45,040 --> 00:54:41,390

actual peaceful beautiful

1164

00:54:48,760 --> 00:54:45,050

by by understanding that you are in

1165

00:54:50,740 --> 00:54:48,770

control you are 100% in control of what

1166

00:54:53,319 --> 00:54:50,750

you are you know you are doing the

1167

00:54:56,800 --> 00:54:53,329

decisions you make and things like you

1168

00:54:59,290 --> 00:54:56,810

know if you're in an unhappy happy

1169

00:55:01,690 --> 00:54:59,300

relationship you have to have courage

1170

00:55:03,880 --> 00:55:01,700

you you have to end that relationship

1171

00:55:07,720 --> 00:55:03,890

and not be afraid to be on your own

1172

00:55:10,359 --> 00:55:07,730

because being on your own is better than

1173

00:55:12,460 --> 00:55:10,369

being in a subjective relationship if

1174

00:55:14,500 --> 00:55:12,470

you see where I'm coming from it

1175

00:55:16,960 --> 00:55:14,510

actually affects every aspect of life

1176

00:55:19,120 --> 00:55:16,970

you know Peverley just in the last

1177

00:55:21,990 --> 00:55:19,130

episode of skeptic oh I interviewed a

1178

00:55:25,630 --> 00:55:22,000

woman who is a psychic and a medium and

1179

00:55:27,640 --> 00:55:25,640

quite surprisingly to her all this was

1180

00:55:30,640 --> 00:55:27,650

more or less thrust upon her you know

1181

00:55:32,859 --> 00:55:30,650

she was an engineer in the United States

1182

00:55:35,290 --> 00:55:32,869

just kind of bopping along and all of a

1183

00:55:37,089 --> 00:55:35,300

sudden boom she starts hearing these

1184

00:55:39,520 --> 00:55:37,099

voices from the spirit world

1185

00:55:42,099 --> 00:55:39,530

wasn't it an after death or near-death

1186

00:55:44,319 --> 00:55:42,109

experience he just starts experiencing

1187

00:55:45,609 --> 00:55:44,329

this and this has been reported by a lot

1188

00:55:47,500 --> 00:55:45,619

of people so she went and tried to

1189

00:55:49,450 --> 00:55:47,510

figure out what's going on she first

1190

00:55:51,940 --> 00:55:49,460

went through the medical route and said

1191

00:55:54,579 --> 00:55:51,950

hey am I crazy this and that and came to

1192

00:55:56,980 --> 00:55:54,589

understand that she was encountering

1193

00:55:58,930 --> 00:55:56,990

spirits in this extended realm some

1194

00:56:00,819 --> 00:55:58,940

people don't accept that other people do

1195

00:56:03,160 --> 00:56:00,829

what does your understanding tell you

1196

00:56:07,059 --> 00:56:03,170

about one whether you should do that

1197

00:56:09,819 --> 00:56:07,069

whether that is dangerous and not in

1198

00:56:12,970 --> 00:56:09,829

line with your understanding of what

1199

00:56:14,589 --> 00:56:12,980

Jesus is telling us to do is there evil

1200

00:56:16,589 --> 00:56:14,599

in those realms I mean these are the

1201
00:56:19,240 --> 00:56:16,599
questions two people want this has been

1202
00:56:20,829 --> 00:56:19,250
this has been the condom put out there

1203
00:56:22,599 --> 00:56:20,839
quite a bit that you know these these

1204
00:56:27,040 --> 00:56:22,609
realms are dangerous and you shouldn't

1205
00:56:29,980 --> 00:56:27,050
you shouldn't delve into them I would

1206
00:56:34,530 --> 00:56:29,990
have to say from my experiences that I

1207
00:56:37,780 --> 00:56:34,540
wouldn't what's worked for I wouldn't

1208
00:56:40,480 --> 00:56:37,790
encourage people doing things like Ouija

1209
00:56:42,099 --> 00:56:40,490
boards and things like that what about

1210
00:56:44,829 --> 00:56:42,109
talking to a medium after someone has

1211
00:56:47,559 --> 00:56:44,839
passed well from what I understand that

1212
00:56:50,349 --> 00:56:47,569
is going on there Alex can I explain why

1213
00:56:51,700 --> 00:56:50,359

I'm stunned see she's communicating the

1214

00:56:54,670 --> 00:56:51,710

meetings communicated through a

1215

00:56:57,820 --> 00:56:54,680

spiritual mind and how I understand

1216

00:57:00,820 --> 00:56:57,830

how it works is a safe

1217

00:57:03,790 --> 00:57:00,830

say for instance me but my father's

1218

00:57:05,680 --> 00:57:03,800

passed over well there is a link between

1219

00:57:07,630 --> 00:57:05,690

me my father on this higher

1220

00:57:10,630 --> 00:57:07,640

consciousness because we have this love

1221

00:57:16,120 --> 00:57:10,640

when he was alive so there's this link

1222

00:57:18,700 --> 00:57:16,130

there that goes on now as I see when you

1223

00:57:20,860 --> 00:57:18,710

open your higher consciousness you can

1224

00:57:23,910 --> 00:57:20,870

because the spirit actually communicates

1225

00:57:26,440 --> 00:57:23,920

who thought it's not spoken words and

1226

00:57:28,150 --> 00:57:26,450

mediums are actually able their

1227

00:57:29,530 --> 00:57:28,160

consciousness the high consciousness is

1228

00:57:33,370 --> 00:57:29,540

opened and they're able to communicate

1229

00:57:34,840 --> 00:57:33,380

through thought and the way I understand

1230

00:57:38,710 --> 00:57:34,850

it is they are actually communicating

1231

00:57:40,780 --> 00:57:38,720

with your higher consciousness and

1232

00:57:43,930 --> 00:57:40,790

you're the one who's communicating with

1233

00:57:46,630 --> 00:57:43,940

you your father's passed away so you're

1234

00:57:48,280 --> 00:57:46,640

giving her the information that's being

1235

