

Joe Atwill
Skeptiko #364

1
00:00:10,430 --> 00:00:08,179
in their never-ending search for the

2
00:00:12,470 --> 00:00:10,440
miracle weapon CIA operatives searched

3
00:00:14,690 --> 00:00:12,480
here in the remote mountain areas of

4
00:00:17,240 --> 00:00:14,700
southern Mexico but what up to then had

5
00:00:20,080 --> 00:00:17,250
been considered a myth magic mushrooms

6
00:00:23,900 --> 00:00:20,090
the clip you're listening to is from a

7
00:00:26,599 --> 00:00:23,910
1979 news report and it's one of the

8
00:00:30,679 --> 00:00:26,609
chapters in the fairy tale version of

9
00:00:33,470 --> 00:00:30,689
the CIA's involvement with psychedelics

10
00:00:38,389 --> 00:00:33,480
and as strange is that opening 10

11
00:00:40,520 --> 00:00:38,399
seconds was it gets even stranger they

12
00:00:44,000 --> 00:00:40,530
use this man a part-time chemist with

13
00:00:46,069 --> 00:00:44,010

the CIA to do this man a vice president

14

00:00:48,290 --> 00:00:46,079

of a bank and an amateur mycologist or

15

00:00:49,940 --> 00:00:48,300

mushroom expert to try to get to the

16

00:00:51,830 --> 00:00:49,950

magic mushrooms and turn them into a

17

00:00:54,319 --> 00:00:51,840

drug but it would be the amateur-hour

18

00:00:56,330 --> 00:00:54,329

Gordon Watson and his colleagues who

19

00:00:57,229 --> 00:00:56,340

would win the race and develop the drug

20

00:00:59,930 --> 00:00:57,239

psilocybin

21

00:01:02,479 --> 00:00:59,940

from the magic mushrooms another notion

22

00:01:05,929 --> 00:01:02,489

that a Wall Street banker like Gordon

23

00:01:07,760 --> 00:01:05,939

Wasson who is deeply connected at the

24

00:01:11,030 --> 00:01:07,770

highest level to the United States

25

00:01:13,219 --> 00:01:11,040

government to the director of the CIA to

26

00:01:16,609 --> 00:01:13,229

the Council on Foreign Relations which

27

00:01:19,820 --> 00:01:16,619

is like the most influential group in

28

00:01:22,580 --> 00:01:19,830

Washington the idea that he was somehow

29

00:01:25,880 --> 00:01:22,590

the central figure in the discovery of

30

00:01:29,780 --> 00:01:25,890

magic mushrooms in the hills of rural

31

00:01:32,990 --> 00:01:29,790

Mexico is just again it's the stuff of

32

00:01:36,920 --> 00:01:33,000

fairy tales but if we're to pull apart

33

00:01:40,010 --> 00:01:36,930

and truly understand what psychedelics

34

00:01:42,560 --> 00:01:40,020

are and how they've been used in our

35

00:01:45,649 --> 00:01:42,570

culture and how we might use them going

36

00:01:48,050 --> 00:01:45,659

forward well this story might have a lot

37

00:01:50,870 --> 00:01:48,060

of significance to those questions and

38

00:01:54,620 --> 00:01:50,880

that is at least certainly the opinion

39

00:01:57,679 --> 00:01:54,630

of today's guest on skeptic Oh Joe at

40

00:02:00,830 --> 00:01:57,689

well they do not have any concern

41

00:02:03,410 --> 00:02:00,840

whatsoever for the human value of their

42

00:02:05,330 --> 00:02:03,420

subjects these are lab rats they knew

43

00:02:06,889 --> 00:02:05,340

perfectly well that the drug produced

44

00:02:08,660 --> 00:02:06,899

psychosis and they knew perfectly well

45

00:02:10,460 --> 00:02:08,670

that a fraction of the people wouldn't

46

00:02:12,650 --> 00:02:10,470

going to come back but they went forward

47

00:02:16,100 --> 00:02:12,660

with the experimentations regardless

48

00:02:18,050 --> 00:02:16,110

this was all used against us once the

49

00:02:20,780 --> 00:02:18,060

sex drugs and rock and roll culture was

50

00:02:23,840 --> 00:02:20,790

artificial it was used against us it

51
00:02:27,590 --> 00:02:23,850
really debased and damaged our culture

52
00:02:31,130 --> 00:02:27,600
and so now as we you know hats it here

53
00:02:33,920 --> 00:02:31,140
we have you know this new era new drugs

54
00:02:37,640 --> 00:02:33,930
new research new government involvement

55
00:02:40,180 --> 00:02:37,650
we just aren't in a position until we

56
00:02:48,590 --> 00:02:40,190
know what is controlling the government

57
00:02:51,970 --> 00:02:48,600
to trust these things stick around all

58
00:02:54,750 --> 00:02:51,980
that and a lot more coming up on

59
00:03:02,970 --> 00:02:54,760
skeptical

60
00:03:06,130 --> 00:03:02,980
[Music]

