

1  
00:00:10,220 --> 00:00:08,720  
on this show skeptic oh I mean you say

2  
00:00:11,540 --> 00:00:10,230  
you've listened for a while I mean I

3  
00:00:13,700 --> 00:00:11,550  
started out really on a pretty

4  
00:00:15,589 --> 00:00:13,710  
straightforward path of looking at this

5  
00:00:18,260 --> 00:00:15,599  
consciousness stuff and I'm telling you

6  
00:00:20,000 --> 00:00:18,270  
no matter where you start you wind up

7  
00:00:22,580 --> 00:00:20,010  
with all this weirdness that's just

8  
00:00:24,800 --> 00:00:22,590  
unavoidable so you know try and take our

9  
00:00:27,759 --> 00:00:24,810  
story right now and try and take

10  
00:00:30,830 --> 00:00:27,769  
Puharich and try and stay between the

11  
00:00:32,450 --> 00:00:30,840  
little white lines it's impossible to do

12  
00:00:35,630 --> 00:00:32,460  
you know you're gonna wind up talking

13  
00:00:37,010 --> 00:00:35,640

about all this wacky stuff and and so

14

00:00:38,930 --> 00:00:37,020

we're gonna talk in a minute about I

15

00:00:43,880 --> 00:00:38,940

want to stay finish talking about early

16

00:00:46,279 --> 00:00:43,890

Geller and about his work at SR I and

17

00:00:48,770 --> 00:00:46,289

this again straight up parapsychology

18

00:00:51,229 --> 00:00:48,780

work that's being done this is the basis

19

00:00:52,819 --> 00:00:51,239

of parapsychology and really the

20

00:00:55,459 --> 00:00:52,829

foundation of it is this work that's

21

00:00:57,799 --> 00:00:55,469

done at Stanford Research Institute but

22

00:01:00,830 --> 00:00:57,809

in a minute we're gonna say screw all

23

00:01:02,209 --> 00:01:00,840

that it's just such piddly crap compared

24

00:01:03,770 --> 00:01:02,219

to where these guys are going because

25

00:01:06,080 --> 00:01:03,780

you have somebody like regular and he's

26

00:01:07,789 --> 00:01:06,090

saying great you know you think it's

27

00:01:08,660 --> 00:01:07,799

cool that I can bend these spoons and

28

00:01:11,240 --> 00:01:08,670

Wow

29

00:01:15,200 --> 00:01:11,250

but let me tell you it's really all

30

00:01:17,749 --> 00:01:15,210

about the aliens and the ETS and the

31

00:01:19,399 --> 00:01:17,759

other connection and then lo and behold

32

00:01:20,719 --> 00:01:19,409

you know as you're gonna tell us in a

33

00:01:23,450 --> 00:01:20,729

minute when we start talking about the

34

00:01:26,090 --> 00:01:23,460

nine and and maybe we're ready to start

35

00:01:30,550 --> 00:01:26,100

talking about that now I mean this is

36

00:01:33,530 --> 00:01:30,560

where aundrea starts to go and it's it's

37

00:01:36,310 --> 00:01:33,540

he doesn't go there he's taken there I

38

00:01:38,270 --> 00:01:36,320

mean whether like so many of these

39

00:01:40,520 --> 00:01:38,280

experiences that people have you know

40

00:01:43,840 --> 00:01:40,530

it's not where you want to go it's where

41

00:01:47,530 --> 00:01:43,850

the experience wants to take you so

42

00:01:52,730 --> 00:01:47,540

maybe even lead us into talking about

43

00:01:54,289 --> 00:01:52,740

the nine of course yeah I think you know

44

00:01:56,179 --> 00:01:54,299

with with Geller you know like I said

45

00:01:57,770 --> 00:01:56,189

before with the the surface level stuff

46

00:02:01,130 --> 00:01:57,780

I mean a lot of people know about the

47

00:02:03,440 --> 00:02:01,140

the s RI experiments and it's easy to

48

00:02:05,719 --> 00:02:03,450

look up you know the video and the

49

00:02:09,680 --> 00:02:05,729

documentation but you know there is sort

50

00:02:12,080 --> 00:02:09,690

of this whole story going on behind this

51  
00:02:13,670 --> 00:02:12,090  
the currents in a sense with with

52  
00:02:16,900 --> 00:02:13,680  
hara-chan Geller with especially with

53  
00:02:21,110 --> 00:02:16,910  
Maharaj his book and you know that book

54  
00:02:22,699 --> 00:02:21,120  
basically sort of threw poo hard so far

55  
00:02:25,339 --> 00:02:22,709  
out there you know he sort of lost

56  
00:02:27,770 --> 00:02:25,349  
credibility with all the you know real

57  
00:02:30,589 --> 00:02:27,780  
scientific people the academic people he

58  
00:02:32,120 --> 00:02:30,599  
would associate with and people thought

59  
00:02:33,559 --> 00:02:32,130  
he was not something that was really the

60  
00:02:36,199 --> 00:02:33,569  
turning point where they said this guy's

61  
00:02:38,059 --> 00:02:36,209  
you know this is totally far out at

62  
00:02:40,430 --> 00:02:38,069  
Geller even you know distant trying to

63  
00:02:43,339 --> 00:02:40,440

distance himself from flourish after

64

00:02:45,740 --> 00:02:43,349

that book came out it's just it's really

65

00:02:47,420 --> 00:02:45,750

just a story a lot of people don't know

66

00:02:49,070 --> 00:02:47,430

about when it comes together when it

67

00:02:51,050 --> 00:02:49,080

comes to their relationship I mean and

68

00:02:52,580 --> 00:02:51,060

the crazy thing is that book was it was

69

00:02:54,710 --> 00:02:52,590

a best-seller and it was published by

70

00:02:56,300 --> 00:02:54,720

doubleday which Wow I didn't know that

71

00:02:58,240 --> 00:02:56,310

which today is that one of the biggest

72

00:03:00,860 --> 00:02:58,250

publishing houses it was a best-seller

73

00:03:02,360 --> 00:03:00,870

and and so he really got to think it

74

00:03:04,520 --> 00:03:02,370

always comes back to you know what was

75