00:57:52,210 --> 00:57:48,290

fed that way

1236

00:57:54,940 --> 00:57:52,220

I don't see it that that they can

1237

00:57:57,970 --> 00:57:54,950

actually link themselves to my father

1238

00:58:01,030 --> 00:57:57,980

because there's no there's no energy

1239

00:58:02,800 --> 00:58:01,040

between them there's no link now you

1240

00:58:05,920 --> 00:58:02,810

know I may be proven wrong on that case

1241

00:58:10,350 --> 00:58:05,930

but it's just how I understand it you

1242

00:58:14,200 --> 00:58:10,360

know and why why would someone who

1243

00:58:16,150 --> 00:58:14,210

doesn't know me doesn't know my dad be

1244

00:58:18,880 --> 00:58:16,160

able to tell me that my dad's passed

1245

00:58:21,100 --> 00:58:18,890

over and he's happy and things like that

1246

00:58:25,180 --> 00:58:21,110

if we get past the mechanics of it

1247

00:58:27,370 --> 00:58:25,190

though what about is it is it evil is it

1248

00:58:29,020 --> 00:58:27,380

you know a lot of people say that

1249

00:58:30,730 --> 00:58:29,030

they're especially in the Christian

1250

00:58:33,550 --> 00:58:30,740

community there's people who say that

1251

00:58:37,570 --> 00:58:33,560

you know all spirit communication that

1252

00:58:40,840 --> 00:58:37,580

isn't ordained or mediated by Jesus is

1253

00:58:43,240 --> 00:58:40,850

somehow you know evil and what do we do

1254

00:58:46,120 --> 00:58:43,250

with that thing about affairs teachings

1255

00:58:47,980 --> 00:58:46,130

is actually teaching us to cultivate our

1256

00:58:51,400 --> 00:58:47,990

hand consciousness so that we will

1257

00:58:53,020 --> 00:58:51,410

evolve so eventually we will be able to

1258

00:58:56,110 --> 00:58:53,030

communicate with each other through the

1259

00:58:59,620 --> 00:58:56,120

high consciousness and that imparts the

1260

00:59:03,160 --> 00:58:59,630

Who am I teachings with the diagrams of

1261

00:59:05,740 --> 00:59:03,170

the mind now there is an evil spirit or

1262

00:59:08,349 --> 00:59:05,750

dark spirit whatever you want to call it

1263

00:59:10,210 --> 00:59:08,359

I've seen it and it's not pleasant

1264

00:59:12,640 --> 00:59:10,220

what is it what is it what's the your

1265

00:59:16,930 --> 00:59:12,650

best understanding of what it is what is

1266

00:59:20,519 --> 00:59:16,940

that evil negative negative force if

1267

00:59:24,489 --> 00:59:20,529

they can what seems seems to happen is

1268

00:59:26,920 --> 00:59:24,499

it's someone who was evil in life okay

1269

00:59:31,479 --> 00:59:26,930

it's someone who did despicable things

1270

00:59:33,789 --> 00:59:31,489

and and when they've passed over they've

1271

00:59:36,400 --> 00:59:33,799

literally not wanted to change and

1272

00:59:39,549 --> 00:59:36,410

they've literally absorbed although

1273

00:59:41,650 --> 00:59:39,559

they're the bad things that they did and

1274

00:59:43,720 --> 00:59:41,660

they've not wanted to look any further

1275

00:59:49,960 --> 00:59:43,730

to change and so they remained in this

1276

00:59:52,509 --> 00:59:49,970

sort of like cocoon of Darkness and you

1277

00:59:56,200 --> 00:59:52,519

know I do think they have to be careful

1278

00:59:58,539 --> 00:59:56,210

you do you have to be careful what is

1279

01:00:02,950 --> 00:59:58,549

the relationship between that darkness

1280

01:00:05,920 --> 01:00:02,960

that evil and this Jesus like love thing

1281

01:00:08,799 --> 01:00:05,930

that you're talking about petrified of

1282

01:00:12,549 --> 01:00:08,809

him I'm petrified of him I mean I

1283

01:00:15,099 --> 01:00:12,559

learned after you know many many years a

1284

01:00:16,450 --> 01:00:15,109

lot we're talking many years but why be

1285

01:00:18,549 --> 01:00:16,460

petrified I mean the thing I've heard

1286

01:00:21,700 --> 01:00:18,559

over and over again is this spiritual

1287

01:00:23,079 --> 01:00:21,710

teaching that and I'll just throw this

1288

01:00:24,519 --> 01:00:23,089

out you know because it's the only way

1289

01:00:25,839 --> 01:00:24,529

we understand this stuff is if we kind

1290

01:00:28,599 --> 01:00:25,849

of toss it around and stuff like that

1291

01:00:30,940 --> 01:00:28,609

but what I've heard is that the first

1292

01:00:34,539 --> 01:00:30,950

part I've heard that many many times is

1293

01:00:37,989 --> 01:00:34,549

that this evil thing that we do is

1294

01:00:40,930 --> 01:00:37,999

really a confusion part it's a lost part

1295

01:00:42,999 --> 01:00:40,940

it's a as above so below as below so

1296

01:00:44,470 --> 01:00:43,009

above you know you can see all the evil

1297

01:00:46,479 --> 01:00:44,480

in this world you don't think that that

1298

01:00:48,670 --> 01:00:46,489

extends what are you thinking it all

1299

01:00:50,680 --> 01:00:48,680

changes out immediately transforms no it

1300

01:00:53,319 --> 01:00:50,690

doesn't it extends and then I've also

1301

01:00:56,380 --> 01:00:53,329

heard as you suggested that it it has a

1302

01:00:59,739 --> 01:00:56,390

tendency to maybe kind of coagulate if

1303

01:01:03,069 --> 01:00:59,749

you will so the evil seeks evil and draw

1304

01:01:05,410 --> 01:01:03,079

is drawn to evil for the same bad

1305

01:01:07,720 --> 01:01:05,420

reasons that it might be in in this

1306