61
00:03:08,470 --> 00:03:06,140
today we welcome Joseph at loyal back to

62
00:03:10,750 --> 00:03:08,480
skeptic oh he's here today to talk about

63
00:03:13,180 --> 00:03:10,760

some of his recent research in writings

64

00:03:15,730 --> 00:03:13,190

into the topic of psychedelics and

65

00:03:18,640 --> 00:03:15,740

theage ins how those have been

66

00:03:21,160 --> 00:03:18,650

introduced and promoted in our culture

67

00:03:24,490 --> 00:03:21,170

and what the implications of those might

68

00:03:26,140 --> 00:03:24,500

be for our culture going forward of

69

00:03:28,479 --> 00:03:26,150

course we talked about this subject a

70

00:03:30,309 --> 00:03:28,489

little bit a couple of episodes back and

71

00:03:32,979 --> 00:03:30,319

have been very interested in bringing

72

00:03:36,190 --> 00:03:32,989

Joe's voice and perspective to this

73

00:03:38,770 --> 00:03:36,200

discussion as I think he has a very very

74

00:03:42,009 --> 00:03:38,780

interesting and unique angle to bring to

75

00:03:45,330 --> 00:03:42,019

this topic Joe at well is of course the

76
00:03:46,509 --> 00:03:45,340
author of Cesar's Messiah a book that

77
00:03:48,759 --> 00:03:46,519
single-handedly

78
00:03:51,520 --> 00:03:48,769
forever changed the landscape of

79
00:03:53,530 --> 00:03:51,530
biblical studies and our understanding

80
00:03:56,080 --> 00:03:53,540
of the Roman influence on Christianity

81
00:03:58,270 --> 00:03:56,090
he's one of my favorite guests Joe

82
00:03:58,780 --> 00:03:58,280
welcome back to skeptic oh thanks for

83
00:04:00,970 --> 00:03:58,790
joining me

84
00:04:03,460 --> 00:04:00,980
well thank you for having Alex and what

85
00:04:05,770 --> 00:04:03,470
a kind introduction it's all true

86
00:04:08,710 --> 00:04:05,780
you know I look around and I say who are

87
00:04:11,110 --> 00:04:08,720
people you can point to who on their own

88
00:04:13,949 --> 00:04:11,120

without any institutional support

89

00:04:16,930 --> 00:04:13,959

without any of the university support or

90

00:04:21,039 --> 00:04:16,940

government support just kind of on their

91

00:04:22,870 --> 00:04:21,049

own organically kind of shaped things in

92

00:04:26,020 --> 00:04:22,880

a different way and I think that's just

93

00:04:29,830 --> 00:04:26,030

amazing about what you did with Cesar's

94

00:04:32,830 --> 00:04:29,840

Messiah so I am an O of that but I say

95

00:04:36,460 --> 00:04:32,840

that because anyone listening knows that

96

00:04:37,840 --> 00:04:36,470

I respect your work but it doesn't mean

97

00:04:40,360 --> 00:04:37,850

that I always agree with all your

98

00:04:42,280 --> 00:04:40,370

conclusions and it doesn't mean there's

99

00:04:44,980 --> 00:04:42,290

anything wrong with that either in fact

100

00:04:47,890 --> 00:04:44,990

you know maybe this is a little side

101
00:04:50,260 --> 00:04:47,900
issue that we can kind of talk about at

102
00:04:54,040 --> 00:04:50,270
the beginning because I think this

103
00:04:57,400 --> 00:04:54,050
ability to listen to someone else to

104
00:05:00,550 --> 00:04:57,410
genuinely learn from someone else and at

105
00:05:02,320 --> 00:05:00,560
the same time have you know some

106
00:05:04,870 --> 00:05:02,330
fundamental disagreements with that

107
00:05:08,110 --> 00:05:04,880
person is something that's not only

108
00:05:11,020 --> 00:05:08,120
missing in our polarized culture because

109
00:05:15,100 --> 00:05:11,030
we can see that it's missing but in a

110
00:05:16,540 --> 00:05:15,110
very kind of Joe Atwell way I think we

111
00:05:19,660 --> 00:05:16,550
and also see that it's been

112
00:05:22,150 --> 00:05:19,670
intentionally engineered out of the

113
00:05:24,040 --> 00:05:22,160

culture and I was wondering if you have

114

00:05:28,150 --> 00:05:24,050

any thoughts on that to kind of start us

115

00:05:30,870 --> 00:05:28,160

off well I would say that discourse

116

00:05:35,710 --> 00:05:30,880

politically political discourse has been

117

00:05:37,650 --> 00:05:35,720

engineered over time by the basically

118

00:05:42,430 --> 00:05:37,660

secret society the oligarchs that

119

00:05:45,790 --> 00:05:42,440

control our culture in our media and the

120

00:05:49,290 --> 00:05:45,800

kind of Talking Heads that you get in

121

00:05:51,550 --> 00:05:49,300

mainstream media are basically

122

00:05:53,650 --> 00:05:51,560

intellectual weapons they're just there

123

00:05:56,830 --> 00:05:53,660

to kind of prevent people from thinking

124

00:06:00,430 --> 00:05:56,840

clearly and so what happens whenever

125

00:06:02,650 --> 00:06:00,440

anyone brings up real issues like 9-1-1

126

00:06:05,920 --> 00:06:02,660

is basically the you know mainstream

127

00:06:09,280 --> 00:06:05,930

media just shouts them down uses

128

00:06:11,830 --> 00:06:09,290

intimidating language and over time the

129

00:06:15,460 --> 00:06:11,840

population has just become used to it

130

00:06:17,260 --> 00:06:15,470

and so and weary and they become they

131

00:06:18,760 --> 00:06:17,270

become weary or they become polarized

132

00:06:21,640 --> 00:06:18,770

which is what we see I mean they were

133

00:06:23,740 --> 00:06:21,650

weary before and now what we see is this

134

00:06:25,300 --> 00:06:23,750

kind of polarization added to the

135

00:06:29,350 --> 00:06:25,310

weariness it's kind of a double whammy

136

00:06:32,560 --> 00:06:29,360

sure and so the point is is that real

137

00:06:36,370 --> 00:06:32,570

discourse is very difficult to engage in

138

00:06:38,020 --> 00:06:36,380

in inside the media because of how it's

139

00:06:41,500 --> 00:06:38,030

been structured and this has really

140

00:06:44,710 --> 00:06:41,510

affected people's expectations about

141

00:06:47,800 --> 00:06:44,720

intellectual discourse and so it occurs

142

00:06:50,710 --> 00:06:47,810

in a very very low level and this would

143

00:06:54,070 --> 00:06:50,720

be basically a great thing to improve

144

00:06:57,400 --> 00:06:54,080

because this would help you know culture

145

00:07:01,270 --> 00:06:57,410

and democracy okay so with that let's

146

00:07:03,340 --> 00:07:01,280

jump into kind of today's subject we've

147

00:07:05,170 --> 00:07:03,350

gone a couple of rounds on this already

148

00:07:06,760 --> 00:07:05,180

and you've been very patient with me I

149

00:07:09,490 --> 00:07:06,770

was originally putting together this

150

00:07:11,590 --> 00:07:09,500

show on psychedelics and in Thea Jones

151
00:07:13,690 --> 00:07:11,600
and I contacted you and we actually did

152
00:07:17,410 --> 00:07:13,700
all interview and a lot of exchanges

153
00:07:21,550 --> 00:07:17,420
back and forth but I'm hoping we can

154
00:07:23,230 --> 00:07:21,560
capture what you're really all about on

155
00:07:25,480 --> 00:07:23,240
this because you have some really

156
00:07:28,270 --> 00:07:25,490
interesting ideas and I first ran across

157
00:07:28,629 --> 00:07:28,280
it while I was putting together that

158
00:07:32,730 --> 00:07:28,639
show

159
00:07:35,080 --> 00:07:32,740
so I want to as well as succinctly but

160
00:07:38,800 --> 00:07:35,090
thoroughly I'll have a contradiction

161
00:07:42,999 --> 00:07:38,810
talk about your idea your understanding

162
00:07:46,480 --> 00:07:43,009
about how the CIA and others have had

163
00:07:49,540 --> 00:07:46,490

their hand in shaping this cultural

164

00:07:52,179 --> 00:07:49,550

revolution of sex drugs and rock and

165

00:07:55,510 --> 00:07:52,189

roll in particular the drugs and the

166

00:07:58,779 --> 00:07:55,520

psychedelics and this debasing of

167

00:08:00,850 --> 00:07:58,789

culture that you see in that so wherever

168

00:08:04,480 --> 00:08:00,860

you want to start let's just take take

169

00:08:07,360 --> 00:08:04,490

us through the whole picture there in

170

00:08:09,429 --> 00:08:07,370

terms of what you've discovered well

171

00:08:12,369 --> 00:08:09,439

it's a it's a long historical process

172

00:08:15,550 --> 00:08:12,379

you can go all the way back to Karl Marx

173

00:08:19,990 --> 00:08:15,560

his idea about drawing European culture

174

00:08:23,769 --> 00:08:20,000

you know he was talking about unbridled

175

00:08:27,429 --> 00:08:23,779

sexuality and if with the idea of

176

00:08:29,170 --> 00:08:27,439

basically the the family was something

177

00:08:32,500 --> 00:08:29,180

that wanted that they wanted to break

178

00:08:34,449 --> 00:08:32,510

apart you can go forward down into the

179

00:08:39,639 --> 00:08:34,459

Frankfurt School which was basically an

180

00:08:41,469 --> 00:08:39,649

iteration of Marx's ideas and you can

181

00:08:42,909 --> 00:08:41,479

then you know just come right you know

182

00:08:45,449 --> 00:08:42,919

straight forward from the Frankfurt

183

00:08:48,069 --> 00:08:45,459

School into the Macy conference

184

00:08:49,660 --> 00:08:48,079

basically many of the same individuals

185

00:08:53,199 --> 00:08:49,670

are moving back and forth but they're

186

00:08:55,689 --> 00:08:53,209

all having the same ideas and then you

187

00:08:58,960 --> 00:08:55,699

have MKULTRA which was you know a CIA

188

00:09:01,930 --> 00:08:58,970

project I wanted to mention that the CIA

189

00:09:03,490 --> 00:09:01,940

you know is not the problem the problem

190

00:09:05,740 --> 00:09:03,500

is is that there is some organization

191

00:09:09,519 --> 00:09:05,750

that basically controls government and

192

00:09:12,360 --> 00:09:09,529

what we see as agencies you know and

193

00:09:15,280 --> 00:09:12,370

think of them as the problem as those

194

00:09:16,660 --> 00:09:15,290

MKULTRA was a problem within the CIA or

195

00:09:18,850 --> 00:09:16,670

the CIA is a problem within the

196

00:09:20,920 --> 00:09:18,860

government this is just not the correct

197

00:09:24,040 --> 00:09:20,930

way to understand that the the problem

198

00:09:26,829 --> 00:09:24,050

is hold on that is such an important

199

00:09:28,780 --> 00:09:26,839

point and I really want to draw that out

200

00:09:33,100 --> 00:09:28,790

and talk about that because that point

201
00:09:35,829 --> 00:09:33,110
in and of itself requires a full hashing

202
00:09:37,000 --> 00:09:35,839
out and even before I get there though I

203
00:09:39,069 --> 00:09:37,010
do know you have a lot of really

204
00:09:41,019 --> 00:09:39,079
interesting points here I want to step

205
00:09:41,870 --> 00:09:41,029
back to the first thing you said because

206
00:09:44,300 --> 00:09:41,880
I

207
00:09:46,130 --> 00:09:44,310
ask this broad question you took us all

208
00:09:48,230 --> 00:09:46,140
the way back to Karl Marx and I think

209
00:09:49,970 --> 00:09:48,240
some people are probably going well wait

210
00:09:53,390 --> 00:09:49,980
a minute what is he even talking about

211
00:09:56,330 --> 00:09:53,400
so break down that first point of why

212
00:09:58,580 --> 00:09:56,340
would you want to destroy the family why

213
00:10:02,540 --> 00:09:58,590

would you want to debase culture why

214

00:10:04,580 --> 00:10:02,550

from a kind of Makaveli in somebody has

215

00:10:08,060 --> 00:10:04,590

to rule the world that might as well be

216

00:10:12,680 --> 00:10:08,070

me perspective why would they want to do

217

00:10:15,710 --> 00:10:12,690

that I would say it's because the groups

218

00:10:17,720 --> 00:10:15,720

have hatred toward European culture well

219

00:10:19,400 --> 00:10:17,730

let me throw out another reason where

220

00:10:20,930 --> 00:10:19,410

I'm fishing for an answer here so let me

221

00:10:23,540 --> 00:10:20,940

throw it out and then you can respond to

222

00:10:25,460 --> 00:10:23,550

it it's that yeah maybe that but the

223

00:10:28,400 --> 00:10:25,470

other thing is hey man it's about

224

00:10:31,070 --> 00:10:28,410

control and [h__h] so you can do your

225

00:10:33,440 --> 00:10:31,080

thing the way you wanted to be done you

226

00:10:36,170 --> 00:10:33,450

don't want people thinking freely you

227

00:10:38,570 --> 00:10:36,180

don't want people doing their own thing

228

00:10:40,820 --> 00:10:38,580

even you will sacrifice progress for

229

00:10:44,330 --> 00:10:40,830

control the first and foremost thing you

230

00:10:47,480 --> 00:10:44,340

want is control so anyway you can kind

231

00:10:50,870 --> 00:10:47,490

of leave people scrambling or unsure of

232

00:10:53,630 --> 00:10:50,880

these kind of things or just in a state

233

00:10:56,030 --> 00:10:53,640

of upset it really is good if you're

234

00:10:57,950 --> 00:10:56,040

into control what do you think about

235

00:11:00,590 --> 00:10:57,960

that in addition to what you're saying

236

00:11:02,900 --> 00:11:00,600

it well I mean no no that's well said

237

00:11:06,070 --> 00:11:02,910

and in quite correct I mean the idea is

238

00:11:08,360 --> 00:11:06,080

is basically atomized individuals

239

00:11:10,250 --> 00:11:08,370

individuals without social and ethnic

240

00:11:14,260 --> 00:11:10,260

connections are far easier to control

241

00:11:18,400 --> 00:11:14,270

they are incapable of rebellion and so

242

00:11:22,190 --> 00:11:18,410

if you look at you know what has been

243

00:11:24,320 --> 00:11:22,200

destroyed by the secret society in say

244

00:11:26,060 --> 00:11:24,330

the United States from then World War

245

00:11:28,820 --> 00:11:26,070

two to today I mean you start out with

246

00:11:32,510 --> 00:11:28,830

the ethnic communities particularly

247

00:11:37,100 --> 00:11:32,520

ethnic Catholic communities these were

248

00:11:40,220 --> 00:11:37,110

targeted and basically you know pushed

249

00:11:43,910 --> 00:11:40,230

out into the suburbia where they just

250

00:11:47,270 --> 00:11:43,920

became the vast white middle-class and

251
00:11:50,540 --> 00:11:47,280
then from there you began with sex drugs

252
00:11:53,980 --> 00:11:50,550
and rock and roll and you know culture

253
00:11:56,320 --> 00:11:53,990
started to atomize even further they

254
00:11:58,810 --> 00:11:56,330
basically promoted a kind of feminism

255
00:12:01,060 --> 00:11:58,820
Gloria Steinem was the CIA agent

256
00:12:03,010 --> 00:12:01,070
promoting a kind of feminism that would

257
00:12:05,380 --> 00:12:03,020
even you know atomized the family a step

258
00:12:09,010 --> 00:12:05,390
further the single mom with the welfare

259
00:12:11,590 --> 00:12:09,020
check became something that was seen as

260
00:12:14,880 --> 00:12:11,600
are given to the population as positive

261
00:12:17,560 --> 00:12:14,890
and then you know integration was also

262
00:12:21,160 --> 00:12:17,570
promoted again it's just the idea of the

263
00:12:23,620 --> 00:12:21,170

the more atomized that an individual is

264

00:12:26,829 --> 00:12:23,630

the the easier it is for the oligarchs

265

00:12:28,990 --> 00:12:26,839

to control so atomized and homogenized

266

00:12:32,050 --> 00:12:29,000

at the same time to just make you feel

267

00:12:34,690 --> 00:12:32,060

isolated and alone and like you said

268

00:12:36,579 --> 00:12:34,700

what you how are you going to rebel when

269

00:12:39,040 --> 00:12:36,589

you feel you're an island when you feel

270

00:12:42,490 --> 00:12:39,050

you don't have any strong group to bond

271

00:12:45,760 --> 00:12:42,500

to and say okay let's go attack the

272

00:12:46,900 --> 00:12:45,770

castle exactly that's that's so you

273

00:12:49,030 --> 00:12:46,910

couldn't I couldn't say any better I

274

00:12:52,120 --> 00:12:49,040

mean that's exactly what they had in

275

00:12:55,420 --> 00:12:52,130

mind and that's exactly what they did

276

00:12:57,670 --> 00:12:55,430

you can see in their creation of the sex

277

00:13:03,070 --> 00:12:57,680

drugs and rock and roll culture you know

278

00:13:06,310 --> 00:13:03,080

a kind of a desire to use eros you know

279

00:13:08,949 --> 00:13:06,320

the pleasure principle so-called to lure

280

00:13:10,870 --> 00:13:08,959

people away from the the cultural

281

00:13:12,820 --> 00:13:10,880

connections that could create an

282

00:13:15,640 --> 00:13:12,830

organization that could could that could

283

00:13:19,780 --> 00:13:15,650

basically contest the power of the

284

00:13:22,600 --> 00:13:19,790

oligarchs so basically we have been the

285

00:13:25,900 --> 00:13:22,610

victim of weaponized anthropology

286

00:13:29,410 --> 00:13:25,910

weaponized psychology if you look at the

287

00:13:31,480 --> 00:13:29,420

groups that really you know have the you

288

00:13:33,180 --> 00:13:31,490