00:03:07,460 --> 00:03:04,530

hard his intentions here with this book

76

00:03:09,650 --> 00:03:07,470

was well well you know what I think we

77

00:03:13,729 --> 00:03:09,660

got to jump in then and talk about the

78

00:03:16,390 --> 00:03:13,739

nine and then you can help us understand

79

00:03:19,789 --> 00:03:16,400

the the timeline and how it fits into

80

00:03:21,410 --> 00:03:19,799

Puharich his life because you know I

81

00:03:24,340 --> 00:03:21,420

have a feeling I didn't think of this

82

00:03:27,949 --> 00:03:24,350

before but this must have been going on

83

00:03:31,160 --> 00:03:27,959

for him in a way that you know caused

84

00:03:32,479 --> 00:03:31,170

him to think differently and eventually

85

00:03:36,860 --> 00:03:32,489

I guess he just had probably had to

86

00:03:41,120 --> 00:03:36,870

share that and get that out so what do

87

00:03:44,569 --> 00:03:41,130

you think about what would tell let me

88

00:03:47,330 --> 00:03:44,579

rephrase that tell us about the nine

89

00:03:50,210 --> 00:03:47,340

tell us you know what is the nine who it

90

00:03:54,710 --> 00:03:50,220

was that's about this amazing seance he

91

00:03:56,809 --> 00:03:54,720

had who was there what happened and and

92

00:03:59,930 --> 00:03:56,819

it who was there it's like a big part of

93

00:04:04,400 --> 00:03:59,940

this this is like yeah unbelievable

94

00:04:08,449 --> 00:04:04,410

heavy hitters hmm yeah the history of

95

00:04:11,059 --> 00:04:08,459

the nine is this goes back to once again

96

00:04:13,460 --> 00:04:11,069

the roundtable foundation which was a

97

00:04:16,640 --> 00:04:13,470

research laboratory of that goo hara

98

00:04:21,589 --> 00:04:16,650

China up in Maine in the early 50s and

99

00:04:23,029 --> 00:04:21,599

the quick the quick story is he a lot of

100

00:04:24,800 --> 00:04:23,039

people would visit the roundtable

101  
00:04:25,420 --> 00:04:24,810  
foundation you know all sorts of people

102  
00:04:28,650 --> 00:04:25,430  
psych

103  
00:04:31,600 --> 00:04:28,660  
medians and everything and when up

104  
00:04:35,350 --> 00:04:31,610  
Thanks thank you I just got delivered of

105  
00:04:37,029 --> 00:04:35,360  
coffee sorry hehe yeah so people would

106  
00:04:38,890 --> 00:04:37,039  
visit all the time you know pretty

107  
00:04:41,650 --> 00:04:38,900  
strange people blue large would sort of

108  
00:04:43,210 --> 00:04:41,660  
evaluate them study them you know are

109  
00:04:46,600 --> 00:04:43,220  
these people the real deal are they a

110  
00:04:50,260 --> 00:04:46,610  
little you know if he and so one day

111  
00:04:52,029 --> 00:04:50,270  
this this Indian fellow I came into the

112  
00:04:56,980 --> 00:04:52,039  
roundtable Foundation a guy by the name

113  
00:04:59,439 --> 00:04:56,990

of V not dr. V not and you know he was

114

00:05:02,620 --> 00:04:59,449

allegedly a medium and him and Boo harsh

115

00:05:04,409 --> 00:05:02,630

it it off and so this one night which

116

00:05:06,490 --> 00:05:04,419

you know there's documentation of

117

00:05:08,320 --> 00:05:06,500

there's tape recordings of and

118

00:05:11,310 --> 00:05:08,330

everything you know this guy v nod

119

00:05:17,469 --> 00:05:11,320

allegedly it goes into this trance and

120

00:05:20,680 --> 00:05:17,479

he starts to channel what he's calling

121

00:05:23,310 --> 00:05:20,690

is this entity of the nine and so he

122

00:05:25,629 --> 00:05:23,320

goes into this trance starts sort of

123

00:05:28,510 --> 00:05:25,639

spewing out all this really far-out

124

00:05:31,480 --> 00:05:28,520

information I starts you know telling to

125

00:05:35,740 --> 00:05:31,490

harsh things about his personal life

126

00:05:38,860 --> 00:05:35,750

that was really shocking and so that

127

00:05:41,170 --> 00:05:38,870

really affected Puharich I mean he at

128

00:05:42,909 --> 00:05:41,180

that time he was really just tipping

129

00:05:45,760 --> 00:05:42,919

over into the spiritual side of stuff

130

00:05:47,710 --> 00:05:45,770

and I think he was really interested in

131

00:05:50,230 --> 00:05:47,720

this guy v nod and this thing denying

132

00:05:51,850 --> 00:05:50,240

that he was allegedly channeling and so

133

00:05:54,760 --> 00:05:51,860

you know they they recorded it

134

00:05:57,040 --> 00:05:54,770

and shortly after that March you know

135

00:05:58,839 --> 00:05:57,050

went off to the mushroom stuff so the

136

00:06:00,520 --> 00:05:58,849

nine was sort of this thing that happens

137

00:06:02,710 --> 00:06:00,530

it was very interested in it but I think

138

00:06:05,589 --> 00:06:02,720

he sort of left it there and didn't go

139

00:06:06,850 --> 00:06:05,599

back to it for a long time so let me

140

00:06:09,610 --> 00:06:06,860

just interject here because I just had

141

00:06:13,600 --> 00:06:09,620

it up on the screen I don't want to blow

142

00:06:15,700 --> 00:06:13,610

past this too quickly that so the nine

143

00:06:18,969 --> 00:06:15,710

and I'm gonna go ahead and read this off

144

00:06:20,230 --> 00:06:18,979

of the off the screen for folks and then

145

00:06:23,500 --> 00:06:20,240

we can talk a little bit more about it

146

00:06:26,500 --> 00:06:23,510

but in in real kind of simple terms on

147

00:06:27,969 --> 00:06:26,510

December 31st 1952 through an Indian

148

00:06:30,939 --> 00:06:27,979

teacher who was visiting the u.s.