01:01:09,460 --> 01:01:07,730

realm but what I've also heard is that

1307

01:01:11,789 --> 01:01:09,470

the light is what it's really all about

1308

01:01:16,299 --> 01:01:11,799

everything's going to the light and that

1309

01:01:18,190 --> 01:01:16,309

any evil being at any time can look up

1310

01:01:20,829 --> 01:01:18,200

and look to the light and go to the

1311

01:01:21,819 --> 01:01:20,839

light and be transformed through the

1312

01:01:23,469 --> 01:01:21,829

light and on

1313

01:01:24,910 --> 01:01:23,479

starting to sound really spiritual in a

1314

01:01:26,859 --> 01:01:24,920

way that I don't have any direct

1315

01:01:29,079 --> 01:01:26,869

experience with but I'm just recounting

1316

01:01:30,910 --> 01:01:29,089

what I've heard so is that consistent

1317

01:01:32,890 --> 01:01:30,920

with what you've heard because that kind

1318

01:01:35,920 --> 01:01:32,900

of paints a different picture of the

1319

01:01:38,920 --> 01:01:35,930

evil that it's all under God's you know

1320

01:01:40,269 --> 01:01:38,930

all under God's light umbrella they're

1321

01:01:41,650 --> 01:01:40,279

just kind of hiding over there in the

1322

01:01:43,989 --> 01:01:41,660

corner and as for as long as they want

1323

01:01:45,549 --> 01:01:43,999

to do that that's their business but

1324

01:01:46,900 --> 01:01:45,559

it's there all have to go to the light

1325

01:01:50,499 --> 01:01:46,910

eventually what do you think about that

1326

01:01:51,759 --> 01:01:50,509

kind of idea yeah I actually I totally

1327

01:01:55,509 --> 01:01:51,769

agree they have to go to the light

1328

01:02:01,989 --> 01:01:55,519

eventually but then there's no sort of

1329

01:02:05,739 --> 01:02:01,999

like not everyone wants to be a nice

1330

01:02:08,170 --> 01:02:05,749

person there's just a few amongst about

1331

01:02:11,430 --> 01:02:08,180

quite a few mosters where we live our

1332

01:02:15,339 --> 01:02:11,440

lives with hates and and we kill people

1333

01:02:17,370 --> 01:02:15,349

to avenge people and we don't have a

1334

01:02:20,199 --> 01:02:17,380

consciousness and it's all all about the

1335

01:02:23,499 --> 01:02:20,209

conscience conscience I bet the

1336

01:02:25,439 --> 01:02:23,509

spiritual brain if you don't teach

1337

01:02:29,199 --> 01:02:25,449

yourself the values between good and bad

1338

01:02:33,279 --> 01:02:29,209

then when you pass over you don't seem

1339

01:02:35,769 --> 01:02:33,289

to be um what's well able to understand

1340

01:02:38,559 --> 01:02:35,779

those questions that you've been asked

1341

01:02:42,609 --> 01:02:38,569

above your truth you seem to be

1342

01:02:46,689 --> 01:02:42,619

retaliating from them all the time but

1343

01:02:50,079 --> 01:02:46,699

to me eventually they will come forward

1344

01:02:52,059 --> 01:02:50,089

I mean you know I saw one or two eight

1345

01:02:54,449 --> 01:02:52,069

years where I actually was pointing to

1346

01:02:57,189 --> 01:02:54,459

the light and I was directing a

1347

01:02:58,959 --> 01:02:57,199

spiritual entity to go to the liking and

1348

01:03:01,959 --> 01:02:58,969

seek forgiveness to go to the light and

1349

01:03:05,559 --> 01:03:01,969

learn and that was an interesting one as

1350

01:03:08,199 --> 01:03:05,569

well so so you were you were directed to

1351

01:03:11,140 --> 01:03:08,209

try and help this spirit that was not

1352

01:03:15,489 --> 01:03:11,150

able to go to the light is that what

1353

01:03:20,799 --> 01:03:15,499

you're saying Allah spirit and you know

1354

01:03:23,410 --> 01:03:20,809

I things like um you know even going

1355

01:03:25,749 --> 01:03:23,420

back to that consciousness aspect if you

1356

01:03:27,130 --> 01:03:25,759

teach yourself to swam all the time if

1357

01:03:30,670 --> 01:03:27,140

you're someone who swears all the time

1358

01:03:33,579 --> 01:03:30,680

when we're in a spiritual existence the

1359

01:03:35,630 --> 01:03:33,589

swear word is muted so if you want a

1360

01:03:37,930 --> 01:03:35,640

proper conversation with someone

1361

01:03:41,600 --> 01:03:37,940

don't teach yourself to swear because I

1362

01:03:43,570 --> 01:03:41,610

met one one particular gentleman and

1363

01:03:46,880 --> 01:03:43,580

he's tried to communicate with me and

1364

01:03:50,390 --> 01:03:46,890

every other word was dubbed out you know

1365

01:03:52,730 --> 01:03:50,400

if I feel hello and I couldn't

1366

01:03:54,860 --> 01:03:52,740

understand him enough I got I didn't get

1367

01:03:56,780 --> 01:03:54,870

frustrated with mentis lost interesting

1368

01:03:58,550 --> 01:03:56,790

so I walked away you know if I believe

1369

01:04:00,980 --> 01:03:58,560

with your company you might interest him

1370

01:04:03,230 --> 01:04:00,990

and he became quite frustrated because

1371

01:04:05,870 --> 01:04:03,240

that was happening to him all the time

1372

01:04:08,840 --> 01:04:05,880

all the time now somewhere it is

1373

01:04:10,430 --> 01:04:08,850

learning process he's gonna learn you

1374

01:04:12,560 --> 01:04:10,440

along to teach yourself to swim all the

1375

01:04:14,450 --> 01:04:12,570

time yeah your spirit is light your

1376

01:04:17,030 --> 01:04:14,460

spirit is beauty is love

1377

01:04:19,180 --> 01:04:17,040