know the focus of evil I mean inside

289

00:13:35,710 --> 00:13:33,190

them when you see you don't just so many

290

00:13:39,030 --> 00:13:35,720

psychologists an interesting thing for

291

00:13:43,240 --> 00:13:39,040

people to do is there's a video called

292

00:13:46,300 --> 00:13:43,250

conversation about LSD and you know it's

293

00:13:48,370 --> 00:13:46,310

on YouTube and these are individuals

294

00:13:51,190 --> 00:13:48,380

that were involved in the MKULTRA

295

00:13:53,940 --> 00:13:51,200

project and you can see that the number

296

00:13:56,949 --> 00:13:53,950

of psychologists anthropologists

297

00:13:59,800 --> 00:13:56,959

psychiatrists I mean it's just a it's a

298

00:14:03,130 --> 00:13:59,810

collection of intellectual technique

299

00:14:05,470 --> 00:14:03,140

that's all been brought together for

300

00:14:07,689 --> 00:14:05,480

evil let me stop you there Joe because

301

00:14:11,679 --> 00:14:07,699

you've done some

302

00:14:14,559 --> 00:14:11,689

really important digging on MKULTRA and

303

00:14:16,629 --> 00:14:14,569

more importantly as you so often do

304

00:14:19,179 --> 00:14:16,639

you've taken some of the pieces that

305

00:14:21,939 --> 00:14:19,189

were always lying out there for everyone

306

00:14:25,509 --> 00:14:21,949

to see and kind of put them together in

307

00:14:27,849 --> 00:14:25,519

a new and interesting important way and

308

00:14:29,799 --> 00:14:27,859

I want to get to that I just want to

309

00:14:31,749 --> 00:14:29,809

hold off one minute because as I

310

00:14:34,809 --> 00:14:31,759

promised I want to return to a point

311

00:14:37,780 --> 00:14:34,819

that you made in ever since you've said

312

00:14:40,030 --> 00:14:37,790

it it has kind of continued to ring in

313

00:14:42,819 --> 00:14:40,040

my ears so I want to draw it out and

314

00:14:48,099 --> 00:14:42,829

this is the point about the fact that

315

00:14:51,249 --> 00:14:48,109

the CIA is not the CIA as we understand

316

00:14:55,329 --> 00:14:51,259

it in common culture is any important

317

00:14:57,549 --> 00:14:55,339

point that is never drawn out but as you

318

00:14:59,710 --> 00:14:57,559

give some examples it's really

319

00:15:02,470 --> 00:14:59,720

self-evident when you look at some of

320

00:15:05,470 --> 00:15:02,480

these things and you say well gee that

321

00:15:07,900 --> 00:15:05,480

that really isn't a governmental agency

322

00:15:10,720 --> 00:15:07,910

that it really is in a group that is in

323

00:15:13,659 --> 00:15:10,730

there under any oversight or control and

324

00:15:16,720 --> 00:15:13,669

even there their mission seems to be

325

00:15:20,109 --> 00:15:16,730

somewhat bigger there's something above

326

00:15:22,989 --> 00:15:20,119

that that I'm not aware of and yet I'm

327

00:15:25,960 --> 00:15:22,999

being told over and over again oh that's

328

00:15:29,590 --> 00:15:25,970

the CIA that's the CIA walk us through

329

00:15:34,269 --> 00:15:29,600

how we know there's something above the

330

00:15:36,929 --> 00:15:34,279

CIA well first of all if you just look

331

00:15:40,119 --> 00:15:36,939

at the heads of the CIA you know as the

332

00:15:44,319 --> 00:15:40,129

organization you know came to our

333

00:15:47,949 --> 00:15:44,329

culture I mean Donovan Dulles Helms

334

00:15:51,579 --> 00:15:47,959

these are all investment bankers lawyers

335

00:15:54,189 --> 00:15:51,589

and the idea that these would be the

336

00:15:56,979 --> 00:15:54,199

head of a international intelligence

337

00:15:59,499 --> 00:15:56,989

gathering organization just on its face

338

00:16:02,349 --> 00:15:59,509

is preposterous I mean you would think

339

00:16:05,409 --> 00:16:02,359

that this is more an organization

340

00:16:08,679 --> 00:16:05,419

created by banking families if you look

341

00:16:11,889 --> 00:16:08,689

at the precursor of the CIA you have the

342

00:16:14,109 --> 00:16:11,899

OSS and then look in the you know

343

00:16:15,759 --> 00:16:14,119

organizational charts of OSS in Europe

344

00:16:18,850 --> 00:16:15,769

it's all the Mellon family the Mellon

345

00:16:21,079 --> 00:16:18,860

banking family and so you you have right

346

00:16:23,569 --> 00:16:21,089

on on its face you have some

347

00:16:25,100 --> 00:16:23,579

bizarre connection into banking families

348

00:16:26,780 --> 00:16:25,110

and and something with just both the

349

00:16:31,460 --> 00:16:26,790

military intelligence and then you come

350

00:16:33,559 --> 00:16:31,470

forward a few years and you have the

351
00:16:36,949 --> 00:16:33,569
MKULTRA employment of someone named

352
00:16:39,139 --> 00:16:36,959
Gordon Watson and Watson is a person who

353
00:16:41,569 --> 00:16:39,149
really begins a psychedelic movement in

354
00:16:44,809 --> 00:16:41,579
the United States and what is his

355
00:16:48,799 --> 00:16:44,819
background well he is a partner in JP

356
00:16:50,900 --> 00:16:48,809
Morgan and so this really isn't you know

357
00:16:54,860 --> 00:16:50,910
something that could possibly be

358
00:16:56,689 --> 00:16:54,870
circumstantial it's it's you know just

359
00:16:58,730 --> 00:16:56,699
be statistically crazy and then of

360
00:17:01,129 --> 00:16:58,740
course when you look at if you go out

361
00:17:03,019 --> 00:17:01,139
just a few individuals you'll see that

362
00:17:06,769 --> 00:17:03,029
the melon family returns you know Billy

363
00:17:08,929 --> 00:17:06,779

Hitchcock melon is in Mill Brook mansion

364

00:17:11,090 --> 00:17:08,939

is where Tim Larry's living and then

365

00:17:14,389 --> 00:17:11,100

they're funding the Grateful Dead and so

366

00:17:16,250 --> 00:17:14,399

you can see that basically the the

367

00:17:19,669 --> 00:17:16,260

banking families have had this

368

00:17:21,769 --> 00:17:19,679

tremendous impact on what's supposed to

369

00:17:23,480 --> 00:17:21,779

be military intelligence supposed to be

370

00:17:26,240 --> 00:17:23,490

something as in under the control of

371

00:17:28,580 --> 00:17:26,250

democracy and then if you if you just

372

00:17:31,250 --> 00:17:28,590

you know again just take a step back you

373

00:17:33,230 --> 00:17:31,260

can see secret societies you see

374

00:17:38,990 --> 00:17:33,240

individuals or members of the Bohemian

375

00:17:40,789 --> 00:17:39,000

Grove Freemasonry and other secret

376

00:17:43,340 --> 00:17:40,799

societies or military intelligence I

377

00:17:46,450 --> 00:17:43,350

mean I one thing that really basically

378

00:17:49,549 --> 00:17:46,460

got me kind of moving down this path was

379

00:17:51,889 --> 00:17:49,559

when I started looking at MKULTRA and

380

00:17:54,620 --> 00:17:51,899

saw it was you know headquartered in

381

00:17:57,019 --> 00:17:54,630

Palo Alto and I saw the relationship

382

00:18:00,620 --> 00:17:57,029

between it and the counterculture

383

00:18:02,930 --> 00:18:00,630

I noticed that there had been a car

384

00:18:05,690 --> 00:18:02,940

accident right outside the Palo Alto

385

00:18:07,519 --> 00:18:05,700

Hospital that basically the MKULTRA

386

00:18:08,930 --> 00:18:07,529

employment was going on for Robert

387

00:18:11,360 --> 00:18:08,940

hunter member of the Grateful Dead and

388

00:18:13,669 --> 00:18:11,370

Ken Kesey you know the individual

389

00:18:16,070 --> 00:18:13,679

created the acid test and in the car

390

00:18:18,260 --> 00:18:16,080

accident a police report was created and

391

00:18:21,289 --> 00:18:18,270

you have Robert hunter and Jerry Garcia

392

00:18:23,630 --> 00:18:21,299

now this makes sense because you know

393

00:18:25,820 --> 00:18:23,640

they in my opinion are fully inside the

394

00:18:27,169 --> 00:18:25,830

deal and they're helping to bring about

395

00:18:29,870 --> 00:18:27,179

these sex drugs and rock'n'roll

396

00:18:34,580 --> 00:18:29,880

counterculture but the other individual

397

00:18:35,180 --> 00:18:34,590

in the car is so significant it was Eric

398

00:18:39,860 --> 00:18:35,190

Tris

399

00:18:41,780 --> 00:18:39,870

and Eric is the son of Alan tryst the

400

00:18:44,630 --> 00:18:41,790

founder of the Tavistock Institute and

401
00:18:49,280 --> 00:18:44,640
the Tavistock was basically just the

402
00:18:50,690 --> 00:18:49,290
British half of sort of the MKULTRA you

403
00:18:52,610 --> 00:18:50,700
know kind of operation I mean

404
00:18:54,650 --> 00:18:52,620
individuals pass back and forth between

405
00:18:56,510 --> 00:18:54,660
the organization's and and of course

406
00:18:59,270 --> 00:18:56,520
there's just no reason at all that such

407
00:19:01,880 --> 00:18:59,280
an individual would be with you know

408
00:19:05,570 --> 00:19:01,890
this group as they're leaving and of the

409
00:19:09,590 --> 00:19:05,580
hospital where these the CM Caltrain you

410
00:19:10,820 --> 00:19:09,600
know LSD it training is going on and so

411
00:19:16,390 --> 00:19:10,830
it just gives you a very clear picture

412
00:19:19,630 --> 00:19:16,400
that you know but that what we think are

413
00:19:23,000 --> 00:19:19,640

democratically controlled institutions

414

00:19:24,590 --> 00:19:23,010

basically have hidden agendas and that

415

00:19:27,050 --> 00:19:24,600

the science that that they're developing

416

00:19:30,350 --> 00:19:27,060

which we think is supposed to be either

417

00:19:32,740 --> 00:19:30,360

defending us against spy crafts from the

418

00:19:34,930 --> 00:19:32,750

Russians or whatever is actually

419

00:19:37,820 --> 00:19:34,940

technology that they're developing to

420

00:19:42,350 --> 00:19:37,830

enslave the population to create a kind

421

00:19:46,150 --> 00:19:42,360

of mental domination by controlling our

422

00:19:48,710 --> 00:19:46,160

history by controlling our culture and

423

00:19:52,820 --> 00:19:48,720

unfortunately I'm afraid it ends up with

424

00:19:56,240 --> 00:19:52,830

a massive reduction in population this

425

00:19:58,250 --> 00:19:56,250

doesn't you know lead to a pacific slave

426
00:20:00,080 --> 00:19:58,260
state I mean they basically exterminate

427
00:20:02,870 --> 00:20:00,090
the people they want off the planet and

428
00:20:04,700 --> 00:20:02,880
and then they have one you know that's

429
00:20:08,990 --> 00:20:04,710
interesting the last part of it is

430
00:20:11,260 --> 00:20:09,000
pretty controversial I don't know how

431
00:20:14,690 --> 00:20:11,270
much of that last part I buy into but

432
00:20:16,520 --> 00:20:14,700
again and in typical kind of Jo hat will

433
00:20:18,500 --> 00:20:16,530
fash it there's a couple of points in

434
00:20:21,230 --> 00:20:18,510
there that are just incredibly

435
00:20:22,960 --> 00:20:21,240
insightful in an important way and I

436
00:20:25,130 --> 00:20:22,970
want to connect it to a skeptic oh

437
00:20:26,720 --> 00:20:25,140
interview that I did people might

438
00:20:30,350 --> 00:20:26,730

remember a few months ago I interviewed

439

00:20:32,600 --> 00:20:30,360

this guy doctor EDA who was the head of

440

00:20:35,810 --> 00:20:32,610

research at the Stanford Research

441

00:20:37,940 --> 00:20:35,820

Institute Stargate program which if

442

00:20:41,030 --> 00:20:37,950

anyone has really investigated this

443

00:20:44,630 --> 00:20:41,040

again to your point you know Stargate is

444

00:20:48,530 --> 00:20:44,640

off doing remote viewing and psychic

445

00:20:53,210 --> 00:20:48,540

spying the mission really was to counter

446

00:20:56,450 --> 00:20:53,220

a Russian initiative at psychic use and

447

00:20:59,330 --> 00:20:56,460

psychic spying and to psychically

448

00:21:01,820 --> 00:20:59,340

influence leaders in the United States

449

00:21:04,760 --> 00:21:01,830

this has been discovered and disclosed

450

00:21:06,640 --> 00:21:04,770

after the fall of the Soviet Union we

451
00:21:10,010 --> 00:21:06,650
have exposure to some of those documents

452
00:21:12,320 --> 00:21:10,020
but and here's how all this stuff gets

453
00:21:14,150 --> 00:21:12,330
really really complicated and it has to

454
00:21:18,590 --> 00:21:14,160
be fully examined in the way that you

455
00:21:21,110 --> 00:21:18,600
were doing it so that sounds like CIA

456
00:21:24,740 --> 00:21:21,120
work and it was I mean the Stargate

457
00:21:29,060 --> 00:21:24,750
project was military intelligence funded

458
00:21:30,830 --> 00:21:29,070
it was also a part of MKULTRA that's

459
00:21:33,530 --> 00:21:30,840
really important what you're saying

460
00:21:37,100 --> 00:21:33,540
there Joe it's a part of this larger

461
00:21:39,350 --> 00:21:37,110
mission involving mind control and

462
00:21:42,020 --> 00:21:39,360
control the population that we don't

463
00:21:44,630 --> 00:21:42,030

like to talk about here's what I think

464

00:21:48,790 --> 00:21:44,640

was significant about my interview with

465

00:21:52,420 --> 00:21:48,800

Ed May he comes across as a good soldier

466

00:21:55,310 --> 00:21:52,430

he has a very limited worldview that

467

00:21:59,300 --> 00:21:55,320

doesn't allow him to even understand

468

00:22:03,170 --> 00:21:59,310

fully the research that he was doing let

469

00:22:06,050 --> 00:22:03,180

alone the larger way that that fits into

470

00:22:07,970 --> 00:22:06,060

the equation but then again isn't that

471

00:22:11,600 --> 00:22:07,980

the kind of guy you want in that

472

00:22:14,360 --> 00:22:11,610

position but the point I wanted to kind

473

00:22:16,250 --> 00:22:14,370

of draw out because I think it amplifies

474

00:22:20,570 --> 00:22:16,260

in a way but further complicates your

475

00:22:23,990 --> 00:22:20,580

point is he talks about some very real

476

00:22:26,480 --> 00:22:24,000

stories from his worldview about going

477

00:22:29,300 --> 00:22:26,490

to Congress meeting with congressmen

478

00:22:34,280 --> 00:22:29,310

trying to get funding for Stargate the

479

00:22:36,980 --> 00:22:34,290

battle for ongoing support among people

480

00:22:38,600 --> 00:22:36,990

who had to respond to constituents who

481

00:22:40,670 --> 00:22:38,610

said I think what you're doing is

482

00:22:43,370 --> 00:22:40,680

satanic it goes against my religious

483

00:22:46,390 --> 00:22:43,380

views and all the rest of that and what

484

00:22:51,050 --> 00:22:46,400

I took out of that is that you can

485

00:22:53,500 --> 00:22:51,060

understand why there's a meta CIA why

486

00:22:56,450 --> 00:22:53,510

there's a control level above that

487

00:22:58,460 --> 00:22:56,460

because on another and I'm not saying I

488

00:22:59,680 --> 00:22:58,470

buy into this totally but from a very

489

00:23:02,050 --> 00:22:59,690

practical sense

490

00:23:04,840 --> 00:23:02,060

somebody has to rule the world

491

00:23:07,950 --> 00:23:04,850

you know you can't you here's a real

492

00:23:12,400 --> 00:23:07,960

threat that we have to respond to and

493

00:23:14,920 --> 00:23:12,410

you can't go to Congress and say this is

494

00:23:17,200 --> 00:23:14,930

a real real threat in terms of psychic

495

00:23:20,560 --> 00:23:17,210

spying we need to do something you just

496

00:23:23,320 --> 00:23:20,570

can't get that stuff funded so even

497

00:23:26,110 --> 00:23:23,330

though I think EDA fits the useful idiot

498

00:23:29,980 --> 00:23:26,120

role to a certain extent there's also a

499

00:23:32,830 --> 00:23:29,990

realness to what it takes to run a

500

00:23:37,330 --> 00:23:32,840

superpower and to run an intelligence

501
00:23:39,580 --> 00:23:37,340
organization that is complicated tell me

502
00:23:41,710 --> 00:23:39,590
what you think about all that I think

503
00:23:45,460 --> 00:23:41,720
that's a logical principle that if you

504
00:23:49,240 --> 00:23:45,470
you know carry it to an extreme creates

505
00:23:53,110 --> 00:23:49,250
basically a situation where the

506
00:23:54,550 --> 00:23:53,120
oligarchs can justify anything and it

507
00:23:56,470 --> 00:23:54,560
creates the situation that we find

508
00:23:58,870 --> 00:23:56,480
ourselves in doesn't it which is exactly

509
00:24:02,650 --> 00:23:58,880
right and so you know I would just say

510
00:24:03,700 --> 00:24:02,660
that I don't buy the guys story I doubt

511
00:24:05,560 --> 00:24:03,710
it very much

512
00:24:08,620 --> 00:24:05,570
I'm I don't think he would be that

513
00:24:09,940 --> 00:24:08,630

stupid I think you have to listen to the

514

00:24:12,010 --> 00:24:09,950

interview yeah I haven't heard it but

515

00:24:17,320 --> 00:24:12,020

I'm just on his face I don't like it

516