149

00:06:34,620 --> 00:06:30,949

Puharich made contact with the nine that

150

00:06:36,700 --> 00:06:34,630

is nine ascended beings supposedly

151  
00:06:38,560 --> 00:06:36,710  
spiritual beings

152  
00:06:41,680 --> 00:06:38,570  
a group of high beings who have had a

153  
00:06:44,200 --> 00:06:41,690  
long and direct involvement with

154  
00:06:46,270 --> 00:06:44,210  
humanity's evolution okay this is the

155  
00:06:48,850 --> 00:06:46,280  
kind of new we all know immediately we

156  
00:06:51,880 --> 00:06:48,860  
recognize this as the kind of New Age

157  
00:06:55,540 --> 00:06:51,890  
ish kind of crazy channeling stuff that

158  
00:07:00,490 --> 00:06:55,550  
everybody channels yeah but this gets

159  
00:07:02,380 --> 00:07:00,500  
really really weird in terms of the

160  
00:07:05,350 --> 00:07:02,390  
information that they're able to bring

161  
00:07:08,190 --> 00:07:05,360  
back the verification of it over the

162  
00:07:13,750 --> 00:07:08,200  
years and this becomes something that

163  
00:07:15,910 --> 00:07:13,760

stays with Puharich for 20 30 40 years

164

00:07:18,000 --> 00:07:15,920

right I mean it may be telling us

165

00:07:21,550 --> 00:07:18,010

through the timeline because he also

166

00:07:23,830 --> 00:07:21,560

gets involved with this it works at this

167

00:07:28,060 --> 00:07:23,840

initial seance that he has that is very

168

00:07:30,940 --> 00:07:28,070

CIA connected and then that after a

169

00:07:33,910 --> 00:07:30,950

couple years that stops but then he

170

00:07:37,510 --> 00:07:33,920

finds this other medium years later in

171

00:07:40,780 --> 00:07:37,520

Florida and he starts it up again with

172

00:07:44,400 --> 00:07:40,790

some more crazy folks including Bob

173

00:07:47,680 --> 00:07:44,410

Denver you know one of those famous

174

00:07:49,570 --> 00:07:47,690

entertainers of the time and some other

175

00:07:51,760 --> 00:07:49,580

really really noteworthy people so

176

00:07:54,670 --> 00:07:51,770

there's a huge story to tell here we

177

00:07:56,860 --> 00:07:54,680

can't tell it all but again that's why

178

00:07:58,930 --> 00:07:56,870

Greg is making this myth film and and

179

00:08:01,150 --> 00:07:58,940

that's why he needs your help in making

180

00:08:04,830 --> 00:08:01,160

this film because you can tell this is a

181

00:08:07,480 --> 00:08:04,840

really important story to get out there

182

00:08:11,890 --> 00:08:07,490

fill in some of the pieces are missing

183

00:08:15,130 --> 00:08:11,900

about this long-standing experience he

184

00:08:17,410 --> 00:08:15,140

has with these ascended beings who have

185

00:08:20,350 --> 00:08:17,420

a direct involvement with humanity's

186

00:08:23,980 --> 00:08:20,360

evolution I mean you can't get you can't

187

00:08:27,280 --> 00:08:23,990

get bigger than that right yeah it's

188

00:08:29,230 --> 00:08:27,290

unbelievable I think you know like I

189

00:08:31,450 --> 00:08:29,240

said is his first interaction like he

190

00:08:35,950 --> 00:08:31,460

just read was through this guy the v-not

191

00:08:37,660 --> 00:08:35,960

and I it really affected him who heart I

192

00:08:40,120 --> 00:08:37,670

think this is when he first really got

193

00:08:43,120 --> 00:08:40,130

interested in the channeling stuff in a

194

00:08:45,460 --> 00:08:43,130

big way and so you're right that the

195

00:08:49,630 --> 00:08:45,470

nine was this thing that really was a

196

00:08:50,990 --> 00:08:49,640

part of his life basically until he died

197

00:08:54,500 --> 00:08:51,000

in the 90

198

00:08:59,300 --> 00:08:54,510

and so if you cut from the 50s with this

199

00:09:02,030 --> 00:08:59,310

Indian fellow Veen early seventies if

200

00:09:04,400 --> 00:09:02,040

you read Andria's book on hurry he

201  
00:09:07,730 --> 00:09:04,410  
references the nine and you know

202  
00:09:10,069 --> 00:09:07,740  
allegedly through certain mediums

203  
00:09:12,560 --> 00:09:10,079  
Guha Rogers able to communicate with

204  
00:09:16,310 --> 00:09:12,570  
them I mean do we know of the accuracy

205  
00:09:18,319 --> 00:09:16,320  
of that of course we don't know but you

206  
00:09:20,660 --> 00:09:18,329  
know even through through Geller if you

207  
00:09:23,440 --> 00:09:20,670  
read his book you can you can see that

208  
00:09:26,389 --> 00:09:23,450  
Andre was communicating with the nine

209  
00:09:28,400 --> 00:09:26,399  
through Geller through these tape

210  
00:09:31,310 --> 00:09:28,410  
recordings you know a tape tape machine

211  
00:09:32,540 --> 00:09:31,320  
would magically start recording out of

212  
00:09:34,579 --> 00:09:32,550  
nowhere and they would listen back to

213  
00:09:36,769 --> 00:09:34,589

the tape and it would be you know the

214

00:09:40,550 --> 00:09:36,779

nine is things like this it's totally

215

00:09:45,759 --> 00:09:40,560

totally far out and you know if you cut

216

00:09:48,230 --> 00:09:45,769

to the mid-70s 74 75 like you said he is

217

00:09:52,490 --> 00:09:48,240

meeting a woman named Phyllis Schlemmer

218

00:09:54,350 --> 00:09:52,500

and pretty

219

00:09:56,390 --> 00:09:54,360

and which is based in Florida and I

220

00:09:58,220 --> 00:09:56,400

think you know a lot of people at this

221

00:10:00,010 --> 00:09:58,230

time you know Puharich became this sort

222

00:10:02,480 --> 00:10:00,020

of big figure in the in the

223

00:10:04,580 --> 00:10:02,490

parapsychology world and you know he was

224

00:10:06,680 --> 00:10:04,590

very thought after people would travel

225

00:10:08,420 --> 00:10:06,690

all from all over the world who come

226

00:10:12,410 --> 00:10:08,430

visit him and talk to him and work with

227

00:10:15,770 --> 00:10:12,420

him we had a little bit of a gap there

228

00:10:17,720 --> 00:10:15,780

but I think we can pick up right exactly

229

00:10:20,990 --> 00:10:17,730

where we left off we're talking about

230

00:10:25,420 --> 00:10:21,000

the nine and this amazing session that

231