so some people are like love while

1378

01:04:21,110 --> 01:04:19,190

they're swearing so I don't know if I

1379

01:04:23,570 --> 01:04:21,120

you know that those are some of the

1380

01:04:26,720 --> 01:04:23,580

things like so a lot of this stuff I can

1381

01:04:29,750 --> 01:04:26,730

totally relate to because I've heard it

1382

01:04:31,670 --> 01:04:29,760

so many times that it has some some

1383

01:04:32,570 --> 01:04:31,680

substance and weight you know because

1384

01:04:35,450 --> 01:04:32,580

I've heard it from so many different

1385

01:04:38,390 --> 01:04:35,460

sources but then other stuff does seem

1386

01:04:41,420 --> 01:04:38,400

to contradict with you know I mean the

1387

01:04:45,100 --> 01:04:41,430

historical Jesus is a mess as we've

1388

01:04:47,510 --> 01:04:45,110

explored on this show so I don't know

1389

01:04:49,550 --> 01:04:47,520

anything about the historical Jesus but

1390

01:04:52,250 --> 01:04:49,560

I know it's a mess I know from the

1391

01:04:55,310 --> 01:04:52,260

beginning the Bible has been corrupted

1392

01:04:57,590 --> 01:04:55,320

and and used by people who want to

1393

01:05:00,200 --> 01:04:57,600

manipulate it so I'm very skeptical of

1394

01:05:01,700 --> 01:05:00,210

Scripture but every skin every line of

1395

01:05:03,760 --> 01:05:01,710

that scripture you can take and tear it

1396

01:05:05,660 --> 01:05:03,770

apart and find all sorts of

1397

01:05:09,200 --> 01:05:05,670

contradictions and all the rest of this

1398

01:05:11,840 --> 01:05:09,210

I'm also I'm skeptical of the stuff like

1399

01:05:14,540 --> 01:05:11,850

you know Jesus doesn't want me to swear

1400

01:05:16,340 --> 01:05:14,550

Jesus doesn't care if I swear not Jesus

1401
01:05:19,550 --> 01:05:16,350
cares what's in my heart right Jesus

1402
01:05:21,740 --> 01:05:19,560
sees through my language I can say any

1403
01:05:23,060 --> 01:05:21,750
freaking thing that I want people don't

1404
01:05:25,220 --> 01:05:23,070
like me to say [\h__\h] so I don't say

1405
01:05:27,770 --> 01:05:25,230
[\h__\h] on the air but I could say

1406
01:05:29,630 --> 01:05:27,780
whatever I want it Jesus is able to look

1407
01:05:31,790 --> 01:05:29,640
through and see my heart and I'm just

1408
01:05:33,920 --> 01:05:31,800
substituting their people for Jesus for

1409
01:05:35,720 --> 01:05:33,930
the purposes of this conversation the

1410
01:05:38,540 --> 01:05:35,730
other thing you says Jesus wants us to

1411
01:05:40,430 --> 01:05:38,550
follow us Jesus's wants us to be afraid

1412
01:05:43,250 --> 01:05:40,440
and bow down to him and all the rest of

1413
01:05:45,110 --> 01:05:43,260

that again that doesn't jive with what

1414

01:05:47,690 --> 01:05:45,120

what I've heard what I've heard is it's

1415

01:05:49,280 --> 01:05:47,700

like a light bulb up there and that

1416

01:05:52,010 --> 01:05:49,290

light bulb is always

1417

01:05:53,960 --> 01:05:52,020

there and you can look to that light and

1418

01:05:56,390 --> 01:05:53,970

go there or you cannot look to that

1419

01:05:59,750 --> 01:05:56,400

light but all these little Mickey Mouse

1420

01:06:01,220 --> 01:05:59,760

rules about you know you can't swear you

1421

01:06:02,480 --> 01:06:01,230

got a following you got to do this all

1422

01:06:07,370 --> 01:06:02,490

that stuff that we learned in church

1423

01:06:10,580 --> 01:06:07,380

seems to be while useful to some people

1424

01:06:14,600 --> 01:06:10,590

is extremely limiting an extremely

1425

01:06:17,330 --> 01:06:14,610

counter to the overall the spirit of the

1426

01:06:20,150 --> 01:06:17,340

teaching if you will as opposed to the

1427

01:06:22,040 --> 01:06:20,160

letter of the teaching so I think where

1428

01:06:24,890 --> 01:06:22,050

you coming from there I know what you

1429

01:06:27,740 --> 01:06:24,900

said Jesus doesn't care if I so not it's

1430

01:06:32,090 --> 01:06:27,750

not about that what is to eat teaching

1431

01:06:34,550 --> 01:06:32,100

these things and saying you know why do

1432

01:06:36,230 --> 01:06:34,560

you want to teach your spirit to swear

1433

01:06:39,380 --> 01:06:36,240

because that's what he was explaining

1434

01:06:42,440 --> 01:06:39,390

about this teacher in Ozone so when you

1435

01:06:45,020 --> 01:06:42,450

swear when you use our kind of language

1436

01:06:47,810 --> 01:06:45,030

you're you're teaching yourself to do

1437

01:06:51,530 --> 01:06:47,820

that and you are at most you are like

1438

01:06:54,860 --> 01:06:51,540

your you are energy you are yeah amazing

1439

01:06:57,050 --> 01:06:54,870

you you are part of this universe so why

1440

01:07:00,110 --> 01:06:57,060

do you want to limit yourself with you

1441

01:07:04,130 --> 01:07:00,120

know silly language and stuff like that

1442

01:07:07,070 --> 01:07:04,140

and it's that kind of approach rather

1443

01:07:09,590 --> 01:07:07,080

than the oh you must do it this way or

1444

01:07:11,810 --> 01:07:09,600

you must do that way because the end of

1445

01:07:14,930 --> 01:07:11,820

the day you know you can turn away from

1446

01:07:17,600 --> 01:07:14,940

in me you just carry on going down going

1447

01:07:19,400 --> 01:07:17,610

down this path it does seem to me from

1448

01:07:23,560 --> 01:07:19,410

investigating this stuff is that