00:24:20,860 --> 00:24:17,330

because the Sr I was fully exposed as

517

00:24:23,140 --> 00:24:20,870

doing you know brain experiments which

518

00:24:24,900 --> 00:24:23,150

are against the law which would damage

519

00:24:31,920 --> 00:24:24,910

the individuals they were doing

520

00:24:36,850 --> 00:24:33,750

experimentation was going to take place

521

00:24:38,350 --> 00:24:36,860

when when this was found out and this

522

00:24:40,000 --> 00:24:38,360

was one of the one of the things that

523

00:24:43,270 --> 00:24:40,010

actually led up to the church commission

524

00:24:46,270 --> 00:24:43,280

when this was found out some guy in the

525

00:24:49,420 --> 00:24:46,280

Navy I forget his name but he demanded

526

00:24:53,050 --> 00:24:49,430

that the same stop because knew his name

527

00:24:55,420 --> 00:24:53,060

was Coast love Coast law he was some you

528

00:24:57,280 --> 00:24:55,430

know muck amuck in the Navy I think he

529

00:24:58,900 --> 00:24:57,290

was like the secretary of the Navy and

530

00:25:02,560 --> 00:24:58,910

he said what the hell's going on you got

531

00:25:05,980 --> 00:25:02,570

to stop this thing the SR I blew him off

532

00:25:07,930 --> 00:25:05,990

they didn't bother to stop and then then

533

00:25:10,900 --> 00:25:07,940

they were able to get money funded

534

00:25:13,030 --> 00:25:10,910

through another source in the Navy the

535

00:25:15,500 --> 00:25:13,040

Navy itself was going against the

536

00:25:17,150 --> 00:25:15,510

secretary and funded the SR I

537

00:25:19,540 --> 00:25:17,160

for another hundred grand so they could

538

00:25:21,860 --> 00:25:19,550

continue with something that basically

539

00:25:23,870 --> 00:25:21,870

every one of the individuals involved

540

00:25:26,180 --> 00:25:23,880

with should be brought in front of a

541

00:25:29,810 --> 00:25:26,190

trial kind of a Nuremberg type trial and

542

00:25:31,280 --> 00:25:29,820

and incarcerated so so this is and and

543

00:25:34,100 --> 00:25:31,290

bear in mind that what they're trying to

544

00:25:37,490 --> 00:25:34,110

do with with this kind of a low

545

00:25:39,020 --> 00:25:37,500

frequency wave study is they're trying

546

00:25:41,870 --> 00:25:39,030

to learn how to control people like

547

00:25:45,950 --> 00:25:41,880

robots this is what they're trying to do

548

00:25:49,460 --> 00:25:45,960

Alex so I'm sorry I just you know this

549

00:25:51,470 --> 00:25:49,470

guy may just be an absolute kind of my

550

00:25:54,170 --> 00:25:51,480

optic individual who can't see what's

551
00:25:56,000 --> 00:25:54,180
going on but you know I'm just gonna err

552
00:25:59,120 --> 00:25:56,010
on the side of caution and I'm just

553
00:26:02,060 --> 00:25:59,130
gonna say look you have to assume that

554
00:26:05,030 --> 00:26:02,070
they're all dirty and you have to assume

555
00:26:07,940 --> 00:26:05,040
that every single experiment that these

556
00:26:09,700 --> 00:26:07,950
guys are doing is either overtly dirty

557
00:26:12,770 --> 00:26:09,710
it's just done for the purpose of

558
00:26:15,020 --> 00:26:12,780
enslaving the population or it's

559
00:26:19,180 --> 00:26:15,030
something that in general could be used

560
00:26:22,460 --> 00:26:19,190
in some way for this project so you know

561
00:26:24,380 --> 00:26:22,470
unless proven otherwise I think we're

562
00:26:25,670 --> 00:26:24,390
really wise to err on the side of

563
00:26:27,500 --> 00:26:25,680

caution and I'm just gonna remind

564

00:26:30,380 --> 00:26:27,510

something now just because I know that

565

00:26:34,610 --> 00:26:30,390

you know this is this is something that

566

00:26:38,510 --> 00:26:34,620

dumb creates a kind of clear line of fur

567

00:26:40,610 --> 00:26:38,520

for analysis and that is 9/11 now if you

568

00:26:43,100 --> 00:26:40,620

believe that you know the building's can

569

00:26:45,470 --> 00:26:43,110

fall straight down at freefall speed and

570

00:26:47,330 --> 00:26:45,480

and you know that the the guy was able

571

00:26:51,050 --> 00:26:47,340

to fly the plane and hit the Pentagon

572

00:26:55,310 --> 00:26:51,060

with no debris okay god bless you just

573

00:26:59,000 --> 00:26:55,320

go your way those of us who see these

574

00:27:00,620 --> 00:26:59,010

events as self-evident right that this

575

00:27:02,810 --> 00:27:00,630

was simply an operation by the

576

00:27:05,960 --> 00:27:02,820

government then we have to understand

577

00:27:09,290 --> 00:27:05,970

that we are living in the world that has

578

00:27:12,080 --> 00:27:09,300

been created by the MKULTRA science and

579

00:27:14,480 --> 00:27:12,090

technology right MKULTRA didn't

580

00:27:17,600 --> 00:27:14,490

disappear when the Church Commission

581

00:27:20,180 --> 00:27:17,610

asked to have all of the documents helm

582

00:27:21,590 --> 00:27:20,190

said you know what I destroyed them and

583

00:27:25,130 --> 00:27:21,600

they said why because I didn't want to

584

00:27:26,960 --> 00:27:25,140

embarrass my friends right so so this

585

00:27:28,780 --> 00:27:26,970

and then he continued on as head of the

586

00:27:33,190 --> 00:27:28,790

CIA so you can see that tomorrow

587

00:27:36,520 --> 00:27:33,200

Percy is just a facade that the overall

588

00:27:40,360 --> 00:27:36,530

project of mind control has continued

589

00:27:43,750 --> 00:27:40,370

unabated and we are now suffering as you

590

00:27:47,590 --> 00:27:43,760

know as of as a nation underneath its

591

00:27:49,990 --> 00:27:47,600

Bootheel so when when you know we talked

592

00:27:53,520 --> 00:27:50,000

about well could there be some

593

00:27:55,890 --> 00:27:53,530

justification based on you know the a

594

00:27:59,800 --> 00:27:55,900

technological arms waste with Russia

595

00:28:03,130 --> 00:27:59,810

it's irrelevant to me Alex I don't care

596

00:28:05,830 --> 00:28:03,140

sure who cares what is important is that

597

00:28:09,280 --> 00:28:05,840

the organization has never been brought

598

00:28:11,920 --> 00:28:09,290

to sunlight and it's it's when people

599

00:28:14,710 --> 00:28:11,930

ask me about well what about the you

600

00:28:17,470 --> 00:28:14,720

know the spiritual potentiality of

601
00:28:20,710 --> 00:28:17,480
psychedelic drugs I just say look that

602
00:28:22,810 --> 00:28:20,720
isn't on the table what is on the table

603
00:28:26,080 --> 00:28:22,820
is that there is an organization that

604
00:28:30,900 --> 00:28:26,090
has been using these things against us

605
00:28:34,090 --> 00:28:30,910
and until until that has been brought

606
00:28:36,550 --> 00:28:34,100
completely to sunlight then all of these

607
00:28:38,410 --> 00:28:36,560
attributes that have come out of their

608
00:28:41,800 --> 00:28:38,420
manipulation of culture have to be

609
00:28:45,400 --> 00:28:41,810
stopped I mean we just has to stop right

610
00:28:47,920 --> 00:28:45,410
now freeze in our tracks and we have to

611
00:28:50,320 --> 00:28:47,930
do the investigation of what is inside

612
00:28:52,060 --> 00:28:50,330
the government and then we can make

613
00:28:54,520 --> 00:28:52,070

decisions about what is this a good

614

00:28:56,440 --> 00:28:54,530

cultural idea or is there something to

615

00:29:00,760 --> 00:28:56,450

worry about from Russia or the Chinese

616

00:29:02,920 --> 00:29:00,770

but right now the problem is inside the

617

00:29:05,170 --> 00:29:02,930

government it's what controls it that's

618

00:29:07,630 --> 00:29:05,180

what we've got to focus on we can get to

619

00:29:10,480 --> 00:29:07,640

all these other issues later I'm not

620

00:29:12,520 --> 00:29:10,490

opposed to any you know these ideas I'm

621

00:29:13,990 --> 00:29:12,530

just saying that it's not really

622

00:29:15,910 --> 00:29:14,000

something that we need to deal with

623

00:29:18,070 --> 00:29:15,920

immediately what we got to do right now

624

00:29:21,430 --> 00:29:18,080

is we've got to focus on what's

625

00:29:24,940 --> 00:29:21,440

controlling our government you know

626

00:29:27,130 --> 00:29:24,950

there's so many amazing points there I

627

00:29:31,000 --> 00:29:27,140

want to tell people that we're recording

628

00:29:33,580 --> 00:29:31,010

this on nine twelve the day after nine

629

00:29:36,070 --> 00:29:33,590

eleven is interesting I think what you

630

00:29:38,530 --> 00:29:36,080

just said about nine eleven is so

631

00:29:40,990 --> 00:29:38,540

beautifully put I wish I could just pull

632

00:29:42,610 --> 00:29:41,000

that out and play that for people over

633

00:29:46,360 --> 00:29:42,620

and over again because it does

634

00:29:48,010 --> 00:29:46,370

get hard to talk about 9/11 and I've

635

00:29:51,270 --> 00:29:48,020

mentioned my wife a couple of times she

636

00:29:54,310 --> 00:29:51,280

always kind of takes has to take this

637

00:29:58,990 --> 00:29:54,320

the role that she plays which is you

638

00:30:01,750 --> 00:29:59,000

know MPR listening a verse to any kind

639

00:30:05,110 --> 00:30:01,760

of conspiracy and you know she said

640

00:30:07,660 --> 00:30:05,120

yesterday gee you know I mean I really

641

00:30:09,400 --> 00:30:07,670

feel for the whole 9/11 thing and all

642

00:30:12,220 --> 00:30:09,410

the people that died but oh my god

643

00:30:18,460 --> 00:30:12,230

aren't we over that and I was like you

644

00:30:21,220 --> 00:30:18,470

know if you understand 9/11 as a guy in

645

00:30:23,680 --> 00:30:21,230

a cave who flew a couple of planes into

646

00:30:26,440 --> 00:30:23,690

some buildings yeah

647

00:30:29,740 --> 00:30:26,450

we really should be over it but if you

648

00:30:35,590 --> 00:30:29,750

understand it for what it really is what

649

00:30:37,690 --> 00:30:35,600

it as you said plainly is then we should

650

00:30:41,200 --> 00:30:37,700

never be over it because we can never

651
00:30:42,640 --> 00:30:41,210
even take as you beautifully said we

652
00:30:46,840 --> 00:30:42,650
cannot go forward

653
00:30:49,210 --> 00:30:46,850
until we resolve that so you know we're

654
00:30:51,370 --> 00:30:49,220
gonna go on in this dialogue and we're

655
00:30:53,169 --> 00:30:51,380
gonna leave 9/11 behind because that's

656
00:30:56,710 --> 00:30:53,179
not what we're here to talk about but I

657
00:31:00,130 --> 00:30:56,720
think you are spot-on to bring that up

658
00:31:02,049 --> 00:31:00,140
and bring that center stage because we

659
00:31:04,870 --> 00:31:02,059
can bounce around and talk about a

660
00:31:07,480 --> 00:31:04,880
million other things when we're not

661
00:31:12,010 --> 00:31:07,490
putting first things first which is you

662
00:31:14,590 --> 00:31:12,020
know hey 9/11 was an inside job okay so

663
00:31:15,880 --> 00:31:14,600

from there we can we can't go forward

664

00:31:17,799 --> 00:31:15,890

when you talk about anything else but

665

00:31:20,380 --> 00:31:17,809

doesn't inside yeah let's be clear about

666

00:31:23,080 --> 00:31:20,390

that okay so let's get back to talking

667

00:31:28,299 --> 00:31:23,090

about psychedelics because you made

668

00:31:30,730 --> 00:31:28,309

again your case very very well I have to

669

00:31:32,110 --> 00:31:30,740

say but I want to step back in history

670

00:31:35,350 --> 00:31:32,120

and I want you to build that case a

671

00:31:37,090 --> 00:31:35,360

little bit the last time we talked this

672

00:31:39,850 --> 00:31:37,100

isn't in the interview but maybe I'll

673

00:31:41,440 --> 00:31:39,860

include some clips in for people we

674

00:31:45,220 --> 00:31:41,450

talked about Gordon Watson

675

00:31:49,150 --> 00:31:45,230

we talked about Andre Padraic people

676
00:31:51,700 --> 00:31:49,160
that you as a literary analyst like to

677
00:31:55,270 --> 00:31:51,710
bring to the stage and show their role

678
00:31:56,260 --> 00:31:55,280
let's talk about Gordon Watson who was

679
00:31:58,990 --> 00:31:56,270
he what

680
00:32:03,570 --> 00:31:59,000
does he play why do we think this is an

681
00:32:05,500 --> 00:32:03,580
actor rather than a real individual

682
00:32:07,320 --> 00:32:05,510
Wasson was the guy who brought

683
00:32:11,440 --> 00:32:07,330
psychedelic drugs to American culture

684
00:32:13,840 --> 00:32:11,450
there was an article May 1957 that

685
00:32:16,060 --> 00:32:13,850
described his journey into the Mexican

686
00:32:17,470 --> 00:32:16,070
desert in Life magazine which people

687
00:32:20,020 --> 00:32:17,480
won't remember but I mean this is like

688
00:32:22,210 --> 00:32:20,030

you know this is it you're in Life

689

00:32:24,370 --> 00:32:22,220

magazine that's it right yeah I was the

690

00:32:25,900 --> 00:32:24,380

most powerful and best widely most

691

00:32:29,410 --> 00:32:25,910

widely read magazine the United States

692

00:32:36,100 --> 00:32:29,420

it was owned by Henry Luce skullenbones

693

00:32:38,560 --> 00:32:36,110

secret society guy and Wasson was you

694

00:32:41,950 --> 00:32:38,570

know he was unemployed well he was a

695

00:32:45,340 --> 00:32:41,960

partner in JP Morgan he was very very

696

00:32:48,610 --> 00:32:45,350

high up inside the secret society he was

697

00:32:50,350 --> 00:32:48,620

actually a chairman of the meetings of

698

00:32:52,870 --> 00:32:50,360

the Council of Foreign Relations and

699

00:32:55,180 --> 00:32:52,880

this is just critically important

700

00:32:57,310 --> 00:32:55,190

because say that again so people don't

701
00:32:58,630 --> 00:32:57,320
lose sight of that because the way he's

702
00:33:01,090 --> 00:32:58,640
portrayed and I will at this point

703
00:33:05,169 --> 00:33:01,100
probably interject or

704
00:33:08,490 --> 00:33:05,179
splice in that clip where he's he's on a

705
00:33:11,650 --> 00:33:08,500
TV show being portrayed as just this

706
00:33:14,610 --> 00:33:11,660
adventure indiana jones independent guy

707
00:33:17,380 --> 00:33:14,620
down there in the jungles looking at

708
00:33:18,370 --> 00:33:17,390
psychedelics and then counsel on Foreign

709
00:33:20,950 --> 00:33:18,380
Relations

710
00:33:23,530 --> 00:33:20,960
yeah right doesn't make much sense does

711
00:33:26,160 --> 00:33:23,540
it well particularly that he would be

712
00:33:31,510 --> 00:33:26,170
the chairman these were documents that

713
00:33:33,610 --> 00:33:31,520

were unearthed by John Irvin and they

714

00:33:36,040 --> 00:33:33,620

are you know just transparent they

715

00:33:37,960 --> 00:33:36,050

because they are there they basically

716

00:33:39,400 --> 00:33:37,970

see if our documents and they list the

717

00:33:41,200 --> 00:33:39,410

individuals in the room during the

718

00:33:43,930 --> 00:33:41,210

meeting and they also list basically the

719

00:33:44,530 --> 00:33:43,940

chairmen of the organization Gordon

720

00:33:47,680 --> 00:33:44,540

Wasson

721

00:33:49,990 --> 00:33:47,690

so you know if you know the background

722

00:33:53,380 --> 00:33:50,000

of the CFR you know that it is basically

723

00:33:55,419 --> 00:33:53,390

the Union between the bank's military

724

00:33:59,160 --> 00:33:55,429

intelligence and you know political

725

00:34:02,290 --> 00:33:59,170

power it's a secret society to this day

726

00:34:05,620 --> 00:34:02,300

presidents and presidents - that want to

727

00:34:09,040 --> 00:34:05,630

be reference the Council on Foreign

728

00:34:10,089 --> 00:34:09,050

Relations in hushed tones I mean you can

729

00:34:11,739 --> 00:34:10,099

go listen

730

00:34:14,739 --> 00:34:11,749

to Hillary Clinton and she says oh you

731

00:34:16,960 --> 00:34:14,749

know the CFR I get my daily marching

732

00:34:19,059 --> 00:34:16,970

orders and they've been so outed that I

733

00:34:22,690 --> 00:34:19,069

think the power is shift to some other

734

00:34:26,200 --> 00:34:22,700

secret groups but man anyone who has any

735

00:34:28,659 --> 00:34:26,210

doubts I mean the CFR was it in terms of

736

00:34:30,700 --> 00:34:28,669

where you went for power sure and it's

737

00:34:32,229 --> 00:34:30,710

good to kind of note the sort of the

738

00:34:34,149 --> 00:34:32,239

secret organizations that are in

739

00:34:36,999 --> 00:34:34,159

bacchanal process so you've got Skull

740

00:34:38,619 --> 00:34:37,009

and Bones owning Life magazine the

741

00:34:44,499 --> 00:34:38,629

chairman of the Council on Foreign

742

00:34:46,299 --> 00:34:44,509

Relations going down to Mexico and then

743

00:34:49,690 --> 00:34:46,309

saying you know he had this spiritual

744

00:34:52,389 --> 00:34:49,700