00:10:28,400 --> 00:10:25,430

series of long-term decade Long's

232

00:10:32,150 --> 00:10:28,410

seances channeling sessions that he's

233

00:10:33,110 --> 00:10:32,160

having with extraterrestrial beings I

234

00:10:35,780 --> 00:10:33,120

don't know

235

00:10:38,660 --> 00:10:35,790

that's what's reported and I think where

236

00:10:42,710 --> 00:10:38,670

we left off in the story was with this

237

00:10:45,800 --> 00:10:42,720

woman so tell us about Phyllis in and

238

00:10:49,040 --> 00:10:45,810

how she fits into the timeline sure I

239

00:10:53,780 --> 00:10:49,050

think like right before we we left off

240

00:10:57,230 --> 00:10:53,790

here um you know I said people would

241

00:10:59,510 --> 00:10:57,240

were attracted to Andreea like you know

242

00:11:01,490 --> 00:10:59,520

mediums its these all types channels and

243

00:11:03,080 --> 00:11:01,500

Psyche legit psychics and that they

244

00:11:05,870 --> 00:11:03,090

would come from all over just to meet

245

00:11:07,750 --> 00:11:05,880

him they wanted to you know be evaluated

246

00:11:10,700 --> 00:11:07,760

by him you know because he was the

247

00:11:13,190 --> 00:11:10,710

parapsychology guy who was the real deal

248

00:11:15,590 --> 00:11:13,200

and so I think you know Phyllis was was

249

00:11:18,440 --> 00:11:15,600

one of these these people who I think

250

00:11:22,100 --> 00:11:18,450

you know sort of tracked down

251  
00:11:27,260 --> 00:11:22,110  
Andreea was was in the mid-70s around 74

252  
00:11:30,080 --> 00:11:27,270  
75 and okay yeah so so Phyllis was um

253  
00:11:32,120 --> 00:11:30,090  
Phyllis Schlemmer was a medium who I got

254  
00:11:36,500 --> 00:11:32,130  
into contact with Oh hard in the mid

255  
00:11:40,310 --> 00:11:36,510  
seventies and like like Geller and blue

256  
00:11:42,230 --> 00:11:40,320  
Harish's relationship whoo [h\_\_\h] you

257  
00:11:44,150 --> 00:11:42,240  
know for for whatever reason was

258  
00:11:46,280 --> 00:11:44,160  
convinced that that Phyllis schlimmer

259  
00:11:48,260 --> 00:11:46,290  
was the real deal she was a she was a

260  
00:11:52,100 --> 00:11:48,270  
great medium she could apparently go

261  
00:11:53,390 --> 00:11:52,110  
into these trances and you know what

262  
00:11:55,130 --> 00:11:53,400  
I've always found interesting about the

263  
00:11:56,780 --> 00:11:55,140

channeling stuff is you know and I've

264

00:11:58,130 --> 00:11:56,790

never seen this firsthand but you know

265

00:12:00,800 --> 00:11:58,140

apparently these people sort of

266

00:12:02,870 --> 00:12:00,810

completely leave their body you know and

267

00:12:04,520 --> 00:12:02,880

they let this entity whether it's the

268

00:12:05,890 --> 00:12:04,530

nine or whatever it is sort of totally

269

00:12:07,660 --> 00:12:05,900

take them over and

270

00:12:08,740 --> 00:12:07,670

when they when they snap out of it you

271

00:12:11,019 --> 00:12:08,750

know they don't remember a thing about

272

00:12:12,910 --> 00:12:11,029

what happened about what they said and

273

00:12:15,490 --> 00:12:12,920

so apparently that would happen with

274

00:12:20,050 --> 00:12:15,500

Phyllis Schlemmer all the time so the

275

00:12:22,900 --> 00:12:20,060

story goes you know whether you want to

276

00:12:24,880 --> 00:12:22,910

believe this to be the truth or not

277

00:12:28,570 --> 00:12:24,890

you know Phyllis you know had fallen

278

00:12:30,550 --> 00:12:28,580

into a trance and who pops up is the

279

00:12:33,610 --> 00:12:30,560

nine starts you know coming through her

280

00:12:36,340 --> 00:12:33,620

and so this starts blue hearts all over

281

00:12:38,620 --> 00:12:36,350

again on the nine you know he apparently

282

00:12:41,110 --> 00:12:38,630

had come into contact with them through

283

00:12:43,780 --> 00:12:41,120

the Indian medium in the 50s and now we

284

00:12:45,040 --> 00:12:43,790

cut to the early 70s mid 70s he's

285

00:12:47,019 --> 00:12:45,050

hearing from them again through a

286

00:12:49,510 --> 00:12:47,029

totally separate medium Phyllis

287

00:12:52,420 --> 00:12:49,520

Schlemmer so this starts him off on this

288

00:12:53,980 --> 00:12:52,430

whole journey with Phyllis at that time

289

00:12:57,280 --> 00:12:53,990

they're also working with the guy named

290

00:13:00,519 --> 00:12:57,290

John Whitmore who at one time was a very

291

00:13:03,370 --> 00:13:00,529

famous racecar driver a guy from from

292

00:13:07,180 --> 00:13:03,380

the UK he was interested in what Buhari

293

00:13:09,760 --> 00:13:07,190

was doing joined up with him and so you

294

00:13:11,320 --> 00:13:09,770

know Guha rich John Whitmore and Phyllis

295

00:13:13,720 --> 00:13:11,330

Schlemmer you know they traveled all

296

00:13:15,940 --> 00:13:13,730

over the globe you know allegedly being

297

00:13:17,170 --> 00:13:15,950

told by the nine they need to go here

298

00:13:20,170 --> 00:13:17,180

and they need to go there then you know

299

00:13:22,510 --> 00:13:20,180

meditate for world peace and it's just

300

00:13:25,930 --> 00:13:22,520

such a crazy story I mean there's photos

301

00:13:27,730 --> 00:13:25,940

those videos but it really just raises

302

00:13:30,850 --> 00:13:27,740

the question you know what was really I

303

00:13:32,920 --> 00:13:30,860

mean what would what would really cause

304

00:13:34,630 --> 00:13:32,930

them to to do this to really you know

305

00:13:37,180 --> 00:13:34,640

travel all over the globe but the

306

00:13:39,010 --> 00:13:37,190

allegedly being told to do so by this by

307

00:13:42,340 --> 00:13:39,020

this entity and it's very well it's

308

00:13:44,079 --> 00:13:42,350

crazy that we call it a crazy story I

309

00:13:47,260 --> 00:13:44,089

mean I think we have to consider that

310

00:13:49,180 --> 00:13:47,270

you know be in the in the break the

311

00:13:51,130 --> 00:13:49,190

brief break that we had I called you on

312

00:13:53,199 --> 00:13:51,140

the phone and we talked for a minute I'm

313