1449

01:07:26,660 --> 01:07:23,570

everyone has a unique experience with

1450

01:07:28,430 --> 01:07:26,670

this higher consciousness whether we and

1451

01:07:30,410 --> 01:07:28,440

that's kind of the fundamental thing

1452

01:07:32,020 --> 01:07:30,420

that you're trying to bring forward is

1453

01:07:34,700 --> 01:07:32,030

that we're constantly in communication

1454

01:07:38,150 --> 01:07:34,710

with this higher consciousness whether

1455

01:07:41,810 --> 01:07:38,160

we're aware of it or not I wonder and

1456

01:07:45,020 --> 01:07:41,820

worry that we become too literal in

1457

01:07:48,320 --> 01:07:45,030

interpreting our unique experience with

1458

01:07:50,780 --> 01:07:48,330

that as somehow being universally true

1459

01:07:52,850 --> 01:07:50,790

and I've just seen that over and over

1460

01:07:54,740 --> 01:07:52,860

again with people who have that

1461

01:07:57,380 --> 01:07:54,750

experience and then they have that

1462

01:07:59,810 --> 01:07:57,390

experience and then they saw whoever

1463

01:08:02,000 --> 01:07:59,820

they saw Jesus or they saw Buddha or

1464

01:08:04,970 --> 01:08:02,010

they saw some great being from the

1465

01:08:07,790 --> 01:08:04,980

passed and they then extrapolate that

1466

01:08:10,970 --> 01:08:07,800

out and say that that is somehow real

1467

01:08:12,820 --> 01:08:10,980

unique and not only really unique to

1468

01:08:15,830 --> 01:08:12,830

them which I can accept but somehow

1469

01:08:18,320 --> 01:08:15,840

Universal and a message that everyone

1470

01:08:20,360 --> 01:08:18,330

needs to get I'm just less sure about

1471

01:08:24,079 --> 01:08:20,370

that because if I just step back and say

1472

01:08:26,900 --> 01:08:24,089

well gee Beverly there's a dozen dozen

1473

01:08:29,300 --> 01:08:26,910

dozens of people that I can point you to

1474

01:08:32,180 --> 01:08:29,310

right now who have had similar kind of

1475

01:08:35,210 --> 01:08:32,190

out-of-body experiences or channeled

1476
01:08:37,999 --> 01:08:35,220
experiences or near-death experiences

1477
01:08:40,660 --> 01:08:38,009
with some sort of quote-unquote divine

1478
01:08:44,870 --> 01:08:40,670
intelligence and what they've told us

1479
01:08:47,240 --> 01:08:44,880
coming back is in some sense consistent

1480
01:08:49,430 --> 01:08:47,250
with what you're saying but in other

1481
01:08:51,650 --> 01:08:49,440
ways not at all consistent with what

1482
01:08:54,130 --> 01:08:51,660
you're saying so that's the challenge I

1483
01:08:57,019 --> 01:08:54,140
think we face it I face in trying to

1484
01:08:59,960 --> 01:08:57,029
understand this and I guess the main

1485
01:09:01,579 --> 01:08:59,970
question I have is do you feel me there

1486
01:09:03,530 --> 01:09:01,589
how you sensitive to what I'm saying

1487
01:09:06,320 --> 01:09:03,540
because there's a lot of different stuff

1488
01:09:10,430 --> 01:09:06,330

out there do you think you have the

1489

01:09:13,280 --> 01:09:10,440

answer I think that was that my case is

1490

01:09:16,099 --> 01:09:13,290

unique and I think it certainly offers a

1491

01:09:18,559 --> 01:09:16,109

controversial trunks on near-death

1492

01:09:21,940 --> 01:09:18,569

experiences and I think that's quite

1493

01:09:24,769 --> 01:09:21,950

important because I think we don't

1494

01:09:27,950 --> 01:09:24,779

explore the enough experiences to the

1495

01:09:30,769 --> 01:09:27,960

best of our ability because what I from

1496

01:09:33,440 --> 01:09:30,779

what I have learned it's not just a nice

1497

01:09:35,630 --> 01:09:33,450

experiences you know here is love and

1498

01:09:37,760 --> 01:09:35,640

everything else it's important it's

1499

01:09:39,410 --> 01:09:37,770

important that we learn about the

1500

01:09:40,760 --> 01:09:39,420

consciousness it's important to be

1501

01:09:44,030 --> 01:09:40,770

laying we have the higher consciousness

1502

01:09:46,070 --> 01:09:44,040

it's important to try access the hand

1503

01:09:48,590 --> 01:09:46,080

consciousness so that we can bring some

1504

01:09:51,410 --> 01:09:48,600

healing to this world you know not just

1505

01:09:54,140 --> 01:09:51,420

oh I had this experience and this

1506

01:09:56,840 --> 01:09:54,150

happened and I changed my life how about

1507

01:09:59,330 --> 01:09:56,850

let's try to group these together and

1508

01:10:02,420 --> 01:09:59,340

let looking at them and saying well what

1509

01:10:05,330 --> 01:10:02,430

is the reason that we are being given

1510

01:10:08,570 --> 01:10:05,340

this insight you know there has to be a

1511

01:10:10,520 --> 01:10:08,580

bigger reason and that has to be surely

1512

01:10:14,390 --> 01:10:10,530

towards the wealth rather than just to

1513

01:10:15,919 --> 01:10:14,400

an individual's life Society yes we are

1514

01:10:18,530 --> 01:10:15,929

Nestle or pretty

1515

01:10:20,870 --> 01:10:18,540

the lemon telex Beverly do you think we

1516

01:10:23,300 --> 01:10:20,880

are at a unique and special time in

1517

01:10:25,760 --> 01:10:23,310

history yeah I do

1518

01:10:27,800 --> 01:10:25,770

I think we're about to enter into like a

1519

01:10:30,680 --> 01:10:27,810

spiritual awareness of spiritual

1520

01:10:34,790 --> 01:10:30,690

awakening and I think if you bring those

