

A portrait of Bob Hamer, a man with short grey hair and a goatee, wearing a black shirt. The background is a blurred image of a person's face with a red and orange glow. The text "Bob Hamer Skeptiko #357" is overlaid on the right side of the image.

Bob Hamer
Skeptiko #357

1
00:00:03,000 --> 00:00:09,370
foreign

2
00:00:16,129 --> 00:00:13,430
things about pizza gate is that it

3
00:00:20,090 --> 00:00:16,139
really cuts through a lot of the

4
00:00:23,390 --> 00:00:20,100
ambiguity with the evil kind of moral

5
00:00:27,050 --> 00:00:23,400
good bad question because sex crimes

6
00:00:29,929 --> 00:00:27,060
against children are evil clearly evil

7
00:00:33,830 --> 00:00:29,939
so in that way it really makes clear the

8
00:00:36,770 --> 00:00:33,840
question what is the nature of this evil

9
00:00:38,810 --> 00:00:36,780
is this evil something we just cook up

10
00:00:41,750 --> 00:00:38,820
in our Consciousness is an illusion

11
00:00:44,630 --> 00:00:41,760
brain or does this evil tell us

12
00:00:46,569 --> 00:00:44,640
something about this hierarchical nature

13
00:00:49,850 --> 00:00:46,579

of Consciousness

14

00:00:52,430 --> 00:00:49,860

had I not been undercover had I walked

15

00:00:54,049 --> 00:00:52,440

past them and heard these men talking

16

00:00:56,150 --> 00:00:54,059

like that I would have thrown them off

17

00:00:59,750 --> 00:00:56,160

the railing I mean it was so disgusting

18

00:01:02,330 --> 00:00:59,760

it demonstrated to me that parents were

19

00:01:05,270 --> 00:01:02,340

providing eye candy for these pedophiles

20

00:01:06,950 --> 00:01:05,280

and these these sick perverts I I don't

21

00:01:09,350 --> 00:01:06,960

know how anyone

22

00:01:13,670 --> 00:01:09,360

just as you had said earlier Alex how

23

00:01:17,910 --> 00:01:13,680

can anyone say that is not evil

24

00:01:24,430 --> 00:01:17,920

stay with us for skeptico

25

00:01:28,010 --> 00:01:25,789

[Music]