00:13:55,570 --> 00:13:53,209

real glad I'm able to introduce this you

314

00:13:57,610 --> 00:13:55,580

know I had the opportunity not too long

315

00:14:00,220 --> 00:13:57,620

ago I've interviewed him a couple times

316

00:14:03,430 --> 00:14:00,230

but I interviewed dr. Jeffrey Mishlove

317

00:14:08,079 --> 00:14:03,440

on skeptic oh and people know him from

318

00:14:10,090 --> 00:14:08,089

his long-running PBS show thinking aloud

319

00:14:12,640 --> 00:14:10,100

and now new thinking aloud and he has

320

00:14:15,610 --> 00:14:12,650

hundreds of videos with a lot of the

321

00:14:19,449 --> 00:14:15,620

leading lights if you will in

322

00:14:23,730 --> 00:14:19,459

parapsychology and now into spirituality

323

00:14:27,189 --> 00:14:23,740

guy is a Cal Berkeley PhD he pretty much

324

00:14:30,280 --> 00:14:27,199

plays it close to the vest in terms of a

325

00:14:33,609 --> 00:14:30,290

scientist he is a scientist in every

326

00:14:36,609 --> 00:14:33,619

respect I got the PhD he also has these

327

00:14:38,410 --> 00:14:36,619

connections to Stanford Research

328

00:14:41,189 --> 00:14:38,420

Institute again a part of it is because

329

00:14:44,199 --> 00:14:41,199

he was up there he was at Berkeley but I

330

00:14:45,549 --> 00:14:44,209

got to introduce the story to the mix

331

00:14:50,290 --> 00:14:45,559

because I think it's completely

332

00:14:54,280 --> 00:14:50,300

completely relevant but Mishlove is a

333

00:14:58,269 --> 00:14:54,290

guy who is interested in parapsychology

334

00:15:00,280 --> 00:14:58,279

and he's there with Stanford research he

335

00:15:03,340 --> 00:15:00,290

goes to their doorstep and he starts

336

00:15:05,919 --> 00:15:03,350

hanging around and he'll put off and

337

00:15:08,739 --> 00:15:05,929

Russell Targ say hey you're interested

338

00:15:12,340 --> 00:15:08,749

in this stuff let me throw something at

339

00:15:15,340 --> 00:15:12,350

you we got this guy who we can't seem to

340

00:15:19,119 --> 00:15:15,350

get rid of his name is Ted Owens you can

341

00:15:22,689 --> 00:15:19,129

see him here and Ted Owens is this guy

342

00:15:26,019 --> 00:15:22,699

who is talking to us about these crazy

343

00:15:27,970 --> 00:15:26,029

experiences he's having with aliens and

344

00:15:30,100 --> 00:15:27,980

aliens are visiting him and they're

345

00:15:32,079 --> 00:15:30,110

sending him all these messages and you

346

00:15:34,059 --> 00:15:32,089

know what and they try to slow them off

347

00:15:35,769 --> 00:15:34,069

you know like we don't have enough crazy

348

00:15:38,499 --> 00:15:35,779

stuff going on we meet a guy who's

349

00:15:41,249 --> 00:15:38,509

talking to aliens we're trying to just

350

00:15:43,090 --> 00:15:41,259

get regular and set up some

351

00:15:44,230 --> 00:15:43,100

parapsychology experiments because this

352

00:15:47,470 --> 00:15:44,240

stuff is all starting to come together

353

00:15:49,329 --> 00:15:47,480

right so this stuff goes off yet he

354

00:15:52,119 --> 00:15:49,339

starts working with Ted Owens but the

355

00:15:54,789 --> 00:15:52,129

reason I bring all this up is it's the

356

00:15:57,100 --> 00:15:54,799

exact same story only he's got even more

357

00:16:00,340 --> 00:15:57,110

interesting stuff going on where Ted

358

00:16:02,470 --> 00:16:00,350

Owens is making the weather change and

359

00:16:04,869 --> 00:16:02,480

then there's documentation that the

360

00:16:08,350 --> 00:16:04,879

weather changes he's making the UFOs

361

00:16:11,439 --> 00:16:08,360

show up and they show up right where

362

00:16:15,309 --> 00:16:11,449

they're supposed to and when you talk to

363

00:16:17,859 --> 00:16:15,319

Mishlove he's like I don't get it he

364

00:16:20,799 --> 00:16:17,869

wrote this book the PK man anyone can go

365

00:16:24,579 --> 00:16:20,809

read it any documents these years that

366

00:16:26,410 --> 00:16:24,589

he spent with Ted Owens a same kind of

367

00:16:28,299 --> 00:16:26,420

thing tracking him around the world

368

00:16:30,129 --> 00:16:28,309

saying hey come on over here

369

00:16:32,680 --> 00:16:30,139

they got this forest they're gonna give

370

00:16:36,970 --> 00:16:32,690

us this message here's this message and

371

00:16:40,090 --> 00:16:36,980

I just wonder at what point do we have

372

00:16:43,150 --> 00:16:40,100

to step back and say okay rather than

373

00:16:45,820 --> 00:16:43,160

all the caveats and qualifications and

374

00:16:48,520 --> 00:16:45,830

the need we have for people not to think

375

00:16:50,320 --> 00:16:48,530

we're totally crazy what have we just

376

00:16:52,470 --> 00:16:50,330

take it is straight up that's what's

377

00:16:55,900 --> 00:16:52,480

happening there's these

378

00:16:57,970 --> 00:16:55,910

extraterrestrials and somehow they've

379

00:17:01,090 --> 00:16:57,980

managed they have a technology that

380

00:17:03,910 --> 00:17:01,100

allows them to access this realm that we

381

00:17:05,920 --> 00:17:03,920

reach in mediumship or in deep

382

00:17:08,949 --> 00:17:05,930

meditation or in psychedelics and

383

00:17:11,110 --> 00:17:08,959

they're in that realm and they're coming

384

00:17:15,400 --> 00:17:11,120

through and they're sending those

385

00:17:20,050 --> 00:17:15,410

messages and take that if you will and

386

00:17:23,230 --> 00:17:20,060

fit that back into Puharich is story I

387

00:17:25,960 --> 00:17:23,240

mean what does he say about that well if

388

00:17:28,900 --> 00:17:25,970

we took it that way what does he say is

389

00:17:32,500 --> 00:17:28,910

the whole purpose and meaning of the

390

00:17:36,970 --> 00:17:32,510

nine what should we be doing based on

391

00:17:40,540 --> 00:17:36,980

what he found out from the 9 mm oh yeah

392

00:17:43,120 --> 00:17:40,550

it's it's so it's fascinating that the

393

00:17:45,790 --> 00:17:43,130

Mishlove story you can compare it almost

394

00:17:48,160 --> 00:17:45,800

right back to to Haaretz because once