1521

01:10:36,919 --> 01:10:34,800

people together and to a point I even

1522

01:10:38,660 --> 01:10:36,929

put it out then I've got no proof about

1523

01:10:41,990 --> 01:10:38,670

this by the way but I do put it out

1524

01:10:44,660 --> 01:10:42,000

there that scientists might find more

1525

01:10:47,149 --> 01:10:44,670

information about the reason a certain

1526

01:10:50,390 --> 01:10:47,159

people have an NDA comeback and certain

1527

01:10:53,300 --> 01:10:50,400

people don't might be in our DNA I mean

1528

01:10:56,300 --> 01:10:53,310

could you imagine and the reason I

1529

01:11:00,229 --> 01:10:56,310

actually say that is because without

1530

01:11:02,780 --> 01:11:00,239

trying to sound you know think evil if

1531

01:11:05,149 --> 01:11:02,790

we found something in our DNA as to why

1532

01:11:07,390 --> 01:11:05,159

so people's brain cells might last

1533

01:11:09,620 --> 01:11:07,400

longer and recover quicker

1534

01:11:11,950 --> 01:11:09,630

could you imagine that that could

1535

01:11:15,200 --> 01:11:11,960

actually change how we're looking at

1536

01:11:17,570 --> 01:11:15,210

cell deterioration illnesses so there's

1537

01:11:20,000 --> 01:11:17,580

more about MDGs than meets the eye

1538

01:11:23,990 --> 01:11:20,010

they're not just a nice spiritual

1539

01:11:26,450 --> 01:11:24,000

experience they are to me will change in

1540

01:11:28,270 --> 01:11:26,460

their life changing and that's what we

1541

01:11:30,950 --> 01:11:28,280

need to start looking at and I think

1542

01:11:33,229 --> 01:11:30,960

scientists should do their part as well

1543

01:11:36,260 --> 01:11:33,239

not just psychologists scientists as

1544

01:11:40,340 --> 01:11:36,270

well I don't disagree with you and I won

1545

01:11:43,459 --> 01:11:40,350

I don't get the sense I don't get the

1546

01:11:46,310 --> 01:11:43,469

sense that NDE researchers are saying

1547

01:11:48,169 --> 01:11:46,320

that it's just this little experience I

1548

01:11:51,410 --> 01:11:48,179

I get the sense that they just don't

1549

01:11:53,270 --> 01:11:51,420

know how inside of the medical

1550

01:11:54,860 --> 01:11:53,280

scientific establishment to kind of take

1551
01:11:56,930 --> 01:11:54,870
at that next level and that's why I kept

1552
01:11:58,459 --> 01:11:56,940
pointing to dr. Jeff long because I

1553
01:12:01,610 --> 01:11:58,469
think he's been brave enough to say well

1554
01:12:03,200 --> 01:12:01,620
wait it does say more about these bigger

1555
01:12:05,060 --> 01:12:03,210
picture questions we're talking about in

1556
01:12:06,950 --> 01:12:05,070
science but I get you that isn't that

1557
01:12:09,310 --> 01:12:06,960
isn't covered enough let me go back to

1558
01:12:11,560 --> 01:12:09,320
the earlier question because you know

1559
01:12:14,630 --> 01:12:11,570
what do you say to the fact that

1560
01:12:17,570 --> 01:12:14,640
throughout our recorded history which is

1561
01:12:20,390 --> 01:12:17,580
relatively short and in this sense but

1562
01:12:21,709 --> 01:12:20,400
at least you know pretty solidly a

1563
01:12:23,840 --> 01:12:21,719

hundred years hundred and fifty years

1564

01:12:26,419 --> 01:12:23,850

there's been these constant this is a

1565

01:12:29,300 --> 01:12:26,429

unique time these prophecies whether

1566

01:12:31,490 --> 01:12:29,310

they're apocalyptic prophecies or spear

1567

01:12:33,440 --> 01:12:31,500

transformation prophecies over and over

1568

01:12:35,630 --> 01:12:33,450

again I mean we keep hearing this over

1569

01:12:38,540 --> 01:12:35,640

and over again and it you know it never

1570

01:12:42,140 --> 01:12:38,550

seems to come to pass well I'm not

1571

01:12:45,410 --> 01:12:42,150

talking about an actual and singular and

1572

01:12:47,930 --> 01:12:45,420

Alex I'm talking about an educated event

1573

01:12:49,940 --> 01:12:47,940

that's going to start we are going to

1574

01:12:52,130 --> 01:12:49,950

learn more about the human consciousness

1575

01:12:54,440 --> 01:12:52,140

we are going to learn those people

1576
01:12:57,110 --> 01:12:54,450
through freewill but why would it be so

1577
01:12:58,820 --> 01:12:57,120
why would it be so you know temporal in

1578
01:13:00,590 --> 01:12:58,830
this kind of timeframe I mean we're

1579
01:13:03,770 --> 01:13:00,600
talking about first of all do you

1580
01:13:05,270 --> 01:13:03,780
believe in reincarnation I've never

1581
01:13:09,560 --> 01:13:05,280
experienced it I'm afraid

1582
01:13:12,380 --> 01:13:09,570
so I can't really give it a opinion I do

1583
01:13:14,990 --> 01:13:12,390
know that many many people have had

1584
01:13:17,870 --> 01:13:15,000
experiences where they actually open

1585
01:13:21,020 --> 01:13:17,880
felt that they were here before but but

1586
01:13:23,030 --> 01:13:21,030
in all your out-of-body experiences and

1587
01:13:25,190 --> 01:13:23,040
experiences with the divine experiences

1588
01:13:30,590 --> 01:13:25,200

with Jesus the idea of reincarnation

1589

01:13:32,240 --> 01:13:30,600

never came up not with me that doesn't

1590

01:13:34,610 --> 01:13:32,250

mean safe doesn't exist you know I'm not

1591

01:13:36,680 --> 01:13:34,620

saying I'm not saying it doesn't exist

1592

01:13:39,770 --> 01:13:36,690

it's just one thing that just something