26
00:01:29,990 --> 00:01:28,020
welcome to skeptico where we explore

27
00:01:32,510 --> 00:01:30,000
controversial science and spirituality

28
00:01:34,730 --> 00:01:32,520
with leading researchers thinkers and

29
00:01:37,910 --> 00:01:34,740
their critics I'm your host Alex sakaris

30
00:01:40,910 --> 00:01:37,920
and the topic of today's show is not one

31
00:01:42,469 --> 00:01:40,920
that's easy to talk about and not one

32
00:01:44,749 --> 00:01:42,479
that you'd expect to hear on a show

33
00:01:47,030 --> 00:01:44,759
about Consciousness science I know that

34
00:01:48,950 --> 00:01:47,040
because I get plenty of emails asking me

35
00:01:51,590 --> 00:01:48,960
when I'm going to get back to nde and

36
00:01:53,749 --> 00:01:51,600
PSY research but hey there's an

37
00:01:55,789 --> 00:01:53,759
important through line here that I'd

38
00:01:57,230 --> 00:01:55,799

like to explore with you that really

39

00:02:01,010 --> 00:01:57,240

gets to the heart of what this show is

40

00:02:03,770 --> 00:02:01,020

all about because my primary finding if

41

00:02:07,310 --> 00:02:03,780

you will from 350 episodes of skeptico

42

00:02:08,749 --> 00:02:07,320

is that we are more that is we're not

43

00:02:11,990 --> 00:02:08,759

biological robots in a meaningless

44

00:02:16,550 --> 00:02:12,000

universe that science tells us we are we

45

00:02:20,449 --> 00:02:16,560

are more so really all questions beyond

46

00:02:23,210 --> 00:02:20,459

that are about what that more is what

47

00:02:25,729 --> 00:02:23,220

that spirituality is what that extended

48

00:02:28,130 --> 00:02:25,739

Consciousness is where did it come from

49

00:02:30,830 --> 00:02:28,140

what is its purpose how does it function

50

00:02:34,430 --> 00:02:30,840

in our life and in our world and while

51
00:02:36,410 --> 00:02:34,440
sure these are the deepest most profound

52
00:02:37,970 --> 00:02:36,420
questions that you could ask that people

53
00:02:40,670 --> 00:02:37,980
have been asking for thousands of years

54
00:02:44,030 --> 00:02:40,680
and it's not like we're gonna figure it

55
00:02:46,610 --> 00:02:44,040
out on a couple of podcast episodes the

56
00:02:49,790 --> 00:02:46,620
topic is I think the most important

57
00:02:52,910 --> 00:02:49,800
topic we can talk about and in this

58
00:02:55,610 --> 00:02:52,920
ongoing conversation that we're having I

59
00:02:57,830 --> 00:02:55,620
think it's nice to keep it fresh and

60
00:03:00,110 --> 00:02:57,840
relevant with new things that are

61
00:03:03,290 --> 00:03:00,120
happening and look at how those might

62
00:03:06,710 --> 00:03:03,300
inform or further our understanding of

63
00:03:08,690 --> 00:03:06,720

what's really going on and pizzagate

64

00:03:12,110 --> 00:03:08,700

that is the controversy surrounding the

65

00:03:14,990 --> 00:03:12,120

alleged occult themed and pedophilia

66

00:03:18,890 --> 00:03:15,000

themed emails of Hillary Clinton's top

67

00:03:22,009 --> 00:03:18,900

aide John podesta are certainly fresh

68

00:03:24,410 --> 00:03:22,019

and I would suggest that they're very

69

00:03:26,750 --> 00:03:24,420

relevant to some of these skeptical

70

00:03:28,130 --> 00:03:26,760

questions I was just talking about in

71

00:03:30,830 --> 00:03:28,140

some really important ways let me

72

00:03:34,430 --> 00:03:30,840

explain first of all the thing that

73

00:03:38,449 --> 00:03:34,440

really attracts me to looking at this is

74

00:03:41,030 --> 00:03:38,459

that it drives us right to the core of

75

00:03:42,830 --> 00:03:41,040

the evil question and this is something

76

00:03:44,509 --> 00:03:42,840

I've been hammering on a little bit and

77

00:03:46,430 --> 00:03:44,519

there's some interesting back and forth

78

00:03:48,830 --> 00:03:46,440

with some of my guests on that but let

79

00:03:52,009 --> 00:03:48,840

me recap for a minute what I mean when I

80

00:03:53,869 --> 00:03:52,019

say the evil question so step back and

81

00:03:55,729 --> 00:03:53,879

look at ndes for a minute so you have a

82

00:03:58,250 --> 00:03:55,739

near-death experience science and the

83

00:04:00,229 --> 00:03:58,260

conclusion is consciousness survives

84

00:04:01,550 --> 00:04:00,239

death that's the finding every

85

00:04:03,649 --> 00:04:01,560

significant near-death experience

86

00:04:04,850 --> 00:04:03,659

researchers come to that conclusion the

87

00:04:06,470 --> 00:04:04,860

data has come to that conclusion

88

00:04:08,330 --> 00:04:06,480

hundreds and hundreds of published

89

00:04:10,130 --> 00:04:08,340

studies you've got to be there if you've

90

00:04:12,589 --> 00:04:10,140

really dug into the data followed the

91

00:04:15,789 --> 00:04:12,599

data where it leads but the next

92

00:04:19,490 --> 00:04:15,799

question about nde research is

93

00:04:21,830 --> 00:04:19,500

what does the experience seem to be

94

00:04:24,710 --> 00:04:21,840

telling us about the nature of this

95

00:04:25,850 --> 00:04:24,720

Consciousness that survives death and

96

00:04:27,770 --> 00:04:25,860

notice how I said that because that's

97

00:04:29,990 --> 00:04:27,780

really the rub here because now we're

98

00:04:31,790 --> 00:04:30,000

saying with the nde research about this

99

00:04:34,670 --> 00:04:31,800

experience is that this is an experience

100

00:04:36,890 --> 00:04:34,680

that people had when they were dead or

101

00:04:39,469 --> 00:04:36,900

at least they had when their brain was

102

00:04:41,930 --> 00:04:39,479

so severely compromised that we can't

103

00:04:43,850 --> 00:04:41,940

really even talk about what kind of

104

00:04:46,010 --> 00:04:43,860

Consciousness experience they would have

105

00:04:49,189 --> 00:04:46,020

been having inside of our existing

106

00:04:50,390 --> 00:04:49,199

neuromodulate about how the brain works so

107

00:04:53,270 --> 00:04:50,400

with that we take a look at the

108

00:04:55,070 --> 00:04:53,280

near-death experience experience and we

109

00:04:56,990 --> 00:04:55,080

say what can we start saying about it

110

00:04:58,850 --> 00:04:57,000

and one of the conclusions that seems

111

00:05:00,469 --> 00:04:58,860

pretty clear now not everyone sees it

112

00:05:03,170 --> 00:05:00,479

this way but it sure as heck seems

113

00:05:05,330 --> 00:05:03,180

pretty clear there appears to be a

114

00:05:07,670 --> 00:05:05,340

hierarchy to this Consciousness there's

115

00:05:10,070 --> 00:05:07,680

this incredible love there's this good

116

00:05:12,830 --> 00:05:10,080

there's light there's also regret

117

00:05:15,230 --> 00:05:12,840

there's pain there's Darkness now again

118

00:05:17,990 --> 00:05:15,240

for the atheistic science types they

119

00:05:21,710 --> 00:05:18,000

were able to to dance around the good

120

00:05:23,629 --> 00:05:21,720

bad light dark stuff as long as they

121

00:05:25,010 --> 00:05:23,639

could tie it back to well that's part of

122

00:05:27,110 --> 00:05:25,020

the human condition that's what the

123

00:05:28,730 --> 00:05:27,120

brain is just cooking up but when we

124

00:05:31,430 --> 00:05:28,740

stepped over and said no wait a minute

125

00:05:34,070 --> 00:05:31,440

these are experiences that are people

126

00:05:38,450 --> 00:05:34,080

are pulling back from a non-brained

127

00:05:41,390 --> 00:05:38,460

state we are suddenly propelled right in

128

00:05:44,270 --> 00:05:41,400

the middle of this spirituality thing

129

00:05:46,850 --> 00:05:44,280

that I was saying at the beginning and

130

00:05:49,790 --> 00:05:46,860

as we know for the atheistic science

131

00:05:53,870 --> 00:05:49,800

types this is a call to the Battle

132

00:05:55,249 --> 00:05:53,880

Stations put down this nde research or

133

00:05:57,710 --> 00:05:55,259

we're going to wind up with all the

134

00:06:00,890 --> 00:05:57,720

churchy folks stepping forward with

135

00:06:03,469 --> 00:06:00,900

their big I Told You So and a renewing

136

00:06:05,990 --> 00:06:03,479

of the science versus religion battle

137

00:06:07,309 --> 00:06:06,000

that we've been having for hundreds and

138

00:06:10,129 --> 00:06:07,319

hundreds of years

139

00:06:13,550 --> 00:06:10,139

so back to Pete's gate one of the great

140

00:06:16,309 --> 00:06:13,560

things about pizza gate is that it

141

00:06:20,270 --> 00:06:16,319

really cuts through a lot of the

142

00:06:23,570 --> 00:06:20,280

ambiguity with the evil kind of moral

143

00:06:27,170 --> 00:06:23,580

good bad question because sex crimes

144

00:06:30,050 --> 00:06:27,180

against children are evil clearly evil

145

00:06:34,010 --> 00:06:30,060

so in that way it really makes clear the

146

00:06:36,950 --> 00:06:34,020

question what is the nature of this evil

147

00:06:38,930 --> 00:06:36,960

is this evil something we just cook up

148

00:06:41,870 --> 00:06:38,940

in our Consciousness is an illusion

149

00:06:44,749 --> 00:06:41,880

brain or does this evil tell us

150

00:06:46,610 --> 00:06:44,759

something about this hierarchical nature

151
00:06:48,590 --> 00:06:46,620
of consciousness

152
00:06:51,469 --> 00:06:48,600
so that's one of the reasons Pizza gate

153
00:06:54,050 --> 00:06:51,479
is so interesting to me and I think so

154
00:06:56,570 --> 00:06:54,060
relevant to skeptico but the other

155
00:06:59,450 --> 00:06:56,580
reason it's interesting to me from a

156
00:07:02,150 --> 00:06:59,460
skeptical perspective has to do with

157
00:07:04,850 --> 00:07:02,160
this line we've been following with

158
00:07:06,290 --> 00:07:04,860
regard to conspiracy and again this is

159
00:07:08,390 --> 00:07:06,300
something that freaks people out when I

160
00:07:11,270 --> 00:07:08,400
talk about conspiracy and conspiracy

161
00:07:15,350 --> 00:07:11,280
theory to me it's just a natural

162
00:07:16,969 --> 00:07:15,360
consequence of doing these 350 shows I

163
00:07:18,529 --> 00:07:16,979

mean go all the way back to the

164

00:07:20,809 --> 00:07:18,539

beginning where I'm interviewing Dean

165

00:07:22,730 --> 00:07:20,819

Raiden about why Steve Novella and

166

00:07:25,309 --> 00:07:22,740

prominent scientists like Ray Hyman are

167

00:07:27,170 --> 00:07:25,319

lying about his Psy research well bang

168

00:07:28,909 --> 00:07:27,180

against that problem long enough like we

169

00:07:31,309 --> 00:07:28,919

have and you're forced to consider the

170

00:07:32,870 --> 00:07:31,319

possibility that there's a larger game

171

00:07:34,909 --> 00:07:32,880

of foot and that's certainly the

172

00:07:37,129 --> 00:07:34,919

conclusion I've come to from not only

173

00:07:39,469 --> 00:07:37,139

the crazy way materialist science works

174

00:07:42,050 --> 00:07:39,479

but also the way that research gets

175

00:07:44,270 --> 00:07:42,060

suppressed misrepresented misreported

176

00:07:45,650 --> 00:07:44,280

and in particular I'm thinking about so

177

00:07:47,570 --> 00:07:45,660

many of the cases of near-death

178

00:07:49,309 --> 00:07:47,580

experience research that we've talked

179

00:07:51,129 --> 00:07:49,319

about on this show and chronicled how

180

00:07:54,170 --> 00:07:51,139

they've been intentionally

181

00:07:57,469 --> 00:07:54,180

misrepresented and distorted but all

182

00:08:00,529 --> 00:07:57,479

that is just to defend this skeptico

183

00:08:03,890 --> 00:08:00,539

ethos that has evolved which is when you

184

00:08:05,990 --> 00:08:03,900

look at a topic you have to look for the

185

00:08:07,790 --> 00:08:06,000

conspiracy you have to follow the data

186

00:08:10,850 --> 00:08:07,800

follow the data first but then second

187

00:08:13,309 --> 00:08:10,860

you have to look for the conspiracy or

188

00:08:15,950 --> 00:08:13,319

you're liable to be blindsided so one of

189

00:08:19,730 --> 00:08:15,960

the ways that I've come to gauge the

190

00:08:22,610 --> 00:08:19,740

conspiracy Factor on these topics is to

191

00:08:26,629 --> 00:08:22,620

hear the pushback that I get from people

192

00:08:29,450 --> 00:08:26,639

who are opposed to a topic I may be

193

00:08:31,850 --> 00:08:29,460

covering and now mind you that's not to

194

00:08:34,449 --> 00:08:31,860

suggest that the people who are pushing

195

00:08:37,430 --> 00:08:34,459

back are necessarily part of the

196

00:08:40,190 --> 00:08:37,440

conspiracy if you will I think in a lot

197

00:08:44,149 --> 00:08:40,200

of cases they're more of a reflection of

198

00:08:47,030 --> 00:08:44,159

how the larger conspiracy is working its

199

00:08:49,310 --> 00:08:47,040

way through our culture now you'll hear

200

00:08:51,949 --> 00:08:49,320

one example of this on the interview we

201
00:08:53,570 --> 00:08:51,959
have coming up with Bob Hamer but

202
00:08:55,370 --> 00:08:53,580
another example I can give you and it's

203
00:08:57,829 --> 00:08:55,380
really such a stark example I can't

204
00:09:00,889 --> 00:08:57,839
resist throwing it out there is an email

205
00:09:02,630 --> 00:09:00,899
that I got from my good friend at the

206
00:09:05,570 --> 00:09:02,640
very excellent Buddha at the gas pump

207
00:09:07,190 --> 00:09:05,580
show Rick Archer now Rick as you know

208
00:09:09,829 --> 00:09:07,200
has been on the show a couple times and

209
00:09:13,610 --> 00:09:09,839
he's become somewhat of an unwitting

210
00:09:16,990 --> 00:09:13,620
Muse for me because on one hand he

211
00:09:20,810 --> 00:09:17,000
drives me crazy with his party line

212
00:09:23,810 --> 00:09:20,820
political Progressive brainwashed world

213
00:09:26,630 --> 00:09:23,820

of you but on the other hand he does

214

00:09:29,810 --> 00:09:26,640

provide me with this kind of mirror for

215

00:09:32,509 --> 00:09:29,820

how some of this information is being

216

00:09:33,889 --> 00:09:32,519

processed by people who I like and have

217

00:09:36,350 --> 00:09:33,899

a lot of respect for and think are

218

00:09:39,769 --> 00:09:36,360

really intelligent but think at the same

219

00:09:43,190 --> 00:09:39,779

time are totally missing the boat about

220

00:09:46,430 --> 00:09:43,200

what's really going on in terms of these

221

00:09:49,790 --> 00:09:46,440

deep spirituality questions and how they

222

00:09:53,210 --> 00:09:49,800

relate to our culture how they fit into

223

00:09:57,889 --> 00:09:53,220

the conspiracy question I gotta read for

224

00:09:59,810 --> 00:09:57,899

you the email that Rick sent me after he

225

00:10:02,269 --> 00:09:59,820

listened to my interview with Daniel

226

00:10:03,410 --> 00:10:02,279

pinchbeck where I said look you know if

227

00:10:05,449 --> 00:10:03,420

you don't think there's something to

228

00:10:07,250 --> 00:10:05,459

pizzagate then well you're just not

229

00:10:10,970 --> 00:10:07,260

paying attention you're just not willing

230

00:10:14,389 --> 00:10:10,980

to look at the data so Rick sent me this

231

00:10:16,670 --> 00:10:14,399

Alex you're a great guy and I love you

232

00:10:17,930 --> 00:10:16,680

you've created something wonderful with

233

00:10:21,889 --> 00:10:17,940

skeptico

234

00:10:24,170 --> 00:10:21,899

okay wait for it

235

00:10:26,930 --> 00:10:24,180

buying into this crap will cause

236

00:10:30,470 --> 00:10:26,940

sensible people to abandon your podcast

237

00:10:32,509 --> 00:10:30,480

in droves and leave you with an audience

238

00:10:34,550 --> 00:10:32,519

of wing nuts

239

00:10:37,610 --> 00:10:34,560

it will also dissuade some important

240

00:10:40,970 --> 00:10:37,620

guests from coming on your show you have

241

00:10:43,430 --> 00:10:40,980

an important role to play every time you

242

00:10:47,750 --> 00:10:43,440

voice your support for something like

243

00:10:48,949 --> 00:10:47,760

this you erode and marginalize your

244

00:10:51,710 --> 00:10:48,959