and very positive experience which then

745

00:34:56,579 --> 00:34:52,399

basically becomes the foundation story

746

00:35:00,700 --> 00:34:56,589

of psychedelic drugs that they are

747

00:35:05,079 --> 00:35:00,710

basically from a vast and deep religious

748

00:35:08,890 --> 00:35:05,089

tradition and that they will help person

749

00:35:11,739 --> 00:35:08,900

on their spiritual development and you

750

00:35:15,489 --> 00:35:11,749

know the story that Watson told was

751
00:35:17,440 --> 00:35:15,499
untrue I mean the events were shaded in

752
00:35:21,400 --> 00:35:17,450
such a way to create the impression that

753
00:35:23,940 --> 00:35:21,410
this was a an ancient God seeking

754
00:35:28,059 --> 00:35:23,950
organization in Wasson and went on with

755
00:35:30,370 --> 00:35:28,069
Carl Rusk and named this you know

756
00:35:34,269 --> 00:35:30,380
category of psychedelic drugs and

757
00:35:36,579 --> 00:35:34,279
fusions you know the God within and you

758
00:35:40,359 --> 00:35:36,589
know in fact this was all nonsense the

759
00:35:41,709 --> 00:35:40,369
you know the the ancient codicils and

760
00:35:43,930 --> 00:35:41,719
the letters from the missionary all

761
00:35:46,390 --> 00:35:43,940
talked about the use of mushrooms as

762
00:35:49,150 --> 00:35:46,400
something that you know would be akin to

763
00:35:51,130 --> 00:35:49,160

LSD use by the grip by the deadheads I

764

00:35:52,719 --> 00:35:51,140

mean it was it was not something that

765

00:35:56,799 --> 00:35:52,729

was a spiritual development that it was

766

00:36:00,279 --> 00:35:56,809

more recreational or narcotic you know

767

00:36:02,950 --> 00:36:00,289

people talk about ayahuasca and like

768

00:36:06,400 --> 00:36:02,960

well you know how could it possibly be

769

00:36:08,739 --> 00:36:06,410

the case that these two plants were

770

00:36:11,289 --> 00:36:08,749

joined together and that's you know just

771

00:36:14,440 --> 00:36:11,299

because people don't know that in that

772

00:36:16,599 --> 00:36:14,450

culture that emetics are very common

773

00:36:18,190 --> 00:36:16,609

that because of the parasites and you

774

00:36:21,279 --> 00:36:18,200

know the amazon basin that people need

775

00:36:21,580 --> 00:36:21,289

to vomit and so there had been you know

776

00:36:24,520 --> 00:36:21,590

what

777

00:36:27,310 --> 00:36:24,530

tradition of emetics going back a long

778

00:36:29,230 --> 00:36:27,320

way and at one point something figured

779

00:36:31,150 --> 00:36:29,240

out that if you combined these two

780

00:36:33,340 --> 00:36:31,160

plants you could really get sick and

781

00:36:35,020 --> 00:36:33,350

this was the basis of ayahuasca it was

782

00:36:38,350 --> 00:36:35,030

it was through the emetic tradition it

783

00:36:40,210 --> 00:36:38,360

wasn't a long-standing spiritual path

784

00:36:43,090 --> 00:36:40,220

and then of course that was brought you

785

00:36:45,270 --> 00:36:43,100

know just like the the the magic

786

00:36:48,790 --> 00:36:45,280

mushrooms is brought by Gordon Watson

787

00:36:50,200 --> 00:36:48,800

and n MKULTRA because Watson's trip was

788

00:36:53,590 --> 00:36:50,210

then discovered documents were then

789

00:36:55,330 --> 00:36:53,600

discovered dr. Colin Ross psychiatrist

790

00:36:58,390 --> 00:36:55,340

who was dealing with victims of MKULTRA

791

00:37:00,220 --> 00:36:58,400

in Canada he got his hands on on

792

00:37:03,850 --> 00:37:00,230

documents and found that Wasson

793

00:37:05,200 --> 00:37:03,860

basically was being paid for as all of

794

00:37:08,950 --> 00:37:05,210

these trips were being paid for right

795

00:37:11,110 --> 00:37:08,960

out of MKULTRA so Watson was you know

796

00:37:14,830 --> 00:37:11,120

was what this whole trip was an MKULTRA

797

00:37:17,080 --> 00:37:14,840

project and this you know it's very

798

00:37:18,520 --> 00:37:17,090

similar to how the ayahuasca comes into

799

00:37:21,700 --> 00:37:18,530

our culture because that comes from

800

00:37:23,500 --> 00:37:21,710

William Burroughs Burroughs is someone

801
00:37:26,290 --> 00:37:23,510
who was has a background in military

802
00:37:28,030 --> 00:37:26,300
intelligence he had private meetings

803
00:37:31,120 --> 00:37:28,040
with William Donovan who became the

804
00:37:34,660 --> 00:37:31,130
first head of the CIA before he goes

805
00:37:38,080 --> 00:37:34,670
down to Mexico while he's there he he

806
00:37:41,470 --> 00:37:38,090
kills his wife and then goes into the

807
00:37:44,680 --> 00:37:41,480
jungle with John Marquis Archie is an

808
00:37:49,060 --> 00:37:44,690
OSS guy and they are looking for the

809
00:37:50,830 --> 00:37:49,070
ayahuasca you know this is this is you

810
00:37:52,690 --> 00:37:50,840
know and when you stand back and look at

811
00:37:53,980 --> 00:37:52,700
the big picture you can see this is just

812
00:37:57,070 --> 00:37:53,990
they're just trying to create this kind

813
00:38:00,610 --> 00:37:57,080

of tradition that doesn't really exist

814

00:38:03,490 --> 00:38:00,620

of a deep spiritual history for these

815

00:38:05,890 --> 00:38:03,500

plants and this is all going to be given

816

00:38:07,960 --> 00:38:05,900

to basically the deadhead as

817

00:38:09,790 --> 00:38:07,970

justification for the cultural

818

00:38:14,260 --> 00:38:09,800

development that they're interested in

819

00:38:17,640 --> 00:38:14,270

bringing about you know I always

820

00:38:19,990 --> 00:38:17,650

mentioned that people do this little

821

00:38:21,760 --> 00:38:20,000

experiment because it's very simple and

822

00:38:24,040 --> 00:38:21,770

you can see what we're up against if

823

00:38:25,960 --> 00:38:24,050

there's anything in our culture that

824

00:38:29,350 --> 00:38:25,970

shows you exactly we're up against it's

825

00:38:32,110 --> 00:38:29,360

the 19 May 1957 Life magazine cover

826

00:38:34,010 --> 00:38:32,120

right so you look at the cover and

827

00:38:36,850 --> 00:38:34,020

you'll see there's a black box

828

00:38:40,609 --> 00:38:36,860

which is inset into the cover and

829

00:38:44,900 --> 00:38:40,619

there's words on it and one of them is

830

00:38:46,880 --> 00:38:44,910

basically describing the spiritual

831

00:38:50,660 --> 00:38:46,890

visions from mushrooms in the Mexican

832

00:38:52,400 --> 00:38:50,670

desert but two articles which are

833

00:38:54,790 --> 00:38:52,410

distinct from Mawson's are also

834

00:38:58,480 --> 00:38:54,800

referenced inside the black box and the

835

00:39:02,240 --> 00:38:58,490

one on top simply says great adventures

836

00:39:04,160 --> 00:39:02,250

but the final words are just are

837

00:39:07,520 --> 00:39:04,170

purportedly describing another article

838

00:39:11,510 --> 00:39:07,530

but are the words teenage allowances

839

00:39:12,800 --> 00:39:11,520

right now I assert that once you

840

00:39:15,230 --> 00:39:12,810

understand that neural linguistic

841

00:39:17,510 --> 00:39:15,240

programming or coding the unconscious

842

00:39:19,370 --> 00:39:17,520

you know you mentioned you know how they

843

00:39:20,870 --> 00:39:19,380

were like looking at how to get at the

844

00:39:22,880 --> 00:39:20,880

unconscious with these different

845

00:39:26,359 --> 00:39:22,890

techniques why don't you understand that

846

00:39:28,460 --> 00:39:26,369

wasun is representing MKULTRA then you

847

00:39:31,820 --> 00:39:28,470

look at the box and you go oh I get it

848

00:39:33,770 --> 00:39:31,830

great adventures teenage allowances you

849

00:39:35,000 --> 00:39:33,780

see this is what they're trying to do

850

00:39:39,890 --> 00:39:35,010

this is all going to end up in Woodstock

851
00:39:43,670 --> 00:39:39,900
in about 12 years so they they're using

852
00:39:46,160 --> 00:39:43,680
neuro-linguistic programming basically

853
00:39:48,440 --> 00:39:46,170
they have determined how to you know

854
00:39:50,630 --> 00:39:48,450
what they think are ways to basically

855
00:39:54,620 --> 00:39:50,640
influence us through the subconscious

856
00:39:56,870 --> 00:39:54,630
and they are just transparently using it

857
00:40:00,340 --> 00:39:56,880
in in this you know in this life

858
00:40:02,540 --> 00:40:00,350
magazine cover and so you know this is

859
00:40:05,480 --> 00:40:02,550
you know this is a place where I think

860
00:40:07,609 --> 00:40:05,490
the citizens should just stop spend a

861
00:40:10,400 --> 00:40:07,619
little time and reflection try to you

862
00:40:12,050 --> 00:40:10,410
know they're maybe go through the

863
00:40:14,690 --> 00:40:12,060

process of kind of looking a little bit

864

00:40:17,780 --> 00:40:14,700

at neural linguistic programming looking

865

00:40:20,300 --> 00:40:17,790

at what the MKULTRA science was in

866

00:40:22,040 --> 00:40:20,310

development and then just honestly ask

867

00:40:24,320 --> 00:40:22,050

yourself well is there any possibility

868

00:40:26,420 --> 00:40:24,330

that's a circumstance because I just

869

00:40:28,250 --> 00:40:26,430

don't think so Alex I'm afraid not and

870

00:40:34,070 --> 00:40:28,260

so this is what we're up against is that

871

00:40:38,410 --> 00:40:34,080

they are very sophisticated they have an

872

00:40:41,349 --> 00:40:38,420

absolute disregard for the humanity of

873

00:40:44,990 --> 00:40:41,359

the what could be called their subjects

874

00:40:46,779 --> 00:40:45,000

right when you look at 9-1-1 look at the

875

00:40:50,429 --> 00:40:46,789

number of deaths that occurred

876

00:40:52,599 --> 00:40:50,439

you know the people that pulled that off

877

00:40:54,789 --> 00:40:52,609

basically felt they had the moral

878

00:40:56,469 --> 00:40:54,799

authority just to kill thousands of

879

00:40:59,919 --> 00:40:56,479

people and what can be described as a

880

00:41:02,169 --> 00:40:59,929

religious ritual right I mean there was

881

00:41:04,390 --> 00:41:02,179

really no they could have done this this

882

00:41:06,329 --> 00:41:04,400

in many other ways without having so

883

00:41:08,589 --> 00:41:06,339

many fatalities but they did it this way

884

00:41:12,459 --> 00:41:08,599

which means that they don't give a damn

885

00:41:15,609 --> 00:41:12,469

about the life the the value of

886

00:41:19,029 --> 00:41:15,619

existence of the people that they see as

887

00:41:21,400 --> 00:41:19,039

their subjects so when you look at the

888

00:41:25,959 --> 00:41:21,410

May 1957 cover you're looking at the

889

00:41:29,049 --> 00:41:25,969

same moral view of humanity you're

890

00:41:33,429 --> 00:41:29,059

inside the guild or you are basically an

891

00:41:36,130 --> 00:41:33,439

animal and so this is the the point that

892

00:41:38,679 --> 00:41:36,140

the Citizen has to start to organize

893

00:41:42,099 --> 00:41:38,689

themselves to defend themselves against

894

00:41:45,400 --> 00:41:42,109

this group I mean we want to have a

895

00:41:47,919 --> 00:41:45,410

future we want to have you know a world

896

00:41:50,109 --> 00:41:47,929

where our children can flourish we have

897

00:41:51,699 --> 00:41:50,119

got to clean up the mess in government

898

00:41:54,699 --> 00:41:51,709

you know the people control that we've

899

00:41:58,209 --> 00:41:54,709

got to expose it we have to you know

900

00:42:01,959 --> 00:41:58,219

basically make democracy work to benefit

901
00:42:04,599 --> 00:42:01,969
us and and recognize how they have

902
00:42:07,929 --> 00:42:04,609
controlled it you know and control the

903
00:42:11,439 --> 00:42:07,939
candidates so that we have no choices so

904
00:42:14,169 --> 00:42:11,449
that our history is is falsified you

905
00:42:17,289 --> 00:42:14,179
know so that you know when 9/11 these

906
00:42:19,359 --> 00:42:17,299
things occur the media just creates a

907
00:42:21,640 --> 00:42:19,369
fictional story that's used for mind

908
00:42:23,979 --> 00:42:21,650
control well let me jump in there

909
00:42:25,479 --> 00:42:23,989
sorry no no that's all right you you

910
00:42:27,870 --> 00:42:25,489
made some you made some really good

911
00:42:31,120 --> 00:42:27,880
points and I think you made your case

912
00:42:32,380 --> 00:42:31,130
very in a very strong way that you know

913
00:42:34,989 --> 00:42:32,390

people are gonna find a lot of things

914

00:42:37,870 --> 00:42:34,999

that maybe they don't go along with but

915

00:42:40,239 --> 00:42:37,880

I'd encourage anyone to really but at

916

00:42:42,999 --> 00:42:40,249

the same time dig into all the details

917

00:42:45,819 --> 00:42:43,009

and then step back and say is he may be

918

00:42:48,909 --> 00:42:45,829

right that we have to look at things in

919

00:42:52,229 --> 00:42:48,919

that way but I want to kind of counter

920

00:42:54,939 --> 00:42:52,239

some of the things that you're saying in

921

00:42:57,849 --> 00:42:54,949

the from where I'm coming from that I

922

00:43:00,220 --> 00:42:57,859

think I'd like to love to explore with

923

00:43:03,610 --> 00:43:00,230

you and hear your response to four

924

00:43:07,990 --> 00:43:03,620

I understand the assume they're all

925

00:43:10,090 --> 00:43:08,000

dirty ethos you know I mean I'll get that

926
00:43:11,290 --> 00:43:10,100
in the way that you said it in terms of

927
00:43:12,070 --> 00:43:11,300
if we're really going to get to the

928
00:43:15,550 --> 00:43:12,080
bottom of it

929
00:43:15,970 --> 00:43:15,560
we can't keep giving people the benefit

930
00:43:18,100 --> 00:43:15,980
of the doubt

931
00:43:21,400 --> 00:43:18,110
you know maybe a plane really did fly

932
00:43:23,020 --> 00:43:21,410
into 9/11 no you have to analyze the

933
00:43:25,540 --> 00:43:23,030
evidence the best you can and then

934
00:43:27,900 --> 00:43:25,550
bravely come to the conclusions that

935
00:43:31,090 --> 00:43:27,910
you're going to come to no matter how

936
00:43:34,300 --> 00:43:31,100
unpleasant they might be at the same

937
00:43:37,990 --> 00:43:34,310
time I don't think assume they're all

938
00:43:41,590 --> 00:43:38,000

dirty really works either and it can

939

00:43:44,310 --> 00:43:41,600

lead us to kind of our own just

940

00:43:47,620 --> 00:43:44,320

reinforcing our own beliefs in a way so

941

00:43:50,140 --> 00:43:47,630

let me kind of present my thesis and

942

00:43:52,540 --> 00:43:50,150

I'll do that by first talking about

943

00:43:54,960 --> 00:43:52,550

Terrence and Dennis McKenna who I'm sure

944

00:43:58,300 --> 00:43:54,970

you're aware of and they're

945

00:44:01,240 --> 00:43:58,310

well-documented Psychonauts people who

946

00:44:03,310 --> 00:44:01,250

explored psychedelics but I mean go look

947

00:44:05,230 --> 00:44:03,320

at their history Joe these are two kids

948

00:44:08,470 --> 00:44:05,240

I mean they're practically teenagers I

949

00:44:12,130 --> 00:44:08,480

think Terrence is 23 and Dennis is 19

950

00:44:16,150 --> 00:44:12,140

when they're there in India which has a

951
00:44:20,440 --> 00:44:16,160
long long many hundreds or thousands of

952
00:44:23,770 --> 00:44:20,450
year history in using psychedelic and

953
00:44:26,980 --> 00:44:23,780
mine altering plants and cotton

954
00:44:30,220 --> 00:44:26,990
substances so they're there looking for

955
00:44:33,340 --> 00:44:30,230
the truth and they can't find it or they

956
00:44:35,530 --> 00:44:33,350
they become disillusioned with what they

957
00:44:37,570 --> 00:44:35,540
see so they say okay we're gonna go

958
00:44:39,580 --> 00:44:37,580
totally third-world we're gonna go to

959
00:44:41,260 --> 00:44:39,590
Colombia and they start traipsing

960
00:44:43,210 --> 00:44:41,270
through the hills of Colombia and you

961
00:44:46,030 --> 00:44:43,220
can go read their accounts and read

962
00:44:47,620 --> 00:44:46,040
their their story and you can also look

963
00:44:51,850 --> 00:44:47,630

at their lives and how they live their

964

00:44:54,070 --> 00:44:51,860

lives afterwards and you know again here

965

00:44:57,640 --> 00:44:54,080

is where I think assuming they're all

966

00:45:00,040 --> 00:44:57,650

dirty doesn't work if you if we have

967

00:45:03,340 --> 00:45:00,050

some solid evidence that suggests that

968

00:45:05,890 --> 00:45:03,350

these guys were their message was being

969

00:45:09,190 --> 00:45:05,900

controlled and manipulated then bring it

970

00:45:11,950 --> 00:45:09,200

but the way that I read it sounds pretty

971

00:45:13,550 --> 00:45:11,960

straight up to me that they're walking

972

00:45:16,190 --> 00:45:13,560