1593

01:13:41,780 --> 01:13:39,780

that never came to the surface because

1594

01:13:44,210 --> 01:13:41,790

one of the things that the reincarnation

1595

01:13:46,130 --> 01:13:44,220

research science if you will and there

1596

01:13:48,260 --> 01:13:46,140

has been some pretty decent science on

1597

01:13:51,380 --> 01:13:48,270

it suggests is that we kind of got this

1598

01:13:53,960 --> 01:13:51,390

time frame thing really kind of mixed up

1599

01:13:57,070 --> 01:13:53,970

and we're talking about just time as

1600

01:14:01,220 --> 01:13:57,080

being endless and a soul journey being

1601

01:14:03,080 --> 01:14:01,230

very very long and that kind of calls

1602

01:14:05,060 --> 01:14:03,090

into question this you know immediacy

1603

01:14:08,030 --> 01:14:05,070

something's happening right now it's

1604

01:14:09,740 --> 01:14:08,040

like well you know you got it's a bigger

1605

01:14:12,490 --> 01:14:09,750

time maybe it's a bigger time scale than

1606

01:14:17,510 --> 01:14:12,500

that what do you think about that idea

1607

01:14:19,640 --> 01:14:17,520

well now I think it's more I think what

1608

01:14:21,890 --> 01:14:19,650

we're going to start doing because we

1609

01:14:23,540 --> 01:14:21,900

can only take it so far talking I'm not

1610

01:14:26,210 --> 01:14:23,550

talking about the speech society I'm

1611

01:14:27,950 --> 01:14:26,220

talking about the physical side we can

1612

01:14:29,950 --> 01:14:27,960

only take it so far before we will

1613

01:14:34,100 --> 01:14:29,960

literally start destroying each other

1614

01:14:36,590 --> 01:14:34,110

we're almost there in that respect and I

1615

01:14:39,380 --> 01:14:36,600

think that we are going to step back and

1616

01:14:41,750 --> 01:14:39,390

say enough is enough how can we move

1617

01:14:42,689 --> 01:14:41,760

forward and I think it's going to be

1618

01:14:45,719 --> 01:14:42,699

this away

1619

01:14:49,350 --> 01:14:45,729

evening from the physical aspect if

1620

01:14:52,709 --> 01:14:49,360

that's what you wanted to ask me about

1621

01:14:54,449 --> 01:14:52,719

it's a fact that I think the science

1622

01:14:56,489 --> 01:14:54,459

field will start exploring it more

1623

01:14:59,219 --> 01:14:56,499

they'll start bringing about because the

1624

01:15:02,129 --> 01:14:59,229

consciousness line exists after after

1625

01:15:04,279 --> 01:15:02,139

death it changes so why does the

1626

01:15:07,500 --> 01:15:04,289

consciousness change how does it change

1627

01:15:09,629 --> 01:15:07,510

I'm not easily established when you see

1628

01:15:11,189 --> 01:15:09,639

these people come back and they change

1629

01:15:13,560 --> 01:15:11,199

their lives because they've become with

1630

01:15:17,549 --> 01:15:13,570

more knowledge through the the idea the

1631

01:15:20,370 --> 01:15:17,559

NDA so to me I feel like it's going to

1632

01:15:23,399 --> 01:15:20,380

come from us because we're going to want

1633

01:15:26,160 --> 01:15:23,409

to change its we're going to reach that

1634

01:15:28,140 --> 01:15:26,170

point you know it's just something

1635

01:15:30,120 --> 01:15:28,150

that's going to happen it's evolution to

1636

01:15:32,399 --> 01:15:30,130

me that's what that's the word I'm

1637

01:15:35,009 --> 01:15:32,409

looking for actually that looks really

1638

01:15:36,629 --> 01:15:35,019

good to their evolution you know Beverly

1639

01:15:38,250 --> 01:15:36,639

you've been even great we've been going

1640

01:15:39,209 --> 01:15:38,260

on for quite a time here and I

1641

01:15:41,759 --> 01:15:39,219

appreciate it

1642

01:15:45,359 --> 01:15:41,769

what else should we tell people about

1643

01:15:46,680 --> 01:15:45,369

either your experience your teaching the

1644

01:15:48,859 --> 01:15:46,690

book of course they're going to want to

1645

01:15:51,290 --> 01:15:48,869

check out a journey of actual death

1646

01:15:53,729 --> 01:15:51,300

experiences tell folks how they can

1647

01:15:55,739 --> 01:15:53,739

connect with you and if there's anything

1648

01:15:58,649 --> 01:15:55,749

else we really and anything else we

1649

01:16:00,689 --> 01:15:58,659

might want to kind of talk about well

1650

01:16:06,080 --> 01:16:00,699

you know they can find the book on the

1651

01:16:08,129 --> 01:16:06,090

internet I'm on Twitter and you know

1652

01:16:10,379 --> 01:16:08,139

just type in my name

1653

01:16:13,680 --> 01:16:10,389

Debra Gilmore and try and troll through

1654

01:16:15,330 --> 01:16:13,690

all the monster ink and co writings have

1655

01:16:16,890 --> 01:16:15,340

been written about me you know I can

1656

01:16:19,649 --> 01:16:16,900

assure you I'm not a monster

1657

01:16:20,160 --> 01:16:19,659

or an ATM I've had that and thrown at me

1658

01:16:22,919 --> 01:16:20,170

as well

1659

01:16:27,029 --> 01:16:22,929

Iliana what do you think what do you

1660

01:16:29,910 --> 01:16:27,039

think of the alien UFO thing I'm curious

1661

01:16:32,040 --> 01:16:29,920

I'm curious I've never seen anything go

1662

01:16:36,359 --> 01:16:32,050

experience everything for you know I

1663

01:16:39,959 --> 01:16:36,369

mean this is a big universe so Alex you

1664

01:16:42,299 --> 01:16:39,969

know so right I have to be this an email