legacy

245

00:10:57,050 --> 00:10:51,720

wow Legacy

246

00:11:00,350 --> 00:10:57,060

okay so now my muse has spoken

247

00:11:01,910 --> 00:11:00,360

so now we can talk about pizzagate and

248

00:11:05,690 --> 00:11:01,920

where I really want to try and get to

249

00:11:07,850 --> 00:11:05,700

with this is this deep spirituality

250

00:11:08,990 --> 00:11:07,860

angle that I was talking about at the

251
00:11:11,150 --> 00:11:09,000
beginning of the show the whole

252
00:11:13,069 --> 00:11:11,160
connection back to skeptico to the in

253
00:11:15,710 --> 00:11:13,079
the e-science to the deeper questions

254
00:11:18,769 --> 00:11:15,720
about spirituality because this topic

255
00:11:21,410 --> 00:11:18,779
has all the elements we need to talk

256
00:11:24,290 --> 00:11:21,420
about the Deep spirituality it has the

257
00:11:26,750 --> 00:11:24,300
occult angle which immediately throws so

258
00:11:29,690 --> 00:11:26,760
many people just running over to the

259
00:11:31,910 --> 00:11:29,700
Christian religious kind of it's all of

260
00:11:35,090 --> 00:11:31,920
the devil kind of thing and I just don't

261
00:11:38,329 --> 00:11:35,100
think that fits on the other hand people

262
00:11:41,030 --> 00:11:38,339
who are quick to defend the occult and

263
00:11:44,210 --> 00:11:41,040

the satanic and freedom of expression

264

00:11:47,030 --> 00:11:44,220

they might want to take a deeper look at

265

00:11:48,110 --> 00:11:47,040

this nature of evil question we've been

266

00:11:51,650 --> 00:11:48,120

talking about

267

00:11:55,310 --> 00:11:51,660

and then thirdly like I always say the

268

00:11:58,009 --> 00:11:55,320

people on the outside looking in are the

269

00:12:01,550 --> 00:11:58,019

atheistic science types we can also

270

00:12:04,129 --> 00:12:01,560

throw our media our intellectuals our

271

00:12:05,990 --> 00:12:04,139

academics we can throw them in the same

272

00:12:08,750 --> 00:12:06,000

boat they're going to be on the outside

273

00:12:12,069 --> 00:12:08,760

of this issue looking in because none of

274

00:12:15,170 --> 00:12:12,079

it is real nothing related to

275

00:12:19,009 --> 00:12:15,180

spirituality to forces Beyond this

276

00:12:22,190 --> 00:12:19,019

Physical Realm influencing us could have

277

00:12:24,889 --> 00:12:22,200

any reality to it I mean how ridiculous

278

00:12:28,250 --> 00:12:24,899

is that how can we possibly make

279

00:12:31,190 --> 00:12:28,260

progress on this issue or any of these

280

00:12:34,269 --> 00:12:31,200

larger issues when we have this huge

281

00:12:38,210 --> 00:12:34,279

blockage of idiots standing in our way

282

00:12:40,610 --> 00:12:38,220

but that's the problem at hand let's

283

00:12:43,370 --> 00:12:40,620

talk pizzagate and I want to try and

284

00:12:46,850 --> 00:12:43,380

break this down going forward in this

285

00:12:50,210 --> 00:12:46,860

already long introduction with the

286

00:12:51,829 --> 00:12:50,220

skeptico ethos outline that I just kind

287

00:12:53,150 --> 00:12:51,839

of sketched out there I don't know if

288

00:12:55,250 --> 00:12:53,160

you caught it but it's a three-step

289

00:12:58,030 --> 00:12:55,260

process first follow the data wherever

290

00:13:02,030 --> 00:12:58,040

it leads second look for the conspiracy

291

00:13:03,769 --> 00:13:02,040

three find the Deep spirituality so here

292

00:13:07,190 --> 00:13:03,779

goes here's how I apply that to

293

00:13:09,730 --> 00:13:07,200

pizzagate data point one the timeline

294

00:13:13,190 --> 00:13:09,740

it's November 4th

295

00:13:15,530 --> 00:13:13,200

2016. four days before the U.S

296

00:13:19,490 --> 00:13:15,540

presidential election our friends at

297

00:13:22,730 --> 00:13:19,500

Wikileaks release a huge batch of emails

298

00:13:24,710 --> 00:13:22,740

from John podesta super connected super

299

00:13:27,710 --> 00:13:24,720

high up individual in the Hillary

300

00:13:30,410 --> 00:13:27,720

Clinton campaign now these emails are a

301
00:13:32,389 --> 00:13:30,420
bombshell they introduce us to this very

302
00:13:35,449 --> 00:13:32,399
weird occult practice called Spirit

303
00:13:37,430 --> 00:13:35,459
cooking they suggest John podesta's ties

304
00:13:40,009 --> 00:13:37,440
to the occult and even sex crimes

305
00:13:42,170 --> 00:13:40,019
against children and they suggest links

306
00:13:44,090 --> 00:13:42,180
between all these other folks political

307
00:13:46,550 --> 00:13:44,100
folks including this very influential

308
00:13:49,550 --> 00:13:46,560
guy in DC who happens to run a pizza

309
00:13:52,310 --> 00:13:49,560
shop I won't mention his name since he's

310
00:13:53,810 --> 00:13:52,320
been well known to threaten people with

311
00:13:55,069 --> 00:13:53,820
really bad things when his name is

312
00:13:56,269 --> 00:13:55,079
mentioned so I'm not going to mention

313
00:13:58,790 --> 00:13:56,279

his name

314

00:14:02,449 --> 00:13:58,800

but anyways the result of this Wikileaks

315

00:14:04,430 --> 00:14:02,459

email dump is that it spawns this huge

316

00:14:06,470 --> 00:14:04,440

open source investigation on the

317

00:14:08,569 --> 00:14:06,480

internet where thousands and thousands

318

00:14:10,990 --> 00:14:08,579

of posters are out there looking through

319

00:14:13,730 --> 00:14:11,000

the public records and trying to find

320

00:14:16,370 --> 00:14:13,740

correlating data to support or in some

321

00:14:18,470 --> 00:14:16,380

cases refute the conclusions that people

322

00:14:20,030 --> 00:14:18,480

are drawing from these emails so if

323

00:14:22,430 --> 00:14:20,040

you've never heard about open source

324

00:14:25,069 --> 00:14:22,440

investigations of this type I mean

325

00:14:27,230 --> 00:14:25,079

they're incredibly powerful and useful

326

00:14:29,090 --> 00:14:27,240

and no one can deny the kind of

327

00:14:30,889 --> 00:14:29,100

information that they bring forward some

328

00:14:33,050 --> 00:14:30,899

of it turns out to be garbage some of it

329

00:14:34,490 --> 00:14:33,060

turns out to be really valuable but hey

330

00:14:36,949 --> 00:14:34,500

that's the nature of any kind of

331

00:14:39,769 --> 00:14:36,959

Investigation let's bring it down to a

332

00:14:42,050 --> 00:14:39,779

concrete example the podesta emails

333

00:14:44,449 --> 00:14:42,060

contain all this coded speech about

334

00:14:46,610 --> 00:14:44,459

pizza and other things that everyone

335

00:14:49,730 --> 00:14:46,620

immediately was trying to figure out

336

00:14:52,310 --> 00:14:49,740

what it meant because it was clear these

337

00:14:55,310 --> 00:14:52,320

guys can't possibly be talking about

338

00:14:58,250 --> 00:14:55,320

their strange obsession with how thin

339

00:14:59,689 --> 00:14:58,260

you can slice pizza but the challenge

340

00:15:02,329 --> 00:14:59,699

for people who got interested in doing

341

00:15:04,730 --> 00:15:02,339

this open source investigation was can

342

00:15:07,250 --> 00:15:04,740

we find any data in the public domain

343

00:15:10,069 --> 00:15:07,260

that would add a little bit of substance

344

00:15:12,710 --> 00:15:10,079

to that suspicion and they did for

345

00:15:14,509 --> 00:15:12,720

example people found child porn message

346

00:15:16,970 --> 00:15:14,519

boards where people were using coded

347

00:15:19,009 --> 00:15:16,980

speech even using some of the same coded

348

00:15:21,530 --> 00:15:19,019

speech that they found in the podesta

349

00:15:23,870 --> 00:15:21,540

emails other people dug through the

350

00:15:26,090 --> 00:15:23,880

Twitter and Instagram posts that these

351
00:15:29,090 --> 00:15:26,100
guys were connected with and found all

352
00:15:32,110 --> 00:15:29,100
this really bizarre pedo related weird

353
00:15:35,150 --> 00:15:32,120
sexual stuff with all this pizza imagery

354
00:15:37,430 --> 00:15:35,160
attached to it and I don't want to or

355
00:15:39,949 --> 00:15:37,440
need to get real graphic here because

356
00:15:44,449 --> 00:15:39,959
it's still all out there it's very easy

357
00:15:47,269 --> 00:15:44,459
to find and it's way way over the top so

358
00:15:50,449 --> 00:15:47,279
if that's the data for the pedo thing we

359
00:15:52,970 --> 00:15:50,459
might ask where does it lead I mean does

360
00:15:54,650 --> 00:15:52,980
it lead to a criminal conviction of sex

361
00:15:57,050 --> 00:15:54,660
crimes against children for these people

362
00:15:58,670 --> 00:15:57,060
clearly not as you're about to here in

363
00:16:02,329 --> 00:15:58,680

the interview that I've done with

364

00:16:04,430 --> 00:16:02,339

undercover FBI agent Bob Hamer these are

365

00:16:07,249 --> 00:16:04,440

some of the most difficult crimes to get

366

00:16:08,629 --> 00:16:07,259

a conviction on but I'd like to

367

00:16:10,970 --> 00:16:08,639

establish that there's a different

368

00:16:12,650 --> 00:16:10,980

criteria here when we come to trying to

369

00:16:15,230 --> 00:16:12,660

measure this and let me throw it out

370

00:16:17,949 --> 00:16:15,240

there and see what you think would you

371

00:16:20,949 --> 00:16:17,959

let John podesta

372

00:16:25,069 --> 00:16:20,959

babysit your children

373

00:16:28,550 --> 00:16:25,079

would one out of a thousand people who

374

00:16:31,910 --> 00:16:28,560

isn't a registered sex offender let any

375

00:16:35,329 --> 00:16:31,920

of these people come close to any

376

00:16:38,990 --> 00:16:35,339

children they really care about

377

00:16:43,129 --> 00:16:39,000

no freaking way you know that I know

378

00:16:46,189 --> 00:16:43,139

that and in this case given that this is

379

00:16:49,310 --> 00:16:46,199

just the court of public opinion is that

380

00:16:52,069 --> 00:16:49,320

equivalent to maybe a peer-reviewed

381

00:16:56,329 --> 00:16:52,079

study of whether there is any real

382

00:16:59,629 --> 00:16:56,339

connection between these guys and really

383

00:17:00,949 --> 00:16:59,639

really inappropriate behavior involving

384

00:17:03,769 --> 00:17:00,959

children

385

00:17:05,809 --> 00:17:03,779

hey before I get off the data part of

386

00:17:08,090 --> 00:17:05,819

this thing let's talk about the data as

387

00:17:09,230 --> 00:17:08,100

it relates to the occult thing because I

388

00:17:13,789 --> 00:17:09,240

haven't really even talked about that

389

00:17:16,730 --> 00:17:13,799

because that is established I mean

390

00:17:19,189 --> 00:17:16,740

Mariana Abramovich the woman behind the

391

00:17:23,210 --> 00:17:19,199

whole Spirit cooking thing has publicly

392

00:17:25,610 --> 00:17:23,220

stated yeah this is occult stuff this is

393

00:17:28,130 --> 00:17:25,620

trying to Marshal and manage the

394

00:17:30,830 --> 00:17:28,140

energies of the spiritual world to get

395

00:17:32,810 --> 00:17:30,840

them to do things that you want them to

396

00:17:35,390 --> 00:17:32,820

do whether you deem that to be good or

397

00:17:37,430 --> 00:17:35,400

bad the the problem with her admission

398

00:17:38,930 --> 00:17:37,440

and why everyone wanted to reframe it

399

00:17:40,850 --> 00:17:38,940

and say oh no this is just performance

400

00:17:43,370 --> 00:17:40,860

art which by the way she says in that

401
00:17:45,770 --> 00:17:43,380
statement she goes look in an artistic

402
00:17:48,350 --> 00:17:45,780
setting it's performance art but all the

403
00:17:49,850 --> 00:17:48,360
rest of the time it's occult magic and

404
00:17:52,010 --> 00:17:49,860
anyone who's familiar with the cult

405
00:17:55,549 --> 00:17:52,020
magic looks at it for five seconds says

406
00:17:57,049 --> 00:17:55,559
that's occult magic the problem is what

407
00:17:58,490 --> 00:17:57,059
do you make of that what do you think

408
00:18:00,289 --> 00:17:58,500
about that do you think that's

409
00:18:01,970 --> 00:18:00,299
automatically satanic do you think

410
00:18:03,529 --> 00:18:01,980
that's automatically be bad do you think

411
00:18:05,570 --> 00:18:03,539
that's automatically a whole bunch of

412
00:18:08,450 --> 00:18:05,580
things and I want to put that to the

413
00:18:12,110 --> 00:18:08,460

side and instead focus on three things

414

00:18:15,110 --> 00:18:12,120

where I think that data leads one is

415

00:18:17,810 --> 00:18:15,120

that politically it's game over for

416

00:18:20,630 --> 00:18:17,820

anyone associated with that as we said

417

00:18:25,010 --> 00:18:20,640

you cannot like that but you can't be

418

00:18:28,010 --> 00:18:25,020

involved in crowling occult magic and be

419

00:18:29,750 --> 00:18:28,020

elected to high office it doesn't work

420

00:18:31,490 --> 00:18:29,760

so that's one conclusion we can

421

00:18:34,490 --> 00:18:31,500

definitely draw from the data and that

422

00:18:36,950 --> 00:18:34,500

can therefore explain why people with

423

00:18:38,510 --> 00:18:36,960

political aspirations have done

424

00:18:39,710 --> 00:18:38,520

everything they can to twist the story

425

00:18:42,289 --> 00:18:39,720

around and get away from the story

426
00:18:44,510 --> 00:18:42,299
because it's game over the second place

427
00:18:47,630 --> 00:18:44,520
it leads us which I just alluded to is

428
00:18:50,870 --> 00:18:47,640
that it is absolutely impossible for the

429
00:18:54,470 --> 00:18:50,880
atheist secular mainstream media to

430
00:18:57,710 --> 00:18:54,480
process the spiritual component of this

431
00:19:00,830 --> 00:18:57,720
I mean it's a blind spot the woman has

432
00:19:03,770 --> 00:19:00,840
said this is what I'm doing and they

433
00:19:06,169 --> 00:19:03,780
just ignore it because it doesn't fit

434
00:19:08,029 --> 00:19:06,179
within their world view but the third

435
00:19:09,590 --> 00:19:08,039
place it leads us is maybe the most

436
00:19:12,470 --> 00:19:09,600
obvious if you can get past the first

437
00:19:15,350 --> 00:19:12,480
two and that's that there are people who

438
00:19:18,950 --> 00:19:15,360

practice occult magic in order to affect

439

00:19:21,529 --> 00:19:18,960

things in this material world and until

440

00:19:23,930 --> 00:19:21,539

we can at least acknowledge that

441

00:19:26,450 --> 00:19:23,940

straight on then we're just going to

442

00:19:30,650 --> 00:19:26,460

kind of dance around in circles which is

443

00:19:33,049 --> 00:19:30,660

what you've seen a lot of already so if

444

00:19:36,830 --> 00:19:33,059

that's the data and if that's where the

445

00:19:40,370 --> 00:19:36,840

data leads then what's the conspiracy in

446

00:19:42,470 --> 00:19:40,380

the look for the conspiracy component of

447

00:19:44,390 --> 00:19:42,480

this analysis well there's really two

448

00:19:47,570 --> 00:19:44,400

that we need to talk about and the first

449

00:19:49,370 --> 00:19:47,580

one is rather obvious these emails were

450

00:19:51,590 --> 00:19:49,380

released four days before the U.S

451

00:19:54,890 --> 00:19:51,600

presidential election and they sunk

452

00:19:57,470 --> 00:19:54,900

Hillary's already sinking ship it's hard

453

00:19:58,850 --> 00:19:57,480

to believe that was an accident I mean

454

00:20:01,430 --> 00:19:58,860

when it comes to the U.S presidential

455

00:20:04,850 --> 00:20:01,440

elections voters do not stray too far

456

00:20:07,730 --> 00:20:04,860

from the Christian Motif if you will so

457

00:20:10,669 --> 00:20:07,740

any hints of occult related Spirit

458

00:20:12,649 --> 00:20:10,679

cooking stuff four days before the

459

00:20:15,830 --> 00:20:12,659

election was probably enough to sink

460

00:20:18,950 --> 00:20:15,840

Hillary if not then certainly the

461

00:20:20,029 --> 00:20:18,960

innuendo of child sex abuse among her

462

00:20:23,570 --> 00:20:20,039

staff

463

00:20:26,149 --> 00:20:23,580