through the hills and they do

973

00:45:17,990 --> 00:45:16,200

across shaman who we do know exist and

974

00:45:20,600 --> 00:45:18,000

they say yeah there are the mushrooms

975

00:45:22,610 --> 00:45:20,610

you can eat and here are some of the

976

00:45:24,140 --> 00:45:22,620

other plants that you can do and here

977

00:45:27,140 --> 00:45:24,150

are the effects and they'll connect us

978

00:45:29,660 --> 00:45:27,150

with this alternative consciousness that

979

00:45:33,320 --> 00:45:29,670

I think we're going to talk about in a

980

00:45:35,810 --> 00:45:33,330

minute so let me just stop there and say

981

00:45:39,380 --> 00:45:35,820

what do you make of Terrence and Dennis

982

00:45:44,120 --> 00:45:39,390

McKenna in my opinion they're just total

983

00:45:48,200 --> 00:45:44,130

liars and are basically just operatives

984

00:45:50,030 --> 00:45:48,210

for the organization I could be wrong I

985

00:45:53,630 --> 00:45:50,040

mean how could I actually prove it there

986

00:45:56,390 --> 00:45:53,640

there is hold on because you can prove

987

00:45:59,050 --> 00:45:56,400

it I mean I think the kind of proof that

988

00:46:02,090 --> 00:45:59,060

you brought to Gordon Wasson is

989

00:46:02,870 --> 00:46:02,100

incredibly compelling to most of us it

990

00:46:05,540 --> 00:46:02,880

is to me

991

00:46:08,270 --> 00:46:05,550

but you know the last time we spoke I

992

00:46:10,520 --> 00:46:08,280

told you about right I brought up

993

00:46:13,310 --> 00:46:10,530

Ram Dass you know former Harvard

994

00:46:15,140 --> 00:46:13,320

University and colleague of Timothy

995

00:46:17,450 --> 00:46:15,150

Leary who when you look into his

996

00:46:19,340 --> 00:46:17,460

background you know you could kind of

997

00:46:21,380 --> 00:46:19,350

draw these conclusions that it looks

998

00:46:24,200 --> 00:46:21,390

sketchy so that's why I didn't bring him

999

00:46:26,840 --> 00:46:24,210

him up again if you really look at his

1000

00:46:29,480 --> 00:46:26,850

life and his associates and the people

1001
00:46:31,520 --> 00:46:29,490
around him and what they say hundreds

1002
00:46:33,860 --> 00:46:31,530
and hundreds of people I don't think

1003
00:46:36,200 --> 00:46:33,870
he's at all sketchy I think we can only

1004
00:46:38,300 --> 00:46:36,210
take his account for for what it is

1005
00:46:40,430 --> 00:46:38,310
again I don't think we can assume he's

1006
00:46:42,950 --> 00:46:40,440
dirty but I left him out of the

1007
00:46:45,710 --> 00:46:42,960
discussion this time because Terrence

1008
00:46:48,890 --> 00:46:45,720
and Dennis McKenna I've look I just

1009
00:46:51,980 --> 00:46:48,900
don't see the the usual kind of funny

1010
00:46:56,470 --> 00:46:51,990
business connections with with the power

1011
00:47:00,770 --> 00:46:56,480
structure well the case you know is

1012
00:47:03,290 --> 00:47:00,780
circumstantial and you know it's quite

1013
00:47:05,090 --> 00:47:03,300

often by you know basically by

1014

00:47:08,170 --> 00:47:05,100

association I mean we're dealing with a

1015

00:47:11,330 --> 00:47:08,180

secret society right we're dealing with

1016

00:47:16,460 --> 00:47:11,340

you know people who are trained to be

1017

00:47:18,770 --> 00:47:16,470

basically lifetime actors and so you're

1018

00:47:20,510 --> 00:47:18,780

rarely gonna come across you know

1019

00:47:23,990 --> 00:47:20,520

fingerprints you know like Gloria

1020

00:47:25,910 --> 00:47:24,000

steinem's outing as a CIA janitor gordon

1021

00:47:26,660 --> 00:47:25,920

was-- and they requisitioned three on

1022

00:47:29,170 --> 00:47:26,670

kale

1023

00:47:34,400 --> 00:47:29,180

you know they're good at hiding it um

1024

00:47:38,150 --> 00:47:34,410

but you have a circumstantial case that

1025

00:47:43,460 --> 00:47:38,160

I think becomes you know what should be

1026

00:47:47,030 --> 00:47:43,470

the operative reality and with the you

1027

00:47:51,020 --> 00:47:47,040

know with Terence Mckenna you know he

1028

00:47:54,980 --> 00:47:51,030

talks so much about the you know the

1029

00:47:56,870 --> 00:47:54,990

mushroom I believe it is talking you

1030

00:48:00,200 --> 00:47:56,880

know this information that he's getting

1031

00:48:04,670 --> 00:48:00,210

you know from the the plant I mean this

1032

00:48:09,680 --> 00:48:04,680

is rubbish and is basically it's the

1033

00:48:12,080 --> 00:48:09,690

same approach that Gordon Watson used

1034

00:48:14,750 --> 00:48:12,090

but hold on joke because now we're

1035

00:48:16,490 --> 00:48:14,760

really getting at the root cause of this

1036

00:48:18,830 --> 00:48:16,500

and the way that I think it connects

1037

00:48:20,780 --> 00:48:18,840

with what I've investigated and with

1038

00:48:24,740 --> 00:48:20,790

skeptical for the last ten years and

1039

00:48:27,290 --> 00:48:24,750

that here's my working hypothesis that I

1040

00:48:30,320 --> 00:48:27,300

accept so much of what you're saying as

1041

00:48:33,320 --> 00:48:30,330

being true in the debasing of culture

1042

00:48:35,510 --> 00:48:33,330

the weaponizing of anthropology which I

1043

00:48:38,290 --> 00:48:35,520

love that phrase that you've turned

1044

00:48:42,580 --> 00:48:38,300

there I think it's perfectly stated and

1045

00:48:45,380 --> 00:48:42,590

the weaponization of the mind and

1046

00:48:46,940 --> 00:48:45,390

psychedelics as a part of that but

1047

00:48:50,390 --> 00:48:46,950

here's where I read the history

1048

00:48:54,580 --> 00:48:50,400

different I think they made a

1049

00:48:57,800 --> 00:48:54,590

fundamental mistake in what they thought

1050

00:49:00,830 --> 00:48:57,810

psychedelics would do and how they would

1051
00:49:02,990 --> 00:49:00,840
be used because they had a fundamental

1052
00:49:05,930 --> 00:49:03,000
misunderstanding about the nature of

1053
00:49:08,000 --> 00:49:05,940
consciousness and as I've explored on

1054
00:49:10,970 --> 00:49:08,010
this show that fundamental

1055
00:49:14,120 --> 00:49:10,980
misunderstanding continues to be the

1056
00:49:18,250 --> 00:49:14,130
dominant paradigm in science but it is

1057
00:49:21,440 --> 00:49:18,260
just not true so they were on they were

1058
00:49:23,930 --> 00:49:21,450
operating under this paradigm mind

1059
00:49:27,140 --> 00:49:23,940
equals brain that we can change the

1060
00:49:29,480 --> 00:49:27,150
brain and that will somehow since the

1061
00:49:31,790 --> 00:49:29,490
brain generates all consciousness that

1062
00:49:34,280 --> 00:49:31,800
will change the conscious experience and

1063
00:49:36,080 --> 00:49:34,290

what they didn't plan on and what they

1064

00:49:39,860 --> 00:49:36,090

didn't understand what they didn't see

1065

00:49:40,130 --> 00:49:39,870

is that consciousness is somehow and

1066

00:49:43,010 --> 00:49:40,140

some

1067

00:49:47,330 --> 00:49:43,020

we don't understand fundamental it's

1068

00:49:50,360 --> 00:49:47,340

beyond the brain the brain is to put it

1069

00:49:53,450 --> 00:49:50,370

in simple terms acting like a filter or

1070

00:49:57,050 --> 00:49:53,460

a valve in how consciousness is

1071

00:50:01,160 --> 00:49:57,060

perceived and operated with by the human

1072

00:50:03,790 --> 00:50:01,170

being but we are not consciousness and I

1073

00:50:06,140 --> 00:50:03,800

think there's a there's a deeper

1074

00:50:07,970 --> 00:50:06,150

struggle if you want to call it with you

1075

00:50:10,370 --> 00:50:07,980

know this elite class is controlling

1076
00:50:12,560 --> 00:50:10,380
class that oligarchs and you know who

1077
00:50:15,350 --> 00:50:12,570
knows how that whole thing is divided

1078
00:50:18,500 --> 00:50:15,360
but I think there's a fundamental divide

1079
00:50:21,140 --> 00:50:18,510
even among those groups in terms of this

1080
00:50:23,900 --> 00:50:21,150
issue of consciousness and whether we

1081
00:50:27,470 --> 00:50:23,910
really are these biological robots that

1082
00:50:29,170 --> 00:50:27,480
can be manipulated or whether as we know

1083
00:50:31,850 --> 00:50:29,180
from a lot of these secret societies

1084
00:50:34,160 --> 00:50:31,860
their understanding is that there is

1085
00:50:37,040 --> 00:50:34,170
some higher order to consciousness and

1086
00:50:39,290 --> 00:50:37,050
there is some effect in the spiritual

1087
00:50:41,990 --> 00:50:39,300
world that they're trying to marshal and

1088
00:50:44,990 --> 00:50:42,000

control but before I get too far afield

1089

00:50:47,630 --> 00:50:45,000

I want to bring it back to you and I got

1090

00:50:50,360 --> 00:50:47,640

tons of evidence I can scientific

1091

00:50:52,940 --> 00:50:50,370

evidence as we talked about in you know

1092

00:50:55,400 --> 00:50:52,950

my recent episode with codeine Akoni and

1093

00:50:56,990 --> 00:50:55,410

I talked about Rick Strassman and I can

1094

00:50:59,840 --> 00:50:57,000

give you just tons of other examples

1095

00:51:01,520 --> 00:50:59,850

David Nutt in the UK all these

1096

00:51:03,890 --> 00:51:01,530

experiments that have been done with

1097

00:51:07,100 --> 00:51:03,900

psychedelics that all seem to point in

1098

00:51:10,420 --> 00:51:07,110

the same direction it's not about the

1099

00:51:13,040 --> 00:51:10,430

brain primarily it's pointing to a

1100

00:51:15,860 --> 00:51:13,050

greater consciousness that is somehow

1101
00:51:19,160 --> 00:51:15,870
fundamental and I don't think these

1102
00:51:22,520 --> 00:51:19,170
culture shapers knew that or saw that

1103
00:51:24,650 --> 00:51:22,530
until they ran square into it with the

1104
00:51:28,010 --> 00:51:24,660
psychedelic movement what are your

1105
00:51:30,310 --> 00:51:28,020
thoughts on that well if it's not about

1106
00:51:34,670 --> 00:51:30,320
the brain then they don't need the drugs

1107
00:51:37,520 --> 00:51:34,680
so that well they it's not that they

1108
00:51:40,910 --> 00:51:37,530
need the drugs but that there is a

1109
00:51:43,370 --> 00:51:40,920
larger consciousness and that when you

1110
00:51:45,770 --> 00:51:43,380
effect the drugs you can affect the way

1111
00:51:48,230 --> 00:51:45,780
that we interact with that larger

1112
00:51:50,720 --> 00:51:48,240
consciousness but it's not to

1113
00:51:53,560 --> 00:51:50,730

misunderstand the relationship between

1114

00:51:55,360 --> 00:51:53,570

the brain and consciousness

1115

00:51:57,210 --> 00:51:55,370

it's like the 50 shows I've done on

1116

00:51:59,830 --> 00:51:57,220

near-death experience

1117

00:52:02,890 --> 00:51:59,840

the reason I did him is because there's

1118

00:52:06,130 --> 00:52:02,900

kind of the final straw

1119

00:52:09,820 --> 00:52:06,140

I mean consciousness extends beyond

1120

00:52:12,850 --> 00:52:09,830

bodily death we know that science and

1121

00:52:15,190 --> 00:52:12,860

the science control mechanism fights

1122

00:52:17,650 --> 00:52:15,200

that tooth and nail because they like

1123

00:52:20,520 --> 00:52:17,660

the paradigm that were under right now

1124

00:52:23,110 --> 00:52:20,530

which is all this very controlled

1125

00:52:24,930 --> 00:52:23,120

biological robot kind of thing but

1126
00:52:27,100 --> 00:52:24,940
that's just not the nature of reality

1127
00:52:29,260 --> 00:52:27,110
consciousness extends beyond bodily

1128
00:52:31,090 --> 00:52:29,270
death that's just the way it is I don't

1129
00:52:36,520 --> 00:52:31,100
know what it means but that's the way it

1130
00:52:38,380 --> 00:52:36,530
is well as I said if it isn't you know

1131
00:52:41,140 --> 00:52:38,390
about the brain and the ozarks wouldn't

1132
00:52:44,650 --> 00:52:41,150
need the drugs the oleg arts are you

1133
00:52:47,530 --> 00:52:44,660
know the issues that that you're you

1134
00:52:51,760 --> 00:52:47,540
know bringing up are really just in a

1135
00:52:54,070 --> 00:52:51,770
separate categorical compartment it's

1136
00:52:56,770 --> 00:52:54,080
just the the oligarchs were interested

1137
00:52:58,300 --> 00:52:56,780
in control they use drugs basically to

1138
00:53:01,870 --> 00:52:58,310

produce what they what they see as

1139

00:53:05,020 --> 00:53:01,880

psychosis so when when someone takes

1140

00:53:08,170 --> 00:53:05,030

drugs and you know basically sees

1141

00:53:11,110 --> 00:53:08,180

something that is not in what the oleg

1142

00:53:13,210 --> 00:53:11,120

arcs see as the world the real world the

1143

00:53:18,030 --> 00:53:13,220

world that they want to control then

1144

00:53:22,570 --> 00:53:18,040

they've had you know success and so

1145

00:53:25,510 --> 00:53:22,580

basically if you look at Wasson's paper

1146

00:53:29,050 --> 00:53:25,520

you know the first you know the life

1147

00:53:31,300 --> 00:53:29,060

magazine article he says that the drugs

1148

00:53:33,130 --> 00:53:31,310

produce a kind of schizophrenia and he

1149

00:53:35,680 --> 00:53:33,140

says that this is very positive right

1150

00:53:39,880 --> 00:53:35,690

that this something people should want

1151
00:53:42,550 --> 00:53:39,890
to have just after the acid test the

1152
00:53:47,190 --> 00:53:42,560
Esalen Institute which McKenna is

1153
00:53:49,030 --> 00:53:47,200
involved with produced the seminars on

1154
00:53:51,190 --> 00:53:49,040
psychosis preud

1155
00:53:55,510 --> 00:53:51,200
they all promoted psychosis is kind of

1156
00:54:01,300 --> 00:53:55,520
this artistic and valuable state you

1157
00:54:04,180 --> 00:54:01,310
have Alan Ginsberg Alan Watts the one of

1158
00:54:05,339 --> 00:54:04,190
the guys a psychiatrist from Peru I

1159
00:54:07,319 --> 00:54:05,349
think

1160
00:54:11,130 --> 00:54:07,329
and you know they're all touting the

1161
00:54:13,769 --> 00:54:11,140
values of psychosis as well if you just

1162
00:54:16,109 --> 00:54:13,779
always analyze these things from the

1163
00:54:18,299 --> 00:54:16,119

perspective of the of the oligarch you

1164

00:54:20,729 --> 00:54:18,309

can see you know that they're getting

1165

00:54:23,849 --> 00:54:20,739

what they want they could care less if

1166

00:54:27,689 --> 00:54:23,859

the individuals in the psychotic or

1167

00:54:30,630 --> 00:54:27,699

schizophrenic or drug-induced state you

1168

00:54:32,370 --> 00:54:30,640

know have a spiritual community

1169

00:54:34,769 --> 00:54:32,380

communion with something they don't care

1170

00:54:37,259 --> 00:54:34,779

but but hold on because that's kind of

1171

00:54:38,870 --> 00:54:37,269

the point in a way you know you can go

1172

00:54:41,099 --> 00:54:38,880

all the way back and look at the

1173

00:54:43,259 --> 00:54:41,109

experiments that we still can see the

1174

00:54:46,289 --> 00:54:43,269

LSD experiments that we can still see

1175

00:54:48,209 --> 00:54:46,299

youtubes on and what a lot of these

1176

00:54:51,209 --> 00:54:48,219

people that have these transformative

1177

00:54:54,120 --> 00:54:51,219

spiritual experiences are saying is hey

1178

00:54:56,479 --> 00:54:54,130

I'll trump your I don't care with even

1179

00:54:59,059 --> 00:54:56,489

bigger I don't care and by that I mean

1180

00:55:01,620 --> 00:54:59,069

all's I care about is that

1181

00:55:04,199 --> 00:55:01,630

transformative spiritual experience

1182

00:55:07,289 --> 00:55:04,209

because that is the window to the large

1183

00:55:09,930 --> 00:55:07,299

reality that you don't get so you can

1184

00:55:13,709 --> 00:55:09,940

play your little control game down here

1185

00:55:16,259 --> 00:55:13,719

and you can kill millions of people and

1186

00:55:20,459 --> 00:55:16,269

you can abuse whoever you want to abuse

1187

00:55:24,509 --> 00:55:20,469

but you are close to a larger reality

1188

00:55:28,259 --> 00:55:24,519

that I now have a glimpse of so I'm kind

1189

00:55:30,029 --> 00:55:28,269

of more at peace with the game that

1190

00:55:32,880 --> 00:55:30,039

you're playing and I'm not trying to

1191

00:55:36,329 --> 00:55:32,890

convince you of that per se but I'm just

1192

00:55:39,599 --> 00:55:36,339

saying that is another way to read

1193

00:55:41,640 --> 00:55:39,609

what's going on and it's actually what

1194

00:55:44,189 --> 00:55:41,650

they're saying so the people in the LSD

1195

00:55:46,019 --> 00:55:44,199

experiments that are it's hilarious if

1196

00:55:47,729 --> 00:55:46,029

one goes back and watches this because

1197

00:55:49,709 --> 00:55:47,739

they're these guys in these 1950s

1198

00:55:51,749 --> 00:55:49,719

short-sleeve white shirts and the thin

1199

00:55:53,130 --> 00:55:51,759