395

00:17:50,470 --> 00:17:48,170

again if you read the book hurry

396

00:17:52,320 --> 00:17:50,480

written by Andre Puharich it's the same

397

00:17:54,970 --> 00:17:52,330

thing they were getting these messages

398

00:17:57,820 --> 00:17:54,980

through the nine telling them to go do

399

00:17:59,440 --> 00:17:57,830

certain things and you know it's all

400

00:18:02,460 --> 00:17:59,450

documented it's you know obviously you

401  
00:18:05,260 --> 00:18:02,470  
can believe it or not believe it but you

402  
00:18:09,310 --> 00:18:05,270  
know I was thinking a lot about this

403  
00:18:12,070 --> 00:18:09,320  
recently I was reading an article and

404  
00:18:14,080 --> 00:18:12,080  
you know this whole idea that he like

405  
00:18:16,540 --> 00:18:14,090  
you said maybe if you're in a deep

406  
00:18:18,730 --> 00:18:16,550  
trance or through a medium that might be

407  
00:18:21,730 --> 00:18:18,740  
some way that you know it is possible to

408  
00:18:24,900 --> 00:18:21,740  
communicate with you know said entities

409  
00:18:28,150 --> 00:18:24,910  
but you know a lot of the nines message

410  
00:18:30,430 --> 00:18:28,160  
which I am also very interested in how

411  
00:18:32,140 --> 00:18:30,440  
this works is you know the medium like I

412  
00:18:34,420 --> 00:18:32,150  
said before if completely falls out of

413  
00:18:36,370 --> 00:18:34,430

their body and when they come to they

414

00:18:38,500 --> 00:18:36,380

have no memory of what they said but

415

00:18:40,540 --> 00:18:38,510

it's all on tape and then they're saying

416

00:18:43,690 --> 00:18:40,550

this very intricate you know very

417

00:18:45,760 --> 00:18:43,700

articulate stuff I mean is physics

418

00:18:46,150 --> 00:18:45,770

science mathematics all this kind of

419

00:18:48,250 --> 00:18:46,160

stuff

420

00:18:51,490 --> 00:18:48,260

who especially in the case of Phyllis

421

00:18:54,130 --> 00:18:51,500

Schlemmer would you know otherwise you

422

00:18:56,920 --> 00:18:54,140

know not be able to to discuss or talk

423

00:18:59,050 --> 00:18:56,930

about like the South Florida who's just

424

00:19:01,060 --> 00:18:59,060

hanging out giving reading yeah you know

425

00:19:03,760 --> 00:19:01,070

that's what really intrigued me about I

426

00:19:05,770 --> 00:19:03,770

mean of course the the story but even

427

00:19:07,780 --> 00:19:05,780

just in a general sense about you know

428

00:19:09,580 --> 00:19:07,790

channels and in mediums you know there's

429

00:19:10,930 --> 00:19:09,590

a couple instances where this this is

430

00:19:14,440 --> 00:19:10,940

the case where these people would

431

00:19:16,780 --> 00:19:14,450

otherwise not be you know intellectually

432

00:19:19,030 --> 00:19:16,790

trained enough to even discuss this

433

00:19:21,820 --> 00:19:19,040

stuff but you know the nines message was

434

00:19:23,290 --> 00:19:21,830

very much you know trying to save the

435

00:19:25,360 --> 00:19:23,300

planet I mean there's a book called the

436

00:19:28,360 --> 00:19:25,370

only planet of choice that was written

437

00:19:29,830 --> 00:19:28,370

by Schlemmer which was basically mostly

438

00:19:31,510 --> 00:19:29,840

transcripts from the wreck of the

439

00:19:33,520 --> 00:19:31,520

recording sessions that she did with

440

00:19:36,880 --> 00:19:33,530

blue hearts when she was in trance and a

441

00:19:38,770 --> 00:19:36,890

lot of it is you know it's the typical

442

00:19:40,870 --> 00:19:38,780

sort of channeled stuff but we know I

443

00:19:42,910 --> 00:19:40,880

need to remember back then it was it was

444

00:19:44,650 --> 00:19:42,920

the first time this was happening now

445

00:19:47,710 --> 00:19:44,660

you know we see these channels and it's

446

00:19:49,330 --> 00:19:47,720

all the same stuff very new age kind of

447

00:19:52,570 --> 00:19:49,340

content but back then you know it was

448

00:19:55,270 --> 00:19:52,580

about you know mostly World Peace you

449

00:19:57,820 --> 00:19:55,280

know saving the planet saving humanity

450

00:19:59,710 --> 00:19:57,830

sort of raising the the consciousness

451  
00:20:01,210 --> 00:19:59,720  
level of humanity trying to get people

452  
00:20:04,060 --> 00:20:01,220  
to just think differently about all

453  
00:20:05,620 --> 00:20:04,070  
these things and you know as we said we

454  
00:20:07,720 --> 00:20:05,630  
see with Puharich that message really

455  
00:20:10,810 --> 00:20:07,730  
stuck with him and I like I said until

456  
00:20:12,490 --> 00:20:10,820  
the early 90s he was still talking about

457  
00:20:14,920 --> 00:20:12,500  
the nine he was still writing about the

458  
00:20:19,480 --> 00:20:14,930  
nine I mean I had a very sort of deep

459  
00:20:21,480 --> 00:20:19,490  
impact on him I think and it's just it's

460  
00:20:24,220 --> 00:20:21,490  
fascinating like I said if you just

461  
00:20:25,780 --> 00:20:24,230  
really google you can go and go down a

462  
00:20:27,160 --> 00:20:25,790  
rabbit hole of this stuff with the pool

463  
00:20:30,010 --> 00:20:27,170

arch and the nine I mean it gets very

464

00:20:32,020 --> 00:20:30,020

conspiracy heavy at times but which it

465

00:20:34,360 --> 00:20:32,030

has to it just has to we shouldn't

466

00:20:37,420 --> 00:20:34,370

apologize for that because it's real now

467

00:20:39,210 --> 00:20:37,430

IRRI see stuff is real as we've outlined

468

00:20:42,190 --> 00:20:39,220

through all this talk I mean he cuz

469

00:20:45,400 --> 00:20:42,200

working with intelligence agencies and

470

00:20:48,730 --> 00:20:45,410

he is working with people who are deep

471

00:20:53,740 --> 00:20:48,740

deep state does he ever later in his

472

00:20:56,890 --> 00:20:53,750

life have any ideas on how he resolves

473

00:21:00,130 --> 00:20:56,900

these two worlds his two worlds I mean

474

00:21:01,600 --> 00:21:00,140

the one world of you know there are

475

00:21:03,730 --> 00:21:01,610

enemies over there those are the bad

476  