sealed the deal so this is a conspiracy

464

00:20:29,090 --> 00:20:26,159

I don't know who's behind it or what the

465

00:20:31,250 --> 00:20:29,100

real agenda was but hey that's part of a

466

00:20:34,490 --> 00:20:31,260

conspiracy we're not supposed to know

467

00:20:36,230 --> 00:20:34,500

but there's a second conspiracy involved

468

00:20:38,990 --> 00:20:36,240

here that I want you to take a look at

469

00:20:41,570 --> 00:20:39,000

because while I've been rattling on

470

00:20:44,149 --> 00:20:41,580

about coded emails and open source

471

00:20:47,210 --> 00:20:44,159

investigations some of you have been

472

00:20:49,970 --> 00:20:47,220

thinking but wait a minute pizzagate is

473

00:20:53,149 --> 00:20:49,980

about some crazy guy who shot up a pizza

474

00:20:55,850 --> 00:20:53,159

restaurant that's pizzagate and in a way

475

00:20:59,149 --> 00:20:55,860

you're right because that's certainly

476

00:21:01,250 --> 00:20:59,159

what pizzagate has become any Google

477

00:21:04,490 --> 00:21:01,260

search will tell you that pizzagate is

478

00:21:07,789 --> 00:21:04,500

number one a debunked conspiracy theory

479

00:21:10,549 --> 00:21:07,799

and number two something that caused

480

00:21:13,669 --> 00:21:10,559

this wacky dangerous conspiracy theorist

481

00:21:17,210 --> 00:21:13,679

to shoot up a pizza restaurant and end

482

00:21:19,070 --> 00:21:17,220

of story move on but there's a couple of

483

00:21:21,710 --> 00:21:19,080

problems with this narrative

484

00:21:25,130 --> 00:21:21,720

first none of this was ever really

485

00:21:28,070 --> 00:21:25,140

debunked but Desta never explained his

486

00:21:31,730 --> 00:21:28,080

strangely coded emails why he enjoyed

487

00:21:33,590 --> 00:21:31,740

graphic pedophilia themed art and why he

488

00:21:35,930 --> 00:21:33,600

had close friends like serial child

489

00:21:38,690 --> 00:21:35,940

molester Dennis hastert around and

490

00:21:40,850 --> 00:21:38,700

continued to send him emails and then

491

00:21:43,070 --> 00:21:40,860

there's the thousands and thousands of

492

00:21:44,510 --> 00:21:43,080

posts I was talking about and documents

493

00:21:46,909 --> 00:21:44,520

uncovered in the open source

494

00:21:49,430 --> 00:21:46,919

investigation and interestingly and I

495

00:21:52,010 --> 00:21:49,440

never hear people mention this but that

496

00:21:55,010 --> 00:21:52,020

was all in the process of being shut

497

00:21:57,950 --> 00:21:55,020

down a couple days before

498

00:22:01,549 --> 00:21:57,960

shooting when Reddit without any

499

00:22:04,669 --> 00:22:01,559

precedent or explanation close this

500

00:22:06,890 --> 00:22:04,679

enormous pizzagate thread that had been

501
00:22:08,810 --> 00:22:06,900
accumulating then a few days later on

502
00:22:11,750 --> 00:22:08,820
December 4th there was the shooting in

503
00:22:13,370 --> 00:22:11,760
the pizza restaurant and most folks got

504
00:22:15,590 --> 00:22:13,380
the message and if they are

505
00:22:18,230 --> 00:22:15,600
investigating pizzagate they went

506
00:22:21,710 --> 00:22:18,240
running for cover and who can blame him

507
00:22:23,630 --> 00:22:21,720
right so let me with that wrap up this

508
00:22:27,770 --> 00:22:23,640
introduction and move on to my interview

509
00:22:29,570 --> 00:22:27,780
today with X undercover FBI agent Bob

510
00:22:31,610 --> 00:22:29,580
Hamer and I'm pretty confident that

511
00:22:33,710 --> 00:22:31,620
you'll see how this relates to all this

512
00:22:36,529 --> 00:22:33,720
crazy stuff I've been talking about here

513
00:22:38,450 --> 00:22:36,539

but just in case you don't I have a

514

00:22:41,090 --> 00:22:38,460

couple of additional thoughts that I'll

515

00:22:43,370 --> 00:22:41,100

throw out there in the wrap up after the

516

00:22:45,409 --> 00:22:43,380

interview here's my interview with Bob

517

00:22:50,750 --> 00:22:45,419

Hamer

518

00:22:53,870 --> 00:22:50,760

Bob was a special agent with the FBI for

519

00:22:56,210 --> 00:22:53,880

26 years he was also a Judge Advocate in

520

00:22:59,210 --> 00:22:56,220

the Marine Corps and as an attorney he

521

00:23:01,549 --> 00:22:59,220

tried cases ranging from murder to petty

522

00:23:04,070 --> 00:23:01,559

theft he's also an accomplished and

523

00:23:07,190 --> 00:23:04,080

award-winning author he's here today to

524

00:23:10,549 --> 00:23:07,200

talk about his book The Last Undercover

525

00:23:14,270 --> 00:23:10,559

the true story of an FBI agent's

526

00:23:15,950 --> 00:23:14,280

dangerous stance with evil and also we

527

00:23:19,250 --> 00:23:15,960

may talk about his work with the

528

00:23:21,529 --> 00:23:19,260

organization Veterans for child rescue

529

00:23:23,570 --> 00:23:21,539

Bob welcome to skeptico thank you so

530

00:23:26,330 --> 00:23:23,580

much for joining me Alex thanks for

531

00:23:29,750 --> 00:23:26,340

having me on I appreciate it so would

532

00:23:31,549 --> 00:23:29,760

you like to briefly add to that bio that

533

00:23:34,130 --> 00:23:31,559

I sketched out again maybe you can fill

534

00:23:36,169 --> 00:23:34,140

in some of the details particularly with

535

00:23:38,750 --> 00:23:36,179

some of your undercover work you did

536

00:23:42,230 --> 00:23:38,760

while in the FBI

537

00:23:44,810 --> 00:23:42,240

yeah I was really fortunate I I found my

538

00:23:46,850 --> 00:23:44,820

niche in the FBI I as you mentioned I

539

00:23:49,370 --> 00:23:46,860

spent four years on active duty in the

540

00:23:52,909 --> 00:23:49,380

Marine Corps and I was a Judge Advocate

541

00:23:54,769 --> 00:23:52,919

I was a lawyer I laughed because the

542

00:23:57,110 --> 00:23:54,779

Marines didn't consider me a marine and

543

00:24:00,409 --> 00:23:57,120

the lawyers didn't consider me a lawyer

544

00:24:02,390 --> 00:24:00,419

and even though I'd gone through the

545

00:24:04,810 --> 00:24:02,400

officer candidate school and the the

546

00:24:07,970 --> 00:24:04,820

six-month officer basic school

547

00:24:10,190 --> 00:24:07,980

I was assigned and then I was I had

548

00:24:11,690 --> 00:24:10,200

already attended law school but I was I

549

00:24:14,029 --> 00:24:11,700

was a Judge Advocate

550

00:24:16,190 --> 00:24:14,039

and the the Marines were going to allow

551
00:24:18,409 --> 00:24:16,200
me to change my MOS if I wanted to stay

552
00:24:21,890 --> 00:24:18,419
in and quite frankly I hated being a

553
00:24:23,870 --> 00:24:21,900
lawyer I mean every case we had it was

554
00:24:26,390 --> 00:24:23,880
always a procedural issue I kind of grew

555
00:24:28,850 --> 00:24:26,400
up in that Perry Mason generation where

556
00:24:30,110 --> 00:24:28,860
I assumed everyone was innocent and at

557
00:24:32,450 --> 00:24:30,120
some point during the middle of the

558
00:24:34,490 --> 00:24:32,460
trial some guy came barreling through

559
00:24:36,649 --> 00:24:34,500
the back door going I did it I did it

560
00:24:38,990 --> 00:24:36,659
but everybody was guilty it was just a

561
00:24:40,909 --> 00:24:39,000
matter of of whether procedurally you

562
00:24:43,430 --> 00:24:40,919
could convict them so whether you were

563
00:24:45,769 --> 00:24:43,440

on the the prosecution side of the table

564

00:24:47,570 --> 00:24:45,779

or the defense side it was whether the

565

00:24:50,630 --> 00:24:47,580

search was legal whether the confession

566

00:24:53,450 --> 00:24:50,640

is admissible and I just I was bored

567

00:24:56,510 --> 00:24:53,460

stiff in the courtroom uh I fortunately

568

00:25:01,190 --> 00:24:56,520

for me the FBI was looking for lawyers

569

00:25:04,190 --> 00:25:01,200

and I applied and and got in and man I

570

00:25:07,549 --> 00:25:04,200

I I loved it and I quickly within about

571

00:25:09,649 --> 00:25:07,559

six months of being within the FBI I had

572

00:25:11,570 --> 00:25:09,659

my first undercover assignment and man I

573

00:25:16,190 --> 00:25:11,580

I was hooked then I had that adrenaline

574

00:25:18,769 --> 00:25:16,200

rush and I spent many of my 26 years in

575

00:25:19,970 --> 00:25:18,779

the bureau in undercover capacity so

576

00:25:32,870 --> 00:25:19,980

I've

577

00:25:35,510 --> 00:25:32,880

dealer I mean I played all the different

578

00:25:37,909 --> 00:25:35,520

roles I always said I'd been to about 12

579

00:25:41,210 --> 00:25:37,919

different personalities and enjoyed

580

00:25:43,610 --> 00:25:41,220

every one of them fascinating so uh tell

581

00:25:46,250 --> 00:25:43,620

us in particular about this book

582

00:25:55,490 --> 00:25:46,260

in the case that's behind it the last

583

00:25:58,909 --> 00:25:57,529

a lot of Defense counsel claimed I was a

584

00:26:01,190 --> 00:25:58,919

great fiction writer but they were

585

00:26:03,169 --> 00:26:01,200

always referring to my affidavits that I

586

00:26:05,870 --> 00:26:03,179

wrote against their clients but I really

587

00:26:08,029 --> 00:26:05,880

didn't have any desire to to write a

588

00:26:10,310 --> 00:26:08,039

book but I got involved in an

589

00:26:12,169 --> 00:26:10,320

organization called NAMBLA and it's the

590

00:26:14,390 --> 00:26:12,179

North American man boy love Association

591

00:26:16,750 --> 00:26:14,400

you got involved through your work as a

592

00:26:20,630 --> 00:26:16,760

specialization yeah yeah yeah

593

00:26:22,850 --> 00:26:20,640

as an FBI agent and a lot of people

594

00:26:24,710 --> 00:26:22,860

always thought it was a joke it was an

595

00:26:26,870 --> 00:26:24,720

episode on South Park I know Howard

596

00:26:28,970 --> 00:26:26,880

Stern used to talk about it and I I

597

00:26:30,610 --> 00:26:28,980

believe people thought oh there can't be

598

00:26:34,370 --> 00:26:30,620

such an organization

599

00:26:38,330 --> 00:26:34,380

that exists like this well there really

600

00:26:40,310 --> 00:26:38,340

was uh my involvement with NAMBLA

601
00:26:44,510 --> 00:26:40,320
originally started

602
00:26:46,070 --> 00:26:44,520
kind of sort of by the back door uh one

603
00:26:48,110 --> 00:26:46,080
of the one of the fun things about

604
00:26:50,510 --> 00:26:48,120
working undercover is you have to assume

605
00:26:51,590 --> 00:26:50,520
a variety of roles which means you've

606
00:26:54,649 --> 00:26:51,600
got to be

607
00:26:58,070 --> 00:26:54,659
strong enough and smart enough to to

608
00:27:00,049 --> 00:26:58,080
play a role that is believable so at

609
00:27:02,210 --> 00:27:00,059
various times I mean at one point I was

610
00:27:03,830 --> 00:27:02,220
kind of an expert on Western Art I'd

611
00:27:05,570 --> 00:27:03,840
forgotten everything about it that I

612
00:27:08,149 --> 00:27:05,580
learned for that particular undercover

613
00:27:11,029 --> 00:27:08,159

assignment I've had to learn about

614

00:27:14,149 --> 00:27:11,039

specific weapons or about Investments or

615

00:27:16,130 --> 00:27:14,159

about real estate uh just depending upon

616

00:27:19,250 --> 00:27:16,140

what the undercover role was

617

00:27:22,430 --> 00:27:19,260

well in this particular case uh the FBI

618

00:27:24,830 --> 00:27:22,440

had invested in uh arrested a guy back

619

00:27:26,810 --> 00:27:24,840

in Knoxville Tennessee who had been

620

00:27:29,090 --> 00:27:26,820

involved in child pornography and when

621

00:27:31,310 --> 00:27:29,100

they searched his computer they found

622

00:27:35,090 --> 00:27:31,320

that he had taken video of himself

623

00:27:37,730 --> 00:27:35,100

having sex with boys over in Thailand

624

00:27:40,250 --> 00:27:37,740

when they investigated further they

625

00:27:42,470 --> 00:27:40,260

found out that he had gone over to

626

00:27:44,570 --> 00:27:42,480

Thailand as part of a sex store as an

627

00:27:46,850 --> 00:27:44,580

organized sex store that was put

628

00:27:49,490 --> 00:27:46,860

together by a travel agent in Los

629

00:27:52,269 --> 00:27:49,500

Angeles at the time I was an undercover

630

00:27:55,250 --> 00:27:52,279

I was an FBI agent in Los Angeles

631

00:27:57,230 --> 00:27:55,260

Los Angeles was tasked by headquarters

632

00:28:00,529 --> 00:27:57,240

that to investigate this undercover

633

00:28:03,409 --> 00:28:00,539

agent so I was called in because I was a

634

00:28:05,750 --> 00:28:03,419

certified undercover agent to work this

635

00:28:07,970 --> 00:28:05,760

this travel agent and you know I liked

636

00:28:09,649 --> 00:28:07,980

the joke when the case agent first

637

00:28:12,230 --> 00:28:09,659

approached me it was hey we got this

638

00:28:14,570 --> 00:28:12,240

undercut we need an undercover agent uh

639

00:28:16,789 --> 00:28:14,580

involves sex tours to Thailand and I

640

00:28:17,990 --> 00:28:16,799

said hey you know sign me up if the

641

00:28:20,990 --> 00:28:18,000

government's going to pay for my

642

00:28:22,850 --> 00:28:21,000

messages over there I'll I'll do it well

643

00:28:25,850 --> 00:28:22,860

then he said no if this is for boy

644

00:28:29,870 --> 00:28:25,860

lovers bl's uh these are for men who are

645

00:28:32,169 --> 00:28:29,880

sexually attracted to to boys and these

646

00:28:35,750 --> 00:28:32,179

men fly from the United States over to

647

00:28:38,990 --> 00:28:35,760

Thailand to engage in sex acts with

648

00:28:40,549 --> 00:28:39,000

these kids so I I signed up

649

00:28:41,990 --> 00:28:40,559

um you have to understand let me back up

650

00:28:45,230 --> 00:28:42,000

just a little bit so your listeners

651
00:28:47,510 --> 00:28:45,240
understand in the FBI it's not like

652
00:28:50,330 --> 00:28:47,520
television the supervisor doesn't walk

653
00:28:52,190 --> 00:28:50,340
out into the squad Bay and says hey who

654
00:28:53,930 --> 00:28:52,200
wants to be a pedophile today and you

655
00:28:56,210 --> 00:28:53,940
know some guy raises his hand and said

656
00:28:59,810 --> 00:28:56,220
okay you're going to go undercover as a

657
00:29:00,889 --> 00:28:59,820
pedophile in the bureau there were

658
00:29:04,070 --> 00:29:00,899
probably

659
00:29:06,250 --> 00:29:04,080
12 13 000 agents depending on what

660
00:29:08,930 --> 00:29:06,260
period of time we're talking about

661
00:29:12,169 --> 00:29:08,940
only those that are certified to work

662
00:29:14,690 --> 00:29:12,179
undercover can do the undercover work so

663
00:29:17,630 --> 00:29:14,700

typically there may only be a hundred to

664

00:29:20,510 --> 00:29:17,640

150 agents that are certified to work

665

00:29:23,570 --> 00:29:20,520

undercover not every FBI wants to work

666

00:29:26,090 --> 00:29:23,580

undercover a lot of great agents have no

667

00:29:27,830 --> 00:29:26,100

desire to work undercover some agents

668

00:29:29,870 --> 00:29:27,840

that apply for the undercover program

669

00:29:32,389 --> 00:29:29,880

can't get through the initial screening

670

00:29:35,090 --> 00:29:32,399

process then there's a two-week

671

00:29:37,850 --> 00:29:35,100

in-service that the bureau wants you to

672

00:29:39,409 --> 00:29:37,860

think it's like buds training or Boot

673

00:29:42,049 --> 00:29:39,419

Camp or Marine Corps officer candidate

674

00:29:45,049 --> 00:29:42,059

school it's it's not but a lot of guys

675

00:29:46,909 --> 00:29:45,059

can't get to that two-week undercover

676
00:29:49,370 --> 00:29:46,919
in-service that they have because they

677
00:29:51,769 --> 00:29:49,380
it's stressful and they they want to see

678
00:29:53,810 --> 00:29:51,779
how you react to stress and then guys

679
00:29:56,210 --> 00:29:53,820
that graduate that are certified to work

680
00:29:57,950 --> 00:29:56,220
undercover may only work one or two

681
00:30:00,769 --> 00:29:57,960
assignments because they don't like the

682
00:30:03,769 --> 00:30:00,779