ties and they didn't know what they were

1200

00:55:56,339 --> 00:55:53,140

doing and they do this drug and they're

1201
00:55:59,329 --> 00:55:56,349
suddenly like man everything I thought I

1202
00:56:02,099 --> 00:55:59,339
knew I don't know it doesn't matter and

1203
00:56:03,779 --> 00:56:02,109
if we read the records the experimenters

1204
00:56:06,660 --> 00:56:03,789
ago hey wait a minute this isn't exactly

1205
00:56:09,449 --> 00:56:06,670
what we wanted or expected here you know

1206
00:56:11,519 --> 00:56:09,459
so if the CIA or these control

1207
00:56:13,469 --> 00:56:11,529
mechanisms being what they are and this

1208
00:56:16,949 --> 00:56:13,479
is again my opinion they are more

1209
00:56:18,940 --> 00:56:16,959
reactive than proactive right no one is

1210
00:56:20,740 --> 00:56:18,950
right a hundred percent of the time

1211
00:56:22,329 --> 00:56:20,750
so what these guys do is just real crap

1212
00:56:24,760 --> 00:56:22,339
out there and then say oh well that

1213
00:56:27,130 --> 00:56:24,770

didn't go the way we wanted well how can

1214

00:56:29,859 --> 00:56:27,140

we still use it how can we you know

1215

00:56:31,809 --> 00:56:29,869

debase culture with it or whatever but I

1216

00:56:35,410 --> 00:56:31,819

can see how they could go down that path

1217

00:56:38,049 --> 00:56:35,420

without realizing what they had

1218

00:56:44,010 --> 00:56:38,059

unleashed and what they had unleashed is

1219

00:56:48,099 --> 00:56:44,020

an access a doorway to truly a greater

1220

00:56:51,069 --> 00:56:48,109

consciousness field and you know if I

1221

00:56:52,930 --> 00:56:51,079

could bring it back to the interview you

1222

00:56:56,589 --> 00:56:52,940

listened to that I gave you the clips

1223

00:56:58,990 --> 00:56:56,599

from dr. Rick Strassman at University of

1224

00:57:01,690 --> 00:56:59,000

New Mexico who just a few years ago

1225

00:57:05,910 --> 00:57:01,700

relatively you know was given permission

1226
00:57:09,400 --> 00:57:05,920
to use DMT and to experiment with DMT I

1227
00:57:11,799 --> 00:57:09,410
mean again we can assume that they're

1228
00:57:14,109 --> 00:57:11,809
all dirty but I find no reason to assume

1229
00:57:16,089 --> 00:57:14,119
that they're all dirty from looking at

1230
00:57:20,140 --> 00:57:16,099
this guy's research in talking to this

1231
00:57:23,940 --> 00:57:20,150
guy and yet his conclusion is that his

1232
00:57:27,460 --> 00:57:23,950
subjects of his experiment were truly

1233
00:57:29,680 --> 00:57:27,470
transported to a different field of

1234
00:57:32,650 --> 00:57:29,690
consciousness beyond their brain that

1235
00:57:36,069 --> 00:57:32,660
had different characteristics and again

1236
00:57:39,250 --> 00:57:36,079
that's been widely reported so I can see

1237
00:57:41,349 --> 00:57:39,260
how both of these can be true how there

1238
00:57:45,900 --> 00:57:41,359

can be this larger consciousness and

1239

00:57:49,120 --> 00:57:45,910

there can also be these control oriented

1240

00:57:51,099 --> 00:57:49,130

master the universe oriented people who

1241

00:57:54,460 --> 00:57:51,109

just kind of ignore all that and say

1242

00:57:56,950 --> 00:57:54,470

well how can I use these tools to get my

1243

00:57:58,710 --> 00:57:56,960

gains so I don't think that's really

1244

00:58:02,170 --> 00:57:58,720

where you're at but I want to make clear

1245

00:58:06,220 --> 00:58:02,180

that's the that's kind of how I see the

1246

00:58:08,289 --> 00:58:06,230

landscape sure I would just point out

1247

00:58:11,789 --> 00:58:08,299

those those videos I mean you're looking

1248

00:58:15,789 --> 00:58:11,799

at Sidney cone and Nicholas Burke al

1249

00:58:18,250 --> 00:58:15,799

these are both MKULTRA psychiatrists if

1250

00:58:21,640 --> 00:58:18,260

you analyze the questioning that they're

1251

00:58:25,900 --> 00:58:21,650

doing of the subjects basically these

1252

00:58:28,510 --> 00:58:25,910

individuals should be tried for human

1253

00:58:30,099 --> 00:58:28,520

experimentation right these are like the

1254

00:58:32,859 --> 00:58:30,109

sickest individuals that have ever

1255

00:58:34,480 --> 00:58:32,869

crawled on the planet because they know

1256

00:58:36,220 --> 00:58:34,490

perfectly well that they've induced a

1257

00:58:38,620 --> 00:58:36,230

kind of schizophrenia and the questions

1258

00:58:42,749 --> 00:58:38,630

they're trying to see to what extent is

1259

00:58:45,609 --> 00:58:42,759

the you know perception of reality being

1260

00:58:47,499 --> 00:58:45,619

damaged by the drug they're looking for

1261

00:58:51,029 --> 00:58:47,509

how much psychosis they can produce

1262

00:58:52,839 --> 00:58:51,039

they're using human beings for

1263

00:58:55,150 --> 00:58:52,849

experimentation and there is no

1264

00:58:56,739 --> 00:58:55,160

guarantee that these individuals are

1265

00:58:58,900 --> 00:58:56,749

going to recover their sanity many

1266

00:59:01,089 --> 00:58:58,910

people have taken that drug and have had

1267

00:59:02,859 --> 00:59:01,099

complete psychotic breaks that they've

1268

00:59:06,519 --> 00:59:02,869

never recovered from and those

1269

00:59:09,190 --> 00:59:06,529

individuals damn well knew it Alex so I

1270

00:59:11,259 --> 00:59:09,200

don't disagree with you you know I don't

1271

00:59:14,170 --> 00:59:11,269

do so back to those videos you go back

1272

00:59:17,319 --> 00:59:14,180

to those videos to Bercow and Cohn and

1273

00:59:19,059 --> 00:59:17,329

and just very carefully analyze the

1274

00:59:22,269 --> 00:59:19,069

questioning that they're doing and

1275

00:59:25,420 --> 00:59:22,279

you'll see they do not have any concern

1276
00:59:28,210 --> 00:59:25,430
whatsoever for the human value of their

1277
00:59:30,579 --> 00:59:28,220
subjects these are lab rats and they're

1278
00:59:33,339 --> 00:59:30,589
trying to determine that the degree of

1279
00:59:35,680 --> 00:59:33,349
psychosis that has happened Cohen is

1280
00:59:37,690 --> 00:59:35,690
just I mean you're just dealing with

1281
00:59:39,609 --> 00:59:37,700
evil you know on a scale that's just

1282
00:59:42,729 --> 00:59:39,619
unimaginable most humans can't even

1283
00:59:44,349 --> 00:59:42,739
imagine that that humans can really be

1284
00:59:45,460 --> 00:59:44,359
that sick and that's one of the reasons

1285
00:59:47,920 --> 00:59:45,470
why they can get away with it is because

1286
00:59:49,900 --> 00:59:47,930
people don't call them on it but this is

1287
00:59:51,579 --> 00:59:49,910
the case they knew perfectly well that

1288
00:59:53,650 --> 00:59:51,589

the drug produced psychosis and they

1289

00:59:55,210 --> 00:59:53,660

knew perfectly well that a fraction the

1290

00:59:56,140 --> 00:59:55,220

people wouldn't going to come back but

1291

00:59:58,960 --> 00:59:56,150

they went forward with the

1292

01:00:00,339 --> 00:59:58,970

experimentations regardless and then you

1293

01:00:03,160 --> 01:00:00,349

know I'll tell you something

1294

01:00:05,410 --> 01:00:03,170

those guys are also at the the EM Cal to

1295

01:00:08,410 --> 01:00:05,420

a union party and then you can see that

1296

01:00:11,349 --> 01:00:08,420

sick individual Sidney Cohen going you

1297

01:00:13,720 --> 01:00:11,359

know people say that the CIA you know

1298

01:00:15,039 --> 01:00:13,730

funded us and was in Bakula what do you

1299

01:00:17,499 --> 01:00:15,049

think about that he's asking the

1300

01:00:19,059 --> 01:00:17,509

question because John marks book about

1301

01:00:21,940 --> 01:00:19,069

The Manchurian Candidate has come out

1302

01:00:24,400 --> 01:00:21,950

well I'm sorry mr. Cohen but you know

1303

01:00:26,380 --> 01:00:24,410

the MKULTRA pay requisitions then got

1304

01:00:27,970 --> 01:00:26,390

released and you were identified as

1305

01:00:30,670 --> 01:00:27,980

being one of the people being funded

1306

01:00:32,710 --> 01:00:30,680

through the program so this question is

1307

01:00:35,349 --> 01:00:32,720

just a distraction he's trying to move

1308

01:00:36,759 --> 01:00:35,359

people away from the idea that well you

1309

01:00:38,829 --> 01:00:36,769

know I might have been actually guilty

1310

01:00:43,630 --> 01:00:38,839

against crimes crimes against humanity

1311

01:00:45,480 --> 01:00:43,640

um you know you know you talk about okay

1312

01:00:47,829 --> 01:00:45,490

we've got to

1313

01:00:49,359 --> 01:00:47,839

like with strassman and we shouldn't

1314

01:00:51,640 --> 01:00:49,369

really be working oh we should like give

1315

01:00:55,450 --> 01:00:51,650

him the benefit of the doubt Alex I just

1316

01:00:58,450 --> 01:00:55,460

strongly disagree until we get some

1317

01:01:00,880 --> 01:00:58,460

clarity hold on hold on I get your point

1318

01:01:03,730 --> 01:01:00,890

there but that's not real either I mean

1319

01:01:05,260 --> 01:01:03,740

everything you're saying is true so you

1320

01:01:07,359 --> 01:01:05,270

know put together the other pieces that

1321

01:01:07,990 --> 01:01:07,369

you're talking about with 911 I mean

1322

01:01:10,000 --> 01:01:08,000

come on

1323

01:01:12,010 --> 01:01:10,010

we've been at this for 17 years anyone

1324

01:01:15,400 --> 01:01:12,020

who thinks we're gonna get to the bottom

1325

01:01:17,890 --> 01:01:15,410

of 9/11 or someone's gonna come out and

1326

01:01:19,750 --> 01:01:17,900

tell the truth that guy that I don't I

1327

01:01:21,730 --> 01:01:19,760

haven't researched it enough to know if

1328

01:01:23,230 --> 01:01:21,740

the guy is for real but that YouTube

1329

01:01:27,309 --> 01:01:23,240

that was making the rounds in the last

1330

01:01:29,230 --> 01:01:27,319

couple months of a inside operative CIA

1331

01:01:30,880 --> 01:01:29,240

guy who says yeah here's how we brought

1332

01:01:32,500 --> 01:01:30,890

down building seven it was a controlled

1333

01:01:34,450 --> 01:01:32,510

demolition and it's a deathbed

1334

01:01:36,790 --> 01:01:34,460

confession which we know in the court of

1335

01:01:38,500 --> 01:01:36,800

law carries a lot more weight than a

1336

01:01:40,030 --> 01:01:38,510

regular confession so I don't know if

1337

01:01:42,130 --> 01:01:40,040

that's been debunked folks if it has I

1338

01:01:44,710 --> 01:01:42,140

apologize I've been meaning to research

1339

01:01:46,240 --> 01:01:44,720

that but I haven't but the like you

1340

01:01:48,520 --> 01:01:46,250

pointed out the pentagon thing you know

1341

01:01:51,970 --> 01:01:48,530

anyone who's close looks at the Pentagon

1342

01:01:53,770 --> 01:01:51,980

yeah it's like game over but come on

1343

01:01:58,359 --> 01:01:53,780

we're never gonna get to the bottom of

1344

01:02:00,790 --> 01:01:58,369

that so why no I don't like well I'm not

1345

01:02:03,490 --> 01:02:00,800

talking about I'm talking about from a

1346

01:02:05,410 --> 01:02:03,500

pragmatic practical standpoint I'm

1347

01:02:08,559 --> 01:02:05,420

saying we have to try and navigate all

1348

01:02:10,960 --> 01:02:08,569

this stuff the best that we can and I'm

1349

01:02:13,599 --> 01:02:10,970

just I'm just uncomfortable with the

1350

01:02:15,849 --> 01:02:13,609

assume that they're all dirty thing

1351

01:02:18,849 --> 01:02:15,859

because I think it can that can also

1352

01:02:21,880 --> 01:02:18,859

lead us down a path where we're just

1353

01:02:24,400 --> 01:02:21,890

create an echo chamber of confirming our

1354

01:02:26,290 --> 01:02:24,410

own beliefs so if you have something

1355

01:02:28,630 --> 01:02:26,300

about until we find out what's inside

1356

01:02:30,670 --> 01:02:28,640

the government this is all you know

1357

01:02:33,339 --> 01:02:30,680

angels dancing on the head of a pin who

1358

01:02:34,930 --> 01:02:33,349

knows I just I don't have a clue I don't

1359

01:02:36,490 --> 01:02:34,940

know if draftsman is dirty how would I

1360

01:02:38,589 --> 01:02:36,500

possibly know that I don't know I've

1361

01:02:41,920 --> 01:02:38,599

never studied his work it could well be

1362

01:02:45,960 --> 01:02:41,930

that is not but the point is we cannot

1363

01:02:49,660 --> 01:02:45,970

go forward at this particular time with

1364

01:02:54,130 --> 01:02:49,670

all the time Joe we're all going forward

1365

01:02:56,200 --> 01:02:54,140

all the time we're all let's see Alex

1366

01:02:57,579 --> 01:02:56,210

let's go forward to some clarity of what

1367

01:02:58,870 --> 01:02:57,589

exactly the government is doing because

1368

01:03:02,110 --> 01:02:58,880

here's my point

1369

01:03:05,260 --> 01:03:02,120

look this was all used against us once

1370

01:03:06,940 --> 01:03:05,270

right it was all used against us the sex

1371

01:03:09,670 --> 01:03:06,950

drugs and rock and roll culture was

1372

01:03:12,730 --> 01:03:09,680

artificial it was used against us it

1373

01:03:16,480 --> 01:03:12,740

really debased and damaged our culture

1374

01:03:20,020 --> 01:03:16,490

and so now as we you know hats it here

1375

01:03:22,990 --> 01:03:20,030

we have you know this new era new drugs

1376

01:03:26,830 --> 01:03:23,000

new research new government involvement

1377

01:03:29,400 --> 01:03:26,840

we just aren't in a position until we

1378

01:03:33,130 --> 01:03:29,410

know what is controlling the government

1379

01:03:35,800 --> 01:03:33,140

to trust these things they hurt us once

1380

01:03:38,560 --> 01:03:35,810

this time let's put a little scrutiny

1381

01:03:40,600 --> 01:03:38,570

and sunlight on these things and you

1382

01:03:42,370 --> 01:03:40,610

know it's it's like with Strassmann or

1383

01:03:44,650 --> 01:03:42,380

any of the people that are kind of

1384

01:03:46,630 --> 01:03:44,660

advocating sort of the Psychonauts right

1385

01:03:48,070 --> 01:03:46,640

that are wanting this you know let's go

1386

01:03:49,870 --> 01:03:48,080

into this area and try to do more

1387

01:03:52,120 --> 01:03:49,880

research here's what I would say to them

1388

01:03:56,500 --> 01:03:52,130

Alex you know what if you are really

1389

01:03:59,230 --> 01:03:56,510

ethical then what you should do is is is

1390

01:04:02,650 --> 01:03:59,240

not put the cart before the horse the

1391

01:04:04,450 --> 01:04:02,660

first step should be we've got to really

1392

01:04:06,790 --> 01:04:04,460

understand what the tradition of the

1393

01:04:09,250 --> 01:04:06,800

psychedelic movement is that's the first

1394

01:04:12,940 --> 01:04:09,260

thing we got to do we need informed

1395

01:04:15,820 --> 01:04:12,950

consent so before you start promoting

1396

01:04:17,590 --> 01:04:15,830

all of the advantages right spiritual

1397

01:04:21,610 --> 01:04:17,600

development that these drugs can bring

1398

01:04:24,940 --> 01:04:21,620

you've got to give the public the truth

1399

01:04:27,220 --> 01:04:24,950

about the history of all of them and the

1400

01:04:29,410 --> 01:04:27,230

truth about what the government did and

1401

01:04:31,450 --> 01:04:29,420

what what it was trying to do and what

1402

01:04:34,270 --> 01:04:31,460

sort of influence was trying to have if

1403

01:04:36,940 --> 01:04:34,280

we get there we will have informed

1404

01:04:38,500 --> 01:04:36,950

consent but if we if we don't get there

1405

01:04:40,090 --> 01:04:38,510

if we don't if we're sitting there

1406

01:04:43,090 --> 01:04:40,100

saying let's try it again

1407

01:04:45,880 --> 01:04:43,100

I'm sorry I just to me it's just it's

1408

01:04:47,800 --> 01:04:45,890

completely unethical until we get to the

1409

01:04:49,390 --> 01:04:47,810

bottom of what happened and who did it

1410

01:04:51,130 --> 01:04:49,400

and how it was designed and what the

1411

01:04:53,920 --> 01:04:51,140

purpose of all this stuff was we

1412

01:04:56,590 --> 01:04:53,930

shouldn't be trying to move forward with

1413

01:04:58,810 --> 01:04:56,600

with you know psychedelic drugs and

1414

01:05:00,250 --> 01:04:58,820

particularly drugs like the business

1415

01:05:02,350 --> 01:05:00,260

with Strassmann where he's getting

1416

01:05:05,560 --> 01:05:02,360

government funding man I would just say

1417

01:05:10,840 --> 01:05:05,570

that on its surface is is just a really

1418

01:05:11,620 --> 01:05:10,850

bad idea so let's stop pause and spend a

1419

01:05:13,720 --> 01:05:11,630

little bit of time

1420

01:05:16,270 --> 01:05:13,730

I'm getting an understanding of what

1421

01:05:18,730 --> 01:05:16,280

happened to us and then we'll know how

1422

01:05:20,860 --> 01:05:18,740