00:21:05,770 --> 00:21:03,740  
guys and we got to defeat the Russians

477  
00:21:11,440 --> 00:21:05,780  
or we got to defeat whoever it is you

478  
00:21:15,040 --> 00:21:11,450  
know whatever was the stated agenda for

479  
00:21:16,780 --> 00:21:15,050  
all those operations as horrible as they

480  
00:21:19,660 --> 00:21:16,790  
were you know MKULTRA or any of the rest

481  
00:21:22,600 --> 00:21:19,670  
that as horrible as they were there was

482  
00:21:24,790 --> 00:21:22,610  
a stated agenda that we bought into and

483  
00:21:27,340 --> 00:21:24,800  
we still buy into and we still wrap our

484  
00:21:30,010 --> 00:21:27,350  
wrap the flag around us and say yeah but

485  
00:21:32,950 --> 00:21:30,020  
at least we're better than them and yet

486  
00:21:38,320 --> 00:21:32,960  
as you're alluding to the message of the

487  
00:21:41,320 --> 00:21:38,330  
nine the message of mish loves aliens of

488  
00:21:44,530 --> 00:21:41,330

over and over again everyone who enters

489

00:21:47,260 --> 00:21:44,540

this other realm is you got it all wrong

490

00:21:52,270 --> 00:21:47,270

that just isn't work that just doesn't

491

00:21:55,120 --> 00:21:52,280

work how did how did Puharich wrestle

492

00:21:56,320 --> 00:21:55,130

with those two realities because that

493

00:21:59,920 --> 00:21:56,330

that's the other thing I think you know

494

00:22:02,140 --> 00:21:59,930

we can't deny either of those realities

495

00:22:05,640 --> 00:22:02,150

do you have any sense is kind of a

496

00:22:08,050 --> 00:22:05,650

bringing it all together Greg how he

497

00:22:12,850 --> 00:22:08,060

resolved those for himself as he reached

498

00:22:16,900 --> 00:22:12,860

the end of his life yeah I think you

499

00:22:19,630 --> 00:22:16,910

know at the end of Andria's life as I've

500

00:22:23,020 --> 00:22:19,640

seen through some video footage and

501  
00:22:27,160 --> 00:22:23,030  
other recordings of him we're talking

502  
00:22:28,990 --> 00:22:27,170  
late 80s into the early 90s who has

503  
00:22:31,390 --> 00:22:29,000  
happen and he sort of became quite

504  
00:22:35,140 --> 00:22:31,400  
bitter I think you know he sort of had

505  
00:22:38,080 --> 00:22:35,150  
this entire life of trying to push these

506  
00:22:39,790 --> 00:22:38,090  
messages to people you know what if what

507  
00:22:41,590 --> 00:22:39,800  
if this is real let's not immediately

508  
00:22:43,330 --> 00:22:41,600  
debunk this let's not immediately throw

509  
00:22:45,370 --> 00:22:43,340  
this out the window let's let's sit and

510  
00:22:48,040 --> 00:22:45,380  
talk about it and you know after a

511  
00:22:51,100 --> 00:22:48,050  
lifetime of pushing that I think you

512  
00:22:52,660 --> 00:22:51,110  
know people were still scan of course

513  
00:22:54,250 --> 00:22:52,670

people were so skeptical people were

514

00:22:55,900 --> 00:22:54,260

still debunking and I think he became

515

00:22:59,830 --> 00:22:55,910

very bitter about that there's a

516

00:23:02,380 --> 00:22:59,840

particular interview that I have of him

517

00:23:04,180 --> 00:23:02,390

I think in 93 and he's really just going

518

00:23:06,400 --> 00:23:04,190

off about this stuff I think he's very

519

00:23:09,940 --> 00:23:06,410

angry that you know his life's work

520

00:23:11,980 --> 00:23:09,950

didn't reach more people and you know he

521

00:23:13,450 --> 00:23:11,990

was bitter that you know these things he

522

00:23:16,180 --> 00:23:13,460

spent his whole life on

523

00:23:19,840 --> 00:23:16,190

and you know get as far as he would have

524

00:23:21,490 --> 00:23:19,850

wished and I think you know it really

525

00:23:23,440 --> 00:23:21,500

raises an interesting question I think

526

00:23:25,870 --> 00:23:23,450

that's what's so great about doing a

527

00:23:28,720 --> 00:23:25,880

film on him is it's really hard to pin

528

00:23:31,840 --> 00:23:28,730

down you know what his real intentions

529

00:23:33,430 --> 00:23:31,850

were I mean if you look at the nine and

530

00:23:34,870 --> 00:23:33,440

like you said that deal is these these

531

00:23:37,060 --> 00:23:34,880

people who were involved in it these

532

00:23:39,789 --> 00:23:37,070

very very wealthy family is the CIA

533

00:23:41,769 --> 00:23:39,799

types I mean you know you've got to ask

534

00:23:43,210 --> 00:23:41,779

why why were they there

535

00:23:45,519 --> 00:23:43,220

why were they a part of this where they

536

00:23:47,950 --> 00:23:45,529

simply just intrigued by it did they

537

00:23:50,769 --> 00:23:47,960

have some sort of different agenda

538

00:23:53,200 --> 00:23:50,779

it's really really deep when you start

539

00:23:56,590 --> 00:23:53,210

asking these questions but I think you

540

00:23:58,779 --> 00:23:56,600

know who heart he really was a spiritual

541

00:24:00,490 --> 00:23:58,789

person you know the bitterness at the

542

00:24:03,220 --> 00:24:00,500

end of his life aside he was very

543

00:24:05,049 --> 00:24:03,230

spiritual I found out there was his son

544

00:24:07,570 --> 00:24:05,059

Andy who had worked a lot with on the

545

00:24:10,419 --> 00:24:07,580

film and his and his other siblings that

546

00:24:12,490 --> 00:24:10,429

you know he he he would take trips to to

547

00:24:14,380 --> 00:24:12,500

Israel and to to all these places around

548

00:24:18,669 --> 00:24:14,390

the world he was very interested in

549

00:24:21,000 --> 00:24:18,679

religions and he was just you know one

550

00:24:23,169 --> 00:24:21,010

of these guys who just was so

551  
00:24:25,990 --> 00:24:23,179  
open-minded to all these things and I

552  
00:24:28,120 --> 00:24:26,000  
and I think at the end of the day you

553  
00:24:29,950 --> 00:24:28,130  
know he really just put put this all out

554  
00:24:31,840 --> 00:24:29,960  
on the table and he just said this is my

555  
00:24:33,669 --> 00:24:31,850  
experience this is what happened to me

556  
00:24:36,340 --> 00:24:33,679  
throughout my life here's the early book