hours they don't like the pressure they

683
00:30:06,649 --> 00:30:03,779
move up in management so it at any one

684
00:30:09,070 --> 00:30:06,659
time there may only be 100 to 150 people

685
00:30:11,389 --> 00:30:09,080
that are certified to work undercover

686
00:30:14,149 --> 00:30:11,399
and there weren't a whole lot of us on

687
00:30:17,330 --> 00:30:14,159
the on the east or on the West Coast

688
00:30:19,130 --> 00:30:17,340

so I like the joke that towards the end

689

00:30:21,649 --> 00:30:19,140

of my career I was getting all the IOU

690

00:30:23,810 --> 00:30:21,659

assignments if they needed somebody that

691

00:30:25,130 --> 00:30:23,820

was impotent old or ugly they were

692

00:30:28,850 --> 00:30:25,140

calling on me

693

00:30:31,370 --> 00:30:28,860

and that's so that's that's how I got

694

00:30:33,830 --> 00:30:31,380

involved I was contacted because I was a

695

00:30:35,930 --> 00:30:33,840

certified undercover agent do you want

696

00:30:38,389 --> 00:30:35,940

to work this travel agent case

697

00:30:41,149 --> 00:30:38,399

well let's talk about this topic a

698

00:30:43,250 --> 00:30:41,159

little bit though because you know I

699

00:30:45,409 --> 00:30:43,260

understand you're you're you're joking

700

00:30:47,990 --> 00:30:45,419

with it and and we gotta kind of lighten

701
00:30:51,350 --> 00:30:48,000
it up a little bit because sex crimes

702
00:30:53,389 --> 00:30:51,360
against children is something that a lot

703
00:30:55,010 --> 00:30:53,399
of people just won't talk about I mean

704
00:30:57,649 --> 00:30:55,020
if you want to clear a room

705
00:30:59,509 --> 00:30:57,659
talk about 10 year olds boys being raped

706
00:31:02,750 --> 00:30:59,519
by 50 year old men

707
00:31:04,909 --> 00:31:02,760
but I I guess I think that you know the

708
00:31:07,730 --> 00:31:04,919
whole reason we're having this dialogue

709
00:31:11,149 --> 00:31:07,740
here and I suspect that part of the

710
00:31:14,690 --> 00:31:11,159
reason why you wrote this book is that

711
00:31:17,570 --> 00:31:14,700
it is something we have to face or we

712
00:31:20,029 --> 00:31:17,580
wind up with all sorts of craziness

713
00:31:22,310 --> 00:31:20,039

where otherwise intelligent well-meaning

714

00:31:25,549 --> 00:31:22,320

people are saying some just rather

715

00:31:28,549 --> 00:31:25,559

ridiculous stuff that sounds like it's

716

00:31:32,029 --> 00:31:28,559

in defense of this Behavior or somehow

717

00:31:34,370 --> 00:31:32,039

normalizing it or minimizing it do you

718

00:31:36,889 --> 00:31:34,380

have any sense do you have any feeling

719

00:31:38,870 --> 00:31:36,899

after going through this that that that

720

00:31:41,509 --> 00:31:38,880

does that bug you when you see that

721

00:31:43,310 --> 00:31:41,519

going on or do you see that going on oh

722

00:31:46,130 --> 00:31:43,320

you're no you're absolutely right you

723

00:31:50,990 --> 00:31:46,140

you you're spot on with with your

724

00:31:53,870 --> 00:31:51,000

evaluation uh the the book was written

725

00:31:55,730 --> 00:31:53,880

because I was so disgusted by this

726

00:31:57,830 --> 00:31:55,740

undercover assignment I've had more

727

00:31:59,990 --> 00:31:57,840

dangerous assignments I've had a

728

00:32:02,990 --> 00:32:00,000

contract put out on my life I've shot

729

00:32:04,850 --> 00:32:03,000

people I've been shot at I've I've

730

00:32:07,730 --> 00:32:04,860

I was the undercover agent in the La

731

00:32:10,549 --> 00:32:07,740

Mafia Family case there is no La Mafia

732

00:32:12,889 --> 00:32:10,559

anymore we talked wiped out the top 15

733

00:32:15,110 --> 00:32:12,899

members of the La Mafia I mean I've been

734

00:32:17,750 --> 00:32:15,120

involved in some pretty dangerous

735

00:32:19,669 --> 00:32:17,760

undercover assignments but this was my

736

00:32:22,070 --> 00:32:19,679

most disgusting assignment and this was

737

00:32:24,409 --> 00:32:22,080

my most difficult assignment and having

738

00:32:27,409 --> 00:32:24,419

to spend three years in the organization

739

00:32:29,450 --> 00:32:27,419

not on a daily basis when I was meeting

740

00:32:32,870 --> 00:32:29,460

with these people but

741

00:32:34,549 --> 00:32:32,880

over a three-year period conversing with

742

00:32:36,649 --> 00:32:34,559

them meeting with them face to face

743

00:32:38,990 --> 00:32:36,659

writing letters to those that were in

744

00:32:41,570 --> 00:32:39,000

prison and eventually convicting eight

745

00:32:45,049 --> 00:32:41,580

members of the group Center Circle I was

746

00:32:47,509 --> 00:32:45,059

so disgusted by what I had seen uh so

747

00:32:49,789 --> 00:32:47,519

disturbed by the communications that I

748

00:32:51,830 --> 00:32:49,799

had with these men listening to them

749

00:32:54,769 --> 00:32:51,840

tell about what they had done to kids

750

00:32:57,049 --> 00:32:54,779

what they wanted to do to little boys I

751

00:32:59,870 --> 00:32:57,059

needed to write about this maybe for

752

00:33:01,970 --> 00:32:59,880

catharsism on my part but really to

753

00:33:04,549 --> 00:33:01,980

expose the world to let the world know

754

00:33:05,630 --> 00:33:04,559

about this boy loved her boy lover

755

00:33:07,070 --> 00:33:05,640

agenda

756

00:33:09,769 --> 00:33:07,080

and

757

00:33:11,330 --> 00:33:09,779

the book I mean a lot of people can't

758

00:33:13,850 --> 00:33:11,340

read the book you're absolutely right

759

00:33:15,649 --> 00:33:13,860

it's like oh I don't I want to I I want

760

00:33:18,470 --> 00:33:15,659

to bury my head in the sand and I don't

761

00:33:22,070 --> 00:33:18,480

even want to talk about this and now you

762

00:33:24,470 --> 00:33:22,080

are seeing this whole pedophilia is is

763

00:33:27,590 --> 00:33:24,480

becoming the next civil rights issue

764

00:33:29,389 --> 00:33:27,600

yeah and and that's that's strange and I

765

00:33:31,130 --> 00:33:29,399

think I want to explore that stop and

766

00:33:33,529 --> 00:33:31,140

explore that for a minute because I do

767

00:33:35,990 --> 00:33:33,539

get the sense that that there are some

768

00:33:38,810 --> 00:33:36,000

you know in intelligent otherwise

769

00:33:41,750 --> 00:33:38,820

intelligent well-meaning people who just

770

00:33:43,430 --> 00:33:41,760

kind of gets vapor lock on this I'll

771

00:33:45,350 --> 00:33:43,440

give you a small example you know I was

772

00:33:48,950 --> 00:33:45,360

working on an interview with the show

773

00:33:50,870 --> 00:33:48,960

and I was in contact with a woman who

774

00:33:52,669 --> 00:33:50,880

was the co-author with someone who'd

775

00:33:55,610 --> 00:33:52,679

been on the show and I like and respect

776

00:33:57,769 --> 00:33:55,620

and we started talking a little bit

777

00:33:59,389 --> 00:33:57,779

about this prominent political figure

778

00:34:01,909 --> 00:33:59,399

that was linked to this kind of

779

00:34:04,730 --> 00:34:01,919

pedophilia sex crime thing and the net

780

00:34:07,070 --> 00:34:04,740

result is she says I think that what

781

00:34:10,730 --> 00:34:07,080

goes on between people in the bedroom

782

00:34:13,930 --> 00:34:10,740

should be private and I was like no wait

783

00:34:18,649 --> 00:34:13,940

a minute no sane person equates

784

00:34:20,329 --> 00:34:18,659

that statement with pedophilia yet I get

785

00:34:23,569 --> 00:34:20,339

the sense and I'd like to get your view

786

00:34:26,930 --> 00:34:23,579

on this that there it's kind of been

787

00:34:29,030 --> 00:34:26,940

mixed up in our culture in in the way

788

00:34:31,430 --> 00:34:29,040

the media communicates it to where

789

00:34:33,409 --> 00:34:31,440

people actually kind of say things like

790

00:34:34,730 --> 00:34:33,419

that without really kind of thinking it

791

00:34:38,149 --> 00:34:34,740

through

792

00:34:41,030 --> 00:34:38,159

well I agree with you I hope that she

793

00:34:43,550 --> 00:34:41,040

wasn't thinking it through but as I saw

794

00:34:45,290 --> 00:34:43,560

in NAMBLA now you have to understand the

795

00:34:49,909 --> 00:34:45,300

whole purpose of the North American man

796

00:34:53,149 --> 00:34:49,919

boy love Association it's it is a 501c

797

00:34:55,069 --> 00:34:53,159

I think I shouldn't say that it is an

798

00:34:58,910 --> 00:34:55,079

organization that is protected by the

799

00:35:01,250 --> 00:34:58,920

First Amendment because they're on paper

800

00:35:03,410 --> 00:35:01,260

their mission is to abolish age of

801
00:35:06,290 --> 00:35:03,420
consent laws explain that a little bit

802
00:35:07,550 --> 00:35:06,300
okay yeah I I'm so your listeners

803
00:35:11,210 --> 00:35:07,560
understand

804
00:35:14,390 --> 00:35:11,220
uh most Nations every state in the

805
00:35:17,630 --> 00:35:14,400
United States has a minimum age of

806
00:35:22,010 --> 00:35:17,640
consent law in other words if you if an

807
00:35:23,810 --> 00:35:22,020
adult has sex with an 18 year old if a

808
00:35:26,810 --> 00:35:23,820
50 year old man has sex with an 18 year

809
00:35:30,410 --> 00:35:26,820
old that's okay if the age of consent

810
00:35:33,829 --> 00:35:30,420
law is 18. now what you see in NAMBLA

811
00:35:37,370 --> 00:35:33,839
was their mission was to abolish the age

812
00:35:40,609 --> 00:35:37,380
of consent law uh they wanted to just do

813
00:35:43,490 --> 00:35:40,619

away with it completely and say look if

814

00:35:46,550 --> 00:35:43,500

two consenting people are doing this

815

00:35:48,890 --> 00:35:46,560

then it's okay now let's let's take it

816

00:35:50,390 --> 00:35:48,900

one step further when you hear that on

817

00:35:53,690 --> 00:35:50,400

the surface two consenting people

818

00:35:55,190 --> 00:35:53,700

similar to what your your guest said you

819

00:35:57,349 --> 00:35:55,200

know what people do in the bedroom is

820

00:36:00,170 --> 00:35:57,359

okay so if when we're talking about two

821

00:36:02,210 --> 00:36:00,180

consenting people we're talking about uh

822

00:36:04,310 --> 00:36:02,220

two 30 year olds or a 40 year old and a

823

00:36:06,349 --> 00:36:04,320

20 year old you know that's that's one

824

00:36:08,810 --> 00:36:06,359

thing uh NAMBLA talks about

825

00:36:11,270 --> 00:36:08,820

intergenerational sex so you think about

826

00:36:13,970 --> 00:36:11,280

uh 50 year old and a 30 year old okay

827

00:36:17,690 --> 00:36:13,980

that's that's fine but they want to

828

00:36:20,329 --> 00:36:17,700

abolish all age of consent so they

829

00:36:23,270 --> 00:36:20,339

believe that as long as you're

830

00:36:25,430 --> 00:36:23,280

consenting regardless of your age it

831

00:36:27,650 --> 00:36:25,440

should be okay Bob let me just interject

832

00:36:29,390 --> 00:36:27,660

two things here so we don't get too far

833

00:36:31,069 --> 00:36:29,400

afield I want people to understand the

834

00:36:34,609 --> 00:36:31,079

case that you investigated you

835

00:36:37,130 --> 00:36:34,619

investigated men like 40 50 year old men

836

00:36:40,130 --> 00:36:37,140

who were planning to have sex with 10

837

00:36:42,170 --> 00:36:40,140

year old boys right exactly yeah so so

838

00:36:44,089 --> 00:36:42,180

you know I mean we can get into the

839

00:36:46,430 --> 00:36:44,099

legal technicalities and stuff like that

840

00:36:47,630 --> 00:36:46,440

I mean we gotta I think we gotta kind of

841

00:36:49,370 --> 00:36:47,640

come down to that and understand you

842

00:36:51,650 --> 00:36:49,380

know there's all this gray area about

843

00:36:54,050 --> 00:36:51,660

consent and we hear about these horror

844

00:36:58,190 --> 00:36:54,060

stories of you know people who do wind

845

00:37:00,770 --> 00:36:58,200

up in a situation that we can have

846

00:37:03,109 --> 00:37:00,780

empathy for I'm a dad I don't know about

847

00:37:05,210 --> 00:37:03,119

you I have four kids I remember when my

848

00:37:08,329 --> 00:37:05,220

boys were 10 year olds I remember when

849

00:37:11,210 --> 00:37:08,339

my girls were 10 year olds the idea of

850

00:37:13,730 --> 00:37:11,220

someone raping them at that age or

851

00:37:16,970 --> 00:37:13,740

somehow tricking them and uh you know if

852

00:37:19,910 --> 00:37:16,980

that I mean it's it's Soul crushing it's

853

00:37:21,530 --> 00:37:19,920

psyche crushing I mean so one to be

854

00:37:23,450 --> 00:37:21,540

clear that's what you're investigating

855

00:37:24,890 --> 00:37:23,460

you weren't getting into 15 year olds or

856

00:37:26,930 --> 00:37:24,900

something I wasn't getting into 15 year

857

00:37:29,450 --> 00:37:26,940

olds I'm just trying to give the

858

00:37:31,490 --> 00:37:29,460

listeners an idea of where where the

859

00:37:33,770 --> 00:37:31,500

line is drawn and the other thing is

860

00:37:35,450 --> 00:37:33,780

that the NAMBLA thing is [h__h] right

861

00:37:38,050 --> 00:37:35,460

I mean it was [h__h] they're not

862

00:37:39,829 --> 00:37:38,060

really interested in that

863

00:37:41,750 --> 00:37:39,839

NAMBLA

864

00:37:46,010 --> 00:37:41,760

during my three years there was no

865

00:37:47,990 --> 00:37:46,020

effort at any time to abolish age of

866

00:37:53,150 --> 00:37:48,000

consent laws there was no legislative

867

00:37:54,829 --> 00:37:53,160

effort there was no no uh movement to

868

00:37:57,230 --> 00:37:54,839

write letters to your Congressman or

869

00:37:59,750 --> 00:37:57,240

your legislators all this organization

870

00:38:02,030 --> 00:37:59,760

was designed to do was for like-minded

871

00:38:03,710 --> 00:38:02,040

men to get together and to talk about

872

00:38:05,990 --> 00:38:03,720

where they could go to have sex with

873

00:38:07,790 --> 00:38:06,000

little boys and how they could seduce

874

00:38:10,130 --> 00:38:07,800

little boys that was the whole purpose

875

00:38:12,710 --> 00:38:10,140

of this organization even though on

876

00:38:15,050 --> 00:38:12,720

paper it was to abolish the age of

877

00:38:18,470 --> 00:38:15,060

consent laws that kind of leads into

878

00:38:20,510 --> 00:38:18,480

what I really wanted to accomplish along

879

00:38:22,609 --> 00:38:20,520

with telling people about this book and

880

00:38:25,670 --> 00:38:22,619

these other organizations that you're a

881

00:38:28,130 --> 00:38:25,680

part of to try and help improve this

882

00:38:31,130 --> 00:38:28,140

situation is I want to tap into your

883

00:38:33,109 --> 00:38:31,140

expertise and experience in working on

884

00:38:34,609 --> 00:38:33,119

these crimes I mean be clear that there

885

00:38:38,630 --> 00:38:34,619

are that they're crimes we're talking

886

00:38:40,670 --> 00:38:38,640

about crimes but maybe to dispel some of

887

00:38:43,670 --> 00:38:40,680

these myths and it the same time

888

00:38:46,069 --> 00:38:43,680

Identify some of the patterns that go

889

00:38:49,970 --> 00:38:46,079

along with this criminal Behavior tell

890

00:38:51,710 --> 00:38:49,980

folks about the Toys R Us story

891

00:38:54,589 --> 00:38:51,720

yeah I

892

00:38:57,770 --> 00:38:54,599

first joined the organization it was it

893

00:38:59,270 --> 00:38:57,780

was to provide me backstopping for this

894

00:39:01,550 --> 00:38:59,280

travel agent case that we were

895

00:39:03,230 --> 00:39:01,560

investigating so I was I was trying to

896

00:39:05,270 --> 00:39:03,240

figure out okay this is a boy lover

897

00:39:07,370 --> 00:39:05,280

movement I've got to think like them

898

00:39:09,410 --> 00:39:07,380

I've got to talk like them I've got a

899

00:39:11,810 --> 00:39:09,420

I've got to convince this travel agent

900

00:39:13,550 --> 00:39:11,820

that one is one that I'm one of them so

901

00:39:15,890 --> 00:39:13,560