we can move forward you make a really

1423

01:05:23,050 --> 01:05:20,870

strong point and I love your point about

1424

01:05:25,270 --> 01:05:23,060

informed consent you know the other

1425

01:05:27,970 --> 01:05:25,280

angle I always come at these things from

1426

01:05:30,850 --> 01:05:27,980

and it's the spiritual perspective

1427

01:05:32,500 --> 01:05:30,860

because that's what this show skeptic oh

1428

01:05:36,760 --> 01:05:32,510

is about it's about following the data

1429

01:05:38,530 --> 01:05:36,770

being able to accept wherever that data

1430

01:05:40,510 --> 01:05:38,540

leads you and then it's also about

1431

01:05:42,670 --> 01:05:40,520

looking for the deeper conspiracy

1432

01:05:45,070 --> 01:05:42,680

because if you don't if you think the

1433

01:05:48,070 --> 01:05:45,080

data alone is telling you the story

1434

01:05:49,840 --> 01:05:48,080

you're liable to be bamboozled but the

1435

01:05:51,700 --> 01:05:49,850

third component for me is to look for

1436

01:05:53,800 --> 01:05:51,710

the deeper spirituality because I think

1437

01:05:55,810 --> 01:05:53,810

there is the evidence has led me to

1438

01:05:58,270 --> 01:05:55,820

believe there is a larger truth at hand

1439

01:06:00,970 --> 01:05:58,280

that is beyond these people who are

1440

01:06:04,330 --> 01:06:00,980

playing these games these horrific games

1441

01:06:06,430 --> 01:06:04,340

these very sick and evil games I think

1442

01:06:08,590 --> 01:06:06,440

there's a larger truth beyond that maybe

1443

01:06:10,180 --> 01:06:08,600

some people agree or disagree but

1444

01:06:14,230 --> 01:06:10,190

bringing it all the way back full circle

1445

01:06:16,240 --> 01:06:14,240

I mean I know you don't like Ellen watts

1446

01:06:20,380 --> 01:06:16,250

but I love the quote and I brought it up

1447

01:06:21,280 --> 01:06:20,390

at my show when you get the message hang

1448

01:06:24,160 --> 01:06:21,290

up the phone

1449

01:06:28,510 --> 01:06:24,170

so anyone who's interested in being

1450

01:06:30,580 --> 01:06:28,520

psycho not my point is you really don't

1451

01:06:33,430 --> 01:06:30,590

undercut the message yet you don't get

1452

01:06:37,630 --> 01:06:33,440

the message about what being a better

1453

01:06:40,570 --> 01:06:37,640

person is about loving everyone about

1454

01:06:43,390 --> 01:06:40,580

the first rules of every wisdom

1455

01:06:46,000 --> 01:06:43,400

tradition tell the truth hey that's the

1456

01:06:49,540 --> 01:06:46,010

hard part the hard part isn't going on

1457

01:06:52,570 --> 01:06:49,550

some expanded consciousness adventure

1458

01:06:55,690 --> 01:06:52,580

the hard part is coming back in living

1459

01:06:58,380 --> 01:06:55,700

your life in a way that is congruent

1460

01:07:00,730 --> 01:06:58,390

with these values that that we all

1461

01:07:02,170 --> 01:07:00,740

resonate with and say that's really how

1462

01:07:04,600 --> 01:07:02,180

we're supposed to believe live our life

1463

01:07:07,350 --> 01:07:04,610

so I never bring that up on this show

1464

01:07:09,820 --> 01:07:07,360

but since you so strongly made the case

1465

01:07:12,640 --> 01:07:09,830

against psychedelics and against

1466

01:07:14,380 --> 01:07:12,650

entheogens I'm not going to make that

1467

01:07:17,290 --> 01:07:14,390

same case because I think people can

1468

01:07:19,680 --> 01:07:17,300

find space in there that probably makes

1469

01:07:23,710 --> 01:07:19,690

sense inside of some greater

1470

01:07:27,040 --> 01:07:23,720

spirituality but I which your

1471

01:07:29,470 --> 01:07:27,050

extreme caution and ask why is that

1472

01:07:31,960 --> 01:07:29,480

really why is that really necessary what

1473

01:07:35,050 --> 01:07:31,970

do you really hope to accomplish by that

1474

01:07:39,970 --> 01:07:35,060

if you truly are looking for this deep

1475

01:07:43,839 --> 01:07:39,980

spirituality yeah I mean I have nothing

1476

01:07:46,839 --> 01:07:43,849

against psychedelic drugs for spiritual

1477

01:07:52,210 --> 01:07:46,849

exploration I you know in general

1478

01:07:54,940 --> 01:07:52,220

nothing whatsoever I really just want to

1479

01:07:57,070 --> 01:07:54,950

focus right now on how they've been used

1480

01:08:00,190 --> 01:07:57,080

who used them what was the purpose of

1481

01:08:01,510 --> 01:08:00,200

bringing him into her culture and you

1482

01:08:04,599 --> 01:08:01,520

know as I said I just want to have

1483

01:08:07,870 --> 01:08:04,609

informed consent going forward with

1484

01:08:10,440 --> 01:08:07,880

Strassmann you know if he was here I

1485

01:08:15,040 --> 01:08:10,450

would just say stop what you're doing

1486

01:08:18,720 --> 01:08:15,050

take your energies and help try to

1487

01:08:23,280 --> 01:08:18,730

determine what really wasn't back of the

1488

01:08:25,780 --> 01:08:23,290

leg Gordon Watson and Tim Leary and

1489

01:08:29,620 --> 01:08:25,790

Sydney Cowan let's get to the truth

1490

01:08:31,479 --> 01:08:29,630

about this just remember this when they

1491

01:08:33,820 --> 01:08:31,489

asked for the document Helms just

1492

01:08:37,329 --> 01:08:33,830

laughed at him and destroyed him he

1493

01:08:38,979 --> 01:08:37,339

wasn't even fired right and and this was

1494

01:08:41,200 --> 01:08:38,989

when Nate when the Church Commission

1495

01:08:43,959 --> 01:08:41,210

asked for the documents they had

1496

01:08:46,200 --> 01:08:43,969

fatalities citizens that have been given

1497

01:08:49,059 --> 01:08:46,210

LSD without their knowledge who had died

1498

01:08:52,420 --> 01:08:49,069

right this was these were the conditions

1499

01:08:55,420 --> 01:08:52,430

that that the Congress was demanding the

1500

01:08:57,010 --> 01:08:55,430

documents the only reason this stuff

1501
01:08:58,570 --> 01:08:57,020
comes out it says they were also doing

1502
01:09:00,340 --> 01:08:58,580
it up in Canada and they have different

1503
01:09:01,630 --> 01:09:00,350
freedom of information laws and they

1504
01:09:04,180 --> 01:09:01,640
were I would take them to court in

1505
01:09:06,700 --> 01:09:04,190
Canada they were able to keep the seal

1506
01:09:09,760 --> 01:09:06,710
on it in the u.s. exactly so anyway I

1507
01:09:13,420 --> 01:09:09,770
just I just want to get the full

1508
01:09:16,150 --> 01:09:13,430
disclosure before we go forward because

1509
01:09:17,950 --> 01:09:16,160
I am worried that they're going to that

1510
01:09:20,019 --> 01:09:17,960
they you know are gonna try to do it

1511
01:09:21,849 --> 01:09:20,029
again and I think we need to be nervous

1512
01:09:24,010 --> 01:09:21,859
about that because they didn't get

1513
01:09:26,800 --> 01:09:24,020

caught the first time you see they

1514

01:09:30,190 --> 01:09:26,810

didn't really get caught the they became

1515

01:09:31,599 --> 01:09:30,200

awareness and then they simply told us

1516

01:09:33,610 --> 01:09:31,609

that they weren't going to use these

1517

01:09:35,410 --> 01:09:33,620

kinds of techniques anymore but you can

1518

01:09:36,099 --> 01:09:35,420

just see from the example I gave about

1519

01:09:39,010 --> 01:09:36,109

SR

1520

01:09:42,479 --> 01:09:39,020

that they they could care less about you

1521

01:09:45,999 --> 01:09:42,489

know the democratically controlled

1522

01:09:48,370 --> 01:09:46,009

components of democracy right they have

1523

01:09:50,499 --> 01:09:48,380

the they think those are just a joke

1524

01:09:54,330 --> 01:09:50,509

they can circumvent those anytime they

1525

01:09:58,840 --> 01:09:54,340

want the deep state oleg ARCIC control

1526

01:10:00,760 --> 01:09:58,850

is what has the power and so we when we

1527

01:10:03,160 --> 01:10:00,770

look at strassman I think we have to

1528

01:10:07,030 --> 01:10:03,170

have a question mark and go hey is this

1529

01:10:09,520 --> 01:10:07,040

guy you know part of that and and we

1530

01:10:12,070 --> 01:10:09,530

don't know until we get more information

1531

01:10:14,320 --> 01:10:12,080

and Strassman if he is you know an

1532

01:10:15,760 --> 01:10:14,330

ethical individual I think he would look

1533

01:10:18,550 --> 01:10:15,770

at this data and go you know there right

1534

01:10:19,899 --> 01:10:18,560

and I'm not gonna go forward I'm going

1535

01:10:21,459 --> 01:10:19,909

to stop and we're gonna really try to

1536

01:10:25,709 --> 01:10:21,469

get to the bottom of all this because I

1537

01:10:29,229 --> 01:10:25,719

can see that it's easy to look at me as

1538

01:10:31,240 --> 01:10:29,239

possibly a reader a reiteration of what

1539

01:10:33,399 --> 01:10:31,250

was done in the 50s and 60s

1540

01:10:36,070 --> 01:10:33,409

Joe for folks who are interested in

1541

01:10:38,560 --> 01:10:36,080

pursuing this further in terms of your

1542

01:10:41,530 --> 01:10:38,570

thoughts on it where would you direct

1543

01:10:43,209 --> 01:10:41,540

them are you are you gonna write a book

1544

01:10:45,760 --> 01:10:43,219

on this you really should you've come

1545

01:10:47,530 --> 01:10:45,770

down a half mile becoming essence called

1546

01:10:51,070 --> 01:10:47,540

um the secret language of the oligarchs

1547

01:10:54,090 --> 01:10:51,080

and I want to notice maybe 60 days away

1548

01:10:56,700 --> 01:10:54,100

I'll you'll get the first copy and

1549

01:10:58,750 --> 01:10:56,710

basically it just it does literary

1550

01:11:01,510 --> 01:10:58,760

deconstruction of brave new world

1551

01:11:03,939 --> 01:11:01,520

Huxley's book and then it shows that

1552

01:11:06,479 --> 01:11:03,949

this isn't a fiction or a warning but

1553

01:11:10,810 --> 01:11:06,489

rather this is a plan that's being

1554

01:11:12,850 --> 01:11:10,820

implemented and I show that one thing

1555

01:11:15,340 --> 01:11:12,860

the oligarchs do fortunately is they

1556

01:11:17,320 --> 01:11:15,350

have a kind of sense of humor they have

1557

01:11:19,649 --> 01:11:17,330

a literary genre that they communicate

1558

01:11:23,770 --> 01:11:19,659

with and I give examples of modern

1559

01:11:26,740 --> 01:11:23,780

writers who are using this um this

1560

01:11:30,570 --> 01:11:26,750

literary genre and I just try to you

1561

01:11:34,060 --> 01:11:30,580

know give people what I think are useful

1562

01:11:37,270 --> 01:11:34,070

informations to you know have a more

1563

01:11:39,750 --> 01:11:37,280

effective democracy this could be really

1564

01:11:44,890 --> 01:11:39,760

interesting to see how that book is

1565

01:11:47,709 --> 01:11:44,900

received among your audience because I

1566

01:11:48,409 --> 01:11:47,719

just get the sense that a lot of the

1567

01:11:52,330 --> 01:11:48,419

folks who

1568

01:11:55,219 --> 01:11:52,340

have been with you and stayed with you

1569

01:11:57,080 --> 01:11:55,229

might find a little bit of upset with

1570

01:12:00,229 --> 01:11:57,090

that kind of thing but we'll see that's

1571

01:12:02,989 --> 01:12:00,239

big interesting well if I don't then you

1572

01:12:06,139 --> 01:12:02,999

know I haven't done my job I mean you

1573

01:12:13,000 --> 01:12:06,149

know this is really you know I mean yeah

1574

01:12:17,629 --> 01:12:13,010

I I just try to understand my world and

1575

01:12:19,939 --> 01:12:17,639

write about you know forces and you know

1576

01:12:22,100 --> 01:12:19,949

things which are hidden sometimes

1577

01:12:24,949 --> 01:12:22,110

sometimes not but that I think are

1578

01:12:26,959 --> 01:12:24,959

valuable to people I mean really all I

1579

01:12:30,229 --> 01:12:26,969

really want to do alex is try to help

1580

01:12:32,719 --> 01:12:30,239

have a more effective democracy I mean I

1581

01:12:35,359 --> 01:12:32,729

the oligarchs you know you talked about

1582

01:12:37,580 --> 01:12:35,369

sort of the the reasons that you know

1583

01:12:39,469 --> 01:12:37,590

they would want to have power and some

1584

01:12:43,159 --> 01:12:39,479

of these can be seen is actually you

1585

01:12:45,439 --> 01:12:43,169

know inevitable or even beneficial but I

1586

01:12:46,399 --> 01:12:45,449

just see democracy now is very very

1587

01:12:48,830 --> 01:12:46,409

ineffective

1588

01:12:51,229 --> 01:12:48,840

we're lied to we're given you know

1589

01:12:54,020 --> 01:12:51,239

candidates that are controlled by secret

1590

01:12:56,629 --> 01:12:54,030

societies and so our democracy just

1591

01:13:00,229 --> 01:12:56,639

isn't effective and I think that when

1592

01:13:02,689 --> 01:13:00,239

when you do your job and I do mine that

1593

01:13:05,839 --> 01:13:02,699

democracy benefits that you have a more

1594

01:13:08,929 --> 01:13:05,849

informed citizenry more skeptical more

1595

01:13:11,299 --> 01:13:08,939

able to ask the right questions and then

1596

01:13:14,810 --> 01:13:11,309

hope to heaven that we start getting

1597

01:13:17,359 --> 01:13:14,820

better candidates as a result of it our

1598

01:13:19,279 --> 01:13:17,369

guest again has been Josaphat wolf I

1599

01:13:21,049 --> 01:13:19,289

just understood that he's coming up with

1600

01:13:22,609 --> 01:13:21,059

a new book secret language of the

1601

01:13:24,949 --> 01:13:22,619

oligarchs can't wait to see that

1602

01:13:27,679 --> 01:13:24,959

but we've been mainly talking about a

1603

01:13:31,100 --> 01:13:27,689

lot of the work that you'll find at your

1604

01:13:33,529 --> 01:13:31,110

website right post Flav iana.org I'll

1605

01:13:36,229 --> 01:13:33,539

link that up in the show notes Joe it's

1606

01:13:36,859 --> 01:13:36,239

been great as always having you on thank

1607

01:13:39,589 --> 01:13:36,869

you Alex

1608

01:13:41,330 --> 01:13:39,599

talk to you soon I hope thanks again to

1609

01:13:44,120 --> 01:13:41,340

Joseph Atwell for joining me today on

1610

01:13:46,850 --> 01:13:44,130

skeptic oh one question I'd have to tee

1611

01:13:49,699 --> 01:13:46,860

up from this interview how much should

1612

01:13:52,899 --> 01:13:49,709

we be concerned about the government's

1613

01:13:55,879 --> 01:13:52,909

past present and future interest in

1614

01:13:58,219 --> 01:13:55,889

manipulating consciousness through

1615

01:13:59,929 --> 01:13:58,229

psychedelics so as you heard you know

1616

01:14:02,240 --> 01:13:59,939

Joe and I squared off on some of these

1617

01:14:04,910 --> 01:14:02,250

issues and I disagree with some of his

1618

01:14:07,010 --> 01:14:04,920

points but again in typical kind of Joe

1619

01:14:10,270 --> 01:14:07,020

at-will style I think he's revealed

1620

01:14:12,800 --> 01:14:10,280

something extremely important that

1621

01:14:15,920 --> 01:14:12,810

overshadows any minor disagreements I

1622

01:14:18,260 --> 01:14:15,930

might have with him and that is what the

1623

01:14:21,530 --> 01:14:18,270

hell is the deep state doing trying to

1624

01:14:23,540 --> 01:14:21,540

manipulate consciousness with drugs so I

1625

01:14:25,300 --> 01:14:23,550

asked the question but I kind of tipped

1626

01:14:27,980 --> 01:14:25,310

my hand in terms of where I'm leaning

1627

01:14:30,980 --> 01:14:27,990

love to hear your input your thought

1628

01:14:33,020 --> 01:14:30,990

your challenge to anything that came up

1629

01:14:35,270 --> 01:14:33,030

for you in this interview of course the

1630

01:14:39,440 --> 01:14:35,280

place to do it is through the skeptical

1631

01:14:42,800 --> 01:14:39,450

website s ke P tik oh you can download

1632

01:14:44,000 --> 01:14:42,810

any of the 350 previous shows you know I

1633

01:14:45,680 --> 01:14:44,010

wrote a book a while back I never

1634

01:14:48,530 --> 01:14:45,690

mentioned the book I probably should

1635

01:14:51,200 --> 01:14:48,540

have my publisher would appreciate if I

1636

01:14:53,720 --> 01:14:51,210

did he'd appreciate if you buy the book

1637

01:14:56,570 --> 01:14:53,730

why science is wrong about almost

1638

01:14:58,790 --> 01:14:56,580

anything I have to do a better job of

1639

01:15:00,980 --> 01:14:58,800

mentioning that and I will probably even

1640

01:15:03,800 --> 01:15:00,990

put it on the website wow what an idea

1641

01:15:05,690 --> 01:15:03,810

there anyways go to the website you can

1642

01:15:07,640 --> 01:15:05,700

also check out the skeptical forum

1643

01:15:10,610 --> 01:15:07,650

connect with me there connect with me

1644

01:15:12,710 --> 01:15:10,620

Facebook or any way you might choose

1645

01:15:15,650 --> 01:15:12,720

have a couple interesting shows coming