557  
00:24:38,110 --> 00:24:36,350  
here's the nine you know - take it or

558  
00:24:39,340 --> 00:24:38,120  
leave it that was really his attitude at

559  
00:24:41,320 --> 00:24:39,350  
the end of the day I think about all

560  
00:24:43,389 --> 00:24:41,330  
this kind of stuff and that's why I

561  
00:24:46,240 --> 00:24:43,399  
think a film could it could be quite

562  
00:24:48,100 --> 00:24:46,250  
important because as we've discussed I

563  
00:24:49,899 --> 00:24:48,110

mean he did so many amazing things you

564

00:24:51,880 --> 00:24:49,909

can't just look at this guy and just say

565

00:24:54,310 --> 00:24:51,890

uh he was nuts you know

566

00:24:57,460 --> 00:24:54,320

let's move on here he really did some

567

00:25:01,149 --> 00:24:57,470

important things and absolutely so then

568

00:25:03,190 --> 00:25:01,159

tell us more about the film project how

569

00:25:07,120 --> 00:25:03,200

people can get involved how people can

570

00:25:08,769 --> 00:25:07,130

support it the basics of have you

571

00:25:11,470 --> 00:25:08,779

decided how much money you need to raise

572

00:25:13,600 --> 00:25:11,480

is part of the Kickstarter campaign when

573

00:25:16,149 --> 00:25:13,610

will the film be out how long where will

574

00:25:17,710 --> 00:25:16,159

it be distributed anything like that if

575

00:25:20,740 --> 00:25:17,720

people might want to know before they

576

00:25:22,629 --> 00:25:20,750

kind of become involved yeah well we

577

00:25:24,350 --> 00:25:22,639

have been working on this for quite some

578

00:25:28,190 --> 00:25:24,360

time

579

00:25:30,380 --> 00:25:28,200

but basically in order to have the

580

00:25:32,299 --> 00:25:30,390

creative control that I think is

581

00:25:34,430 --> 00:25:32,309

important for a film like this we're

582

00:25:37,250 --> 00:25:34,440

trying to finish it ourselves so we're

583

00:25:45,320 --> 00:25:37,260

doing a Kickstarter for the film and if

584

00:25:47,750 --> 00:25:45,330

you go to WWE are each film calm there

585

00:25:52,070 --> 00:25:47,760

will be a link to that Kickstarter page

586

00:25:54,350 --> 00:25:52,080

and you know it's it's very important I

587

00:25:57,140 --> 00:25:54,360

think not just for the film but you know

588

00:25:59,450 --> 00:25:57,150

a lot of the archives that I've been you

589

00:26:02,390 --> 00:25:59,460

know who live privileged enough to be

590

00:26:05,750 --> 00:26:02,400

given I mean this is stuff that it's

591

00:26:07,610 --> 00:26:05,760

very important and should be preserved

592

00:26:09,890 --> 00:26:07,620

so a lot of the the money that we'll

593

00:26:11,780 --> 00:26:09,900

raise will go to you know getting this

594

00:26:14,720 --> 00:26:11,790

stuff digitized and EBU harge left

595

00:26:17,060 --> 00:26:14,730

behind maybe several hundred slide

596

00:26:19,039 --> 00:26:17,070

photographs dating back to the 40s that

597

00:26:20,720 --> 00:26:19,049

have never been seen never been never

598

00:26:22,780 --> 00:26:20,730

been scanned or digitized so you know

599

00:26:25,210 --> 00:26:22,790

the money will go to that sort of stuff

600

00:26:27,590 --> 00:26:25,220

we've also been talking with

601  
00:26:29,570 --> 00:26:27,600  
Northwestern University where as I

602  
00:26:32,690 --> 00:26:29,580  
mentioned blue arch has a medical degree

603  
00:26:34,700 --> 00:26:32,700  
from they have sort of recognized the

604  
00:26:36,500 --> 00:26:34,710  
legacy of Puharich and they're they're

605  
00:26:38,960 --> 00:26:36,510  
interested in sort of setting up some

606  
00:26:41,900 --> 00:26:38,970  
material in their library in the Special

607  
00:26:44,270 --> 00:26:41,910  
Collections section of their library so

608  
00:26:46,039 --> 00:26:44,280  
you know we'll put some stuff there but

609  
00:26:49,669 --> 00:26:46,049  
yeah we will have the Kickstarter page

610  
00:26:51,799 --> 00:26:49,679  
going you know if anyone's interested in

611  
00:26:53,180 --> 00:26:51,809  
the world of parapsychology or

612  
00:26:56,539 --> 00:26:53,190  
consciousness or anything this is

613  
00:27:00,200 --> 00:26:56,549

obviously a important project and we're

614

00:27:01,280 --> 00:27:00,210

not looking for for too much but you

615

00:27:03,110 --> 00:27:01,290

know you'll you'll find all the

616

00:27:05,419 --> 00:27:03,120

information on the Kickstarter page

617

00:27:08,000 --> 00:27:05,429

great great well we will definitely have

618

00:27:10,400 --> 00:27:08,010

it linked up and we'll stay on top of

619

00:27:12,409 --> 00:27:10,410

this project once it gets going maybe

620

00:27:14,840 --> 00:27:12,419

you can come back on after the film

621

00:27:17,150 --> 00:27:14,850

takes shape and certainly as it's being

622

00:27:21,590 --> 00:27:17,160

released we'll have you back on and

623

00:27:23,840 --> 00:27:21,600

follow up on this story yeah Greg it's

624

00:27:25,669 --> 00:27:23,850

been great having you on thanks again so

625

00:27:28,820 --> 00:27:25,679

much for joining me on skeptic oh and

626

00:27:33,070 --> 00:27:28,830

best of luck with this really important

627

00:27:35,499 --> 00:27:33,080

work thanks Alex appreciate it

628

00:27:37,389 --> 00:27:35,509

so thanks for watching this video if it

629

00:27:39,970 --> 00:27:37,399

wasn't really a video but just an audio

630

00:27:41,560 --> 00:27:39,980

stored as a video well I apologize but

631

00:27:43,479 --> 00:27:41,570

there's more videos out there as well

632

00:27:45,340 --> 00:27:43,489

but please check out the skeptic Oh

633

00:27:46,690 --> 00:27:45,350

website you can see it here we cover a

634

00:27:49,509 --> 00:27:46,700

lot of different stuff you might be

635

00:27:52,840 --> 00:27:49,519

interested in relating to controversial

636

00:27:55,539 --> 00:27:52,850

science and spirituality a lot of shows

637

00:27:58,389 --> 00:27:55,549

up there over 350 of them are so all

638

00:28:00,720 --> 00:27:58,399

free all available for downloads so do