I joined NAMBLA I mean during my

902

00:39:18,530 --> 00:39:15,900

research I come across NAMBLA as an

903

00:39:20,210 --> 00:39:18,540

organization you can send in 35 and now

904

00:39:23,390 --> 00:39:20,220

you're essentially a card carrying

905

00:39:25,730 --> 00:39:23,400

member so I joined the organization soon

906

00:39:28,430 --> 00:39:25,740

after I had joined I received some

907

00:39:29,870 --> 00:39:28,440

emails we have prisoners we have members

908

00:39:32,510 --> 00:39:29,880

that are in prison can you send

909

00:39:34,849 --> 00:39:32,520

Christmas cards to our imprisoned

910

00:39:36,230 --> 00:39:34,859

members so I sent Christmas cards then

911

00:39:38,210 --> 00:39:36,240

it was like well we have a pen pal

912

00:39:40,250 --> 00:39:38,220

program can you write letters so I

913

00:39:42,349 --> 00:39:40,260

started corresponding with some of these

914

00:39:45,530 --> 00:39:42,359

members and the correspondence for the

915

00:39:47,450 --> 00:39:45,540

most part was disgusting now I find out

916

00:39:50,810 --> 00:39:47,460

that they were having their their

917

00:39:52,609 --> 00:39:50,820

national meeting in San Francisco I have

918

00:39:54,589 --> 00:39:52,619

to understand Alex when this first

919

00:39:56,510 --> 00:39:54,599

organization first started they had very

920

00:39:58,010 --> 00:39:56,520

open meetings and they wrote they were

921

00:40:01,430 --> 00:39:58,020

meeting in libraries and public

922

00:40:03,650 --> 00:40:01,440

buildings because it was deemed part of

923

00:40:05,210 --> 00:40:03,660

this sexual Revolution and a movement

924

00:40:07,490 --> 00:40:05,220

that was part of the sexual Revolution

925

00:40:09,710 --> 00:40:07,500

they were marching in the Gay Pride

926

00:40:13,309 --> 00:40:09,720

parades and openly Marching In Those

927

00:40:16,069 --> 00:40:13,319

parades then there was a Groundswell to

928

00:40:18,470 --> 00:40:16,079

that forced this group to go essentially

929

00:40:20,510 --> 00:40:18,480

underground so these meetings I wanted

930

00:40:22,609 --> 00:40:20,520

to go to this meeting in San Francisco I

931

00:40:24,349 --> 00:40:22,619

was told no you haven't been a member

932

00:40:27,109 --> 00:40:24,359

long enough and you have to be sponsored

933

00:40:29,089 --> 00:40:27,119

by another member usually it takes three

934

00:40:31,730 --> 00:40:29,099

years before we'll invite you to one of

935

00:40:34,190 --> 00:40:31,740

our our meetings because they'd had so

936

00:40:37,490 --> 00:40:34,200

much exposure so much adverse exposure

937

00:40:39,770 --> 00:40:37,500

in the past when I finally get invited

938

00:40:42,530 --> 00:40:39,780

and what happened was I I was working on

939

00:40:45,490 --> 00:40:42,540

the joint terrorism task force but I was

940

00:40:47,630 --> 00:40:45,500

still in this organization uh I was

941

00:40:49,809 --> 00:40:47,640

corresponding with the members I was

942

00:40:52,490 --> 00:40:49,819

sending them Christmas cards I wrote

943

00:40:54,710 --> 00:40:52,500

articles for their magazine the NAMBLA

944

00:40:57,109 --> 00:40:54,720

bulletin all of a sudden I get invited

945

00:40:59,569 --> 00:40:57,119

to their New York meeting that they were

946

00:41:01,670 --> 00:40:59,579

having the next year so San Francisco I

947

00:41:03,349 --> 00:41:01,680

wasn't invited to now when they have

948

00:41:06,470 --> 00:41:03,359

their New York meeting I'm invited to

949

00:41:09,710 --> 00:41:06,480

that and it's over Veterans Day weekend

950

00:41:11,569 --> 00:41:09,720

I go back to New York we meet at Grand

951
00:41:14,750 --> 00:41:11,579
Central Station now as I mentioned

952
00:41:17,809 --> 00:41:14,760
before I've targeted some pretty tough

953
00:41:19,910 --> 00:41:17,819
organizations the mafia Asian organized

954
00:41:22,609 --> 00:41:19,920
crime groups Russian organized crime

955
00:41:26,270 --> 00:41:22,619
groups street gangs I've never met a

956
00:41:28,250 --> 00:41:26,280
more paranoid group than this so our

957
00:41:30,230 --> 00:41:28,260
initial meeting on Friday night we were

958
00:41:32,809 --> 00:41:30,240
to meet at Grand Central Station at the

959
00:41:34,609 --> 00:41:32,819
Dining Concourse they weren't going to

960
00:41:37,309 --> 00:41:34,619
announce where the meeting was taking

961
00:41:41,510 --> 00:41:37,319
place until that night they didn't want

962
00:41:44,809 --> 00:41:41,520
to give law enforcement any chance to

963
00:41:46,550 --> 00:41:44,819

set up and raid the meeting or or take

964

00:41:48,650 --> 00:41:46,560

photographs of those members who were

965

00:41:50,809 --> 00:41:48,660

going into the meeting and everything so

966

00:41:51,950 --> 00:41:50,819

that's that's their security was was

967

00:41:53,750 --> 00:41:51,960

that tight

968

00:41:56,930 --> 00:41:53,760

well that night while we were in the

969

00:42:00,530 --> 00:41:56,940

Grand Central Station uh congregating

970

00:42:02,089 --> 00:42:00,540

around the kind of the leader of the

971

00:42:04,910 --> 00:42:02,099

group they don't have a president but

972

00:42:06,589 --> 00:42:04,920

kind of the guy who's take charge of the

973

00:42:10,670 --> 00:42:06,599

organization was a fellow named Peter

974

00:42:12,410 --> 00:42:10,680

melzer he was a school teacher back in

975

00:42:15,230 --> 00:42:12,420

New York City before he got fired

976
00:42:18,589 --> 00:42:15,240
because of his associations with NAMBLA

977
00:42:21,349 --> 00:42:18,599
uh he asked if we want to take a tour of

978
00:42:23,089 --> 00:42:21,359
Times Square so we begin this walk from

979
00:42:24,050 --> 00:42:23,099
Grand Central Station down to Times

980
00:42:27,650 --> 00:42:24,060
Square

981
00:42:29,750 --> 00:42:27,660
and as we are getting closer I can begin

982
00:42:34,430 --> 00:42:29,760
to feel the excitement I mean it's like

983
00:42:38,270 --> 00:42:34,440
going to a USC football game or uh uh

984
00:42:39,589 --> 00:42:38,280
you could you could sense the sort of

985
00:42:42,349 --> 00:42:39,599
this excitement on the part of the

986
00:42:44,150 --> 00:42:42,359
members and all of a sudden we come to

987
00:42:47,150 --> 00:42:44,160
Toys R Us

988
00:42:50,150 --> 00:42:47,160

and these guys as we walk in they run to

989

00:42:52,550 --> 00:42:50,160

the railing and Toys R Us is closed now

990

00:42:55,609 --> 00:42:52,560

in in Times Square but they had a

991

00:42:58,250 --> 00:42:55,619

60-foot indoor Ferris wheel and these

992

00:43:00,710 --> 00:42:58,260

men ran to the railing and stood at the

993

00:43:03,829 --> 00:43:00,720

railing and watched these boys going

994

00:43:06,410 --> 00:43:03,839

around on the ferris wheel and pointing

995

00:43:08,329 --> 00:43:06,420

out the different boys based upon what

996

00:43:10,430 --> 00:43:08,339

clothes they were wearing and talking

997

00:43:12,770 --> 00:43:10,440

about oh that kid in the number 32

998

00:43:14,630 --> 00:43:12,780

Jersey this is what I'd like to do with

999

00:43:17,210 --> 00:43:14,640

them and we're getting pretty explicit

1000

00:43:20,809 --> 00:43:17,220

with the sex acts that they wanted to do

1001

00:43:23,569 --> 00:43:20,819

to these little boys and I I say this uh

1002

00:43:25,970 --> 00:43:23,579

had I not been undercover had I walked

1003

00:43:27,530 --> 00:43:25,980

past them and heard these men talking

1004

00:43:29,690 --> 00:43:27,540

like that I would have thrown them off

1005

00:43:32,510 --> 00:43:29,700

the railing I mean it was so disgusting

1006

00:43:34,870 --> 00:43:32,520

what they were doing and it it

1007

00:43:37,069 --> 00:43:34,880

demonstrated to me that parents

1008

00:43:41,870 --> 00:43:37,079

well-meaning parents who'd brought their

1009

00:43:44,329 --> 00:43:41,880

P their children to a public arena with

1010

00:43:46,730 --> 00:43:44,339

providing eye candy for these pedophiles

1011

00:43:48,950 --> 00:43:46,740

and these these sick perverts talking

1012

00:43:50,690 --> 00:43:48,960

about what they really want to do to

1013

00:43:51,710 --> 00:43:50,700

these little boys and this is not a

1014

00:43:56,630 --> 00:43:51,720

crime

1015

00:43:59,089 --> 00:43:56,640

acting out upon it they were just saying

1016

00:44:01,849 --> 00:43:59,099

what they wanted to do you see because I

1017

00:44:05,150 --> 00:44:01,859

think we can spend a lot of time in

1018

00:44:07,550 --> 00:44:05,160

energy worrying about what's a crime now

1019

00:44:09,710 --> 00:44:07,560

I realize this FBI special agent for the

1020

00:44:11,270 --> 00:44:09,720

FBI that's your job as an attorney

1021

00:44:13,550 --> 00:44:11,280

working with the district attorney

1022

00:44:14,870 --> 00:44:13,560

that's your job you know like you said

1023

00:44:17,030 --> 00:44:14,880

earlier about one of the things you

1024

00:44:18,470 --> 00:44:17,040

disliked about being a lawyer it seemed

1025

00:44:22,849 --> 00:44:18,480

like you spent all your time on

1026
00:44:24,170 --> 00:44:22,859
procedural issues but so I I wanna get

1027
00:44:26,390 --> 00:44:24,180
your opinion

1028
00:44:28,849 --> 00:44:26,400
kind of a little bit outside of your

1029
00:44:31,609 --> 00:44:28,859
experience as an FBI agent but this

1030
00:44:34,849 --> 00:44:31,619
distinction between kind of common sense

1031
00:44:36,470 --> 00:44:34,859
you know like common sense says hey I'd

1032
00:44:38,390 --> 00:44:36,480
throw these guys off the rail I mean

1033
00:44:39,950 --> 00:44:38,400
these are disgusting people that are

1034
00:44:43,190 --> 00:44:39,960
going to act out these crimes against

1035
00:44:45,950 --> 00:44:43,200
these defenseless Kids versus I

1036
00:44:48,530 --> 00:44:45,960
understand your role as an FBI agent but

1037
00:44:51,050 --> 00:44:48,540
in the terms of public discourse

1038
00:44:53,150 --> 00:44:51,060

I think sometimes we get hung up on

1039

00:44:55,730 --> 00:44:53,160

proving a crime which is what we should

1040

00:44:58,430 --> 00:44:55,740

do before we incarcerate somebody versus

1041

00:45:02,390 --> 00:44:58,440

the court of public opinion when the

1042

00:45:03,950 --> 00:45:02,400

evidence is highly suggestive that these

1043

00:45:06,770 --> 00:45:03,960

individuals or a particular individual

1044

00:45:08,210 --> 00:45:06,780

is involved in this kind of behavior do

1045

00:45:09,470 --> 00:45:08,220

you have a sense for where I'm going

1046

00:45:12,530 --> 00:45:09,480

with that

1047

00:45:14,930 --> 00:45:12,540

well and I think it's important that we

1048

00:45:17,030 --> 00:45:14,940

that we understand what these people are

1049

00:45:18,890 --> 00:45:17,040

doing and how they're thinking because

1050

00:45:20,990 --> 00:45:18,900

as we mentioned just a little earlier in

1051

00:45:25,550 --> 00:45:21,000

this interview there is a movement of

1052

00:45:27,770 --> 00:45:25,560

foot to describe pedophilia as a civil

1053

00:45:31,609 --> 00:45:27,780

rights issue and the next civil rights

1054

00:45:34,250 --> 00:45:31,619

issue and so we there's a movement to

1055

00:45:37,190 --> 00:45:34,260

remove pedophilia from the diagnostic

1056

00:45:41,210 --> 00:45:37,200

and statistical manual the DSM-5 right

1057

00:45:45,230 --> 00:45:41,220

uh just as as homosexuality was removed

1058

00:45:48,230 --> 00:45:45,240

in the 60s I believe and now there is a

1059

00:45:50,990 --> 00:45:48,240

movement afloat by professionals this

1060

00:45:51,829 --> 00:45:51,000

isn't just this isn't just somebody that

1061

00:45:53,930 --> 00:45:51,839

doesn't know what they're talking about

1062

00:45:56,990 --> 00:45:53,940

these are psychiatrists psychologists

1063

00:45:59,089 --> 00:45:57,000

with Advanced degrees that believe that

1064

00:46:01,550 --> 00:45:59,099

believe that we should remove this as a

1065

00:46:03,950 --> 00:46:01,560

mental disease and disorder

1066

00:46:06,710 --> 00:46:03,960

so I'm a little bit familiar with that

1067

00:46:08,569 --> 00:46:06,720

my wife is a forensic psychologist and

1068

00:46:09,829 --> 00:46:08,579

she actually has worked in prison one

1069

00:46:11,569 --> 00:46:09,839

thing I just wanted to throw in about

1070

00:46:13,910 --> 00:46:11,579

her work that she educated me on you

1071

00:46:16,130 --> 00:46:13,920

know you hear about how sex offenders

1072

00:46:17,990 --> 00:46:16,140

are treated in prison and I wasn't sure

1073

00:46:21,109 --> 00:46:18,000

whether that was myth or not and I know

1074

00:46:23,329 --> 00:46:21,119

for my wife she said no that is that is

1075

00:46:25,609 --> 00:46:23,339

like totally real and maybe you want to

1076

00:46:27,770 --> 00:46:25,619

talk about that too but I mean talk

1077

00:46:29,930 --> 00:46:27,780

about you can't even say low person on

1078

00:46:32,750 --> 00:46:29,940

the totem pole in prison I mean these

1079

00:46:35,329 --> 00:46:32,760

people are at risk for losing their life

1080

00:46:38,450 --> 00:46:35,339

that's how much they're loathed by even

1081

00:46:42,650 --> 00:46:38,460

the prison population right

1082

00:46:45,710 --> 00:46:42,660

well it in some prisons it's true uh the

1083

00:46:46,690 --> 00:46:45,720

Kinder gentler federal system now we've

1084

00:46:49,910 --> 00:46:46,700

actually

1085

00:46:52,430 --> 00:46:49,920

established in in Butner North Carolina

1086

00:46:55,190 --> 00:46:52,440

at the federal prison there is where a

1087

00:46:59,329 --> 00:46:55,200

lot of the sex offenders go so that they

1088

00:47:03,609 --> 00:46:59,339

are kind of housed in the same Arena ONE

1089

00:47:06,490 --> 00:47:03,619

for safety but also for uh for

1090

00:47:12,050 --> 00:47:06,500

counseling and and Rehabilitation

1091

00:47:14,390 --> 00:47:12,060

allegedly but uh yeah I mean it's I I we

1092

00:47:15,829 --> 00:47:14,400

used to joke when we would arrest a sex

1093

00:47:17,750 --> 00:47:15,839

offender we'd say you know we ought to

1094

00:47:20,089 --> 00:47:17,760

let him he'd probably agree to plead

1095

00:47:22,790 --> 00:47:20,099

guilty to bank robbery for 10 years then

1096

00:47:25,250 --> 00:47:22,800

a sex offense for five years because

1097

00:47:27,530 --> 00:47:25,260

he'd rather have the

1098

00:47:30,410 --> 00:47:27,540

the inmates believe he was a bank robber

1099

00:47:31,970 --> 00:47:30,420

than a than a sex offender particularly

1100

00:47:34,250 --> 00:47:31,980

a child molester

1101
00:47:37,069 --> 00:47:34,260
so let me touch on another thing that's

1102
00:47:39,650 --> 00:47:37,079
kind of part of the story that you told

1103
00:47:43,010 --> 00:47:39,660
and maybe you can elaborate on it but

1104
00:47:46,250 --> 00:47:43,020
another characteristic we see is that

1105
00:47:47,990 --> 00:47:46,260
these folks like to associate with each

1106
00:47:49,490 --> 00:47:48,000
other they like to get together with

1107
00:47:51,530 --> 00:47:49,500
other pedophiles even if it's just to

1108
00:47:53,990 --> 00:47:51,540
exchange images of

1109
00:47:56,089 --> 00:47:54,000
you know child porn or if it's the

1110
00:47:58,370 --> 00:47:56,099
exchange you know techniques in terms of

1111
00:48:00,589 --> 00:47:58,380
how to get kids and stuff like that I

1112
00:48:03,230 --> 00:48:00,599
mean you're talking about maybe you want

1113
00:48:06,650 --> 00:48:03,240

to talk to this but you wind up working

1114

00:48:10,010 --> 00:48:06,660

with a diverse if you will group of

1115

00:48:13,309 --> 00:48:10,020

individuals across a political Spectrum

1116

00:48:15,710 --> 00:48:13,319

across uh the outwardly spiritual

1117

00:48:22,120 --> 00:48:15,720

perspective I mean speak to that you

1118

00:48:25,690 --> 00:48:23,630

[Music]