1665

01:16:43,649 --> 01:16:42,309

address here if you want to what one you

1666

01:16:46,830 --> 01:16:43,659

1667

01:16:49,560 --> 01:16:46,840

1668

01:16:54,029 --> 01:16:49,570

anyone who's had an ad or NDA can

1669

01:16:55,189 --> 01:16:54,039

contact me and awesome and for what I've

1670

01:16:57,199 --> 01:16:55,199

been through

1671

01:16:59,479 --> 01:16:57,209

I counsel people who you're going

1672

01:17:03,529 --> 01:16:59,489

through grief situations you know we

1673

01:17:05,330 --> 01:17:03,539

were terminally ill or survivors of

1674

01:17:07,009 --> 01:17:05,340

people who terminally ill so if they

1675

01:17:09,649 --> 01:17:07,019

want to get in touch with me by all

1676
01:17:12,739 --> 01:17:09,659
means do because one of the things I

1677
01:17:14,750 --> 01:17:12,749
want to say is it's about you putting

1678
01:17:17,540 --> 01:17:14,760
yourself out there and just saying you

1679
01:17:21,109 --> 01:17:17,550
know let's spread this lets you know I

1680
01:17:23,629 --> 01:17:21,119
mean let's remember that at the end of

1681
01:17:26,839 --> 01:17:23,639
the day we are all about love we are all

1682
01:17:29,629 --> 01:17:26,849
about positivity and we are all we are

1683
01:17:32,660 --> 01:17:29,639
all capable of amazing things if we come

1684
01:17:36,259 --> 01:17:32,670
together and help each other and then do

1685
01:17:37,969 --> 01:17:36,269
these things so you know by all means

1686
01:17:41,589 --> 01:17:37,979
anyone who wants to get Church for me

1687
01:17:44,239 --> 01:17:41,599
I'm more than happy to answer them

1688
01:17:45,770 --> 01:17:44,249

awesome awesome what's a great it's a

1689

01:17:48,379 --> 01:17:45,780

great message it's a wonderful message

1690

01:17:50,569 --> 01:17:48,389

and I appreciate you coming on and being

1691

01:17:52,189 --> 01:17:50,579

on the show and Oliver thanks again for

1692

01:17:55,310 --> 01:17:52,199

persisting with this and making it

1693

01:17:57,680 --> 01:17:55,320

happen so you just open one thing but I

1694

01:18:01,239 --> 01:17:57,690

really want to thank you for answering

1695

01:18:04,219 --> 01:18:01,249

me in what was it 209 mother to our time

1696

01:18:06,709 --> 01:18:04,229

you know you see there you actually

1697

01:18:10,850 --> 01:18:06,719

reached out to me yeah she said you know

1698

01:18:13,969 --> 01:18:10,860

yoga and that quieted me that that made

1699

01:18:15,290 --> 01:18:13,979

me feel no less of cause one things I

1700

01:18:19,489 --> 01:18:15,300

used to feel like I was a freak of

1701

01:18:22,609 --> 01:18:19,499

nature the odd correspondences arrived

1702

01:18:24,219 --> 01:18:22,619

from people who have been kind I want to

1703

01:18:26,949 --> 01:18:24,229

thank them from the bottom of my heart

1704

01:18:30,919 --> 01:18:26,959

Jeffery long was one of them by the way

1705

01:18:34,160 --> 01:18:30,929

so you know you have my deepest to my

1706

01:18:36,529 --> 01:18:34,170

greatest respect forever so appreciate

1707

01:18:38,839 --> 01:18:36,539

that that's very nice of you to say well

1708

01:18:41,449 --> 01:18:38,849

it's been it's been great having you on

1709

01:18:44,449 --> 01:18:41,459

and I hope that we can spread this

1710

01:18:46,819 --> 01:18:44,459

message through this interview so thanks

1711

01:18:50,390 --> 01:18:46,829

again Beverley you take a look after

1712

01:18:54,319 --> 01:18:50,400

those children hahaha will do hahaha bye

1713

01:18:56,390 --> 01:18:54,329

ah thanks again to Beverly for joining

1714

01:18:58,669 --> 01:18:56,400

me today on skeptic oh I guess the big

1715

01:19:01,569 --> 01:18:58,679

question that I'd have to tee up from

1716

01:19:04,939 --> 01:19:01,579

this interview is do you think Beverly

1717

01:19:07,600 --> 01:19:04,949

encountered Jesus and what does that

1718

01:19:08,730 --> 01:19:07,610

mean to even say that someone

1719

01:19:13,070 --> 01:19:08,740

encountered

1720

01:19:15,870 --> 01:19:13,080

Jesus during an out-of-body near-death

1721

01:19:18,300 --> 01:19:15,880

experience I know it's a question we've

1722

01:19:20,910 --> 01:19:18,310

looked at before but it does seem to be

1723

01:19:23,940 --> 01:19:20,920

quite central to this whole mission of

1724

01:19:25,920 --> 01:19:23,950

trying to chart out these extended

1725

01:19:28,140 --> 01:19:25,930

consciousness realms into the few

1726

01:19:31,140 --> 01:19:28,150

tattered puzzle pieces we have so I

1727

01:19:33,120 --> 01:19:31,150

think it's worth visiting again and

1728

01:19:35,010 --> 01:19:33,130

again so love to hear what you think

1729

01:19:37,620 --> 01:19:35,020

about that of course a place to do it is

1730

01:19:38,910 --> 01:19:37,630

through the skeptical website by leaving

1731

01:19:41,220 --> 01:19:38,920

me a comment or sending me an e-mail

1732

01:19:43,920 --> 01:19:41,230

there or through the skeptical forum

1733

01:19:47,010 --> 01:19:43,930

where will I hope have an interesting

1734

01:19:49,500 --> 01:19:47,020

dialogue about this as well so I have a

1735

01:19:52,020 --> 01:19:49,510

number of interesting shows coming up

1736

01:19:54,720 --> 01:19:52,030

and of course hope you stay with me for

1737

01:19:58,210 --> 01:19:54,730

all of that until next time take care