1119

00:48:29,210 --> 00:48:25,700

economic uh

1120

00:48:31,970 --> 00:48:29,220

perspectives we had I met Mensa members

1121

00:48:34,450 --> 00:48:31,980

I met the illiterate I met wealthy

1122

00:48:36,770 --> 00:48:34,460

people I met people that were on welfare

1123

00:48:39,349 --> 00:48:36,780

uh one of the guys that we ended up

1124

00:48:41,690 --> 00:48:39,359

convicting was a dentist he actually

1125

00:48:46,190 --> 00:48:41,700

flew to the meeting in Miami in his own

1126
00:48:48,829 --> 00:48:46,200
plane we we arrested a PHD psychologist

1127
00:48:51,770 --> 00:48:48,839
so if the people that we convicted in in

1128
00:48:54,670 --> 00:48:51,780
our operation we had a PHD psychologist

1129
00:48:58,970 --> 00:48:54,680
who worked at two Chicago area hospitals

1130
00:49:01,670 --> 00:48:58,980
a dentist in from Dallas we had three

1131
00:49:05,270 --> 00:49:01,680
special ed teachers we had an ordained

1132
00:49:06,730 --> 00:49:05,280
minister we had a blue collar worker and

1133
00:49:09,829 --> 00:49:06,740
we had a

1134
00:49:13,430 --> 00:49:09,839
bodybuilder uh personal fitness trainer

1135
00:49:16,370 --> 00:49:13,440
so it it it did run that that gamut now

1136
00:49:18,710 --> 00:49:16,380
in my communications with imprisoned

1137
00:49:19,809 --> 00:49:18,720
Ambler members I mean I had airline

1138
00:49:22,569 --> 00:49:19,819

pilots

1139

00:49:27,370 --> 00:49:22,579

School administrators

1140

00:49:31,730 --> 00:49:27,380

ministers uh barely literate people

1141

00:49:35,329 --> 00:49:31,740

foster parents I mean it just it

1142

00:49:38,030 --> 00:49:35,339

just ran the the entire educational

1143

00:49:39,829 --> 00:49:38,040

gamut and economic gamut

1144

00:49:42,770 --> 00:49:39,839

you know you talked about all the

1145

00:49:46,430 --> 00:49:42,780

correspondence that you did with these

1146

00:49:48,710 --> 00:49:46,440

inmates and these other uh members can

1147

00:49:50,990 --> 00:49:48,720

you speak to anything about it because

1148

00:49:53,030 --> 00:49:51,000

you did speak to the extent to which

1149

00:49:55,430 --> 00:49:53,040

they go to hide this Behavior because

1150

00:49:58,370 --> 00:49:55,440

not only is it criminal but the scorn

1151
00:50:00,710 --> 00:49:58,380
that it gets just from the public is I

1152
00:50:04,370 --> 00:50:00,720
mean you'll have I'm sure you've worked

1153
00:50:06,410 --> 00:50:04,380
on other cases with Mafia organized

1154
00:50:07,849 --> 00:50:06,420
crime where people are more or less kind

1155
00:50:09,290 --> 00:50:07,859
of proud as long as they don't get

1156
00:50:12,770 --> 00:50:09,300
caught of the fact that they have this

1157
00:50:14,870 --> 00:50:12,780
Association not so much the case here so

1158
00:50:17,089 --> 00:50:14,880
can you speak to coded speech coded

1159
00:50:18,530 --> 00:50:17,099
emails coded communication that kind of

1160
00:50:19,849 --> 00:50:18,540
thing

1161
00:50:22,430 --> 00:50:19,859
yeah

1162
00:50:25,609 --> 00:50:22,440
um you know we

1163
00:50:27,230 --> 00:50:25,619

we did have in in some of the

1164

00:50:31,490 --> 00:50:27,240

communication one of the guys that we

1165

00:50:33,470 --> 00:50:31,500

ended up convicting was a uh a former

1166

00:50:37,190 --> 00:50:33,480

special ed teacher he ended up getting

1167

00:50:40,609 --> 00:50:37,200

30 years in our investigation but when

1168

00:50:44,210 --> 00:50:40,619

they searched his trash they found uh

1169

00:50:49,309 --> 00:50:44,220

Communications like I met a or I saw a

1170

00:50:52,609 --> 00:50:49,319

Sidewinder today uh as with like a size

1171

00:50:54,650 --> 00:50:52,619

eight and we believed that he was

1172

00:50:57,410 --> 00:50:54,660

speaking in code when he was writing it

1173

00:50:59,329 --> 00:50:57,420

in the in the letters that that I was

1174

00:51:02,089 --> 00:50:59,339

getting back and forth with these guys

1175

00:51:06,109 --> 00:51:02,099

in the emails they would also they were

1176

00:51:09,589 --> 00:51:06,119

talking uh talking in code in fact part

1177

00:51:11,390 --> 00:51:09,599

of our sting was uh when we they had

1178

00:51:14,089 --> 00:51:11,400

originally set it up they wanted to go

1179

00:51:17,150 --> 00:51:14,099

down to Costa Rica to see if they could

1180

00:51:19,970 --> 00:51:17,160

find some boys down there well the FBI

1181

00:51:21,950 --> 00:51:19,980

kind of we want to be in charge of this

1182

00:51:24,650 --> 00:51:21,960

so I told them that I was aware of a

1183

00:51:26,809 --> 00:51:24,660

place in Ensenada down below Ensenada

1184

00:51:30,170 --> 00:51:26,819

that we could go so it was always

1185

00:51:32,390 --> 00:51:30,180

referred to as a fishing trip uh that

1186

00:51:35,510 --> 00:51:32,400

that we were going to as opposed to

1187

00:51:37,910 --> 00:51:35,520

going down to to have little boys but

1188

00:51:40,250 --> 00:51:37,920

yeah so there was the there was coded

1189

00:51:41,690 --> 00:51:40,260

messages that they used in in their

1190

00:51:43,329 --> 00:51:41,700

discussions with

1191

00:51:47,750 --> 00:51:43,339

with each other

1192

00:51:50,930 --> 00:51:47,760

and in in our written communication

1193

00:51:52,670 --> 00:51:50,940

Bob let's talk about evil the title of

1194

00:51:54,950 --> 00:51:52,680

your book is the last Undercover the

1195

00:51:58,370 --> 00:51:54,960

true story and FBI agent's dangerous

1196

00:51:59,329 --> 00:51:58,380

dance with evil you're a Christian I am

1197

00:52:01,670 --> 00:51:59,339

not

1198

00:52:03,770 --> 00:52:01,680

but I believe there's evil I believe

1199

00:52:06,170 --> 00:52:03,780

there's evil both in this world and

1200

00:52:07,609 --> 00:52:06,180

Beyond this world whatever we understand

1201
00:52:09,589 --> 00:52:07,619
that to be

1202
00:52:13,130 --> 00:52:09,599
here's the question though

1203
00:52:17,390 --> 00:52:13,140
do you think our inability our apparent

1204
00:52:20,150 --> 00:52:17,400
inability to deal with that idea that

1205
00:52:22,790 --> 00:52:20,160
there is an evil or even to address

1206
00:52:25,849 --> 00:52:22,800
these topics from some kind of spiritual

1207
00:52:28,549 --> 00:52:25,859
perspective spiritual Dimension do you

1208
00:52:32,510 --> 00:52:28,559
think that prevents us or inhibits us

1209
00:52:35,089 --> 00:52:32,520
from really making progress on some kind

1210
00:52:37,670 --> 00:52:35,099
of solution some kind of better way of

1211
00:52:40,010 --> 00:52:37,680
dealing with this

1212
00:52:43,730 --> 00:52:40,020
well I think with a lot of issues that's

1213
00:52:45,890 --> 00:52:43,740

that's true we're we are afraid we're

1214

00:52:48,410 --> 00:52:45,900

afraid to speak out because it's not

1215

00:52:51,230 --> 00:52:48,420

politically correct or because we're

1216

00:52:53,329 --> 00:52:51,240

viewed as being judgmental I just I do

1217

00:52:55,910 --> 00:52:53,339

believe there's certain conduct that

1218

00:52:59,750 --> 00:52:55,920

that is evil and should be labeled as

1219

00:53:01,069 --> 00:52:59,760

such and we we shouldn't be afraid to

1220

00:53:04,150 --> 00:53:01,079

talk about it

1221

00:53:06,290 --> 00:53:04,160

um I mean when you you look at

1222

00:53:08,290 --> 00:53:06,300

kind of going back to this whole

1223

00:53:11,450 --> 00:53:08,300

pedophilia and and

1224

00:53:14,349 --> 00:53:11,460

making that a civil rights issue I think

1225

00:53:18,230 --> 00:53:14,359

once that has made a civil rights issue

1226
00:53:20,930 --> 00:53:18,240
it's going to make a huge change as to

1227
00:53:21,950 --> 00:53:20,940
how this is viewed uh who would have

1228
00:53:24,130 --> 00:53:21,960
guessed

1229
00:53:26,829 --> 00:53:24,140
three or four years ago

1230
00:53:29,630 --> 00:53:26,839
that we would be talking about

1231
00:53:35,150 --> 00:53:29,640
transsexuals and men being allowed to go

1232
00:53:38,530 --> 00:53:35,160
into the restrooms of women now

1233
00:53:40,849 --> 00:53:38,540
we talk about that not because of

1234
00:53:43,430 --> 00:53:40,859
transsexual but because it's a civil

1235
00:53:44,930 --> 00:53:43,440
right because the the idea that well

1236
00:53:46,849 --> 00:53:44,940
there are people that are this way that

1237
00:53:49,910 --> 00:53:46,859
are born this way we shouldn't be

1238
00:53:52,010 --> 00:53:49,920

judgmental because they this is the way

1239

00:53:54,230 --> 00:53:52,020

they are created so we should allow this

1240

00:53:57,109 --> 00:53:54,240

that's what the whole movement is with

1241

00:54:00,230 --> 00:53:57,119

this this pedophilia as I see it it's

1242

00:54:02,329 --> 00:54:00,240

because they're saying well people are

1243

00:54:05,870 --> 00:54:02,339

born this way or people choose to be

1244

00:54:07,910 --> 00:54:05,880

this way and who are we to judge we can

1245

00:54:11,450 --> 00:54:07,920

look at other societies where this is

1246

00:54:14,750 --> 00:54:11,460

okay and it's it's and I saw this in

1247

00:54:17,390 --> 00:54:14,760

NAMBLA it's they are blaming a

1248

00:54:18,950 --> 00:54:17,400

moralistic society for making this

1249

00:54:22,069 --> 00:54:18,960

behavior that was

1250

00:54:25,069 --> 00:54:22,079

so prevalent in the Greek society in

1251

00:54:28,010 --> 00:54:25,079

ancient Greek society and uh in

1252

00:54:29,990 --> 00:54:28,020

societies even today and other

1253

00:54:32,569 --> 00:54:30,000

essentially third world countries where

1254

00:54:35,930 --> 00:54:32,579

this is permitted that so it should be

1255

00:54:40,789 --> 00:54:38,630

right so I think we're kind of almost

1256

00:54:43,970 --> 00:54:40,799

there on the same page I mean there is

1257

00:54:46,190 --> 00:54:43,980

this kind of secular atheist really

1258

00:54:49,370 --> 00:54:46,200

nonsense I mean to 90 percent of people

1259

00:54:52,370 --> 00:54:49,380

if you go and poll people any way you

1260

00:54:54,890 --> 00:54:52,380

can 90 of them say in some general sense

1261

00:54:57,470 --> 00:54:54,900

I believe in God whatever that means or

1262

00:54:59,089 --> 00:54:57,480

I believe that there's a good evil that

1263

00:55:01,370 --> 00:54:59,099

there's some kind of morality you know

1264

00:55:03,829 --> 00:55:01,380

and I don't know the statistics but I'm

1265

00:55:06,230 --> 00:55:03,839

sure that if you pulled those same

1266

00:55:10,490 --> 00:55:06,240

people about whether or not there's a

1267

00:55:13,370 --> 00:55:10,500

morality issue with 50 year old men

1268

00:55:15,410 --> 00:55:13,380

having sex with 10 year old boys I think

1269

00:55:16,690 --> 00:55:15,420

you'd have the same kind of numbers you

1270

00:55:20,750 --> 00:55:16,700

know 99

1271

00:55:22,670 --> 00:55:20,760

so this is some kind of nonsense that I

1272

00:55:25,789 --> 00:55:22,680

don't know how it gets Advanced because

1273

00:55:28,609 --> 00:55:25,799

no sane person is thinking that this is

1274

00:55:32,030 --> 00:55:28,619

a civil rights issue or that this

1275

00:55:34,250 --> 00:55:32,040

secular atheist kind of you know there

1276

00:55:36,230 --> 00:55:34,260

is no possible way that we could get to

1277

00:55:38,390 --> 00:55:36,240

the the bottom of whether there there's

1278

00:55:40,670 --> 00:55:38,400

a right or wrong this issue in

1279

00:55:43,670 --> 00:55:40,680

particular really brings it into Focus

1280

00:55:47,210 --> 00:55:43,680

because you couldn't get one out of a

1281

00:55:50,030 --> 00:55:47,220

hundred people to buy that at some point

1282

00:55:53,030 --> 00:55:50,040

the majority the vast majority of us

1283

00:55:55,849 --> 00:55:53,040

recognize perversion in this particular

1284

00:55:59,450 --> 00:55:55,859

case of the eight members that we

1285

00:56:03,829 --> 00:55:59,460

convicted uh seven that agreed to go on

1286

00:56:05,210 --> 00:56:03,839

this little jaunt down to Mexico every

1287

00:56:08,870 --> 00:56:05,220

one of them

1288

00:56:11,150 --> 00:56:08,880

spoke of having anal sex with 10 to 12

1289

00:56:15,349 --> 00:56:11,160

year old boys that's what they wanted to

1290

00:56:17,809 --> 00:56:15,359

do uh I I don't know how anyone

1291

00:56:21,650 --> 00:56:17,819

just as you had said earlier Alex how

1292

00:56:24,530 --> 00:56:21,660

can anyone say that is not evil that

1293

00:56:27,770 --> 00:56:24,540

that's okay if the boys say it's okay

1294

00:56:29,690 --> 00:56:27,780

how do you how do you even justify that

1295

00:56:31,549 --> 00:56:29,700

and I'd go one step further in and I

1296

00:56:35,150 --> 00:56:31,559

don't want to push you into saying this

1297

00:56:38,270 --> 00:56:35,160

but I think it's evil in this spiritual

1298

00:56:40,670 --> 00:56:38,280

way that we don't totally understand I

1299

00:56:43,250 --> 00:56:40,680

mean you and I might not see totally eye

1300

00:56:47,750 --> 00:56:43,260

to eye on that but I think there's a

1301
00:56:50,150 --> 00:56:47,760
spiritual Force here at play and I think

1302
00:56:54,109 --> 00:56:50,160
it's influencing and it's not just

1303
00:56:57,170 --> 00:56:54,119
people who identify as being uh Satanic

1304
00:56:59,329 --> 00:56:57,180
ritual satanic kind of abusers it's

1305
00:57:01,569 --> 00:56:59,339
people who don't identify to that but

1306
00:57:04,190 --> 00:57:01,579
are still somehow being influenced to

1307
00:57:05,930 --> 00:57:04,200
engage in this Behavior now that's my

1308
00:57:07,670 --> 00:57:05,940
opinion I don't want to hang that on you

1309
00:57:11,450 --> 00:57:07,680
but I think until we are at least

1310
00:57:13,549 --> 00:57:11,460
willing to explore that possibility I

1311
00:57:14,990 --> 00:57:13,559
just think we'd have zero chance zero

1312
00:57:17,870 --> 00:57:15,000
chance of really getting our arms around

1313
00:57:19,609 --> 00:57:17,880

this yeah

1314

00:57:21,109 --> 00:57:19,619

yeah okay I'm not going to lead you into

1315

00:57:23,450 --> 00:57:21,119

that one unless you have anything to say

1316

00:57:26,030 --> 00:57:23,460

about that no huh

1317

00:57:27,170 --> 00:57:26,040

okay so you one last thing on this case

1318

00:57:28,250 --> 00:57:27,180

and then I want to talk about some of

1319

00:57:29,569 --> 00:57:28,260

the other groups you're involved with

1320

00:57:32,270 --> 00:57:29,579

and actually trying to make a difference

1321

00:57:35,210 --> 00:57:32,280

but I I know this is a horribly serious

1322

00:57:37,430 --> 00:57:35,220

issue but I got such a chuckle out of

1323

00:57:39,470 --> 00:57:37,440

the way you kind of introduced I guess

1324

00:57:42,049 --> 00:57:39,480

you call it Gallows humor in some of

1325

00:57:43,490 --> 00:57:42,059

this you're a fantastic writer very

1326
00:57:45,049 --> 00:57:43,500
accomplished you haven't only written

1327
00:57:46,670 --> 00:57:45,059
this book but you've written other very

1328
00:57:49,190 --> 00:57:46,680
successful books and you're very

1329
00:57:52,010 --> 00:57:49,200
accomplished at that but you wound up

1330
00:57:53,990 --> 00:57:52,020
writing articles for these folks to

1331
00:57:56,690 --> 00:57:54,000
somehow work your way into this what is

1332
00:57:58,010 --> 00:57:56,700
this one castration myth or Miracle I

1333
00:58:00,470 --> 00:57:58,020
don't know what the title is I know when

1334
00:58:05,809 --> 00:58:00,480
I heard it I just couldn't stop laughing

1335
00:58:06,890 --> 00:58:05,819
yeah uh castration myth or magic and uh

1336
00:58:08,510 --> 00:58:06,900
I

1337
00:58:12,049 --> 00:58:08,520
it just

1338
00:58:15,829 --> 00:58:13,789

seen this I'm sure your wife sees this

1339

00:58:19,670 --> 00:58:15,839

with what she's gone been through with

1340

00:58:22,250 --> 00:58:19,680

in forensic psychology but humor is is a

1341

00:58:26,030 --> 00:58:22,260

great stress reliever and so I

1342

00:58:28,010 --> 00:58:26,040

I use that and I I believe that as as a

1343

00:58:30,950 --> 00:58:28,020

leader it's important that that you

1344

00:58:32,690 --> 00:58:30,960

provide humor and and a relaxed

1345

00:58:35,030 --> 00:58:32,700

atmosphere in which you can work and

1346

00:58:37,910 --> 00:58:35,040

whether it's Gallows humor whether it's

1347

00:58:40,490 --> 00:58:37,920

combat humor uh whatever it is you've

1348

00:58:44,150 --> 00:58:40,500

gotta you just have to laugh to to allow

1349

00:58:46,430 --> 00:58:44,160

this so that was yeah I wrote that one

1350

00:58:48,730 --> 00:58:46,440

of the things I used to do in in most of

1351
00:58:52,370 --> 00:58:48,740
my undercover assignments I I use music

1352
00:58:55,670 --> 00:58:52,380
and I would play I had an international

1353
00:58:58,130 --> 00:58:55,680
weapons case where we were dealing with

1354
00:59:00,650 --> 00:58:58,140
a 60 million dollar conspiracy for

1355
00:59:02,690 --> 00:59:00,660
shoulders fire missiles about six or

1356
00:59:04,190 --> 00:59:02,700
seven times that the main target of our

1357
00:59:06,710 --> 00:59:04,200
investigation when he got into my

1358
00:59:09,410 --> 00:59:06,720
undercover car every time he got into

1359
00:59:12,349 --> 00:59:09,420
the car I had it queued to the Charlie

1360
00:59:14,690 --> 00:59:12,359
Daniels song uneasy writer and the line

1361
00:59:17,210 --> 00:59:14,700
that you hear on the first the first

1362
00:59:20,030 --> 00:59:17,220
line on every undercover tape that you

1363
00:59:21,589 --> 00:59:20,040

hear it's Charlie Daniels saying don't

1364

00:59:24,650 --> 00:59:21,599

you know what this man's a spy he's

1365

00:59:27,829 --> 00:59:24,660

undercover each for the FBI and that's a

1366

00:59:30,109 --> 00:59:27,839

line right from uneasy Rider and I when

1367

00:59:31,010 --> 00:59:30,119

I had the bad guys in the car I would be

1368

00:59:34,309 --> 00:59:31,020

playing

1369

00:59:37,910 --> 00:59:34,319

Folsom Prison Blues and Jailhouse Rock

1370

00:59:41,329 --> 00:59:37,920

anything that had a prison theme I I

1371

00:59:42,770 --> 00:59:41,339

would play it uh when one of the NAMBLA

1372

00:59:44,990 --> 00:59:42,780

members got into my car and he was

1373

00:59:49,130 --> 00:59:45,000

actually an ordained minister

1374

00:59:52,549 --> 00:59:49,140

I had to I had a cue to uh Charlie

1375

00:59:54,470 --> 00:59:52,559

Daniels song called Simple Man and it

1376

00:59:56,870 --> 00:59:54,480

essentially the line is we should take

1377

00:59:58,910 --> 00:59:56,880

these child molesters out to the swamp

1378

01:00:00,530 --> 00:59:58,920

put them on their knees in time to a

1379

01:00:03,890 --> 01:00:00,540

stump and let the alligators and the

1380

01:00:05,770 --> 01:00:03,900

bugs do all the rest so I was I was

1381

01:00:08,930 --> 01:00:05,780

always trying to uh

1382

01:00:11,329 --> 01:00:08,940

kind of I had my own soundtrack when I

1383

01:00:14,390 --> 01:00:11,339

was doing it I I bought two kilos of

1384

01:00:16,609 --> 01:00:14,400

crystal meth from a guy and just I had

1385

01:00:18,049 --> 01:00:16,619

it timed perfectly so just as he was

1386

01:00:21,589 --> 01:00:18,059

handing it to me

1387

01:00:24,530 --> 01:00:21,599

and explaining it and the details of the

1388

01:00:26,210 --> 01:00:24,540

of the case I had Harold Melville in the

1389

01:00:29,329 --> 01:00:26,220

Blue Notes singing if you don't know me

1390

01:00:31,750 --> 01:00:29,339

by now you'll never ever know that so

1391

01:00:33,829 --> 01:00:31,760

so so Bob you've written this book

1392

01:00:36,950 --> 01:00:33,839

amongst other books that you've written

1393

01:00:41,089 --> 01:00:36,960

the last undercover people can find it

1394

01:00:42,710 --> 01:00:41,099

on at bobhamer.net you're also tell us a

1395

01:00:45,589 --> 01:00:42,720

little bit about your work with this

1396

01:00:55,010 --> 01:00:45,599

group Veterans for child rescue and what

1397

01:00:59,450 --> 01:00:57,710

created his work I'm I'm sure most of

1398

01:01:01,849 --> 01:00:59,460

your listeners are familiar with him if

1399

01:01:04,309 --> 01:01:01,859

not he's former member of SEAL Team Six

1400

01:01:08,270 --> 01:01:04,319

he was a marine first then a member of

1401

01:01:11,089 --> 01:01:08,280

SEAL Team Six been a U.S air marshal uh

1402

01:01:13,430 --> 01:01:11,099

involved with some

1403

01:01:16,430 --> 01:01:13,440

television shows that both as a

1404

01:01:17,870 --> 01:01:16,440

technical visor he was involved in a in

1405

01:01:21,470 --> 01:01:17,880

a series in which they went after

1406

01:01:25,250 --> 01:01:21,480

Predators uh animal predators over in

1407

01:01:27,170 --> 01:01:25,260

Africa and he he just has a passion to

1408

01:01:30,230 --> 01:01:27,180

to save children and to help children

1409

01:01:32,930 --> 01:01:30,240

and he started this group it's it's vets

1410

01:01:36,049 --> 01:01:32,940

for childrescue.org

1411

01:01:38,390 --> 01:01:36,059

and he's what he wants to do is to go

1412

01:01:41,109 --> 01:01:38,400

after he wants to expose this whole

1413

01:01:45,109 --> 01:01:41,119

issue of child abuse

1414

01:01:47,210 --> 01:01:45,119

and what we're finding is that you know

1415

01:01:49,250 --> 01:01:47,220

there are people that are getting away

1416

01:01:52,130 --> 01:01:49,260

with this because of their position in

1417

01:01:53,150 --> 01:01:52,140

society and obviously there have been

1418

01:01:55,490 --> 01:01:53,160

recent

1419

01:01:57,829 --> 01:01:55,500

people coming out in Hollywood talking

1420

01:02:00,650 --> 01:01:57,839

about the the pedophile issue in

1421

01:02:02,390 --> 01:02:00,660

Hollywood and the child abuse that uh

1422

01:02:05,089 --> 01:02:02,400

some some are getting caught and some

1423

01:02:09,130 --> 01:02:05,099

aren't and I think Craig wants to shine

1424

01:02:12,349 --> 01:02:09,140

a light on this whole child abuse issue

1425

01:02:14,390 --> 01:02:12,359

uh it is it should be our mission it

1426

01:02:17,150 --> 01:02:14,400

should be each of our missions to

1427

01:02:18,950 --> 01:02:17,160

protect our children and uh you know as

1428

01:02:22,130 --> 01:02:18,960

try it as it may sound they are our

1429

01:02:23,870 --> 01:02:22,140

future and if we don't protect them who

1430

01:02:27,049 --> 01:02:23,880

is and so that's what he wants to do

1431

01:02:30,230 --> 01:02:27,059

with vets for child rescue he's uh it's

1432

01:02:32,930 --> 01:02:30,240

it's a 501c you can donate to it the

1433

01:02:35,329 --> 01:02:32,940

idea is that he wants to start first for

1434

01:02:36,710 --> 01:02:35,339

the documentary identifying the issues

1435

01:02:40,069 --> 01:02:36,720

and then

1436

01:02:41,870 --> 01:02:40,079

hmm I hope that this can be picked up

1437

01:02:45,170 --> 01:02:41,880

and and go into a series where they

1438

01:02:47,390 --> 01:02:45,180

would be targeting pedophiles and and

1439

01:02:49,309 --> 01:02:47,400

exposing them

1440

01:02:51,109 --> 01:02:49,319

well it's important work and as we said

1441

01:02:53,870 --> 01:02:51,119

early on I mean you're to be commended

1442

01:02:55,789 --> 01:02:53,880

well your service is great but then you

1443

01:02:58,130 --> 01:02:55,799

know your willingness to go to be that

1444

01:03:00,049 --> 01:02:58,140

guy that when they came out to the pool

1445

01:03:01,730 --> 01:03:00,059

there and said he'll take this case to

1446

01:03:04,730 --> 01:03:01,740

take it on because it's

1447

01:03:07,089 --> 01:03:04,740

it's not easy I'm sure it crushes a lot

1448

01:03:09,349 --> 01:03:07,099

of soul crushes a lot of people so

1449

01:03:12,430 --> 01:03:09,359

that's awesome

1450

01:03:14,990 --> 01:03:12,440

well you know Alex is this was

1451

01:03:17,870 --> 01:03:15,000

as I said earlier this is my most

1452

01:03:20,809 --> 01:03:17,880

difficult case this was because it

1453

01:03:23,569 --> 01:03:20,819

really I posed as a contract killer I I

1454

01:03:25,549 --> 01:03:23,579

posed as a drug dealer and when when

1455

01:03:27,770 --> 01:03:25,559

you're a contract killer I mean you

1456

01:03:29,390 --> 01:03:27,780

don't care whether if someone's hiring

1457

01:03:31,190 --> 01:03:29,400

me they don't care whether I'm

1458

01:03:34,190 --> 01:03:31,200

republican or democrat or I like

1459

01:03:36,289 --> 01:03:34,200

football or the ballet uh they just want

1460

01:03:38,089 --> 01:03:36,299

to know that I can you know if they're

1461

01:03:40,490 --> 01:03:38,099

hiring me to kill someone that I can do

1462

01:03:43,250 --> 01:03:40,500

it uh you know in my undercover role let

1463

01:03:45,529 --> 01:03:43,260

me make that clear to your listeners uh

1464

01:03:48,289 --> 01:03:45,539

the same with a drug dealer drug dealers

1465

01:03:50,750 --> 01:03:48,299

don't really care what you're what your

1466

01:03:53,390 --> 01:03:50,760

beliefs are as long as you have the

1467

01:03:56,089 --> 01:03:53,400

money to purchase the drugs but in this

1468

01:03:58,250 --> 01:03:56,099

particular case in the NAMBLA case I had

1469

01:04:00,770 --> 01:03:58,260

to think like them I had to talk like

1470

01:04:03,770 --> 01:04:00,780

them I had to act like them a good

1471

01:04:06,770 --> 01:04:03,780

example was uh the the dentist that I

1472

01:04:09,309 --> 01:04:06,780

talked about he he bragged about how he

1473

01:04:12,950 --> 01:04:09,319

had taped a Sylvan Learning commercial

1474

01:04:15,230 --> 01:04:12,960

and not because he thought it could help

1475

01:04:16,730 --> 01:04:15,240

as kids learn how to read better it was

1476

01:04:19,130 --> 01:04:16,740

because he was in love with the little

1477

01:04:22,609 --> 01:04:19,140

boy on the commercial these members love

1478

01:04:24,710 --> 01:04:22,619

the uh the the the movie Lord of the

1479

01:04:26,450 --> 01:04:24,720

Flies because it was a bunch of little

1480

01:04:29,270 --> 01:04:26,460

boys running around in their underwear

1481

01:04:32,870 --> 01:04:29,280

so I had to think like that and had to

1482

01:04:35,150 --> 01:04:32,880

and so it made it very difficult uh I'm

1483

01:04:37,430 --> 01:04:35,160

a raging heterosexual I've been married

1484

01:04:39,890 --> 01:04:37,440

for 43 years I've never cheated on my

1485

01:04:43,329 --> 01:04:39,900

wife but one of the meetings we had down

1486

01:04:46,910 --> 01:04:43,339

in Boca Raton Florida it was a beautiful

1487

01:04:50,210 --> 01:04:46,920

evening women were running around in

1488

01:04:52,730 --> 01:04:50,220

Beachwear I mean gorgeous women and I

1489

01:04:55,730 --> 01:04:52,740

couldn't look at them because I was a I

1490

01:04:57,230 --> 01:04:55,740

was a boy lover I was a BL and while we

1491

01:04:59,569 --> 01:04:57,240

were sitting out there on the outdoor

1492

01:05:01,609 --> 01:04:59,579

patio of a restaurant and these women

1493

01:05:04,190 --> 01:05:01,619

are parading up and down the street

1494

01:05:06,410 --> 01:05:04,200

these guys are going oh my gosh look at

1495

01:05:08,270 --> 01:05:06,420

that kid in the blue shirt this is what

1496

01:05:11,089 --> 01:05:08,280

I want to do to him let's play The

1497

01:05:13,190 --> 01:05:11,099

Dating Game uh who do you want to ask

1498

01:05:14,990 --> 01:05:13,200

out and who do you want to do who do you

1499

01:05:18,710 --> 01:05:15,000

want to do and that's what they were

1500

01:05:21,710 --> 01:05:18,720

talking about so that whole line I'm I'm

1501
01:05:24,650 --> 01:05:21,720
sitting there I have to be focused like

1502
01:05:27,470 --> 01:05:24,660
them and think like them and I can't get

1503
01:05:30,230 --> 01:05:27,480
caught slipping now I will say on that

1504
01:05:32,089 --> 01:05:30,240
particular day they were arguing about

1505
01:05:34,490 --> 01:05:32,099
where we should go to dinner I mean it

1506
01:05:36,770 --> 01:05:34,500
was it was a group of us who were down

1507
01:05:38,870 --> 01:05:36,780
there where do we go to dinner I did

1508
01:05:40,309 --> 01:05:38,880
suggest Hooters and I said you know I

1509
01:05:42,890 --> 01:05:40,319
think that we should go to Hooters

1510
01:05:45,589 --> 01:05:42,900
because the cops have figured no boy

1511
01:05:47,930 --> 01:05:45,599
lovers would ever go to Hooters but I

1512
01:05:49,089 --> 01:05:47,940
was I was voted down on on that

1513
01:05:52,370 --> 01:05:49,099

suggestion

1514

01:05:54,049 --> 01:05:52,380

oh fantastic Our Guest again has been

1515

01:05:57,049 --> 01:05:54,059

Bob Hamer the book you might want to

1516

01:05:58,789 --> 01:05:57,059

check out is the last undercover you can

1517

01:06:02,170 --> 01:05:58,799

get it of course on Amazon and you can

1518

01:06:05,750 --> 01:06:02,180

check out Bob's website Bob Hamer

1519

01:06:08,029 --> 01:06:05,760

h-a-m-e-r dot net Bob fantastic thank

1520

01:06:10,370 --> 01:06:08,039

you so much for joining me today

1521

01:06:12,950 --> 01:06:10,380

Alex I appreciate you having me on and

1522

01:06:14,809 --> 01:06:12,960

uh thanks for thanks for talking about

1523

01:06:17,210 --> 01:06:14,819

this topic it's not one that a lot of

1524

01:06:19,370 --> 01:06:17,220

people want to talk about and uh it's

1525

01:06:21,289 --> 01:06:19,380

one that that we need to know we need to

1526

01:06:23,210 --> 01:06:21,299

protect our children and I appreciate

1527

01:06:25,250 --> 01:06:23,220

you doing this

1528

01:06:27,410 --> 01:06:25,260

thanks again to Bob Hamer for joining me

1529

01:06:29,029 --> 01:06:27,420

today on skeptico I said I'd have a

1530

01:06:30,650 --> 01:06:29,039

couple of additional thoughts let me

1531

01:06:32,089 --> 01:06:30,660

throw those out in the form of a

1532

01:06:34,130 --> 01:06:32,099

question the kind that I usually tee up

1533

01:06:37,130 --> 01:06:34,140

at the end of these interviews do you

1534

01:06:39,289 --> 01:06:37,140

think people are ever influenced by evil

1535

01:06:40,910 --> 01:06:39,299

spirits now I know that question's

1536

01:06:43,309 --> 01:06:40,920

pretty Stark and it probably throws

1537

01:06:46,309 --> 01:06:43,319

people off but that's what I took 20

1538

01:06:50,750 --> 01:06:46,319

minutes of an intro to explain why that

1539

01:06:52,549 --> 01:06:50,760

question is I think a natural result of

1540

01:06:54,529 --> 01:06:52,559

all these shows all these investigations

1541

01:06:56,569 --> 01:06:54,539

we've done of consciousness of

1542

01:06:58,670 --> 01:06:56,579

near-death experience of Psy research of

1543

01:07:01,130 --> 01:06:58,680

all that at the end of the day one of

1544

01:07:03,710 --> 01:07:01,140

the questions that falls out is if there

1545

01:07:05,390 --> 01:07:03,720

is this extended Consciousness realm in

1546

01:07:06,770 --> 01:07:05,400

what ways is it influencing this

1547

01:07:09,049 --> 01:07:06,780

material world

1548

01:07:11,990 --> 01:07:09,059

again the advantage of looking at

1549

01:07:13,849 --> 01:07:12,000

pizzagate or Bob's case with NAMBLA is

1550

01:07:18,289 --> 01:07:13,859

that I think we can all agree in these

1551

01:07:20,990 --> 01:07:18,299

cases we're looking at evil the moral

1552

01:07:24,289 --> 01:07:21,000

ambiguity question is really off the

1553

01:07:28,490 --> 01:07:24,299

table there are some people that do

1554

01:07:31,789 --> 01:07:28,500

really really evil things and I suspect

1555

01:07:34,730 --> 01:07:31,799

that there's an asbeloso above kind of

1556

01:07:36,710 --> 01:07:34,740

thing going on here too so we know

1557

01:07:40,069 --> 01:07:36,720

there's evil in this realm in this

1558

01:07:43,329 --> 01:07:40,079

Dimension I'd suggest and I think the

1559

01:07:46,730 --> 01:07:43,339

evidence seems to suggest that that evil

1560

01:07:49,970 --> 01:07:46,740

extends Beyond this Dimension to these

1561

01:07:52,190 --> 01:07:49,980

other extended Consciousness Realms in a

1562

01:07:54,170 --> 01:07:52,200

way that I don't understand and I don't

1563

01:07:56,029 --> 01:07:54,180

think anyone has a total grip on but hey

1564

01:07:57,589 --> 01:07:56,039

that's why we're here that's why you're

1565

01:08:00,289 --> 01:07:57,599

listening to this show that's why I'm

1566

01:08:02,589 --> 01:08:00,299

doing that show let's put our heads

1567

01:08:05,569 --> 01:08:02,599

together and see if we can at least

1568

01:08:07,309 --> 01:08:05,579

nudge a tiny bit closer towards

1569

01:08:09,589 --> 01:08:07,319

something that looks like an answer

1570

01:08:11,569 --> 01:08:09,599

something that Comforts us or at least

1571

01:08:14,450 --> 01:08:11,579

allows us to move forward in our lives

1572

01:08:16,970 --> 01:08:14,460

and make better decisions about what

1573

01:08:20,630 --> 01:08:16,980

path we want to take on this journey me

1574

01:08:23,749 --> 01:08:20,640

that we're all on together hate to get

1575

01:08:25,430 --> 01:08:23,759

super new agey spiritual but I don't

1576

01:08:28,130 --> 01:08:25,440

know where else you can go with this

1577

01:08:30,289 --> 01:08:28,140

kind of stuff so there's a ton of

1578

01:08:32,809 --> 01:08:30,299

questions in there pull them apart if

1579

01:08:34,910 --> 01:08:32,819

you will and shoot me back in email let

1580

01:08:37,490 --> 01:08:34,920

me know what you think join the skeptico

1581

01:08:40,130 --> 01:08:37,500

Forum talk to other like-minded people

1582

01:08:42,769 --> 01:08:40,140

see what you think and if you like this

1583

01:08:45,829 --> 01:08:42,779

show please share it with your friends

1584

01:08:48,530 --> 01:08:45,839

please share it in other places I'd love

1585

01:08:50,809 --> 01:08:48,540

to get as many people as I can into this

1586

01:08:53,630 --> 01:08:50,819

conversation because I think it's an

1587

01:08:56,870 --> 01:08:53,640

important one and stick with me I have

1588

01:08:58,669 --> 01:08:56,880

some very interesting shows coming up I

1589

01:09:01,309 --> 01:08:58,679

always say that but I really do this

1590

01:09:03,890 --> 01:09:01,319

time it's great having you all along

1591

01:09:06,110 --> 01:09:03,900

with me a lot of times I do feel like

1592

01:09:08,570 --> 01:09:06,120

you're right here listening and talking

1593

01:09:11,930 --> 01:09:08,580

with me when I do these shows and that's

1594

01:09:15,229 --> 01:09:11,940

a really really cool feeling until next

1595

01:09:16,460 --> 01:09:15,239

time take care and bye for now
